“Chapter 1201: 257: Trash, Zhao Xueyin has been thrown out! The rightful heir of the consortium! 3”

“Therefore, in the financial world, the Zhao family’s reputation had always been good.”

“But now, it was all ruined.”

Everything that Father Zhao had painstakingly built had become a laughing stock.

“”Master, Please Calm Down.”The Butler opened his mouth. “The most important thing now is to get someone to take down this news!””

“Father Zhao pinched his temple. “Go and make the arrangements. No matter how much it costs, we have to suppress the heat.””

“”Okay, I’ll do it right away.”Old Zhang bent down.”

Father Zhao looked at Zhao Xueyin. “What’s going on between you and master five?”

“When master five was mentioned again, Zhao Xueyin immediately cried.”

“Master Five is Cen Shaoqing...”

“”What?”Hearing this, Father Zhao’s face turned pale.”

Master Five is Cen Shaoqing?

Who is Cen Shaoqing?

Ye Zhuo's boyfriend!

Father Zhao instantly understood why Zhao Xueyin was thrown out of DK Jewelry Center.

A trap.

"This was not only a trap, it was also a trap within a trap."

"Father Zhao's strength seemed to be sucked out of his body in an instant, and he fell onto the sofa like dead wood and ashes."

Cen Shaoqing was ye Zao's boyfriend. What else could Zhao Xueyin use to fight with ye Zao?

"After a long while, Father Zhao finally reacted, he pointed at Zhao Xueyin and said, "Think about it carefully. How many times have I warned you! Be careful of Ye Zao, be careful of Ye Zao! If you had listened to my words, you would not have ended up like this!""

Zhao Xueyin was too confident.

The old saying was right.

Overconfidence turned into conceit.

Zhao Xueyin was overconfident.

"Hearing Father Zhao's words, Zhao Xueyin cried even more miserably."

She didn't understand how she was inferior to Ye Zao.

Why did those men like ye Zao so much?

“Master.” At this moment, the Butler walked in.

“What’s Wrong?”

The Butler’s expression didn’t look good. “The news agency isn’t willing to close down.”

“Which news agency?”

“Jin Cheng News Agency.”

Father Zhao narrowed his eyes. “I remember that Ah Lui is quite familiar with this news agency. Go and give Ah Lui a call.”

“Okay.” Old Zhang nodded.

“There’s no need to call,” Zhao Xueyin suddenly said.

Old Zhang was stunned.

“Zhao Xueyin continued, “I had a falling out with the lawyer.””

“What?” Father Zhao looked at Zhao Xueyin. “Say that again!”

Zhao Xueyin took a deep breath. “I said I had a falling out with the lawyer.”

“Then quickly go and coax him back!” Father Zhao continued.

“It’s useless...”Zhao Xueyin shook her head.

She and the lawyer had reached a point where there was no turning back.

“”How did you offend Ah Lui?”Father Zhao was flustered and exasperated, “Idiot! You Idiot! How many times have I told you! One more spare tire means one more way out! My Words, you just ignore them! Hurry up and coax Ah Lui back!””

The important thing was that the lawyer was easy to handle.

“Not only was it easy to handle, the lawyer also had talent.”

The most important thing was that the lawyer could accept him as his wife!

“If Zhao Ziyue could not be found, father Zhao would have to rely on the lawyer for the rest of his life.”

“According to the lawyer’s personality, it would not be a problem for their child to follow Zhao Xueyin’s surname in the future.”

Zhao Xueyin stood there without moving or saying anything.

Father Zhao became even angrier. “Are you deaf? I told you to coax Ah Lui back!”

“”I’m not going!”Zhao Xueyin continued, “Isn’t the lawyer just a dog in our family? Although I can’t marry Master Five, I wouldn’t go to the extent of begging a dog!””

Zhao Xueyin had already taken the initiative to add the lawyer on wechat.

It was the lawyer who did not grasp the opportunity.

There was only one chance.

Zhao Xueyin's pride and self-esteem did not allow her to ask the lawyer for a second time.

"Besides, the lawyer was not some nobleman."

He was just a part-time worker.

"Although she could not marry master five, the nobleman in the financial world was still chosen by her!"

She did not need to beg a dog at all.

Moreover.

Zhao Xueyin believed that the lawyer would one day regret it!

"Father Zhao was furious, he pointed at Zhao Xueyin and said, "You said that the lawyer is a dog, then how can you be nobler than him? Do you really think you're something? If you're really that noble, why did fifth Master Not Want You? Do you still think that you can marry into some powerful family? It's already your good fortune that the lawyer has taken a fancy to you. I think that your heart is as high as the sky, and your life is as thin as paper!""

Zhao Xueyin was provoked by these words.

"Heart as high as the sky, and life as thin as paper!"

"If others say so, then forget it, but this person is her father."

Biological father.

“In the impression, from childhood to adulthood, Father Zhao did not encourage her.”

“Chapter 1202: 257: Trash, Zhao Xueyin has been thrown out! The rightful heir of the consortium! 4”

“Zhao Xueyin raised her head to look at Father Zhao. “Who am I? Dragons give birth to dragons, phoenixes give birth to Phoenixes. When you ask me what I Am, why don’t you think about yourself?” ”

“If she was worse than a dog, how could father Zhao be any better? ”

“When the upper beam is not upright, the lower beam is crooked. ”

Father Zhao took a deep breath. “You! You! You Bastard!”

PA —

Father Zhao was so angry that he lost his mind and directly gave Zhao Xueyin a slap.

Father Zhao didn’t hit women.

“Therefore, ever since she was young, Zhao Xueyin had never been hit by Father Zhao. ”

This was the first time.

“Her head was hit so hard that it slanted to the side, and blood seeped out from the corner of her mouth. ”

“Ha.”

“Zhao Xueyin didn’t cry. Instead, a trace of a smile appeared on the corner of her mouth, “Ever since I was young, other than striking me down and giving me negative energy, what else can you do? When I was at school, other children had their parents attend parent-teacher conferences. What about me? What do I have? My mother is dead. My father is better off dead than alive!” ”

“A long, long time ago, Zhao Xueyin had also longed for her father’s love. ”

“Later on, she experienced more and more disappointments. ”

She no longer longed for it.

“Other children’s parents will bring them to participate in parent-child activities at school. What will my father do? My father will only despise why I’m not a boy? !”

“But I’m not a son. Can this be blamed on me? Can I choose my own gender?”

“”Why did I become like this? “I still don’t want your approval!”! “I want to prove to you that even though I’m a girl, I’m not inferior to a boy!”! “That’s why I want to marry master five so much. I want you to become the envy of everyone in the financial world!” ”

“But what about you? What have you done?”

“At the end of her sentence, Zhao Xueyin was almost hysterical. ”

Tired.

Too tired.

“All these years, she had been living in Father Zhao’s expectations. She was afraid that she would accidentally let down Father Zhao’s expectations.”

“In father Zhao’s eyes, what was she?”

She was nothing!

“If father Zhao really treated her as his daughter, he would not have let her marry the lawyer all the time.”

What did the lawyer have?

Other fathers all hoped that their daughter would marry well.

“Father Zhao, on the other hand, hoped that she would marry poorly.”

“If not for the paternity test, Zhao Xueyin would have thought that she had picked it up.”

“Thinking of this, Zhao Xueyin’s eyes were full of mockery.”

Hearing this.

Father Zhao was stunned.

He never knew that Zhao Xueyin had such a great hatred for him.

“The lawyer had to be capable, have good looks, and be easy to control.”

How could the lawyer not be good enough for Zhao Xueyin?

People said that mother and daughter were connected.

Father and son were connected.

It was normal for Zhao Xueyin's daughter not to understand him.

If only a Ye was here.

He and a Ye would definitely be able to connect father and son.

"At this time, he thought of Zhao Ziye again. "

"After a while, Father Zhao let out a long sigh and turned around to walk upstairs. "

"Zhao Xueyin looked at Father Zhao's voice and picked up the vase on the table. Just as she was about to smash it on the ground, the Butler suddenly rushed over from the side and held her hand. "Miss! Miss, you can't do this!" "

Zhao Xueyin could only let go.

...

On the other side.

The lawyer came downstairs of the Jiang Corporation.

Not long after.

Jiang Xiaoyu walked out from the main door.

“Jiang Xiaoyu,” the lawyer suddenly said. ”

Jiang Xiaoyu turned around and saw the lawyer. Her eyes were full of vigilance as she took a few steps back. “Why are you here?”

“The lawyer continued, “Don’t be nervous. I’m here to apologize to you.” ”

Apologize?

Si Lui was here to apologize to her?

It seemed a little unlikely.

“Si lui liked Zhao Xueyin so much that his eyes seemed to have been smudged by feces. He could neither see nor hear clearly. This time, he was probably here to bring her to apologize to Zhao Xueyin again. ”

“Seeing Jiang Xiaoyu like this, Si lui sighed, “Jiang Xiaoyu, I really came here to apologize to you. It was all my fault in the past. I misjudged you and misjudged Miss Ye. I almost hurt you!” ”

“At the end of his sentence, Si lui slightly bent down and bowed to Jiang Xiaoyu. ”

“From the way Si lui looked, it didn’t seem like he was acting. ”

Jiang Xiaoyu was stunned.

Did the sun rise from the West?

She didn’t expect that Si lui would have the day to see the truth.

She thought that Si lui would never be able to see the truth.

“Jiang Xiaoyu continued, “Did you break up with Zhao Xueyin?” ”

“Yes.”The lawyer nodded.

Jiang Xiaoyu raised his eyebrows slightly. “Really?”

“Yes.”

“Jiang Xiaoyu took a few steps forward, crossed his arms, and looked at the lawyer. “If you can go blind the first time, you’ll go blind the second time. Who knows if you’ll be fooled by Zhao Xueyin a second time?” ”

Chapter 1203: 257: a piece of SH * t! Zhao Xueyin was thrown out! The rightful heir of the consortium! 5

“It won’t happen again. Don’t worry.”Si lui didn’t have any expression on his face. “I’ve left the Shunxi Consortium.”

“Left?”Jiang Xiaoyu widened his eyes in disbelief. “Are you sure you’ve left the Shunxi Consortium?”

“En.”Si lui nodded.

“Jiang Xiaoyu asked curiously, “How did you see Zhao Xueyin clearly?” ”

Si lui smiled but didn’t say anything.

“Jiang Xiaoyu continued, “Then what do you plan to do now?” ”

““Go home,” Si lui said. ”

“Go Home?” Jiang Xiaoyu was stunned.

Wasn't Si Lui an orphan?

Which home did he want to go back to?

“However, Jiang Xiaoyu didn't ask further. He nodded and said, “Oh, I wish you a better future and a bright future.” ”

“Thank you.”

“You're welcome.”

“After saying a few more words to Jiang Xiaoyu, the lawyer turned around and left. ”

The car sped along.

“Soon, they arrived at the Jin family's old residence. ”

The lawyer got off the car.

“Under the sun, he just looked at the Jin family's old residence. There was no expression in his eyes. ”

It had been five years.

He was back.

In the future.

“In this world, there was only Jin Ruyu and no lawyer.”

“Uncle Fu took the watering can and was about to water the flowers in the garden. When he came out, he saw the lawyer standing at the door.”

““Young, Young Master!” ”

“At this moment, uncle Fu thought that he was hallucinating and wiped his eyes with his sleeve.”

Nothing had changed.

The scene in front of him hadn't changed.

It wasn't an illusion!

“Uncle Fu was so excited that he didn't even want the watering can. He turned around and ran into the house. “Old Master, Old Master!” ”

“Hearing Uncle Fu's voice, Old Master Jin put down the pipe in his hand. “What's Wrong?” ”

“Uncle Fu was out of breath. “Young, young master, Young Master is back!” ”

PA —

The pipe in Old Master Jin's hand fell to the ground and he grabbed uncle Fu's hand. “Really? Ruyu is really back?”

“She’s Back! She’s Back!” Uncle Fu nodded hurriedly. “Young master is really back!”

“Quick! Come out with me and take a look!”

Uncle Fu followed Old Master Jin’s footsteps.

“When he reached the door, he saw Si lui standing outside. ”

“At that moment, Old Master Jin’s eyes turned red. ”

His throat was also hard.

He was back.

His son was finally back.

“After a long while, old master Jin slowly calmed down and walked to Si Lui’s side. “You’re back. Why aren’t you in the House?” ”

It was a very familiar voice.

It was not as cold and sarcastic as he had imagined.

Si Lu lowered his head and saw Old Master Jin with a head full of gorgeous hair.

It had been five years since they last met.

Old Master Jin had aged quite a bit.

“Dad.”

Si Lu said with a raspy voice.

“After experiencing so many things,.”

Si Lu understood a lot.

Ye Zhuo was right.

“However, doing good deeds meant Mo Wen’s future. ”

“He had such a deep misunderstanding of Ye Zhuo, but ye Zhuo could still understand him. ”

The person in front of him was his father.

The father who had raised him since he was young.

He shouldn’t have been angry with Old Master Jin.

What happened back then wasn’t all Old Master Jin’s fault.

“When he heard this ‘father’, Old Master Jin’s emotions immediately collapsed. He hugged Si lui and cried out bitterly. ”

““Child, good child, father has let you down! What happened back then was all father’s fault...” ”

Si Lui was stunned.

“In his impression, Father Zhao had always been an old-fashioned man who cared a lot about face and had a strong chauvinism. In front of the younger generation, he would never lower his head and admit his mistake.”

Even if he was indeed wrong in this matter.

He would never admit his mistake.

“But this time, Old Master Jin was actually like this in front of him. Thinking of what he had done all these years, Si lui felt very uncomfortable. “Dad, you’re not wrong, I’m the one who’s wrong...” ”

“Seeing that the father and son had finally broken the estrangement, Uncle Fu was so excited that he wiped his tears.”

That was great!

That was really great.

“After a while, uncle fu continued, “Master, young master, it’s not a place to talk outside. Let’s quickly enter the house.” ”

Old Master Jin wiped his tears and put his arm around Si Lui’s shoulder. “Yes! Let’s enter the house! Let’s enter the House First!”

Si lui followed Old Master Jin into the house.

“Old Master Jin continued, “Ruyu, you haven’t eaten yet, right? I’ll ask the kitchen to make something for you!” ”

““I’ve already eaten,”si lui said.”

“It’s good that you’ve eaten.” Old Master Jin looked at Si lui but didn’t see his suitcase.

Could it be that this child wasn’t planning to stay at his parents’ place?

“Uncle Fu saw the sadness in Old Master Jin’s eyes and continued, “Young master, you’re not leaving this time, right?” ”

“Yes.” Si lui nodded. “I’m not leaving.”

“Hearing Si lui say that he wasn’t leaving, old master Jin heaved a sigh of relief. ”

Chapter 1204: 257: a piece of trash. Zhao Xueyin has been thrown out! The rightful heir of the consortium! 6

“Uncle fu smiled and said, “Are you really not leaving?” ”

“I’m really not leaving.” Si lui nodded very seriously.

““It’s good that you’re not leaving.” Uncle Fu continued, “Young Master, you have no idea how much the old master has been looking forward to your return all these years!” ”

Old Master Jin scratched his hair in embarrassment.

* *

Zhao family.

“After a long time, Zhao Xueyin finally calmed down and went upstairs to apologize to Father Zhao.”

“Dad, I’m sorry. I was too impulsive this afternoon. I shouldn’t have treated you like that.”

“Father Zhao sighed and did not directly answer Zhao Xueyin’s words. Instead, he said, “I’ve already gotten people to suppress the popularity of the photo. The chief election is in a few days. How are your preparations?”

Preparations?

“Originally, Zhao Xueyin had already made all the necessary preparations.”

“Currently, half of the board of directors supported her.”

And more than half supported ye Zao.

“Once her relationship with master five was confirmed and the two large financial groups joined hands, would those people still dare not support her?”

But now...

All of their efforts were in vain.

Zhao Xueyin pinched her fingers and did not say anything.

“Two months ago, she was still determined to get the chief seat.”

She did not know when it started.

It had become like this.

“A moment later, Zhao Xueyin continued, “Currently, the most difficult person to deal with is Han Laoshan. As long as Han Laoshan is on my side, there won’t be any problems.” ”

Han Laoshan had followed old master ye all the way here.

“Actually, at the beginning, Han Laoshan did not support ye Zhuo. ”

Later on.

“Under ye Zhuo’s bewitchment, Han Laoshan also defected. ”

“Following Han Laoshan’s defection, the remaining large group of people also defected. ”

Therefore.

This chief election was very disadvantageous to her!

“Thinking of this, Zhao Xueyin frowned deeply. ”

Father Zhao looked at Zhao Xueyin and stood up. “Come with me.”

Zhao Xueyin followed Father Zhao’s footsteps.

The two of them arrived at the study.

Father Zhao took out a document and handed it to Zhao Xueyin.

“What’s This?” Zhao Xueyin asked curiously.

“Father Zhao continued, “Open it and take a look.” ”

“Zhao Xueyin opened the document bag and after seeing what was inside, the desolate expression on her face instantly turned into joy. “Dad! How did you know about this?” ”

“With this, why would she be afraid that Han Laoshan would not support her? ”

“Father Zhao lit a cigarette. “I’ve told you before that as a person, you have to leave a way out for yourself, but you never listen to me! If the lawyer was here, he would definitely be a capable assistant!” ”

Zhao Xueyin remained silent.

* *

In the teahouse.

Zhao Xueyin sat by the window and kept looking out.

At this moment.

An old man with white hair and a thin figure walked over.

“When she saw who it was, Zhao Xueyin immediately stood up from her chair. “Uncle Han.” ”

That’s right.

The person who came was Han Luoshan.

“Xueyin.”

““Uncle Han, please take a seat.” Zhao Xueyin poured a cup of tea for Han Luoshan. ”

Han Luoshan sat opposite Zhao Xueyin.

“Zhao Xueyin continued, “Uncle Han, I’m really sorry for calling you out on such a cold day. Oh right, is Big Brother Han feeling better?” ”

“Han Luoshan was stunned when he heard this. He looked up at Zhao Xueyin, “You, you, how did you know?” ”

“Han Luoshan and his wife had an only son, Han Dongliang. ”

He was thirty-six years old this year.

He was unmarried.

“Half a year ago, Han Dongliang suddenly became unable to speak due to a common cold. He was bedridden. ”

“Until now, Han Dongliang was still lying in bed, unable to take care of himself. He was in critical condition. ”

“But the news that Han Dongliang was sick, the Han family did not disclose it to the public. ”

How did Zhao Xueyin Know?

“Chapter 1205: 257: Ye Zao saves people, heals and slaps the face! 1”

Now was the crucial moment when the Shunxi Financial Group was running for the position of first chair.

Han Laoshan could guess the reason why Zhao Xueyin was looking for him.

Han Laoshan took a sip of tea and looked up at Zhao Xueyin. His tone was a little calm. "Your Big Brother Han is doing well."

Doing Well?

"Based on Han Dongliang's current situation, how could everything be fine. "

"Zhao Xue smiled and said, "Uncle Han, actually, I came here today because I have something to tell you." "

"Tell me."

Zhao Xue Yin put down the cup. "I have a way to treat brother Hang's illness."

"You?" Han Lao Shan looked up at Zhao Xue Yin, his eyes full of scrutiny. "

"Zhao Xue Yin was not a doctor, how could she possibly cure Han Dongliang? "

"Yes." Zhao Xueyin nodded confidently.

"Han Laoshan continued, "What can you do?" "

"Uncle Han, you should have heard of my grandfather, right?" Zhao Xueyin asked. "

“Zhao Xueyin’s grandfather’s surname was Ma, and his name was MA youcai. ”

Ma youcai had two daughters.

“One of the daughters was Zhao Xueyin’s mother, and the other daughter had married into the Zhou family. ”

“Back then, MA youcai was known as Hua Tuo because of his superb medical skills. ”

Unfortunately.

“The Ma family’s medical skills were only passed down to men, not to women. ”

“Although Ma Jiayue had learned some superficial things from Ma youcai, she had not learned the true essence. ”

“Zhao Xueyin’s mother had left early again, so the MA family had declined. ”

“Although MA youcai was Zhao Xueyin’s grandfather, MA youcai was no longer around. ”

What could Zhao Xueyin Do?

“When Ma youcai had left, Zhao Xueyin had not been born yet, so it was impossible to say that Zhao Xueyin had inherited ma youcai’s medical skills. ”

Han Laoshan narrowed his eyes and smiled. “Of course I know about Miracle Doctor Ma.”

“Zhao Xueyin continued, “Everyone knows that my grandfather was known as the world’s huatuo, but very few people know that before he passed away, he left us a life-saving pill. This pill can cure the illness. Once Big Brother Han eats it, he will return to normal.” ”

These words were a little too exaggerated.

Han Laoshan looked up at Zhao Xueyin. “What Pill is so magical? Could it be an immortal pill?”

“It can’t be called an immortal pill.” Zhao xueyin paused before continuing, “Uncle Han, have you heard of the An Gong Bezoar Pill?” ”

The An Gong bezoar pill was the most famous emergency medicine for traditional Chinese medicine in China!

“Traditional Chinese medicine called the An Gong Bezoar Pill, the Purple Snow Pill, and the supreme treasure pill the “Three Treasures of cooling.” The An Gong bezoar pill was the top of the “Three Treasures” and was famous overseas. ”

“Among them, the older an gong Niu Huang Wan was, the better its effect was. ”

“During the period when his son was sick, many traditional Chinese medicine practitioners mentioned an gong Niu Huang Wan in front of Han Laoshan. However, because of its good effect and the fact that the older it was, the better its effect was, it was basically out of stock in the country. ”

“It had been bought back at a high price by the rich to save their lives. Currently, it was an existence that had a price but no market. ”

Ma youcai was a godly doctor to begin with. The bezoar pill that he had left behind was definitely the best of the best.

“When he heard this, Han Laoshan seemed to have grabbed onto a life-saving straw. “Xueyin, do you really have your bezoar pill?” ”

“Zhao Xueyin said, “Uncle Han, do you think I would use such a life-threatening matter to deceive you?” ”

“Han Laoshan continued, “Xueyin, then thank you! Your Big Brother Han and I will remember your kindness for the rest of our lives! How much does this bezoar pill cost? I will immediately arrange for someone to transfer the money to you!” ”

“Zhao Xueyin looked at Han Laoshan and asked in return, “Uncle Han, do you think that I came here today for money?” ”

“At this point, Zhao Xueyin paused and continued, “Or does uncle Han think that this life-saving thing can be measured by money?” ”

Han Laoshan was stunned.

“Zhao Xueyin continued, “The day to run for the chief seat is coming soon. I hope that Uncle Han can support me more and help me ascend to the chief seat.” ”

“Although he had already guessed Zhao Xueyin’s intentions, Han Laoshan was still a little surprised that Zhao Xueyin had voiced out her thoughts. ”

He was also a little troubled.

He had already discussed with the shareholders that all of them would vote for ye Zhuo for the chief election this time.

This was because only ye Zhuo could lead the Shunxi Financial Group to a new peak.

“Compared to Ye Zhuo, Zhao Xueyin was not just a little inferior. ”

“Of course, Zhao Xueyin had been acting as the first seat for so long, but the Shunxi Financial Group hadn’t improved at all. On the contrary, it was gradually going downhill. ”

“Ye Zao had only joined the Shunxi Financial Group for less than three months, but he had already made the Shunxi Financial Group on the right track. From this, it could be seen that ye Zao was the best candidate to be the first seat of the Shunxi Financial Group!”

“If the Shunxi Financial Group was really handed over to Zhao Xueyin, then the Shunxi Financial Group really couldn’t see the future.”

Chapter 1206: 257: Ye Zhuo saved Han Dongliang and cured him! 2

“Seeing the troubled look on Han Laoshan’s face, Zhao Xueyin continued, “Could it be that brother Han’s life is more important to uncle Han than the Financial Group?” ”

This sentence was a little harsh.

“Of course not!” Han Laoshan said immediately.

“Zhao Xueyin continued, “Then why is Uncle Han still hesitating?” ”

Han Laoshan frowned tightly.

“Although many Chinese doctors had mentioned the Bezoar Pill in front of him, he was not sure if this bezoar pill could really heal Han Dongliang.”

“What if after he had promised Zhao Xueyin, this bezoar pill had no effect on Han Dongliang? Wouldn’t that be a futile effort?”

“Most importantly, Old Master Ye had done him a favor back then. If it were not for Old Master Ye, he would not be where he is today.”

“Now, asking him to vote for Zhao Xueyin in the election was no different from betraying him!”

Han Laoshan had never done anything immoral in his life.

“Zhao Xueyin continued, “Uncle Han, there is only one chance. I hope you can take it. Big Brother Han is still so young and his life has just begun. It would be a pity if he died just like that.” ”

Han Dongliang was only 36 years old.

Han Laoshan had yet to see him get married and have children.

Han Laoshan’s eyebrows jumped when he heard this.

“When one reached middle age, the worst thing one could do was to lose one’s life. ”

“No matter what, Han Laoshan could not just watch his son leave. ”

“After a while, Han Laoshan looked up at Zhao Xueyin. “Xueyin, can you give me some time to think about it?” ”

““Yes.” Zhao Xueyin nodded, then, she said, “As long as Uncle Han leads the shareholders to vote for me at the election, I will send the Bezoar Pill to Uncle Han’s house after the election. “I believe that Big Brother Han will definitely get better after eating the bezoar pill.” ”

“Okay.” Han Laoshan nodded.

“Zhao Xueyin continued, “Uncle Han, I have said my piece. I hope that you can think about it carefully. I still have something to do, so I’ll be leaving first.” ”

Han Laoshan stood up to send Zhao Xueyin off.

“After sending Zhao Xueyin off, Han Laoshan looked at her back and sighed.”

“Elder Han.”The chauffeur walked to Han Laoshan’s side.

Han Laoshan collected his thoughts and turned to look at the chauffeur. “Let’s go to doctor Liu’s place.”

“Alright.”The chauffeur nodded.

Han Laoshan got into the car with the chauffeur.

Doctor Liu lived in the suburbs.

It took about an hour to reach the destination.

The driver went to the back seat to open the car door.

“Han Laoshan walked out of the car and said, “Xiao Yao, wait outside for a moment.” ”

“Okay.”

Doctor Liu was a famous godly doctor in Beijing.

“Since he was a godly doctor, he had a temper.”

“”Old Mr. Han.”Just as Han Laoshan walked to the door, doctor Liu’s granddaughter, Liu Zixuan, walked out.”

“Miss Liu,” Han Laoshan continued, “Is doctor Liu at home?” ”

“Yes.” Liu Zixuan nodded. “Follow me in.”

“Thank you for your trouble.” Han Laoshan followed Liu Zixuan’s footsteps.

“The weather had not been good these few days. Doctor Liu was sitting in front of the stove to warm himself. When he heard footsteps, he raised his eyes. ”

“Liu Zixuan said, “Grandfather, old Mister Han is here.” ”

Doctor Liu nodded. “Take a seat.”

Han Laoshan came in front of doctor Liu and sat down.

“Doctor Liu immediately said, “Mr. Han, I have already said what I need to say. I really can’t do anything about your son’s illness.” ”

“Han Laoshan’s expression was unclear. “Miracle Doctor Liu, didn’t you say last time that as long as you have an Gong’s bezoar pill, you can save my son?” ”

“When he heard this, doctor Liu looked up at Han Laoshan. “You found the An Gong Bezoar Pill?” ”

“Yes.” Han Laoshan nodded.

“Quickly bring it over for me to take a look.” Doctor Liu immediately extended his hand towards Han Laoshan.

“He had practiced medicine for so many years, but he had never seen a bezoar pill that was made from natural bezoar! ”

He did not expect Han Laoshan to be able to get two such precious medicinal herbs.

This made doctor Liu very surprised!

“Han Laoshan said, “I don’t have the An Gong bezoar pill for the time being. I just want to confirm with you that if I can get the an gong bezoar pill, how confident are you that you can cure my son?” ”

It turned out that he had not gotten it yet.

The look in Han Laoshan’s eyes was immediately replaced by disappointment as he made a ‘7’ gesture.

“You mean you have a 70% chance?” Han Laoshan asked.

“Yes.” Doctor Liu nodded.

70% ...

Han Lushan narrowed his eyes.

This meant that there was still hope for Han Dongliang!

There was still hope for the Han family!

“Thinking of this, Han Lushan’s eyes were filled with excitement. ”

“Chapter 1207: 257: Ye Zao saves lives, cures and slaps faces! 3”

“Doctor Liu looked at Han Laoshan and continued, “Don’t be too happy yet. An Gong’s bezoar pill is priceless. Even if you can buy it, 70-80% of it is fake.” ”

“At this point, doctor Liu paused, then, he said, “To say the least, even if you really get the authentic bezoar pill, I only have 70% confidence. So, old Mr. Han, don’t be too excited. “Moreover, Mr. Xiao Han only has two months left. Are you sure that you can find the bezoar pill within two months?” ”

“Yes.” Han Laoshan nodded seriously. “I’m sure.”

“”So, you really have news of the Bezoar Pill?” Dr. Liu asked. ”

“Yes.”

“Dr. Liu Sat up straight. “Then what are you waiting for! Hurry up and buy the Bezoar Pill. With Mr. Xiao Han’s current condition, the sooner he takes the Bezoar Pill, the greater the hope of recovery!” ”

“Really?” Han Laoshan asked.

“”Of course it’s true!” Doctor Liu nodded. “If Mr. Xiao Han can take the bezoar pill within three days, his chances of recovery will increase by at least 10% !” ”

“With doctor Liu’s words, Han Laoshan was relieved. He stood up and said, “Okay! I’ll do it right away. Thank you, Doctor Liu!” ”

Doctor Liu waved his hand.

...

“After leaving the Teahouse, Zhao Xueyin went straight back to the Zhao residence. ”

Father Zhao sat in the living room. "What did Han Luoshan Say?"

"He said he wanted to consider it," Zhao Xueyin said. "

"Hearing this result, Father Zhao was not surprised. Instead, he said very calmly, "Then let's wait." "

"Zhao Xueyin was a little worried. "Dad, what do you mean by Han Luoshan?" "

"Don't worry." Father Zhao narrowed his eyes. "Few fathers would put their sons' lives at risk."

"Moreover, Han Dongliang did not even leave behind an heir. How could Han Laoshan Watch Him Die? "

Unless Han Laoshan wanted to watch the Han family rear up.

"Therefore, Father Zhao was not worried at all. "

"To him, Han Laoshan was like a turtle in a jar! "

There was no way for him to escape.

"Zhao Xueyin narrowed her eyes. "If Han Laoshan really cares about Han Dongliang, why would he still consider it?" "

Didn't normal people always agree to such a situation?

Han Laoshan's reaction was a little strange.

"Father Zhao said, "Because he is not sure whether the an gong bezoar pill is really useful to Han Dongliang!" "

“Once he is sure that bezoar pill is useful to Han Dongliang, he will definitely contact you immediately.”

”

Zhao Xueyin nodded.

“At this moment, Zhao Xueyin’s phone suddenly rang. ”

Zhao Xueyin looked at Father Zhao. “It’s Han Laoshan Calling.”

“Pick up.”

Zhao Xueyin slid to pick up the call and pressed the speakerphone button.

“Han Laoshan’s voice came from the other end. “Xueyin, I have already thought about it! I agree with your plan. Don’t worry, when the day comes for the chief election, I will definitely get all the shareholders to vote for you!” ”

“The corners of Zhao Xueyin’s mouth curled up. “Uncle Han is a sensible person. In that case, I wish us a happy cooperation.” ”

“Han Laoshan continued, “Xueyin, currently, Dongliang’s physical condition is getting worse by the day. Xueyin, can you bring the bezoar pill over and let Dongliang use it first? I have asked the doctor. The Doctor said that using the bezoar pill now can increase the hope by at least 10% !” ”

“Hearing this, Zhao Xueyin turned to look at Father Zhao. ”

Father Zhao shook his head.

Let Han Dongliang use it now?

What a joke!

What if Han Dongliang used it now and it did not work?

The Bezoar Pill was not a godly medicine. It could cure all diseases.

“Even if it was a doctor, he could not guarantee that he could cure Han Dongliang 100% . ”

“Therefore, he had to wait until the election was over before he could give the Bezoar Pill to Han Laoshan. ”

“Zhao Xueyin also knew what Father Zhao meant and continued, “Uncle Han, I’m really sorry. This might not work. Don’t worry, after the election is over, I will definitely personally send the ox-bezoar pill to your house.” ”

“Han Laoshan was eager to save his son. When he heard Zhao Xueyin say no., he immediately said, “Xueyin, your uncle Han has always kept his word! Don’t worry, as long as I get the ox-bezoar pill, no matter what the final outcome is, I will keep my promise and never go back on my words!” ”

“Zhao Xueyin said apologetically, “Uncle Han, you should know that the human heart can not withstand the test. I’m sorry.” ”

“Han Laoshan’s tone was close to begging, “Xueyin, even if Uncle Han is begging you, can you do it? If you don’t believe me, I can write a guarantee for you! I really have no other way. The Doctor said that now is the best time for treatment!” ”

“Chapter 1208: 257: Ye Zao saves people, heals and slaps the face! 4”

Zhao Xueyin turned to look at Father Zhao.

Father Zhao still shook his head.

“Zhao Xueyin had an idea. “Uncle Han, why don’t you look elsewhere? Even though an Gong’s bezoar pill is very precious, it’s not the only one in the entire capital.” ”

“If he could find it elsewhere, Han Laoshan would not have begged Zhao Xueyin so much. ”

Father Zhao had only dared to ask Zhao Xueyin to say that because he was certain that there would not be a second bezoar pill in the entire capital.

“Upon hearing this, Han Luoshan sighed on the other end of the phone. “Xueyin, can we really not discuss this further?” ”

““Uncle Han, I’m sorry.” ”

“Han Luoshan also knew that there was no point in saying anything more. He continued, “Alright, that’s all for now. I Won’t disturb you anymore.” ”

““Goodbye, Uncle Han.” ”

“After hanging up the phone, Zhao Xueyin looked up at Father Zhao. “Dad, aren’t you afraid that Han Luoshan will really find the second bezoar pill?” ”

“Once Han Luoshan found the second bezoar pill, they would be finished. ”

They might as well give the bezoar pill to Han Luoshan now.

“The corners of Father Zhao’s mouth curled up into a smile. “Bezoar pills can be used to save one’s life at critical moments. If Han Luoshan really could find the second bezoar pill, he wouldn’t have to wait until now.” ”

“If Zhao Xueyin had not encountered a problem during the election campaign, Father Zhao would not have been willing to take out the only bezoar pill.”

“God knows how happy he was when he found out that Han Laoshan’s son, Han Dongliang, was terminally ill.”

So what if Han Laoshan had a son?

He would still have to give up his life!

Zhao Xueyin nodded.

On the other side.

“As soon as Han Laoshan hung up the phone, Mrs. Han walked over and asked, “How was it? What did Zhao Xueyin say?” ”

Han Laoshan shook his head.

“Seeing this, Mrs. Han’s face was full of sorrow. “Why don’t you beg her again?” ”

““It’s useless.” Han Laoshan continued, “The one who makes the decisions is Zhao Zhenfei. Zhao Xueyin is just a messenger.” ”

Zhao Zhenfei was a cunning old fox. He hated families with men the most.

It was difficult to get Zhao Zhenfei to let go!

Mrs. Han wiped away her tears. “Then what should we do now? We can’t just watch as Dongliang gets worse day by day!”

It was said that children were the mother's fate.

"Ever since Han Dongliang was sick, Mrs. Han had almost cried her eyes out. "

"In less than three months, her hair had turned completely white. Her face, which had been carefully maintained, was covered in wrinkles. "

He looked more than 20 years older than before.

Han Laoshan pinched his temples.

He did not want to see his son's condition worsen.

"Let's Wait a little longer," Han Laoshan continued, "When the election is over, our Dongliang will be saved." "

"Mrs. Han's eyes were red, and she could not stop her tears. "How can the Zhao family be like this! You have agreed to their conditions, so why can't they give us the Bezoar Pill!" "

"Sir, Madam, young master is here." At this moment, a servant came in and said. "

Mrs. Han immediately wiped her tears. "Who did you say is here?"

"Young master Yi Tao."

"Han Laoshan immediately said, "Quick, go and invite him in." "

The servant walked out.

“Not long after, he brought Yi Tao in. ”

Chen Qiaoye accompanied Yi Tao.

““Uncle, aunt.” ”

““Tao Tao, Qiaoye.”Mrs. Han immediately went up to greet him. ”

“Yi Tao continued, “Aunt, I heard that cousin is sick?” ”

“Yes.”Mrs. Han nodded.

““How’s the situation?”Yi Tao hurriedly asked, “Are you feeling better now?” ”

Mrs. Han sighed. “The situation is very bad.”

“Upon hearing this, Yi Tao’s heart began to Clench. ”

“He was also a person who had suffered from a serious illness. He knew that when a child was sick, the person who suffered the most would always be the parents. ”

“Where is cousin now?”

“In the sterile room. Come with me.”

“In order to prevent Han Dongliang from living alone in the cold hospital, the Han family had specially built a sterile room at home. ”

Yi Tao and Chen Qiaoye followed Mrs. Han’s footsteps.

“To go to the sterile room, one had to change into a professional sterile suit.”

“After changing into the sterile suit and putting on a mask, one could enter the sterile room.”

“Fifteen minutes later, the few of them arrived at the sterile room.”

“In the sterile room, the doctor was examining Han Dongliang’s body.”

“When he saw Mrs. Han coming over, he immediately greeted her.”

Mrs. Han nodded. “You can go out first.”

The Doctor walked out.

“Mrs. Han walked to the front of the bed, half-squatted down, and held Han Dongliang’s hand tightly.
“Dongliang, your cousin Tao Tao and his sister-in-law have come to see you. Open your eyes and see if they are alright.” ”

“Chapter 1209: 257: Ye Zao saves lives, heals and slaps faces! 5”

Han Dongliang lay on the bed without any reaction.

“If not for the fact that the EKG was still beating, no one would have thought that he was alive.”

Yi Tao and Chen Qiaoye were in disbelief.

“Half a year ago, Han Dongliang was still a living person who was talking and laughing.”

How did he become like this now?

“Yi Tao leaned over and said softly, “Cousin, I’m here to see you.” ”

Han dongliang still did not react.

“About five minutes later, the few of them came out of the sterile room.”

“Yi Tao was already mentally prepared. Han Dongliang’s condition would not be too good, but he did not expect it to be so serious.”

“”Auntie, what exactly happened to cousin? Did the doctor say what illness it was?” ”

“Mrs. Han wiped her tears and said, “At first, we thought it was just a common cold. Who knew that it would become more and more serious. In the end, it became like this...” ”

“The doctor only said that it was a paralysis caused by a stroke. The exact cause of the illness could not be found.”

“...”

“At the end of her sentence, Mrs. Han almost broke down in tears.”

“”Auntie, Don’t cry.”Chen Qiaoye patted Mrs. Han’s back. “I believe that my cousin is blessed by the heavens. He will definitely recover.” ”

Mrs. Han hugged Chen Qiaoye and burst into tears.

“Chen Qiaoye understood Mrs. Han’s current mood very well. She then comforted her, “Back then, Yi Tao’s condition was even worse than my cousin’s, but he still recovered in the end...” ”

“At this point, Chen Qiaoye seemed to have suddenly thought of something, she continued, “Right, Auntie, we can ask the godly doctor who cured Yi Tao back then to come and take a look at cousin! Godly doctor ye is so amazing. If she can cure Yi Tao, then she can definitely cure cousin!” ”

“Upon hearing this, Mrs. Han seemed to have grasped onto the last straw. “Qiaoye, you’re right! Where does godly doctor ye live? I’ll get someone to invite her right now!” ”

Yi Tao was also incurable back then. He was even persuaded by the Doctor to give up treatment and pull out his oxygen tube.

He did not want to suffer.

But Yi Tao miraculously recovered in the end.

This was enough to prove Miracle Doctor Ye’s ability!

“When he heard this, Han Lushan also looked at Chen Qiaoye with Hope. ”

“Compared to the Zhao family’s Niu Huang Wan, Han Lushan still hoped that he could cure Han Dongliang through other means! ”

“This way, he could continue to support ye Zao. ”

“Chen Qiaoye continued, “Miracle Doctor Ye used to live in Yun Jing, but she moved to Beijing later on! We haven’t seen each other for a long time, but I have her phone number. I’ll contact her now.” ”

“”Then contact her quickly, contact her quickly.”Mrs. Han urged Chen Qiaoye. ”

Chen Qiaoye immediately picked up her phone and called ye Zao.

“One second, two seconds, three seconds...”

“Seconds and minutes passed, but no one picked up.”

Mrs. Han was extremely anxious.

“Although Han Laoshan did not say anything, he could tell from his expression that he was also very anxious.”

“After making more than a dozen calls, no one picked up on ye Zao’s end, chen Qiaoye continued, “Auntie, it might be that Miracle Doctor Ye is busy with something. I’ve already left a message on her wechat. She’ll definitely reply to me when she sees it.” ”

“Mrs. Han nodded and continued, “Then qiaoye, Tao Tao, don’t leave tonight. Stay at home for a few more days!” ”

“Chen Qiaoye turned to look at Yi Tao, who nodded. “Alright Auntie, as long as you don’t find it troublesome.” ”

“Mrs. Han smiled and said, “How can I find it troublesome?” ”

“After saying that, Mrs. Han sent someone to tidy up the guest room.”

It was almost the end of the year.

Ye Zhuo was getting busier and busier every day.

“By the time she realized the missed calls on her phone, it was already past seven in the evening.”

Ye Zhuo called back. "Mrs. Yi."

"Upon receiving ye Zhuo's call, Chen Qiaoye was very excited. "Miracle Doctor Ye, you finally picked up the call!" "

"Ye Zhuo continued, "Is there something you need me for?" "

"Chen Qiaoye told her about Han Dongliang's situation. "Miracle Doctor Ye, my cousin is the only child in my aunt's family. He has yet to get married and have children. I hope that you can help him." "

"Ye Zhuo looked at his schedule and continued, "Where Are you now?" "

"Jing fan center,"said Chen Qiaoye. "

"Ye Zhuo smiled and said, "I'm also in Jing fan center. Why don't we meet at 10:30 Tomorrow Morning at 789 Xichang Road outside the traditional Chinese Medicine Store?" "

"Then it's settled, Miracle Doctor Ye. I Won't leave until I see you!" "

"I won't leave until I see you."

"After hanging up the phone, ye Zhuo dialed his secretary's internal line. "Ally." "

"President Ye, I'm here." "

"Ye Zhuo continued, "Cancel all my schedule for tomorrow morning." "

"Chapter 1210: 257: Ye Zao saves lives, cures and slaps faces! 6"

““Yes, President Ye.” ”

“On the Han family’s side, Mrs. Han was especially happy when she learned that Chen Qiaoye had successfully made an appointment with Miracle Doctor Ye. ”

““Bodhisattva’s blessing! It’s really Bodhisattva’s blessing!”After saying that, Mrs. Han continued, “Qiaoye, why don’t I accompany you to see Miracle Doctor Ye Tomorrow?” ”

““No need.”Chen qiaoye smiled and said, “You can just wait for us at home.” ”

“Okay.”Mrs. Han nodded.

“In the blink of an eye, it was the next day. ”

Chen Qiaoye arrived at the entrance of the Chinese Medicine Store on Xichang Road at 10 o’clock.

“At 10:30, Ye Zhuo arrived on time. ”

“Mrs. Yi!”

““Godly Doctor Ye!”Seeing ye Zhuo, Chen Qiaoye was very excited. “I haven’t seen you for such a long time. You are getting more and more beautiful. I don’t even dare to recognize you anymore!” ”

This was not something that was contrary to her heart.

The current ye Zao was shining with boundless radiance. It was indeed beyond the reach of others.

“Thank you.” Ye Zao continued, “By the way, can you describe the specific situation of the patient for me so that I can prescribe the right medicine.” ”

“Chen Qiaoye nodded. “My cousin is thirty-six years old this year. This illness started half a year ago. At the beginning, everyone thought that it was just a common cold...” ”

“Who knew it would become so serious later on!”

“At the end of her sentence, Chen Qiaoye sighed deeply. ”

“Ye Zhuo nodded slightly. With an idea in mind, he turned around and walked towards the pharmacy. ”

Chen Qiaoye followed ye Zhuo’s footsteps.

“When they arrived at the pharmacy, Ye Zhuo gave out a list of medicine names. ”

“Very quickly, the pharmacy owner finished preparing the medicine. “A total of fifty-eight yuan.” ”

Fifty-eight Yuan?

That cheap?

“Chen Qiaoye thought that she had heard wrong. “Boss, are you sure it’s 58 yuan?” ”

“The pharmacy owner smiled and said, “Look at what you’re asking. Do you think I can defame you? This isn’t some three-nil illegal shop!” ”

Chen Qiaoye took out the money and handed it to the owner.

“Walking out of the pharmacy, Chen Qiaoye continued, “Miracle Doctor Ye, can these medicines help my cousin recover?” ”

““We can only confirm this after we see the patient,”ye Zhuo replied. ”

Chen Qiaoye nodded and did not ask further.

“After leaving the pharmacy, the two of them got into the car. ”

“The speed of the car was very fast, and they arrived at the Han residence in a short while. ”

Han Laoshan and Mrs. Han were waiting outside the door early in the morning.

They were looking forward to it.

“Seeing that the car had finally stopped, Mrs. Han said excitedly, “It’s coming! It’s coming!” ”

“Under the expectant gazes of the two, the car door was opened, and a slender figure leaned out of the car. ”

“From Mrs. Han’s angle, although she could only see the side profile of the class monitor, it was still amazing. ”

This girl was too beautiful!

“Seeing ye Zhuo, Han Laoshan was stunned. ”

He thought that he was hearing things.

Chen Qiaoye brought ye Zhuo to the front of the couple.

“Only then did Mrs. Han react. She asked curiously, “Qiaoye, did you not manage to invite Miracle Doctor Ye?” ”

“Chen Qiaoye said, “Auntie, uncle, let me introduce the two of you. This is miracle doctor ye who cured Yi Tao.” ”

“Ye Zhuo said politely, “Old Han, Mrs. Han.” ”

“President... President Ye.” Han Laoshan also reacted at this moment.

“Chen Qiaoye said in surprise, “Uncle, do you know Godly Doctor Ye?” ”

“Han laoshan nodded, “She is president ye of the Shunxi Financial Group.” ”

He never thought that ye Zhuo was the godly doctor who cured Yi Tao.

“Chen Qiaoye said with a smile, “So everyone knows each other! That’s even better. It saves me the trouble of introducing you.” ”

“Han Laoshan continued, “President Ye, come in and have a seat.” ”

“Compared to Miracle Doctor Ye, Han Laoshan was more used to addressing ye Zhuo as President Ye.” ”

The few of them came into the house together.

Han Laoshan was busy getting the servants to pour tea.

“Ye Zhuo took a sip of the tea symbolically and said, “There’s no time to lose. Take Me to see the patient first.” ”

Chen Qiaoye went forward to lead the way. "This way."

Ye Zhuo followed Chen Qiaoye's footsteps.

"Looking at ye Zhuo who was walking in front, Mrs. Han tugged at Han Laoshan's sleeve. "Does this young lady really know medical skills?" "

Ye Zhuo was too young.

"During this period of time, the Chinese doctors who came to treat Han Dongliang were mostly elderly Chinese doctors. "

This made Mrs. Han a little worried.

"Han Laoshan said, "I'm not too sure either! Let's go in and take a look first! She was introduced by Tao Tao and his wife. There can't be any mistakes!" "

"If ye Zhuo did not have some ability, would yi Tao recover? "

"However, when Yi Tao was seriously ill, Han Laoshan had gone to take a look. "

His condition was not any better than Han Dongliang's Now!

Mrs. Han nodded and followed him to the sterile room.

"Once they entered the sterile room, Ye Zhuo frowned slightly. However, he did not say anything and half-reached out to press on Han Dongliang's pulse. "
