“Chapter 1211: 257: Ye Zao saves lives, cures and slaps faces! 7”

“Just as Chen Qiaoye said, Han Dongliang’s current condition was very bad, and his life could be in danger at any time. ”

“After a moment, ye Zao released his hand. ”

“Chen Qiaoye hurriedly asked, “Godly Doctor Ye, how is it?” ”

Han Laoshan and Mrs. Han also looked at Ye Zao with anticipation.

““The situation is already very serious, but don’t worry, this is still the best time for treatment!” ”

“Hearing this, everyone heaved a sigh of relief. ”

“After saying that, ye Zhuo continued, “Not all patients are suitable for a sterile room! A sterile room is usually used for burns or for patients undergoing major surgery to avoid infection.” ”

“Speaking up to this point, Ye Zhuo turned to look at Han Laoshan. “Elder Han, immediately get someone to demolish the sterile room and keep the room ventilated!” ”

“Han Laoshan immediately nodded. “Alright, I’ll get someone to arrange it right away!” ”

“Mrs. Han looked at Ye Zhuo. “President Ye, my, my son, does he really have any hope of recovering?” ”

“En.”Ye Zhuo nodded.

“Chen qiaoye smiled and said, “Aunt, Congratulations! Since Miracle Doctor Ye has said so, then cousin will definitely recover!” ”

Mrs. Han nodded excitedly. “Okay!”

“Ye Zhuo continued, “In addition, get someone to brew this medicine immediately. Drink it three times a day for a month and you’ll see the effect.” ”

Han Laoshan took the important medicine and handed it to the butler. “Quick! Go Brew the medicine quickly!”

“Ye Zhuo put away the medicine box. “That’s all for today. Elder Han, I still have something to do, so I’ll be leaving first.” ”

“Han Lao Shan was a little stunned. “President Ye, is that all? Is there no other medicine?” ”

“Compared to other traditional Chinese medicine practitioners, Ye Zhuo had fewer cumbersome steps. ”

This made Han Lao Shan a little uncomfortable.

“After all, Han Dongliang was suffering from a very serious illness. Would Ye Zhuo be able to take the medicine just by giving it to him? ”

“Ye Zhuo continued, “Don’t worry, I’m treating the symptoms according to the medicine. These are enough.” ”

Han Laoshan nodded.

“Ye Zhuo continued, “Mr. Little Han will wake up in about three days. So, I will come back for a follow-up consultation in three days.” ”

“Three days?” Han Laoshan said in surprise, “President Ye, are you sure?” ”

“Ever since Han Dongliang fell into a coma, he had never woken up again. ”

“At this moment, ye Zhuo said that Han Dongliang would wake up in three days. Han Laoshan was in disbelief. ”

“En.” Ye Zhuo’s eyes remained the same. “However, you must do as I say. You Can’t use the sterile room anymore. Then, take this medicine three times a day.” ”

“Han Laoshan continued, “No, don’t you need to take bezoar pills?” ”

“No.” Ye Zhuo shook his head slightly. “Bezoar pills are used to treat strokes. Mr. Xiao Han’s main cause of illness is a viral infection. Eating Bezoar pills won’t help.”

Viral infection?

Han Luoshan was stunned again.

But doctor Liu clearly said that the coma was caused by the stroke.

Now...

Who should he trust?

“The cause of the illness diagnosed by both of them was different. If he were to use the medicine rashly, what if, what if something went wrong... ”

Han Luoshan did not dare to imagine the consequences.

“Even after sending ye zhuo out of the Han family, Han Luoshan still could not react. ”

“At this moment, the workers took their tools and walked towards the sterile room.”

“Wait!” Han Laoshan suddenly said.

“Master.”

“Han Laoshan continued, “Don’t touch the sterile room for now.” ”

“Chen Qiaoye was anxious. “Uncle, Miracle Doctor Ye said that the sterile room will aggravate cousin’s condition!” ”

Han Laoshan looked at Chen Qiaoye and voiced his concerns.

The cause of the illness that ye Zhuo diagnosed was different from doctor Liu’s. He could not believe her.

“Chen Qiaoye said, “Uncle, when Yi Tao was sick, Miracle Doctor Ye’s diagnosis was also different from the doctor’s. At that time, no one believed that miracle doctor ye could cure Yi Tao. Even my mother-in-law did not believe it. But in the end, Miracle Doctor Ye did Cure Yi Tao! “If it wasn’t for Miracle Doctor Ye, the current Yi Tao wouldn’t exist!” ”

“At the end of her sentence, Chen Qiaoye said directly, “Uncle, if you don’t believe in Miracle Doctor Ye, you will definitely regret it for the rest of Your Life!” ”

Regret for the rest of your life!

“This sentence made Mrs. Han’s eyebrows jump. She immediately stood up and said, “I believe! I believe in Miracle Doctor Ye! Old Han, you should believe it too! Our pillar is already like this now. How Bad Can he be?” ”

“A moment later, Han Laoshan let out a long sigh. “Alright! Then I’ll make a bet!” ”

“The workers at the side said, “Then do we still need to continue to demolish the sterile room?” ”

“Demolish it!” Han Laoshan said.

“Seeing this, Chen Qiaoye heaved a sigh of relief. “Uncle and aunt, I believe that in the near future, the two of you will definitely be very glad about this decision today!” ”

Chapter 1212: 257: Ye Zhuo saved Han Dongliang and cured him! 8

Zhao Xueyin soon found out that ye Zhuo had cured Han Dongliang.

Zhao Xueyin immediately reported the matter to Father Zhao.

Father Zhao was not too anxious when he heard this. He had sent people to inquire about Han Dongliang’s condition.

Even Miracle Doctor Liu was helpless. How could ye Zhuo Cure Han Dongliang?

Father Zhao’s lips curled into a smile. “What are you panicking for? This is a good thing for us!”

“”A good thing?” Zhao Xueyin continued, “Dad, as far as I know, Ye Zhuo is indeed skilled in medicine. What if she really cures Han Dongliang? What should we do then?” ”

“Father Zhao continued, “The Han family has invited all the famous doctors for Han Dongliang’s illness. They even brought Han Dongliang to C country, where medicine is the most developed. Do you think ye Zhuo can be better than the famous doctors at home and abroad?” ”

“Hearing this, Zhao Xueyin heaved a sigh of relief. ”

That’s right!

Ye Zao’s medical skills could be better than the experts?

“An illness that even the experts were helpless about, could ye Zao be cured? ”

“Father Zhao continued, “Go and check again, how was ye Zao diagnosed! Did she use the Bezoar Pill?” ”

“Currently, the Bezoar Pill was their only opponent. ”

“Ye Zao was a doctor himself. According to ye Langhua’s connections, it should not be difficult to obtain an authentic bezoar pill. ”

“Alright.”Zhao Xueyin nodded and immediately sent someone to investigate.

“This matter was not a secret in the Han family. Zhao Xueyin immediately found out about it, “Dad, the cause of ye Zhuo’s diagnosis is completely different from the other doctors. The Han family has already demolished the sterile room!”! Ye Zhuo also said that the bezoar pill would not have any effect on an Dongliang’s condition, so he did not plan to use it.” ”

“Hearing this, father Zhao heaved a sigh of relief. “Good! Good! That’s great! If that’s the case, the Han family will just have to wait to collect Han Dongliang’s corpse!” ”

A life for a life.

“When Doctor Ye Zhuo died, he would also have to take responsibility. ”

“To Father Zhao, this was killing two birds with one stone! ”

...

Time passed very quickly.

“In the blink of an eye, it was the third day of Han Dongliang taking the medicine. Similarly, today was also the day for him to run for the first seat. ”

“Early in the morning, Han Laoshan stood by Han Dongliang’s bed, hoping that Han Dongliang would wake up. ”

“As long as Han Dongliang could wake up today, it meant that ye Zao’s medicine was useful. ”

“At that time, Han Dongliang could vote for ye Zao in the election. ”

“On the other hand, if Han Dongliang did not wake up, Han Laoshan would have to consider voting for Zhao Xueyin. ”

“After all, the Zhao family had bezoar pills! ”

“However, as time passed, Han Dongliang showed no signs of waking up. ”

“Han Laoshan was very anxious. He said in a hoarse voice, “Dongliang, open your eyes and take a look at Dad. Just take a look, okay?” ”

“Han Dongliang, who was lying on the bed, showed no reaction. ”

“At this moment, Mrs. Han walked in from outside. “Old Han, don’t you have a meeting today? Go to the meeting first. I will stay at home and keep an eye on Dongliang. I will inform you as soon as there is any news!” ”

Han Laoshan nodded. "Then I'll go to the meeting first."

"Go."

"After Han Laoshan came to the consortium, he called Mrs. Han again. "How is it? Has Dongliang woken up yet?" "

"Not yet." Mrs. Han's sigh came from the other end of the phone.

Han Laoshan's expression also became extremely gloomy.

""Uncle Han, you can't really believe that Ye Zhuo can cure Big Brother Han, right?" At this moment, Zhao Xueyin walked over from the side. "

Han Laoshan hung up the phone. "H-how did you know?"

"Zhao Xueyin did not directly answer Han Laoshan's question. Instead, she asked, "We agreed on a three-day period, but brother Han has yet to wake up. Don't you think this is very strange?" "

Han Laoshan frowned.

"Zhao Xueyin continued, "Actually, Ye Zao is using you, using your love for your son. "The reason why she said three days is because today is the day of the chief election. If you believe her, you can vote for her in the meeting later. "However, let me be clear. Once you vote for her, you can't blame me for not saving her." "

The last sentence made Han Laoshan break out in cold sweat.

What should he do?

What should he do now?

Who should he trust?

“Han Lao Shan grabbed his hair with both hands, his face full of helplessness. ”

Was Ye Zhuo lying to him?

Han Lao Shan didn't know what to do either... ..

“At this moment, Han Lao Shan's phone rang. ”

Han Lao Shan picked up the call. “Hello.”

“He didn't know what was said on the other end of the phone, but Han Lao Shan's expression changed.
“What?” ”

“Really?”

“Then, Han Laoshan collapsed to the ground. ”

He burst into tears.

“Zhao Xueyin looked at Han Laoshan, her eyes full of pride. ”

This call must be from the Han family.

“Seeing Han Laoshan like this, Han Dongliang must be in deep trouble. ”

He might already be dead.

“Otherwise, Han Laoshan would not be crying like this. ”

Karma!

This is karma!

Who told Han Laoshan not to believe her?

“Chapter 1213: 257: Face slapping, she was the target of everyone’s expectations. Zhao Xueyin was dumbfounded! 1”

“Needless to say, Han Laoshan must be very regretful now. ”

“After all, he was the one who killed his own son! ”

“If he did not believe in ye Zhuo, Han Dongliang would not have died. ”

It was a pity.

It was too late to regret now!

“In this world, there was everything except regret. ”

“Zhao Xueyin looked at Han Laoshan, her eyes filled with joy. ”

“Now that Han Dongliang was in trouble, would Han Laoshan still choose ye Zao? ”

Of course not!

“Not only would ye Zao not be able to run for the chief seat, he would also be imprisoned! ”

“In the future, no one would be able to take away her things! ”

This was ye Zao’s retribution!

“After waiting for so long, Ye Zao finally got his retribution. ”

The smug look in Zhao Xueyin’s eyes was almost overflowing.

“After a while, Zhao Xueyin looked at Han Laoshan who was sitting on the ground and crying bitterly. She turned around and walked out of the door. ”

11 am.

The chief election meeting officially began.

“Han Laoshan was the last to arrive. Although he tried his best to hide his emotions, his eyes were still very red. ”

One look and one would know that he had cried.

When she saw Han Laoshan enter.

Zhao Xueyin narrowed her eyes.

It seemed that Han Dongliang was not dead.

“If Han Dongliang was dead, Han Laoshan would not be able to attend the election. ”

“However, even if Han Dongliang was lucky enough not to die, he was probably only left with his last breath. ”

“Otherwise, Han Laoshan would not be so depressed. ”

It seemed that Han Dongliang’s life would have to be continued with an Gong Niu Huang Wan.

“A moment later, Zhao Xueyin retracted her gaze. ”

“At this time, Han Laoshan also walked to his seat and sat down. He had a discussion with a few shareholders. ”

“After a while of discussion, elder Zhang stood up and said, “Since everyone is here, I now announce that the third chief election is starting now! This vote concerns the future of the Shunxi Financial Group. I hope that all shareholders will be cautious!” ”

“As soon as he finished speaking, the meeting room fell into a strange silence. ”

““Now, let’s invite President Ye and Miss Zhao to speak.” ”

Ye Zhuo and Zhao Xueyin sat opposite each other.

“After the two of them exchanged some pleasantries, the shareholders began to vote. ”

“I support President Ye.”

“I support Miss Zhao.”

“...”

“A few minutes later, the big screen showed the votes of the two people. ”

Ye Zhuo had 16 votes.

Zhao Xueyin also had 16 votes.

“At the moment, the two people were evenly matched. ”

“If they wanted to determine the winner, it would still depend on the crucial vote in Han Laoshan’s hands. ”

“Once Han Laoshan cast his vote, the shareholders behind him would also follow Han Laoshan to vote. ”

“For a moment, everyone turned to look at Han Laoshan. ”

The atmosphere was a little tense.

Who Would Han Laoshan choose?

Zhao Xueyin?

Ye Zhuo?

Who would be able to sit in the first seat? !

“Just as everyone was waiting for Han Laoshan to vote, Han Laoshan did not make his next move.”

Anyone with a discerning eye could see that he was hesitating.

“The crowd below the stage discussed animatedly, unable to guess Han Laoshan’s intentions.”

“Elder Zhang turned to look at Han Laoshan and said in a low voice, “Old Han, what’s wrong with you? Didn’t we agree to vote for searing?” ”

Han Laoshan moved his lips but didn’t say anything in the end.

“Zhao Xueyin looked at elder Zhang with a mocking look in her eyes. After a moment, she said calmly, “Elder Zhang, you don’t have to make unnecessary decisions for Uncle Han. I believe that Uncle Han will make the best choice!” ”

“Speaking up to this point, Zhao Xueyin looked at Han Laoshan. “Uncle Han, am I right?” ”

Han Lao Shan still didn’t say anything.

“Hearing this, elder Zhang turned to look at Zhao Xue Yin.”

He felt that something wasn’t right.

“He had clearly discussed with Han Lao Shan half a month ago, and Han Lao Shan had made it clear that he would bring the shareholders to vote for Ye Zhuo.”

But now... Han Lao Shan was actually hesitating!

What was he hesitating about?

“Elder Zhang frowned, very worried. ”

“Although Han Laoshan did not answer Zhao Xueyin, she was not worried at all. ”

Because Han Laoshan had to choose her.

Unless...

Han Laoshan wanted to watch Han Dongliang Die!

But could Han Laoshan Watch Han Dongliang Die?

Han Dongliang was Han Laoshan’s only son!

Zhao Xueyin’s eyes were full of determination.

“At this moment, Han Laoshan stood up and turned to look at Zhao Xueyin. ”

Zhao Xueyin smiled.

At least Han Laoshan had good eyesight.

“After a while, Han Laoshan slowly opened his mouth and said word by word, “I support President Ye!” ”

Support Ye Zhuo?

“Zhao Xueyin, who had already stood up from her seat, turned pale. ”

Auditory hallucination.

It must be an auditory hallucination.

How could Han Laoshan Support Ye Zao?

“Chapter 1214: 257: face-smacking, she was the target of everyone’s expectations. Zhao Xueyin was dumbfounded! 2”

He did not want to save Han Dongliang?

Unless Han Laoshan went crazy.

No!

It was impossible.

Zhao Xueyin took a deep breath and tried hard to calm herself down.

“As Han Laoshan stood up, the shareholders behind him also stood up. “We also support President Ye.”

”

“And US.”

“On the big screen, the votes of the two people kept rolling. In a moment, the screen stopped moving.”

Zhao Xueyin: 16 votes.

Ye Zhuo: 32 votes.

Looking at the numbers on the big screen.

Zhao Xueyin's entire body was trembling.

It wasn't an illusion.

It wasn't an illusion.

"Before Zhao Xueyin could react, elder Zhang stood up and looked at Ye Zhuo. "Congratulations, President Ye, for taking up the position of Chief of Shunxi Financial Group!" "

""Thank you for Your Trust."Ye Zao faced everyone and bowed slightly. "In the coming days, I hope that we can work together happily and walk towards a new future together." "

Clap Clap Clap Clap —

Deafening applause came from below the stage.

"I believe that Chief Ye will lead everyone to a new glory!"

"I believe too!"

""Congratulations, Chief Ye." "

Everyone stood up and congratulated ye Zao. The way they addressed ye Zao had changed from President Ye to First Seat Ye.

“If it had been three months ago, perhaps no one would have chosen ye Zao. ”

It was ye Zao who had used his strength to conquer everyone!

“Although she was young, her abilities were not inferior to everyone present. ”

“From the beginning to the end, ye Zao had an indifferent expression on her face. ”

“Even if she steadily sat in the lead seat, she was still unperturbed by the crowd’s congratulations. It was as if there was nothing remarkable about sitting in the lead seat. ”

Qing Jun’s face was full of calmness that did not match his actual age.

“Thank you.”

“Below the stage, Han Laoshan raised his head to look at Ye Zao. His eyes were full of gratification. ”

“Obviously, this result was expected by everyone. ”

“Whether it was her business ability, the way she conducted herself, or her bearing, Zhao Xueyin was not inferior to ye Zao at all. ”

“At the very least, Ye Zao would not use the matter of treating Han Dongliang to threaten her. ”

Zhao Xueyin’s actions were clearly the actions of a villain!

Zhao Xueyin could not hear the following words clearly. Her blood flowed backwards.

“She was clearly sitting in the conference room, but it was as if she was in a different world from everyone else. ”

Ye Zao.

It was actually ye Zao.

She never expected that she would lose to ye Zao again.

Why?

Ye Zao became the chief.

What about her?

Who Was She?

Zhao Xueyin clenched her fists tightly.

And Han Laoshan.

Could it be that he did not want to save Han Dongliang?

Why did things turn out this way.

“Until the end of the election and all the shareholders had left, Zhao Xueyin was still unable to react. Her face was pale and without any color.”

“Miss Zhao.” Annie walked over and called out to Zhao Xueyin.

Only then did Zhao Xueyin react. She stood up and walked out of the meeting room.

She couldn't just watch as ye Zao sat in the chief seat.

This seat was hers.

The Shunxi Financial Group was also hers!

Why did ye Zao have the right to steal her things?

Why!

"When she thought of the person she hated the most, sitting in the seat she wanted the most, Zhao Xueyin almost couldn't breathe. It was unbearable. "

She had to find Han Laoshan and make him take back the most crucial vote and start the election again!

She still had an Gong's bezoar pill in her hands.

Could Han Laoshan really disregard his own son?

Annie immediately followed Zhao Xueyin's footsteps.

"Get lost! Don't follow me!" Zhao Xueyin suddenly turned to look at Annie. Her facial features were ferocious.

Annie was shocked and immediately stopped in her tracks.

"Zhao Xueyin came to Han Laoshan's office. "Uncle Han, don't you want to save Big Brother Han? I'll give you another chance..." "

“I’m sorry, I’m afraid I’ll have to disappoint you.” Han Laoshan directly interrupted Zhao Xueyin’s unfinished words, “President Ye, oh no! Chief Ye’s medical skills are superb. She has already woken Dongliang up. You should keep your an gong bezoar pill for your own life!” ”

That’s right.

Han Dongliang had already woken up.

“Otherwise, Han Laoshan would not have chosen ye Zhuo without any worries. ”

The reason why he was crying loudly in the office was because he was too excited!

“Even when his son was sick, he had never cried like this. However, when he heard that his son had woken up, Han Laoshan could not control himself. ”

“Before this, he had never experienced what it meant to cry from extreme joy. ”

“Now, he finally experienced it deeply. ”

“Han Laoshan was extremely happy now. However, he had listened to Chen Qiaoye’s words and demolished the sterile room. He believed in ye Zhuo’s diagnosis. ”

“Chapter 1215: 257: face-smacking, she was the one everyone expected. Zhao Xueyin was dumbfounded! 3”

“If he had been stubborn, there would not have been such a result. ”

What?

Han Dongliang had woken up now?

How was that possible!

How was that possible!

“Even the famous doctors at home and abroad could not cure the death syndrome, so how could ye Zhuo cure it?”

“If Han Dongliang was really fine, then why did Han Lushan Cry Like That?”

He would not.

He would not.

“Without an Gong’s bezoar pill, Han Dongliang would not have gotten better.”

“Zhao Xueyin was stunned on the spot. Her face was ashen, as if she had just died.”

“Han Laoshan packed his things, turned around and walked out of the door.”

On the other side.

The Zhao family.

Father Zhao was also stunned when he heard the results of his assistant’s report. His face was full of disbelief.

“No matter how much he thought about it, he did not expect that Han Laoshan would actually choose ye Zhuo in the election.”

Could it be that Han Laoshan did not want to save Han Dongliang anymore?

Or could it be that Han Dongliang was already fine?

But it had only been three days.

Was Ye Zhuo’s medical skills really that good?

Father Zhao tried his best to calm himself down. He looked up at his assistant. “Go to the Han family and find out what happened!”

“Okay.”The assistant nodded. “I’ll go right away.”

At the Han family’s side.

Han Laoshan rushed home without stopping.

“In the living room, Chen Qiaoye and Mrs. Han were talking about something. To be more accurate, it was Chen Qiaoye who was talking while Mrs. Han was standing at the side wiping her tears. Han Laoshan immediately walked over and asked, “Where’s Dongliang?” ”

“Upon hearing this, Mrs. Han wiped the tears off her face, but she still could not make any sound from her throat. ”

“What happened to Dongliang? Didn’t they say on the phone that Dongliang is fine?”Why was he still crying?

“Seeing Mrs. Han like this, Han Laoshan was a little anxious. ”

Could it be that something had happened again?

“After experiencing great joy, Han Laoshan could no longer withstand great sorrow ”

“Chen Qiaoye smiled and looked at Han Laoshan. “Uncle, don’t worry. Cousin has already woken up!” ”

“Really?”

“Chen Qiaoye nodded. “Right now, Yi Tao is talking to cousin. If you don’t believe me, you can go in and take a look.” ”

Han Laoshan immediately ran into the house.

In the house.

“Yi Tao was sitting by the bed. “Cousin, rest assured and recuperate. With Miracle Doctor Ye around, you will be fine in a few days.” ”

“”En, I believe in Miracle Doctor Ye.”Han dongliang continued, “What kind of person is Miracle Doctor Ye?” ”

“To be able to save a serious patient like him, miracle doctor ye must be very powerful. ”

“Although Han Dongliang had already woken up, he had been sick in bed for a long time. His face did not look good, and his voice was very weak and weak. ”

“Fortunately, there was light in his eyes. ”

“It was pitch-black, like obsidian. ”

It was not as dull and colorless as an ordinary patient.

“Yi Tao continued, “Godly Doctor Ye is very young. I heard from uncle that she is also president ye of the Shunxi Financial Group.” ”

Han Dongliang had been unconscious for a long time and did not know about ye Zhuo. “President? Then who is she?”

Yi Tao shook his head. “I am not very clear about the specific situation.”

“Dongliang!”

“At this moment, Han Laoshan suddenly pounced on him, and tears rolled down his cheeks. ”

Half a year.

A whole half a year.

“During this half a year, Han Dongliang lay on the bed like this. ”

“He was like a vegetable, devoid of any signs of life. ”

He had once thought that Han Dongliang would never be able to call him dad again.

“At this moment, when he saw Han dongliang wake up, Han Laoshan almost thought that he was dreaming. ”

He was filled with emotions.

This kind of feeling of having been lost and regained could not be described with dull words.

“Dad...” Han Dongliang turned to look at Han Laoshan and asked curiously, “Dad, what happened to you? Why is your hair all white? And My Mom, why did you both age so quickly all of a sudden?”

“Although the Han family’s parents were old, they had taken good care of themselves and it was almost impossible to tell their actual age.”

Han Dongliang did not understand why his parents suddenly looked so old in just a few days.

Especially Mrs. Han.

Even the wrinkles on her face were showing.

Mrs. Han used to look at most 50 years old.

“But now, some people believed that she was 70 years old.”

“She was unconscious when she was unconscious. Therefore, Han Dongliang only knew that he had slept for many days. He did not know that it had actually been half a year.”

He also did not know that his parents had been crying almost every day for the past half a year.

“When he heard this, Han Laoshan’s eyes turned even redder. He did not know how to answer Han Dongliang’s question.”

“Chapter 1216: 257: face-smacking, she was expected by everyone. Zhao Xueyin was dumbfounded! 4”

“Yi Tao continued, “Cousin, you have been unconscious for half a year.” ”

“”Half a year?” Han Dongliang was stunned, his eyes filled with disbelief. “Tao Tao, is it really half a year?” ”

Yi Tao nodded.

Han Dongliang could not put on any expression.

He thought that it was only a few days.

He did not expect that half a year had passed!

One could imagine what kind of life his parents had been living during this half a year.

He was the only son in the family.

“During that period of time, even the sky would collapse for his parents! ”

“At the thought of this, Han Dongliang felt extremely guilty. “Dad, I’m sorry. My Son is unfilial. I’ve caused you and mom to worry...” ”

“”It’s alright, it’s alright. As long as you can wake up.” Han Laoshan did not even have time to wipe away his tears. He continued, “Dongliang, how do you feel now? Do you still feel uncomfortable anywhere?” ”

“”I feel very good now.” Han Dongliang said, “Dad, you don’t have to worry. Tao Tao said that Miracle Doctor Ye’s medical skills are very good. I’ll be able to be like a normal person soon.” ”

“Han Laoshan nodded and continued, “Then, do you want to eat something? I’ll get the kitchen to prepare it for you right away.” ”

“During the period when Han Dongliang was unconscious, he could only rely on the nutrient solution to maintain his life.”

“Hearing Han Laoshan’s question, Han Dongliang was about to speak when he saw Han Laoshan continue, “Wait! Contact President Ye First! She said that you can only eat if you can eat!” ”

Yi Tao picked up his phone. “I’ll contact him right away.”

The call was quickly connected and ye Zhuo’s voice came from the other end.

“Miracle Doctor Ye!”

“Mr. Yi.”

“Yi Tao continued, “Miracle Doctor Ye, my cousin is awake now. May I ask if he can eat?” ”

“A clear and shallow voice came from the phone screen, “Don’t eat for the time being. Drink some water first. I’ll come over at night. After taking a look at Mr. Xiao Han’s physical condition, I’ll be able to determine if he’s fit to eat now.” ”

“Okay.”

“After hanging up the phone, Han Laoshan looked at Han Dongliang. “Since President Ye has already said that we can’t eat, let’s not eat for now. Come, drink some water.” ”

Han Laoshan picked up the cup and fed Han Dongliang some water.

“After a while, Chen Qiaoye helped Mrs. Han in. ”

“Mom.”

“Upon seeing Han Dongliang, Mrs. Han could not control herself. She covered her mouth and sobbed softly. ”

“”Mom, Don’t cry. I’m fine now.” ”

“Mrs. Han tried hard to calm herself down. “I have to thank Miracle Doctor Ye. If it weren’t for her, you wouldn’t have recovered so quickly!” ”

“In the past six months, the Han family had looked for famous doctors of all sizes. ”

But they all said that there was no cure for Han Dongliang’s illness.

The only thing that could save Han Dongliang was an gong bezoar pill.

“But even if they found an gong bezoar pill, they were only 70% sure. ”

Mrs. Han thought that she was going to lose her son forever.

She did not expect that Han Dongliang would actually wake up!

“From the time he took the medicine until now, Ye Zhuo only used three days. ”

“If she did not see it with her own eyes, no one would believe that it was true. ”

“In the past, Mrs. Han never believed in miracles. ”

“Now, to her, Ye Zhuo was a miracle! ”

A miracle for the entire Han family.

""I still have to thank you."Mrs. Han grabbed Chen Qiaoye. "Qiaoye, thank you. Thank you for recommending Miracle Doctor Ye to us..." "

""Aunty, we are family. This is what I should do."Chen Qiaoye said, "The person you should thank the most is Miracle Doctor Ye." "

Mrs. Han held Chen Qiaoye's hand and wiped her tears.

"In a moment, Mrs. Han's emotions gradually calmed down. She turned to look at Han dongliang and said, "Dongliang, after this is over, listen to your mother and go on a blind date. Then..." "

""The child has just woken up. What nonsense are you talking about!"Before Mrs. Han could finish her sentence, she was interrupted by Han Laoshan. "

Han Dongliang was thirty-six years old this year.

"If he wanted to get married, he would not have to wait until now. "

"Before he was sick, he had argued with Mrs. Han countless times for the sake of a blind date. "

"Now, he had not recovered yet, and Mrs. Han was bringing up old matters again. "

Han Laoshan was worried that Mrs. Han's words would agitate Han dongliang.

"Upon hearing this, Mrs. Han was filled with regret. She looked at Han Dongliang, then, she said, "Dongliang, don't be angry. I just want you to be well now. Don't worry, I Won't force you to go on blind dates anymore. You can do whatever you want in the future!" "

She thought that Han Dongliang would be very angry.

“However, Han Dongliang was not angry at Mrs. Han’s words, instead, he smiled and said, “Mom is right. I’m already so old. I should find someone and start a family. Mom, don’t worry. When I’m better, I’ll definitely listen to you and go on blind dates. I’ll try my best to let you and Dad have a grandchild as soon as possible.” ”

“Chapter 1217: 257: Face slapping, she was the one everyone wanted. Zhao Xueyin was dumbfounded! 5”

He was seriously ill.

Han Dongliang had also figured it out.

One could not only think about himself in this world.

One had to think about the family around him.

“In fact, getting married and having children was also a happy thing. ”

Take this illness for example.

“If his parents were no longer in the world and he did not have any other relatives, who would take care of him? ”

“Getting married and having children, and having a happy family, was the final destination of life. ”

“Hearing this, Mrs. Han and Han Laoshan were stunned. They could not believe their ears. ”

““Dongliang, what, what did you say?”Mrs. Han covered her mouth, her eyes full of disbelief. ”

“Han Dongliang repeated what he had just said, “Mom, you didn’t hear wrong. In the past, as a son, I was too selfish. In the future, I will listen to you well. Get married and have children as soon as possible, so that you and dad can live a happy life with a grandchild.” ”

Happy Life...

Mrs. Han’s eyes turned hot again. She almost thought she was hearing things.

She never dreamed that Han Dongliang would have such a big change after a serious illness.

“Han Lushan was also very excited. He stood at the side and wiped his tears. “Good boy, good boy! It’s good that you can think like that!” ”

The Zhao family.

“Soon, the assistant found out that Han Dongliang was awake. ”

“What?”Father Zhao looked up at the assistant with his eyes wide open. “Awake? That’s impossible!”

“Without an Gong’s bezoar pill, how did Han Dongliang wake up? ”

Could it really be because of Ye Zhuo?

“The assistant’s expression was a little complicated. “Master, he is indeed awake. I have confirmed it with Butler Han three times.” ”

Bang —

Father Zhao grabbed a teacup and smashed it on the ground.

The pieces scattered.

How did Han Dongliang wake up? !

Father Zhao never expected that a little girl like ye Zhuo could really cure Han Dongliang.

He had made ye Zhuo the chief seat.

How would the Zhao family advance to a noble family?

The study room was very quiet. The assistant did not even dare to make a sound.

“After a long while, Father Zhao finally reacted and asked, “Where is the eldest miss?” ”

“The eldest miss isn’t back yet.”

“Father Zhao pinched his temple. “Tell her to come back immediately!”At this time, what was Zhao Xueyin still doing in the financial group? ”

Was she embarrassing herself?

“I’ll inform the eldest miss right away.”The assistant walked out.

...

“In the blink of an eye, it was night time. ”

Ye Zhuo brought the medical kit to the Han family for a follow-up consultation.

The car had just stopped at the entrance of the Zhao family's villa when he saw Han Laoshan and Mrs. Han standing there. "President Ye!"

"Godly Doctor Ye!"

The couple was especially excited when they saw ye Zhuo.

""Elder Han, Mrs. Han,"ye Zhuo greeted politely. "

"Mrs. Han held ye Zhuo's hand and was so excited that she could not speak properly. "Godly Doctor Ye, thank you, thank you, thank you for saving my son. You Are the savior of our Han family. I, I will kneel down for you..." "

Ye Zao immediately helped Mrs. Han Up. "Saving lives and helping the injured is the duty of a doctor. Please get up quickly."

Mrs. Han stood up from the ground.

"Han Laoshan said, "I can't thank you enough for your great kindness. President Ye, oh no, chief ye, if you have any use for our Han family in the future, our Han family will definitely go through fire and water without any hesitation!" "

"Yes! Yes!"Mrs. Han nodded as well.

"Ye Zhuo smiled and said, "Elder Han, Mrs. Han, you are too polite! Oh right, bring me to see Mr. Xiao Han Now!" "

"This way."

The couple brought ye Zhuo to Han Dongliang's room.

"Compared to the morning, Han Dongliang looked much better at night. "

He could even lie in bed and play with his phone now.

""Dongliang, let me introduce you. This is Miracle Doctor Ye." "

Han Dongliang looked up.

He saw a young girl.

It was a cold winter and a cold month. She only wore a beige coat on the outside.

She was tall and slender.

"Her face was like a peach blossom, and she was devastatingly beautiful. "

"Under the crystal lights, her jade-like face seemed to be coated with a layer of gauze. "

"Although Yi Tao had told him that Miracle Doctor Ye was very young, Han Dongliang was still stunned when he saw ye Zhuo at such a young age. "

"After a while, Han Dongliang finally reacted. "Miracle Doctor Ye." "

"Ye Zhuo nodded slightly, walked to the bedside and sat down. He then asked, "How are you feeling now, Mr. Xiao Han? Is there anything uncomfortable?" "

“Han Dongliang shook his head. “There’s nothing uncomfortable, just a little dizziness.” ”

Ye Zhuo reached out and placed his hand on Han Dongliang’s pulse.

“A moment later, Ye Zhuo let go of Han Dongliang’s hand and continued, “Dizziness is a side effect of lying in bed. You can take a walk outside in moderation tomorrow during the day. But don’t take too long. Try to control it within half an hour.” ”

Chapter 1218: 257: face slapping. She was the one everyone expected. Zhao Xueyin was dumbfounded!
6

““Okay.”Mrs. Han nodded and asked again, “How many times can I go out on that day?” ”

““Two or three times is enough.”Ye Zhuo reminded again, “In addition, you can eat some things in the next few days, but you can’t eat too hard. After a month, your diet will return to normal.” ”

“Mrs. Han took notes one by one, not daring to be careless.”

““By the way, do you have a pen and paper?”Ye Zhuo continued to ask.”

““Yes, yes!”Han Laoshan, who was standing at the side, quickly nodded. “Aunt Qing, go get a pen and paper!” ”

“Okay.”Aunt Qing turned around to get a pen and paper.

“Soon, Aunt Qing came in and handed the pen and paper to Ye Zhuo.”

Ye Zao took it and started to write the prescription.

“A few minutes later, ye Zao handed the finished prescription to Mrs. Han. “From today onwards, let Mr. Little Han take this prescription.” ”

“”Okay.”Mrs. Han took the prescription and nodded. After a moment, she exclaimed, “Godly Doctor Ye’s handwriting is so beautiful! Have you practiced it before?” ”

“The words on the prescription were so strong that they penetrated the back of the paper. The Strokes were like dragons and snakes, and the strokes were like the bones of a willow tree. Without a person who had more than ten years of writing skills, it would be impossible to write it.”

“Yes.”Ye Zhuo nodded slightly.

“Actually, he had not practiced it much. It was just that he had written too many words, so it became more beautiful.”

“Mrs. Han continued, “Godly Doctor Ye, how long will you take to take this prescription?” ”

“Ye Zhuo said, “Three times a day. Just drink it for a month straight.” ”

“Okay.”

“Ye Zhuo opened the medicine box and took out a small porcelain bottle. “Right, this is to be eaten together with Chinese medicine.” ”

“Is it also three times a day?”Mrs. Han asked

“Yes.”Ye Zhuo nodded slightly.

“Okay.”

Ye Zhuo gave some advice on what not to eat when taking medicine and then proposed to leave.

Han Laoshan and Mrs. Han sent ye Zhuo to the door.

“Watching the black car disappear into the night, Mrs. Han sighed and said, “Miracle Doctor Ye is really amazing! Her character is also good. If anyone marries her in the future, it would be like smoke rising from the ancestral grave!” ”

“”That’s right,” Han Lao Shan agreed. ”

“After a moment, Han Lao Shan reacted and continued, “Chief ye has a boyfriend.” ”

“Who is it?” Mrs. Han was very curious.

She really could not imagine what kind of man would be worthy of such an outstanding girl like Ye Zhuo.

“Han Lao Shan said, “Cen Fifth Master.” ”

“CEN Fifth Master?” Mrs. Han thought for a moment. “Is he the one from the Cen Family?”

“Yes.” Han Laoshan nodded.

“Mrs. Han smiled and said, “If that’s really the case, then these two people are simply a perfect match!” ”

“Although Cen Shaoqing kept a low profile and rarely showed his face, Mrs. Han had seen him once at a banquet two years ago. ”

“At that time, she had been astounded. ”

“Unfortunately, Cen Shaoqing was still an unmarried man at that time. ”

...

On the other side.

Zhao family.

It was already past eight o’clock in the evening when Zhao Xueyin returned home.

Father Zhao’s expression was a little ugly. “Didn’t I tell you to come back as soon as possible?”

“Zhao Xueyin took a deep breath. “Dad, can’t you just let me calm down?” ”

PA —

“At this moment, Father Zhao threw a red invitation card at Zhao Xueyin. ”

“What is this?”Zhao Xueyin asked.

“Father Zhao continued, “It’s an invitation to Old Lady Ming’s birthday banquet.” ”

The Ming family was also one of the few financial masters in the financial world. Old Lady Ming’s birthday banquet would definitely gather all the powerful people in the financial world.

“Now, Zhao Xueyin had nothing. She had to use this opportunity to consolidate her connections! ”

““Didn’t you say that even if you can’t marry Fifth Master, you can still marry Jin Ruyu, the heir of the Jin family? I’ve asked around, and Jin Ruyu will also attend Old Lady Ming’s birthday banquet.” ”

Zhao Xueyin picked up the invitation.

She was indeed too careless about fifth master.

But Jin Ruyu was definitely in her pocket!

“Thinking of this, Zhao Xueyin narrowed her eyes. ”

The next night.

Zhao Xueyin arrived at the banquet on time.

“Just as Father Zhao had said, celebrities gathered at the banquet. ”

It was a dazzling sight.

“Xueyin.”

A socialite saw Zhao Xueyin and welcomed her warmly.

Zhao Xueyin raised her head slightly. “Si Lan.”

“The person who came was called Wen Si Lan, an old classmate of Zhao Xueyin for many years. ”

“Wen Si Lan held Zhao Xueyin’s arm intimately and said with a smile, “Long time no see. Xueyin, how have you been?” ”

“Upon hearing this, a sinister light flashed across Zhao Xueyin’s eyes. ”

“If it wasn’t for Ye Zhuo’s sudden appearance, she would already be the chief of Shunxi Financial Group and fifth master’s fiancée! ”

Why would she need to attend such a banquet?

“At this moment, discussions could be heard from the door. ”

Zhao Xueyin raised her head and saw a familiar figure.

The person was wearing a custom-made suit with a white shirt button tied to the top.

“Looking Up, it was an exquisite pair of eyes and brows. ”

This was...

Si Lu?

Why would si lu appear here?

“Could it be that he knew that she would attend the banquet tonight, so he chased her here? ”

“Zhao Xueyin frowned slightly, her eyes filled with disgust. ”

“Wen Si lan continued, “Xueyin, you definitely don’t know him, right? He is Jin Ruyu, the heir of the Jin family. I heard that he has been studying abroad in C Nation all these years, and he just returned recently.” ”

“Chapter 1219: 258: Retribution for evil, retribution for Evil! 1”

Jin Ruyu?

The person in front of her was Jin Ruyu?

“When she heard this, Zhao Xueyin was stunned. Her eyes were filled with disbelief. She turned to look at Wen Silan and tried her best to calm herself down. “Silan, who did you say he was?” ”

“”Jin Ruyu.”Wen Silan continued, “He’s the eldest young master of the Jin family. He just returned from studying abroad. Isn’t he handsome?” ”

“”He’s Jin Ruyu? Si Lan, are you sure you didn’t recognize him wrongly?”Zhao Xue Yin gulped. ”

He was obviously the lawyer!

How could the poor lawyer who had nothing be Jin Ruyu!

He recognized him wrongly!

Wen Si Lan must have recognized the wrong person!

“If the lawyer was Jin Ruyu, then who was the lawyer?”

“Wen Si lan smiled and said, “I just attended the Jin family’s banquet not long ago! Don’t worry, I won’t recognize him wrongly. He’s Jin Ruyu! I’m not a three-year-old child, how can I recognize the wrong person! I Won’t Be Wrong!” ”

“At this moment, the man walked over step by step. ”

“Wen Si lan said excitedly, “Oh my god! He’s walking over here! Xueyin, look quickly!” ”

Zhao Xueyin raised her head slightly and saw Si lui walking over with deep affection.

The others present also looked over.

“Wen Si Lan said in a low voice, “Xueyin, do you think he’s here to greet us?” ”

There was an unconcealable excitement in his words.

The Wen family could only be considered average in the financial world.

“At this moment, when Wen Si Lan saw si lui walking over, other than excitement, she was also in disbelief. ”

“When she heard this, a mocking light flashed across Zhao Xue Yin’s eyes? ”

“US?”

“Si Lui was clearly here to greet her, what did he have to do with Wen Si Lan? ”

This Wen Si Lan really knew how to flatter her!

Shameless.

“Zhao Xueyin said gently, “Maybe! Si Lan, you’re so beautiful, Jin Ruyu must be here to greet you. I’m just a foil to you.” ”

This was called flattery.

Wen Si Lan was so pleased with herself now that she would be disappointed in a moment.

Zhao Xueyin could already imagine Wen Si Lan's face when Si lui walked up to her and affectionately called her 'Xueyin'.

"At that time, not only would wen si lan be slapped in the face, but the other socialites in the banquet hall would also be envious."

Jin Ruyu was the sole heir of the Jin family.

Most of the socialites tonight were here for Jin Ruyu.

The Jin family's position in the financial world was only second to DK Financial Group.

"Jin Ruyu was still unmarried. As long as she could marry Jin Ruyu, she would be the matriarch of the Jin Financial Group!"

"And now, she was the only white moonlight in Jin Ruyu's heart, the cinnabar mole."

"From the way the lawyer was acting, he knew that he would definitely use today's opportunity to give her a deep and affectionate confession in front of everyone."

"Thinking of that scene, Zhao Xueyin's eyes lit up."

It was as if she could see the envious and jealous eyes of everyone.

However.

Zhao Xueyin still hadn't decided whether to agree to the lawyer.

Men all had a bad nature.

They were too easy to get and didn't know how to cherish them.

"Therefore, she couldn't agree to the lawyer in front of everyone."

She had to hang on to the lawyer first.

Let the lawyer know that she wasn't someone who could be coaxed back with just a few words of love.

"The lawyer loved her so much that even if she rejected the lawyer once, the lawyer would continue to love her."

It was just that she didn't know if the lawyer would be able to accept her rejection in front of everyone.

The lawyer might even cry out loud.

"When she thought of the sole heir of the Jin family seeking death for her, Zhao Xueyin's heart was filled with a sense of superiority."

"In the entire financial world, who else could become like the Jin family?"

She watched as the lawyer was getting closer and closer to her.

Zhao Xueyin's heart was beating faster and faster.

Bang Bang Bang —

“One after another, it was as if it would jump out of her chest at any moment. ”

“At the same time, Zhao Xueyin was also thinking about how she was going to reject si lui. ”

“Wen Si Lan was also very excited. “Xueyin, it seems like Jin Ruyu is really coming for us! Look! Look!” ”

“Zhao Xueyin pretended not to care. “There’s nothing to see. No matter how powerful Jin Ruyu is, he’s just an ordinary man.” ”

“Wen Si Lan lowered her head and looked at Zhao Xueyin with admiration in her eyes. “Xueyin, as expected of someone who has seen big things! You’re still so calm when facing the heir of the Jin family!” ”

Zhao Xueyin lowered her head and smiled.

Wen Si Lan was now so shocked.

“When the lawyer stood in front of her and confessed, Wen Si Lan would be so shocked that her jaw would drop? ”

“Chapter 1220: 258: Evil has its retribution, the Heavenly Dao has its reincarnation, retribution is not pleasant! 2”

Zhao Xueyin hid her thoughts in the bottom of her eyes and used the corner of her eyes to observe the expressions of the people around her.

Deng Deng Deng —

“Following the sound of footsteps, the lawyer walked straight over. ”

Zhao Xueyin puffed out her chest and looked at the lawyer.

The words of rejection were on the tip of her tongue.

“Next, let her reject the lawyer in front of everyone!”

“At this moment, Si lui walked past Zhao Xueyin and slowly said, “Old Lady Ming.” ”

Old Lady Ming?

Didn't Si lui come to confess to her?

The smile on Zhao Xueyin's face froze at the corner of her mouth.

What was going on?

“On the side, Wen Si Lan's voice was filled with regret. “After all this time, it turns out that I was overthinking things!”She really thought that Jin Ruyu was here to greet her.”

She did not expect that Jin Ruyu was just passing by.

“After saying that, Wen si lan said, “That's right. How could a handsome young master like Jin Ruyu, who prefers to be refined and refined, take a fancy to us Philistines? I've indeed been overthinking things!” ”

“Hearing this, Zhao Xueyin felt a little uncomfortable in her heart.”

Philistine?

“If she was a philistine, would the lawyer have liked her for so many years?”

Si Lui didn't greet her just now because he didn't see her.

“There were so many people at the banquet, so it was normal for Si lui not to see her.”

Zhao Xueyin comforted herself in her heart and turned to look at Si lui.

““This is ruyu, right?” Old Lady Ming looked at Si lui with a kind smile on her face.”

““Old Lady, I Am Ruyu.” Si lui nodded. “My father has been feeling unwell recently, so he asked me to come and celebrate your birthday. I hope old lady will not take offense.” ”

““No offense, what's there to take offense at!” Old Lady Ming grabbed Si Lui's hand, “Good child, your father and I are old acquaintances. When we were young, we fought side by side. You can just call me grandma. What Old Lady! You're too unfamiliar!” ”

Call Me Grandma?

“Hearing this, everyone looked at each other and saw the confusion in each other's eyes.”

““Grandma,” si lui called out politely.”

“Old Lady Ming smiled when she heard him call her grandma, then, she said, “Oh right, ruyu, let me introduce you. This is my granddaughter, Ming Yao. She's 26 years old this year and has just returned from abroad. Yaoyao, this is the kid from the Jin family that Grandma told you about, Jin Ruyu.” ”

“When she saw this scene, Zhao Xueyin narrowed her eyes.”

What did Old Lady Ming Mean?

Disguised matchmaking for Si?

Ming Yao?

Who does Ming Yao think she is!

Si's favorite person should be her!

What does Ming Yao Want?

To Be a mistress?

"According to Si's personality, he would definitely reject Ming Yao without hesitation. "

He would embarrass Ming Yao in front of everyone.

"After all, she was the person Si loved the most. "

Si lui hated this kind of disguised blind date the most.

"Besides, how could a woman like Ming Yao, who had no beauty at all, enter Si Lui's eyes? "

Just wait.

Ming Yao was about to embarrass herself.

"Thinking of this, Zhao Xueyin's lips curled up, and her eyes were filled with joy. "

“Wen Si Lan next to her continued, “One of them is the heir of the Jin family, and the other is the young miss of the Ming family. From the looks of it, the young miss of the Ming family and Jin Ruyu are quite compatible.” ”

Compatible?

Compatible with what?

A mocking light flashed across Zhao Xueyin’s eyes.

She was clearly the only one worthy of being a lawyer.

Just wait!

Ming Yao was about to make a fool of herself!

“At this moment, the lawyer extended his hand towards Ming Yao. “Hello, Young Miss Ming. I Am Jin Ruyu. I Am Jin from the Jin dynasty. A stranger is as beautiful as jade.” ”

“Ming Yao smiled and said, “A stranger is as beautiful as jade. Young Master is unparalleled in this world. Your name is very nice to hear.” ”

““Thank you, Miss Ming.” ”

““Ming Yao.”Ming Yao held the lawyer’s hand generously. “Tomorrow’s Ming, the Yao of the Yao Lake. Mr. Jin, you don’t have to be so polite. Just Call Me Ming Yao.” ”

““Okay, then Miss Ming, you don’t have to be so polite. Just Call Me Jin Ruyu.” ”

Zhao Xueyin was completely stunned on the spot.

She thought that the lawyer would embarrass Ming Yao.

She didn't expect that the lawyer would chat so happily with Ming Yao.

How could this be?

"Looking at this scene, Zhao Xueyin's heart was about to burst with jealousy. "

It was unbearable.

Why didn't the lawyer reject Ming Yao?

Was he giving Old Lady Ming face?

Yes.

It must be like this.

Zhao Xueyin took a deep breath.

"Seeing that the two young people were chatting so well, Old Lady Ming was very gratified. She continued, "Don't you have wechat now? Yaoyao, quickly add Ruyu's wechat so that we can chat more in the future." "
