

Almighty D 1231

“Chapter 1231: 259: Like Father, like son. If you don’t seek death, you won’t Die! 7”

““My hair is long and my knowledge is short?”Mrs. Qian said unhappily, “I think it’s obvious that you don’t care about our Xiaochuan’s marriage at all! No matter what, Xiaochuan is still your biological son. How can you treat him like this! Are you still worthy of being a father!” ”

Mrs. Qian didn’t like a woman with a brain problem to be her daughter-in-law.

She was even more afraid of others poking her in the back.

“Qian dafu continued, “Zhao Xueyin graduated from a famous university abroad in the finance department. She has a doctorate degree at such a young age! Now, it’s just a wall falling down and everyone pushing it down! If she takes a fancy to our Xiao Chuan, that’s a great blessing from her ancestors! You still look down on her?” ”

Mrs. Qian was stunned.

“Qian dafu sighed and said, “Now that I’m getting older year by year, I don’t feel at Ease handing over the financial group to others. Xiao Chuan is also an unstable person, so we must find him a capable daughter-in-law.” ”

“Mrs. Qian understood now, but she was still a little worried. “But she’s an outsider after all... do you feel at ease if I really hand over the financial group to her?” ”

““If I don’t hand it over to her, do I have to hand it over to Xiao Chuan?”Qian Dafu asked back. ”

“Although Zhao Xueyin was an outsider, once she married Qian Xiao Chuan and gave birth to a child, she wouldn’t be an outsider anymore! ”

Mrs. Qian choked.

“Qian Dafu continued, “Forget it, forget it. You wouldn’t understand even if I told you. Anyway, this matter has been decided. Tomorrow morning, Liu Sanniang and I will bring Xiaochuan to the Zhao family to take a look.” ”

Mrs. Qian looked at Qian Dafu’s back and did not say a word for a long time.

“On the Zhao family’s side, Father Zhao had already received a call from Liu Sanniang. “Okay, sure.” ”

“Just as he hung up the phone, Zhao Xueyin walked in from outside. “Dad.” ”

““You’re back?”Father Zhao raised his eyelids, but there wasn’t any special expression on his face. ”

Zhao Xueyin was stunned. Father Zhao wasn’t angry anymore?

“At this moment, father Zhao continued, “Don’t go out tomorrow morning if you have nothing to do. Accompany me to meet an important guest at home.” ”

“Important guest?”Zhao Xueyin subconsciously felt that this matter wasn’t simple. “Who?”

“Father Zhao put down the cup in his hand. “Liu Sanniang has introduced him to you. Tomorrow morning, the man will come over.” ”

Blind Date? !

Father Zhao actually wanted to set her up on a blind date?

She needed a blind date?

“Which one?” Zhao Xueyin continued to ask.

““The Qian Financial Group,” Father Zhao replied. ”

“That fool Qian Xiaochuan?” Zhao Xueyin’s eyes were filled with disbelief.

“In the entire financial world, who did not know that Qian Xiaochuan was a fool who could not even recognize Arabic numerals! ”

“Father Zhao said angrily, “Fool? Who are you calling a fool? Xiaochuan, that child, is just a little honest, right? An honest person has the benefits of an honest person! Other things aside, he is more than enough for you!” ”

“Zhao Xueyin’s entire body was trembling. She never dreamed that one day, her biological father would introduce her to a fool! ”

““No!” Zhao xueyin screamed hysterically, “I don’t agree!” ”

“Father Zhao looked at Zhao Xueyin, “How noble do you think you are! If you are so noble, why didn’t the lawyer want you? Why didn’t Master Five Want You?” ”

““Let me tell you, this matter is settled! Tomorrow is just a formality!” ”

“At this moment, her phone rang in the air. ”

“Zhao Xueyin took out her phone and tried to calm herself down, “Hello.” ”

“It was unknown what was said on the other end, but Zhao Xueyin continued, “Alright, I’ll be right there.” ”

"After hanging up the phone, Zhao Xueyin looked up at Father Zhao. "Dad, let's talk about this later tonight. I'll make a trip to the consortium first." "

"After saying that, Zhao Xueyin turned around and left. "

"Very soon, Zhao Xueyin arrived at the consortium. "

"Just as she arrived at the entrance of the consortium, she saw ye Zhuo talking to a few foreigners. "

These people were commissioners who came from abroad to investigate.

"She did not know what ye Zao said, but the few commissioners' eyes were filled with admiration. "

Zhao Xueyin pinched her fingers unwillingly.

"Only the chief was qualified to receive the commissioners personally. Therefore, in the past, Zhao Xueyin was the one who received the commissioners. "

Everything that ye Zao enjoyed now should be hers!

It should be hers.

Her life should have been incomparably brilliant. It was ye Zao who snatched away the glory that belonged to her!

"After a long while, Zhao Xueyin finally reacted and continued to walk inside. "

"Meow!"

"When she reached the corner, a big fat cat ran out from inside. "

Was this ye Zao's Cat?

"Zhao Xueyin narrowed her eyes. In a flash, she squatted on the ground and waved at the Big Fat Cat.
"Mimi, come here." "

"Big Fat Cat glanced at Zhao Xueyin. Not only did it not go over, it turned around and walked back. "

This damn cat!

It actually dared to point its butt at her!

Zhao Xueyin's eyes were filled with anger.

Wait!

"Whether it was a human or a cat, she wanted them to pay the price. "

Zhao Xueyin stood up and walked towards the office.

"When Zhao Xueyin walked out of the office again, there was a bag of dried fish in her hand. "

""Mimi, come here. I have some dried fish here." "

"Fat Meow licked its paws. In the end, it could not resist the temptation. It walked towards Zhao Xueyin and picked up the dried fish. Just as it was about to walk back, it was suddenly picked up by someone. "

"Looking at the big fat meow in her arms, Zhao Xueyin curled the corners of her lips. Her eyes were full of viciousness. "

Big Fat Meow seemed to have sensed something as it struggled violently. "Meow!"

"Not long after Zhao Xueyin left, Little White came out of the elevator. "Silly cat! Silly Cat! Where are you hiding? I Can't find you! I admit defeat. Come out quickly, okay duck!" "

It had been searching for a long time but could not find brother Meow. Little White had no choice but to return to ye Zao's office. "Big Zao!"

"What's Wrong?"Ye Zao looked back slightly.

"Little White continued, "Silly cat is missing! I've searched for it several times but could not find it! Do you think it was tricked by the bad guys with the dried fish?" "

"Chapter 1232: 258: Great Burning Strike, blood torture Zhao Xueyin! 1"

"Ye Zhuo continued, "Did you go to the places it usually likes to look for more?" "

"Little white nodded, "I've looked everywhere! The silly cat isn't here! It seems like it was really tricked by the bad guys with the dried fish!" "

"What about the 33rd floor?"Ye Zhuo continued to ask.

The 33rd floor was filled with a bunch of little girls who liked furry creatures very much. They often hugged brother Meow and stroked it for an entire day.

"Little white patted its head, "That's right! There's still the 33rd floor to go to! The main reason is that those little girls are too scary!" "

""Scary?"Ye Zhuo raised his eyebrows slightly, "What's scary about little girls?" "

“Little White continued, “They always like to ask me stupid questions! I’ve already told them that I’m a robot with the number one AI in the universe, but they still don’t believe me!” ”

“Ye Zhuo still had other things to do. “Alright, Alright, Hurry up and go to the 33rd floor to look for the silly cat!” ”

“”Then I’ll Go!” Little White didn’t forget to act cute. “Big Burning, don’t miss me too much!” ”

“Get lost!”

Little White immediately walked towards the 33rd floor.

“Very soon, little white arrived at the 33rd floor. ”

The originally quiet cubicle instantly became lively.

“”Little White, why are you here?” ”

“”I’m here to look for silly cat. Pretty Lady Xinran, have you seen silly cat?” ”

“Being called Pretty Lady by Little White, Wang Xinran was overjoyed. “Brother Meow didn’t come today.” ”

“”Didn’t come?” Little White continued, “Pretty Lady Xinran, are you lying to me? Silly cat clearly comes to visit every day, why didn’t he come today?” ”

Wang Xinran patted Little White’s cute little head. “I’m not lying to you. The silly cat really didn’t come today.”

""Aiya!" Little White hurriedly took a few steps back. "You can't Pat the head! Miss Xinran, if you pat the head, I won't like you!" "

"Why can't You Pat the Head?" Wang Xinran asked.

"Little White said seriously, "Because if you pat someone's head, you won't be smart, duck!" "

Wang Xinran burst into laughter.

"Little White walked in front of another girl. "Pretty Miss Lisa, have you seen the silly cat?" "

"Lisa put the document aside and said, "I haven't seen it. Brother Meow really didn't come today." "

"Did you hide the silly cat?" Whitey felt that these ladies were lying to it.

""No, you can look for it yourself if you don't believe me," Lisa said. "

"Then I won't stand on ceremony!" Whitey began to look for brother Meow in the cubicle.

"Silly cat! Silly Cat! Are You There?"

"At the end of its sentence, Whitey even mimicked brother Meow and called out a few times. "

"It was so lifelike that even if there was a real cat present, it wouldn't be able to tell if it was real or not.
"

""Whitey, what are you doing?" "

"Whitey turned around and looked at the person who came. "I'm looking for the silly cat duck! Pretty Miss Su Su, have you seen the silly cat?" "

“Jiang su said, “I haven’t seen it! Why, did brother Meow Disappear?” ”

“When she heard that, someone beside her immediately said, “I haven’t seen brother Meow for a day either! It’s too strange! Brother Meow usually comes to the spot to eat dried fish every day, why is there such a commotion today?” ”

“That’s right! I wouldn’t have noticed if you didn’t mention it! I even specially bought a bag of snacks for brother Meow!”

“When she heard that, little white continued, “Alright then! Since silly cat isn’t here, I’ll be leaving First! Goodbye, Beautiful Ladies!” ”

“”Don’t go, don’t go.”Jiang su blocked little white. “Brother Meow isn’t here, little white, just chat with us for a while.” ”

“Little White said, “I’m busy!” ”

“Hearing that, Jiang su smiled and said, “What are you busy with?” ”

“Little White continued, “I’m busy looking for silly cat duck! Silly cat is so silly. What if I get cheated by someone?” ”

“Jiang su continued, “It’s okay. Brother Meow won’t be able to run away from the consortium. Can you chat with us?” ”

“”Yes, yes, yes.”A sweet and cute girl on the side echoed, “It’s break time now. Little White, chat with us!” ”

“”Chat, chat, chat!” ”

“In the blink of an eye, Xiao Baibai was surrounded by several young ladies. ”

“Xiao Baibai said somewhat helplessly, “Alright then! Pretty Miss Tingting, what do you want to talk to me about?” ”

“”Xiao Baibai, are you a boy or a girl?” ”

“Xiao Baibai said, “We robots don’t have gender!” ”

“Then when is your birthday?”Wang Xinran continued to ask.

“Xiao Baibai thought for a moment and then said, “Great burning created me on June 18, so my birthday is that day!” ”

“Chapter 1233: 258: great burning attack, beating Zhao Xueyin with blood! 2”

“OH.”Wang Xinran nodded.

“Lisa, who was at the side, started to stir up trouble. “Then, Xiao Bai, who do you think is the most beautiful lady in Your Heart?” ”

“”Of course, they’re all beautiful!”Xiao Bai said. ”

“What if we have to choose one?”Lisa asked.

“”We have to choose one?”Xiao Bai Thought for a moment and said, “Then I’ll choose burning! Because she’s the most beautiful and powerful great burning!” ”

Everyone was convinced!

Who could find a second girl who was more beautiful than ye Zhuo in the whole consortium?

“Not to mention the Shunxi consortium, even the whole of China could not find a second girl who was more beautiful than ye Zhuo.”

“Not the chief! The chief is not from the 33rd floor. You have to choose the most beautiful girl in the universe among us!”

“Little White said in distress, “This question is too difficult! Anyway, the burning sun is the most beautiful lady in the universe, the most beautiful lady in the Universe!” ”

Di Di di di —

“At this moment, an urgent voice sounded in the air.”

“Before everyone could react, little white continued, “I’m sorry, Beautiful Ladies! I Can’t chat with You Anymore!” ”

“Why?”

“Whitey said, “Because my battery is out! I have to go back and recharge the duck!” ”

“Hearing this, everyone had to make way for Whitey to go back and recharge the duck.”

Whitey immediately ran away.

“Running out of the door in one breath, Whitey looked back into the house. “As expected of me! I’m actually so smart! Those ladies are simply too scary!” ”

“Coming out of the cubicle, Whitey went to look for Brother Meow. ”

“”This silly cat is really too mischievous! It actually played hide-and-seek with me. If I catch it, I’ll beat its little bottom! HMPH!” ”

“From the 33rd floor to the 58th floor, there was still no sign of brother Meow. ”

“Whitey pushed open the door to ye Zao’s office. “Da Zao Zao, I Still Haven’t found the silly cat! What do you think we should do, Duck?” ”

“After saying that, there was no response from the office. ”

Whitey let out a weird ‘eh’sound and looked inside. Only then did it realize that the office was empty and ye Zao was not inside.

“At this moment, the sound of footsteps came from behind. ”

Whitey turned around in surprise.

It must be Big Zao who had brought the silly cat back!

“Big Zao!”

“”The chief went to a meeting?”Allie said with a smile, “Whitey, why are you looking for the Chief?” ”

“It turned out that it was not ye Zhuo who came back with the silly cat. Whitey’s face was full of disappointment as it continued, “Sister Allie, did you see the silly cat?” ”

“”Brother Meow?”Allie continued, “Is brother Meow missing? I just saw him sunbathing at the corner!” ”

“Really?”

“Yes.” Allie nodded.

“Whitey immediately asked, “When is it about?” ”

“Allie thought for a moment and said, “About an hour ago.” ”

“Whitey’s eyes lit up. “Ah! I know! There’s a cardboard box over there. Silly Meow likes to hide there and hide with me! Thank you, Sister Allie!” ”

“Cats liked small, sealed spaces, so they usually kept the express delivery boxes for brother Meow.”

“You’re welcome.” Ally smiled. “Go and find brother Meow.”

“Okay.” Whitey immediately ran out.

The delivery box was in the corner.

“Whitey walked to the box and squatted down. It let out a mischievous laugh. “Silly meow, I’ve Found You Now! Face the strong wind!” ”

“When it opened the box, Whitey thought it would see a furry fat head. It did not expect the box to be empty.”

There was nothing!

“Little White thought that it was seeing things. It said in confusion, “How could there be nothing? Did the silly cat hide somewhere else?” ”

Little White was very disappointed that it did not find brother Meow.

Little did it know.

Brother Meow was in an office just a wall away.

This was Zhao Xueyin's office.

Big Fat Meow was locked inside. It kept scratching the door with its claws."—"

"What Are You screaming for? !"Zhao Xueyin picked up the copper equipment beside the table and threw it over.

"Although brother Meow was fat, its agility was not any weaker than other meow. "

It jumped forward and avoided the copper equipment.

Bang!

The copper equipment hit the ground and made a loud sound.

Dodge!

This stupid cat actually dared to dodge!

The B * Tch's cat was also so cheap!

“Zhao Xueyin’s anger was ignited at this moment, walked over, grabbed brother Meow, and fiercely fell to the ground.”

“Chapter 1234: 258: Great Scorch attack, kill Zhao Xueyin! 3”

Bang!

“Meow-“big fat meow let out a mournful howl.

This wasn’t over yet.

Zhao Xueyin walked over again.

Big Fat Meow looked at Zhao Xueyin who was walking over and couldn’t help but step back.

“”Meow, Meow...” ”

Big Fat Meow’s voice grew louder and louder each time.

However.

The soundproof effect of the office was too good. Its voice couldn’t penetrate through at all.

“Seeing that Zhao Xueyin was getting closer and closer to it, Big Fat Cat used all its strength and jumped up with all its might!”

Pa..

“With its super high jumping ability, big fat cat jumped onto the decorations on the wall just like that. ”

“”Jump, I’ll Let You Jump!”Zhao Xueyin walked over, grabbed big fat cat’s leg and pulled it down. ”

Her eyes were full of malice.

Ye Zao!

It was all ye Zao!

“If it weren’t for ye Zao, she wouldn’t be in this state today. ”

It was all because of ye Zao!

“Ye Zao first stole her fifth master, then stole Si lui. ”

“In the end, ye Zao even stole Shunxi Financial Group! ”

Shameless!

“If it weren’t for ye Zao, she would be fifth master’s fiancée, the head of Shunxi Financial Group! ”

She wouldn’t have been introduced to the Qian family by Father Zhao!

“She was the bright moon in the sky, the flower of wealth in the human world. She should be on par with the most outstanding person in the world! ”

What was the point of introducing a fool to her?

This was a huge insult to Zhao Xueyin!

“The more she thought about it, the stronger the hatred in Zhao Xueyin’s eyes became. ”

“Ye Zhuo! B * Tch! I’m going to kill you!”

Zhao Xueyin looked as if she had mistaken big fat meow for ye Zao.

“Meow...”

Big Fat Meow was strangled and could hardly breathe.

“A moment later, Zhao Xueyin let go of Big Fat Meow’s neck and a faint light flashed in her eyes. ”

Zhao Xueyin carried big fat meow to the office desk and found a sharp dagger...

“About ten minutes later, someone knocked on the office door. ”

“Come in.”

“Hearing the voice, the person outside pushed the door open and came in. “Miss Zhao.” ”

“Zhao Xueyin looked up, and the disgust in her eyes became even more obvious. ”

This was ye Zhuo’s disgusting robot.

“Zhao Xueyin knew that this robot was different from ordinary robots, so she continued, “What’s the matter?” ”

“Little White looked inside and said very politely, “Miss Zhao, have you seen the silly cat?” ”

“No.”

“”OH.”Little White scratched its head. “Sorry to bother you, I’ll go out first.” ”

Zhao Xueyin did not say anything.

It was not until little white closed the door that she kicked out a bloody mass from the corner.

The floor was stained with blood.

The mass was just lying there. Its fur was gone and the air was exposed to blood-red muscle tissue. Its chest was slightly undulating. It was barely visible that it was a living creature.

It was a shocking sight.

“However, Zhao Xueyin still had a smile on her face. ”

A sinister smile.

...

“Little White went to ye Zao’s office and said anxiously, ”

“”Da Zao Zao, I’ve looked for it several times, but I still haven’t found the silly cat. Do you think she really lost it?” ”

“You still haven’t found it?” Ye Zao raised his eyes slightly. “There’s nothing on the 33rd floor?”

“No.”

Little White shook its head. “I even went to Zhao Xueyin’s office!”

Ye Zhuo frowned slightly.

He subconsciously felt that something was wrong.

Brother Meow was a very spiritual meow.

It knew the way and recognized its master. It would definitely not run around and would definitely not get lost.

“I’ll check the surveillance footage.”

“Little White continued, “I’ve checked the surveillance footage of the four doors. The silly cat didn’t go out!” ”

“What about the surveillance cameras on the corridor on the 58th floor?” Ye Zhuo asked.

“I don’t have that.” Xiao Bai shook his head. “I don’t have the authority to check the surveillance cameras on the corridor.”

“Originally, Xiao Bai could climb over the wall to check, but because the internal surveillance cameras were personally reinforced by Ye Zhuo, Xiao Bai couldn’t climb over the wall. ”

Ye Zhuo operated the computer with one hand and pressed the keyboard until it crackled.

“In a short while, the video was brought up. ”

It was a video from two hours ago. Brother Meow was walking leisurely in the corridor.

“Other than the video from two hours ago, brother Meow was no longer on the surveillance. ”

There was only one possibility now.

Brother Meow had been taken away by someone.

And the other party was a person who knew the location of the financial group’s surveillance very well.

“If that was really the case, brother Meow was still on the 58th floor. ”

“Thinking of this, Ye Zhuo closed his computer and walked out. ”

Little White immediately followed ye Zhuo’s footsteps.

“Ally asked curiously, “Chief, are you looking for Brother Meow?” ”

Ye Zhuo nodded slightly. “You saw it?”

“Chapter 1235: 258: great burning attack, beating Zhao Xueyin with blood! 4”

“”No.”Allie shook her head and continued, “All kittens love to play. Don’t be too anxious. Maybe it will come back on its own.” ”

“Okay.”

“Although he answered Allie, Ye Zhuo did not stop and continued to walk forward.”

Ye Zhuo carefully looked for places that brother Meow liked to play.

“Little White said, “It’s no use. I’ve looked through all these places!” ”

Ye Zao was about to go to the 33rd floor to take a look when he suddenly smelled a strong smell of blood.

Ye Zao frowned slightly and walked forward in the direction of the smell of blood.

Until he stopped in front of an office.

““Big Zao, What’s Wrong?” ”

Ye Zao pursed his red lips slightly and did not say anything. He reached out and knocked on the door.

Pa Pa pa —

One knock after another.

No one answered.

“Just as ye Zhuoluo was about to kick open the door, the door opened from the inside.”

““Chief Ye,” Annie opened the door a little. “Are you looking for Miss Zhao? I’m really sorry, but Miss Zhao isn’t here right now.” ”

“Let me in.”Ye Zhuoluo’s voice was a little cold.

“Annie gulped. “Miss Zhao is really not here right now! Chief Ye, please don’t make things difficult for me.” ”

“Get out of the way!”

“Annie did not move, “Miss Zhao is really not here!” ”

“Ye Zhuo grabbed Annie by the collar and pulled her out with one hand, then threw her on the ground. ”

“Everything happened too quickly. By the time Annie reacted, she was already thrown on the ground. ”

Whitey went around Annie and followed ye Zhuo inside.

“Zhao Xueyin, who was sitting behind the desk, heard the footsteps and said impatiently, “Didn’t I tell you that I’m very busy right now? ! If there’s anything, we can talk later!” ”

“”Zhao Xueyin, where’s My Cat?” ”

This voice didn’t sound right.

Was It ye Zao?

Zhao Xueyin looked up and saw that it was really ye Zao.

She suddenly saw ye Zao and ye Zao was still questioning the silly cat. This made Zhao Xueyin panic.

“Annie also ran in at this time. “Miss Zhao, I’m sorry. Chief ye insisted on coming in. I Can’t stop him!” ”

“You can leave now.”Zhao Xueyin looked at Annie.

“Okay.”

PA —

The office door was closed.

Zhao Xueyin looked up at Ye Zao. “May I know why Chief Ye is looking for me?”

“Cut the crap. Where’s My Cat?”

“”Cat? What Cat?”Zhao Xueyin continued, “Could it be that chief ye hired me to look after the cat?” ”

“Zhao Xueyin.”Ye Zao looked at Zhao Xueyin. His cold eyes seemed to be wrapped in a layer of cold light.
“I’m going to ask you one last time. Where’s My Cat?”

Each word was a shocking one.

It would be a lie to say that she was not afraid.

“Zhao Xueyin tried her best to calm herself down, but she could not. ”

Her entire body could not help but tremble.

“At this moment, Little White’s shriek suddenly came from the air. ”

“Ah!”

Ye Zao looked back slightly.

“Little White pointed at a bloody mess in the corner and said, “Big Zao! Look at this!” ”

“Obviously, the smell of blood that ye Zhuo smelled came from there. ”

“What is that?”Ye Zhuo looked at Zhao Xueyin.

She looked down from above.

“Although she didn’t say anything harsh, and even her voice was faint, it still made Zhao Xueyin feel a strong sense of oppression. ”

She couldn’t breathe.

“How do I know what that is!”Zhao Xueyin tried hard to calm herself down.

“Now that the dead cat’s skin had been peeled off, there was no evidence to prove it. Could it be that ye Zao could still frame her with a false accusation? ”

Who Did ye Zao think she was?

Little B * Tch!

It was simply disgusting!

“”First Seat Ye, may I ask what you are trying to do? If you are here to look for a cat, then I’m sorry, but I don’t have the cat you are looking for! Can you please leave immediately?” ”

“Zhao xueyin paused and continued, “Also, I have to remind you that it’s work time now! Please be serious —” ”

“Before Zhao Xueyin could finish her sentence, her head was pressed against the desk, and her right cheek was pressed against the desk. ”

It hurt.

Zhao Xueyin was on the verge of tears.

“”Zhao Xueyin, I’ve always had a bad temper. I advise you not to challenge my bottom line again and again!” ”

Ye Zao’s voice seemed to be tinged with a layer of ice from the cold winter months. “Where’s My Cat?”

Di Di di di —

“Right at this moment, an electronic sound rang out in the red air. ”

This was the chip that ye Zao had implanted into brother Meow’s body.

“As long as Whitey activated the switch within a meter, the chip would make a sound. ”

“Chapter 1236: 258: Great Scorch strikes, blood beats Zhao Xueyin! 5”

“At this moment, ye Zao couldn’t believe his eyes. ”

Was the 'Beep Beep'sound coming from the bloody thing on the ground?

""Great, great scorch..."little white looked at ye Zao and said with difficulty, "This, this is a silly cat..." "

"At the end, Whitey burst into tears. "

"Although the robot did not cry, its feelings were real. "

"After spending so much time with brother Meow, Whitey had long treated brother Meow as its silly son. "

"Now that brother Meow was gone, and in this way, he was gone. "

Whitey's feelings at this moment could not be expressed in words.

""What nonsense are you talking about!"Zhao Xueyin's voice sounded a little panicked, "That's just an imitation meat, not your cat!" "

""It's a silly cat! That's a silly cat! The silly cat has a chip that can prove its identity!"Little White pointed at Zhao Xueyin and said, "You Evil Woman! You killed the silly cat!" "

""You dare to touch my things,"ye Zhuo's gaze was very cold, "Zhao Xueyin, who gave you the courage?" "

Even though he was already prepared that Zhao Xueyin was the one who captured brother Meow.

Ye Zao did not expect that Zhao Xueyin's methods would be so cruel.

"From the looks of it, brother Meow's fur should have been ripped off alive. "

It was hard to imagine what kind of pain the little cat had suffered at that time.

It must have been in despair!

“After being in this world for so long, this was the first time ye Zao knew that the human heart could be so vicious to such an extent. ”

“Now that things had developed to this point, Zhao Xueyin did not plan to pretend anymore. ”

“Since she dared to kill the cat, she was prepared to face ye Zao. ”

“”That’s right, that damned cat was killed by me! What’s wrong? Isn’t it just a cat? If you have the ability, kill me too!” ”

Would Ye Zao Dare?

She did not dare!

“In this world, there was only a death penalty for killing people, but there was no such thing as a death penalty for killing a cat. ”

“Thinking of this, Zhao Xueyin was extremely happy. She continued, “Ye Zao, if you have the ability, then kill me! Come On!” ”

Zhao Xueyin was not afraid at all.

Because...

Her future had been destroyed by Ye Zao.

“She could not see the light, nor could she see the light. ”

“If ye Zao really made a move, then ye Zao would also have to bear legal responsibility! ”

If he really took a human life...

Then ye Zao’s fate would definitely be a thousand times worse than hers!

“The more Zhao Xueyin thought about it, the happier she became. She continued to provoke ye Zao, “Ye Zao, do you know how miserable that damn cat died?” ”

“”Zhao Xueyin, do you really think that I don’t dare to touch you?”Ye Zao’s voice was a little low, “I have a hundred ways to make you disappear from this world!” ”

“When she heard the last sentence, Zhao Xueyin’s heart trembled and her body was drenched in cold sweat. ”

Could it be that ye Zhuo really dared to make a move?

No!

Impossible.

It was only the death of a cat. Ye Zhuo could not do anything to her.

Zhao Xueyin comforted herself in her heart.

“After a moment, ye Zhuo let go of Zhao Xueyin and picked up a tissue to wipe his hands. He looked back at Little White. “Bring the silly cat with you. Let’s go.” ”

Little White used the paper box to carry brother Meow away.

“Looking at Ye Zao’s back, Zhao Xueyin curled her lips. “Ye Zao, is that all you’ve Got?” ”

She had thought that ye Zao was very capable!

“In the end, he still did not dare to touch a single hair on her head? ”

Could it be that ye Zao wanted to revoke her position?

“Thinking of this, Zhao Xueyin narrowed her eyes. ”

Revoke her position because of a cat?

Impossible!

Zhao Xueyin snorted coldly.

“Just wait, this was just the beginning. ”

“From a few days later, she would make ye Zhuo pay back what he owed her, bit by bit! ”

Xiao Baibai held brother Meow in its arms and remained silent the entire way. All of its emotions were written on its face.

“An employee passed by on the way and asked curiously, “Xiao Baibai, have you found brother Meow?” ”

Xiao Baibai lowered its head and did not speak.

“Xiao Baibai was not usually like this. For a moment, everyone was very curious about what had happened. ”

“Only when they followed ye Zhuo back to the office did Xiao Baibai speak, “Da Zao, the silly cat died so tragically... are we just going to let it go like this...” ”

“There was no expression on ye Zhuo’s face. “Don’t worry, I won’t let the silly cat die in vain.” ”

“Previously, she did not touch Zhao Xueyin because Zhao Xueyin had not crossed her bottom line. ”

This time.

She would make Zhao Xueyin regret it beyond measure.

Ye Zhuo picked up a pen on the table.

PA!

“The next second, the pen was broken. ”

“Little White hugged the paper box and cried as it said, “Silly cat, why are you so silly? Don’t you know how to run when you see that evil woman, Zhao Xueyin?” ”

“Chapter 1237: 258: Burning Strike, beating Zhao Xueyin with blood! 6”

““Silly cat, I’m sorry! It’s all my fault for not looking after you! I caused your death!””

""Silly cat, come back! From now on, I won't hide your dried fish anymore.""

"Silly cat! Come back quickly!"

...

"In the blink of an eye, the next day arrived."

Today was the day father Zhao and the Qian family agreed to meet.

"No matter how unwilling Zhao Xueyin was, she could only quietly accept Father Zhao's arrangements."

"At 11 am, Liu Sanniang brought Qian Dafu and Qian Xiaochuan to the Zhao family on time."

"Liu Sanniang smiled and said, "Mr. Qian, you and the Qian family head are old acquaintances, so there's no need for me to introduce you! This is Mr. Little Qian.""

"Qian Xiaochuan stood next to Qian Dafu and looked a little dull. It was unknown whether Qian Dafu would take the initiative to greet him, but Qian Dafu took the initiative and said, "Xiaochuan, quickly greet your uncle Zhao.""

"Qian Xiaochuan held a doll in his hand and tilted his head. "Hello, Uncle Zhao..."

""Good, all good."Father Zhao continued, "Everyone, come in and take a seat!""

The few of them followed Father Zhao into the house.

"When they reached the hall, Father Zhao instructed the servants to pour tea for them."

"Qian Dafu looked at Qian Xiaochuan. "Thank you, Uncle Zhao!""

“Qian Xiaochuan picked up his cup. “Thank you, thank you, Uncle Zhao.””

“Qian Xiaochuan took a sip of tea and continued, “If, if it’s coffee with sugar added, then, that would be even better. I, I, I don’t really like drinking tea...””

“Qian Dafu frowned slightly and said, “Xiaochuan, don’t be so unruly!””

“Father Zhao smiled and said, “It’s fine, it’s fine. I like honest young people! Lian Sao, go and make a cup of coffee for Mr. Qian Jr. .””

““Yes, Master.” Lian Sao nodded.”

“Qian Xiaochuan continued, “I, I want a 50-50 cent sugar!””

““Yes, Mr. Little Qian.””

“Soon, the coffee was served. Qian Xiaochuan took a sip.”

“Father Zhao smiled and asked, “How is it? Xiaochuan, what do you think of Uncle’s Coffee?””

““It’s, it’s fine!””

“Xiaochuan!” Qian Dafu’s face was almost black.

““It’s fine, it’s fine.” Father Zhao waved his hand. “She’s a child!””

“Qian dafu smiled and said, “Thank you for not haggling with her! Oh right, why didn’t I see Miss Zhao?””

“Father Zhao said, “That child is too embarrassed to go downstairs with so many people. I’ve already sent a servant to call her! Lian Sao, go and hurry Miss!””

Lian Sao turned around and walked upstairs.

“In the room, Zhao Xueyin had already changed her clothes.”

“Lian Sao walked over. “Miss, master wants you to hurry up.””

“What are you rushing me for!”

She was just a fool. Was it worth it for her to personally go down and meet him?

““If you still don’t go down, master will be angry,”Lian Sao continued.”

“Zhao Xueyin frowned and stood up. Just as she was about to go down, she suddenly realized that she had a pimple on her face in the mirror.”

It was red.

It was also a little itchy.

Zhao Xueyin could not help but reach out to scratch it.

“In the end, the more she scratched, the more itchy it became.”

“After all this, her makeup had been scratched. Zhao Xueyin continued, “You go down first, I’ll touch up my makeup.””

Lian Sao nodded and walked downstairs.

“After about ten minutes, just as Father Zhao could not help but go upstairs to look for Zhao Xueyin, Zhao Xueyin finally arrived late. “Dad, I’m sorry. I had to settle an official matter at the last minute. Sorry to have kept you guys waiting.””

“Qian dafu hurriedly said, “It’s fine, it’s fine. The official matter is more important!””

“Father Zhao’s face also returned to a smile as he continued, “Xueyin, this is your uncle Qian. This is Uncle Qian’s son, Xiaochuan! Xiaochuan is two years older than you!””

“Zhao Xueyin raised her eyelids and replied, “Uncle Qian, Mr. Qian.””

““Pretty, pretty, pretty sister!”Qian Xiaochuan suddenly jumped in front of Zhao Xueyin.”

Zhao Xueyin was so scared that her face turned pale and she took a few steps back.

No wonder everyone said Qian Xiaochuan was a fool!

As expected!

He was even more of a fool than a fool!

“A toad trying to eat a swan’s meat, wishful thinking!”

““Don’t come over!”Zhao Xueyin looked at Qian Xiaochuan, her eyes full of disgust.”

“At this moment, a crisp ringtone sounded in the air. Qian Dafu said, “Sorry, I have to go out to take a call.””

“Go Ahead!”Father Zhao said.

“After Qian Dafu walked out, Father Zhao gave Zhao Xueyin a warning look.”

Outside.

“The call was from Mrs. Qian. After hearing what Mrs. Qian said, Qian Dafu said in disbelief, “Is what you said true?””

““Nonsense! Whether it’s true or not, you’ll know when you go online and see for Yourself!””

Qian Dafu did not say anything else and immediately turned on his phone.

“After seeing the overwhelming news online, his expression changed. Then, he quickly went back to the hall and grabbed Qian Xiaochuan’s hand. “Come back with me quickly!””

““I, I, I want a pretty sister!””

“What pretty! Come with me quickly!” Qian Dafu pulled Qian Xiaochuan away.

“All of this happened too quickly. By the time Father Zhao and Liu Sanniang reacted, the father and son had already gone far away.”

Father Zhao frowned. “What’s going on with them?”

“Liu Sanniang was also confused. After a moment, she continued, “Could it be Miss Zhao’s attitude?””

Father Zhao looked at Zhao Xueyin. “Quickly call your uncle Qian and Little Chuan to apologize! Tell him to come back quickly!”

Zhao Xueyin was stunned?

Make her apologize?

Apologize to a fool?

Impossible!

“Just then, the butler rushed in from outside, his face covered in sweat, “Old, Old Master! This is bad! This is bad!””

Chapter 1238: 259: the whole Internet is furious. Zhao Xueyin is being abused! 1

“Father Zhao was already a little angry. Seeing the butler like this, he became even angrier. He frowned and said, “What happened? Why are you so flustered?” ”

“The butler wiped off the cold sweat on his forehead. “Yes, yes, it’s about Miss! There are a lot of reporters outside!” ”

A lot of reporters?

“Zhao Xueyin’s eyes lit up. She grabbed the housekeeper’s shoulder and said, “Are those reporters here to interview me?” ”

Zhao Xueyin had recently submitted an article on finance on the famous doctoral thesis website.

“It was probably because the article had become popular on the website, so the reporters were all here to interview her! ”

The housekeeper nodded. "Yes... But..."

So it was true!

She knew that the article she wrote would definitely be trending!

A true thousand-mile horse would never be buried.

Only people with no talent would complain that there was no Bo Le!

A talented person like her would shine wherever she went.

"Are the reporters outside the door now?" Zhao Xueyin suppressed the excitement in her heart and continued to ask.

"Yes." The Butler continued to nod.

"Hearing this, Zhao Xueyin quickly turned around and walked out of the door. "

"Before the butler could react, Zhao Xueyin's figure had already disappeared in front of him. "

"The Butler's face turned pale and hurriedly chased after her, "Miss! Come back quickly! It's not like this!" "

"What's going on?" Father Zhao grabbed the butler's arm.

"The Butler did not know how to speak either. "Master, you'll know when you see the news. I'll go chase after Miss First." "

Father Zhao suddenly had a bad feeling.

He was afraid that the Qian father and son's sudden departure was also related to this matter.

What did Zhao Xueyin do! !

"When Liu Sanniang heard this, she immediately picked up her phone and opened the news app. "

The first news post on the front page was about a famous socialite abusing a cat!

The screenshot of the video was Zhao Xueyin's face.

"Currently, this video had tens of millions of views. "

"1,000,000 + comments. "

"Opening the video, one could see the entire video of Zhao Xueyin abusing a cat. "

The cat's fur was peeled off by Zhao Xueyin with a knife.

""Meow, Meow, meow..."a mournful cry came from the screen. "

It made people's hair stand on end and their scalps went numb.

Just looking at it made one feel unbearable pain. It was impossible to imagine what kind of pain this living creature was suffering at that time.

"Liu Sanniang was not a cat lover, but when she saw the news, her heart ached terribly. She was extremely angry and wanted to rush to the screen and peel off Zhao Xueyin's skin. "

Vicious.

This was too vicious!

“After the skin was peeled off, the cat could no longer be seen. It was a bloody mess, but it did not die. ”

It continued to meow.

“”Meow, Meow, Meow...” ”

“However, each sound was weaker than the last. ”

“When she saw this, Liu Sanniang’s eyes turned red. The hand holding the phone was trembling. ”

How could there be such a vicious person in the world.

The entire video lasted for more than 20 minutes.

The Cat in the video was also tortured for a full 20 minutes.

“Because it was too bloody and too cruel, this video immediately went on the hot searches, as well as the attention of cat lovers from all directions. ”

[how could I do it?]

“[/angry] you can not love it, but why would you hurt it? After watching the entire video, this socialite’s methods were too cruel!] ”

“[it can be seen that this cat has been tamed very well by the director. During the entire process, other than dodging, it did not attack at all. It’s really heartbreaking!] ”

“[I don’t dare to watch the whole video, I’ll Cry Myself to death!] ”

[I never knew that the human heart could be so vicious to such an extent. She actually used a knife to peel off the skin of the little cat!]

[what a waste!]

“[this socialite is called Zhao Xueyin, the former acting chief of the Shunxi Financial Group. The kitten that was tortured is the current Chief!] ”

“[in addition, Zhao Xueyin graduated from Tengxiao Primary School. Her junior high school is Sanlin No. 2 High School. Her senior high school is an aristocratic school in Jingfan. Her University is Princeton University in country C. she received her doctorate half a year ago!]! “I would like to know how the teachers who taught Zhao Xueyin are feeling now.” ”

“”TSK! With such a character, she is still a doctor! She is simply embarrassing the doctor! Disgusting!” ”

“I suggest that Zhao Xueyin’s doctorate be revoked immediately!”

“I support you!”

“”@shunxi Financial Group, please clarify that this cat-torturing trash is actually the former chief of the Noble Financial Group!” ”

[this is simply a disgrace to our Jingfan High School!]

Chapter 1239: 259: the whole Internet is furious. Zhao Xueyin is being abused! 2

“[oh my God! I actually saw the former campus belle on this page.@smiley, 2000, quickly check if this is the campus belle of our school.] ”

“[I went to university with this Miss Zhao. When I was in C Nation, almost no one in the Chinese circle played with this miss. Now it seems that there is a reason why no one plays with her!] ”

[I’m so angry! She doesn’t deserve to be a human!]

[what a poor little kitten. I hope there is no pain in heaven.]

[I’m so angry! Why is there such a disgusting person in the world?]

“[people with twisted minds hope that the country can issue a law to punish such people, and not just use moral condemnation.] ”

[why is there no animal protection law?]

[I strongly support the cat owner to return the favor. Don’t forgive her easily!]

[can such trash still be the campus belle? That’s more like a joke!]

“[Zhao Xueyin’s address: No. 20,1890, Haixing Road, Jingfan Center. Wreaths, funeral clothes, paper dolls, and the like can all be arranged!] ”

[[I’m angry] is there any humanity left?]

“[hell is empty, the Devil is in the human world.] ”

[strongly request Shunxi Financial Group to send out a disgusting person like Zhao Xueyin.]

“[it hurts to look at it, for a full 20 minutes. Oh My God! How much does this little kitten hurt?] ”

“[the heavens are watching, the humans are doing it! Just wait! One day, you will get your retribution!] ”

[this kind of person will go to hell sooner or later!]

[how could she bear to kill such a cute kitten?]

[...]

More than a million comments were condemning Zhao Xueyin.

“When Father Zhao opened his phone and saw the news, he was stunned. ”

“He did not expect that after half a month, Zhao Xueyin would be on the news hot searches again in this way. ”

Although killing a cat was nothing.

“However, the heat of this matter was too high, and it had already aroused the anger of the entire nation! ”

On the other side.

Zhao Xueyin hadn't even walked out of the villa when she saw a group of reporters surrounding the door.

“When she thought about how she was going to be on camera soon, Zhao Xueyin was still a little excited. ”

One had to know.

Ordinary people couldn't appear in front of the television screen even if they spent their entire lives.

"However, she appeared on television several times in a row. "

"Because she had been chased out of the Ming family by Ming Yao, Zhao Xueyin had been labeled as 'mentally ill'. She could take advantage of this opportunity to get rid of this label. "

There was no lack of socialites in the financial circle.

"However, there really weren't any talented socialites. "

Especially socialites like her who appeared on television with her talent.

""She's here, she's Here!" "

"Zhao Xueyin!"

"At this moment, the reporters noticed that Zhao Xueyin was walking towards them. They immediately swarmed over and surrounded Zhao Xueyin. "

"Although they had already prepared for her article to become popular, Zhao Xueyin was still very surprised when she saw the reporters surrounding her. "

Were all the reporters in the vicinity here?

""Excuse me, are you Miss Zhao Xueyin?" "

“Zhao Xueyin looked at the camera and smiled appropriately. “Hello Everyone, I’m Zhao Xueyin.” ”

She could actually smile in front of the camera.

The reporters looked at Zhao Xueyin with disbelief in their eyes.

““Excuse me, Miss Zhao, why do you torture cats?” ”

“Don’t you know that cats are also a life form?”

““When you torture cats, aren’t you afraid of retribution?” ”

“The Reporters’ questions came one after another, causing Zhao Xueyin to be unable to react in time. ”

Torture Cats?

Weren’t the reporters here to interview her because of the article?

Wasn’t it just a cat?

Was there a need to make such a big fuss?

What exactly was going on?

“PA –”

“At this moment, an egg was thrown in a parabolic shape towards Zhao Xueyin. ”

It landed directly on Zhao Xueyin’s face.

The stench was coming from the front.

Zhao Xueyin was stunned on the spot. Before she could react.

“PA—”

“Another egg was thrown over, and it landed right on Zhao Xueyin’s mouth. ”

“Zhao Xueyin suddenly reacted. Her eyes widened and she screamed out loud. She screamed hysterically, “Ah!” ”

The reporters captured this scene and took pictures of Zhao Xueyin.

“Executioner!”

“Go to hell!”

“”Scum, die!” ”

“B * Tch!”

“More and more eggs fell on Zhao Xueyin’s head and body... Not long after, Zhao Xueyin was in a sorry state. ”

“Her entire body was wet and sticky, so disgusting that it made people want to vomit. ”

“When the butler and his bodyguards arrived, Zhao Xueyin’s entire body was covered in yellow mucus. ”

Chapter 1240: 259: the entire Internet is enraged. Zhao Xueyin is being tortured! 3

The stench is overwhelming!

“Zhao Xueyin was on the verge of breaking down. She stood where she was and her last bit of rationality had disappeared without a trace. She pointed at the crowd and said, “Isn’t it just a cat? It’s over! All of you are done for! I will make all of you bear legal responsibility!” ”

Isn’t it just a cat?

This sentence provoked the anger of the crowd.

“Bang!”

“A muscular man rushed over and punched Zhao Xueyin. “Your Life is your life, but isn’t the life of a cat your life? A person like you doesn’t deserve to be a human!” ”

“Then, a group of people surrounded Zhao Xueyin and punched and kicked her. ”

Painful!

Very painful.

“Ptui!”

“Feeling that punching and kicking wasn’t enough, many people fiercely spat on Zhao Xueyin’s body. ”

“When the Butler rushed over with his bodyguards, this was what they saw. ”

“Miss!”

“Get out of the way!”

“Fortunately, the Butler had enough bodyguards. Otherwise, he would not be a match for these people.
“Quickly help miss up!” ”

A few bodyguards endured the churning in their stomachs and helped Zhao Xueyin up from the ground. They quickly ran in the direction of the Villa area.

“A few minutes later, Zhao Xueyin was brought back to the villa by the bodyguards. ”

“Zhao xueyin cried, “Send a lawyer’s letter! Send a lawyer’s letter to those unruly people! I Won’t let them off!” ”

She had never lost so much face in her life.

Those people actually dared to treat her like this!

She was thrown rotten eggs in front of the reporters.

“As long as she thought of the experience just now, Zhao Xueyin’s entire body trembled. ”

Ye Zhuo.

It must be ye Zhuo.

These people must have been called over by Ye Zhuo.

Zhao Xueyin did not expect ye Zhuo to use such an underhanded move.

He had actually called over reporters and extras.

That's right.

"In Zhao Xueyin's eyes, those people who threw rotten eggs at her were all actors hired by Ye Zhuo."

"After all, other than ye Zhuo, no one else knew about the cat abuse incident."

"Other than ye Zhuo, no one else would do such a disgusting thing."

Ye Zhuo was also shameless.

"She did not dare to directly negotiate with her, so she called these people over."

Did they really think that she was easy to bully

Just wait.

She must make ye Zhuo pay the price!

Father Zhao's face turned black. "Don't you think that you've embarrassed yourself enough?"

"After saying that, Father Zhao raised his hand to slap Zhao Xueyin, but when he saw that Zhao Xueyin was covered in filth and the stench was overwhelming, he silently put down his hand."

How could he have given birth to such an embarrassing daughter like Zhao Xueyin?

“Go and wash yourself clean!”

Only then did Zhao Xueyin realize that she still had the mucus from the rotten eggs on her body. The servants in the house all looked at her strangely.

Zhao Xueyin was both angry and annoyed. She turned around and walked upstairs.

“Even after Zhao Xueyin left, the air was still filled with a thick stench. ”

“Father Zhao turned to look at Liu Sanniang, “Madam Liu, I’m really sorry for making a fool of myself. The Qian family would like to trouble you to help us explain. Actually, Xueyin is a very nice and kind girl. This matter must be a misunderstanding! Perhaps someone is deliberately framing her!” ”

“”A kind and good girl? A good girl can do such a Thing?”Liu Sanniang looked at Father Zhao, her eyes were full of ridicule, “A misunderstanding is even less likely to be a misunderstanding! There are videos and evidence here. Could it be that there is a second person in this world who looks exactly like Miss Zhao? Mr. Zhao, do you really think we are all fools?” ”

Liu Sanniang was really angry!

“Although she loved money, she also knew that a gentleman loved money and used it wisely! ”

She would definitely not go against her conscience and speak up for Zhao Xueyin just because of money.

A person like Zhao Xueyin should go to the eighteenth level of hell and let her suffer all kinds of cruel torture!

She did not want to stay in the world and harm other people.

“Today, she was torturing a cat, but tomorrow, she might be torturing a human! ”

What could a cold-blooded person like her not do?

“Liu Sanniang continued, “Mr. Zhao, everyone says that a son does not teach his father his mistakes! Although Zhao Xueyin is not a son, you are also responsible for the way she has become today! This shows that you have not done your duty as a father at all!” ”

“Father Zhao was so embarrassed by what she said, he sighed and said, “Yes, yes, yes. Mrs. Liu, you are right. It is all my fault. This child’s mother left early. I have been busy with official business all day, so I have cared too little about her! “But a child is a child after all. People are not sages. Everyone makes mistakes! “Moreover, Xueyin is still a child. Please give her a chance to change! “I believe she will definitely pass! “I’ll have to trouble you to take care of the Qian family... ...” ”
