Chapter 1241: 259: the whole Internet is furious. Zhao Xueyin is being abused! 4

Liu Sanniang was speechless.

“At this point in time, Father Zhao was still thinking about the Qian family’s marriage. ”

“Liu Sanniang said directly, “I can’t be Miss Zhao’s matchmaker anymore. Mr. Zhao, you’d better find another expert!” ”

The cat abuse incident was now widely known.

Not to mention the Qian family.

Even an ordinary family would not be willing to let such a vicious woman like Zhao Xueyin marry into their family.

No wonder Qian Dafu had that reaction.

“Now, the netizens had already written in blood that Shunxi Financial Group had fired Zhao Xueyin. If the Qian family were to marry the Zhao family in this storm, the entire Qian Financial Group would be implicated. ”

Qian Dafu’s move was a wise move to protect himself and also to stop the losses in time.

“After saying that, Liu Sanniang turned around and left. ”

Father Zhao looked at Liu Sanniang’s back view and was so angry that his face turned red.

“After a while, Father Zhao looked at the butler. “Contact Yue le news and delete that news immediately!”The most important thing was to delete the news immediately! ”

“As long as they deleted the news, once the heat of this matter was over, there would be a day when everyone would forget about this matter. ”

“Alright.”The butler nodded. “I’ll do it right away.”

“The Butler returned very quickly. “Master, the editor-in-chief said that this piece of news is too popular. He will only withdraw it at this number.” ”

“Seeing the Butler make a ‘ten’gesture, father Zhao asked, “100,000?” ”

The Butler shook his head.

“A Million?”Father Zhao continued to ask.

The Butler continued to shake his head.

“Could it be 10 million?”Father Zhao frowned.

“The butler nodded, “It’s 10 million.” ”

“”10 million?”Father Zhao said angrily, “Why don’t they rob it?” ”

“The Butler looked a little troubled, “Their chief editor said that it’s only 10 million. If you want to delete it, then withdraw it. If you don’t withdraw it, no one will force you. Do you, do you want to withdraw it?” ”

“Ten million was indeed a little too much, but who asked the other party to grasp their weakness! ”

“Withdraw!”

Father Zhao gritted his teeth.

“What Zhao Xueyin had lost was not only his face, but also the entire Zhao family’s face. ”

“If this matter was not suppressed, then the Zhao family would really be unable to establish itself in the financial world in the future. ”

Public opinion would crush people to death.

The power of the masses was limitless.

“Hearing this, the butler nodded. “Okay.” ”

“Five minutes later, when Father Zhao opened the app again, the trending video was gone. ”

“Indeed, money could make the world go round. ”

“Just as Father Zhao heaved a sigh of relief, a new cat abuse trending suddenly appeared. ”

In just ten seconds.

“Father Zhao watched helplessly as the number of comments on the video went from 0 to 1W, followed by 10W, 15W... ... the popularity was getting higher and higher every second. ”

This was too untrustworthy.

“They had clearly agreed to delete the video, what was going on now?”

This was too lacking in the spirit of a contract!

Father Zhao called the butler over with a cold face.

“Master, don’t be anxious. I’ll go and contact chief editor Wu right away.”

“Go quickly!”

“Soon, the Butler returned. He did not know how to open his mouth. “Master...””

“Speak!” Father Zhao’s expression was extremely cold.

“The Butler kept wiping the cold sweat off his forehead, “Editor-in-chief Wu said that the video that was just commented on for a million yuan has indeed been deleted. The new video that appeared now was uploaded by another user. It has nothing to do with them. If you want to continue to delete the video, you can take out another ten million yuan...” . . .”

Robbery by fire!

This is robbery by fire!

This is outrageous!

“Pa!” Zhao fu directly pounded the table to rise, the blue vein on the face bulges. ”

“The steward braced himself and said, “What do you think we should do about this?””

“Give them another ten million!”

“At this point, we can only continue to pay the money. ”

He doesn't believe there's gonna be any more hits.

“Okay.”

The Butler immediately went to do it.

“Another five minutes passed. When Father Zhao turned on his phone again, a new video appeared. ”

“And this time, it was not one, but ten! ”

“This time, it was not only Zhao Xueyin who was exposed, but also his father! ”

“Having a daughter who was cruel and bloody, presumably her father would not be any better. ”

There were also powerful netizens who even dug up the past of Father Zhao's adult life.

“Looking at those past events, Father Zhao's hands were trembling with anger. ”

He had always paid attention to his reputation.

But the news that was trending on the internet was simply rubbing his reputation on the ground.

It was intentional!

Someone must be manipulating it from behind.

“Otherwise, the cat abuse video would not have been posted online. ”

I do not know Zhao Xueyin exactly offended someone!

Just then Zhao Xueyin came down from upstairs.

“Chapter 1242: 259: the entire Internet explodes in anger, Zhao Xueyin is being abused! 5”

“She took five full showers before the stench on her body was completely washed away. Although it had all been washed away, Zhao Xueyin still felt that there was a faint stench on her body. ”

“Stop!”

Father Zhao’s furious voice sounded from behind.

“”Dad, I have to go to the law firm now! If there’s anything, we’ll talk about it when I Come Back Tonight!”She must bring those who threw rotten eggs and spat at her and ye Zao to Justice! ”

“I told you to stop right there!” Father Zhao walked directly to Zhao Xueyin.

“What’s Wrong?” Zhao Xueyin turned to look at Father Zhao.

“Father Zhao continued, “Let me ask you, who did you offend? and whose cat is that?” ”

“”Ye Zao’s,” Zhao Xueyin said. ”

“If it wasn’t for ye Zao, she wouldn’t have been thrown rotten eggs today. ”

Now that he thought about it.

Those reporters must have been ye Zao who had asked someone to impersonate her.

“If it were not for the reporters coming to interview her, she would not have gone out! ”

“Hearing this, Father Zhao was instantly shocked. ”

So it was ye Zao’s cat.

No wonder this matter was getting more and more popular!

It was obvious that ye Zao was behind this matter.

Zhao Xueyin was no match for ye Zao at all.

“Otherwise, she would not have lost so many battles! ”

“However, Zhao Xueyin did not learn her lesson. She always liked to provoke ye Zao. ”

“Idiot!” Father Zhao raised his hand and slapped Zhao Xueyin’s face. “Who told you to Touch Ye Zao’s Cat?”

“There were many things. If there was a first time, there would be a second and third time. ”

“In the past, Father Zhao never hit Zhao Xueyin. Now, a slap was a common occurrence! ”

“Zhao Xueyin did not expect father Zhao to hit her. She covered her face and said, “Isn’t it just a cat? Do you have to be like this?” ”

Killing a cat was not killing a person!

“Could it be that in her father’s heart, she was not even as good as a cat? ”

“”Isn’t it just a cat? Don’t tell me that you haven’t caused enough trouble!”Father Zhao said angrily, “Because of the cat that you tortured to death, now the entire Zhao family will be implicated because of this!” ”

The entire Zhao family will be implicated?

How was that possible!

Could it be that ye Zhuo could still make a move against the Zhao family?

“Zhao Xueyin continued, “Ye Zhuo doesn’t have any evidence to prove that I killed that cat!” ”

“As long as she didn’t admit it, who could force her to admit it? ”

Ye Zhongeng?

“No evidence? No evidence!”Father Zhao was so angry that he laughed. “Go and look at the Yue le news yourself!”

News?

Could it be the ones that the reporters had taken just now?

Weren't they the fake reporters that ye Zhuo had found?

"When she thought about how she looked like she had just been thrown an egg and had been uploaded to the news website, Zhao Xueyin's face turned pale. "

Zhao Xueyin took out her phone and opened happy reading news. A trending video popped up.

"On the video, there was a woman who was peeling a cat's skin with a dagger in her hand. She had a ferocious look on her face. It was her! "

The number of reposts exceeded ten million.

"The number of comments was already 2,000,000 + . "

The popularity of the video even surpassed that of a celebrity's wedding.

"Furthermore, the video had been synchronized to Weibo and other social media platforms. "

Zhao Xueyin's face was pale and her blood was flowing backwards.

She originally thought that the video of her being thrown a rotten egg had been uploaded to the Internet.

She did not expect that it was this...

How did this video come about?

"Although there were surveillance cameras in Zhao Xueyin's office, the surveillance cameras were all encrypted. Without her consent, no one could view them! "

It was precisely because others could not view the surveillance cameras that Zhao Xueyin dared to make a move in her office.

“However, Zhao Xueyin never expected that the surveillance cameras would actually leak out! ”

How did these videos come about?

No wonder there were reporters waiting for her.

No wonder those people threw rotten eggs at her!

Zhao Xueyin’s back was covered in layers of cold sweat.

What to do...

What to do now...

It was not a good thing to stir up public anger.

Ye Zao!

It was all ye Zao!

These were all ye Zao’s methods.

Wasn’t it just a cat?

“If this cat died, couldn’t she raise another one? ”

Did Ye Zao have to force her into a corner?

B * Tch!

“This B * Tch, Ye Zao, was clearly using this as an excuse to make use of the cat’s matter to seek revenge.”

Zhao Xueyin’s eyes were filled with hatred.

“At this moment, a servant carried a large package in. “Miss, your express delivery.” ”

Zhao Xueyin was immersed in her own world.

“”Just leave it there,”father Zhao said. ”

“The servant continued, “The Courier said that it’s very important inside. You must let miss personally check and accept it. Miss, please check and accept it.” ”

Only then did Zhao Xueyin react. She walked outside and began to open the express delivery with scissors.

Chapter 1243: 259: the whole Internet is enraged. Zhao Xueyin is being abused! 6

“Ah!”

“Just as she opened the package, Zhao Xueyin screamed in fear and fell to the ground. “Throw it away! Take it out and throw it away immediately!” ”

“Seeing her like this, father Zhao frowned slightly and walked over to take a look. He was also shocked. ”

“In the package were a paper figurine, two wreaths, and a set of burial clothes worn by dead people. ”

“Zhao Xueyin’s name was written on the paper figurine’s head, and on its body, it said, “Go to hell!”! ”

Zhao Xueyin’s name was also written on the wreaths’couplets.

It was both unlucky and scary!

“”Miss, your express delivery!”A few more people came in with unopened express delivery. ”

It was obvious what these express delivery contained.

“Zhao Xueyin couldn’t help but step back, holding her head with both hands. “Throw it away! Take it out and throw it away!” ”

“Father Zhao then added, “If you receive the express delivery from Miss these two days, just throw it away!” ”

“Okay.”

The servants took the express delivery back.

Father Zhao looked at Zhao Xueyin who was sitting on the ground. He could not put on any expression on his face.

He had never thought that Zhao Xueyin would end up like this.

She had made a move on a cat!

To think that she could think of such a thing!

“If she had attacked, she would have attacked! ”

But she had to do it in the office.

Didn't she know that there were surveillance cameras in the office?

“If this wasn't stupidity, then what was it? ”

“One could live with the sins of the heavens, but one could not live with the sins of one's own hands. ”

This was all done by Zhao Xueyin herself.

“”Master, Miss!”The Butler rushed out from inside. “The consortium called. They said that they have an emergency meeting coming. They would like to invite you over.” ”

Emergency meeting?

“At this juncture, what emergency meeting could there be? ”

It must be about the cat abuse incident.

The cat abuse incident was very small.

But it could affect the reputation of the consortium.

Now was the era of technology. A small matter that was as small as a sesame seed would become a big matter under the ferment of public opinion!

Father Zhao frowned. "Got it."

...

"An hour later, the Zhao family's car appeared at the entrance of the Shunxi Financial Group."

Zhao Xueyin and Father Zhao got out of the car.

"The moment they opened the car door, they saw a crowd gathered at the entrance of the Financial Group."

There was even a long red banner.

The banner read: Cat Abusers go to hell!

Ye Zao.

It was definitely ye Zao again.

"Without a doubt, these people were definitely arranged by ye Zao."

Zhao Xueyin narrowed her eyes.

Father Zhao turned to look at the driver. "Get in the car! Let's go around to the basement!"

"Okay." The driver nodded and opened the door of the driver's seat.

“Ten minutes later, the car appeared in the basement. ”

As expected.

The basement was very quiet. There were no people outside.

Father Zhao and Zhao Xueyin got out of the car and walked in the direction of the elevator.

Just as they reached the entrance of the elevator.

PA —

A bucket of black dog blood was splashed on the two of them just like that.

The thick stench of blood wafted out from the air.

“By the time Father Zhao and Zhao Xueyin reacted, the person who splashed the blood had already disappeared without a trace. ”

“”Call the police! Xiao Li, quickly call the police!” ”

Cat abuse was a small matter!

This was already a personal attack!

The law did not clearly state what kind of punishment cat abuse would receive.

But to splash dog blood on a person was a crime of malicious assault!

“Xiao Li said, “Okay.” ”

“In order to leave behind physical evidence, Father Zhao and Zhao Xueyin did not immediately go upstairs to change. Instead, they stayed where they were and waited for the police. ”

“The police arrived very quickly. After taking a statement, they continued, “Can you take a look at the surveillance footage of Your Consortium?” ”

““Yes.” Father Zhao nodded. “Xiao Li, bring the two police officers to the surveillance room.” ”

““Officers, this way please.” Xiao Li brought the officers to the monitoring room. ”

Father Zhao and Zhao Xueyin went upstairs to change.

Father Zhao had just come out of the bathroom when there was a knock on the door. “Master!”

It was Xiao Li’s voice.

“Father Zhao walked over to open the door. Other than Xiao Li, there were also the two police officers, “Mr. Zhao, the surveillance cameras in the basement are broken, so the two assailants were not captured. May I ask if you and Miss Zhao have seen what that person looks like?” ”

“Chapter 1244: 260: Zhao Xueyin’s face was disfigured, and the Zhao family was expelled from the financial world! 1”

What did he look like?

“At that time, before Zhao Xueyin and father Zhao could react, they were drenched in black dog’s blood. How could they have seen what that person looked like? ”

Father Zhao furrowed his brows tightly. “It’s broken? How could the surveillance cameras be broken?”

“The policeman standing in front said, “The surveillance cameras of your consortium are indeed broken, and they are currently under repair. “We’ve checked around the surroundings and didn’t find any trace of the relevant suspects, so we came to ask you and Miss Zhao if you saw the appearance of the perpetrator.” ”

Father Zhao’s expression was very ugly.

It was intentional.

This was intentional!

“Otherwise, the surveillance camera wouldn’t have broken at this time! ”

“”Mr. Zhao,” seeing that Father Zhao hadn’t spoken, the policeman standing in front continued, “Did you see it?” ”

“No...”

“Just as father Zhao said “No,” Zhao Xueyin’s voice sounded in the air, “I saw it!” ”

“Xueyin?” Father Zhao looked at Zhao Xueyin.

“Zhao Xueyin continued, “Officer, I saw it!” ”

“Who is it?” The police officer asked.

“It’s Ye Zhuo,” Zhao Xueyin said. ”

“The surveillance cameras were broken anyway, and they were the real victims. ”

“Since things had come to this point, she had to drag ye Zao Down with her! ”

She wanted to see how ye Zao would prove that she did not do this.

“Zhao Xueyin continued, “Ye Zao is deliberately seeking revenge!” ”

“Are you sure it’s ye Zao?” The police officer asked.

“Zhao Xueyin nodded. “Yes, I saw him.” ”

“The police officer said, “Okay, then take us to her now.” ”

“Zhao Xueyin walked in front. “Officers, please follow me.” ”

The two police officers followed Zhao Xueyin’s footsteps.

“Not long after, they arrived at the door of Ye Zhuo’s office. ”

Zhao Xueyin reached out and knocked on the door.

“The person who opened the door was Secretary Aili. When she saw the two police officers outside, she was stunned. ”

“Zhao Xueyin continued, “Where’s chief ye?” ”

""She's, she's inside,"Aili said. "

"Go and call her out. The two officers are looking for her."

Aili nodded. "Okay."

"About a minute later, ye Zhuo walked out from inside. "Hello, Officer. I'm Ye Zhuo." "

The police officer standing in front immediately took out his police officer badge. "We're police officers from the Peifeng Road Public Security Bureau. This lady has testified that you're related to a crime of malicious assault. Please come with US and accept the investigation."

Ye Zhuo's eyebrows remained the same. "Crime of assault? Do you have evidence?"

"I am the evidence."Zhao Xueyin stood out and said.

"Ye Zhuo ignored Zhao Xueyin and looked at the policeman. "Officer comrade, May I know the time and place of the accident?" "

""At two o'clock in the morning, the crime scene is in the basement of the Shunxi Financial Group." "

""I have an alibi."Ye Zhuo continued, "Ally, take two officers to look at the surveillance cameras." "

"Ally made a 'please'gesture. "Officers, please follow me." "

Zhao Xueyin narrowed her eyes.

"Now that the entire surveillance system was broken, she really wanted to see where ye Zhuo could get an alibi! "

"If she could not provide an alibi, she could only admit defeat!"

"Ally brought the police officer to the Secretary's office. "Officers, please wait a moment." "

"Okay."The police officer nodded.

Zhao Xueyin stood behind Aili and looked at her like this. Her eyes turned from disdain to disbelief.

How could this be!

The entire surveillance system was clearly broken. Why was there no problem with the surveillance in Ye Zhuo's office?

"After looking at the entire surveillance system, the police officer looked at Zhao Xueyin. "Miss Zhao, may I ask if you saw wrongly? From one to two o'clock, Miss Ye did not leave the office." "

"Zhao Xueyin's face was a little pale. "But, maybe I'm really seeing things!" "

"The police officer continued, "We still have to investigate this matter further. When we have the results, we will inform you." "

"Alright."Zhao Xueyin nodded.

The two police officers gave some instructions before leaving.

"Just as they left, one of the police officers asked curiously, "Brother Yin, Zhao Xueyin is that socialite who abused cats on the news, right?" "

"Brother Yin nodded. "Yes, that's her." "

“You really don’t know a person by their looks. She seems to be a pretty and kind-hearted girl. I didn’t expect her to be so vicious!” “My girlfriend cried the entire night watching that cat abuse video. She still hasn’t recovered from it. I didn’t know that she would do it this way!”

In the secretarial room.

“Allie looked at Zhao Xueyin, her face no longer showing her usual respect. “Miss Zhao, chief ye asked me to tell you that there are still ten minutes before the meeting starts.” ”

“Chapter 1245: 260: Zhao Xueyin disfigured, Zhao family banished from the financial world! 2”

“The cat abuse video had already caused a stir, Allie had naturally seen it too! ”

“Brother Meow was so cute, he was the darling of the entire financial group. ”

Who would have thought that he would be tortured to death by Zhao Xueyin in the end!

“When she first saw the video, Allie could not believe it was real. ”

Zhao Xueyin was simply a snake with a scorpion’s heart!

“Allie was just a small secretary, yet she dared to look at her like that! ”

It was a rebellion!

It was a rebellion!

It was simply a rebellion against the heavens!

""Stop!" Looking at Allie's back, Zhao Xueyin said. "

"Allie stopped in her tracks. "Miss Zhao, is there anything else?" "

"Zhao Xueyin continued, "You don't have to come!" "

Even though she was no longer the acting chief of the Shunxi Financial Group.

But she still had the right to fire a secretary!

""You asked me not to come. I'm sorry, you really don't have the qualifications," Allie continued, "Miss Zhao, you should mind your own business." "

"After following ye Zhuo for a long time, Allie's ears and eyes were also stained. "

"With Ye Zhuo's support, she was not afraid of Zhao Xueyin! "

"Hearing this, Zhao Xueyin's face turned white with anger. "

Dog relying on his power!

This dog relying on his power!

Wait.

She would call the personnel department right now.

Zhao Xueyin took out her phone and dialed the personnel department's number.

"The personnel manager's voice came from the other side, "I'm sorry, Miss Zhao, you don't have the authority to dismiss any of the financial group's employees." "

PA —

Zhao Xueyin was so angry that she directly smashed her phone.

The secretaries in the secretarial room all cast puzzled gazes at Zhao Xueyin.

"What are you looking at!" Zhao Xueyin roared angrily.

Everyone hurriedly lowered their heads.

"Zhao Xueyin came to the bathroom and washed her cold face, trying to calm herself down. "

"Just as the cold water touched her skin, she felt a tingling pain. "

Zhao Xueyin frowned slightly and looked up at the mirror.

There was nothing unusual about her illness in the mirror. Only her cheeks were slightly red and itchy.

"Zhao Xueyin reached out and scratched her face. Immediately, a red pimple appeared on her cheeks. "

Then the second pimple and the third pimple.

What was going on?

The pimple on her face had disappeared last night. Why did it grow back so quickly?

Zhao Xueyin washed her face with cold water again.

“Just like before, the cold water hurt her skin when it touched it. ”

Was there a problem with the tap water?

Zhao Xueyin didn't think much about it and prepared to buy some ointment to apply it when she went back.

“After coming out of the bathroom, Zhao Xueyin didn't go to the meeting room, but went to Father Zhao's office. ”

“Seeing Zhao Xueyin coming over, father Zhao immediately asked, “How is it?” ”

“Zhao Xueyin shook her head. “Ye Zao has the evidence of his alibi. The time is almost up. Father, let's go to the meeting first.” ”

Father Zhao narrowed his eyes. “No.”

Zhao Xueyin was stunned.

“Father Zhao continued, “Let's not go. I want to see what earth-shattering things that little girl ye Zao Can Do!” ”

He was one of the three elders of the Shunxi Financial Group. He did not believe that ye Zao would dare to lay a hand on him.

“Moreover, half of the board of directors were his people. Even if ye Zao really did something to him next, he would not be able to get past the board of directors. ”

“Based on the current situation, this matter could only be delayed for now. ”

“When the heat was gone, everything would be calm. ”

It was just a cat.

Ten minutes passed very quickly.

Ye Zhuo arrived at the meeting room on time.

All the directors had arrived.

“Elder Zhao and Zhao Xueyin haven’t arrived yet?”Ye Zhuo turned to ally. “Didn’t I ask you to inform them that the meeting will start in ten minutes?”

“Ally said, “Chief Ye, I’ve informed them.” ”

““Since they’ve already been informed, then whether they come or not will be their business.”Ye Zhuo continued, “I’m sure all the directors have already seen the News at noon?” ”

““They have.”Once these words were said, all the directors discussed animatedly. ”

“Actually, the directors of Shunxi Financial Group had already reached the age of retirement and usually did not pay much attention to the social news. ”

“This time, it was because the cat abuse incident had a huge impact on Shunxi Financial Group! ”

“Ye Zhuo threw the documents onto the conference table, then, he said, “Up until now, our Shunxi Financial Group’s shares have already fallen by 1% . If we don’t give the public an explanation, the losses that this incident will bring to our financial group will be unimaginable.” ”

“Yeah! This matter is indeed troublesome!”

“”This Xueyin, he really doesn’t know the gravity of the situation...” ”

“What should we do?”

“”Zha Zha, tell us what to do about this matter!” Elder Zhang stood up from his office chair. “We Old Fellows will listen to you!” ”

“Chapter 1246: 260: Zhao Xueyin’s face is disfigured, and the Zhao family is expelled from the financial world! 3”

“”Right! Zhonghua, we will listen to you!” ”

“Ye Zhonghua’s eyebrows and eyes were still the same, and no expression could be seen on his face, “My solution is to remove the shares of the Zhao family, remove Zhao Xueyin’s position in the consortium, and investigate the negative impact that Zhao Xueyin has had on the consortium. And hold a press conference! This way, not only will I be able to stop the losses in time, but I’ll also be able to leave a good impression on the public.” ”

What did businessmen care about?

“Of course, it was all about profit. ”

“Although many of the shareholders had a deep relationship with Father Zhao, in the face of profit, these relationships were nothing. ”

“Hearing this, everyone nodded. “Sure! Zhuozhuo, we’ll do as you say!” ”

“Ye Zhuo’s gaze swept across the faces of the directors. “Since everyone has no objections, let’s sign this.” ”

Ali and Afra distributed the documents in their hands to the directors.

Everyone signed them one by one.

“Father Zhao, who was sitting in his office, suddenly had a bad premonition. ”

Could something have happened?

“At this moment, the office door was pushed open from outside. ”

It was ye Zhuo and the three board representatives.

“Seeing them, Father Zhao’s lips curled up. ”

“No matter how powerful ye Zhuo was, in front of him, he was just a young girl who hadn’t even grown hair yet. ”

“If he hadn’t gone to the meeting, Ye Zhuo would have come obediently! ”

“”Chief Ye.”Father Zhao stood up from his chair, a hypocritical smile on his face. ”

“”Elder Zhao.”Ye Zhuo threw a document on the table, “The three representatives of the board of directors and I have come to inform you that the shares of the Zhao family have been revoked. We will give you two hours to pack your things and leave the consortium immediately.” ”

Father Zhao's face turned pale.

Revoke the shares?

"What right do you have to revoke the shares?"

"Ye Zhuo's voice was shallow, "Only when you are in my position will you have the right to question my decision! The Zhao family now has nothing to do with the Shunxi Consortium! Of course, if you are not satisfied, you can choose to sue them!" "

"After saying this, Ye Zhuo turned to look at the three directors behind him. "Let's go." "

The three directors followed ye Zhuo's footsteps.

Father Zhao looked at ye Zhuo's back and was so angry that his face turned red!

"How dare she, this little girl, Ye Zhuo! "

How dare she!

"Father Zhao had been in the Shunxi Financial Group for so many years, when had he ever been bullied like this! "

"Moreover, the person who made him suffer was ye Zhuo! "

"If Zhao Xueyin had the same means as ye Zhuo, she would not have been bullied so miserably by Ye Zhuo. "

Could it be that this was the legendary bloodline suppression?

Their Zhao family would never be able to defeat the Ye Family?

It was the same for the previous generation!

Was it the same for this generation?

“Before this, Father Zhao had never believed in fate, but now, he had no choice but to believe in it! ”

This was fate.

PA —

Father Zhao picked up a vase and fiercely smashed it on the ground.

On the other side.

In Zhao Xueyin’s office.

“Just like Father Zhao, she received a letter of dismissal. ”

Dismissal.

She was actually fired by the Shunxi Consortium.

What right did ye Zhuo have to do this?

Zhao Xueyin tore up the dismissal letter and went to the door of ye Zhuo's office as if she had gone mad. "Ye Zhuo! What right do you have to fire me? Isn't it just a cat? So what if I killed it? You are using your official position to seek personal revenge!"

"Ye Zao! Come out!"

Creak —

The door was pushed open at this time.

"However, it was not ye Zao who came out, but Ali. "

"At this time, two security guards walked out of the elevator. "

"Ali looked at the security guard and said, "This Lady Zhao has lost her mind. Quickly take her away." "

"Okay."The security guard nodded and carried Zhao Xueyin on his left and right.

"Let go of me! Let Go of me! My father is one of the three elders of the Shunxi Financial Group. You Can't do this to me!"

"Zhao Xueyin struggled with all her might, but her strength could not match the strength of the two men at all. "

"Allie's voice came from the air again, "Ms. Zhao, you still don't know, right? Chief Ye and the board of directors have already dissolved the Zhao family's shares in the Shunxi Financial Group." "

What?

Dissolved the shares?

Didn't that mean that the Shunxi financial group and the Zhao family would no longer have any relations in the future?

No!

That wouldn't be the case.

Half of the board of directors were close friends with Father Zhao.

They wouldn't agree to the dissolution of the shares!

What was going on?

What the hell was going on?

Zhao Xueyin's face was pale and her blood was flowing backwards.

"Before she could react, she was brought into the elevator by the security guards. "

Ding —

The elevator door was closed.

"After a few seconds, Zhao Xueyin was brought to the entrance of Shunxi Financial Group. "

The people who were watching downstairs saw Zhao Xueyin and gathered around her angrily. "Zhao Xueyin! It's that cat-torturing Zhao Xueyin!"

“Chapter 1247: 260: Zhao Xueyin’s face was disfigured, and the Zhao family was expelled from the financial world! 4”

Zhao Xueyin had experienced the most embarrassing experience of his life.

He didn’t even want to recall it.

“When Zhao Xueyin returned to the Zhao family, he was in a sorry state. ”

Father Zhao also returned at this time.

“When he saw Zhao Xueyin, Father Zhao was furious. “A Jinx! You’re a Jinx!”If it wasn’t for Zhao Xueyin, the Zhao family wouldn’t be in this state today! ”

There was nothing left.

Everything that he had painstakingly built was all lost at the hands of Zhao Xueyin!

No wonder many people said that women were money-losing goods.

Wasn’t someone like Zhao Xueyin a money-losing goods?

“Zhao Xueyin was also furious. She screamed hysterically, “Can you blame me? It’s ye Zao! It’s all ye Zao! That B * Tch ye Zao! I Won’t let her off!” ”

Zhao Xueyin never dreamed that things would turn out this way for just a cat.

Wasn’t it just a cat?

And it was a Chinese Garden Cat!

This was all ye Zao's fault.

"If it wasn't for ye Zao, she wouldn't have tortured and killed a cat for no reason. "

"In the end, that wild cat died because of ye Zao. "

What did it have to do with her?

"Before she met Ye Zao, her life was smooth sailing and her future was bright. "

"Ever since she met ye Zao, everything had changed! "

Ye Zao was like the Nemesis in her life.

He was here to counter her!

Father Zhao took a deep breath. "Hurry up and post an apology on your public account and tell everyone that you were wrong!"

"For Zhao Xueyin, this was the only way to go. "

"Otherwise, she would forever have to face the accusations and online violence from everyone. "

The Zhao family would also be expelled from the financial world.

"I'm not wrong! It's Ye Zhuo who's wrong! What right do I have to apologize?"

Father Zhao slapped Zhao Xueyin's face.

"Zhao Xueyin only felt a buzzing sound by her ear, and a red and swollen palm print immediately appeared on her left cheek. "

"Go Apologize!"

"Zhao Xueyin covered her face. "I, I know..." "

What kind of apology was the most effective?

"Of course, it was to play the victim. "

"Zhao Xueyin was a smart person. Since things had already come to this point, she had to play the victim until the end! "

"In order to increase the visual effect, Zhao Xueyin even specially put on a make-up with a sad look. "

The apology video lasted for a total of ten minutes.

"For a full ten minutes, Zhao Xueyin was crying, crying like a pear blossom in the rain. "I'm sorry, everyone, I was really wrong! I shouldn't have treated that little kitten like this..." "

"I was also obsessed at that time, and I hoped that everyone would give me a chance to turn over a new leaf." "

"The little kitten that unfortunately left was an ordinary Chinese garden cat. I'm willing to accompany the owner of the cat with ten civet cats."

Civet cats were very expensive cats.

The unit price was over ten thousand.

It was many times more expensive than that wild cat!

“Seeing this, the netizens did not buy it. ”

What was an ordinary Chinese garden cat?

What was an expensive civet cat?

Zhao Xueyin’s words were not sincere at all.

[there is no hierarchy in life! I can see that this socialite did not think of apologizing at all! She was just under pressure and came out to brush it off.]

[what is green tea? This is green tea!]

[so what if it’s a Chinese garden cat? Looking down on local cats? Do you really think that a few years of studying abroad will give you a layer of gold?]

[such a B * Tch deserves to live in this world?]

[it’s simply disgusting!]

“[everyone, don’t be angry. Shunxi Financial Group just held a press conference. The Zhao family and Zhao Xueyin have already received the corresponding punishment.] ”

“[next, the Zhao family father and daughter will be kicked out of the financial world.] ”

[karma really does have its own way of doing things. Retribution isn't good!]

[I still feel sorry for that cat. How painful was it back then? I should have let Zhao Xueyin suffer the same pain!]

[add one above!]

[...]

Zhao Xueyin did not expect the netizens to not buy it at all.

The internet was still filled with curses.

Zhao Xueyin was furious.

"She had already apologized, what more did these people want from her? "

""Miss." At this moment, the sound of a servant knocking on the door came from the air. "

""Come in," Zhao Xueyin said. "

"The servant pushed the door open and entered. She handed the ointment in her hand to Zhao Xueyin,
"Miss, this is the ointment that master asked me to give you." "

What was the most important thing for a girl?

"Of course, it was her face! "

“Although Father Zhao had hit Zhao Xueyin, he was still Zhao Xueyin’s father. No matter what, he could not let Zhao Xueyin’s face be disfigured. ”

Zhao Xueyin took the ointment and applied it on her face.

“The moment she applied it, she felt an ice-cold and very comfortable feeling. ”

“Chapter 1248: 260: Zhao Xueyin disfigured, Zhao family expelled from the financial world! 5”

“In the blink of an eye, it was the next morning. ”

“Zhao Xueyin thought that after applying the ointment, the redness and swelling on her face would disappear. However, when she looked in the mirror, the redness and swelling on her face did not disappear. Instead, it became even more red and swollen! ”

It was a shocking sight.

What was going on?

Zhao Xueyin’s eyes were filled with panic.

Could it be that there was something wrong with the ointment?

“She wouldn’t be disfigured because of this, right? ”

Zhao Xueyin put on her sunglasses and mask and went to the hospital without even eating breakfast.

“After the doctor’s examination, there was nothing wrong with the ointment. ”

“When she heard that there was nothing wrong with the ointment, Zhao Xueyin heaved a sigh of relief and continued, “Then can I trouble you to prescribe some medicine to reduce the swelling?” ”

“The doctor continued, “This ointment of yours has a very good effect on reducing the swelling. I’ll prescribe some anti-inflammatory medicine for you.” ”

“Okay.” Zhao Xueyin nodded.

“Just as Zhao Xueyin left with the list of medicine prescribed by the doctor, the nurses in the department started discussing among themselves. “She’s Zhao Xueyin, right? The one who abused the cat?” ”

“I think so!”

“TSK! This is karma! I wish that her face will rot soon. It would be best if she loses another layer of skin!”

At the same time.

Zhao family.

“The manager of the financial world came to the Zhao family, “Mr. Zhao, Miss Zhao’s actions have seriously affected the order of the financial world. “I’ll give you one week. Please move out of Jing fan center immediately. “If it’s overdue, our management department will come over personally to help you move out!” ”

The entire Jing fan center was the territory of the financial world.

And the person in charge of the financial world was the highest-ranking executive in the management department.

“If this matter alarmed the management department, the Zhao family would be equivalent to offending the entire financial world.”

“Although father Zhao had long prepared for the Zhao family to be expelled from the financial world, when this day really came, he was still somewhat unwilling.”

He had lived in the financial world for more than 40 years and had struggled for more than 40 years. He had originally thought that he would lead the Zhao family to become a noble family.

“He did not expect that in the end, not only did he not become an aristocratic family, he was even expelled from the financial world.”

“Father Zhao pinched his fingers and looked up at the administrator, using a humble attitude that he had never used in his life, he said, “Mr. Zhao, your surname is Zhao, and my surname is Zhao. Perhaps we were still a family 500 years ago! Can you find an executive officer to make an exception for this matter...” ”

He had no choice but to lower his head.

“No matter what, the Zhao family could not be driven out of the financial world.”

“The administrator looked at Father Zhao, he said mercilessly, “Don’t try to get close to me. How can a person like you have the right to have the surname Zhao? You have simply insulted this surname! Especially your daughter. She could even kill a cat. Not only does she not have the right to have the surname Zhao, she also doesn’t have the right to be a person!” ”

Father Zhao’s eyes were filled with forbearance.

It was really like a tiger that had fallen to the level of a Ping Yang being bullied by a dog.

“If it was in the past, how would a mere administrator dare to speak to him with such an attitude?”

“After saying this, the administrator pasted a ‘drive’sign on the Zhao family’s front door. ”

“Father Zhao looked at the administrator’s back view as he left, and his eyes were filled with fury. ”

“However, there was nothing he could do. ”

“According to the current situation, the Zhao family moving out of the financial world was a done deal! ”

“Father Zhao was unwilling, very unwilling. ”

But what could he do if he was unwilling?

“After returning to the house, Father Zhao called the housekeeper and asked him to look for a house. ”

“When the housekeeper heard this, he was also shocked. ”

“Who would have thought that the Zhao family, which was as big as a tree and as thick as a root, would one day become like this! ”

“When Zhao Xueyin returned from the hospital, Father Zhao was already dismissing the servants and preparing to move out of the financial world. ”

Zhao Xueyin was shocked. “Dad! What’s going on? Why Do I see a removal label on our wall?”

“In the past, Zhao Xueyin had only seen this kind of thing in other people’s homes. ”

She did not expect it to happen to her.

Was her family going to be kicked out of the financial world?

“What’s wrong? You still have the face to ask what’s wrong!” Father Zhao was almost unable to contain his anger. “Isn’t this all because of you?”

Zhao Xueyin stumbled back a few steps.

No!

No!

She did not want to leave the financial world.

She did not want to be kicked out of the financial world.

Bang —

Zhao Xueyin’s vision went black and she fainted on the ground.

Father Zhao couldn’t be bothered with her.

“Out of sight, out of mind. He turned around and walked upstairs. It was the maid who helped Zhao Xueyin up from the ground. ”

“It took Zhao Xueyin a long time to wake up, but she still couldn’t accept the fact that the Zhao family was moving out of the financial world. ”

“She had lived in the financial world since she was young, and she would lead the Zhao family to become an aristocratic family in the future! ”

How could she leave the financial world!

“Chapter 1249: 260: Zhao Xueyin’s face is disfigured, and the Zhao family has been expelled from the financial world! 6”

Zhao Xueyin helplessly grabbed her hair and was close to bursting into tears.

“”Ah!”At this moment, the maid’s voice came from the air, “Miss, your... Your Face!” ”

Face?

What happened to her face?

Zhao Xueyin looked up at the maid.

“The maid gulped, “I... I’ll Go get a mirror for you.” ”

“Very quickly, the servant ran over with the mirror. ”

Zhao Xueyin took the mirror and looked at herself inside. She was also shocked.

It wasn’t her!

That wasn’t her!

“The person in the mirror’s face was not only red and swollen, but it was also split open. ”

“The skin was split open, and traces of blood seeped out. ”

She simply couldn't bear to look at it.

"The strange thing was that her face didn't hurt at all. Instead, it was very itchy. One couldn't help but want to reach out to grab it. "

PA —

Zhao Xueyin directly smashed the mirror on the ground and ran upstairs frantically.

"In the past few days, Father Zhao had asked many people to look for connections, trying to not move out of the financial world. "

"However, it was useless. "

"In the blink of an eye, it was the last day. Father Zhao had no choice but to move out of the financial world with Zhao Xueyin. "

"In the past few days, Zhao Xueyin's face had deteriorated more and more seriously, even emitting a strange smell. Father Zhao had invited many doctors to see her, and also gave Zhao Xueyin a lot of medicine. "

"However, not only did the medicine not make Zhao Xueyin's face better, it made her wound worse! "

"Gradually, Zhao Xueyin did not dare to use the medicine anymore, and she hated Father Zhao even more. "

"If it were not for Father Zhao's Slap, she would not have become like this. "

This face was Zhao Xueyin's greatest pride.

But now.

Her face was going to be disfigured.

She was still so young. How was she going to face people in the future! !

“Father Zhao was also very guilty about Zhao Xueyin’s state. “Xueyin, don’t worry. I will definitely get the best doctor to take a look at your face.” ”

Zhao Xueyin sat in the car with her head lowered and did not say a word.

Father Zhao sighed.

“In just a few days, he seemed to have aged by more than ten years. ”

“About four hours later, the car drove out of the financial world and stopped in front of a villa. ”

“The Butler opened the car door. “Master, we’re here.” ”

Father Zhao nodded and got out of the car.

Zhao Xueyin got out from the other side of the car.

“As soon as he got out of the car, Father Zhao saw a familiar figure. ”

But...

Ye Sen?

“When he saw ye Sen, Father Zhao’s eyes were filled with hatred. ”

“If it wasn’t for the Ye family, the Zhao family wouldn’t have fallen to this state. ”

“Since the ye family didn’t let him have it easy, he wouldn’t let the Ye family have it easy either. ”

He wanted the ye family to have no descendants!

Then he would start with Ye Sen.

It just so happened that ye Zhuo wasn’t here.

This was definitely a good opportunity!

Father Zhao narrowed his eyes.

“”Master, we should go in.”It wasn’t until the butler called out that Father Zhao reacted and followed the butler into the villa. ”

“After returning to the villa, Father Zhao opened his contact list and made a call. “Alright, I’ll see you at 8 am tomorrow.” ”

“At 8 am the next day, Father Zhao came to a private teahouse near the Villa. ”

“Not long after, a foreigner wearing glasses with blonde hair and blue eyes sat opposite Father Zhao.
“Mr. Zhao.” ”

This man’s name was Mike.

He came from C Nation and was ranked tenth on the assassin list. He was also one of the top fifteen people in the martial arts world who wanted to kill him.

Mike had worked with Father Zhao many times.

"Mike's hands were clean and neat, and father Zhao trusted him more. "

Father Zhao pushed a photo to him. "Three million for this man's Life!"

Mike put away the photo and looked at it. "No problem."

"When do you want to do it?" Father Zhao continued to ask.

"I'll contact you." Mike took a sip of tea.

"Okay." Father Zhao nodded.

"On the evening of the third day, Father Zhao received an anonymous text message. "

Mike was finally going to do it.

"The corners of Father Zhao's lips curled up, and his eyes were full of viciousness. "

"Of course, he couldn't miss such a good show. "

He wanted to see the ye family disappear into the world one by one with his own eyes.

"First, it was ye Sen. "

“Then it was ye Shu, then ye Zhuo, then Lin Ze. ”

He wanted ye Langhua to experience the heart-wrenching feeling.

Father Zhao came to a restaurant by the river. He ordered a pot of tea and a plate of exquisite desserts and looked at the beautiful scenery by the roadside.

“Because it was close to the river, there were many people coming and going. ”

Even though it was almost 8 o'clock.

Bang!

“At this moment, a loud noise came from the crowd. ”

Countless people screamed at this time.

The originally peaceful roadside was now in chaos.

Father Zhao's eyes lit up.

Success!

Father Zhao immediately put down his teacup and walked out with the others to watch the show.

“Although there were many people watching, Father Zhao still squeezed to the front and saw the person lying on the ground. ”

It was ye Sen.

That's right.

"Seeing ye Sen's face, Father Zhao heaved a sigh of relief. "

Ye Sen was ye Zhuo's uncle.

"Without Ye Sen, Ye Zhuo would definitely be in chaos. "

What happened next would be easier to handle.

"Not long after, the sound of an ambulance was heard. "

Ye Sen was carried onto the stretcher.

"Throughout the whole process, father Zhao had been watching and the corners of his mouth curved into a carefree smile. "

Retribution!

This was the retribution of the Ye family!

"Make Way! Make Way! Everyone make way!"The medical staff carried the stretcher and walked past Father Zhao.

"At this moment, Ye Sen's arm, which was lying on the stretcher, suddenly slid down from the white blanket. "

"On his snow-white arm, there was a visible birthmark. "

Boom.

Father Zhao's ears exploded with thunder.

What was that?

What did he see?

A red birthmark.

"He was wrong. He must have missed ah ye too much, so he was wrong."

How could there be a birthmark on Ye Sen's hand!

"Father Zhao tried his best to suppress his emotions. He swallowed his throat and tried his best to squeeze forward, trying to prove that he was wrong."

"Squeezing forward, Father Zhao saw ye Sen lying on the stretcher and the birthmark on his arm."

Father Zhao rubbed his eyes.

But the scene in front of him did not change.

He was not wrong...

He was not wrong. There was indeed a birthmark on Ye Sen's arm.

Father Zhao immediately turned around and raised his hand in the same direction as ye Sen.

Left hand.

“It was left hand,”

the birthmark on Ye Sen’s hand was also left hand.

Could it be...

Ye Sen was a Ye?

“If Ye Sen was a Ye, then what kind of stupid things had he done.”

“Father Zhao stood rooted to the ground, his face devoid of color.”

“After a long while, he finally reacted. He wanted to follow the ambulance to the hospital, but by then, the ambulance had already gone far away.”

Ding Ding Ding —

His phone rang in the air. Father Zhao’s hand trembled as he picked up the phone. “Hello.”

“”It’s Mike.”Mike’s voice came from the phone, “I’ve already hit Yesen. Although he didn’t die immediately, he definitely won’t live for more than three days! I hope that Mr. Zhao will be the same as before. Three days later, send the money as promised.” ”

“Father Zhao took a deep breath. “M-mike, can you do me one more favor?” ”

“”Go ahead.”Father Zhao was already a regular customer of Mike’s, so Mike didn’t mind doing him one more favor.”

“Father Zhao continued, “Investigate ye Sen’s background.” ”

Don’t be a Ye.

Ye Sen must not be a Ye!

Father Zhao prayed in his heart.

Chapter 1250: 261: I regret it so much! 1

“Mike said, “Okay.” ”

Father Zhao’s voice was a little shaky. “Can you hurry up?”

““Yes,” Mike replied. ”

“Even after hanging up the phone, Father Zhao’s hands were still shaking. ”

He did not dare to imagine what would happen if ye Sen was a Ye...

No.

Definitely not.

Ye Sen was definitely not a Ye.

Father Zhao looked at the night sky and took a deep breath.

At the hospital.

Ye Sen was pushed into the emergency room.

The police officer stood outside the emergency room and contacted Ye Sen's family.

""Hello, Hello." "

""Hello, May I know who you are?" A gentle female voice came from the other side. "

"The police officer continued, "I'm from the Lin Yuan Road Public Security Bureau. Are You Ye Sen's sister, Ye Shu?" "

"Hearing that the other party was from the Public Security Bureau, ye Shu asked nervously, "Did something happen to Ye Sen?" "

""Yes, Ye Sen was attacked by criminals on Huaihai Road. He's currently in the Emergency Room..." "

"Before the policeman could finish his sentence, Ye Shu's phone fell to the ground. "

""Hello, are you listening?" The policeman looked at his phone. "

"After a long while, Ye Shu picked up the phone with trembling hands. "Is... Is he okay?" "

There was a sobbing tone in her voice.

""Ms. Ye, don't worry. Ye Sen is still in the emergency room." "

“Ye Shu covered her mouth and continued, “Then which hospital is he in now?” ”

“”The first People’s Hospital of the city,”the policeman answered. ”

“”Okay, I’ll be there right away. I’ll be there right away!” ”

“After hanging up the phone, Ye Shu was in a mess. ”

“Lin Jincheng came down from upstairs and saw ye Shu like this. He quickly asked, “What happened to Ah Shu?” ”

“Ye Shu grabbed Lin Jincheng’s hand and said with red eyes, “Ye Sen, something happened to Ye Sen!” ”

“”Don’t worry, tell me slowly,”Lin Jincheng continued, “What happened to Ye Sen?” ”

“Ye Shu said, “A policeman just called and said that Ye Sen was attacked by criminals. He is now in the emergency room.” ”

“What! ?”

“Hearing this, Lin Jincheng was also shocked. ”

“Soon, he reacted and said, “Which phone number was it? Could it be a liar?” ”

“Ye Shu took out her phone. “This, this number.” ”

Lin Jincheng took the phone and studied it carefully.

It was not a liar’s number.

“Lin Jincheng picked up his coat from the sofa. “Let’s go, Ah Shu. Let’s hurry to the hospital!” ”

Ye Shu nodded.

The couple rushed to the hospital.

“When they arrived at the hospital, there was a group of policemen standing outside the emergency room. ”

““Officer, how is my brother?”Lin Jincheng asked. ”

“Are You Ye Sen’s Family?”

Lin Jincheng nodded. “I’m his brother-in-law. This is his sister.”

“The tall policeman continued, “Ye Sen is still in the emergency room. He hasn’t come out yet. Don’t worry. The Doctor will definitely save him.” ”

Ye Shu looked at the emergency room and cried.

“Lin Jincheng continued, “Officer, can you please tell me what happened? My Brother is fine. How could he be attacked by criminals?” ”

““The specific reason is still being investigated. Don’t worry, we will definitely give an explanation to the victims and their families.” ”

Ye Sen nodded.

“Time passed by minute by minute, but there was still no movement in the emergency room.” ”

Lin Jincheng and the others arrived at the hospital at 9:30 am. It was already past 1 am.

“Lin Jincheng bought a bottle of mineral water. “Ah Shu, drink some water.” ”

Ye Shu shook her head. “I’m not thirsty.”

“Lin Jincheng patted ye Shu’s shoulder. “Don’t worry, Ye Sen is very lucky. He will definitely be fine.” ”

He’ll be fine?

Will he be fine?

Lin Jincheng did not know either.

“After all, the surgery had already lasted for more than four hours. ”

“At this moment, the emergency room door opened.”

“Ye Shu immediately went up to greet him. “Doctor, how is my brother? Is He Alright?” ”

“The chief surgeon who was walking in front took off his mask. His expression was not too good, “The patient’s condition is not too good. He may deteriorate at any time. He has already been transferred to the ICU. Your family members should be mentally prepared.” ”

“The ICU was an intensive care unit. If the injury wasn’t too serious, they wouldn’t have been transferred to the ICU! ”

“Moreover, the doctor also told the family members to be mentally prepared. ”

“Unless, Ye Sen really couldn’t make it! ”

“”Wh-what?”Ye Shu’s face turned pale. All the strength in her body seemed to be sucked away in an instant. Fortunately, Lin Jincheng was behind her and immediately held her up. ”

Only then did ye Shu not fall to the ground directly.

...

On the other side.

“Father Zhao received a call from Mike. “Mr. Zhao, I’ve already sent the things you wanted to your email.” ”
