

Almighty D 1261

Chapter 1261: 263: this is simply a fantasy. Ye Sen woke up

Therefore.

The police must not find out about Mike's matter.

"After thinking for a while, father Zhao continued, "Why don't you go abroad and hide First!" "

"There was no need to be afraid, just in case. "

"Father Zhao had finally found his biological son, and he had not enjoyed the happiness of having children and grandchildren. He did not want to take such a risk! "

""No need,"Mike directly refused. "

The person who could threaten him in China was not even born yet!

The police wanted to find him?

It was simply a fantasy!

"Mike had been in the industry for so many years, but he had never met anyone who could match him. "

It was unnecessary to go out to avoid him.

“Seeing Mike so confident, father Zhao was even more worried. He continued, “There is a saying in China that says, ‘a ship sailed with caution for ten thousand years.’you’d better go out and hide!” ”

Carelessness lost Jingzhou.

Father Zhao was a very cautious person!

“”Mr. Zhao,”mike chuckled, “When did you become so timid?” ”

“”It’s not that I’m timid, but that ye Zhuo is too powerful!”Father Zhao said. ”

He had a hunch.

Ye Zhuo would definitely intervene in this matter.

“Once ye Zhuo appeared, this matter would definitely become very troublesome. ”

“With Ye Zao’s character, he would definitely not stop until the murderer was found. ”

Only when Mike left could he be completely at ease.

“Who is ye Zao?”A curious look appeared in Mike’s eyes.

“To be able to make father Zhao so fearful, it was definitely not simple! ”

“”She is a very powerful person,”father Zhao continued, “You still don’t know, right? Ye Zao saved my son! Didn’t you say that no one can cure your poison?” ”

“When he heard Mike’s words, Father Zhao was completely dumbfounded! ”

Fortunately.

“Fortunately, ye Zao saved Ye Sen. ”

“Hearing that, Mike on the other end of the phone was stunned. ”

Ye Zao cured him of his poison?

How was that possible!

“He himself couldn’t cure his poison, but a Chinese could? ”

It couldn’t be!

“After a moment, Mike finally reacted and asked, “Are you sure that she cured me of my poison?” ”

“”I’m sure!” Father Zhao continued, “So you should quickly go abroad to hide. If ye Zhuo finds out about it, we’ll all be finished!” ”

Murder for hire.

International Assassin.

Any one of these two charges could put him in prison for life.

“Is ye Sen awake now?” Mike asked.

“Father Zhao continued, “Although he hasn’t woken up yet, Ye Zhuo said that the surgery went very smoothly!” ”

“”So he hasn’t woken up yet,”Mike said. ”

“What do you mean?”Father Zhao’s heart skipped a beat.

“Mike continued, “I still say the same thing. Even I can’t cure my poison. Do you think a Chinese can?” ”

It wasn’t that Mike looked down on Chinese people.

It was just the nature of Chinese people.

“So, the poison in Ye Sen’s body had not been cured? ”

“Hearing this, Father Zhao frowned. ”

“Ten minutes ago, Father Zhao was still extremely excited about the success of the surgery. ”

“Now, it was as if someone had hit him in the head and poured a basin of cold water on him. His entire body was cold. ”

What should he do?

“At this moment, Father Zhao’s voice was trembling. “Then, then you mean... my son... he...” ”

Father Zhao couldn’t say the rest.

No!

He didn't believe it was true.

""Mr. Zhao, I'm busy now. I'll hang up first."Mike hung up the phone. "

Father Zhao's face was pale.

"After a long while, Father Zhao finally reacted and walked to the ward area. "

"Ye Sen had been pushed to the ward, but because of the anesthetic, he hadn't woken up yet. Lying on the bed, he didn't have much life left. "

"Seeing ye Sen like this, Father Zhao's face turned even paler. "

Could it be that ye Zao's surgery was really useless to Ye Sen?

"Father Zhao held onto the door frame, unable to lift his body. "

""Master, the young master is fine now. You should eat something first." "

"Because he was worried about ye Sen, Father Zhao had not eaten much for the whole day. "

"I'm not hungry."Father Zhao waved his hand.

"The butler continued, "A man is like iron rice or steel. If you don't eat, you'll be hungry. Even if it's for the young master, you should at least eat a little." "

Father Zhao's health was not good to begin with.

“If he did not eat, his body would definitely collapse. ”

“I already said I’m not eating!” Father Zhao waved his hand and directly knocked the food on the ground.

The Butler was shocked.

What happened?

“Logically speaking, Father Zhao should be very happy that Ye Sen’s surgery went so smoothly. ”

Why didn’t he look happy at all?

Chapter 1262: 263: this is simply a fantasy. Ye Sen woke up 2

“Not only was he unhappy, but he felt like someone owed him money. ”

“Ye Shu and Lin Jincheng came in through the door. When they saw Father Zhao like this, they frowned slightly. ”

“Didn’t you say that Ah Ze is here?” Ye Langhua stood up from the bed. “Why didn’t I see Ah Ze?”

“Ye Shu said, “Ah Ze went home to wash up. He should be here right away.” ”

Ye Langhua nodded.

“The two of them ignored father Zhao and walked into the ward. Ye Shu lowered his voice and asked, “What happened to him?” ”

Ye Langhua shook her head. "I don't know."

"On the other side, after doctor Li heard that ye Zhuo had successfully completed the surgery, his face was filled with disbelief. "Is it really done?" "

"Nurse Wang nodded. "It's true! Besides, I heard that Ye Sen is out of danger now." "

Out of danger?

"With Ye Sen's condition, how could he be out of danger so smoothly? "

It was impossible!

Unless a miracle happened.

No.

He had to figure this out.

"Doctor Li narrowed his eyes, stood up, and walked out. "

"Nurse Wang asked curiously, "Doctor Li, where are you going?" "

"I'm going to Ye Sen's ward to take a look," doctor Li said. "

Nurse Wang immediately followed doctor Li's footsteps.

"Not long after, they arrived at Ye Sen's ward. "

The ward was filled with people.

Ye Zao sat on the sofa and played with his phone.

His fair fingers tapped lightly on the screen.

Bang.

The character in the game was shot in the head.

“Doctor Li walked in front of ye Zao. When he saw that ye Zao was still in the mood to play the game, he could not help but be a little surprised.”

Was she not worried about Ye Sen at all?

No matter what.

“She shouldn’t be playing games at this time, right?”

“Doctor Li suppressed the emotions in his eyes and continued, “Miracle Doctor Ye, can I take a look at your uncle’s condition?” ”

“Go ahead.”Ye Zao opened his red lips slightly and said without raising his head.

Doctor Li walked to the bedside and began to check on Ye Sen’s condition.

“After a series of checks, doctor Li frowned slightly.”

“Looking at Ye Sen’s condition, he did not look like he was out of danger.”

“Not only was he not out of danger, but his situation was even more serious than before.”

He knew that this matter was not that simple!

“If ye Sen could get out of danger so easily, then wouldn’t his years of being a doctor be wasted?”

“Doctor Li turned to look at Ye Zhuo. “Miracle Doctor Ye, can I have a word with you?” ”

Ye Zao put away his phone. “Sure.”

““Miracle Doctor Ye, this way please.” ”

Ye Zao followed Doctor Li’s footsteps.

“When the two of them arrived outside the ward, doctor Li lowered his voice and said tactfully, “Miracle Doctor Ye, I feel that your uncle’s current situation is still very dangerous. He’s not as optimistic as I thought.” ”

Ye Zao’s family trusted ye Zao too much.

They did not know how excited they were now and how sad they would be in a day’s time.

It could even be ten times more sad!

“According to what he had just checked, Ye Sen only had less than a day left!”

“Ye Zao’s expression was indifferent. His exquisite brows and eyes seemed to be covered by a layer of light, just like the snow on a cold mountain, “Thank you for your concern, doctor Li. I know that you are

giving me a kind reminder, but my uncle is currently recovering. He will regain consciousness in about five to six hours.” ”

Five to six hours was a conservative number.

“In fact, Ye Sen would wake up in two to three hours at most. ”

He would regain consciousness in five to six hours?

How was that possible!

“If he could really regain consciousness in five to six hours, Ye Sen would not be in this state anymore. ”

The current ye Sen was clearly at the end of his life.

“Doctor Li continued, “Miracle Doctor Ye, let me say something out of line. I feel that you must have made a mistake in your judgment this time. Based on your uncle’s current situation, actually, my personal opinion is to pull out the oxygen tube. It’s too painful for him!” ”

Every minute now was a torture for ye Sen.

Only those who had experienced this kind of feeling would understand.

Death was actually a relief for him.

“At most six hours.”Ye Zhuo turned to look at Doctor Li. “My uncle will definitely wake up.”

Doctor Li felt like he was speaking to a chicken.

Ye Zhuo did not seem to understand what he was saying.

“He had already said that Ye Sen was hopeless, but ye Zhuo had always believed that ye Sen would wake up.”

Ye Zhuo was too confident. He was so confident that he could not hear any sound.

“Since they had already said that, doctor Li could not say anything more. He continued, “If that is really the case, then it will be another miracle in the medical world!” ”

“If miracles really happened that easily, then it would not be called a miracle. ”

Chapter 1263: 263: this is simply a fantasy. Ye Sen woke up 3

Ye Zao was Miracle Doctor Ye.

He was the first person to cure cancer.

He was just a small doctor. It was normal for ye Zao not to believe him.

It was fine if ye Zao did not believe him now.

Facts speak louder than words!

“Six hours later, if ye Sen did not wake up, Ye Zao would believe him! ”

“At that time, ye Zao would know that what he said was right. ”

"It can't be called a miracle."Ye Zao's voice was shallow.

"Doctor Li smiled and said, "Miracle Doctor Ye, you're too modest." "

"Ye Zao continued, "Doctor Li, do you have anything else?" "

""No," doctor Liu continued, "Miracle Doctor Ye, then I won't bother you anymore! I'll return to the department first." "

"Okay."Ye Zhuo nodded slightly and turned around to return to the ward.

"As soon as he returned to the ward, ye Shu said, "Zhuo Zhuo, can your uncle eat when he wakes up?" "

""Yes."Ye Zhuo continued, "But he can only eat a little liquid food." "

"When doctor Li, who had not gone far, heard this, a helpless look flashed across his eyes. "

Eat?

"For the current ye Sen, eating might only happen in his next life! "

Doctor Li shook his head.

"Okay."Ye Shu took out her phone. "Then I'll call your father and Ah Ze to make some chicken soup and bring it over."

""No need to call, no need to call. I brought chicken soup over." "

The voice came before the person arrived.

Ye Zhuo turned around and saw Zhou Xiang and old Mrs. Cen walking in from outside.

""Grandma Cen, Auntie."Ye Zao immediately went out to greet them. "

Ye Shu also went out to greet them.

"Zao Zao."Old Mrs. Cen held ye Zao's hand. "How is Your Uncle Now?"

"The surgery went very smoothly. He will wake up around six or seven o'clock in the afternoon."

""That's good."Old Mrs. Cen nodded. "When I found out about this, I was shocked! By the way, have you caught the murderer?" "

"Not yet."Ye Zhuo shook his head.

"Old Mrs. Cen continued, "This method is obviously malicious revenge. Did your uncle offend anyone?" "

Malicious revenge.

Father Zhao's eyebrows jumped when he heard this.

Did they really find out about him?

Father Zhao was anxious and worried at the same time.

Ye Sen really couldn't wake up from his anxiety.

He was worried that he would be discovered.

This feeling was very bad.

“Ye Zhuo continued, “According to my uncle’s character, he shouldn’t have offended anyone.” ”

“Then could it be a competition among peers?” Old Mrs. Cen continued to ask.

Ye Zhuo’s expression remained the same. “I can’t rule out this possibility.”

“Ye Shu poured water into a cup. “Old Lady, what would you like to drink? Green tea or orange juice?” ”

“”I’ll just drink boiled water,” Madam Cen answered. ”

“”Xiang Xiang, what about you?” Ye Shu turned to look at Zhou Xiang. ”

“Zhou Xiang said, “I’ll drink green tea.” ”

“Okay.” Ye Shu nodded and began to pour water.

“Soon, ye Shu arrived with boiled water and green tea. ”

“Madam Cen picked up the cup and took a sip of tea. She moved closer to ye Zao’s ear and whispered,
“Zao Zao, who is that Bald Man?” ”

Bald Qiang?

There was a Bald Qiang in this room?

“Ye Zao was stunned for a moment before he asked, “Which Bald Qiang?” ”

“Old Mrs. Cen continued, “It’s that Bald Qiang who is a little bald and wears a blue shirt.” ”

Only then did ye Zao React. The ‘Bald Qiang’that old Mrs. Cen mentioned should be referring to Father Zhao.

He had to admit that old Mrs. Cen’s comparison was quite vivid.

“Looking at it this way, Father Zhao did indeed look like a Bald Qiang. ”

“Ye Zao continued, “That Bald Qiang claimed to be my uncle’s biological father.” ”

“Biological father?”Old Mrs. Cen widened her eyes. “Really? That Bald Qiang doesn’t look like a good person!”

Ye Sen was a good person without any good intentions. Old Mrs. Cen was worried that he would be deceived by the Bald Qiang.

“You have a good eye!”Ye Zao said.

“”Of course.”Old Mrs. Cen stuck out her chest proudly. “If I didn’t have a good eye, how could I choose such an excellent granddaughter-in-law like you?” ”

Even a narcissistic person like ye Zao was embarrassed by the praise.

“After saying that, old Mrs. Cen asked curiously, “Why do I see the Bald man looking so familiar? What’s his name?” ”

“”Zhao Zhenfei,”ye Zao answered. ”

""So it's him!"Old Mrs. Cen said, "I was wondering!" "

"You know him too?"Ye Zao asked curiously.

"Old Mrs. Cen lowered her voice and said, "To tell you the truth, the good brother of the Bald Man once chased me!" "

"Really?"The gossip factor in ye Zao's body was immediately triggered.

""Of course it's true."Old Mrs. Cen patted her chest, "Your grandmother, I was one of the top beauties who chased after me back then. I could line up from the south of the city to the north of the city! In the end, I was blind and was deceived by the fifth girl's grandfather! That old man was very bad. Shaoqing's character was just like his grandfather's. Don't look at him as a prim and proper person. In today's words, he was just sultry... "...". "..."

Chapter 1264: 263: this is simply a fantasy. Ye Sen woke up 4

Ye Zhuo could not help but laugh.

One could imagine that the CEN old lady and Cen Old Man also had a great time.

"After saying that, cen old lady continued, "I'm telling you so much now, but you won't understand! You'll know when you get married! Oh right, where's the fifth girl? Why didn't I See Him? Didn't you say that he also returned to the country?" "

""He went to buy food,"ye Zao said. "

""OH."Old Mrs. Cen nodded and sighed, "This old saying is not wrong at all. When you add salt to the water, you add tofu to it, and one thing subdues another. Ever since I got to know you, this fifth girl has become a completely different person." "

...

On the other side.

"After doctor Li returned to his office, a few doctors immediately came over to inquire about the situation. "Doctor Li, I heard that Miracle Doctor Ye's surgery for her uncle went very smoothly. How is it? has she woken up yet?" "

Doctor Li shook his head. "I'm afraid he'll never wake up."

"He'll never wake up?"

"Yes." Doctor Li nodded.

"Doctor Sun immediately said, "But isn't Miracle Doctor Ye a miracle doctor? Why would he never wake up?" "

"Doctor Zhao, who was beside him, said, "Don't forget that Miracle Doctor Ye is only an expert in the oncology department." "

A doctor from the oncology department went to the surgery department to perform surgery.

Was this not a joke?

""You're right." Doctor Sun continued, "Fortunately, Ye Sen is Miracle Doctor Ye's uncle. Even if the doctor really dies, he won't have any relatives to cause trouble for him. If it were any other patient, they would definitely cause trouble!" "

"Doctor Sun lowered his voice and said, "Actually, I think that Miracle Doctor Ye is using Ye Sen as an experiment." "

“What do you mean?”

“Doctor Sun continued, “Just like what little Zhao said, we’re all family. Even if something happens to ye Sen now, no family member will find trouble with Miracle Doctor Ye!” ”

“Actually, Ye Zao was not treating Ye Sen at all. ”

She was using the excuse of treating ye Sen’s illness to conduct human experiments.

“Shhh!” Doctor Zhao immediately made a ‘Shush’ gesture. “You can’t say such things!”

Miracle Doctor Ye’s name had a lot of influence in China.

“If such words were to spread, the consequences would be unimaginable. ”

Using a living person as an experiment?

It was simply terrifying!

“Doctor Sun continued, “Don’t worry, I’m just saying it in front of you guys.” ”

In Ye Sen’s ward.

“Zhou Xiang was chatting with ye Shu when she suddenly received a phone call. “Hello, Wanyin.” ”

“Okay.”

"After hanging up the phone, Zhou Xiang looked at Ye Shu. "I'm really sorry, Mom. I might have to go out for a while." "

"Ye Shu said, "It's fine, it's fine. You can go back to work." "

"Old Madam Cen looked up at Zhou Xiang. "Xiang Xiang, where are you going?" "

Zhou Xiang's expression was a little complicated. "There's someone over there."

Over there.

Old Madam Cen instantly understood. "Then you can go."

"Okay." Zhou Xiang nodded and walked out.

At the airport.

A pretty girl was holding an old lady and waiting at the airport entrance.

The old lady looked to be in her eighties. Her skin was a little yellowish and her cheekbones were a little high. She looked a little difficult to get along with.

"Yinyin, is your aunt here yet?" "

Zheng Wanyin shook her head. "She doesn't seem to be here yet."

The old lady frowned. "Why isn't she here yet? Did you tell her that we're already waiting?"

"Yes." Zheng wanyin continued, "Aunt might be busy. Let's just wait a little longer." "

The old lady was a little unhappy. "I think she just doesn't take us to heart."

""Grandma, please don't think that way." "

"Just then, Zheng Wanyin suddenly saw a familiar figure in the crowd. "Aunt is here!" "

"Zhou Wanyin waved at Zhou Xiang. "Auntie, this way." "

"Zhou Xiang jogged over. "Mom, Wanyin." "

"That's right. This old lady who didn't seem to be easy to get along with was Zhou Xiang's mother, Xie Wanqiu. "

"However, Xie Wanqiu wasn't Zhou Xiang's biological mother. "

She was a stepmother.

"Zhou Xiang's biological mother passed away when she was fifteen. Three years later, her father married Xie Wanqiu. "

Xie wanqiu glanced at Zhou Xiang. "Why are you so late?"

"Zhou Xiang explained, "There was a traffic jam on the road. Let's go quickly! Right, Mom, you and Wanyin haven't eaten yet, right? Let's Go Eat First." "

"Zheng wanyin said, "Auntie, grandma and I have already eaten on the plane." "

""That's good."Zhou xiang continued, "Then let's go to the hotel." "

“Where do you think we’re Going?”Xie wanqiu looked up at Zhou Xiang.

“Zhou Xiang said, “A hotel.” ”

“Xie wanqiu said angrily, “Do you think I came all the way from Wuzhou to the capital just to stay in a hotel?” ”

Chapter 1265: 263: it’s impossible. Ye Sen woke up 5

“No wonder people say that hair is a good thing, daughter is a good thing. ”

“This is not biological, in the end is not biological. ”

“No matter how much you do for her, she will not be the slightest bit grateful. ”

Take Zhou Xiang for example.

“Her mouth is better than singing, said that she treated her as her biological mother. ”

And Now?

“If Zhou Xiang really treated her as her biological mother, would she let her stay in a hotel? ”

Which daughter would say such a thing?

“Actually, Zhou Xiang was really wronged. ”

“Xie Wanqiu’s character was very strange, and she was also very strong-willed. She had to make decisions about everything. ”

“In the Zhou family, she was the only one who made decisions about the big and small matters in the Zhou family. Father Zhou could not even make decisions about the big and small things. ”

“Therefore, Xie Wanqiu and old Madam Cen did not get along. ”

Neither of them could stand the other.

“Therefore, every time she came to the capital, Xie Wanqiu would stay in a hotel. ”

“In the long run, Zhou Xiang had formed a habit. She did not expect that Xie wanqiu would change her personality this time! ”

“Zhou xiang continued, “But didn’t you always stay in a hotel when you came here before?” ”

““That was in the past. This time, I want to stay at your house.”Xie wanqiu turned to look at Zhou Xiang and asked, “Why? You Don’t want me to stay at Your House?” ”

““No, no, no. Why would I do that?”Zhou xiang smiled and said, “Then let’s go quickly.” ”

“Xie wanqiu followed Zhou Xiang’s footsteps and continued, “Why didn’t anyone inform me that Shaoqing was in a relationship?” ”

“Zhou Xiang felt a little troubled. “I’ve been a little busy recently, so I didn’t have the time to inform you.” ”

“Xie wanqiu put on a fake smile and said, “Then you’re really busy!” ”

“Zheng wanyin said, “Auntie, I heard that cousin’s girlfriend is very pretty. Is that true?” ”

“Yes.”Zhou Xiang nodded.

“Zheng wanyin continued, “I really want to see what my future cousin-in-law looks like!” ”

“Xie wanqiu snorted coldly. “Pretty? What’s the use of being pretty? Can she be used as money, or can she be used as food?” ”

Strength was the most important thing.

Xie wanqiu hated those who relied on their looks to get ahead the most.

“Zhou xiang hurriedly said, “Mom, actually, not only is burning beautiful, she’s also very outstanding. She and Shaoqing are evenly matched.” ”

“”Evenly matched with cousin!”Zheng wanyin said in surprise, “Then my future cousin-in-law must be very powerful, right?” ”

“Yes.”Zhou Xiang nodded.

Xie wanqiu sneered.

Evenly matched with Cen Shaoqing?

This stepdaughter of hers was probably dreaming!

“Xie wanqiu looked at Zhou Xiang. “Then tell me, what achievements has she achieved?” ”

“Zhou Xiang said, “Zhuozhuo is a very low-key good girl. I’ve told you, you and Wanyin must not tell anyone else.” ”

""Tell me,"Xie Wanqiu said. "

"Zhou Xiang continued, "Zhuzhuo is miracle doctor ye who cures cancer." "

Miracle Doctor Ye?

Cures cancer.

Did this stepdaughter of hers think that she was senile?

She really dared to say anything!

"Hearing this, Zheng wanyin exclaimed, "Aunt, that future cousin-in-law is too amazing! Curing cancer is something that benefits all mankind." "

""Yes."Zhou xiang continued, "Actually, your cousin-in-law's achievements are far more than that. Don't look at her age as being five or six years younger than you, but she is really outstanding. Your Cousin's grandmother, your cousins, and I all like her very much!" "

What did Zhou Xiang mean by this?

Was she implying that Zheng Wanyin was inferior to ye Zao?

Xie Wanqiu's expression was very ugly.

She was five or six years younger than Zheng Wanyin.

How Old was ye Zao?

Twenty years old!

A 20-year-old little girl who could cure cancer?

Such words could only be used by an old woman like her.

Zheng Wanyin was also a simple girl. She actually believed such words.

Xie wanqiu could not be bothered to expose Zhou Xiang.

Her stepdaughter was a simple-minded person. She did not have any tricks up her sleeve. She would believe whatever others said.

“Why didn’t Ye Zhuo come with you to pick me up?”Xie wanqiu suddenly asked.

“Ye Zhuo was Cen Shaoqing’s girlfriend. If she wanted to marry into the Cen family in the future, she would have to obtain her approval. ”

“However, Ye Zhuo did not come to the airport with Zhou Xiang to pick her up. ”

“It was obvious that he did not take her, his grandmother, seriously! ”

He did not even have an elder in his eyes. He definitely could not accept such a person!

“Zhou Xiang said, “Zao did not know that you were coming.” ”

“You did not say?”Xie wanqiu asked in return.

“Yes.”Zhou Xiang nodded.

“Xie wanqiu continued, “If you did not say, didn’t she know to ask?” ”

Zhou Xiang held back a breath in her heart.

But this person was her stepmother.

“The relationship between stepdaughters and stepmothers was always rather delicate, and Xie wanqiu was already so old. If she really got into an argument with Xie wanqiu, it wouldn’t sound good if word got out. ”

“Seeing that the atmosphere wasn’t right.., ”

“zheng Wanyin smiled and helped her out. “Grandma, look at how lively it is outside! I haven’t been to Beijing for a few years, and this change isn’t just a little bit. As expected of the capital of China!” ”

“Hearing this, Xie Wanqiu turned to look out of the car window. “It has indeed changed a lot! If I had known earlier, I would have brought little six here to have some fun.” ”

Zhou Xiang gave Zheng Wanyin a grateful look.

Zheng Wanyin smiled at Zhou Xiang.

On the other side.

Ye Zhuo and old madam Cen were chatting when they suddenly heard a weak voice.

“Your uncle is awake!”Old Madam Cen said.

“Ye Zao immediately stood up from the sofa. Ye Sen, who was on the sickbed, was indeed awake. ”

“Uncle.”

“Ye Sen pressed his temples. “Zao Zao, I . . . What happened to me?” ”

““You’re injured.”Ye Zao continued, “But you’re fine now.” ”

“Old Mrs. Cen brought over chicken soup. “Here, brother-in-law, drink some chicken soup.” ”

“Ye Sen took the bowl. “Old Mrs. Cen, I can do it myself.” ”

““You Child, why are you being so polite with me!”Old Mrs. Cen continued, “You’ve just recovered, so you don’t have any strength at all. Let me feed you.” ”

“Ye Sen was already so old, but old Mrs. Cen still called him a ‘child’. This made him blush and feel a little embarrassed. ”

Old Mrs. Cen handed the spoon to Ye Sen’s mouth. “Open your mouth quickly!”

Ye Sen opened his mouth stiffly.

“After a bowl of chicken soup, Ye Sen had recovered a lot of his strength. ”

Old Lady Cen scooped another bowl of chicken soup for ye sen. “Drink another bowl.”

“Ye Sen said, “I can do it myself this time.” ”

Old Lady Cen could only pass the bowl to Ye Sen.

“Father Zhao had never come in from the outside. When he saw this scene, he was immediately stunned. ”

His face was filled with surprise and joy.

He was awake.

His son was finally awake!

Was this an illusion?

Father Zhao pinched himself hard.

It hurt!

It wasn't an illusion!

It wasn't an illusion!

His son was really fine.

Father Zhao pounced on him. “Son! You’re fine! That’s Great!”

“Ye Sen was stunned. It took him a long time to react. “Uncle Zhao, you must have mistaken me for someone else, right? I’m not your son!” ”

“”You are my son!” Father Zhao cried as he said, “Son, it’s all father’s fault for letting you down! Father didn’t take good care of the both of you and made you suffer so much! I’m sorry! Don’t worry. From now on, father will make it up to you properly!” ”

“Ye Sen raised his head to look at Ye Zao. “Zao Zao, what’s Going On?” ”

“”Son! Son!”Father Zhao continued, “Listen to what Daddy has to say to you... .. Actually, your surname is Zhao, and your name is Zhao Ziye ! Back then, your mother and I were childhood sweethearts. Later on, something happened, and we got separated ! In that era where communication equipment wasn’t developed, finding a person was like finding a needle in a haystack. Fortunately, fortunately, the heavens blessed us, allowing us to meet again Son, you actually have a sister. Your sister looks just like you ”

“Chapter 1266: 268: China, Ye Zhuo! 1”

“In this world, only he and Zhao Xueyin were ye Sen’s real family! ”

They were a real family.

Blood was thicker than water.

“No matter when or what happened, no one could change this fact. ”

Now that Zhao Xueyin was injured.

“As his older brother, Ye Sen would definitely not sit idly by. ”

Ye Zhuo’s medical skills were so good that she would definitely be able to heal Zhao Xueyin’s face.

“After ye Zhuo healed Zhao Xueyin’s face, he could ask ye Zhuo to give a portion of Shunxi Financial Group’s shares to the Zhao family. ”

“After all, Ye Sen was ye Zhuo’s uncle. ”

Wouldn't it be natural for a niece to give her shares to her uncle?

Ye Sen was his son.

"If ye Zhuo gave his shares to Ye Sen, it would be the same as giving his shares to the Zhao family. "

"At that time, the Shunxi Financial Group would still belong to the Zhao family. "

"The more father Zhao thought about it, the more excited he became, and his heart beat faster and faster, he continued, "Son, you haven't met your sister, right? If your sister sees you as her brother, she will definitely be very happy! It's been more than 30 years, more than 30 years! The two of you are finally going to meet!" "

"Ye Sen was a little confused when he heard this, and he continued, "You must be mistaken! My Name Is Ye Sen, not Zhao Ziyue!" "

Ye Sen had a very bad impression of Father Zhao.

He did not wish for Father Zhao to be his biological father!

"Father Zhao hugged ye Sen, he cried bitterly, "Son! Son! I am really your father! Father has been looking for you for so many years. Father knows that you resent father, but father did not mean to lose you. Father, I beg you, Father has kowtowed to you! Can you forgive Father?" "

Father Zhao knelt down in front of ye Sen.

"As long as he could recognize his son, kneeling down was nothing? "

"Although ye Sen didn't like Father Zhao, he still felt bad when he saw the white-haired old man kneeling in front of him. He quickly said, "Why are you kneeling down? Get Up!" "

“Father Zhao continued, “If you don’t forgive me, then I won’t Get Up!” ”

The current Ye Sen wasn’t just a son to Father Zhao.

He was also the only savior of the Zhao family.

Weren’t those people in the financial world taking advantage of others?

He wanted to show them.

“Even if they were kicked out of the financial world, they could still return with their heads held high! ”

“Not only could they return with their heads held high, but after they returned to the financial world, their status would be even more eye-catching than before. ”

“Looking at Father Zhao kneeling on the ground, Ye Sen was in a difficult position. ”

“Old Mrs. Cen walked over and said, “I say, how can you be so thick-skinned! Didn’t you hear Xiao Ye say that he doesn’t know you? You’re already so old, yet you’re still using this trick. Aren’t you afraid that others will laugh at you?” ”

“Father Zhao raised his head to look at Old Mrs. Cen, he was very moved and said, “Old Man, you’re also a parent. You should know the pain of separation of flesh and blood... “My son and I have been separated for more than 30 years. Now, I have finally found him. As long as he can forgive me, I will not hesitate to give him my life even if he wants it, let alone kneel to him!” ”

“Old Mrs. Cen rolled her eyes and said speechlessly, “He is not a murderer. Why would he want your life? Can’t you see that? A child doesn’t want to acknowledge you at all. Is it meaningful for you to be like this?” ”

“Then I’ll kneel until he acknowledges me!”

““You’re playing the moral kidnapping game, right?” Old Mrs. Cen pointed at father Zhao and said, “I hate people like you the most in my life! Your skin is thicker than the corner of the city wall!” ”

To say that Father Zhao was as strong as a bald man was an insult to the character of a bald man.

It was simply too disgusting!

“At this moment, there was a knock on the door.”

“Who is it?”

Ye Shu walked over to open the door.

“The moment she opened the door, she saw Lin Jincheng standing outside with three policemen.”

“Lin Jincheng said, “Ah Shu, let me introduce you. This is captain Li. This is Officer Zhou, and this is Officer Yin.” ”

“After saying that, Lin Jincheng turned to look at the three policemen. “Captain Li, Officer Zhou, and Officer Yin. This is my wife, Ye Shu.” ”

“Captain Li reached out his hand to ye Shu. “Hello, Ms. Ye. I’m Li Yuan, the person in charge of this case.” ”

“Ye Shu reached out and held captain Li’s hand. “Captain Li, I’ll have to trouble you with my brother’s matter.” ”

“Of course.”

“Come in, please.” Ye Shu made a welcoming gesture. ”

The three police officers walked in.

“Father Zhao, who was kneeling on the ground, was stunned when he saw the police officers who came in. ”

He had a guilty conscience.

He didn't forget that he was the mastermind.

He had hired someone to kill someone.

And it was his own son who had been killed.

“If Yesen knew about this, he would never forgive him! ”

“Chapter 1267: 268: China, Ye Zao! 2”

No.

This matter must not be investigated by the police.

“Moreover, this matter could not be entirely blamed on him. ”

He also did not know that Ye Sen was his own flesh and blood.

“If he knew, he definitely would not do that. ”

Father Zhao was very regretful.

But it was no use regretting now!

He had to think of a way to save and get rid of the suspicion.

Thinking about it.

“Father Zhao immediately stood up from the ground and grabbed the leading policeman’s hand, preempting the attack, “”Comrade officers, I beg you to get justice for my son, to find out who is behind this, and if you can find out who is behind this, I will do whatever you want me to do! My Son is so pitiful, he lost his parents when he was young, and now he almost lost his life... .”” ”

“In the end, Zhao’s father directly wailed out. ”

Just like a loving father.

“Who would have thought, looking at him, that he was the mastermind! ”

“Captain Li said, “”Sir, don’t worry. It is the duty of the police to fight against criminals and protect the lives and property of citizens. We will catch the criminals as soon as possible and punish them severely!”” ”

“Hearing the last two sentences, Father Zhao’s eyebrows jumped. ”

Punish them severely!

“Father Zhao gulped and continued, “”Have you found out anything? who exactly wanted to harm my son? I will definitely not forgive him!”” ”

“Captain Li continued, ““We can not reveal too much specific information to you, but don’t worry. Once there is any new information, we will definitely inform the family.”” ”

Can’t divulge too much specific information?

What did this mean?

Did the police find anything?

“Logically speaking, they shouldn’t be able to find anything. ”

“After all, Mike wasn’t an ordinary assassin. ”

“He had cooperated with Mike so many times, but Mike had never failed before. How could he be found out this time? ”

It was chaotic when he was concerned.

“Because ye Sen was his biological son, the more anxious he was, the more chaotic it became. ”

No.

He could not be anxious.

Father Zhao tried his best to calm himself down.

““““Okay, okay!”””Father Zhao continued, “““Comrade police officers, it’s been hard on You! If you find anything, please inform me immediately.”” ”

“Captain Li looked at Father Zhao. “”It’s not hard at all. This is what we should do.”” ”

Ye Zhuo’s gaze inadvertently swept across Father Zhao’s face.

His expression was indifferent.

“Captain Li then walked to the side of Ye Sen’s bed and bent slightly. He looked at ye Sen and asked, “”Mr. Ye, how do you feel now?”” ”

“””Pretty good.”””Ye Sen nodded. ”

“Captain Li then asked, “”Then is it convenient for me to ask you a few questions?”” ”

“””Sure.”” ”

“Captain Li turned to look at the other people in the ward. “”I want to ask the victim a few questions now. Please excuse us for a moment.”” ”

“””Okay.”” ”

Everyone walked out of the ward.

Father Zhao walked at the back.

“As he walked out, he turned around to look at the ward. ”

He felt uneasy.

“Not long after, Father Zhao came to the bathroom and made another call. ”

“When Mike saw Father Zhao’s call, his line of sight was cut off. ”

“However, Father Zhao was an old customer after all. There was still hope for cooperation in the future. Moreover, Father Zhao was generous and never defaulted on his commission. He picked up the call.

“”Mr. Zhao.”” ”

“””M-mike!”””Father Zhao’s voice was a little shaky. “””I’ve asked someone to book a plane ticket for you. Hurry up and leave China. Go out and lay low!”” ”

“On the other side, Mike was stunned. Even the cigarette between his fingers had burned his skin. He was completely unaware and asked with some uncertainty, “””Ye Sen has already woken up?”” ”

“””Yes!”””Father Zhao continued, “””My son has already woken up! So you should hurry up and run! I can only say that my son’s Ye Zhuo is really not an ordinary person! If you don’t leave, she will definitely find out about you! At that time, we will all be finished!”” ”

Mike narrowed his eyes.

His eyes were filled with disbelief.

It was unbelievable.

It was simply unbelievable.

He did not expect that someone in a small country like China could actually cure his poison.

“After all, using poison was his specialty. ”

“Moreover, even he himself couldn’t cure his poison. How could a Chinese cure it? ”

""Are you sure that your son has woken up?""Mike continued to ask. "

""Yes, I'm sure!""Father Zhao covered his mouth and said in a low voice, ""The police are already here! You should leave quickly!"" "

"Mike said again, ""How is his mental state?"" "

""Very good!"" "

Mike frowned deeply.

How could this be?

"Chapter 1268: 268: China, Ye Zhuo! 3"

How did the other party cure him of his poison?

"Who did you say was the person who cured him of his poison? What's his name?"

"Although Father Zhao had said many times that ye Zhuo was very powerful, Mike did not take her to heart. "

""Ye Zhuo, Ye Zi's Ye, beside the word 'fire'." "

"Got it."

"Mike..."

“Just as Father Zhao was about to say something else, Mike hung up the phone.”

On the other side.

“Mike put out the cigarette butt in the Ashtray, released the beauty in his arms, lifted the quilt, and walked to the computer desk.”

““Dear, what’s Wrong?”The gorgeous woman on the bed looked at Mike’s back in confusion.”

“He was a man who was in high spirits just a second ago, but after he picked up the phone, he became like this. The gorgeous woman was very confused.”

“Mike didn’t say anything. He sat down at the computer desk, opened the lid of the laptop with one hand, operated the mouse with one hand, and pressed the keyboard with the other.”

A crackling sound immediately came from the air.

The next second.

Ye Zao’s information appeared on the computer screen.

Ye Zao.

Female.

Twenty years old.

Chinese.

Achievements: ?

Home address: ?

Home address: ?

Personal relationship: ?

Partner: ?

...

“Other than her age and nationality, her other information was encrypted with question marks.”

It was impossible to find out.

Mike frowned slightly.

“Although his hacking skills could not be compared to professional hackers, among ordinary people, he was considered to be at the pinnacle of perfection.”

It was impossible that he could not even find out the information of a Chinese person.

Unless...

This person also had strong attainments in the field of hacking.

But...

What attainments could a Chinese person have in the hacker world?

“Moreover, she was only 20 years old. ”

“20 years old, and she had not even graduated from university. ”

“Mike opened a dialog box, [Hello?] ”

“[yes, speak.] A very simple reply. ”

[help me investigate a person.]

[send it over.] The other party immediately replied.

“Mike continued typing, [China, Ye Zhuo.] ”

The other party did not reply immediately.

A moment later.

A picture was sent over.

Mike opened it and took a look. This picture was exactly the same as the information he had found.

“Other than some basic information, ye Zhuo’s other information was all encrypted. On the picture, there were all black question marks. ”

This was a little unbelievable!

“After all, the other party was the number one hacker in C Nation, Joe! ”

Joe was already the best in the hacker alliance ten years ago. How could he not be able to find a single person’s information?

Mike: [? ? ? You Can’t find out either?]

“Joe immediately replied: [this person’s information, there are at least ten hackers helping her encrypt it.] ”

More than ten hackers?

“Mike narrowed his eyes and replied, “Is there any way to find out?” ”

“Give me a few more days.”

Since he was number one.

Joe would not admit defeat.

He would definitely find out ye Zhuo’s true identity!

Wasn’t it just ten hackers?

Soon.

He would let the other party know.

Who was the founder of the hacker world.

"[Okay.] After sending a word, Mike turned off the computer. "

"Darling."The gorgeous girl walked behind Mike and hooked her arm around his neck. "Are you done?"

"Mike pulled her in front of him and kissed her. "Be Good, wait for me for a while." "

"Where are you going?"The gorgeous girl asked.

"Mike continued, "I have something to take care of." "

"The gorgeous lady said very reluctantly, "Then you have to come back quickly! I'm waiting for You Here!" "

Mike took his clothes and changed. "Okay."

Not long after.

A beautiful lady with long hair walked out of the hotel entrance.

On the other side.

At the hospital.

The three police officers stayed in the ward for half an hour before they came out.

"When he saw the police officers coming out, Father Zhao's expression changed, and his palms were covered in a layer of cold sweat. "

“Although he kept telling himself to calm down, his palms couldn’t help sweating when he saw the police. ”

“”Mr. Zhao, what are you nervous about?”A clear and shallow voice sounded in the air. ”

“Father Zhao turned around and saw ye Zhuo standing beside him. His heart skipped a beat, but he still smiled and said, “I’m just too anxious! I don’t know when I’ll know the murderer who hurt your uncle!” ”

“”Is that right?”Ye Zao continued, “Actually, I am also very curious about who that person is.” ”

This sentence made father Zhao even more uneasy.

Could it be that ye Zao was already suspecting him?

No.

It couldn’t be.

He was ye Sen’s biological father. Why would ye Zao suspect him for no reason?

“Chapter 1269: 268: China, ye Zao! 4”

Ye Zao had no right to doubt him at all!

“At a time like this, he could not panic, nor could he panic. ”

“Thinking of this, Father Zhao walked into the ward with a calm expression, “A Ye, my son! “Please forgive Dad. Look at your sister. Your sister and her biological mother have been separated for so many

years. She has already forgiven Lang Hua. Can't you pity me? "The tree wants peace, but the wind won't stop. The child wants to be raised, but the family won't stay. I'm already in my seventies this year. Do you really want to see dad go into the coffin with regret?" "

The most important thing now was to make ye Sen accept him!

"Seeing this scene, old Mrs. Cen frowned even more. She pulled on ye Zao's sleeve. "This bald man is really good at talking!" He kept calling him dad and going into the coffin one by one! "

Who could resist this!

"More importantly, he even compared ye Shu. "

"Seeing that Ye Sen didn't have any reaction, father Zhao continued, "And your sister, Xue Yin. She is your only sister in this world. Do you really not want to see her?" "

""I only have one sister. I don't have a sister!" Ye Sen turned his head and said, "Especially the kind of sister who has no humanity and kills small animals!" "

Ye Sen watched Zhao Xueyin's cat abuse video.

"Previously, it was fine if he didn't know that Zhao Xueyin was related to him by blood. Now that he knew that Zhao Xueyin was related to him by blood, Ye Sen only felt disgusted! "

"After saying that, Ye Sen continued, "Also, you're not my father! I haven't had a father for a long time!" "

""Son! Son!" Father Zhao directly sat on the ground, he burst into tears, "You're asking for Father's life! I know that Father is a failed father. Not only did he lose you and your mother, but he also failed to teach your sister well. But everyone makes mistakes. Can't you forgive Father for once?" "

““There’s a reason why I didn’t teach your sister well. All these years, I spent all my energy looking for you and your mother. I didn’t have the mood to care about your sister at all...” ”

““TSK, you’re really shameless,” old Mrs. Cen said directly. “You didn’t teach your daughter well yourself, and now you’re still relying on Xiao Ye. If you’re so capable, why don’t you go to Heaven?” ”

““Old Lady, you don’t know, but I really have my difficulties.” Father Zhao wiped away his tears, “I don’t blame you for saying that. Those who don’t know aren’t guilty. As long as a ye believes in me, it’s fine. A Ye is my biological son after all. I hope that everyone here can respect his choice. We’re related by blood. In the future, we’re all on the same side.” ”

Once ye Sen acknowledged him.

Then he would be ye Zao’s grandfather.

Who was ye Zao’s boyfriend?

Master five of DK Financial Group.

Then he would be Master Five’s grandfather!

“When he thought of master five lowering his head in front of him and still calling him grandfather, Father Zhao felt extremely happy.”

Good!

This was really great!

“Although he wasn’t able to become Master Five’s father-in-law, being able to become Master Five’s grandpa was also very good.”

At that time.

The Zhao family was one of the few existences in the financial world.

Those who fanned the flames and added insult to injury would all feel extremely regretful.

“When he thought of that scene, father Zhao felt extremely happy. ”

“He originally thought that after being kicked out of the financial world, the Zhao family would fall into his hands. ”

He didn’t expect that there would be another bright future!

“In the future, the Zhao family would definitely be out of everyone’s reach. ”

“”A kiss plus a kiss,”old Mrs. Cen pouted. “You really have the nerve to say that!” ”

“At this moment, a nurse pushed a trolley over. “Excuse me, sir. Please make way. It’s time to change the dressing.” ”

This voice...

Seemed a little familiar.

Father Zhao looked up and saw a young nurse.

This nurse...

Why did she look a little strange?

Especially her facial features.

Father Zhao swallowed his throat.

“She, she, she was clearly Mike in disguise! ”

“Father Zhao and Mike had known each other for a long time and knew Mike quite well. No matter how Mike was disguised, he could recognize him at a glance. ”

What was this place?

How dare Mike Come Here!

What if he was recognized by ye Zao?

Father Zhao was sweating for Mike. He raised his eyes and quietly looked at ye Zao.

Ye Zao was looking down at his phone.

He didn't seem to notice Mike.

It was okay.

It was okay.

Father Zhao was relieved.

“While Father Zhao was looking at Ye Zao, Mike was also looking at ye Zao without leaving a trace. ”

Ye Zao was the first person in the world to cure him of his poison.

He was really curious about what kind of person ye Zao was!

After seeing ye Zao himself.

Besides being beautiful.

“For a time, Mike couldn’t think of any other adjectives. ”

“Chapter 1270: 268: China, Ye Zao! 5”

“Even Mike, who had seen beauties from all over the world, was amazed when he saw ye Zao. ”

This was a pure beauty.

Clean.

Natural.

Mike suddenly understood why there were more than ten hackers encrypting ye Zao’s information.

Because ye Zao was too outstanding.

Those people wanted to protect her.

“She was pretty, but on the surface, she didn’t look as amazing as Father Zhao said. ”

“If ye Zao was amazing, Ye Zao should have noticed when he came in. ”

But not only did ye Zao not notice at all.

“Instead, he had been playing with his phone. ”

This meant that ye Zao was only average.

Maybe ye Zao could cure his poison by accident.

“After a moment, he looked away and changed the medicine bottle that was about to run out on top of Ye Sen’s head. ”

“After changing the medicine bottle, Mike pushed the trolley and walked out. ”

Ye Zao looked at his phone as he walked out.

Bang.

“Because he wasn’t paying attention to the road, ye Zao accidentally bumped into Mike. ”

His phone fell to the ground as a result.

“Father Zhao already had a guilty conscience. When he saw this scene, he was so scared that his face turned pale. ”

What should he do?

What if ye Zhuo discovered something?

Mike quickly picked up the phone and returned it to Ye Zhuo. "I'm sorry."

"I'm the one who bumped into you. I should be the one apologizing." Ye Zhuo took the phone.

Mike smiled and continued to walk out.

"When he saw that ye Zhuo did not take any further action, father Zhao heaved a sigh of relief. "

It was alright.

It was alright.

Ye Zao did not notice anything.

Mike pushed the trolley and disappeared into the corridor of the hospital.

"Father Zhao continued to look at Ye Sen and said with a face full of tears, "A Ye, can't You Forgive Daddy?" "

""You can go out first." Ye Sen continued, "I don't want to see you for the time being." "

For the time being.

Ye Sen said for the time being.

This meant that ye Sen still had his father in his heart.

“Father Zhao continued, “Then Daddy will go home first. You should rest well in the hospital. Daddy will come and See You Tomorrow.” ”

“After leaving the hospital, Father Zhao called Mike and said angrily, “Mike, don’t you know that you are too bold! You even dare to come to the hospital! What if someone finds out?” ”

“Mike, who was opposite him, chuckled, “Mr. Zhao, I remember that there is an idiom in your country called worrying over nothing.” ”

“”You’re lucky that Ye Zao didn’t recognize you this time!”Father Zhao continued, “I’m begging you, can you please leave this place as soon as possible!” ”

He was lucky?

It was obvious that ye Zao was not capable enough.

“Father Zhao described ye Zao as a god, and Mike really thought that ye Zao was powerful. ”

So that was all.

“”Mr. Zhao,”mike sneered, “Are all Chinese people as timid as you?” ”

“Mike! You Should Leave Now! I’ll give you another three million!”Father Zhao continued.

“The more father Zhao was like this, the more Mike didn’t want to leave. ”

He wanted to see how capable ye Zhuo was!

“Mike!”

Father Zhao looked at the cut-off call again and was so angry that his face turned red.

“On this side, Mike. ”

“Just in case, he logged onto the website again and cleaned up all the surveillance footage on the day of the incident. ”

“Then, he contacted Joe. ”

[can you restore the surveillance footage at this time?]

“Joe replied very quickly, [don’t worry, you cleaned it up very well. I’m afraid even Z won’t be able to restore it.] ”

Hacker z appeared out of nowhere two years ago.

“Although Joe was the number one in C nation, in front of Z, he couldn’t even be compared to a shadow.
”

Z was someone the Hacker Alliance couldn’t invite!

“Seeing Joe’s reply, Mike was relieved. ”

The surveillance camera was the only evidence.

“But if even z could not recover the surveillance camera, could the Chinese? ”

Ye Zhong?

At the hospital.

“Ye Sen felt that the ward was quite boring. In addition, too many things had happened that day. For a moment, he could not digest it, so he came to the back garden of the hospital to take a look. ”

“The garden was covered in white snow, and a few red plums were blooming in the cold. ”

“The sunlight shone on the snow, reflecting a golden light. ”

“Brother Ye!”

“At this moment, a surprised female voice came from behind. ”

“Ye Sen turned around and said in surprise, “De Ning?” ”

That’s right.

The person who called him was Gu de Ning.

“Gu De Ning pushed a middle-aged woman in a wheelchair over. “Brother Ye, are you hurt?” ”

“It’s just a minor injury. It’s nothing.”Ye Sen looked at the middle-aged woman in the wheelchair. “Is this Auntie?”

“Gu deling said a little embarrassedly, “This is my sister.” ”

Gu deling was an old woman from her parents. Her sister was 23 years older than her.
