“Chapter 1271: 268: China, Ye Zhuo! 6”

“Therefore, when the two sisters went out together, they were often misunderstood as mother and daughter.”

“Ye Sen was also embarrassed. “Sister, I’m sorry. I was blind!” ”

“It’s okay.”Gu Dexin waved her hand carelessly.

“Gu delin continued to introduce, “Sister, this is Miracle Doctor Ye’s uncle, Ye Sen.” ”

“Hearing this, Gu Dexin’s eyes lit up. “So You’re Mr. Ye! I’ve often heard about you from Dening!” ”

Gu dening often mentioned him in front of her family?

“Ye Sen glanced at gu dening and said, “Sister, you’re too kind! Just Call Me Xiao Ye!” ”

““Then I won’t stand on ceremony.”GU dextrin continued, “Xiao Ye, do you have a girlfriend?” ”

““Not yet,”ye Sen answered. ”

“Gu dextrin smiled and said, “It just so happens that our dening is still single! My parents are so worried about her, how about...” ”

“Gu dening quickly interrupted gu dextrin, “Sister, the wind outside is quite strong, let’s go back quickly! Brother Ye, we’ll leave First!” ”

“After saying that, Gu dening pushed the wheelchair and turned to run.”

Ye Sen smiled as he watched her back.

Gu Dening’s heart was still beating fast as she ran all the way to the ward.

Gu Dexin was a little speechless. “I’m talking to that Mr. Ye! Why are you running away!”

The Gu family’s parents were already over 90 years old.

Their only wish now was to see Gu dening hurry up and get married.

“Gu dening glanced at Gu Dexin. “Sister, who talks about that kind of topic on their first meeting! Besides, it’s not like your sister can’t Get Married!” ”

“”If you could get married, would you wait until now?”Gu Dexin asked back. ”

Gu Dening:”...”she was speechless.

Over here.

“After gu dening left, Ye Sen was ready to return to the ward. ”

“On the stone path, a doctor in a white coat brushed past him. ”

A moment later.

“The doctor in a white coat came back and looked at Ye Sen with disbelief in his eyes. “Ye, you, you’re Ye Sen?” ”

Ye Sen was actually fine?

“This was not an illusion, right! ”

Ye Sen nodded. “I’m Ye Sen. May I know if we know each other?”

The doctor in the white coat was doctor Li.

He did not expect ye Sen to wake up.

He also did not expect ye Sen to recover so quickly.

It was as if he was dreaming.

Doctor Li bit the tip of his tongue.

It hurt.

It was not a dream.

Ye Sen was really fine.

Could it be that it was a flash in the pan?

“Doctor Li continued, “Mr. Ye, I am your previous attending physician. My surname is Li! Can you come with me to my office? I want to give you a checkup!” ”

“Sure.”Ye Sen nodded and followed doctor Li to his office.

“After a checkup, doctor Li was completely stunned.”

He was fine.

Ye Sen was actually fine.

Doctor Li thought that Ye Sen was already in a state of helplessness.

He did not expect ye Zao to Really Cure ye Sen.

Miracle!

This was simply a miracle.

“Seeing doctor Li like this, Ye Sen asked in puzzlement, “Doctor Li, What’s wrong? is my condition not too good?” ”

“”No! Your condition is very good!”Doctor Li continued, “I’m too surprised!” ”

“What are you surprised about?”Ye Sen asked.

“Doctor Li continued, “You may not know this, but your injury was very serious at that time. We gave you two critical notices. I, I even suggested pulling out the oxygen tube. It was your niece, Miracle Doctor Ye, who insisted on operating on you. That was why...” . “...” . The rest of his words., were already self-evident.”

Doctor Li’s feelings were very complicated now.

“At that time, because he did not believe that ye Zao would only have ye Sen, he even thought that ye Zao was experimenting on Ye Sen, so his attitude was not good.”

“Thinking about it now, he was like a clown!”

“Ye Sen smiled and said, “My niece is very powerful. She can even cure cancer, not to mention a small injury like mine!” ”

“After saying that, ye sen continued, “That doctor Li, if there’s nothing else, I’ll take my leave First!” ”

Doctor Li personally sent ye Sen out.

“When they returned to the ward, Lin Ze had already brought dinner. “Uncle, it’s time to eat.” ”

“Have you eaten?”Ye Sen asked.

“Lin Ze shook his head. “No, let’s eat together.” ”

Ye Sen looked inside the ward. “Where’s zhongruo?”

“I have something to do!”Lin Ze said.

“Ye Sen smiled and said, “Then let’s sit down and eat.” ”

There was a knock on the ward door.

Lin Ze walked over to open the door.

It was Father Zhao.

“When he saw Father Zhao, Lin Ze’s expression turned a little ugly. ”

“Father Zhao smiled and said, “Ah Ze, I’m here to bring your uncle some food.” ”

“Chapter 1272: 268: China, Ye Zhuo! 7”

“Lin Ze said, “There’s no need. My uncle is already eating!” ”

“Father Zhao squeezed through the crack in the door. “A Ye, dad brought you food!” ”

Ye Sen looked up at Father Zhao. “I’ve said it many times. My Name Is Ye Sen! It’s not Zhao Ziyue!”

“Father Zhao immediately said, “Okay, okay, okay! If you don’t like this name, then I won’t call you a Ye. It’s fine to call you sen! Come to Sen. I’ll get someone to make Pigeon Soup for you. There’s also bird’s nest here.” ”

“I’m already full.”Ye Sen put down his chopsticks.

“Facing Ye Sen, Father Zhao had no temper at all. “It’s okay, it’s okay. It’s Daddy’s fault for coming late tonight. Daddy will come early tomorrow! Don’t be angry, Sen!” ”

“Ye Sen continued, “Mr. Zhao, I won’t recognize you, and I don’t want to see you. Can you please leave?” ”

“Father Zhao wiped his eyes, he continued, “Sen, I know you hate me, and I can understand. After all, when you were young, I didn’t take care of you for even a day. It’s not that I don’t want to take care of you, but I think of you every day, every minute! “Oh right, Sen, you haven’t met your mother, right? “Your mother is a very good, kind, and gentle woman. Oh right, I have her photos here... ..” ”

“As he spoke, Father Zhao took out a few old photos from his pocket. ”

“Although they were very old, the photos were still well preserved. ”

The woman in the photos had bright eyes and kind eyes. One look and one could tell that she was from a well-bred family.

This was the first time ye Sen had seen his own mother.

“For some reason, his eyes were slightly red. ”

“Father Zhao immediately said, “Sen, it’s like this. Back then, there was a misunderstanding between your mother and I, so your mother brought you back to your hometown. At first, I thought that she was just going back to relax, but three days later, she still didn’t come back. Only then did I realize that something was wrong. I immediately went back to my hometown to look for the both of you, but the both of you seemed to have vanished from the face of the earth... .. ”

Father Zhao cried as he spoke.

““Sen, I’m already over 70 years old today. Other people at my age would have become grandfathers long ago, but I live every day missing my son. Can you understand this feeling?” ”

“I know you hate me and blame me...”

““Sen, what do you have to do to forgive me?”Father Zhao took out a dagger out of nowhere, “Sen, will you forgive me if I Die? If that’s the case, I’m willing to die right now! Actually, it’s good that I’m dead. I can go find your mother if I die. However, the only person I can’t Let Go Of Is You, son! Father has just reunited with you... .. ”

“As he said the last sentence, Father Zhao slashed the dagger at his neck. ”

He didn't show any mercy.

There was blood immediately.

Ye Sen was shocked and quickly snatched the dagger from father Zhao's hand. "What are you doing!?"

"Father Zhao's neck was still spurting blood, but he didn't care at all. "Sen, let me die! I'm A Sinner!" "

Because he had already planned it.

"This part wouldn't kill anyone. At most, there would be more blood. "

"Ye Sen looked at Lin Ze. "Ah Ze, go and find a doctor!" "

Lin Ze nodded and ran out.

"Soon, the doctor arrived. "

"However, Father Zhao refused to let the doctor bandage his wound. "Ah Sen, unless you can forgive father! Otherwise, father will die in front of you!" "

"After returning, Father Zhao specially got someone to investigate ye Sen. "

This son of his was a good person and didn't have any good intentions.

"Therefore, Ye Sen would definitely not watch him die! "

"Ye Sen sighed, "Can you let the Doctor Bandage Your wound first? We can talk about other things later!" "

""No!"Father Zhao continued, "Sen, please forgive daddy! Daddy is begging you!" "

"As he said that, Father Zhao was about to kneel down to Ye Sen. "

"The nurse who did not know the truth said, "Mr. Ye, please quickly agree to your father! What kind of huge matter could be more important than a person's life! Moreover, there's only one father. You mustn't do anything that you'll regret!" "

Ye Sen took a deep breath. "Alright! I forgive you!"

"Really?"Father Zhao asked.

Ye Sen nodded.

"Father Zhao ran over and hugged ye Sen excitedly. "Sen, thank you! Thank you for forgiving Father!" "

Excited.

He was really too excited.

"Ye Sen continued, "Bandage the wound first." "

"Okay."Ye Sen nodded.

...

On the other side.

At the police station.

A few police officers were analyzing ye Sen's case.

"A young woman stood in front of the big screen, she pointed at the picture on the screen and said, "I think the murderer shot from here. Whether it's the angle of view or the shooting distance, this is the best location. Moreover, the murderer has a strong anti-detection ability." "

"Hearing this, captain Li turned the pen in his hand. "Xiao Wen, Xiao Ma, have you checked the surveillance cameras?" "

"Xiao Wen stood up and said, "Ye Sen's injury was around 8:23, but the surveillance cameras during this period have been deleted from the Internet." "

"Have you asked the technical department to repair it?" Captain Li asked.

"Xiao Wen continued, "The technical department said it might be a little difficult, and they are currently trying to repair it." "

"Captain Li looked at the woman standing in front of the screen. "Su Fei, continue." "

"Su Fei nodded. Just as she was about to say something, there was a knock on the door. "

"Come in," captain Li said. "

"The next second, the door was pushed open. "

"Seeing the person who walked in from outside, Captain Li quickly stood up and said, "Chief Liu!" "

Seeing chief Liu.

The others also became serious.

Chief Liu nodded. "How's Ye Sen's case coming along?"

"Captain Li said honestly, "There hasn't been any progress so far." "

"Chief Liu continued, "I heard that you guys have encountered some technical problems. This is a computer expert sent by the higher-ups, Miss Ye. If there are any problems, you can ask Miss Ye for help." "

"When he heard this, Ye Zhuo walked out from behind chief Liu. "Hello, everyone. I'm Ye Zhuo." "

Everyone looked at Ye Zhuo.

Their gazes were all different.

This young lady seemed a little young...

Captain Li looked at ye Zhuo and felt that she was a little familiar. "You're Ye Sen's niece?"

Ye Zhuo nodded. "I am."

"Captain Li continued, "I heard that Ye Sen's surgery was also performed by you." "

Ye Zhuo nodded slightly.

"Captain Li exclaimed, "Miss ye is really amazing." "

""I just happen to know a little about everything,"ye Zhuo continued, "Captain Li, we're pressed for time now. Why Don't you bring me to the technology department to take a look first?" "

"Captain Li nodded. "This way, please." "

Ye Zhuo walked forward.

"In a short while, they arrived at the technology department. "

"When the people from the technology department saw Captain Li, they greeted him respectfully. "

"Captain Li brought ye Zhuo to a cubicle and stopped. "Xu Yao, have the surveillance cameras been repaired?" "

Xu Yao shook her head. "Not yet."

"Captain Li continued, "Let me introduce you. This is the computer expert that the higher-ups specially sent to support us, Miss Ye. Let Miss Ye Try." "

Xu Yao stood up and was about to say something when she looked up and saw ye Zao.

Her face was filled with disbelief.

Ye Zao?

Computer expert?

Wasn't this nonsense?

"Chapter 1273: 269: Da Zao accidentally conquered the whole team, and Zhao's father was arrested! 1"

Me

Xu Yao Knew Ye Zao.

That was because her sister Xu Yan and ye Zao were junior high school classmates.

Ye Zao was a delinquent in junior high school.

“When she reached the age of high school, because she didn’t pass, the Mu family spent money to let her enter North Bridge High School. ”

“But with a person like her, even if she spent money to enter high school, she wouldn’t be able to achieve anything. ”

Later on.

“When the Xu family moved to the capital, Xu Yao didn’t hear much about ye Zao. ”

“Later on, when Xu Yao heard about ye Zao, she had already gone from a high and mighty daughter of the Mu family to a fake daughter that everyone despised. ”

She had occupied the real daughter’s life for 18 years.

She was simply Shameless.

“Therefore, she didn’t have a good impression of ye Zao. ”

Xu Yao did not expect to see ye Zao in the Technical Department of the police station today.

How did captain Li Introduce Ye Zao Just Now?

The computer expert specially assigned by the higher-ups?

“Seeing Xu Yao like this, captain li said, “Xu Yao, do you know each other?” ”

“Xu Yao only then reacted and shook her head with a smile. She took the initiative to reach out her hand to ye Zao. “Hello, Miss Ye. I’m Xu Yao, a double Xu, Yao from the Yao Lake.” ”

““Ye Zao. My mouth is made of wood, and my mouth is made of wood.”Ye Zao held Xu Yao’s hand. ”

“After introducing each other, ye Zao leaned into the chair and went straight to the point. “What time does the surveillance camera disappear from?” ”

Captain Li looked at Xu Yao.

“Xu Yao’s eyes were filled with mockery as she continued, “From 8:10 to 9:00.” ”

She wanted to see if ye Zao could really restore the surveillance footage.

“Okay.”

“Ye Zao pressed the keyboard with one hand and used the mouse with the other. The air was filled with the sound of typing, and his fair hands formed afterimages. ”

The collision between white and black was so beautiful that it was soul-stirring.

Captain Li did not understand computers.

“Seeing that ye Zao did not even lower his head to look at the keyboard and was typing so quickly, his eyes were filled with amazement. “This is called blind typing, right? It’s too fast! How many years of training do you have to do this!” ”

“If captain Li had a problem, it would be in the technical department. He did not even use a computer at all. Usually, he would have to search for half a day to Type A word on the computer. It was still the type where he would raise his index finger and look for letters one by one. For someone like ye Zao, he would open all ten fingers, the typing speed was so fast that it was too fast for one’s eyes to take in. Even if a professional saw it, he would probably be a little amazed. ”

“”It’s pretty fast indeed.”Xu Yao stood behind ye Zao and frowned slightly. She continued, “Is this really how you can repair the surveillance cameras?” ”

“As the saying goes, an expert watches the door while an amateur watches the show. ”

“Captain Li did not know much about computers, so he felt that ye Zao was very good at operating them so quickly! ”

“However, in the eyes of an expert like Xu Yao, Ye Zao was just messing around. There was no logic to it at all. ”

She did not know anything about computers at all!

It was simply a waste of time.

“”Captain Li, come out with me for a moment,”she said in a low voice. ”

Captain Li followed Xu Yao’s footsteps.

The two of them went outside.

“Captain Li asked curiously, “Xu Yao, why did you have to come outside when you couldn’t say anything inside?” ”

“Xu Yao continued, “Captain Li, are you mistaken?” ”

“Mistaken about what?” Captain Li didn’t quite understand what Xu Yao meant.

“Xu Yao said, “Are you sure that Ye Zhuo is a computer expert sent by the higher-ups?” ”

“Of course!” Captain Li nodded. “Miss Ye was personally brought to our task force by Chief Liu.”

Xu Yao frowned. “But Ye Zao doesn’t know anything about computers!”

“Captain Li continued, “Isn’t Miss Ye quite amazing? She can type so fast! I think the typist, Xiao Nie, can’t even be faster than her!” The typist, Xiao Nie, could type more than 500 words in a minute. ”

But Captain Li didn’t see the shock that Ye Zhuo brought when he saw Xiao Nie type.

“Xu Yao explained, “Captain Li, it doesn’t mean that she doesn’t know about computers. Take reading for example. After reading a book and flipping through a book, can the results be the same?” ”

“After reading a book, it would take a few days to understand a book. ”

“But after flipping through a book, it would only take a few seconds. ”

Ye Zao’s current behavior was no different from flipping through a book.

Forcefully pretending to be 13!

"If that was the case, then captain Li would understand. Xu Yao was a top student and a computer science graduate, so she wouldn't say anything. "

But Ye Zao was brought over by Chief Liu.

"Captain Li narrowed his eyes and continued, "Are you sure that ye Zao doesn't know about computers?" "

""Yes, I'm sure." Xu Yao's gaze was firm, then, she continued, "Captain Li, to tell you the truth, my sister and Ye Zao are classmates. Ye Zao's reputation in our city didn't sound good before. Adding up the four subjects in the middle school entrance examination, he only scored 15 points. "The high school entrance examination was invested by my family." "

Chapter 1274: 269: great burning accidentally conquered the entire team. Father Zhao was arrested! 2

"Hearing this, Captain Li's expression was a little complicated. "

He originally thought that ye Zhuo was really capable.

He didn't expect...

"Xu Yao continued, "That surveillance footage was obviously deleted by someone with malicious intent. With my ability, it might be a little difficult for me to recover it as soon as possible. However, I know a senior. Her hacking skills are very good. Perhaps she has a way to recover the surveillance footage." "

"Really?" Captain Li's eyes were full of light.

"Yes." Xu Yao nodded.

“In a moment, captain Li and Xu Yao walked to the technology department. ”

There were already quite a few people gathered in front of ye Zhuo’s computer.

Because ye Zhuo’s movements were too fast.

“In addition to her good looks and her young age, everyone was very curious. ”

Such a young girl was actually a computer expert sent by the higher-ups.

Could she really restore the surveillance?

“One had to know that there were a total of 56 people in their technical department. After two whole days of research, they were still unable to restore the surveillance. ”

“Could This young lady, who looked like she was not even an adult, do it? ”

The higher-ups were looking down on their technical team too much.

“Miss Ye’s operation seems to be quite different from our usual one.”

“It’s indeed quite different. I feel like I can’t even understand it.”

“I can’t understand it either!”

“Hearing the discussions of the crowd, Xu Yao’s gaze was indifferent, but there was a layer of ridicule hidden within. ”

“Sister Xu Yao.” An intern tugged at Xu Yao’s sleeve.

“What’s Wrong?” Xu Yao turned around.

“The intern continued, “Why do I feel like this miss ye doesn’t understand computers at all?” ”

Anyone with a little computer knowledge wouldn’t be able to do such a thing.

Xu Yao lowered her voice. “Lower Your Voice. She was introduced by Chief Liu.”

The intern’s expression became a little strange.

No wonder he could sit in Xu Yao’s seat the moment he arrived.

It turned out that he had taken a shortcut.

“Even though he had lowered his voice, the others around him could still hear him clearly. ”

The expression in his eyes became very complicated.

Young people nowadays were becoming more and more insecure.

“Captain Li walked to ye Zao’s side and said tactfully, “Miss Ye, if you really can’t repair it, then forget it! I want to rest for a while.” ”

““Soon.” Ye Zao’s tone was light, and he said without raising his head. ”

Soon?

“Hearing this, Xu Yao’s eyes were full of disdain. ”

Ye Zao was probably dreaming!

“Captain Li continued, “Then how much more time will it take?” ”

““Wait.”Ye Zao’s words were concise. When she was working, she did not like to talk. ”

Wait?

How Long would it take?

Captain Li was too embarrassed to say anything more.

“After all, this person was introduced by Chief Liu. ”

“No matter what, she could not not give chief Liu Face. ”

“Xu Yao hated people like Ye Zao who pretended to be 13 the most. She continued, “Miss Ye, I have a senior who is quite proficient in this aspect. I have already told her that she will be here in a while.” ”

“What was going on with Ye Zao, who didn’t take a dump in the toilet? ”

Besides.

Was the police station a place to pretend to be 13?

“Do you know how the Daylily is cold?”Ye Zao raised his eyes and looked at Xu Yao.

“His gaze was slightly cold, like the starry sky on a winter night, clear and bright. ”

Xu Yao was furious.

Just wait!

She wanted to see how ye Zao would end up in a moment!

Captain Li gave her a look. "Let's Wait a little longer."

Xu Yao nodded.

"Captain Li continued, "You stay here and watch. I'm going out for a smoke." "

"Alright."

Captain Li walked outside and lit up a cigarette.

"After finishing his cigarette, Captain Li walked into the house. "

""Old Li!"At this moment, a tall police officer walked over. "

Captain Li turned around. "Old Jia."

"As the two of them walked in..., he said, "I heard that the higher-ups have sent a computer expert over. How is it? "Have the surveillance cameras been restored? If you're done here, can you send an expert to our team to take a look? I have a portrait that needs to be restored." "

""Not yet,"captain Li replied. "

“Old merchant continued to ask, “Where is she?” ”

“Captain Li signaled with his eyes, “She’s over there!” ”

“Old merchant followed Captain Li’s line of sight and saw ye Zhuo’s figure. As there were many people standing in front and behind him, he could only vaguely see a figure dressed in white. “The little girl in White?” ”

“Yes.”

“His hometown asked in surprise, “Is she an adult?” ”

“Captain Li continued, “She’s twenty.” ”

“Twenty?”

Captain Li nodded.

“Old merchant sighed and said, “There really are talented people in every generation!” ”

How long had it been since he was only twenty before he was called a computer expert.

“If he was older, wouldn’t he be even more amazing? ”

Chapter 1275: 269: Da Zhuozhu had accidentally conquered the entire team. Father Zhao had been arrested! 3

“Captain Li’s expression was a little complicated. At first, he had thought that ye Zhuozhu was very powerful. “Maybe it’s just a show.” ”

“I don’t think so. Look at how fast she’s moving!” That person looked at ye Zhuozhu without a hint of doubt in his eyes.

“Captain Li continued, “Those who know how to watch watch the door, and those who don’t know how to watch the show. I heard from Xu Yao that she’s not restoring the surveillance at all.” ”

“”Ah?” Old Merchant said with a disappointed look, “Then what about the portrait of our group!” ”

“Captain Li said, “Let’s Wait a little longer! Xu Yao said that she has a very powerful senior and should be arriving soon.” ”

“That’s Good!” Old merchant nodded.

“Xu Yao couldn’t be bothered to waste any more time at ye Zhuo’s place, she continued, “Miss Ye, there’s something that I have to go out for a while. If there’s anything you need, you can just tell them.”. “Oh right, Miss Ye, there are two very important files in the folder on the table. You have to be careful. My computer has been specially set up. If I accidentally delete the files, I won’t be able to get them back.” ”

“En.” Ye Zhuo nodded slightly.

“After saying that, Xu Yao looked at the man beside her and said in a low voice, “There are many important confidential files in my computer. Help me keep an eye on them. Don’t let her accidentally delete those files!” ”

“Don’t worry.” The man nodded.

“Sorry to trouble you. I’ll be back soon.”

“Okay.”

Xu Yao turned around and walked out.

“In the end, she had only taken a few steps when she heard a series of exclamations behind her. ”

“Oh my God!”

“Holy shit!”

Xu Yao’s face turned pale. Could it be that those documents of hers had been accidentally deleted by Ye Zhuo?

What should she do?

Those were all confidential documents!

Xu Yao quickly turned around and walked over in quick steps. “Miss Ye! I’ve already told you that those two folders can not be touched. Why did you...”

“As she spoke, Xu Yao was stunned. ”

What did she see?

The surveillance video that was originally stuck at 8:23 am was actually playing bit by bit at this moment.

The restoration was successful!

Ye Zao actually succeeded in restoring it!

This was too unbelievable.

How did ye Zao do it?

“It’s only been 20 minutes, and our entire technology department has been restoring it for more than a day, but we still haven’t been able to restore it successfully. Miss Ye, aren’t you too amazing?”

“Shameless!”

“Miss Ye, are you considering taking in a disciple?”

“...”

“Those who could stay in the technology department were all extremely talented students. Any one of these people, when taken outside, would be a talent that could only be met by chance but not sought.”

But today.

These talents were all convinced by ye Zao!

There were even people who begged ye Zao to take them in as disciples.

“Hearing these words, Xu Yao’s face turned pale.”

How could it not be pale?

“Just ten minutes ago, she was still calling ye Zao a flower in front of Captain Li. In the blink of an eye, Ye Zao had ruthlessly slapped her in the face.”

Ye Zao was just a waste in the Yun capital in the past.

When did she become so amazing?

Xu Yao almost lost her balance.

“Ye Zao looked back slightly. “Captain Li, the surveillance camera has been successfully restored.” ”

It was successfully restored?

Captain Li widened his eyes in surprise.

“Although he did not understand computers, he knew how difficult it was to restore the surveillance camera. ”

There were dozens of people in the entire technology department.

They had studied it for more than a day.

But they still couldn't restore it.

Ye Zao had successfully restored the surveillance cameras without even warming up his stool.

What kind of strength was this?

“Moreover, didn't Xu Yao just say that ye Zao was just a Flower? ”

This was called a flower?

“If this was called a flower, then what was his name? ”

Trash?

Captain Li swallowed his throat.

“Before captain Li could react, ye Zao continued, “Is there anything else I can help you with? If there isn’t, I’ll leave first.” ”

“”Yes! Yes! Yes!” Old merchant reacted immediately and continued, “Miss Ye, my surname is Jia, Jia Baoyu’s Jia. I would like to ask you to help our group restore a portrait. Is that okay with you?” ”

“Although ye Zhuo was young, old merchant unconsciously used the honorific ‘you’ during the conversation. ”

“Yes.” Ye Zhuo nodded slightly.

“This Way Please!” Old merchant immediately made a ‘please’ gesture.

Ye Zhuo followed old merchant’s footsteps.

“After a short while, he followed old merchant to group a next door. ”

This was a murder and body disposal case

A photo left behind at the scene became the key to solving the case.

Unfortunately.

This photo had been blistered and couldn’t be seen clearly. It was colorful.

“Hearing that a computer expert had come, old merchant could not wait to rush over. ”

“Old merchant handed the photo to Ye Zhuo. “Miss Ye, do you think this photo is still possible to be restored?” ”

Chapter 1276: 269: Da Zao accidentally conquered the entire team. Father Zhao was arrested! 4

Ye Zao took the photo. “No problem.”

Old Merchant’s face lit up. “How long will it take?”

“”About ten minutes.”Ye Zao continued, “Which computer can I use?” ”

“Old merchant quickly said, “This one, this one, this one is my computer.” ”

Ye Zhuo sat in front of the computer.

“Old merchant continued, “Xiao Wang, go and get Miss ye a glass of water.” ”

“”Okay,”Xiao Wang replied. ”

Xiao Wang went to the pantry to get some water. The Pantry was already in a heated discussion.

“”Have you heard? The higher-ups specially sent a computer expert. In less than 20 minutes, the surveillance that the technical department could not recover was restored!” ”

“I also heard that Xu Yao’s face turned green from anger!”

“”Serves her right! A person like her deserves to be slapped in the face like this. Otherwise, she would really think that she’s the most powerful person in this world!” ”

“”You’re talking about Miss Ye, right? I was in the technology team just now. Not only is miss ye powerful, she’s also very good-looking! She’s like a celestial being descending to the mortal world!” ”

“Really?”

“Of course! I saw it with my own eyes!”

Xiaowang gulped as he poured the water and listened to everyone’s conversation.

“The miss ye that they were talking about couldn’t be the Miss ye that was sitting in group a right now, right? ”

“Just now, she thought that Miss Ye was a relative of old merchant. ”

She didn’t expect that this miss ye’s background was actually so great!

She was simply too amazing!

“In a moment, Xiaowang carried the water back to Group A and placed the cup beside Ye Zhuo. “Miss Ye, drink some water.” ”

“After knowing ye Zao’s identity, Little Wang stood beside ye Zao and even his breathing became more careful. ”

“Thank you.”Ye Zao picked up the cup and drank some water.

Little Wang looked at ye Zao very carefully.

She was indeed beautiful.

“Other than being beautiful, she also looked somewhat familiar. ”

“However, Little Wang could not remember where he had seen her before. ”

“Time passed by minute by minute. In the blink of an eye, ten minutes had passed. ”

“Ye Zhuo let go of the mouse. “Team leader Jia, the photo has been fixed.” ”

Team leader Jia immediately walked over.

A complete group photo was displayed on the computer screen.

The facial features of the person were very clear.

““Aiya, Miss Ye! You’ve really helped us a lot!”Old Jia bowed to Ye Zhuo. “On behalf of the victims’families, I thank you!” ”

““It was nothing.”Ye Zao’s expression was still the same, “Oh right, I installed a simple repair software on your computer. Next time, you can just use the software to repair it directly. I’ve already written down the steps of the Operation Group in My Notebook.” ”

““Thank you so much!”Old merchant continued, “Where did you download that software? I asked the other police officers to download it too! This way, it’s much more convenient when handling cases!” ”

“Ye Zhuo said, “I just made the software on the spot, so I might not be able to download it.” ”

“Old merchant said in surprise, “You mean, not only did you fix the photos, but you also made a software.” ”

“Ye Zhuo’s eyes were indifferent. “Actually, I only made a software. I can just use the software to create the photos with one click.” ”

Old Merchant:” ...”he said it as if it was very simple.

He did not understand the world of big shots!

“Xiao Wang, who was beside him, was also stunned! ”

“When they came out of the police station, Snowflakes had unknowingly started to drift outside. ”

“Captain Li chased after them from inside. “Miss Ye, let me send you back!” ”

“”Thank you, but I drove here.” ”

“Captain Li revealed a regretful expression and continued, “Then, Miss Ye, you have to be careful on the road.” ”

“Okay.”Ye Zhuo nodded slightly.

“”I haven’t thanked you yet,”captain Li continued. ”

“You’re welcome.”Ye Zhuo’s red lips parted slightly. “Ye Sen is also my uncle.”

“Therefore, she was not only helping captain Li, but also helping herself. ”

“On the way back, the snow was getting heavier. ”

“”Roasting sweet potatoes, selling roasted sweet potatoes...” ”

“When they passed the traffic light, Ye Zhuo saw an old lady selling roasted sweet potatoes with an iron stove. ”

“The old lady was very old, and her clothes were not very good. ”

There were even patches on her clothes.

“Ye Zhuo pulled over, opened the door, and walked to the old lady’s side. “Grandma, how much is a baked sweet potato?” ”

“The old lady raised her head to look at Ye Zhuo. “Young lady, regardless of whether you buy the root or weigh it in catties, it’s five yuan per catty.” ”

“Ye Zhuo nodded slightly and continued, “How much do you have left? I want all of it.” ”

Take all of them?

“The old lady had been selling roasted sweet potatoes for three days and this was the first time she had met such a generous customer. Although she was a little happy.., however, she still said, “Little girl, roasted sweet potatoes are not durable. They won’t taste good if they get cold. You just need to buy one.”She knew that ye Zaoyi was not buying roasted sweet potatoes. It was only because of her old age.., she wanted to help her. ”

“Chapter 1277: 269: Da Zao accidentally conquered the whole team, and Father Zhao was arrested! 5”

“Ye Zao smiled and said, “It’s okay. We have a lot of people in our family, so we can definitely finish it. If you don’t want to sell me, I’ll still have to go to someone else to buy it. Grandma, just sell me!””

The old grandma hesitated for a while.

“Ye Zao continued, “You can’t park here. If you continue to hesitate, my ticket will be enough to buy your cart of sweet potatoes.””

“The old lady quickly said, “Alright then! Thank you, Young Lady. I’ve already sold about ten catties today. You can just give me 50 yuan for the rest.””

“Actually, 50 yuan was far from enough.”

“But the young lady wanted to help her, so she couldn’t let a good person be disappointed.”

“Okay.”Ye Zhuo nodded slightly. “Then help me wrap them up.”

The old grandma swiftly wrapped the sweet potatoes.

There were three whole bags.

“Ye Zao put the sweet potatoes into the trunk, took out a fifty-yuan note from his wallet, and handed it to the old grandma. “Grandma, take the money and go home quickly. The snow will be even heavier in a while!””

“Thank you!”The old Grandma took the money.

“Seeing the Black Land Rover disappear into the snow, the old Grandma started to pack her things and prepared to go home.”

“At this moment, she suddenly saw a few brand new 100 RMB notes in her change box.”

The old lady picked them up and counted.

There were five notes in total.

500 RMB.

She didn't need to think to know that this money was definitely left behind by the little girl just now.

No wonder the little girl didn't say anything when she said that the roasted sweet potatoes cost 50 RMB.

It turned out that she had secretly left 500 yuan behind.

"For a moment, the old Granny's eyes turned slightly red."

"In just half a year, she had experienced the joys and sorrows of this world."

Until the appearance of this little girl made her believe that there was still warmth and good people in this world.

A good person has a safe life!

"On this side, Ye Zhuo drove back to the hospital."

"Carrying three big bags of sweet potatoes, ye Zhuo got out of the car and went straight to the nurses'lounge. "Blue One.""

Blue one was the head nurse.

""Miss Ye."Seeing ye Zhuo, blue one hurriedly trotted over."

Ye Zhuo placed three big bags of sweet potatoes on the table. "The weather is quite cold. I'll treat everyone to roasted sweet potatoes. You take them and share them with everyone."

"Blue one smiled and said, "Then I really have to thank Miss Ye!"

"In such a cold day, a sweet roasted sweet potato was simply heartwarming and warming to the stomach."

It had to be said that this miss ye was simply low-key and amiable.

"Although she had cured ye Sen, she did not put on any airs at all."

"Now, she was even bringing them warm roasted sweet potatoes."

"You're welcome."

"After coming out of the lounge, ye Zao brought the remaining sweet potatoes and walked towards the inpatient department."

"Just as he got off the elevator, he saw Lin ze leaning against the wall."

"Brother?"

Lin Ze stood up straight. "You're back."

""Yeah."Ye Zao nodded slightly and handed Lin ze a sweet potato. "Brother, do you eat sweet potatoes?"

“Actually, Lin Ze didn’t really like eating potatoes, sweet potatoes, chestnuts, and other starchy foods.”

But this sweet potato was handed to him by Ye Zao.

Not to mention sweet potatoes!

“Even if ye Zao handed him a bomb, he would take it without hesitation and eat it.”

“Lin Ze took the sweet potato and carefully tore open the skin of the sweet potato. He took a bite. The pink was sweet and very delicious. “By the way, Zao Zao, I have something to tell you.””

“Okay.”Ye Zao also took a bite of the sweet potato.

“Lin Ze continued, “Uncle has forgiven Zhao Zhenfei.””

“Okay.”Ye Zao’s expression remained the same. He was not too surprised.

This was within her expectations.

“Ye Sen was a good person with a soft personality. He was very similar to ye Shu from before. As long as Father Zhao used a little trick, he would fall into Father Zhao’s trap.”

“You know?”Lin Ze could not help but be curious when he saw how calm ye Zao was.

“”It’s within my expectations.”Ye Zao looked at Lin Ze and continued, “Brother, sweet potatoes are so sweet! Why is there such a delicious thing as roasted sweet potatoes in the world? !””

Lin Ze:” ...”

His sister’s thinking was too fast!

It was hard to react.

“While they were talking, the two of them arrived at the ward.”

Father Zhao was talking to Ye Sen.

“Seeing ye Zao come over, Ye Sen quickly sat up. “Zao Zao is back!””

“Ye Zao nodded slightly. “Uncle, do you want to eat sweet potatoes?””

“Yes!”Ye Sen nodded.

Ye Zao handed ye Sen a sweet potato.

“Seeing that Father Zhao was also looking at her, ye Zao silently stuffed the last sweet potato into his coat pocket. “I’ve finished it!””

What he meant was that it was useless for you to look at me!

Father Zhao:”...”did ye Zao think he was blind?

Chapter 1278: 269: Da Zao accidentally conquered the whole team. Father Zhao was arrested! 6

Ye Sen ate the sweet potatoes while carefully looking at ye Zao.

He was afraid that ye Zao would be unhappy if he forgave Father Zhao so quickly.

“Fortunately, there was no special expression on ye Zao’s face. ”

“He should be... not angry, right? ”

“Father Zhao stood up and said, “Sen, your sister hasn’t been well these few days. I’ll go back first. I’ll bring your sister to see you tomorrow.” ”

“Okay.”Ye Sen nodded.

“Father Zhao turned to look at Ye Zhuo. “Miss Ye, I’ll leave Sen to you and Mr. Xiao Lin to take care of him.” ”

“Lin Ze said, “He’s our uncle. It’s our duty to take care of him.” ”

“Father Zhao smiled and said, “Right, right, right. Look at my brain! A family doesn’t speak in two languages. From now on, we’re all one family. There’s no need to be so polite!” ”

“After waiting for so long, Father Zhao had finally waited for this day. ”

From now on.

“He was ye Zhuo’s grandfather, fifth master’s grandfather. ”

Zhao Xueyin was their little aunt.

The entire Zhao family’s position in the financial world had risen by several levels.

Good!

This was really great!

He wanted to immediately go back and tell Zhao Xueyin the good news.

Father Zhao returned to the villa that the Zhao family rented.

“Zhao Xueyin’s condition had been getting worse over the past few days. Her entire face had ulcerated beyond recognition, and everywhere she went, she was wrapped in a veil. ”

There was no trace of her usual bright and beautiful appearance.

“These days, Zhao Xueyin did not even dare to look at herself in the mirror. ”

She did not know when she had become this inhuman and ghostly appearance.

“”Xueyin.” At this moment, Father Zhao pushed the door open and came in. ”

“Seeing Father Zhao, Zhao Xueyin didn’t even want to respond. ”

“If it weren’t for Father Zhao’s two slaps, she wouldn’t have become like this. ”

“In fact, Father Zhao felt a little guilty for Zhao Xueyin becoming like this. Otherwise, he wouldn’t have thought of letting ye Zhuo treat Zhao Xueyin’s face. ”

“”Xueyin, Father knows that I’ve let you down. Don’t worry, father will definitely treat your face. Then, we’ll return to the financial world in Glory!” ”

“Return?” Zhao Xueyin sneered. “Can we still go back?”

Even the best plastic surgeon in the country said that there was no hope for her face!

A human face.

She would never forgive Father Zhao in this lifetime.

““You can go back!” Father Zhao continued, “I will let ye Zao personally treat your face. Ye Zao is so powerful, she will definitely be able to cure you!” ”

““Are you dreaming, or Am I Dreaming?” ”

Zhao Xueyin knew ye Zao too well.

Ye Zao was not the kind of person who had sympathy and a kind heart.

“Now that she had become like this, Ye Zao was probably hiding in a corner gloating over her misfortune. Would he help her treat her face? ”

How was that possible!

“As long as ye Zao had a trace of sympathy, he would not leave her to die and watch her face Fester bit by bit. ”

“Ye Zao clearly knew that her face had become like this, but he did not even show his face. ”

This kind of person was not worthy of being a doctor!

““Xueyin, there is something that you may not know.” ”

“Father Zhao took a deep breath and continued, “Actually, you have a biological brother who is eight years older than you.” ”

Biological Brother?

Zhao Xueyin widened her eyes and looked at Father Zhao in disbelief.

“Father Zhao continued, “Your brother and I have been separated for more than 30 years. I only found him recently. In the future, our Zhao family will depend on your brother!” ”

Zhao Xueyin’s eyes were filled with self-mockery.

No wonder father Zhao was so ruthless to her!

It turned out that he had an illegitimate child outside a long time ago.

Ridiculous.

It was simply ridiculous!

Zhao Xueyin laughed out loud.

“Ever since she was young, Zhao Xueyin had always felt that she did not lose to any man. ”

But she still lost.

She lost so completely!

“Father Zhao looked at Zhao Xueyin, “Xueyin, don’t be like this! Listen to father tell you that your brother is also ye Zhuo’s uncle...” ”

Ye Zhuo's uncle?

"Hearing this, Zhao Xueyin narrowed her eyes. "

"Father Zhao continued, "Xueyin, think about it. Your Brother is ye Zao's uncle. Then who are you? And who am I? In the future, does our family have to rely on your brother to carry forward our family?" "

"Of course, Zhao Xueyin could understand this logic. "

If that illegitimate child was really ye Zao's uncle...

Then she would become ye Zao's Elder!

Therefore.

Ye Zao had to treat her face.

"Not only did ye Zao Want to treat her face, but he also wanted to give her half of the shares of the Shunxi Financial Group. "

"Thinking of this, Zhao Xueyin's eyes gradually lit up. "Are you sure that your illegitimate child is ye Zao's uncle!" "

""Of course!"After saying this, Father Zhao realized that something was wrong and continued, "What nonsense are you saying! Your Brother is not an illegitimate child! When you see him tomorrow, you can't say that, understand?" "

Chapter 1279: 269: Da Zhuozhu accidentally conquered the entire team. Father Zhao was arrested! 7

Zhao Xueyin did not say anything.

“Father Zhao continued, “Your brother is a soft-hearted person. If you want him to accept you, you have to treat him better! Only then can he get ye Zhu to treat your face. “I’ve already asked around. The brother and sister of the Ye family listen to your brother the most.” Zhao Xueyin had to get ye Sen’s approval. ”

“Got it.”

On the other side.

At the hospital.

“After eating a sweet potato, Ye Sen looked up at Ye Zao and asked nervously, “Zao Zao, you... You’re not angry, right?” ”

“Ye Zao took a sip of milk tea and asked in return, “Why are you angry?” ”

“”About... about Zhao zhenfei,”Ye Sen continued to explain, “Actually, actually, I don’t want to forgive him, but he insisted on committing suicide in front of me. I saw that he was already old, so, so...” ”

“He just couldn’t bear it?”Ye Zao raised his eyebrows slightly.

“Yes.”Ye Sen nodded.

“Ye Zao continued, “Uncle, I respect your choice. However, you have to be mentally prepared. What will happen next may exceed your expectations.” ”

“”Zao Zao, do you know something?”Ye Sen asked. ”

“Ye Zao said, “I’m just casually saying it. Just listen to it.” ”

Ye Sen knew ye Zao very well. He knew that ye Zao was never a person who liked to say things casually.

She must have her own reasons for saying that.

“However, ye Zao did not want to say more, so he did not ask further. ”

“In the blink of an eye, the next day arrived. ”

“At seven o’clock in the morning, Father Zhao brought Zhao Xueyin to the hospital. ”

““Sen, this is your only sister. Her name is Xueyin. Snow that snows, chanting. Because she was born on a snowy day, father gave her this name. Xueyin, this is your only brother in this world!” ”

““Brother!”Zhao Xueyin threw herself in front of ye Sen’s hospital bed. Tears instantly flowed down her face. “Brother, I’ve finally met you! Brother! After so many years, we’re finally reunited, Brother!” ”

Zhao Xueyin cried her heart out.

She was heartbroken.

“If it wasn’t for the fact that she still had some use for ye Sen, Zhao Xueyin wouldn’t be like this. ”

She wanted to be her brother?

Just because he was an illegitimate child?

Shameless!

Ye Sen was shocked by Zhao Xueyin.

Was there another good spot on her face?

It was shocking.

It made people shudder.

“Father Zhao stood at the side and wiped his tears. “Sen, your sister’s life is tough. She’s so young, but her face is already disfigured! It’s a pity that she hasn’t found a boyfriend yet...” ”

“”No, didn’t you go to the hospital to have a look?”Ye Sen asked. ”

“Father Zhao continued, “We did, but the Doctor said that your sister’s face can’t be cured. She’ll probably be like this for the rest of her life! She’s still so young, so pitiful! Your sister is so pitiful!” ”

“Ye Sen said, “Now that medicine is so advanced, you should go to a few more hospitals to have a look.” ”

“”It’s useless.”Father Zhao waved his hand. “We went to a lot of hospitals, but the doctors said that your sister’s face is hopeless, unless, unless...” ”

“Unless what?”Ye Sen asked immediately.

Father Zhao sighed. “Unless Hua Tuo is alive!”

“At this point, Father Zhao seemed to have thought of something. “Oh right, Sen, doesn’t your eldest niece have good medical skills? Why Don’t you let her take a look at your sister? Her medical skills are so good that she will definitely be able to cure your sister’s face!” ”

Let Ye Zhuo Cure Zhao Xueyin's face?

Ye Sen could not say this out loud.

""This... this... this is probably not good, right?"Ye Sen said. "

"Father Zhao continued, "What's not good about this? She is your biological sister. Could it be that you have the heart to see your sister like this for the rest of her life? "Moreover, as a doctor, it is my duty to practice medicine and save people. I believe that your niece will definitely not leave her in the Lurch!" "

"Zhao Xueyin grabbed father Zhao's arm. "Dad, you just met your brother. Please don't make things difficult for him! I'm fine. I'm used to it these days anyway." "

"Father Zhao covered his face and began to cry. "Xueyin, it's all my fault. If it weren't for my two slaps, you wouldn't have become like this. I'm sorry, I'm sorry..." "

""It's okay, Dad. You Don't have to blame yourself. I'm really fine."Zhao Xueyin looked up at father Zhao and ye Sen. "As long as you and brother Bury the hatchet and father and son recognize each other, that's good!" "

"Xueyin..."

"Seeing the father and daughter like this, Ye Sen couldn't bear it. "

""You, you guys don't cry. I, I, I will help you talk to Zhonghua." "

"Really?"Father Zhao turned to look at Ye Sen.

Ye Sen nodded. "Yes."

“Sen, thank you, thank you!” Father Zhao looked at Zhao Xueyin again. “Xueyin, hurry up and thank your brother!” ”

He knew that Ye Sen would definitely agree to it.

“After all, blood was thicker than water. ”

Getting Ye Zhuo to treat Zhao Xueyin’s face was only the first step.

“After Zhao Xueyin recovered, he would make ye Zhuo acknowledge him as his grandfather and Zhao Xueyin as his aunt in front of the entire financial world! ”

Father Zhao felt extremely happy when he thought of this scene.

“Zhao Xueyin’s lips curled up, and she felt extremely happy in her heart. ”

“After suppressing herself for so many days, she finally saw Hope. ”

This time.

She would definitely step on this little B * Tch ye Zhuo under her feet.

Definitely!

“Thinking of this, Zhao Xueyin’s lowered eyes were filled with a sinister light. ”

Creak —

The door was pushed open from the outside.

It was ye Zao who came in with breakfast.

""Zao Zao!"Seeing ye Zao, Father Zhao immediately smiled kindly. "

"Now That Ye Sen had acknowledged him, as his grandfather, it was not an exaggeration for him to call ye Zao 'Zao Zao'. "

"Ye Zao's expression was indifferent. "Old Mister Zhao, I'm afraid we're not that close, right?" "

"Father Zhao still maintained his kind smile. "Zao Zao, I know you won't be able to accept me for a while, but I'm still your uncle's father." "

"Face is a good thing."Ye Zhonghua looked at Father Zhao. "Unfortunately... you don't have it."

"Father Zhao was not angry. He continued, "Zhonghua, everything in the past was a misunderstanding. From now on, we will be a family behind closed doors! I believe that one day, our family will bury the Hatchet!" "

Ye Zhonghua did not acknowledge him now?

It did not matter!

"As long as Ye Sen acknowledged him, ye Zhonghua would have to call him grandpa. "

"Just as Father Zhao was secretly pleased with himself, there was a knock on the door. "

Zhao Xueyin walked over to open the door.

"The moment the door opened, a few policemen walked in from outside. "

“Seeing the policemen, Father Zhao was a little nervous. ”

“Captain Li walked over to Father Zhao’s side. “Zhao Zhenfei, is it?” ”

“Father Zhao nodded. Before he could react, a cold handcuff was handcuffed to his hand. “We found out that you are related to this murder case. Please come with US immediately.” ”

“Chapter 1280: 270: Big Brother, she made her move! 1”

Father Zhao was immediately stunned.

Wh-what?

Cold sweat broke out on his forehead.

These police found out so quickly?

“No, it can’t be... ”

What about Mike?

Mike was also caught by them?

Who was Mike?

An international top assassin.

How could he be caught so easily?

""It's a misunderstanding, it must be a misunderstanding." Father Zhao tried his best to calm himself down. "Comrade police officers, you've made a mistake! I'm a good citizen, I've never committed any crimes!" "

"Captain Li said, "Don't worry, we, the People's police, will not let a bad person go, and we will not falsely accuse a good person!"! "Come with US first. If you're really wrongly accused, we will immediately release you. But you must also know that we, the police, will not arrest you without any evidence!" "

"Then do you have an arrest warrant?" Father Zhao continued to ask.

Captain Li took out the arrest warrant.

Father Zhao's heart turned cold when he saw the arrest warrant.

"Ye Sen was still unable to react. He walked to Captain Li's side and said, "Captain Li, can I ask what happened? What did he do?" "

"Captain Li looked at ye Sen and said, "Zhao Zhenfei was the mastermind behind this murder." "

Zhao Zhenfei was actually the mastermind!

Ye Sen was stunned. His expression was extremely ugly as he stumbled back a few steps.

"Father Zhao quickly explained, "No! It's not like that! Sen, father was wronged! You have to believe father! Father just found you. Why would father have the heart to hurt you? Don't listen to those people's nonsense! They want to sow discord between us father and Son!" "

Sow discord?

Wronged?

“If father Zhao was really wronged, would the police come with an arrest warrant? ”

Although Ye Sen was a good man.

But he wasn't stupid.

Why would father Zhao suddenly come to recognize him?

And at such a critical time...

“It must be because after his accident, Father Zhao found out that they were father and son. ”

Disgusting.

It was simply disgusting.

How could he have such a biological father?

“Seeing that ye Sen did not have any reaction, father Zhao looked at Zhao Xueyin, “Xueyin! Father is innocent! Remember to get father a lawyer! Help father clear his name!” ”

Zhao Xueyin was also a little confused.

The police would not arrest someone for no reason.

“Unless, Father Zhao really had something to do with this matter. ”

Idiot!

She was simply an idiot!

“Ye Sen had already accepted her, but now, Father Zhao had actually done such a thing! ”

What should they do now?

“Zhao Xueyin said, “Father, don’t worry, I will definitely find the best lawyer for you!”After saying that, Zhao Xueyin turned to look at Ye Sen and grabbed his arm, “Brother! You must believe father. You are father’s only son. Why would father hurt you? Father has always dreamed of finding you. He will not hurt you!” ”

“Under the current situation, the most important thing was to stabilize ye Sen. ”

Let Ye Sen believe that Father Zhao was not the mastermind.

“Once ye Sen confirmed that Father Zhao was the mastermind, then her plan would be completely ruined. ”

She had just seen hope. She did not want to experience despair so soon!

No.

No.

Zhao Xueyin took a deep breath.

““You father and daughter, one hired a murderer and the other tortured a cat to death. What else can you not do?”Ye Zhuo turned his eyes slightly. ”

“His tone was light, but it was loud and powerful, tainted with an inexplicable power. ”

Tortured a cat?

“When he caught this adjective, ye sen turned to look at Ye Zao. “Is she the one who skinned fat cat alive?” ”

Fat Cat was the nickname Ye Sen gave brother Meow.

He knew that brother Meow had been tortured to death.

His methods were extremely cruel.

But he didn’t expect that this person was Zhao Xueyin.

“Yes.”Ye Zhuo nodded slightly.

Ye Sen’s expression changed at that moment.

“Zhao Xueyin panicked. “Brother, things are not what you think, brother...” ”

“Scram!”Ye Sen pointed at the door and said.

Zhao Xueyin did not want to leave just like that.

Ye Zhuo had not treated her face yet.

She had not returned to the financial world!

She was not reconciled!

She was not reconciled!

“Brother, I was wrong! Can you forgive me, Brother!” Zhao Xueyin knelt on the ground. “Brother, I’m sorry! Brother, I really know my mistake!” ”

Ye Sen was now her only Savior.

She had to hold onto ye Sen tightly!

Ye Sen immediately shook off Zhao Xueyin. “Scram!”

“Zhao Xueyin hugged ye Sen’s thigh. “Brother! We are blood relatives! I’m your only sister. You Can’t treat me like this, brother...” ”

“Ye Sen looked at Ye Zao and closed his eyes. “Zao Zao, I don’t want to see her. Tell her to get lost!” ”

Ye Zao nodded slightly. He picked up his phone and sent a message.
