“Chapter 1281: 270: Big Brother, she made her move! 2”

“Soon, a few men in uniform walked up. “Miss Ye.” ”

“”Get her out of here,”ye Zao said softly. ”

“Yes!”

Zhao Xueyin kept retreating. “Brother! Brother! I’m your sister. You Can’t treat me like this! Brother!”

Ye Sen acted as if he didn’t hear Zhao Xueyin’s voice.

Zhao Xueyin was in despair. She felt extremely uncomfortable.

Why?

Why did God treat her like this?

At the police station.

In the interrogation room.

“No matter what the police asked, Father Zhao kept his mouth shut. ”

“As long as he didn’t speak, the police wouldn’t be able to convict him. ”

Moreover.

He had observed that the police had yet to capture Mike.

“If Mike wasn’t captured, what was the use of detaining him? ”

“”Officer comrade,”father Zhao said very excitedly, “I am really wronged. Yesen is my biological son. As a father, how could I harm my own son? If it were you, would you hire a murderer to harm your own son? Haven’t you heard the saying, “A vicious tiger will not eat its own son!” ”

Captain Li took a photo of the evidence in front of Father Zhao. “You said that you did not harm your son. Then what are these?”

The police didn’t care about human kindness. They cared about evidence.

This was a photo of Father Zhao and Mike Meeting.

There was also a screenshot of his conversation with Mike.

“Captain Li continued, “We’ve checked. Before you hired a murderer, you didn’t know that Yesen was your son. This person’s name is Mike. He’s an international assassin! If you’re not a suspect, why did you meet with Mike?” ”

Father Zhao was a little flustered.

But he was still calm on the surface.

“If he had known this would happen, he definitely wouldn’t have let Mike do anything to hurt Yesen. ”

Father Zhao was very regretful now.

""What Mike? I don't even know Mike!" Father Zhao continued, "Officer, I'm really a good citizen. Besides, aren't assassins only found in TV dramas? "There are no assassins in real life, officer, stop joking!" "

"Captain Li knocked on the table. "If you don't know Mike, why are you sitting with him?" "

""Officer, can't you see that the tables nearby are full? I'm just sharing a table with him!" Father Zhao looked like he was wronged, "Don't tell me that before I share a table, I have to investigate the other party's ancestors?" "

"To be on the safe side, Father Zhao and Mike would always choose a teahouse restaurant that was full of people to meet. "

This would create the illusion of sharing a table.

"Captain Li continued, "But according to the owner of the restaurant, your relationship with Mike is not as simple as sharing a table! It's 30 minutes of eating, and 20 minutes of chatting." "

"Father Zhao said, "I said that I'm sharing a table with him. Isn't it normal for us to chat before sharing a table? At the very least, we have to express our gratitude to him! "Before sharing a table, I didn't know what kind of killer he was! "If I knew, I definitely wouldn't choose to share a table with someone like him!" "

Captain Li narrowed his eyes.

Zhao Zhenfei was more difficult to deal with than he had imagined.

"A normal person would probably be defeated in front of so much solid evidence, but Zhao Zhenfei was still as calm as ever. "

"If not for his many years of experience in handling cases, even captain Li might have been deceived by Father Zhao! "

""I'm really innocent!" Father Zhao continued, "You said that I hired a murderer, but why would I do that? What's My Motive? Am I too full of myself to hurt my own son?" "

"To take revenge on Ye Zao." Captain Li exposed father Zhao's thoughts.

""Officer comrade, I'll say it again. I'm really innocent! I didn't do anything! If you have the time, you should investigate the real murderer and not waste your time on me!" "

"Captain Li looked into Father Zhao's eyes. "Be lenient if you confess, but be strict if you resist! Admit that we'll be lenient with you. If you continue like this, it won't be good for you!" "

Captain Zhao subconsciously avoided captain Li's eyes. "I didn't do anything. What do you want me to admit? What era is it now? Don't tell me you want to beat me into a confession?"

"Zhao Zhenfei!" Captain Li raised his voice.

""Sir, I'm really innocent!" "

"Officer Yin walked over from the side. "Zhao zhenfei, now that the evidence is in front of you, how long do you want to be stubborn?" "

Father Zhao simply did not speak.

"Zhao Zhenfei!" Officer Yin slammed the table.

"Father Zhao looked at officer Yin. "Officer, I'm timid and can not withstand a scare!" "

"Chapter 1282: 270: boss, she's making her move! 3"

Captain Li walked outside to smoke.

“Just as he lit up the cigarette, chief Liu walked over. “How’s Zhao Zhenfei doing? The higher-ups are taking this case very seriously!” ”

Captain Li handed chief Liu a cigarette.

Chief Liu waved his hand.

“Captain Li continued, “Zhao Zhenfei hasn’t been willing to let go.” ”

“”Even a snake has seven inches, let alone a human.”Chief Liu continued, “We must think of a way to close the case as soon as possible!” ”

“Captain Li took a puff of smoke. The thick smoke covered the sadness in his eyes. He nodded and said, “Okay.” ”

“After taking a puff, captain Li came to the interrogation room. “Zhao Zhenfei, I’m giving you a chance to redeem yourself. It depends on whether you can catch him or not!” ”

“Father Zhao leaned back in his chair and said helplessly, “Officer, I’m Innocent! Why Don’t You Believe Me?” ”

“Captain Li asked, “Where is Mike?” ”

“I don’t know Mike!”Father Zhao denied it.

“”As long as you tell us where Mike is hiding or help us contact Mike, we can give you a lighter sentence.” ”

““I don’t know!” Father Zhao said, “Officer, I’m begging you, please don’t make things difficult for me, Okay?” ”

““It seems that you still don’t know how serious the consequences of hiring someone to kill someone are,” officer yin continued, “According to Article 232 of the criminal law, whoever intentionally kills someone will be sentenced to death and life imprisonment! Someone like you will be sentenced to life imprisonment at the very least! However, it’s different if you cooperate with us! After all, Mike is a professional killer. Zhao zhenfei, you and your son have only just met. You should think about him even if you don’t think about yourself! I heard that you not only have a son, but also a daughter! You also have a son and daughter. Why do you have to do this?” ”

These words made Zhao’s father feel very uncomfortable.

“If this had not happened, then he would be the proud person in the world right now. ”

But now...

Did he really have to tell the whole truth?

No!

No.

“If he did not tell the whole truth, he still had the possibility of being released. ”

“Once he admitted it, there was no turning back! ”

He couldn’t admit it.

He definitely couldn’t admit it!

“When you police work a case, do you all like to beat yourself up and confess like this?” Father Zhao looked at officer Yin. “If you didn’t do it, then you didn’t do it. Why are you forcing me to admit it?” ”

Officer Yin was about to lose his patience. “Are you sure you won’t say it?”

“I really don’t know!”

“Officer Yin nodded. “Alright! Then just you wait! When we catch Mike, you’ll be finished!” ”

Catch Mike?

How could mike be caught so easily?

“If Mike was really that easy to catch, he wouldn’t have become an international top assassin. ”

On the other side.

At the hospital.

Zhao Xueyin was thrown directly to the ground floor of the hospital.

“Ever since ye Zao appeared, she could not remember how many times she had been humiliated like this! ”

Nemesis.

Ye Zao was simply the nemesis of her life!

Zhao Xueyin stood up and walked back into the hospital. She had to find Ye Sen and make him forgive her.

She was Ye Sen's sister.

Her only sister.

Ye Sen could not deny her.

"Zhao Xueyin had just gotten off the elevator when she was stopped by two bodyguards. "Does this lady choose to go down by herself, or do you want us to do it?" "

""I want to see my brother!"Zhao Xueyin looked into the room and shouted hysterically, "Brother! Brother! I'm Xueyin, you can't do this to me! Quickly come out and see me, okay? Brother!" "

The voice was very loud.

"However, there was no movement from Ye Sen's side. "

"In the next second, Zhao Xueyin was taken away by two bodyguards. "

"On the way, countless people turned to look at the prime minister. "

In the ward.

"Ye Sen looked at ye Zao, "Zao Zao, I don't think I need to be hospitalized anymore. Why Don't we go back?"The main reason was that he did not want to face Zhao Xueyin again. "

It was too disgusting!

“Unfortunately, people could not choose their own birth. ”

“Sure.”Ye Zao nodded slightly.

“That’s Great!”Ye Sen’s eyes lit up. “Then we’ll leave immediately!”

“After saying that, Ye Sen seemed to have thought of something and continued, “Wait a moment!” ”

“What’s Wrong?”Ye Zao raised his eyebrows slightly.

“Ye Sen continued, “T-ah, doctor Gu’s sister seems to be in this hospital as well. I’ll go and greet her before leaving!” ”

“Then you can go. I’ll wait for you here.”

Ye Sen nodded and walked out. He had only taken a few steps when he turned back.

“Ye Zhuo asked curiously, “Why are you back?” ”

“Ye Sen said, “I forgot to ask which Ward Doctor Gu’s sister is staying in. Why Don’t We Forget About It!” ”

Chapter 1283: 270: The Big Boss has made her move! 4

Ye Zao picked up his phone. “Let me check.”

“A moment later, ye Zao continued, “Sister De Ning’s sister is staying in Ward P036.” ”

“Really?” Ye Sen asked.

“Yes.” Ye Zao nodded slightly. “You should go now!”

Ye Sen walked out.

““Uncle, wait a moment,” ye Zao suddenly said. ”

Ye Sen stopped and looked back. “What’s wrong with Zao Zao?”

Ye Zao picked up the fruit basket on the side. “Take this.”

““Zao Zao Zao, you’re the most thoughtful one.” Ye Sen took the fruit basket. ”

“Soon, they arrived at Ward P036. ”

Ye Sen stood in front of the ward and suddenly felt a little nervous. He subconsciously tidied up his tie and hair before reaching out to knock on the door.

“Soon, the door was opened. ”

The person who opened the door was really gu dening.

“Seeing ye Sen, gu dening was very surprised. “Brother Ye, why are you here?” ”

“Ye Sen smiled and said, “I’m going to be discharged today, so I’m here to see Big Sis.” ”

“Come in quickly.” Gu dening turned sideways to let ye Sen in.

“Who’s Here?” Gu Dexin’s voice came from the ward.

“GU dening said, “Sister, it’s brother Ye.” ”

“It’s Xiao Ye!” Gu Dexin came out of the wheelchair. “So what if you’re here? Why did you bring anything? You’re not an outsider!”

Ye Sen was a little embarrassed by her words. “It’s a token of my appreciation.”

“GU dexin continued, “Dening, why aren’t you pouring tea for Xiao Ye?” ”

“Okay.” Gu dening walked over to make tea.

“Ye Sen said, “No need to trouble me. I’m not thirsty. I’m just going to be discharged soon, so I came to see Big Sis! Big SIS, Are You Alright Now?” ”

“Gu dexin smiled and said, “I’m fine, I’m going to be discharged soon too!” ”

“That’s good.”

“GU dexin continued, “Xiao Ye, please sit down.” ”

Ye Sen sat on the sofa.

“Gu Dexin saw that Ye Sen was not bad and wanted to set him up with Gu Dening. She continued, “Xiao Ye, I heard from Dening that you’re starting a business in Beijing now. Will you be settling down in Beijing in the future?” ”

""Yes."Ye Sen nodded. "My sister and the others are all in Beijing, so I'll settle down here in the future."  
"

""Beijing is indeed a good place."Gu dixin continued, "I've lived in Beijing for more than 30 years." "

"Big Sister also bought a house in Beijing?"Ye Sen asked.

"Gu dixin smiled and said, "My wife is from Beijing!" "

"I see!"

"Gu dixin then asked, "I heard from dening that you don't have a good relationship with your parents'side?" "

Ye Sen nodded and didn't deny it. "Yes."

"Can you tell me what's Going On?"Gu Dexin asked.

"Since she wanted to set gu dening and Ye Sen up, she needed to find out about ye Sen's family situation. "

"Sure."

Ye Sen briefly told her about his relationship with the Ye family.

This included ye Shu cutting off her finger in anger.

Gu Dexin was terrified when she heard this.

“She was a happy person. When she was at home, her parents loved her a hundred times. When she got married, her in-laws treated her very well. ”

She didn't expect such parents to exist in the world.

Gu Dexin sighed. “Your sister is also a courageous person.”

Cutting off a finger?

How could an ordinary person do such a thing? !

“Ye Sen smiled and said, “The person I admire the most in my life is my sister.” Although ye Shu's personality was a little weak in the early stages, she had grown up in the later stages. ”

“If she hadn't cut off her finger and intimidated those people from the ye family, they would probably still be entangled by now! ”

“Gu dexin looked at ye sen. “Xiao Ye, let me ask you a question.” ”

““Please Ask,” ye Sen said. ”

“Gu Dexin looked at Gu Dening, who was preparing the medicine, and asked in a low voice, “What do you think of our De Ning?” ”

“Hearing that, Ye Sen's ears turned a little red. “De, De Ning is a very good girl.” ”

“Then do you like her?” Gu Dexin continued to ask.

Do you like her?

“Ye Sen didn’t expect Gu Dexin to ask so directly. For a moment, his ears turned even redder. ”

“After a long while, Ye Sen finally nodded. “I, I like it.” ”

“Gu dexin smiled and said, “If you like it, then go and chase after it!”! It just so happened that our De Ning is also quite interested in you. It’s just that girls are thin-skinned, so I’m embarrassed to say it. You’re a man, so you can’t be timid.”As someone who had experienced it before, gu Dexin really didn’t want Gu De Ning to lose a good man like ye Sen. ”

“Firstly, they were both interested in each other. ”

Secondly.

What relationship was the most difficult to deal with now?

“Of course, it was the mother-in-law relationship! ”

“But if gu dening married ye Sen, she wouldn’t have to face the mother-in-law relationship. ”

“Chapter 1284: 270: Big Brother, she made a move! 5”

“Also, Ye Sen’s financial situation was very good. Gu dening marrying Ye Sen, there was no need to worry about whether the man was interested in Gu Dening’s money. ”

“Moreover, Ye Sen was also pretty good-looking. ”

“His facial features were exquisite, and he was 1.85 meters tall. ”

"If Gu dening could become a couple with him, it could be considered a man and a woman's beauty. "

"The more Gu Dexin looked at Ye Sen, the more she liked this brother-in-law. "

Ye Sen was a little embarrassed by Gu Dening's words.

The reason why he didn't take any action was that he didn't know if gu dening had a good impression of him too.

"When it came to relationships, if they didn't expose the truth, they could still be friends. Once the truth was exposed, they wouldn't even have the chance to be friends. "

That was why he didn't dare to confess.

"Now that he heard Gu Dexin say that, apart from feeling embarrassed, Ye Sen was more excited and in disbelief. "

It turned out that they had always liked each other.

"Seeing that ye Sen didn't say anything, Gu Dexin was a little anxious. "Xiao Ye, did you hear what I Said?" "

Ye Sen finally reacted and nodded. "I did."

""It's good that you heard it."Gu dixin continued to ask, "Then when are you going to confess to De Ning? Let me tell you, our De Ning is very popular. Just last night, someone even came to give her flowers!" "

"Who?"Ye Sen asked nervously.

""I don't know who it is," gu dixin continued, "But he is also a good-looking person. But don't worry, our De Ning didn't agree to it!" "

Ye Sen heaved a sigh of relief.

"At this moment, gu dening walked over with a cup in her hand. "Brother Ye, have some tea." "

Ye Sen hurriedly stood up and took the cup with both hands. "Thank you."

"GU dening continued, "Sister, what were you talking about with Brother Ye just now? You're acting so mysterious!" "

"Gu dixin smiled and said, "It's a secret." "

Gu dening was a little speechless. "What's worth keeping a secret?"

""Anyway, I can't let you know!"Gu dixin continued to ask, "Xiao Ye can already be discharged from the hospital. When Can I be discharged? I'm bored to death staying in the hospital all day long!" "

"You can't be discharged yet with your condition. We'll have to observe you for a few more days!"Gu Dening said.

"Gu Dixin was a little speechless and said, "You like to make a fuss over nothing!" "

""Brother-in-law left you in my care, so I have to be responsible for you!" "

Gu Dixin's in-laws had already passed away. She had an only son who was studying in C nation. Her husband was a political figure and was usually very busy. He was often elusive.

"This time, when Gu Dixin was sick, he did not have time to take care of her, so he could only take care of Gu Dening. "

Gu Dexin pursed her lips. "Your brother-in-law likes to make a fuss!"

"After sitting in the ward for a while, Ye Sen suggested to leave."

"Gu dexin hurriedly said, "Dexin, it's inconvenient for me to move. Help me send Xiao Ye off." "

"Okay."Gu Dexin nodded and followed ye Sen's footsteps. "I'm just going to visit Miss Ye."

The two of them talked as they walked.

Ye Sen was a little distracted.

Gu Dexin's words kept echoing in his mind.

Did Gu decing really have him in her heart?

Ye Sen was a little nervous and secretly glanced at Gu decing.

"Gu decing asked curiously, "Brother Ye, why are you looking at me?" "

"Ye Sen quickly denied, "I'm not looking at you, I'm looking over there! Look at that person's eyes, there seems to be eye droppings." "

Gu dening tilted her head and saw a woman dressed fashionably and exquisitely.

""There's no eye wax. You must be mistaken,"gu dening said. "

“Ye Sen continued, “Look carefully. The corners of her eyes are glowing! From the looks of it, she has quite a severe case of eye wax.” ”

Only someone who had a bad case of eye wax would have such a thick eye wax.

Gu dening laughed softly. “That’s not eye wax. That’s a type of eye makeup. She just applied pearl light on her eyes.”

“As expected of a straight man. Even with such good-looking eye makeup, Ye Sen thought it was eye droppings. ”

No wonder he was still single.

“”AH? !”Ye Sen touched his nose awkwardly. “I, I don’t know.” ”

“Not long after, they arrived at the ward. ”

Ye Sen pushed the door open and entered.

Ye Zao sat on the sofa and looked at his phone.

“Miss Ye.”Gu De Ning walked over.

“Ye Zhuo put down his phone. “Sister dening, I’ve said it many times. Just Call Me Zhuozhuo.” ”

How could ye Zhuo not see through Ye Sen’s feelings towards Gu Dening.

“Therefore, she had said it many times in front of Gu Dening, asking gu dening to call her by her name. ”

Chapter 1285: 270: she made her move! 6

“However, Gu Dening kept calling her ‘miss ye’ and refused to change her mind. ”

Gu Dening was a very principled person.

“Strictly speaking, ye Zao was her master. If it weren’t for ye Zao, she wouldn’t be where she is today. ”

Calling ye Zao ‘Miss Ye’ was a form of respect for ye Zao.

“At this moment, ye Zhuo’s phone rang. ”

Ye Zhuo picked up the phone. “Hello.”

“”Alright, I got it.” ”

“After hanging up the phone, Ye Zhuo turned to look at Gu De Ning. “Sister De Ning, can I trouble you to send my uncle back? I have something to attend to.” ”

“”Sure, no problem.” Gu De Ning nodded. ”

“Ye Zhuo continued, “Sister De Ning, just send my uncle to my house.” ”

“Okay.”

“After agreeing with Gu Dening, ye Zhuo walked out of the door. ”

On the other side.

In a noisy bar.

A blonde foreigner was crazily twisting his body in the middle of the dance floor.

“Mike!”

“At this moment, his partner patted his shoulder. ”

“Mike turned around and said unhappily, “What’s Wrong?” ”

His partner’s expression was a little unpleasant. “You’ll know when you come out with me.”

Mike followed his companion to the washroom.

“Compared to the deafening dance floor, the washroom was very quiet. ”

His companion handed Mike a cigarette. “Zhao Zhenfei has been discovered by the police.”

Mike was stunned.

“His companion continued, “Someone has helped to restore the surveillance cameras. Now, all the police in China are looking for you! We Can’t stay here for long. We have to leave quickly.” ”

Restore the surveillance cameras?

“Hearing this, Mike’s eyes were filled with disbelief. ”

Even Joe couldn’t restore his surveillance cameras.

A small country like China.

Who had restored the surveillance cameras?

What was going on?

“Do you know who did it?”Mike asked.

“His companion shook his head. “I’m not very sure. Anyway, we have to leave quickly and leave this place! The sooner the better!” ”

The Chinese people were really too amazing. They could even restore the surveillance cameras that had disappeared.

“If this continued, sooner or later, they would be traced back to them. When that time came, there would be no rush to leave. ”

“Therefore, they had to leave immediately. ”

“Mike narrowed his eyes. “Jerry, are you sure that they have restored the surveillance cameras?” ”

““I’m absolutely sure!”Jerry continued, “Zhao Zhenfei was captured a few hours ago, and those wanted posters were not fake! Let’s leave quickly!” ”

“A thick, vicious look flashed across Mike’s eyes. ”

“Ever since he came to China, his record had been broken time and time again. ”

“First, the poison he personally made was cured by a little girl. ”

“Now, even the surveillance cameras were restored! ”

He didn't believe that his whereabouts would be found by the Chinese.

Mike was an assassin.

Losing every battle was a disgrace to him.

“He had already lost once. This time, he must not lose! ”

“Moreover, no one was better at hiding than an assassin. ”

He did not believe that the Chinese police would be so lucky to catch him this time.

“Mike!”

“Seeing that Mike did not speak for a long time, Jerry called out again. ”

“Mike continued, “I won't leave this place. If you want to leave, leave!” ”

“I'm leaving?” Jerry looked up at Mike. “What do you mean? Aren't you coming with me?”

“Mike looked at Jerry and continued, “Only the weak will choose to escape! The truly strong will only face difficulties head-on!” ”

Even if it was fighting alone!

“Jerry sighed. “Now is not the time to be competitive! China is no longer the China of the past. Mike, quickly follow me!” ”

““It’s just a country of ants, what’s there to be afraid of?”Mike glanced at Jerry. “Could it be that their luck will continue to be so good?” ”

“In Mike’s eyes, China had always been a country of ants, and it was not worth being afraid of. ”

““It’s not luck, it’s strength!”Jerry continued, “It’s impossible to rely on luck to restore surveillance! This depends on strength. The current China has no lack of people with strength! “Mike, wake up. Every single one of us is growing, including China!” ”

“That means that there are people from other countries helping them behind the scenes.”Mike’s eyes were full of ridicule. “I don’t believe that that person will continue to help China!”

“Mike!”Jerry was a little angry.

“Mike continued, “You Go First!” ”

“You’ll regret it.”Jerry looked at Mike.

“Mike said, “You’re too timid.”He didn’t need such a timid companion. ”

Jerry sighed. “I hope you’ll never regret it.”

“Chapter 1286: 270: boss, she’s making her move! 7”

“Don’t worry.”

Jerry glanced at Mike before turning around to leave.

On the other side.

At the police station.

“Ye Zao came to the interrogation room and looked at Father Zhao, who was separated by a glass window. “He still won’t tell us?” ”

““Yeah.” Captain Li took out a cigarette. Just as he was about to smoke it, he saw ye Zao’s side profile and silently stuffed the cigarette back into his mouth. “Zhao Zhenfei has been insisting that he doesn’t know Mike.” ”

The current ye Zao was a big shot in front of Captain Li.

He could even smoke without restraint in front of director Liu.

“But in front of ye Zao, he couldn’t. ”

Maybe.

This was the legendary bloodline suppression.

“Not to mention smoking, ever since he had seen ye Zao’s ability, he felt a great pressure even when he took a deep breath. ”

“Have you found Mike?” Ye Zao continued to ask.

“Captain Li shook his head. “Mike is not only good at disguising himself, he also has a strong anti-detection ability. Our people are currently unable to lock onto his location.” ”

“Ye Zao raised his eyebrows slightly. At this moment, he seemed to have thought of something and continued to ask, “Which computer can be used?” ”

“Upon hearing this, captain Li’s eyes lit up. ”

Was the big boss going to make a move?

“”Miss Ye, come with me.” ”

Ye Zhuo followed Captain Li’s footsteps.

“The two of them had just reached the office when officer Yin brought a bespectacled young man in, “Captain Li, let me introduce you. This is my good friend, Wang Junxi. At the same time, he’s also a tracking expert sent by the higher-ups to support us.” ”

“Captain Li immediately extended his hand to Wang Junxi. “Hello, Mr. Wang.” ”

“”Hello, Captain Li.”When Wang Junxi shook hands with Captain Li, he noticed ye Zhuo beside him. ”

“Captain Li continued, “Little Yin, please take care of Mr. Wang First.” ”

“Wang junxi smiled and said, “I don’t need to take care of him. Just give me a computer.” ”

Officer Yin patted the computer table beside him. “Use mine.”

Wang Junxi walked over and sat down.

Captain Li also took ye Zao and sat down beside him.

The air was filled with crackling sounds.

“Wang Junxi turned on the computer and operated it for a while. Then, he turned to look at officer Yin.  
“That little girl is also an expert in tracking?” ”

“Yes.” Officer Yin nodded. “Don’t Judge Miss Ye by her young age. She’s actually very impressive! She was the one who restored the surveillance footage from before!”

Wang Junxi nodded.

He was not good at restoring surveillance footage.

“However, in the field of tracking, if he was ranked first, no one would dare to claim to be second. ”

“Today, he had to teach the little girl a lesson. ”

Of course.

It would be great to win the heart of a beauty while he was at it.

“Wang Junxi curled the corners of his lips and straightened his expression. He began to operate the keyboard. Soon, the computer screen was filled with code that no one could understand. ”

“After a moment, Wang Junxi turned to look at officer Yin. ”

“Three days.”

“What three days?” Officer Yin was stunned.

“Wang Junxi continued, “Give me three days, and I’ll be able to lock onto Mike’s location.” ”

“Are you sure you only need three days?” Officer Yin was very excited.

Wang Junxi’s gaze inadvertently swept past ye Zao. “When have I ever lied to You?”

“”Brother, thank you so much!” ”

“You’re welcome.”

Beep Beep —

“At this moment, a series of beeps suddenly sounded in the air. ”

“What’s that sound?” Officer Yin asked.

Ye Zao took off his headphones. “Mike’s location has been locked onto successfully.”

The lock was successful.

Wang Junxi was completely dumbfounded. He came behind ye Zao and saw the little red dot on the computer screen. The disbelief in his eyes slowly turned into shock.

“If he had not seen it with his own eyes, he would never have believed that it was done by a young girl who looked to be only eighteen or nineteen years old. ”

“Just three minutes ago, he was still feeling proud that he could lock onto Mike’s location within three days. ”

He did not expect that ye Zhuo would be able to do it in just a few minutes!

Just who was conquering whom?

“When Captain Li, who was smoking outside, heard this, he immediately put out his cigarette and ran in. “Miss Ye, what did you say? Have you locked onto Mike’s position?” ”

““Yes.”Ye Zhuo continued, “Lan Ting Bar.” ”

Captain Li looked at officer Yin. “Inform everyone to gather! We’ll send out the police immediately!”

“Okay.”Officer Yin nodded and immediately went to gather everyone.

“Half an hour later, the police car surrounded the orchid pavilion bar. ”

“Mike, who was inside, also realized that something was wrong. He walked towards the bathroom and pressed the button hidden in his clothes. ”

“In just a second, Mike’s black shirt turned into a white shirt. ”

His casual pants had also turned into suit pants.

Bang —

A pair of sneakers was thrown into the trash can.

“By the time Mike walked into the bathroom, he had gone from an exotic boy to a successful business elite. Most importantly, his exotic facial features had also turned into Chinese facial features. ”

Mike leaned against the sink and fiddled with the watch on his wrist.

Click —

“The watch immediately turned into a small computer, and a red laser keyboard appeared on the washing table. ”

“Mike operated the computer with one hand, and soon, the CCTV outside the bar appeared on the transparent screen. ”

The four exits of the bar were surrounded by the police.

The hall was also being cleared.

Tsk.

The police came fast enough.

The corners of Mike’s lips curled up. He just didn’t know who the person standing behind them was.

“A moment later, Mike came out of the bathroom. ”

““Stop, it’s a routine check.”A police officer blocked Mike’s way. “Let’s take a look at your ID card.” ”

Mike took out an ID card.

The police officer reached out and took it.

There was no problem with the ID card.

“You can go now.”

Mike took the ID card with a sarcastic look in his eyes.

He had thought that these Chinese people were very powerful.

But it turned out that they were just so-so.

“He had only used a little trick, and he had successfully escaped. ”

Only a coward like Jerry would be afraid of the Chinese people.

He had easily left under the eyes of the Chinese people.

And he had done it openly.

“At that moment, a cold voice came from the air. ”

“Stop.”

“Chapter 1287: 271: Trash Abuse, the final outcome of the Zhao father and daughter, the boss’s actions!  
1”

“It was a very faint voice, but it made a sound when it landed. ”

“Mike’s footsteps paused, and he turned around to look. ”

“He saw a slender figure walking over. She had a black cap on her head, and the long brim of the cap covered her eyes. She could only see a white jade-like chin, and she was wearing a hoodie of the same color, she had a pair of long and straight legs. ”

“Although her face could not be seen, her powerful aura could not be ignored. ”

This person seemed a little familiar.

The next second.

Two words appeared in Mike’s mind.

Ye Zao.

Although he had only met ye Zao once.

But that unique temperament could not be replicated by others.

Why would ye Zao appear here?

Could it be that ye Zao had tracked his location?

How was that possible!

How Old was ye Zao?

What did she know?

Ye Zao was just a pusher.

Someone else must have tracked his location.

“Mike looked up slightly. “Miss, May I know who you are?” ”

“Ye Zao walked over step by step. “Mike Williams, male, age 35. He’s from C Nation, ranked tenth in the Jianghu assassination order.” ”

“Mike narrowed his eyes, but his face was calm. “I don’t understand what you’re saying.” ”

“Standing beside ye Zao, Captain Li was also a little confused. ”

Mike was from C Nation. He could see Mike’s photo on the martial arts world warrant.

But the person in front of him was clearly from China.

How could he be Mike Williams?

““Miss Ye, is there a mistake?” Captain Li walked to ye Zao’s side and said in a low voice. ”

““Don’t worry,” ye Zao’s tone was indifferent. “There’s no mistake.” ”

“After saying that, Ye Zao raised his eyes to look at Mike. His gaze was sharp, as if it could see through everything, “Mike Williams is not only an international assassin, but also a big shot in disguise. He has thousands of faces. This image in front of him is just one of thousands of faces.” ”

Inexplicably.

“Mike was actually a little flustered, but there was still not a hint of panic on his face. ”

Cross-dressing.

How did ye Zao see through his cross-dressing?

Could it be...

That he had underestimated ye Zao?

No.

It was impossible.

How old was ye Zao?

Eighteen years old?

Mike was a very powerful and talented person. He also became famous at the age of 20.

Ye Zao was also a woman.

“According to the investigation, the average IQ of a woman was lower than that of a man.”

Ye Zao could not be so young and so powerful.

Mike took a deep breath.

“Hearing this, Captain Li immediately reached for the gun on his waist and gave the order to the police officers behind him.”

The police officers standing at the side immediately surrounded Mike.

“Don’t move!”

Captain Li knew ye Zao very well.

“Ye Zao was not the kind of person who did not know her limits. If she was not completely confident, she would not have said this. ”

“”What cross-dressing big shot, what international assassin! Officer comrades, are you shooting a TV series? Why don’t I understand what you are saying?”Mike took out all the documents on his body, “I’m a law-abiding good citizen! This is my document!” ”

Captain Li took the document and looked at it carefully.

Name: Wang Hai.

Gender: Male.

Place of origin: Han.

“Date of birth: November 23,19XX. ”

Captain Li compared the photo of the person on the document and looked at Mike.

That’s right.

It was the same person.

“After a while, captain Li handed the document to Officer Yin beside him. “Check the authenticity.” ”

“Okay.” Officer Yin nodded.

“Mike continued, “Officer, I still have my work card here. Do you want to go and check it together?” ”

“Since Mike could make a fake ID card, he was not afraid of being checked. ”

“Soon, Officer Yin came back with the id card and shook his head. “There’s really no problem with the ID.” ”

No problem?

How could there be no problem?

Captain Li frowned.

There was no problem with the ID card now. This Wang Hai was a native of Beijing.

Could it be that ye Zao had made a mistake in his judgment.

Captain Li looked at ye Zao beside him.

“Ye Zao had no expression on his face, as if he was thinking about something. ”

“Mike walked over to the two of them and said arrogantly, “Excuse me, officers, may I leave now?” ”

Officer Yin handed the documents to Mike.

Mike took the documents and swaggered out.

A bunch of idiots!

They couldn't even see the human skin mask on his face.

And Ye Zao.

He really thought that ye Zao was powerful!

It turned out that he had overestimated ye Zao.

"Hold on."

"At this moment, a fair hand gently put on Mike's shoulder. "

"Anything else?" Mike looked back and saw a face as clear as a picture.

"Show me the bag." Ye Zhuo continued.

"Chapter 1288: 271: Trash Abuse, the final outcome of the Zhao father and daughter, the boss's dirty tricks! 2"

""For you to see? Do you have a search warrant?" Mike continued, "What right do you have to search my bag?" "

"Ye Zao was too lazy to waste his breath on him. He narrowed his eyes and turned his hand into a claw. Just like that, he grabbed Mike's shoulder and quickly extended his other hand toward Mike's face. "

This scene happened too quickly.

“Mike almost couldn’t react. Seeing that the hand was about to reach over, Mike tilted his head and raised his foot to kick forward. ”

Dust flew everywhere.

This scene stunned everyone.

Unfortunately.

It was too slow.

Mike’s speed was really too slow.

Ye Zao directly gave a back kick.

Bang.

“Mike was thrown to the ground just like that, his face pale. ”

It hurt.

It was too painful.

It hurt so much that Mike’s tears came out.

“Mike had debuted for so many years, but he had never suffered such a loss! ”

“Until he fell to the ground, he was still wondering if this scene was an illusion. ”

He lost.

He actually lost to a little girl.

Unbelievable.

It was simply unbelievable.

“”Miss Ye!” Officer Yin walked to Ye Zao’s side. “You, this, he, isn’t He Wang Hai? I just checked Wang Hai’s information, he doesn’t have any illegal records...” ”

Although ye Zao’s attacks just now were indeed quite cool.

But Wang Hai didn’t do anything illegal after all...

“If ye Zao acted rashly, Wang Hai had the right to pursue his legal responsibility. ”

“”He is Mike Williams,” ye Zao said. ”

“Officer Yin continued, “But Mike Williams is not from C Nation! This Wang Hai is from China.” ”

Captain Li was also puzzled.

“”I told you, Mike Williams is a big shot in disguise.” Ye Zao’s expression was indifferent. He walked to Mike’s side, bent down slightly, and reached out to touch Mike’s cheek. ”

A big shot in disguise?

“But even with makeup, it was impossible to completely change a person’s appearance. ”

Mike Williams was from C Nation.

Could it be that foreigners could disguise themselves as Chinese?

It seemed a little unbelievable.

“Officer Yin looked at captain Li and continued, “What is Miss ye doing?” ”

Captain Li shook his head.

“Although ye Zao was only a little girl, he stood in front of ye Zao and never saw through Ye Zao’s thoughts. ”

“Moreover, Captain Li had never dared to treat ye Zao as a little girl. ”

RIP —

“In the next second, a human skin mask was torn off just like that. ”

“A golden-haired, blue-eyed, three-dimensional facial features appeared in front of everyone. ”

Wang Hai just now seemed to have disappeared into thin air.

This scene stunned everyone.

“Officer Yin immediately turned on his phone and exclaimed, “Oh my God! It’s the same! It’s exactly the same! He looks exactly like Mike Williams! Oh My God! Captain Li, Look!” ”

Captain Li walked over with a look of surprise on his face.

It was exactly the same.

No one expected that Mike Williams was wearing a human skin mask.

“Officer Yin picked up the handcuffs. “You can’t run away now, can you? !” ”

Click —

The cold handcuffs were handcuffed to Mike’s wrist.

“From the beginning to the end, Mike just looked at Ye Zao. ”

“He never dreamed that one day, it would fall into the hands of a little girl. ”

“If it was traced to his location, it was because someone was pointing at ye Zao behind his back. ”

But just now?

When did ye Zao actually fight.

Who was Mike?

An assassin!

And an international assassin.

“In terms of fighting, he had never lost. ”

But now...

He actually lost to a little girl.

“Until now, Mike had no idea how he lost. ”

What the hell was going on?

Mike was taken to a police car.

Sirens sounded everywhere.

Mike was not an ordinary criminal.

He was one of the top ten killers in the International Martial Arts World.

What did the top ten mean?

A bounty of 20 million dollars!

Thousands of top bounty hunters around the world failed to capture Mike.

“And now, the Chinese police had captured an international assassin. This news quickly caused a sensation in the international media. ”

A large number of reporters came to interview Captain Li's police station.

International organizations sent the Chinese police a sky-high commission.

Captain Li was nominated by the higher-ups for praise.

"For a time, captain Li became a popular person in the police station."

"Captain Li felt guilty. "Chief Liu, it's all Miss Ye's credit. These honors belong to Miss Ye. They have nothing to do with me." "

"If it weren't for Ye Zhuo, they would have let Mike go a long time ago."

"Chief Liu patted captain Li's shoulder, "Old Li, all these years, your hard work has been seen by the higher-ups. Miss ye is a person who doesn't care about fame and fortune. She never cares about these things. As long as you keep this love in your heart, it's fine." "

"Chapter 1289: 271: Abuse Scum, the final outcome of the Zhao father and daughter, the boss's slutty operation! 3"

""But, but I can't do this..." "

"Chief Liu continued, "The reason we were able to capture Mike this time was because you cooperated well. Also, do you know Miss Ye's identity?" "

"What identity?"Chief Li asked.

"Chief Liu said, "Reach out your hand." "

Captain Li reached out his hand.

Chief Liu wrote two words on Captain Li's hand.

Captain Li looked at chief Liu in surprise. "S3?"

"Yes." Chief Liu nodded.

Captain Li gulped.

He had never expected that ye Zao was actually a S3 person.

No Wonder Ye Zao was so powerful.

"If he had not seen it with his own eyes, who would believe that such a young girl would have the S3 title."

"Chief Liu patted captain Li on the shoulder. "So, don't deny it! Actually, this is also Miss Ye's idea. If you don't believe it, you can go ask Miss ye yourself." "

Captain Li nodded.

The news of Mike's arrest also blew up the entire assassin world and the Bounty Hunter Circle.

Who would have thought that Mike would eventually be caught in China.

"Moreover, he was caught by the Chinese police! "

“Ye Zhuo sat in front of the computer desk, logged into his long-lost account, and opened the international jianghu hunting warrant. ”

“On the jianghu hunting warrant, Mike’s name had already disappeared. ”

The entire forum was discussing this matter.

Because Mike was the first and only person to be arrested by the police.

“Closing the forum, Ye Zhuo opened the hunting warrant and unexpectedly found that An’s name had actually changed from sixth to third place. ”

The bounty went from 10 billion to 30 billion.

Ye Zao curled his lips slightly.

It was always yaler who increased the bounty.

“Seeing her bounty go up, Ye Zao raised her eyebrows slightly. She had a very serious obsessive-compulsive disorder. ”

Either she was ranked in the bottom five.

Or she was ranked first.

It was neither high nor low. It was uncomfortable to watch.

“After thinking for a while, ye Zao pressed the add button and changed the 30 billion to 100 billion. ”

An’s ranking went from third to first.

“Then, ye Zao added the bounty for Hacker Z. ”

“Hence, Hu. ”

The first place on the kill list was An.

Second place was z.

A family had to be neat and tidy to look good.

“After ye Zao’s provocative actions, the entire forum exploded. ”

[ hurry up to the ranking list! This is amazing! God of gamblers An and hacker z must have offended someone! And not just one person! ]

[ the bounty on An’s side must have been added by Yaler. They must have found An after making yaler and the others suffer so much at Rani Duan. ]

[ Yaler’s Yue League is too trashy! They can’t even find a little girl. ]

“[ who’s a little girl? ]? An? Stop talking nonsense. I have insider information. I heard that An is a 500-pound fatty! He can kill a person with a single slap. He’s so powerful! Otherwise, if Yala couldn’t find him, why would he issue a bounty ”

“[ F \* CK, 500 pounds! Is that true? I don’t read much. Don’t try to fool me! ] ”

“[ it’s true! When An ascended to godhood in ranito casino, I was there. Let’s not talk about 500 pounds! There must be 600 pounds! ] ”

“[500 cattles, it’s solid! ] ”

“[ F \* ck! F \* ck! With such a nice name, I thought An was a peerless beauty. I didn’t expect her to be a peerless fat pig. 500 cattles? None of the pigs in my farm are this fat! ] ”

[ looks and weight are not important. This is not a beauty contest. What’s important is that she’s powerful! She can ascend to godhood with a bet and even fool a super big shot like Yaler. Can you do it? ]

“[ the conclusion from upstairs is very correct. Even if she weighs 500 pounds, she can still hold a young hunk in her left hand and a muscular man in her right hand. ] ”

“[ to be honest, I want to be the man in An’s arms! ] ”

[ ... ]

PA!

Carl directly threw away the mouse in his hand.

Damn it.

It was simply too damn.

These people actually dared to say that about An.

Was An clearly a peerless beauty?

Carl picked up his phone and dialed the number.

“The call was picked up quickly, and his voice was as clear as ever. “What’s Wrong?” ”

“”An, have you seen the Forum? Those people are crazy! They all say that you’re a 500-pound Fatty!” ”

“Compared to the agitated Carl, ye Zhuo was extremely calm. “Their mouths are on their bodies, so let them say whatever they want.” ”

“”But, but aren’t you angry?”Carl said indignantly. ”

“Do you have anything else?”Ye Zao continued to ask.

“Carl continued, “I don’t know who is so wicked and added your bounty. An, your bounty has already been increased to 100 billion! If this continues, sooner or later, it will attract the White Shadow’s attention.” ”

“Chapter 1290: 271: Trash Abuse, the final outcome of the Zhao father and daughter, the boss’s brilliant manipulation! 4”

The White Shadow was the number one bounty hunter.

“According to legend, it was fine if the white shadow did not make a move. ”

“Once he made a move, he would not return empty-handed. ”

“Don’t panic.”Ye Zhuo’s index finger twirled around his black hair. “Records are meant to be broken.”

“Carl chuckled. “I knew you would say that. By the way, I’ll be coming to China in three days.” ”

“OH.”

“Carl said, “An, I’ll look for You When I get to Beijing.” ”

“We’ll see.”Ye Zhuo opened the forum. “I’ll hang up first.”

“Seeing the phone being hung up, Carl was depressed again. ”

Over here.

“Looking at the interesting comments on the forum, Ye Zhuo raised his eyebrows slightly. ”

A 500-pound fatty?

Killing a person with one slap?

What was more exaggerated was that there were actually people who said that she ate children...

Three children with one meal.

At the same time.

China.

On the third floor of Ranito Casino.

Yala was sitting in his office chair with a cigarette in his mouth. He turned to look at his assistant beside him. “Who increased the bounty on An?”

The assistant shook his head. "I'm not too sure."

Yala narrowed his eyes. "Investigate."

He had to investigate.

Because An was his prey.

"Yaler had been in the industry for more than 30 years, and he had never lost to anyone before. "

An was the first.

"He had studied the surveillance footage for two months, but he still could not figure out how she had cheated at the gambling table. "

"If she had not cheated at all, that was impossible. "

Nine out of 10 bets would explode.

"After saying that, yaler continued, "Have you found out her Chinese name?" "

"The assistant said, "Her identity has been encrypted. It's currently untraceable." "

Encrypted.

It was actually encrypted.

"At this point, the assistant seemed to have thought of something and continued, "Oh right, the person who increased the bounty with An and Hacker Z." "

Hacker Z. was originally ranked sixth.

“But now, it was ranked second. ”

Could it be that both of them had offended the same person?

Yale exhaled a mouthful of smoke.

This matter was very strange.

...

“When Father Zhao learned of Mike’s arrest, he panicked. ”

What should he do?

What should he do now?

How was Mike captured?

Wasn’t he an international assassin?

“Captain Li sat opposite him. “Zhao Zhenfei, Mike has already told us everything that happened. Don’t be stubborn.” ”

““No, I didn’t. He is accusing me! I don’t even know Mike!” ”

Captain Li looked at officer Wang beside him.

“Officer Wang immediately took Mike’s testimony and walked to Zhao Zhenfei’s side. “This is the record of the eight times you asked Mike to do this in the past ten years. If you think that this evidence is still insufficient, we still have audio evidence.” ”

Eight times in the past ten years?

“Upon hearing this, Father Zhao’s face turned pale. ”

They had found out!

They had actually found out!

“”I admit it! I admit it!” Father Zhao was like a deflated rubber ball, his blood flowing backwards. “I admit it all!” ”

“At this point, there was no point in resisting. ”

“Father Zhao continued, “However, I have one condition.” ”

“Speak.” Captain Li looked at Father Zhao.

“Father Zhao said, “I want to meet my son.” ”

He was very clear about his ending.

“If he did not meet ye Sen now, he might not have the chance to meet him again in the future. ”

It was all his fault.

He had let ye Sen down.

“From a father’s point of view, captain Li could understand father Zhao’s current feelings. He turned to officer Wang and said, “Little Wang, go make the arrangements.” ”

Officer Wang nodded. “Alright.”

“Father Zhao said, “Thank you! Thank you!” ”

Captain Li pressed the cigarette butt into the ashtray.

The next day at 11 am.

Ye Sen saw Father Zhao at the police station.

“In just a few short days, Father Zhao had aged by more than a few years. ”

“”Sen, sen.”Father Zhao held ye Sen’s hand tightly, with red eyes, he said, “I’m sorry, but please believe me. I really didn’t mean to hurt you. Before looking for Mike, I didn’t know that you were my biological child...” ”

Ye Sen didn’t have any expression on his face.

“Although Zhao Zhenfei was his biological father, they didn’t get along well with each other, so they didn’t have much father-son relationship. ”

“”Sen, now that I’m about to leave, you should be kind when you’re about to die. “You Child, your personality is like your mother’s. You Don’t have any heart, and you’re not good at scheming. You’ll definitely suffer in the future! Fortunately, you have a good sister, Ye Shu although you do not have blood relations, but I can see that she really treats you as a brother... .” ”

“Speaking of this, Zhao Zhenfei touched his tears, and then said: “In my life, the two people I am most sorry for are you and your mother... Your Mother is a very good, very kind woman...”
