

Almighty D 1301

Chapter 1301: 272: she was completely stunned. Was That Ye Zhuo? ! 7

Who would have thought that Cen Haifeng would fall in love with Zhou Xiang at a glance during the blind date.

“At that time, Xie Wanqiu was extremely depressed.”

“For someone like Zhou Xiang, it didn’t matter what she wanted. Cen Haifeng also didn’t know what he saw in her!”

“If Xie Lingli had married Cen Haifeng, then Zheng Wanyin was now the legitimate eldest daughter of the Cen family.”

““No matter what happened in the previous generation, it’s all in the past!”Zheng wanyin said angrily, “I only know that cousin has a girlfriend now! “I can’t do such immoral things. Grandma, please don’t say such things in the future!” ”

“Xie wanqiu glanced at Zheng wanyin and sighed, “I don’t know who you followed! You’re so useless! If it weren’t for me by your side, you would have been bullied to death by those people sooner or later!” ”

“Zheng Wanyin held Xie Wanqiu’s arm and said with a smile, “Then Grandma, you can accompany me for the rest of your life!” ”

“Xie wanqiu poked Zheng Wanyin’s arm, “The one who can accompany you for the rest of your life is the person next to you. How can an old woman like me accompany you for the rest of your life!” ”

““Aiya,”Zheng Wanyin hugged xie wanqiu, “If I say I can, then I can!” ”

Downstairs.

“Seeing that Xie Wanqiu and Zheng Wanyin had already gone upstairs, CEN yuying sighed and said, “It’s really rare for someone like the old lady not to raise Wanyin Askew!” ”

The old lady was obviously referring to Xie wanqiu.

“CEN yueying continued, “Big Sis, your words are too one-sided. You know a person’s face but not his heart. Who knows what Zheng Wanyin is thinking in her heart!” ”

“Cen Yuying frowned. “I don’t think Wanyin and the old lady are the same kind of people, right?” ”

““Who cares if they are the same kind of people!”CEN yueying said, “In short, one must be wary of others! Moreover, not only does Zheng Wanyin bleed from the old lady, she was raised by the old lady herself.” ”

Old Lady Cen nodded. “Third girl is right! One must be wary of others. Who knows what she is thinking?”

“Yes.”Cen Yuying nodded.

“After saying that, CEN yuying continued, “I wonder when the old lady will leave!” ”

“CEN yueying said, “How many days has she been in our house?” ”

“Old Mrs. Cen said, “A week.” ”

““A week?”Cen yueying said in surprise, “How can my mother tolerate her?” ”

“CEN yuying said, “Don’t you know our mother? Just endure it!” ”

“Old Madam Cen shook her head speechlessly. “If you continue to bear with it, you’ll turn into a ninja turtle. Fortunately, you kids don’t follow her!” ”

Time passed quickly.

“In the blink of an eye, it was the day Cen Shaoqing came back. ”

“When she learned that Cen Shaoqing was coming back, Xie Wanqiu was especially excited. ”

Who was the real head of the Cen Family?

“Of course, it was Cen Shaoqing! ”

“In the blink of an eye, it was already 10:30 pm. Xie wanqiu was a little anxious when she still did not see Cen Shaoqing. “Xiangxiang, is Shaoqing coming back today?” ”

““It’s today,”Zhou Xiang replied. ”

“Xie wanqiu continued, “Then why isn’t he back yet?” ”

“Zhou Xiang explained, “Zao Zao will be here today. He must have gone to fetch Zao Zao.” ”

“Hearing this, Xie Wanqiu was a little unhappy. ”

Fetch ye Zao?

Could it be that ye Zao was more important than her grandmother?

Each and every one of them did not know what was more important!

“Zheng Wanyin, who was by the side, said excitedly, “Does this mean that I’m going to meet my future cousin-in-law?” ”

“Yes.”Zhou Xiang nodded.

Xie wanqiu glanced at Zheng Wanyin.

This girl was really heartless.

Who Was Ye Zhuo?

Her biggest enemy!

She was actually able to laugh.

“At this moment, Zheng Wanyin’s cell phone rang. ”

Zheng Wanyin picked up the call. “Hello.”

“The next second, Zheng Wanyin’s accent changed into fluent English. ”

“After hanging up, Xie wanqiu asked, “Who called?” ”

“Zheng wanyin said, “ABA’s Deputy Executive Officer.” ”

“ABA was an International League organization. Three years ago, Zheng Wanyin officially joined ABA and was now a core member of ABA. ”

“Xie wanqiu said, “Is there something the executive officer wants to talk to you about?” ”

“Zheng wanyin replied, “Mr. Carl will be in Beijing tomorrow. When the executive officer learned that I was in Beijing and that I had a good relationship with Mr. Carl, he asked me to pick him up. ”

Who is Mr. Carl?

An International Master of Scientific Research!

Xie wanqiu’s face was filled with pride.

Look at how capable she was at kissing her granddaughter.

“Not only did she join ABA, but she also had a good relationship with Mr. Carl. ”

Was that ye Zao Good Enough?

Ye Zao was probably not even half as good as Zheng Wanyin.

The two of them could not be compared at all.

“At this moment, footsteps and the voice of the butler could be heard from outside the door. ”

““Fifth master, Old Madam and the others are already waiting inside.” ”

“Yes.”

Zheng Wanyin looked up and saw a tall and slender figure.

“Her face was like a crown of jade, and her well-defined facial features seemed to be covered with an impenetrable layer of frost.”

She was dressed in a plain robe and held a string of bright red Buddhist beads in her hands. Her flawless hands seemed even more well-defined at this moment.

“Looking further to the side, she could see the figure of a girl.”

Her figure was like Jade.

“She wore a simple light-colored qipao with a wine-red coat draped over it. Her 3,000 black hair was draped behind her head, and she wore a side clip of the same color as the coat on the left side of her ear. She was talking and laughing merrily, she was as beautiful as a young lady from an oil painting from the Republic of China.”

She was beautiful and elegant at the same time.

“However, as she walked, a powerful aura erupted from her.”

“When she walked together with Cen Shaoqing, they looked like a beautiful couple.”

Zheng Wanyin was stunned and could not react in time.

Xie Wanqiu was also stunned.

“Although the old lady Cen had emphasized that ye Zao was very beautiful several times, she did not expect ye Zao to be so beautiful.”

But what was the use of being beautiful?

“As long as one had money, what beautiful woman could not be found?”

Ability was the most important thing.

No.

She could not let ye Zao steal everyone's attention just like that.

"Xie wanqiu looked at Zheng Wanyin. "Yinyin, when Will Mr. Carl Arrive Tomorrow? Do you need Grandma to go with you to pick him up?" "

Zheng Wanyin and Mr. Carl were close friends.

What about Ye Zhuo?

Ye Zhuo was not even qualified to meet Mr. Carl.

Chapter 1302: 273: directly slapping her in the face and making Zheng Wanyin doubt her own life! 1

"Zheng wanyin said softly, "There's no need to go through so much trouble. Mr. Carl isn't an outsider. I can go pick him up myself." "

Xie wanqiu nodded with a smile. "Alright then."

"Xie wanqiu originally thought that after she finished speaking, the others would be shocked beyond words."

That was Mr. Carl.

“However, there were no special emotions on everyone’s faces. ”

“Especially Old Mrs. Cen. Not only did she not have any special emotions, she even jogged to ye Zao’s side. “Yezi is here. Is It Cold Outside?” ”

“It’s alright.”Ye Zao held old Mrs. Cen’s hand in a somewhat intimate manner. “It’s not cold.”

“When he looked at Zhou Xiang again, he could only see ye Zao. ”

“It was fine if Bai Tang, this damn old woman, was like this. ”

Who Was Zhou Xiang?

Zheng Wanyin’s biological second aunt.

“Although the two of them were not related by blood, Zhou Xiang had watched Zheng Wanyin grow up.
”

“Logically speaking, they should be more intimate than their biological aunts and nephews. ”

But what about Zhou Xiang?

At least there was no distinction!

How long had Zhou Xiang known ye Zhuo?

One Year?

Two years?

“As Zheng Wanyin’s second aunt, Zhou Xiang actually did not care about Zheng Wanyin’s feelings at all. ”

Moreover.

Was Ye Zhuo Half as outstanding as Zheng Wanyin?

Zheng Wanyin and Mr. Carl were good friends!

Was Ye Zhuo Alright?

Zhou Xiang was a blind person!

She mistook the fish eye for a pearl.

What qualifications did she have to be Zheng Wanyin’s second aunt?

“Only Zheng Wanyin was a kind and good child. She was willing to call Zhou Xiang second aunt, and even called him so affectionately. ”

“Thinking of this, Xie Wanqiu’s eyes were filled with a cold light. ”

“Zheng Wanyin lowered her head slightly. Her tone was gentle, and there was a hint of envy in her voice. “Grandma, look at how beautiful my future cousin-in-law is. No wonder she managed to conquer someone as cold and aloof as my cousin!” ”

Cen Shaoqing had always been a cold and aloof existence.

Zheng Wanyin had never seen someone as cold and aloof as Cen Shaoqing in her entire life.

This kind of coldness kept people at a distance of a thousand miles.

“But in front of ye Zhuo, that kind of distance seemed to disappear into thin air. Damn ”

““Beautiful? What’s the use of being beautiful!”Xie wanqiu snorted. “No matter how beautiful you are, you’re just a piece of skin!” ”

“Zheng wanyin smiled and said, “That’s not true. Actually, being good-looking is also an advantage. If I could grow up to be like my cousin-in-law, I’m afraid I would wake up from my dreams laughing.” ”

“No matter when, beauty was the best weapon. ”

Unfortunately.

There were no natural beauties in this world.

Zheng Wanyin had always known this truth.

“Therefore, over the years, she had been fine-tuning her appearance, which resulted in her current appearance. ”

“With Ye Zhuo’s appearance, he should have been in and out of the hospital many times, right? ”

Zheng Wanyin touched her face and felt that she still lacked perseverance.

“Skinning, bone cutting, chin pad, nose augmentation, breast augmentation, and eye opening all required a lot of risks. ”

Especially eye opening.

“If the surgery was not done properly, it would aggravate the risk of blindness. ”

“Regardless of the risks, the surgery was still very painful. ”

“At the end of last year, Zheng Wanyin went for a bone cutting. ”

She had shaved her cheekbones.

“Because it was a face surgery, she could not have general anesthesia. She knew the procedure very well. The doctor first removed the partial skin of the face and then used tools to Polish it. ”

It was so painful that she could not breathe.

“Even though a year had passed, Zheng Wanyin could still dream about that scene when she occasionally had a dream in the middle of the night. ”

She was so scared that she broke out in cold sweat. She was glad that she was not on the operating bed.

Ye Zao was so beautiful. He must have had all the surgery done on his body.

Amazing.

He was really amazing.

“Zheng Wanyin was filled with admiration. She only had to perform two small surgeries, cutting the bone and opening the corner of her eyes. She already felt that it was terrifying. She did not know how someone like Ye Zao, who had moved his entire body, managed to persevere. ”

If only she had the perseverance and perseverance of ye Zao.

It was not without reason that ye Zao was able to make Cen Shaoqing see him in a new light.

“At this moment, Cen Shaoqing brought ye Zao into the house.”

“Old Mrs. Cen immediately said, “Zao Zao, this is Shaoqing’s grandmother, Old Mrs. Zhou. This is old Mrs. Zhou’s granddaughter, Zheng Wanyin. Wanyin is about the same age as you. You can just call her cousin.” ”

“Although Old Mrs. Cen did not like Xie wanqiu, this person was, after all, Cen Shaoqing’s grandmother.”

It was time to leave.

“Ye Zhuo smiled and said politely, “Grandma, Wanyin’s cousin.” ”

“Although ye Zhuo was a few years younger than Zheng Wanyin, Cen Shaoqing was Zheng Wanyin’s cousin.”

“Therefore, according to seniority, Ye Zhuo had to call Zheng Wanyin’s cousin.”

“Xie wanqiu smiled as she held ye Zao’s hand, “This must be Zao Zao! I’ve heard Shaoqing’s grandmother mention you a long time ago. She said that you’re a little girl that everyone loves. Now that I’ve seen you, you’re indeed adorable! Shaoqing has a good eye!” ”

“Chapter 1303: 273: directly slapping her in the face, making Zheng Wanyin doubt her life! 2”

“In the Cen family, Xie Wanqiu was not afraid of anyone.”

Only she was a little afraid of Cen Shaoqing.

“Because in the CEN family, Cen Shaoqing was the true pillar of support. ”

“Therefore, in front of Cen Shaoqing, she had to pretend to be very satisfied with Ye Zhuo. ”

She could not let Cen Shaoqing see anything!

“”Look, how did this child grow up! She is so beautiful!”Xie wanqiu said with a false heart. ”

Old Lady Cen was stunned.

“If she had not seen it with her own eyes, she would not believe that it was Xie Wanqiu. ”

The speed at which her expression changed was faster than flipping through a book.

Amazing!

“Zheng Wanyin looked up at ye Zhuo and exclaimed, “I’ve long heard from second aunt and a few cousins that my future cousin-in-law is as beautiful as a fairy. Seeing her today, I’m really ashamed. I’m in front of my future cousin-in-law.” ”

“Looking closer, there was not a single trace of plastic surgery on ye Zao’s face. ”

Zheng Wanyin was very curious.

Which plastic surgery hospital did ye Zao get plastic surgery from.

“Even if it was a traceless plastic surgery, it was impossible for it to only be done to this extent. ”

Could it be that ye Zao did not have any plastic surgery at all?

No.

It could not be.

How could a normal person be so beautiful to this extent.

Besides.

“In this world, how could there be any natural beauty.”

“Those internet celebrities, who hasn’t had a knife on their face?”

So.

Ye Zhuo must have had an operation.

She must have had a high-level operation.

“At present, there was no such plastic surgery technique in the country.”

Unless.

Ye Zhuo had an operation abroad.

Yes.

Ye Zhuo must have had an operation abroad!

“If she had known earlier, she would have done the surgery abroad.”

“Although her surgery was very successful, if one looked carefully, one could still see a small flaw.”

“Therefore, she wore light makeup every day.”

“However, ye Zao did not wear any makeup on his face, so one could not see anything.”

It could simply be described as exquisite and peerless.

“Facing such a great beauty, even if she knew that the great beauty had plastic surgery, Zheng Wanyin was still very envious.”

That kind of envy was subconscious.

She only regretted that she had not met ye Zao earlier.

“However, it was not too late.”

“As long as she was not afraid of pain, she could be like ye Zao.”

Ye Zao had shown her the door to a new world.

“In the past, she had thought that plastic surgery was scary.”

“After seeing ye Zao, she instantly felt that plastic surgery was nothing.”

“As long as she could exchange for beauty, what was a little pain?”

“Thank you. You’re very beautiful too.”Ye Zao’s tone was clear and shallow.

Zheng Wanyin’s face showed a hint of shyness. “I can’t compare to cousin-in-law.”Ye Zao was so beautiful that she couldn’t even compare to one-thousandth of ye Zao.

Xie wanqiu glanced at Zheng Wanyin.

This girl was also heartless.

“It was obvious that this ye Zao was not someone who was easy to deal with. From the way he looked, it was clear that he treated Zheng Wanyin as an enemy.”

“In fact, when dealing with people like ye Zao, all he had to do was put on a show. There was no need for him to be as sincere as Zheng Wanyin.”

“Fortunately, she was still here. If she was not here, Zheng Wanyin would definitely be bullied to the point that not even her bones were left.”

What a silly child. She did not know whether it was good or bad for her.

“Zhou xiang smiled and said, “Let’s not stand here anymore. Let’s sit down and talk. We are not outsiders!” ”

“”Yes, yes, yes.”Old Mrs. Cen followed. “Quickly sit down.” ”

The few of them sat down next to the sofa.

“Is it Hot?”Cen Shaoqing looked at Ye Zao. “Shall I help you take off the scarf?”

“Yes.”Ye Zao nodded slightly.

“Actually, Ye Zao did not have the habit of wearing a scarf. Cen Shaoqing was the one who insisted on wearing this scarf for her.”

It was minus 19 degrees Celsius in the capital today.

Cen Shaoqing helped ye Zao Take Off the scarf. Their positions were intimate.

Zheng Wanyin glanced at the two of them.

She felt that Cen Shaoqing had changed a lot.

The CEN Shaoqing from before could sit there for an entire day without saying a word.

He was as cold as an ice sculpture.

“Cen Shaoqing had actually learned to take the initiative to care for others now. In his deep black eyes, ye Zao’s figure was reflected.”

Inexplicably.

Zheng Wanyin felt a little unworthy for Cen Shaoqing.

“If ye Zao was a real beauty, it would be fine.”

But Ye Zao was an artificial one.

Who Was Cen Shaoqing?

The man standing at the top of the pyramid.

“In the past, he was an unmarried man. ”

“Now that he had become a normal man, he should be matched with the best girl. ”

However...

There weren't many natural beauties anymore.

Weren't they all artificial?

Even she had gone to the plastic surgery hospital several times.

“When she thought of this, Zheng Wanyin sighed softly. ”

“Very soon, a servant brought fruit. ”

“Although it was winter and December, the fruits that the servant brought were only available in spring and summer. ”

“Chapter 1304: 273: directly slapping her in the face, making Zheng Wanyin doubt her life! 3”

“Bright Red Strawberries, big juicy peaches, sweet lychees, plump and juicy red bayberries... ”

“Zhou Xiang reached out and brought the lychees and the Garbo fruit to ye Zao. “Zao Zao likes lychees and Garbo fruits the most. Today’s Garbo fruit is especially sweet. Zao Zao, try it.” ”

“”Thank you, Auntie.”Ye Zao picked up a fruit and took a bite. The Juice was overflowing, and it was indeed very sweet. ”

“Zhou xiang smiled and said, “You Child, why can’t you change your bad habit of being polite! Shaoqing!” ”

“”Yes,”Cen Shaoqing answered. ”

“Zhou Xiang said, “What are you waiting for? Peel the lychee for Zao Zao.” ”

“I can do it myself.”Ye Zao picked up a lychee.

Zhou Xiang immediately took the lychee from ye Zhuo’s hand. “The shell of the lychee is particularly harmful to the nails. Just let Shaoqing do it. His skin is rough and his flesh is thick. He’s suitable for this kind of work.”

“Mom is right.”Cen Shaoqing’s thin lips opened slightly.

Xie Wanqiu was feeling a little uncomfortable.

Let Cen Shaoqing Peel the lychee for Ye Zhuo?

Zhou Xiang was the one who thought of it.

She was still sitting here as a grandmother. Did Zhou Xiang not know to let Cen Shaoqing Peel the lychee for her?

Did he want her to do it herself?

Zheng Wanyin was also here.

Zheng Wanyin was also a girl and Cen Shaoqing's cousin.

Zhou Xiang didn't know how to feel sorry for Zheng Wanyin?

Asking Cen Shaoqing to Peel Lychees for Zheng Wanyin?

Wasn't it normal for this cousin to care for his cousin?

Zhou Xiang clearly didn't put her and Zheng Wanyin in his eyes.

Xie wanqiu held her breath in her heart.

She felt a little uncomfortable.

Zheng Wanyin was even more surprised when she saw that Cen Shaoqing really started peeling lychees for ye Zao.

She was a little confused.

Was it because Cen Shaoqing really liked ye Zao.

Or was it because Zhou Xiang and old Mrs. Cen really liked ye Zao.

"After all, Cen Shaoqing only started peeling lychees for ye Zao after listening to Zhou Xiang's words. "

"After chatting for a while, Zhou Xiang said, "I'll go to the kitchen to take a look." "

“Second aunt, let me help you.” Zheng Wanyin stood up from the sofa. ”

“Zhou Xiang said, “The kitchen is very oily. Don’t follow me.” ”

“It’s okay. I’m not that delicate.” Zheng Wanyin smiled and followed Zhou Xiang’s footsteps.

“The two of them came to the kitchen. Zhou Xiang instructed the chef, “Zao Zao came over today. Remember to heat up some of the dishes a little more. By the way, has that Stinky Mandarin fish been delivered?” ”

“The chef said, “It’s already been sent over.” ”

“Remember to cook it,” Zhou Xiang continued, “The last time searing came over, the Smelly Mandarin fish at home were all eaten. This time, we must let searing eat it.” ”

The smelly mandarin fish of the Cen family were all sent over from the Cen Old Lady’s cousin’s house.

“The Cen Old Lady’s cousin had married into Huizhou, where the smelly mandarin fish was abundant. ”

The smelly mandarin fish they bought outside were not authentic from Huizhou.

The head chef nodded. “Okay.”

“Does cousin-in-law like to eat smelly mandarin fish?” Zheng Wanyin asked curiously.

“Zhou Xiang said, “She likes to eat smelly tofu very much. She hasn’t eaten smelly mandarin fish before. However, people who like to eat smelly tofu should also like to eat smelly mandarin fish, right?” ”

Like to eat stinky tofu?

Zheng Wanyin raised her eyebrows.

“Last night, she had heard Zhou Xiang say that ye Zao liked to eat desserts. ”

“Today, it had become that he liked to eat spicy food and stinky food! ”

What exactly did ye Zao Like to eat?

“Although she had some doubts in her heart, Zheng Wanyin did not show it. She continued, “By the way, second aunt, how did cousin and cousin-in-law meet? Did they fall in love freely, or were they introduced by someone else?” ”

There was a very famous ‘socialite training class’ that came out of the training class. It was either marrying a best actor in the entertainment industry or marrying a bachelor.

Zheng Wanyin was a little suspicious. Ye Zhuo also came out of the training class.

“Otherwise, why would the character design be so strange? ”

“Zhou Xiang said, “It can be considered as being introduced by someone else. It can also be considered a free relationship. The process is very complicated, and it’s a little hard to explain.” ”

“Then what happened?” Zheng Wanyin asked.

“When she saw how curious Zheng Wanyin was., Zhou Xiang explained, “Actually, Shaoqing’s grandmother was the first to know Zhuluo. His grandmother was very satisfied with Zhuluo. Unfortunately, Shaoqing was still unmarried at that time. Then, one day, Shaoqing suddenly said that he had a girlfriend, and then he brought Zhuluo back. In fact, it was his grandmother who set him up!” ”

“If not for Old Lady Cen’s goading, Cen Shaoqing would still be lying to himself! ”

Zheng Wanyin nodded.

So it was Old Lady Cen's matchmaking. No Wonder Old Lady Cen liked ye Zhonghua so much.

Zheng Wanyin finally found the reason.

"Soon, the two returned to the living room. "

"Coincidentally, Cen Yuying, Cen Yueya, and Cen Yueying also returned at this time. "

"Chapter 1305: 273: directly slapping her in the face, making Zheng Wanyin doubt her life! 4"

"Seeing Cen Yueya, Old Madam Cen said in surprise, "Why is the second girl back! Aren't you overseas? Why are you back today!" "

"Cen Yueya smiled and said, "Last night in the group chat, I saw eldest sister and the third girl saying that Shaoqing Is Bringing Zha Zha home today. Coincidentally, Grandma and Wanyin are also here, so I came back to take a look." "

Just in time?

Xie Wanqiu's face was gloomy.

"What Cen Yueya meant was, as a grandma, she could not even be compared to an outsider? "

"Cen Yueya's main purpose was to come back to see ye Zhuo. As a grandma, she was just passing by to take a look. "

This kind of granddaughter was really raised in vain!

“Dang Lian, if it wasn’t for her dragging Zhou Xiang up through the mud and urine, would they have become what they are now?”

Ingrates!

They were all a bunch of ingrates!

“If she had known earlier, she would not have raised Zhou Xiang and left her to fend for herself.”

“Second cousin.” Zheng Wanyin stood up to greet her.

“Wanyin, long time no see. You’ve become beautiful again!” Cen Yueya had always been a sweet talker.

“Zheng wanyin said very modestly, “Second cousin is flattering me again. Even if I’m beautiful, I’m not as beautiful as cousin-in-law.” Although ye Zao’s beauty was artificial, it was still a kind of beauty.”

“Cen Yueya smiled and said, “Who asked you to compare yourself with Zao Zao? Zao Zao is a non-human!” Zheng Wanyin was still a beauty that could make people’s eyes shine.”

“After all, in this world, how many people could grow up to be like ye Zao?”

Don’t compare yourself with ye Zao?

“Xie Wanqiu was already very unhappy. After hearing these words, she became even more unhappy.”

What did Cen Yueya Mean?

Was she hinting that Zheng Wanyin could not compare to ye Zao?

What was ye Zao?

He was worthy to be compared to the pearl in her hand!

The CEN sisters were each more insensible than the other.

“Yet, each of them married better than the other.”

No one knew how their in-laws had taken a liking to them.

Did they not have eyes?

“Xie wanqiu held her anger in her heart, but she could not show it. She could only swallow it.”

“Zheng Wanyin frowned slightly. Looking at Cen Yueya, she knew that she did not know that ye Zao’s beauty was fake.”

“However, it was normal that she did not know. If she had not made any minor adjustments, she would not have known that ye Zao was fake.”

Her plastic surgeon once said something.

Ten out of ten beauties had made minor adjustments.

There were no natural beauties in this world.

She wondered how the Cen family would react when they found out about this?

“Zheng Wanyin suppressed the messy thoughts in her heart and continued, “Second sister, are you the only one here? Why haven’t you seen second brother-in-law?” ”

“Cen Yueya replied, “Your second brother-in-law is out on a business trip.” ”

“OH.”Zheng Wanyin nodded.

“Cen Yueya sat on the sofa and took out a jewelry box to pass to Ye Zao. “Zao Zao, when I was shopping in C Nation, I found a necklace that suits you very well. Quickly put it on and try it on.”Cen Yueya liked ye Zao very much, just like Old Madam Cen, whenever she saw a good-looking jewelry in a shopping mall, she would immediately think of Ye Zao and buy it. ”

“Of course, Ye Zao was also very generous to the CEN sisters. He knew that they were loyal fans of Zy, so whenever ZY came up with a new product, ye Zao would ask someone to save one for them. ”

Liking each other was mutual.

“Ye Zao reached out and took the jewelry box. “Thank you, second sister.” ”

“You’re welcome.”.

“After saying that, Cen Yueya handed Zheng Wanyin another jewelry box. “Wanyin, this is for you.” ”

“Do I have a present too?”Zheng Wanyin was flattered.

Cen Yueya nodded. “Of course.”

“Zheng Wanyin opened the jewelry box. It was a very nice looking bracelet from a famous luxury brand. “It’s so beautiful! Second cousin, thank you! Grandma, this is the bracelet second cousin gave me.” ”

Xie wanqiu smiled in response. "Second lass has good taste."

She could tell that Cen Yueya did not intend to give Zheng Wanyin a present.

"If Cen Yueya really wanted to give Zheng Wanyin a present, she would not have given it to ye Zhuo first and then Zheng Wanyin. "

"After all, in terms of relationship, Zheng Wanyin was the one who was closer to Cen Yueya. "

Not to mention that ye Zao had not entered yet.

Taking a step back.

So what if ye Zao had entered?

"Even if ye Zao had entered, he was still an outsider. "

But Cen Yueya clearly valued ye Zao more.

"In Cen Yueya's eyes, Zheng Wanyin was a dispensable transparent person. "

To think that Zheng Wanyin was so happy.

There was no one in this family that she liked.

"Chapter 1306: 273: directly slapping her in the face, making Zheng Wanyin doubt her life! 5"

“At this moment, a cell phone ringtone sounded in the air.”

“Hello.”Ye Zhuo picked up the phone.

“An.”Carl’s voice sounded on the other end of the screen.

“”Carl?”Ye Zhuo stood up and walked out, his tone a little cold. “What’s the matter?” ”

Carl?

“Hearing this, Zheng Wanyin looked up at Ye Zhuo. ”

The Carl that ye Zao was talking about was Mr. Carl?

But how did ye Zao Know Mr. Carl?

“After all, Mr. Carl was an international scientific research master!”

Or did ye Zao deliberately say that because he heard Xie wanqiu talking about Mr. Carl when Ye Zao entered the door?

“Or, it couldn’t be such a coincidence. ”

She had just answered the call from the ABA deputy executive officer when Ye Zao received a call from Mr. Carl.

Moreover...

“Mr. Carl was from C Nation, and Ye Zao spoke Chinese. ”

The language was different. Could Mr. Carl Understand What Ye Zao was saying?

It seemed that ye Zao also heard vanity.

“Otherwise, ye Zao wouldn’t have deliberately pretended to answer the phone and talked about Mr. Carl. ”

From another perspective...

Ye Zao must have also regarded her as an enemy.

“Otherwise, ye Zao wouldn’t have competed with her and pretended to know Mr. Carl. ”

Zheng Wanyin sighed softly.

It seemed that everyone was not as simple as they looked.

Ye Zao seemed to be such a beautiful person.

But his inner thoughts were still so deep.

There was a popular saying on the internet.

Acting Cool for a moment.

Didn’t she think about the embarrassment after being exposed by others?

A fake was a fake after all.

“Perhaps, ye Zao didn’t think about the future at all. ”

A moment later.

Ye Zao returned from outside.

“Zhou Xiang stood up and said, “It’s time to eat. Shall we go to the restaurant for dinner?” ”

Why did they have to wait for ye Zao to come back for dinner?

Xie wanqiu snorted coldly in her heart.

“If ye Zao had not come back just now, would they let her, an elder, wait forever? ”

“Although she thought so in her heart, Xie Wanqiu did not show it. She smiled at ye Zao and continued, “Zao Zao, I heard that you were on the phone with Mr. Carl Just Now?” ”

“Yes.”Ye Zao nodded slightly.

“Seeing ye Zao actually nod and admit it, Xie Wanqiu was a little surprised. ”

This little girl was too bold!

She was lying through her teeth.

“Mr. Carl was a foreigner, how could he speak Chinese! ”

She really thought that everyone else was a fool.

Was she the only smart person in the world?

Ridiculous.

“Xie wanqiu continued, “What a coincidence! Yinyin and Mr. Carl are old acquaintances. Mr. Carl will be coming to Beijing Tomorrow, and he even asked Yinyin to pick him up from the airport. Since you and Mr. Carl know each other, why don’t you let Yinyin bring Mr. Carl Home?” ”

Ye Zao’s expression was indifferent. He could hear the hidden meaning in Xie Wanqiu’s words.

Was Xie Wanqiu showing off?

But what about picking him up from the airport? Was It Worth showing off?

“Zheng wanyin quickly added, “Grandma, actually, I’ve only met Mr. Carl a few times. The Deputy Executive Officer asked me to pick him up. Otherwise, it would be very difficult for me to even meet a big shot like Mr. Carl.”She couldn’t even meet him once, not to mention ye Zao. ”

“After saying that, Zheng wanyin added, “Besides, Mr. Carl isn’t here to have fun. He has a very important mission.” ”

““He has a mission!”Xie wanqiu said regretfully, “That’s such a pity! I thought that since all of you know each other, it would be best if you could invite Mr. Carl to our house as a guest.” ”

““That’s not difficult,”zheng wanyin continued, “After Mr. Carl finishes his work here, he can come to our house as a guest.” ”

““Okay, that’s settled then. When Mr. Carl is free, he must be invited to our house.” ”

“At that time, they would see how ye Zao would behave himself. ”

“Okay.”Zheng Wanyin nodded.

“Zhou Xiang stood up and said, “It’s almost time to eat. Let’s go eat first.” ”

“Let’s go eat first. I’m hungry.”Cen Yueya stood up and held ye Zao’s hand. “I wonder what delicious food was cooked in the kitchen today.”

“”Your aunt sent over smelly mandarin fish. There’s smelly mandarin fish to eat today,”Zhou Xiang said.
”

“”Really?”Cen Yueya smiled and said, “I’m most proud of this one! Do You Like It?” ”

“Ye Zao said, “I think so. I haven’t eaten the smelly mandarin fish before.”As long as it was delicious, ye Zao would like to eat it. ”

“Snail powder, smelly tofu, smelly durian, and ye Zao would not reject any of them. ”

“Although he had never eaten the smelly mandarin fish before, the name sounded pretty good. The taste should be pretty good. ”

“Let’s go and try it.”

Cen Shaoqing followed behind and calmly twirled the Buddha beads.

“As soon as he entered the restaurant, he smelled a stinky smell. ”

“Chapter 1307: 273: directly slapping her in the face, making Zheng Wanyin doubt her life! 6”

Zheng Wanyin frowned.

The taste was a little pungent.

Could Ye Zhuo really eat these things?

“It smells so good!”Cen Yueya took a deep breath.

“Everyone sat down around the table. Old Mrs. Cen picked up her chopsticks. “Those who can sit at the table today are not outsiders. Don’t be shy, let’s eat.” ”

“Cen Yueya could not wait to pick up a piece of Mandarin fish meat. “It’s so delicious! The taste is too authentic! Zhuozhuo, have a taste.” ”

“As she finished speaking, Cen Yueya quickly picked up her chopsticks and picked up a piece of Mandarin fish meat for ye Zhuo. ”

Ye Zhuo took a bite.

“The meat was fresh and tender. It was refreshing and chewy. There was a hint of smelly in the fragrance. The texture was first-class. After one bite, one would want to take a second bite. ”

“Cen Yueya looked at Ye Zao. “Zao Zao, how does it taste?” ”

““It’s very delicious,”ye Zao said. ”

“Cen Yueya smiled and said, “It’s not like a family doesn’t come into the same house. I knew you would definitely like this one too.” ”

Ye Zao picked up a chopstick and gave it to Cen Shaoqing. "You want to try it too?"

"Seeing this scene, Zheng Wanyin's eyes were filled with shock. "

Making Cen Shaoqing eat smelly mandarin fish?

Who Didn't know that Cen Shaoqing had always been a vegetarian!

"Ye Zhuo wanted to show that he was different in front of Cen Shaoqing, but he didn't act like this either. "

Wasn't this a little arrogant because he was spoiled?

It seemed that ye Zhuo still didn't know Cen Shaoqing well enough.

Who Was Cen Shaoqing?

Cen Wuye was a man of his word. How could he change anything because of a little girl.

Zheng Wanyin originally thought that ye Zhuo would accompany Cen Shaoqing for a period of time.

She never thought that ye Zhuo and Cen Shaoqing would end up on a piece of smelly mandarin fish meat.

It shouldn't be. It shouldn't be. Ye Zhuo shouldn't have challenged Cen Shaoqing's bottom line.

Zheng Wanyin sighed softly.

“But in the next second, Zheng Wanyin’s pupils suddenly widened. ”

“She, what did she see? ”

“She saw Cen Shaoqing actually pick up the fish meat in the bowl, and then... ”

She ate it.

She ate it!

Cen Shaoqing actually ate it.

How could this be?

“Cen Yueya smiled and asked, “How is it, fifth girl? is the fish that searing gave you delicious?” ”

“It’s very delicious.”Cen Shaoqing nodded slightly.

“CEN Yueya continued, “I see that you will be a strict wife from now on.” ”

“As Cen Shaoqing’s sister, Cen Yueya understood Cen Shaoqing too well. ”

Cen Shaoqing had a lot of faults and was very difficult to please.

It was fine if ye Zhuo was around.

“If ye Zhuo wasn’t around, she wouldn’t eat either here or there.”

“Every time they ate, old Mrs. Cen would ask the kitchen to make a serving for CEN Shaoqing. ”

To Eat Smelly Mandarin fish?

How could that be!

“Aunt had sent smelly mandarin fish to the Cen family for decades, but she had never seen Cen Shaoqing eat it. ”

Cen Shaoqing did not refute her. He placed the Buddha beads on the table with his left hand and looked like he was proud of his wife.

Strict Wife?

Who?

Cen Shaoqing?

Zheng Wanyin felt that her worldview had collapsed.

How could a person like Cen Shaoqing be strict wife!

How could this be?

This was not quite what she had imagined.

“Cen Shaoqing picked up a prawn and slowly peeled it. Just when Zheng Wanyin felt that Cen Shaoqing was going to eat it, Cen Shaoqing put the prawn into ye Zhuo’s bowl. ”

“After peeling the prawn, Cen Shaoqing picked up a crab leg...”

“Soon, ye Zao’s bowl was filled with meat. ”

“There were obviously servants around, but Cen Shaoqing had to do it himself. ”

“For a moment, Zheng Wanyin felt like she was chewing on wax. ”

Xie wanqiu also couldn’t stand it.

“She was Cen Shaoqing’s grandmother. Cen Shaoqing should have been filial to her, but Cen Shaoqing had never peeled prawns for her. ”

“Even as a grandmother, she had never enjoyed such treatment. ”

Ye Zao?

Who the hell was ye Zao?

Someone like ye Zao still wanted to marry into the Cen Family?

Don’t even think about it!

“Let’s not talk about anything else. First of all, she would not be able to pass this test. ”

She would never let such a disrespectful girl marry Cen Shaoqing!

“Xie wanqiu put down her chopsticks and looked at Ye Zao. She put on a smile and said kindly, “Zao Zao, have you graduated from university?” ”

“Ye Zao didn’t like to talk while chewing. He slowly swallowed the food in his mouth and said, “Not yet.” ”

“How many years until graduation?” Xie wanqiu continued to ask.

“Two years,” ye Zao answered. ”

“Two years? That’s soon.” Xie wanqiu drank a mouthful of soup. “Have you thought about where you will go to work after graduation?”

Ye Zao shook his head slightly.

“I have to think about it quickly.” Xie wanqiu continued, “Zao Zao, do you know the International Organization Alliance Aba?” ”

“I’ve heard of it.” Ye Zao nodded slightly.

He didn’t know if he really knew or if he was pretending to know because he wanted to maintain his reputation.

“Chapter 1308: 273: directly slapping her in the face, making Zheng Wanyin doubt her life! 7”

“After all, the ABA was the International Alliance.”

“However, Xie Wanqiu did not expose ye Zao, she continued, “Yinyin is a core member of the ABA. Soon, they will hold the next assessment competition in Beijing. Zao Zao, if you want to join the ABA, you can ask yinyin to help you introduce them. Yinyin has a good relationship with their executive officer.””

“After saying that, Xie Wanqiu turned to look at Zheng Wanyin. “Oh right, yinyin, is the ABA recruiting university students?””

“Zheng wanyin said, “That depends on their aptitude. A person as outstanding as cousin-in-law will definitely have no problems. Furthermore, cousin-in-law knows Mr. Carl.””

“Xie wanqiu continued, “If you have time, tell your cousin-in-law in front of the executive officer. The ABA is a good place. The two of you can take care of each other when you are together.””

“Okay.”Zheng Wanyin nodded in response.

Wasn't she just dealing with it?

What kind of place was the ABA?

Could it be that anyone could enter?

One had to know that the cleaners of the ABA were all graduate students.

“If it wasn't for her special talent, she wouldn't have been specially recruited.”

Ye Zhuo didn't even have the qualifications to become a cleaner.

Of course.

These words couldn't be put on the table.

“After saying that.., zheng wanyin continued, “Right, the day after tomorrow is the day when the ABA and Beijing HI jointly hold the assessment. Mr. Carl came to Beijing because of this matter. If cousin-in-law wants to join the ABA, you can come and give it a try! “I'm not afraid that cousin-in-law will laugh at me if I say it out loud. I also have to go on stage to participate in this assessment the day after tomorrow.””

Xie wanqiu frowned. “Aren't you a core member? Why are you still taking the assessment?”

“Zheng wanyin explained softly, “This is what a core member needs to take the test for.””

“In other words, if you weren’t a core member, you wouldn’t even be qualified to take the test!”

Xie wanqiu felt very comfortable when she heard this. Her biological granddaughter was just that outstanding!

“Zheng Wanyin looked up at Cen Shaoqing. “Cousin, why don’t you bring cousin-in-law along? I’ll send an electronic ticket to second aunt’s wechat.””

“”I’m not free,”Cen Shaoqing rejected her directly.”

Zheng Wanyin was a little embarrassed.

“Zhou Xiang helped Zheng Wanyin out of her predicament. “Wanyin, your cousin has been too busy recently. Send the admission ticket over. I’ll go with your second cousin.””

“Okay.”Zheng Wanyin nodded.

“In the evening, ye Zao proposed to leave.”

Cen Shaoqing went back from ye Zao.

Xie wanqiu looked at ye Zao’s back with a cold expression.

This ye Zao really didn’t put her in his eyes!

“This was his first time visiting her, and he actually didn’t know how to prepare a gift for his grandmother.”

Something that didn't respect his elders.

He didn't know how his family taught him!

"Back in the room, Xie Wanqiu said angrily, "I really don't know how Shaoqing took a fancy to that kind of person! She doesn't have the slightest sense of discernment. She hasn't even passed through the door yet, and she's already treating me like this. If she passes through the door in the future, will there still be a place for me to speak in this house? No, I absolutely can't let her marry Shaoqing!"

"Zheng Wanyin said, "Grandma, don't be angry. Cousin-in-law is still young after all. It's normal for her to not be so considerate in some matters."

"You only know how to bend the rules!" Xie Wanqiu was very angry.

"Zheng Wanyin patted Xie Wanqiu's back, "Grandma, in the end, this is also second aunt's family matter and has nothing to do with us. Moreover, cousin-in-law is the granddaughter-in-law that Old Lady Cen personally chose. There won't be any problems with her judgment."

"What did you say?" Xie Wanqiu looked at Zheng Wanyin.

Zheng Wanyin repeated what she just said. "I said cousin-in-law is the granddaughter-in-law that old lady Cen personally chose."

"Ye Zhuo was chosen by that old lady of the Cen Family?" Xie Wanqiu asked.

"Yes." Zheng Wanyin nodded.

"Too much!" Xie Wanqiu slammed the table and stood up. "This is too much! The Cen family is simply going too far!"

"Grandma, what happened to you?" Zheng Wanyin was shocked.

“Xie wanqiu continued, “This Shaoqing is my grandson after all. Why should I let that old woman from the Cen family make the decision alone? I, the grandmother, didn’t agree to it. What right does Bai Tang have to make the decision on her own!””

Bai Tang.

So Bai Tang was really the name of the Cen family’s old lady.

“Zheng Wanyin narrowed her eyes. “Grandma, don’t be angry. This is the Cen family’s family matter after all.””

“Are you saying that I’m an Outsider?”Xie wanqiu looked at Zheng Wanyin.

“Zheng Wanyin shook her head. “Grandma, you’re misinterpreting what I’m saying. I’m saying that it’s better to avoid unnecessary trouble.””

On the other side.

In the car.

Ye Zhuo leaned against the back of his chair and narrowed his eyes slightly.

““Leader, do you want to go to the teahouse nearby?”Cen Shaoqing asked.”

Chapter 1309: 273: directly slapping her in the face and making Zheng Wanyin doubt her life! 8

“No, I’m too full. Let me take a nap.” Actually, under normal circumstances, ye Zao would only eat until she was 80% full. ”

“However, she could not take it anymore. There were always people at the dining table serving her food. With dessert and other things, she was a little full. ”

“Okay.” Cen Shaoqing held the Buddha beads in one hand and the steering wheel in the other. “Let’s take a walk around the square now.”

“At this moment, a cell phone rang in the car. ”

Ye Zao fumbled to pick up the phone. “Hello.”

“He didn’t know what the other party said, but ye Zao said impatiently, “Let’s talk about it later.” ”

“I’m not free.”

“The next second, Ye Zao suddenly sat up straight. His eyes seemed to be filled with starlight. “Really?” ”

“What time is it the day after tomorrow?”

“Okay.”

“After hanging up the phone, CEN Shaoqing asked curiously, “Who called?” ”

“ABA’s CEO.”

“Male or female?” Cen Shaoqing asked casually.

“Male.” Ye Zao’s eyes were indifferent.

“In the next second, a shadow was cast on ye Zao’s face. Cen Shaoqing leaned over and supported himself with one hand on the back of the chair behind ye Zao, while the other held a Buddhist bead. He just looked at Ye Zao. The two of them were very close to each other, the scent of sandalwood wafted onto her face. “Leader, aren’t you going to explain?” ”

“Using the most domineering manner, he said the most cowardly words. ”

“Ye Zao looked at Cen Shaoqing and felt like laughing. “The CEO invited me to be the assessment officer the day after tomorrow. I didn’t want to agree initially, but he said that he has the secret recipe of the Heart Candy Mu Xue.” ”

The Heart Candy Mu Xue was a very famous ancient European royal dessert.

“Unfortunately, this royal dessert was lost because of the secret recipe during the war. People had only heard of its delicacy, but no one had ever eaten it. ”

Cen Shaoqing lowered his eyes slightly and lightly pecked at this person’s jade-like lips. “Approved.”

“”Thank you for the approval, sir.”Ye Zhuo was very supportive. ”

Cen Shaoqing gently moved the corners of his mouth and turned to his red lips. The four lips intersected and were as cold as water. He attacked the city and seized the city. It was unknown who had lost their position first.

“After a moment, Cen Shaoqing finally let go of her. ”

His breathing was a little heavy.

“If he did not let go of her, Cen Shaoqing was worried that ye Zhuo would question him about why he put his phone on him again. ”

“When he got out of the car, Cen Shaoqing’s thin lips opened slightly. “I happen to be free the day after tomorrow. I’ll go with you.” ”

“Okay.”Ye Zhuo nodded slightly and imitated him. “I’ll allow it.”

Cen Shaoqing cupped his hands. “Your humble subject thanks you.”

“Your humble subject is excused.”

Your humble subject...

Your humble subject!

Your humble subject!

“When he heard this, Cen Shaoqing’s ears turned slightly red. ”

“Listen to this, what kind of ‘Tiger and Wolf Words’ was this ”

“From this term of endearment, one could tell how much ye Zhuo loved him. ”

“When he returned home, Cen Shai was a little elated. ”

“Once he reached home, Cen Shaoqing turned on the music, causing the music of the ‘Great Sorrow Mantra’to reverberate in every corner of the Cen Manor. ”

“CEN Yueya asked curiously, “Hasn’t Shaoqing not listened to the ‘Great Sorrow Mantra’for a long time? Why did he start listening again?” ”

“Old Madam Cen smiled and said, “Maybe he’s in a good mood! Maybe Yezi is pregnant! Holy shit! I’m going to be a great-grandmother! I’m going to have a great-grandson! Oh My God! Xiangxiang, Xiangxiang, you’re going to be a grandmother!”The more old Mrs. Cen said, the more excited she got, in the end, she stood up from her chair and walked upstairs. ”

“”Grandmother, what are you going to do?” ”

“Old Mrs. Cen said without turning her head, “I’m going upstairs to name my great-grandson!” ”

Cen Yueya shook her head speechlessly. “This old lady listens to the wind and the rain.”

Soon.

It was the day of the ABA and HI joint assessment.

“Zheng Wanyin still had to prepare to go on stage to participate in the assessment, so she came very early.”

Time passed by minute by minute.

“When Zheng Wanyin was fully prepared and came to the assessment venue again, she actually saw an unexpected figure at the family seats. ”

“That, that was Cen Shaoqing! ”

Didn’t Cen Shaoqing say that he didn’t have time to come over?

Then why did he come?

Moreover.

There was no ye Zhuo by Cen Shaoqing's side.

This meant that ye Zhuo didn't know that Cen Shaoqing was here.

Could it be that he was here to cheer for her?

Yes.

Cen Shaoqing must have come because of her.

The man really didn't mean what he said.

"Cen Shaoqing clearly said that he didn't have time, but he still came."

This meant that she had a certain status in Cen Shaoqing's heart.

"For a moment, Zheng Wanyin's heart was beating a little fast."

"But the next second, Zheng Wanyin saw a figure that she did not want to see at the entrance."

It was ye Zhuo.

Why was Ye Zhuo here?

Could it be that he was chasing after Cen Shaoqing?

Wasn't he chasing too closely?

Did he not know that he had to give the man some freedom?

“Cen Shaoqing had just sat down when ye Zhuo caught up with him. If she was Cen Shaoqing, she definitely wouldn’t be able to take it.”

Ye Zhuo walked in and found a seat to sit down.

“Seeing this scene, Zheng Wanyin’s eyes widened in disbelief.”

Was Ye Zhuo Crazy?

That was the position of the examiner!

Didn’t you see the examiner’s nameplate on the table?

“However, the nameplate was written in Hindi and not Chinese. It was normal for ye Zao to make a mistake.”

One had to know that Hindi was one of the top ten difficult languages in the world.

“Zheng Wanyin tidied her clothes and intentionally walked past Cen Shaoqing. She walked over to ye Zao and said, “Cousin-in-law, you’re sitting in the wrong place. This is the assessment officer’s position. The family seat is over there!” ”

Chapter 1310: 274: find a hole and hide in it. Ye Zao is the main assessment officer! 1

Cen Shaoqing knows ten languages.

But Ye Zao doesn't even know Hindi.

"If this gets out, it would be a disgrace."

Especially with so many people watching!

But Ye Zao sat in the wrong seat.

"Fortunately, not many people knew that ye Zao was Cen Shaoqing's girlfriend."

"If others were to find out, not only would ye Zao lose face, even Cen Shaoqing would lose face as well."

Zheng Wanyin's eyes flashed.

"Ye Zao was sending a message with his head lowered. He did not hear what Zheng Wanyin was saying. He looked up and asked, "What's the matter?" "

His voice was a little faint.

"Zheng Wanyin looked around and lowered her voice. She repeated, "Cousin-in-law, this is the position of the assessment officer." "

"I know," ye Zao's tone was faint. "

"If he knew, why was he sitting here?" "

Zheng Wanyin was stunned.

What was ye Zao trying to do?

“Did he really know, or was he pretending to know in order to save face?”

“Zheng Wanyin tried her best to be tactful and said, “Cousin-in-law, the family seat and the assessment officer’s position are different. Now that the CEO is not here yet, you should hurry to the family seat! Otherwise, the CEO will get into trouble!” ”

An ordinary person actually sat in the Chief Assessment Officer’s position.

“If the CEO saw this, he would definitely scold her. ”

How could a little girl like ye Zhuo withstand this?

“Moreover, Zheng Wanyin had also heard that this chief assessment officer had a particularly big background.”

He had his own achievements in various fields.

“Originally, he was not willing to be the chief assessment officer. ”

The CEO used a lot of effort to convince this chief assessment officer.

“However, ye Zao turned a blind eye to her words and sat in his seat without moving. ”

Yes.

She admitted that ye Zao was very beautiful. Even a man would be moved by her beauty.

Not all men liked beautiful women.

Their CEO was an exception.

The CEO was not someone who took pity on women.

“Sister-in-law, did you hear what I Said?” Zheng wanyin continued, “Before the CEO arrives, Hurry up and follow me to the family seats.” ”

“Ye Zhuo raised his eyes slightly and his tone was a little flat. “About that, you might have misunderstood. I’m the assessment officer today.” ”

Ye Zhuo was the assessment officer?

She really dared to say that.

Why didn’t she say that she was the ABA’s CEO himself?

“Zheng wanyin continued, “Cousin-in-law, now is not the time to joke. The assessment is about to begin.” ”

Ye Zhuo turned off his phone and maintained his expression. “I’m not joking with you.”

“At this moment, Zheng Wanyin suddenly saw a figure. ”

“Deputy Executive Officer.” When she saw who it was, Zheng Wanyin immediately stood up straight. ”

Why did the deputy executive officer come?

He must have seen ye Zao sitting in the position of the main examiner backstage and was interrogating him.

“This time, Ye Zao was finished. ”

What did this mean by ‘karma’.

This was karma.

“A second ago, Ye Zao was still bragging, saying that he was the examiner. ”

“A second later, the deputy executive officer arrived. ”

She wanted to see how ye Zao would explain himself.

Just as Zheng Wanyin was waiting to watch the joke unfold...

“The deputy executive officer walked in front of Ye Zao and said respectfully, “Miss Ye.” ”

“Yes.”Ye Zao nodded slightly. “Speak.”

“This is the list of candidates for today’s assessment. Please take a look at it.”The Deputy Executive Officer passed a list to Ye Zao.

Ye Zao took the list and flipped through it page by page.

Zheng Wanyin stood at the side.

Her face was a little green.

What was going on?

Why was the deputy executive officer so respectful to ye Zao?

He even gave ye Zao the list of examinees.

Wasn't this list only qualified for examinees?

Could it be...

Ye Zao was really an examinee?

How could that be possible!

Ye Zao didn't even graduate from university.

He was still a sophomore.

No.

It was impossible.

There must be a misunderstanding.

Zheng Wanyin swallowed her throat.

"The deputy executive officer looked at Zheng Wanyin and said in a heavy tone, "Can't you see that examiner ye has no water in his blanket? Hurry up and get examiner ye a glass of water." "

Zheng Wanyin was stunned.

What did the Deputy Executive Officer Call Ye Zao Just Now?

Examiner Ye?

Ye Zhuo was really an assessment officer?

Ye Zhuo?

Didn't Ye Zhuo not graduate from university?

The ABA assessment criteria were very strict. Ordinary people could not join at all.

How did ye Zhuo become an assessment officer?

Could she have heard wrongly?

She must have heard wrongly.

Zheng Wanyin tried hard to calm herself down.

"Seeing that Zheng Wanyin did not move for a long time, the deputy executive officer continued,
"Wanyin, what are you still standing there for?" "

Zheng Wanyin was a relatively young member of the ABA.

"Therefore, the deputy executive admired her very much. "

He felt that Zheng Wanyin was a talent that could be molded.

“However, Zheng Wanyin’s reaction today made the deputy executive somewhat disappointed.”

“What did you say? I didn’t hear you clearly just now.”
