Chapter 131: 082: How Does It match up to her? She doesn't even have the slightest discernment! 4

Old Lady Lin happily grabbed Feng Xianxian's hand. "Right, right, right. Xianxian is right. We're family. We don't speak in different ways! Since we're family, you're not allowed to call me grandma Lin Anymore! This is too distant!"

"Ah?" Feng Xianxian pretended to be puzzled and said, "Then what should I call you?"

Old Lady Lin lovingly scratched Feng Xianxian's nose, "You child, you were so smart when you were smart, and you always came first in the exams. How can you be so stupid when you are stupid! If you don't Call Me Grandma Lin, of course you call me Grandma!"

"Grandma." Feng Xianxian immediately called out sweetly.

Old Lady Lin was overjoyed. She took out a thick red packet from her pocket, "This is the new year money that Grandma gave you."

"Thank you, Grandma." Feng Xianxian took it with both hands and said awkwardly, "But, will brother Ah Ze be unhappy if I call you that? I feel like brother Ah Ze doesn't like me very much."

Old Mrs. Lin's face turned stiff. She immediately thought of what happened last night. "How dare he be unhappy!"

"Grandma, don't be angry." Feng Xianxian hugged old Mrs. Lin's arm, "I was just saying. Actually, brother Ah Ze is very obedient. My mother often praises brother ah ze for being sensible and even wants me to learn more from brother Ah Ze!"

Who Was Feng Xianxian?

She was Feng Qianhua's daughter.

She knew how to be good to Old Lady Lin, and she also knew how to drive a wedge between them.

What was Lin Ze?

A wild child who didn't even know who his biological mother was.

What right did he have to compete with her?

Sooner or later, she would ask Old Lady Lin to chase Lin ze away!

Then, she would ask Feng Qianhua to give birth to a younger brother for her.

At that time, she would be the Cen family head's daughter-in-law, and her younger brother would be the successor of the Lin family.

At that time, in the entire capital, who could compare to her?

Thinking of this, Feng Xianxian's eyes were filled with pride.

Hearing this, the expression on old madam Lin's face became even uglier. "If Ah Ze is half as sensible as you, I would be burning incense!"

If Lin Ze was really sensible, he would not have refused to let Feng Qianhua and her daughter come to the Lin family for the New Year Last Night.

To think that Feng Qianhua still liked him so much.

If Lin Ze didn't look like Lin Jincheng, she would even suspect that Lin Ze was the blood of the Lin family.

“Grandma, don’t Tease Me! How can I compare to Brother Ah Ze?” Feng Qianqian then took out a pair of insoles. “Oh right, grandma, today is the first day of the New Year, and I don’t have anything to give you. This is the insoles that I personally stitched for you, please don’t mind it.”

This pair of insoles was not bought by Feng Xianxian.

Instead, it was three pairs at ten Yuan and was casually bought by the roadside.

The reason why she dared to say that she personally stitched it was because she was relying on the fact that Old Lady Lin would not suspect her.

This old lady was blind.

She was very gullible!

The facts proved that Feng Xianxian was right. Old Lady Lin happily took the insoles. “A thousand miles to give goose feathers, a gift is light and a sentiment is heavy! Xianxian has grown up and knows how to be filial to Grandma!”

What was important was not a pair of insoles, but the fact that Feng Xianxian had personally made the insoles.

This kind of kindness could not be repaid with a thousand gold coins!

It was already the age of machines now. which young man would be willing to personally sew a pair of insoles for the elderly at home?

This granddaughter!

She did not like it for nothing.

The more old madam Lin thought about it, the happier she became.

Feng Xianxian smiled and said, "Grandma, I'm your granddaughter. Isn't filial to you something that should be done? When I earn money in the future, I'll take you around the world to travel! To experience different customs and customs."

Sure enough, girls were considerate.

Lin Ze, for example, had never said such intimate words to her.

Did the Lin family lack money to travel around the world?

What they lacked was a good child who was filial.

"Okay, okay, okay." Old Mrs. Lin patted Feng Xianxian's hand. "Grandma will wait for you to take Grandma around the world."

Feng xianxian continued, "Oh right, Grandma Lin, where are brother Ah Ze and uncle Lin?"

"They went out to pay new year's greetings early in the morning. They haven't come back yet," said old Mrs. Lin.

Feng Qianhua continued, "Aunt Lin, why haven't we seen eldest brother, second brother, third brother, and fourth brother come back with sister-in-law and the children?"

Lin Jincheng was the youngest child in the family.

There were four older brothers on it.

Old Mrs. Lin said, "They just called to say that it snowed last night and it's not easy to walk on the road. They will probably arrive in the afternoon."

Having not seen her children and grandchildren for a year, Mrs. Lin could not wait to see them.

Chapter 132: 082: How Does It match with her? She doesn't even have the slightest discernment! 5

It's a pity that the heavens don't appreciate beauty.

"It's Alright, Grandma. Those uncles didn't have time to come back to accompany you. It's the same for me to accompany you." Feng Xianxian hugged Old Lady Lin's arm and began to act coquettishly.

"Alright!" Old Lady Lin patted Feng Xianxian's hand with a face full of smiles.

However, a look of disgust flashed across Feng Xianxian's eyes.

That was because she was especially sensitive to the old man's smell.

But now, Feng Qianhua had not married into the Lin family and her position was not stable, so she could only endure it.

One day, she would be rewarded for tolerating it.

At this moment, Old Lady Lin seemed to have suddenly remembered something, "Oh right, Qianhua, a few days ago, director Wang from the south sent some tonics over. Bring some back to your mother later. Tell her that it's my return gift of hundred flowers nectar."

It was good to have a return gift.

Old Lady Lin's return gift was equivalent to an imperial edict in the Feng family.

In fact, this was not just a return gift. It also represented Old Lady Lin's love and recognition for her.

Although she was very happy, Feng Qianhua still said, "Aunt Lin, we're all family. You Don't have to be so polite."

Old Lady Lin smiled and said, "I'm giving it to your mother, not to you. You're not allowed to reject it!"

Since she had already said that, Feng Qianhua naturally would not reject it.

There was a smug look in her eyes.

In the afternoon, Old Lady Lin's four sons came back with their wives and children.

The huge Lin family suddenly became lively.

Feng Qianhua was like the mistress of the Lin family, busying herself.

In fact, Old Lady Lin's four daughters-in-law did treat Feng Qianhua as one of their own. After all, in all these years, besides Feng Qianhua, no other woman had appeared beside Lin Jincheng.

...

Cloud capital.

In the afternoon, Mu Yourong punctually went to the restaurant to look for Lin Xuan.

Only after she went to the restaurant did she realize that Xue Lin was there as well.

"Yourong."

The two sisters greeted her warmly.

Although Lin Xuan was a great lawyer and was usually as proud as a kaolin flower, she still had to lower her head when she saw Mu Yourong, the genuine eldest daughter of a prestigious family.

“Eldest cousin sister, second cousin Sister.” Mu Yourong walked over with a smile.

“Sister yourong, quickly sit down.”

Mu Yourong leaned over and sat down, seemingly unintentionally saying, “Today is the first day of the New Year. Why are the two sisters free to accompany me and have coffee? Could it be that Auntie Ye didn’t bring Sister Ye Zao to Your House to pay New Year’s greetings?”

Xue Lin smiled and answered, her tone flat, “Our family has already severed relations with their family!”

Even though ye Shu was Xue Lin’s aunt, she had never admitted that ye Shu was related to her and had always called her by her first name.

“Severed ties?” Mu Yourong looked at Xue Lin in surprise, “How could this be?”

Xue Lin took a sip of her coffee and a layer of disgust appeared in her eyes, “Their family comes knocking on our door every day. No matter how rich our family is, we can’t help but be so extravagant!! My mother saw how pitiful ye Shu was and introduced her to a big boss. She didn’t expect that not only did ye Shu not know how to be grateful, she even indulged that trash ye Zhuo and injured the big boss! A bunch of ungrateful things!”

Mu yourong nodded, “I see, then they really don’t know what’s good for them! I saw Auntie ye open several restaurants and thought that your family invested in her. From the looks of it, that shouldn’t be the case.”

“Restaurant?” Xue Lin frowned, “You mean ye Shu?”

“Yes,” mu yourong continued, “The restaurant is on Ba Cheng Road. Before the holidays, business was especially good, and there was a queue almost every day! “Also, Auntie Ye and the others moved out from the basement. I also heard that Auntie Ye has already spent 20 million to buy that restaurant... <per_0> . .”

Lin Xue isn't the only one with her eyes wide open.

Even Lin Xuan felt incredible.

What's 20 million?

The total value of the family's assets is only 30 million.

But Ye Shu took out 20 million without batting an eyelid.

You know, before ye Shu, just live in the dark basement.

It was simply unbelievable!

“Yourong, could you have made a mistake?” Lin Xuan stirred the coffee.

Even she did not have the ability to earn 20 million.

How did ye Shu earn it?

Could it be... that she was a rich person on the list?

It must be so.

Although she hated ye Shu, she could not deny that ye Shu was indeed quite beautiful.

This person was also disgusting!

That day ye Shuang introduced Li Hongwei to her also hypocritically said that she did not play third fiddle for others.

Chapter 133: 082: How does she match up to her? She doesn't even have the slightest discernment! 6
How many days has it been?

Yourong mu continued, "Not only has auntie ye become rich, sister burning ye isn't simple either."

"She's a trash, what can she do?"Xue Lin said speechlessly.

Yourong mu continued, "Sister Burning Ye is now a live broadcast big shot, she can earn quite a lot of money every day."

Xue Lin snorted, "Is she the kind of streamer who flirts in front of a group of Smelly Men?"

"It's not important what kind of streamer she is."Mu Yourong picked up the cup and sniffed it. "What's important is that she can earn money."

"Shameless!"Xue Lin said in disgust, "She really has the same kind of daughter as her mother!"

Ye Shu was shameless. She was someone else's mistress and gave birth to an illegitimate daughter.

Now, Ye Zao was also Shameless.

He was going to sell his meat on the Internet!

Disgusting!

Mu yourong sized up the expressions of the two sisters and said, "Sister Ye Zao's live broadcast can earn three million! At the highest, she earned ten million in one night."

"Pa!"

The silver spoon in Xue Lin's hand fell to the ground.

Ten million in one night?

Xuan Lin was also shocked.

She helped others win a lawsuit and could only get 100,000 yuan in legal fees.

100,000 yuan in legal fees was a sky-high price for her!

10 million yuan?

She was a lawyer!

Zhuo ye was just an illegitimate daughter who didn't know anything.

How could she get 10 million yuan without doing anything?

With her face?

God was really unfair!

Lin Xuan was full of jealousy.

After returning home, the two sisters told ye Shuang about this matter.

Ye Shuang immediately told ye Dafu and Yao Cuifen about this matter.

Hearing this, Yao Cuifen was so angry that she stomped her feet, “B * Tch! When you have money, you forget your mother and father! Her father and I are still alive! Yet, she didn’t even bring one or two pieces of meat with her during the new year! She made us old couple eat chaff at home while she enjoyed herself outside! If I had known this would happen, I would have strangled this unfilial daughter to death!”

Ye Dafu was furious as well. He took a puff of his cigarette and said, “Xiao Shuang, is what you said true?”

Ye Shuang nodded and took out her phone. “Look, these three stores are all Xiao Shu’s Now! Dad, let me tell you, this isn’t rented, but Xiao Shu bought it. It’s worth 20 million!”

20 million yuan!

Ye dafu stared at ye Shuang tightly, his pupils gradually dilating.

The most money he had ever seen in his life was 200,000 yuan.

20 million yuan?

Oh My God!

I’m Rich!

Their old ye family is going to be rich!

“You, is what you said true?”Ye Dafu looked at ye Shuang.

Ye shuang smiled and said, “Of course it’s true! Would I lie to You? “I say, Xiao Shu is too much. No matter what, we are still her family. But she has forgotten about us poor relatives after she became rich! “Forget about me, but she can’t forget who she forgot. She Can’t Forget About You and Dad! “After all, you are Xiao Shu’s biological parents!”

There were no parents in the world who weren’t parents.

No matter what had happened before, it couldn’t change the fact that ye Dafu and Yao Cuifen were ye Shu’s biological parents.

As long as they were related by blood.

Ye Shu had to fulfill her duty of providing for them!

Yao Cuifen was so angry that she started cursing.

She kept calling her a little slut.

She kept calling her a little slut.

She did not even repeat herself.

Ye shuang comforted her, “Mom, why are you so angry with your own daughter? No matter what, you and dad are her parents. Xiao Shu is not married now. She was born into the Ye family, and she is a ghost of the ye family if she dies. All of her things are still yours! “Shu is a woman after all, and her education level isn’t high. She still has a burden by her side. How would she have the time to manage the restaurant? “Such a good business, what if it fails at her hands?”

Speaking up to this point, ye shuang paused and continued, "In my opinion, we should let Xiao Shuai take over the restaurant. Xiao Shuai and his sister-in-law are scholars after all. This scholar is definitely better at doing business than a blind person!"

Ye Shuai was the most promising person in the entire ye family.

He was also the successor of the Ye family.

It was most suitable for ye Shuang and her wife to take over the Ye family's private restaurant

Ye Shu didn't know anything. She hadn't even graduated from primary school and was illiterate. What kind of business would she do?

She probably had good luck to be able to do so well in business.

But would luck continue to be good?

After all, this was their old ye family's property!

Hearing this, Yao Cuifen's eyes lit up and she quickly nodded. "Right! Shuangshuang, you're right. We should let Shuangzi take over the restaurant. When Shuangzi manages the restaurant, your sister-in-law is an accountant, so she can manage the accounts!"

Chapter 134: 082: How Does It match with her? She doesn't even have the slightest discernment! 7

As for Ye Shu.

She should just go back to where she came from.

Ye Shuang continued, "Oh right, mom, there's still money. Little Shu has at least 50 million in her hands right now. She's a woman, what does she need so much money for? When the time comes, it won't be worth it if she's cheated. You just have to leave her 1800 yuan. The rest must be handed over to you for safekeeping!"

Ye Shu was simply too easy to deceive.

Otherwise, when she was young, she would not have been deceived so miserably!

These tens of millions were all in Ye Shu's hands. Ye Shuang was really worried.

Yao Cuifen nodded repeatedly. "Xiao Shuang, you're absolutely right!" Ye Shu was her daughter. If she had not given birth to Ye Shu, how would Ye Shu have gotten to where she was today?

Therefore, Ye Shu's things were hers!

Everything was hers!

Fifty million was hers!

The restaurant was hers too!

She had to keep all of it for Ye Shuai.

Ye Dafu frowned. He felt that this matter wasn't that simple. After all, Ye Shu had already severed ties with them that day. "What if Xiao Shu doesn't give it to us?"

"Doesn't give it to us? How dare she not give it to us! I'm her mother!" Yao Cuifen said angrily. "If she doesn't give it to us, I'll beat her to death!"

Ye shuang smiled and said, "Father and mother, don't worry. Xiao Shu will definitely give it to me. No matter what, you're both her biological parents. Xiao Shuai is her brother! She's a woman. If she doesn't give these things to her parents and brother, who should she give them to? Should she give them to outsiders?"

As long as ye Shu had a brain, she should know that she shouldn't give them to outsiders.

Ye Shuai was the most promising man in the Ye family.

Ye Shu did not have a son, so she should give everything to Ye Shuai!

Yao Cuifen nodded. "Xiao Shuang is right! Let's go, Old Man. Let's go to that unfilial daughter's house now and get our things back!"

That was tens of millions!

If they were late, Yao Cuifen was worried that ye Shu would waste the money.

Ye Dafu stood up as well.

Ye shuang smiled and said, "Dad, Mom, don't be anxious. Wait for Xiao Shuai and his sister-in-law to come back from work. We'll go together tomorrow. Otherwise, you won't know that Xiao Shu fooled you."

Only then did Yao Cuifen give up on the idea of going to look for ye Shu now.

At night.

When Ye Shuai and his wife heard about this, they were also extremely excited.

Fifty million plus three storefronts.

Oh My God!

They had never seen so much money in their entire lives.

“Honey, from Tomorrow onwards, we won’t have to go to work. From now on, we’ll be the boss and the Lady Boss!” Ye Shuai hugged Lin Xiaowei excitedly.

Lin Xiaowei was also very excited. “Look at your little sister. She’s usually quiet, but I didn’t expect her to be so amazing. In just a few months, she even opened a restaurant.”

“She doesn’t have the ability!” Ye Shuai’s expression was a little disdainful. “Didn’t you hear what big sister said? Ye Shu is being kept by a rich benefactor! These things are all given by the benefactor!”

Lin Xiaowei did not continue this topic and continued, “I’ve already thought about it. After we get the fifty million tomorrow, we’ll go to Big Sister’s neighborhood and buy a villa too! For the remaining money, we’ll hire four nannies...”

Lin Xiaowei used to be very envious of Ye Shuang. She was envious that she was a rich lady. Not only did she not have to do anything, but she also had several nannies at home.

Now, it was finally her turn to be proud.

She finally did not have to be envious of Ye Shuang anymore.

Ye Shuai nodded in agreement. “Wife, don’t forget, there’s still a restaurant! My mother said that you’ll be in charge of the finances, and I’ll be the boss! We’ll pair up and work without tiring!”

He would be in charge of the finances.

Lin Xiaowei was naturally willing to do so.

That night, the Ye couple, Ye Shuai, and Lin Xiaowei did not sleep well.

They got up at 5:30 in the morning in excitement.

It was winter morning, and the Sun had yet to rise at 5:30 in the morning.

The family sat in the living room, thinking about the future business of the restaurant, and then it was about how to spend the 50 million.

Lin Xiaowei said that she would hire a few nannies to serve Yao cuifen well.

Yao Cuifen was grinning from ear to ear. Her daughter-in-law was still filial.

Unlike ye Shu.

Once you have money, you forget your mother.

At seven o'clock in the morning, the family treaded on the frost and arrived at Ye Shu's residential area.

Yao Cuifen looked at the environment of the residential area. Compared to the basement where ye Shu used to live in, it was a thousand times better.

After all, she had money!

She even had such a good house to live in.

Unfortunately, she didn't have the heart to live in such a good house. She didn't know how to take care of her parents, brother, and sister-in-law!

Little B * Tch!

Ye Shu had just finished making breakfast when she heard a knock on the door.

Ye Shu walked over to open the door.

When she saw the person outside, she frowned slightly.

Lin Xiaowei smiled and said, "Xiaoshu, your parents, your brother, and I are here to see you. Happy New Year!"

Ye Shu ignored her. "What are you guys doing here?"

"What? I can't even come to my daughter's House?" Yao Cuifen grabbed ye Shu's hand. "Xiao Shu. No matter what, you're Mom's biological daughter. Can't your dad and I come over to see you?"

As she said that, Yao Cuifen pushed ye Shu away and entered the house by herself.

"Yo, your interior decoration is not bad! Good Boy! is that a bird's nest? Why is such a good bird's nest on the ground?" Yao Cuifen quickly walked over and picked up the bird's nest.

Little B * Tch, you're spoiling bird's nest so badly, don't you know to send it to a mother like me!

Ye Shu frowned slightly. These bird's nest and tonics were brought over by Old Master Yang the last time he came over.

She didn't know that her parents would suddenly come over, so she didn't put them away.

Ye Dafu sat at the dining table and said with a sullen face, "Your brother and we haven't eaten yet. Hurry up and get some food over here! Standing there like a nail, you don't have any vision at all!"

At this moment, the door was pushed open from the outside.

“If I remember correctly, my mother cut off relations with you guys the last time, right?”

Chapter 135: 083: torturing scum, satisfying the hearts of the people! Great Maternal Love 1

It was a very soft voice, but it was loud and powerful.

Everyone looked towards the door.

They saw a slender voice walking in from the door.

On a cold winter day, she was wearing a thin white hoodie, black pants, and a pair of white sports shoes, which made her legs look extremely slender.

Her face was obviously not made up, but it was breathtakingly beautiful.

When she saw ye Zao, Ye Shu’s heart instantly calmed down. She said to Ye Dafu with a cold face, “Zao Zao is right. I have long broken off relations with you. My family does not welcome you. Please leave immediately!”

“B * Tch! What did you say?”Ye Dafu slammed the table and stood up, glaring at ye Shu fiercely.

Lin Xiaowei was a smart person. They came here today to ask for money from ye Shu. Their relationship couldn’t be too bad, so they tried to smooth things over with a smile, “Dad, don’t be angry. Xiaoshu didn’t mean that. She’s your biological daughter. Her bones are broken and her tendons are still attached. How could she sever her relationship with you guys? !”

After saying that, Lin Xiaowei looked at Ye Shu again, "Shu!"! What happened at Big Sis' House last time was all a misunderstanding. At that time, everyone was angry, so they spoke out in anger. They didn't really want to sever their relationship with you. You mustn't take it seriously! Didn't mom and Dad bring your brother and I here today to apologize to you? As children, we should respect filial piety. How could we really be angry with our parents? This is a lightning strike! Shu, sister-in-law knows that you are definitely not that kind of person!"

"Moreover, our parents, your brother and I have always been thinking about you and searing. Look, we know that you like to eat peanut butter. We specially bought this for you."

Lin Xiaowei was indeed a cultured person.

After such a long speech, she did not even gasp for breath.

Not only did she ingratiate herself with Ye Shu, but she also did not forget to remind her to be filial to her parents.

A good daughter, no matter what her parents did, she could not be angry with them.

This was filial piety.

Ye Shu frowned tightly.

She had always been a person who was not good with words. A word of filial piety could crush a person to death... ..

Lin Xiaowei's words had indeed grasped her weak spot.

For a moment, she did not know what to do.

Ye Zao smiled and continued, "If you really miss my mother, why didn't you come to visit my mother once when we were still living in the basement? "For a full 18 years, even Grandma Liu, who lived next

door to us, thought that my mother was an orphan whose parents had both died! “Now that our days are better, who are you going to disgust by carrying a bag of expired peanut butter?”

Now, not only had ye Shu opened three restaurants, but he had also moved out from the basement. His days were getting more and more prosperous, and these people could not sit still.

They did not even think about how ye Shu had humiliated ye Shuang’s family that day!

Ye Zao had lived for two lifetimes. What kind of person had he not seen?

This was the first time he had seen such a shameless person!

Upon hearing this, an awkward expression flashed across Lin Xiaowei’s face.

The peanut butter they had brought over had indeed expired. Initially, they had only wanted to fool ye Shu, but they had not expected ye Zhuo’s eyes to be so good.

Even from so far away, she had already seen that the peanut butter had expired.

“No, Zhuo Zhuo, you’ve misunderstood!” Lin Xiaowei continued, “This peanut butter is something that your uncle and I have always been reluctant to eat. We wanted to save it and bring it over for your mother to eat! Who would have thought that it would expire right after it was released! It’s said that a gift from a thousand miles away is light, but it means a lot. This peanut butter is the same. This peanut butter represents our friendship to your mother.”

A peanut butter that had expired was said by Lin Xiaowei to be a friendship that was worth thousands of gold coins.

Ordinary people really didn’t have such eloquence.

Ye searing curled his lips slightly. "A tree without skin will die without a doubt. A person without face is invincible in the world! We can't accept such a precious friendship! The door is over there. Please leave immediately! You are not welcome in our home!"

"Ye Shu! Is this how you Teach Your Daughter?" Ye Shuai slammed the table and stood up in anger.

Ye Zhuo raised his head to look at Ye Shuai. "This is my house. How My mother teaches her daughter has nothing to do with you. Who Do you think you are?"

"Little B * Tch! Is this how you talk to your uncle? I Can't beat you to death today, you little B * Tch!" Yao Cui Fen jumped up, she casually picked up the feather duster on the side and was about to hit ye Zao, "Little B * Tch! Your Mother didn't teach you how to behave! Today, I will teach you how to behave on behalf of your mother! If you don't apologize to your Uncle Today, I will beat you to death!"

Chapter 136: 083: great abuse of SCUM, delightful! Great Motherly Love 2

She was ye Zao's grandmother.

Even if ye Zao was crippled, no one could do anything to her!

An honest official could not resolve family affairs!

Ye Zao grabbed the feather duster. It looked like he was grabbing it lightly, but Yao Cuifen could not pull it no matter how hard she tried, "Old Woman! I'm warning you, this is my home! I only have one uncle, his name is Ye Sen! If you say something like this, don't blame me for being rude!"

Ye Zhuo had always respected the elderly.

Because in her previous life, her life was saved by a strange old woman.

But in the face of Yao Cuifen's shameless face, she couldn't respect it no matter what.

In the face of ye Zhuo's face, Yao Cuifen was angry and afraid.

That kind of fear was born spontaneously.

She couldn't control it at all.

It was really heaven-defying!

No matter what, she was ye Zhuo's grandmother. Ye Zhuo was a junior, yet she dared to yell at her.

Does she have a grandmother in her heart?

At once she took out her special skill and threw herself on the ground, crying and shouting, "Somebody Help! Come and have a look! My granddaughter hit my grandma! I'm getting beat up by a kid at my age! I'm not gonna Live! Dead! You Goddamned Little Bitch! The old tramp has no shame and gives birth to a tramp that no one wants! You killed someone... <per_0> . ."

Ye Dafu banged the table and sang along with Yao Cuifen on the ground, "Bad Luck at home! Bad Luck at home! How dare I raise such an unfilial daughter! Even his own parents! Jesus Christ! Why Don't you just let us die! What else do you want us to do in this world? UNFILIAL daughter! You'll be damned!"

Ye Shu looked at her parents in front of her.

She thought of all the past events and could not help but tear up her eyes.

When she was young, her father did not love her, and her mother did not love her. She was brought up by her grandmother before she was 11 years old.

At her grandmother's house, she had a happy childhood.

Later, her grandmother passed away.

Her parents only then picked her up and brought her home, and her tragic death began at this time.

The year that she was picked up by her parents, she was only in fifth grade. But after her parents picked her up, her parents did not let her continue to go to school.

Because her first two sisters and one brother.

The family can not afford to send too many children to school.

11-year-old kid, under five feet tall.

Not only to go to the small workshop every day to do casual workers, but also responsible for washing and cooking...

They eat worse than pigs.

Get Up earlier than the dog, go to bed later than the cat...

Ye Dafu and Yao Cuifen are her parents.

They had not done their duty as parents for a single day!

Ye Shu clenched her fists. "What on Earth are you trying to do! ?"

These words.

Ye Shu roared angrily.

Her voice drowned out the voices of everyone in the room.

The air suddenly became quiet.

Even Yao Cuifen stopped howling.

She raised her head to look at Ye Shu.

Ye Shu said in a stifled voice, "What on earth do you want to do before you're willing to let me go!"

If she had a choice.

She would rather not come to this world!

Lin Xiaowei smiled and said, "Xiaoshu, since you've already said it like this, then let's speak frankly!" Since they had already fallen out, there was no need to continue pretending.

Yao Cuifen quickly got up from the ground. "Right, let's speak frankly!"

Lin Xiaowei continued, "Xiaoshu, I heard that you're Rich Now! You've even opened a restaurant and become the Lady Boss, right?"

"No," ye Shu denied flatly.

She knew her parents' character. If they knew that she had opened a restaurant and that the business was doing well, there would probably be trouble.

Lin Xiaowei continued, "Don't lie to us! Big SIS has already told us everything! Xiaoshu, you are the daughter of the Ye family. No matter what, you will always be a member of the Ye family! Your things are the things of the Ye family! Your Money is also the money of the Ye family!"

At this point, Lin Xiaowei paused and continued:

"You are a woman with a child. How can you have the energy to manage a restaurant? So, I discussed with your brother. We will take your restaurant. Although it is tiring, we are family! "We'll go to the station later and complete the transfer procedures! "Oh right, I heard that searing flames is doing well now. He's become a big streamer and has saved a lot of money. It's really not safe for you and your daughter to have so much money in your hands. So, you'd better hand over all the money to us for safekeeping! "I heard from big sister that you have fifty million now, right?"

Ye Zao originally thought that this family was here to pick up the slack.

Chapter 137: 083: great abuse of SCUM, satisfying people's hearts! Great Motherly Love 3

Who would have thought that he was here for big head.

He opened his mouth and asked for 50 million.

And he asked for it so matter-of-factly.

Using the word 'shameless' to describe them was simply an insult to the word 'shameless'.

"What's 50 million? We have 100 million in our hands," ye Zao replied calmly.

100 million?

Lin Xiaowei looked at ye Zao in shock.

“You, are you serious?”

Not only was Lin Xiaowei stunned, even ye Dafu, Yao Cuifen, and Ye Shuai were shocked.

100 million!

What kind of concept was that?

In other words, their family was about to become a billionaire.

Ye Zao nodded slightly. “Of course it’s true. Otherwise, where would we get the money to buy a shop? Not only will we buy a shop, we will be ready to buy a big villa soon!”

It was not boasting to say that he had 100 million yuan!

Moreover, this 100 million yuan did not include the restaurant’s income. It was all earned from ye Zhuo’s missions on the technology website, as well as the live broadcast and clothes that could adjust the temperature.

The restaurant’s income was all saved by Ye Shu. After all, the restaurant was also managed.

When she heard that ye Shu had 100 million yuan in her hands, Lin Xiaowei was so jealous that her heart was filled with jealousy.

But when she thought about how the money would soon be hers,.

Lin Xiaowei felt a lot better, then she said, “Isn’t it nice for the two of you to live here? Live in a villa! Hurry up and go to the bank and transfer the 100 million yuan to our account! This much money should be placed in our account for safekeeping. You’re both orphans and widowed. What if you’re cheated by someone?”

They should be the ones buying the Big Villa!

Ye Zhuo and ye Shu were not qualified to live in a big villa.

Lin Xiaowei only wanted to ask ye Shu for 50 million yuan.

She did not expect ye Shu to have 100 million yuan in her hands!

What a surprise!

100 million yuan. Not only could she buy a few big villas, she could also buy a big villa for her family!

Let Her family live a good life too.

“Go, go, Go! Leave Now! Quickly go to the bank and transfer the money to my and your uncle’s accounts!” Lin Xiaowei continued, “Oh right, Zhuozhuo, I heard that you are a live streamer and your income is very high now. Why do you need so much money as a child? Hurry up and change your salary card into my card. From now on, I will give you 1,000 yuan every month to spend!”

1,000 yuan was not a small amount!

How could a little girl like ye Zhuo spend so much money?

As for the other money, Lin Xiaowei had to keep it for her son and daughter.

With this money, she could send her children to study abroad.

Ye Zhuo tilted his head and looked out of the window. He smiled and said, “It’s not even dark yet, and you’re already dreaming! Let me tell you, don’t even think about getting a single cent of my money!”

“What do you mean by your money!” Yao Cuifen jumped out and said, “This money is all mine! Even you have the blood of our old ye family! You Shameless Bastard!”

Lin Xiaowei took advantage of the situation and sat down on the sofa, “Mom is right. Not only is the money ours, even you are our old ye family’s! “If you don’t give it to us, we won’t leave. Buy a few locks and lock up those few shops tomorrow. I want to see who can outlast the other!”

Ye Shu was not married.

Ye Zhuo’s surname was ye.

They wanted to leave the ye family?

Difficult!

They were born in the Ye family and died in the Ye family’s ghost!

Even if they brought this to the police station, it could only be considered a family dispute.

Ye Shu took a deep breath. She knew that if she did not give them the money, this matter would not be over.

No matter what, they were connected by blood. No one could solve the problem brought about by this kind of original family.

“I don’t have fifty million. How much do you want?”

Ye Zhuo frowned slightly.

She understood ye Shu's psychology.

But for people like the Ye family's parents, they couldn't compromise at all.

Not a single cent could be given!

Because once they started, there would be endless trouble in the future.

It seemed that.

They had to think of a way to make ye Shu stand up.

Ye Zhuo's gaze fell on Yao Cuifen, and he had a plan in his heart.

"You can't give them money! Mom! You Can't give them a single cent!" Ye Zhuo shouted.

"Little B * Tch! Shut Up!" Yao Cuifen immediately jumped up and scolded ye Zhuo.

"Old pious woman! Shut Up!"

For so many years, it had always been Yao Cuifen who scolded others. She could scold whoever she wanted, but no one had ever dared to scold her!

Yao Cuifen immediately jumped up. "Little B * Tch! Bastard! You uneducated bastard! Why Don't You Go Die..."

After saying that, she pushed ye Zao fiercely.

This time, ye Zao did not Dodge or fight back. He was prepared to be pushed by Yao Cuifen and hit against the wall.

Chapter 138: 083: torturing scum, satisfying people's hearts! Great Motherly Love 4

Ye Zao controlled her strength.

It was neither light nor heavy.

It just so happened to cause blood to flow out of her forehead.

Her face was originally pale, so even the slightest injury would be obvious. At this moment, it looked even more shocking.

"Zao Zao!" Ye Shu rushed over and hugged ye Zao.

"Mom! I'm in so much pain!" Ye Zao hugged ye Shu, displaying the essence of acting and began to moan.

No one expected this sudden scene.

"Isn't it just a little blood? It Won't kill anyone!" Yao Cuifen glared at Ye Zhuo. "Little Bastard! I think you did it on purpose!"

When ye Zhuo was holding the feather duster just now, he was still so strong. Why did he lose his strength now?

"My Daughter isn't a bastard! She's not a bastard!" Ye Shu couldn't hold it in anymore and roared, "Get out of Here! Get out of here right now!"

"We won't leave without 100 million!" Yao Cuifen rolled her eyes at Ye Shu.

Her daughter was a coward.

She seemed to be very angry, but perhaps she was already planning how to transfer the money to them.

Ye Shu helped ye Zao to the sofa and sat down, then rushed into the kitchen.

When she came out, she had a kitchen knife in her hand!

Yao Cuifen and ye Dafu were both shocked.

Ye Shuai and Lin Xiaowei were also shocked.

“Xiaoshu! I’m telling you! Don’t mess around! Killing is against the law! I’m your brother, she’s your sister-in-law, and they’re your parents!”

Ye Shu looked at these four relatives in name, “You’re not my brother! I don’t have a brother! And them, they’re even more unworthy to be my parents! They say that if you’re born without a father, you can return the broken finger. Today, I’ll return this favor to you! From now on, we’ll cut it off!”

With that said!

Ye Shu raised her knife and slashed down.

A part of her index finger was cut off just like that.

The air was frighteningly quiet.

At this moment.

Even ye Zhuo was frightened.

She didn't expect that ye Shu would lay a hand on her.

"Mom!"Ye Zhuo rushed over.

"Mom is fine!"

Ye Shu's face was deathly pale as she looked at Yao Cuifen, Ye Dafu, Ye Shuai, and Lin Xiaowei, "From now on, other than my surname being Ye, I have nothing to do with you people! "In the future, if you come to disturb our mother and daughter's lives again, I'll kill you! "I'll kill two of you! I'll kill until your family is exterminated! At worst, we'll die together! "I don't want to live anymore anyway!"

After saying that, ye Shu fiercely chopped the kitchen knife on the wooden dining table.

The edge of the knife was stained with blood.

The severed finger was on the side.

It made one's hair stand on end!

Yao Cuifen, Ye Dafu, and the others were so scared that they were trembling.

They just wanted to ask for some money.

They didn't expect things to develop like this.

Even more unexpectedly, when Ye Shu became ruthless, she even stamped her own finger.

She was so ruthless to herself, what else was there that she didn't dare to do?

No one doubted that her words were fake.

Compared to her life?

What was money?

At that moment, the few of them looked at each other and ran away in fear, afraid that ye Shu would chop them to death with a kitchen knife in the next second!

Seeing that the few of them had run away.

Ye Shu let out a sigh of relief.

After dialing 120, Ye Zhuo found the first aid kit and gave ye Shu emergency treatment. Her vision was blurry. Ye Zhuo took a cotton swab and wiped his tears with his arm. "Mom, are you okay? Does it hurt?"

It was the first time in her life.

She truly experienced the love of a mother.

It was also the first time she knew what it meant to be a weak woman and a strong mother.

It had been a long time since ye Zao came back, but this was the first time ye Shu saw her cry. She smiled and comforted her, "It's okay, it doesn't hurt at all! Zao Zao, Don't Cry, Mom really doesn't hurt. Oh Right, Zao Zao, is your head okay? Does it still hurt?"

"It doesn't hurt, it doesn't hurt at all! Mom, I'm sorry, I'm sorry! I could have avoided it just now, it's all my fault!" Ye Zhuo began to regret why she did that just now.

If she hadn't played along, Ye Shu wouldn't have broken her finger.

It was she who underestimated the power of maternal love.

“Silly child! How can you be blamed for this? For people like your grandparents, you have to do this to get it over with once and for all. Otherwise, we will never have a good life! Silly Child, don’t cry. Mom really doesn’t hurt at all. Isn’t it just a finger?”

For her daughter, she had to throw caution to the wind!

Originally, ye Shu wanted to spend some money to settle things.

However, when she saw the moment ye Zhuo was injured.

She knew.

If not to throw caution to the wind, the mother and daughter will never have peace.

Chapter 139: 083: Great Abuse, great love! Great Motherly Love 5

“Mom!”Ye Zao hugged ye Shu.

Being hugged by her daughter, Ye Shu could not help but cry.

Not long after, an ambulance arrived.

When they arrived at the hospital, Ye Shu was pushed to the emergency room.

Because the severed finger was handled very well, the Doctor said that it could be reattached.

Hearing this, Ye Zao breathed a sigh of relief. He told the doctor that as long as he could keep the finger, it did not matter how much it cost.

When Ye Sen arrived, Ye Shu was still in the emergency room.

“Zao Zao, what’s Going On? Why is your mother’s finger broken?”

Ye Zao’s eyes were still slightly red as he recounted what had happened.

Hearing this, Ye Sen’s entire body was trembling.

The veins on his face bulged!

It was as if he had become a completely different person.

It was extremely unfamiliar!

He turned around and walked out of the door. “Damn it! I’m going to kill them now!”

It was said that elder sisters were like mothers.

This sentence was very suitable for ye Sen and Ye Shu.

Although ye Shu was not the elder sister, she was more responsible than ye Shuang, the elder sister.

If it was not for ye Shu, Ye Sen would have died when he was very young!

Therefore, Ye Sen had always respected ye Shu!

“Uncle! Don’t be rash! Calm down!” Ye Zao pulled Ye Sen back, “My mother has already lost a finger, she definitely doesn’t want anything to happen to you! Killing someone to pay with your life, for the sake of such a family, it’s not worth it to sacrifice yourself!”

“Let go of me!”

“Uncle!” Ye Zao continued, “Don’t worry, I Won’t let my mother lose a finger for nothing!”

She would make them pay back a hundred times over!

“Zao Zao?” Ye Sen looked at Ye Zao.

Ye Zao nodded.

At this moment, the lights in the emergency room were turned off.

The door was pushed open from the inside.

Ye Zao and Ye Sen quickly went up to welcome the doctor. “Doctor, how is my mother (my sister) ?”

The Doctor took off his mask and smiled. “Don’t worry, the surgery went smoothly! The severed finger has been reattached, but you must pay attention to recuperation during this period of time! Stay in the hospital for observation for three days!”

“Okay, thank you, doctor!”

Then, Ye Shu was pushed out from inside.

“Mom!”

“Sis!”

Ye Shu’s condition was not bad, but her face was very pale.

Ten fingers connected to the heart.

She said that it did not hurt, but that was a lie.

She did not want ye Zhuo to worry.

“Don’t worry, I’m Fine!”Ye Shu’s lips curled up into a pale smile, “Ye Sen, you’re not allowed to do anything stupid! After what happened today, they won’t dare to come and make trouble again! I want you all to be fine! Live a peaceful life!”

They were brother and sister.

Ye Shu knew Yesen too well.

She knew that Yesen would definitely not let it go.

“Sister!”

“If you still treat me as your sister, then listen to me! Otherwise, don’t call me your sister anymore!”Ye Shu said very seriously, there was no hint of a joke in her eyes.

She broke a finger so that her family could live a peaceful life.

If ye Sen did something else...

Then wouldn't she have lost a finger for nothing?

After a long while, Ye Sen nodded. "I understand, Sister."

"And you." Ye Shu turned to look at ye Zao. "Zao Zao, I know you're not an ordinary child, but this matter has passed. Let's Let It Pass! Don't be stupid!"

Ye Zao's eyes were serious. "Don't worry, Mom. I Won't do anything risky for that group of disgusting people! They're not worth it!"

Ye Shu smiled and nodded. "This is my good daughter."

At two in the afternoon.

Ye Sen asked ye Zao to accompany Ye Shu at the hospital. He would go back and make some tonic soup to bring over. Ye Shu had lost so much blood, so she needed to be well-nourished.

Ye Zao stood up and said, "Uncle, you stay in the hospital to accompany my mother. I'll go back and get my computer."

"You can all go home!" Ye Shu sat up from the hospital bed. "I just can't move a finger. It's not like I'm paralyzed. I don't need you to take care of me!"

Ye Sen acted as if he didn't hear ye Shu's words and patted ye Zao's shoulder. "Zao Zao, then you can go back. Be careful on the way home."

"I know."

Ye Zao left the ward.

Seeing the big and small pair ignoring her directly, ye Shu sighed, "I'm serious. I really don't need anyone to accompany me! Ye Sen, you should go back too! Didn't you say that the company has been quite busy recently? Hurry up and go back to work! Don't delay the company's matters because of me!"

The Express Delivery Company was open all year round.

Even on the thirtieth of the year, they had to deliver the goods.

Today was already the third day of the first month.

"I'm not busy." Ye Sen sat down and peeled an apple for ye Shu. "I've already explained everything when I came. Sister, you don't have to worry."

Chapter 140: 083: great abuse of SCUM! Great Motherly Love 6

"You!" Ye Shu shook her head helplessly. "I don't even know what to say about you!"

Around five o'clock in the evening.

Ye Zhuo came back with food and a computer.

As soon as he entered the ward, he heard ye Shu and ye Sen talking and laughing.

Ye Zhuo took out the lunchbox and handed it to ye Sen. "Uncle, you're hungry too, right? I've Fried your favorite beef noodle and a bowl of Soup for you."

Ye Sen smiled and took the lunchbox. "My niece is still the best!"

“That’s a must.”Ye Zhuo opened another lunchbox. It was some soup that could replenish blood. “Mom, let me feed you.”

Ye Shu smiled and said, “You Child! Mom’s left hand was injured, not crippled! How can it be so exaggerated! Do I need you to feed me after eating?”

“No!”Ye Zhuo scooped a spoonful of soup and handed it to Ye Shu’s mouth. “I have to feed you!”

Seeing ye Zhuo like this.

Ye Shu could only open her mouth to receive it, her eyes filled with happiness.

The patient who had just moved in from the next hospital bed., she said enviously, “Big sister, you really raised a good daughter! Not only is she beautiful, but she also cares for others! Unlike my three sons, who only know how to anger me all day long! Now, I’ve broken my leg, and I haven’t even seen a trace of her!”

Ye Shu smiled and said, “My daughter! There’s really nothing to say!”

After feeding ye Shu the soup, Ye Zao looked at ye Sen. “Uncle, I’ll stay at the hospital to accompany my mother tonight. You should go back quickly!”

Ye Sen said, “I’ll stay. You Go back.”

“Don’t you know that there’s a difference between a man and a woman?”Ye Zao raised his eyebrows slightly.

Ye Sen was stunned. He could only listen to Ye Zao and prepare to go back. He would come back tomorrow morning to replace ye Zao.

“Uncle, I’ll send you down.”

Ye Sen was about to say that he did not need to send him down. He knew the way.

But he swallowed his words. Ye Zao naturally would not send him down for no reason. He definitely had something to say to him.

Just as ye Sen thought, ye Zao indeed had something to say to him.

“Uncle, I’ve already checked. Lin Fuhai raised a relative called Wen die outside. Their son is already six years old. Recently, Lin Fuhai is preparing to buy a school house for their son.”

“Really?” Sen Ye looked at Burning Ye in surprise.

His brother-in-law had always been proud of himself. He didn’t expect that he would do something like raising a woman outside.

He didn’t know how burning ye found out.

Although Sen ye was a bit curious, he didn’t ask. He always knew that his nephew wasn’t an ordinary person.

Burning ye nodded and continued, “Xuan Lin paid a witness to be a witness when she represented the client in the lawsuit. I’ve sent the evidence to your email. You should know what to do, right?”

Ye Zao did not want to let go of any of these people from the Ye family.

As for Xue Lin.

Once the Lin family fell, her rich second generation boyfriend would probably leave him immediately.

Ye Sen nodded, “Don’t Worry, Zao Zao! I know what to do! The Lin family has settled this, what about the Ye Family?”

“Don’t worry, I won’t let them off easy.” Ye Zao narrowed his eyes, a cold light flashed in his eyes.

Ye Sen instructed ye Zao, “Then I’ll go back first. Call me if there’s anything.”

“Okay, I know.”

Watching Ye Sen’s back disappear on the road, ye Zao turned around and walked towards the hospital.

After Ye Sen returned to the company, he immediately contacted the detective agency and asked them to investigate Lin Haifu and Wen die.

Then, he opened his email and sorted out the evidence that ye Zao had sent over. He then anonymously sent it to the victim’s family.

The detective agency was very efficient. The next day, they took a bunch of photos of Lin Fuhai and the mistress.

Ye Sen packaged all these photos and sent them to ye Shuang.

When ye Shuang received these photos, she was so angry that she wanted to stab the couple to death with a knife!

“Lin Fuhai, you heartless man! When I was with you, you had nothing! Now, you dare to betray me!”

It was one thing to raise a third son!

But now he even had a child!

Ye Shuang couldn’t care about anything else. She rushed to Wen Die’s address and slammed the door.

If it was possible, she even wanted to tear down this house!

“Who is it?” Wen Die came to open the door.

“B * Tch! B * Tch!” Ye Shuang gave Wen die a slap.

Wen die was stunned by the slap. She covered her face and shouted, “Who are you! What right do you have to hit me?”

“Because I’m Lin Fuhai’s wife! You Bitch! Shameless! I’ll beat you to death today!” Ye Shuang punched and kicked Wen die.
