Chapter 1311: 274: find a hole and hide in it. Ye Zao is the main assessment officer! 2

“The deputy executive officer continued, “I’ll ask you to get executive officer ye a glass of water.” ”

“Executive Officer Ye?” Zheng Wanyin could not react in time.

“The deputy executive officer nodded and said with a smile, “Oh right, let me introduce you. This is the executive officer specially invited by the executive officer, Miss Ye. Miss Ye, this is our ABA core member, Zheng Wanyin.” ”

Listening to the Deputy Executive Officer’s words.

“Zheng Wanyin’s face was pale, her breathing was rapid, and her footsteps were unsteady. ”

It was really her.

Ye Zhuo was actually the main assessment officer.

How could this be?

“If ye Zhuo was really the main assessment officer, then what was her action just now? ”

Throwing a big knife in front of Guan Dong?

Zheng wanyin only felt her face burning in pain.

She had never expected ye Zhuoneng to be the main examiner...

Was Cen Shaoqing here for Ye Zhuoneng as well?

It had nothing to do with her?

“She, she had misunderstood? ”

Zheng Wanyin found it hard to breathe when she thought that she had misunderstood and thought that Cen Shaoqing was here for her.

“In particular, she had even circled around Cen Shaoqing. ”

She wondered if Cen Shaoqing had seen her.

It was embarrassing.

It was too embarrassing!

Zheng Wanyin had never experienced such an embarrassing thing in her life.

“One second ago, Zheng Wanyin was praying that Cen Shaoqing could see her. ”

Now...

She wished she could slap her stupid self to death.

Zheng Wanyin had always been very cautious. She knew that carelessness made a mistake in Jingzhou.

“However, she still underestimated ye Zao.”

This round.

She lost.

It was a terrible loss.

Zheng Wanyin pinched her fingers and tried hard to calm herself down.

Failure was the mother of success.

She had to get up from where she had fallen.

“The deputy executive officer continued, “Well, Wanyin, hurry up and get some water.” ”

““Okay, okay.”Zheng Wanyin finally reacted and turned around to get some water.” ”

““No need, I’m not thirsty.”Ye Zhuo closed the name list and looked up at the Deputy Executive Officer.
“When will the assessment begin?” ”

The deputy executive officer looked at his watch. “There are still 15 minutes left.”

Ye Zhuo nodded slightly.

“The deputy executive officer turned to look at Zheng Wanyin. “Since you’re not thirsty, then you can go and do other things.” ”

“O-okay.” Zheng Wanyin turned around and walked towards the exit.

Her footsteps weighed a thousand pounds.

“When she left, Zheng Wanyin deliberately went around Cen Shaoqing’s back. ”

It was enough to lose face once.

She could not lose face again.

“Yinyin.” At this moment, Xie Wanqiu’s voice sounded from behind. ”

“Grandma.” Zheng Wanyin turned around and smiled gently.

“Xie wanqiu continued, “Have you seen your cousin?” ”

Zheng Wanyin nodded. “Cousin-in-law is here too.”

Cousin-in-law?

“When she heard this, Xie Wanqiu’s face darkened. “Who’s your cousin-in-law?” ”

“Ye Zhuo,” Zheng Wanyin said. ”

Xie wanqiu snorted coldly. “She wants to be your cousin-in-law. has she gotten my permission?”

Zheng Wanyin did not say anything.

“Xie wanqiu continued, “Didn’t your cousin say that he wouldn’t be coming yesterday? I saw him in the audience stand in the hall just now. What does that mean? It means that he has a cousin like you in his heart!” ”

“Zheng wanyin said, “Grandma, disaster comes from words. Don’t spout nonsense. Could it be that when you came in just now, you didn’t see cousin-in-law on the assessment officer’s Seat?” ”

Xie Wanqiu was stunned.

“Zheng wanyin continued, “Cousin-in-law is the main assessment officer this time.” ”

Ye Zhuo was the main assessment officer.

She was a contestant.

“Without comparison, there would be no harm. ”

“In front of Ye Zhuo, she didn’t even have a shadow. ”

Hearing this sentence.

Xie Wanqiu was also stunned.

Ye Zao was the main examiner?

““What did you say just now?”Xie wanqiu said in disbelief, “Who did you say was the main examiner?” ”

““Cousin-in-law.”Zheng wanyin continued, “So, cousin is not here to see me at all. Please don’t let your imagination run wild.” ”

""Ye Zao is the main examiner?"Xie wanqiu frowned. "What qualifications does she have to be the main examiner? yinyin, stop joking!" "

"Zheng Wanyin held Xie Wanqiu's arm. "Grandma, I'm not joking with you. Cousin-in-law is really the assessment officer this time." "

Xie wanqiu narrowed her eyes and her expression did not look good.

"Zheng wanyin continued, "Grandma, I think you've really misunderstood cousin-in-law. Didn't second aunt say that? Cousin-in-law is a very outstanding person. She has her own achievements in all fields. Second Aunt Even said that cousin-in-law is miracle doctor ye who cures cancer. Don't you believe it. I think cousin-in-law is that Miracle Doctor Ye!" "

""I say, why don't you have a little heart?"Xie wanqiu continued, "Zhou Xiang said that ye Zao is the Miracle Doctor Ye, and she is the Miracle Doctor Ye! Then she said that ye Zao is the Jade Emperor, and you also believe it?" "

Chapter 1312: 274: find a hole and Bury yourself in it. Ye Zhuo is the main assessment officer! 3

"Zheng wanyin said, "In any case, sister-in-law is the main assessment officer." "

"Xie Wanqiu's eyes darted around. "If that's the case, this will also be of help to you!" "

"What help?"Zheng Wanyin asked.

"Xie wanqiu said, "Let me ask you, does the main assessment officer have a lot of power?" "

"Quite a lot."Zheng Wanyin nodded.

“The corners of Xie Wanqiu’s mouth curled up into a smile. “Yinyin, haven’t you always wanted to get promoted to 3A?” ”

“Zheng wanyin said speechlessly, “Grandma, do you think that I can get promoted just by thinking about it? There are more than 50 people participating in the assessment this time, and all of them are core members! It’s already not bad if I can get promoted to 2A!” ”

Zheng Wanyin was very clear about her own strength.

“Although she was very powerful and promising at a young age, there were many members in the ABA who were more powerful than her. ”

“However, Zheng Wanyin was still very confident about getting promoted to 2a. ”

“She was still young now. First, she would get promoted to 2A, and then to 3A. There was still a long way to go in the future. ”

“Xie wanqiu patted Zheng Wanyin’s hand. “You Silly Child, why don’t you learn to be more mindful?” ”

“”Grandma, haven’t you heard that silly people are blessed with silly luck?” ”

“Xie wanqiu smiled and said, “Other people don’t have connections and think of ways to look for connections. You, on the other hand, have a ready-made connection and still don’t know how to use it!” ”

“Since ye Zhuo was the main assessment officer, he definitely had a lot of power. ”

What was helping Zheng Wanyin get promoted to 3A?

Zheng Wanyin frowned. “Grandma... What You Mean Is? Look for... look for cousin-in-law?”

“Yes.”Xie wanqiu nodded.

“”No,”Zheng Wanyin rejected directly. “It’s unfair to the other members. Grandma, I can’t Do That! Don’t go find cousin-in-law!” ”

“”This society is unfair in the first place. “Why are some people born to be nobles who don’t have to worry about food and clothing all their lives, and some people who have eaten the last meal but haven’t eaten the next?”Xie wanqiu continued, “Being able to find connections is also a kind of strength!” ”

They could not find connections and could only blame themselves for not having the strength and resources to do so.

Can you blame the heavens and blame the people?

“After saying that, Xie wanqiu continued, “This matter has been decided. I’ll go look for Zhou Xiang now.” ”

“Grandma! No Way!”Zheng Wanyin grabbed Xie Wanqiu’s hand. “I can’t do this!”

“Xie wanqiu frowned. “Yinyin, you’re not even listening to me now?” ”

“”No, Grandma. I just feel that it’s not good to do this. Not only is it unfair to others, but it’s also irresponsible to myself. Although I really want to get into the Triple A, I want to get into the triple A through my hard work, not through the back door.” ”

“”You have to have strength and looks. What kind of back door is this?”Xie wanqiu continued, “Even if you don’t use the back door, others will!” ”

Zheng Wanyin sighed. There was no expression on her face.

That’s right.

This was the current society.

She had no choice.

“Xie wanqiu continued, “Yinyin, Grandma knows that you’re a good child. This is the current world. Everyone eats people. Even if you don’t eat people, others will eat you. “Alright, Go prepare for the assessment!” ”

Zheng Wanyin nodded and walked towards the preparation room.

Everyone was in the preparation room.

“I heard that there’s a new chief assessment officer this year. I’m not sure if he’s strict or not.”

“”The CEO invited him personally. I don’t know if he’s strict or not, but the standards will definitely be high.” ”

“”Bodhisattva, please bless me. I must get into 3A.” ”

“Zheng Wanyin walked in and asked curiously, “How many places in 3A this year?” ”

“The short-haired girl replied, “Six for 3A, ten for 2A, and 15 for 1A.” ”

“After she said that, the short-haired girl added, “Including the HI side, there are a total of 105 people. How can this number be enough for us!” ”

There were only 31 slots in total.

“Zheng wanyin said, “Indeed, it’s not enough. Don’t think too much about it. Do your best and leave it to fate.” ”

The short-haired girl shrugged. "That's all we can do now. I'm afraid it would be great if I knew the main examiner today! It's a pity that we don't have such a big backer."

Zheng Wanyin's beautiful eyes sparkled.

It looked like.

Xie Wanqiu was right.

"Actually, everyone wanted to use a backdoor. "

It was just that they didn't have any connections.

Sigh.

People nowadays!

"Zheng Wanyin sighed in her heart. She looked up at the short-haired girl and said with a smile, "Don't think that way. If you really used a backdoor, wouldn't it be unfair to other people who are truly capable?" "

"The short-haired girl smiled and said, "I was just saying it casually. Did you really take it seriously? In your heart, am I that kind of person?" "

Chapter 1313: 274: find a hole and hide in it. Ye Zhuo is the main assessment officer! 4

"Zheng wanyin said, "I know you're not that kind of person. I was just saying it casually." "

“Excuse me.” At this moment, a gentle female voice sounded in the air. ”

Zheng Wanyin turned around and saw a petite figure.

The person was about 1.57 meters tall. Her skin was a very healthy wheat color. She had an exquisite baby face and looked very cute.

“However, after she entered, everyone in the preparation room looked at her strangely. ”

Zheng Wanyin took a step back and let the baby face pass.

“Thank you,” the baby face thanked her. ”

Zheng Wanyin nodded.

The short-haired girl looked at the baby face’s back and her eyes were filled with disgust. “Why is she here too?”

“Bad Luck!”

“Zheng Wanyin held the short-haired girl’s hand. “Don’t say that. Actually, Xiaosu is quite pitiful too.” ”

The baby-faced girl’s full name was Bai Xiaosu.

Every member of the ABA had entered by relying on their own abilities. Only Bai Xiaosu was different.

Bai Xiaosu had entered by accident.

“Moreover, Bai Xiaosu was a person with an eccentric personality. She was timid and afraid of trouble. She was not capable enough. There were a few times when she was almost kicked out of the ABA. It was said that it was the backstage that protected her. ”

“Therefore, the people in the core group did not like her very much. ”

This caused Bai Xiaosu to be a loner. It had been more than a year since she joined the ABA and she still did not have a good friend.

“”What’s there to be pitiful about! She’s a Jinx!”The short-haired girl continued, “If it wasn’t for her, we wouldn’t have lost so badly in the previous mission!” ”

“”Actually, that’s not what Xiaosu wanted to see.” ”

“The short-haired girl looked at Zheng wanyin, “Wanyin, I’m not as magnanimous as you!” ”

Zheng Wanyin did not say anything.

“The short-haired girl continued, “Oh right, what is Bai Xiaosu doing here? Could it be that she’s also here for the assessment?” ”

Zheng Wanyin nodded. “I think so.”

“”Just her? I think she’s just here for the head count! Not to mention 3A, it’s already pretty good that she’s able to get 1a! She only knows how to Hold Us Back!” ”

“Zheng wanyin said, “The important thing is to participate. If she’s able to participate in this assessment, it means that she’s motivated. If she’s motivated, then she’s not incurable.” ”

“A girl at the side said, “Actually, Bai Xiaosu has been working hard during this period of time. Who knows, she might really get 1a!” ”

The short-haired girl rolled her eyes. "Why? Are you going to speak up for her?"

The girl immediately shook her head. "No! That's not what I meant!"

Bai Xiaosu was the jinx of the entire core team. Anyone who got close to Bai Xiaosu would immediately be isolated by everyone.

On the other side.

Xie wanqiu went to find Zhou Xiang.

Zhou Xiang was overjoyed when she found out that ye Zhuo was the main examiner today.

""Xiang Xiang, come with me for a moment,"Xie wanqiu said. "

"What's the matter?"Zhou Xiang asked.

"Xie wanqiu frowned. "If I told you to come, then come. Why are you talking so much?" "

Zhou Xiang stood up from her chair and followed Xie Wanqiu to an empty lounge.

"Xiang Xiang."

"Go ahead."Zhou Xiang subconsciously felt that there was nothing good about Xie wanqiu calling her over.

"Xie wanqiu continued, "Do you know that Ye Zhuo is the main examiner today?" "

Zhou Xiang nodded. "I just found out too."

“Xie wanqiu looked at Zhou Xiang. “Let me ask you, are you yinyin’s biological second aunt? Did you treat yinyin as your biological niece?” ”

“”If you have anything to say, just say it,”Zhou Xiang said. ”

“Answer my question First!”

“Zhou Xiang said, “Mom, the assessment is about to begin. If you have anything to say, just say it. There’s no need to beat around the bush with me.” ”

“Xie wanqiu sighed, “You really didn’t take me as your biological mother!”! “Poor me. I raised you from a young age. Now that I’m married and have children, I can turn my back on you. No wonder the old saying goes, you can’t feed other people’s children well!”! “Why can’t I Learn? !” ”

A handful of SH * t and a handful of urine?

“When Xie Wanqiu married into the Zhou family, Zhou Xiang was already in her teens! ”

“However, Zhou Xiang couldn’t be bothered to argue with her. No matter what, Xie Wanqiu was still her stepmother. This was a fact that no one could change.”

“In order to appease Xie wanqiu, Zhou Xiang continued, “Mom, you’ve always been my biological mother! Wanyin is also my biological niece!” ”

“Hearing this, Xie Wanqiu’s eyes lit up and she immediately grabbed Zhou Xiang’s hand. “Since you treat yinyin as your biological niece, you must help Yinyin this time!” ”

“Help? How?”Zhou Xiang asked in confusion.

“Seeing Zhou Xiang pretending to be confused, Xie Wanqiu felt very uncomfortable. ”

Chapter 1314: 274: find a hole and Bury yourself in it. Ye Zao is the main examiner! 5

Ye Zao was clearly the main examiner. wasn't it just a matter of a few words from ye Zao whether Zheng Wanyin could get into the TRIPLE-A examination?

Was there a need for Zhou Xiang to do this?

Ingrate!

An ingrate!

"Xie wanqiu continued, "Do you need me to say this clearly? Ye Zao is the main examiner. You just need to get ye Zao to give Yinyin a triple-a." "

"Mom! Aren't you asking me to cheat? All assessments are fair and just. What you're doing is immoral!" Zhou Xiang had never been a person who would bend the rules for personal gain.

""Immoral? Who are you calling immoral?" Xie wanqiu was so angry that her eyes widened, "I've worked so hard to raise you up. It's fine that I didn't get to enjoy your blessings for a day, but now I'm even called immoral! Aiyo, my God! Why is my life so miserable!" "

"Seeing that Xie Wanqiu was about to start crying, zhou xiang hurriedly said, "Mom! I didn't mean that. I'm not saying that you're immoral. I just think that cheating is not good. Wan Yin is so outstanding. Even if she doesn't take shortcuts, I believe that she will definitely get 3A!" "

""Wan Yin was raised by me, how can I Not Know Wan Yin is excellent? "Let's not take shortcuts. What if someone else takes shortcuts and steals Wanyin's spot?" Xie wanqiu continued, "Wanyin should have gotten this 3A! How can I call this cheating!" "

“In Xie Wanqiu’s heart, Zheng Wanyin was the most outstanding person in the world. ”

No one could compare to Zheng Wanyin.

Let’s talk about 3A!

“If there were 4A, 5A, and 6a, Zheng Wanyin could still get it! ”

“Zhou Xiang sighed softly. “Mom, other than you, no one will think of using the back door. So, don’t worry. It’s Wanyin’s things. No one can snatch it away.” ”

“Xie wanqiu said angrily, “What you said sounded better than what you sang. What if it’s snatched away! If it’s snatched away, who will be responsible for Wanyin’s future?” ”

“Zhou Xiang said, “Let me put it bluntly. If Wanyin doesn’t get 3A, it can only mean that Wanyin isn’t capable enough.” ”

“Who did you say is not capable enough?”Xie wanqiu was so angry that her lungs were about to explode.

Zhou Xiang actually said that Zheng Wanyin was not capable!

Why was Zheng Wanyin not capable! !

“If she was not her biological aunt, then she was not her biological aunt. Only Zhou Xiang could say something like that. ”

“Zheng Wanyin was such an outstanding person, yet she could actually say that Zheng Wanyin was not capable enough. ”

Look at how she treated ye Zao?

All she did was brag to ye Zao all day long!

How did ye Zao become an assessment officer?

It must be Bai Tang's handiwork!

"Zhou xiang immediately explained, "Mom, don't be angry! I'm just making an analogy. I'm just like you. I trust Wanyin very much. She will definitely get 3a." "

"I just want to ask you a question. Are you going to tell ye Zao?"

"Zhou Xiang shook her head. "Mom, I really can't help you with this matter. Besides, I can't tell Zao either." "

Xie wanqiu took a deep breath. "Good! Good! Good! I've really raised a good daughter!"

"Mom!"

""You said you can't Tell Ye Zao, Right?"Xie wanqiu continued to ask. "

"Yes."Zhou Xiang nodded.

"Xie wanqiu said, "Then call ye Zao over. I'll tell her myself." "

"Zhou Xiang was in a difficult position. "Oh my God, Zao Zao is the main assessment officer. You're Shaoqing's grandmother. Aren't you putting her in a difficult position? What if she agrees to you and someone catches her?" "

"Xie wanqiu continued, "If you don't Call Ye Zao over today, I Won't Be Your Mother!" "

“Zhou Xiang knew Xie Wanqiu’s temper. Helpless, she could only pick up her phone to contact ye Zao.”

“After receiving Zhou Xiang’s call, ye Zao rushed to the waiting room.”

“”Auntie, why did you call me here?” ”

Zhou Xiang looked troubled.

“Xie wanqiu said with a smile, “Good girl. Grandma has something to talk to you about.” ”

“What is it? Tell me.”Ye Zao’s voice was shallow.

“Xie wanqiu grabbed ye Zao’s hand. “Zao Zao, you should know that your cousin Wanyin is also participating in the assessment today, right?” ”

“Yes.”Ye Zao nodded slightly.

“Xie wanqiu continued, “Your Cousin Wan Yin is an honest and good child. She doesn’t have any tricks up her sleeve. I’m worried that she won’t be able to outsmart others in terms of scheming, so I would like to ask you to leave the 3A for her!” ”

Cheating?

“Ye Zao hated this kind of thing the most in his life. He frowned slightly, “All of US assessment officers will assess based on our actual standards. Fairness and fairness will never appear to cover up cheating. As long as Wan Yin’s results meet the standards, then the 3A will definitely belong to her. No one can snatch it away from her.” ”

“Xie wanqiu smiled and said, “Don’t worry, burning, Yin Yin’s results will definitely meet the standards. You must help her keep an eye on the 3A. Don’t let it be snatched away by others!” ”

Chapter 1315: 274: find a hole and hide in it. Ye Zhuo is the main assessment officer! 6

“I still say that all assessments are fair and just. Everyone will depend on their own abilities.” Ye Zhuo continued, “The assessment has already started. Auntie, I’ll be leaving first.” ”

Zhou Xiang nodded. “Then go quickly.”

Xie wanqiu looked at ye Zhuo’s back and narrowed her eyes.

“She was Cen Shaoqing’s grandmother. If ye Zhuo wanted to marry into the Cen family, he had to get her approval. ”

She did not believe that ye Zhuo would dare to refuse!

It looked like.

Zheng Wanyin was definitely going to get 3A!

“While she was excited, Xie Wanqiu picked up her phone and sent a message to Zheng Wanyin, telling her to focus on the assessment and wait for her to get 3a. ”

“When she saw the message, Zheng Wanyin was also very excited. ”

“There were a total of 105 contestants today. If one of them used a backdoor, they would snatch their spots away. ”

But it was different now.

“With Xie Wanqiu around, she would definitely be able to get 3a. ”

Zheng Wanyin deleted the message and walked towards the assessment venue with everyone.

“The short-haired girl walked to Zheng Wanyin’s side and held her hand. “I’m so nervous! Wanyin, are you nervous?” ”

Zheng Wanyin smiled. “What’s there to be nervous about? Just bring out your usual strength.”

“The short-haired girl said enviously, “Wanyin, you’re really too strong! Right, do you plan to get into 2A or 3A?” ”

“Zheng wanyin said, “I think I definitely want to get into 3A, but there are too few spots for 3A, but 2A shouldn’t be a problem.” ”

“Actually, she had already decided on 3A. ”

But one had to be humble.

“The short-haired girl said, “Looking at you, not to mention 2A, 3a definitely won’t be a problem.” ”

“Zheng wanyin smiled and said, “With your good words, I’ll treat you to a meal after the assessment ends.” ”

““Sure,”the short-haired girl said. ”

“As the two of them spoke, they walked into the assessment venue. ”

The assessment arena was very solemn.

There was not a single sound of conversation.

There were a total of seven assessment officers and one main assessment officer.

“After the seven assessment officers had approved the results of all the assessment members, they handed them over to the main assessment officer for assessment. After that, they would evaluate the final performance.”

The assessment time was a total of two hours.

Zheng Wanyin was full of confidence in herself. She had even handed in her papers 30 minutes earlier.

She was the first to hand in her papers in advance and was also the last.

“The examiner sitting in the front took the papers that Zheng Wanyin had handed over and could not help but be a little surprised. “Once the papers are handed over to me, there is no possibility of going back on your words. Are you sure you want to hand them in?” ”

“Zheng Wanyin nodded. “Yes, I’m sure.” ”

“Alright.”The examiner put away the papers and looked at the answers on them before looking at Zheng Wanyin again.

It was hard to tell what expression he had in his eyes.

Zheng Wanyin was a little happy.

It must be because the accuracy of her paper was too high. That was why the examiner had such an expression.

“Thinking of this, Zheng Wanyin’s footsteps became even lighter. ”

The short-haired girl looked at Zheng Wanyin’s back with envy in her eyes.

Zheng Wanyin was really too amazing!

“When they arrived at the family seat, Xie Wanqiu asked with a smile, “How do you feel, Yinyin?” ”

“”Not bad, right?”Zheng wanyin said, “2A shouldn’t be a problem.” ”

“Xie wanqiu smiled and said, “This child is just too modest.” ”

Zheng Wanyin glanced at CEN Shaoqing from the corner of her eye.

“Cen Shaoqing just sat there, holding a string of bright red Buddhist beads in his left hand. There was no special expression on his face. ”

“Without ye Zao by his side, he seemed to have returned to his former self. ”

He wondered if Cen Shaoqing had seen the scene where she asked ye Zao to leave the position of assessment officer before the assessment.

“Even though it had been a few hours since the incident, Zheng Wanyin was extremely embarrassed whenever she thought of that scene. She wished she could dig a hole and hide in it. ”

She did not see it.

Cen Shaoqing definitely did not see that scene.

“Two hours later, the results of the assessment members were announced. ”

“Zheng Wanyin stood with the short-haired girl, her face full of anxiety and excitement. ”

“The short-haired girl said, “Wanyin, what should we do! I can’t possibly not even get 1a!” ”

““No Way, no way!”Zheng wanyin comforted, “Jingjing, you’re so amazing. If you don’t say 3A, 2A will definitely not be a problem.” ”

“Really?”Liu Jingjing instantly saw hope.

““Of course it’s true.”Zheng wanyin smiled and said, “I’m full of confidence in you.” ”

““Bai Xiaosu!”At this moment, the examiner called Bai Xiaosu’s name. ”

Bai Xiaosu walked to the front to get the report card.

Everyone was very curious.

“What Will Bai Xiaosu take the test for?”

“WHO KNOWS!”

““Is there even a need to think about it? For someone like her, it’s already good enough to pass! How Many A’s do you expect her to get?” ”

Chapter 1316: 274: find a hole to hide in. Ye Zhuo is the main examiner! 7

“Bai Xiaosu was a loner. After receiving the report card, he didn’t share it with anyone. After taking a look, he walked towards the Deputy Executive’s temporary office. ”

“Seeing Bai Xiaosu walking over, everyone’s expression changed. “Could it be that Bai Xiaosu got 2a?” ”

Only those who got 2a and above were qualified to go to the office.

Because 2A meant that they could be promoted to the management level.

“When they thought of this, everyone’s faces were filled with disbelief. ”

Bai Xiaosu?

2A?

“Wang Tao!”The assessment officer called out again.

“”Here, Here!”Wang Tao ran inside. ”

“After a while, Wang Tao walked out dejectedly. ”

“From the way he looked, it was obvious that he did not get an A. ”

“Someone in the crowd encouraged him. “It doesn’t matter. If you don’t get into 3A this time, you can fight again the year after next!” ”

“”Yes, yes, yes.” ”

“Liu Jing Jing!”

“Upon hearing his name, Liu Jing Jing stood rooted to the ground, his heart beating rapidly.”

One after another.

“Zheng Wan yin smiled and said, “Jing Jing, it’s your turn. Believe in yourself. Don’t be nervous.” ”

“Liu Jingjing took a deep breath and said, “Okay.” ”

“The moment he received the report card from the examiner, Liu Jingjing’s hands were shaking. “2a, Congratulations!” ”

2A!

Liu Jingjing’s eyes were filled with disbelief as he immediately opened the report card.

It was indeed a bright red 2a!

“Thank You Examiner! Thank you!”Liu Jingjing could not help but bow.

“When he ran out, Liu Jingjing’s footsteps were light. “Wanyin! I’m 2A! 2A! Oh My God, I never thought that I would get 2a even in my dreams!” ”

“It was just 2a, why was she so excited? ”

“She was the default 3A, and she was not like Liu Jingjing. ”

“Although she thought so in her heart, Zheng Wanyin did not show it, she smiled and said, “Jing Jing, you’re really amazing! I told you, you can definitely get 2A! If only I had your good luck!” ”

“Liu Jing smiled and said, “You can do it, you can definitely do it! You can definitely get 2A TOO!” ”

2A?

Liu Jing had really underestimated her.

“Zheng wanyin continued, “Congratulations on advancing to the management level. Jing Jing, quickly go to the CEO’s Office.” ”

“Liu Jing said, “I’ll wait for you to go with me.” ”

“Okay.”Zheng Wanyin nodded.

“When they found out that Liu Jing had gotten 2a, everyone else was envious and went forward to congratulate him.”

“”Jing Jing got 2a, then Wanyin must be 3A!” ”

“Definitely!”

“Oh my God! I’m so envious of all of you.”

“Zheng Wanyin!”

“At this moment, the audit team announced Zheng Wanyin’s name.”

“Zheng Wanyin faced everyone and said with a smile, “I’ll go in first.” ”

Everyone made way for Zheng Wanyin.

Zheng Wanyin walked in step by step.

It was just like walking on the red carpet during the awards ceremony.

3a.

The 3A she had always dreamed of.

“According to what she knew, there were basically no core team members who got 3A. She should be the only one who stood out. ”

The remaining spots were all taken by the other teams.

“Very soon, Zheng Wanyin walked up to the assessment officer and bowed slightly. “Hello, Third Assessment Officer. I’m Zheng Wanyin.” ”

“The assessment officer who was sitting in the middle handed over the report card. “Zheng Wanyin, 1a.” ”

1A?

1A!

How could that be!

“At that moment, Zheng Wanyin almost thought that she was hearing things. ”

“Based on her strength, even if it wasn’t 3A, 2a wouldn’t be a problem. ”

How could it be 3A?

There must be a mistake!

There must be a mistake!

“Zheng Wanyin tried hard to maintain her smile. “You, you must have taken the wrong report card, right?” ”

“You’re not Zheng Wanyin?”The examiner picked up the information on the table.

““Yes, I’m Zheng Wanyin!”Zheng wanyin continued, “But my results are wrong.” ”

The examiner checked Zheng Wanyin’s information. “There’s no mistake. Zheng Wanyin is an a student. This is your report card. Don’t you know how well you did in the exam?”

“Zheng Wanyin stood rooted to the ground, blood flowing backwards all over her body. ”

Ye Zhuo.

It was definitely ye Zhuo.

This was definitely ye Zhuo’s doing.

It was ye Zhuo who deliberately gave her a low score so that she would not be able to get an A student.

Zheng Wanyin did not know how she walked out of the assessment room.

At this moment.

Her heart turned cold.

""Wanyin is out, Wanyin! You must have gotten 3A!"Liu Jingjing went up to her happily. "Come, let's go to the CEO's office together!" "

3A?

Hur Hur.

She was now a joke.

No.

She could not admit defeat like this.

This was unfair to her.

Zheng Wanyin ignored Liu Jingjing and quickly walked towards the CEO's office.

She had to find the CEO to make the decision!

""Wanyin?"Liu Jingjing was very curious. "Wanyin, what's Wrong?" "

Chapter 1317: 275: What a piece of trash! Zheng Wanyin's face was swollen! 1

Zheng Wanyin could no longer listen to anything.

She only wanted to look for the CEO to make the decision right away.

She wanted the CEO to seek justice for her.

“Liu Jingjing quickly caught up to Zheng Wanyin. “Wanyin, what happened to you?” ”

“Zheng Wanyin took a deep breath and tried hard to calm herself down. “Jingjing, don’t follow me. I have something to ask the CEO.” ”

““Wanyin, did you get 3A?”Liu Jingjing asked. ”

3A?

She was a joke now.

“Even a fool like Liu Jingjing got 2a, but she only got 1a! ”

It was simply a joke.

Zheng Wanyin felt extremely uncomfortable and didn’t know how to say it.

At this moment.

A Cry of surprise came from the crowd.

“Holy shit!”

“Oh my God!”

“Bai Xiaosu actually took the 3A exam!”

3A?

Bai Xiaosu?

“When he heard this, Liu Jingjing immediately turned his head to look over. ”

He saw Bai Xiaosu following behind Ling Yue and walking forward.

Ling Yue was a training specialist.

“From the looks of it, Bai Xiaosu was following behind Ling Yue to do the handover work. ”

Bai Xiaosu took the 3A exam and was about to be promoted to a training specialist.

Zheng Wanyin also saw Bai Xiaosu.

How could someone like Bai Xiaosu get into the A-list exam.

It must be ye Zhuo’s doing.

Ye Zhuo used his identity to swap her and Bai Xiaosu’s results.

Bai Xiaosu’s A-list should be hers!

“Bai Xiaosu was really shameless. It was one thing for him to be special in the group, but now he was replacing her results! ”

Zheng Wanyin pinched her fingers. The anger in her eyes was about to spill out.

No.

She could not let such a thing happen.

A person like ye Zhuo was even less qualified to be the chief assessment officer.

She had tainted this fair assessment!

“Thinking of this, Zheng Wanyin pushed Liu Jingjing away and walked towards the CEO’s office. ”

Liu Jingjing was caught off guard and was pushed so hard that he staggered and almost fell.

“Seeing Zheng Wanyin like this, the others immediately surrounded her curiously. “What happened to Zheng Wanyin?” ”

“Did Zheng Wanyin get 3A?”

“Did Zheng Wanyin not do well in the exam?”

“”From the looks of her, could it be that she didn’t even get 2a?” ”

“I don’t think so!”

“Then Zheng Wanyin is too miserable!”

“Zheng Wanyin is usually much more outstanding than Liu Jing. Now that Liu Jing has gotten 2a, and Zheng Wanyin didn’t even get 2a, she must be feeling very down!” ”

“No wonder! Why is she so angry!”

“Hearing that, Liu Jingjing said, “What nonsense are you guys talking about! Wanyin is so amazing, how can she not even get into 2A! She must have something else to do!” ”

“Zheng Wanyin was usually very hard-working, and she had been preparing for this exam for a long time. ”

“If she could get into 2a, Zheng Wanyin would at least get into 3A. ”

Zheng Wanyin walked to the CEO’s office and took a deep breath before knocking on the door.

“Soon, the CEO’s voice came from inside. “Come in.” ”

Zheng Wanyin pushed the door open and entered.

“When he saw Zheng Wanyin, the CEO smiled and said, “It’s wanyin. Take a seat.” ”

“Zheng Wanyin was a junior that he had high hopes for. Back then, she had entered the ABA with excellent results. In this assessment, Zheng Wanyin could at least get 2a. Now that Zheng Wanyin had pushed the door open and entered, the CEO was not surprised. ”

“Zheng Wanyin did not sit down. Instead, she said, “CEO, I would like to ask you a question.” ”

Ask a question.

“The CEO was stunned for a moment before saying, “Go ahead.” ”

“Zheng wanyin continued, “I would like to ask, what is the assessment criteria for this assessment?” ”

“With her abilities, how could she only get 1A? ”

There was clearly someone who was using the public to take revenge on her!

She had to seek justice for herself.

“The CEO smiled and said, “Of course, it will be judged according to the results. It will be fair and just.” ”

““Fair?”Zheng Wanyin laughed self-deprecatingly. “CEO, do you really think it’s Fair?” ”

“What do you mean by that?”The CEO asked.

Zheng Wanyin placed the report card on the table. “Take a look at this.”

The CEO picked up the report card and his expression changed when he saw it.

1A?

“Based on Zheng Wanyin’s usual performance, this shouldn’t be the case. ”

“Zheng wanyin continued, “You think it’s unbelievable too, right?” ”

“The CEO put down the report card and continued, “Wanyin, everyone makes mistakes. Although you didn’t do well this time, I believe that you will definitely be able to pass the management level and above next time.” ”

“Zheng Wanyin took a deep breath and said, “CEO, don’t you think that this is very strange? I usually get 2A and above results in my exams, but this time, I barely passed the 1A mark.” ”

Chapter 1318: 275: What a piece of trash! Zheng Wanyin’s face was swollen! 2

Anyone who thought about it would know that this was not normal.

It was very abnormal!

“The assessment this time was not difficult. Otherwise, Zheng Wanyin would not have handed in her paper half an hour earlier. ”

The CEO narrowed his eyes. “Are you doubting the fairness of our assessment this time?”

“At that moment, there was a knock on the door. The CEO said, “Come in.” ”

Ling Yue walked in from outside. “Chief Executive.”

“Seeing Ling Yue, the chief executive’s expression softened. He continued, “Ling Yue, go back and rest first. As for the details, I’ll get su Pei to hand them over to you.” ”

Ling Yue nodded. “Okay.”

“Ling Yue turned around and walked out of the door, not forgetting to close the door. ”

“Zheng Wanyin looked up at the chief executive. “Chief executive, it’s not that I’m questioning the fairness of the assessment. It’s just that this assessment is unfair. I heard that even Bai Xiaosu got a 3a.” ”

How could someone like Bai Xiaosu get into 3A?

“The CEO frowned. He had always thought highly of Zheng Wanyin, but this time, Zheng Wanyin’s performance had disappointed her.”

“Everyone said that Bai Xiaosu had been ostracized and ostracized in the core group. At first, the CEO did not believe it.”

But now it seemed...

This matter was most likely true.

The CEO could understand why others looked down on Bai Xiaosu and ridiculed him.

But who was Zheng Wanyin?

Zheng Wanyin was a subordinate that he thought highly of. He had high hopes for her.

But Zheng Wanyin said such a thing.

“The CEO looked up at Zheng Wanyin and spoke as gently as possible, “Bai Xiaosu got into triple A with his own ability and was promoted to the management level. “Zheng Wanyin, as I said earlier, it’s normal to make a mistake. If you don’t do well this time, try again next time. “You have to learn to find problems with yourself and not question the fairness of the assessment. “If every candidate is like you, then the assessment will lose its original meaning!” ”

ABA was an international alliance organization. There were international notaries at the scene of the assessment. There would definitely not be any cases of cheating and covering up.

Zheng Wanyin questioned the fairness of the assessment and even questioned the CEO’s personality.

“The CEO had been in this position for so many years, but this was the first time he had received such doubts. ”

Zheng Wanyin did not get the ideal result in her own assessment. Was it useful for her to complain now?

The CEO suppressed the dissatisfaction in his eyes.

“When she heard the CEO’s words, Zheng Wanyin’s face was filled with disbelief. ”

Looking for problems with herself?

What problems did she have?

“Every time she took the mock exam, she could get results above 2A. ”

“But this time, she only passed the 1A mark. ”

“If the exam questions this time were very difficult, it would be fine. ”

“But this time, the exam questions were not difficult at all. ”

“Even if one thought about it with their toes, they would know that this was very abnormal! ”

“The CEO made it sound so beautiful, but in fact, he was not protecting ye Zao. ”

Just because ye Zao was Cen Shaoqing’s girlfriend?

Disgusting!

It was simply disgusting.

“After the CEO finished his sentence, he felt that his words were a little harsh. He continued, “Zheng Wanyin, I can understand your current feelings, but if you didn’t get in, you didn’t get in. You are still young, there will be plenty of opportunities in the future! Go Back!” ”

Go back.

“What the CEO meant was, let her just let it go? ”

Let It Go?

Let It Go just like that? !

“When she heard this, Zheng Wanyin’s heart turned cold. She continued, “CEO, you have always been a fair and just existence in my heart. I believe that you will definitely uphold justice for me!” ”

Uphold Justice?

“When he heard this, the CEO was so angry that he laughed. “You didn’t do well in your exams, how Am I supposed to uphold justice for you? !” ”

It was a good thing that Zheng Wanyin said this.

“”I would like to take a look at Bai Xiaosu’s and my test papers,”Zheng Wanyin said. ”

The CEO frowned slightly. “You suspect that we swapped your and Bai Xiaosu’s test papers?”

It was a fantasy!

This was simply a fantasy!

How could they swapped the test papers and impersonate Bai Xiaosu?

Zheng Wanyin bowed to the CEO. "I was forced to do so. I just wanted to seek justice."

The CEO massaged his temples. "Are you sure you want to see it?"

""Yes, I'm sure."Zheng Wanyin nodded. "

"After the assessment competition ended, the examinees would not be able to see the test papers. "

Ye Zhuo was probably aware of this as well. That was why he dared to brazenly swap out her and Bai Xiaosu's test papers.

"The CEO continued, "Zheng Wanyin, I'll say it again. There will never be any incidents of cheating or impersonating in our ABA. The test papers have already returned to the highest official. If you want to look at the test papers, you must report it. Once this report is submitted, it will directly affect whether you can continue to stay in the ABA!" "

Chapter 1319: 275: What a piece of trash! Zheng Wanyin's face was swollen! 3

""What if after looking at the examination paper, it proves that someone tampered with my examination paper?"Zheng Wanyin asked in return. "

"The CEO said, "If that's really the case, I'm willing to resign and apologize, and then restore your 3A grade. "If there are no problems with the examination paper, you will forever lose the qualification to enter the ABA, and it will also directly affect your descendants." "

“Zheng wanyin said, “Don’t worry, I will not regret it!” ”

“As for the CEO, he would just have to resign and apologize! ”

There was also ye Zao.

“Once the truth was revealed, Ye Zao would also lose the right to be the Chief Assessment Officer. ”

“Then, the assessment this time would be overturned and restarted. ”

“Have you thought about it?”The CEO asked.

“Yes.”Zheng Wanyin nodded firmly.

The CEO pressed his temples. “It will take two hours to make the report. You should think about it during these two hours.”

““CEO, I have thought about it very clearly.” ”

“The CEO looked at Zheng Wanyin with a complicated gaze. “Alright, I got it. You can go out and wait.” ”

Zheng Wanyin bowed and walked out.

“When she walked out of the CEO’s office, Liu Jingjing immediately went up to her. “Wanyin!” ”

“Jingjing.”

“Liu Jingjing continued, “Wanyin, I heard from them that you only got 1a. Is that true?” ”

"It's true." Zheng Wanyin nodded.

"How could this be?" Liu Jingjing looked surprised.

"Zheng wanyin said, 'Jingjing, do you think I wouldn't get 1a?' "

""Of course!" Liu Jingjing nodded. "Even I got 2a. And that Bai Xiaosu, how could Bai Xiaosu get 3A? Could it be that they made a mistake?" "

Zheng Wanyin nodded. "Someone switched the exam papers between Bai Xiaosu and me."

"Oh my God!" Liu Jingjing covered his mouth in surprise. "How could this be!"

"Zheng wanyin said bitterly, 'I didn't expect it to be like this either. I thought this was a fair and fair competition... who knew...'" at the end of her sentence, Zheng Wanyin's eyes were red. "

She was really sad.

"This feeling was the same as the feeling of being the first in the city in the college entrance examination, but then being replaced by someone else. "

She was the first.

The Triple A.

"But now, all the glory had been snatched away by someone else. "

“Liu Jingjing said angrily, “No wonder Bai Xiaosu got into the Triple A. it turned out that he used underhanded methods! This kind of person is really disgusting! Wanyin, what are you going to do now? You Can’t just let it go like this, right?” ”

“Zheng wanyin said, “I have already applied with the CEO to check the examination papers.” ”

“”That’s Good!”Liu Jingjing continued, “I believe that the chief executive will definitely give you justice!” ”

“Zheng wanyin sighed, “The chief executive is speaking up for Bai Xiaosu both in and out of his words. I’m worried. I’m worried that even if the examination papers are taken out, the chief executive will let me settle this matter peacefully.” ”

“At the end of her sentence, Zheng wanyin continued, “I used to think that being born wasn’t important. As long as one worked hard, it would be fine. Only now do I know that those without power and influence will never be able to defeat those with power and influence!” Another example was Bai Xiaosu.”

“If it were not for power and influence, Ye Zhuo would not have become the main examiner of the ABA.”

“If it were not for power and influence, Bai Xiaosu would not have succeeded in imitating her results.”

“”This is too much! This is too much!”Liu Jingjing was so angry that he was red. She was a young woman with a good outlook and could not bear to see such a thing happen. If everyone cheated, then what was the use of working hard? ”

Couldn’t they just find connections to get to the top? !

This society needed justice!

How did the Great Qing dynasty fall?

It was all because of corruption and too many parasites!

“Liu Jing held Zheng Wanyin’s arm and continued, “Wanyin, when are you guys going to look at the assessment papers face to face?” ”

Zheng Wanyin wiped her tears. “The CEO said that we can look at them in two hours.”

“Liu Jingjing said, “Wanyin, you don’t have to be afraid. When the time comes, I’ll organize our entire team to support you. I don’t believe that the CEO would still be able to cover up for Bai Xiaosu in front of everyone! “Not only Bai Xiaosu, but also the examiners who will change your results. When that time comes, all of you will be out of Luck!” ”

“When she heard this, a glimmer flashed across Zheng Wanyin’s eyes and the corners of her mouth curled up. ”

It was fleeting.

It was good to have more people.

“With more people, even if the CEO wanted to protect ye Zhuo and Bai Xiaosu, he would not have the chance. ”

“Thinking of that scene, Zheng Wanyin felt much better. ”

She would be able to clear her name soon!

Chapter 1320: 275: What a piece of trash! Zheng Wanyin’s face was swollen! 4

""Jing Jing, this... This isn't good, right?"Zheng wanyin said guiltily, "This is my own matter. How can I implicate all of you!""

"Liu Jing looked at Zheng Wanyin, "Wanyin! This is no longer a matter for you alone. It's a matter for all of us. If there's one, there'll be two! When that time comes, the atmosphere will be ruined by this group of people. We won't need to take the assessment anymore. We can just directly get someone to look for connections!""

"Zheng Wanyin hugged Liu Jingjing. "Jingjing, thank you.""

""Wanyin, we are friends. There's no need to be so polite."Liu Jingjing patted Zheng Wanyin on the back and continued, "By the way, do you know who switched the assessment papers between you and Bai Xiaosu?""

"Zheng Wanyin nodded. "There are suspicious people, but I haven't seen the assessment papers yet. I Can't jump to a conclusion.""

"Who is it?"Liu Jing asked.

"Zheng Wanyin looked around and said in a low voice, "I told you, you can't tell anyone.""

"Liu Jing nodded. "Don't worry, I Promise I won't tell anyone.""

"Zheng wanyin said, "Our main assessment officer.""

Main Assessment Officer?

A devastatingly beautiful face immediately appeared in front of Liu Jing's eyes.

"Miss Ye?"

Zheng Wanyin nodded. "It's her."

"Liu Jingjing frowned slightly. "I saw how good-looking she was and how nice she was. I really didn't expect her to do such a disgusting thing! But it's normal when you think about it. After all, you can't judge a book by its cover.""

""Maybe she doesn't like me,"Zheng Wanyin said."

"Doesn't like you? Why wouldn't she like you?"Liu Jingjing asked.

"Zheng wanyin continued, "She, she is my cousin's girlfriend.""

"Hearing this, Liu Jing's face was filled with shock. "That means, the two of you are related?""

Zheng Wanyin nodded.

""The relationship between relatives is still like this!"Liu Jing was a little speechless as he said, "This is the first time I've seen such a Weirdo!""

Other people were relatives for the sake of their relatives.

"When it was Miss Ye's turn, it became slander and framing."

"Zheng Wan Yin sighed. "Jing Jing, don't tell anyone about this. After all, she is my cousin's girlfriend. It Won't be good for us to see each other.""

""Don't worry."Liu Jing nodded and said, "But I still have to say it. Your Cousin's girlfriend is really weird! If word gets out, I'm afraid no one will believe it!""

"Zheng wanyin continued, "Oh right, my grandmother is still waiting for me outside. I'll go and see my grandmother first.""

""Go." Liu Jingjing said, "I'll go and organize everyone too. When the time comes, I'll go and get justice for you.""

"Sorry to trouble you."

"It's my pleasure."

Zheng wanyin came to the family waiting area.

"Xie wanqiu was already looking forward to it. When she saw Zheng Wanyin's voice, she smiled and came up to her. "How is it, yinyin! Did you get in?""

""I'm sorry, Grandma. I've disappointed you." Zheng Wanyin's expression was as if she was about to cry."

Xie Wanqiu's heart skipped a beat. "What's going on? Tell Grandma. Grandma will make the decision for you!"

"Zheng wanyin continued, "I got 1a.""

""1A? How is that possible!" Xie wanqiu continued, "I clearly told ye Zhuo to keep 3A for you! Oh! I know. She did it on purpose! She's jealous of you. She Can't stand to see you well!"

"Without even thinking about it, she knew that ye Zhuo must have done it on purpose."

"Zheng Wanyin was such an outstanding person, how could she not even get 3a."

""Ye Zhuo that little b * tch, she really thinks that she's amazing just because she's the main examiner!" Xie wanqiu held Zheng Wanyin's hand, "Go! yinyin, Grandma will make the decision for you!"

“Grandma, don’t be so agitated. Ye Zhuo is cousin’s girlfriend after all. Before this matter gets to the bottom of it, it’s better for us not to make a fuss!”

What kind of person was Cen Shaoqing?

He was extremely protective.

Zheng Wanyin had seen it with her own eyes. Someone had flirted with CEN yueying with words. Cen Shaoqing rushed over and beat that person half to death.

At that time.

Cen Shaoqing was only 12 years old.

“Without any evidence, if Xie wanqiu tried to reason with Cen Shaoqing, Cen Shaoqing would not admit it.”

“Not only would he not admit it, he would even feel that they had wronged ye Zao.”

“Then what do you think we should do?”Xie wanqiu could not stand Zheng Wanyin being wronged.

She had to seek justice for Zheng Wanyin immediately.

“Zheng wanyin continued, “I have already applied to the CEO to look at the assessment papers for me and another examiner. When that time comes, the truth will be revealed.””

Xie wanqiu frowned. “Ye Zao Changed Your Assessment Papers?”
