Chapter 1321: 275: What a piece of trash! Zheng Wanyin's face was swollen from the beating! 5

""Yes." Zheng Wanyin nodded, "I didn't know at first, but ye Zao's actions were too obvious. Usually, the other party has no ability, no means, and has repeatedly dragged the team down. Do you think that such a person can get 3A?" "

""This ye Zao is simply too impudent! She doesn't put me, her grandmother, in her eyes at all!" Xie wanqiu was so angry that her face turned pale. "A person like her wants to marry my grandson? No Way!" "

She was simply daydreaming!

"After saying that, xie wanqiu continued, "When can I look at the assessment papers? I'll get someone to go with you!" "

"Zheng wanyin said, "It'll be about two hours later." "

"After saying that, Zheng wanyin said, "Grandmother, don't make a fuss for the next two hours. We'll talk about it after we look at the assessment papers." "

She had to make ye Zao unable to refute her!

When the time came.

Ye Zao's reaction would definitely be very interesting.

“Xie wanqiu looked at Zheng Wanyin. Her tone had a hint of disappointment, “You Child, how many times have I told you? You have to learn to be tougher, but you don’t listen to me! As long as you are tougher in front of Ye Zao, this little slut wouldn’t dare to step on your head and shit today!” ”

Zheng Wanyin held Xie Wanqiu’s arm. “I believe that the CEO will definitely give me justice.”

“Xie wanqiu continued, “After this matter is over, I will definitely get Shaoqing to dump her! Such a person with no morals is not worthy of my grandson!” ”

Only Zheng Wanyin was the most worthy of Cen Shaoqing.

“The two of them were not related by blood, but they could be even closer! ”

“Most importantly, Zheng Wanyin was so outstanding. ”

“At this moment, a rapid ringtone sounded in the air. ”

“Zheng Wanyin picked up the call. “Alright, I’ll be right there.” ”

“After hanging up, Xie wanqiu asked curiously, “Who is it?” ”

“Zheng wanyin said, “Someone from the notary office called me over. They probably have some information to fill out in the assessment papers. Grandma, I’ll go over first.” ”

“You go ahead.”Xie wanqiu nodded.

Bai Xiaosu was also at the notary office.

“Ever since joining ABA, ostracism and isolation had been everywhere. ”

“However, Bai Xiaosu did not expect that they would doubt his test scores. ”

“Although Bai Xiaosu had received a lot of unequal treatment in ABA, he still could not stand it. When he was filling in the information, his hands were shaking. His delicate baby face was filled with loneliness. ”

“Seeing that Bai Xiaosu couldn’t even fill in the information properly, Zheng Wanyin’s eyes were filled with ridicule. ”

How could someone like Bai Xiaosu get into Triple A! !

She didn’t know what kind of background Bai Xiaosu had to deserve the CEO’s protection.

Just thinking about it made her feel disgusted.

Zheng Wanyin had never experienced such a terrible thing in her entire life. This was the first time.

“After signing the documents, Zheng Wanyin looked at Bai Xiaosu and said, “Bai Xiaosu, I’ve never offended you before, right? Why are you doing this to me? ! I’m afraid that in this world, only someone like you can change the examination papers!” ”

“After Bai Xiaosu finished signing the last word, he looked up at Zheng Wanyin and said, “Whether you believe it or not, I’ve never done it. My results are all self-earned.” ”

““Self-earned? Heh,”zheng wanyin sneered, “With just you?” ”

Everyone in the ABA knew Bai Xiaosu’s background.

It didn’t matter what they wanted.

“Usually, they didn’t even have any friends in the group. ”

""In the past, I don't know why everyone ostracized you, but now I can see it!"Zheng wanyin continued, "Who would want to be friends with a thief? Bai Xiaosu, you're a thief! You're not qualified to stay in the ABA!" "

"Stealing her results, wasn't that a thief? "

This kind of behavior was simply despicable!

Disgusting!

"Bai Xiaosu pinched his fingers, his eyes filled with a forbearing look. "I'm not a thief." "

""Not a thief?"Zheng Wanyin looked at Bai Xiaosu. "If you're not a thief, how did you get your results?" "

"Bai Xiaosu looked up and met Zheng Wanyin's eyes. "I'll say it again, I'm not a thief!" "

"Zheng Wanyin sneered, "How many thieves have you seen that would admit to being a thief? "Bai Xiaosu, if you admit to it now, I can still plead with the chief executive to let you off the hook. If it really gets to the point where you have to check the examination papers, then you won't be the only one who will lose face!" "

Cheating had a very high impact. It would directly affect the immediate family members.

""If you haven't done it, then you haven't done it."After saying this, Bai Xiaosu walked towards the exit. "

Zheng Wanyin looked at her back and narrowed her eyes.

Chapter 1322: 275: What a piece of trash. Zheng Wanyin's face was swollen! 6

“You Don’t want to admit it, right?”

“When she saw the irrefutable evidence, how could Bai Xiaosu continue to quibble!”

“After filling out all the information, Zheng Wanyin also walked out.”

Time passed quickly. It was only two hours later.

Zheng Wanyin once again came to the notary office.

“The CEO, the seven examiners, and Ye Zhuo had all arrived.”

“The CEO looked at Ye Zao apologetically. “Miss Ye, I’m really sorry for making a fool of myself.”She had originally wanted to invite ye Zao to be the chief examiners, but she had not expected that ye Zao would be implicated and questioned by others.”

“It’s fine.”Ye Zao’s expression remained the same.

“The CEO apologized again and again. “Don’t worry. After this matter is over, I will definitely give you a satisfactory answer.””

“At this moment, the door was pushed open again.”

It was Liu Jing Jing who had arrived with the core team.

“”CEO, everyone from our core team is here today. Please handle this impartially!””

The CEO frowned slightly. "Why are you all here to join in the fun?" It was not embarrassing enough!

This was the ABA that he managed!

These were his members!

Cold Heart!

"Liu Jingjing continued, "CEO, True Gold is not afraid of fire. If the assessment papers are really fine, why are you afraid of US standing here?"

Ye Zhuo looked back slightly. "Let them stay."

The CEO nodded.

"Looking at Ye Zhuo, Zheng Wanyin's eyes were filled with disdain."

What was there to pretend!

What was there for ye Zhuo to pretend!

"At this moment, Xie Wanqiu brought Zhou Xiang and the rest to the notary office."

"Zhou Xiang still did not know the whole story and asked curiously, "Mom, why did you bring me here?"

Xie wanqiu glanced at Zhou Xiang. "What's the rush! You'll know soon enough."

"Seeing Xie wanqiu like this, old madam Cen wanted to say something to Cen Shaoqing."

She took a look.

She could not help but vent her anger.

Why was this brat so tall?

He was standing there like a telephone pole. It was difficult for him to even whisper to her.

There wasn't a small stool here for her to stand on.

Old Mrs. Cen was unhappy. She reached out and tugged at CEN Shaoqing's sleeve. "Brat."

Cen Shaoqing lowered his eyes slightly.

""Bend down,"old Mrs. Cen said."

Cen Shaoqing bent down as he was told.

""Bend down,"continued old Mrs. Cen."

Cen Shaoqing still did as he was told.

"Looking at Cen Shaoqing who was as tall as her, old Mrs. Cen was finally satisfied and leaned into CEN Shaoqing's ear, she lowered her voice and said, "You fake grandmother is going to cause trouble again! I'm telling you! No matter what happens, you have to stand on Yezi's side unconditionally! You Can't be a scumbag like me!"

Cen Shaoqing nodded slightly.

“Old Mrs. Cen continued, “If you dare to be a scumbag, I’ll break your legs and Smash Your Head!””

“”Got it, Grandma.”Cen Shaoqing opened his thin lips and said, “Don’t worry, your granddaughter-in-law won’t be bullied so easily.””

“Hearing that, old Mrs. Cen said with a proud face, “Of course! How can the granddaughter-in-law that I personally picked be bad?””

“Xie wanqiu noticed that old Mrs. Cen was whispering to Cen Shaoqing, and she became more and more dissatisfied.”

“Did these two people still put her, this grandmother, in their eyes?”

And Cen Shaoqing!

He was actually so close to an outsider!

She was Cen Shaoqing’s grandmother.

“If it weren’t for her, would there be Zhou Xiang?”

“If it weren’t for Zhou Xiang, would there be Cen Shaoqing?”

“Bai Tang, this old slut, had led her grandson astray. If not for the old slut, Cen Shaoqing would not be so distant from her now.”

The old slut must have said a lot of bad things about her in front of Cen Shaoqing.

“Thinking of this, Xie Wanqiu was extremely angry.”

Old Slut!

Just wait!

“The examination papers were going to be taken out soon. Once it was confirmed that ye Zhuo had cheated and encouraged evil, she wanted to see how Bai Tang would have the face to continue staying here!”

“”Bai Xiaosu, Zheng Wanyin.”At this moment, the chief executive called out the names of these two people.”

Bai Xiaosu and Zheng Wanyin walked out from the crowd.

“The chief executive continued, “Bai Xiaosu, Zheng Wanyin suspects that there’s something wrong with your results. You collaborated with the Chief Examiner to steal her examination results. May I ask if you have any doubts about this?””

“Bai Xiaosu said, “I’ve never done such a thing.””

The chief executive turned to look at Zheng Wanyin. “What About You?”

“Zheng wanyin said, “Chief executive, facts speak louder than words. I request to see the assessment papers.””

“Hearing that, the crowd at the side immediately jeered, “Assessment Papers! Assessment Papers! We request to see the assessment papers! Return Zheng Wanyin a fair and just result!””

Plagiarism and cheating were the most intolerable existences.

“Seeing this scene, Zhou Xiang’s expression changed. who was the main examiner?”

Chapter 1323: 275: What a piece of trash! Zheng Wanyin's face was swollen! 7

Ye Zao!

Zheng Wanyin suspected that ye Zao had swapped her test paper with someone else's?

""Mom! As the main examiner, Zao Zao would definitely not do such a thing! Quickly get wanyin down, stop fooling around!"It was definitely not good for Zheng Wanyin to make such a big deal out of this. "

Xie Wanqiu's expression was very ugly. "Tell Yinyin to come down? To think that you would say that! You Are Yinyin's biological aunt! Do you think that your niece is the kind of person who would create something out of Nothing?"

""But burning is definitely not the kind of person who would tolerate cheating!"Zhou Xiang continued, "Mom, do you know the rules of the ABA? Once the examination papers are proven to be fine, Wanyin will not be able to join the ABA for the rest of her life!" "

"Xie Wanqiu looked at Zhou xiang, "I know better than you what kind of strength Yin Yin is! The one who should regret is not Yin Yin, but someone who encourages evil!" "

Zhou Xiang frowned tightly.

"Old Madam Cen walked out and said, "Those who are clear will be clear, and those who are unclean will be unclean. Xiang Xiang, ah! Some people like to be kind-hearted, no matter how you try to persuade them, it's useless!" "

"Zhou Xiang sighed. "Mom, it's fine as long as you don't regret it. When the time comes, if you regret it, no one will be able to help you." "

Xie wanqiu snorted coldly.

Zhou Xiang wanted to scare her?

Did she really think that she grew up being scared?

On the stage.

“The CEO continued, “Zheng Wanyin, are you sure you want to check the examination papers? Don’t you regret it?” ”

“”Yes, I don’t regret it.”Zheng Wanyin’s expression was firm. ”

“”Bai Xiaosu, what about you?”The CEO turned to look at Bai Xiaosu. ”

“Bai Xiaosu said, “I’m willing to cooperate with Zheng Wanyin.” ”

The CEO turned to look at his assistant. “Lisa.”

“Lisa nodded and walked to the bottom of the big screen. She clicked the mouse and said, “Bai Xiaosu, Zheng Wanyin, please take a look at the big screen.” ”

The two of them turned to look at the big screen.

“On the big screen, there were two enlarged test papers. ”

“Please confirm if these two test papers belong to the two of you?”

Zheng Wanyin and Bai Xiaosu nodded.

“Lisa clicked on the mouse and said, “Okay, then let’s take a look at the accuracy of the two of you.” ”

The audience below the stage stared at the big screen without blinking.

“In the next second, one page of the test paper was flipped over.”

Lisa’s voice sounded in the air again.

““There are a total of 100 questions. Bai Xiaosu answered 3 questions wrongly, deducting 3 points.” ”

““Zheng Wanyin, answer 30 questions wrongly, deducting 30 points.” ”

Zheng Wanyin’s face was pale and her entire body was trembling.

No.

Impossible.

This was not her examination paper.

How could she have done so badly.

Even though the handwriting was hers.

But it was impossible for her to do so well.

Someone must have imitated her handwriting and wrote a new test paper.

“Looking at the test paper on the screen and hearing Lisa’s voice, the people at the side sighed, “So we misunderstood Bai Xiaosu!” ”

“Bai Xiaosu is too amazing!”

“I knew it. The ABA is the fairest and fairest organization Alliance in the world. How could they pull the strings!”

“”Zheng Wanyin didn’t perform well herself, yet she still has to blame others! I support Bai Xiaosu this time!” ”

“Zheng Wanyin is really disappointing!”

“Even Liu Jingdou, who had been supporting Zheng Wanyin, was stunned. She had not expected this result. It turned out that Zheng Wanyin really did not do well in her exams. ”

She had even contacted so many people to support Zheng Wanyin Cheng and seek justice.

“Feeling everyone’s strange gazes, Zheng Wanyin tried her best to calm herself down and looked up at the CEO, “I request to see the assessment monitor. I didn’t write the assessment paper on the video! Someone is imitating my handwriting!” ”

“Under normal circumstances, during the assessment of the ABA, there would be a pinhole monitor that clearly recorded every examinee’s problem solving process. ”

But this was China.

China’s assessment should not have implemented this technology yet.

So.

The CEO definitely could not provide the monitor.

“As long as she could not return the monitor, it would prove her innocence.”

Zheng Wanyin swallowed her throat.

“At this time, the CEO looked at Zheng Wanyin with disappointment in his eyes.”

Yes.

Zheng Wanyin guessed correctly.

“During the assessment in China, there wasn’t a full surveillance system.”

“Zheng Wanyin raised her head to look at the CEO. “CEO, please provide me with the surveillance.” ”

“The CEO narrowed his eyes. “Zheng Wanyin, stop fooling around!” ”

““CEO, I Just Want to seek justice for myself!”Zheng Wanyin laughed self-deprecatingly. “Is it really the way of the powerful now? I don’t even have the right to seek justice for myself?” ”

Zheng Wanyin’s words once again ignited everyone’s emotions.

Because there was a message in her words.

On the other side.

The CEO felt guilty and did not dare to release the surveillance footage.

“Liu Jingjing stood out and said, “CEO, you’re not going to say that the surveillance footage is broken with such a lousy excuse, right?” ”

The CEO’s face was full of embarrassment.

“The ABA had announced that the entire assessment would be monitored. If he said that the China region did not implement it, no one would believe him. ”

What should they do now?

“Seeing this, Cen Shaoqing lowered his eyes and whispered to his assistant. ”

The assistant nodded and immediately ran out.

“In less than ten seconds, Lisa received the message and ran to the CEO’s side and whispered to him. ”

“Hearing that, the CEO’s dark eyes immediately lit up. “Go quickly.” ”

“Okay.”Lisa nodded.

“After a while, the CEO looked down at everyone and said, “My assistant Lisa has already gone to retrieve the surveillance footage. Please wait for a moment.” ”

“Hearing that, Zheng Wanyin frowned. ”

Retrieve the surveillance footage?

Where did the surveillance footage come from

“But even if there was really a surveillance footage, she was not afraid. ”

The handwriting could be imitated by someone.

But the surveillance footage could not!

“Zheng Wanyin raised her head to look at the CEO. “CEO, Lisa won’t Be Gone Forever, right?” ”

“The CEO did not answer Zheng Wanyin directly. Instead, he said, “Don’t worry, everyone. I will definitely give everyone an explanation. The ABA is the fairest and fairest alliance of International Organizations. There will definitely not be any acts of covering up for cheating.” ”

“Hearing this, everyone’s emotions calmed down slightly. ”

Ten minutes passed

Lisa was still not back.

“This time, everyone was not calm. ”

“It could not be like what Zheng Wanyin said. Lisa ran away and the CEO was stalling for time, right? ”

Fifteen minutes passed.

Lisa still did not make any movements.

““CEO, when Will Lisa Be Back?” ”

“All of our time is precious!”

Zheng Wanyin's lips curled up.

Come Back?

Lisa might not be able to come back.

Did the CEO want to let this matter rest?

No Way!

"Zheng Wanyin raised her head to look at the CEO and continued, "CEO, I don't think there's a need to wait for Lisa to come back! I hope you can keep your promise and deal with the Cheating Examiner!" "

The CEO frowned slightly.

"At this moment, the sound of footsteps could be heard from the door. "

Everyone turned around and saw that it was Lisa.

""CEO, the monitor has been adjusted!" "

The CEO finally smiled. "Hurry up and bring it over."

Lisa jogged over and plugged in the USB.

"As soon as possible, two videos were played on the big screen. "

One was Bai Xiaosu's problem solving process.

The other was Zheng Wanyin's.

"The monitor was playing quickly, but the question-solving process could be seen clearly. Looking at the monitor and then looking at the examination papers of the two people, one could see that there was nothing wrong with the two examination papers. "

Zheng Wanyin looked at the big screen and felt her blood flow backwards.

Her back was covered with layers and layers of cold sweat.

No problem...

Really no problem.

What the hell was going on?

""D * MN! This Zheng Wanyin really knows how to stir up trouble. She was clearly the one who wrote the test paper! She was still pretending to be innocent. Fortunately, there were surveillance cameras. Otherwise, it would really be hard to explain!" "

"It's such a pity to call her Zheng Wanyin. I think she should be called Zheng Lianhua!"

Chapter 1324: 276: Xie Wanqiu was sent to the hospital because of anger and retribution! 1

""Yes, yes, yes, she should be called True Lotus!" "

"I've never seen such a person in my entire life. She did not do well in her exams and even blamed the Chief Examiner!"

“Fortunately, we all trusted her so much!” ”

“It’s all Liu Jingjing’s fault. If it weren’t for Liu Jingjing Fanning the flames, we wouldn’t have misunderstood the examiner.” ”

“Seeing that everyone was pointing their spears at him, Liu Jingjing hurriedly explained, “It’s not like that! I was also misled by Wanyin! If you want to blame someone, blame Zheng Wanyin. This matter has nothing to do with me!” ”

“After saying that, Liu Jingjing turned to look at Zheng Wanyin. “Wanyin, to think that I trusted you so much! And I even brought people to support you! You’ve really disappointed me!” ”

“At such a critical moment, of course, she had to protect herself! ”

“Moreover, this matter was Zheng Wanyin’s problem to begin with. ”

“If it wasn’t for Zheng Wanyin, she wouldn’t have brought so many people here and caused such a situation. ”

“Hearing Liu Jing’s accusations and the comments of the crowd, Zheng Wanyin’s face was deathly pale, and she almost couldn’t stand still. ”

How could it be.

How did things turn out like this?

Where did the CEO get the surveillance cameras?

Didn’t they say that China had not implemented the surveillance assessment yet?

Also...

“Before the assessment, she had clearly made all the preparations.”

How could she have ended up like this!

No.

This was not her test.

No.

Zheng Wan ‘Yin took a few steps back.

“The CEO’s voice sounded in the air again, “Zheng Wan ‘Yin, do you have anything else to say?” ”

Zheng Wanyin did not say anything.

“She stood rooted to the ground, almost fainting.”

She did not expect things to turn out this way.

“Things had already come to this point, what else could she say?”

Who would believe that the surveillance cameras were fake?

No one would believe her at all.

“After saying that, the CEO looked at Zheng Wanyin again. “Since there isn’t any, then I announce that Zheng Wanyin’s results for this assessment will be canceled. She will be removed from the core team and will not be able to join the ABA for the rest of her life!” ”

The results will be canceled.

She will be removed from the core group.

“Zheng Wanyin clenched her fingers tightly. Because she had used too much strength, her fingers had already turned slightly white. ”

She had never thought that such a day would come.

It was as if she was dreaming.

“Moreover, it was a nightmare that she could not wake up from. ”

What should she do...

What should she do now?

“Retribution!” Old Mrs. Cen looked at Zheng Wanyin and spat softly.

“Zhou Xiang looked at Xie wanqiu’s darkened face and tugged at Old Mrs. Cen’s sleeve. “Mom, Lower Your Voice.” ”

Xie Wanqiu was in a rage. Wasn’t old Mrs. Cen adding fuel to the fire?

“Xie wanqiu was a person who cared about her face. Fortunately, there were no outsiders other than them. If there were outsiders, Xie wanqiu would probably faint from anger. ”

“I know, I know.” Old Mrs. Cen continued, “But I’m not afraid of Xie Wanqiu. Xiang Xiang, I’m giving you face! For your sake, I’ll lower my voice!” ”

“Zhou xiang smiled and said, “Thank you for giving me face.” ”

“You’re welcome, you’re welcome.” Old Mrs. Cen smiled and said, “Who asked us to be a family!” ”

“The CEO turned to look at the crowd again. “And you guys, who among you still has doubts about the test scores? Step forward now and take the opportunity to investigate together!” ”

“Hearing this, the crowd immediately stepped back. ”

“No, no, CEO, we believe in You, and we believe in ABA even more!” ”

“Yes, yes, yes! We all believe in ABA!” ”

“The CEO walked to Ye Zao’s side. “Miss Ye, I’m sorry for making a fool of myself.” ”

“It’s fine.” Ye Zao stood up from his chair.

The CEO followed behind ye Zao.

“A moment later, ye Zao looked back slightly and said in a calm tone, “Where’s the secret formula?” ”

Secret Formula?

What secret formula?

The CEO was stunned for a moment.

“Ye Zao continued, “Mei Xin Fang Tang Mu Xue’s secret formula.” ”

“The CEO quickly reacted. This big shot loved sweets like his life. If it wasn’t for Mei Xin Fang Tang Mu Xue’s rice, he really wouldn’t have been able to invite this big shot, “So that’s what Miss Ye was talking about! Don’t worry, I, Zhou, have always been the same. Since I’ve promised you, I Won’t go back on my words. Please follow me, Miss Ye.” ”

“With that, the CEO took a step forward.”

Ye Zhuo nodded slightly and followed the CEO’s footsteps.

Zheng Wanyin stood where she was and looked at the back of Ye Zhuo and the CEO. Her expression was unclear.

Old Mrs. Cen’s gaze swept past Zheng Wanyin and turned back to look at Cen Shaoqing. “We’ve finished watching the show. Let’s go look for Ye Zi.”

Show?

Whose show was this damn old woman Bai Tang going to watch?

“If it wasn’t for Ye Zhuo, Zheng Wanyin would have become a joke.”

Chapter 1325: 276: Xie Wanqiu was sent to the hospital because of anger and retribution! 2

“As the main assessment officer, ye Zao clearly had the ability to stop all of this, but ye Zao did not stop it after all. Instead, he allowed it to develop!”

Who Was Zheng Wanyin?

Cen Shaoqing's cousin!

Did she really put Zheng Wanyin in her eyes?

"Ye Zao did this not only because he did not put Zheng Wanyin in his eyes, but also because he did not put the CEN family and Cen Shaoqing in his eyes."

"Ye Zao had not even passed through the door yet, but he had already pinned the CEN family members to the ground and bullied them. If he passed through the door, wouldn't he be sent to heaven!"

The Cen family was about to face a great disaster!

Bai Tang was actually able to smile!

He was simply brainless.

Just wait and see.

"Once ye Zao passed through the door, Bai Tang would have a good ending."

"Based on Ye Zao's current situation, could she treat the elderly well and show filial piety to the elderly?"

How could that be possible!

"Fortunately, the Cen family still had someone like her who understood."

Otherwise...

The Cen family would be finished.

A beauty was a disaster.

“At that time, the Cen family’s wealth would all be lost at the hands of Ye Zao.”

No.

“As long as her grandmother was around, she would definitely not let ye Zao, this disaster, enter the family.”

Xie wanqiu narrowed her eyes and walked to Zheng Wanyin’s side. “Yinyin.”

“Grandma!” Zheng Wanyin hugged Xie wanqiu and cried hysterically.

She didn’t want to live anymore.

“At this moment, Zheng Wanyin really didn’t want to live anymore.”

All her face in her life had been lost today.

“However, Zheng Wanyin was still the type of person who cared deeply about her face.”

She didn’t know why things had turned out this way.

She thought that she could at least get an A today and be promoted to the management level.

She did not expect...

She did not expect such a result in the end.

She was famous by the ABA Core Team.

What was she going to do?

Her future was ruined.

It was all ruined by Ye Zao.

““Good girl, don’t Cry!” Seeing Zheng Wanyin cry like this, Xie Wanqiu’s heart ached. She continued, “Don’t cry. If no one is left here, there will be others! Come, Let’s go home! Let them regret it!” ”

“The year Zheng Wanyin was born, Xie Wanqiu looked for a fortune teller to read her fortune. ”

Zheng Wanyin was born with the life of a Phoenix.

What was the life of a Phoenix?

“In ancient times, the life of a Phoenix was meant to be the empress, the mother of the world. ”

It was also because the times had changed.

“If one were to go back a few thousand years, then Zheng Wanyin would be the empress. ”

Zheng Wanyin joining the ABA was a blessing for the ABA.

“Now that the blind CEO had removed Zheng Wanyin from the ABA, it was the ABA’s loss. ”

They dared to cause trouble for Phoenix.

Just wait and see.

Something would happen to ABA sooner or later!

There would be times when they would regret it.

“Xie wanqiu held onto Zheng Wanyin’s arm. “Good child, let’s Go! In the future, if they cry and beg you to come back, you just have to be softer than them!” ”

“Speaking up to this point, Xie wanqiu sighed. “You Child, you’re just too soft-hearted! I’ve Long said that being soft-hearted is a weakness.” ”

Wasn’t Ye Zhuo taking advantage of Zheng Wanyin’s soft-heartedness to bully her?

This was because ye Zhuo knew that Zheng Wanyin wouldn’t hold it against her.

Zheng Wanyin kept her head down the entire way. No one knew what she was feeling at this moment.

No one could understand either.

“Mom.”Zhou Xiang walked over from the side.

Xie Wanqiu didn’t say anything.

This Zhou Xiang actually had the nerve to call her that!

“Zhou Xiang continued, “Mom, don’t worry. Yaozao isn’t that kind of stingy person. For this matter, as long as Wanyin and Yaozao properly apologize, Yaozao will definitely forgive her.” ”

“When she heard this, Xie wanqiu immediately blew her top. ”

“Apologize! ? Who are you asking to apologize?”

Ask Zheng Wanyin to apologize to Yaozao?

On what basis?

Could Yaozao take it?

“Zhou xiang continued, “Ask Wanyin to apologize to ye Zao!”This matter was Zheng Wanyin’s fault to begin with. ”

She was the one who wronged ye Zao for no reason and even accused ye Zao of swapping her and Bai Xiaosu’s test papers.

“Fortunately, there were surveillance cameras. ”

“Otherwise, ye Zao would not be able to clear his name even if he jumped into the Yellow River. ”

Zhou Xiang had no choice.

It was not easy to be a stepdaughter.

“If Zheng Wanyin was her biological niece, she would definitely not let this matter go like this. ”

“There was already a layer of distance between her and Zheng Wanyin. If she continued to use this matter as an excuse, Xie wanqiu would definitely make an issue out of it. ”

Zhou Xiang hated these things the most.

“These few days when Xie wanqiu came to the Cen family, she felt that she had aged more than ten years. ”

Xie wanqiu just looked at Zhou Xiang and could not say a word for a long time.

Hehe!

This was the good daughter that she raised!

Outsiders said that Zhou Xiang treated her better than her biological mother.

But which biological daughter would help outsiders bully her old mother.

“She was already over 70 years old this year, yet she was still scolded by Zhou Xiang. ”

“If she was Zhou Xiang’s biological mother, would Zhou Xiang still treat her like this? ”

Chapter 1326: 276: Xie Wanqiu was sent to the hospital because of anger and retribution! 3

““Zhou Xiang! Yinyin is your biological niece!”Xie wanqiu continued, “Is this how you treat your second aunt?” ”

“What About Me?”Zhou Xiang was confused.

“Xie wanqiu pointed at Zhou Xiang’s nose and was so angry that she almost cursed. However, this was a public place after all., “You really have the guts to ask Yinyin to apologize to ye Zao! It’s already a great thing that I didn’t ask ye Zao to apologize to yinyin! You actually asked Yinyin to apologize to ye Zao!” ”

“Zhou Xiang frowned. “Mom, you’re too unreasonable! This is clearly Wanyin’s fault!” ”

“Usually, Xie Wanqiu could bully her a little, but now that she was married and had a family, even if Xie Wanqiu wanted to bully her, her hands wouldn’t be able to stretch out that long. Besides, she was already used to it. ”

But Xie Wanqiu wanted to bully ye Zao?

Inverting black and white?

No.

Xie wanqiu clutched her chest. She was so angry that she almost couldn’t breathe.

“Zheng wanyin cried and said, “Grandma, please don’t be angry. Second aunt is right. This matter was my fault in the first place. It was my own fault for not being able to match up to her. I shouldn’t have doubted that there was a problem with the assessment. I’m sorry, I’m sorry...” ”

“Seeing Zheng Wanyin like this, Xie Wanqiu’s vision went dark. She fainted just like that. ”

She really fainted.

She was so angry.

“Zheng Wanyin was shocked. “Grandma! Grandma, Are You Alright? !” ”

Zhou Xiang did not expect Xie wanqiu to faint right away. “Mom!”

““Second aunt, what should we do?” ”

“How would Zhou Xiang know what to do? She continued, “Let me try strangling her.” ”

“She pinched her hard, but Xie Wanqiu did not have any reaction. ”

“Zhou Xiang pinched again, but Xie wanqiu still did not have any reaction. ”

“Call 120.”Zhou Xiang turned to look at Zheng Wanyin.

“Zheng Wanyin nodded, took out her phone, and dialed 120 with trembling hands. ”

A moment later.

The sound of 120 ambulance was heard outside.

Zhou Xiang and Zheng Wanyin followed her to the hospital.

“After some first aid measures, Xie WANQIU finally woke up. ”

Zheng Wanyin was in the ward with Xie Wanqiu.

“Zhou Xiang went to the Doctor’s office. “Doctor Liu, how’s My Mother’s condition?” ”

“Doctor Liu smiled and said, “Don’t worry. The old lady’s condition is very good. It’s just that she’s short of breath, which caused her to fall into a temporary coma.” ”

“Are there any sequelae?”Zhou Xiang was a little worried.

“Doctor Liu shook his head. “Don’t worry, there aren’t any. If the old lady’s physical condition is bad, there will definitely be sequelae. However, the old lady’s various indicators are very good. There won’t be any sequelae.” ”

“Zhou Xiang heaved a sigh of relief. “Then, then do we still need to stay in the hospital?” ”

““There’s no need to stay in the hospital,” doctor Liu continued. “However, if you’re worried, you can stay in the hospital for half a day. You can go back tomorrow.” ”

““Okay, thank you, doctor Liu.” Zhou Xiang bowed and thanked Doctor Liu.” ”

““Mrs. Cen, you’re too polite.” ”

“Having been in the industry for so many years, Zhou Xiang was the most unassuming wealthy lady that doctor Liu had ever met. ”

She was one of a kind.

“If not for her colleagues telling him about it, she would have thought that Zhou Xiang was just an ordinary wealthy family. ”

On the other side.

In the ward.

“Zheng wanyin cried, “Grandma, do you know that you scared me to death just now!” ”

“Xie wanqiu patted Zheng Wanyin’s head. “Silly child, what’s there to be scared about! Grandma is fine. Oh right, where’s that B * Tch Zhou Xiang?” ”

“Zheng Wanyin sniffled. “Grandma, don’t talk about second aunt like that. She actually cares about you a lot too.” ”

“Cares about me? I think she can’t Wait for me to Die! She doesn’t know what’s good for her. It’s better to raise a dog than her!”Xie Wanqiu was really angry.

Back when she came to the Zhou family.

How Old was Zhou Xiang?

13 years old.

A 13-year-old child didn’t know anything. Zhou Xiang would do whatever she asked Zhou Xiang to do.

“She told Zhou Xiang to go east, but Zhou Xiang would never dare to go west. ”

She thought that she could hold Zhou Xiang in her hands for the rest of her life.

Who would have thought.

Zhou Xiang would be chosen by the Cen family by accident.

“In fact, Xie Wanqiu originally wanted to marry Zheng Wanyin’s mother to the Cen family. ”

Zhou Xiang was shameless.

She must have deliberately seduced Cen Haifeng!

The appearance of the Cen family made Zhou Xiang’s fate turn around.

The poor girl became the rich lady that everyone envied.

“Later on, the CEN family directly became the number one family in China.”

“Seeing Zhou Xiang’s status getting higher and higher day by day, Zheng Wanyin’s mother became anxious and gradually fell into depression. She was so angry that she died.”

“After Zheng Wanyin’s mother died, Xie Wanqiu saw that Zheng Wanyin was really too pitiful alone, so she carried Zheng Wanyin over and raised her.”

“Chapter 1327: 276: Xie Wanqiu was sent to the hospital because of anger, and she got her comeuppance! 4”

This upbringing lasted for more than 20 years.

The child that she raised with her own hands was not something that Zhou Xiang could trample on.

“Moreover, Zheng Wanyin was the only person in this world that she was related to by blood.”

She had to protect Zheng Wanyin.

Zhou Xiang wanted to bully Zheng Wanyin?

No Way!

“The more Xie Wanqiu thought about it, the more uncomfortable she felt, “She’s only so young, and I raised her up in a pile of SH * t and pee, yet she’s doing so well! And now she’s repaying me like this, Oh

my God! Why is my life so miserable! If I had known this would happen, I wouldn't have become someone's stepmother even if I starved to death outside! It's a thankless task! " "

A child can have anyone.

It just can't be without a mother.

"All these years, she had always played an important role in Zhou Xiang's life, but Zhou Xiang didn't know how to be grateful at all. "

How could there be someone like her in the world?

"If it weren't for her, Zhou Xiang would have died long ago. "

Let's not talk about life and death.

Let's talk about Zhou Xiang marrying into the Cen family.

"If it weren't for her, would Zhou Xiang be able to know Cen Haifeng? "

"In the end, Zhou Xiang still took advantage of her. "

"Without her, there would be no Zhou Xiang. "

"Xie Wanqiu's howl was heard by everyone in the ward. One after another, they asked, "Elder, What's Wrong?" "

"Seeing so many people asking, Xie wanqiu became even more excited, "Let me give you young people a piece of advice. When you get married in the future, you must open your eyes wide. You can marry anything. You must never marry a second wife and become someone else's stepmother! "Just look at me. I treat her as my own daughter, even more so than my own daughter. "But what about her? "How

did she treat me? “A young man lost his husband, a middle-aged woman lost her daughter, and in his later years, he was sent to the hospital by his stepdaughter. Oh My God! “How can my life be so miserable!” ”

“Hearing this, the people in the ward sighed endlessly. ”

Xie Wanqiu’s experience was indeed miserable.

As the saying goes.

There are three Great Sorrows in life.

“Losing a mother at a young age, losing a wife (husband) at a middle-aged age, and losing a child at an old age! ”

“Xie wanqiu directly took up two of the three Great Sorrows in life. In her later years, she actually had to look at her stepdaughter’s expression. ”

Pitiful.

It was really too pitiful.

““Old Man, you should be more open-minded. It’s good to be open-minded about everything.” ”

“How can there be such an unfilial daughter in the world!”

““Many of their own children are filial to their parents, let alone stepdaughters!” ”

“Another person asked, “Elder, what is the relationship between you and this little girl?” ”

“Xie wanqiu grabbed Zheng Wanyin’s hand and said, “This is the blood and bone left behind by my short-lived biological daughter...” ”

“”I see. Elder, don’t be angry. Anger hurts the body. For the sake of this little girl, you can’t be angry.” ”

“”If anything were to happen to you, what would happen to the little girl?” ”

These words finally hit Xie Wanqiu’s heart.

Right.

She could not be angry.

She was the only person Zheng Wanyin could rely on in this world.

“If anything were to happen to her, wouldn’t Zheng Wanyin be too pitiful?” ”

“Zheng Wanyin looked at Xie wanqiu, then she said, “Grandma, we are now living under someone else’s roof. Second Aunt Wants me to apologize to cousin-in-law, so I’ll go apologize! In any case, cousin-in-law is not an outsider. Even if I apologize to her, I Won’t lose anything! Please don’t quarrel with second aunt!” ”

Xie wanqiu frowned.

Ask her to forgive Zhou Xiang just like that?

Impossible!

“If she really forgave Zhou Xiang like that, Zhou Xiang would really think that she was easy to bully.”

“Also, what right did Zheng Wanyin have to apologize to Ye Zhuo? ”

“Ye Zao had always been arrogant and despotic. He did not put her as his grandmother in his eyes. If Zheng Wanyin apologized to ye Zao again, Ye Zao’s tail would probably be raised to the sky. ”

She did not want to see ye Zao’s smug face.

“Seeing that Xie Wanqiu was like this, Zheng Wanyin continued, “Grandma, bear with it for a while. If you take a step back, the sky will be wider than the sea...” ”

“As she finished speaking, Zheng Wanyin paused and lowered her voice, she continued, “Grandma, it’s not good for us to have a falling out with second aunt now. Have you forgotten the purpose of your visit to the capital? I was hoping that you could find me a good family in the capital!”As she said the last sentence, zheng Wanyin’s voice carried a hint of coquettishness. ”

Xie wanying narrowed her eyes and only then did she remember the important matter.

She had almost forgotten about it!

This trip was mainly for Zheng Wanyin’s personal matters.

“Thinking of this, the anger on Xie Wanqiu’s face subsided a little. “Don’t worry, I know what I’m doing.” ”

“Okay.”Zheng Wanyin nodded.

As long as Xie wanqiu listened to her.

Chapter 1328: 276: Xie Wanqiu was sent to the hospital because of anger and retribution! 5

She was most afraid that Xie Wanqiu would not listen.

“When the others in the ward heard this, they all praised Zheng Wanyin for being a sensible and good child.”

“At the very least, she could persuade Xie wanqiu to endure it.”

Unlike some juniors who only knew how to fan the flames and cause trouble at home.

“Hearing this., xie wanqiu said with a face full of pride, “This granddaughter of mine follows me and has a good personality. Otherwise, I wouldn’t have been bullied by my stepdaughter like this! Sigh, there’s nothing I can do. I’m a soft-hearted person. No matter how others treat me, I can’t be ruthless!”At the end of her sentence., xie wanqiu sighed.”

“There wasn’t the slightest trace of acting on her face. If people who didn’t know about this saw it, they would really think that Xie Wanqiu was a good stepmother and a good elder!”

“Before entering the ward, Zhou Xiang heard the voices inside. She frowned without leaving a trace. Then, she pushed the door open and entered. “Mom.” ”

“Seeing Zhou Xiang enter, everyone immediately turned their heads and looked at Zhou Xiang. Their eyes were filled with the expression of a malicious stepdaughter.”

Zhou Xiang was not a fool.

She could naturally understand the expressions in everyone’s eyes.

“However, the relationship between the stepmother and stepdaughter was always delicate.”

“The more she explained, the more confusing it became.”

“Zhou Xiang did not want to care about these things, nor did she care about the looks of others.”

“Xiang Xiang.” In order to create the image of a good stepmother, Xie wanqiu greeted her with a smile.

“Zhou Xiang continued, “Mom, I just went to ask the Doctor. He said that you can be discharged in the afternoon.” ”

Discharged in the afternoon?

Xie wanqiu narrowed her eyes.

Zhou Xiang was really vicious. She was afraid that others would know that she was angered by Zhou Xiang and was sent to the hospital. That was why she was in such a hurry to discharge her!

But was she that easy to get rid of?

“Zhou Xiang did not want others to know, right?”

Then she had to make it known to everyone!

“Xie wanqiu pinched her temples. “But my head still hurts! Xiang Xiang, don’t worry. I have money. I Won’t let you pay a single cent to be hospitalized.” ”

“When she said this, the other people in the ward immediately gave Zhou Xiang a strange look.”

This stepdaughter was too much!

She didn’t even want to pay for the old man’s hospitalization.

“Looking at the way she was dressed, there were five people and six people. Who would have thought that she was such a person! ”

It was simply disgusting.

“Zhou xiang hurriedly explained, “Mom, I didn’t mean that. Since you feel that your head isn’t feeling well, then you should continue to stay in the hospital! Why Don’t I Get You a VIP room?” ”

“You don’t have to spend that money. It’s fine as long as I stay here.”

“Zhou xiang continued, “Then I’ll go and handle the hospitalization procedures for you.” ”

Xie wanqiu nodded.

“Zheng Wanyin stood up and said, “Second aunt, I’ll go with you.” ”

“Okay.”

The two of them walked to the first floor together.

“Zhou Xiang had just left when the young man who was staying in the bed next to Xie wanqiu said, “Old Lady, that was your stepdaughter just now, right?” ”

““Yes, it was her.” ”

“I don’t think she’s the kind of person who is sarcastic and mean!”

“I don’t think so either.”Someone immediately echoed.

“Xie wanqiu wiped away her tears. “She’s pretending! She’s acting like she’s even closer to people than my own daughter. After that, her face changed!” ”

“Seeing that Xie Wanqiu was crying so sadly, the people who were initially skeptical immediately believed her. ”

“If Zhou Xiang was really fine, why was Xie Wanqiu crying so sadly? ”

Sigh!

This old man was really too pitiful.

“After crying, Xie Wanqiu went to the bathroom. She closed the bathroom door and made a call. ”

“When the call was connected, Xie wanqiu wailed loudly. “Old Zhou...” ”

On the other side.

Zhou Xiang and Zheng Wanyin walked to the toll booth on the first floor.

“It was Sunday, and there was a long queue at the toll booth. ”

“Zheng Wanyin looked up at Zhou Xiang and said, “Second aunt.” ”

“Yes.”

“Zheng wanyin continued, “Second aunt, what happened today was all my fault. If it weren’t for me, Grandma wouldn’t have fainted, and cousin-in-law wouldn’t have been suspected for no reason. If you want to blame someone, blame me. Don’t be angry at Grandma! Grandma is already over 70 years old this year. How many 70 years can she live? “I hope that Grandma can live a happy old age. If you have any anger, just come at me.” ”

Zheng Wanyin's attitude towards admitting her mistake was very sincere.

"Zhou Xiang was also a soft-hearted person. She couldn't bear to see others shed tears in front of her. "Wanyin, she is my mother. How can I be angry with my own mother?" "

"So you're saying that you're not angry with Grandma?" Zheng Wanyin asked in surprise.

Zhou Xiang nodded. "No."

"Zheng Wanyin broke into a smile through her tears. "Second aunt, thank you! Please rest assured. I will definitely solemnly apologize to cousin-in-law and ask her to forgive me." "

Chapter 1329: 276: Xie Wanqiu was sent to the hospital because of anger and retribution! 6

"Actually, Zheng Wanyin was not a bad person. "

It was just that sometimes she did not consider all aspects of the problem.

"If she had not made the matter of the assessment so big, things would not have turned out this way. "

Zhou Xiang nodded. "Okay."

Zheng Wanyin thought that Zhou Xiang would say that she did not need to apologize to Ye Zhuo.

She didn't expect...

Zhou Xiang actually nodded.

Maybe.

Xie Wanqiu was right.

“In Zhou Xiang’s heart, there was no such thing as a niece.”

“But thinking about it, it was normal.”

“After all, she wasn’t related to Zhou Xiang by blood.”

She didn’t blame Zhou Xiang.

“If she were Zhou Xiang, she might not be as good as Zhou Xiang.”

If she had to blame.

It was her fault that she wasn’t as good as Ye Zhuo in reincarnating!

“If she were ye Zhuo, she would not have these worries.”

No wonder there was an idiom.

A mediocre person bothers themselves.

“In the past, she had never known what kind of person a mediocre person was.”

“Now, she finally understood.”

So a mediocre person referred to people like her.

“Zheng wanyin continued, “Second aunt, I’m sorry to have disturbed you for so many days with Grandma. Don’t worry, I’ll think of a way to bring grandma back as soon as possible.” ”

Zhou Xiang patted Zheng Wanyin’s hand. “You’re my family. It doesn’t matter how many days you stay here. It’s too polite to say such things.”

“”Second aunt, thank you.” ”

“”Silly Child, why are you being so polite with me?” ”

“Half an hour later, they lined up smoothly and paid the hospital fees. ”

“Just as they paid the fees, Zhou Xiang’s phone rang. ”

“Seeing the caller ID, Zhou Xiang’s scalp went numb. ”

It was a call from her father.

“Perhaps it was because her mother had passed away early, Zhou Xiang was not close to her father. She could not even compare to Zheng Wanyin’s mother. ”

“When she was very young, Zhou Xiang had subconsciously thought that they were the real family of three. ”

And she and her brother were just outsiders.

“Moreover, Father Zhou was very strict. He followed the principle of having a filial son under the baton. When he started to fight, he did not show any mercy. ”

“Even Zhou Xiang, this girl, received a lot of beatings when she was young. ”

“”Dad.”Although she did not want to pick up the call, Zhou Xiang still picked up. ”

“”Dad! You still have the face to call me dad! Tell me, how did your mother get hospitalized? How did you anger your mother into the hospital?”Father Zhou’s voice was very angry. ”

He was really angry.

“Although father Zhou and Xie wanqiu were a half-married couple, they were truly in love! ”

“It was said that it was not easy to be a stepmother. Therefore, when Xie Wanqiu first married into the Zhou family, he had been educating the Zhou siblings, telling them not to be mischievous and not to let their new mother worry. ”

“Even so, the siblings had always made Xie wanqiu worry. ”

So...

Father Zhou had always been very grateful to Xie wanqiu. He was grateful that she had raised his two children as if they were her own children.

But Zhou Xiang was fine.

“Not only did she not know how to show filial piety to Xie wanqiu, she had even angered Xie wanqiu to the hospital. ”

Was there such a daughter in the world?

Father Zhou wished he could slap this unfilial daughter of his to death.

“Zhou Xiang explained, “Father, you’ve misunderstood. Things are not what you think at all...” ”

“On the other end of the phone, Father Zhou sighed deeply, “Xiang Xiang, your mother left early. If it wasn’t for Wanqiu, would there still be you and your brother? You have to learn to be grateful! “Don’t make your mother angry so easily. Although Wanqiu isn’t your real mother, you have to ask yourself, since you were young, how has she mistreated you and your brother? “I’m already so old. Who knows, I might go one day. Can you bear to look at your father at such an old age? After closing your eyes, are you still worried about your mother?” ”

“In father Zhou’s heart, Xie Wanqiu was a great wife. ”

She had sacrificed her entire youth for the Zhou family and his two children.

“At this point., father Zhou continued, “And your sister. If it wasn’t for you, would your sister have left us so early? “Think about it carefully. All these years, has your mother ever blamed you? “For the sake of our family, your mother has always been quietly swallowing her anger. Now that she’s old, as a child, why can’t you let your mother enjoy more happiness!” ”

“Through the phone, Zhou Xiang could not be bothered to explain anything to Father Zhou. She continued, “I understand.” ”

“Father Zhou continued, “Xiang Xiang, you must remember my words. You must not let your mother suffer any more grievances! Otherwise, treat it as if I don’t have a daughter like you in the future!”At the end of his sentence, Father Zhou directly said something fierce. ”

“Zhou Xiang took a deep breath. “Father, what kind of grievances do you think I can make her suffer?”The one who was suffering was obviously her, but Father Zhou had lectured her without any reason. She just could not refute him. ”

“Forget it, forget it. ”

“Anyway, she was already married.”

“Even if Xie wanqiu could be tormented, could she still be tormented in the CEN family for the rest of her life?”

“After hanging up the phone, Zheng Wanyin asked, “Second aunt, is it grandpa who called?” ”

Zhou Xiang nodded slightly.

“Zheng Wanyin’s expression did not look good, she asked carefully, “Did Grandpa Misunderstand You? Don’t worry, when I go back, I will explain to Grandpa! All of this is my problem, it has nothing to do with you!” ”

“Zhou xiang continued, “I know you are a good child. This is a problem between your Grandpa and me. You are a child, you don’t need to interfere in the affairs of adults.” ”

“”Second aunt, I’m sorry...”Zheng Wanyin’s face was full of guilt. ”

“Silly child. Second aunt is fine.”Zhou Xiang patted Zheng Wanyin’s shoulder.

“Zheng Wanyin turned around and hugged Zhou Xiang. She said emotionally, “Second aunt, thank you.” ”

...

Zhou Xiang stayed in the hospital until the night before she was free to go home.

“As soon as she returned home, old Mrs. Cen asked, “Where’s Xie Wanqiu? Did she go back?” ”

"If she really did go back, she would have to buy some fireworks and firecrackers to celebrate. "

"Not yet." Zhou Xiang shook his head.

"When she heard the word 'not yet', the smile on Old Mrs. Cen's face disappeared completely. "She didn't go back! Great! She's going to go through all that again, right?" "

Zhou Xiang nodded.

"Old Mrs. Cen continued, "What new tricks did she come up with?" "

Zhou Xiang looked a little troubled. "She's in the hospital."

"In the hospital?" Old Mrs. Cen narrowed her eyes. "What's wrong with her? Can she still be cured?"

Zhou Xiang did not know how to answer.

"Old Mrs. Cen sat down and grabbed a handful of melon seeds. As she munched on them, she said, "She's faking it?" "

"It... It's not really faking it..." but it was no different from faking it. Having such a stepmother, Zhou Xiang was really helpless. "

"Old Mrs. Cen spat out the melon seed shell, "Your stepmother is such a disgrace! "If I were her, I would just buy a bottle of pesticide and drink it to death. I don't want to live in this world and annoy people! "Xiang Xiang, I don't want to criticize you. If you had half the courage of burning mother, you wouldn't have been bullied like that by Xie wanqiu all those years ago "

"And that Zheng Wanyin. I used to think that she was quite a good girl. She was quite good-looking and her voice was not bad. But after what she did today, her eating style was too ugly! "If I were Xie wanqiu, I would crawl into the ground on the spot! "But she's not ashamed at all. Instead, she's proud! "Xiangxiang, I'll say it here today. I can't have a heart-to-heart with that niece of yours! "I don't know

what kind of evil intentions people have in their hearts. You're a heartless person. You've been schemed against by others, yet you're still foolishly counting money for others!" "

"Zhou Xiang nodded. She wanted to say a few words on behalf of Zheng Wanyin, but she swallowed the words that were about to come out of her mouth. "

"As soon as she finished speaking, Old Mrs. Cen ate another melon seed. "Oh right, what's that Xie Wanqiu up to now? Tell me and I'll be happy." "

"Zhou Xiang felt that it was a little difficult to say it, but she had no choice but to say it, she simply said in a spurt of energy, "Isn't she hospitalized? She thinks that this is all caused by searing. She wants searing to apologize to her. Otherwise, she'll be staying in the hospital and won't be able to get out!" "

""What? Who does she want to apologize to?" "Old Madam Cen slammed the table and stood up. "I'll go to her grandmother's leg! "Go to the hospital immediately. I'll pass a message to her. Tell her to stay in the hospital! "It's best if she dies in the hospital! "If she comes out, she won't Be Human!" "

Chapter 1330: 277: Your Father is still your father! 1

Old Lady Cen was furious.

Xie wanqiu actually asked ye Zhuo to apologize.

"The most unreasonable person she had ever met was Old Lady Lin. She thought that other than Old Lady Lin, there was no other person in the world who was more disgusting than Old Lady Lin. "

Who would have thought.

"There was no such thing as the most disgusting, only more disgusting. "

“Compared to Old Lady Lin, this Xie Wanqiu was simply worse than her! ”

“Old Lady Cen was so angry that she did not even want to eat her favorite melon seeds. She placed her hands on her hips and was about to curse, “I want to see if Xie Wanqiu is really willing to die in the hospital!” ”

Zhou Xiang looked at Old Lady Cen and did not know how to speak.

On one side was her mother-in-law.

On the other side was her stepmother.

And on the other side was her future daughter-in-law.

She was in a dilemma on three sides.

“After saying that, old Mrs. Cen turned to look at Zhou Xiang. “Xiang Xiang, I’m telling you, don’t tell this terrible thing to burning!” ”

“”Okay.”Zhou Xiang nodded at first, then as if she thought of something, she continued, “Then, then what if my mom really doesn’t want to be discharged?” ”

Xie wanqiu would do anything.

“If she really stayed in the hospital and didn’t come out, Father Zhou would definitely not let it go. ”

Zhou Xiang had been afraid of Father Zhou since she was young.

“”With someone like Xie wanqiu, does she deserve to be a Mother?”Old Mrs. Cen continued, “It’s all thanks to you treating her as your biological mother all these years! But what about her! How did she

treat you? Did she treat you as her biological daughter? Other than doing disgusting things, what else would she do?" "

"At the end of her sentence, old Mrs. Cen continued, "If I were you, I would have cut off all ties with her long ago! is she that kind of person who keeps cutting off all ties for the New Year?" "

Zhou Xiang lowered her head.

She could not say a single word.

"Seeing Zhou Xiang like this, old Mrs. Cen sighed. "

She was her daughter-in-law.

Everything was good.

She was just too soft-hearted.

"Therefore, all these years, she had been unable to stand up. Therefore, all these years, all the big and small matters of the Cen family had been handled by her alone. "

"As she grew older and older, there were many times when she was unable to do what she wanted. "

"She really hoped that Zhou Xiang could grow up. After Cen Shaoqing and ye Zao got married, Zhou Xiang would be able to help manage the family and take charge of everything. "

"After a moment, Zhou Xiang raised her head to look at Old Madam Cen. "Mom, then... then are you really going to ignore her?" "

Zhou Xiang knew Xie Wanqiu too well.

“Xie wanqiu was a person with a very stubborn temper. She was used to being the head of the Zhou family. If anyone did not live up to her expectations, she would really cause a ruckus! ”

“This time, since Xie Wanqiu had said such harsh words, she would not be discharged from the hospital.”

She would really keep her word!

“Don’t bother about her!” Old Madam Cen’s attitude was resolute.

She wanted to see if Xie wanqiu could really stay in the hospital for the rest of her life.

Zhou Xiang was still a little worried. “But... But...”

“No buts,” old Mrs. Cen said. “Just listen to me and ignore her. Maybe she’ll come back tomorrow!” ”

What kind of shameless person like Xie Wanqiu wouldn’t do?

It was fine as long as Xie Wanqiu didn’t come back on her own.

“If she came back on her own, old Mrs. Cen would definitely not let her in easily. ”

“Zhou Xiang said, “I’m not worried about anything else. I’m just worried that something might happen to her in the hospital.” ”

She was Xie Wanqiu’s stepdaughter.

Xie Wanqiu was also in the capital when something happened to her.

“When that happened, she would not be able to clear her name even if she jumped into the Yellow River.”

““What could happen to someone like Xie Wanqiu?”Old Mrs. Cen continued, “Do you really think that she would be willing to die in the hospital?” ”

Xie Wanqiu was now living a life of superiority.

“Father Zhou was like Zhou Xiang, soft-hearted. Xie Wanqiu was in charge of all matters in the Zhou family.”

“At this time, Xie Wanqiu was willing to die? ”

How was that possible!

“Even if the sky fell, Xie Wanqiu would not die.”

“After saying that, old Mrs. Cen continued, “If she is really willing to die in the hospital, then I will definitely buy a string of firecrackers to celebrate!” ”

“After saying that., old Mrs. Cen added, “Oh Right, Xiangxiang, don’t go to the hospital during this period of time! Don’t take the initiative to apologize on behalf of burning! If I find out, Don’t blame me for turning hostile!” ”

“At this critical moment, if Zhou Xiang went to the hospital to surrender, then Xie Wanqiu would definitely climb up the pole! ”

She could not be spoiled.

“Got it.”Zhou Xiang nodded.

“Since things had come to this, Zhou Xiang could only listen to old Madam Cen. ”

...

At the hospital.

“Zheng Wanyin sat by the bed and fed soup to Xie wanqiu. “Grandma, what should we do? Isn’t it a little inappropriate?” ”
