Chapter 1331: 277: Your Father is still your father! 2

“What should I do?” Xie wanqiu did not seem to understand Zheng Wanyin’s words.

“Zheng wanyin continued, “Just, just get cousin-in-law to come over and apologize to you.” ”

“Hearing that, Xie Wanqiu’s expression turned cold. “Inappropriate? What’s inappropriate? Ye Zhuo should apologize to me!” If it was not for ye Zhuo, she would not have been so angry that she would have been hospitalized, and Zheng Wanyin would not have been expelled from ABA. ”

All of this was ye Zhuo’s fault.

“Zheng wanyin said, “But this matter really can’t be blamed on cousin-in-law. It’s all my own fault. My skills are inferior to others!” ”

“Zheng Wanyin was so outstanding, how could it be that her skills were inferior to others? ! ”

““Who said it’s your fault? It’s clearly that little b * Tch Ye Zhuo’s fault!” Ye Zhuo was the main examiner. She could have given Zheng Wanyin a triple A, but not only did she not give her a triple A, she gave her an A instead! ”

Wasn’t this deliberately targeting Zheng Wanyin?

“Not only was it deliberately targeting her, it was also deliberately insulting her. ”

“Moreover, she had specifically instructed ye Zhuo to make sure that Zheng Wanyin got a Triple A. ”

“However, Ye Zhuo had taken her words as though they were nothing! ”

Ye Zhuo clearly did not take her as a grandmother seriously.

“If she did not let ye Zhuo apologize to her, Ye Zhuo would really think that she, a grandmother, was easy to bully! ”

This was simply outrageous!

“Zheng wanyin sighed, “If cousin-in-law doesn’t come, do you really plan to stay in the hospital forever?” ”

“”Not coming! ?”Xie wanqiu widened her eyes and said angrily, “If she dares not come, she can forget about marrying my grandson! I want to see how much courage she has to dare to disregard the words of a grandmother like me!” ”

“Xie Wanqiu was certain that ye Zhuo would definitely come, so she dared to say those harsh words! ”

“As long as ye Zhuo wanted to marry into the Cen family, he had to come and apologize to her. ”

“Otherwise, Xie wanqiu would not be able to hold back her anger. ”

“Zheng wanyin continued, “Grandmother, the family is peaceful and everything is prosperous. Otherwise, let’s just forget about this matter!” ”

“”You child are too kind! That’s why ye Zhuo dares to bully you like this!”Xie wanqiu narrowed her eyes. “This time, I will definitely kill that little slut’s prestige!” ”

“If a tiger didn’t show its might, did he think she was a sick cat? ! ”

“As the head of a family, she had to act like the head of a family. ”

Zheng Wanyin's face was full of sorrow. "But I don't think cousin-in-law would compromise so easily."

"If ye Zao didn't come and apologize to Xie wanqiu, how would Xie Wanqiu End Things? "

"She couldn't go back by herself, right? "

Then Xie Wanqiu would lose face.

"Xie wanqiu could also hear the hidden meaning in Zheng Wanyin's words. She chuckled and said, "Silly girl, don't worry! That Little B * Tch Ye Zhuo will definitely come and apologize to me!" Even if ye Zhuo did not come and apologize to her, would cen Shaoqing let her go? "

How was that possible!

Cen Shaoqing was her grandson. How could he help an outsider.

And Zhou Xiang.

She knew Zhou Xiang's character too well.

She was as soft as mud.

Zhou Xiang dared to disobey her mother?

Cen Shaoqing and Zhou Xiang were on her side. How could ye Zhuo not come over and apologize to her?

Could it be that ye Zhuo wanted to break up with Cen Shaoqing?

“If they really broke up, that would be even better!”

Xie wanqiu was worried that she could not break them up.

So.

There were only two results facing Ye Zhuo.

“First, she had to come over obediently and apologize to her.”

“Second, she didn’t have to come over to apologize.”

“If ye Zao came over to apologize, Xie Wanqiu could use this opportunity to kill ye Zao’s prestige.”

“If ye Zao didn’t come over to apologize, she would get Cen Shaoqing to dump ye Zao.”

These two outcomes were extremely beneficial to Xie wanqiu.

It could be said that she killed two birds with one stone.

“Thinking of this, the corners of Xie Wanqiu’s mouth curled up.”

“Zheng Wanyin was still a little worried. “Grandma, it’s better to be safe than sorry...” ”

“Xie wanqiu smiled and patted Zheng Wanyin’s hand. “Wanyin! To be honest with you, I was actually hoping that ye Zao wouldn’t come and apologize to me.” ”

Zheng Wanyin was stunned for a moment.

“Xie wanqiu continued, “Zhou Xiang is my daughter, and Shaoqing is my grandson. Do you think that the two of them will try to influence others? As long as ye Zao dares to disregard me as his grandmother, I’ll immediately get Shaoqing to dump ye Zao.”No matter what..., she was still Cen Shaoqing’s grandmother.”

A grandmother and a grandmother were the same role.

Cen Shaoqing respected the old lady cen as a grandmother.

How could he not respect her as a grandmother?

Cen Shaoqing respected the old lady cen so he accepted ye Zao and started a relationship with ye Zao.

Similarly.

Cen Shaoqing could also choose to dump ye Zao because he respected her.

Unless Cen Shaoqing did not even want her as a grandmother anymore.

Zheng Wanyin narrowed her eyes and understood Xie Wanqiu’s words.

Chapter 1332: 277: Your Father is still your father! 3

“A moment later..., zheng wanyin continued, “But Grandma, cousin and sister-in-law are true love. If they really break up, I will also feel uneasy! This is my fault to begin with. As the saying goes, it’s better to tear down a temple than to tear down a marriage... “... “...”at the end of her sentence..., zheng Wanyin’s words were slowly filled with guilt.”

“This has nothing to do with you,” Xie Wanqiu said. “If there’s retribution, it should be on that little b * Tch ye Zao!” ”

Zheng Wanyin was a victim. What retribution could she have?

“Zheng Wanyin wanted to say something else, but Xie wanqiu continued, “Alright, Alright. Wanyin, I want to rest. Let Me be quiet. Don’t keep pleading for that Little B * tch in front of my ears.” ”

It was annoying to hear that.

“Seeing Xie wanqiu like this, Zheng Wanyin could only shut her mouth, but a glimmer of light flashed in her eyes. ”

Although she had only known ye Zhuo for a few days.

Zheng Wanyin knew ye Zhuo very well.

Ye Zhuo had a cold personality and was a hot-blooded person. He was definitely not the kind of person who would casually apologize.

Let Her apologize to Xie Wanqiu?

It was even more impossible!

“Just like what Xie Wanqiu said, she was Cen Shaoqing’s grandmother. If ye Zhuo did not apologize to Xie wanqiu, what else could Cen Shaoqing Do? ”

“For such an outstanding person like Cen Shaoqing, what kind of girlfriend could he not find? ”

So...

He would let a person with bad morals take over his girlfriend's position?

Did he really think that CEN fifth master's title came for nothing?

One had to admit that Xie Wanqiu's move was truly brilliant.

It was simply exquisite beyond compare.

Zheng Wanyin covertly hid the expression in her eyes.

"At this moment, Xie wanqiu seemed to have suddenly thought of something and continued, "Yinyin." "

"Please speak."Zheng Wanyin turned to look at Xie wanqiu.

"Xie wanqiu continued, "You're not allowed to go back to the Cen family during this period of time."She had to get ye Zhuo to come over personally to apologize to her, and then Cen Shaoqing, Zhou Xiang, and that old B * Tch Bai Tang would come over personally to pick her up. Otherwise.., she would definitely not go back! "

Zheng Wanyin nodded. "Got it."

"After saying that, Zheng wanyin continued to ask, "Grandma, how long do you plan to stay here?" "

"Xie wanqiu said, "Tomorrow, tomorrow morning, Shaoqing will definitely bring ye Zao over to apologize! Even if he doesn't come tomorrow morning, it won't be more than three days!" "

Three days at most!

"Zheng Wanyin nodded slightly, knowing what to do. "

...

The night passed very quickly.

“In the morning, Zheng Wanyin rushed to the hospital from the hotel early in the morning.”

People who were old did not fall asleep.

“When she arrived at the hospital, Xie Wanqiu was already awake. When she saw Zheng Wanyin, she smiled and said, “Yinyin is here.” ”

“Zheng Wanyin nodded. “Grandma, I brought you preserved egg and lean meat porridge.” ”

“Okay.”

Xie wanqiu loved to eat preserved egg and lean meat porridge the most.

“However, Zhou Xiang never remembered her preferences. Only Zheng Wanyin was filial. No matter what, Zheng Wanyin would always remember what she liked to eat and drink.”

What right did someone like Zhou Xiang have to be her daughter?

Her precious granddaughter was the best.

“Zheng Wanyin placed the thermos bucket on the table and looked around. She lowered her voice and said, “Grandma, cousin and the others didn’t come?” ”

“According to Xie wanqiu, they should have seen Cen Shaoqing and Ye Zhuo this morning.”

“However, the ward was empty.”

“They wouldn’t really have to wait for three days, right?”

“There’s no rush.” Xie Wanqiu wasn’t flustered at all. “It’s only been a day.”

“Okay.” Zheng Wanyin opened the thermos bucket and filled a bowl of porridge for Xie wanqiu.

On the other side.

At the CEN residence.

“Early in the morning, Zhou Xiang arrived at Xie Wanqiu’s bedroom.”

“When she pushed the door open, there was no one inside.”

Xie Wanqiu did not come back last night.

It seemed that she had really made up her mind this time.

Zhou Xiang sighed. It was really worrying enough.

Old Mrs. Cen’s attitude was very firm. There was no way she would let ye Zhuo apologize to Xie wanqiu.

And Xie Wanqiu was also unwilling to come back.

The two of them could not remain in a stalemate like this forever.

“After some thought, Zhou Xiang made a call.”

“Very soon, the call was connected. ”

“Second aunt.”Zheng Wanyin’s voice came from the other side.

“Zhou Xiang looked at the side and said in a low voice, “Wanyin, where are you now? Are you still in the hospital?” ”

““Yes,”Zheng Wanyin said. ”

“Hearing Zheng Wanyin say that she was still in the hospital, Zhou Xiang felt a headache coming on. “Your grandmother is still angry?” ”

“Zheng Wanyin glanced at Xie wanqiu who was on the bed. As she walked out, she said in a low voice, “Not yet...” ”

“She walked out of the ward and closed the door. Only then did Zheng Wanyin dare to say in a normal voice, “Second aunt, you should know grandmother’s temper. I tried to persuade her last night, but she didn’t listen at all. I’m trying to think of a way...” ”

Chapter 1333: 277: Your Father is still your father! 4

“Zhou Xiang sighed. “Wanyin, your grandmother likes you the most. Please stay by your grandmother’s side and try to persuade her.” ”

““Yes, I know,”Zheng Wanyin continued, “Second aunt, even if you don’t say it, I will try to persuade grandmother.” ”

““Okay.”Zhou Xiang could not go to the hospital to see Xie wanqiu, so she could only place her hopes on Zheng Wanyin. “Then I’ll leave it to you, Wanyin.” ”

“From Zhou Xiang’s point of view, she did not want to make a big deal out of this. ”

“After all, they were family. ”

It would be best if they could make a big deal out of it and make a small issue out of it.

Was it not good to have a harmonious family?

They had to make things so tense!

“The crux of the problem now lay with Xie wanqiu. As long as Xie wanqiu came out of the hospital, there would not be any problems. ”

“When she was in the Zhou family, every time Xie Wanqiu had a conflict with Father Zhou, Father Zhou would lower his head and admit his mistake. ”

But Xie Wanqiu did not even look at this place!

This was the CEN family!

Old Madam Cen was not Father Zhou!

They were at each other’s throats.

“When she heard this, Zheng Wanyin said gently, “Second aunt, we are all family. This is what I should do.” ”

“Zhou Xiang continued, “Wanyin, then I’ll leave your grandmother in your care. If there’s a time, just give me a call.” ”

“Okay.”

“After hanging up, Zheng Wanyin put away her phone and walked into the ward. ”

“As soon as she walked in, Xie Wanqiu looked up at Zheng Wanyin and hit the nail on the head. “Zhou Xiang called?” ”

“Zheng Wanyin was stunned and asked in disbelief, “How, how did you know?” ”

“What can you hide from me?”Xie wanqiu knew Zhou Xiang’s personality better than anyone.

“At this moment, Zhou Xiang was probably scratching her ears and cheeks anxiously at home. She did not want to eat or drink, so she tried her best to get ye Zhuo to apologize to her. ”

Xie wanqiu was not blindly confident.

She knew that Zhou Xiang would definitely give in first.

“If Zhou Xiang did not give in, she would call Zheng Wanyin. ”

“Zheng Wanyin nodded. “It was indeed second aunt who called. She asked me to persuade you properly. Grandma, since second aunt has said so, let’s go back.” ”

“Go Back?”Xie wanqiu snorted. “Zhou Xiang wants me to go back just like that? No Way!”

“Zheng wanyin said awkwardly, “Grandma, are you really going to ask cousin-in-law to apologize to you?” ”

“Do I look like I’m Joking?”Xie wanqiu asked back.

“After that, Xie wanqiu continued, “Also, I’ll say it again. Don’t call cousin-in-law ye Zao in the future. She doesn’t have the right!” Besides, Cen Shaoqing was about to dump ye Zao! ”

“”Grandma, why do you have to be so calculative with a Junior?” ”

Xie wanqiu looked at Zheng Wanyin. “Do you think that everyone is you and doesn’t care about anything?”

Zheng Wanyin didn’t say anything.

Cen residence.

“After hanging up on Zheng Wanyin, Zhou Xiang went downstairs to eat. ”

“Old Mrs. Cen was sitting on the sofa with her legs crossed and reading the newspaper. “Xiangxiang, you’re up.” ”

“”Mom.” Zhou xiang smiled and said, “Why are you alone? Where’s Shaoqing?” ”

“Usually, at this time, Cen Shaoqing would sit at the dining table and eat. ”

“Today, he actually didn’t see Cen Shaoqing. ”

“”In the dessert room,” old Mrs. Cen said. ”

“Dessert Room?” Zhou Xiang asked.

“Old Mrs. Cen turned a page of the newspaper. “According to the housekeeper, he seems to be studying what is called Mu Xue’s dessert.” ”

Zhou Xiang immediately understood.

Ye Zhuo loved sweets as if his life depended on it.

It was easy to understand why CEN Shaoqing wanted to study desserts.

“Zhou Xiang continued, “Mom, do you think Shaoqing wants to personally make desserts for Zhuo Zhuo to eat?” ”

“Is there a need to ask?” Old Mrs. Cen smiled and said.

“”Make desserts?” Zhou Xiang narrowed his eyes. “Mom, why did Shaoqing suddenly think of making desserts for Zhuo Zhuo to eat?” ”

“”Do you need a reason for that?” Old Mrs. Cen continued, “Of course, it’s because of the couple’s relationship!” ”

“Although Cen Shaoqing looked cold, he was actually an infatuated person. ”

“To be precise, the CEN family were infatuated people. ”

They would do anything for the love of their lives.

“”Really?” Zhou Xiang did not think so. “Mom, when we were reading novels and idol dramas, when the difficult man proposed, where did he hide the proposal ring?” ”

Old Mrs. Cen reacted at this time. “You mean that the fifth girl is going to propose?”

“It’s very possible!” Zhou Xiang nodded, then, she said, “But it’s also strange. Isn’t burning still researching aircraft carriers? Why did Shaoqing suddenly decide to propose? Besides, burning said before that he would consider the wedding after graduation!” ”

Chapter 1334: 277: Your Father is still your father! 5

“At this point, Zhou Xiang covered her mouth and exclaimed, “Don’t tell me searing is pregnant!” ”

It was not unusual for a young man to be pregnant.

“Old Mrs. Cen jumped up from the sofa. “Ah! I’m going to be a great-grandmother!” Ever since Cen Shaoqing was twenty years old, she had been looking forward to being a grandmother for more than ten years. ”

“Unexpectedly, she finally saw hope today. ”

“Doesn’t that mean I’m going to be a grandmother?” Zhou Xiang was also very excited.

“Old Mrs. Cen nodded busily. “That’s right, that’s right! Both of us are going to Level Up!” ”

“After saying that., old Mrs. Cen continued, “No Wonder Shaoqing has been leaving early and returning late these days. Sometimes, he doesn’t even go home for a few days. Occasionally, he comes back, and he’s very tired. At first, I didn’t know what was going on, but it turns out that he’s tired from working hard day and Night!” ”

How could he not be tired from working hard?

“Thinking of this, old Mrs. Cen seemed to see her beautiful great-grandson and great-granddaughter waving at her. She didn’t even bother to put on her shoes and quickly ran in the direction of the dessert house. ”

She didn't look like an octogenarian who was in his eighties to nineties.

"Before Zhou Xiang could react, old Mrs. Cen had already disappeared from her sight. "

"Cen Shaoqing was standing beside the oven, looking at the time. "

"Old Mrs. Cen suddenly walked over and said kindly, "Shaoqing, are you making dessert?" "

"Yes."Cen Shaoqing nodded slightly.

"Old Mrs. Cen continued, "It's been hard on you during this period of time. This is the bird's nest that Grandma specially asked the kitchen to make for you. Take good care of it!" "

"Cen Shaoqing was not used to old Mrs. Cen's sudden concern. "Grandma, is something the matter?" "

Old Mrs. Cen still had a kind smile on her face. "It's nothing serious. I just wanted to show my concern for you."

"After that, old Mrs. Cen continued, "By the way, have you decided on the name of My Great-grandson?" "

Great-grandson?

Name?

"He could understand every word that old Mrs. Cen said, but why did he not understand it when they were put together? "

“When he saw that old Mrs. Cen was carrying bird’s nest over without even putting on her shoes, Cen Shaoqing had a complicated expression on his face.”

“It was said that when an old man reached a certain age, he would become muddle-headed.”

Could it be...

Old Mrs. Cen’s mind was starting to lose its clarity?

“Cen Shaoqing silently picked up his phone and sent a message to ye Zhuo. [leader, are there any early symptoms of Alzheimer’s?] ”

“Cen Shaoqing was tall, so old Mrs. Cen could not see the content on the phone screen. She anxiously patted Cen Shaoqing. “Brat, I’m asking you a question.” ”

““Please ask,”Cen Shaoqing said. ”

““Has my great-grandson’s name been chosen yet?”Old Mrs. Cen continued, “Although it’s a little early to name him, good things take time. It’s better to be prepared than not!” ”

“At this moment, ye Zhuo replied. ”

“Cen Shaoqing opened the message and saw the contents. He supported Old Mrs. Cen with his hands. “Grandma, please sit down first. Let me ask you a question. Your question will be discussed later.” ”

Old Mrs. Cen sat down. “You can ask.”

“Cen Shaoqing stretched out three slender fingers. “Grandma, what is This?” ”

““Six,”old Mrs. Cen said very seriously. ”

Cen Shaoqing's heart skipped a beat.

He couldn't even count properly!

"At this moment, Old Mrs. Cen stood up and slapped Cen Shaoqing on the head. "Brat! Do you think your grandma has dementia? She can't even recognize three and six! I think there must be something wrong with you." "

"Seeing Old Mrs. Cen like this, Cen Shaoqing heaved a sigh of relief. It was good that he was fine. "Then what Great-grandson do you want to name?" "

"Old Mrs. Cen bumped Cen Shaoqing's arm and said with a mischievous smile, "Brat, stop pretending! I already know!" "

"What do you know?"

"Old Mrs. Cen lowered her voice and said, "You and Yezi got on the car first and then bought the tickets! I really couldn't tell. You Brat, you're so dispirited. You didn't even tell me such a big happy event!" "

"Suddenly, Cen Shaoqing couldn't keep up with old Mrs. Cen's speed. "

"Old Mrs. Cen continued, "Bad Boy, let me tell you. Naming is a big event in life. You have to get well! You Can't be careless. It's best to listen to Yezi!" "

"This time, Cen Shaoqing finally understood what old Mrs. Cen meant. He raised his hand and touched his nose. "Grandma, you misunderstood. I haven't gotten on the car with Zhuozhu yet." "

Get into the car?

"After saying that, Cen Shaoqing felt that this adjective was a little strange. He didn't know what he had thought of, but his ears were slightly red. "

Didn't get into the car?

Chapter 1335: 277: Your Father or your father! 6

Old Mrs. Cen looked at Cen Shaoqing with a face full of question marks. "So you're saying that Yezi isn't pregnant at all?!"

"No, you're thinking too much." Cen Shaoqing's thin lips opened slightly.

Old Mrs. Cen's face was full of disappointment. Why wasn't she pregnant?

It seemed that Cen Shaoqing only wanted to make a dessert for ye Zhuo.

To think that she had imagined so much.

She had even thought of what clothes her future great-grandson and great-granddaughter would wear!

It was simply a waste of her imagination.

Old Mrs. Cen turned around and left.

"Even when she was about to leave, she did not forget to take away the bird's nest on the table."

"Seeing that old Mrs. Cen had returned with the bird's nest and the servant responsible for taking care of old Mrs. Cen, ah XI said, "Old Mrs. Cen, didn't you say that you wanted to nourish fifth master's body? Why did you bring it back again?""

“I didn’t even use all my strength to get down to business. What’s there to get up to!” Old madam CEN continued, “That damned brat has grown a body full of muscles for nothing.””

Business?

What was business?

“Although Ah Xi was quite curious, he did not ask further.”

On the other side.

“Seeing that Cen Shaoqing did not reply for a long time, Ye Zhuo made a call. “Cen Shaoqing.””

“Leader.” His deep voice sounded a little lazy.

“Ye Zao continued, “How is it? Is Grandma Okay?””

“Although old Madam Cen did not have any signs of Alzheimer’s disease, Ye Zao was still quite worried that Cen Shaoqing did not reply.”

“I’m fine. I was just making a big fuss over nothing.”

“It’s good that you’re fine.” Ye Zao turned on the computer with one hand. “How’s the research on that heart-shaped candy, Mu Xue?””

“It’s still not ready yet.” Cen Shaoqing looked at the dessert that was being baked in the oven.

It’s almost ready?

The pastry chef at the side was stunned when he heard this.

“You’ve already used more than ten kilograms of raw materials, and this is called almost ready?”

“Ye Zao naturally didn’t know about the situation here. He continued, “Call me when you’re done with your research.””

“Okay.”

“After hanging up the phone, ye Zao put his phone aside and continued to operate the computer.”

“The screen was filled with code that the layman could not understand. In a flash, the code was converted into the design of a huge space carrier.”

Ye Zhuo picked up the exclusive base communicator. “Cen Jiang.”

““Miss Ye, I’m here.” Soon, Cen Jiang’s voice came from the other end.”

“Ye Zhuo continued, “You guys have been working on Area C these past few days?””

““Yes,” Cen Jiang said.”

“Ye Zhuo clicked the mouse, and the computer screen immediately switched to the monitoring of the base. “Turn around and look to the right.””

Cen Jiang immediately turned around.

“Do you see the propeller on the left wing?”

“Yes.” Cen Jiang pressed the communicator. “Is there any problem with the propeller?”

“Ye Zhuo said, “If the quality is not up to standard, destroy the heavy equipment. Punish the Quality Inspection Department for a month’s salary. Submit a 3,000-word review report.””

An aircraft carrier was meant to fly in the sky.

“If there was a problem on land, it could still be fixed. But if there was a problem in the air, the consequences would be unimaginable.”

“Cen Jiang walked over and looked at the propeller. “Miss Ye, are you mistaken? There is no problem with the propeller.””

““Some problems can not be seen with the naked eye. You will know once you test it.”Ye Zao’s voice was a little cold, “At a height of more than 10,000 meters, anything can become a deadly weapon. Therefore, we can’t afford to be careless in our work!””

“Cen Jiang said, “Don’t worry, Miss Ye. I’ll bring it over for testing right away.””

“After cutting off the communication, Cen Jiang immediately got someone to remove the propeller and bring it to the Quality Inspection Department for inspection.”

“Seeing Cen Jiang come over, the head of the quality inspection department smiled and said, “Why is team leader Cen, a busy man, so free to come over today?””

Cen Jiang asked someone to carry the propeller up. “This needs a new quality inspection.”

“A new quality inspection?”The head of the quality inspection department immediately put away his joking expression. “Could there be a problem?”

““Miss Ye said that this propeller is unqualified, so she asked me to send it here for a new inspection.””

“The head of the quality inspection department looked at the quality inspection report on the propeller, then he said, “This Xiao Lu is in charge of the quality inspection. Xiao Lu is so careful, so there shouldn’t be any mistakes. Moreover, I can’t see what’s wrong with this propeller. Is Miss ye mistaken?””

“Cen Jiang continued, “Miss ye said that there are some problems that can’t be seen with the naked eye. Minister Wang, Take it and re-examine it.””

“Okay.” Minister Wang nodded. “Then follow me.”

The two of them walked into the quality inspection department.

“Xiaolu, who was in charge of the quality inspection, was checking the equipment. When he saw minister Wang coming over, he immediately greeted, “Minister Wang, group leader Cen.””

Chapter 1336: 277: Your Father or your father! 7

Minister Wang went straight to the point and told Xiao Lu about the matter.

Xiao Lu’s expression turned slightly ugly when she heard that.

Wasn’t saying that the propeller wasn’t up to standard questioning her working attitude?

“Xiao Lu didn’t want to join the aircraft carrier project team at that time, but there was no lack of people in other parts of the base, so she had no choice but to come here. ”

“After arriving here, she worked very seriously. She did not expect that not only did she not receive any praise, but it even made people question her working attitude, “Miss ye said it’s a problem that can’t be seen with the naked eye. Could it be that her eyes are machine-made and carry a scanner?”If it was really that powerful, why would they need the quality inspection department? ”

No wonder everyone said that the aircraft carrier project was a joke.

She saw that it was indeed so!

“Hearing that, minister Wang said angrily, “Xiao Lu, watch your attitude.” ”

Xiao Lu was a fresh graduate student. It was already hard enough for her to not find the right place to display her passion and ambition. It was even harder for her to be criticized!

“”Minister Wang, I can take anything, but I can’t stand being wronged.” ”

“Minister Wang continued, “Take the items to the quality inspection first. We’ll talk about other things later.” ”

“What if the items are found to be fine?”

“Cen Jiang stood up and said, “Then I’ll apologize to you personally.” ”

“Xiao Lu said, “There’s no need for an apology. I want to change my position.” ”

“”Sure.”Cen Jiang nodded and continued, “If there’s a problem after the inspection, you can hand in your resignation report yourself.” ”

There’s a problem?

There definitely won’t be a problem!

“Although Xiao Lu went to work emotionally, she was really serious about her work. ”

“The few of them placed the propellers on the quality inspection table, and the scanner scanned them one by one.”

A total of 20 seconds.

“Seeing that 15 seconds had passed and the alarm still hadn’t sounded, Xiao Lu continued, “I already said that it’s not my problem. Team leader Cen, do you still remember the promise you made just now?”

Di Di —

“It was as if they had cooperated well. As soon as he said that, the sound of an alarm sounded in the air.”

Cen Jiang’s voice was a little cold. “You call this not a problem?”

Xiao Lu’s face turned pale. “How could this be!”

“Cen Jiang turned to look at department leader Wang. “Old Wang, I’ll leave the rest to you.” ”

“After such a thing happened, old Wang couldn’t help but feel embarrassed. “Don’t worry, team leader Cen.” ”

Cen Jiang returned to the laboratory.

“Cen Hu immediately ran over and asked, “How was it? Did you go to the Quality Inspection Department?” ”

Cen Jiang nodded. “Miss Ye is really amazing! You could tell that there was something wrong even through the surveillance cameras! That Eye is like a scanner! It’s too poisonous.”

“At first, Cen Jiang was really afraid of causing a misunderstanding.”

He didn't expect that your father was still your father!

“Cen Hu said, “Of course. How can my goddess not be divine?” ”

Cen Jiang picked up his communicator and replied to Ye Zao.

...

“Early the next morning, ye Zao accompanied Ye Sen to the hospital for a follow-up check-up.”

“Ye Sen was recovering very well. “Zao Zao, there's no need to go through so much trouble. Didn't you already check my pulse?” ”

“Ye Zao smiled and said, “Let's go to the hospital. There are some problems that we need to do a CT scan to see more clearly.” ”

“Helpless, Ye Sen could only follow them to the hospital.”

Sunday.

The hospital was filled with people.

Zheng Wanyin had just walked into the hospital hall when she saw ye Zao and Ye Sen walking over. She frowned slightly.

Why was ye Zao Here?

Could it be that he was here to apologize to Xie Wanqiu?

Yes.

It must be.

Why else would ye Zao come to the hospital?

This was beyond her expectations.

She had thought that ye Zao was a man of integrity and courage. She did not expect that ye Zao was only so-so.

In order to marry Cen Shaoqing.

Ye Zao was really patient.

Zheng Wanyin quickened her steps so that she could avoid ye Zao. She jogged all the way to Xie Wanqiu's ward. Her tone was a little anxious. "Grandma."

"What's Wrong?" Xie wanqiu looked up.

"Zheng wanyin continued, "Grandma, cousin-in-law came to apologize to you." "

""See what I Said? It's only the second day and she can't hold it in anymore!" Xie wanqiu continued, "Go and stand guard outside the door and tell her that if she wants me to forgive her, she has to Kowtow to me three times First!" "

"Chapter 1337: 277: Xie Wanqiu's secret, stupid to the extreme"

Kowtow?

“Zheng Wanyin narrowed her eyes. “Grandma, isn’t this a little inappropriate?” ”

““What’s so inappropriate about it?”Xie wanqiu continued, “Since she wants to apologize and admit her mistake to me, she must show her sincerity!” ”

“If he did not make ye Zao kneel, Ye Zao would never know who his elder was. ”

“Zheng wanyin continued, “Since cousin-in-law has already come over to apologize to you, it means that she has an elder like you in her heart. Why Don’t we just forget about this matter!” ”

Forget about it?

““It’s impossible to just forget about it!”Xie wanqiu raised her head to look at Zheng Wanyin, “Yinyin, do you know why ye Zao caught you and bullied you? Because you’re easy to bully! Today, I must let ye Zao know that the older the wiser!” ”

“Quickly go and stand guard outside!”

Zheng Wanyin’s face was full of embarrassment.

“Xie wanqiu frowned and said, “Yinyin! Didn’t you hear me when I was talking to you?” ”

“Zheng Wanyin sighed. “I just feel that it’s not good. If cousin finds out, do you think he’ll be angry?” ”

““Angry? What’s there to be angry about!”Xie wanqiu said, “I’m his grandmother!” ”

Cen Shaoqing had no reason to be angry with her.

“In other words, would his eldest grandson be angry with his grandmother? ”

“Besides, Cen Shaoqing was so filial. ”

Would Cen Shaoqing be angry with his grandmother because of a little girl?

“If Cen Shaoqing was really angry, he would not have asked ye Zhuo to come and apologize to her. ”

Ye Zhuo coming to apologize to her meant that Cen Shaoqing respected her as a grandmother.

He treated her as a grandmother more important than the heavens!

Zheng Wanyin still did not want to go.

“Xie wanqiu continued, “Hurry up and Go! What are you still standing there for! Do you want me to be angry?”Zheng Wanyin was so kind-hearted that Xie Wanqiu was worried that after she died, what would happen if those people bullied Zheng Wanyin? ”

Zhou Xiang was not Zheng Wanyin’s biological second aunt. It was impossible to count on Zhou Xiang.

Therefore.

They had to find a good husband for Zheng Wanyin.

This good husband naturally had to be from the CEN family.

The Cen family was the number one family in China.

“Zheng Wanyin was also so outstanding. Other than the CEN family, no one was worthy of Zheng Wanyin!”

“Once the old woman from the Cen family died, the Cen family would belong to her.”

“Zheng wanyin continued, “Then what if cousin-in-law gets angry?” ”

“Then get her out of Here! Get as far away from here as possible!”Xie wanqiu said.

“As long as ye Zao dared to get out of here, she would immediately get Cen Shaoqing to dump ye Zao.”

“At that time, Zheng Wanyin would be able to officially take over.”

Bang Bang Bang —

“At this moment, there was a knock on the door.”

It must be ye Zao.

““Yinyin, go quickly.”Xie wanqiu pushed Zheng Wanyin. “Do as I say!” ”

Zheng Wanyin walked forward with some difficulty.

“Seeing Zheng Wanyin like this, Xie wanqiu immediately got up from the bed. “I’ll do it myself!”Zheng Wanyin was too kind-hearted. She definitely couldn’t bear to let ye Zao Kowtow.”

Xie wanqiu walked in front of Zheng Wanyin.

Kowtow.

Would Ye Zhuo Kowtow?

“In order to marry Cen Shaoqing, ye Zhuo could even endure humiliation and apologize.”

“Although kowtowing hurt her dignity, ye Zhuo should kowtow, right?”

“Thinking of the image of Ye Zhuo kowtowing to her, Zheng Wanyin could not tell what emotions she had in her heart.”

Ye Zhuo deserved this.

“If ye Zhuo had not deliberately given her a low score, it would not have been ye Zhuo’s turn to kowtow to her.”

“If it were not for ye Zao, she would have successfully gotten 3A and been promoted to the ABA management team.”

“However, not only had she been removed from the ABA Team, she had also been blacklisted. Not only her, even her future children would not be able to join the ABA Team.”

Not to mention kowtowing.

“Even if ye Zao sacrificed his life, it would not be an exaggeration.”

Zheng Wanyin reached out to grab the door handle and pulled it open.

Xie wanqiu stood in front of the door and blocked it. “You want me to forgive you? Show me some sincerity and kowtow three times!”

Kowtow?

Three times?

“The nurses who were doing their routine checks were stunned. They took a step back and looked at the ward number. After confirming that there was nothing wrong with the ward number, they asked, “Are... Are You Alright?” ”

Didn't they say that there was nothing wrong with the patient in this ward?

Why did she feel like her brain was not working properly?

Who would say something like kowtowing three times?

Only then did Xie wanqiu look up. What she saw was not ye Zhuo's figure.

It was a nurse dressed in white.

Xie Wanqiu's expression changed and she felt a little awkward.

“Zheng Wanyin also reacted at this moment. She smiled and said, “Miss Nurse, I'm sorry. My grandmother was not talking to you just now.” ”

“The nurse smiled and said, “It's alright. Let's go in and take your blood pressure.” ”

Chapter 1338: 277: Xie Wanqiu's secret. Stupid to the extreme

“Okay.”Zheng Wanyin supported Xie wanqiu as they walked inside.

The nurse took Xie Wanqiu's blood pressure.

"After taking the blood pressure, the nurse continued, "Her blood pressure is very normal. You can be discharged from the hospital at any time now.""

"Xie Wanqiu was very healthy, but such a healthy person actually stayed in the hospital for one or two days."

"Now was the time when the beds were tight, but Xie Wanqiu did not leave. She insisted that she was not feeling well, and the hospital could not chase her away."

The nurse could only give her a gentle reminder.

"Zheng wanyin said, "By the way, Miss Nurse, my grandmother's appetite is not very good right now. May I ask if there is a problem?""

"The nurse continued, "Let me get you some stomach-strengthening and digestive pills. Try some first.""

"Zheng wanyin smiled and said, "Thank you.""

"You're welcome."

"Even after the nurse left the ward, ye Zao did not come."

"Xie wanqiu looked up at Zheng Wanyin. "Yinyin, did you really see ye Zao Just Now?""

Zheng Wanyin nodded. "I'm sure I saw my cousin-in-law."

"Then why isn't she here yet?" Xie wanqiu asked.

“Logically speaking, ye Zao should have arrived by now.”

“But it had already been more than ten minutes, and she did not even see ye Zao’s shadow. Damn”

Zheng Wanyin thought for a moment. “I’m not too sure either.”

“After saying that, Zheng wanyin continued, “Let’s Wait a little longer. Perhaps cousin-in-law will be here soon.””

Zheng Wanyin could not be mistaken.

Why would ye Zao appear at the hospital for no reason?

“Of course, it was to apologize to Xie wanqiu.”

But was it that easy to apologize?

“Even if ye Zao had made up his mind, he probably wouldn’t be able to convince himself for a while.”

“However, since ye Zao was already here.”

He wouldn’t do something useless.

Hearing this.

Xie Wanqiu’s expression was very ugly.

Wait?

Ye Zao actually dared to make her wait!

Who Was She?

Cen Shaoqing's grandmother.

Did Ye Zao still have an elder like her in his heart.

Xie wanqiu originally thought that ye Zao would only have to kowtow three times.

But now!

It was no longer a matter of kowtowing three times.

She had to let ye Zao know how powerful she was!

"Otherwise, ye Zao would never know that he cared about her."

"Zheng wanyin continued, "Grandmother, why don't we just forget about it? Cousin-in-law has already come to the hospital, which means that she has already realized her mistake. Why do you have to be so calculative with a Junior?"

"How many times have I told you not to call her cousin-in-law! She's just a little slut!"

Zheng Wanyin lowered her head.

Xie wanqiu sighed.

“It was unknown who this child, Zheng Wanyin, had taken after. She was so kind-hearted. Fortunately, she had her grandma to prepare for a rainy day. Otherwise, Zheng Wanyin would have been bullied to death.”

“In the blink of an eye, another ten minutes passed.”

But there was still no movement from ye Zhuo.

What was going on?

“Seeing that Xie Wanqiu’s expression was getting uglier and uglier, Zheng wanyin continued, “Grandma, I’ll go out and take a look.””

Xie wanqiu nodded.

“Seeing that Zheng Wanyin was about to walk out of the door, Xie wanqiu continued, “Yinyin, wait a moment.””

“”What’s wrong, Grandma?”Zheng Wanyin turned to look at Xie wanqiu.”

“Xie wanqiu continued, “Don’t look for that little b * Tch Ye Zhuo.””

“Okay.”Zheng Wanyin nodded. “I’m just going out to take a look.”

“Xie wanqiu continued, “Go ahead.””

Zheng Wanyin arrived at the lobby on the first floor.

“Coincidentally, just as Zheng Wanyin arrived at the lobby on the first floor, she saw ye Zhuo walking out of the elevator.”

There was a middle-aged man beside her.

The two of them talked as they walked.

“As they were too far away, Zheng Wanyin could not hear anything. However, based on Ye Zhuo’s mouth movements, she could roughly guess that ye Zhuo was calling that man uncle.”

Ye Zhuo’s uncle was here too?

Zheng Wanyin narrowed her eyes and walked behind the two of them without leaving a trace. Only then did she hear their conversation.

“Ye Sen smiled and said, “I already said that there was no problem. You insisted on me coming over for a check-up. Now You can rest assured! How can I not be clear about my own body?””

“Ye Zhuo held the report in his hand. “No matter what, it’s better to have a recheck and rest assured.””

“”Uncle.”At this moment, a tall figure walked in front of them. Against the light, it was difficult to see his facial features clearly, but looking at his figure, Zheng Wanyin recognized him at a glance. It was Cen Shaoqing.”

Why was Cen Shaoqing Here?

Could it be that he had come with Ye Zhuo and the others to admit his mistake.

“Shaoqing.”Ye Sen looked up. “Why are you here?”

“Cen Shaoqing held the Buddha beads in his left hand. “I heard that you were in the hospital for a re-examination, so I came over to take a look. How was the re-examination?””

Chapter 1339: 277: Xie Wanqiu's secret. Stupid to the extreme

“It's been checked. There's nothing wrong,”Ye Sen said. ”

“That's good.”

Zheng Wanyin was stunned when she heard this.

Wasn't Cen Shaoqing here to visit Xie Wanqiu?

So they had overestimated themselves.

“Seeing Cen Shaoqing like this, he didn't seem to know that Xie Wanqiu was sick and was hospitalized. ”

Could it be...

Zhou Xiang did not tell him?

“Thinking of this, Zheng Wanyin quickly returned to the ward. ”

“Grandma.”

“Why are you back so soon?”Xie wanqiu put down her phone and turned the screen back on.

“Zheng wanyin said, “Grandma, Guess Who I saw outside just now?” ”

“Who?”Xie wanqiu said, “Could it be ye Zhuo?” ”

“Other than ye Zao, Xie Wanqiu couldn’t think of anyone else.”

“At this moment, Xie Wanqiu’s phone rang with a video call.”

Xie wanqiu acted as if she didn’t hear it.

“Zheng wanyin reminded, “Grandma, your phone rang.” ”

“Xie wanqiu said, “Don’t worry about it. Continue.” ”

“Zheng wanyin nodded and continued, “I did see ye Zao downstairs just now. However, you were only half right.” ”

“What do you mean?”Xie wanqiu asked.

“After saying that, Xie Wanqiu’s phone continued to ring.”

“”Grandma, aren’t you going to see who it is?”Zheng wanyin continued, “It might be something urgent.” ”

“Hearing that, Xie Wanqiu picked up her phone, but she did not press the call button. Instead, she switched to voice chat. “Hello.” ”

“It was unknown what was said on the other end, but Xie wanqiu continued, “It’s not convenient for me right now. I’ll talk to you later.” ”

“Then, she ended the call.”

“Seeing that Xie Wanqiu had ended the call, Zheng WANQIU continued, “Other than ye Zhuo, I also saw my cousin.” ”

Cen Shaoqing?

Xie wanqiu was a little surprised. “Really? Shaoqing is here too?”

Zheng wanqiu nodded. “Really!”

Xie wanqiu was not surprised that ye Zhuo had come to apologize to her.

“After all, if ye Zhuo wanted to marry Cen Shaoqing, he had to get the approval of his grandmother. ”

“However, Cen Shaoqing had actually come along too. This was beyond her expectations. ”

Cen Shaoqing had a cold personality and rarely interfered in these matters.

She had not expected that Cen Shaoqing would actually come along with Ye Zhuo to admit his mistake.

One could imagine how important her grandmother was in Cen Shaoqing’s heart!

“Thinking of this, Xie Wanqiu was especially excited. She continued, “Where are they now?” ”

“Zheng wanyin continued, “They’re at the hospital’s main hall.” ”

“They were already at the hospital’s main hall, which meant that they were about to arrive. ”

“Xie wanqiu hurriedly laid on the bed and instructed Zheng wanyin, “Yinyin, if your cousin arrives in a while, tell your cousin that I’ve been in a coma and haven’t woken up yet!” ”

She had to let Cen Shaoqing see how serious she was.

“Cen Shaoqing was so filial. When he saw that she was still unconscious, he would definitely dump ye Zao on the spot.”

“When she thought of that scene, Xie Wanqiu felt very happy.”

Who Did ye Zao think he was!

Someone like her wanted to marry Cen Shaoqing?

It was simply ridiculous.

She did not even consider her own weight.

“When she heard that, Zheng Wanyin’s expression was a little awkward. “Grandma, actually, there’s one more thing.” ”

“What is it?”Xie wanqiu asked.

“Zheng wanyin continued, “I told you not to be angry.” ”

“Xie wanqiu nodded. “Yes, I’m not angry.”Cen Shaoqing had already brought ye Zhuo over to apologize personally. What was there to be angry about?”

There was absolutely no need for that.

“Zheng Wanyin was mulling over her words in her heart as she continued, “Cousin, cousin...” ”

“What’s wrong with your cousin?” Seeing Zheng Wanyin like this, Xie Wanqiu was extremely anxious. “You’re not stuttering! Why Can’t you even speak!” ”

“Zheng Wanyin said in one go, “I don’t think cousin is here to see you. Besides, cousin, Ye Zhuo isn’t here to apologize to you. Grandma, we might have misunderstood.” ”

Not here to apologize to her?

How could that be!

“Then why are your cousin and the others at the hospital?” Xie wanqiu asked.

“Zheng wanyin continued, “I saw that ye Zhuo’s uncle is here as well. He seems to be here for a checkup, so...” ”

“So, Cen Shaoqing was here to see Uncle Ye Zhuo? ”

Impossible!

Xie Wanqiu did not believe it.

Who Was Ye Zhuo’s uncle?

She was Cen Shaoqing’s maternal grandmother.

“Compared to her own maternal grandmother, what was a distant uncle? ”

“Zheng wanyin continued, “But Grandma, don’t be angry. From the way cousin looks, he doesn’t seem to know that you’re in the hospital. If he knew, he would definitely come to see you.” ”

“Chapter 1340: 277: Xie Wanqiu’s secret, stupid to the extreme 4”

Didn’t know?

How could Cen Shaoqing not know?

Unless Zhou Xiang didn’t tell him!

Zhou Xiang was a fool who couldn’t do anything but ruin everything!

Xie wanqiu wished she could slap Zhou Xiang to death right now.

““I’ll go down and tell cousin about this now,”Zheng Wanyin continued. ”

““Wait a minute,”Xie wanqiu called out to Zheng Wanyin’s back. ”

““Grandma, is there anything else?”Zheng Wanyin turned around. ”

“Don’t make it sound so deliberate.”

Zheng Wanyin nodded. “I know.”

Zheng Wanyin came downstairs. She wanted to have a chance encounter with Cen Shaoqing and then inadvertently tell Cen Shaoqing about Xie Wanqiu’s hospitalization.

Who knew that she could not find Cen Shaoqing even after searching the entire hospital lobby.

Could he have gone back already?

Zheng Wanyin frowned.

“Wanyin.” At this moment, a familiar voice sounded in the air. ”

Zheng Wanyin turned around and saw that it was Zhou Xiang.

“Second aunt.”

“When she saw Zhou Xiang, the corners of Zheng Wanyin’s mouth curled up into a smile. ”

“Zhou Xiang walked forward. “Wanyin, how’s Your Grandmother’s condition now?” ”

“Xie wanqiu had been staying in the hospital all this while, and Zhou Xiang was really anxious. Otherwise, she wouldn’t have secretly come to the hospital to see Xie wanqiu behind old Madam Cen’s back. ”

Only peace and harmony could bring prosperity to everything.

“As long as the two elders were fine, it wouldn’t be a big deal for her to suffer a little. ”

“Zheng Wanyin shook her head. “It’s still the same. Moreover, grandmother’s appetite has been very bad recently!” ”

“The two of them talked as they walked. In a short while, they arrived at Xie Wanqiu’s ward. ”

“Xie wanqiu used to stay in a normal ward. The normal ward was fine during the day, but at night, all kinds of snoring could be heard. She couldn’t sleep well at all, so Xie Wanqiu transferred to the VIP Ward. ”

“Zheng Wanyin lowered her voice and said, “Grandma has been waiting for cousin-in-law to come over and admit her mistake, but there has been no news from cousin-in-law, so Grandma is in a bad mood. If she says something unpleasant later, second aunt, please bear with her.” ”

“Okay.” Zhou Xiang nodded. “I know. She’s my mother. Can I still be calculative with her?”

Zhou Xiang was never a calculative person.

“That’s good.”

“After saying that, Zheng Wanyin pushed the door open. “Grandma, Look Who’s here to see you.” ”

“Hearing the commotion outside, Xie wanqiu immediately turned off her phone and looked outside. ”

“When she looked outside, she saw Zhou Xiang. ”

Xie wanqiu immediately lay on her side with her back facing Zhou Xiang. Her tone was very unpleasant.
“Why are you here?”

“Zhou Xiang said, “I came to see you. Are You Alright?” ”

““Don’t worry, I Won’t die,” Xie wanqiu continued, “Besides, don’t You Wish For me to die earlier?” ”

“Although Zhou Xiang disliked Xie wanqiu, he did not curse her to die. ”

“No matter what, Xie Wanqiu was still her stepmother. ”

Wasn’t there an old saying?

All parents are alike!

She could only blame her bad luck for having a stepmother like Xie wanqiu.

“Moreover, she was already married. No matter how much trouble Xie Wanqiu had, she would not be able to do it for a few days in a year.”

“Hearing that, Zhou Xiang immediately explained, “Mom, what are you saying? Why would I want you to die!” ”

Xie wanqiu snorted coldly. “Stop pretending. Don’t you know who you are?”

“”Mom, I really don’t!” ”

Xie Wanqiu did not say anything else.

“Zheng Wanyin said from the side, “Grandma, don’t be angry. Actually, second aunt really cares about you. On the way to the ward just now, she has been concerned about your health.” ”

“Xie wanqiu said sarcastically, “Concerned! Of course I have to be concerned. If she doesn’t care about me, how would she know when I’m going to die! Knowing that my life is not in danger for the time being, she’s extremely disappointed!” ”

“”Mom, I really haven’t thought about it that way.”Zhou Xiang continued, “I’m here to pick you up. The hospital is too noisy. How can it be more comfortable than staying at home? You should come back with me.” ”

Pick her up?

Zhou Xiang was really daydreaming.

“Xie wanqiu said, “Have you forgotten what I Told You?” ”

“Zhou Xiang said with a troubled expression, “Mom, Zhuoluo is very busy every day. Moreover, she knows that she’s wrong. Why Don’t you let me apologize to you on her behalf? Don’t bother with her!”After such a thing happened.., zhou Xiang could only hide it from both sides and apologize on behalf of Ye Zhuoluo. ”

“She knew Xie Wanqiu too well. If she didn’t give Xie wanqiu a way out, Xie wanqiu would really go on and on. ”

As long as Xie wanqiu calmed down.
