

## Almighty D 1341

“Chapter 1341: 277: Xie Wanqiu’s secret, stupid to the extreme”

““You apologize on her behalf? What right do you have to apologize on her behalf?”Xie wanqiu got up from the bed, pointed at Zhou Xiang’s nose and scolded, “Get lost, get lost right now! I don’t want to see you!” ”

“Mom!”

“Xie wanqiu continued, “I’ll put my words here for you today. As long as ye Zao doesn’t come to apologize to me, I Won’t go back for a day!” ”

““Why do you have to be like this!”Zhou Xiang continued, “I’m Zao Zao’s future mother-in-law. There’s no difference between me and Zao Zao. Is there any difference between me apologizing to you and Zao Zao apologizing to you? Isn’t that what you want? An Apology?” ”

“Hearing this, Xie Wanqiu became even angrier! ”

Zhou Xiang’s words clearly implied that he had already treated ye Zao as the Cen family’s daughter-in-law.

No Wonder ye Zao dared to be so arrogant.

“Xie wanqiu said angrily, “Future mother-in-law? Ye Zao wants to marry my eldest grandson. Did I agree to it? Zhou Xiang! I realize that you’re really getting bolder and bolder now. You Dare to make decisions on your own! Do you still take me, your mother, seriously? !” ”

Zhou Xiang also felt a little uncomfortable listening to these words.

Ye Zhuo was the Cen family’s granddaughter-in-law.

What did the Cen family's marriage have to do with Xie Wanqiu?

"Although Zhou Xiang thought so in her heart, she did not dare to say it out loud."

"With Xie Wanqiu's personality, if she said what she thought, Xie wanqiu would probably die of anger!"

"Zhou Xiang said, "Mom, you've Misunderstood Zhuozao. Zhuozao is really a very good and outstanding girl. Not only me, Shaoqing's grandmother also likes her very much." "

Cen Shaoqing's grandmother?

Bai Tang?

Zhou Xiang was reminding her that her grandmother was not as good as Bai Tang?

Grandmother and grandmother were of the same generation.

"From a certain perspective, grandmother was many times closer than grandmother."

Cen Shaoqing's marriage should have been approved by her grandmother.

Zhou Xiang only dared to treat her this way because she was too easy to talk to.

Xie wanqiu picked up the vase on the bedside table and threw it out.

Bang!

The vase was smashed into pieces.

“Zhou Xiang did not expect Xie wanqiu to suddenly make trouble. She was so scared that her face turned pale, ”

zheng Wanyin’s gaze shifted between Zhou Xiang and Xie wanqiu.

“Xie wanqiu continued, “Get lost! I don’t have a daughter like you!” ”

“Zhou Xiang did not want to leave. She was here to persuade Xie wanqiu to go back today, not to escalate the conflict. “Mom...” ”

“Zheng Wanyin walked over and pulled Zhou Xiang’s arm as they walked out. “Second aunt, Grandma is currently in a fit of anger. Let’s leave quickly.” ”

Zhou Xiang looked at Xie Wanqiu and could only follow Zheng Wanyin out.

Outside the ward.

“Zheng Wanyin took the initiative to speak up. “Second aunt, Grandma is old. Many times, she doesn’t consider things as comprehensively as a young person. I apologize on her behalf. Please don’t take it to heart.” ”

Zhou Xiang nodded. “I know.”

“After saying that, Zhou Xiang continued, “Wanyin, I know that you are a sensible and good child. Your Grandma listens to you the most. So, second aunt wants to ask you for something.” ”

““If there’s anything, second aunt, you can just say it. You Don’t have to be polite with me,”Zheng Wanyin said. ”

Zhou Xiang held Zheng Wanyin’s hand. “Do you have any way to persuade your grandma to go back to her hometown?”

“Xie wanqiu had been staying in the capital all this while, so she could not calm down.”

Persuade her to go back to her hometown?

Zheng Wanyin frowned without leaving a trace.

What did Zhou Xiang mean by this?

Did she dislike Xie Wanqiu for staying in the capital for too long?

“She did not dare to speak to Xie wanqiu herself, so she used her as a weapon?”

This plan was really good.

Did she really think that she was the only smart person in the world?

“Zheng Wanyin raised her head slightly and continued, “Second aunt, even if you didn’t tell me, I knew what to do. To tell you the truth, I’ve been trying to persuade Grandma to go back since last night, but Grandma didn’t listen to me...” ”

“Hearing this, Zhou Xiang sighed. ”

Was she really going to make ye Zhuo apologize?

“Then what should we do?”

“After thinking for a while, Zheng wanyin said, “I have a way to reduce Grandma’s anger. Second aunt, do you want to try?” ”

“What Way?” Zhou Xiang looked at Zheng Wanyin hopefully.

“Zheng wanyin continued, “You know that Grandma likes cousin the most. If cousin comes to visit Grandma, Grandma will definitely be appeased.” ”

Ask Cen Shaoqing to come over?

“Hearing this, Zhou Xiang frowned slightly. ”

Would Cen Shaoqing come over?

“As a mother, Zhou Xiang knew Cen Shaoqing somewhat. ”

Cen Shaoqing did not really like Xie Wanqiu as a grandmother.

“Chapter 1342: 277: Xie Wanqiu’s secret, stupid to the extreme”

“Otherwise, he wouldn’t have ignored Xie Wanqiu’s sudden disappearance from the Cen family. ”

“But now, there was no other way except to ask Cen Shaoqing to come over. ”

Zhou Xiang nodded. “Then I’ll go back and tell your cousin about this.”

A glimmer flashed across Zheng Wanyin’s eyes.

It was just as she thought.

Zhou Xiang did not tell Cen Shaoqing about Xie wanqiu's illness and hospitalization.

No wonder Cen Shaoqing looked so relaxed. He was still chatting and laughing with Ye Zhuo.

"Zheng wanyin said, "Second aunt, I'll wait for Your Good News." "

"Okay."

After leaving the hospital.

Zhou Xiang gave Cen Shaoqing a call.

"Shaoqing."

"Mom." Cen Shaoqing's voice came from the other end of the screen.

"Zhou Xiang was mulling over the words in her heart. "Shaoqing, your grandmother is sick and is in the hospital. Can you go and see her?" "

Sick?

Xie Wanqiu?

"Cen Shaoqing's eyes were dark and heavy. "She must be faking it. Mom, you don't have to worry about her." "

"Zhou Xiang did not dare to tell Cen Shaoqing the actual situation. If Cen Shaoqing knew that Xie Wanqiu actually asked ye Zhuo to apologize to her, even Zhou Xiang did not dare to imagine the consequences. "

She did not want Cen Shaoqing to bear the name of being unfilial.

“No matter what, Xie Wanqiu was Cen Shaoqing’s grandmother.”

They were still relatives.

“If word got out, it would not be pleasant to hear.”

“Zhou xiang continued, “I don’t think she’s faking it. Shaoqing, why don’t you go and take a look? She’s been in the hospital for a few days...” ”

““Cold treatment.”Cen Shaoqing’s tone was indifferent. “When she realizes that no one is paying attention to her, she’ll naturally feel that it’s meaningless.” ”

“The more Xie wanqiu paid attention to her, the more enthusiastic she became.”

“If she was given a ladder, she would be able to climb up the ladder to the sky.”

The best way to solve the problem was to pretend that she wasn’t there.

““Shaoqing...”Zhou Xiang said, “She’s your grandmother after all. Isn’t it a little bad for you to do this?” ”

“Mom.”Cen Shaoqing twirled the Buddhist beads. “Grandma has passed away for more than 50 years.”

“Zhou Xiang sighed. “Shaoqing, even if I beg you, can you do it? In all these years, I have never begged you for anything!” ”

“As long as Cen Shaoqing went over, the problem would be solved. Zhou Xiang still hoped that Cen Shaoqing could go over.”

“Cen Shaoqing frowned slightly. “Mom, Xie Wanqiu is not worthy of you treating her like this. She is even less worthy of being an elder.” ”

“Zhou Xiang sighed, “Shaoqing, how can I not know who your grandmother is? But what can we do when we have to deal with such an elder? She’s already over 70 years old this year. How many more years can she go through? Can you just do me a Favor?” ”

Everything was fate. It was not up to anyone.

“My grandmother has passed away for more than 50 years.”

“After saying that, Cen Shaoqing hung up the phone. ”

“Looking at the phone that was hung up, Zhou Xiang frowned. ”

Cen Shaoqing was not willing to visit Xie wanqiu...

What should he do?

The old and the young were too stubborn.

“However, CEN Shaoqing could not be blamed for this. ”

“When Cen Shaoqing was young, Xie Wanqiu’s grandmother did not do things well. ”

On the other side.

In the ward.

“Zheng Wanyin poured a glass of water for Xie wanqiu. “Grandma, Please Calm Down. Second aunt didn’t do it on purpose. She just told me outside that she would ask cousin to come and see you immediately.” ”

“”Did she ask Shaoqing to come and see me, or did you remind her to ask Shaoqing to come and see me?” ”

Zheng Wanyin lowered her head and did not say anything.

“Xie wanqiu sneered. “I guessed it! Zhou Xiang, that B \* tch, she has never taken me, her mother, to Heart!” ”

“”Actually, second aunt is very filial to you,”Zheng Wanyin said. ”

“At that moment, there was a knock on the door. ”

Could it be that Cen Shaoqing was here?

So Fast?

“However, it was normal. Cen Shaoqing was already near the hospital, so he came quickly. ”

“Xie wanqiu quickly laid on the bed and pretended to be very weak. “Yinyin, go and open the door.” ”

“Okay.”Zheng Wanyin turned around to open the door.

“Before opening the door, Zheng Wanyin took a deep breath and put on a decent smile. She reached out to open the door. ”

“The moment the door was opened, she saw an old man in his sixties or seventies standing outside. His hair was a little white. ”

Zheng Wanyin was stunned and her smile froze. "May I ask who you are?"

"The old man took a step forward. "You must be yinyin! I'm from your grandmother's hometown. My surname is Wu. You Can Call Me Grandpa Wu. I heard that your grandmother is not feeling well, so I specially came to see her." "

"Zheng wanyin said politely, "Hello, Grandpa Wu. My Grandma is inside. Please follow me in." "

Wu Youyu followed Zheng Wanyin's footsteps.

"Xie wanqiu heard that something was wrong with the voice inside. She even thought that she was hearing things. When Zheng Wanyin's voice sounded again in the ward, "Grandma, Grandpa Wu is here." "

Grandpa Wu?

Xie Wanqiu was stunned.

She wasn't dreaming!

"Xie wanqiu immediately sat up from the bed and looked up. As expected, she saw Wu Youyu. Her face was full of shock. "

""Wanqiu."Wu youyu smiled and said, "Don't you recognize me? I'm Wu Youyu! Last night, we even talked on the phone!" "

""Brother, Brother Youyu, why are you here?" "

"Wu youyu said, "I just happened to be in the capital on some business, so I came by to see you! Are You Alright?" "

Xie wanqiu shook her head. "It's nothing serious. You Don't have to worry."

"Wu youyu said, "It's good that you're alright. We're already so old, we can't withstand the torment!" "

Zheng Wanyin brought over a glass of water. "Have some water."

"Wu Youyu took the water with both hands. "Thank you, Lass." "

""Grandpa Wu, you're too polite." "

"Wu Youyu turned to look at Xie wanqiu and continued, "Wanqiu, this lass is exactly the same as when you were young." "

Xie wanqiu nodded. "That's right."

"After saying that, Xie wanqiu turned to look at Zheng Wanyin and continued, "Yinyin, I suddenly feel like eating the Su's oil tea fruit that you bought for me last time. Can You Go and buy me a Portion?" "

"Sure."Zheng Wanyin nodded. "I'll go right now."

"Xie wanqiu continued, "Remember, it has to be from Su's." "

""Okay, got it." "

"Su's oil tea fruit business was particularly popular. Every time, they had to queue for 20 to 30 minutes before they could buy it."

"Since Xie Wanqiu wanted to eat it, Zheng Wanyin could only go and buy it. "

Bang —

The door was closed.

“Wu Youyu turned back to look at the closed door. After making sure that Zheng Wanyin had gone far away, he held Xie Wanqiu’s hand and said in a low voice, “WANQIU, you have no idea how much I’ve missed you these past few days.” ”

Xie wanqiu pulled her hand back in exasperation. “You’re too bold! It’s daytime!”

“After so many years, they had always met at night. ”

“It was daytime. When she first saw Wu Youyu, Xie Wanqiu thought that she was hallucinating. ”

She was almost scared out of her wits.

“Wu youyu smiled and said, “Don’t tell me that Zhou can extend his hand to the capital city! You’re good at everything, but you’re too timid.” ”

Xie wanqiu rolled her eyes at him.

Wu Youyu grabbed Xie wanqiu’s hand and kissed it against his face. “It’s been so many days. Don’t You Miss Me?”

“Xie wanqiu continued, “You should leave before yinyin comes back!” ”

““Since I’m here, I’m not afraid that Yinyin will see me,”wu youyu continued, “Besides, we’ve been together for so many years. Didn’t that Idiot Zhou also discover nothing?” ”

Xie wanqiu was very supportive of calling Father Zhou an idiot.

“She had been together with Wu Youyu for more than thirty years. During this period, she had transferred more than half of the Zhou family’s assets to Wu Youyu. Father Zhou had never doubted it. ”

“Sometimes, even she herself felt that there were many flaws, but Father Zhou did not notice it at all. ”

“Chapter 1343: 278: Zhou Xiang then got tough and angrily rebuked Xie wanqiu, cutting off the relationship! 1”

“So, if Father Zhou wasn’t an idiot, then what was? ”

“Father Zhou himself was an idiot, and the daughter he gave birth to was also an idiot! ”

Disgusting Idiot.

“Xie wanqiu had been married to the Zhou family for more than 30 years, so she wasn’t very good to a pair of siblings in the Zhou family. In order to establish the rules, when the two siblings were 15 or 16 years old, she even whipped them, but Zhou Xiang still had to call her mother! ”

However.

“Zhou Xiang’s younger brother, Zhou Jinbei, was not quite the same as Zhou Xiang. He left his hometown when he was a minor and went out to work. ”

“After he went out, Zhou Jinbei lost contact with his family. ”

“From then on, there was no news of him. ”

It was not until 10 years later that Father Zhou sent someone to find him.

At that time.

“Zhou Jinbei was already a famous local rich businessman, and he was already married and had children.”

“Over the years, although Zhou Jinbei kept in touch with his father, their relationship was not as close as that of an ordinary family.”

“After all, there was a gap.”

“Her father was coaxed by her to the point where he could not differentiate north from south, east, west, and north. Every year, he would ask Zhou Jinbei for a high maintenance fee.”

“If Zhou Jinbei did not give it to him, his father would go to the television station and the local newspaper to make the matter of Zhou Jinbei not supporting the elderly known to everyone.”

“Zhou Jinbei had once moved the top five people in China. If a scandal were to break out, it would have a serious impact on him.”

“Helpless, Zhou Jinbei had no choice but to admit defeat.”

“The money that Zhou Jinbei had asked for had all been handed over to Xie wanqiu to keep. Xie wanqiu, on the other hand, had given most of the money to her lover, Wu Youyu.”

“All these years, year after year, day after day, not to mention doubting, Zhou Jinbei’s father did not even ask a single question.”

“Thinking of this, Xie Wanqiu let out a sigh of relief.”

An idiot.

“He was afraid that if Wu Youyu ran to his side and called him brother, he would not think of anything.”

“However, Xie Wanqiu had always been a cautious person. She raised her head and looked at Wu Youyu. “Although that’s what you said, it’s better to be careful than to be careless.” She had been with Wu Youyu for so many years, and she could not let things slip at a critical moment, she couldn’t let others catch her.”

“Father Zhou might be a little stupid, but if he knew about the matter between her and Wu Youyu, he would definitely not let it go.”

“No man could tolerate his wife being cuckolded. Moreover, she had been cuckolded for so many years.”

““Don’t worry, this is Beijing!” Wu youyu smiled and said, “When I came, Zhou Zuolong was walking the dog and fighting crickets!” ”

Xie wanqiu nodded. “When did you get here?”

““Just now,” wu youyu continued, “I came to the hospital as soon as I got off the plane. I wanted to give you a surprise.” ”

Xie Wanqiu was full of smiles.

“Although she had been with Wu Youyu for more than thirty years, she had never felt bored. No matter which time they met, they were like a couple who had just been together.”

This was true love.

“In Xie Wanqiu’s eyes, Wu Youyu was the real man.”

Unlike that Useless Zhou Zuolong!

“He had no manliness at all. He was only in his seventies, but he was completely done for.”

“Wu Youyu held Xie Wanqiu’s hand and continued, “WANQIU, how is that matter?” ”

The matter he was referring to was naturally the matter between Zheng Wanyin and Cen Shaoqing.

That’s right.

Zheng Wanyin was Wu Youyu’s biological granddaughter.

Zheng Wanyin’s mother was Wu Youyu and Xie Wanqiu’s biological daughter.

“When Xie Wanqiu and Wu Youyu were secretly dating, Xie Wanqiu’s ex-husband was still alive.”

“Moreover, Wu Youyu and Xie Wanqiu’s ex-husband were good brothers.”

“Before this, Wu Youyu had always called Xie wanqiu sister-in-law.”

And Wu Youyu was indeed three years younger than Xie wanqiu.

No one would have thought that these two people would get together.

“As long as Zheng Wanyin could marry Cen Shaoqing, then he would be Cen Shaoqing’s grandfather in the future!”

“The Cen family’s master, the old great-grandfather.”

Although Wu Youyu was not familiar with the CEN family.

“But through Xie wanqiu, he could be said to know the Cen family’s situation like the back of his hand.”

“The Cen family was currently under the control of the Cen Old Lady, Bai Tang.”

“Bai Tang was already very old. This year, she was already in her eighties and was almost ninety years old. How many more years could she live as an old woman?”

“Zhou Xiang was also a spineless person. He was tightly controlled by Xie wanqiu. Not to mention resisting, he did not even dare to speak harshly to Xie wanqiu.”

He was no different from a tool.

“It could be said that as long as the Cen Old Lady died, the Cen family would belong to them.”

“Thinking of this, Wu Youyu felt extremely happy.”

That was the CEN family!

“They were the number one family in Huaxia. From now on, even fifth master Cen had to bow and greet him as Grandpa.”

“Xie wanqiu said, “Although there isn’t much progress yet, don’t worry. Everything is under my control. As long as I’m here, I can let yinyin marry into the Cen Family!” Her yinyin was born with a phoenix life, she should marry into the Cen family. How could ordinary people be worthy of Zheng Wanyin?”

“Chapter 1344: 278: Zhou Xiang then got tough and angrily rebuked Xie wanqiu, severing ties! 2”

Even Cen Shaoqing could barely match up to Zheng Wanyin.

“Wu Youyu nodded. “Right, you’re staying in the hospital. Has Your Stepdaughter come to see you?””

““I’m sick. How can she not come?”Xie wanqiu continued, “Not only did she come, she even shamelessly apologized to me! She wants me to forgive her!””

“What about our eldest grandson?”

“This eldest grandson was, of course, referring to Cen Shaoqing.”

“Xie Wanqiu was Cen Shaoqing’s grandmother, so he was naturally cen Shaoqing’s grandfather.”

““That B \* Tch Zhou Xiang hid the fact that I was hospitalized! But yinyin has already reminded her. If nothing goes wrong, Cen Shaoqing will definitely come to see me tomorrow.”She was Cen Shaoqing’s grandmother, she was sick, so Cen Shaoqing would definitely come to see her.”

“That’s good.”Wu youyu peeled an orange for Xie wanqiu. “I heard from you on wechat that our eldest grandson has a girlfriend. What’s going on?”

“In fact, Wu Youyu came for this matter.”

Cen Shaoqing had a girlfriend. This was not a small matter.

“If things changed, how would he become the old master of the Cen Family?”

“No matter how powerful Xie Wanqiu was, she was just a woman.”

This woman was not as powerful as a man when it came to handling matters.

“Therefore, at this time, he had to be by Xie Wanqiu’s side to come up with ideas.”

“Otherwise, Xie wanqiu would definitely not be able to handle it alone.”

“Speaking of this, Xie wanqiu said with disdain, “That little b \* Tch won’t be able to achieve anything! She can’t even compare to one-thousandth of our yinyin!””

“After saying that, xie wanqiu continued, “Cen Shaoqing is very filial to this grandmother of his. He will definitely listen to my words.””

“Wu youyu smiled and said, “You are his grandmother. How can he not listen to your words? When our yinyin marries him, then the CEN family will be under our control.””

“Speaking of this, Xie wanqiu narrowed her eyes. “It’s not that simple. The Cen family still has a dead old woman. As long as that old woman doesn’t die, Yinyin won’t be able to take over the Cen family.””

“Isn’t that dead old woman almost ninety years old?”Wu Youyu asked.

“Xie wanqiu continued, “I found a fortune-teller to read her fortune. He said that the Dead Old Woman’s life is like wood. She can live forever and can live for a hundred years!””

“As long as she thought about how people like Bai Tang could live for a hundred years, Xie wanqiu felt an indescribable pain.”

On what basis could Bai Tang live for a hundred years?

“Wu Youyu did not take these words to heart, he smiled and said, “You believe the words of a fraud? Of course, he’s just saying what he wants to hear. That damn old woman is almost ninety years old. Who knows, she might go to Hell one day! The most important thing for us now is to let yinyin marry in as soon as possible.””

How many people in China could live for a hundred years?

“Hearing Wu Youyu’s words, Xie wanqiu felt a little better. “You’re right.””

On the other side.

Zheng Wanyin was queuing up to buy oil tea fruits.

“It was already past the time to eat, but there were still quite a number of people queuing up.”

“If they continued to queue like this, they wouldn’t be able to buy oil tea fruits for less than an hour.”

“Zheng Wanyin couldn’t be bothered to waste her time in such a place. She walked directly to a person who was queuing up to buy oil tea fruits, “Hello, there’s an old man at my house who really wants to eat the oil tea fruit, but the queue is too long. I still have other things to do. Can you sell your oil tea fruit to me?””

““I’m sorry, I want to eat this myself.”The long-haired girl shook her head.”

Who would be willing to queue for another hour?

Zheng Wanyin took out her wallet. “Name your price.”

“The long-haired girl maintained her smile and said politely, “Beauty, this is not a matter of money.””

“Zheng Wanyin knew what she meant. This kind of poor person was the most disgusting. She clearly wanted to raise the price, but she had to pretend that she did not want to sell it to raise the price.”

A poor person was a poor person. Their thoughts would never reach that realm.

She did not know how to help others?

“An elderly man wanted to eat the oil tea fruit, but she did not even know to make way.”

Kong Rong had not learned how to make a Pear?

No wonder the news repeatedly reported the phenomenon of young people not giving up their seats to the elderly.

“For a girl like this, let alone giving up their seats, she could not even give up her oil tea fruit.”

A civilized society was corrupted by such a worm!

“After so many years of reading the book of sages, she had read it all into the stomach of a dog?”

“Zheng Wanyin took out two hundred-dollar bills, still maintaining a smile on her face. “This oil tea fruit is 20 yuan per serving. I have 200 yuan here.””

Chapter 1345: 278: Zhou Xiang will be tough. She will be angry with Xie Wanqiu and sever all ties! 3

““Beauty, you may have misunderstood. It’s really not about the money,”the long-haired girl explained patiently. ”

“Zheng Wanyin was a little impatient. She was not willing to name her own price, but she still felt that 200 yuan was too low. ”

She was insatiable.

“If Xie Wanqiu did not want to eat the oil tea fruit, she would not even want to give two yuan, let alone 200 yuan.”

“Zheng Wanyin was a cultured person. Although she thought so in her heart, she didn’t show it at all.”

“Seeing this, the sweet-looking girl beside the long-haired girl hurriedly said, “Lizi, are you really not selling?” ”

An Lizi shook her head. “I’m not selling.”

“The sweet-looking girl raised her head and looked at Zheng Wanyin. “Beauty, I’ll sell mine to You!” ”

It was 200 yuan.

She could buy 10% of the oil tea fruit.

“Zheng wanyin smiled and said, “Sure, thank you.” ”

““You’re welcome.”The sweet-looking girl handed the oil tea fruit to Zheng wanyin and said, “Pretty girl, if there’s such a good thing next time, you must tell me.” ”

“Zheng Wanyin’s eyes were full of disdain, but she did not show it on her face. She nodded and said, “Okay.” ”

“Looking at Zheng Wanyin’s departing figure, the sweet-looking girl held an Lizi’s arm and said, “Lizi, let’s go. You can accompany me to buy another serving of oil tea fruit.” ”

“An lizi smiled and said, “Qingqing, I have another serving here. Why don’t we split it equally?” ”

“Zhang Qingqing said, “It’s no fun to eat more than half. Why Don’t you accompany me to buy another serving!” ”

“An Lizi looked at the crowd in line and said, “This will take more than an hour!” ”

““Isn’t it just an hour? Let’s go, Let’s Go!”Zhang Qingqing continued, “I came all the way to the capital to see you. Aren’t you willing to accompany me to line up?” ”

“An Lizi really couldn’t be bothered to line up. She stuffed her oil tea fruit into Zhang Qingqing’s hand and said, “You can eat mine! Anyway, I live in the capital and can eat it anytime! I’ll buy it when there are fewer people.” ”

““Lizi, thank you!”Zhang Qingqing hugged an Lizi. ”

“Don’t stand on ceremony with me.”

“Zhang Qingqing ate her food, she said, “Lizi, I’m really envious of you. We grew up together when we were young. Now You’re the daughter of the Lin family, and I’m still the same person I was when I was young.”Zhang Qingqing and an Lizi grew up together, the relationship between the two of them was not bad. ”

“Seeing an lizi turn from an ordinary commoner to a daughter of a rich family, it would be a lie to say that she was not envious! ”

“Zhang Qingqing continued, “Lizi, who are the higher-ups you’re in contact with now? If there’s a chance, find a rich man for my mother! Let me experience the feeling of being a daughter of a rich family.” ”

“Hearing that, an Lizi widened her eyes and looked at Zhang Qingqing. “Uncle and Auntie?” ”

She remembered that Zhang Qingqing’s parents had always been on good terms.

“Zhang Qingqing smiled and said, “I’m just joking with you! However, if there’s a chance, you can introduce me to a rich second generation. However, you’re not allowed to introduce those random

people to me! I want someone with a similar family background to your stepfather. It would be best if he's an only child at home... ..” ”

“Although Zhang Qingqing had never come into contact with any real wealthy families, she had watched television before.”

“There were many children in wealthy families. It was fine when they were young, but when it came to dividing up the family assets, they would definitely fight until their heads were split.”

An only child was much better.

An only child did not need to split up the family assets with others.

“After saying that, Zhang Qingqing continued, “It doesn't matter what a person looks like. As long as the family has money, it's fine. The most important thing is that you have to be on par with your stepfather's family.” ”

“As an Lizi's good friend, the two of them had grown up together. Zhang Qingqing did not want to be inferior to an Lizi.”

“Seeing that Zhang Qingqing did not seem to be joking, an Lizi was stunned.”

“Although she and Zhang Qingqing had grown up together, the Zhang family had moved away when they were 15 years old.”

This was the first time they had met since they separated.

For five whole years.

“When she saw Zhang Qingqing again, an Lizi felt that she had changed a lot.”

But she didn't know what exactly had changed.

"In short, it was a little strange."

"But it was also possible that they hadn't been together for too long, so they were a little unfamiliar with each other."

"Lizi, I'm talking to you! Didn't you hear me?" Zhang Qingqing patted an Lizi's shoulder.

"I heard you." An Lizi finally reacted. She smiled and said, "Don't worry, I'll remember everything for you."

Zhang Qingqing smiled and said, "Then you mustn't forget!"

"Yes." An Lizi nodded.

Chapter 1346: 278: Zhou Xiang will be strong-willed. She will be angry with Xie Wanqiu and sever the relationship! 4

"After eating the oil tea fruit, Zhang Qingqing patted the bucket bag on her back. "Lizi, did you notice anything different about me today?"

An Lizi looked her up and down and shook her head. "I didn't notice."

"Look carefully." Zhang Qingqing patted her bag again.

An Lizi finally reacted and smiled. "You changed to a new bag? It's So Nice! It's exactly the same as the one burning gave me!"

“Zhang Qingqing said, “LV’s new model, 108,000 yuan. I saw that you had it, so I went to buy one.””

“Hearing that, an Lizi said in surprise, “108,000 yuan? That’s so expensive!””

“Didn’t you know?”Zhang Qingqing asked back.

An Lizi shook her head.

“She really didn’t know. She just saw that the bag that ye Zhuo carried to the seafood market to buy vegetables was pretty, so she casually said that it was pretty, and Ye Zhuo gave it to her.”

She didn’t expect it to be so expensive.

““If I had known that this bag was so expensive, I wouldn’t have posted it on my moments.”An Lizi was a little annoyed.”

“She thought that this bag was at most a few hundred yuan, and a thousand Yuan would break the sky.”

She had not expected it to cost six figures.

It was simply terrifying!

No wonder her roommates had been looking at her differently these past few days.

A hundred thousand yuan.

It was enough for their four years of university living expenses.

“After saying this, an Lizi came to her senses. “Qingqing, your family is rich! You bought such an expensive bag!””

Even though the Zhang family’s family conditions were also very good.

But a bag that cost a hundred thousand yuan was still somewhat unaffordable.

“Zhang Qingqing smiled and said, “It’s not that I’m rich, but I can still afford a bag.””

“In the past, she also thought that a bag that cost 100,000 yuan was very expensive.”

But now...

It was just that.

“An Lizi did not ask further and continued, “Right, are we going to watch a movie now?””

“”Yes.”Zhang Qingqing continued, “Did you buy a movie ticket?””

An Lizi took out her phone. “What movie do you want to watch?”

“”I want to watch a suspense movie,”Zhang Qingqing said.”

“Okay.”An Lizi nodded and started voting.

On the other side.

Zheng Wanyin returned to the hospital with the oil tea fruit.

The nurse had just come to the ward for an examination. The door of the ward was half-closed. Zheng Wanyin had just reached her hand out to the door handle when she heard an abnormal sound coming from inside.

Was she hallucinating?

Zheng wanyin frowned slightly and the hand that pushed the door stopped.

“At that moment, the intermittent sound came again.”

““Don’t, don’t do this!””

““Baby, What’s there to be afraid of? There’s no one here now. The nurse just left. Don’t worry! No one will disturb us.””

“What if yinyin comes back?”

“She won’t! She’s only gone out for half an hour. Su’s oil tea fruit is so famous. She Won’t come back for less than two to three hours. Let Me Kiss...”

Zheng Wanyin froze on the spot when she heard the ambiguous voice inside.

Her heart was beating a little fast.

The two people in the ward were Xie Wanqiu and Wu Youyu?

Oh My God!

What were they doing?

Zheng Wanyin felt that her worldview had collapsed.

She had never dreamed that Xie wanqiu would do such a thing.

“Xie Wanqiu was 70 years old this year. Although she took good care of herself and her actual age couldn’t be seen, her age was still there!”

“She was already so old, yet she was still fooling around outside.”

Zheng Wanyin swallowed her throat with difficulty.

One really could not judge a book by its cover.

Xie wanqiu gave birth to a good wife and mother. Who knew that she would still have such a face!

“Most importantly, Zhou Zuolong treated Xie wanqiu very well.”

Xie Wanqiu was in charge of the Zhou family.

What was there that Xie Wanqiu was not satisfied with?

“Although Zheng Wanyin was not related to Zhou Zuolong by blood, she grew up in front of Zhou Zuolong and treated him like her own grandfather.”

“She remembered that when she was young, she had a high fever. As her grandmother, Xie wanqiu actually did not know that Zhou Zuolong had stayed by the bed to watch her all night.”

“If it were not for Zhou Zuolong, Zheng Wanyin would not be here now.”

“Therefore, Zheng Wanyin was really good to Zhou Zuolong.”

“Now that Xie Wanqiu was like this, was she worthy of Zhou Zuolong?”

Zheng Wanyin pinched her fingers and was very angry.

She was burning with anger!

Xie wanqiu actually betrayed Zhou Zuolong. How could she do this.

Did she still have a conscience?

What should she do?

Should she tell Zhou Zuolong about this now.

Zhou Zuolong was so good to her. He was even closer to her than his own granddaughter. She couldn't watch Xie Wanqiu do something that would let Zhou zuolong down.

“Zheng wanyin frowned, turned around and went to the bathroom.”

“The oil tea fruit was placed on the washing table. She washed her face with cold water and calmed down for a long time. Then, she took out her cell phone and began to call Zhou Zuolong.”

“Chapter 1347: 278: Zhou Xiang then got tough and angrily rebuked Xie wanqiu, severing ties! 5”

“Soon, Zhou Zuolong's voice came from the other side. ”

“Hello, yinyin.” ”

“Grandpa.”

“Yinyin, how are you doing in Beijing? is there anyone who has wronged you?” ”

“Zheng wanyin smiled and said, “With grandma around, who would dare to bully me?” ”

“That’s good.” Zhou zuolong continued, “Oh right, Where’s your grandma? I called her, but she hasn’t picked up.” ”

Zheng Wanyin’s heart was pounding in her throat.

“The reason she called Zhou Zuolong was to tell him about Xie wanqiu, but she couldn’t bring herself to say it.”

She still lacked consideration for this matter.

“Although Zhou Zuolong treated her very well and was even closer to her than his biological granddaughter, she was not Zhou Zuolong’s biological granddaughter after all.”

The two of them were not related by blood.

“Once Zhou Zuolong found out about this, he would definitely divorce Xie wanqiu.”

“Xie wanqiu had left the Zhou family, and she was not related by blood to Zhou Zuolong. Would Zhou Zuolong still treat her as his biological granddaughter like before?”

It was definitely impossible!

“At that time, there would only be one outcome facing her. Just like Xie wanqiu, she would be kicked out of the house.”

The reason why her life was so comfortable was all because of Xie wanqiu.

“If it weren’t for Xie wanqiu, she wouldn’t have gotten to where she was today.”

So...

She couldn’t betray Xie Wanqiu.

She couldn’t!

“Zheng Wanyin pinched her fingers and said in a relaxed tone, “Grandpa, you don’t have to worry. Grandma is currently resting, so you have to mute your phone. Otherwise, I’ll wake her up for you.” ”

“”Asleep? Forget it if she’s asleep!”Zhou zuolong said, “Let your grandma have a good sleep.” ”

“Okay.”

“Zhou zuolong continued, “Oh right, yinyin, how have you been in Beijing these few days? When will your grandma be discharged from the hospital?” ”

“”We’re fine. You Don’t have to worry.”Zheng wanyin continued, “Grandma’s health is fine. She just needs to be hospitalized for observation.” ”

“Okay.”

“A few minutes later, Zheng Wanyin hung up the phone. Her expression was unclear.”

She felt that she had let Zhou zuolong down by doing this.

But there was nothing she could do.

She could not ruin her future with her own hands.

“Moreover, Xie Wanqiu was still her biological grandmother after all. Her bones were broken and her tendons were connected.”

“If she told Zhou Zuolong about this matter, not only would Zhou Zuolong divorce Xie wanqiu, but Xie wanqiu would also definitely not forgive her!”

“At that time, the gains would not be worth the losses.”

“Therefore, Zhou Zuolong still could not know about this matter.”

“Actually, it was not a big deal.”

What if Zhou Zuolong was also secretly eating outside!

“One could not tell the heart from the face, just like how she did not expect Xie wanqiu to secretly eat outside.”

“Born as a person, who would not want to have both fame and fortune?”

“Zhou Zuolong must have done something wrong to Xie wanqiu first. Otherwise, Xie wanqiu would not be like this.”

“Although Xie Wanqiu was not a particular person, there was nothing wrong with her worldview. As her granddaughter, Zheng Wanyin knew Xie wanqiu very well.”

She believed that Xie wanqiu would not do something immoral.

“Therefore, Zhou Zuolong must have betrayed Xie Wanqiu first! ”

“If Zhou Zuolong wanted to blame someone, he should blame himself. ”

Who asked him to betray Xie wanqiu first?

This matter had nothing to do with her.

“Thinking of this, Zheng Wanyin felt much better. ”

“Zheng Wanyin looked at herself in the mirror and took a deep breath. Then, she took the oil tea fruit and walked out of the bathroom. ”

“After walking two rounds in the hospital garden, Zheng Wanyin returned to the ward. ”

The ward door had been closed.

Zheng Wanyin reached out and knocked on the door.

“In a moment, the door was opened. The person who opened the door was none other than Wu Youyu. ”

“When he saw Zheng Wanyin, Wu youyu smiled and said, “Yinyin is back.” ”

“Grandpa Wu.”Zheng Wanyin’s expression was normal and there was nothing abnormal about it.

“Wu youyu continued, “Your grandmother was still talking about you just now! She said why you haven’t come back yet.” ”

“Zheng wanyin said, “There are too many people lining up!” ”

“After saying that, Zheng Wanyin walked in and said loudly, “Grandma, I bought the oil tea fruit that you like.” ”

“Zheng Wanyin did not know whether it was an illusion or a psychological reaction, but she felt that there was a strange smell in the ward.”

It smelled very bad.

“Xie wanqiu took the oil tea fruit with both hands and said with a smile, “Thank you for your hard work, yinyin.” ”

““Grandma, what are you saying?” ”

“Wu Youyu walked over. “WANQIU, it’s getting late. I’ll go back First!” ”

“Xie wanqiu nodded. “Brother Youyu, thank you for coming to see me today! yinyin, Send Grandpa Wu off for me.” ”

“Okay.”Zheng Wanyin nodded and sent Wu Youyu out.

“Chapter 1348: 278: Zhou Xiang then got tough and angrily rebuked Xie wanqiu, severing ties! 6”

“When she returned to the ward again, Xie Wanqiu had already eaten half of the oil tea fruit. “Yinyin, call Zhou Xiang for me.” ”

“Call second aunt?” Zheng Wanyin was stunned.

“Xie wanqiu nodded. “Yes, tell her that if I don’t see Shaoqing coming to the hospital to visit me by tomorrow morning, then I won’t have her as a daughter in the future!” ”

“Zheng Wanyin frowned. “This... This isn’t good, is it?” ”

“”What’s not good about it?” Xie Wanqiu’s expression was very ugly. “If I tell you to hit me, then hit me!” ”

“Okay.”

“Since Xie Wanqiu had already said so, Zheng Wanyin could only do as she was told. ”

Zhou Xiang felt a headache coming on when he received the call.

He did not know what to do.

“Cen Shaoqing was a stubborn person. If he did not want to do something, not to mention a mother like her, even if old madam Cen stepped in, Cen Shaoqing would not do it. ”

“At this moment, Zhou Xiang suddenly thought of someone. ”

Ye Zhuo.

“Ye Zhuo was a variable in Cen Shaoqing’s life. If ye Zhuo spoke, Cen Shaoqing would definitely go to the hospital to visit Xie Wanqiu. ”

Right.

She should have called Ye Zhuo.

Why didn't she think of that just now?

Zhou Xiang called Ye Zhuo.

"Very soon, the call went through. "

Ye Zhuo was sitting in the room drawing.

"Old Mrs. Cen ran up with her phone. "Zao Zao, your phone is ringing!" "

"Whose is it?"Ye Zao looked back slightly.

"It seems to be from Xiang Xiang,"old Mrs. Cen said. "

"Ye Zao took the phone and put it on the table. He turned on the speakerphone and controlled the mouse with one hand and the keyboard with the other. He was multitasking. "Hello, Auntie." "

"Zao Zao, are you busy now?"Zhou Xiang asked. "

"No, please tell me." "

"Zhou Xiang thought for a moment and then said, "Zao Zao, Auntie wants to ask you for a favor." "

"What favor?"

Zhou Xiang cut to the chase. "I want you to talk to Shaoqing and ask him to visit his grandmother."

“When she heard this, Old Madam Cen couldn’t stay calm. ”

What was Zhou Xiang doing?

Aiding the wicked!

People like Xie Wanqiu could just ignore them.

Zhou Xiang insisted on rushing over and sticking a warm face to her butt.

“No matter what she said, she couldn’t do it. ”

“If it weren’t for the fact that Zhou Xiang usually didn’t have any serious problems, old madam Cen would have scolded her. ”

“Old Madam Cen picked up her phone. “I won’t agree to it! Have I given her face? She even wants Shaoqing to go see her. Why doesn’t she go to heaven? Xiangxiang, how many times have I told you? Why Can’t You Learn Your Lesson?” ”

“On the other end of the phone, Zhou Xiang was stunned. After a long while, she said,”... Mother?” ”

““If you still acknowledge me as your mother, then don’t bother about Xie wanqiu anymore.”Old Mrs. Cen continued, “Shaoqing’s grandmother has been gone for more than 30 years. What kind of grandmother is she?” ”

“Zhou Xiang sighed. “Mother, home is peaceful and everything is prosperous.” ”

“Actually, she really did not want to bother with Xie wanqiu. Now, she was forced into a corner. ”

“If one person took a step back, wouldn’t the sky and the sea open up?”

Zhou Xiang did not want to see the scene of the house being restless and chaotic.

“Xiangxiang! I’ve tolerated you for a long time! Don’t force me to Scold You!” Old Mrs. Cen’s voice suddenly turned cold, “I’ll say it one last time. If you’re like this, in the future, we’ll go our separate ways! The main road is facing the sky, and we’ll go our separate ways!”

Zhou Xiang’s personality was really too soft.

There was no need to use force.

“Zhou Xiang could tell that old Mrs. Cen was serious. “Mom, I got it.””

“After hanging up, Zhou Xiang’s face was full of sadness.”

“Old Mrs. Cen put her hands on her hips. “Bah! Xie wanqiu, that trash!””

“After saying that, old Mrs. Cen realized that something was wrong. She looked at ye Zao and said with a smile, “Yezi, Yezi, don’t misunderstand! Actually, grandma is usually very civilized! That was just an illusion, an illusion!””

“Ye Zao smiled and said, “Grandma Cen, what’s Going On?””

“It’s still that Xie Wanqiu!” Old Mrs. Cen continued, “After she was angered by her own embarrassing granddaughter and was hospitalized last time, she created some shameless tricks again! “Actually, this is also Xiangxiang’s fault. If she hadn’t been patient, Xie Wanqiu wouldn’t have climbed on top of her head to take a shit!””

“Ye Zhuo said, “Actually, Auntie and my mother used to be quite similar. As long as we can get past this hurdle, we’ll be fine.””

“Previously, Ye Shu had also been exploited by the Ye family like this. ”

She swallowed her anger.

Old Mrs. Cen waved her hand. “She can’t be compared to your mother!”

“After saying that, old Mrs. Cen continued, “I’d better go back and take a look!” Old Mrs. Cen originally didn’t want to get involved in this matter, but now that Zhou Xiang was like this, she was very worried. She had to supervise Zhou Xiang! ”

“Chapter 1349: 278: Zhou Xiang then got tough and angrily rebuked Xie wanqiu, severing ties! 7”

Ye Zhuo stood up. “I’ll send you off.”

“Old madam CEN said, “No need, no need. You’re busy with your work, you’re not an outsider!” ”

“Although Old Madam Cen said so, Ye Zhuo still sent old madam Cen out. ”

“Very soon, old Madam Cen returned to the Cen family manor. ”

Zhou Xiang was at a loss as to what to do with her phone when she suddenly heard old Mrs. Cen’s voice.  
“Xiang Xiang!”

“”Mom, you’re back!” Zhou Xiang turned around. ”

“Old Mrs. Cen continued, “Take out your phone.” ”

Zhou Xiang took out his phone.

“Old Mrs. Cen said, “Call Xie Wanqiu.” ”

Zhou Xiang was stunned. “Why are you calling her?”

“Old Mrs. Cen continued, “Tell her that Shaoqing’s grandmother passed away thirty years ago. Shaoqing will definitely not go to the hospital to see her! “Tell her not to flatter herself. Our Cen family doesn’t have many relatives like her. We don’t have many relatives like her either!” ”

Zhou Xiang was terrified when she heard this.

She did not dare to make the call.

“Did you hear what I Said?”Old Mrs. Cen asked.

“Zhou Xiang said, “Mom, isn’t it not good for us to do this...” ”

Old Mrs. Cen glanced at Zhou Xiang. “You can choose between her and me.”

“Mom...”

“”Mom, what mom!”Old Mrs. Cen pulled a long face. “I’m not joking with you! I believe that Shaoqing will also support my decision!” ”

“Xie wanqiu and old Mrs. Cen. Of course, Zhou Xiang would choose Old Mrs. Cen. ”

“All these years, old Mrs. Cen had treated her like her own daughter and had never let her suffer. ”

The reason why Zhou Xiang tolerated Xie Wanqiu so much was because he did not want to escalate the conflict.

But now.

“The conflict was getting deeper and deeper. If she did not make a choice, she was afraid that even old Madam Cen, this adorable mother-in-law, would be lost.”

“Zhou Xiang picked up her phone. “Mom, I’ll listen to you.” ”

“Old Madam Cen continued, “Put her on speaker.” ”

“Okay.”

Zhou Xiang took a deep breath and dialed Xie Wanqiu’s number.

“In the ward, when she saw Zhou Xiang’s call, the corners of Xie Wanqiu’s lips curled up. ”

Why did Zhou Xiang Call?

He must be here to lower himself and admit his mistake.

“Xie wanqiu slid to the phone and answered, “How many times have I told you! You Don’t have the right to apologize to me! Tell Shaoqing to come early tomorrow morning!” ”

Zhou Xiang glanced at Old Mrs. Cen.

Old Mrs. Cen took a sip of tea and everything was said in silence.

Zhou Xiang gulped. “Shaoqing’s grandmother passed away thirty years ago. You Don’t have the right to let him visit you!”

What?

“When she heard this, Xie Wanqiu thought she was deaf! ”

What a Zhou Xiang!

She actually dared to talk to her like that!

Good!

Very good!

““What did you say? Zhou Xiang!”Xie wanqiu continued, “Do you know who I am?” ”

“Since she had already said those harsh words, she did not care about what she said next. Zhou Xiang might as well go all out and continue, “Didn’t you say that you don’t want to be discharged from the hospital? Then you can stay in the hospital for the rest of your life!” ”

“Old Mrs. Cen raised her voice and said, “Whoever gets discharged from the hospital will not be raised by their parents!” ”

“Xie wanqiu was so angry that she was about to vomit blood. She said fiercely, “Zhou Xiang, you don’t even acknowledge me as your mother?” ”

“Seeing that Zhou Xiang was about to be defeated, Old Mrs. Cen took Zhou Xiang’s phone and continued, “Shameless! You really dare to put your own face on it. Our Xiangxiang’s mother has been gone for decades. Who Do you think you are!” ”

“After saying that, old madam Cen returned the phone to Zhou Xiang. ”

“Zhou Xiang continued, “My mother is right! You, who do you think you are!” ”

“It was also because Xie Wanqiu did not have a heart attack. If Xie Wanqiu had even the slightest heart attack, she would have been angered to death. ”

That B \* Tch Zhou Xiang!

How dare she!

How dare she!

B \* Tch!

“Zhou Xiang covered the earpiece and turned to look at Old Madam Cen. “Mother, do you want to say anything else?” ”

Old Mrs. Cen guessed that Xie wanqiu must be very angry. “Hang up. She’ll have to take it.”

Zhou Xiang hung up the phone.

“After hanging up the phone, old Mrs. Cen continued, “Xiang Xiang, you did well. You have to do it again in the future! Xie Wanqiu is a shameless person. If you don’t be a little tougher, she can climb on top of your head and shit!” ”

“Okay.”Zhou Xiang nodded.

“Old Mrs. Cen added, “Right. Blacklist Xie Wanqiu’s phone number and wechat immediately.” ”

“Okay.”

“”And Zheng Wanyin’s,”old Mrs. Cen added. ”

“Wanyin?” Zhou Xiang hesitated. “This is between me and her. It has nothing to do with Wanyin...”

“I think that Zheng Wanyin is not a good person. If she was a good person, she would not have suspected her for no reason! This kind of person will be a disaster sooner or later!” Old Mrs. Cen hit the nail on the head. ”

Zhou Xiang could only listen to old Mrs. Cen and blacklist Zheng Wanyin as well.

“On the other side, at the hospital. ”

“The moment Zheng Wanyin arrived at the ward, she saw Xie wanqiu sitting on the bed and cursing loudly. ”

“Grandma, What’s Wrong?” ”

“It’s all because of that B \* Tch Zhou Xiang! I think she has rebelled against the Heavens!” Xie wanqiu cursed and told her what had happened.

“Hearing that, Zheng Wanyin frowned tightly. ”

“In her eyes, Zhou Xiang had always been a very gentle existence. She had never been angry with anyone. ”

She did not expect Zhou Xiang to actually say such harsh words to Xie wanqiu this time.

“Grandma, don’t worry. There must be a misunderstanding. I’ll contact second aunt right now.” Zheng Wanyin immediately took out her phone. ”

“However, the next second, her expression changed. ”

She was blacklisted by Zhou Xiang.

Zheng Wanyin quickly opened wechat again.

It was the same on wechat.

Blacklisted status.

It seemed that Zhou Xiang was serious this time.

“Seeing Zheng Wanyin like this, Xie wanqiu said, “What’s Wrong?” ”

“”Grandma, second aunt seems to be really angry this time.”Zheng Wanyin’s expression was a little ugly.  
“She blacklisted my wechat and phone number.” ”

“How dare you! B \* Tch!”Xie wanqiu grabbed the cup on the table and threw it on the ground. “Call Your Grandpa! Call Your Grandpa Right Now!”

Chapter 1350: 279: Xie Wanqiu is about to break down

“She refused to believe that Zhou Zuolong, her biological father, could not cure Zhou Xiang! ”

Zhou Xiang had been afraid of Zhou Zuolong since she was young.

“As long as Zhou Zuolong made a sound, she would not dare to speak. ”

“Even after she married into the Cen family, Zhou Xiang still could not get rid of her fear of Zhou Zuolong. ”

“Every time Zhou Zuolong spoke, Zhou Xiang would not say a word of No. ”

Zhou Xiang dared to give her a hard time today.

She would let Zhou Zuolong deal with Zhou Xiang.

She wanted to see what Zhou Xiang was capable of!

“Seeing Xie wanqiu like this, Zheng Wanyin was very glad that she did not tell Zhou Zuolong about Xie wanqiu. ”

“If she told Zhou Zuolong, then Xie Wanqiu and she would be finished. ”

“Zheng wanyin continued, “Grandma, are we really going to call Grandpa? Will it not be good if Grandpa knows about this?” ”

Not Good?

What’s not good about it?

“Xie wanqiu continued, “If I ask you to hit me, then hit me! You tell your grandpa that if he doesn’t come and make a decision for me, I’ll be bullied to death by that B \* Tch Zhou Xiang!” ”

Xie wanqiu had watched Zhou Xiang grow up.

Xie wanqiu was really shocked that Zhou Xiang had suddenly become like this.

Why did a spineless little B \* Tch suddenly become so tough?

“As soon as she finished speaking, Xie wanqiu sighed, “Those who aren’t biological aren’t biological. If I were her biological mother, would she dare to treat me like this today? “To think that I was so good to her normally. If it weren’t for me, would that slut be here? But she’s so good! She repaid kindness with enmity! She completely disregarded the kindness of raising her! An ingrate is an ingrate. No matter how you raise her, she won’t be able to mature!” ”

Zheng Wanyin did not expect Zhou Xiang to be such a person.

There was no such thing as an ingrate in this world.

“No matter what, it was wrong of her to treat Xie wanqiu like that. ”

“If not for Xie wanqiu, would there be Zhou Xiang? ”

Xie Wanqiu was right. Zhou Xiang was an ingrate.

A top-notch ingrate!

“Zheng Wanyin sat beside Xie wanqiu and comforted her, “Grandma, don’t Be Sad...” ”

“Xie wanqiu looked up at Zheng Wanyin. “Yinyin, you’re my biological granddaughter. Everything that Grandma did was for you! So, you must be on Grandma’s side! You Can’t let that B \* Tch Zhou Xiang laugh at you!” ”

Zheng Wanyin nodded.

“”Quick, Call Your Grandpa.” ”

Zheng Wanyin took out her phone and called Zhou Zuolong.

The call was quickly connected.

“Grandfather.” Zheng Wanyin’s sobbing voice sounded.

Zheng Wanyin felt wronged.

She really felt wronged.

What did Zhou Xiang’s falling out with Xie wanqiu have to do with her?

But Zhou Xiang blocked her phone and wechat.

What did Zhou Xiang mean by this?

Zhou Xiang clearly did it on purpose!

“When she suddenly heard Zhou Zuolong’s voice, Zheng Wanyin could not control her emotions at all. ”

Zhou Zuolong treated her as his own and would definitely help her vent her anger.

“When he heard that Zheng Wanyin’s voice was not right, Zhou Zuolong’s heart skipped a beat. “What happened to yinyin? Who bullied you?” ”

““Grandpa, second aunt, second aunt, she...” ”

““What happened to her? Did Zhou Xiang Bully you guys? !”On the other end of the phone, Zhou Zuolong was extremely anxious, but Zheng Wanyin could not say a complete sentence. ”

“Zheng Wanyin took a deep breath. “Grandpa, second aunt had a big fight with Grandma and said that she wanted to break off relations with Grandma. She even blocked my phone and Grandma’s wechat. We can’t contact second aunt now.” ”

“”Outrageous! This evil daughter! She’s really too bold!”Zhou zuolong continued, “Yinyin, don’t cry. Don’t worry. With Grandpa around, Grandpa will definitely make a decision for you guys! “Just wait. Grandpa will buy a plane ticket and fly over right away! “I want to see how capable this wicked girl is!” ”

“Okay...”

“Zhou zuolong continued, “How’s Your Grandmother Now?” ”

“Hearing Zhou Zuolong’s voice on the phone, Xie wanqiu immediately winked at Zheng Wanyin. ”

“Zheng wanyin nodded and instantly understood what Xie wanqiu meant, then, she said, “Grandpa! Grandma’s current situation is very bad. She was provoked by second aunt before. Today, she was provoked by second aunt again. Now, she has already fainted. Grandpa, what should I do now!” ”

“At the end of her sentence, Zheng Wanyin cried out loud. ”

“When he heard that Xie Wanqiu was in a bad condition, Zhou Zuolong was very anxious. However, they were so far away. Even if he was anxious, he had no choice but to comfort her, “Don’t Cry, yinyin, listen to me! Take good care of your grandma. Grandpa will be here soon!” ”

“”Then, Grandpa, come quickly. Grandma and I will wait for You!” ”

“Okay!”

“After hanging up the phone, Zhou Zuolong immediately ordered people to book the flight tickets to Beijing. ”
