

## Almighty D 1351

Chapter 1351: 279: Xie Wanqiu is about to break down! 2

A moment later.

“The butler replied, “Old Master, there are no more flights to the capital. Can you buy the tickets for tomorrow at 5 am?” ”

Zhou Zuolong could not wait to fly to the capital immediately. How could he wait until tomorrow morning!

““Look for scalpers to think of a way,”Zhou zuolong continued, “Money is not a problem!” ”

“The butler continued, “Master, we have already looked for scalpers, but we really don’t have tickets for today!” ”

“What about the high-speed train and the bullet train?”Zhou Zuolong asked.

The Butler shook his head. “There aren’t any either!”

“After saying that, the butler continued, “However, there are trains! But the train takes 24 hours. If you want to go by train, you might as well wait for the plane tomorrow morning.”The plane would only take four hours. ”

“Father Zhou scratched his head anxiously. “Think of something! Think of something first. If there is really no other way, I’ll take the Five o’clock Flight Tomorrow Morning.” ”

“Alright.”The butler nodded.

At the hospital.

“Zheng Wanyin held Xie Wanqiu’s hand and said, “Grandma, don’t worry. Grandpa said that he will come over immediately! When she comes over, he will definitely make the decision for us.” ”

“Xie wanqiu pressed her temples. “When your Grandpa comes over this time, I will let him settle the matter between you and Shaoqing! It will save us a lot of trouble!” ”

“Initially, Xie Wanqiu did not plan to let Zhou Zuolong take action on this matter. ”

“However, things had already come to this point, so she could only continue to follow this step. ”

“She was Cen Shaoqing’s step-grandmother, but Zhou Zuolong was Cen Shaoqing’s real biological grandfather, Zhou Xiang’s biological father. ”

Could it be that Zhou Xiang would not listen to her biological father?

“Once Zhou Zuolong came, Zhou Xiang would be finished! ”

“Not only did Xie wanqiu want to settle the marriage between Zheng Wanyin and Cen Shaoqing, she also wanted Zhou Xiang to kowtow to her and admit her mistake! ”

That B \* Tch Zhou Xiang.

She would definitely not let her off easily!

“Xie wanqiu pinched her fingers, and her expression was very ugly. ”

“Zheng Wanyin sighed. “Grandma, now that we have such a bad relationship with second aunt and brother-in-law, and cousin already has a girlfriend, let’s forget about this matter.” ”

“Forget about it? Why should we just forget about it? ! This marriage should have been yours to begin with!” Xie wanqiu continued, “If it weren’t for Ye Zhuo, we wouldn’t have gotten to where we are today, and Zhou Xiang wouldn’t have suddenly fallen out with me! “A beautiful woman is a disaster. We haven’t even passed the marriage yet, and so many things have already happened. If we passed the marriage, would we still have the right to speak?” ”

“From Xie Wanqiu’s point of view, these things were all ye Zao’s fault. ”

“After all, the cause was that ye Zao deliberately gave Zheng Wanyin 1a. ”

She was hospitalized because of this 1A!

Ye Zao was the Jinx of the Cen family.

“Zheng wanyin continued, “Grandma, cousin is so outstanding. I, I simply don’t deserve him.” ”

“Who said I don’t deserve him? Who said I don’t deserve him!” Xie wanqiu was very excited, “In this world, no one is more worthy than you! You Are the Phoenix’s life, and only you will bring good luck to the Cen family! Ye Zhuo is the Jinx, and she will defeat the Cen Family!” ”

There was only one Phoenix’s life.

Zheng Wanyin was more than one in ten thousand.

“Zheng Wanyin was a little embarrassed. “Grandma, I’m not as good as you say!” ”

“At this moment, her phone suddenly rang. ”

Zheng Wanyin picked up the phone.

“Who called?” Xie wanqiu asked.

“It’s grandpa,” Zheng Wanyin replied. ”

Xie wanqiu narrowed her eyes. “Pick up quickly.”

Zheng Wanyin nodded and picked up the phone.

“It was unknown what was said on the other end of the phone, but Zheng wanyin continued, “Okay, Grandpa, I got it. Yes! I’ll take good care of Grandma.” ”

“After hanging up, Xie wanqiu asked, “What did your Grandpa Say?” ”

Zheng Wanyin frowned. “Grandpa said that he can’t buy today’s plane ticket. He will only be in Beijing at ten o’clock tomorrow morning. He asked me to take good care of you.”

“That trash!” Hearing that, Xie Wanqiu was very unhappy. “Can’t you count on him to do something!” ”

Zheng Wanyin was also a little disappointed.

She had originally thought that Zhou Zuolong was really good to her.

But now it seemed that.

It was not entirely true.

“If she was Zhou Zuolong’s biological granddaughter, Zhou Zuolong would have rushed over long ago. ”

But Now?

Zhou Zuolong actually said that he did not have a plane ticket for today and would only arrive tomorrow.

“Without a plane ticket, did he not know how to think of a way?”

A plane ticket was dead.

But a person was alive.

“If Zhou Zuolong really treated them as family, he definitely would not be like this.”

No wonder Xie wanqiu would betray Zhou Zuolong.

“It was not that she was completely disappointed in Zhou Zuolong, but Xie wanqiu would definitely not do such a thing.”

“Zheng wanyin continued, “Since Grandpa is not able to come for the time being, let’s wait.””

Chapter 1352: 279: Xie Wanqiu is about to break down! 3

Xie wanqiu even wanted to call Zhou Zuolong to scold him to death.

“Unfortunately, she couldn’t.”

Because Zheng Wanyin said that she fainted.

“If she scolded someone at this time, wouldn’t she be exposed?”

On the other side.

The Cen family.

“After blocking Xie Wanqiu and Zheng Wanyin’s phone calls and wechat, Zhou Xiang had been in a trance.”

She had never done such a rebellious thing in her life. Xie wanqiu must be furious now.

“Zhou Xiang turned to look at Old Mrs. Cen. “Mom, do you think she will tell my dad about this? What if my dad comes looking for me?” ”

“You are now a member of our Cen family. Do you think your dad will dare to touch you?”Old Mrs. Cen cracked a melon seed. “I’m not dead yet! I’d like to see who dares to bully my daughter-in-law!”

““I’m just afraid that it won’t sound good if it gets out,”Zhou Xiang said.”

Old Mrs. Cen spat out the melon seed skin. “They don’t even mind being criticized for what they’ve done. What are you afraid of? !”

“After saying that.., old Mrs. Cen continued, “Xiang Xiang, think about it. Ever since your mother left, is your father still the same as before? Therefore, this time, you must pick up your attitude and fight with them to the end! Don’t let them think that you are easy to bully! The weaker you are, the easier they think you are to bully! Especially that Xie wanqiu. Look, how much has she bullied you all these years?” ”

“Hearing this, Zhou Xiang couldn’t put on any expression.”

Old Mrs. Cen was right.

“Ever since his mother passed away, Father Zhou really seemed to have changed, especially since Xie Wanqiu entered the house.”

He treated Xie Wanqiu's daughter better than her and her younger brother.

"Otherwise, Zhou Xiang's younger brother would not have run away from home. "

"Old Mrs. Cen looked at Zhou Xiang's side profile and sighed, then, she said, "Xiangxiang, I'm already so old. How long can I protect you? If I leave one day, you have to learn to face those wolves and Tigers by yourself!" "

"Mom, your body is so good. Don't say such things." Zhou Xiang's eyes were inexplicably red. "

She did not know what had happened to her.

"Old Mrs. Cen smiled and said, "Life and death are the path of reincarnation, and it's even more normal. Each and every one of us have to experience it. To be honest, after living for so long, I've long been tired of it! I'm quite looking forward to the afterlife." "

Others were afraid of death.

But Old Mrs. Cen was not afraid.

"It was not that she hated the world, but that she had moved on. "

"As long as one moved on, everything would be fine. "

"Speaking up to this point, old Mrs. Cen patted Zhou Xiang on the shoulder, "Xiang Xiang, Yezi and Shaoqing are so busy. When they get married, you'll definitely be in charge of all the big and small matters in the family! "But if you keep doing this, how can I trust you to take care of the family! "As the saying goes, a mother is strong. Don't you want to do something for Shaoqing and Yezi?" "

"According to Zhou Xiang's current state, Old Mrs. Cen would definitely not be at ease. "

“If she really handed the Cen family over to Zhou Xiang to manage, then the CEN family would not be the CEN family, but would directly change their surname to Xie! ”

“Just Xie wanqiu, that old woman, would definitely turn the family upside down. ”

Old Mrs. Cen’s words stunned Zhou Xiang.

She really wanted to do something for Cen Shaoqing and Ye Zhuo.

“But most of the time, her heart was willing but her strength was insufficient. ”

She did not know what was wrong with her.

“Old Mrs. Cen patted Zhou Xiang’s hand, then she said, “Xiang Xiang, actually, when I was young, I was similar to you. My heart was soft and my ears were soft. I listened to what others said! “Because of this, I almost broke up with Shaoqing’s grandfather. Everyone has a process of growth. No one is born that strong... “... “Escaping is not the way to solve the problem. You have to learn to face it!” ”

“Zhou Xiang looked at Old Mrs. Cen and nodded seriously. “Mom, I understand. Don’t worry. From today onwards, I will work hard to make myself better. I will support a warm home for burning and Shaoqing.” ”

A mother is a strong woman.

In the future

““Okay.”Old Madam Cen smiled and said, “I believe in you.” ”

“Zhou Xiang reached out and hugged old madam Cen. “Mom, thank you.” ”

“Old Madam Cen patted Zhou Xiang on the back. “Silly child, I’m your mother.” ”

She hoped that Zhou Xiang had really listened to her and not just listened.

1

8 pm.

Zheng Wanyin returned to the hotel near the hospital.

“As soon as she returned, Wu Youyu sneaked into Xie Wanqiu’s ward. ”

“When she saw Wu Youyu, the anger on Xie Wanqiu’s face dissipated a lot. She was surprised and happy. “Why are you here again?” ”

“”I’ll stay here with You Tonight.”As she said that, Wu Youyu was about to take off his clothes and go to bed. ”

Chapter 1353: 279: Xie Wanqiu is about to break down! 4

“”Not Tonight,”Xie Wanqiu refused. ”

“Why?”Wu Youyu frowned. “Didn’t Yinyin go to the hotel? No one will bother us!”

“Xie wanqiu continued, “Zhou Zuolong will come tomorrow.” ”

“Why did that Idiot Zhou Zuolong come over?”Wu Youyu asked.

Xie wanqiu told him about Zhou Xiang's matter.

"When he heard that, Wu Youyu's expression did not look good."

"For so many years, Zhou Xiang had always been dutiful. Not only did he treat Xie wanqiu as his biological mother, he had never said anything harsh to her. But this time, it had suddenly become like this."

Things... seemed to be very wrong.

Wu Youyu had a strange intuition.

Zhou Xiang...

Seemed to be getting rid of Xie Wanqiu's control.

"Wu youyu continued, "Then can Zhou Zuolong solve the problem?" "

"Zhou Zuolong is Zhou Xiang's biological father," Xie wanqiu continued, "Can Zhou Xiang not listen to Zhou Zuolong?" "

"Wu Youyu nodded, "That's true! After all, you are Zhou Xiang's stepmother. No matter how good you are to her, there is still a layer of separation between the two of you. Zhou Zuolong is different. His bones are broken and his tendons are still connected. After all, they are father and daughter!" "

"Xie wanqiu continued, "You should go back quickly!" "

"When Will Zhou Zuolong arrive?" Wu Youyu asked.

“He said he’ll arrive at ten tomorrow morning.”

Wu Youyu reached out and put his arm around Xie Wanqiu’s shoulder. “Then why are you in such a hurry to let me go?”

Xie wanqiu pushed Wu youyu away very rationally. “What if he comes earlier?”

“Wu Youyu hesitated for a moment. “I don’t think so, right?” ”

““We’re not afraid of anything, just in case.”Xie wanqiu pushed Wu Youyu out. “It’s always good to be cautious. If I don’t text you in the future, don’t come over.” ”

“With Xie wanqiu like this, Wu Youyu had no choice but to walk out. ”

“Just as he walked out of the hospital, the smile on Wu Youyu’s face disappeared without a trace. He flagged down a car. “Let’s go to Crystal Jue Hotel.” ”

““Okay,”the driver said. ”

Wu Youyu took out his phone and sent a message.

“Not long after, the car stopped at the entrance of Crystal Jue Hotel. ”

“The driver turned around and said, “Sir, you’re here. It’s a total of 51 yuan.” ”

“Alipay.”

The driver handed Wu Youyu a QR code.

Wu Youyu scanned the QR code and paid all the way to the third floor of the hotel. He swiped his card and entered.

“As soon as he opened the door, he saw a young woman in a bathrobe coming out of the bathroom. ”

“Little Baby Qingqing.”Wu Youyu walked over quickly and reached out to hug her.

“Zhang Qingqing smiled and said, “Didn’t you go to see that old woman? Why are you back so soon?” ”

Zhang Qingqing met Wu Youyu by chance.

“Later, she was kept by Wu Youyu. ”

“That 100,000 yuan bag was given to Zhang Qingqing by Wu Youyu. ”

Wu Youyu took off his bathrobe and kissed her. “The old woman isn’t as good as you.”

“Whenever Wu Youyu thought of Xie wanqiu, whose face was full of wrinkles, he couldn’t help but feel disgusted. ”

It had been 35 years.

“During these 35 years, in order to firmly tie Xie wanqiu down, Wu Youyu didn’t dare to marry and have children. He didn’t dare to have too much contact with the opposite sex in public. ”

He had long been tired of Xie wanqiu.

“Ever since he met Zhang Qingqing, Wu Youyu only knew what true happiness was. ”

“Being together with Zhang Qingqing, even he became younger. ”

God knows how happy Wu Youyu was when Xie Wanqiu did not allow him to spend the night in the hospital ward.

Unfortunately.

That kind of happiness could not be shared with others.

“Unknowingly, the two of them rolled onto the bed.”

...

On the other side.

At the base.

“After Xiao Lu completed the resignation procedures, he left the quality inspection department.”

“Just as he walked out of the door, he was stopped by a pleasant voice. “Xiao Lu.” ”

“When Xiao Lu turned around, he saw Tang Xue with a smile on her face.”

“Tang Xue was the youngest researcher in this base other than ye Zhuo. Actually, Xiao Lu wanted to join Tang Xue’s team in the beginning.”

It was a pity.

“Tang Xue’s team was too popular. Before she could register, it was already full. Therefore, Little Lu could only choose to join ye Zhuo’s space mothership team.”

“Researcher Tang.”

Tang Xue smiled and nodded. “Are you going on a business trip?”

“I’m leaving,” Little Lu said. ”

Leaving? !

Tang Xue was surprised. “Why are you leaving? Did Something Happen?”

“Xiao Lu said, “There was a mistake at work.” ”

“Tang Xue said, “I see that you’re usually quite serious about your work. How about this? My Experimental Department is still short of an experimenter. Do you want to give it a try?” ”

“Really?” Xiao Lu looked at Tang Xue with a face full of surprise.

Chapter 1354: 279: Xie Wanqiu is about to break down! 5

“As expected, the saying goes, ‘the mountains don’t turn and the waters don’t turn.’”

“Although she had left ye Zhuo’s place, she had found a better place!”

Xiao Lu never dreamed that Tang Xue would personally invite her.

“Of course.” Tang Xue smiled and said, “It’s my luck to be able to invite such an outstanding researcher like you.””

“Xiao Lu bowed 90 degrees to Tang Xue. “Researcher Tang, thank you!””

““You’re welcome.”Tang Xue continued, “Come with me.””

Xiao Lu followed Tang Xue’s footsteps.

“Tang Xue said unintentionally, “Xiao Lu, how’s Miss Ye’s aircraft carrier project coming along? I heard that she’s going to create an aircraft carrier that exceeds the speed of light.””

“Xiao Lu said, “The aircraft carrier is huge. Whether it can successfully fly into the sky is still one thing, let alone exceed the speed of light.””

“Although Xiao Lu had joined ye Zao’s laboratory before this, she did not believe that ye Zao could create an aircraft carrier.”

That was an aircraft carrier!

It was not an ordinary aircraft.

Xiao Lu joined ye Zao’s laboratory because she had no way out and wanted to find a transitional job.

“Hearing this, Tang Xue narrowed her eyes. “Miss Ye is so amazing. I believe that she will definitely be able to realize the aircraft carrier plan and surpass the speed of light!””

“When she said the last sentence, even Tang Xue wanted to laugh.”

Surpass the speed of light?

“If it was really that easy to surpass the speed of light, then mankind would be the most invincible existence in the entire universe.”

Only ye Zhuo could say such words.

She really looked forward to the arrival of two years later.

“Xiao Lu shook her head, “I’ve stayed in the quality inspection department for many days. No one understands Miss Ye’s aircraft carrier project better than me. The structure of the aircraft carrier’s parts and components are not fundamentally different from other aircraft. Researcher Tang, I advise you not to have too much hope for her! After all, the greater the hope, the greater the disappointment!””

Tang Xue was grateful to her. She did not want to see Tang Xue disappointed.

“This was Tang Xue’s true purpose of getting close to Xiao Lu. With Xiao Lu’s words, Tang Xue was relieved.”

“Not long after, they arrived at the Tang family’s laboratory.”

“Nie Gong.”

Old Nie walked out in his lab coat. “Miss Tang.”

“Tang Xue smiled and said, “Nie Gong, let me introduce you. This is Xiao Lu from the quality inspection department of Miss Ye’s research group. Xiao Lu has left the quality inspection department. You can arrange a suitable job for her.””

“Looking at Xiao Lu, old nie nodded.”

“After saying this, Tang Xue turned to look at Xiao Lu and said, “Xiao Lu, this is nie gong. He was a technician in Miss Ye’s research group before. I’ll let him take care of you in the future.””

“Nie Gong.”Xiao Lu bowed to old nie.

“Old nie smiled and said, “Come with me.””

“During this period of time, old nie was constantly glad that he had left ye Zhuo’s research team.”

He had found his true home with Tang Xue.

“After settling Xiao Lu down, old nie came to Tang Xue’s office. “Miss Tang.””

Tang Xue looked up. “The person has been arranged.”

“Old Nie said, “Xiaolu used to be in the quality inspection department, so I’ve arranged for her to be in the precision team.””

“Sure.”Tang Xue nodded.

“Old Nie rubbed his hands as if he had something to say, but when the words reached his mouth, he swallowed them back. He looked like he wanted to say something, but he hesitated.”

“Tang Xue put down the glass tube. “Nie Gong, if you have anything to say, just say it.””

“Old Nie looked at Tang Xue and continued, “Miss Tang, i... I have a presumptuous request.””

“Tang Xue smiled and said, “Nie Gong, you don’t have to be so polite when talking to me.””

“Seeing Tang Xue like this, old nie simply did not feel nervous anymore. “I want to recommend someone to you.””

Tang Xue raised her head. “Who?”

“Old Nie continued, “Zhou Dongyang.””

“Zhou Dongyang was a core member of Ye Zhuo’s research group. At the same time, he and old nie were very close friends.”

“Now that old nie had successfully left ye Zao’s place, Zhou Dongyang was still guarding ye Zao’s place.”

“To be friends, one had to be loyal.”

“Now that old nie had escaped from the sea of bitterness, he naturally couldn’t just leave Zhou Dongyang alone.”

“Tang Xue smiled and said, “Since Nie Gong has already spoken, I naturally can’t refuse. You Go and tell him that as long as he’s willing to come, I’ll let him take the position of Vice Minister.””

“”Miss Tang, thank you!”Old Nie was overjoyed.”

“He originally thought that Tang Xue would more or less make things difficult for him, but he did not expect Tang Xue to agree so readily.”

Who was Zhou Dongyang’s person?

He was from ye Zhuo’s research group!

“As long as it was someone from ye Zhuo’s side, Tang Xue would not reject anyone who came.”

“Tang Xue smiled and said, “You’re welcome.””

“After work, old NIE stood at the entrance of the base and waited for Zhou Dongyang.”

“From 9:30 to 10:30, everyone in the base was about to leave, but Zhou Dongyang was still nowhere to be seen.”

Chapter 1355: 279: Xie Wanqiu is about to break down! 6

Old Nie was a little anxious and kept looking inside.

“Another half an hour passed. Just as old nie thought that Zhou Dongyang did not come to work today, the sound of footsteps could be heard in the quiet space.”

Old Nie turned around and saw Zhou Dongyang walking over.

“Dongyang!” Old Nie immediately went up to him.

“Old nie.” Zhou Dongyang casually handed old nie a cigarette.

Old Nie waved his hand. “I quit.”

Zhou Dongyang was a little surprised. “Really?”

“Yes.” Old Nie continued, “I quit after I left Miss Ye’s research group.”

Zhou Dongyang nodded and lit the cigarette. “What’s the matter?”

“Old nie smiled and said, “To be precise, it’s a good thing.” ”

“What Good Thing?” Zhou Dongyang was a little curious.

“Old NIE continued, “Dongyang, leave Miss Ye’s Place!”! “Don’t worry, I’ve already made an agreement with Miss Tang on your behalf. As long as you’re willing to join the Tang family’s laboratory, Miss Tang will let you be the deputy director!” Zhou Dongyang was a capable person, to let him stay at Ye Zhuo’s place was simply Overkill! ”

“Old Nie originally thought that after he said these words, Zhou Dongyang would be very happy. He did not expect that Zhou Dongyang’s face did not show any happiness. He only exhaled a puff of smoke, “Old nie, I appreciate your kindness, but I’m pretty good at Miss Ye’s Place! I don’t want to change places.” ”

“Did I hear wrong?” Old Nie looked at Zhou Dongyang in surprise.

“Zhou Dongyang said very seriously, “You didn’t hear it wrong! “All of you think that Miss Ye’s aircraft carrier plan is nonsense, but I don’t think so! “In my opinion, Miss Ye is leading us to research a great cause. One day, we will make the whole world, and even the whole world, see a bright light!” ”

“In fact, at the beginning, Zhou Dongyang and old nie had the same skeptical attitude towards ye Zhuo. ”

“After all, Ye Zao was too young. ”

“Moreover, words like surpassing the speed of light sounded unrealistic. ”

“But later, ye Zao used his strength to conquer him. ”

“Although ye Zao was young, his ability and talent had exceeded everyone’s imagination! ”

“After saying that, Zhou Dongyang continued, “Old nie, if there’s a chance, come back!” ”

“Old Nie frowned tightly. “Dongyang, you’re Crazy! You Don’t really think that miss ye can create an aircraft carrier, do you?” ”

“Zhou Dongyang said very seriously, “It’s not that I think, it’s that Miss Ye really can!” ”

“”Dongyang, calm down. You’re already forty-five years old this year, not twenty-five!”In other words, Zhou Dongyang had long passed the age of Dreaming.”

“If Zhou Dongyang was twenty-five this year, then he could take a gamble. ”

But what right did a forty-five-year-old man have to gamble?

Did he not want his family?

Did he not want his wife and children?

The burden on him was too heavy.

“If the aircraft carrier plan failed, then Zhou Dongyang’s life would be over. ”

“Zhou Dongyang put out the cigarette butt on the trash can. “Old nie, I believe that he will be very calm.” ”

“Old Nie sighed. “Dongyang, are you really not going to think about it anymore?” ”

“There’s no need to think about it.”

“Old NIE continued, “You will definitely regret it!” ”

“There was no medicine for regret in this world. At that time, even if Zhou Dongyang regretted it, it would be useless. ”

“Zhou Dongyang smiled and said, “The one who regrets isn’t me, it’s you.” ”

““Don’t worry, I’ll never regret it!”At this point, old nie raised his head and looked at Zhou Dongyang.  
“Dongyang, it wasn’t easy for me to convince Miss Tang to let you join the Tang family’s laboratory. Are you really not going to think about it anymore?” ”

“There’s no need to reconsider.”Zhou Dongyang’s attitude was firm.

“Old Nie shook his head helplessly. He had already said so much. Since there was someone who didn’t know what was good for him, what could he do?”

““Dongyang,”old nie patted Zhou Dongyang’s shoulder. “Take care of yourself.” ”

“Zhou Dongyang said, “You take care too. I still have something to do, so I’ll be leaving First!” ”

“Old Nie looked at Zhou Dongyang’s back, unable to put on any expression. ”

Zhou Dongyang’s good intentions were like a donkey’s liver and lungs.

Just you wait.

He would be there when he cried in the future.

Old Nie was looking forward to that day’s arrival.

“When that time came, Zhou Dongyang’s expression would definitely be very interesting. ”

...

“In the blink of an eye, the next day arrived. ”

“Zhou Zuolong had booked a flight at five o’clock, and he arrived at the airport at two o’clock in the morning. ”

“At five o’clock in the morning, Zhou Zuolong boarded the plane on time. ”

At ten o’clock.

The plane stopped at Beijing Airport.

“After getting off the plane, Zhou Zuolong rushed to the hospital as soon as possible. ”

“Knowing that Zhou Zuolong would be coming today, Xie Wanqiu deliberately did not sleep the whole night last night. At this moment, she looked very haggard. ”

“In the ward, Xie wanqiu told Zheng wanyin, “When your grandfather comes later, you know what to say, right?” ”

“Zheng Wanyin nodded. “Don’t worry, Grandma. I know.” ”

“That’s good.”

“At that moment, there was an urgent knock on the door. ”

It was as if the door was about to be smashed.

“Zheng Wanyin quickly covered Xie wanqiu with her blanket. “Grandma, please lie down. Grandpa must be here. I’ll go open the door.” ”

“Okay.”Xie wanqiu nodded.

Zheng Wanyin took out the makeup mirror from her pocket. She looked at her red-eyed self in the mirror before walking over to open the door.

Creak.

The door opened.

An old man in his seventies with white hair stood outside the door.

“Grandpa!” When Zheng Wanyin saw who it was, she hugged him and cried out in grievance. ”

“Yinyin, it’s okay. Grandpa is here.” Zhou Zuolong felt sorry for Zheng Wanyin when he saw her crying like that. ”

“After all, Zheng Wanyin was the child he raised by himself. ”

He was even closer to Zheng Wanyin than his own granddaughter.

“With Zhou Zuolong’s consolation, not only did Zheng Wanyin not stop crying, she cried even more heavily. ”

Zhou Zuolong’s eyes also turned red.

“Zheng Wanyin was not a child who liked to cry. She must have suffered a great grievance to cry like this. Otherwise, Zheng Wanyin would not be like this. ”

“Good child, don’t worry. I came here this time to seek justice for you! Don’t Cry now. Where’s your grandmother?” ”

Zheng Wanyin sniffed. "Inside."

Zhou Zuolong hastened his footsteps and walked inside.

Xie Wanqiu was lying on the bed. Her face was pale and she looked very weak.

""Wanqiu." Zhou zuolong pounced over and knelt in front of the bed. He held Xie Wanqiu's hand.  
"WANQIU, are you alright? Wanqiu, I won't allow you to leave me alone!" "

"Xie wanqiu, who was on the hospital bed, did not respond. "

Zhou Zuolong raised his head to look at Zheng Wanyin. "What's going on with your grandmother?"

"Zheng wanyin said, "The doctor said that Grandma's momentary coma was caused by her anxiety. Don't worry, Grandma will be fine." "

Not worried?

How could Zhou Zuolong not be worried?

"Xie wanying had followed him when she was 30 years old. All these years, she had sacrificed her youth for the Zhou family. After so many years of suffering, she finally reached the age where she could enjoy life. Yet, she was angered to such an extent by that unfilial daughter, Zhou Xiang! "

"If not for Xie wanqiu back then, would there be the current Zhou Xiang? "

Chapter 1356: 280: How Shameless can a person be? 1

Zhou Xiang was simply an ingrate.

Zhou Zuolong wished he could slap Zhou Xiang to death right now.

“At this moment, Xie Wanqiu slowly opened her eyes and looked at Zhou Zuolong in front of her. She said in disbelief, “Old, old, old man, is it, is it you?” ”

““It’s me, it’s me!” Zhou Zuolong grabbed Xie Wanqiu’s hand and said in a stifled voice, “Wanqiu, I’m sorry, I’ve Made You Suffer.” ”

“Xie wanqiu smiled with tears in her eyes. “You Old Man, what nonsense are you talking about? ! I’m on my daughter’s side, how can I suffer? You too, why did you come all the way here? You’re just making trouble!” In front of Zhou Zuolong., xie wanqiu had always been a good wife and mother. ”

Zhou Zuolong had never expected that Xie wanqiu would still defend Zhou Xiang at such a time.

She treated Zhou Xiang as her daughter.

But what about Zhou Xiang?

What did Zhou Xiang treat Xie wanqiu as?

“In Zhou Xiang’s eyes, Xie Wanqiu was not even as good as Old Lady Cen’s mother-in-law. ”

“As long as Zhou Xiang had the slightest bit of respect for Xie wanqiu, he would not have angered Xie wanqiu to this extent. ”

“It was all because he had not taught Zhou Xiang well. It was because he, as a father, had not fulfilled his responsibility as a father. ”

“Zhou Zuolong was very guilty. He continued, “Wanqiu, don’t worry. I will definitely teach that unfilial daughter of Zhou Xiang a good lesson and seek justice for all of you.” ”

“”There’s no need.”Xie wanqiu grabbed Zhou Zuolong’s hand, “Old Man, this stepmother has always been difficult to deal with. Now that things have turned out this way, I’m already very remorseful. If you go and cause trouble for Xiang Xiang again, how will others view me as a stepmother? How will they view you as their biological father? Forget about those who know. Those who don’t know will definitely say that with a stepmother, there will be a stepfather!” ”

“The more Xie Wanqiu said this, the more Zhou Zuolong felt uncomfortable. ”

She had thought of every aspect.

But she did not think of herself.

“As a husband, Zhou Zuolong could not stand his wife being wronged like this. ”

Xie wanqiu could see all the changes in Zhou Zuolong’s expression.

“This Zhou Zuolong was old, but he was still so stupid. His intelligence had not improved at all. ”

“As long as she used a little trick and said a few words, she would be led by her nose. ”

He was even more obedient than a dog!

“Xie wanqiu continued, “So, old man, let’s just forget about this matter! Xiangxiang is our daughter. As parents, why bother with their own children?” ”

“Zhou zuolong said angrily, “If you treat her as your daughter, she might not treat you as her mother!” ”

“”Forget it, forget it.”Xie wanqiu patted Zhou Zuolong’s hand gently. ”

“Zhou Zuolong could not help but cry out loud, he held Xie Wanqiu’s hand and said, “Wanqiu, I’ve let you down! I didn’t let you enjoy life when you were young, but when you’re old, I still have to let you suffer like this.” Zhou Zuolong felt that he had let Xie wanqiu down very much, all these years, Xie Wanqiu had suffered a lot for herself and for this family, but he had not let Xie wanqiu live a good life. ”

“Not only did he not let her live a good life, but he had also caused her to lose her only daughter. ”

“Every time he thought of this, Zhou Zuolong’s heart was filled with guilt and discomfort. ”

He had let Xie wanqiu down!

“”I’m fine, I’m fine.” Xie wanqiu smiled and said, “I’m really fine!” ”

Zhou Zuolong hugged Xie Wanqiu and burst into tears.

“Xie wanqiu continued, “Old man, you’re already so old. Why Do you cry when something happens to you?” ”

“”I just feel that I’ve let you down.” Zhou Zuolong wiped his tears, then, he said, “WANQIU, no matter what you say this time, I have to find that rebellious girl and reason with her! I must make her apologize to you! Otherwise, I’m not her father!” ”

“Xie wanqiu narrowed her eyes. “Old Man, if you really want to do something for me, then I really have something to ask of you.” ”

“”Speak.” Zhou zuolong continued, “Between us husband and wife, there’s no need to say the word ‘beg’!” ”

“Xie wanqiu said, “Look, in the blink of an eye, yinyin is already so old. Do you still remember the year Yinyin was born? I asked someone to read Yinyin’s fortune. The master said that Yinyin was born with a Phoenix’s life?” ”

“Yes, of course I remember.” Zhou Zuolong nodded. At that time, he had been happy for a long time because of this matter!

“Xie wanqiu continued, “Actually, the main reason I brought yinyin to the capital was to find a marriage for her. Yinyin is a child who doesn’t have any schemes. She doesn’t even know that she’s been bullied, and she even speaks foolishly for others... “I’m really afraid that when I close my eyes, they’ll bully my yinyin “In this world, the ones I can’t rest assured about are you and yinyin!” ”

Chapter 1357: 280: How Shameless can a person be? 2

“Grandma, don’t say that. You’re in good health!” Zheng Wanyin quickly squatted down and continued to comfort her. “You and Grandpa are so good. You’ll definitely live a long life.”

Zhou Zuolong stood at the side and wiped his tears.

“Xie wanqiu smiled and said, “It doesn’t matter whether I live a long life or not. The main thing is that your grandpa will live a long life.”

“Wanqiu!” Zhou Zuolong cried even louder.

“Xie wanqiu continued, “Old man, don’t just cry. Are You Listening to me?”

“Wanqiu, tell me.” Zhou Zuolong took a deep breath to calm himself down. “I’m listening.”

“Xie wanqiu said, “I said, I want to find a good marriage for yinyin.”

Zhou Zuolong nodded. “You can make the decision on this matter. Yinyin is a good child. She will definitely listen to you.”

Xie wanqiu smiled and shook her head. "I can't just nod my head on this matter. You have to agree to it."

"I agree, I agree! As long as it's what you say, I agree! Which family did you show Yinyin?"

"You know this person too," Xie Wanqiu said.

"Zhou zuolong reached out and scratched his hair. "I, I know him too?"

"Yes."

"Who is it? Tell me."

"Xie wanqiu continued, "This person is Shaoqing.". Although Shaoqing and yinyin were cousins, they were not related by blood at all. Moreover, the fortune teller had told Yinyin that yinyin was a Phoenix's life. In the entire capital, other than Shaoqing, who else could be worthy of a Phoenix's life? "So, after looking around, I still think that these two are the most suitable. No one is more suitable than the two of them."

Cen Shaoqing? !

Zhou Zuolong was stunned when he heard this.

He did not expect that Xie wanqiu would mention Cen Shaoqing.

He was a little surprised.

"After a while, Zhou zuolong continued, "But, but doesn't Shaoqing have a girlfriend?"

“When she heard this, a sinister light flashed in Xie Wanqiu’s eyes.”

What did Zhou Zuolong Mean?

He did not want Zheng Wanyin to marry Cen Shaoqing?

“If she was not his biological daughter, then she was not his biological daughter. No matter what good things happened, Zhou Zuolong would never think of Zheng Wanyin.”

“Fortunately, her biological grandmother was not dead. Otherwise, he really could not imagine what kind of life Zheng Wanyin would have!”

“Xie wanqiu pretended to sigh and held Zhou Zuolong’s hand, “Old Man, I’ve seen Shaoqing’s girlfriend. The little girl’s surname is ye Zhuo.”. She does have a good reputation. It’s not an exaggeration to say that she’s devastatingly beautiful. It’s a pity that she’s born with a heart of a snake and a scorpion. She’s not worthy of our Shaoqing. If ye Zhuo had not deliberately framed yinyin, yinyin would already be in the management of the ABA! This kind of person even harmed her cousin. Do you think she’s a good person? “Xiangxiang is a real person. If ye Zhuo really marries into the CEN family, then the CEN family will have no place for Xiangxiang to speak!””

“Hearing this, Zhou Zuolong frowned. “Yinyin was expelled from the ABA because of her?”Zhou Zuolong had never known about this before.”

He only knew that Xie Wanqiu was angered by Zhou Xiang and was sent to the hospital.

“Xie wanqiu nodded, “I don’t know what dirty tricks ye Zao used to become the main assessment officer back then. Logically speaking, she was Shaoqing’s girlfriend and should have helped yinyin on the assessment ground, but what about her? “After all, she didn’t help yinyin. Instead, she deliberately gave yinyin a low score and let yinyin get an a. in the end, she even deliberately provoked yinyin and made yinyin slip up in front of the CEO... “Otherwise, yinyin wouldn’t have become like this “Do you think such a scourge can be married into the family?””

“Of course, such a scourge couldn’t be married into the family!”

Zhou Zuolong had always thought that Cen Shaoqing was a smart person.

“However, he did not expect Cen Shaoqing to be so muddle-headed!”

He was blind.

“After choosing for so many years, in the end, he actually chose such a person.”

“Zhou zuolong said angrily, “Why didn’t you guys tell me about this earlier?””

“Zheng wanyin said, “Grandfather, it’s not a big deal. Cousin, cousin, and sister-in-law have such a good relationship. Even if I told you, it wouldn’t be of any help. It’s better to avoid trouble. Moreover, I’ve never thought of marrying cousin. Please don’t listen to Grandmother.””

“Xie wanqiu grabbed Zheng Wanyin’s hand, “Old Man, did you see that? !”! Our Yinyin is like that. She has no heart and is kind-hearted. She doesn’t compete with the world. If it wasn’t because Shaoqing is also my grandson, I wouldn’t have let yinyin marry so far away! But Shaoqing is my grandson. I Can’t just watch him be harmed by ye Zao. Only yinyin is the most suitable for Shaoqing. yinyin has grown up in front of us since she was a child, we know her character best! Let Her marry Shaoqing, I’m also at ease!”

Chapter 1358: 280: How Shameless can a person be? 3

Xie Wanqiu’s speech was beautiful to the extreme.

“When people heard it, they felt that Cen Shaoqing had taken advantage of her. ”

It was Cen Shaoqing’s fortune to be able to marry such a good wife like Zheng Wanyin.

“Zhou Zuolong was very touched when he heard it. Things had become like this, but Xie Wanqiu’s thoughts were all about Zhou Xiang and Cen Shaoqing. ”

She even wanted to marry Zheng Wanyin to Cen Shaoqing.

Where in the world could she find such a good stepmother?

Let alone a stepmother!

Even her biological mother could not be like Xie wanqiu.

“WANQIU, thank you. Thank you for being so considerate.” Zhou Zuolong’s eyes were red. “Mu Yang is thousands of miles away from the capital. I, I, I’m afraid that yinyin will be wronged if she marries here.”

“Xie wanqiu said that she couldn’t bear to part with Zheng Wanyin, but Zhou Zuolong said that he couldn’t bear to part with her, but he really couldn’t bear to part with her.”

How Old was Zheng Wanyin when she first came to the Zhou Family?

She was like a kitten!

“She was such a young child, and she asked her sister-in-law to take care of her. Xie Wanqiu was also worried. It was Zhou Zuolong who stayed by the bed every night and watched over Zheng Wanyin as he fed her milk. Little by little, he fed Zheng Wanyin until she was so big.”

“Zhou Zuolong had never treated his children so well, but he had poured his heart and blood into Zheng Wanyin.”

He had originally wanted Zheng Wanyin to look for a bride at home.

But Xie Wanqiu wanted her to marry into the capital.

“Hearing this, Xie wanqiu sighed, “How could I bear to marry Yinyin so far away? But if I don’t marry yinyin over, what can I do? I Can’t just watch ye Zhuo marry Shaoqing, right? “Xiangxiang’s biological mother passed away early. Although I’m her stepmother, I’ve long treated Xiangxiang as my own biological daughter! “I really can’t bear to see Xiangxiang being deceived by that little girl, Ye Zhuo, and Xiangxiang’s mother-in-law. When people get old, they become muddle-headed and mistake their fish eyes for pearls! “I’m really heartbroken!” ”

“As she said the last sentence, Xie wanqiu squeezed out two drops of crocodile tears. ”

Zhou Zuolong was also feeling extremely uncomfortable.

“Xie wanqiu continued, “Fortunately, Shaoqing that child’s character is not bad. I can rest assured that I’ll leave yinyin to him. So, old man, listen to me for once. Otherwise, even if I close my eyes, I won’t be at ease.” ”

“Zhou Zuolong took a deep breath and nodded. “Alright, I Promise You.” ”

“”Old Man, thank you.”Xie wanqiu was overjoyed. ”

“”Silly old woman, why are you being so polite with me?”Zhou Zuolong wiped the tears from Xie Wanqiu’s face. ”

“Xie wanqiu continued, “Although you agreed, Xiangxiang...” ”

“Seeing Xie wanqiu like this, Zhou zuolong said angrily, “What’s wrong with her? I’m her grandfather’s matchmaker for my grandson. Do I need her consent?” ”

“Xie wanqiu said calmly, “Although that’s what you said, Xiangxiang is Shaoqing’s mother after all. No matter what, we still have to get Xiangxiang’s consent for this matter. Old Man, listen to me. When you go to talk about this matter with Xiangxiang, you must not be angry with her. A peaceful family is always a happy thing. If things get out of hand, that’s not good!” ”

Zhou Zuolong nodded. “I know.”

“Zheng Wanyin said at the right time, “Grandpa and Grandma, I really don’t want to marry cousin. You guys should stop fooling around!” ”

Xie wanqiu rolled her eyes at Zheng Wanyin. “There’s no place for you to talk here.”

“Zhou Zuolong looked at Zheng Wanyin with a smile. “Yinyin, your grandma is doing this for your own good.” ”

“Zheng Wanyin sighed. “Even if I’m willing, cousin might not be willing. Grandpa, Let’s bring Grandma back with us! Let’s live our own lives in Muyang. Don’t get involved in these troublesome matters.” ”

Cen Shaoqing was unwilling?

Why was Cen Shaoqing unwilling?

“In Zhou Zuolong’s eyes, Zheng Wanyin was simply the most outstanding girl in the world. Cen Shaoqing had no reason to be unwilling.”

“If she was unwilling, it should be Zheng Wanyin who was unwilling!”

“Zhou zuolong said, “Don’t worry. With me stepping out, he won’t be unwilling.” ”

“Zheng Wanyin wanted to say something else, but Xie wanqiu continued, “Yinyin, I’m a little hungry. Go and buy me some food.” ”

“Okay.”Zheng Wanyin nodded and got up to buy some food.

“Looking at Zheng Wanyin’s back, Xie wanqiu continued, “Old Man, these days, I keep dreaming about yinyin’s mother. Tell me, am I going to leave soon too?” ”

“Hearing that, Zhou zuolong immediately said, “What nonsense are you talking about! It Won’t happen! You Won’t leave! You’re just angered by that evil woman.” ”

Chapter 1359: 280: How Shameless can a person be? 4

“Xie wanqiu turned to look at Zhou Zuolong, “Old man, what if, I mean what if, what if something happens to me, you must not blame Xiang Xiang. Everything is fate. It has nothing to do with Xiang Xiang.” ”

Zhou Zuolong did not say anything.

Not Blame Zhou Xiang?

How could he not blame Zhou Xiang!

“If it was not for Zhou Xiang, Xie wanqiu would not have become like this. ”

“Xie wanqiu continued, “Old man, I’m talking to you! Didn’t you hear me?” ”

Zhou Zuolong nodded perfunctorily. “I heard you. I heard you. Do I dare not to listen to you?”

“Xie wanqiu smiled and said, “It’s good that you heard me. If you dare to argue with Xiangxiang, don’t blame me for ignoring you!” ”

Zhou Zuolong continued to nod.

“Not long after, Zheng Wanyin came back with food. ”

“After eating, Xie wanqiu fell asleep.”

“Yinyin,” Zhou Zuolong called Zheng Wanyin in a low voice.”

Zheng Wanyin raised her head.

“Zhou zuolong whispered, “I’m going out for a while.” ”

“Okay.” Zheng Wanyin nodded and stood up to send Zhou Zuolong out. “Grandpa, are you going to second aunt’s Place?” ”

“Yes.”

“Zheng wanyin continued, “Please don’t make things difficult for second aunt. Otherwise, when Grandma wakes up, I won’t be able to explain it to her.” ”

“After saying that, Zheng wanyin continued, “You and second aunt are biological father and daughter. You Can’t hurt the peace because of this.” ”

Zhou Zuolong looked at Zheng Wanyin and sighed softly.

“Just like what Xie Wanqiu said, Zheng Wanyin was good in everything except for being too kind.”

“Zhou Xiang had treated her so well. If it had been anyone else, they would not have recognized Zhou Xiang as their second aunt. However, Zheng Wanyin did not. Not only did she not do so, she even spoke up for Zhou Xiang.”

“Even if it was her biological niece, she probably could not do what Zheng Wanyin did.”

“However, Zhou Xiang did not know how to cherish her.”

“Seeing that Zhou Zuolong did not speak for a long time, Zheng Wanyin continued, “Grandfather?” ”

“Only then did Zhou Zuolong react. He smiled and said, “Don’t worry, I won’t make things difficult for your second aunt.” ”

“”That’s good.”After saying that, Zheng wanyin continued, “Grandpa, come back soon.” ”

“”Okay.”Zhou Zuolong nodded. “Go back quickly. If your grandmother wakes up later, she won’t be able to do it without anyone by her side.” ”

“Okay.”

Zheng Wanyin turned around and walked into the ward.

“Just as she closed the door, Xie wanqiu, who was on the bed, opened her eyes. She looked at Zheng Wanyin and said, “Your Grandpa Left?” ”

“Yes.”

The corners of Xie Wanqiu’s lips curled up.

“Although Xie Wanqiu did not hear the conversation between Zheng Wanyin and Zhou Zuolong, she could guess who Zhou Zuolong went to find. ”

“”Yinyin, just wait and see.”Xie wanqiu turned to look at Zheng Wanyin. ”

A shy look flashed across Zheng Wanyin’s face. “Grandma...”

That was Cen Shaoqing..

He was truly above all others.

“Xie wanqiu smiled and said, “When a man is older, he should get married. When a woman is older, she should get married. Why are you so shy?” ”

On the other side.

At the CEN residence.

“Zhou Xiang was sitting on the sofa, munching on melon seeds while watching television. ”

“At that moment, the butler walked in from outside the door. ”

“”Madam, Old Mister Zhou has arrived.” ”

Old Mister Zhou! ?

Zhou Zuolong had arrived!

What should she do?

Zhou Xiang was so frightened that her hands trembled. The melon seeds in her hands fell to the ground. She felt that she was hearing things. She raised her head to look at the butler in disbelief. “Who did you say is here?”

“The butler continued, “Old Mister Zhou.” ”

Zhou Xiang’s face turned pale.

She was really afraid of Zhou Zuolong. She had been afraid since she was young.

“When she was young, Zhou Xiang was afraid of the belt in Zhou Zuolong’s hands. When she grew up, although Zhou Zuolong no longer used the belt to whip her, the fear still remained.”

“Zhou Xiang had expected Zhou Zuolong to come to denounce her after she and Xie wanqiu became like this. However, she did not expect Zhou Zuolong to come so quickly.”

How long had it been?

“Just as Zhou Xiang was scared out of her wits, old Mrs. Cen’s voice sounded in the air, “The in-law is here?” ”

“Yes.”The housekeeper nodded.

“Old Mrs. Cen continued, “Then why are you still standing there? Quickly invite him in! Don’t neglect our honored guest!” ”

“Okay.”The housekeeper quickly walked out.

“Looking at the housekeeper’s back, Zhou Xiang swallowed and turned to look at Old Mrs. Cen. “Mom?” ”

Old Mrs. Cen patted Zhou Xiang’s hand. “I’m here. Don’t panic.”

“Okay.”Zhou Xiang tried hard to calm himself down.

“Not long after, the housekeeper brought Zhou Zuolong in.”

“Old Mrs. Cen smiled and welcomed him. “In-law, why didn’t you inform me that you were coming? I could have arranged for someone to pick you up at the airport.” ”

“Keeping Xie Wanqiu’s instructions in mind, Zhou Zuolonghu suppressed the anger in his heart and did not show it. “In-law, you’re too polite. We’re all family. There’s no need to pick me up. I know the way myself.” ”

Chapter 1360: 280: How Shameless can a person be? 5

“Zhou Xiang braced herself and called out, “Dad.” ”

“Zhou Zuolong put on a fake smile and said, “It’s really rare that you still remember me as your dad.” ”

“Old Mrs. Cen smiled and said, “In-law, look at what you’re saying. Although this Xiang Xiang was married off, she’s still your biological daughter. How could she not remember you?” ”

“After saying that, old Mrs. Cen continued to instruct the servants, “Cuiyu, go and pour tea for Mr. Zhou. Don’t neglect the honored guest.” ”

“Old Mrs. Cen’s words were really beautiful. She reminded Zhou Zuolong that Zhou Xiang was married off and reminded Zhou zuolong that in the Cen family, he was just a guest. ”

Want to make things difficult for Zhou Xiang?

No Way.

“Zhou zuolong also heard the hidden meaning in old Mrs. Cen’s words and continued, “Mother-in-law is too polite. I’m not thirsty. I came here this time because I want to talk to Xiang Xiang.” ”

“Old Mrs. Cen smiled. “Now that I think about it, it’s been seven or eight years since you’ve come to the capital, right?” ”

“In these seven or eight years, Zhou Zuolong had never taken the initiative to visit Zhou Xiang. To suddenly come here at this time and say that he missed Zhou Xiang was a little hypocritical. ”

Zhou zuolong frowned.

This old woman of the Cen family was really too difficult to deal with!

Which family and an eighty or ninety-year-old woman would be as nosy as Bai Tang?

And Zhou Xiang was also useless.

“Seeing how Bai Tang bullied him, Zhou Xiang, her biological daughter, did not even say a word. ”

No wonder Xie Wanqiu was so angry.

“Zhou zuolong continued, “It’s precisely because I haven’t been to the capital for seven or eight years that I took this opportunity to visit the capital. The changes in the capital these years have been too great. When I just got off the plane, I almost couldn’t tell north from south.” ”

“After saying that, Zhou Zuolong turned to look at Zhou Xiang and said, “Xiang Xiang, I have two more things to say to you in private.” ”

In private...

“Zhou Xiang suddenly had an ominous premonition, and her scalp went numb. ”

“Old Mrs. Cen smiled and said, “We’re all family, in-laws. If you have anything to say, just say it.” ”

Zhou Zuolong looked at Old Mrs. Cen. "This is a family matter of our Zhou family. I hope that mother-in-law can understand."

"Since they were already talking about family matters, old Mrs. Cen naturally couldn't say anything more."

"Zhou xiang continued, "Dad, follow me over here." "

Zhou Zuolong followed Zhou Xiang's footsteps.

The two of them arrived at the CEN family's teahouse.

"Zhou Xiang poured a cup of tea for Zhou Zuolong and said, "Dad, do you have anything you want to say to me?" "

""What is it? You should be very clear about it." Zhou Zuolong's expression was very ugly. "Xiangxiang, I always thought that you were a good and obedient child, but this time, you really disappointed me!" "

""Your mother was so good to you. She was always thinking of you. Even now, she was also speaking up for you. But what about you? Think about it yourself. What have you done? ! You caused your mother to be hospitalized. You caused yinyin to be expelled from the ABA... " ... " ... " "

"Hearing these words, Zhou Xiang's heart was very upset. "

What did Xie Wanqiu's hospitalization have to do with her?

What did Zheng Wanyin's removal from the ABA have to do with her?

"Zhou Zuolong had blamed these things on her. If it was anyone else, they would not feel good! "

"Moreover, this person was her biological mother. "

“Dad!”! You do not understand the situation at all. Wanyin’s removal from the ABA was entirely her own problem. If she did not question the assessment officer’s subterfuge, she would not have been removed! “Mom was also sent to the hospital because of this!” ”

“Zhou xiang continued, “Dad, I’m your biological daughter. Why Can’t You Be More Fair?” ”

“Ever since Xie Wanqiu married Zhou Zuolong, no matter what problems happened, the person who was at fault was definitely Zhou Xiang. ”

Xie wanqiu and her biological daughter would never make mistakes!

“Zhou Zuolong did not expect Zhou Xiang to actually talk back to him. He was so angry that his face turned red, “Then let me ask you, did yinyin question the test paper because her score was too low? If ye Zhuo gave Yinyin 3a, would yinyin still question the score?” ”

“Dad! Why are you lying through your teeth?”Zhou Xiang was also very angry, “Wanyin took the 1a test herself. She also saw the monitor in the exam room. That was the test paper that she made herself. She only took the 1A test. Can Zhuolong give her 3A?” ”

“Zhou zuolong continued, “Then let me ask you, did your mother look for ye Zhuo before the examination and ask her to keep the 3A for yinyin?” ”

Zhou Xiang frowned slightly. “But the crux of the problem is that Wan Yin did not even get a 3A!”

“Who is ye Zhuo? Is She Shaoqing’s girlfriend?”

“Yes.”Zhou Xiang nodded.

“Zhou zuolong said, “Since she is, and she is the main examiner, why can’t she give yinyin A 3A? I think she did it on purpose! She deliberately targeted yinyin and tried to influence others. I don’t agree with Shaoqing’s relationship with her!” ”

“Zhou Xiang said, “You’re being unreasonable!”! Since Zhuozhuo was the main examiner, she had to take on the responsibility of the main examiner and help them cheat together. What was going on? If everyone relied on their connections to pull strings, then there would be no need for the assessment!” ”

“Seeing Zhou Xiang like this, Zhou Zuolong almost could not control himself. ”

How did he give birth to such an idiot!

He was even dumber than an idiot!

“If it was not for Xie Wanqiu’s sake, he would have fallen out with her long ago. ”

“No matter what, he could not let Xie wanqiu down. ”

“Zhou Zuolong sighed, “Xiangxiang, you are my daughter. This father and daughter only have one life without an afterlife. Father is already so old. He might leave one day. Can’t you listen to father properly once? Do you think I can harm you?” ”

““Although yinyin is not related to me by blood, she is my granddaughter who I raised. Seeing her suffer such a great injustice, as her grandfather, how can I not feel sorry for her?” ”

“In Zhou Xiang’s impression, Zhou Zuolong had always been a very powerful existence. Zhou Xiang was not used to him suddenly becoming like this. ”

““Father, I can understand you, but please understand me as well. This matter is really not Luoluo’s fault.” ”

Zhou Zuolong picked up the cup and drank a mouthful of water. “You like ye Zao very much.”

“Yes.”Zhou Xiang nodded.

"I heard that your mother-in-law also likes her very much?" Zhou Zuolong continued to ask.

"Yes." Zhou Xiang continued to nod.

"Zhou zuolong asked back, "Haven't you ever thought about why both of you are so satisfied with ye Zao?" "

"Zhou Xiang said without hesitation, "Because she's worth it." "

"Zhou zuolong said, "That is because she has good means! She has deceived the two of you! Ye Zao is not worthy of Shaoqing at all. She is here for the Cen family's wealth. If they really get married, the Cen family will be destroyed by ye Zao!" "

Women were only women after all. They could only see the surface when they looked at problems!

"Zha Zha is not that kind of person! Dad, it's fine if you say such things beside me, but please don't let Shaoqing hear you!" "

Zhou Xiang knew Cen Shaoqing's temper the best.

"When that time came, not to mention Zhou Zuolong, even if it was her biological mother, Cen Shaoqing would be able to turn hostile and not acknowledge her. "

He couldn't let Cen Shaoqing hear him?

He was Cen Shaoqing's grandfather. Could it be that Cen Shaoqing still dared to do anything to him?

"Zhou zuolong continued, "Xiangxiang, you're a heartless person. Your mother-in-law is already old. It's inevitable that she doesn't have such a comprehensive view of things! I'm your father. How could I harm you? Xiangxiang, if you still treat me as your father, then listen to me and let Shaoqing Dump Ye Zao!" "

“Speaking up to this point, Zhou Zuolong paused, “You watched that child yinyin grow up. She has to have a good appearance, education, and character. Although she and Shaoqing are cousins, they are not related by blood after all. Although the capital is a little far away, your mother dotes on you and is worried that you will be deceived by Ye Zao. For You and the Cen family, she is still very willing to let yinyin marry over.” ”
