

Almighty D 1361

“Chapter 1361: 281: if she were to be exposed, Xie Wanqiu’s face would turn pale! 1”

“In Zhou Zuolong’s opinion, Zheng Wanyin’s marriage to the Cen family was a marriage of convenience.”

Although the CEN family was a high-class family.

“However, their hometown was thousands of miles away from the capital. How many elders wished for their granddaughter to marry far away?”

“Moreover, Zheng Wanyin did not have a mother since she was young. She did not even have anyone to accompany her when she married far away to the capital.”

““The hearts of all parents are pitiful.” Zhou Zuolong sighed, he continued, “As parents, we really can’t bear to see our own children being deceived, so we can only bear with the pain and let yinyin marry over from afar. Yinyin is so outstanding. After she marries over, she will definitely be able to carry forward the CEN family with Shaoqing. Oh, Xiang! “For the rest of your life, just wait for Yinyin’s good fortune!” ”

Zheng Wanyin had always been number one in her school since she was young. She was an outstanding student and received all sorts of awards.

“Moreover, the fortune teller also said that Zheng Wanyin was a Phoenix’s life. In ancient times, she was the existence of an empress!”

What was an empress?

The mother of a nation!

“Now, Zheng Wanyin marrying Cen Shaoqing was simply Cen Shaoqing and the Cen family’s good fortune. ”

How could an ordinary family marry such an outstanding daughter-in-law like Zheng Wanyin?

It was simply a dream!

“As the words left his mouth, Zhou Zuolong continued, “Xiang Xiang, you are yinyin’s second aunt. Since Wanyin is married here, you are yinyin’s mother-in-law. You must treat yinyin well in the future. You must not let yinyin suffer! If you dare to let yinyin suffer, I will not let you off!” ”

Zhou Xiang was stunned. She did not expect Zhou Zuolong to say such a thing.

Let Zheng Wanyin marry Cen Shaoqing?

Was Zhou Zuolong joking with her?

But joking was not like that.

“Just when Zhou Xiang was slightly stunned, Zhou Zuolong continued, “Xiangxiang, did you hear what I said?” ”

““Dad, are you joking with me?” Zhou Xiang raised her head and looked at Zhou Zuolong. ”

““Who’s joking with you? I’m very serious now. Actually, I’m also reluctant to part with yinyin, but your mother has already made up her mind! Xiangxiang, your mother has poured her heart and soul into you. No matter what, she always puts you first. Even her biological mother can’t do what she did! If it wasn’t for her this time, you would have been deceived by Ye Zhuo! You have to thank your mother properly? You have to apologize to her properly. You Can’t do this in the future! “...” ”

Seriously!

Zhou Zuolong was actually serious!

“Zhou Xiang swallowed her throat, then, she said, “Dad, you have really misunderstood searing. She is not the kind of person you think she is. She is not here for anything in the Cen family. In terms of financial resources, her personal wealth is definitely not lower than Shaoqing’s. In terms of family background, she’s the eldest daughter of the Lin Family! She’s the chief of the Shunxi Financial Group in the financial world! In terms of talent, she’s the night doctor who cured cancer in the medical world. In terms of looks, she’s number one, and no one dares to stand in front of her and claim that she’s number one. She’s with Shaoqing, and it’s completely Shaoqing’s fortune. He wants to dump her and not Shaoqing!” ”

“In Zhou Xiang’s eyes, Ye Zao was the most outstanding person in the world. ”

She would not allow anyone to slander ye Zhuo.

Not even if this person was her father!

Miracle Doctor Ye?

The Chief of the Shunxi Financial Group in the financial world?

Zhou Zuolong laughed in anger when he heard Zhou Xiang’s words.

Stupid!

This daughter of his was so stupid that it made one’s hair stand on end.

“How could he, Zhou Zuolong, who had been smart all his life, give birth to such an idiot? ”

“”Let me ask you, how old is Ye Zhuo this year?” ”

“Zhou Xiang said, “Twenty.” ”

“Has she graduated from university?” Zhou Zuolong immediately asked.

“No.” Zhou Xiang shook his head.

“Zhou zuolong said speechlessly, “A twenty-year-old who hasn’t even graduated from university. You said that she is Miracle Doctor Ye who cures cancer, the chief of the Shunxi Financial Group. Why didn’t you say that she is the Jade Emperor?” ”

It would be great if she said that she was the Jade Emperor. She would directly manage the entire human world!

“Zhou Xiang said, “Father, you have to believe me. Yaozao is really the Miracle Doctor Ye who cures cancer! It’s just that she keeps a low profile and is unwilling to reveal her identity.” ”

“”I think you are bewitched!” Zhou zuolong continued, “Don’t you know about the famous psi XI socialite who caused a commotion a while ago?” ”

“In Zhou Zuolong’s eyes, Ye Zhuo was the mass-produced fake pin-xi XI socialite. ”

The only difference between her and the pin-xi XI edition socialite was that she had the identity of the eldest daughter of the Lin family.

“Because she had the identity of the eldest daughter of the Lin family, she had bewitched everyone. As a result, Zhou Xiang and the old lady cen firmly believed whatever she said. ”

But Zhou Xiang did not use her brain to think. How Old Was Ye Zhuo?

Twenty years old!

“A girl who had not even graduated from university, what could she understand?”

Chapter 1362: Xie wanqiu’s face turned pale when she saw this

A Fool is a fool.

“Other people grow their brains to think about problems and distinguish right from wrong, but her brain is nothing but a decoration.”

It can’t even be compared to a decoration.

Pin Xi XI socialite?

“Zhou Xiang of course knew about pin XI socialite, who was popular all over the internet a while ago.”

What did Zhou Zuolong Mean?

Did he mean that ye Zhuo was a pin XI celebrity?

“Dad, What are you talking about? Zhuolong is not a pin XI celebrity! She is the rightful eldest daughter of the Lin family, and she is Miracle Doctor Ye who can be recorded in history!”

Recorded in history?

Just Ye Zhuo?

“Hearing this, the disdain on Zhou Zuolong’s face was almost overflowing. He did not know whether to be angry or laugh. He did not understand why Zhou Xiang was so stupid! ”

She could even say such unrealistic words like ‘chronicling history’!

Was She Dreaming?

“She was such a person, yet old lady CEN had taken a liking to her at that time. ”

“Oh, he had forgotten. ”

Old Lady Cen was just like Zhou Xiang. She was also an idiot.

“Otherwise, Old Lady Cen would not have chosen Zhou Xiang as her daughter-in-law. ”

“”Chronicling history? A joke in History?”Zhou zuolong continued, “Xiang Xiang, you are an elder now. Don’t you know that you have to think before you speak or do anything?” ”

No wonder Xie Wanqiu was wary of Zhou Xiang and Old Lady Cen being deceived by Ye Zao.

“With Zhou Xiang’s IQ, it would be strange if she was not deceived! ”

She was even more retarded than a three-year-old child!

“”Dad, I’m serious. Zao Zao is really the Miracle Doctor Ye who cured cancer! Do you think I would use such a thing to deceive you?” ”

“As the saying goes, one should not argue with a fool. ”

Zhou Xiang was even more foolish than a fool. What could she say to her?

“Zhou Zuolong raised his hand and continued, “I just want to ask you one thing. Do you want Shaoqing to break up with Ye Zhuo or not?” ”

“Zhou Xiang frowned slightly. “Dad, I’ve already made myself clear. Why Can’t you understand?” ”

“Zhou Xiang had a soft personality and did not have any opinions. Therefore, no matter what request Zhou Zuolong made, Zhou Xiang would unconditionally meet it. ”

But today.

Zhou Xiang had actually rejected him.

And it was not just once.

This made Zhou Zuolong unable to accept it.

Zhou Zuolong looked at Zhou Xiang. “What do you mean by this? You look down on yinyin?”

““It’s not that I look down on yinyin,”Zhou Xiang continued, “It’s just that yinyin and Shaoqing are not suitable. Shaoqing already has a girlfriend. Dad, don’t get involved in this matter. I’m begging you, okay?” ”

“Hearing this, Zhou Zuolong’s expression turned ugly. “Are you blaming me for meddling in other people’s business?” ”

“Zhou xiang patiently explained, “Dad, it’s Shaoqing’s own right to be with anyone. He’s already an adult. Whether it’s me or you, neither of us have the right to interfere in his personal life. Why do you have to misinterpret my meaning?” ”

“Hearing this, Zhou Zuolong became even angrier. ”

What did Zhou Xiang Mean?

Was she referring to the fact that his maternal grandfather had no right to interfere in Cen Shaoqing's matters?

Did Zhou Xiang still care about his biological father?

""Why is it that your mother-in-law can arrange a girlfriend for Shaoqing, but I can't? Could it be that my maternal grandfather can't compare to that grandmother of hers? Without me, how could I have you? Without You, how could Cen Shaoqing have what he has today?" "

Xie wanqiu had already told Zhou Zuolong that ye Zhuo was arranged by old madam Cen for Cen Shaoqing.

"To put it bluntly, Old Madam Cen had been deceived by Ye Zhuo. "

"An old fool had arranged for his biological grandson to be a celebrity on the eve of the festival, and was still so pleased with himself that he thought that she had found some fairy from the nine heavens! "

It was simply a joke if it was spread out.

"Bai Tang had introduced a celebrity on the eve of the festival to Cen Shaoqing, but Cen Shaoqing could accept it. The girl he had introduced to Cen Shaoqing was the most outstanding girl in the world! "

Cen Shaoqing would only reject it if he was blind.

"As long as Cen Shaoqing was sensible, he would be very grateful to him. "

"After all, Zheng Wanyin was more than ten times better than ye Zao! "

“Zhou Xiang explained, “Dad, although my mom was the one who introduced Zao Zao to Shaoqing in the beginning, things are not what you think. “Shaoqing knew Zao Zao Zao before my mom set him up with Zao Zao, and he already had a good impression of Zao Zao. So, they can be considered to be in a free relationship! “You should know Shaoqing’s temper. As long as he doesn’t want to, let alone my mother, even if the Emperor comes, he won’t be able to do anything to him!” ”

Excuses.

“In Zhou Zuolong’s view, Zhou Xiang’s words were all excuses. ”

“Ye Zhuluo was obviously forced onto Cen Shaoqing by Old Lady Cen, but Zhou Xiang insisted that they were free love! ”

Cen Shaoqing is Who?

Chapter 1363: Xie wanqiu’s face turned pale

He had never married before.

He would never marry in his life.

“In the past, old Mrs. Cen had even committed suicide to force Cen Shaoqing into marriage. ”

Old Mrs. Cen must have used the same trick again this time.

Disgusting.

It was simply disgusting!

She actually threatened Cen Shaoqing with her own life.

“Old Mrs. Cen was Cen Shaoqing’s grandmother. Just like him, they were both Cen Shaoqing’s elders. Therefore, no matter what old Mrs. Cen did, he could not say anything.”

Zhou Xiang was the one who made Zhou Zuolong feel a chill in his heart.

“Zhou Xiang was his biological daughter. As his biological daughter, Zhou Xiang actually did not help him. Instead, she stood on old Mrs. Cen’s side.”

How could there be a daughter like Zhou Xiang in the world!

“Zhou Xiang was already like this to his biological father, let alone Xie wanqiu.”

“Thinking of this, Zhou Zuolong’s heart ached for Xie Wanqiu.”

“It was not easy to be a stepmother. Moreover, Xie Wanqiu had been a stepmother for so many years.”

“At this moment, his phone rang in the air.”

Zhou Zuolong picked up his phone.

It was a call from Xie wanqiu.

“Seeing Xie Wanqiu’s call, Zhou Zuolong’s expression eased up a little. He walked to the side and lowered his voice to pick up the phone. “Hello, wanqiu.” ”

“Xie Wanqiu’s voice came from the other side, “Old Man, where are you now? Did you go to Xiang Xiang’s house? I asked yinyin, but she refused to tell me no matter what.” ”

"Zhou zuolong smiled and said, "I'm just out for a walk. I'll be back soon. Don't worry." "

""Old Man, we've lived together for so many years. Don't I know who you are?"Xie wanqiu continued, "You must be at Xiang Xiang's house now, right?" "

"In order to not make Xie wanqiu worry, Zhou zuolong still said, "No." "

""Do you think you can still deceive me?"Xie wanqiu smiled and said, "Old man, the relationship between this stepmother and stepdaughter is quite delicate. There is even a saying in the market that the heart of a stepmother is the tail of a wasp. It doesn't matter what others say about me. I just need to have a clear conscience." "

"At this point, Xie wanqiu paused, then, she said, "Old man, you must not make things difficult for Xiang Xiang. Some words are enough. You must not make Xiang Xiang angry. Ying 'er left early. Xiang is my only daughter now..." "

"At the end of her sentence, Xie Wanqiu cried out loud. "

"Hearing Xie Wanqiu's crying, Zhou Zuolong was extremely anxious. "WANQIU, don't cry. Don't worry. I will definitely not make things difficult for Xiang Xiang. I am Xiang Xiang's biological father. Will this biological father make things difficult for his own daughter?" "

"Xie wanqiu continued, "Old man, you've always been a man of your word. With your words, I'll be at ease." "

""Mm, take good care of your body and cooperate with the doctor. You're thinking more than you think. I'll be back to accompany you soon." "

""Don't worry."Saying this, Xie wanqiu sighed, then, she continued, "As parents, they're most afraid of seeing their children suffer and be deceived. The onlooker sees clearly, but the person in the middle is confused. Xiangxiang is now the person in the middle. "Xiang Xiang listens to you the most. You must make Xiang Xiang wake up. You must not let Xiang Xiang be deceived by ye Zao. Xiang Xiang is a

heartless child. These days, even in my dreams, I am worried about that silly girl... “Ying ‘ER has already left. If anything happens to Xiang Xiang, then as a mother, I will have no face to live in this world!” ”

Who Was Ying ‘er?

“Ying ‘er was Xie Wanqiu’s biological daughter, Xie Ying. ”

“When Xie Wanqiu mentioned Xie Ying again, the tears that had already stopped started to surge again. ”

“”She was only thirty-five years old when she left. She didn’t even look at yinyin... My Poor Ying ‘er! Her life is so miserable!”Xie wanqiu almost burst into tears, “I really don’t want to experience that kind of pain a second time. Old Man, I’ll Leave Our Xiangxiang to you.” ”

“Xie Wanqiu wasn’t the only one who was in pain. Zhou Zuolong was also in pain. Although he hadn’t spent much time with Xie Ying, they were still father and daughter after all. ”

Zhou Zuolong also treated Xie Ying as his own daughter.

“Xie Ying herself was also very outstanding. Zheng wanying was like Xie Ying, a talented girl who was both talented and beautiful. ”

It was a pity.

The heavens were jealous of a beauty. Xie Ying had gone too early.

“Speaking of which, the reason for Xie Ying’s death was generally due to Zhou Xiang. ”

“That year, he and Xie wanqiu were prepared to introduce Xie Ying to Cen Haifeng. ”

It was unknown what tricks Zhou Xiang used to make Cen Haifeng have no choice but to marry her.

“In order to let Xie Ying marry Cen Haifeng smoothly, he and Xie wanqiu even thought of a substitute marriage. ”

Chapter 1364: Xie wanqiu’s face turned pale when she saw this

“However, Cen Haifeng had seen through her in the end. She had no choice but to let Zhou Xiang marry into the Cen family. ”

“Her own sister had snatched her husband away. If it were anyone else, they would not be able to remain indifferent. ”

“In the ten years after Cen Haifeng and Zhou Xiang got married, Xie Ying did not get married. ”

She had been waiting for Cen Haifeng.

“She did not know what happened in between. Eleven years later, Xie Ying suddenly decided to get married. Unexpectedly, the next year, she died on the operating table because of an old woman giving birth. ”

“If Zhou Xiang had not snatched Cen Haifeng away, Xie Ying would not have married late. If Xie Ying had not married late, she would not have become an old woman giving birth. If Xie Ying had not become an old woman giving birth, she would not have had a difficult labor. If Xie Ying had not had a difficult labor, she would not have died on the operating table. ”

“Therefore, Zhou Zuolong had always felt very guilty about Xie Ying’s death. ”

“Every time he thought of Xie Ying, Zhou Zuolong would feel so uncomfortable that he could not breathe. ”

“Zhou Zuolong did not speak for a long time. Xie wanqiu continued, “Old Man, are you listening?” ”

“”Yes.” Only then did Zhou Zuolong react. “WANQIU, I am listening.” ”

“Xie wanqiu said, “Then you must remember what I Said and try to persuade Xiangxiang. However, you must not hurt the harmony. After all, Xiangxiang is our only daughter.” ”

“Xie Wanqiu’s words were sincere. If people who did not know about it heard her, they would really think that she was a good stepmother. ”

“”Yes, I know.” Zhou zuolong continued, “Wanqiu, don’t worry. With me around, I will definitely not let outsiders hurt Xiang Xiang.” ”

“”Okay. Xiang Xiang listens to you the most. With you around, I am much more at ease.” ”

“Hearing this, Zhou Zuolong felt a little suffocated. ”

Zhou Xiang listens to him the most?

“If Zhou Xiang really listened to him, she would not be in this state. ”

“”Alright, I Won’t talk to you anymore. The two of you only see each other once in a long time. Let’s have a good chat. I Won’t disturb you anymore.” ”

“Alright.”

“Xie wanqiu continued, “Then I’ll hang up first.” ”

“Just as she finished her sentence.., xie wanqiu added, “Old man, there are some things that you shouldn’t talk about. They say that good medicine tastes bitter, and good advice is harsh to the ear. If Xiangxiang really doesn’t listen to you, don’t force it. Let’s think of other ways to make peace count.” ”

Make Peace Count.

“Even at this time, Xie Wanqiu still wanted to make peace count. ”

What about Zhou Xiang?

Zhou Xiang had never stood on his father’s side.

“Zhou Zuolong suppressed the displeasure in his heart and tried his best not to change his voice.

“Wanqiu, I know. Don’t worry.” ”

“”Then I’ll hang up first.”After saying that, Xie wanqiu hung up the phone. ”

Zhou Zuolong looked at the hanging phone and was silent for a while before walking to Zhou Xiang’s side. “Do you know who called you just now?”

Zhou Xiang shook her head.

“Your mother called.”Zhou Zuolong looked at Zhou Xiang with a meaningful look in his eyes. “Do you know what your mother told me?”

Zhou Xiang continued to shake her head.

“Zhou zuolong continued, “Your mother told me not to make things difficult for you and to advise you properly. As a mother, she can’t just watch her own daughter be deceived! Don’t look down on the Cen family’s great business. Everyone says that the family is like a needle picking soil, and squandering is like washing the waves and scouring the sand! Since ancient times, there have been many examples of women bringing disaster to the country? The king of Shang Zhou is not like Daji who will not fall, the king of Zhou You is not like Bao Si who will not appear and play with the feudal lords, and the Tang Xuanzong is not like Imperial Consort Yang who will not appear in the turmoil of an Shi! Therefore, do not underestimate a woman. Marry a good wife, not a disaster! And not a socialite who works on the eve of the Sunset!” ”

It was precisely because he married such a virtuous wife as Xie wanqiu that the Zhou family could be so prosperous.

“If not for Xie wanqiu, would Zhou Xiang have married so well? ”

“If not for Xie wanqiu, Zhou Xiang’s younger brother, Zhou Jinbei, could have become a wealthy businessman so early. ”

It was Xie Wanqiu who trained Zhou Jinbei’s independent ability.

“Zhou Jinbei left home at 16, became famous at 20, and appeared in the Shanghai City Financial News section at 25. ”

All of this was thanks to Xie wanqiu.

“If his first wife, Zhou Xiang and Zhou Jinbei’s biological mother were still around, the two siblings definitely wouldn’t have their current achievements. ”

“It was fine if Zhou Xiang didn’t know how to be grateful, but now she still had to be so angry at Xie Wanqiu. She was simply a heartless white sheep wolf. ”

Calling her an ungrateful wolf was an insult to the term ungrateful wolf!

“Zhou Xiang was already quite angry to begin with, so when she heard this, she became even angrier. ”

““Father, what are you talking about! Zhuozhuo is not Su Daji, nor is she bao si, nor is she imperial consort Yang! She is Ye Zhuozhuo!”Zhou Xiang almost could not control her emotions, “Please don’t say Zhuozhuo like that anymore! Otherwise...” ”

“Chapter 1365: 281: Face to face, Xie Wanqiu’s face turned pale! 5”

""Or else what?"Zhou Zuolong interrupted Zhou Xiang's unfinished words and said angrily, "Do you still want to turn hostile and not acknowledge me? !""

"Zhou Xiang said, "Dad, I didn't mean that!""

""A son is an enemy and a daughter is a debt. Everything I did today was for your own good."Speaking up to this point, Zhou Zuolong sighed, then he said, "If your mother wasn't worried about you, do you think I would meddle in your business? In the end, doesn't your mother still care about you?""

Care?

"Zhou Zuolong said it nicely, but it was not because he wanted Zheng Wanyin to marry into the family!"

Zhou Xiang had always thought that Zheng Wanyin was a good child who kept to her duties and knew when to advance or retreat.

Who knew that she actually hid such an unspeakable thought.

"As expected, Old Lady Cen was a good judge of character. She could tell at a glance that Zheng Wanyin was not a good girl."

How could a good girl think about a man who had a girlfriend?

"She did not dare to expose this layer of window paper, so she let the two old men come. For a moment, Zhou Xiang had no good impression of Zheng Wanyin at all."

""Dad, I thank you on behalf of Shaoqing for your concern. I have accepted your kind intentions, but things are really not as you think. Zhuozhuo is a good girl. No one can replace her position in my heart or in Shaoqing's heart.""

“Zhou Zuolong was about to cry from Zhou Xiang’s stupidity. “A good girl, a good girl can pretend to be a miracle doctor who cured cancer? A good girl can pretend to be the chief of the Shunxi Financial Group?””

“Let alone curing cancer, even a person like ye Zhuluo would not be able to treat a common cold well.”

“Every time Zhou Xiang said this, Zhou Zuolong wanted to laugh.”

“He could not believe that Zhou Xiang, who had received higher education, would actually say such a thing.”

“”That’s right. Although Zhuo Zhuo is young, does being young necessarily mean that she is incapable?”Zhou xiang continued, “Dad, the world is so big. You really should go and take a look. There are many outstanding people in this world! Age is just a number. It doesn’t mean anything!””

“Although Zhou Xiang did not mention ye Zhuo at all, Zhou Zuolong could hear the hidden meaning behind these words.”

“Zhou zuolong continued, “Do you think that yinyin can’t be compared to ye Zao?””

“”Dad, it’s not that I think that, but the truth is like this,”Zhou Xiang continued, “Dad, you have to accept the reality. I can understand your feelings. After all, you raised Wanyin by yourself, but you can’t deny the excellence of others just because of this!””

Excellence?

Just ye Zao?

“Ye Zhuo, who was a famous socialite, could also be called excellence?”

There was no comparison between Ye Zhuo and Zheng Wan Yin.

Zheng Wan Yin was the bright white moon in the sky.

Ye Zhuo?

Ye Zhuo could not even compare to the mud on the ground.

""Zhou Xiang, you're really too heartless! Your mother has been speaking up for you up until now. She was afraid that I would make things difficult for you, so she told me over and over again to talk to you properly and make money out of kindness! "For you, she was even willing to marry yinyin to the capital! "Do you really think that we can bear to part with Yinyin?"""

"At this point., zhou zuolong said bitterly, "But what about you! Think about it yourself. What have you done? Are you worthy of your mother? Are you worthy of me? "Zhou Xiang, before you do these things, you'd better think about how you got your position as the Cen family's Madam! If it wasn't for your big sister, do you think you could have married Cen Haifeng? Everything you enjoyed today was given to you by your big sister! You owe your big sister a Life!"""

Owe Xie Ying a life?

"Hearing this, Zhou Xiang's eyes were filled with disbelief, "Dad! What are you talking about! What do you mean I Owe Xie Ying a life? I don't want to fuss about that incident more than 20 years ago. After all, the dead are the most important, but you can't reverse the truth, right! "I was the one who knew Hai Feng first, and I was the one who married Hai Feng. Xie Ying wanted to interfere, but she didn't succeed, so it became my fault?"""

"Speaking of which, Xie Ying was also ambitious."

"In order to marry Cen Haifeng, she had waited for more than ten years."

"Unfortunately, Cen Haifeng didn't give Xie Ying any chance at all. Maybe he felt that he couldn't wait for the result, so Xie Ying married someone."

Zhou Xiang could have let Xie Ying off the hook for all of this.

“But today, Zhou Zuolong actually reversed the truth.”

“Now that he thought about it, the mother and daughter were really the same kind of people.”

They both wanted to be a mistress and poach someone else.

“”If it wasn’t your fault, whose fault was it? If you had given Haifeng to Ying ‘er back then, wouldn’t these things have not happened!”Zhou zuolong continued, “Ying ‘ER is the elder sister, and you are the younger sister. As the younger sister, isn’t it only right for the elder sister to accept him?””

“Chapter 1366: 281: if she were to be smashed in the face, Xie Wanqiu’s face would turn pale! 6”

Zhou Xiang almost lost his balance.

He felt so uncomfortable that he could hardly breathe.

“Zhou zuolong continued, “I’ve already said this much. I’ll give you three days. Three days later, I hope Shaoqing can break up with Ye Zhuo and announce his engagement to yinyin.” ”

“Saying this, Zhou Zuolong turned around and left. ”

“Dad!”Zhou Xiang chased after him.

Zhou Zuolong completely ignored Zhou Xiang.

“Old Mrs. Cen was sitting in the living room. When she saw the two of them walk out one after the other, she stood up in confusion. “Xiang Xiang!” ”

“Zhou Xiang said, “Mom, I’ll go see my dad off.” ”

“Okay.”Old Mrs. Cen nodded.

“Dad!”Zhou Xiang chased after Zhou Zuolong and ran out the door.

“Zhou Zuolong turned to look at Zhou Xiang. “I’ve said it very clearly. You only have three days. Think about it carefully. After three days, you’ll have to bear the consequences! Xiang Xiang, you should know very well who I am.” ”

“After saying that, Zhou Zuolong opened the backseat door and sat inside. ”

“Seeing the car disappear into the night, Zhou Xiang was extremely anxious. ”

“When Zhou Xiang returned to the living room, it was already ten minutes later. ”

“Old Mrs. Cen looked at Zhou Xiang. “Xiang Xiang, what did your father say to you? Did he make things difficult for you?” ”

“Zhou Xiang knew old Mrs. Cen’s personality the best. If Old Mrs. Cen knew about this, old Mrs. Cen would probably chase Zhou Zuolong and Xie Wanqiu and scold them for a few streets. ”

Peace was the most important thing in everything.

“Therefore, old Mrs. Cen must not find out about this. ”

She had to think of a way to solve this herself.

“Zhou Xiang said, “It’s nothing, Mom. Don’t worry. Although my dad is a little unreasonable, I’m his daughter after all. He won’t make things difficult for me. Don’t worry.” ”

Old Mrs. Cen felt that something was wrong with Zhou Xiang. “He really didn’t make things difficult for you?”

“Really!”Zhou Xiang nodded.

“Seeing that Zhou Xiang refused to tell the truth, old Mrs. Cen felt a little regretful. She should have leaned against the window to listen. ”

Although leaning against the window was not the work of a gentleman.

But she was not a gentleman.

She was just an old woman.

“Old Mrs. Cen continued, “Xiang Xiang, you are now the daughter-in-law of our Cen family. So, don’t be afraid to say whatever you have to say. If they dare to bully you, I will support you!” ”

“After saying that, old Mrs. Cen continued, “Moreover, Xiangxiang, didn’t You Promise Me? From now on, you have to stand up straight and fight them to the end. It has only been a few days, and you have already forgotten about this matter?” ”

“Zhou Xiang was very conflicted. She wanted to tell old Mrs. Cen about this matter, but she was afraid that old Mrs. Cen would make things worse. ”

Forget it.

It was better for her to think of a way to resolve it!

“Zhou xiang smiled and said, “Mom, I’ve always taken what you said to heart. My dad really didn’t make things difficult for me.” ”

“Old Mrs. Cen Glanced at Zhou Xiang. “Xiang Xiang, although we are mother-in-law and daughter-in-law, we are like mother and daughter. So, if there’s anything, you must tell me. Don’t bear it by yourself.” ”

“”Yes, I know.”Zhou Xiang nodded. ”

On the other side.

At the hospital.

“Wu Youyu was sitting on the sofa, hugging Xie wanqiu. “Wanqiu, you said Zhou Zuolong.” ”

“Xie wanqiu shook her head. “It’s hard to say. Although Zhou Xiang is a soft-hearted person, that old woman from the Cen family is not someone to be trifled with!” ”

“Glancing at the clock on the wall, Xie wanqiu continued, “It’s getting late. You should go back quickly! Zhou Zuolong should be back soon.” ”

“Not so fast.”Ninja Wu Youyu gave Xie wanqiu a disgusted kiss on the face.

“At this moment, the sound of the door being turned came from outside ”

Someone was opening the door!

Xie wanqiu’s face turned pale. Could it be that Zhou Zuolong had returned?

What should she do?

Chapter 1367: 281: A Slap! 1

Xie wanqiu hurriedly stood up from Wu Youyu's embrace.

Wu Youyu was also quite frightened.

Who would have thought that Zhou Zuolong would come back at this time?

"What should we do? Quickly find a place to hide!"

"A man and a woman were in the same room, their clothes disheveled. Although Zhou Zuolong was a little stupid, he was not stupid to that extent. "

"Seeing that the door was about to be opened, Wu Youyu was very anxious. He looked around and could not find a place to hide. "Where to hide?" "

"Hide, hide, hide under the bed!" "

Wu Youyu quickly hid under the bed.

Xie wanqiu pushed him into the bed and then covered the sheets.

"Just as he was ready, the door of the ward was pushed open from the outside. "

"Zhou Zuolong and Zheng Wanyin chatted and laughed as they walked in. "Grandpa, you haven't eaten yet, right? I'll go buy some food later." "

It was still better to be a granddaughter.

“Unlike Zhou Xiang, who had gone to the Cen family for such a long time, Zhou Xiang only knew how to talk back to him. She did not even ask if he wanted to eat or if he was hungry.”

“Sometimes, being related by blood did not mean anything.”

“Although Zheng Wanyin was not related to him by blood, she was much better than his biological daughter who was related by blood.”

“Zhou zuolong smiled and said, “I’m not hungry. You can ask your grandmother what she wants to eat later.” ”

“Okay.”

“Xie wanqiu tidied her hair and tried her best to calm herself down. She smiled and walked outside. “Old Man, yinyin, why did you and your grandson come back together?” ”

“Seeing Xie Wanqiu get up, Zhou Zuolong said in surprise, “Wanqiu, are you alright?” ”

“Xie wanqiu then remembered that she was still sick. Zhou Zuolong’s sudden opening of the door had thrown her into a panic, causing her to forget the most important thing.”

“Xie wanqiu pinched her temples. “It’s much better than yesterday, so I want to get out of bed and take a walk.” ”

“Zhou zuolong smiled and said, “The heavens really bless us!” ”

Zheng Wanyin looked at the bedside and suddenly felt that something was not right.

Why was there a hand under the bed?

Whose Hand was that?

Was she seeing things?

“At that moment, the owner of the hand seemed to have noticed Zheng Wanyin and immediately retracted his hand. However, in the process of retracting his hand, he accidentally knocked over the fallen vase under the bed.”

Bang!

There was a loud sound in the air.

There was really someone there!

“Moreover, this person was Wu Youyu!”

“When she realized this problem, Zheng Wanyin’s brows tightened.”

Xie Wanqiu was too daring. She actually dared to hide someone under the bed.

“If Zhou Zuolong were to discover this, what would happen?”

Zheng Wanyin had always thought that Xie Wanqiu was a smart person. She did not expect that Xie Wanqiu was a smart person who was muddle-headed for a lifetime.

The loud noise scared Xie Wanqiu so much that her face turned pale. She looked under the bed.

“When she looked at it, she was even more frightened.”

“There was not much cover under the bed. As long as she looked down, she would be able to see Wu Youyu’s face. ”

What should she do?

What if Zhou Zuolong looked under the bed?

“Xie wanqiu was as anxious as an ant on a hot pot. However, she still had to pretend that nothing had happened. ”

Zhou Zuolong looked around curiously. “What’s that sound?”

“What Sound?”Xie Wanqiu’s lips curled into a smile. “Why didn’t I Hear It?”

“You didn’t hear it even though it was so loud?”Zhou Zuolong asked in surprise.

“No.”

Zhou Zuolong narrowed his eyes. “That’s strange. I clearly heard a bang. could someone be hiding in the house?”

“Hearing this, the smile on Xie Wanqiu’s face almost could not be maintained. ”

Could it be that Zhou Zuolong had discovered something?

“At that moment, Zheng Wanyin bent down to pick up the vase on the ground and said with a smile, “I accidentally kicked the vase down.”When she picked up the vase, her gaze met Wu Youyu’s gaze under the bed. ”

Zheng Wanyin’s expression remained the same.

Wu Youyu raised his hand to wipe the cold sweat off his forehead. He was very nervous.

“Did Zheng Wanyin notice him, or did she not notice him?”

“At that moment, Xie Wanqiu’s heart was in her throat.”

She did not see him.

“With the blessing of Bodhisattva, Zheng Wanyin definitely did not see Wu Youyu.”

“Zhou zuolong smiled and said, “I told you there was a sound! Wanqiu, you still don’t believe me!” ”

“Xie wanqiu said, “Maybe it’s because I’m getting old and my ears aren’t working properly anymore.” ”

“After a while, Zheng Wanyin straightened her back and her expression remained the same. “Grandma, Are You Hungry Now? I’ll go buy some food for you.” ”

“”No, I’m not hungry.”She was so scared that she was full. What was there to be hungry for?” ”

“It was unknown whether Zheng Wanyin saw it or not, but Xie Wanqiu’s face was a little pale.”

“Zhou zuolong continued, “Wanqiu, why is your face so ugly? Are you uncomfortable?” ”

Chapter 1368: 281: a slap in the face! 2

“Do I look awful?”Xie wanqiu touched her face and looked up at Zhou Zuolong.

“Zhou Zuolong nodded. “Yes, it looks awful. Do you want me to call the doctor over to take a look?” ”

“”No, no need,”Xie Wanqiu said. “I’m fine. I don’t feel unwell anywhere.” ”

What should he do?

Was there any way to make Zhou Zuolong leave the ward?

“As long as Zhou Zuolong was in this ward, Wu Youyu would not be able to leave. ”

“If this continued, Zhou Zuolong would definitely discover Wu Youyu. ”

“Xie wanqiu became more and more flustered. Her mind was a mess. For a moment, she could not think of anything. ”

“Wu Youyu, who was under the bed, was also very uncomfortable. ”

“Firstly, it was because the space under the bed was too cramped. Secondly, it was because she was nervous and afraid. ”

“Once Zhou Zuolong found out about his affair with Xie wanqiu, they would be finished. Their nearly 30 years of deployment would go down the drain in an instant. ”

Therefore.

They must not be discovered by Zhou Zuolong.

“Wu Youyu pressed his palms together and muttered softly, “Bodhisattva bless, Bodhisattva bless!” ”

“At this moment, Zheng Wanyin walked to Zhou Zuolong’s side with a smile, “Grandpa, the Doctor said that we should take grandma out to bask in the sun more often. The weather outside is pretty good today. Why Don’t you take Grandma Out for a walk in the garden? I’ll go out to buy some food. I’ll call you guys when I get back.” ”

“Xie wanqiu heaved a sigh of relief. At this critical moment, her biological granddaughter was still the most reliable. “Yinyin is right. I just want to go out for a walk and breathe some fresh air. The ward is almost suffocating.” ”

“As Xie Wanqiu spoke, she walked out again and again. ”

“Zhou Zuolong nodded and followed Xie Wanqiu’s footsteps. “Alright, let’s go out for a walk then.” ”

“Okay.”

The two of them walked out of the ward.

“When they reached the door, Xie Wanqiu turned back to take a look at the ward. ”

“Under the bed, Wu Youyu was still lying there. ”

“After Xie Wanqiu and Zhou Zuolong left, Zheng Wanyin also left the ward. ”

“Hearing the sound of footsteps getting further and further away, Wu Youyu, who was hiding under the bed, seemed to have collapsed. He let out a heavy breath and lay on the ground. There was actually a feeling of ecstasy as if he had escaped death. ”

“He had left. Zhou Zuolong had finally left, ”

“today, he had nearly capsized in the gutter. ”

“After a long while, Wu Youyu finally crawled out from under the bed. Dragging his tired footsteps, he walked out of the door.”

Creak —

The door was pushed open.

“Wu Youyu looked outside the door. After confirming that Zhou Zuolong and the others were not outside, he dared to continue walking forward.”

““Miss Ye, we’ve really troubled you this time. If it wasn’t for you, we really wouldn’t know what to do.””

“At this moment, a group of people in deep white coats walked over.”

“They were all wearing masks. Although their faces could not be seen clearly, they could still see that the person walking in front had a graceful figure. His porcelain-white skin was almost transparent under the light.”

“The wide mask covered his face, leaving only a pair of phoenix-like eyes that were full of spirit energy. This caused everyone to turn around and look at the Prime Minister.”

“Is the sterile room ready?”Ye Zhuo looked back slightly and looked at the director beside him.

“The director said respectfully, “Don’t worry, it’s all ready.””

Ye Zhuo nodded slightly. His gaze inadvertently swept past the side and saw a figure sneakily walking out of Xie Wanqiu’s ward.

“Ye Zao was well-versed in psychology. With a glance, he could tell that there was something wrong with this person.”

Cen Shaoqing's grandmother was not a particular person.

Ye Zao subconsciously felt that this sneaky figure was definitely inextricably linked to Xie wanqiu.

It was not until he walked out of the hospital gate that Wu Youyu truly felt that he had come back to life.

In the hospital's back garden.

Xie wanqiu and Zhou Zuolong chatted as they walked.

"Although she was chatting with Zhou Zuolong, Xie Wanqiu's heart was not with Zhou Zuolong. When they were chatting, it was like the head of a fish did not match the horse's mouth. "

She was now very worried about Wu Youyu.

"Wanqiu? Wanqiu?"

Zhou zuolong stretched out his hand and waved it in front of Xie Wanqiu.

"Only then did Xie wanqiu react. She smiled and said, "Old Man, What's Wrong?" "

"Zhou zuolong asked curiously, "What's wrong with you today? Why are you so absent-minded? Are you not feeling well? It's so cold outside. Why Don't we go back first?" "

Go Back? !

What if Wu Youyu was still in the ward when they went back?

No.

They couldn't go back.

"Xie wanqiu continued, "Let's walk around for a while. I'm not feeling unwell. I'm just a little worried about Xiang Xiang. When you went to Xiang Xiang's place today, what did Xiang Xiang Say?" "

It turned out that Xie Wanqiu was worried about Zhou Xiang.

Chapter 1369: 281: a slap in the face! 3

"Xie wanqiu was constantly thinking about Zhou Xiang, but what about Zhou Xiang?"

How did Zhou Xiang Treat Xie Wanqiu?

Kindness was like the liver of a donkey!

"Thinking about Zhou Xiang's words and actions in the CEN family, Zhou Zuolong was very angry. "

How could there be a daughter like Zhou Xiang in the world?

"Zhou zuolong said, "That ingrate. You care about her more than you care about a dog. You care about a dog, and a dog can even wag its tail at you. What would she do?" "

"Xie wanqiu smiled and patted Zhou Zuolong's hand. "Old Man, look at how you talk! It's been so many years, but your bad temper hasn't changed at all! Xiangxiang is your daughter. If you say that she's an ingrate, then what are you?" "

“Yu Luo, Xie wanqiu sighed, then she said, “As the saying goes, it’s the fault of the father if the son doesn’t teach. “It’s the fault of the mother if the daughter doesn’t teach. As Xiangxiang has become like this, as a mother, I’m also responsible. It’s my fault for not teaching my daughter well. So, don’t blame her. If you want to blame someone, blame me.” ”

Xie Wanqiu’s tone was full of self-blame.

It was obvious that she was taking all the blame on herself.

Her responsibility?

What did this have to do with Xie Wanqiu?

“Zhou zuolong said, “Wanqiu, what are you saying? ! You are not only the benefactor of our Zhou family, but also the benefactor of Zhou Xiang and Jinbei. “Without you, Xiang Xiang would not have become the wife of the Cen family, and Jinbei would not have become the head of Haicheng City! “Xiang Xiang’s current state is all Wu Lan’s fault. Wu Lan did not teach her well! “As a stepmother, your responsibility has been fulfilled!” ”

Wu Lan was the biological mother of Zhou Xiang and Zhou Jinbei.

“When Wu Lan left, Zhou Xiang was already thirteen years old. ”

A 13-year-old child was naturally more influenced by his biological mother.

Wu Lan was a failed mother.

He couldn’t let Xie wanqiu take the blame for Wu Lan’s failure.

“Hearing that., xie wanqiu hurriedly said, “Old man, don’t say that. Sister Wu Lan is a good woman. The two children she gave birth to are both dragons and phoenixes among men. She’s not like me. She’s

blessed and doesn't have much luck with children. Speaking of which, I even benefited from sister Wu Lan. If it wasn't for sister Wu Lan, how could I have two such outstanding children?" "

"Xie wanqiu kept referring to sister Wu Lan. Her tone was affectionate, as if she had already forgotten that she had interfered between Zhou Zuolong and Wu Lan at that time, causing Wu Lan to commit suicide by lying on the tracks. "

That's right.

Wu Lan committed suicide by lying on the tracks.

"Back then, when Wu Lan and Zhou Zuolong were together, their family members had a hundred objections. This was because Zhou Zuolong loved to play too much. He was like a playboy with no integrity. "

"However, Wu Lan was the daughter of a prestigious family who had received a traditional education. "

"Although her family members tried to stop her, Wu Lan still married Zhou Zuolong. After their marriage, the two of them did have a period of happiness and had a pair of cute children. "

"However, this short period of happiness came to an abrupt end when Zhou Xiang was 13 years old. "

"That year, Wu Lan found out that her husband was cheating on her. "

Wu Lan questioned Zhou Zuolong.

What did Zhou Zuolong Say?

"He said, "It's not good for women to be too smart. Many times, they just need to turn a blind eye. If they really can't go on, they can go to the Civil Affairs Bureau." "

“After hearing this, Wu Lan felt like the sky was falling. ”

She didn't know what to do.

The vows and promises of love in the past seemed to have become a joke.

The love that had once been so intense was now so miserable.

Go to the Civil Affairs Bureau.

Zhou Zuolong had made it sound so simple.

“At that time, she had betrayed her parents and brother to be together with Zhou Zuolong. If they divorced now, how could she have the face to see her parents and brother? ”

“Knowing that Wu Lan was unwilling to divorce, Xie Wanqiu personally came to provoke her. ”

Wu Lan was a lady from a prestigious family. The pride in her bones did not allow her to act like a shrew cursing the streets.

And the pride in her bones did not allow her to go back to her parents'house to complain.

“After all, before she married Zhou Zuolong, her parents had warned her that if she was not happy in the future, she was not allowed to go home and complain. ”

All the pain and suffering was borne by Wu Lan alone.

“Finally, one day. ”

“On a sunny afternoon, Wu Lan left a suicide note. Wearing her favorite clothes, she hugged the wedding photo of her and Zhou Zuolong and lay on the tracks.”

“After a series of sirens, Wu Lan did not even leave a complete corpse behind.”

She left just like that.

She left behind a pair of children.

“Zhou Xiang was 13 years old, and Zhou Jinbei was 8 years old.”

“After Wu Lan left, the Wu family came to Zhou Zuolong and questioned him. Zhou Zuolong hid the matter of Xie wanqiu. The two young children knew nothing about their parents, so they naturally did not know the true cause of their mother’s death.”

Chapter 1370: 281: A Slap! 4

“Plus, Wu Lan really committed suicide.”

“So, this matter could only be settled this way.”

“Now, who still remembered Wu Lan?”

“Every time she thought of Wu Lan, Xie Wanqiu’s heart was extremely happy.”

So what if Wu Lan was the eldest daughter of a rich family?

So what if she was true love with Zhou Zuolong?

“In the end, she still lost to her! ”

“At that time, Wu Lan lost in her hands, even lost his life, but Zhou Xiang does not still have to call her a mother? ”

“Not only did Wu Lan lose to her,. ”

And it was a complete failure!

“Today, Wu Lan’s grandson still has to kneel at the feet of his granddaughter. ”

The whole Cen family will be theirs!

“Thought of here, Xie wanqiu does not trace ground curved up the corner of the lips. ”

“Zhou zuolong said, “Wanqiu, what are you talking about! What do you mean by you are basking in Wu Lan’s glory? It was clearly Wu Lan who basked in your glory! If it wasn’t for Zhou Xiang, how could Ying ‘ER have left so early?” ”

Xie wanqiu sighed. “That is Ying ‘ER’s fate. I Don’t blame anyone.”

Zhou Zuolong turned to look at Xie wanqiu. “You even said that yinyin is soft-hearted. Aren’t you also soft-hearted? yinyin that child is very much like you!”

“Xie wanqiu smiled and said, “Alright, let’s not talk about this anymore. Did you go to Xiangxiang’s place today and tell her about yinyin and Shaoqing? How did Xiangxiang React?” ”

Zhou Zuolong snorted coldly. “How did she react? What reaction could she have? Our Yinyin is so outstanding. Being able to marry Shaoqing is also a blessing for Shaoqing and the CEN family. How could she refuse?”

"Hearing this, Xie wanqiu said in surprise, "So, Xiangxiang agreed?" "

"Although she knew that Zhou Xiang listened to Zhou Zuolong's words, Xie Wanqiu was still very surprised when she heard the whole result. "

"After all, there was still a dead old woman in the Cen family. "

"Zhou Zuolong held Xie Wanqiu's arm. "Zhou Xiang is the same as Wu Lan. They are both ungrateful things. I gave her three days to consider. After three days, Shaoqing will announce the engagement with yinyin." "

It turned out that she had not agreed. The smile on Xie Wanqiu's face faded a little. "How do you know that Shaoqing will do as you say three days later?"

""Just because I'm his grandfather! If he doesn't listen to me, who else does he want to listen to?"Zhou zuolong continued, "Besides, yinyin is so much better than ye Zhuo. Shaoqing will be more than happy when he hears about this! How can he refuse!" "

Zhou Zuolong was still very confident in Zheng Wanyin.

Xie wanqiu narrowed her eyes and was about to say something when Zhou Zuolong's phone suddenly rang.

"Zhou Zuolong picked up the phone. "Okay, your grandmother and I will be back soon." "

"After hanging up the phone, Xie wanqiu asked, "Is it yinyin calling?" "

"Yes."Zhou Zuolong nodded. "Yinyin has bought the food back. Let's go back."

"Okay."Xie wanqiu followed Zhou Zuolong's footsteps.

The two of them returned to the ward together.

“Zheng Wanyin had already placed the food on the table. “Grandpa and Grandma, quickly sit down and eat.” ”

The table was filled with Zhou Zuolong and Xie Wanqiu’s favorite food.

“Looking at the large table of food, Zhou Zuolong felt a myriad of emotions in his heart. ”

“Zheng Wanyin was not related to him by blood, yet she treated him so well. ”

“Then, he looked at his biological granddaughters. ”

“He had been in the capital for more than a day, but the four sisters, Cen Yuying, Cen Yueya, Cen Yueying, and Cen Yuyan, did not say anything. ”

“Not to mention the fact that he had rushed from his hometown to the capital, just looking at how long Xie Wanqiu had been in the hospital, it was unfilial of the four sisters not to come and see Xie Wanqiu.”

Who Was Xie Wanqiu?

“She was their grandmother, an elder. ”

“If it was that old woman from the Cen family, they would definitely have come to the hospital long ago. ”

“In the end, they still did not have Xie Wanqiu as a grandmother in their hearts. ”

“Seeing Zhou Zuolong like this, Zheng Wanyin asked with concern, “Grandpa, what happened to You?” ”

""Nothing,"Zhou zuolong continued, "During the days when your grandmother was in the hospital, did your four cousins come over to see her?" "

"Zheng Wanyin shook her head and said, "Eldest cousin, second cousin, and third cousin have their own families. They're all quite busy. Fourth Cousin hasn't returned from overseas yet." "

"Xie wanqiu smiled and said, "Look at you, old man, asking questions! Why would I want them to see me? It's not like I have some incurable disease!" "

"Zhou Zuolong felt a little uncomfortable. "Although that's what you said, you're their grandmother after all. You still have to do what you should do. After all, there's no circle without rules." "

""Forget it, forget it. They're all our children. Why bother with them?" "
