

Almighty D 1371

Chapter 1371: 281: a slap in the face! 5

“The more generous Xie Wanqiu was, the more uncomfortable Zhou Zuolong felt.”

“Xie wanqiu had contributed to this family for so many years. If it weren’t for her, Zhou Xiang wouldn’t be here. She shouldn’t have suffered such grievances.”

On the other side.

“Wu Youyu returned to the hotel in a very sorry state. Seeing her like this, Zhang Qingqing asked curiously, “What’s Wrong?” ”

“Although the two of them were in a committed relationship, Wu Youyu poured his heart and soul into Zhang Qingqing. He even wanted to marry Zhang Qingqing and have a child with her. Therefore, Wu Youyu told Zhang Qingqing everything without hiding anything.”

“Hearing that, Zhang Qingqing smiled and said, “Look at you! What are you afraid of? If I Were you, I wouldn’t be afraid. Zheng Wanyin is your biological granddaughter after all. Don’t tell me she will still stand on Zhou Zuolong’s side?” ”

““So, Yinyin saw me?”Wu Youyu asked. ”

Zhang Qingqing nodded. “Unless Zheng Wanyin is blind.”

Wu Youyu narrowed his eyes and did not say anything.

“Zhang Qingqing continued, “Old Wu, if I Were you, I would definitely not hide with Xie wanqiu. I want to walk openly to Xie Wanqiu’s side. Hiding is not a long-term solution. Who knows when Zhou Zuolong will die?” ”

“Aboveboard? How aboveboard?” Wu Youyu looked at Zhang Qingqing.

Zhang Qingqing leaned into Wu Youyu’s ear and whispered something.

“Wu Youyu’s eyes grew brighter and brighter when he heard that. In the end, Wu Youyu hugged Zhang Qingqing and kissed her hard. “My Little Darling, I really love you to death.” ”

“Zhang Qingqing was disgusted by Wu Youyu, just like how Wu Youyu was disgusted by Xie wanqiu. ”

“After all, which young and beautiful woman would like an old man with wrinkles all over his face? ”

“But even if she didn’t like him, she could only endure it. ”

“Wu Youyu could give her 100,000 yuan of pocket money in a month, not to mention the money to buy bags and clothes. How could someone her age give her such money? ”

“In a moment, Wu Youyu let go of Zhang Qingqing, took out his phone, and called Xie Wanqiu. ”

“Xie wanqiu frowned. “Brother youyu, is this really okay?” ”

““Don’t worry, it’s definitely okay. Zhou Zuolong is just an idiot.”After saying that, Wu youyu continued, “Wanqiu, we’ve been sneaking around all our lives. Don’t you want to do it openly for once?” ”

These words made Xie wanqiu very moved.

“If it could be done openly, who would be willing to sneak around? ”

“Wu youyu added, “Also, yinyin might already know about us.” ”

Zheng Wanyin already knew?

Xie wanqiu's face turned pale. "Are you sure?"

Xie wanqiu had watched Zheng Wanyin grow up.

"She knew that Zheng Wanyin and Zhou Zuolong had a very good relationship. If Zheng Wanyin really knew about this, then Zheng Wanyin would most likely expose it to Zhou Zuolong."

"Yes, I'm sure." Wu youyu continued, "Yesterday, when yinyin squatted down to pick up the vase, she looked at me. She's a smart child. There are some things that she can guess even if we don't tell her."

"Hearing this, Xie wanqiu's face turned even paler. She continued to voice out her worries."

"Wu youyu said, "Wanqiu, no matter how good the relationship between yinyin and Zhou Zuolong is, it can't be compared to ours. Blood is thicker than water. We Are Yinyin's biological grandparents." "

"At this point, Wu youyu paused and continued, "If Yinyin really wanted to expose it, she wouldn't have waited until now. So, you don't have to worry about these things that won't happen." "

"In the Zhou family, only Xie Wanqiu and Zheng Wanyin were related by blood. If anything happened to Xie wanqiu, Zheng Wanyin wouldn't have a good life either."

Zheng Wanyin was not a fool. She would do such a stupid thing.

"Hearing this, Xie wanqiu heaved a sigh of relief."

What Wu Youyu said made sense.

"WANQIU, remember to cooperate with me tomorrow." "

“Got it.”

“In the blink of an eye, the next day arrived. ”

“Early in the morning, Wu Youyu brought a fruit basket to Xie Wanqiu’s ward. ”

The person who opened the door was Zhou Zuolong.

“He saw Wu Youyu. Zhou zuolong asked doubtfully, “May I ask who you are?” ”

“Wu youyu continued, “I am Wanqiu’s good friend, Wu Youyu, who grew up together with her. You Are Wanqiu’s lover, right?” ”

“Zhou Zuolong nodded and said with a smile, “Oh! You are that Big Brother Wu who saved Wanqiu when she was young, right?” ”

“Wu Youyu was a little surprised and said, “Wanqiu told you about me?” ”

““Yes,” Zhou Zuolong continued, “Big Brother Wu, you saved Wanqiu. You’re WANQIU’s Savior, and you’re also my Savior. Come, quickly come in.” ”

Chapter 1372: 281: A Slap! 6

Zhou Zuolong turned sideways and invited Wu Youyu in.

“Seeing Wu Youyu, Zheng Wanyin, who was sitting at the side, thought she was hallucinating. ”

Why was Wu Youyu Here?

Or was she seeing things?

Zheng Wanyin raised her hand and rubbed her eyes. The scene before her eyes had not changed.

This was Wu Youyu.

Xie wanqiu and Wu Youyu were too bold.

“After doing such a shameful thing, they actually dared to appear in front of Zhou Zuolong.”

“Moreover, the more Zheng Wanyin listened to the voice, the more she felt that something was wrong.”

Wu Youyu actually claimed to be Xie Wanqiu’s savior.

He was really good at making things up.

“Most importantly, Zhou Zuolong actually believed it.”

“In this world, was there anyone more stupid than Zhou Zuolong?”

“Wu Youyu had given Zhou Zuolong such a big hat, but Zhou Zuolong and Wu Youyu were brothers.”

No Wonder Zhou Xiang was also an idiot.

Zheng Wanyin’s eyes were filled with disdain.

“At this moment, Zhou Zuolong brought Wu Youyu to Zheng Wanyin’s side. “Come, yinyin, let me introduce you. This is your grandfather Wu. When your grandmother was young, your grandfather Wu even saved her! He was your grandmother’s Savior!” ”

“Zheng Wanyin stood up and said, “Hello, grandfather Wu.” ”

Wu Youyu nodded. “Okay.”

“In order to thank Wu Youyu, Zhou Zuolong even specially brought Wu Youyu out for a drink at noon. ”

“Both of them were good drinkers. In addition, Wu Youyu had saved Xie wanqiu. After a meal, Zhou Zuolong had completely let down his guard against Wu Youyu. They were even closer than blood brothers. ”

“Little did he know that in Wu Youyu’s eyes, he was just an idiot. ”

On the other side.

Zhou Xiang was running around anxiously at home.

Zhou Zuolong had only given her a three-day deadline.

“Once the three-day deadline was over, if there was still no news from her side, Zhou Zuolong would definitely not let the matter rest. ”

Could it be that he had really caused Cen Shaoqing and ye Zhuo to break up.

Zhou Xiang was so anxious that her mouth started to bubble.

“Old Mrs. Cen knew that something was wrong with Zhou Xiang and came over to ask with concern, “Xiang Xiang, what happened to you? What did your father say to you when he came over a few days ago?” ”

“”Nothing, Mom, don’t think too much about it.”Zhou Xiang comforted old Mrs. Cen. ”

She planned to personally go to the hospital and explain the matter to Zhou Zuolong.

“Seeing her like this, old Mrs. Cen did not ask further and continued, “Xiang Xiang, if there’s anything, you must tell me. We are all family.” ”

“”Yes, I know.”Zhou Xiang nodded. ”

In the afternoon.

Zhou Xiang arrived at the hospital.

“Seeing Zhou Xiang come over, Xie wanqiu changed from her usual self and became extremely kind. Meanwhile, Zhou Zuolong’s expression was extremely ugly. “Have you told your mother-in-law and Shaoqing about yinyin and Shaoqing?” ”

“Zhou Xiang shook her head. “Dad, I came here to tell you about this. It’s impossible for Shaoqing and Wanyin.” ”

Zhou Zuolong slammed the table and stood up. “Vile daughter! Say It again.”

“”No matter how many times I say it, I will still give the same answer,”Zhou Xiang said. “Dad, don’t you think that this request is too much?” ”

Too Much?

“Zhou Xiang actually said that he, as a father, was too much?”

This was simply going against the heavens!

Zhou Zuolong could not help but raise his hand and give Zhou Xiang a slap.

Xie wanqiu sucked in a breath of cold air. “Old Man!”

Even Zheng Wanyin was shocked.

No one expected Zhou Zuolong to make a move.

Zhou Xiang’s head was hit so hard that blood seeped out from the corner of her mouth.

“Zhou zuolong continued, “Let me tell you, Shaoqing is my eldest grandson. His marriage must be decided by me!” ”

Chapter 1373: 282: the truth that has surfaced! 1

“As his grandfather, what was wrong with him advocating his grandson’s marriage?”

Was he going to let him watch helplessly as Cen Shaoqing was harmed by two women.

“Zhou Zuolong pointed at Zhou Xiang and said angrily, “Idiot, you’re an idiot! Letting Shaoqing get together with ye Zao will sooner or later harm Shaoqing and the entire Cen Family!” ”

“”It’s fine if Bai Tang has bad taste. After all, she’s old and it’s normal for her eyes to be blurry. But what about you? You’re my daughter! I, Zhou Zuolong’s daughter!” ”

Having a daughter like Zhou Xiang was simply embarrassing!

“Zhou Xiang only felt a buzzing sound in her ears. Her face was so painful that it was almost numb. In an instant, she felt as if she had returned to her childhood.”

“Ever since her mother left, Zhou Zuolong had hit and scolded the siblings without any mercy.”

“At that time, she would hide in bed and cry secretly. She would miss her mother and blame her mother at the same time.”

“If her mother had not died, she would not be like this now.”

“Of course, Zhou Zuolong had never told Zhou Xiang the true cause of Wu Lan’s death.”

“Until now, Zhou Xiang still thought that Wu Lan had eloped with another man and died on the train tracks.”

That’s right.

“Zhou Zuolong announced to the public that Wu Lan had eloped with a wild man. In the end, she failed to elope and died on the train tracks.”

“Therefore, Zhou Xiang never dared to mention Wu Lan in front of Zhou Zuolong.”

“Zhou Zuolong asked Zhou Xiang to change her name to Xie Wanqiu’s mother, so Zhou Xiang could only follow suit.”

““Old Man, don’t hit her anymore. We only have one daughter, Xiang!”Xie wanqiu took a step forward and hugged Zhou Zuolong’s arm.”

Only Zhou Xiang had one daughter.

“If it wasn’t Zhou Xiang, would Xie Ying Die?”

“If Xie Ying was Zhou Xiang today, Xie Ying would definitely not be like Zhou Xiang.”

Unfortunately.

Xie Ying left too early.

The heavens were jealous of talented people.

“These words ignited the anger in Zhou Zuolong’s heart. He raised his hand and wanted to hit Zhou Xiang again, “Wanqiu, don’t Stop Me. Let Me Kill this evil daughter. I’ll kill her to pay for Ying ‘ER’s life! Just treat it as if I never raised this idiot!” ”

Xie wanqiu risked her life to block in front of Zhou Xiang.

“Zhou Zuolong pointed at Xie wanqiu and said, “Look at how your mother treated you. Look at how you treated your mother. Are you worthy of being a Daughter?” ”

“As expected, only good seedlings could raise good crops. With a mother like Wu Lan, what kind of daughter could she raise?”

“Fortunately, Xie Wanqiu was teaching Zhou Xiang and Zhou Jinbei in the later stages.”

“Otherwise, these two siblings would have been useless by now!”

“However, Zhou Xiang was fine. Not only did she not thank Xie wanqiu, but she also repaid her kindness with enmity. She was an ingrate.”

“Xie wanqiu continued, “Old Man, don’t blame Xiang Xiang. It’s all my fault as a mother...” ”

“”What’s wrong with you? Without You, would there still be this vile daughter?”Zhou zuolong continued, “Instead, it’s her who has repeatedly angered you into the hospital! Now, she still treats her kindness like a donkey’s liver and lungs!” ”

Who Was Zheng Wanyin?

She was the only person in the world that Xie Wanqiu was related to by blood.

“However, Xie Wanqiu was willing to let Zheng Wanyin marry into the Cen family, allowing Zheng Wanyin to relieve the CEN family of its suffering. ”

How many grandmothers were willing to let their own granddaughters sink into the Mire?

But Xie Wanqiu did it.

But what about Zhou Xiang?

“Not only did she not appreciate her kindness, she even felt that Xie Wanqiu had taken a liking to something in the Cen family. ”

What did the Cen family have?

Didn’t they just have a few lousy dollars?

“An outstanding girl like Zheng Wanyin, what kind of family couldn’t she marry? ”

Was there a need to keep an eye on the Cen Family?

“Anyone could understand this logic, but Zhou Xiang did not. ”

“Xie wanqiu looked at Zhou Xiang and continued, “Xiang Xiang, quickly apologize to your father. Lower Your Head and let your Father Forgive You!” ”

Lower her head?

“If she lowered her head, wouldn’t that mean that she agreed with Zhou Zuolong’s Words?”

“Zhou Xiang knelt on the ground and cried, “Father, I’m begging you. Can you not do this? Shaoqing and Zhuoluo are truly in love. Zhuoluo is a very good, very outstanding girl!” ”

“Zhou Zuolong was already in a fit of anger, so when he heard these words, he became even angrier. “What did you say? Say It Again?” ”

“Things had already come to this point, yet Zhou Xiang was still able to say these words. ”

“She couldn’t really think that ye Zhuo was some Miracle Doctor Ye and the Chief of Shunxi Financial Group, right?”

Did she not have brains?

“Zhou xiang continued, “I beg you to help these two children! Wanyin and Shaoqing are not compatible at all. I beg you not to randomly pick a couple.” ”

She and Cen Shaoqing were not compatible?

“When she heard this, a cold light flashed across Zheng Wan Yin’s eyes. ”

What did Zhou Xiang Mean?

Could it be that she was not even comparable to ye Zhuo.

Chapter 1374: 282: the truth that came to the surface! 2

Even ye Zhuo could be together with Cen Shaoqing.

Why couldn't she?

How could she not be comparable to Ye Zhuo?

Could it be that it was this face.

“Zheng Wanyin reached out to caress her own face, and then.., her eyes reddened as she said, “Grandfather, it’s not sweet to force things. Furthermore, cousin is so outstanding, and I look so ordinary. I’m not even a passer-by. “I’m not worthy of Cousin at all. Please don’t force second aunt. Don’t make things difficult for cousin. It’ll make everyone unhappy.” ”

“Zhou Xiang was not a scheming person. subconsciously, he felt that Zheng Wanyin was right. “Wanyin is right. Dad, please don’t interfere in this matter! I’m begging you!” ”

Zhou Xiang actually felt that Zheng Wanyin was right?

Did she mean that Zheng Wanyin was not worthy of Cen Shaoqing?

“In Zhou Zuolong’s heart, Zheng Wanyin was his most outstanding granddaughter. In this world, there was no one who could compare to Zheng Wanyin! ”

But Zhou Xiang was actually not worthy of Cen Shaoqing.

“Xie wanqiu, who was beside him, was also very angry. ”

“If she was not his biological daughter, then she was not his biological daughter. ”

“If Zhou Xiang was Zheng Wanyin’s biological second aunt today, how could Zhou Xiang say such words?
”

Ingrate!

““Vile daughter, let me ask you, how is it that Yinyin isn’t good enough for Shaoqing!”If she wasn’t good enough, it should be that Cen Shaoqing wasn’t good enough for Zheng Wanyin, but it wasn’t Cen Shaoqing’s turn to say that she wasn’t good enough. ”

““Face, can face be used as food?” ”

“Although Zhou Zuolong had never seen ye Zao, he had heard of ye Zao and knew that Ye Zao was good-looking. ”

But what was the use of being good-looking?

Zheng Wanyin had inner beauty.

Did Ye Zao Have It?

Ye Zao was just a socialite who played the role of Xi Xi.

“Zhou xiang continued, “Dad, it’s not a matter of whether you’re worthy or not, but Shaoqing doesn’t have that kind of intention towards Wanyin at all. The person he loves is Zao Zao!” ”

“”Bai Tang forced ye Zao onto Shaoqing! If it wasn’t for Bai Tang’s unnecessary actions, Shaoqing and yinyin might have already gotten married!” ”

Why didn’t Cen Shaoqing fall in love after so many years?

Perhaps it was because he was waiting for Zheng Wanyin!

“After all, Zheng Wanyin, Little Cen Shaoqing, was quite a few years old. ”

“The more Zhou Zuolong thought about it, the more he felt that this was the case. He continued, “Zhou Xiang, listen well. I only acknowledge yinyin as my granddaughter-in-law! I Won’t acknowledge anyone else!” ”

Cen Shaoqing wanted to be together with ye Zao unless he died!

“Otherwise, ye Zao would never be able to enter the Cen family. ”

“He was Cen Shaoqing’s grandfather. He did not have any other power, but he still had such little power!
”

“”Dad, CAN’T I just take it as I’m begging you?”At this moment, Zhou Xiang was very desperate. ”

She thought of Wu Lan again.

“If Wu Lan had not betrayed Zhou Zuolong, she definitely would not be in this situation right now. ”

“All these years, Zhou Zuolong had vented all his resentment towards Wu Lan on her head. ”

“After all, it was Wu Lan who had betrayed Zhou Zuolong.”

“Therefore, all these years, Zhou Xiang had no regrets about what Zhou Zuolong had done.”

“Now, Zhou Zuolong only wanted to slap Zhou Xiang awake.”

How could he have such a stupid daughter?

She was simply as stupid as a pig.

“Some people could see through it easily, but Zhou Xiang was indifferent no matter what others said. It was as if she was living in her own world.”

Self-deception.

“Xie wanqiu took a step forward and walked to Zhou Xiang’s side. She half-squatted down, she said earnestly, “Xiangxiang, listen to your father! Your father is also doing this for your own good. Think carefully. How many parents in this world would harm their children? I Won’t, and your father won’t!” ”

“At this point, Xie wanqiu paused and sighed, “Although I’m not your biological mother, I still hope that you can live a good life more than anyone else! “Your father and I are almost 200 years old together. We’ve crossed more bridges than you have. It’s said that the onlooker sees clearly, but the person in the middle is confused. You’re the person in the middle now. So, just listen to your father! We Won’t harm you. One day, you’ll understand that everything we’ve done is for your own good!” ”

“”Mom!” Zhou Xiang looked up at Xie wanqiu. “If you really want my good, please don’t interfere in the matter between Shaoqing and Zhuozhu!” ”

“Xiang Xiang!” Xie Wanqiu’s eyes were full of resentment.

“Zhou Xiang grabbed Xie Wanqiu’s hand. “Mom, please advise Dad! He always listens to you the most. Please let him fulfill Shaoqing’s wishes!” ”

“No matter what, Zhou Zuolong was her father. ”

Zhou Xiang did not want to see the father and daughter falling out.

Chapter 1375: 282: the truth that came to the surface! 3

Home and all things prosper.

“Moreover, she and Zhou Zuolong both had the same blood flowing from their bodies. ”

“Although when she was young, Zhou Zuolong was not very good to her, often hitting and scolding her. ”

“However, she could understand Zhou Zuolong. ”

Because she looked like the deceased Wu Lan.

“Zhou Zuolong was first a man, then a father. ”

Zhou Zuolong would definitely be angry at Wu Lan for treating him like that.

“Once Wu Lan died, who would Zhou Zuolong find to vent his anger on? ”

“Wu Lan had already betrayed Zhou Zuolong, causing him to live in pain. As his daughter, she could not let Zhou Zuolong be disappointed. ”

“Xiangxiang,” Xie Wanqiu looked at Zhou Xiang, her eyes filled with helplessness. “Why can’t you understand? We’re doing this for your own good!” ”

“Although she knew that Xie wanqiu would not necessarily help her, Zhou Xiang still could not help but pray to Xie wanqiu. “Mom, I’m begging you! Can you just pity me?” ”

“Xie Wanqiu did not know what to say. She looked up at Zhou Zuolong. “Old Man, how about...” ”

“Before she could finish her sentence, Zhou Zuolong interrupted her, “How can you say that! Zhou Xiang, I’ll give you one more day. If I still don’t see the news of Shaoqing breaking up with Ye Zhuo, I won’t have a daughter like you in the future!” ”

Zhou Zuolong dared to say these words because he was sure that Zhou Xiang would not dare to do anything to cut ties with him.

“In fact, Zhou Xiang really did not dare. ”

Her mother was no longer around. Zhou Zuolong was her only father.

“Dad!”

“Zhou Zuolong pointed at the door and said, “Scram! I don’t want to see you now!” ”

“Dad,” Zhou Xiang hugged Zhou Zuolong’s thigh. “I beg you not to do this.” ”

Xie wanqiu looked at Zhou Xiang with disdain in her eyes.

“Previously, when she said that she wanted to sever ties with Zhou Xiang, Zhou Xiang left without saying a word. ”

“Now that it was Zhou Zuolong’s turn, Zhou Xiang was like this.”

They were related by blood after all.

“In Zhou Xiang’s eyes, her stepmother was nothing.”

Zhou Xiang was also useless.

“First, Zhou Zuolong betrayed Wu Lan and made her commit suicide by lying on the tracks. Then, he forced Zhou Xiang so much that Zhou Xiang did not even know how to resist.”

“Not only did she not resist, she even begged Zhou Zuolong so humbly.”

“As long as Zhou Zuolong insisted, Zheng Wanyin would definitely be able to marry into the Cen family.”

“Thinking of this, Xie wanqiu heaved a sigh of relief and reached out to help Zhou Xiang up. “Xiang Xiang, your father is currently in a fit of anger. You should leave First!” ”

Zhou Xiang was unwilling to leave just like that. “Dad...”

“Get lost!”

“Xie wanqiu pushed Zhou Xiang out. “Let’s go, Let’s Go!” ”

“Helpless, Zhou Xiang had no choice but to walk out.”

“Just as they walked out of the hospital hall, her cell phone rang.”

Zhou Xiang took out her cell phone and her expression changed.

“The person who called was none other than Zhou Xiang’s younger brother, Zhou Jinbei.”

“Zhou Xiang picked up the phone. “Hello, Jinbei.” ”

“Zhou Jinbei’s voice came from the other side. “SIS, Where Are You Now?” ”

Zhou Xiang turned around and looked at the hospital entrance. “I’m at the hospital entrance.”

“Zhou jinbei continued, “Sis, I’m in Beijing.” ”

“Really?”Zhou Xiang was very surprised.

““Yes.”Zhou jinbei continued, “Which hospital are you at? I’m here to look for you.” ”

“It just so happens that our father is also at the hospital. Come and see him.”

“When Zhou Zuolong was mentioned, the other side fell silent.”

“When Wu Lan left, although Zhou Jinbei was only eight years old, he also vaguely knew something.”

“All these years, he had been investigating the cause of his mother’s death.”

Unfortunately.

“After investigating for a long time, he still couldn’t find any results.”

“In Zhou Jinbei’s impression, his mother, Wu Lan, was born into a prestigious family. She was well-read and reasonable, and she could play a piano piece.”

“Her voice was very gentle, and she would tell him and Zhou Xiang bedtime stories every night.”

She spent most of her time with him and Zhou Xiang.

“Wu Lan was not a person who would easily seek death, and she would not cheat on Zhou Zuolong.”

“Moreover, Zhou Jinbei remembered that before Wu Lan’s accident, she had a big fight with Zhou Zuolong.”

Zhou Jinbei did not believe that Wu Lan was the fickle woman that Zhou Zuolong had described.

This was also the real reason why Zhou Jinbei had run away from home when he was sixteen.

He wanted to clear his mother’s name!

“Thinking of this, Zhou Jinbei’s expression changed, and he thought of Old Lady Cen’s request. “Sister, I’m at the delong Road Cafe. Come and find me.” ”

“Zhou Xiang sighed. “Jinbei, it’s been so many years. Are you still unwilling to forgive Dad? Actually, it’s not easy for dad either...” ”

“At that time, she and her brother were still young and needed someone to take care of them. Zhou Zuolong had no choice but to marry Xie wanqiu. ”

Chapter 1376: 282: the truth that has surfaced! 4

“As a daughter, Zhou Xiang could also understand Zhou Zuolong.”

“Zhou jinbei continued, “Sis, come over first.” ”

““Are you really not coming over to see Dad?”Zhou Xiang continued, “Mom is here too.” ”

““SIS, I’ve said it before. I only have one mom! Xie wanqiu wants to be my mom. Let’s do it in our next life!”Zhou Jinbei had always been a very steady person, but when he mentioned Xie wanqiu, it was as if he had become a different person. ”

““Jinbei, Dad and mom have been married for so many years. You should also let it go.” ”

“Zhou Jinbei knew Zhou Xiang’s personality, so he was not angry. He continued, “Sis, come quickly. I’ll wait for you here.” ”

“After saying this, Zhou Jinbei hung up the phone. Looking at the phone that was hung up, Zhou Xiang sighed helplessly. ”

“This little brother of hers was good at everything, but he was easily stuck in his own circle and could not get out. ”

“After a while, Zhou Xiang walked to the front of the car and opened the door. She ordered the driver, “Little Xu, go to delong Road Cafe.” ”

“Little Xu looked at Zhou Xiang from the rearview mirror and said hesitantly, “Madam, do you want to go to the hospital to have a look?” ”

Zhou Xiang’s left face was completely swollen. It looked a little scary.

“Zhou Xiang touched her face and was silent for a moment before saying, “Don’t go yet.” ”

“Okay.”

Zhou Xiang sent a message.

“A moment later, Zhou Xiang looked up at the driver and said, “Little Xu, let’s go to Beijing University first.” ”

“Okay.” Little Xu nodded.

“Beijing university was not far from the hospital, so they arrived very quickly. ”

“Just as they stopped the car, Ye Zhuo, who was wearing a black windbreaker, jogged over. “Auntie.” ”

Zhou Xiang pushed the door open and got out of the car. “Sear Sear.”

“Even though Zhou Xiang had mentioned in the text that she needed ointment to reduce swelling, ye Zhuo was still a little surprised when he saw Zhou Xiang’s swollen face. “Auntie, Are You Alright?” ”

““I’m fine, I’m fine.” Zhou xiang smiled and said, “I just accidentally fell. You can just get me a bottle of medicine to reduce swelling and stasis.” ”

Fell?

How could she fall on her face?

Zhou Xiang’s face was obviously slapped by someone.

“In the CEN family, other than the Old Lady Cen, who else would dare to Slap Zhou Xiang? ”

“However, the Old Lady Cen would never hit Zhou Xiang. ”

“In that case, the only person left was Xie wanqiu.”

“Alright.” Ye Zao collected his thoughts and nodded slightly. He took out the ointment that he had prepared beforehand.

“Zhou Xiang took the ointment with both hands. “Thank you, Zao Zao.” ”

“Ye Zao’s medical skills were brilliant. The ointment that she took out would definitely be able to quickly reduce the swelling and dissolve the stasis. This way, Zhou Jinbei would not discover anything.”

““You’re welcome.” Ye Zao continued, “Aunty, if you need help, please let me know.” ”

““Okay.” Zhou Xiang nodded and smiled. “Don’t worry, Aunty is fine.” She would think of a way to solve Zhou Zuolong’s matter on her own. She did not want to involve ye Zao in it, which would only add to her worries.”

“After saying that, Zhou Xiang continued, “Zao Zao, then Auntie will leave first. If there’s time, let’s have dinner and watch a movie together.” ”

“Okay.”

“After watching Zhou Xiang’s car disappear from his sight, ye Zao turned around and left.”

“After thinking for a while, Ye Zao gave Cen Shaoqing a call.”

“Leader.”

““I saw Auntie just now.” As Ye Zao spoke, he handed the card to the Uncle Guard.”

“What happened to my mom?” Cen Shaoqing asked.

“Ye Zao continued, “Auntie’s face was injured. It should be... someone hit her.” ”

“Hearing this, Cen Shaoqing’s hand that was flipping through the document stopped. He continued, “You didn’t see wrongly?” ”

“I didn’t see wrongly.”

“Cen Shaoqing continued, “Okay, got it.” ”

“On the other side, in the car. ”

“Zhou Xiang applied the ointment evenly on her face. At that moment, she seemed to have thought of something and picked up her phone to call ye Zao. ”

Ye Zao had just hung up on Cen Shaoqing when he received a call from Zhou Xiang. “Auntie.”

“Zhou xiang continued, “Zao forgot to tell you just now. You must not tell Shaoqing about this. I’m fine. If Shaoqing knew, he would definitely worry for nothing.” ”

“Auntie...”ye Zhuo massaged his temples. “I just hung up on Cen Shaoqing.”

“”It’s fine, it’s fine. I’ll call Shaoqing now to explain.” ”

“After saying that, Zhou Xiang hung up and called Cen Shaoqing. ”

The call was quickly picked up. “Mom.”

“”Shaoqing, I’m fine. You Don’t have to worry.” ”

“Then what happened to your face?” CEN Shaoqing continued, “Don’t tell me it was a fall. Can a fall fall on your face?” ”

“The words that were about to come out of his mouth were swallowed by Zhou Xiang. He changed his words and said, “Actually, I said that because I was afraid of burning. Actually... it was your grandfather...” ”

“He hit you?” CEN Shaoqing’s voice was a little cold.

“Not really. I’m your grandfather’s daughter. It’s normal for your grandfather to discipline me. Shaoqing, please don’t misunderstand!” ”

“Although Zhou Zuolong had slapped Zhou Xiang, Zhou Xiang did not hold a grudge against him.” ”

CEN Shaoqing frowned slightly. “What happened?”

“It’s just a small matter,” Zhou Xiang continued, “This is between your grandfather and me. Don’t worry about it!” ”

“At this moment, little Xu turned around and said, “Madam, we’re already at the delong Road Cafe.” ”

“Zhou Xiang said, “Shaoqing, I’m here. Oh right, your uncle is in Beijing. He hasn’t seen burning! If you have time tonight, remember to bring burning home.” ”

“Got it.”

“After hanging up the phone, Zhou Xiang looked at Little Xu. “Little Xu, is the thing on my face still visible?” ”

“It’s much better than before,” little Xu said. ”

“That’s good.”Zhou Xiang heaved a sigh of relief.

“After getting out of the car, Zhou Xiang came to the cafe. From Afar, she saw Zhou Jinbei sitting by the window.”

“Jinbei.”Zhou Xiang jogged over.

“”Sis.”When he saw Zhou Xiang, Zhou Jinbei stood up from his chair.”

It was not until Zhou Xiang sat opposite Zhou Jinbei that Zhou Jinbei realized that Zhou Xiang’s face was covered with injuries.

“Because of the ointment, she no longer looked as scary as before. However, there were still some traces left on her face. “SIS, what happened to your face?” ”

“”Nothing, it’s just a small problem.”Zhou Xiang did not care about her face at all. She continued, “Jinbei, our parents have come to Beijing. Furthermore, our mother is hospitalized. Are you really not going to visit them?” ”

“Actually, Zhou Xiang was thinking for Zhou Jinbei’s sake.”

Zhou Jinbei and Xie Wanqiu did not have a good relationship to begin with. Zhou Jinbei had specially come to Beijing and did not even bother to look at Xie Wanqiu. This did not make sense.

Zhou Jinbei’s expression was a little ugly. “Xie Wanqiu doesn’t have the qualifications to be my mother.”

“”Jinbei, you’re not young anymore. Why are you so insensible? Father is already so old. How many more years do you think he has?” ”

“Zhou Jinbei looked up at Zhou Xiang and said seriously, “Sis, I suspect that Dad has something to do with Mom’s death.” ”

Chapter 1377: 283: the scorching strike! 1

“Hearing this, Zhou Xiang was stunned for a moment before her face turned completely cold. “Jinbei, what nonsense are you spouting! That’s Our Dad! Even if you don’t like him, you can’t accuse him like that!” ”

“When Wu Lan left, Zhou Xiang was thirteen years old. Girls tended to remember things late. She vaguely remembered that Wu Lan and Zhou Zuolong had a very good relationship. ”

“Every year on Wu Lan’s birthday, Zhou Zuolong would prepare a surprise for Wu Lan. ”

“Moreover, when Wu Lan had an accident and left, Zhou Zuolong cried so hard that he almost fainted. ”

“If Wu Lan’s death really had something to do with Zhou Zuolong, Zhou Zuolong would not cry so hard. ”

“One day, husband and wife, one hundred days of grace. ”

Wu Lan and Zhou Zuolong had been husband and wife for more than ten years. The two of them were also freely in love. Zhou Xiang did not believe that Zhou Zuolong would do anything to let Wu Lan Down.

“Zhou Jinbei had long expected this reaction from Zhou Xiang. He continued, “Sister, mom just left, and Zhou Zuolong immediately let Xie wanqiu step into the house. Don’t you find it strange at all?” ”

“If Zhou Zuolong really loved Wu Lan that much, he would have to wait at least a year and a half, let alone three years of filial piety. ”

But what about Zhou Zuolong?

Wu Lan had just passed the 70th hour when he returned with Xie Wanqiu.

“Moreover, in Zhou Jinbei’s memories, Zhou Zuolong was not too sad after Wu Lan left.”

“After saying that, Zhou Jinbei raised his head to look at Zhou Xiang and asked very seriously, “Sis, do you really believe that our mother is such a promiscuous woman?” ”

“In any case, he did not believe it.”

“Therefore, all these years, Zhou Jinbei had been looking for an opportunity.”

“Even though his mother, Wu Lan, had left for so many years, Zhou Jinbei still wanted to clear Wu Lan’s name.”

“Zhou Xiang’s expression was unclear. “Jinbei, I understand how you feel, but it’s already happened. Our mother has been gone for so many years. Just accept reality.” ”

“As her daughter, Zhou Xiang did not want to believe that her mother was that kind of woman.”

But the truth was right before her eyes. So what if she did not believe it?

She could only deceive herself.

Accept reality...

“When he heard this, Zhou Jinbei’s face was full of self-mockery.”

He didn’t expect Zhou Xiang to say this.

““Sis,” Zhou Jinbei drank a mouthful of water. “Since Zhou Zuolong said that mom has another man outside, why hasn’t he announced who that man is?” ”

“Zhou xiang said, “The deceased is already dead. Didn’t Dad say that? He doesn’t want to be calculative with the deceased.” ”

Zhou Jinbei sneered. “You don’t know Zhou Zuolong at all.”

“As his son, Zhou Jinbei knew Zhou Zuolong too well. Selfish, greedy, vain... ”

“If Wu Lan really did something to let Zhou Jinbei down, Zhou Jinbei would be so calm. ”

He would definitely make it known to everyone.

““The reason why he didn’t announce who that man was was because this matter was made up!”Zhou jinbei continued, “Zhou Zuolong is smearing our mother’s name!” ”

Zhou Xiang frowned.

Xie wanqiu and Zhou Zuolong were a half-way married couple. Zhou Zuolong could treat her so well and never abandon her. Xie Wanqiu was the one who made the decisions for the Zhou family.

Wu Lan and Zhou Zuolong were still the original couple.

Would Zhou Zuolong do something to smear Wu Lan?

“Could it be that in Zhou Zuolong’s heart, his first love was not as good as Xie Wanqiu? ”

Zhou Xiang had photos of Wu Lan when she was young.

Wu Lan was very beautiful and had an excellent temperament. Xie wanqiu could not be compared to Wu Lan.

Zhou Jinbei had no reason to do so.

“In Zhou Xiang’s heart, if Zhou Zuolong could treat Xie wanqiu so well, then he would definitely treat Wu Lan better.”

““That won’t happen,” Zhou Xiang continued, “Jinbei, there are some things that can not be said carelessly. Father and mother are in free love. Father will not do anything to let mother down.” ”

““SIS, why don’t You Believe Me?” Zhou Jinbei was a little anxious. ”

Zhou Xiang’s personality was also unknown. She was very gentle and soft.

“Otherwise, she wouldn’t have let Zhou Zuolong and Xie wanqiu bully her for so many years. ”

“Zhou Xiang stirred the coffee in her cup. “Jinbei, it’s not that I don’t believe you. It’s just that your opinion is simply unconvincing.” ”

“At this point, Zhou Xiang sighed, “I know that you’ve always minded Xie wanqiu, but it’s been so many years. Just let go of what needs to be put down. Life is like a white horse passing by, but in the blink of an eye, why do you have to do this? If you keep thinking about those things in the past, not only do you feel bad, others also feel bad! One must learn to move on.” ”

Zhou Xiang was very open-minded.

“Although she and Zhou Xiang were siblings, their personalities were completely different. ”

“Zhou Jinbei had grown up early and had hidden his thoughts well. When he left home at the age of 16, he only took one identity card with him. ”

Chapter 1378: 283: the great burning has made its move! 2

“By the time Zhou Zuolong found him, he was already a wealthy merchant. ”

As for Zhou Xiang.

“Zhou Xiang had always been a well-behaved girl and listened to Zhou Zuolong’s words. If she had not met Cen Haifeng by accident, Zhou Xiang would have been married to an old man who was more than thirty years older than her. ”

“Fortunately, Cen Haifeng had his own opinions and knew Zhou Xiang’s personality. Therefore, after he fell in love with Zhou Xiang, he had always protected Zhou Xiang. That was why Zhou Zuolong and Xie Wanqiu did not succeed. ”

“”Sister, things are not as simple as you think! If moving forward could solve the problem, I would not have investigated for so many years!” ”

“Zhou jinbei continued, “Do you still remember the abnormality before our mother passed away? During that time, mother was depressed, while father often left early and returned late! Have you ever thought of the reason?” ”

How could Zhou Xiang not have thought of this?

She even confronted Zhou Zuolong.

“Zhou Xiang took a sip of coffee and explained, “During that period of time, DAD was investigating Mom’s matter, while Mom was worried that dad would find out.” ”

One was busy investigating leaving early and returning late.

“The other was worried that Zhou Zuolong would find out something, so she was depressed. ”

“It seemed to be a very reasonable explanation, so when Zhou Zuolong told Zhou Xiang about this matter, Zhou Xiang did not doubt Zhou Zuolong’s words at all. ”

“”SIS, do you really believe that this is the case?”Zhou Zuolong asked. ”

“Then what do you think is the case?”Zhou Xiang asked back.

“Zhou zuolong continued, “The result of my investigation was that Xie Wanqiu interfered in their marriage. When mom found dad to question her, dad told mom that she could get a divorce. “At that time, I was eight years old, and you were thirteen years old. In order to be with Zhou Zuolong, mom even fell out with Grandpa’s people. In the face of Zhou Zuolong’s betrayal, what do you think Mom Could Do?” ”

“Wu Lan was a serious young lady. For the sake of her lover, she had betrayed almost everyone. ”

She did not expose her family’s dirty laundry.

Her dignity did not allow her to reveal this matter to the public.

“Hence, she could only swallow her anger. ”

“Until one day, when she could not bear it anymore, she stayed in that world forever. ”

She committed suicide by lying on the tracks.

Her body was smashed into pieces.

Zhou Jinbei really could not imagine what kind of state a person had reached in despair before he had the courage to commit suicide by lying on the tracks!

Zhou Jinbei had once encountered a person who had committed suicide by jumping off the tracks during a train ride.

“The train whizzed past, leaving behind only a mangled corpse.”

“For so many years, whenever Zhou Jinbei thought of that scene, he felt so uncomfortable that he could not breathe.”

This was because his mother had experienced the same thing.

“Sometimes, he felt that his mother was too weak and stupid.”

Why did she have to die?

Why couldn't she wait for him to grow up?

Her death did not exchange for Zhou Zuolong's repentance.

The Sun would still rise in the east tomorrow.

“Instead, it helped Zhou Zuolong and Xie wanqiu, the scumbag couple.”

“Thinking of this, Zhou Jinbei clenched his fists tightly.”

“He only hated that he was too young at that time and did not give Wu Lan a shoulder to lean on, causing Wu Lan to choose the most extreme path.”

The reason why Zhou Jinbei did not blame Zhou Xiang for not recognizing people clearly was because Zhou Xiang was extremely similar to Wu Lan.

His elder sister was like a mother.

“In the days when Wu Lan passed away, Zhou Xiang gave him irreplaceable love.”

“When Zhou Jinbei was a child, he was timid. When it rained and thundered, he was so scared that he did not dare to sleep.”

“As the elder sister, Zhou Xiang was obviously scared to death, but she pretended to be fearless, comforting Zhou Jinbei and protecting him.”

She said with tears in her eyes that she was not afraid.

The siblings comforted each other and survived the dark period.

“Zhou Jinbei looked up at Zhou Xiang. “Elder sister, although mom committed suicide, the masterminds were Xie Wanqiu and Zhou Zuolong! If it weren’t for them, mom wouldn’t have done such an extreme thing!” ”

“Hearing that, Zhou Xiang’s eyes were filled with disbelief.”

Was It Xie Wanqiu and Zhou Jinbei who indirectly harmed Wu Lan?

It couldn’t be.

It couldn’t be!

Zhou Xiang couldn’t believe this fact.

“Zhou Zuolong was her father whom she had respected for many years, and Xie Wanqiu was her mother whom she had personally acknowledged. How could the two of them have done something to let Wu Lan Down?”

“Jinbei, how did you know about this?” Zhou Xiang asked. ”

“Do you still remember Uncle Feng?” Zhou Zuolong continued to ask.

Zhou Xiang nodded. “I do. But didn’t uncle Feng’s family immigrate to C Nation three years after Mom’s accident?”

“A month ago, I met Uncle Feng in the suburbs of C Nation,” Zhou Jinbei said slowly, “I asked him for a long time before uncle Feng was willing to tell me about the past. He told me that Mom had a fierce argument with Zhou Zuolong before she was lying on the tracks. The day after the argument, uncle Feng saw Xie Wanqiu at our house. On the third day, something happened to my mother.” ”

Chapter 1379: 283: the burning is out! 3

“Speaking up to this point, Zhou Jinbei continued, “Why did Xie Wanqiu appear at our house? And Why? After Xie wanqiu came to our house, something happened to our mother!” ”

“Zhou Xiang narrowed her eyes. “Jinbei, if I remember correctly, uncle Feng is addicted to alcohol and often goes crazy from it. I don’t think I can believe everything he says, right?” ”

“Uncle Feng was the son-in-law of his wife. Perhaps he did not have a good life at his wife’s house, so he liked to drink a lot. Whenever he saw him, he would always look drunk. ”

How much credibility could a drunkard’s words have?

“Perhaps it was because he had never experienced betrayal. After marrying Cen Haifeng, Cen Haifeng had always been obedient to her. It made Zhou Xiang feel that no husband in this world would betray his wife.”

Especially a husband and wife who were as loving as Zhou Zuolong and Wu Lan.

“When Wu Lan was still alive, she had told Zhou Xiang about her past with Zhou Zuolong.”

“Hearing this, Zhou Jinbei frowned tightly.”

“Not only uncle Feng, but other people also said the same thing,” Zhou Jinbei continued, “I’ve traveled all over the world for so many years and heard a lot of rumors about Xie Wanqiu and Zhou Zuolong. There’s no smoke without fire. If they’re really fine, will they leave a trail for others?”

“If Zhou Zuolong and Xie wanqiu were really innocent, would the rumors outside be so true?”

It was impossible!

“Therefore, Zhou Jinbei never believed that those rumors were rumors.”

“However, Zhou Xiang didn’t think so.”

“In her opinion, rumors were rumors.”

“After all, when they first met ye Zao in Cloud Capital, everyone didn’t have a good impression of him.”

“Idiot, Trash, ugly girl, almost became ye Zao’s exclusive label.”

But was ye Zao really like that?

Not at all!

“Not only was ye Zao not like the rumors, but he was also very outstanding. From this, it could be seen that sometimes, rumors were like waves without wind, and black and white were reversed.”

“Hearing was false, seeing was believing.”

“Zhou Xiang raised her head and looked at Zhou Jinbei, then, she said, “When entering north, disaster comes from the mouth. At that time, we were still young. Everything you know today is just hearsay. Father has been in business for so many years, and there are many people who are envious of him. What if those people want to sow discord?” ”

“When a person reached a certain level, they would be envious and jealous.”

“The Zhou family’s business was very big, and Zhou Jinbei was a wealthy and influential person. She was the mistress of the Cen family, and the Zhou family was an illustrious family in the local area.”

It was very normal for people to slander someone when they were in an illustrious position.

“At this point, Zhou Xiang sighed, “A tree wants peace, but the wind won’t stop. A child wants to be nurtured, but the family won’t stay. “Mom left early. We only have one father left. He’s already in his seventies this year. How many more years do you think he can live? Ten years? Twenty years? “I hope that in the next few days, you won’t do anything to hurt dad and make yourself regret it.” ”

“Wu Lan left too early. If it wasn’t for the photo, Zhou Xiang almost couldn’t remember her appearance.”

The reason why Zhou Xiang treated Zhou Zuolong and Xie wanqiu so well was actually to make up for the regret of not being able to show filial piety to Wu Lan.

She only had one father. She really could not do anything to harm Zhou Zuolong.

“Speaking up to this point, Zhou Xiang paused, then, she said, “Jinbei, although Xie Wanqiu is not our biological mother, she has been in our family for so many years. She has watched us grow up. In the coming days, even if you can’t treat her as your biological mother, at least don’t hate her so much. “Let go of your opinions. Isn’t it good to have a harmonious family?” ”

Harmony begets wealth.

A harmonious family begets prosperity.

These ancient sayings would never go wrong.

Zhou Xiang did not want to see a father without a father and a son without a son.

“Although Xie Wanqiu did not treat them well when they were young, she was very good to Zhou Zuolong.”

“Thirty years, nearly forty years. Even if there was no merit, there was hard work.”

“Zhou Xiang really wanted to see Zhou Jinbei let go of his prejudice against Xie Wanqiu and become a real family, a family reunion.”

“Sister, don’t you care at all about the cause of our mother’s death? Don’t you want to clear her name? Don’t you want to seek justice for her? That’s our biological mother! Xie wanqiu, who does Xie Wanqiu think she is?” Zhou Jinbei’s eyes were slightly red, “If our mother found out that you were so kind to the person who killed our mother underground, she would definitely be heartbroken!”

The person who killed our mother?

“Zhou Xiang’s entire body trembled when she heard this, and her scalp went numb.”

“Jinbei, you can’t prove it with your words. The police still need to pay attention to evidence to convict her. You’ve always said that our mother’s death had something to do with Xie wanqiu. Do you have any evidence?”

Chapter 1380: 283: the burning is out! 4

Zhou Jinbei took out an envelope from his pocket. "This is the evidence."

Zhou Xiang took the envelope and took out a photo. On the photo was a piece of yellowed letter paper. The letter paper was obviously soaked in water. The handwriting was blurred and nothing could be seen.

"What is this?" Zhou Xiang asked curiously.

"Zhou Jinbei said, "This is the suicide note our mother left behind." "

"Suicide note?"

Zhou Jinbei nodded.

Zhou Xiang frowned. "But I can't see anything on it."

"Speaking of this, Zhou Jinbei was also frowning, "The suicide note was soaked in water, so the handwriting can't be seen clearly. I've looked for many experts to repair the letter, but there's no result. But I believe that the reason why mother was lying on the train must be clearly written on the suicide note." "

This will was found by Zhou Jinbei unintentionally among Wu Lan's belongings.

"Perhaps Zhou Zuolong didn't expect Wu Lan to leave a will, so he casually put Wu Lan's belongings aside. "

"Unfortunately, when Zhou Jinbei found the will, the will was already soaked in water. "

"Although the young Zhou Jinbei couldn't see the words on the will clearly, he subconsciously felt that this will was definitely not simple, so he left it until now. "

“All these years, Zhou Jinbei had been searching for people who could repair the suicide note.”

“Therefore, he had flown to several countries, but the answer he received was the same. Currently, there was this technology.”

“Currently, the original suicide note was in the hands of an expert, and the expert was looking for a way to crack it.”

“Zhou Xiang put down the suicide note, “Jinbei, I know that you have been brooding over mom’s death, but things have already happened. We living people can only look forward! “You can’t rely on a suicide note that can’t be read to conclude that dad and the others had something to do with Mom’s death. It’s not fair to them.” ”

“Before the suicide note was restored, all of this was just Zhou Jinbei’s speculation.”

Zhou Xiang was a very cautious person.

“As the saying goes, good words warm the heart for three winters, and malicious words hurt the heart for six months.”

“She didn’t want to misunderstand Xie Wanqiu and Zhou Zuolong because of a suicide note that couldn’t be seen, resulting in an irreparable situation.”

“Zhou Jinbei sighed. “SIS, you’re still the same. Our mother is the same as you. She Won’t turn back until she hits a wall.” ”

“So many years had passed, but Zhou Xiang had not changed at all.”

“Fortunately, Cen Shaoqing did not follow Zhou Xiang’s personality.”

“No matter what Zhou Xiang said now, she would not believe it.”

The only way was to fix the suicide note.

“Zhou Xiang reached out and patted Zhou Jinbei’s hand. “Jinbei, you’re too stubborn. Actually, it’s better to live a simpler life.” ”

“Zhou Jinbei thought too much. Moreover, it was easy to get stuck in a dead end. ”

“After saying that, Zhou Xiang continued, “If you have time, go and visit mom and Dad! The old couple also misses you. After all, you’re their only son.” ”

“Zhou Jinbei said, “Sis, you can’t be careless. Before Mom’s will is restored, don’t get too close to them! Also, what’s wrong with your face? Why did Zhou Zuolong hit you?” ”

“Zhou xiang smiled and said, “Didn’t I tell you? I made dad angry. It’s nothing. It’ll be fine in a while.” ”

Zhou Jinbei sighed.

“”Jinbei, you don’t have to worry about me.”Zhou xiang continued, “It’s getting late. Let’s go back first. You haven’t met Shaoqing’s girlfriend, right? Shaoqing will bring her back tonight.” ”

“”Really?”Hearing this, Zhou Jinbei’s face was full of smiles. ”

It was really not easy to see Cen Shaoqing fall in love and find a girlfriend in his lifetime!

Zhou Jinbei thought that his nephew was really going to become a monk.

“Yes.”Zhou Xiang nodded.

“Zhou jinbei smiled and said, “Why didn’t you say so earlier? I also brought a gift for my nephew’s wife.”
”

Zhou Xiang stood up from her chair. “We’re all on the same side. There’s no need to be so polite.”

“As the siblings spoke, they walked out of the coffee shop. ”

In the car.

Zhou Jinbei received a call.

“When he saw the caller ID, Zhou Jinbei was very excited. “Hello, Old Zhang! Is there any news from Dr. William?” ”

Old Zhang and Zhou Jinbei were friends. Dr. William was a computer expert from C country that old Zhang had introduced to Zhou Jinbei.

C country was a big country in science and technology.

“Therefore, Zhou Jinbei was full of confidence in Dr. William. ”

“Old Zhang smiled and said, “That’s right. Dr. William said that he found a way to repair the suicide note.” ”

“Really?”The Joy on Zhou Jinbei’s face was almost overflowing.
