Chapter 1381: 283: The Great Scorch is out! 5

""Of course it's true,"old Zhang continued, "But professor William has a condition." "

"Zhou Jinbei said directly, "As long as professor William can repair the will, I'll agree to any condition." "

""That's easy."Old Zhang smiled and said, "Professor William wants all the assets in your name. If you agree, you can come and sign a contract with him tomorrow morning." "

All the assets?

""What?"Zhou Jinbei was stunned. "Old Zhang, are you kidding me?" "

"Old Zhang said, "Why are you reluctant to part with them?" "

""This has nothing to do with whether I'm willing to part with them or not."Zhou jinbei continued, "Are you sure that Professor William wants all the assets under my name?" "

""Anyway, I've already brought the message to you. The choice is yours. At 11 o'clock tomorrow morning, professor William will be waiting for you at the studio. He won't be there if you're late." "

"After saying that, he hung up the phone. "

Zhou Jinbei frowned.

Zhou Xiang turned to look at him. "Are You Alright?"

Zhou Jinbei smiled. "I'm fine."

"On the other side, old Zhang hung up the phone and looked at Dr. William nervously. "Doctor, can we really do this? Isn't it a little too much to ask for all of Zhou Jinbei's assets?" "

"Actually, asking for half was more or less enough. "

"Speaking up to this point, old Zhang continued, "What if he goes to look for other people?" "

"Since doctor William could repair the will, then other people would definitely be able to do the same. "

Wouldn't it be like a chicken flying to the egg?

"In order to gain Zhou Jinbei's trust, Old Zhang had been hiding by Zhou Jinbei's side for a long time. Old Zhang did not want to fail at the last moment. "

"Doctor William leaned back in his chair and tapped the table with his index finger, he said confidently, "Don't worry. In this world, no one can repair that suicide note except for me. No matter how many people he finds, in the end, they can only come to me for help unless he gives up on repairing the suicide note." "

Zhou Jinbei had investigated Wu Lan's matter for so many years. How could he give up so easily?

"Moreover, professor William was not blindly confident. It was because he had the latest technology in the world. "

"In a small country like China, there was no one who could match up to him! "

"In this world, other than him, no one could repair the will. "

"Therefore, Zhou Jinbei was in his hands this time. Zhou Jinbei had no other choice. "

“Old Zhang smiled and said, “Then I’ll congratulate the professor in advance. As long as the Professor doesn’t forget about me.” ”

“Professor William raised his hand, and his blue eyes shined. “Don’t worry. I Won’t forget about you.” ”

“On the other side, in the car. ”

“After hanging up the phone, although Zhou Jinbei couldn’t accept it, he didn’t show it either. ”

“When the boat reached the bridge, it would be fine. If it really didn’t work out, so what if he really gave all his assets to Professor William? ”

“The car was very fast, and after thirty minutes, they arrived at the Cen family manor. ”

“When they arrived at the Cen family manor, Cen Shaoqing and Ye Zhuo hadn’t returned yet. Old Mrs. Cen warmly welcomed them from the hall. “Brother-in-law is here! What a rare guest!” ”

“Old Madam.”

“Old Mrs. Cen smiled and said, “Please come in quickly!” ”

“After she finished speaking, she raised her voice and instructed the servants, “Sister-in-law Wang, serve the best tea! His uncle hasn’t come to the house once in several years.” ”

““Old Madam, you’re too polite.” ”

“Old Mrs. Cen rebuked, “We’re all family. It’s too polite to say that. Brother-in-law, please take a seat. Shaoqing just called back. They’ll be home soon!” ”

“Okay.” Zhou Jinbei and old Mrs. Cen sat on the sofa together.

“After a while, Auntie Wang brought over the brewed tea.”

“At this moment, footsteps sounded in the air.”

“Old Mrs. Cen stood up from the sofa and said with a smile, “They’re here! Shaoqing and searing are back!” ”

Zhou Jinbei also put down his teacup.

“A moment later, two figures walked in from outside the door.”

One of them was wearing a long gown with a bright red Buddhist pearl in his hand.

“The other was wearing a coat of the same color and a pair of black Martin boots. He had a graceful figure, bright eyes and white teeth, and was looking around with a brilliant expression.”

“When these two people walked together, even if they did nothing, it was a beautiful scene.”

“”Uncle,” Cen Shaoqing was the first to speak.”

Zhou Jinbei nodded. “Shaoqing is back.”

“Cen Shaoqing continued to introduce, “Uncle, this is my girlfriend, Ye Zhuo. Leader, this is uncle.” ”

The CEN family members were already used to Cen Shaoqing addressing ye Zhuo as leader.

“However, this was the first time Zhou Jinbei heard it.”

He felt that it was rather unbelievable.

“Cen Shaoqing was such a cold and aloof person, but he actually had such a tender moment. It was simply unbelievable.”

“Ye Zao greeted him politely, “Hello, uncle. I’m Ye Zao.” ”

“”Hello, Hello.” Zhou Jinbei was so nervous that he did not know where to place his hands. At this moment, he seemed to have suddenly thought of something and took out a black bag from his pocket, “Eldest nephew’s wife. Uncle came in a hurry and did not have the time to prepare any decent gifts. Take this.” ”

Taking gifts on their first meeting?

That didn’t seem too good.

“Besides, she was a junior, so she should be the one preparing the gifts for Zhou Jinbei.”

“Ye Zhuo continued, “I appreciate uncle’s kindness.” ”

“Cen Shaoqing reached out to take the bag from Zhou Jinbei and opened his thin lips, “I’ll thank you on behalf of Cen Shaoqing.” ”

“”This silly child, what’s there to thank! No need to thank me!” ”

“Old Mrs. Cen smiled and said, “Brother-in-law, you’re too polite. You came so easily, why did you bring a gift!” ”

“”It’s my duty, it’s my duty.” ”

“Soon, it was time for dinner. ”

“After dinner, everyone sat together and chatted. ”

“At this moment, ye Zao suddenly received a text message. He frowned slightly and replied: [right away.] ”

“After replying to the message, ye Zao took off his watch and fiddled with it a few times. The watch turned into a small computer. At the same time, a transparent screen appeared in the air. ”

“The laser keyboard was placed on the coffee table, and ye Zao’s ten fingers were constantly moving on the keyboard. ”

The screen was filled with code that could not be understood.

“String after string, it was dazzling to the eyes. ”

“This scene stunned Zhou Jinbei, and he said in disbelief, “What kind of high-tech is this?” ”

“Old Madam Cen had an expression that said, “My granddaughter-in-law is awesome. Ye Zi does this. It’s good that you’re used to it, brother-in-law.” ”

“Zhou jinbei continued, “Is my niece-in-law very proficient in computers?” ”

“Old Mrs. Cen continued, “She’s more than proficient. Yezi is an expert in this field. As long as she’s number one, no one will dare to call her number two!” ”

Zhou Jinbei’s face was filled with shock.

He did not expect ye Zao to be so proficient in computers.

“Five minutes later, ye Zao finished typing all the code. A design diagram appeared on the screen. As he operated the keyboard, he made a call. “The design diagram has been sent over. If there are any problems, contact me again.” ”

“After saying that, Ye Zao Hung Up. ”

“Zhou Jinbei watched helplessly as ye Zao turned a computer into an exquisite watch. However, he could not tell what was going on at all. ”

“He had always thought that the sci-fi plots on television were very exaggerated. Now, it seemed that the movies were all realistic! ”

“Zhou Jinbei walked to ye Zao’s side. “Eldest nephew’s wife, are you very proficient in computers?” ”

“”Yes, I’m Alright.”Ye Zao nodded slightly. ”

“Zhou jinbei continued, “Then do you know how to repair damaged documents?” ”

“I do.”

“Hearing this answer, Zhou Jinbei’s eyes lit up. “Great nephew’s wife, then can I trouble you to help me take a look? Can this be repaired successfully?” ”

“Ye Zao took the photo that Zhou Jinbei handed over and opened it to take a look. He then said, “This envelope is more than 30 years old, right?” ”

“Zhou Jinbei did not expect ye Zhuo to be able to tell the year of the suicide note just by looking at the photo. He nodded excitedly. “Yes, can it be repaired?” ”

“Ye Zhuo continued, “It can be repaired.” ”

Chapter 1382: 284: Dr. William is dumbfounded! 1

It can be repaired!

Ye Zao said it can be repaired!

“Hearing this answer, Zhou Jinbei was ecstatic. ”

“After waiting for so many years, he finally got this result. ”

“This time, he didn’t have to beg that Dr. William anymore. ”

“”Really?”Zhou jinbei continued, “My Nephew’s wife, can you really repair this letter?” ”

“Ye Zao nodded slightly. “From the photo, there shouldn’t be any problem. However, because you don’t have the original, the repair time might be a little longer. Uncle, are you waiting to use it?” ”

“What if there’s an original?”Zhou Jinbei immediately asked.

“Ye Zao Thought for a moment. “If there’s an original, it’ll probably take about a week.” ”

A week!

“Hearing this answer, Zhou Jinbei did not know what to say. He thought that ye Zhuo would say that it would take about three to four months, but he did not expect that a week would be enough, “That’s great. So, in a week, I will be able to see the letter that has been successfully restored?” ”

“Ye Zhuo looked up at Zhou Jinbei and continued, “Uncle, do you have the original?” ”

“Yes.” Zhou Jinbei quickly nodded.

“”Then you’ll be able to see it in a week. If you’re lucky, you might even be able to see it ahead of time.” It was not difficult to repair the letter, but it required precise equipment. In this world, many equipment could not keep up with it, ye Zhuo could not be too precise about the time. ”

“”Thank you, great nephew’s wife! Thank you!” Zhou Jinbei was very excited now. ”

“Although ye Zao did not look big, the aura around him was not something that an ordinary person could have. Even as an elder, standing in front of ye Zao, he felt that he was more than a head shorter. ”

“In addition, Zhou Jinbei had just witnessed ye Zao’s ability. ”

Turning an ordinary wristwatch into a small laptop.

This ability was something that even professor William did not have.

“Therefore, Zhou Jinbei firmly believed in ye Zao. ”

“Ye Zao slowly put the wristwatch on his wrist and said with a smile, “It’s not too late for you to thank me after I have successfully restored the envelope.” ”

“”Eldest nephew’s wife, I believe in you. You can definitely restore it successfully,” Zhou Jinbei continued, “Tomorrow, I will bring the original to you tomorrow!” ”

“Okay.” Ye Zao nodded slightly.

“Old Mrs. Cen asked curiously, “Brother-in-law, is that letter very important to you?” ”

""It's important, very important."Zhou Jinbei rubbed his eyes. "It's more important than my life!" "

"If he had not met ye Zao, he would definitely have agreed to Dr. William's conditions. "

"Even if he had to go bankrupt, he had to repair the will and restore the truth of that incident. "

He could not let his mother suffer such grievance.

"Old Mrs. Cen continued, "What is the letter about?" "

"Zhou Jinbei said, "You'll know when it's restored." "

Old Mrs. Cen nodded and did not ask further.

"Zhou Xiang came out with a fruit plate. "Jinbei, what are you guys talking about?" "

"Old Mrs. Cen was about to speak when Zhou Jinbei spoke before her. "SIS, it's nothing. We're just talking about common things." "

""Yes, yes, yes."Old Mrs. Cen could tell that Zhou Jinbei might not want Zhou Xiang to know about this, so she nodded in agreement. "

"Zhou Xiang did not think too much about it. She placed the fruit plate on the coffee table. "Everyone, eat your fruits. The Lotus Mist that just arrived today is especially sweet." "

Cen Shaoqing picked up the lotus mist and ate it slowly.

"Ye Zhuo raised his head and asked, "Is it delicious?" "

“The Lotus Mist looked very good. It was so red that it was tempting, but the taste... .. He really did not dare to compliment it. ”

“Ye Zao did not have a long memory. Every time he took a bite, he would despise it. However, every time he saw the lotus mist, he could not help but take a bite. ”

“Cen Shaoqing was fine by the side. If she could not finish it, she would throw it to Cen Shaoqing. If Cen Shaoqing was not around, she could only bite down and finish the Lotus Mist. ”

“Ye Zao had experienced hardship before. She had experienced the hardship of not having food. Therefore, no matter how terrible the food was, as long as she took a bite, she would insist on finishing it. ”

“Cen Shaoqing tilted his head slightly. “In your words, it’s eating grass.” ”

Eating Grass?

“What’s the taste of Grass?”Ye Zao once again forgot the taste of the Lotus Mist.

Cen Shaoqing handed the Lotus Mist that he had taken a bite of to Ye Zao. “Try it.”

Ye Zao took a bite.

“After the red skin was bitten open, there was a white fruit pulp. It was very watery, and there was a hint of sweetness in the fragrance. Then, there was a strong smell of green grass. ”

“You should eat it yourself.”Ye Zao frowned in disdain. “How can there be such an awful fruit in the world?”

Chapter 1383: 284: Dr. William was dumbfounded! 2

“Isn’t this delicious?”Cen Shaoqing quickly finished eating a lotus mist.

Ye Zao gave him a thumbs up. “As expected of someone who grew up eating grass!”

Cen Shaoqing just smiled and didn’t say anything.

“Seeing this scene, Zhou Jinbei felt that it was a little unbelievable. ”

“If he hadn’t seen it with his own eyes, who would believe that Cen Shaoqing, who was as cold as an iceberg, would have such a warm side. ”

“While he was shocked, Zhou Jinbei picked up a piece of snow pear and stuffed it into his mouth. ”

“”Jinbei, don’t you hate eating pears the most?”Zhou Xiang asked in surprise. ”

“Only then did Zhou Jinbei realize that he was holding a piece of pear. He continued, “After so many years, my taste has long changed. Sister, do you still remember what happened when we were young?” ”

“Zhou xiang smiled and said, “So that’s how it is. This snow pear was transported from Tangshan. I heard that it’s a rock sugar pear. It’s especially sweet. Eat more.” ”

“Okay.”Zhou Jinbei nodded.

The group chatted while eating fruits.

“At 9:30 pm, Cen Shaoqing sent ye Zao back. ”

“Sitting in the driver’s seat, ye Zao fastened his seatbelt and said, “I’m going to school. I’m going to the laboratory to do an experiment tomorrow.” ”

“Okay.”Cen Shaoqing nodded slightly and started the car.

“Ye Zao leaned against the back of the chair. At this moment, as if he suddenly remembered something, he took out a small black bag from his pocket. The thing in the bag didn’t look big, but it was heavy and separated by a bag, he really couldn’t guess what was inside. ”

“Ye Zao raised his eyebrows slightly. “Uncle Won’t give me a gold ingot, right?” ”

“Looking at its shape and weight, it indeed looked like a gold ingot. ”

Cen Shaoqing held the steering wheel with both hands and opened his thin lips. “Open it and you’ll know.”

Ye Zao untied the belt and saw a colorful light coming from inside. He took the thing out and saw that it was a pink diamond that was bigger than a pigeon egg.

“Moreover, it was a rare collection-grade pink diamond. ”

Was this the gift that Zhou Jinbei had casually prepared?

“If it was meticulously prepared, what kind of luxurious item would it be? ”

Ye Zao had thought that it would be a gold ingot at most.

He did not expect it to be a rare pink diamond.

“Ye Zao said, “Uncle is too generous.” ”

Cen Shaoqing smiled. "Didn't you give him a set of clothes as well?"

Clothes that could adjust the temperature.

Pink diamonds could be bought with money.

But limited-edition clothes could not be bought just like that.

"Ye Zhuo continued, "This pink diamond can buy a house full of clothes." "

""We're all family, there's no need to be polite with him." "

"Ye Zhuo asked curiously, "What business does Uncle Do?" "

""Real estate,"Cen Shaoqing said. "

""OH."Ye Zhuo nodded slightly and continued, "By the way, did you ask what happened to Auntie's face?" "

""My grandfather hit it,"Cen Shaoqing said. "

"Your grandfather?"Ye Zhuo frowned slightly.

"Yes."Cen Shaoqing nodded slightly. "My grandfather is selfish and greedy. My mother is a little stupid and filial. It's not strange for such a thing to happen."

One of them was willing to fight and the other was willing to suffer.

Zhou Xiang was also someone who could not be helped.

“Cen Shaoqing wanted to control her, but it was not easy to do so.”

“Hearing this, Ye Zhuo did not say anything more.”

“She did not know the whole story, so she still did not make any comments.”

...

On the other side.

At the CEN residence.

Zhou Jin went to the guest room to rest. Old Mrs. Cen came to Zhou Xiang's room.

“Zhou Xiang was applying medicine on her face. “Mom, it's so late. Aren't you going to sleep?” ”

““I can't sleep.”Old Mrs. Cen walked over to Zhou Xiang and sat down. “Xiang Xiang, aren't you going to tell me what happened to your face?” ”

“Zhou Xiang had been married to the Cen family for so many years, and this was the first time she had a face injury.”

““It's okay. I'm fine now,”Zhou Xiang said.”

“Old Mrs. Cen continued, “How did you promise me a few days ago? You said that you would learn to resist in the future. It's only been a few days, and you've already forgotten about it! “You can't do this. When I leave one day, Shaoqing and Yezi won't have time to take care of the house. Won't you be bullied to death by them?” ”

Old Mrs. Cen was worried to death for Zhou Xiang.

“She had said everything, but Zhou Xiang just wouldn’t listen.”

“Zhou Xiang put down the ointment and said with a smile, “Mom, one of them is my dad, and the other is my mom. They won’t really hurt me. Moreover, I promise you that I will never let anyone do anything to harm Shaoqing and Zhuozhuo.” ”

She would shoulder everything by herself.

“Old Mrs. Cen sighed. “Then tell me, why did he hit you?” ”

Chapter 1384: 284: Dr. William was dumbfounded! 3

““It’s nothing. My father is a hot-tempered person. You know how he gets violent when he doesn’t get along with someone.”. “Speaking of which, Zhou Xiang paused and continued, “Mom, don’t worry. My father was very gentle. You Can’t see anything now.” ”

““You’ve applied the medicine. If you hadn’t applied the medicine, you would still be swollen!”! “How could a biological father beat his own daughter like that?”Old Mrs. Cen frowned. “You’re the only one who’s so stupid to let them beat and scold you. Look at Jinbei and look at you. If you were half as sober as Jinbei, I wouldn’t have to worry so much about you.” ”

Zhou Jinbei was much more shrewd than Zhou Xiang.

“Up until now, Zhou Jinbei still refused to call Xie Wanqiu ‘mother’. ”

But Zhou Xiang had long changed her way of addressing Xie wanqiu.

“Zhou Xiang had a good heart, so she thought everyone was very kind. ”

“Old Mrs. Cen continued, “You haven’t told me why your father would hit you!” ”

“”Mom, didn’t I just say it? My father has a very bad temper. He would hit you if there was a disagreement. Actually, it’s nothing.” ”

“Really?” Old Mrs. Cen asked.

“Of course it’s true. Why do you think they did it?” Zhou Xiang asked back.

She couldn’t tell old Mrs. Cen the real reason.

“If Old Mrs. Cen knew the truth, she would definitely not let it go. ”

“At that time, the matter would only get bigger and out of control. ”

“In this case, she still had room for redemption. ”

Old Mrs. Cen knew that Zhou Xiang had not told her the truth.

This child was too calculative.

“If it was anyone else, who could tolerate such parents? ”

But Zhou Xiang could!

“Not only could she, but she also spoke up for them everywhere. ”

“Xiang Xiang,” old Mrs. Cen reached out and held Zhou Xiang’s hand. “Remember, no matter what happens, I will always be your strongest support. If you encounter any difficulties, you must tell me.” ”

“I know.” Zhou Xiang nodded.

“With that, old Mrs. Cen did not say anything else. “It’s getting late. You should go to bed early.” ”

“Zhou Xiang nodded. “Mom, you should go to bed early too.” ”

“I know.”

“In the blink of an eye, the next day arrived. ”

Zhou Jinbei came to Dr. William’s studio.

The car had just parked when old Zhang ran excitedly to Dr. William’s office. “Dr. William! Dr. William!”

Dr. William put down the document in his hand. “Zhou Jinbei is here?”

Dr. William gave him a thumbs up. “You’re really amazing! Zhou Jinbei is already in the parking lot.”

“Dr. William smiled and said, “Don’t make a fuss. As I said, as long as he sends a will to repair it, he must come and find me.” He was a top expert in C nation. ”

He had come to China this time to conquer everyone.

Professor William had already formulated a plan.

“First, he would possess all of Zhou Jinbei’s assets. Then, he would use Zhou Jinbei’s assets to create a country of technology that belonged to him. ”

“At that time, he would be standing at the top of the world of technology! ”

“As long as he thought of this, professor William’s eyes would be filled with light. ”

It was as if he had already dominated the country of technology.

“Old Zhang continued, “Professor, I’ll go outside to welcome Zhou Jinbei.” ”

“Go ahead.”Professor William waved his hand.

“Old Zhang came to the door of the studio. Just as he stepped out of the door, he saw Zhou Jinbei walk in. ”

“”Brother Zhou, you’re here.” ”

Zhou Jinbei looked at Old Zhang. “Brother Zhang.”

“”Come in, please.”Old Zhang gestured for him to come in. “I knew that you were filial. No matter what you did, you wouldn’t give up on repairing the will.” ”

“Zhou jinbei continued, “You’re on the same side as Dr. William. You approached me just to introduce me to Dr. William.” ”

“Old Zhang was not embarrassed. He smiled and said, “Brother Zhou is indeed a smart man. You’ve seen through it!” ”

So what if Zhou Jinbei had seen through it?

Would Zhou Jinbei give up on repairing the will?

Zhou Jinbei did not have any expression on his face. "I should have seen through it long ago."

"From the very beginning, old Zhang's motives had been very impure. "

"He had been smart all his life, but he had been muddle-headed for a while. He foolishly confided in old Zhang and even called him brother. "

"Old Zhang smiled and said, "Actually, it's not too late to see through it now. Brother Zhou, don't worry about why I approached you. You just need to know that Dr. William can help you repair your will." "

"After all, this was Zhou Jinbei's ultimate goal. "

The two of them walked and soon arrived at Dr. William's office.

Old Zhang reached out and knocked on the door.

Dr. William's voice came from inside. "Come in."

"Old Zhang pushed the door open and entered. "Dr. William, Mr. Zhou has arrived." "

"Sit down." Dr. William looked at the chair opposite him.

Zhou Jinbei leaned over and sat down.

Dr. William gave Old Zhang a look.

“Old Zhang immediately understood and took out the contract that he had prepared earlier. “Brother Zhou, take a look. This is the contract. If you feel that there’s no problem, sign it.” ”

“Zhou Jinbei looked at the contract, his eyes full of ridicule. ”

This old Zhang really treated him like a fool.

“The contract clearly stated that Dr. William only had a 50% chance of repairing the will. Once the contract was signed, the restoration plan would be immediately carried out for a total of two months. ”

“After two months, regardless of whether the will could be successfully repaired or not, all of Zhou Jinbei’s assets would belong to Professor William. ”

This contract was even more overbearing than the overbearing clause.

“Seeing that Zhou Jinbei held the contract and did not speak for a long time., old Zhang continued, “Brother Zhou, all these years, you’ve flown to so many countries. You should know that currently, there’s no technology to repair it, but professor William has a 50% chance. Although the contract said that it was only 50% , actually, professor William has a 100% chance. It’s just that Professor William is low-key and doesn’t want to clearly mark it out.” ”

“Zhou jinbei sneered, “Then he’s really low-key.” ”

Only someone like old Zhang could say something like that.

“Old Zhang didn’t see Zhou Jinbei’s mockery and continued, “So, Brother Zhou, hurry up and sign it! After this mountain, there won’t be this temple anymore!” ”

““Where’s my original copy?”Zhou Jinbei flipped through the contract, “You Lost It?” ”

““Don’t worry, I didn’t lose it. It’s Here!”Old Zhang took out an envelope from his pocket. ”

“Zhou Jinbei took the envelope. After confirming that there was nothing wrong with the will, he stood up from his chair. “I still have something to do. Excuse me!” ”

““Brother Zhou, you haven’t signed it yet!”Old Zhang stood up and said. ”

Zhou Jinbei turned to look at Old Zhang. “Who said I’m going to cooperate with you?”

Not cooperating?

“Old Zhang’s face was full of disbelief. “Brother Zhou, what do you mean? Don’t you want to fix the will and restore Auntie’s innocence?” ”

“Dr. William is the only one who can fix the will!”

“Zhou Jinbei looked at Old Zhang, “The only one? Dr. William is such a big face! Our China is a great country with many talents. There are many people who are more powerful than him. Only a frog at the bottom of a well with short-sighted vision would say such a ridiculous thing!” ”

Chapter 1385: 285: so angry that his face changed

“Hearing this, Old Zhang almost couldn’t believe his ears.”

He also couldn’t believe that the person standing in front of him was Zhou Jinbei.

What nonsense was Zhou Jinbei saying?

“What he meant was, he had already found someone who could repair the will?”

“But in all of China, besides Dr. William, who else could have this ability.”

“Not to mention China, even country C and several other countries could not find such a person.”

“”Brother Zhou, do you know what you are talking about!”Old Zhang continued, “Now hurry up and apologize to Dr. William, and ask the doctor not to lower himself to your level! The Doctor is magnanimous. As long as you sincerely apologize, he will definitely forgive you!””

“I know very well what I am doing. You want me to apologize to him? In Your Next Life!”

“After saying this, Zhou Jinbei turned around and left.”

“Old Zhang immediately chased after him. “Zhou Jinbei, you will regret it!””

“Just as Old Zhang was about to say something else, doctor William Gently raised his hand. “There’s no need to chase after him.””

“Doctor?”Old Zhang looked up at Doctor William.

“Dr. William continued, “Don’t worry. He’ll be back to look for me in less than three days.””

Dr. William’s information network was very wide.

“At present, China did not have a sophisticated machine that could repair letters, so even he was only 50 percent sure.”

And he had the most advanced technology in the world.

“In terms of technology, China could only rank in the top 20 in the world.”

It was 19 places behind.

“Although in last year’s science and Technology Competition, Dr. YC became the Dark Horse of the world and won the first place.”

But that was only Dr. YC alone.

How could Dr. YC single-handedly drive the entire technology of China?

“Now, Zhou Jinbei swore that he had found someone who could repair the letters. It was obvious that he had been deceived.”

Could it be that Zhou Jinbei could still find Dr. YC?

It was impossible! !

“Dr. YC’s whereabouts were mysterious. At the moment, he had only shown his face at the science and Technology Conference. Most importantly, Dr. YC was currently busy implementing the aircraft carrier plan.”

She had no time to care about Zhou Jinbei at all.

“Therefore, Zhou Jinbei could only come back to beg him in the end.”

Old Zhang nodded.

“Professor William narrowed his eyes and continued, “At that time, it won’t be as simple as asking for all the assets under Zhou Jinbei’s name.””

“What else do you want?” Old Zhang asked doubtfully.

"One of his hands." A light flashed in Professor William's eyes.

One Hand?

Old Zhang gulped. "You... You're joking."

Professor William turned to look at Old Zhang. "You Think I'm joking with You?"

Old Zhang felt that he had misunderstood professor William's meaning. He couldn't really ask Zhou Jinbei to use one hand. This was too bloody!

"After thinking for a moment, old zhang said tactfully, "Then do you want his left hand or his right hand?"

"Right hand."

Old Zhang's face turned pale. This professor William was really serious!

"Professor William operated the keyboard and continued, "Isn't there an old saying in your country, 'kill the chicken to make an example of the monkey'? I want one of his hands to let others know that I, William, am not the kind of person who can be easily fooled!"

"Old Zhang wiped the cold sweat off his forehead. "Alright, I got it."

"Professor William continued, "You can go down first. If there's anything, I'll call you."

Beijing University.

In the chemistry department's laboratory.

"A person wearing a white protective suit was standing in front of him doing an experiment. At this moment, the counselor ran over and said, "Student Ye, someone is looking for you.""

Ye Zhuo placed the glass tube in his hand on the shelf. "Who is it?"

"The counselor thought for a moment and said, "He said he's Zhou Jinbei.""

"Ye Zhuo picked up another green glass tube. "Counselor, my experiment will be over in 10 minutes. Please go out and let my uncle wait for a moment.""

"He's also your uncle."The counselor was stunned.

Because he had seen ye Sen before.

But Ye Sen did not look like this.

Ye Zao nodded slightly. "He's my boyfriend's uncle."

""Okay, I'll go now.""

"The counselor trotted to the office and said with a smile, "Uncle, please wait a moment. Student Ye will be out in 10 minutes.""

"Zhou Jinbei said in surprise, "How did you know that I'm Ye Zhuo's uncle?""

"The counselor explained, "Student ye said so. By the way, uncle, what would you like to drink? Green tea or coffee?""

The counselor was so enthusiastic that Zhou Jinbei was not used to it.

“Zhou Zeyan was a troublemaker. Every time the counselor called him, he would complain, causing him to have to bow down to the counselor every time he went to school.”

Chapter 1386: 285: he was so angry that his face changed

He did not expect the tables to be turned today.

“How outstanding was ye Zhuo in school? That was why he, his uncle, benefited from it! ”

Zhou Jinbei was a businessman. He had a good eye for people.

He could tell that the respect in the counselor’s eyes was not an act.

“Zhou jinbei continued, “Counselor, you don’t have to work. I’m not thirsty.” ”

“The counselor smiled and said, “Then green tea it is! Bosses like you all like to drink green tea.”As he spoke, he went to make tea. ”

Zhou Jinbei felt like he was dreaming.

He really wanted to film this scene and let Zhou Zeyan take a look.

“After a while, the counselor handed the steaming hot green tea to Zhou Jinbei. “Uncle, drink it slowly. Be careful not to burn it.” ”

Zhou Jinbei took the green tea with both hands. “Thank you.”

""You're welcome."The counselor sat down opposite Zhou Jinbei. "Uncle, is your eldest nephew Student Ye's boyfriend?" "

"Yes."Zhou Jinbei nodded.

"The counselor sighed. "Your eldest nephew must have saved the solar system in his previous life to become student ye's boyfriend in this life! "You must help me tell him to treat our student ye well. Otherwise, our entire chemistry department will not let him go." "

Ye Zhuo was too outstanding.

The counselor had been in the industry for so many years and had seen many geniuses.

"However, it was the first time he had seen such a perverted genius like Ye Zhuo! "

Some people had high IQ and low eq.

"However, Ye Zao was not like this. "

"Not only was her IQ high, but her EQ was also unusually high. "

"Zhou jinbei smiled and said, "Don't worry, my eldest nephew is a very responsible person. Otherwise, Zao Zao would not have taken a fancy to him. He would not bully Zao Zao." "

"The instructor adjusted his glasses and continued, "Actually, even if he wanted to bully classmate Ye, he might not be able to do so." "

"It was said that ye Zhuo's skills were also very good. During military training, he had defeated the instructor in less than three moves. "

“The instructors of Beijing University were all serious military officers who had received strict training. Not to mention ordinary people, even a martial artist might not be a match for him.”

Not long after.

“Footsteps sounded outside the door, followed by a knock on the door.”

“Student ye must be here.”The instructor raised his head. “Come in.”

Zhou Jinbei looked down at his watch.

“It was exactly 12:10 in the afternoon, which coincided with the ten minutes the counselor said.”

Ka —

The door opened.

“A slender figure walked in from outside. She was wearing a wide mask. The mask was obviously a little big, which made her face look small and exquisite.”

“As Ye Zao walked, she took off her mask, revealing a face as delicate as jade. The bright light shone on her porcelain-white face without any flaws. “Counselor, Uncle.” ”

The counselor nodded at Ye Zao.

Zhou Jinbei stood up from his chair. “Zao Zao.”

“Ye Zao casually put the mask into his pocket. “Uncle, let’s talk outside.” ”

“Okay.”Zhou Jinbei followed ye Zao’s footsteps.

“Zhou jinbei smiled and said, “Zhuzhuo, you’re saying that because you’re shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily shabbily. How can a diamond of that grade be considered a pink diamond? That kind of supreme grade diamond is called a real pink diamond!
“Unfortunately, the diamond mine has been too heavily mined these few years. I haven’t encountered a

supreme grade pink diamond in many years. But don't worry, when Uncle Encounters a supreme grade pink diamond, uncle will definitely keep it for you!" "

"Zhou Jinbei only had one son, Zhou Zeyan. He really wanted a daughter. "

Chapter 1387: 285: so angry that his face changed 3 times

Ye Zao really fit his dream daughter.

"Then I'll thank uncle."

"You and I don't have to be so polite!"

Wu Youyu accompanied Zhang Qingqing as they walked around the campus.

"Zhang Qingqing said, "Let's go and have a cup of coffee." "

"This coffee shop was famous for being expensive. Zhang Qingqing couldn't bear to drink it, but Wu Youyu was here today. "

"Wu Youyu was not lacking in money. Of course, he had to let Wu Youyu pay for it. "

"Okay."Wu Youyu nodded.

"Wu Youyu was very generous when it came to treating his little sweetheart, Zhang Qingqing. "

The two of them walked into the coffee shop.

“The moment they entered, Wu Youyu saw a familiar figure. ”

That Was...

Zhou Jinbei.

Why was Zhou Jinbei in Beijing too!

“Wu Youyu narrowed his eyes. “Qingqing, let’s sit here.”Wu Youyu picked a seat next to Zhou Jinbei. ”

“He knew Zhou Jinbei, but Zhou Jinbei did not know him. ”

“Sitting here, he could clearly hear the conversation between the two. ”

“Zhou Jinbei continued, “Zha Zha, do you like Jadeite and agate? Your aunt has a lot of jadeite and agate. Go pick some some some other day.” ”

Ye Zha took a sip of cappuccino. “I haven’t even thought about where to decorate the pink diamond that you gave me. There’s no need for jadeite and agate. I appreciate it.”

“Zhou jinbei smiled and said, “Your aunt wants to have a daughter even in her dreams. If she sees you, she will definitely be very happy.”Zhou Jinbei’s wife was also a very virtuous person. ”

“Because of Xie Wanqiu’s example, when he first found his wife, Zhou Jinbei had put in some effort. ”

Reality proved that his judgment was not wrong.

“Wu Youyu pricked up his ears and listened, frowning slightly. ”

The girl opposite Zhou Jinbei called him Uncle Zhou Jinbei.

But she did not think that he was one of Zhou Xiang's four daughters.

Then who was she?

Could it be that Zhou Xiang had other daughters?

"Just as Wu Youyu was puzzled, Zhang Qing Qing stretched out her hand and waved it in front of Wu Youyu. "What are you thinking about? I can't even hear you when I'm talking to you!" "

Only then did Wu Youyu react. "What did you say?"

"Zhang Qingqing continued, "I asked you what you wanted to drink." "

"Wu youyu said, "Just the same as you." "

Zhang Qingqing handed the menu to the waiter. "Just the ones I just ordered. Two cups of coffee."

""Okay, please wait a moment." "

"After the waiter left, Zhang Qingqing looked up at Wu Youyu. "Why? Do You Like That Beauty?" "

"What nonsense are you spouting!"

""She's not someone you can dream of!"Zhang Qingqing continued, "Did you see the hair clip on her head? It's lanting's, and it's worth this much!"At the end, Zhang Qingqing stretched out five fingers. "

Wu Youyu did not really study girls'things. "Five hundred?"

“Five hundred?” Zhang Qingqing smiled and said, “Five hundred can’t even buy a fake!” ”

“5000 Yuan?” Wu Youyu asked.

“Zhang Qingqing continued, “50,000 yuan!” ”

“50,000 yuan! ”

Wu Youyu widened his eyes.

Wasn’t it just a hair clip?

Was there a need for it to be so expensive?

“After all, the most expensive bag he had ever bought for Zhang Qingqing was only 100,000 yuan. ”

“If he didn’t really like Zhang Qingqing, he wouldn’t have been so ruthless. ”

But now.

“A small hair clip actually cost 50,000 yuan. ”

This was too exaggerated!

Who Was this girl?

She actually wore such an expensive hair clip.

“At this moment, Wu Youyu seemed to suddenly remember something. ”

Ye Zhuo!

She was definitely ye Zhuo.

“Ye Zhuo was Cen Shaoqing’s girlfriend. According to seniority, she should indeed be called Uncle Zhou Jinbei. ”

This Zhou Jinbei was really something.

At least Zheng Wanyin wanted to call him uncle.

But how did he treat Zheng Wanyin?

He was indifferent to Zheng Wanyin.

“But now, he was so nice to Ye Zhuo. ”

What was this?

““What’s wrong with you now?”Zhang Qingqing was a little impatient. “I said, don’t tell me you really like her?” ”

“What nonsense are you talking about!”Wu Youyu retracted his gaze. “I just think she looks a little familiar.”

“I’m just making it up.”

““I’m serious.”Wu Youyu suddenly lowered his voice and continued, “Do you see that man?” ”

“Yes.”Zhang Qing Qing nodded.

“Wu youyu continued, “She’s Xie Wanqiu’s stepson.” ”

“Hearing that, Zhang Qing Qing’s face was filled with surprise. “If you round him up, isn’t he also your son?” ”

Wu Youyu and Xie wanqiu were good friends. Xie Wanqiu was Zhou Jinbei’s stepmother.

“When Zhou Zuolong left and Wu Youyu entered the house, wouldn’t Zhou Jinbei become Wu Youyu’s son?” ”

“Wu youyu smiled and said, “Yes.” ”

“Zhang Qingqing continued, “When the time comes, you can’t forget me.” ”

“Don’t worry. I Won’t forget you even if I forget someone.”Wu Youyu moved closer to Zhang Qingqing and kissed her fiercely on the face.

“Although Zhang Qingqing felt a little disgusted, she could only endure it and continued, “Who’s that beautiful lady? I heard her call your son uncle. Could she be Zhou Xiang’s Daughter?” ”

Wu Youyu shook his head. “She’s Xie Wanqiu’s grandson’s girlfriend.”

Zhang Qingqing nodded. “I see.”

“Wu Youyu felt that he should tell Xie wanqiu about all this and continued, “Qingqing, I’m going to the washroom.” ”

“Go ahead.”

In the hospital.

“When Xie Wanqiu received Wu Youyu’s call, she was so angry that her lungs were about to explode. ”

She did not expect Zhou Jinbei to actually come to the capital city.

This unfilial ingrate did not even know to come to the hospital to visit her when she came to the capital city. She was Zhou Jinbei’s mother.

Zheng Wanyin was Zhou Jinbei’s biological niece.

“But what about Zhou Jinbei? He would rather give the pink diamond to that outsider, Ye Zhuo, than give one to Zheng Wanyin. ”

“Not to mention the pink diamond, Zhou Jinbei had not even given a needle to Zheng Wanyin during the festive season. ”

This was too much!

This was simply too much!

“When she came out of the bathroom, Xie Wanqiu waved at Zheng Wanyin. “Yinyin, come over here for a moment.” ”

“Zheng Wanyin walked over. “Grandma, What’s Wrong?” ”

Xie wanqiu whispered something into Zheng Wanyin’s ear.

“When she heard that, Zheng Wanyin’s expression changed. ”

She had always treated Zhou Jinbei as her biological uncle.

“However, Zhou Jinbei did not seem to treat her as his biological niece. ”

The human heart was really something that could not withstand scrutiny.

“Xie wanqiu continued, “You’ll know what to tell your grandfather later, right?” ”

Zheng Wanyin nodded.

“Coincidentally, the sound of the door opening came from outside. Zheng Wanyin immediately smiled.

“Grandpa, you’re back!” ”

“”Yes.”Zhou Zuolong walked in with a box. “I ordered Lotus Leaf Rice, your and your grandmother’s favorite.” ”

“”Grandpa, you’ve worked hard.”Zheng Wanyin took the bag from Zhou Zuolong and continued, “Grandpa, you’re back so late. Did you run into Uncle Outside?” ”

“Zhou Zuolong was stunned at first, then he said, “You said he went to the north? He came to the capital too?” ”

“”Yes.”Zheng wanyin nodded and continued, “I saw my uncle on the Long Street just now. I was about to greet him when my uncle left.”. ”

“Hearing this, Zhou Zuolong frowned and his expression changed in anger. “This unfilial son! He came to the capital and didn’t come to see me to see his mother!” ”

“Chapter 1388: 286: if he’s not afraid of losing face, What Am I afraid of? 1”

Zhou Zuolong was very angry.

“Although Zhou Jinbei was his son, his character was not like him at all. He was unfaithful and unfilial. When he was a teenager, he was very angry and made news that he ran away from home. The outside world almost spread the rumor that he and Xie wanqiu abused their young son.”

Xie Wanqiu’s reputation was ruined at that time.

“But even so, Xie Wanqiu did not blame Zhou Jinbei. She even personally helped to find Zhou Jinbei.”

What about Zhou Jinbei?

What did Zhou Jinbei Do?

“He was the same as Zhou Xiang. He had no gratitude at all. Xie wanqiu was so good to him, but Zhou Jinbei did not even want to call her mother.”

“Not only did he not want to call her mother, but usually, when Zhou Jinbei saw Xie wanqiu, he did not even have a smile on his face.”

How many sons in the world were like Zhou Jinbei?

“It was true that dragons gave birth to dragons, Phoenixes gave birth to Phoenixes, and rats’ sons knew how to dig holes.”

“Wu Lan herself was not a good person, and giving birth to a son was not a good person either.”

Zhou Jinbei's personality was very similar to Wu Lan's.

"This unfilial son would be like Wu Lan sooner or later, and he would have to be a short-lived ghost."

"Seeing Zhou Zuolong like this, Xie wanqiu continued, "Old man, don't be in a hurry to get angry. Maybe it's because we've just arrived in the capital and haven't found a place to stay yet.""

""What place to stay?" Zhou zuolong said, "Isn't his sister Zhou Xiang in Beijing? He just doesn't want to visit us on purpose! I've long seen that he's an ungrateful wretch. Wanqiu, you don't have to speak up for him.""

"At the end of the day, Zhou Jinbei just didn't take these parents to heart."

UNFILIAL things!

"It was fine if he didn't come to visit them during the holidays, but now that he had come to Beijing and found out that they were in the hospital, he didn't even know to come and see them!"

Which family's son would be like Zhou Jinbei?

"Xie wanqiu said with understanding, "You can't put it that way. Maybe Jinbei doesn't know that I'm in the hospital. Those who don't know are not guilty.""

""Don't Know?" Zhou Zuolong sneered and said angrily, "As long as you have this filial piety, what is there that you don't know?"

""Maybe Jinbei is busy," Xie wanqiu continued, "Old Man, you are good at everything, but you are too impatient. "It's not a big deal. As a parent, why bother with your own child?"

"Although Xie Wanqiu looked like she was speaking up for Zhou Jinbei, she was actually adding fuel to the fire."

The fire in Zhou Zuolong's heart burned brighter and brighter. He wished he could just slap Zhou Jinbei to death.

Unfilial Son!

""Busy? Busy is more important than parents?"Zhou zuolong said angrily, "This unfilial son, I think he's deliberately trying to anger me!""

"Xie wanqiu sighed, she pretended to say, "It's the same for this child, Jinbei. I'm his stepmother, so it's normal for him to hate me. But you, you're his biological father! How could he bear a grudge against you? This child shouldn't have done that!"

The anger on Zhou Zuolong's face was even more obvious.

"After saying that, Xie wanqiu continued, "It's all because of me. If it weren't for me, Jinbei would definitely not treat you like this.""

""What does this have to do with you?"Zhou zuolong continued, "If it weren't for you, would that unfilial son have come to this? He's fine. Not only does he not know how to be grateful, he even sees you as his enemy!"

Wasn't Xie Wanqiu treating Zhou Jinbei well enough?

"Not to mention his stepmother, even his biological mother would not be able to do what Xie Wanqiu did."

"Xie Wanqiu was too kind. She never looked for reasons from others, but only looked for reasons from herself. If Zhou Jinbei was Xie Wanqiu's biological son, he definitely would not be like this today."

That B * Tch Wu Lan.

"She was already dead, yet she was still so disgusting!"

“Xie wanqiu smiled and said, “Old Man, you’ve been my husband and wife for so many years. Don’t you understand me? “Am I the kind of person who pays attention to these things? “I don’t care how the Children Treat Me. I just want the children to live happily! “Xiang Xiang and Jinbei, these two children, really have a tough life. It’s one thing for them to lose their mother when they were young, but now that they’ve finally managed to stand out, Shaoqing was actually deceived by a person like ye Zhuo! “Jinbei’s daughter-in-law is not someone easy to deal with either!””

Xie wanqiu could not stand Zhou Jinbei’s wife. Zhou Jinbei’s wife was the same as Zhou Jinbei. She had never taken her seriously and had never called her mother.

“Xie Wanqiu’s family had a divorced niece. Xie wanqiu wanted to introduce her niece to Zhou Jinbei. In this way, both the Zhou family and the Cen family would have to have the surname Xie!”

“Unfortunately, she never had the chance to tell Zhou Zuolong about this.”

“Chapter 1389: 286: if he’s not afraid of losing face, What Am I afraid of? 2”

“However, Xie Wanqiu was not in a hurry. ”

There was still plenty of time in the future.

There would always be an opportunity in the future!

“At the thought of this, Xie wanqiu narrowed her eyes. ”

““They don’t even care about you. Why do you care about them?”Zhou zuolong continued, “Both of them are unfilial!” ”

“Forget it, forget it. Don’t bother with the children.” Xie wanqiu waved her hand. “It’s fine if they don’t care about me. It’s fine as long as they care about you. After all, you’re their biological father.” ”

Show filial piety to him?

Just Zhou Jinbei and Zhou Xiang?

“These two people, even if they gave him some alimony, he would chase after them to ask for it. ”

“As long as he did not speak, they would never take the initiative to give him alimony. ”

“Zhou Zuolong turned to look at Zheng Wanyin. “When you greeted your uncle, what did your uncle say?” ”

“Zheng Wanyin looked a little troubled. “Uncle, uncle, he...” ”

“What’s wrong with him?” Zhou Zuolong asked.

“Zheng wanyin continued, “Uncle ignored me. He probably didn’t see me!” ”

““Ignored you?” Hearing this, Zhou Zuolong became even angrier. “This unfilial son, he actually dared to ignore you!” ”

“Zheng Wanyin was Zhou Jinbei’s biological niece, but what about Zhou Jinbei? ”

He actually ignored Zheng Wanyin.

“In this world, was there such an uncle? ”

“Zheng wanyin hurriedly explained, “No, no, Grandpa, don’t be angry. Uncle didn’t do it on purpose! He just didn’t see me.” ”

“Zhou zuolong asked again, “Where did you see him?” ”

“Hearing this, Xie Wanqiu immediately gave Zheng Wanyin a look. ”

“Zheng wanyin understood and continued, “I saw uncle outside the cafe. He seemed to be with cousin-in-law and gave her a very big pink diamond.” ”

Pink Diamond?

Who was he giving it to?

Ye Zhuo?

“Did Zhou Jinbei really know how to differentiate between east, south, west, and north? ”

Giving ye Zhuo a big pink diamond?

What did he give Zheng Wanyin?

“Are you sure you didn’t see wrongly?”Zhou Zuolong asked.

“”Look at what you’re saying.”Zheng wanyin smiled and said, “Can I still mistake my uncle?” ”

“Xie wanqiu continued, “Yinyin is already so old, she definitely won’t mistake him!” ”

Not Mistaken?

Zhou Zuolong was very angry now.

""This is too much! This is too much!" Zhou Zuolong slammed the table and stood up. "This unfilial son, does he still think highly of me? !" "

"Xie wanqiu smiled and continued, "Old Man, what's wrong with you this time?" "

"Zhou zuolong said, "This unfilial son, what did he give Yinyin?" He actually gave her a big pink diamond! Not to mention a big pink diamond, he did not even give Zheng Wanyin a broken diamond. "

"Xie wanqiu continued, "Our yinyin doesn't care about this." "

"Zheng Wanyin immediately nodded in agreement. "Grandma is right. I don't care about this at all. Grandpa, we can't hurt the harmony between you and uncle because of this." "

"Zhou Zuolong sighed. "How could I give birth to such an unfilial son? He can't even differentiate between home and outside!" Zheng Wanyin was too sensible. She was so sensible that Zhou Zuolong's heart ached. Even Zhou Jinbei had treated Zheng Wanyin this way, however, Zheng Wanyin still thought that she could not affect the harmony between him and Zhou Jinbei. "

Harmony?

Was there still harmony between him and Zhou Jinbei?

""If I had known that you would blame uncle, I would not have told you that I saw uncle on the street." Zheng Wanyin blamed herself very much, then, she said, "Grandfather, actually, this is nothing. You and grandmother have always said that cousin sister-in-law ye Zhuo is not suitable for cousin brother. Actually, I feel that the two of them are quite a good match. Otherwise, uncle would not have given cousin sister-in-law ye Zhuo a pink diamond. Actually, this can be considered as a form of recognition." "

""Recognition? What does Zhou Jinbei count as! As a grandfather, I haven't even spoken yet. What right does Zhou Jinbei have to say recognition!" "

Zhou Zuolong felt that his personality had been insulted.

"He was clearly the head of the Zhou family, but no one in the Zhou family listened to him. "

"A son was not like a son, and a daughter was not like a daughter. "

"Fortunately, he later married Xie Wanqiu and had a smart and filial granddaughter like Zheng Wanyin. Otherwise, when he got old and could not walk anymore, wouldn't he be tortured to death by these two unfilial sons and daughters? "

The last thing Zhou Zuolong did now was not to have a child of his own with Xie wanqiu when he was young.

"Actually, it was not that he did not want it, but that he did not have the ability to do so. "

"Back then, when he was with Wu Lan, in order to completely gain Wu Lan's trust, after he was left with a son and a daughter, he went for a vasectomy. "

"Who knew that although he gained Wu Lan's trust, he did not gain the trust of the Wu family. "

"Chapter 1390: 286: if he's not afraid of losing face, What Am I afraid of? 3"

The Wu family had always been very wary of him and did not treat him as part of their family.

This was also the reason why Zhou Zuolong had an affair.

“Xie wanqiu sighed. “Usually, this child Jinbei is quite smart. He’s so wary of me, so why isn’t he wary of Ye Zhuo at all?” ”

Zhou Zuolong was furious. He took out his phone and called Zhou Jinbei.

On the other side.

Zhou Jinbei saw the caller ID. He frowned slightly and hung up.

The other side did not give up and kept calling.

““Who is it?”Zhou Xiang, who was sitting opposite Zhou Jinbei, asked. ”

““Don’t worry about it,”Zhou Jinbei said. ”

“Looking at his expression, Zhou Xiang could only come out a little. “Is it our dad?” ”

Zhou Jinbei did not say anything and drank a mouthful of tea.

“Zhou Xiang continued, “Jinbei, you’re already in Beijing. You should go to the hospital to see your parents. Otherwise, it won’t sound good if it gets out.” ”

“Zhou Zuolong isn’t afraid of losing face even if he abandons his wife and child. What am I afraid of?”Zhou Jinbei said.

““What Zhou Zuolong?”Zhou Xiang frowned slightly and corrected, “That’s our father! How can you call him by his first name?” ”

““Sister, how you call him is your business. I have no right to interfere.”Zhou Jinbei looked at Zhou Xiang with a serious expression. “In short, in my lifetime, I will never acknowledge him as my father.” ”

Zhou Xiang sighed.

“Zhou jinbei continued, “I have already found an expert to repair the mother’s will. The expert said that it will be repaired in a week.”The reason why Zhou Jinbei did not mention ye Zhuo.., was because he was worried that Zhou Xiang would interfere with the restoration. ”

Zhou Xiang did not think that there was anything wrong with Wu Lan’s death.

“”Jinbei, do you really think that father had something to do with Mother’s death?”Zhou Xiang asked. ”

“When he mentioned Wu Lan’s death, Zhou Jinbei’s expression immediately changed. He felt that it was not worth it for Wu Lan. ”

“”He’s the murderer who directly killed our mother! Back then, mother gave up everything in order to marry him. She didn’t even return after grandmother passed away? But what about him? What did he do?” ”

“Compared to Zhou Jinbei’s excitement, Zhou Xiang was very calm. “What if the will is restored and mother’s death has nothing to do with father? For so many years, you have been falsely accusing him. What are you going to do?” ”

“Falsely accusing? Impossible!”

“Zhou Jinbei had been traveling for so many years. Although he had not collected any useful evidence, he had heard a lot of rumors. ”

“Wu Lan was a good woman with traditional beliefs. She had never spoken to a stranger before, so how could she do such a shocking thing as dying for Love? ”

“Therefore, when everyone heard about this, they were all very surprised and in disbelief. ”

“On the other hand, Zhou Jinbei helped Xie wanqiu up not long after Wu Lan left. ”

“If Zhou Jinbei really loved Wu Lan that much, would he be so impatient? ”

“Zhou Xiang took a sip of tea, “Jinbei, you’re too stubborn. You have a deep prejudice against dad, so you’ve always felt that what happened to mom had something to do with Dad. It’s normal for people to have seven emotions and six desires, no matter what they do... “...”. Although Zhou Xiang was a little surprised at first.., but after a long time, she had experienced many things over the years, so she accepted it. ”

She had seen many examples like this.

“”Sis! I believe in our mother! She isn’t the kind of person who would do such a thing!”Zhou jinbei continued, “You keep saying that Zhou Zuolong had nothing to do with Mom’s death. Then let me ask you, what if it has something to do with it? What would you do if it has something to do with it? Now that the results of the restoration are not out yet, anything is possible!” ”

Zhou Xiang was stunned.

There was a connection?

It was impossible.

“Although Zhou Zuolong was usually not particular, Wu Lan was his first wife. He even went to the extent of getting a vasectomy for Wu Lan. ”

“All along, only women were getting their vasectomies, let alone in that era. If a man went to the hospital for a vasectomy, what kind of disdainful looks would he suffer? ”

Zhou Zuolong was so good to Wu Lan. Why would he do something that would let Wu Lan Down?

“”I won’t. I believe in dad, just like you believe in Mom,”Zhou Xiang said. ”

“At this moment, the phone that finally quieted down rang again.”

Zhou Jinbei blocked Zhou Zuolong’s phone number.

“Dad is already so old. It’s not easy for him either. Just answer it!”

“We’ll talk about it when the results are out.”Zhou Jinbei pressed the cigarette butt into the Ashtray.

“After saying that, Zhou Jinbei turned around and left.”

Zhou Xiang looked at Zhou Jinbei’s back and sighed softly.

She did not know when her younger brother would be able to let go of the knot in his heart.

“She was now worried that the relationship between Zhou Zuolong and Zhou Jinbei would deteriorate, but she was also worried that Zhou Zuolong would sever his father-daughter relationship with her.”

“After all, Zhou Zuolong had said that he would only give her one day. If Cen Shaoqing did not break up with Ye Zhuo, he would sever his father-daughter relationship with her.”

Wu Lan was dead.

Her grandparents had also left. Zhou Xiang’s uncles and aunts had emigrated abroad in the early years. They had not contacted each other for many years.

“It could be said that other than Zhou Jinbei, Zhou Zuolong was the only person in her mother’s family who was related by blood.”

She did not want to sever her relationship with Zhou Zuolong.

“If she really severed her relationship, she would not have a father in the future.”

No.

She had to think of a way. Zhou Xiang sighed again.

“Xiang Xiang, what’s going on? Why are you sighing so many times in such a short time?” Old Mrs. Cen walked over from the side.”

“Zhou Xiang turned around and smiled. “Mom, it’s nothing.” ”

This was her own matter. She could not let old Mrs. Cen worry about it together with her.

“Moreover, according to Old Mrs. Cen’s personality, she would definitely look for Zhou Zuolong to find an explanation. When the matter became more and more serious, there would really be no end to it.”

“Old Mrs. Cen continued, “Xiang Xiang, we are a family. You must not hide anything from me.” ”

“Yes, I know.” Zhou Xiang nodded.”

“After saying that, Zhou Xiang picked up the bag on the table. “Mom, I have something to attend to.” ”

“Okay.” Old Mrs. Cen nodded.

“Just as Zhou Xiang walked out of the door, old Mrs. Cen called for the housekeeper. “Get someone to follow Xiang Xiang.” ”

The housekeeper was stunned. “Follow Mrs. Cen?”

“Yes.” Old Mrs. Cen nodded.

“Seeing that old Mrs. Cen did not seem to be joking, the housekeeper continued, “Alright, I’ll make the arrangements right away.” ”

On the other side.

Zhou Jinbei had not picked up his phone the entire time. Zhou Zuolong was so angry that his face had turned red. He wished that he could just throw his phone away. “Unfilial son! Unfilial Son!”

“What’s Wrong?” Xie wanqiu asked with concern.

“Zhou zuolong said, “This unfilial son, he actually did not pick up my call.” ”

“Xie wanqiu said, “Jinbei is probably busy with his business. You can call him later.” ”

“At that moment, there was a knock on the door. ”

Zheng Wanyin jogged over to open the door. “Second aunt!”

“Wanyin.”

“Zheng wanyin continued, “Second aunt, come in quickly.” Then, she raised her voice and shouted, “Grandpa and Grandma, Second Aunt Is Here!” ”

Xie wanqiu smiled and came out to welcome her. “Xiangxiang is here. Come in quickly! Come in quickly!”

“”Mom,” Zhou Xiang called out. ”

“Hey.” Xie wanqiu saw that Zhou Xiang was still holding something in his hands. “You child, so what if you’re here? Why did you bring anything! You’re not an outsider!” ”
