

## Almighty D 1391

Chapter 1391: 287: What kind of Bullsh \* t is This! 1

“Your health is not good, so I specially brought some nutrients.” Zhou Xiang put the things on the table and looked up at Zhou Zuolong. “Dad.”

Zhou Zuolong ignored Zhou Xiang.

“Xie wanqiu smiled and said, “Old Man, my daughter is calling you!””

“She still thinks I’m her father?” Zhou Zuolong looked at Xie wanqiu with a mocking expression.

“Zhou Xiang said, “Father, you will always be my father.””

Zhou Zuolong snorted coldly.

“Zhou xiang continued, “Father, I was too impulsive before. I apologize to you. Please don’t take it to heart.””

She had admitted her mistake.

Zhou Xiang had actually admitted her mistake so quickly.

“Zheng Wanyin stood at the side, a mocking expression flashing in her eyes.”

She had thought that Zhou Xiang would go all the way this time.

She did not expect Zhou Xiang to still be so weak.

“When she heard that Zhou Zuolong was going to break up with her, she was shocked.”

He was really stupid.

“Zhou Zuolong looked at the obedient Zhou Xiang and the anger on his face disappeared a little. “Let me ask you, when will Shaoqing break up with Ye Zhuo?””

““Dad, can they not break up?”Zhou Xiang asked.”

“What did you say? Tell me again!”Zhou Zuolong glared at him.

“Zhou Xiang gulped. Although he was a little scared.., but he still braced himself and said, “Dad, I beg you to help those two children. It was really not easy for them to get to where they are today. Wanyin is so outstanding. She will definitely find someone better.””

“Evil daughter! Are you trying to anger me to death!”Zhou Zuolong raised his hand and was about to hit Zhou Xiang.

“Xie wanqiu blocked in front of Zhou Xiang. “Old Man, you can’t hit me anymore!””

“Xie wanqiu begged Zhou Zuolong as she said to Zhou xiang, “Xiang Xiang, quickly give in to your father! Don’t you know your father’s temper? If you anger him, he will really sever ties with you!””

Zhou Xiang did not know what to do either.

On one side was her son.

On the other side was her father.

“Xiang Xiang! Quickly agree to your father!” Xie Wanqiu continued, “Otherwise, I can’t help you! Do you really want to sever your relationship with your father? You have to think carefully, you only have one Father Now!”

Xie Wanqiu’s words directly pinched Zhou Xiang’s weakness.

Yes.

She only had Zhou Zuolong as her father.

Could it be that the relationship between the father and daughter really had to come to the point of breaking off?

“Zhou Xiang had no choice. At the moment, she could only use a delaying tactic to wait for Zhou Zuolong to calm down.”

“In short, she could not really break off her relationship with Zhou Zuolong.”

“Father, I Promise You!” Zhou Xiang raised her head to look at Zhou Zuolong and continued, “Let Shaoqing break up with Zhuozhu.”

Zheng Wanyin’s eyes lit up when she heard that.

She agreed!

Zhou Xiang finally agreed.

She thought Zhou Xiang would resist Zhou Zuolong to the end.

She did not expect Zhou Xiang to bow down so quickly.

“Then, she could become Cen Shaoqing’s girlfriend in the future.”

Zheng Wanyin had never dreamed of that position.

“But one day, when she really got that position, she could not help but be excited.”

“Once she married Cen Shaoqing, she would become the Cen family’s mistress.”

“From now on, the Cen family would be her world.”

“Not to mention the Cen family, even the entire capital would be in her hands.”

“Xie wanqiu narrowed her eyes. She knew that this little b \* tch, Zhou Xiang, would not be able to escape from her grasp.”

“After tormenting for so long, didn’t Cen Shaoqing still want to break up with Ye Zhuo?”

“Xie wanqiu smiled and said, “Yes, yes. Old Man, Xiangxiang has agreed! I told you, Xiangxiang is a good and obedient child. She will definitely listen to us!””

“At least Zhou Xiang had some discerning eyes. Zhou Zuolong retracted his hand and continued, “Then when do you plan to let Shaoqing and Yinyin be together?””

“Zhou Xiang thought for a moment and raised his head to look at Zhou Zuolong, then, she said, “You can’t force things when it comes to love. You have to take things slowly and let these two children adapt to each other. You know Shaoqing’s character. If you force it, it will backfire.” Zhou Xiang did not really want Cen Shaoqing to break up with Ye Zhuo, everything she did was just a delaying tactic.”

“As a daughter, she could not just watch her father cut off relations with her.”

“Hearing this, a dark light flashed in Xie Wanqiu’s eyes.”

What did Zhou Xiang Mean?

Not letting Cen Shaoqing break up with Ye Zhuo?

“If she didn’t ask for a breakup, how would Zheng Wanyin rise to power?”

Could it be that Zhou Xiang wanted to trick them?

“Zhou zuolong continued, “Then how do you plan to let them adapt to each other?””

“”Or, or,”Zhou Xiang hesitated for a moment before continuing, “Why don’t we let Wanyin stay in the manor first?””

Chapter 1392: 287: What kind of Bullsh \* t is This! 2

“Hearing this, Xie Wanqiu let down her guard. ”

“Zheng Wanyin was talented and good-looking. If she got along with Cen Shaoqing Day and night, Cen Shaoqing would definitely be conquered by Zheng Wanyin. ”

Just like how Zhou Zuolong was back then.

Zhou Zuolong and Wu Lan were also a passionate couple back then. What happened after that?

“Later on, Zhou Zuolong was also conquered by her!”

“Whatever she could do, Zheng Wanyin could do as well!”

“Xie wanqiu smiled and said, “Xiangxiang is the most considerate. Old Man, just do as Xiangxiang says.””

Zhou Zuolong had always listened to Xie wanqiu the most. “Alright.”

“After saying that, Zhou Zuolong turned to look at Zheng Wanyin. “Yinyin, remember to go back with your second aunt later.””

Zheng Wanyin nodded.

“Zhou Zuolong looked at Zhou Xiang and continued, “Right, did you come to the capital after entering the north?””

““Yes,” Zhou Xiang said, “Dad, I’ve been quite busy during this period of time in the north. When he has time, he will definitely come and visit you.””

Zhou Zuolong snorted coldly. “Busy? Busy delivering pink diamonds to outsiders? Yinyin is his biological niece. How did he treat Yinyin?”

“Zhou Xiang was about to say that ye Zhuo was not an outsider, but he swallowed his words.”

Zhou Zuolong really disliked ye Zhuo.

“If she said that ye Zhuo was not an outsider again, she would definitely add fuel to the fire.”

“Zhou zuolong continued, “Go and tell that unfilial son. If he still doesn’t come to the hospital to see his mother and me, I won’t have him as a son in the future! At that time, don’t blame me for not taking into account the relationship between father and Son!” Zhou Jinbei was a businessman, at the same time, he

was also a public figure that touched China. If he really caused a scandal, then everything that he had now would be gone.”

“Dad, Jinbei is still young. There are many things that he can't consider so comprehensively. I apologize on his behalf. Please don't blame him.” He paused, Zhou Xiang added, “Jinbei is your biological son. You should know very well what kind of person he is. He is not unfilial. He just hasn't seen your painstaking efforts yet. I believe that he will understand you one day.”

Zhou Zuolong and Zhou Jinbei's father and son had fallen out like this. Zhou Xiang could only put in a good word with both sides to resolve their misunderstanding of each other.

“In fact, all the reasons were due to Zhou Jinbei's unfilial behavior”

“Zhou Jinbei felt that his mother's death was related to Zhou Zuolong, so he had always held a deep grudge against Zhou Zuolong.”

“Zhou Zuolong, on the other hand, could not tolerate his biological son being like this.”

“Zhou Xiang believed that as long as the suicide note was repaired, Zhou Jinbei would let go of his misunderstanding of Zhou Zuolong.”

The father and son would also bury the hatchet.

One week.

One week at most.

Zhou Jinbei said that the experts would repair Wu Lan's suicide note within a week.

“At that time, he would see the scene that Zhou Xiang wanted to see.”

“Xie wanqiu continued, “Old Man, Xiang Xiang is right. After all, Jinbei is your biological son. Your blood flows in his bones. One day, he will see your painstaking care for him. “As for this child, it’s normal for him to make some mistakes. As parents, we should learn to be tolerant and understanding, and not blindly blame him. “Moreover, it’s said in the book of sages that everyone makes mistakes? “Let’s not talk about Jinbei being a child!” ”

“Hearing this, Zhou Xiang looked at Xie wanqiu with a hint of shock in her eyes. ”

She did not expect Xie Wanqiu to speak up for Zhou Jinbei.

Zhou Jinbei should have seen this scene.

Zhou Jinbei had a deep misunderstanding of Xie wanqiu.

“In fact, Xie Wanqiu treated Zhou Jinbei very well. ”

“Zhou Jinbei was in Beijing and knew that Xie Wanqiu was in the hospital, but he didn’t come to the hospital to see her. ”

“If it was anyone else, they would definitely be very angry. ”

“But not only was Xie wanqiu not angry, she even spoke up for Zhou Jinbei. ”

“Not to mention stepmothers, even many biological mothers would not be able to do this. ”

But Xie Wanqiu did it.

“At this moment, Zhou Xiang was very grateful to Xie wanqiu. At the same time, she felt a little guilty. ”

“After all, she had not treated Xie wanqiu well previously. ”

“Zhou Xiang raised his head to look at Xie Wanqiu. “Mom, thank you.” ”

Xie wanqiu laughed coldly in her heart.

A Fool was a fool. Even she could not tell that she was acting.

She really didn't know why Cen Haifeng would marry such an idiot back then.

An idiot would return the favor!

“If Cen Haifeng had married Xie Ying back then, things would definitely not be like this now. ”

“Since Zhou Xiang liked watching her acting so much, she would let Zhou Xiang get what she wanted. Xie wanqiu smiled and said, “Silly Child, why are you still saying thank you to Mom! Mom only has this pair of sons and daughters now. It's only right for me to treat you well!” ”

Chapter 1393: 287: What kind of Bullsh \* t is This

“Zhou Xiang said, “Mom, don't worry. Jinbei was just confused for a moment. He will definitely be filial to you and dad in the future.” ”

“Okay.”Xie wanqiu nodded. “I believe that I watched that child grow up in Jinbei. How can I not know what kind of personality he has?”

“Wanqiu!”Zhou Zuolong suddenly said.

““Old Man, What's Wrong?”Xie wanqiu raised her head to look at Zhou Zuolong. ”

Zhou Zuolong turned around and walked out of the door.

Xie wanqiu had no choice but to follow Zhou Zuolong's footsteps.

The two of them walked outside.

"Xie wanqiu smiled and said, "What's wrong? What can't be said inside? Why do you have to say it outside?" "

"Zhou zuolong said, "We can't just let Zhou Xiang bring yinyin back." "

Xie Wanqiu was stunned.

"Then what do you mean?"

"Zhou zuolong continued, "Our yinyin has everything she wants. She's also a top student. The number of people chasing after her can be counted on ten fingers. It's not like she can't get married. If we let Zhou Xiang bring her back just like that, wouldn't people say that she's a pervert?" "

"He had raised Zheng Wanyin since she was young. If she was labeled as a pervert, where would he put his old face? "

Zhou Zuolong was a person who valued face very much.

His face was more important than anything else.

Xie wanqiu nodded. She felt that Zhou Zuolong was very right.

"Then what should we do?"Xie wanqiu asked.

“Zhou zuolong said, “We have to let the Cen family come to the hospital personally to bring yinyin back and hold a welcoming banquet. We have to let everyone in the capital know that they were the ones who invited Yinyin back. She’s not some random person who came knocking on our door!” ”

“”Then we have to let Xiang Xiang’s mother-in-law come and pick her up personally,”Xie wanqiu continued. “After all, Old Lady Cen is the oldest and most senior person in the CEN family.” ”

Wasn’t Bai Tang arrogant?

Didn’t she always claim to be the Cen family’s Old Lady?

Then she had to make Bai Tang’s prestige suffer and let Bai Tang come and pick Zheng Wanyin up personally.

“Zhou Xiang was the daughter-in-law that Bai Tang had personally chosen. At the same time, Bai Tang also listened to Zhou Xiang very much. As long as Zhou Xiang spoke, Bai Tang would definitely compromise. ”

Zhou Zuolong nodded. “You’re right. We should let Bai Tang come and receive her personally.”

“Xie wanqiu sighed. “Although that’s what you said, what if Bai Tang doesn’t want to come?” ”

“”She doesn’t want to come? Why shouldn’t she come?”Zhou zuolong said angrily, “If it wasn’t for your sake, do you think that I would be willing to marry yinyin to the capital? The Cen family being able to marry yinyin is simply the virtue of their ancestors! They still dare to disagree? She has no right to disagree!” ”

“Xie wanqiu said, “The onlooker is clear, the person in the middle is confused. Old Man, don’t forget that Bai Tang and the Cen family are the ones in the middle now. They think that ye Zhuo is the best one!” ”

“Then let Zhou Xiang make a scene!”Zhou Zuolong said.

“Zhou Xiang was the only daughter-in-law of the CEN family. If Zhou Xiang was seeking death, would old lady cen still dare to sit idly by?”

“Xie wanqiu frowned. “Is, is this okay?””

“Zhou zuolong said, “There’s nothing bad about it. Just do as I say.””

“Alright then.”Xie wanqiu nodded. “You’re the head of the family. Whatever You Say Goes.”

The head of the family.

Zhou Zuolong was completely pleased by these words.

“Not only was he the head of the Zhou family, he would also be the head of the CEN family in the future.”

“In a flash, Zhou Zuolong and Xie Wanqiu returned to the ward.”

“Seeing the two of them enter, Zhou Xiang immediately stood up from his chair. “Dad, Mom, you’re back. It’s getting late. I’ll take Wanyin back first.””

Zheng Wanyin also packed her things and followed Zhou Xiang’s footsteps.

“Once she stepped out of this door, she would be the young mistress of the Cen family!”

“Zhou zuolong suddenly said, “Wait.””

““Dad, is there anything else?”Zhou Xiang turned to look at Zhou Zuolong.”

“Zhou Zuolong leaned back on the chair, peeled a betel nut, and stuffed it into his mouth as he chewed, he said, “Our Yinyin is a pure and innocent young lady. She has to have a degree, a degree, and a good appearance. I’m not bragging, but in the entire sea city and even in the entire China, there aren’t many people who are more outstanding than yinyin. How could you bring yinyin back just like that?” ”

Zhou Xiang did not expect Zhou Zuolong to say such words all of a sudden.

Zheng Wanyin was even more surprised. She turned to look at Xie wanqiu.

Xie wanqiu smiled at her.

“After receiving Xie Wanqiu’s reply, Zheng Wanyin heaved a sigh of relief. ”

““Dad, what do you mean now?”Zhou Xiang asked. ”

“Zhou Zuolong slammed the table and stood up. “You UNFILIAL Thing! Tell me, did you do it on purpose? Did you deliberately want to see me make a fool of Myself?”Zhou Xiang said that he wanted to bring Zheng Wanyin back as soon as he arrived, he saw that Zhou Xiang had done it on purpose. He had deliberately made Zheng Wanyin throw herself at him so that everyone would laugh at him! ”

“If he had not been smart enough to think of something, he would have been schemed against by Zhou Xiang. ”

How could there be a daughter like Zhou Xiang in this world?

““Dad, What are you talking about?”Zhou Xiang could not understand Zhou Zuolong’s words. ”

“Xie wanqiu hurriedly said, “Old man, if you have something to say, say it properly to the child. Why are you throwing a tantrum?” ”

“For the sake of your mother, I won’t hold it against you today,” Zhou Zuolong continued, “Evil daughter, listen well. Go back and get your old lady to come over and personally set up a banquet to bring yinyin back! Our yinyin was not raised by some small family!” ”

Want his yinyin to fall for him?

No Way!

What?

Get Old Lady Cen to come over personally to pick up Zheng Wanyin?

Zhou Xiang’s face turned pale.

“She, she, did she hear correctly?”

“Old Mrs. Cen was not as easy to talk to as she was. If Old Mrs. Cen heard Zhou Zuolong and Xie Wanqiu’s intentions, Old Mrs. Cen would flip the dining table!”

“Dad, you, you mean to ask my mom to come and pick up Wanyin?” Zhou Xiang asked. ”

“Yes.” Zhou Zuolong nodded. “If your old lady doesn’t come, don’t even think about letting Yinyin enter the CEN family! Then our father-daughter relationship will come to an end!” ”

“Zhou Zuolong knew that Zhou Xiang didn’t dare to sever their father-daughter relationship, so he dared to threaten her repeatedly with this matter. ”

“Dad.” Zhou Xiang gulped, he tried his best to be tactful and said, “My mom is old and her resistance isn’t good. Places like the hospital are full of germs. Actually, it’s the same for me to pick up Wanyin. Don’t worry, no one will gossip behind her back.” ”

Listen to what Zhou Xiang said. What nonsense was this?

Bai Tang's body was so precious that she could not even make a trip to the hospital!

“So it's just me and your mother who deserve to die. We should be the only ones staying in the hospital, right?” Zhou Zuolong was so angry that his face was red, “That old woman can't even make a trip to the hospital! Zhou Xiang, Oh Zhou Xiang, you're really my good daughter!”

Chapter 1394: 288: you know what to do! (first watch)

“Hearing that Zhou Zuolong had misunderstood her, Zhou Xiang was very anxious and quickly explained, “Dad, I didn't mean that. What I meant was that I came to pick up Wan Yin. Don't worry, My Mom, she also welcomes Wan Yin very much.”

Mom?

“Zhou Xiang called Old Mrs. Cen 'Mom', both in words and in words, she was so protective of old Mrs. Cen.”

“In his words, he had already treated old Mrs. Cen as his own mother.”

What about Xie Wanqiu?

Zhou Xiang was not even this close to Xie wanqiu.

“One had to know that Zhou Xiang was raised by Xie wanqiu. If not for Xie wanqiu, would there be Zhou Xiang?”

Ingrate!

Zhou Xiang was an ingrate!

“Zhou zuolong continued, “Zhou Xiang, ask yourself, are you that good to your own mother? That old woman from the Cen family, you’re so protective of her, you can’t even bear to let her come to the hospital! “Today, I’ll put my words here. If I don’t see that old woman from the Cen family come to the hospital personally to pick up yinyin, you’ll never be able to see Yinyin enter the CEN family.” ”

“Xie Wanqiu’s eyes were slightly red, “Old Man, don’t say that. Xiangxiang is also very good to me. After all, the Cen family’s old lady is her mother-in-law. They say that the relationship between mother-in-law and daughter-in-law is the most complicated and difficult to get along with. It’s also not easy for her to get along with her mother-in-law so well. I never blame Xiangxiang!” ”

“In front of Zhou Zuolong and Zhou Xiang, Xie wanqiu would always play the weak side. ”

“No matter what, she could win Zhou Zuolong’s sympathy. ”

“Otherwise, she would not have been able to control Zhou Zuolong steadily for so many years. ”

Zhou Zuolong pointed angrily at Zhou Xiang. “Look at how your mother treats you. Look at how you treat your mother!”

“The relationship between mother-in-law and daughter-in-law was so difficult to get along with. Zhou Xiang could get along so well with Old Lady Cen, but Zhou Xiang treated Xie Wanqiu so well. ”

Could it be that Xie wanqiu could not compare to Bai Tang’s mother-in-law?

Zhou Xiang was scolded until he could not even raise his head.

“Zhou zuolong continued, “Did you hear what I Said?” ”

“Zhou Xiang said, “I did. Father, it was all my fault in the past. Don’t worry. I will treat you and mother well in the future.” ”

“Zhou zuolong said, “Also, get that old woman from the Cen family to pick up yinyin. Did you hear that?” ”

““Dad,”Zhou Xiang said with some difficulty, “Dad, you know my mother-in-law’s temper. She can’t come just because I asked her to.” ”

“This time, Zhou Xiang did not dare to call old Mrs. Cen ‘Mom’again. ”

“Unless the sun rose from the west, Old Mrs. Cen would only come to the hospital to pick up Zheng Wanyin. ”

“Otherwise, it was impossible! ”

““You can think of a way yourself,”Zhou Zuolong said. “I just want to see the result!” ”

““Dad!”Zhou Xiang looked like he was about to cry. “You, aren’t you making things difficult for me?” ”

““To be able to marry such a good daughter-in-law like yinyin, the CEN family must have been blessed for countless lifetimes. If it wasn’t for your mother’s concern for you, do you think I would agree to this? You have to figure out who is making things difficult for whom? “The Cen family wants to marry such an outstanding daughter-in-law like yinyin, and they also want Yinyin to come knocking on their door. The Cen family doesn’t have to worry about anything. They just sit back and enjoy the fruits of their labor. How can there be such a good thing in the world?” ”

“It was also because Xie Wanqiu was kind-hearted. If it were any other stepmother, who would be willing to let their only granddaughter marry far away? ”

“Yet, Zhou Xiang and the Cen family still wanted more. ”

It was really disgusting.

“Dad,” Zhou Xiang continued, “My mother-in-law really can’t come to the hospital. Please let me bring Wanyin Back!” ”

“Impossible!” Zhou Zuolong’s attitude was very firm.

“Zhou Xiang turned to look at Xie wanqiu. “Mom, please help persuade Dad.” ”

“Xie wanqiu sighed, “Xiang Xiang, although it seems like I’m in charge of our family on the surface, it’s actually your dad who makes the decisions. Even if I say it, your dad might not necessarily listen to me. Moreover, what your dad said is also right. We can’t let outsiders say that Yinyin is willing to sacrifice herself. “Yinyin is the only bloodline that Ying ‘ER has left. Your grandfather and I can’t bear to see yinyin suffer such injustice.” ”

How could Xie Wanqiu’s granddaughter be a pervert.

“If one were to say that she was a pervert, it would be the CEN family! ”

“If the Cen family was not the number one family in China, Cen Shaoqing would not be a match for Zheng Wanyin. ”

Zhou Xiang also sighed.

“Xie wanqiu continued, “Xiangxiang, don’t be anxious. Things will work out when they get to the end of the bridge. You get along so well with the old lady of the Cen family. Even though you are not a mother and daughter, you are better than them. I believe that she will definitely listen to you.” ”

“This isn’t about getting along well or not getting along well. Mom, you don’t know my difficulties. If she doesn’t come, I can’t force her to come.” ”

Xie wanqiu rolled her eyes. “Then I’ll give you an idea.”

“Go Ahead,” Zhou Xiang said. ”

“Xie wanqiu continued, “Crying, making a scene, and hanging yourself. You’re the only daughter-in-law of the CEN family, and Haifeng left early. Don’t tell me that the old lady of the Cen family Will Just Watch You Die?” ”

Of course not!

Zhou Xiang was stunned. “Is... is this okay?”

“According to Old Lady Cen’s personality, if she dared to use hanging to threaten her, Old Lady Cen would definitely hand her a rope. ”

“If she jumped off a building, old lady cen might even feel that she wasn’t jumping fast enough. ”

“Therefore, crying, making a scene, and hanging herself three times were completely useless to Old Lady Cen! ”

“Having been with Old Lady Cen’s mother-in-law for so many years, Zhou Xiang knew Old Lady Cen’s personality too well. ”

“Why not?” Xie wanqiu said, “Xiangxiang, yinyin is your biological niece. Could it be that you’re not willing to do such a small thing for her?” ”

“These words were a little harsh. Zheng Wanyin was not related to Zhou Xiang in the first place. If word got out, outsiders would think that she was mistreating her niece. ”

“Zhou Xiang said, “Mom, that’s not what I meant. I just feel that this method might not be feasible.” ”

“I think you just don't take Yinyin as your biological niece.” Zhou Zuolong turned to look at Zhou Xiang, then he said, “Don't forget how Ying 'er died! If it wasn't for you, would Ying 'ER have died? If it wasn't for you, would yinyin have become an orphan without parents?” ”

“If Zhou Xiang had not interfered, Xie Ying would have been the one who married Cen Haifeng. ”

“If Xie Ying had married Cen Haifeng, Zheng Wanyin would have been the Cen family's eldest daughter. ”

Zhou Xiang felt wronged when she mentioned this matter.

“She was the one who knew Cen Haifeng first, and she was the one who was dating Cen Haifeng. When Xie Ying found out about this, she wanted to replace her, but she couldn't. She felt resentful and twisted the truth, she lied to Zhou Zuolong and Xie wanqiu that she was the one who was in a relationship with Cen Haifeng. ”

This led Zhou Zuolong and Xie Wanqiu to believe that Xie Ying's death was her fault all these years.

Little did they know that she was also a victim.

“Now that Xie Ying was already dead, the dead were the most important. She could not argue with a dead person about right and wrong. ”

“Zhou zuolong continued, “Zhou Xiang, unless you want to sever your father-daughter relationship with me, otherwise, let that old lady of yours come over!” ”

“Dad...”

“Xie wanqiu held Zhou Xiang's arm. “Okay, okay, Xiang Xiang, your dad is tired. You should go back quickly and let your dad have a good rest.”As Xie Wanqiu spoke, she brought Zhou Xiang outside. ”

“When they came outside, Xie wanqiu lowered her voice and said, “Xiang Xiang, it’s not like you don’t know your dad’s personality. He’s exactly the same as Jin bei. You have to go along with what he says. You Can’t go against him!” ”

“”But mom, I really can’t do anything to my mother-in-law. What if my mother-in-law doesn’t come?”Zhou Xiang said. ”

“”Human actions matter. As long as you think of a way, your mother-in-law will definitely come.”Xie wanqiu continued, “I know of a medicine that won’t really kill you after you drink it, but it will be very scary. Although you may suffer some pain, you have to let your mother-in-law see your determination. Moreover, yinyin is your biological niece. You know how outstanding she is. If your mother-in-law is unhappy now, she will definitely thank you in the future. So, you don’t have to worry at all!” ”

“After all, Zheng Wanyin was the only one who could save the Cen family from disaster. ”

“Unless old Madam Cen was a fool, she would definitely be very grateful to Zhou Xiang. ”

Zhou Xiang frowned.

“Xie wanqiu secretly slipped a bottle of medicine into Zhou Xiang’s hands, “Xiangxiang, do you really want to sever the relationship between father and son with your father? “Shaoqing is not an ordinary person, and the Cen family is not a small family in the capital. If word gets out, it will not be good for you, Shaoqing, or the CEN family!” ”

Zhou Xiang’s heart skipped a beat when he heard this.

Xie Wanqiu was right.

“There were many disputes in the powerful family. Moreover, CEN Shaoqing stood high up. If something really happened, outsiders would not know how to discuss it! ”

“Xie wanqiu saw Zhou Xiang’s expression. “Xiangxiang, you are a smart child. I think you should know what to do, right?” ”

Chapter 1395: 289: turning hostile and refusing to acknowledge her! (second watch)1

Zhou Xiang did not say a word. She felt very uncomfortable in her heart.

“She did not want the Cen family’s reputation to be tarnished, but she also did not want to sever her relationship with Zhou Zuolong.”

“Right now, there seemed to be only one path before her.”

“She had been with Old Lady Cen’s wife and daughter-in-law for so many years, but she had never blushed once. Was she really going to use her death to threaten Old Lady Cen this time?”

“Seeing that Zhou Xiang did not speak for a long time, Xie wanqiu continued, “Xiangxiang, Are You Listening?” ”

“Zhou Xiang finally came back to her senses. “Mom, I’m listening.” ”

““It’s good that you’re listening.”Xie wanqiu nodded, “Also, you should be more careful when you go to the north side. “You’re the elder sister. Your biological mother is no longer around, and I’m not the mother of the north side. As the ancient saying goes, the eldest sister is the mother. As the elder sister, you should take on the responsibility of being the eldest sister. If your biological mother were to see the father and son turn against each other underground, she would definitely feel very disappointed.” ”

“At this point, Xie wanqiu sighed, “I’m your stepmother. I know that even though you’ve always called me mother, in your heart, you don’t treat me as your biological mother. I Don’t blame you. After all, I’ve never been your biological mother. I just need to do it with a clear conscience. “It’s fine if you can’t understand me now about ye Zhuo’s matter, but I’ll go first. One day, you’ll understand me.” ”

“No matter who heard Xie Wanqiu’s earnest advice, they would think that she was a good mother and stepmother.”

“Zhou Xiang felt a little uncomfortable. “Mom, Please Don’t blame me for not being sensible in the past. Don’t worry. From today onwards, you’re my biological mother.” ”

“Good child.”Xie wanqiu patted Zhou Xiang’s head. “Go back quickly.”

“Okay.”Zhou Xiang nodded.

Zhou Xiang returned to the Cen family home.

Old Mrs. Cen was sitting in the living room and talking to Zhou Jinbei.

“From Afar, Zhou Xiang could not hear their conversation. All he could see was old Mrs. Cen laughing loudly. ”

“Zhou Xiang was very worried, but he could only put it to heart. He still had a smile on his face as he walked over and said, “Mom, Jinbei.” ”

“Xiang Xiang is back.”Old Mrs. Cen raised her head to look at Zhou Xiang. “Where are you going? Why Are You So Worried?”

Worried?

Zhou Xiang was stunned.

She was obviously smiling. How did old Mrs. Cen see that she was worried?

She was really amazing.

“Zhou Xiang tried to pretend that nothing had happened. She smiled and said, “How could I be worried? Mom, you must have seen wrongly. I just went out with the Little Sisters.” ”

“OH.” Old Mrs. Cen nodded and did not expose Zhou Xiang’s lie.

“Zhou Xiang looked at Zhou Jinbei and continued, “Jinbei, I have something to tell you.” ”

Old Mrs. Cen stood up with a smile. “The two of you talk. I’m going out for a walk.”

Old Mrs. Cen came to the housekeeper’s room.

“The housekeeper saw Old Mrs. Cen and immediately went up to her. “Old Mrs. Cen, I was just about to look for you.” ”

“Where did Xiangxiang Go?” Old Mrs. Cen sat down on a chair.

“The housekeeper said, “Madam went to the hospital.” ”

The hospital.

“When she heard this, Old Mrs. Cen’s face was full of anticipation. ”

She had always known that Zhou Xiang had a soft personality.

“Therefore, when she heard this result, she was not surprised at all. ”

“”Why did she go to the hospital?” Old Mrs. Cen continued, “Did that disgusting couple make things difficult for her again?” Old Mrs. Cen was not even willing to call her in-laws and in-laws. ”

She did not blame Zhou Xiang.

“To be fair, Zhou Xiang was a very good daughter-in-law.”

It was a pity.

People could not choose their own birth.

“The housekeeper continued, “I am not very clear about this. According to the people who came back, Mrs. Zhou stayed in the ward for more than two hours. During that time, Old Master Zhou and Old Mrs. Zhou came out to discuss something, but they did not hear what they specifically discussed.” ”

“Old Madam Cen frowned slightly. Although the people who went didn’t hear anything, she knew that the couple definitely didn’t have any good intentions.”

“Especially that Xie wanqiu. She was clearly not sick, yet she stayed in the hospital and didn’t come out.”

It was simply disgusting!

““It’s true that having a stepmother will give birth to a stepfather. With such a father and mother, Xiangxiang is simply unlucky for eight lifetimes!”Old madam CEN continued, “Only Xiangxiang is willing to spoil them. If it were me, I would have already performed a face-off technique for them to see!” ”

“The housekeeper continued, “Fortunately, Old Master Zhou and Old Mrs. Zhou Don’t come often. Otherwise, Mrs. Zhou would have a hard time.”The housekeeper had been in the Cen family for so many years, so he naturally knew what kind of person Zhou Xiang was.”

““Often?”Old Mrs. Cen said, “If they dared to come often, would I let them go? If it wasn’t for the fact that Xiang Xiang’s mother left early and she only had one father, I would have fallen out with them a long time ago!” ”

“Zhou Xiang had a soft personality, so there were some things that could not be done by force.”

“After saying that, old Mrs. Cen continued, “Keep an eye on that side for the next few days. I want to see what that couple is up to!” ”

“Okay.”The butler nodded.

On the other side.

In the house.

“Zhou Xiang looked at Zhou Jinbei. “Jinbei, I just went to the hospital. Dad told me that if you don’t go to the hospital soon, he will sever the relationship between father and son with you.” ”

“”Okay.”Zhou jinbei smiled and said, “I would love to.” ”

Zhou Jinbei had long wanted to break off the relationship with Zhou Zuolong.

“Unfortunately, Zhou Zuolong had bitten him too hard and used all his dirty tricks.” ”

“”Jinbei,”Zhou Xiang held Zhou Jinbei’s hand and said, “Don’t act like a child. After all, he is our father.” ”

“”Sis...”Zhou Jinbei wanted to say something, but he swallowed his words. According to Zhou Xiang’s character, unless she saw something with her own eyes, she would never believe what he said. “Forget it. Let’s wait for the experts to repair the letter.” ”

“Zhou Xiang knew what Zhou Jinbei meant. “Jinbei, you’ve always placed your hopes on that suicide note. What if there’s nothing in that suicide note?” ”

“”Alright, then I’ll put it here today.”Zhou jinbei said firmly, “If there’s nothing wrong with that suicide note, I’ll kowtow to Zhou Zuolong and admit my mistake. From now on, I’ll be filial to him and I won’t say anything else! “But if mom’s death is related to him, then I’ll destroy his reputation! “I’ll make him bring Xie wanqiu to Mom’s grave and kowtow to mom to admit his mistake!” ”

“Zhou Xiang sighed. “Jinbei, have you ever thought about what would happen if the will was mom’s confession?”Zhou Jinbei was too stubborn and wouldn’t listen to anything. ”

“”I’ve said it before. As long as Mom’s will doesn’t mention the reason for her lying on the tracks, I’ll Kowtow to Zhou Zuolong and admit my mistake!” ”

“After saying that, Zhou Jinbei continued, “Sister, What About You? If the will is restored and proves that Mom’s death is related to Zhou Zuolong, what will you do?” ”

“That won’t happen.”Zhou Xiang shook her head. “This matter won’t have anything to do with father.”

“Zhou Xiang trusted Zhou Zuolong very much. After all, the person who died in bed was Wu Lan. ”

The suicide note left behind by Wu Lan was definitely a confession letter.

“”What if?”Zhou Jinbei said, “Sister, everything isn’t that absolute!” ”

“Zhou Xiang looked at Zhou Jinbei and continued, “If there is, then I’ll be just like you. I’ll sever my relationship with Father and never acknowledge him as Father Again!” ”

“Alright.”Zhou Jinbei nodded. “Sis! Remember what you said today.”

“Zhou xiang smiled and said, “Don’t worry, I’ll remember it.” ”

“After saying that.., zhou xiang continued, “The results of the repair haven’t come out yet. Dad will still be our dad. Mom is in the hospital now. As a child, she should go to the hospital to see them. “Also, I don’t know how mom and Dad found out about the burning pink diamond that you gave to Wanyin. Wanyin is your niece. If you gave it to burning red, you should have prepared one for Wanyin as well. You Can’t be biased and do something that people will gossip about.” ”

“Hearing this, Zhou Jinbei was so angry that he laughed. ”

He could roughly guess what Zhou Zuolong and Xie Wanqiu had said when Zhou Xiang went to the hospital.

Using the word 'shameless' to describe them was an insult to the idiom 'shameless'.

"What are you laughing at?" Zhou Xiang looked at Zhou Jinbei in confusion.

"Zhou Jinbei turned around to look at Zhou Xiang, "I'm laughing at their shamelessness, and I'm laughing at your stupidity! Sister, Zheng Wanyin is Xie Ying's daughter. What kind of niece is she? Only that muddle-headed Zhou Zuolong would do something as cowardly as raising someone else's child!" Someone Else's child was a treasure to Zhou Jinbei, in front of Zhou Jinbei, they were not even comparable to grass. "

"Zhou Xiang frowned slightly, "Don't say that. Xie Ying has already left. Wanyin's child is quite pitiful. "Don't look at the monk's face and look at the Buddha's face. In any case, Wanyin has called her father's grandfather for so many years. You Can't do that just because you call him 'grandfather'. "Moreover, I can see that Wanyin really treats you like an uncle!" "

"From Zhou Xiang's point of view, Zheng Wanyin's character was not bad. "

Those terrible things were all caused by Xie Wanqiu and Zhou Zuolong.

"However, Xie Wanqiu and Zhou Zuolong had good intentions. Everything was because they had misunderstood ye Zhuo. As long as the misunderstanding was resolved, nothing like that would happen. "

"Zhou Jinbei looked at Zhou Xiang. "SIS, have you forgotten how Xie Ying treated you back then?" "

"Chapter 1396: 290: published in the newspaper, Notorious -ThirdhWatchatch)1"

I remember.

“Of course, Zhou Xiang remembered.”

“In order to marry Cen Haifeng, Xie Ying had used all kinds of means?”

“”But that’s in the past,”Zhou Xiang continued, “The dead are the most important. After all, Xie Ying has been gone for so many years. “It’s said that a disaster shouldn’t be small. I Can’t make things difficult for Wan Yin just because of Xie Ying’s matter. We can’t be like this.” ”

“No matter what happened between adults, it had nothing to do with the child.”

Zheng Wanyin had not been there when those things happened.

“Therefore, she could not blame Zheng Wanyin.”

“Zhou jinbei said, “What root hair, what seedling. In my opinion, that Zheng Wanyin is not a good person either!” ”

“”Jinbei!”Zhou Xiang continued, “You can not like Wanyin, but you can’t say that about wanyin! A Girl’s reputation is the most important thing. If even your uncle talks about her like that, how will outsiders see her? If this word gets out, how will it sound good?” ”

Zhou Jinbei shook his head helplessly.

“After thinking for a while, Zhou Xiang stood up from her chair and said, “Wait for me here for a while. I’m going upstairs to get something.” ”

“Okay.”

“Zhou Xiang went to the bedroom and rummaged through the cabinets. Finally, she found a huge green diamond.”

This green diamond was a rare diamond that Zhou Jinbei had obtained when he first went to South Africa to contact the diamond business.

It was priceless.

“After finding the Green Diamond, Zhou Xiang went downstairs. “Jinbei, this is for you.” ”

“Looking at the diamond in front of him, Zhou Jinbei was stunned. “SIS, what do you mean by this?” ”

“Zhou Xiang explained, “You can go to see your parents. You Can’t go empty-handed and give this green diamond belt to Wanyin. Just say that you gave it to her. Don’t be silly and say that I asked you to give it to her.” ”

“What?”Zhou Jinbei was stunned for a moment.

“Zhou xiang continued, “Give this green diamond to Wanyin! Our parents like Wanyin so much. They will definitely be very happy to see you give such a precious green diamond to Wanyin.”Zhou Zuolong and Xie Wanqiu liked to compare, zhou Jinbei either did not make a move, or if he did, he had to give a good one.”

The comparison between a green diamond and a pink diamond could be said to be on par.

“At that time, Zhou Zuolong and Xie Wanqiu would have nothing to say.”

Zhou Jinbei did not like Zheng Wanyin. It was almost impossible for Zhou Jinbei to give Zheng Wanyin something on his own.

“Therefore, Zhou Xiang could only bear to part with it.”

“Although she also liked the green diamond very much, she was willing to give it to Zheng Wanyin for the sake of the harmony of the family.”

“As long as it could create a barrier between father and son, Zhou Xiang was willing to do anything for Zhou Xiang.”

“SIS, you’re confused!” Zhou Jinbei frowned slightly. “How could you give such a precious thing to Zheng Wanyin!”

Did Zheng Wanyin deserve it?

“Not to mention such a precious green diamond, even if it was just a grain of rice, Zhou Jinbei did not want to let Zheng wanyin have it.”

“Zhou xiang smiled and said, “No matter how good the thing is, it’s still a dead thing, but a person is alive. “Moreover, Wanyin is not an outsider! “Jinbei, listen to me. Take this and give it to wanyin. Only in this way can we repair the relationship between you and your parents.”

Zhou Jinbei took a deep breath and tried his best to calm himself down.

“Zhou Xiang was his only sister. She had been so good to him when he was young. If it weren’t for Zhou Xiang, he wouldn’t be where he is now. Therefore, he couldn’t lose his temper at Zhou Xiang.”

He had to control himself.

“Sister, before Mom’s will is repaired, Zhou Zuolong and Xie Wanqiu can’t be rid of the suspicion of murder,” Zhou Jinbei continued, “So, before that, I won’t go to the hospital to see them.”

“Zhou Xiang had no choice since Zhou Jinbei was like this. She continued, “You said last time that the will will be restored in a week?”

“Yes.” Zhou Jinbei nodded.

“Zhou Xiang continued, “Alright, then we’ll wait for another five days. After five days, when the will is restored, you’ll have to go see dad, right?” ”

Zhou Jinbei didn’t say anything.

Because he never thought that Wu Lan’s death had nothing to do with Zhou Zuolong.

“Zhou Xiang said again, “Zuolong, father doesn’t like to joke. He said in front of me today that if you don’t go to the hospital to see them, he will cut off his father-son relationship with you! “The will will only come out five days later. Can’t you go see him in advance?” ”

““Let him be,”Zhou Jinbei said. ”

“Zhou Xiang sighed. “Zuolong, why are you so stubborn! ”

“Once Zhou Zuolong really broke off his relationship with Zhou Jinbei, the relationship between them would never be able to be restored. ”

“After the will was restored, it proved that Zhou Zuolong had nothing to do with Wu Lan’s death. At that time, no matter how Zhou Jinbei apologized to Zhou Zuolong to make up for it, it would be useless! ”

Zhou Xiang did not want to see this matter.

She did not want to see Wu Lan’s cold heart underground.

Zhou Jinbei did not say anything.

“Zhou xiang continued, “Jinbei, just take it that I’m begging you, okay? It’s said that a child wants to be raised but not to be kept close. A tree wants to be quiet but the wind will not stop. I don’t want to see you do something that you’ll regret.” ”

“Sis, don’t worry. I Won’t regret it.”Zhou Jinbei’s face was full of determination. ”

“Zhou jinbei continued, “Sis, I still have something to do. I’ll leave first.” ”

“After saying that, Zhou Jinbei turned around and left. ”

Zhou Xiang stood up anxiously. “Jinbei!”

Zhou Jinbei did not even turn his head back.

“Looking at Zhou Jinbei’s back, Zhou Xiang sighed. ”

Zhou Jinbei had just walked out of the door when he saw Old Madam Cen standing there waiting for him.

“Old Madam.”

“Brother-in-law.”Zhou Jinbei smiled as he went up to greet her.

“Old madam CEN continued, “Brother-in-law, I know you’re a sensible person, so I have a few words to say to you. Is it convenient for you?” ”

“It’s convenient.”Zhou Jinbei nodded. “Old Mrs. Cen, if you have anything to say, just say it.” ”

“Old Mrs. Cen continued, “Then let’s talk as we walk. It just so happens that the weather is cold. Let’s treat it as exercise.” ”

“Okay.”Zhou Jinbei nodded.

The two of them talked as they walked.

“Old Mrs. Cen said, “Brother-in-law, is everything okay at home?” ”

“It’s fine.”

“Old Mrs. Cen continued, “Brother-in-law, actually, I called you over from Haicheng this time because of Xiangxiang. Xiangxiang is your biological sister. You know that child’s character. She’s too soft. Otherwise, she wouldn’t have been bullied by your stepmother for so many years!” ”

““To tell you the truth, I’m actually worried about this matter too.”Zhou jinbei continued, “But searing fire is going to fix the will soon. As long as she fixes the will, I believe that my sister will be able to see the reality clearly.”Although Zhou Xiang’s character was a little soft.., she was not muddle-headed. ”

““That’s good.”Old Mrs. Cen looked into the distance, “But I am just a little worried. What if your mother did not say anything in the will? Brother-in-law, we are not afraid of anything. What if your mother’s will did not mention this matter? What would you do?” ”

“Hearing this, Zhou Jinbei was stunned. ”

“To be honest, he had never thought about this. ”

“Old Mrs. Cen continued, “Brother-in-law, Xiang Xiang went to the hospital, right?” ”

“Yes.”Zhou Jinbei did not hide it.

“Old Mrs. Cen said, “I saw her frowning. They must have made things difficult for her again, right? Can you tell me what it is about?” ”

“Zhou jinbei continued, “It should be about my matter. Zhou Zuolong wants me to go to the hospital to see them... .. and they don’t know where to find out about my pink diamond. My sister wants me to give her one too . . . .” ”

“After listening to the story, the CEN old lady frowned: “This is too shameless! They can say such words! I have never seen such a shameless person!” ”

Zhou Jinbei agreed with the old lady.

“Old Mrs. Cen continued, “Brother-in-law, I’m telling you, don’t listen to Xiang Xiang’s nonsense! Who is Zheng Wanyin? What right does she have for you to give her diamonds?” ”

“I know.” Zhou Jinbei nodded.

“Old Mrs. Cen smiled and said, “If Xiang Xiang was half as good as you, I wouldn’t have to worry so much.” ”

“Zhou Jinbei said, “Old Mrs. Cen, actually my sister is a little soft-hearted. She’s a good person!” ”

““I know,” old madam CEN continued, “If it wasn’t for the fact that she’s a nice person from Xiang, I would have turned against her long ago!” ”

“Zhou jinbei smiled and said, “My sister is lucky to have a mother-in-law like you.” ”

At the hospital.

“Zheng Wanyin poured Zhou zuolong a glass of water. “Grandfather, you’ve said it so harshly. What if Uncle Doesn’t come tomorrow? Do you really want to sever ties with him?” ”

“Zhou zuolong said angrily, “Not only do I want to sever ties with him, I also want to publish it in the newspapers! Let his reputation spread far and wide!” ”

“Zheng wanyin said, “Grandfather, isn’t this a little bad? You and uncle are father and son after all.” ”

Chapter 1397: 291: what has become of you (fourth watch)1

Not Good?

What is not good?

“Since Zhou Jinbei did not take him but his father, why should he give face to Zhou Jinbei?”

“As long as Zhou Jinbei dared to do the first day of junior high, he would dare to do the fifteenth!”

Moreover.

“With his temper towards Zhou Jinbei, Zhou Jinbei might not dare to follow or not come to see him.”

Zhou Jinbei and Zhou Xiang were siblings.

“If Zhou Jinbei dared to sever ties with him, he would have done so long ago. Why would he wait until now?”

“To put it bluntly, Zhou Jinbei was still afraid of him.”

He was afraid that he would make a big deal out of this matter.

“Not showing filial piety to an elderly person, to the point that his parents would ignore him in the hospital, such news was not good news.”

“Zhou Zuolong turned to look at Zheng Wanyin. “Yinyin, don’t worry. That unfilial son would not dare not come and visit me.” ”

“Zheng wanyin nodded and continued, “What do you want to eat with Grandma Tonight? I’ll go buy it.” ”

“”Anything is fine. You can buy whatever you want,”Zhou Zuolong said. ”

“”Alright, I’ll go first then.” ”

Zhou Zuolong nodded.

Zheng Wanyin went out to buy something.

“Just as she opened the door, she saw Xie wanqiu walk out. ”

“Grandma.”

“Xie wanqiu nodded. “Yinyin, you want to buy food outside?” ”

“Yes.”

“After saying that, Zheng Wanyin returned. “Grandma.” ”

“What’s Wrong?”Xie wanqiu stopped in her tracks.

“Zheng wanyin said, “Grandma, Will the old lady of the Cen family really come to pick me up?”Zheng Wanyin was very worried about this. ”

Old Lady Cen was a shrewd person and was not someone who would compromise easily.

It was almost impossible for her to come to the hospital!

“However, if Old Lady Cen did not come to the hospital to pick her up, wouldn’t her dream of joining the Cen family and becoming the young mistress of the Cen family be shattered?”

No.

She absolutely could not allow such a thing to happen.

“Xie wanqiu smiled and said, “Don’t worry. Unless Zhou Xiang dares to sever ties with your grandfather, otherwise, that damned old woman of the Cen family will have to obediently come to the hospital to pick you up.” ”

“But what if she doesn’t come?”Zheng Wanyin asked.

“”She won’t,”Xie wanqiu said, “She will definitely come! You didn’t see Zhou Xiang seeing your grandfather, it’s like a mouse seeing a mouse! Didn’t she not agree with you and the young minister previously? Now, didn’t she agree obediently? !” ”

“After saying that, Xie wanqiu continued, “Your grandfather is right. We Can’t let you be taken back by Zhou Xiang just like that. People will say that you’re a pervert!” ”

A pervert?

Zheng Wanyin’s expression changed.

“Actually, as long as she could marry Cen Shaoqing, it didn’t matter if she was a pervert. She wasn’t the kind of person who cared about what others said. ”

“If she had the guts, she would make them marry Cen Shaoqing as well! ”

“She did not have the ability, yet she still wanted to gossip about others.”

How could there be such a shameless person in the world.

“Moreover, wasn’t ye Zhuo also falling for Cen Shaoqing when he was together?”

“In order to not let others gossip, ye Zhuo actually made up so many fake identities.”

He was Miracle Doctor Ye and also the chief of the Shunxi Financial Group.

She wanted to marry Cen Shaoqing with her own strength. She did not need to make up so many fake identities like ye Zhuo did.

So fake that she did not even know who she was.

“She could see what Zheng Wanyin was thinking, xie wanqiu continued, “Yinyin, a girl’s reputation is the most important thing. You are my granddaughter. I Can’t let outsiders talk about you like that! Besides, you are so outstanding. How can you not be worthy of Cen Shaoqing? If you want to say that you are worthy of Cen Shaoqing, it should be Cen Shaoqing who is worthy of you!” ”

“Hearing this, Zheng Wanyin felt that Xie wanqiu was quite right.”

“She was so outstanding, could it be that she couldn’t be compared to that dummy ye Zhuo?”

“Even ye Zhuo could be together with Cen Shaoqing, so why couldn’t she?”

“”Grandma, I understand what you mean,”Zheng Wanyin said.”

“Xie wanqiu smiled and said, “Yinyin, it’s good that you can understand Grandma’s painstaking efforts. “Now, you just need to stay at the hospital and wait for that old woman from the Cen family to come and pick you up! “Let me tell you, when the time comes, you have to put on your airs. You Can’t just

leave like that. You have to let that damn old woman from the Cen family know that you are a person of status!" "

""Yes." Zheng Wanyin nodded. "Grandma, I understand." "

"Xie wanqiu nodded in satisfaction. "Yinyin, Grandma will rely on you for the rest of her life. Once you marry Cen Shaoqing, the Cen family will belong to us in the future. How Will Bai Tang have the right to speak?" As for Zhou Xiang.., with that soft-hearted Zhou Xiang, he would not be able to achieve anything Big! "

"When Zheng Wanyin marries Cen Shaoqing, the person in charge of the Cen family would still not be Zheng Wanyin. "

"And Zheng Wanyin would listen to her the most. In this way, the person in charge of the Cen family would become her! "

"Whenever she thought of Zheng Wanyin marrying Cen Shaoqing, Xie Wanqiu's heart was filled with a sense of glory. "

Wasn't Bai Tang proud in front of her?

"Once Zheng Wanyin married Cen Shaoqing, she saw what Bai Tang had to be proud of. "

"When the time came, she would have plenty of ways to treat Bai Tang. "

"Zheng wanyin continued, "Then I'll go shopping first." "

"Go ahead." Xie wanqiu nodded.

"Seeing that Zheng Wanyin had left her sight, Xie Wanqiu did not immediately return to the ward. Instead, she went to the bathroom next door and called Wu Youyu. "

“Zhou Xiang compromised. It was a big deal that Zheng Wanyin could marry into the Cen family. As her grandfather, Wu Youyu naturally had to know about it immediately.”

...

“On the other side, when Wu Youyu heard the news, he was so excited that he hugged Zhang Qingqing and kissed her passionately.”

“Zhang Qingqing asked doubtfully, “What’s wrong? What happened that made you happy?” ”

“”Just now, that old woman Xie wanqiu called me. Wanyin can marry into the Cen family soon!”Wu youyu continued, “I’m Wanyin’s biological grandfather. If wanyin marries Cen Shaoqing, then I’ll be Cen Shaoqing’s grandfather. When that time comes, won’t I be the Cen family’s great-grandfather?” ”

“Zheng Wanyin did not have parents. He was Zheng Wanyin’s biological grandfather, so he would naturally be Cen Shaoqing’s biological grandfather. At that time, wouldn’t he be the Cen family’s great-grandfather?”

“The more Wu Youyu thought about it, the more excited he became.”

“Zhang Qingqing narrowed her eyes. “But I heard that the CEN family has an old lady.”Although Zhang Qingqing was Wu Youyu’s mistress, she had a brain. She felt that this matter was not that simple.”

“If the Cen family’s old lady did not have some ability, how could she prop up the Cen Family? Wu Youyu seemed to think that the matter was too simple.”

“Wu youyu said disdainfully, “That damn old lady is almost ninety years old this year. How many years do you think she can live?” ”

An old man would leave just like that.

“Moreover, the Cen family’s old lady was already over ninety years old.”

She might die tomorrow.

“That’s true. After all, no one knows who will come first,” Zhang Qingqing continued, “What about Zhou Zuolong? After all, Zhou Zuolong is the rightful grandfather of Cen Shaoqing!” ”

“As long as Zhou Zuolong was around, it would not be so easy for Wu Youyu to rise to the top. ”

“Zhou Zuolong? Zhou Zuolong is now calling me brother. What can that idiot achieve!” Wu Youyu had never taken Zhou Zuolong seriously.

“As long as Zhou Zuolong was a little smarter, he would not have been deceived by Xie wanqiu for so many years. ”

A person like Zhou Zuolong was not worthy to be his opponent.

“Zhang Qingqing smiled and said, “Then I’ll congratulate you in advance.” ”

“Wu Youyu kissed Zhang Qingqing’s face again. “Little Darling, don’t worry. When I become the old master of the Cen family, there will naturally be benefits for you.” ”

Benefits?

“Really?” Zhang Qingqing twirled her hair.

“Aiyo, Little Darling, when has Big Brother Ever Lied to You?” Wu Youyu hugged Zhang Qingqing tightly.  
”

Big Brother?

“Wu Youyu was already old enough to be her grandfather, yet he still called himself Big Brother!”

It was really too disgusting.

“Zhang Qingqing was about to vomit from hearing it, but her face was still full of smiles, pretending to love Wu Youyu very much.”

It was really too difficult to be someone else’s mistress. She did not know when she would be able to find a rich man and become a real rich lady.

She had really had enough of this kind of life.

“After thinking about it, Zhang Qing Qing climbed onto Wu Youyu’s neck and endured the churning feeling in her stomach. “Brother, I’ve been interested in a bag recently.” ”

“What Bag?” Wu Youyu did not dare to directly say that he wanted to buy it.

“After all, some bags were even more expensive than a house.”

Zhang Qing Qing took out her phone. “This is it.”

Wu Youyu took the phone. On it was a bucket-like hand lift that was worth six figures.

“188,000 yuan!”

“Didn’t I already buy you a bag before?”

“Zhang Qing Qing said, “That bag is already outdated. This is their new model. Brother, just buy it for me!”! You are about to become the old master of the Cen family. The Cen family is a big family. Do you still care about such a small amount of money? Brother!”At the end of her sentence., zhang Qingqing began to act coquettishly.”

“It was unknown how that sentence pleased Wu Youyu. Wu youyu smiled and said, “Buy it! I will get someone to transfer the money to you later!” ”

“When she heard that, Zhang Qingqing’s eyes lit up. “Thank you, Brother!” ”

“Chapter 1398: 292: If I’m not good, who’s good (5th watch)1”

“188,000 yuan was not a small sum. ”

“After all, Wu Youyu only gave her 50,000 to 60,000 yuan per month. ”

Zhang Qing Qing happily kissed Wu Youyu’s face a few more times.

“Wu Youyu enjoyed it and said, “Little baby, I promised you to buy a bag, so you have to promise me something.” ”

““Tell me,”Zhang Qing Qing said. ”

A lewd light flashed in Wu Youyu’s eyes. “Play a game with me.”

Zhang Qing Qing naturally knew the content of the game. A troubled look flashed across her face.

No normal person would like that kind of game.

Wu Youyu must have watched too many of those dvds to be so perverted.

“What, Little Baby, you don’t want to?” Wu Youyu raised his head to look at Zhang Qing Qing. ”

“Zhang Qingqing bit her lip. “For Bao’s sake, I’ll agree to it! It’ll only be this once, and it won’t happen again!” Although she was a mistress, she still had her dignity. ”

“Wu youyu smiled and said, “Don’t worry, it’ll only be this once.” ”

Time passed very quickly.

“In the blink of an eye, the next day arrived. ”

At the hospital.

“Zhou Zuolong was sitting by the bed feeding Xie wanqiu porridge. At this moment, there was a knock on the door. ”

Zhou Zuolong stood up to open the door.

“The moment the door was opened, he saw a familiar figure. ”

“Zhou zuolong smiled and said, “Brother Wu, you’re here! Come in, come in!” ”

That’s right.

The person outside the door was Wu Youyu.

Wu Youyu was still carrying a fruit basket in his hand.

“Brother Zhou!” Wu youyu continued, “I know that you guys haven’t left yet, so I specially came to see you guys and also came to exchange moves with brother! Brother Won’t blame me for disturbing you, right?” ”

“Of course not! Brother Wu, you’re Wanqiu’s Savior. You grew up with her. I can’t tell how happy I am that you came to see her!” Xie Wanqiu’s marriage to him could be considered a distant marriage, in Sea City, Xie Wanqiu didn’t have many friends. Sometimes, she didn’t even have anyone to talk to. Wu Youyu was one of Xie Wanqiu’s few friends. ”

“Wu youyu smiled and said, “I knew you were a magnanimous person, brother Zhou!” ”

“Zhou zuolong continued, “Brother Wu, come in and have a seat.” ”

Wu Youyu walked inside.

“The moment he walked inside, Zheng Wanyin was stunned. ”

Wu Youyu!

Why was he here again?

Was he here to look for Xie Wanqiu?

“Moreover, he was here in front of Zhou Zuolong. He was not afraid of being caught by Zhou Zuolong. ”

He was simply too bold!

Zheng Wanyin frowned slightly.

She still felt a little uncomfortable in her heart.

“In fact, she had always treated Zhou Zuolong as her biological grandfather. She felt very sorry for Zhou Zuolong after such a thing happened. ”

“However, she could not tell Zhou Zuolong directly. ”

“After all, Xie Wanqiu was her biological grandmother, and she was also her biological grandmother. ”

“Now was the crucial moment for her to marry into the Cen family. If Zhou Zuolong found out about this, would she still have the chance to marry Cen Shaoqing? ”

“Not only was it impossible, but she would also lose the title of Zhou Zuolong’s granddaughter. ”

Therefore.

Zhou Zuolong must not know about this.

For her and for Xie Wanqiu.

““Wanqiu, brother Wu is here!”Zhou Zuolong said with a smile. ”

Xie Wanqiu was stunned when she saw Wu Youyu. She didn’t expect Wu Youyu to come at this time.

““Brother youyu,”Xie Wanqiu said. ”

“Wu youyu said with concern, “WANQIU, are you feeling better now?” ”

“I’m much better.”Xie wanqiu nodded.

“Wu youyu smiled and said, “That’s good.” ”

“Watching the two of them chatting, Zhou Zuolong looked up at Zheng Wanyin. “Yinyin, I don’t think there are any fruits left. Let’s go buy some fruits!” ”

“Zheng wanyin said, “Aren’t there still apples and pears there?” ”

“Zhou zuolong continued, “Your grandmother doesn’t like to eat those.” ”

She doesn’t like them?

Why didn’t she know that Xie Wanqiu didn’t like to eat those?

“Zhou Zuolong picked up his wallet. “Let’s go, yinyin.” ”

“Xie wanqiu smiled and said, “Old Man, you don’t have to buy any fruits. Brother Youyu isn’t an outsider.” ”

““I’ll go and see if there are any fresh strawberries,”Zhou Zuolong said. ”

“Xie wanqiu nodded. “I really want to eat them now. Go and come back quickly. It’s cold outside, so don’t let yinyin follow you.” ”

“What’s there to be afraid of? Young people should train more.”

“Wu Youyu stood up. “Brother Zhou, then I’ll go with you!” ”

““Why do I Need You to accompany me?”Zhou zuolong continued, “It’s not easy for Wanqiu to meet her brother from home. You should accompany her and talk more. Don’t worry, yinyin and I will be back soon.” ”

“Alright then.”Wu Youyu nodded.

Zhou Zuolong left the ward with Zheng Wanyin.

“Wu Youyu leaned against the window. After confirming that Zhou Zuolong and Zheng Wanyin had already left the hospital, he ran back and hugged Xie wanqiu and kissed her passionately. “Darling, you really missed me to death!” ”

“You’re too bold. It’s daytime!”Xie wanqiu buttoned up her clothes. “Aren’t you afraid that Zhou Zuolong will find out?”

“Xie wanqiu was a cautious person. Although Zhou Zuolong was quite stupid and gullible, she wasn’t afraid of anything. She was only afraid of what might happen! ”

“If they were found out, all their previous efforts would be in vain! ”

Now was the crucial moment for Zheng Wanyin to marry into the Cen family.

Neither she nor Zheng Wanyin could afford to take such a risk.

“Discovered? What can that Trash Wu Youyu discover?”Wu Youyu’s face was full of disdain. “Can’t you see that he’s already calling me brother?”

“Xie wanqiu said, “Although that’s what he said, we still have to be careful! Don’t tell me he wants to personally destroy yinyin?” ”

“Wu Youyu hugged Xie Wanqiu. “Don’t worry, Zhou Zuolong will definitely not discover anything! If he could discover anything, he wouldn’t have given me the time to accompany you!”Wu Youyu had seen many people in his life, however, this was the first time he had seen someone as stupid as Zhou Zuolong. ”

“In the beginning, Wu Youyu was still worried that Zhou Zuolong was lying to him ”

It was only now that he realized that Zhou Zuolong was really stupid. He was so stupid that no one wanted to continue lying to him.

“When she said that, Xie wanqiu heaved a sigh of relief. “I’m just a little worried. After all, Zhou Xiang just promised us.” ”

“Wu youyu continued, “Since Zhou Xiang has already agreed, why isn’t she taking yinyin to the Cen Family? Is Zhou Xiang lying to you?” ”

Lying?

Just that Idiot Zhou Xiang?

“Xie wanqiu continued, “Originally, I was going to take her over, but Zhou Zuolong said that yinyin can not be compromised. That damned old woman from the Cen family has to come personally to take yinyin.” ”

Wu Youyu nodded. “I see.”

“After saying that, Wu youyu continued, “What if the Cen family’s old woman isn’t willing to come over? If I were to say that Zhou Xiang is willing to take yinyin back, then you should let Zhou Xiang take yinyin back. Otherwise, it would be too late.” ”

“”Don’t worry.”Xie wanqiu’s gaze was firm as she said, “That old woman of the Cen family will definitely come!” ”

“Are you that sure?”Wu Youyu asked.

“Xie wanqiu said, “Now Zhou Xiang has completely become my marionette. Zhou Xiang will do whatever I ask him to do, unless that old woman of the Cen family can watch Zhou Xiang Die!”! “But even if the

Cen family's old woman agrees, Cen Shaoqing will not agree! "So, that old woman from the Cen family is now riding a tiger. She has to come either way!" "

"Zhou Xiang was the Cen family's matriarch and Cen Shaoqing's biological mother. As long as the Cen family's old woman had a bit of brain, she would not watch Zhou Xiang die. "

"Wu youyu gave Xie wanqiu a thumbs up. "My Darling Little Baby, you're really amazing!" "

"Xie wanqiu smiled and said, "That's true. If I'm Not Amazing, who is?" "

Wu Youyu kissed Xie Wanqiu and then began to take off his clothes.

"Not long after, a discordant sound came from the ward. "

"Xie wanqiu said, "Hurry up. Zhou Zuolong will be back in a while." "

""Don't worry. It Won't be that fast. Besides, our yinyin is very smart. She knows what to do." "

"Although they had yet to tear apart that layer of window paper with Zheng Wanyin, they knew very well that Zheng Wanyin knew about this matter. "

"After all, if Zheng Wanyin had not helped cover it up last time, they would have been discovered by Zhou Zuolong. "

"After a while, Wu Youyu's voice appeared in the air again. "When are you going to tell Yinyin that I'm her real grandfather?" "

""Don't worry, it's not the right time yet." "

"Hearing this, Wu Youyu paused for a moment, then, he continued, "If it's not the right time, then when is it the right time? "I'm already so old and only have yinyin's bloodline. In my lifetime, I only want to

hear Yinyin call me grandfather. "After all, the more I call you, the less I call you. Who knows how many more years I can live!" "

"He could hear the disappointment in Wu Youyu's words, xie wanqiu consoled, "Brother youyu, don't worry. I'll definitely find an opportunity to tell Yinyin. Yinyin is a sensible and good child. You've sacrificed so much for her. In the future, she'll definitely be filial to you." "

Chapter 1399: 293: confess the truth (Sixth Watch)1

Zheng Wanyin was brought up by Xie Wanqiu. She knew Zheng Wanyin very well.

"As long as Zheng Wanyin knew that Wu Youyu was her biological grandfather, Zheng Wanyin would definitely be very filial to Wu Youyu. "

"Wu youyu continued, "Wanqiu, you don't know how much my heart ached when I saw yinyin calling Zhou Zuolong grandfather! Yinyin is clearly my granddaughter. What qualifications does Zhou zuolong have?" "

"I know, I know, I know."Xie wanqiu buttoned her shirt. "Brother youyu, I'll find an opportunity to tell yinyin about this today." "

"Really?"Wu Youyu's eyes lit up.

Xie wanqiu nodded. "Of course it's true."

"Wu Youyu hugged Xie wanqiu excitedly. "Darling, you're So Good to me!" "

Outside.

“Zheng Wanyin was worried that Zhou Zuolong might have discovered something. She raised her head and looked at Zhou Zuolong. “Grandpa, why didn’t I know that Grandma doesn’t like apples and Pears?” ”

“Zhou zuolong smiled and said, “You Silly Child, can’t you tell? “I’m giving Your Grandpa Wu and Grandma a chance to be alone together. Your Grandma’s life hasn’t been easy. She married me far away in sea city and usually doesn’t even have anyone to talk to. It’s not easy to meet her childhood friends, so of course, we have to let them spend more time together. With us around, there are some things that they definitely can’t say.” ”

Zheng Wanyin rolled her eyes in her heart.

“As expected, she had overestimated Zhou Zuolong’s IQ. ”

How could a fool like Zhou Zuolong discover anything?

“It was fine if he did not discover anything, but he actually took the initiative to give Xie Wanqiu and Wu Youyu a chance to be alone together. ”

Wasn’t this putting a cuckold on his own head?

“It was fine if he put a cuckold on himself, but what was even more unexpected was that Zhou Zuolong felt that a cuckold was not green enough and even personally painted the cuckold. ”

This kind of person deserved to be cuckolded!

“Zheng wanyin continued, “So that’s how it is. Grandfather, you’re really too good to Grandma! Oh right, let’s buy some raisins later! I remember that uncle likes to eat that the most! Didn’t uncle come over to see you today?” ”

“Hearing that, Zhou zuolong snorted coldly, “It’s a good thing that you still remember that unfilial son! But you remember him, does he remember you?” ”

“Zheng Wanyin giggled as she held Zhou Zuolong’s arm. “It’s fine if he doesn’t remember me. It’s fine as long as I remember him. Moreover, I’m a junior and he’s an elder. It’s only right that I remember him.” ”

“Zhou Zuolong sighed. “You Child, you’re just like your grandmother. Everything is good except that you’re too kind!” ”

“You’re born to be a person. It’s only right that you’re kind!”Zheng Wanyin said.

Zhou Zuolong shook his head helplessly.

“Zheng wanyin continued, “Oh right, grandfather, let’s hurry back after buying the fruits! Don’t let Uncle Come later, you’re not around.” ”

““Then let him wait!”Zhou zuolong said, “I’m his father. What’s wrong with letting him wait for me?” ”

“Zheng wanyin smiled and said, “Uncle is a busy person. Time is money to him. Let’s not let him wait too long.” ”

Zhou Zuolong was not willing to go back early.

“Firstly, he wanted to teach Zhou Jinbei a lesson. Otherwise, Zhou Jinbei and Zhou Xiang would be the same. They would never know who was the son and who was the father. ”

“Secondly, Zhou Zuolong really wanted Xie wanqiu and Wu Youyu to spend more time together. ”

“Zhou Zuolong did not want to go back, so Zheng Wanyin had no choice but to accompany Zhou Zuolong and find a teahouse to drink tea. ”

“After drinking for more than two hours, they finally headed to the hospital. ”

“Zhou Zuolong thought that Zhou Jinbei had arrived quite a while after he returned to the hospital, but he did not expect that there was no one else in the ward besides Xie Wanqiu. ”

Zhou Zuolong frowned. “That unfilial son didn’t come?”

“Xie wanqiu nodded. “Old Man, don’t be in a hurry to get angry. Maybe it’s because we’re too busy in north China, so we’ll come over later.” ”

“It’s already past twelve o’clock. How many children would visit their sick mother in the afternoon?”The people of Hai Cheng were the most particular about this.

“Usually, only those who paid their condolences would choose the afternoon. ”

Visiting patients was always in the morning.

“And Zhou Jinbei knew about this custom, yet he deliberately chose to come in the afternoon. If this wasn’t intentional, then what was? ”

He just wanted Xie Wanqiu to die.

An unfilial son.

“Xie wanqiu smiled and said, “Forget it, forget it. How many parents would argue about this with their own children?” ”

“Xie wanqiu could not argue with Zhou Jinbei, but Zhou Zuolong could not. Xie wanqiu had been married to him for so many years, and she had already been wronged. But now, Zhou Jinbei actually let Xie wanqiu suffer this humiliation! ”

“As a husband, Zhou Zuolong had to vent his anger on Xie wanqiu. He continued, “Later, I have to teach that unfilial son a good lesson. You Can’t stop him!” ”

“Xie wanqiu said, “Old man, why are you doing this?” ”

“At this moment, Zhou Zuolong seemed to have suddenly thought of something. He continued, “Oh right, where’s brother Wu?” ”

““Brother Youyu went to the washroom outside,”Xie wanqiu said. ”

““Outside?”Zhou zuolong asked in puzzlement, “Isn’t there a washroom inside?” ”

“Xie wanqiu smiled and said, “Brother Youyu is a particular person. I’m alone in the room. If he goes to the washroom, I’m afraid that someone would spread the news. Besides, my identity is a little awkward.” ”

Zhou Zuolong sighed. “This brother Wu is really a good person!”

““If Brother Youyu wasn’t a good person, he wouldn’t have risked his life to save me from the water back then.”Xie wanqiu continued, “If it weren’t for brother youyu back then, I wouldn’t be the person I am now. I really didn’t even dream that I would be able to meet brother youyu in my lifetime.” ”

“Zhou zuolong said, “Wanqiu, this means that you and brother Wu are fated!” ”

Xie wanqiu’s eyes were filled with ridicule.

No wonder Wu Youyu dared to cheat on Zhou Zuolong. This Zhou Zuolong was really stupid.

“Wu Youyu treated him as a green bastard, and he was extremely grateful to Wu Youyu. ”

Calling him stupid was simply insulting the word ‘stupid’.

“At this moment, footsteps sounded from outside the door. ”

“Wu Youyu walked over from outside. “Brother Zhou, you’re back.” ”

“Brother Wu.”Zhou Zuolong turned to look at Wu Youyu.

“Wu youyu continued, “Brother Zhou, I’ve been waiting for you for a long time. I originally wanted to spar with you, but it’s too late now. I have to go back first.” ”

“”So Soon?”Zhou zuolong continued, “It’s almost time to eat. Brother Wu, let’s Go! Let’s go to the restaurant and have a good drink before we leave!” ”

“Wu Youyu said with some difficulty, “This...” ”

“Xie wanqiu smiled and said, “Brother Youyu, you’re a good drinker. My husband is also a good drinker. You should accompany him to have a drink! Otherwise, he won’t be able to sleep at ease tonight.” ”

“Wu Youyu thought for a moment and said, “Since wanqiu, you’re already so rich, then I’ll go and have a drink with brother Zhou!” ”

“Zhou Zuolong immediately held onto Wu Youyu’s arm. He looked as if he was afraid that Wu Youyu would regret it in the next second. “Let’s go, let’s go have a drink.” ”

“As he finished speaking, Zhou Zuolong turned around and looked at Xie wanqiu. “If that unfilial son returns, tell him to wait for me. When I return, I’ll teach him a good lesson! If he dares to challenge me, I think he’s tired of living!” ”

“Got it.”Xie wanqiu nodded.

“Looking at the back view of Zhou Zuolong and Wu Youyu leaving, Xie Wanqiu narrowed her eyes. ”

“When Zheng Wanyin walked in after washing the fruits, Zhou Zuolong and Wu Youyu were already gone. Zheng wanyin asked curiously, “Grandma, where are Grandpa and Grandpa Wu?” ”

“They went out to drink.” Xie wanqiu sat on the bed and looked at Zheng Wanyin. She continued, “Yinyin, go and close the door. Grandma has something to tell you.” ”

“Zheng Wanyin nodded and walked over to close the door. Then, she sat beside Xie Wanqiu. ”

“Xie wanqiu held Zheng Wanyin’s hand. “Yinyin, you’re a smart child. You should be able to tell that your grandfather Wu and I have a special relationship, right?” ”

Zheng Wanyin was stunned.

She did not expect Xie wanqiu to suddenly tell her this. She did not expect that Xie wanqiu would personally uncover this cover.

What was Xie Wanqiu trying to do?

“Grandma, Why did you betray Grandpa?” Zheng Wanyin asked ”

“Betray?” The corners of Xie Wanqiu’s mouth curled into a mocking smile. “Your Grandpa Wu and I have known each other for more than forty years. It was clearly Zhou Zuolong who interfered! If it wasn’t for him, I would have been with your Grandpa Wu long ago.” ”

“What?” Zheng Wanyin was a little surprised.

“Xie wanqiu continued, “Your Grandpa Wu and I were originally a couple. Also, your biological grandfather didn’t die at all. As for who he is, yinyin, you’re so smart. You should be able to guess it, right?” ”

“When they were in love, Xie Wanqiu and Wu Youyu’s relationship was very good. ”

“However, no matter how good the relationship was, it had to be maintained by money. Otherwise, everything would be meaningless. ”

“For the sake of money, Xie Wanqiu married her first husband. Unfortunately, he was a short-lived ghost. She lost out on her business and jumped off a building to commit suicide. ”

“Later, Xie Wanqiu turned her gaze to Zhou Zuolong. ”

“Zheng wanyin said in disbelief, “You... you mean, Grandpa Wu is my biological grandfather?” ”

Chapter 1400: 294: true inheritance (7th watch)1

“Although she had long seen through the affair between Wu Youyu and Xie wanqiu, Zheng Wanyin had never thought that Wu Youyu was actually her biological grandfather. ”

This was too unbelievable!

Xie wanqiu nodded. “You’re right. Your Grandfather Wu is your biological grandfather.”

Zheng Wanyin did not have any expression on her face. She was completely dumbfounded.

It was true.

It was actually true.

““Grandma, are you not joking with me?”Zheng Wanyin looked at Xie wanqiu. ”

“Actually, she looked down on Wu Youyu. ”

A person like Wu Youyu was obviously a man who lived off his wife.

“He had to be capable, not capable, and not capable. He only knew how to rely on women.”

“As long as she thought about how she had the same blood as Wu Youyu, Zheng Wanyin felt disgusted.”

“Xie wanqiu continued, “Yinyin, do you think I would joke with you about something like this? Your Grandfather Wu is indeed your grandfather. If you don’t believe me, you can do a paternity test.” Even though Zheng Wanyin and Wu youyu were separated by generations.., but if she wanted to do a paternity test, she could still do it.”

“Zheng Wanyin took a deep breath. “Grandma, you should break up with that Wu Youyu earlier! That way, Grandpa will find out sooner or later.” ”

““Shut up!” Xie wanqiu frowned and said, “Who are you calling Grandpa? Only Your Grandpa Wu is Your Real Grandpa!” ”

Zheng Wanyin sighed.

“Xie wanqiu continued, “Yinyin, Grandma knows that it’s hard for you to accept this fact, but this is the truth. Your Grandpa Wu is Your Grandpa. Your Grandpa has sacrificed a lot for us all these years. I hope that you can be good to him in the future. When no one else is around, you can call him grandpa. After all, you are his only granddaughter in this world.” ”

Zheng Wanyin was stunned when she heard that.

““Wu, I, he, he didn’t remarry? And he didn’t have any other children?” ”

“Xie wanqiu nodded. “Your grandfather is an infatuated person. In this life, he only has one daughter, your mother. You are the only bloodline your grandfather has left in this world.” ”

Zheng Wanyin did not expect Wu Youyu to be so infatuated.

“Xie Wanqiu’s eyes were red as she said, “Yinyin, it’s really not easy for your grandfather. So, you have to be considerate of your grandfather. If you marry into the Cen family in the future, you can’t forget your grandfather.” ”

“Got it.” Zheng Wanyin nodded.

“Xie wanqiu broke the tears into a smile. “Yinyin, I knew it. You Won’t let me down!” ”

“Zheng wanyin continued, “No matter what, he’s still my grandfather. He’s the only other person in this world who is connected to me by blood. It’s only right for me to show respect to him.” ”

Zheng Wanyin had always felt that she was a kind-hearted person.

“After all, Wu Youyu was her biological grandfather. He was connected to her by blood. How could she ignore Wu Youyu? ”

Definitely Not!

She could not do it.

“As for Zhou Zuolong, he was not related to her by blood. He could only blame himself for being stupid to be deceived by Xie wanqiu. ”

“Even she had discovered the matter between Xie Wanqiu and Wu Youyu, but Zhou Zuolong could not see through it. He even called Wu Youyu his brother. ”

This Green Bastard was the best!

“”Good, good, good!”Xie wanqiu said with relief, “If your grandfather heard this, he would definitely be very happy. It’s not in vain for him to dote on you!” ”

“Zheng wanyin continued, “Why have you never mentioned this to me before?” ”

“You Were Young in the past. What if I suddenly told you and you let it slip at Zhou Zuolong’s side?”

“Then does my mother know about this?”Zheng Wanyin asked.

Xie wanqiu nodded. “Your mother is your grandfather’s biological daughter. Of course she knows. It’s just a pity that I wasn’t able to let your grandfather see your mother for the last time.”

“Zheng Wanyin pinched her fingers, “This is all Zhou Xiang’s fault. If it wasn’t for Zhou Xiang, my mother wouldn’t have perished. Just you wait. I’ll definitely avenge my mother! Let Zhou Xiang get what she deserves!”If it wasn’t for Zhou Xiang snatching away Cen Haifeng’s words., then she would be the eldest daughter of the Cen family now! ”

Zhou Xiang was a shameless B \* Tch!

“After putting Zheng Wanyin in such a state, Xie wanqiu said excitedly, “Hearing your words, your mother will be able to close her eyes in the afterlife!” ”

“Zheng wanyin continued, “Grandma, actually, I have always remembered my mother’s hatred. I just didn’t say it out loud.” ”

“”Good child, good child.”Xie wanqiu patted Zheng Wanyin’s hand. ”

“Zheng wanyin continued, “By the way, Grandma, why isn’t that Zhou Jinbei here yet? Does he not want to come?” ”

“”He doesn’t want to come. He has the heart, but he doesn’t have the guts!”Xie wanqiu continued, “Just wait and see. He will definitely come!” ”

“After saying that, xie wanqiu continued, “Yinyin, quickly go and give your cousin a call. Ask her where she is!” ”

Zheng Wanyin’s cousin was Xie Wanqiu’s niece.

Her niece had lost her husband in the early years. She was extremely beautiful and was many times more beautiful than Zhou Jinbei’s original wife.

“Men were all visual animals. Moreover, her niece had received her true inheritance. ”

Xie Wanqiu believed that her niece would definitely be able to conquer Zhou Jinbei and make him fall head over heels for her.

“Zheng wanyin asked in surprise, “Is my cousin coming too?” ”

“Yes.”Xie wanqiu nodded. “Hurry up and make the call.”

“Okay.”

“Zheng Wanyin took out her phone and started to make the call. Very soon, the other end picked up. “Hello, cousin. Where are you now?” ”

“It was unknown what was said on the other end, but Zheng wanyin continued, “Okay, okay, I got it.” ”

“After hanging up the phone, Xie Wanqiu looked up and asked, “Where did your cousin say she was?” ”

“Zheng wanyin said, “Cousin is already in the taxi. She should be there in 20 to 30 minutes.” ”

““That’s good.”Xie wanqiu nodded, a calculating look flashing in her eyes. ”

“Zheng Wanyin suddenly did not understand what Xie Wanqiu was trying to do. “Grandma, what is cousin doing here?” ”

““You Silly Child.”Xie wanqiu smiled and said, “Your cousin just lost her man. What do you think I can ask her to come over for?” ”

“Hearing this, Zheng Wanyin instantly understood. “Grandma, are you trying to get cousin to be with Zhou Jinbei?” ”

“Yes.”Xie wanqiu nodded.

“Zheng wanyin smiled and said, “Great. Grandma, this move of yours is really too great. In this way, won’t the Cen and Zhou families belong to us?” ”

““Of course!”Xie Wanqiu had this idea. Otherwise, she wouldn’t have called her niece, who was thousands of miles away, over. ”

“After saying that, Zheng Wanyin said with some worry, “I just don’t know if Zhou Jinbei will fall for it.” ”

Zhou Jinbei and Zhou Xiang were not quite the same.

“Otherwise, they wouldn’t have waited until the afternoon to see Xie Wanqiu. ”

“Xie wanqiu smiled and said, “As the saying goes, a hero can’t overcome a beauty. Moreover, Zhou Jinbei is just a bear. Don’t worry. Dealing with such a man is something your cousin can do easily.” ”

Zheng Wanyin nodded.

“Soon, half an hour passed. ”

But Xie Wanqiu’s niece did not make any movements.

“Xie wanqiu was a little worried. She looked at Zheng Wanyin and said, “Yinyin, call your aunt again and ask her why she is not here yet! Did something happen on the way?”! ”

“Zheng wanyin smiled and said, “Aunt is such a big person. Nothing will happen to her. Don’t worry.” ”

“In the blink of an eye, another ten minutes passed. ”

Xie wanqiu was extremely anxious and urged Zheng Wanyin to make a call.

Zheng Wanyin had just taken out her phone when there was a knock on the door.

Knock Knock Knock —

“Xie wanqiu smiled and said, “Yinyin, hurry up and open the door. It must be your cousin!” ”

Zheng Wanyin immediately ran to open the door.

“The moment the door opened, she saw a young woman wearing a white woolen coat standing outside.  
”

“Her face was covered in exquisite makeup, and her shoulder-length chestnut-colored curly hair was emitting an intoxicating fragrance. ”

She was wearing a pair of white high heels.

It was obvious that she was a very beautiful and charming young woman.

“”Aiya, it’s been a few years. Yinyin is really getting prettier and prettier. I almost couldn’t recognize her,”the young woman standing at the door said first. ”

“Zheng Wanyin also reacted at this time. She smiled and said, “This must be my cousin! My grandmother has been waiting for you inside for a long time. Please come in with me.” ”

The young woman followed Zheng Wanyin into the ward.

“As soon as she walked in, the young woman pounced on Xie Wanqiu. “Auntie, are you alright? I was so worried when I heard that you were hospitalized!” ”

““I’m fine.”Xie wanqiu smiled and said, “It’s just a small problem.” ”

““It’s good that you’re alright. By the way, Auntie, this is the tonic I brought for you.”The young woman presented the gift that she had brought. ”

“Xie wanqiu said, “Rongle, you’re too kind.” ”

“This person who was related by blood was indeed related by blood. It was unlike that Zhou Xiang, who came several times and only brought a tonic once. ”

Ingrate.

“Xie rongle looked into the ward and then said, “Auntie, didn’t you say that Zhou Jinbei was also here? Why didn’t I See Him?” ”
