Chapter 1401: 295: the Stubborn Zhou Jinbei will infuriate Zhou Zuolong to death! (8pm)1

Xie rongle knew very well the purpose of this trip.

It was to marry Zhou Jinbei.

“As long as he settled Zhou Jinbei, he would not have to worry about his living expenses for the rest of his life.”

“One had to know that Zhou Jinbei was not only a wealthy tycoon, he was also a big shot that touched China.”

“Xie wanqiu said, “Don’t look anymore. He hasn’t arrived yet.” ”

““He hasn’t arrived yet?”Xie rongle frowned slightly. “It can’t be that he’s not coming, right? I flew all the way here. I can’t possibly miss him, right?” ”

“Xie wanqiu smiled and said, “Don’t worry. He doesn’t have the guts to not come.” ”

“Are you sure?”Xie rongle asked.

“Xie wanqiu smiled and said, “You still don’t believe your aunt?” ”

““Yes, of course I do!”Xie rongle nodded impatiently.”

The Xie family was just an ordinary family. Xie wanqiu could be said to be the person who changed the fate of the entire Xie family.

“Ever since Xie Wanqiu married Zhou Zuolong, the Xie family had changed its appearance.”

“Not to mention how ostentatious it was, the Xie family was currently considered a big shot in the town!”

“If they went out, they would be flattered by others. Who would dare to bully the Xie Family?”

“Hence, the entire Xie family was proud of Xie wanqiu.”

“This time, Xie Wanqiu wanted to introduce Xie Rongle to Zhou Jinbei. Xie Rongle was so happy that he could not sleep for a few days and nights.”

“If it was in the past, she would never dream of marrying Zhou Jinbei.”

“Xie wanqiu looked up at Zheng Wanyin and said, “Wanyin, go and wash some fruits for your cousin to eat.””

“The fruits had already been washed, so there was no need to wash them again. Zheng Wanyin knew that Xie Wanqiu was trying to send her away, so she said, “Okay, I’ll go now.””

“Sure enough, once Zheng Wanyin left., xie wanqiu continued, “Rongle, Zhou Jinbei will be here soon. You have to seize the opportunity and try your best to attract Zhou Jinbei’s attention, so that Zhou Jinbei won’t let you go!””

“Xie rongle smiled and said, “Aunt, don’t worry. I’m more experienced than you in such matters.””

Wasn’t it just seducing men?

Xie rongle had plenty of experience.

“As long as she wanted to, there was no man she couldn’t seduce.”

Whether it was a married woman or a bachelor.

Xie wanqiu nodded in satisfaction. “It’s good that you know what to do.”

“Xie rongle continued, “By the way, how is Yinyin’s matter? What did your stepdaughter say?” ”

“What else can she say? But she will do whatever I say!”Xie Wanqiu’s eyes were full of sarcasm. “Don’t tell me that a spineless person like Zhou Xiang wants to turn the world upside down?”

“”Aunt, you are really amazing.”There was no one else who could do what Xie Wanqiu did. ”

How many stepmothers had the ability to turn their stepchildren into tools?

“But Xie Wanqiu had the ability. Not only did Xie wanqiu have the ability, but she could also make Zhou Zuolong Trust and love her so much. ”

“The aunt and niece chatted like this. Unknowingly, two hours had passed. It was already past four in the afternoon, but there was still no news of Zhou Jinbei. ”

“At this time, Xie Wanqiu’s expression was a little ugly. ”

What did Zhou Jinbei mean by this?

Could it be that he wanted to visit her again at night?

What exactly was Zhou Jinbei thinking?

Cursing him to die?

“An ungrateful wretch. If it wasn’t for her, would Zhou Jinbei be what he was today?”

She even wanted to introduce her own niece to Zhou Jinbei.

But what about Zhou Jinbei?

Was this how Zhou Jinbei repaid her?

“Xie Rongle was also pacing back and forth anxiously. “Auntie, do you think Zhou Jinbei really won’t come this time?”She wouldn’t really make a wasted trip, right?”

Xie wanqiu massaged her temples. “Can you stop spinning around? It’s Making Me Dizzy!”

Xie rongle immediately stopped walking.

“Zheng Wanyin placed the cut fruit plate beside Xie Rongle and said with a smile, “Auntie, don’t worry. This uncle listens to Grandpa and Grandma the most. He will definitely come today!” ”

“After saying that.., zheng wanyin continued, “Cousin, if you become an uncle, should I call you cousin or aunt from now on? If I continue to call you cousin, then I should call you uncle and uncle instead.” ”

“Hearing that, Xie Rongle could not stop smiling. “After not seeing you for a few years, not only has yinyin become prettier, but her mouth is also becoming more and more eloquent.” ”

“Xie wanqiu said, “This child only knows how to talk nonsense. Both sides are relatives. When the time comes, you can call him whatever you want. You can call him whatever you want.” ”

On the other side.

At the Cen family home.

“Zhou Jinbei had been unwilling to go to the hospital to visit Xie Wanqiu. Zhou Xiang was extremely anxious. “Jinbei, are you really not planning to go to the hospital to visit your parents?” ”

“”SIS, I’ve said before that I won’t go to see him until the suicide note is restored,”Zhou Jinbei said. ”

“Zhou Xiang said, “But if you don’t go today, Dad will cut off his relationship with you. With Dad’s personality, he will do anything! Aren’t you afraid?” ”

“There’s nothing to be afraid of.”Zhou Jinbei said fearlessly.

“Zhou Xiang sighed. “Jinbei, aren’t you afraid of doing something that you’ll Regret?” ”

“I’m not afraid.”

Zhou Xiang did not say anything else and turned around to walk out the door.

“If Zhou Jinbei did not go to the hospital to visit Zhou Jinbei and Xie wanqiu, she would personally go to the hospital to apologize to Zhou Zuolong and Zhou Xiang on his behalf. ”

“In short, she could not let Zhou Zuolong really do something that would sever their relationship. ”

“At that moment, Zhou Jinbei’s voice suddenly came from the air. “SIS, you’re not allowed to go either.” ”

Zhou Xiang pretended not to hear Zhou Jinbei’s words.

“Zhou jinbei continued, “Sis, if you go to the hospital today, I won’t have you as my sister in the future. I, Zhou Jinbei, am a man of my word!” ”

Zhou Xiang's heart jolted when she heard this.

She knew Zhou Jinbei's character.

He was indeed a man of his word.

"Zhou Xiang turned to look at Zhou Jinbei. "Jinbei, must you do this?" "

"SIS, you're too weak." Zhou jinbei continued, "Blindly compromising will only make them more and more greedy." "

"Zhou xiang continued, "But that's our father! Our mother has been gone for so many years, and he's our only father. Do you really have the heart to see our father grow old without children?" In Zhou Xiang's subconscious mind., parents were parents. No matter what their parents did, as children, they should understand their parents. "

"Sister, don't say anymore. No matter how much you say, I won't go to the hospital today." "

"After thinking for a while, Zhou Xiang continued, "You won't go, sister, Okay?" "

"She was Zhou Jinbei's sister, so she had to take the blame for this matter. "

"Unless you don't want me as your younger brother anymore," Zhou Jinbei said. "

"Jinbei!"

"Zhou Jinbei did not speak, but his expression was unusually firm. "

Zhou Xiang sighed and turned to walk upstairs.

“She knew Zhou Jinbei’s personality too well. If she went to the hospital today, then Zhou Jinbei would really sever all ties with her.”

“Just like when he was sixteen years old, he resolutely ran away from home.”

“Zhou Xiang had just left when old madam Cen walked in from outside. “With your sister’s temper, I want to wake her up with a Slap!”It was really infuriating! She actually wanted to replace Zhou Jinbei to visit Xie Wanqiu in the hospital.”

“Zhou Jinbei smiled helplessly. “Let’s not talk about you. Sometimes, even I can’t control myself.” ”

On the other side.

At the hospital.

“At six o’clock in the evening, Zhou Zuolong and Wu Youyu came back after drinking.”

““Uncle, you’re back.”When Xie Rongle saw Zhou Zuolong, she immediately went up to greet him.” ”

“Rongle is here.”Zhou Zuolong was a little surprised when he saw Xie rongle.

“Xie rongle nodded. “I heard that aunt is not feeling well, so I came to visit her.” ”

“The Xie family lived in Le City, which was thousands of miles away. It took more than four hours to get there by plane. Zhou Zuolong was very grateful that Xie Rongle could rush over from Le City to visit Xie wanqiu, “Good boy. You’re thoughtful. It’s not a waste of your aunt’s love for you.” ”

“Xie rongle smiled and said, “My aunt is my biological aunt. It’s only right for me to come and see her.” ”

Zhou zuolong nodded and walked inside. He saw Xie wanqiu sitting on the bed with Zheng Wanyin beside her. He did not see Zhou Jinbei in the entire room.

Could it be that the unfilial son did not come?

Zhou Zuolong narrowed his eyes.

It could not be!

Could it be that Zhou Jinbei did not want to acknowledge him as his father?

He dared!

Or could it be that Zhou Jinbei was currently kneeling outside?

“Zhou zuolong continued, “Where’s that unfilial son?” ”

“Xie Wanqiu was a little at a loss for words. After a moment, she said, “Jinbei, Jinbei, he...” ”

“He didn’t come?”

Xie wanqiu nodded.

Zhou Zuolong’s face immediately turned pale.

Audacious.

Simply too audacious!

How could there be such an unfilial son in the world!

PA —

“Zhou Zuolong grabbed the cup on the table and slammed it on the ground. “From now on, I, Zhou Zuolong, will never have such an unfilial son again!” ”

Chapter 1402: 296: ruined reputation (9th watch)1

““Old man, calm down!”Xie wanqiu grabbed Zhou Zuolong’s wrist, “Jinbei didn’t come today. Maybe he has something to do! Breaking off ties is not something that can be said casually. What if it hurts the child’s Heart?” ”

“Xie rongle also quickly walked forward. “Aunt is right. Uncle, please calm down.” ”

Calm down?

How could the current Zhou Zuolong still be calm?

“This unfilial son, if he dared to do this now, when he got old and could not walk, wouldn’t he become even worse? ! ”

““Cut ties, we have to cut ties!” ”

“Zhou Zuolong was really angry. Even his niece, Xie Rongle, knew that she had come from thousands of miles away to see Xie wanqiu, but what about Zhou Jinbei? ”

“He was clearly in the capital, but he did not even show his face! ”

“Grandfather, why don't we give uncle another chance and see if uncle will come tomorrow? If Uncle Comes Tomorrow, we will forgive him.” Zheng Wanyin walked over, she smiled and said, “It is said that the prime minister can hold a boat in his belly. With your talent, grandfather, if you were in ancient times, you would at least be a grand prime minister!” ”

“Zheng Wanyin's words made Zhou zuolong calm down a little, “Alright, then I'll give Yinyin some face. For now, I won't lower myself to the level of that unfilial son. If I don't see him before 10 o'clock tomorrow morning, don't blame me for not respecting the relationship between father and Son!” ”

“Grandfather, I'll thank you on behalf of Uncle!” Zheng Wanyin said. ”

Zhou Zuolong snorted coldly.

“Xie wanqiu looked at Zheng Wanyin. “Yinyin, it's getting late. Take your cousin to the hotel to rest first.” ”

“Okay.” Zheng Wanyin nodded.

“Xie rongle said, “Auntie, I'll accompany you.” ”

“Xie wanqiu smiled and said, “You silly child, it's not like there's no tomorrow. It's the same if you come to accompany me tomorrow.” ”

“Alright then.” Xie rongle nodded. “I'll leave with Yinyin first. Aunty, uncle, the two of you should rest early too.” ”

“After the two of them left, Xie Wanqiu turned to look at Zhou Zuolong. “You drank quite a lot tonight, didn't you?” ”

“Zhou zuolong said, “I got along well with brother Wu, so I drank a little more.” ”

“When drinking, one should drink a thousand cups less.”

Zhou Zuolong and Wu Youyu even hated the fact that they had met late.

“Xie wanqiu smiled and said, “Old Man, what do you think of Rong Le?” ”

“He’s pretty good.”Zhou Zuolong nodded.

Xie wanqiu sighed. “It’s a pity that this child has a tough life. He lost his husband at a young age and is still alone.”

“Zhou zuolong said, “Children and grandchildren have their own blessings. It’s useless for you to worry too much. Maybe Rong le already has a suitable person by his side.” ”

“Hearing this, a dark light flashed in Xie Wanqiu’s eyes. ”

It’s useless to worry too much?

It turned out that Xie Rongle was not Zhou Zuolong’s biological niece.

“If Xie Rongle was Zhou Zuolong’s biological niece, he would definitely not stand idly by! ”

“Xie wanqiu continued, “Old man, have you heard of a saying?” ”

“What is it?”Zhou Zuolong asked.

““Whether you’re poor or not depends on your children and grandchildren. Whether you’re rich or not depends on your wife,”Xie Wanqiu said. ”

Whether you are poor or not depends on your children and grandchildren. Whether you are rich or not depends on your wife.

“Zhou Zuolong agreed with this statement. If he had not married Xie wanqiu, how could he have such a good life? ”

“Therefore, Zhou Zuolong was very grateful to Xie wanqiu. ”

Xie Wanqiu was a good husband.

“After saying that, Xie wanqiu continued, “The wife of Jin bei is obviously not a good person. Jin bei has not come to see you for a long time. She must have a part in this!” ”

Zhou Zuolong’s face immediately darkened when he heard that.

Xie Wanqiu was right. The reason why Zhou Jinbei became like this was definitely because Chu Ying was trying to sow discord between them.

“Otherwise, the father and son wouldn’t have gotten to this point. ”

“I knew that this Chu Ying wasn’t a good person when I saw her back then! But that unfilial son was like a dog that had bitten a meat bun. He wouldn’t let go no matter what!”

“Xie wanqiu said, “A virtuous daughter-in-law can support a family. Similarly, a corrupt daughter-in-law can also ruin a family. “As the mother of Jin bei, I really can’t bear to see everything that Jin bei has built up over the years being ruined by Chu Ying Just Like That!” ”

“At the end of her sentence, Xie Wanqiu’s eyes turned red. ”

Zhou Zuolong sighed. “That unfilial son has a mother like you. I don’t know how many lifetimes he’s been blessed with. It’s a pity that he doesn’t know his blessings when he’s blessed!”

“Xie wanqiu continued, “Old man, they say it’s not too late to make amends. After all, Jinbei is my child. Although he’s not blood-related, in my eyes, he’s like my own. I really can’t sit idly by and watch. Coincidentally, Rong Le, that child, is here as well. Rong Le, that child, has been sensible since he was young. He’s a diligent and thrifty housekeeper... “... “...” ”

“Before Xie Wanqiu could finish her sentence, Zhou Zuolong understood her intention. “WANQIU, do you mean to let Rongle follow Bei?” ”

“Yes.”Xie wanqiu nodded. “I just don’t know if Jinbei will like Rongle.”

“Hearing this, Zhou Zuolong was a little displeased. “Not like? What’s there to dislike about him? Rongle is only in his thirties this year. It’s his fortune that Rongle likes him!” ”

Xie Rongle was Xie Wanqiu’s niece.

“Xie wanqiu was virtuous and virtuous, and Xie Rongle was definitely not that bad either. Zhou Jinbei being able to marry Xie Rongle was a blessing that he had cultivated for countless lifetimes. ”

“When he finished speaking, Zhou Zuolong continued, “Did you tell Rong Le about this? How did Rong Le React?” ”

What he was most worried about now was that Xie Ronghua would not agree.

“Xie wanqiu smiled and said, “Jinbei is 17 years older than Rong Le. At first, Rong Le was a little unhappy, but after I told her about the stakes involved, she agreed! “Rong Le is a good child. I believe that she and Jinbei will definitely make their lives better!” ”

““Yes.”Zhou Zuolong nodded. “When that unfilial son comes over tomorrow, I’ll tell him about this matter. If he dares to say no, I’ll destroy his reputation!” ”

“Xie wanqiu said, “Old man, although this child Jinbei is a little rebellious, I believe that he is still very rational when it comes to dealing with matters of right and wrong. He will definitely understand our painstaking efforts.” ”

“After returning to the hotel, Zheng Wanyin dialed Zhou Xiang’s number. ”

“Second aunt.”

““Wanyin, your uncle didn’t go over today. is your grandfather very angry?”Zhou Xiang asked somewhat nervously. ”

“Zheng wanyin said, “Yes, grandfather is very angry. If grandmother didn’t stop him, grandfather would have published the newspaper and cut off the relationship between father and son with uncle.”Zheng Wanyin especially emphasized that ‘publishing the newspaper’. Once it was published., zhou Jinbei’s reputation would be ruined. ”

“If he couldn’t even support his parents and show filial piety to the elderly, what right did he have to be a character that touched China? ”

“When she heard this, Zhou Xiang’s eyebrows jumped. Fortunately, Xie Wanqiu was there to stop him. ”

“Zheng wanyin continued, “Second aunt, under grandmother’s pleading, grandfather is willing to wait another day. If uncle still doesn’t come tomorrow, he will really sever his relationship with uncle!” ”

“When she heard this, Zhou Xiang hurriedly said, “Wanyin, don’t worry. I will plead with your uncle to not do anything stupid.” ”

““Second aunt,”zheng wanyin said, “Grandpa also said that he must see Uncle Before 10 o’clock tomorrow morning.” ”

“Got it.”

“After hanging up, Xie Rongle immediately went forward and asked, “What did Zhou Xiang Say?” ”

“Zheng wanyin smiled and said, “She was so scared that her voice trembled. Cousin, don’t worry. My uncle will definitely rush to the hospital before 10 o’clock tomorrow morning. When that time comes, you’ll just be responsible for dressing up beautifully!” ”

“Hearing this, Xie Rongle’s face lit up with a smug smile. ”

“From now on, she would also become the wife of a rich family. ”

“On the other side, Zhou Xiang rushed to Zhou Jinbei’s bedroom. ”

“Once Zhou Xiang arrived, Zhou Jinbei guessed her intentions. ”

“”Sister, if you still want to persuade me to go to the hospital, there’s no need to say it.” ”

“Zhou Xiang frowned, “Jinbei, stop being so stubborn!”! “Wan Yin called me just now. She said that dad almost broke off his relationship with you in the newspaper today. Luckily, mom stopped him. No matter what, you have to go to the hospital to see Mom and Dad before 10 o’clock tomorrow morning!” ”

“Zhou Jinbei yawned. “SIS, I’m going to bed. You should go to bed early.” ”

“With that, he slammed the door shut. ”

“No matter how hard Zhou Xiang banged on the door, Zhou Jinbei refused to open it. ”

“In the blink of an eye, it was ten o’clock in the morning the next day. ”

“Zhou Zuolong had been waiting at the hospital for Zhou Jinbei to kowtow to him and admit his mistake, but Zhou Jinbei did not appear. ”

“Yinyin, contact the newspaper office and the reporters immediately!” Zhou Zuolong turned to look at Zheng Wanyin. ”

“Xie wanqiu said, “Old Man! What are you doing!” ”

“Zhou zuolong said, “I want to sever my relationship with that unfilial son!” ”

Chapter 1403: 297: Trending (10th update)1

Zhou Zuolong was really too angry!

“Zhou Jinbei, this unfilial son! ”

He challenged the authority of the head of the family again and again.

“If he didn’t do something, Zhou Jinbei would really think that he, the head of the family, was made of paper! ”

“Old Man, you can’t say that!” Xie wanqiu held Zhou Zuolong’s hand, “The child is just a little late, you just have to wait a little longer! Why do you have to sever ties!” ”

“Is he a little late?” Zhou zuolong said angrily, “He clearly doesn’t take me, his father, seriously! Wanqiu, you don’t have to plead for him anymore. Today, I have to teach him a lesson! Yinyin, immediately contact the reporters. Tell them that I have a big, shocking secret that touched the big shot Zhou Jinbei in China, and I want to expose it!” ”

“Grandpa...” Zheng Wanyin looked at Zhou Zuolong with some embarrassment.

“Go quickly!” Zhou Zuolong said with a cold face, “Don’t you even listen to Me Now?” ”

“Hearing this, Zheng Wanyin could only contact the reporters.”

“Xie rongle, who was at the side, was extremely anxious.”

She came here this time to marry Zhou Jinbei.

But Zhou Zuolong wanted to break off relations with Zhou Jinbei and make Zhou Jinbei lose his reputation. Then what was the use of her marrying Zhou Jinbei?

What should she do now?

“Unfortunately, Xie rongle gave Xie wanqiu a few glances, but Xie Wanqiu did not seem to notice it.”

“It was not easy for Xie wanqiu to go to the bathroom, so Xie Rongle followed her in.”

“”Aunt,”Xie Rongle said with some reproach, “Why didn’t you stop Uncle Just Now! Do you really want uncle to publish the newspaper and sever his relationship with Zhou Jinbei, so that Zhou Jinbei’s reputation will be ruined?” ”

“Xie wanqiu smiled and said, “Look, look, he hasn’t even married Zhou Jinbei yet, and he’s already protecting him!” ”

“”Aiya, aunt! I’m being serious with you! You still have the mood to joke with me!” ”

“Xie wanqiu patted Xie Rongle’s hand and said, “Rongle, don’t worry. Zhou Jinbei is in your hands. He can’t run away!” ”

“What’s the use of running away?”Xie rongle pursed her lips. “He’s going to lose his reputation!”

“She was going to be a rich lady, not a down-and-out lady.”

“Xie wanqiu continued, “He can’t be defeated.” ”

“”Aunt, what do you mean?”Xie rongle suddenly could not understand what Xie wanqiu meant. ”

She saw that Zhou Zuolong was serious this time.

What did he mean by he could not be defeated?

“Xie wanqiu smiled and said, “Zhou Jinbei is a big shot who has touched China. Do you think he will really risk his future? “To tell you the truth, your uncle has already used the same method many times. As long as the press release is sent out, he will not be able to sit still and will definitely come to your uncle personally to beg him. When that time comes, we will say one thing and he will dare to say another?” ”

Public opinion was crushing people.

“It was especially so for a public figure like Zhou Jinbei. He was most afraid of dirt, especially dirt that did not support the elderly.”

“When he heard this, Xie rongle heaved a sigh of relief. “So that’s how it is! I really thought that uncle wanted to sever the relationship between father and Son!” ”

Xie wanqiu patted Xie Rongle’s hand. “Let’s just wait for a good show.”

“Okay.”Xie rongle nodded.

“The media reporters moved very quickly. In less than half an hour, reporters came knocking on the door.”

Zhou Zuolong sat on the hospital bed and complained about Zhou Jinbei's unfilial behavior with tears in his eyes.

“When his mother left, he was only eight years old, and his sister was thirteen years old. It was Wanqiu and I who raised him up, but now, he views us as his enemies! “Whether I raised him or not, the father's fault is all my fault. It's my fault for not educating the child well. I've let down my first wife in the afterlife! “Alan, I've let you down!” ”

“The reporter sat in front of Zhou Zuolong and handed him a piece of tissue paper. “May I ask, Old Mr. Zhou, is the son you speak of Mr. Zhou Jinbei, one of the five big figures in China?” ”

“Yes, he is my unfilial son.” ”

“Hearing this, the reporter pretended to be surprised and said, “I didn't expect Mr. Zhou Jinbei, who touched the five great figures of China, to be such a person in real life! May I ask if there is any misunderstanding?” ”

“No.” Zhou Zuolong shook his head. “The wife I married after me is even closer to him than her own son. I really can't figure out what I did wrong to let him treat me like this!”

“Then do you hate your son, Zhou Jinbei?” ”

“I don't hate him. He's my own son. What do I hate about him? I just can't figure out why he became like this! That's my son, my own son!” Zhou Zuolong cried bitterly, “I know that child hates me for marrying the current wife, wanqiu. But in that era, was it easy for me to raise two children by myself? Ever since I married Wanqiu, Wanqiu treated them better than her own children!” ”

The reporter sighed.

“Zhou zuolong continued, “To tell you the truth, my wife Wanqiu's biological daughter died because of my wife's daughter. However, Wanqiu never blamed my daughter. She always treated her like her own child!” ”

“The reporter asked in surprise, “Can you tell me what happened?” ”

“Zhou Zuolong shook his head. “The matter has already passed. Let’s not talk about it anymore! My Son has always thought that I had something to do with my wife’s death, but he never knew that his biological mother had eloped with someone else and died of love!” ”

“”Died of Love?”The reporter seemed to have dug up some big secret of the day. “Actually, old Mister Zhou, I’ve long heard of this rumor, but I thought that the outside world was making up stories about your late wife. Could it be that all of this is true?” ”

“”Yes, it’s true! “I’m a man. Could it be that I can wear a cuckold on my own head? “My late wife died of love while lying in bed with someone else.”Zhou Zuolong smiled bitterly and said, “But even so, I still love her deeply. I had no choice but to remarry. I’ve never said anything bad about my late wife in front of my children. I’ve never said anything bad about her...” . . . ”

...

“That night, several hot searches appeared on Weibo. ”

Zhou Jinbei doesn’t support the elderly

touching scandal of China’s top five figures

Zhou Jinbei scam out of China!

Zhou Jinbei is disgusting!

“There were four hot searches in total, and all of them were explosive. ”

“Zhou Jinbei had always been a righteous philanthropist who had appeared in front of the public. When such a scandal suddenly broke out, it caused public outrage! ”

A righteous philanthropist actually did not even support his own parents. What right did he have to become one of the five big figures that affected China.

“For a time, the Zhou group’s stock dropped five points consecutively.”

The internet was even filled with curses.

“[a mother really will give birth to a son like that. A mother has died in love with someone else, but a son does not support an old man!]”

[I don’t think that sister of his is a good sister.]

“[I suggest that the country issue a law specifically targeting the unfilial elderly. One Life is worth one life. If there are no elderly, the current you, someone like Zhou Jinbei, should be sentenced to death!]”

“[the death penalty is too easy on him. He should be sentenced to life, and be imprisoned for the rest of his life!]”

“[the one above looks like he doesn’t have any common sense of the law. Although the life sentence is said to be life, it is actually only twenty years.]”

“[death penalty! Then, you will be stripped of your nationality!]”

“[old Mister Zhou is so pitiful. He is already so old, yet he is still crying so sadly in front of the screen. When I see Old Mister Zhou, I think of my grandfather. My grandfather is the same as old Mister Zhou. He is an extremely kind and sensible old man. Unfortunately, my second aunt is an unfilial person. Fortunately, she has my father! It’s a pity that Mr. Zhou didn’t raise another child ”

“This unfilial thing, it’s useless even if you raise ten ”

“Looking at Mr. Zhou’s current wife, I know that she’s a good woman. It wasn’t easy to raise Zhou Jinbei and his sister. When they were together, they should have been quite young. Why didn’t they have

another child? [Mr. Zhou and Grandma Xie are both good people. The child that they gave birth to must be a good child that is filial to the elderly!] ”

“[I know the Inside Story!]! Back then, Mr. Zhou and Wu Lan were in a free relationship. After marriage, they had two children. In order to prevent Mr. Zhou from cheating, Wu Lan asked Mr. Zhou to have a vasectomy. Who would have thought that the person who cheated in the end would be Wu Lan!] ”

“[F * ck, asking a man to have a vasectomy? Isn't that too disgusting?] ”

“[the disgusting thing is not to have a vasectomy. If you truly love someone, it doesn't matter who gets the vasectomy. The most important thing is that Wu Lan actually had an affair in the end. This is what made Mr. Zhou the most sad.] ”

“[sob sob sob... When I saw Mr. Zhou crying so sadly, I also cried!] ”

Chapter 1404: 298: Get Out of China! (11th watch)1

[I'm Crying Too! This is so infuriating. How can there be such a heartless person in the world?]

[Zhou Jinbei and Wu Lan are both bad people!]

“[brothers and sisters, let's work hard. We must not let the popularity drop. Let the higher-ups take this matter seriously and remove Zhou Jinbei from his position. Let him receive the punishment he deserves!] ”

“[top, top, Top!] ”

“[Zhou Jinbei, get out of China.] ”

“For a time, Zhou Jinbei’s Weibo and the official Weibo of the Zhou group were surrounded by netizens.”

There were even netizens who had a strong sense of justice. They brought rotten eggs and rotten vegetables and threw them on the door of the Zhou Group.

The higher-ups of the Zhou group held an emergency meeting overnight. The public relations team deleted the comments and controlled the comments.

“However, the public opinion was too big.”

Just the strength of the Zhou group alone was not enough to contend with it.

The matter became bigger and bigger.

“In just one night, it was irreparable.”

“Just as the public relations team was busy, Zhou Jinbei called all the higher-ups for a video conference overnight.”

“On the screen, the higher-ups were so anxious that their faces were pale.”

“If they didn’t think of a way to stop public opinion, then the entire Zhou group would suffer as well.”

They all relied on the Zhou group to survive.

“If the Zhou group was gone, they would also lose their jobs.”

“The public relations manager looked at Zhou Jinbei’s calm face on the screen and said, “Director Zhou, you and old Mr. Zhou are biological father and son. As the saying goes, a tiger will not eat its own son. As long as you admit your mistake, old Mr. Zhou will definitely not hold a grudge against you.” ”

The person who solved the problem had to be the one who solved it.

“In the current situation, other than Zhou Jinbei personally appearing, there was no other way.”

“Actually, the Zhou Group’s upper management all knew Zhou Zuolong very well.”

“Over the years, he had caused a lot of trouble.”

“However, not once was he as ruthless as this time.”

“This time, it was as if he really wanted to kill Zhou Jinbei.”

Zhou Jinbei’s expression was the same as ever. “Where’s manager Wang from the marketing department?”

Manager Wang from the marketing department?

What time was this!

Zhou Jinbei actually had the spare time to look for manager Wang from the marketing department!

Could it be that Zhou Jinbei was so anxious that he was dizzy and couldn’t even differentiate between priorities?

“The public relations department manager continued, “CEO Zhou, the most important thing right now is how to stop public opinion.” ”

“Zhou Jinbei flipped a page of the document in his hand, “The reason why I called for a video conference was to tell all of you not to be influenced by the outside world. Do what you normally do!” “Zhu Gang,

you're the manager of the public relations department. You just need to maintain the image of the company. You Don't need to interfere in this matter." "

""But your image is the image of the company! CEO Zhou, haven't You Seen the news yet? The netizens'mood is very high right now. If we still don't take measures, our company will be finished!" "

""Don't worry, it won't be over." "

"Zhu gang's expression was unclear as he continued, "CEO, CEO Zhou, are you sure?" "

"Zhou Jinbei nodded. "Yes, I'm sure! If anything really happens, I'll bear all the consequences alone!" "

"No matter what was in Wu Lan's suicide note, this time, he would definitely not compromise with Zhou Zuolong! "

"Hearing this, the higher-ups in the meeting room were all stunned. "

What did Zhou Jinbei Mean?

"Breaking the pot, breaking the fall? ! "

"The vice president sitting on the left said, "President Zhou, you must not underestimate the power of public opinion. If you really intend to ignore this matter, the consequences are unimaginable." "

""Don't worry, I know better than any of you what the consequences will be,"Zhou Jinbei continued, "From now on, the company will return to normal order. The public relations department will no longer pay attention to Zhou Zuolong's matter. That's it, meeting adjourned! "Oh, right, vice president Qian, after the meeting adjourned, get manager Wang from the marketing department to come and look for me." "

"Got it."Vice President Qian nodded.

“In a moment, Zhou Jinbei directly cut off the video. ”

“On the other side, the meeting room was filled with discussions. ”

“What exactly is President Zhou up to?”

“Vice president Qian! Are We really going to sit back and do nothing?”

“”The matter has been blown to such a big extent, yet director Zhou was still able to laugh just now!” ”

“”Vice director Qian, why don’t our company send a representative to visit old Mr. Zhou and ask him to come forward and explain that all of this is a misunderstanding?” ”

Vice director Qian had followed Zhou Jinbei for a long time.

He knew that Zhou Jinbei was not the kind of person who did not know his limits.

Zhou Jinbei must have his own reasons for doing so.

“Vice President Qian closed the computer in front of him and looked up at the crowd. “Everyone, please calm down. We have been in the Zhou group for so many years and have survived many storms. I believe that we will definitely be able to survive this time!” ”

“”Although that’s what you said, but what President Zhou is doing is really worrying.”A senior executive stood out and said, “Vice President Qian, why don’t you go and persuade President Zhou again?” ”

“Vice president Qian said, “I know better than everyone here what kind of person President Zhou is. I believe that he must have his own motives for doing this. Alright, everyone go and do your work. Everything will be done according to President Zhou’s wishes!” ”

“Hearing this, everyone didn’t say anything else. ”

“After vice president Qian left, everyone whispered, “President Zhou and vice president Qian are like possessed. Our company is already like this now, but they are still indifferent!” ”

““Forget it, forget it. We just need to do our job properly.” ”

“President Zhou is not willing to admit defeat to old Mr. Zhou. We can only do this now!”

The dozen or so higher-ups walked out as they spoke.

At the hospital.

“Looking at the front page of every news section that had Zhou Jinbei’s news, Zhou Zuolong was extremely pleased with himself. ”

“Without thinking, it was obvious that the Zhou Corporation was now in chaos. ”

“He wanted to see how long Zhou Jinbei, this unfilial son, could last. ”

“Originally, he only wanted Zhou Jinbei to come to the hospital to see him and Xie wanqiu. ”

Now...

He had to let Zhou Jinbei know how powerful he was as the head of the family. He would not forgive Zhou Jinbei if he did not make Zhou Jinbei pay the price.

“Xie wanqiu brought a glass of water to Zhou Zuolong. “Old man, if Jinbei comes to apologize to you later, don’t make things difficult for him. He’s still your son after all. As a child, it’s fine as long as he knows he’s wrong.” ”

“A kind person is bullied. This time, I must make that unfilial son suffer a little!” Zhou Zuolong turned to look at Xie wanqiu. “Wanqiu, I know what to do about this. Don’t interfere.” ”

Xie wanqiu sighed.

“After saying that, Zhou Zuolong turned to look at Zheng Wanyin. “Yinyin.” ”

“Grandpa, What’s Wrong?” Zheng Wanyin asked. ”

“Zhou zuolong continued, “Go to the hospital to go through the transfer procedures.” ”

“Zheng wanyin said in surprise, “Transfer? You mean to transfer grandma to another hospital?” ”

“Yes.” Zhou Zuolong nodded.

“Xie wanqiu said, “But if that’s the case, won’t Jinbei not be able to find us?” ”

“I just want him to be unable to find us!” Zhou zuolong continued, “If we don’t make him anxious, he’ll never know who’s his father and who’s his son!” ”

“Not only did he want Zhou Jinbei to beg him, but he also wanted Zhou Jinbei to be anxious ”

He wanted Zhou Jinbei to know that his father would always be his father!

Zhou Jinbei was still too inexperienced to fight with his father.

“Hearing this, Xie wanqiu pretended to hesitate and said, “Old man, must we do this? I don’t think there’s a need to make things difficult for the child.” ”

“Being soft-hearted is a disease. Wanqiu, from now on, you have to harden your heart! No matter what I do, you have to support me!” Zhou Zuolong turned to look at Zheng Wanyin. “Yinyin, quickly do it. By the way, don’t tell anyone other than your grandfather Wu about this!” ”

Zheng Wanyin looked up. “Even second aunt?”

“No.”

“Zhou Xiang and Zhou Jinbei were in the same boat. The reason why he arranged for Xie Wanqiu to be transferred was to make Zhou Jinbei anxious. If he told Zhou Xiang about this, why would he bother with this?”

“Zheng Wanyin nodded. “I got it, Grandpa.” ”

“Zhou zuolong continued, “Go and do it now.” ”

“Alright.”

The transfer operation was done very quickly.

“While Zhou Zuolong was busy, Xie Rongle looked at Xie wanqiu. “Auntie, are you sure this will work? What if Zhou Jinbei can’t find us?” ”

“Xie wanqiu smiled and said, “Who is Zhou Jinbei? As long as he wants to, who can’t he find? “My Silly Girl, don’t let your imagination run wild. Just wait patiently to be the bride! “Your uncle said that after Zhou Jinbei comes, he will settle your matter and let Zhou Jinbei and Chu Ying get a divorce!” ”

“Really?”Xie rongle continued, “What if Zhou Jinbei doesn’t agree?” ”

“Xie wanqiu narrowed her eyes. “Doesn’t agree? Does Zhou Jinbei Dare? Now that things have come to this, unless Zhou Jinbei really wants to lose his reputation, he has to listen to your uncle!” ”

Chapter 1405: 299: Zhou Jinbei comes to the hospital! (12th watch)1

“In other words, Zhou Jinbei was now riding a tiger.”

Zhou Jinbei worked hard for half of his life in exchange for today's success. Could it be that all his years of hard work would be destroyed just like that?

How could it be!

No one would be willing to joke about their own future.

“So, there was only one path in front of Zhou Jinbei now.”

And that was...

Compromise!

Admit his mistake!

“Therefore, Xie Wanqiu was not anxious at all.”

This Xie Rongle was definitely going to marry Zhou Jinbei.

“Aunt, when do you think Zhou Jinbei will come?” Xie rongle continued to ask.”

“Xie wanqiu narrowed her eyes, “With such a big mess in the Zhou Corporation, Zhou Jinbei must be busy controlling public opinion. Tomorrow, at most, it won't be more than the day after tomorrow! After all, if Zhou Jinbei wants to completely control public opinion, he must come and beg your uncle.” ”

Xie rongle nodded.

“Xie wanqiu patted Xie Rongle’s hand, then, she said, “Rongle, this Zhou Jinbei only has one son, Zhou Zeyan. According to my understanding, this Zhou Zeyan is also not a good person. After marrying Zhou Jinbei, the first thing he did was to conceive Zhou Jinbei’s child and chase that little ingrate Zhou Zeyan out of the Zhou family!” ”

Only the children of the Xie family were qualified to inherit the Zhou family’s property.

Zhou Zeyan was nothing!

“Xie rongle smiled and said, “Aunt, Zhou Jinbei is so old. Can he still have children?” ”

“”An old man in his 70s or 80s can have children, not to mention that Zhou Jinbei is not even 50 years old this year!”Xie wanqiu continued, “Don’t worry. As long as you work hard, Zhou Jinbei will definitely be able to have children!” ”

“Alright.”Xie rongle nodded.

“Xie wanqiu continued, “Rongle, you have to make good use of this opportunity.” ”

“”Don’t worry, Aunty. I will make good use of it.” ”

Xie wanqiu nodded in satisfaction.

“After the transfer procedures were completed, Xie Wanqiu was arranged to be admitted to the second hospital overnight. ”

The next morning.

Zhou Xiang woke up and saw the news that popped up on her phone.

“When she saw the news, Zhou Xiang thought she was hallucinating.”

It was as if she had rubbed her eyes several times to make sure that she was not seeing things.

She never dreamed that Zhou Zuolong would do something so extreme.

“Once the news was confirmed, Zhou Zuolong’s life would be over!”

“Not only would Zhou Zuolong be finished, even Zhou Zeyan would be affected.”

Zhou Xiang’s hand that was holding her phone was trembling. She immediately ran to Zhou Jinbei’s room door.

“She knocked on the door for a long time, but there was no response from inside.”

“The maid walked over. “Madam, are you looking for Mr. Zhou?” ”

“Yes.” Zhou Xiang nodded. “Where’s Jinbei?”

“The maid said, “Mr. Zhou is having breakfast downstairs in the dining room.” ”

Breakfast!

“After such a big incident, Zhou Jinbei was still in the mood to have breakfast!”

He was too ambitious!

Zhou Xiang quickly went downstairs.

“Downstairs, Zhou Jinbei was eating breakfast slowly.”

It was obvious that he did not care about the news and the trending news.

“Jinbei, have you seen the news?” Zhou Xiang sat opposite Zhou Jinbei.

“I have.” Zhou Jinbei’s tone was indifferent.

“Zhou Xiang said with a sullen face, “You’re still in the mood to eat after seeing it? Do you know how serious this matter is!” ”

“Zhou Jinbei drank a mouthful of milk. “Sister, the Emperor is really not in a hurry.” ”

“Zhou Jinbei!” Zhou Xiang snatched the milk from Zhou Jinbei’s hand. “Go and apologize to mom and dad right now and ask him to come forward and clarify!”

“Now, they could only ask Zhou Zuolong to come forward and clarify.”

“Other than that, there was no other way!”

“Zhou Jinbei was not angry. “Sister, if I were to apologize to them, would I have to wait until now?” ”

“Jinbei,” Zhou Xiang continued, “Do you really want things to get out of hand?” ”

Zhou Jinbei looked out of the window and did not say anything.

“Zhou Xiang sighed, “Jinbei, can you even say that I’m begging you? Go and apologize to your parents! You’ve also angered them this time. Otherwise, they definitely wouldn’t have gone so far!” If there was no other way, who would be willing to do such an extreme thing?”

“Actually, Zhou Xiang could somewhat understand Zhou Zuolong.”

“Zhou Jinbei turned to look at Zhou xiang, “Sis, it was you who indulged them and tolerated them. That’s why they became like this! Can’t You Be Tough?” ”

“”Jinbei, those are our parents!”If there were no parents, would there be them?”

“Zhou Jinbei said, “But they are also the murderers who killed Mom! If there was no mom, would there be us?” ”

“”Jinbei, Dad loves mom so much. Even if mom betrayed him, he would never abandon mom. He would never kill Mom!”Zhou Xiang trusted Zhou Zuolong very much, if Zhou Zuolong really did not have any feelings for Zhou Jinbei, he would not have performed a vasectomy for Wu Lan.”

What kind of man would go to such lengths for a woman’s ancestral home?

But Zhou Zuolong had done it!

He had no regrets.

It was because of that vasectomy that Zhou Zuolong had not had a son or daughter with Xie Wanqiu for so many years.

“Every time she thought of this, Zhou Xiang’s heart ached for Zhou Zuolong.”

She felt that Wu Lan had let Zhou Zuolong down.

“Zhou Jinbei understood Zhou Xiang’s personality. “SIS, I don’t want to argue with you right now.” ”

“Do you think I want to argue with you?”Zhou Xiang’s eyes were slightly red. “I don’t want to see Mother’s heart turn cold underground!”

“Wu Lan had sacrificed her life for love. Compared to Zhou Zuolong, she felt extremely guilty. ”

“Now that Zhou Jinbei had treated Zhou Jinbei and Zhou Zuolong in such a manner, not to mention Wu Lan, even her daughter would feel a chill down her spine when she saw it. ”

“”If you really don’t want mom to feel a chill down her spine underground, then listen to me. Don’t be deceived by them again!”Zhou Jinbei looked at Zhou Xiang. “Only by doing this will mom really feel a chill down her spine underground!” ”

“Seeing Zhou Jinbei like this, Zhou Xiang didn’t know what to say. ”

“Zhou Jinbei was usually a very shrewd person in life, but when he encountered this matter, he became muddle-headed. ”

He was truly a smart person who was muddle-headed for a lifetime.

He did not know when Zhou Jinbei would be able to see through the phenomenon and see the essence.

“”Jinbei, are you really not willing to go?” ”

“I’m Not Willing!”Zhou Jinbei’s attitude was firm.

Zhou Xiang sighed.

“Zhou Jinbei was not going to apologize, so Zhou Xiang had no choice but to go to the hospital herself. ”

“But when Zhou Xiang came to the hospital, she was dumbfounded. ”

Xie Wanqiu had been transferred to another hospital!

But the medical staff did not know which hospital she had been transferred to.

“Zhou Xiang was running around anxiously as she called Zheng Wanyin. “Wanyin, your grandmother has been transferred to another hospital?” ”

““Yes, that’s right,”Zheng Wanyin said. ”

“Zhou Xiang continued, “Which hospital did your grandmother transfer to?” ”

“Zheng Wanyin lowered her voice and said, “Second aunt, grandfather is really angry this time. He did not allow me to say which hospital it was. I’m sorry...” ”

““Wanyin,”Zhou Xiang said, “Just tell second aunt secretly. Don’t worry, second aunt will definitely not tell anyone else.” ”

““Second aunt, it’s not that I don’t want to tell you, it’s just that I really can’t tell you...” ”

Zhou Xiang was about to say something when Zhou Zuolong’s voice came from the other end of the screen. “Yinyin!”

“Zheng wanyin said, “Second aunt, Grandpa is calling me, so I won’t say anything more to you.” ”

“After saying that, Zheng Wanyin hung up the phone. ”

“Zhou Xiang looked at the phone that had been hung up, his face full of melancholy. ”

“There were so many hospitals in Beijing. If Zheng Wanyin did not say, who knew which hospital Xie Wanqiu had transferred to!”

“On the other end of the phone, Zhou Zuolong looked up at Zheng Wanyin. “The call was from Zhou Xiang?” ”

“Yes.” Zheng Wanyin nodded. “Second aunt asked me which hospital grandma transferred to.”

“Did you tell her?” Zhou Zuolong asked.

“No.”

“That’s good.” Zhou Zuolong was very satisfied with Zheng Wanyin’s performance.

Why did Zhou Xiang Call Zheng Wanyin?

It must be Zhou Jinbei’s intention.

“Zhou Jinbei came to the hospital to look for them, but found that they were gone, so he asked Zhou Xiang to call. ”

“Thinking of this, Zhou Zuolong’s face was full of joy. He knew that this little bastard, Zhou Jinbei, could not escape from his grasp! ”

“It had something to do with his early experiences, which led to Zhou Jinbei’s health not being too good, and he needed to go to the hospital for a regular check-up. ”

Today was the day Zhou Jinbei went to the hospital for a check-up.

“In order not to go to the hospital where Xie Wanqiu was, Zhou Jinbei specially went to the second hospital, which was very far away from the city hospital.”

Zhou Jinbei had just arrived at the hospital hall when he was discovered by Xie Rongle.

“Although Xie Rongle had never seen Zhou Jinbei in person, she had seen Zhou Jinbei in a photo.”

“In real life, Zhou Jinbei was no different from the photo. In fact, his temperament was even more pronounced.”

This was a temperament that only the elites of society had.

It seemed that Xie Wanqiu was right. Zhou Jinbei had indeed come this time.

“For a moment, Xie Rongle’s heart raced.”

“From now on, she would be Zhou Jinbei’s wife.”

“Xie rongle turned around and went to the ward to hide the excitement in her heart. “Aunt, uncle, Zhou Jinbei has come.” ”

Chapter 1406: 300: Ye Zhuo makes his move! (13th watch)1

“”Really?” Upon hearing this, Zheng Wanyin said excitedly, “My uncle is really here! Cousin, did you see wrongly?” ”

“Xie Rong Lexi smiled and said, “Don’t worry, I didn’t see wrongly.” ”

“In order to make a mistake, xie wanqiu said, “I’ll go out and take a look.” ”

“Zhou Zuolong stood out and said, “Wanqiu, rest well. I’ll go and take a look.”He was afraid that Xie Wanqiu was too kind, so after seeing Zhou Jinbei, he directly brought Zhou Jinbei to the ward. ”

Zhou Zuolong was not prepared to forgive Zhou Jinbei so easily.

“Xie wanqiu nodded and said worriedly, “Old man, don’t make things too difficult for the child.” ”

“Zhou Zuolong did not say anything. He turned to look at Xie rongle and said, “RONGLE, where did you see that unfilial son?” ”

“Xie rongle said, “In the hall on the first floor of the hospital.” ”

“Got it.”Zhou Zuolong nodded and turned to walk out of the door.

Zhou Zuolong had just arrived at the lobby on the first floor when he saw Zhou Jinbei’s figure.

Xie Rongle was right.

It was Zhou Jinbei!

“After confirming that the person was Zhou Jinbei, Zhou Zuolong immediately returned to the ward and said angrily, “Go and block the door for me! Without me, no one is allowed to open the door for that unfilial son today!” ”

“”Old Man, since the child has come to admit his mistake, don’t make things difficult for him!”Xie wanqiu looked at Zhou Zuolong. ”

“Zhou zuolong said, “Make things difficult for him? If he didn’t make things difficult for me, would I make things difficult for him?”In this world, how many parents were willing to make things difficult for their child? ”

“Clearly, Zhou Jinbei had gone too far! ”

“Hearing this, Xie wanqiu sighed. ”

“Zhou Zuolong turned to look at Zheng Wanyin. “Yinyin, go and close the door for me.” ”

Zheng Wanyin could only do as he said.

Zhou Zuolong moved a stool and sat in front of the door.

“If Zhou Jinbei wanted to enter the door today,. ”

He would have to go through him.

But...

“A minute passed, ten minutes passed, half an hour passed, and an hour passed. There was no movement outside the door. ”

What was going on?

Zhou Zuolong could not sit still.

“Logically speaking, Zhou Jinbei should have come a long time ago. ”

Why was there still no movement at all?

Even Xie Wanqiu felt that something was not right.

Could it be...

Zhou Jinbei did not intend to come and apologize?

"It was not until two hours had passed and Zhou Jinbei did not appear outside the door that Zhou Zuolong stood up from his chair and turned to look at Zheng Wanyin. "Yinyin, go outside and ask around. What exactly is going on?" "

Zheng Wanyin nodded. "Alright."

"Very soon, Zheng Wanyin returned. "

"Xie wanqiu hurriedly asked, "Yinyin, what's going on? Where's your uncle?" "

Zheng Wanyin looked a little troubled. "I went down to ask. It doesn't seem like uncle is here to visit Grandpa."

"Then why is he here?" Zhou Zuolong's eyes were filled with anger.

"Zheng wanyin said, "He... he came here for a checkup." "

"Zhou Zuolong was so angry that he slammed the table and stood up. "Unfilial son! This unfilial son!" Zhou Jinbei did it on purpose! He came here on purpose to anger him! Zhou Jinbei clearly knew that he and Xie Wanqiu lived here, but he deliberately came to the hospital and did not come to see them! "

"Old man, calm down." Xie wanqiu hurriedly said, "Jinbei is a good child. I believe that he definitely did not do it on purpose! The reason why he did not come to see us is definitely because he does not know that we are staying in the hospital!" "

“Didn’t you see him? Is He Blind? Even Rong le saw him. How can he not see me?”

“Since Zhou Jinbei didn’t care about the relationship between father and son, then don’t blame him for being rude. ”

“Just wait. This time, he must make Zhou Jinbei pay the price! ”

“Zhou Zuolong took out his cell phone and made a call. “Hello, reporter Zhu...” ”

“At the same time, the matter of Zhou Jinbei not supporting the elderly and not showing filial piety to his parents became more and more heated on the Internet. ”

There were curses all over the place.

[did Zhou Jinbei receive his retribution today?]

“[powerful netizens, all sorts of small gifts can be arranged. Remember to send more gifts to Zhou Jinbei, this ‘great filial son’!] ”

“[the more I think about it, the angrier I get. How can there still be such a disgusting person like Zhou Jinbei in this world?] ”

“Just as the situation was getting more and more heated, Zhou Zuolong spoke again and appeared in front of the camera with tears streaming down his face, “Hello Everyone, I’m Zhou Jinbei’s father, Zhou Zuolong. “I didn’t expect this matter to cause such a huge uproar on the internet. No matter what, Zhou Jinbei is my son, my only son. As a parent, the last thing I want is for my own child to suffer. “I beg everyone not to scold Jinbei on the Internet. Actually, it hasn’t been easy for Jinbei all these years. Although he didn’t support us, his mother and I don’t blame him. “...” ”

“In that manner, he was clearly a good father. ”

“Zhou Zuolong was taking the initiative to advance while retreating. It seemed like he was speaking up for Zhou Jinbei, but in fact, he was adding fuel to the fire, completely igniting the anger in the hearts of the netizens. ”

“After seeing Zhou Zuolong’s words, the netizens became even angrier. ”

“[father is a good father. Even at this time, he is still speaking up for Zhou Jinbei. Unfortunately, good people don’t get rewarded well. Old Mister Zhou didn’t meet a good son.] ”

““Old Mister Zhou is not afraid. From now on, we are all your sons! Zhou Jinbei did not raise you, we will raise you. No matter what, we will let the unfilial son get his retribution!” ”

““Father Zhou, all of us are your strong backing.” ”

““Respecting the old and caring for the young. Taking care of the elderly is a beautiful tradition in China. However, this big shot who touched China did not take care of the elderly! This is simply unforgivable by the heavens!” ”

““Karma is the reincarnation of bad karma. Just wait and see, Old Mister Zhou’s present is Zhou Jinbei’s tomorrow. Sooner or later, Zhou Jinbei will end up with the fate of being abandoned by his family.” ”

“Zhou Jinbei can go to hell!”

“Zheng wanyin browsed through the comments of the netizens, the corners of her mouth curling into a faint smile. ”

Although Zhou Jinbei did not come over today to apologize to Zhou Zuolong

But Zhou Zuolong would not be able to hold on for more than a few days!

“If this continued to develop, in less than half a month, the Zhou Group would declare bankruptcy. ”

“Taking advantage of this wave of popularity, Zhou Zuolong successfully opened his Weibo.”

“In just a few hours, he had gained eight million followers.”

This was faster than the average small internet celebrity gaining followers.

“With fans, he could eat. Even without Zhou Jinbei’s alimony, he could still make money from these fans.”

At the same time.

Old Zhang and Dr. William also found out about Zhou Jinbei.

Dr. William looked at Old Zhang. “Has Zhou Jinbei contacted you in the past few days?”

Old Zhang shook his head. “Not yet.”

“After saying that, old Zhang continued, “Dr. William, do you think that Zhou Jinbei has really found someone who can repair the will?” ”

“”Impossible!”Dr. William said, “In China, those who have the ability to repair the will have yet to be born!” ”

“Other than him, there was no one else who could repair a will.”

“After saying that, Dr. William continued, “Pay attention to your phone during this period of time. If Zhou Jinbei wants to make a comeback, he has to rely on that will.”If Zhou Jinbei wanted to repair his medical skills, he had to come and beg him! ”

“Got it.”Old Zhang nodded.

“William waved his hand. “Alright, you can leave now.” ”

On the other side.

“Zhou Xiang had been trying to find out which hospital Xie Wanqiu had been transferred to. Unfortunately, after a long time, she still couldn’t find anything. ”

Zhou Xiang was very anxious.

“According to the housekeeper’s efficiency, she shouldn’t have been unable to find anything for such a long time. ”

“”Housekeeper, what exactly is going on?”Zhou Xiang asked. ”

“The housekeeper looked at Zhou Xiang, his face full of embarrassment. “Madam, I’ll tell you the truth. It was old madam who told me not to tell you the hospital’s address!” ”

Old Madam Cen?

Zhou Xiang frowned and turned to walk into the house.

Old Madam Cen was sitting in the living room eating melon seeds.

“Zhou Xiang walked over directly. “Mom, why did you do that?” ”

“What About Me?”Old Madam Cen had a puzzled look on her face.

“Zhou xiang continued, “My parents have been transferred to another hospital. Why didn’t you ask the housekeeper to tell me the transfer address?” ”

“Old Mrs. Cen smiled and said, “Oh, so that’s what you’re talking about! Xiang Xiang, I didn’t ask the butler to tell you the address because it’s for your own good. With parents like you, it’s best to cut ties as soon as possible!” ”

“Mom!”

“Old Mrs. Cen waved her hand. “Don’t say anymore. Even if you break the sky today, I won’t say anything to you.” ”

“Zhou Xiang immediately knelt on the ground. “Mom, I Beg You!” ”

“Old Madam Cen turned her head away, not looking at Zhou Xiang. ”

“At the same time, upstairs. ”

Zhou Jinbei watched helplessly as the shares of the Zhou group fell lower and Lower Day by day. He was also extremely worried.

“At this moment, his phone rang in the air. ”

Zhou Jinbei picked up the phone and swiped it to answer. “Hello.”

“Uncle.” A clear and shallow voice came from the other end of the screen.

“Zhou Jinbei’s eyes lit up, as if a drowning man had grabbed a piece of driftwood. “Sear Sear! has that letter been restored?” ”

“”Yes.”Ye sear continued, “Where Are you now? I’ll send it over.” ”

“Chapter 1407: 301: the Will has been successfully restored, and the truth has surfaced (14th watch)1”

“Hearing this, Zhou Jinbei thought he was hearing things. ”

It was restored!

It was finally restored

““Searing, is it true?”Zhou Jinbei asked. ”

““Of course it’s true.”Ye searing said, “Where are you?” ”

“Zhou jinbei continued, “I’m at Shaoqing’s house.” ”

““Alright, I’ll be there right away.” ”

“After hanging up the phone, Zhou Jinbei went downstairs. ”

“The moment he arrived downstairs, he saw Zhou Xiang kneeling in front of old Mrs. Cen. ”

Zhou Jinbei was stunned. “What’s going on?”

“Based on his understanding of old Mrs. Cen, she was definitely not the kind of person who would make Zhou Xiang kneel. ”

“Old Mrs. Cen stood up from the sofa, her expression already somewhat ugly. “Let your sister tell you.” ”

For her parents to kneel down to her like that.

Perhaps only Zhou Xiang would do that.

Old Mrs. Cen was really angry.

“She was still around, and she could still restrain Zhou Xiang. If she was not around, Zhou Xiang might do something stupid!”

“Sister?” Zhou Jinbei looked at Zhou Xiang.

Zhou Xiang turned to look at Zhou Jinbei. “Father and mother transferred to another hospital. I begged mother to tell me the address of their transfer.”

“Zhou jinbei sighed and said, “SIS, get up First!” ”

“Zhou Xiang said, “If mom doesn’t tell me today, I won’t get up.” ”

Old Mrs. Cen shook her head helplessly.

“Zhou jinbei continued, “Sis, get up first. Mom’s will has been repaired. We’ll talk about it after we see the will.” ”

“Really?” Zhou Xiang raised her head to look at Zhou Jinbei with a face full of disbelief.

Even Old Madam Cen was a little surprised.

Ye Zao had said a week at that time. She did not expect that ye Zao would be able to repair the suicide note in just three or four days.

“Of course it’s true!” Zhou jinbei said, “Would zao lie to me? Get Up quickly!” ”

Only then did Zhou Xiang stand up from the ground.

Very soon.

The sound of a car engine could be heard from outside.

Zhou Jinbei stood up from the sofa. “It must be searing!”

Old Mrs. Cen walked out. “I’ll go out and take a look!”

“Just as she walked out of the door, she saw Cen Shaoqing and ye Zao getting out of the car. ”

“Searing!” Old Mrs. Cen said excitedly, “Searing, you’re finally here! Your uncle has been waiting for you for a long time!” ”

“Grandma Cen.” Ye Zao walked to Old Mrs. Cen’s side.

“Old Mrs. Cen continued, “Has that letter really been restored?” ”

“Yes.” Ye Zha nodded. “To be precise, it should be a will.” ”

“Since ye Zha had restored the will, he naturally saw the contents of the will. ”

It would be a lie to say that he was not shocked.

The few of them came to the hall.

“When they saw Ye Zha, Zhou Jinbei immediately stood up from the sofa. “Zha Zha.” ”

““Uncle, Aunt, ”ye Zao greeted politely. ”

“Zhou Jinbei couldn’t wait to ask, “Zao Zao, Where’s the letter?” ”

“Ye Zao said, “Uncle, before you read the letter again, you and Aunt have to make preparations.” ”

“Okay.”Zhou Jinbei nodded.

Ye Zao took out the will.

“Although it was restored, the will was still the same as before. There were no traces of restoration. ”

Zhou Jinbei carefully opened the medical skill.

What entered his eyes was a row of beautiful handwriting.

“Xiang Xiang, Jinbei, I’m sorry. ”

My mother was a bad mother.

“When I made this decision, my mother thought for three days and three nights. ”

“If I had a little courage to live, I would not choose this result. ”

I never understood before why someone would seek death.

“If they were not afraid of death, why would they be afraid of living? ”

The living would never understand why some people would do this.

Now.

“I finally know, because sometimes, it takes more courage to live than to die.”

Mom is most worried about you now.

“Xiang Xiang, you are the elder sister.”

“After mom leaves, you have to take good care of your younger brother, understand?”

And Jinbei.

“In the future, when mom is not around, you are the younger brother. You have to listen to your elder sister, understand?”

“If you don’t listen, Mom will be angry!”

“Besides you, the people that mom has let down the most in this life are her grandparents.”

Mom is too ashamed to see them now.

“Mom is not a good mother, and is not a good daughter.”

“Xiangxiang, your grandparents have had a hard life. Please be filial to them in my place.”

“Back then, your grandparents tried to stop me from being with Zhou Zuolong, but I always thought I was right.”

I believe in my own judgment.

“When I saw that scene, I thought I was hallucinating.”

“If it wasn’t a hallucination, how could your father, the love of my life, do such a thing?”

Until the second time.

They were caught red-handed by me.

Everything that had been beautiful had become a joke.

“Your father and I, were in free love, and it was ironic how passionately we loved each other in the past.”

I never dreamed that Zhou Zuolong would betray me.

“We loved each other passionately for more than a decade, but not as much as a woman he had known for more than a decade.”

“When he slapped me, I knew it was over.”

“When that woman showed off in front of me, I knew I had lost.”

Completely.

“At that moment, my life lost its original meaning.”

“By the way, that woman’s name is Xie Wanqiu.”

Mom doesn’t want to die without knowing why.

“After I die, if your father lets that woman get into the family, you can go to your grandparents’ house and beg your aunt and uncle.”

“You are my only blood in the world, they will certainly not sit by and do nothing.”

“Xiang Xiang, you are a girl.”

“The most important thing for a girl is self-respect, self-respect, and good taste.”

“You can not be like Xie wanqiu, meddling in other people’s marriages.”

“And you can not be like your mother, who is blind and stupid.”

“As the saying goes, if you don’t listen to the old people, you will be at a disadvantage in front of your eyes.”

“When you reach marriageable age, you must listen to your grandparents more often.”

They walk more bridges than you do.

It’s always right to listen to their opinions.

And to go north.

“Even though you’re a boy, you still have to learn self-respect, self-respect, self-reliance and self-improvement.”

“As a man, not only should you take responsibility, but you should also support yourself and the people you love.”

He should be even more loyal to his partner.

Don’t be like your father.

Finally.

I hope you will have a happy and peaceful life.

...

“In this life, you come and go naked.”

“A suicide note, two full pages, full of Wu Lan’s helplessness.”

She met Zhou Zuolong when she was eighteen.

She married Zhou Zuolong when she was 19.

“After marriage, they had a pair of children. She originally thought that she would be with the person she liked to keep a pair of children, happily staying together for a lifetime.”

“She did not expect that in the end, what she received was a heart-wrenching betrayal.”

“When she wrote this suicide note, Zhou Xiang and Zhou Jinbei slept next to her.”

What about Zhou Zuolong?

Zhou Zuolong was drunk in a dream with Xie Wanqiu in a tender place.

“After writing this suicide note, Wu Lan changed into her favorite clothes, put on exquisite makeup, kissed the faces of the two children, and went to the railway track in the suburbs. ”

“When she lay on the track, she saw the gorgeous blue sky and white clouds. ”

The weather was very good.

It was very similar to the day she and Zhou Zuolong first met.

If only time could be reversed.

She would rather have never known Zhou Zuolong.

Hula —

The train whizzed by.

An elite teardrop streaked across the corner of Wu Lan’s eyes.

Her life had come to an end here.

“After reading a letter, Zhou Xiang’s face was already covered in tears. ”

“In the past, how much she trusted Zhou Zuolong was now how disgusting it was. ”

“She had never thought that her mother would end her life in this way, much less that Zhou Zuolong would do something that would let Wu Lan Down. “Mom, Mom! I’m sorry, I’m sorry to you...” ”

“Thinking about how she had misunderstood Wu Lan for so many years, Zhou Xiang was on the verge of breaking down. ”

“All the strength in her body was drained in that instant, and she collapsed to the ground, her heart filled with grief. ”

At that moment.

Zhou Xiang seemed to have returned to the year when she was 13 years old.

She was woken up by the butler in her sleep.

“Miss! Something Bad has happened!”

“”Madam, Madam, Madam has left!” ”

“In just one night, she had lost her most beloved mother. ”

“Little Zhou Xiang, who was only 13 years old, also understood what death meant for the first time. ”

“After so many years, when he saw Wu Lan’s handwriting again, Zhou Jinbei could not control his emotions. His entire body was trembling. “Mother...” ”

“Even though he had long prepared for Wu Lan’s death to be related to Zhou Zuolong, when he truly faced reality, he would still collapse. ”

Old Mrs. Cen sighed. "It's such a pity for my mother-in-law. She was only 34 when she left..."

The person who should have left was still alive.

The person who should have been alive had become a pile of bones.

Fate played tricks on people!

Chapter 1408: 302: the whole Internet is in a rage

"Although Old Mrs. Cen had never met Wu Lan, she could tell from her words that Wu Lan was an extremely gentle person."

"She really had no other choice, so she chose to commit suicide."

"If she and Zhou Zuolong were just a bunch of ordinary couples, it would be fine."

"However, she and Zhou Zuolong were very passionate."

"For the sake of Zhou Zuolong, she had turned against her biological parents."

"From this suicide note, it could be seen that Wu Lan was already suffering from a very serious depression at this time."

"Even with the development of modern medicine, there was no way to treat depression."

Not to mention Wu Lan's era.

“After a moment, Zhou Jinbei turned to look at Ye Zao. “Zao Zao, thank you. Thank you for letting everything come to light and clearing my mother’s name.” ”

This sentence of getting justice was not wrong at all.

Zhou Zuolong made use of the fact that no one knew what had happened 30 years ago to frame Wu Lan as a woman who did not follow the rules of womanhood. He even spewed nonsense in front of the media.

“Now, not only were the netizens scolding Zhou jinbei, they were also scolding Wu Lan as well. ”

“Now, they could finally clear Wu Lan’s name. ”

“At the end of his speech, Zhou Jinbei directly bowed to ye Zao. ”

“Ye Zao quickly helped Zhou Jinbei up. “Uncle, don’t be like this. I Can’t take it.” ”

“”No, Zao Zao.”Zhou Jinbei looked at ye Zao. “You can take it. If you don’t accept this bow today, uncle will have a guilty conscience for the rest of his life.” ”

“If it wasn’t for ye Zao, the truth would never have surfaced. ”

And Wu Lan would also be cursed at for the rest of her life.

No one knew how grateful Zhou Jinbei was to ye Zao.

“Hearing this, Ye Zao finally let go of Zhou Jinbei. ”

Zhou Jinbei stood there and bowed very seriously.

“”And me.”Zhou Xiang cried as she stood up from the ground and looked at ye Zao. “Zao Zao, thank you...” ”

Zhou Xiang recalled her past self again. She felt that she was a joke.

“Zhou Zuolong and Xie wanqiu treated her like a fool, but she was completely unaware of it. ”

“Not only did she not know, but she also wanted to show filial respect to Zhou Zuolong and Xie Wanqiu. ”

“Old Mrs. Cen looked at Zhou Xiang and continued, “Zhou Zuolong and Xie Wanqiu are in the second courtyard. Xiang Xiang, are you still going to visit them?” ”

“”I’m not going.”Zhou Xiang shook her head. “Mom, I’m sorry. I was too muddle-headed before. I made you worry too much.” ”

“After spending so much time with old Mrs. Cen, Zhou Xiang knew that old Mrs. Cen was an impatient person. ”

“Previously, she did not have a clear understanding of people. All she could think about was Xie wanqiu and Zhou Zuolong. Old Mrs. Cen must have been very anxious and wished that she could slap her awake. ”

Zhou Xiang had always felt that she was not muddle-headed.

“Only now did she truly understand the saying, “Those who are in the middle are muddled and those who are watching from the sidelines are clear.”. ”

“Old Mrs. Cen’s eyes were slightly red. “Xiangxiang, I hope that you’ve really seen it this time. You’ve truly grown up.” ”

“Mom, I’m sorry...”Zhou Xiang hugged old Mrs. Cen. ”

The mother-in-law and daughter-in-law hugged and wept.

“Cen Shaoqing held the Buddhist beads in his hand. There was no special emotion on his face. He just looked at Zhou Jinbei. “Uncle, leave this matter to me.” ”

“Zhou Jinbei raised a smile and said, “Shaoqing, uncle knows about your ability, but I want to handle this matter myself.” ”

This was a matter between him and Zhou Zuolong. Zhou Jinbei did not want to dirty CEN Shaoqing’s hands.

“Cen Shaoqing nodded slightly and said, “If you need help, remember to let me know.” ”

“Okay.”Zhou Jinbei nodded. “I will.”

“Oh right, uncle.”Ye Zhuo took out another envelope. “This is for you.” ”

Zhou Jinbei took the envelope. “What’s This?”

“You’ll know after you read it.”

“Okay.”Zhou Jinbei did not open the envelope immediately but nodded.

“After ye Zhuo left, Zhou Jinbei logged into Weibo and posted a statement of more than 200 words with a picture attached. ”

The content of the picture was Wu Lan’s suicide note.

“Of course, this was not enough.”

Zhou Jinbei also posted the alimony payments he had given Zhou Zuolong over the years.

“Zhou Zuolong asked Zhou Jinbei to give him three million a month for living expenses, which was 36 million a year.”

“He started to transfer Zhou Zuolong’s living expenses when he was 28 years old, and this transfer lasted for 20 years.”

“In the beginning, it was 5 million a year.”

“Zhou Jinbei had already expected such a day to come. Therefore, he carefully kept every single transfer, including the one from 20 years ago.”

“Other than these transfer records, there was also an audio recording.”

““Zhou Jinbei, I am your father. Since I can give birth to you, I can also destroy you. From now on, you must transfer 3 million a month to me. Otherwise, I will find a newspaper, a reporter, and I will expose you!””

“After Zhou Jinbei sent out this statement, the entire internet was in an uproar.”

No one had expected that things would turn out this way.

“[F * ck! 36,000,000 yuan a year, and that old guy still has the face to say that Zhou Jinbei doesn’t support him!]”

“[the suicide note is making me cry. Oh My God, if it wasn’t for this suicide note, wouldn’t we have wronged Ms. Wu for the rest of her life?]”

“[from this suicide note, it can be seen that Ms. Wu is a good woman. Even if she was harmed by the scumbag and the mistress in the end, she still taught her children to be a good person in the future...]”

“[Mr. Zhou, I’m sorry. I apologize for my words and actions previously.]”

“[tears welled up in my eyes. As a mother, I can see how helpless Ms. Wu was at that time. As long as she had the slightest chance of survival, she would not have chosen the path of suicide.]”

“[just looking at the suicide note made me feel extremely uncomfortable, not to mention Ms. Wu, the victim.]”

“[ms. Wu, you don’t deserve to die. If you were dead, it would help those scumbags! If I Were you, since I had already chosen to die, I wouldn’t let them have it easy.]”

“[oh my God! I’m sorry, I’m sorry, Ms. Wu. I didn’t mean to...]”

[I’m sorry.]

[I’m sorry.]

“Soon, another hot topic appeared.”

Ms. Wu is sorry

Zhou Jinbei responded

the real mistress!

“After the new hot topic appeared, Zhou Zuolong’s account, which had already gained tens of millions of fans, instantly dropped from eight digits to six digits.”

The comment on Weibo that accused Zhou Jinbei of not supporting the elderly went from five digits to seven digits.

“[it’s not that the elderly have become bad, it’s that the bad people have become old. How can there be such a disgusting person like you in the world?] ”

“[old man, you will go to Hell After You Die!] ”

“[you were clearly the one who cheated first, yet the evil people complained first. You took advantage of Madam Wu’s long sleep to do whatever you wanted. Little did you know that the heavens are watching, and there is a God above you!] ”

“[good and evil will always be rewarded. The Heavenly Dao is good for reincarnation. If you don’t believe it, look up and see who the heavens will spare!] ”

[a person like you should be chemically castrated!]

[I wish you a speedy journey to hell!]

“[the person above is too kind. How can I wish it a speedy journey to hell?]? [I should wish it a long life of a hundred years. Half of its body is paralyzed, and the rest of its life is spent eating, drinking, and defecating in bed. If it wants to live, it can’t live. If it wants to die, it can’t!]! “Every day, it will live in repentance toward Ms. Wu!” ”

““Yes, yes, yes. The man upstairs is right. When we treat such a beast, we should make it want to die. If it wants to die, it can not live.” ”

““Old Beast! From now on, I will pray for you every morning. I wish you a long life!” ”

On the other side.

“Zhou Zuolong and Xie wanqiu, who were in the hospital, did not know what was happening on the Internet.”

Zheng Wanyin jogged back from outside. “Grandpa! Grandpa!”

“What’s Wrong?” Zhou Zuolong turned to look at Zheng Wanyin.

“Zheng wanyin continued, “Grandpa, there are a lot of reporters outside. They said they’re here to interview you.” ”

“Zheng Wanyin had just gone out to buy a house. When she returned, there were reporters outside the hospital. ”

“She did not know about the new trending topics on Weibo, nor did she know that the situation had completely reversed. ”

“Zhou Zuolong stood up and said, “Let them in! No, your grandmother needs to rest well now. Let me go out and meet them! which door are the reporters at now?” ”

What were the reporters here for?

They were definitely here to scold Zhou Jinbei for his unfilial behavior.

“Originally, Zhou Zuolong had planned to forgive Zhou Jinbei and did not want to argue with him. He did not expect that Zhou Jinbei would actually take an inch and take a mile. ”

“In that case, there was no need for him to save face for Zhou Jinbei. ”

“Since the matter had already been exposed, he would let Zhou Jinbei’s reputation be completely ruined. ”

“Zheng wanyin continued, “The reporters are at the main entrance.” ”

“”Alright, I got it.”Zhou Zuolong nodded. “Take good care of your grandmother. I’ll be back soon.” ”

“Xie wanqiu said hypocritically, “Old Man, that’s enough. Don’t make things too difficult for the child! We only have one son, Jinbei!” ”

Zhou Zuolong did not say anything. He waved his hand and walked out of the door.

“When he reached the door, Zhou Zuolong indeed saw a group of reporters. ”

Zhou Zuolong had a sad look on his face. He was writing a script as he walked forward.

At this moment.

PA —

A rotten egg was thrown at Zhou Zuolong’s head.

“”Old Bastard, you still have the face to come out!” ”

“At the same time, a microphone was handed over, “Old Mr. Zhou, may I ask if the statement that Mr. Xiao Zhou posted on Weibo is true? Are You and your current wife really having an affair? Also, you said that Mr. Xiao Zhou has never been obligated to support you. May I ask what happened to the transfer records that Mr. Xiao Zhou provided?” ”

“Chapter 1409: 303: very happy people, very bad relatives (16th watch)1”

“When the rotten egg was smashed on his body, Zhou Zuolong was stunned.”

The stinky mucus flowed down Zhou Zuolong’s head and into his neck.

Zhou Zuolong had never experienced such a embarrassing thing in his life.

It felt like a dream.

Unreal.

Very unreal.

He had always been a good husband and father to the public.

How could someone throw rotten eggs at him?

The person who was thrown rotten eggs should be Zhou Jinbei.

There was a mistake.

There must be a mistake.

“Just then, the voice of a reporter rang out in the air.”

“Hearing the reporter’s words clearly, Zhou Zuolong’s ears buzzed even more.”

Alimony?

Transaction Records?

Extramarital affairs?

“Before Zhou Zuolong could fully react, the reporter’s questions were thrown at him, “Mr. Zhou, can I take your silence as a tacit agreement? Then, do you feel that you have let down your deceased wife all these years? Do you feel guilty for killing your ex-wife with your unfaithful partner ”

“”As a father, why are you forcing your son to do this?” ”

“”If you twist black and white, won’t you have nightmares at night?” ”

The Reporters’ questions came one after another. Zhou Zuolong was completely stunned.

What was going on?

The reporters were clearly very sympathetic to him yesterday. Why did everything change today?

“Also, how did they know about this? ”

Wu Lan was already dead.

Zhou Xiang and Zhou Jinbei were so young back then. How did these things get out?

Who Was It?

Who wanted to harm him?

“Zhou Zuolong was flustered, and cold sweat broke out on his face. ”

No.

He couldn't admit it.

He absolutely couldn't admit it.

"If he admitted it, then he would be finished."

"I..."

Zhou Zuolong opened his mouth and was about to say something.

Bang!

Another egg was thrown over.

"This time, the stinky mucus flowed directly into Zhou Zuolong's mouth."

It was a very disgusting smell.

"Old Bastard, go to hell!"

"Scum!"

"Then, rotten vegetable leaves were thrown in Zhou Zuolong's direction."

"Stinky eggs, vegetable leaves, and abusive language surged over from all directions."

Zhou Zuolong held his head and ran quickly to the hospital.

“At that moment, he ran at the fastest pace in his life.”

He came to the ward.

“Xie wanqiu, Xie rongle, and Zheng Wanyin were chatting.”

“Seeing Zhou Zuolong like this, Xie Wanqiu was shocked. “Old Man, what happened to you?” ”

Xie rongle and Zheng Wanyin immediately walked to Zhou Zuolong’s side. “Uncle! Grandfather!”

“Zhou zuolong said, “Open Weibo! Quick, Open Weibo!” ”

“OH.”Zheng Wanyin realized that something was not right and immediately opened Weibo.

“The moment she opened Weibo, she saw the trending searches, the earth-shattering news, and the footage of Zhou Zuolong being interviewed just now.”

“Seeing this scene, Zheng Wanyin was immediately stunned.”

How could this be!

The trending searches were all about Zhou Zuolong.

“If the news of Zhou Jinbei’s unfilial behavior became known on the Internet, then Zhou Zuolong’s hypocritical infidelity, together with his mistress, forced his first wife to die, and reversed the truth, became a hot topic on the Internet!”

Someone even posted Zheng Wanyin’s photo on the Internet.

“[this woman is Zheng Wanyin, the biological granddaughter of Xie Wanqiu’s mistress. She actually had the delusion to steal someone else’s side and marry Cen Wuye!] ”

[as expected of the granddaughter of a mistress. Her family skills can not be thrown away. She’s pretty good.]

[this disgusting piece of trash still wants to snatch our ye Zi’s boyfriend. What a Fool’s Dream!]

[I threw up!]

“[as expected, dragons give birth to dragons and phoenixes give birth to Phoenixes. The son of a mouse can dig holes. This Zheng Wanyin is indeed better than her father.] ”

“[F * ck, this is simply refreshing. I’ve never seen such a shameless person.] ”

“[White Lotus, green tea bitch, not even one-thousandth of our Yezi.] ”

[so disgusting that I’m about to throw up.]

Zheng Wanyin’s hands were trembling when she saw these comments.

Ye Zhuo.

It must be ye Zhuo.

“She was the biggest threat to ye Zhuo right now. After all, once she became Cen Shaoqing’s girlfriend, Ye Zhuo would be dumped by Cen Shaoqing. ”

“Therefore, ye Zao must be the one who hurt her behind her back. ”

Shameless.

“Ye Zao, this Shameless B * TCH, if you have the guts, then face her head on!”

What kind of ability is it to hurt someone behind their back?

“Everyone was equal in front of love. She wanted to pursue Cen Shaoqing, so what if she was together with Cen Shaoqing?”

““Yinyin, what’s Wrong?” ”

“Seeing that Zheng Wanyin’s expression was not right, Xie wanqiu immediately took out her phone and looked at Weibo.”

“Chapter 1410: 303: Happy People, torturing the best relatives (16th watch)2”

“When he saw this, he was also stunned.”

Suicide note.

Transfer Records.

Audio.

Every piece of evidence smashed Zhou Zuolong to the point where he could not stand up.

No Wonder Zhou Jinbei had not come to apologize to Zhou Zuolong. It turned out that he still had such a backup plan.

“Previously, the netizens had scolded Zhou Jinbei so badly that Zhou Zuolong was more than ten times worse than the previous Zhou Jinbei. ”

““Old Man, what should we do now?”Xie Wanqiu’s voice was trembling. ”

“At that moment, Xie Rongle suddenly let out a scream. ”

“Ah!”

“What’s Wrong?”Xie wanqiu turned to look at Xie Rongle.

“Xie rongle gulped. “Aunt, look at this.” ”

“Xie wanqiu took Xie Rongle’s phone. On the screen of the phone, it really showed Zheng Wanyin’s photos and news. ”

“The number of comments had already exceeded 100,000. ”

“Xie wanqiu said angrily, “This is a matter between the older generation. What has it got to do with yinyin? Yinyin is innocent! What’s wrong with her pursuing her own happiness? ! Old Man, Old Man, quickly think of something! What should I do?”No matter how good Xie Wanqiu was usually, she did not have the strength to turn the tide, but at this time, she did not have the strength to turn the tide. ”

“Zhou Zuolong tried his best to calm himself down. “Call Zhou Xiang. Call Zhou Xiang immediately and ask her to take yinyin away.”Zhou Zuolong knew Zhou Xiang very well. Zhou Xiang’s personality was weak, and Zhou Jinbei had always ignored them, but Zhou Xiang had called repeatedly to ask which hospital they were in. ”

“So, Zhou Xiang would definitely not ignore them. ”

“At this moment, he could not be bothered to ask the Cen family’s old lady to come personally to pick up Zheng Wanyin.”

“Xie wanqiu said, “What if she doesn’t come?” ”

“”She won’t! Zhou Xiang will definitely come!”Zhou zuolong continued, “Unless she doesn’t want to acknowledge me as her father anymore!” ”

But would Zhou Xiang not acknowledge him as her father?

He wouldn’t!

“Zhou Xiang valued blood and kinship the most. Wu Lan was dead, and he was Zhou Xiang’s only father in this world.”

“Moreover, Zhou Jinbei listened to Zhou Xiang the most.”

“As long as he could get Zhou Xiang to come over, he would have a way to convince Zhou Xiang to get Zhou Jinbei to delete the nonsense on Weibo.”

“Xie wanqiu nodded. “Okay, Wanyin, quickly call your second aunt and tell her the address of the hospital. Tell her to come over quickly.” ”

Zheng Wanyin picked up her phone and dialed Zhou Xiang’s number.

Di —

“Soon, the call connected.”

“However, Zhou Xiang did not pick up.”

“If it were any other day, Zhou Xiang would have picked up instantly.”

But today.

“It had been almost a minute, yet Zhou Xiang still did not pick up.”

Zheng Wanyin was extremely nervous.

Could it be that Zhou Xiang would not even acknowledge her as his niece because of this matter?

No.

It would not.

She didn't do anything.

All of this was the fault of Xie Wanqiu and Zhou Zuolong.

She was also a victim.

Zhou Xiang couldn't treat her like this.

“At this moment, the other end of the phone was finally picked up. “Hello, Wanyin.” ”

Zhou Xiang's voice was still gentle and there was nothing abnormal about it.

“When she heard Zhou Xiang's voice, Zheng Wanyin was so excited that she was about to cry. “Second aunt!” ”

“Zhou xiang continued, “What’s wrong, Wanyin? Did you suffer some grievances?” ”

“Zheng wanyin said, “Second aunt, please come to the second hospital quickly. Grandpa and Grandma are here. They have something to tell you.” ”

“”Okay.”Zhou Xiang’s tone was gentle. “Wanyin, don’t worry. I’ll come over right away.” ”

“”Yes, second aunt. We’ll wait for you here.” ”

“After hanging up the phone, Xie wanqiu asked impatiently, “How was it, yinyin? What did Zhou Xiang Say?” ”

“Zheng wanyin said, “Second aunt said that she’ll come over right away.” ”

“Really?”Xie wanqiu said excitedly.

“Really!”Zheng Wanyin nodded.

“Xie wanqiu continued, “Then, did Zhou Xiang’s voice have any abnormalities?” ”

“”No,”zheng wanyin said, “And he was concerned about whether something happened to me. He also told me not to worry.” ”

“Hearing these words, Xie wanqiu felt as if she had eaten a piece of reassurance. ”

It seemed that she had overestimated Zhou Xiang.

“She had originally thought that after this incident, Zhou Xiang would turn against them. ”

But that Idiot Zhou Xiang...

Was still as easy as waving his hand at them.

Just like a lapdog.

Zhou zuolong also heaved a sigh of relief.

“As long as Zhou Xiang did not alienate them, he was not afraid of Zhou Jinbei becoming a demon.”

Unless...

Zhou Jinbei wanted to lose two of his family members at the same time.

“Zhou zuolong continued, “Yinyin, when Zhou Xiang comes later, you have to put on airs, understand?
“Oh right, in the late autumn, you still have to record a video and post it online to prove that yinyin did not come knocking on the door, but that the Cen family head’s mother personally invited her!” ”
