Chapter 141: 083: great abuse of SCUM, happy people! Great Maternal Love 7

Wen die was thin and small, how could she be a match for the tall and slender ye Shuang?

Within a few seconds, Wen die was pressed to the ground by ye Shuang, her face was slapped so hard that it was not long before her face was slapped into a pig's head.

The child, who was sleeping soundly, was woken up at this time and went outside barefooted.

He saw Wen die being pressed to the ground and beaten.

The six-year-old child was so scared that he cried loudly at the side.

“Mommy! Mommy!”

Ye Shuang casually grabbed a cup and threw it at the child. “What are you crying for! Your Mother is a shameless B * Tch! You're not a good person either!”

The child cried even more fiercely.

“Quickly go and find your grandmother!” Wen die shouted.

What did a six-year-old child know?

He was so scared that his legs turned to jelly! He stood there, not daring to move.

“Bang!”

At this moment, the sound of a heavy object falling to the ground suddenly sounded.

Ye Shuang looked up and saw an old lady standing at the door. The 'bang' Just Now was the watermelon that the old lady bought fell to the ground.

"Mom?" Ye Shuang looked at his mother-in-law, Zhu Cuihua, in disbelief.

"Grandma!" When the child saw his grandmother, it was as if he saw his savior and immediately ran over.

"Chengye! Chengye, are you okay?" Zhu Cuihua picked up her baby grandson and looked at ye Shuang. "Why are you here? Get lost!"

"Mom! You actually spoke up for this B * Tch and this illegitimate child! Did you know about this long ago?" Ye Shuang stood up and questioned his mother-in-law loudly.

"You're the B * Tch! You're the B * Tch who can't give birth to a son!" Zhu Cuihua hugged Lin Chengye, "If you know what's good for you, then quickly leave this place! Let's just forget about today's matter! Otherwise, when I go back, I'll let Hai Fu teach you a good lesson!"

"Mom! How can you do this! I'm your daughter-in-law! I'm Hai Fu's legitimate wife!" Ye Shuang did not expect that her mother-in-law, whom she had respected for more than 20 years, would treat her this way.

Just because she did not give birth to a son for the Lin Family?

"What? You Can't give birth to a son yourself, and you can't let others give birth to our Hai Fu? Since you already know about this, then let's speak frankly! My eldest grandson is called Lin Chengye! The inheritance to inherit the family business! In the future, everything in our old Lin family will belong to him! If you have the ability, divorce my son!"

Zhu Cuihua could not wait for ye Shuang to divorce Lin Haifu immediately.

Once the divorce was over, Lin Chengye could openly become a descendant of the Lin Family!

Wen Die did not have to hide anymore.

Ye Shuang looked at Zhu cuihua like this, her eyes filled with sadness. "Mom! What about Xiao Xuan and Xiao Xue? Aren't they your granddaughters? If I divorce Haifu, what will happen to them?"

"Those two losers can follow whoever they want!" Zhu cuihua only had her eldest grandson.

To her, Lin Xuan and Lin Xue were just two losers.

"Ah!" Ye Shuang couldn't take it anymore! She sat on the ground and burst into tears!

The twenty years of waiting had finally become a joke.

A joke!

Taking advantage of this opportunity, Wen die quickly gave ye Shuang a beating.

When ye Shuang came out of the apartment building again, she was in an extremely sorry state.

She thought.

She might as well die.

But on second thought, why should she die?

Should she die so that she could give up her position to that B * Tch?

She couldn't die!

She wanted Lin Haifu to get his retribution! She wanted him to lose his reputation! He couldn't turn over a new leaf!

As a doctor.

Not only should he have medical ethics.

He must also have ethics and character.

Having been Lin Haifu's husband and wife for so many years, ye Shuang knew many of Lin Haifu's secrets.

The secrets were not big.

But it was enough to make him never be able to turn over a new leaf!

After ye Shuang returned, she tidied up the things in her hands and prepared to send them to Lin Haifu's competitors.

At this moment.

Lin Haifu returned.

Looking at the man who had slept with her for more than twenty years, ye Shuang's expression was a little moved at this moment.

She was thinking.

If this man knelt in front of her with tears in his eyes and begged her to forgive him, she might forgive him once.

But she did not.

Not only did Lin Haifu not repent, he even gave ye Shuang a hard slap, “B * Tch! Who told you to look for Wen Die! Do you know that you scared Chengye to death! B * Tch! If anything happens to Chengye, I’m not done with you!”

After saying that, Lin Haifu turned around and left.

He did not even look back.

He had been annoyed with ye Shuang for a long time.

Ye Shuang was already fifty-six years old this year. No matter how much she took care of herself, she could not compare to the twenty-three-year-old Wen die.

Moreover, Wen Die had given birth to a son for him.

Ye Shuang looked at Lin Haifu’s back and said with a smile, “Good hit! Lin Haifu! That slap of yours was good! hahaha! It was really good!”

Lin Haifu’s slap directly interrupted all the affection in the past 20 years!

Ye Shuang did not hesitate and directly sent the things that she had sorted out to Lin Haifu’s competitors.

Nothing came as fast as retribution.

The next day, the matter of Lin Haifu cheating and raising a mistress was known to everyone. In the hospital, he was like a rat crossing the street, and everyone shouted for him to be beaten.

Not only that, he was also exposed to scandals such as indiscriminately adding medical fees to patients and molesting female patients.

As soon as the news came out, he was fired.

Of course, facing Lin Haifu were the lawsuits of many of the patients' family members.

Just as ye Shuang was pleased that Lin Haifu was finally punished, another piece of news destroyed her.

Lin Xuan was detained!

It was very likely that she would be sentenced.

These sudden disasters had completely destroyed the Lin family. Ye Shuang's hair had turned white overnight. She took out all her savings and was prepared to risk her life to bail Lin Xuan out.

In just two days, ye Shuang seemed to have aged more than 20 years. She dismissed the family's nanny, canceled out the villa and other properties under her name, and moved from the luxurious villa to the dark basement.

At the Ye residence.

A knock on the door broke the silence of the early morning.

Lin Xiaowei walked over to open the door. "Who is it? It's so early in the morning!"

The moment she opened the door, she saw a few police officers standing outside.

Lin Xiaowei's drowsiness disappeared in an instant. "Dear police officers, may I know who you are looking for?"

"Is it Ye Shuai's family? Ye Shuai is currently suspected of being involved in a fraud case. Please come with us!"

Chapter 142: 084: Retribution for evil. Lin Ze has arrived in Yun Jing! 1

Upon hearing this.

Lin Xiaowei was immediately stunned. The little bit of sleepiness that she had left also disappeared completely at this moment.

"Officer, Officer," Lin Xiaowei stuttered, "Our child's father is a decent person and has never done anything illegal. There are so many people with the same name and surname in the world. You must have made a mistake!"

"Please rest assured, comrade." The leading officer took a step forward. "We will not accuse a good man, and we will not let a bad man go! Where's Ye Shuai? Let him out for a moment!"

"He, he is not at home!" Lin Xiaowei blocked the door and did not let the officer in. "You should leave quickly!"

The officer took out a plate from his pocket. "This is an arrest warrant. Please cooperate with the police and do not interfere with official business!"

Lin Xiaowei swallowed her saliva. Although she did not want to make way, she still took a few steps back honestly.

A few police officers entered one after another.

There was no one in the living room. Only a sixteen or seventeen-year-old teenager was sitting on the sofa eating a bun.

“Where’s handsome ye?”

The police officer turned to look at Lin Xiaowei.

Ye Fei stood up from the sofa and asked with a pale face, “What happened to my father?”

In his son’s heart, a father had always been a great existence like a mountain.

The police did not want ye Fei to see Ye Shuai’s sorry state after he was taken away. With a harmonious expression, they said, “Young man, this matter has nothing to do with you. Quickly go back to your room!”

Lin Xiaowei also reacted at this time and pushed ye Fei out. “Go to your grandparents’ house. Your father is fine. Don’t worry.”

“Mom!”

“I’m Fine! I’m really fine!” Lin Xiaowei tried her best to calm herself down, she said in a relaxed tone, “The police uncle is here to talk to your dad about something. Go to your grandparents’ house and ask them to come to our house for lunch! Mom will buy your Grandma’s favorite clams later.”

Hearing that, Ye Fei heaved a sigh of relief.

Looking at Ye Fei’s back.

With a bang, Lin Xiaowei closed the door and leaned her back against the door. Tears flowed down her cheeks.

It was not that she did not know about what Ye Shuai had done.

What she did not expect was that retribution would come so quickly!

“Where’s Ye Shuai?”

The policeman in the house continued the topic from earlier.

Lin Xiaowei took a deep breath. She knew that she could not hide this time. “He’s in the bedroom.”

The police officer leading the group said to the police officer with a buzz cut, “Xiaoyin, bring Xiao Li and Xiao Sun in to take a look.”

“Okay.” Xiaoyin nodded.

The three police officers came to the bedroom.

As expected, Ye Shuai was lying on the bed, fast asleep. He only opened his sleepy eyes when the cold handcuffs were cuffed to him. “Wife, what are you doing?”

Ye Shuai was shocked when he saw that the person standing in front of him was not Lin Xiaowei but a police officer.

His body was covered in cold sweat.

“Police, police officer...”

“This is our police officer’s certificate and arrest warrant. Ye Shuai, come with us!”

“Officer comrade, I’m Innocent! I didn’t do anything! What right do you have to arrest me!”Ye Shuai struggled with all his might.

“Don’t move!”A few police officers held ye Shuai down tightly.

“Wife! Help me get a lawyer! Get the best lawyer!”

Lin Xiaowei nodded with tears in her eyes and sent ye Shuai to the door.

After the policemen took ye shuai away, Lin Xiaowei immediately went to ye Dafu’s place.

She was a woman.

Although her education level was a little high, in such a big event, it was impossible to not have a man by her side.

When Yao Cuifen heard that her favorite eldest son was taken away by the policemen, she was so anxious that she fainted.

“Mom!”

“Grandma!”

It was a chaotic scene again. Yao Cuifen finally woke up and started crying when she woke up.
“Handsome son, my son! My Son! How can mom live like this...”

“Shut up!”Ye Dafu looked at Yao Cuifen and scolded her angrily.

The old couple had lived together for nearly forty years. This was the first time ye Dafu was angry at Yao Cuifen.

Yao Cuifen immediately stopped crying.

She was so scared that she didn't dare to say a word.

Ye Dafu pointed at Yao Cuifen and scolded angrily, "You Old Woman, you only know how to Cry! Even if our Shuaizi is fine, he will definitely cry for you!"

Yao Cuifen sniffed.

Ye Dafu turned to look at Lin Xiaowei. "When Shuaizi left, did he say anything to you?"

Lin Xiaowei's eyes were red as she said, "Shuaizi, Shuaizi asked me to hire a lawyer for him!"

"Lawyer?" Ye Dafu frowned and continued, "Isn't that Xiao Xuan a lawyer? Quickly call Xiao Xuan!"

It was easy to deal with someone at home!

With Lin Xuan around, Ye Shuaizi would definitely be fine.

Chapter 143: 084: Retribution for evil. Lin Ze came to Yun Jing! 2

Hearing this, Lin Xiaowei's eyes turned even redder. "Xiao Xuan, Xiao Xuan went in too..."

"Where did she go?" Ye Dafu looked puzzled.

Lin Xiaowei told them what happened, "Big Sis was afraid that you guys would be worried, so she didn't let us tell you. Big Brother-in-law was fired by the hospital. Big Brother-in-law was fired by the hospital. Their family's villa has been sold, and their car has been mortgaged..."

This was really a case of the house falling into the rain at the same time.

Ye Dafu's face instantly turned pale.

He was sad not because of the sudden change in ye Shuang's family, but because he was worried that without Lin Xuan's help, Ye Shuai would not be able to come out.

"Then get Shuai Zi a lawyer! Get the best lawyer! Oh right! We still have to arrange things from top to bottom. Don't worry about the money. If it's really not enough, our family can sell the house!"

Although the ye family was not very rich.

They still had some money.

After all, when they were demolishing the house back then, they had split five houses in one go.

Now, they had two houses to live in.

Three more were rented out!

Three houses could be sold for at least six or seven million.

Lin Xiaowei wiped away her tears. "Alright! I'll Go Now!" As long as ye Shuaizi could come out safely, not to mention selling one house, she was willing to sell all of them.

* *

Today was the Day Ye Shu was discharged from the hospital.

Early in the morning, Ye Sen came over with fresh flowers in his hands to pick up ye Shu.

“Sis! Congratulations on being discharged!”

“You’re the only one with a lot of tricks!”Ye Shu received the flowers with one hand.

Ye Zhuo followed behind her to carry her luggage. Fortunately, it was summer and her clothes were thin, so the mother and daughter did not have much luggage.

“Uncle, are you going on a blind date wearing such a handsome outfit today?”Ye Sen, who had never liked to dress up, actually wore a new outfit today. He was wearing a handmade suit and black patent leather shoes. Ye Sen’s foundation was not bad, so with such a dressing up.., he looked like he was going on a blind date.

“What do you mean by handsome?”Ye Sen took the bow from ye Zao. “Your uncle is originally handsome, okay?”

Ye Shu:”...”she finally understood why ye Zao always liked to look at himself in the mirror and say, “How come I’m so Handsome!”

As the saying goes, a nephew looks like an uncle.

It turned out that these things were inherited.

Narcissism was not without reason.

They got into the van and arrived home in a short while.

Ye Zao found a vase and kept the fiery red roses in it. The originally clean living room suddenly had a bunch of roses, which looked quite eye-catching.

The air was filled with the scent of perfume roses.

It smelled very good.

At noon, Ye Zao ordered takeout from a restaurant that focused on health food.

During lunch, ye Zao tried to tell ye Shu about the recent happenings in the Ye family.

“Mom, Lin Haifu raised a mistress outside and was reported by ye Shuang. Now, he has been dismissed by the hospital. Lin Xuan is still in the detention center because she perjured herself. It’s very likely that she will be sentenced!”

Ye Shu was stunned.

Obviously, she did not expect that in just a few days, ye Shuang’s family would have such a huge change.

She had clearly seen ye Shuang a week ago.

At that time, she was still a high and mighty lady!

“Mom, if aunt comes to beg you, will you help her?”

Ye Shu said, “I’m not a big shot, how can I help her?”

“What if she asks you to give her money?”Ye Zhuo continued to ask.

Money was easy to handle.

Ye Shuang had already moved from the Big Villa to the basement, in case she came to beg ye Shu.

Ye Zhuo was afraid that ye Shu would be soft-hearted again.

“No.” Ye Shu’s expression was calm. “I have nothing to do with them now.”

After experiencing the pain of losing a finger.

Ye Shu was already extremely disappointed with those so-called relatives.

The main road was facing the sky. They could just walk to one side.

Seeing ye Shu like this, ye Zhuo continued, “Also, something happened at home. Commander ye is suspected of fraud and has been arrested. They are now looking for ways to sell the house and make some connections to save Commander Ye.”

Ye Shu was stunned again.

What a coincidence. Why did something happen at the same time?

And it happened after she lost her finger?

Could it be ye Zao?

Thinking of this, Ye Shu felt that she was overthinking.

No matter how powerful ye Zao was, he was only 18 years old.

How could an 18-year-old child have such great abilities!

Ye Shu looked at ye Zao and said seriously, “Zao, don’t worry. Mom has really let go. In the future, whether life or death at home has nothing to do with me!”

Ye Zao nodded slightly. “Mom, I’m much more relieved that you can think like this.”

“Silly child.” After saying that, ye Shu continued, “Zao Zao, Mom wants to ask you something?”

Chapter 144: 084: Retribution for evil. Lin Ze came to yunjing! 3

“Go ahead.”

Ye Shu continued, “Do you think it’s too late to learn English at your mother’s age?”

“You want to learn English?” Ye Zhuo was a little surprised.

She had thought that ye Shu would ask about what had happened to the Ye family.

It seemed that her mother had really let it go.

Ye Shu nodded.

She wanted to learn English.

In the past, she had never thought that English was important. It was only last week that she received a few foreign clients.

Facing foreign clients, she was like an illiterate.

She didn't understand anything.

She couldn't even understand a simple word. Fortunately, there were two students from a foreign language school sitting at the table next to her.

Therefore, Ye Shu wanted to use her free time to learn English.

Ye Zhuo raised his head to look at Ye Shu. "Mom, as long as you want to learn, it's not too late, no matter what age you are."

"Really?" Ye Shu was a little surprised.

She was already thirty-nine.

She had thought that it was a hopeless matter, but she didn't expect that she could actually learn it.

Ye Zhuo nodded. "I'll go to the bookstore to buy some learning materials for you later. Then, I'll look for a foreign teacher online to conduct one-on-one tutoring."

"Okay."

After eating, Ye Zhuo went to the nearby Xinhua Bookstore.

She bought some basic teaching materials.

Then, she used the software to find a very reliable online teaching method.

Ye Shu was a person who was eager to learn. Not only did she learn, but she also learned very seriously.

At present, the restaurant was not open for business, and she had nothing to do at home. Therefore, she paid more money to change the one-day class to three classes a day.

Three days later.

Ye Shu learned simple spoken English. In order to learn it faster, Ye Shu suggested that ye Zao also use English to talk to her in daily communication. Occasionally, he would not talk to her or say something wrong, ye Zao could still correct her in time.

When Ye Sen came back, he heard ye Shu talking to ye Zao in English. He said in surprise, "Sister! When did you learn English?"

"I just learned it. I only know a little! Zao Zao is really amazing!" Although ye Shu had just started to learn English, she was shocked by Ye Zao's pronunciation!

Ye Zao's pronunciation was even more standard than that of a foreign teacher!

Ye Sen asked curiously, "Sister, why did you learn English?"

"Because foreigners always come to the restaurant to eat. English is an international common language. There's no harm in learning it."

Ye Zhuo took the opportunity to continue, "Why don't you learn one too, uncle? Now that the express delivery company is getting better and better, one day it will be international. When that time comes, you, as the boss of the company, can't even speak English!"

Ye Sen was very talented in business.

In just a few months, not only did he bring the company back on track, but he also made it flourish.

It was only a matter of time before it became international!

“I can hire a translator,” ye Sen said.

Ye Zao raised his eyebrows slightly. “Nowadays, some translators are very bad, and there are many who refer to a deer as a horse!”

“Zao Zao, you’re exaggerating!” Ye Sen did not think much of it. “How could I encounter such a bad translator?”

Ye Sen had always believed in it.

In this world, there were more good people than bad people.

“Uncle, I don’t know if you’ve heard of this saying, but the business world is like a battlefield. What if the translator is bribed by your competitor and the list is snatched away by another company, or important secrets are leaked to another company? What would you do then?”

The business world was like a battlefield!

The slightest carelessness could result in eternal hatred.

What ye Zao said was not an exaggeration at all.

After saying that.., ye Zao continued, “Uncle, once you have learned the knowledge, it will be yours. No one can snatch it away from you! Besides, this won’t waste much of your time. You just need to take out one or two hours a day to learn it!”

As he said that, Ye Sen wavered.

He suddenly felt that what ye Zao said made sense.

If the translator he hired was a commercial spy, it would be too late to regret it.

There were some things that needed to be prevented.

His eldest niece was still the best!

She knew so much at such a young age!

Many times, ye Sen even felt that he was not ye Zao's uncle.

Ye Zao seemed to be his elder instead!

"Zao Zao, why don't you make an appointment with a foreign teacher for me too?" Ye Sen said.

Ye Zao smiled slightly. "Uncle, have you thought it through?"

Ye Sen nodded. "I have!"

Ye Zao returned to his room and took out a few books for ye Sen. "These are the books I bought for my mother the last time. I specially bought an extra copy for you to read! I'll send you the contact details of the foreign teacher in a while. You can talk to him yourself."

Chapter 145: 084: Bad Karma, Lin Ze came to cloud capital! 4

"Okay." Ye Sen took the book with both hands.

After flipping through a few pages, ye Sen continued, "Niece, Guess What I saw downstairs just now?"

"What?" Ye Zhuo asked.

Ye Sen said, "I saw a top-class luxury car! The Silbe! And it's a limited edition!"

"What's so strange about that?" Ye Zao said faintly.

"Do you know how much the Silbe is for sale?"

"How much?" Ye Zao asked cooperatively.

"I'll scare you to death if I tell you!"

After saying that, Ye Sen made a 'ten' with both hands. "One billion!"

"OH." Ye Zao said faintly.

"Oh?" Ye Sen looked at Ye Zao in surprise.

One billion in exchange for ye Zao's faint 'oh'?

Wasn't she surprised?

This was one billion!

It was not ten yuan.

Ye Zao raised his eyelids and glanced at ye Sen. his tone was so calm, "I know, don't worry! I'll buy ten for you in the future!"

Ye Sen: "???"

He suspected that his niece was bragging, but he had no evidence.

Ye Sen continued, "There's only one reason why such a luxurious car like the SILBE can appear in our shabby neighborhood!"

"Huh?" Ye Zao raised his eyebrows slightly.

Ye Sen looked as if he knew everything, "The guy in the car must be a domineering CEO or a big shot in the business world. His little wife lives in our neighborhood. Today, he had a conflict with her little wife..."

Ye Sen was completely immersed in his own plot.

"Wake up, uncle! There aren't so many stories about domineering CEOs and little wives in this world," Ye Zao heartlessly interrupted Ye Sen's imagination.

...

Night gradually fell, and the hazy night sky covered a luxurious sports car.

Under the lights of the street lamps, it could be seen that this was a limited edition silver sports car.

There were no more than ten cars in the world!

The window was open.

From the outside, one could see the man's well-defined side face. The dim light coated his face with a layer of gauze, and his already somewhat indistinct face was now even more faintly discernible.

He was wearing a plain-colored long robe with a string of dark red buddhist beads between his fingers.

His fingers were casually placed on the window as he gently stroked the Buddhist beads. The dark red Buddhist beads were particularly eye-catching when he used his fair fingers.

Music flowed in the carriage.

Through the window, one could faintly hear that this was a passage of the "Great Sorrow Mantra".

After a long while, the man finally withdrew his hand and used the hand that was holding the Buddhist beads to pick up the lighter.

"Pa!"

Faint Blue Flames shot out from the man's fingertips, illuminating the man's exquisite side profile.

If this person wasn't Cen Wuye, who else could it be?

He didn't know what had happened to him either.

He had just returned to cloud capital today.

Almost as soon as he got off the plane, he drove the car here as if by some strange coincidence.

After parking the car, his restless heart suddenly stopped at this moment. The scene of him playing chess with Ye Zhuo suddenly appeared in his mind.

Her voice was still ringing in his ears.

She said,

“You’re too stupid!”

“It’s normal to lose to me. Don’t mind it.”

“Life is like chess, chess is like life. Never be deceived by false appearances. One wrong step, one wrong step. Mr. Cen, thank you for letting me win!”

Thinking of this, Cen Shaoqing slowly exhaled a puff of smoke. His eyes narrowed slightly, and the depths of his deep eyes were pitch black.

It was like a bottomless well.

This was ye Zao’s home.

The spot where he parked his car was right below the apartment building where ye Zao’s home was located.

Could it be... that he had fallen in love with ye Zao?

No!

This was impossible!

How could he fall in love with a little girl?

He only admired ye Zao.

He admired her chess skills.

He admired her technological talent.

He admired her knowledge...

He had never interacted with a woman in his life. He was not used to being so close to a little girl all of a sudden. He would have a strange feeling in his heart.

After a long time, he would get used to it.

It had nothing to do with romance.

It was also not about love.

Thinking of this, Cen Shaoqing heaved a sigh of relief. He extinguished the half-lit cigarette and threw away the cigarette butt.

PA —

It seemed like he threw it away casually, but the cigarette butt was thrown into the trash can ten meters away.

The car window was raised, and the man's handsome and cold face was completely cut off inside the car window.

The man held the Buddhist beads in one hand and pressed the other hand on the steering wheel. He looked ahead and started the engine.

The black car left, leaving only dust on the ground.

When the dust fell, everything returned to normal.

Who would have noticed that not long ago, a luxury car had been parked here for nearly an hour?

...

The Ye family.

In the following days, as long as Ye Shu and Ye Sen were free, they would study English.

Chapter 146: 084: Bad Karma, Lin Ze came to yunjing! 5

The daily communication of the family of three was all replaced by English.

What happened in the Ye family's hometown did not have any substantial impact on the two of them.

On the 11th day of the first lunar month.

Lin Ze secretly bought a plane ticket to yunjing.

Originally, he was preparing to come to Yunjing on the 8th day of the first lunar month.

But he was delayed by some things.

He didn't bring anything but a cell phone, a laptop, and a few change of clothes.

The temperature difference between yunjing and capital city was very big.

The coldest time in capital city, the temperature was around -18 degrees Celsius. The coldest time in Yunjing was one or two degrees Celsius.

Although the temperature in Yunjing was not as low as that in capital city.

But this kind of cold in Yunjing was different from that in capital city.

It was dry and cold in Yunjing.

As soon as he got off the plane, Lin Ze Shivered.

Yunjing was a very unfamiliar city to Lin Ze. He took out his cell phone and found the location of the hotel. Then, Lin Ze got into a taxi.

The driver was a talkative middle-aged man. He saw Lin Ze's outfit in the rear mirror and asked, "Young man, are you a foreigner?"

"Yes." Lin Ze nodded.

"Then where are you from?" The middle-aged driver asked.

"Beijing," Lin ze answered.

The middle-aged driver said in surprise, "Beijing is thousands of kilometers away from here! It takes more than four hours by plane. Young Man, are you here to visit Yunjing?"

Yunjing was a tourist city, but there was nothing to visit in winter.

Usually, there were more people in the three seasons of spring, summer, and autumn.

“No.” Lin Ze couldn’t tell what he felt when he set foot on the land of Yunjing. “I’m here to find my mother.”

At this moment, was he and his mother breathing the same breath of the Sky?

Would he be able to see his mother as he wished on this trip?

Lin Ze leaned against the back of his chair.

Ignoring the cold, he opened the car window and took a deep breath of the cold air.

“Young man, Are You Carsick?” The driver asked.

Lin Ze did not deny it. “Yes.”

The driver continued, “Young Man, is your mother from Yun Jing?”

“Probably.” Lin Ze’s voice was very faint.

The driver smiled and said, “You don’t even know where your mother is from?”

Lin Ze shook his head gently. “I’ve never seen my mother since I was young.”

The driver was stunned. The smile on his face froze at the corner of his mouth. He turned to look at Lin ze and said apologetically, “I’m sorry about that young man.”

“It’s okay.”

The driver continued, "Young man, don't be discouraged. Uncle believes that one day, you'll be able to find your mother! Right, what's Your Mother's name? I've been driving a taxi in Yun Jing for 20 years. Tell me about it. Maybe I know her."

"I don't know."

"Ah?" The driver was stunned. He continued, "Then do you have a photo of your mother?"

Lin Ze shook his head.

"You haven't seen your mother since you were young?" The driver asked softly.

Lin Ze nodded.

How Pitiful!

Such a young child.

The driver sighed in his heart.

"Then why did you come alone? Where's your father?"

"He's very seriously ill."

The expression on the driver's face became even more solemn.

There were no clues at all. It was like looking for a needle in a haystack.

Before getting off the car, the driver Uncle told Lin Ze, "Young man, although Yunjing is a good place, there are a lot of swindlers. When you are alone outside, you must be careful not to be deceived! Uncle wishes you to find your mother as soon as possible! A Family Reunion!"

"Thank you." Lin Ze handed the money to the middle-aged driver and took the opportunity to bow.

This child really knows how to be polite!

The middle-aged driver sighed in his heart.

Beijing.

Feng Qianhua made some handmade snacks and had Feng Qianqian send them over to Lin Ze.

Although she was no longer prepared to curry favor with Lin Ze.

She still had to put on a show.

Feng Qianqian said, "Lin Ze isn't at home."

"Not at home?" Feng Qianhua continued, "Where did he go?"

"I think he went to sea city for a vacation." Feng Qianqian didn't take this matter to heart.

Go To Sea City for a vacation?

School was about to start soon. Why would Lin ze go to sea city for a vacation?

Lin Ze had a dull personality since he was young. He didn't speak much and was very much like Lin Jincheng.

How could he go out for a vacation! !

Feng Qianhua subconsciously felt that there must be something going on here. She immediately put down the snacks in her hands and walked upstairs.

Upstairs, she made a call. "Hello, Check Lin Ze's recent whereabouts for me."

"Okay."

The waiting time was torturous.

The more she didn't get a reply, the more uneasy Feng Qianhua felt.

Chapter 147: 084: Retribution for evil. Lin Ze has arrived in Yunjing! 6

"Mom."

Just then, there was a knock on the door.

"What's Wrong?" Feng Qianhua frowned slightly.

Feng Xianxian continued, "Mom, the health soup downstairs is ready. You can send it to Grandma Lin Now."

Only then did Feng Qianhua remember about the health soup.

Although Lin Ze's matter was very important, the health soup was more important.

"I'm here." Feng Qianhua rushed downstairs and carried the health-preserving soup to the Lin family home.

She arrived at the Lin family home.

Old Lady Lin was still waiting for Feng Qianhua at the door.

"Aunt Lin."

"Qianhua is here." As long as she saw Feng Qianhua, the gloom on Old Lady Lin's face would disappear completely.

"It's cold." Feng Qianhua carried the health-preserving soup in one hand and helped Old Lady Lin tuck in her down jacket with the other, "Please Don't Wait for me outside. Your body is weak to begin with. If anything happens to you because of me, I'll be a sinner for eternity."

"Nothing will happen if I just stand there for a while," said Old Lady Lin with a smile. "My heart will only be at ease when I see you here."

Aunt Zhang said from the side, "If people who don't know see you, they'll think that you and Miss Qianhua are mother and daughter! In other people's homes, I'm afraid even mother and daughter don't have such close feelings."

Aunt Zhang had always been a person who took advantage of the situation.

She knew when to say what she should say.

What she should say was most pleasing to old Mrs. Lin.

Old Mrs. Lin said, "Who says so! In My Eyes, Qianhua is my biological daughter!"

After helping Old Mrs. Lin to sit down in the house and drinking the soup, Feng Qianhua said unintentionally, "Why didn't I see Ah Ze Today?"

"He went to sea city for a vacation," old Mrs. Lin answered.

Feng Qianhua looked at Old Mrs. Lin and continued, "I remember that child Ah Ze doesn't seem to like traveling very much."

"Ignore him! Ignore him!" Old Mrs. Lin waved her hand.

That child was now old!

She couldn't control him anymore!

Feng Qianhua didn't say anything else. A faint light flashed in her eyes.

...

Yun Jing.

After staying in a hotel for one night, Lin Ze set out on his journey to find his mother the next day.

He didn't know anything.

There were no clues. Standing on the busy street, he suddenly felt a moment of despair.

His gaze fell on a mother and son.

The boy looked about seventeen or eighteen years old, about the same age as him.

“Mom, what are we going to eat tonight?”

“Stir-fry two vegetables and cook a fish,” his mother replied.

“Fish again? I don’t want it!”

“If you don’t want it, then cook it yourself! Eating fish will not only make you grow taller, but it will also make your brain smarter! Look at how stupid you are now!”

” ... ”

The mother and son walked further and further away.

Lin Ze’s eyes gradually became moist

“Mom!”

He suddenly shouted at the crowd.

“Mom!”

No one responded to him.

“Mom, where are you?” Lin Ze held his head and squatted on the ground, crying loudly.

He didn’t dare to cry when he was in Beijing.

He was afraid that the people around him and old Mrs. Lin would think too much.

Only in this unfamiliar place did he dare to indulge himself like this.

The passers-by looked at him with a puzzled look.

“Little brother, are you alright?” A male voice rang in his ear. At the same time, a hand patted his shoulder.

Lin Ze looked up and saw a delicate and pretty face.

The man was about thirty-five or thirty-six.

He was dressed in a suit and leather shoes.

He looked like a successful person.

Lin Ze wiped his eyes. “I’m fine.”

Ye Sen handed him a piece of paper. “A man should stand tall. Don’t Cry so easily! Here, Wipe Your Face.”

“Thank you, Uncle.” Lin Ze took the piece of paper from Ye Sen.

Ye Sen looked at the youth in front of him who lowered his head to wipe his tears.

He suddenly thought of himself who had been kicked out of the house many years ago.

“Little brother, do you want to go for a drink?” Ye Sen continued.

Lin Ze raised his head and looked at Ye Sen in surprise.

“There’s a restaurant over there. Don’t worry, uncle isn’t a bad person,” ye Sen pointed to the restaurant beside him.

Lin Ze didn’t have the habit of eating with strangers.

But facing this man in front of him, he couldn’t refuse.

It was a very strange feeling.

Ye Sen also saw Lin Ze’s face clearly.

He frowned slightly.

Why did he feel that this child looked a little familiar.

If it wasn’t for his young self-discipline, he would have suspected that this child was his illegitimate child.

Looking at Lin Ze.

Yesen couldn’t help but think of a female novel that he had read before.

“The cold wife runs with the ball.”

Chapter 148: 084: Retribution for evil. Lin Ze has come to yunjing! 7

Unfortunately, he was not some overbearing CEO and had never had a one-night stand with anyone.

Lin Ze followed ye Sen and arrived at the small restaurant.

Ye Sen ordered a bottle of white wine for himself and a glass of fruit juice for Lin Ze. "You're just a child. It's the time for you to grow up. You Can't drink wine recklessly."

"OH." Lin Ze nodded.

No one had ever said that to him since he was young.

Grandma was old, and she had nothing else to say other than asking him to accept Feng Qianhua.

His father was always in the hospital or in the office.

After the dishes were served, ye Sen poured himself a glass of wine. "Can you tell uncle why you're Crying?"

Lin Ze took a SIP of the juice and tried his best to suppress the bitterness in his heart. "I, I..." I tried for a long time, but in the end, I still couldn't say it.

"It's okay if you don't want to say it. Let's eat." Ye Sen picked up a drumstick for Lin Ze with his chopsticks.

Looking at the drumstick in the bowl, Lin Ze said in a hoarse voice, "I can't find my mother..."

He was only a nineteen-year-old boy after all.

No matter how strong and invincible he was, he was still a teenager.

But he also had a weak side.

“Don’t Cry, Don’t Cry!” Ye Sen was shocked and quickly stood up to wipe Lin Ze’s tears. “Did you get separated from your mother?”

Lin Ze shook his head.

“Did your father divorce your mother?”

Lin Ze still shook his head.

“Then what happened?”

Lin Ze took a deep breath and took a sip of juice, “I was brought up by my grandmother. I haven’t seen my mother since I was young. My grandmother said my mother is dead, but I didn’t believe it! She Can’t be dead! She must still be alive!”

He hadn’t even had the chance to see her.

How could she be dead? !

Ye Sen roughly understood what had happened and patted Lin Ze’s shoulder. “Don’t cry. As long as you’re sure that she’s still alive, you’ll find her one day! Right, do your grandmother and the others know that you came out to look for your mother?”

Lin Ze shook his head. “I told them that I went to sea city for a vacation. Otherwise, they wouldn’t have let me come.”

The term ‘mother’ was like a forbidden word in the Lin family.

No one could mention it.

Ye Sen sighed. "Little brother, What's Your Name? How about this, leave me your phone number. I'm a native of Yunjing. If I hear from your mother, I'll give you a call."

Lin Ze gave his cell phone number. "My Name Is Lin Ze. I'm Shuangmu Lin. I'm Chuan Ze."

Lin Ze?

Ye Sen looked up at Lin Ze and continued, "My name is ye Sen. Ye of Ye, Lin Lin. You can call me Uncle Ye."

...

At the same time, in Beijing.

Feng Qianhua stood on the balcony to answer the phone.

Suddenly, her expression changed. "What did you say? Yun Jing! He went to Yun Jing!"

If Lin Ze went to Yun Jing, then those secrets would not be able to be hidden anymore!

Feng Qianhua's heart was in an unprecedented panic.

Could it be that her eighteen years of hard work had gone down the drain just like that?

No!

She was unwilling!

“Don’t be anxious. Lin Ze doesn’t have any clues now. He won’t be able to find ye Shu,”the person continued. “Our top priority is to get the Lin family to quickly call Lin ze back! If he continues like this, something bad will happen sooner or later!”

“I got it.”Feng Qianhua hung up the phone and went to the Lin family.

“Aunt Lin! Something Bad Happened!”

“What’s wrong? Why Are You So Anxious?”Old Mrs. Lin put down the ginseng soup in her hand.

Feng Qianhua continued, “Xianxian’s classmate told Xianxian just now that Ze didn’t go to sea city at all. Aunt Lin, are you sure ze went to sea city?”

Old Mrs. Lin nodded. “That’s what he told me!”

“Did something happen on the way?”Old Mrs. Lin frowned. “Where’s the Butler? Butler, quickly check young master’s whereabouts!”

The Butler immediately sent people to investigate.

After a while, they found Lin Ze’s whereabouts. The Butler’s expression was a little strange. “Old Lady, Young, young master, he, he...”

“What happened to him?”Old Lady Lin asked impatiently.

The butler continued, “He went to Yun Jing!”

Yun Jing!

Old Lady Lin was stunned on the spot.

What was Lin ze going to Yun Jing for?

Was he going to look for ye Shu!

This heartless child.

She had pulled him up so much, yet he went to look for that fickle woman, Ye Shu, without even saying a word.

Did he still have a grandmother in his heart?

“Evil creature! Evil creature!” Old Mrs. Lin slammed the table and stood up in anger.

“Aunt Lin, don’t be angry.” Feng Qianhua quickly stood up and supported Old Mrs. Lin. “Ah Ze is just a child. What can he know? Or, he’s just going to Yunjing to play.”

Old Mrs. Lin did not answer Feng Qianhua directly. Instead, she said to the butler, “Immediately arrange for someone to bring that evil creature back from Yunjing!”

“Yes, Old Mrs. Lin.” The housekeeper immediately made the arrangements.

Looking at the housekeeper’s back, Old Mrs. Lin sat back on the chair and could not help but cough loudly.

Feng Qianhua calmed old Mrs. Lin down. “Aunt Lin, perhaps ah ze just misses his mother. You must not be angry.”

“That fickle woman, is she worthy of being Ah Ze’s mother?” Old Mrs. Lin could not contain her anger, “Back then, he was only this little, like a cat! I worked hard to raise him up. If it wasn’t for me, would he still be alive today?”

Thinking about those past events, old Mrs. Lin was extremely angry.

She was angry at Lin Ze for not being sensible.

She was angry at ye Shu for being promiscuous.

Feng Qianhua continued, "Ah Ze is still young now. When he grows up and becomes sensible, he will know how difficult it is for you."

"Grow up? How much more do you want him to grow up?" Madam Lin looked at Feng Qianhua. "He is already 19 years old now! He will be going to university soon! Qianhua, tell me, how much more do you want him to grow up to understand?"

Chapter 149: 085: the Clever Lin Ze, who was at his peak when he debuted! 1

A 19-year-old child.

In an ordinary family, he would have long been the pillar of support.

But Lin Ze was still so insensible.

Old Mrs. Lin's eyes were filled with anger.

Feng Qianhua continued to comfort old Mrs. Lin. "Aunt Lin, some children mature early, and some mature late. Don't be too anxious. Ah Ze will be sensible one day."

It would have been better if Feng Qianhua had not said this, but when she said this, old madam Lin felt even worse.

One day, Lin Ze will grow up.

But when will this one day be?

When Will Lin Ze grow up?

Before he can grow up?

Thinking of this, Old Madam Lin's eyes were filled with sorrow as she grabbed Feng Qianhua's hand, she sighed and said, "I don't expect anything now. I only hope that you can give birth to a grandson for me. Ah Ze is the only child in Jin city now. Ah Ze doesn't know how to be vigilant in times of danger!"

Feng Qianhua's eyes revealed a hint of shyness. "Aunt Lin..."

"What's there to be shy about? I'm not an outsider!"

Feng Qianhua continued, "Aunt Lin, you should know that this kind of thing is a matter of mutual consent. Jin city only has ye Shu in its heart. Actually, as long as I can see Jin city living a happy life, I'm very satisfied."

"That B * Tch doesn't deserve it!" Old Lady Lin said fiercely.

Feng Qianhua sighed and tried to speak up for ye Shu, but Old Lady Lin seemed to have read her mind. "Qianhua, you don't have to speak up for her! I know very well what kind of person ye Shu is!"

Having said that, Feng Qianhua had no choice but to change the topic.

"Aunt Lin, the plum blossoms in the garden have been blooming well these few days. Shall we go to the garden to admire the flowers?"

“Okay!” Old Mrs. Lin nodded.

The red plum blossoms in the garden were like a fire, embellishing the white snow. Such a beautiful scene made people involuntarily gasp in amazement.

...

Yun Jing.

In the small restaurant, with Ye Sen’s guidance, Lin Ze’s mood was much better.

Ye Sen was afraid that this kid wouldn’t be able to get over it.

So, he sent him back to the hotel where he stayed, and the two of them added each other on wechat, “Ah Ze, my home is just over here. I’ve already sent the address to your wechat. If you’re in a bad mood, you can ask me out for a drink, or you can go to my home for a home-cooked meal.”

“Thank you, Uncle Ye.” Lin Ze bowed deeply to him.

“You’re welcome.” Ye Sen patted Lin Ze’s shoulder. “Everyone has their ups and downs. Hurry up and go in!”

Lin Ze turned around and walked into the hotel.

Ye Sen watched him enter the hotel before leaving.

“Lin Ze.” Ye Sen whispered Lin Ze’s name, feeling a little strange.

He didn’t know why, but he felt that Lin Ze was very friendly.

It was as if he was really his long-lost relative.

Could it be an illusion?

Ye Sen frowned and did not think too much about it.

The Lin family moved very quickly.

Four hours later, they arrived in Yunjing.

It was nine o'clock at night.

The housekeeper brought a few bodyguards and went straight to Lin Ze's hotel.

Knock, Knock, Knock

The housekeeper began to knock on the door.

Lin Ze frowned slightly. Who Was it at this time of night?

Under normal circumstances, the hotel would not bother the guests at this time of night.

Therefore, this was definitely not a hotel staff member.

Lin Ze quickly picked up the laptop, pressed the mouse with one hand, and operated the keyboard with one hand. Not long after, he hacked into the hotel's internal system and turned on the surveillance cameras in the hotel corridor.

It was indeed not the hotel staff standing outside the door.

It was the Butler!

Why was the Butler Here?

Lin Ze narrowed his eyes. Grandma must have known about his itinerary.

He had just arrived in Yunjing when the butler followed him.

What did this mean?

It meant that his mother must be in Yunjing!

When he heard the news, Lin Ze was ecstatic.

It was not in vain!

Although he could not find his mother, his trip to Yun Jing was not in vain.

Lin Ze restored his computer to its original state and walked over to open the door.

“Young Master!”The Butler bowed respectfully.

“Grandpa Butler, why are you here?”Lin Ze asked in surprise.

The butler said, “Young Master, the old lady is very angry. Please come back with us.”

“Why is grandma angry?”Lin Ze was a little confused.

The housekeeper looked at Lin Ze with a complicated expression. "Young master, Please."

Lin Ze continued, "Wait a moment. I still have things to pack."

The housekeeper looked at the bodyguards behind him. "Just let them pack."

"Then I'll get a phone and a computer." Lin Ze walked into the house. When he came back again, he had a phone and a computer in his hand.

Chapter 150: 085: The Smart Lin Ze, who was at the peak of his career! 2

His computer was very light.

It was light in his hands and didn't seem to carry much weight.

"Grandpa Butler, can you tell me why Grandma suddenly asked me to go back?"

The Butler turned to look at Lin Ze. "Young master, do you really not know?"

"I don't know." Lin Ze shook his head in confusion.

It was as if he didn't know anything.

The Lin family had their own plane.

After arriving at the airport, the plane flew directly to Beijing.

On the way, Lin Ze's face didn't have any special expression. He had been playing with his computer.

When he returned to Beijing, it was already past one o'clock in the morning.

The Lin family manor was brightly lit.

Lin Ze had just walked into the hall.

A Cup flew over.

“Bang!”

The cup fell to the ground and shattered in front of him.

Lin Ze narrowed his eyes and continued walking inside.

He saw Old Mrs. Lin sitting on the sofa angrily, her face dark.

“What happened to Grandma?” Lin Ze walked over with a smile and sat beside Old Mrs. Lin. “Who made our matriarch angry?”

“Speak!” Old Madam Lin’s face was cold. “Where did you go?”

Lin Ze did not hide it. “I went to Yun Jing!”

“What are you going to Yun Jing for?” Old Madam Lin could not contain her anger. “Do you still have a grandmother in your eyes?”

She had grown wings!

Now, she even dared to carry her to Yun Jing.

Shouldn't the next step be to bring that B * Tch Ye Shu back?

Lin Ze was stunned. He frowned and said, "Grandma, what are you talking about? I just went to Yun Jing with my classmates to play. Why do I not see you as my grandma? Can't I go to Yun Jing?"

"Didn't you say that you were going to sea city?" Old Mrs. Lin looked at Lin Ze.

Lin Ze explained, "Originally, we were going to sea city, but my classmate said that the Fairy Peak in Yun Jing is the Best Mountain in the world. Moreover, he has relatives there, so he changed his mind and went to Yun Jing at the last minute! "Grandma, we went to Fairy Peak yesterday afternoon. It's so beautiful! "We even took a photo. See if it looks good!"

With that, Lin Ze took out a photo.

In the background of the photo was Fairy Peak, a famous scenic spot in Yunjing.

Looking at the photo, Old Mrs. Lin's frown eased a little.

Was this child really going to Yunjing just for a trip?

Was she mistaken?

But it was normal. No one in this family had ever told Lin ze anything about ye Shu.

For no reason.

How could this child know that ye Shu was in Yun Jing!

Maybe she was too sensitive!

“Who is this?” Old Mrs. Lin pointed at the stranger in the photo and asked.

Lin Ze introduced, “This is the relative of my classmate! This is the cousin of my classmate, this is my classmate, and this is the classmate of my classmate’s relative!”

Old Mrs. Lin nodded.

She also had some impression of this classmate of Lin Ze’s.

His family background was not bad. Although it could not be compared to the Lin family, his family background in Beijing could be counted on one’s fingers.

Old Mrs. Lin did not object. Lin Ze interacted with this classmate.

After saying that, Lin ze continued, “Grandma, why did you suddenly ask the butler to call me back? Is there something urgent?”

An awkward smile appeared on Old Lady Lin’s face. “There’s nothing urgent. I was just afraid that something would happen to you. Didn’t you say that you were going to sea city? You suddenly went to Yun Jing. Grandma was afraid that you would be deceived!”

Lin Ze said guiltily, “This is also my fault! I’m a big gambler. I forgot everything when I saw Fairy Peak. I should have told you in advance! Oh, Grandma, I also bought you a bunch of crystal beads that have been exposed to light. The layman of the Fairy Peak said that these crystal beads that have been exposed to light are especially good for the elderly and keep them safe. See if you like them.”

With that, Lin Ze took out a small wooden box from his school bag.

This bunch of crystal beads indeed came from the fairy peak.

But it wasn't bought by Lin Ze at the Fairy Peak.

Because Lin Ze had never been to Fairy Peak.

He photoshopped the photos.

Whether it was the crystal bracelet or the photos, Lin Ze had prepared them in advance.

Just in case.

He didn't expect it to come in handy!

Ever since he saw the way Feng Qianhua and Feng Xianxian treated old Mrs. Lin, Lin Ze knew that he had to put on a good show with his grandmother.

After all, Feng Xianxian could make her smile with three pairs of insoles that cost ten yuan.

It turned out that.

He had done the right thing.

This was a very practical move for old Mrs. Lin.

Lin Ze narrowed his eyes.
