“Chapter 1411: 303: Happy People, torturing the best relatives (16th watch)3”

“Even at this stage, Zhou Zuolong was still thinking about his own face. ”

“Zhou zuolong continued, “I still have to make Zhou Xiang Kowtow to me and apologize on behalf of Zhou Jinbei! This video has to be recorded online as well.” ”

Zhou Xiang and Zhou Jinbei were biological siblings.

“As long as Zhou Xiang denied those things online and stood on the opposite side of Zhou Jinbei, Zhou Jinbei would not be able to continue this scene. ”

“”Alright, I got it.”Xie wanqiu nodded. ”

On the other side.

At the CEN residence.

Zhou Xiang was wearing exquisite makeup and a brown windbreaker to adjust the temperature as she walked out.

“Old Mrs. Cen said, “Xiang Xiang, it’s already dark. Where are you going?” ”

Zhou Xiang turned around. “I’m going to the hospital.”

Going to the hospital?

“What are you going to the hospital for? Are you going to see Zhou Zuolong?” Old Mrs. Cen asked.

“Zhou Xiang nodded. “No matter what, Zhou Zuolong is still my father. Although Xie Wanqiu has never given birth to me, she is still my stepmother. At a time like this, I have to go and see them.” ”

“Before Old Mrs. Cen could react, Zhou Xiang’s figure had already disappeared into the snowy night. ”

“Old Mrs. Cen looked in the direction where Zhou Xiang had disappeared, her eyes filled with worry. ”

“This silly child wasn’t going to be silly again, right. ”

““No, I have to follow her!” Old Mrs. Cen quickly went back to her room to change into a pair of shoes and called the driver. “Xiao Lan, go to the Second Hospital!” ”

““Yes, Old Mrs. Cen.” ”

“Old Mrs. Cen got into the car. She thought for a moment and felt that something was wrong. “Xiao Lan, stop the car.” ”

“Okay.” Xiao Lan pulled over to the side of the car.

Old Mrs. Cen opened the door and got out of the car. She walked to the side of the road and picked up a brick and placed it in her handbag.

1

“If Zhou Xiang dared to be foolish again, she would use this brick to slap Zhou Xiang awake. ”

Even though she usually had a deep relationship with Zhou Xiang’s mother-in-law.

“But at times like this, she could not be soft-hearted.”

She had already given Zhou Xiang so many chances.

“When the time comes, I will first slap Zhou Xiang, then slap Zhou Zuolong, and then Xie wanqiu, that mistress, to avenge my in-law’s mother!” When old Mrs. Cen said these words again, she had already forgotten, she was already an old lady who was almost ninety years old. ”

“With the brick in her hand, old madam Cen felt much more at ease. She returned to the car again. “Xiao Lan, continue to set off.” ”

Xiao Lan started the engine.

On the other side.

Zhou Xiang had already arrived at the second hospital. She stood in front of Xie Wanqiu’s ward and extended her hand to knock on the door.

“Very soon, the door opened. ”

The person who opened the door was none other than Xie wanqiu.

“Xie wanqiu rebuked, “Xiangxiang, why did you come so late! Your father is already angry from waiting! And that child Jinbei, he’s too insensible. How can he twist the truth! Quickly come and comfort your father!” ”

“I’m sorry, there was a bit of traffic on the road. Where’s My Father?” Zhou Xiang was still the same as before. Facing Xie Wanqiu’s rebuke, she did not even dare to say a word of protest. ”

Xie wanqiu snorted coldly in her heart.

A Fool is a fool!

“Xie wanqiu smiled and said, “Your dad is inside. Hurry up and come in.” ”

Zhou Xiang followed Xie Wanqiu’s footsteps.

Zhou Zuolong sat on the sofa. “He’s here.”

“Dad,” Zhou Xiang called out. ”

“You two siblings are one after another. Do you still treat me as your father?” Zhou Zuolong picked up the cup on the table and slammed it onto the ground.

Bang!

The pieces scattered.

“Seeing Zhou Xiang lowering her head and not daring to say a word, Zhou Zuolong felt a little better, then he said, “Jinbei is your brother. As an elder sister, you did not teach your brother well. This is a big UNFILIAL Act! Now that Jinbei is not here, you can kowtow and admit your mistakes on behalf of Jinbei! Also, you will bring yinyin back tonight. Yinyin is a golden twig and jade leaf. We can’t let her suffer and stay in the hospital with us! But you have to remember, it wasn’t Yinyin who paid the Cen family. You begged yinyin to stay in the Cen Family!” ”

“Zhou Zuolong paused. “Yinyin is the pearl in my hand. As long as I hear that you let yinyin suffer a little, I won’t Let You Go!” ”

Hearing these words.

The corners of Zhou Xiang’s mouth were filled with a self-deprecating smile.

How could she have been so stupid in the past?

Old Mrs. Cen was right. Zhou Zuolong and Xie wanqiu were almost crawling on top of her head to take a shit.

But she was still enjoying it.

Stupid.

She was simply incomparably stupid!

There would never be someone as stupid as her in the world.

She had let down her mother.

“Seeing that Zhou Xiang did not speak for a long time, Zhou Zuolong said sternly, “I’m talking to you. Are You Deaf?” ”

“Are you done?” Zhou Xiang looked up at Zhou Zuolong.

“At this moment, Zhou Xiang seemed to have changed into a different person. ”

“Chapter 1412: 303: Happy People, torturing the best relatives (16th watch)4”

He became a little unfamiliar.

Zhou Zuolong could not help but feel his heart thump.

“Zhou Xiang continued, “Zhou Zuolong, my mother has been married to you for so many years. Even if you really don’t love her anymore, there’s no need to force her into a dead end! Why, why do you have to treat my mother like this?” ”

Zhou Zuolong did not expect Zhou Xiang to talk to him with such an attitude.

It’s the other way around! It’s the other way around!

This unfilial daughter!

“Zhou Zuolong raised his hand, wanting to give Zhou Xiang a slap. ”

“But at that moment, his hand was grabbed by someone. ”

The person who grabbed Zhou Zuolong was Zhou Xiang.

“Actually, Zhou Xiang had also practiced before. Previously, she just did not fight back. ”

“That year, when Zhou Xiang married into the Cen family, Old Mrs. Cen saw that she had such a soft personality and was worried that she would be bullied, so she hired a Sanda coach for her. ”

“Although Zhou Xiang’s skills could not be considered the best, it was more than enough to deal with people like Zhou Zuolong. ”

Zhou Zuolong looked at Zhou Xiang in disbelief. “Vile daughter! Are you trying to rebel?”

Who would have thought that the soft and tofu-like Zhou Xiang would actually dare to rebel against Zhou Zuolong?

“Zhou Xiang said, “From the moment you betrayed my mother, you were no longer my father! Zhou Zuolong, you disgust me!” ”

““Xiang Xiang, are you crazy? Quickly let go of your father!”Xie wanqiu’s voice sounded from the side. ”

“Zhou Xiang turned to look at Xie wanqiu. “Right, and you!” ”

“After saying that, she casually picked up the vase on the table and threw it at Xie Wanqiu’s head. ”

Xie Wanqiu was dumbfounded.

““Grandma, be careful!”At the critical moment, Zheng Wanyin pushed Xie wanqiu to the side. ”

Bang!

The vase fell to the ground.

One could imagine what would happen if the vase landed on Xie Wanqiu’s head.

““Second aunt, let’s talk it out. Don’t do anything.”Zheng Wanyin stood in front of Xie wanqiu. “They are your biological parents!” ”

“Although Xie Wanqiu was not Zhou Xiang’s biological mother, she was not much different from her biological mother. ”

“Bastard! Who Do you think you are!”Zhou Xiang waved Zheng wanyin away.

“Zheng Wanyin was flung to the ground, unable to resist at all. ”

Bastard.

Zheng Wanyin looked at Zhou Xiang in disbelief.

Zhou Xiang actually called her a bastard?

Zhou Xiang walked in front of Xie Wanqiu again. He grabbed Xie Wanqiu's hair with one hand and slapped Xie wanqiu hard with the other. "You owe my mother this slap."

"Then, she slapped Xie wanqiu hard again. "You owe us this slap!" "

"After two slaps, Zhou Xiang still felt angry and kicked Xie wanqiu a few more times. "

Xie Wanqiu was stunned.

"She thought Zhou Xiang came to apologize, but she didn't expect Zhou Xiang to hit her directly! "

"Old Mrs. Cen, who was hiding outside the door, was overjoyed when she saw this scene. She almost applauded and cheered for Zhou Xiang! "

It seemed that she was worrying too much. Zhou Xiang was much smarter than she had imagined.

"When Zhou Xiang came out of the ward again, it was already half an hour later. "

"In the ward, Xie Wanqiu and Zhou Jinbei were covered in injuries. "

1

Even Zheng Wanyin was not spared.

““WANQIU, are you alright?”Zhou Zuolong crawled to Xie Wanqiu’s side. ”

“Xie wanqiu shook her head, “I’m fine, Old Man. What should we do now? The public opinion on the Internet is already very unfavorable to us, and Xiang Xiang is treating us like this! If only Ying ‘er was still alive. Ying ‘er will definitely seek justice for me.” ”

“Zhou zuolong said, “Wanqiu, don’t worry. I will definitely seek justice for her. Zhou Xiang, that evil daughter, I think she’s tired of living!” ”

Xie Wanqiu was a treasure in Zhou Zuolong’s hands.

But Zhou Xiang had treated her like this!

Zhou Xiang was finished!

“Even if he had to risk his life, Zhou Zuolong would make Zhou Xiang and Zhou Jinbei, the two siblings, pay the price.”

“Xie wanqiu looked up at Zhou Zuolong. “Old Man, do you have a way?” ”

““Yes.”Zhou Zuolong nodded. “Wanqiu, in any case, I won’t let you suffer this injustice in vain.” ”

Zhou Zuolong was Zhou Xiang’s biological father after all.

“Since Zhou Zuolong said that there was a way, there must be a way.”

“Hearing this, Xie Wanqiu narrowed her eyes. ”

“Zhou Xiang, this little B \* TCH, just you wait! ”

“Moreover, it was a hundred times the price!”

“Early the next morning, Zhou Zuolong took a fruit knife and left the hospital early in the morning.”

Yes.

He had the intention to kill.

“As his daughter, Zhou Xiang actually dared to treat him like this.”

“And now, the public opinion on the internet was completely focused on him.”

“Since Zhou Xiang and Zhou Zuolong did not let him have a good time, let’s perish together!”

He was already in his seventies this year.

It was really worth it to take away two young people.

“Before he left, Zhou Zuolong also wrote a will and a bank card. In the will, he entrusted Xie Wanqiu and Zheng Wanyin to Wu Youyu’s care.”

“After all, Wu Youyu and Xie wanqiu were from the same hometown, and he had saved Xie Wanqiu’s life.”

Zhou Zuolong was very relieved to entrust Xie wanqiu to Wu Youyu’s care.

The money in that bank card was enough for Xie Wanqiu and Zheng Wanyin to live for the rest of their lives.

“Zhou Zuolong had just walked out of the door when he was stopped by a child. “Hello, Are You Mr. Zhou Zuolong?” ”

“Before Zhou Zuolong could say anything, the child stuffed the thing in his hand into Zhou Zuolong’s hand. “Old Sir, an uncle asked me to give this to you.”With that, he ran away. ”

What was this?

“Looking at the envelope in his hand, Zhou Zuolong frowned. ”

Could it be some kind of threatening letter?

It was said that those who suffered cyber violence would often receive threatening letters.

“Zhou Zuolong walked to the side of the trash can and was about to throw the envelope away, but after some thought, he opened the envelope. ”

“He wasn’t even afraid of death, so what was there to be afraid of? ”

“When he opened the envelope, he saw that it was full of photos. ”

“When he saw the contents of the photos, Zhou Zuolong was stunned. ”

The color on his face instantly disappeared.

Who was this man and woman in the photos?

Xie Wanqiu and Wu Youyu?

Boom!

“At this moment, Zhou Zuolong felt like the sky was falling.”

How could this be?

How could this be

How could Xie Wanqiu get together with Wu Youyu?

“B \* Tch! B \* Tch!”

Chapter 1413: 304: Retribution for good and Evil! 1

Zhou Zuolong could not accept this fact. He had treated Xie wanqiu so well and treated her as the woman he loved the most in his life.

“For Xie wanqiu, he had even given up on his first love. ”

But Xie Wanqiu had betrayed him.

“Looking at the unsightly photos, Zhou Zuolong could not control himself at all. The veins on his face bulged and his eyes turned scarlet. ”

“Looking at it this way, it was a little scary. ”

“B \* Tch! B \* Tch! I’ll kill you! I’ll kill you all!”

“Zhou Zuolong tore the photo in his hands into pieces like an angry wild wolf. If Xie Wanqiu and Wu Youyu were standing in front of him now, he would really stab them to death with a knife.”

Zhou Zuolong had never dreamed that Xie Wanqiu would betray him.

That was Xie Wanqiu!

“The gentle, kind, and well-read Xie wanqiu.”

“Even more unexpectedly, Xie Wanqiu’s cheating partner was actually Wu Youyu.”

He treated Wu Youyu as his own brother and told Wu Youyu everything he knew and said.

It was a pity that they met late!

But what about Wu Youyu?

He took the green hat and put it on his head.

When did they get together?

How long did they keep it a secret from him?

No.

This was not true.

Zhou Zuolong’s hands were shaking.

“After a long while, he calmed himself down. He took a deep breath, put the rest of the photos in his bag, and walked to the hospital.”

He had to find Xie Wanqiu and ask her about it.

Why did Xie Wanqiu betray him? !

“When she saw him return, Zheng Wanyin came up to him. “Grandpa, didn’t you say that you were busy? Why are you back so soon?” ”

Zhou Zuolong looked at Zheng Wanyin who was walking over and suddenly felt a sense of familiarity.

He actually felt that Zheng Wanyin’s eyes were exactly the same as Wu Youyu’s.

Could it be that Zheng Wanyin and Zhou Zuolong were related by blood?

“If Zheng Wanyin was really related to Wu Youyu, then wouldn’t they have been together for more than forty years?”

“Was he mistaken, or was all of this true?”

“Seeing that Zhou Zuolong did not speak for a long time, Zheng wanyin continued, “Grandpa, What’s Wrong? Are you feeling unwell?” ”

“Nothing.”Zhou Zuolong reacted at this time. “Where’s your grandmother?”

“Zheng wanyin said, “She’s inside talking to my cousin.” ”

Zhou Zuolong nodded.

“Zheng wanyin continued, “Grandpa, second aunt, she...”Zheng Wanyin was really unwilling to accept this. She was about to follow Zhou Xiang to the Cen family and marry Cen Shaoqing smoothly. ”

“Who would have thought that at the crucial moment, such a mishap would occur. ”

Although Zhou Xiang had always been an obedient girl and did not dare to disobey Zhou Zuolong.

“But this time, Zhou Xiang seemed to have changed into a different person. ”

“Not only did she resist Zhou Zuolong, but she also hit Xie Wanqiu. ”

“Zhou Zuolong tried his best to hide the anger in his heart and said with a smile, “Don’t worry, I have a way to deal with that unfilial daughter!” ”

Zheng Wanyin nodded.

Zhou Xiang was Zhou Zuolong’s daughter. Zhou Zuolong had his own reasons for saying so.

Zhou Zuolong walked inside.

“Xie wanqiu, who was in the inner room, had heard Zhou Zuolong’s voice long ago. She turned to look at Xie Rongle, “RONGLE, I can see that that girl, Xiang Xiang, is really angry. Otherwise, she would not have treated me like this and treated your uncle like this! “They are father and daughter, but because of me, they separated. I’m a sinner, and I’m not a good mother. I’ve let them down, and I’ve let your uncle down even more... “...” ”

“Xie rongle comforted, “Aunt, this is not your fault. It has nothing to do with you. You’ve already treated Zhou Xiang well enough. It’s Zhou Xiang who doesn’t know how to appreciate a good person!” ”

“Xie wanqiu sighed. “Back then, I chose to be with your uncle regardless of the secular world. I should have thought of today. In order to be with your uncle, I caused your cousin to lose her life.” ”

“Hearing this, Zhou Zuolong, who had already walked out of the door, stopped in his tracks. ”

Xie wanqiu’s words reminded him of the past.

“In order to be with him, Xie Wanqiu had indeed sacrificed a lot. ”

It could be.

He might have misunderstood Xie wanqiu.

It could also be that someone was framing Xie wanqiu to sow discord.

Zhou Jinbei!

It had to be Zhou Jinbei.

“With the development of technology, it was very easy to synthesize a photo. ”

Perhaps Zhou Jinbei had found someone to synthesize these photos.

Xie Wanqiu loved him so much that she definitely wouldn’t betray him.

“After some thought, Zhou Zuolong reached out and knocked on the door. ”

““Come in,”Xie Wanqiu said from inside. ”

Zhou Zuolong pushed the door open and entered. “Wanqiu.”

“Uncle is back.”Xie Rongle stood up from her chair.

“Zhou Zuolong nodded and turned to look at Xie wanqiu. “WANQIU, are you feeling better now?” ”

“Xie wanqiu said, “Much better. You Don’t have to worry.” ”

Chapter 1414: 304: Retribution for good and Evil! 2

“After saying that, xie wanqiu continued, “Have you visited Xiangxiang? Old Man, I’ve thought about it a lot. After all, you and Xiangxiang are father and daughter. Let’s forget about this matter. We can’t let the two of you turn against each other...” ”

Forget it.

“Zhou Xiang hit Xie wanqiu, but Xie Wanqiu said to forget it. ”

Was there such a kind person in the world?

But him.

He even suspected that Xie Wanqiu was unfaithful to him.

He really shouldn’t have!

“But when he thought of the photos in his bag, Zhou Zuolong felt uncomfortable and uncomfortable. ”

“Zhou zuolong continued, “Wanqiu, don’t worry. I will personally make that unfilial daughter of Zhou Xiang Kowtow to you and admit her mistake! This matter can not be let go just like that!” ”

How many children would hit an old man?

“If Zhou Xiang could hit Xie Wanqiu now, she would do even more outrageous things in the future.”

“Xie wanqiu sighed. “Sigh, actually, it’s normal for that child to have resentment in her heart. Back then, I shouldn’t have done that! But I really didn’t expect sister Wu Lan to be so fragile. Because of this matter, she went to lie on the tracks...” ”

“When he heard this, Zhou zuolong frowned and said, “Wu Lan is courting death. It has nothing to do with you. Wanqiu, don’t blame yourself for Everything!” ”

“In this world, there were a few men who did not cheat. ”

“In ancient times, there were still people who had three wives and four concubines! ”

Only Wu Lan pretended to be aloof. She could not even stand such a small matter. Those who sought death and lived were simply pretentious.

Everyone had their own fate. This was Wu Lan’s fate!

Who could she blame?

“Xie wanqiu said, “Although that’s what you said, the matter was indeed caused by me.” ”

“At this moment, the ringtone of a cell phone rang in the air. ”

“Zhou Zuolong picked up the phone. “Hello, Brother Wu! Yes, we’ve transferred to another hospital. En, I’ll send you the address later.” ”

“After hanging up, Zhou Zuolong turned to look at Xie Wanqiu. “Brother Wu came to the hospital to see you, but he couldn’t find a place. I’ll go downstairs to pick him up.” ”

“Okay.”

“Go ahead.” Xie Wanqiu nodded.

“Zhou Zuolong was just an idiot. Wu Youyu had come here so many times, but he hadn’t noticed it at all.”

Xie Wanqiu was no longer as cautious as before.

“In addition, so many things had happened in such a short time, Xie Wanqiu also wanted to talk to Wu Youyu properly.”

Zhou Zuolong walked out of the door.

“When he came to the hospital building, he looked at the crowd of people coming and going. He suddenly felt a little lost.”

Was Wu Youyu and Xie Wanqiu in that kind of relationship?

One was the woman he loved the most.

The other was his brother who hated that he had met late.

“He didn’t believe that these two people would betray him, but when his hand touched the photo in his bag, Zhou Zuolong felt very uncomfortable.”

“No matter what, he had to figure it out.”

“Otherwise, he still couldn’t face Xie Wanqiu and Wu Youyu.”

“Just then, Zhou Zuolong saw a shop selling electronic technology.”

Zhou Zuolong seemed to have thought of something and pushed the door open and walked in.

He felt a little uncomfortable if he did not clarify the matter and clear Xie Wanqiu’s name.

“The enthusiastic shop assistant immediately came up to him. “Hello, Old Sir. May I help you?” ”

“Zhou Zuolong looked around and continued, “Do you have that kind of pinhole camera?” ”

“Yes.”The shop assistant nodded. “But it’s a little expensive.”

““The price is not the problem. The problem is, can we connect to a cell phone?”Zhou Zuolong asked. ”

“The shop assistant smiled and said, “Look at what you’re saying. If we can’t connect to the phone, who will we sell it to?” ”

“Take me to have a look.”

““This way, please.” ”

The shop assistant brought Zhou Zuolong to a row of display cabinets. There were all kinds of cameras on the counters.

“Which one is the best?”Zhou Zuolong asked.

“This one.”The shop assistant took out a small camera. “This one is imported from C nation. The picture quality is very good...”

“Before the shop assistant could finish his sentence, he was interrupted by Zhou Zuolong. Zhou Zuolong picked up a small black doll. “This is also a camera.” ”

“”Yes.”The shop assistant nodded and continued, “This is a camouflage surveillance camera. From the outside, you can’t tell that it’s a camera.” ”

“How is the quality of this camera?”Zhou Zuolong asked.

“”Very good!”The shop assistant said, “But this one costs 20,000 yuan.” ”

“Pay up.”

“The shop assistant didn’t expect Zhou Zuolong to be so straightforward. He hurriedly said, “Old sir, this way please. Do you need me to install the surveillance equipment on your phone? It’s convenient for you to view it remotely!” ”

“Yes.”Zhou Zuolong nodded. “Can you see it from any distance?”

Chapter 1415: 304: Good and evil will be rewarded! 3

“The shop assistant said, “Yes, as long as your phone has traffic, you can check it no matter where you are.””

“Okay.”Zhou Zuolong handed the phone to the shop assistant. “Help me install it.”

“”Old Sir, please unlock it.”The shop assistant handed the phone back to Zhou Zuolong.”

Zhou Zuolong unlocked the phone.

It had been half an hour since he came out of the shop.

“Little did he know that as soon as he walked out of the store, Zhou Jinbei walked out of the experience store next door.”

Zhou Jinbei looked at Zhou Zuolong’s back and narrowed his eyes.

“Next, he just needed to quietly enjoy a dog-eat-dog drama.”

“In fact, when Zhou Jinbei learned about Xie wanqiu and Wu Youyu’s relationship, he was also shocked.”

He had never thought that Xie wanqiu would betray Zhou Zuolong.

Maybe.

“This was the legendary retribution, right?”

Zhou Zuolong betrayed Wu Lan and Xie wanqiu together.

“And now, Xie Wanqiu betrayed Zhou Zuolong again!”

The heavens have eyes!

“”Mom,” Zhou Jinbei looked up at the sky. “Did you see it from the Sky?””

“After leaving the shop, Zhou Zuolong specially went to a doll shop to look around. He bought a doll and put the surveillance equipment into the doll bag. After doing all this, Zhou Zuolong called Wu Youyu, “Brother Wu, where are you now?””

Wu Youyu looked up at the entrance of the second hospital. "I'm already at the hospital entrance."

"I'll come and pick you up right away."

"Okay."

"Soon, Zhou Zuolong trotted over and appeared in front of Wu Youyu. "Brother Wu.""

"Brother Zhou!" Wu Youyu waved at Zhou Zuolong.

"Zhou zuolong smiled and said, "Brother Wu, I'm really sorry. I was going to come downstairs to pick you up. When I passed by the doll shop, I thought of buying a doll to decorate the ward and give Wanqiu a change of mood! The atmosphere in the ward is really too depressing!""

"It's okay, it's okay," wu youyu continued, "Then let's go up first.""

"Okay." Zhou Zuolong nodded.

"Soon, the two of them arrived at the ward."

"Zhou Zuolong placed the two dolls on the cabinet. "Wanqiu, brother Wu is here to see you!""

"Brother youyu." Xie wanqiu looked up at Wu Youyu.

Zhou zuolong sized up the two of them without a trace.

"Looking at them like this, there was nothing unusual about the two of them getting along."

Someone must be framing Xie wanqiu.

“Zhou zuolong smiled and said, “WANQIU, do you think this pair of dolls I bought looks good?””

“Yes.”Xie wanqiu nodded.

“Zhou zuolong continued, “Wanqiu, you have a good chat with brother Wu. I’ll go downstairs to buy some fruits. We’re going back to sea city soon. It’ll be difficult if we see brother Wu again in the future.””

“Xie Wanqiu was stunned. “Old Man, when are we going back?””

“Zhou zuolong said, “After we settle the matter with that unfilial daughter, we’ll go back.””

“What about yinyin?”Xie wanqiu asked.

“Zhou zuolong continued, “Yinyin will stay at the Cen family. You’re right. Zhou Xiang is a person without a mind of his own. If yinyin doesn’t stay at the Cen family, the Cen family will be defeated by Zhou Xiang and ye Zhuo sooner or later.””

“Alright.”Xie wanqiu nodded.

“Zhou Zuolong picked up his phone. “Then I’ll be leaving first. Brother Wu, Keep Wanqiu Company for a while.””

“Okay.”Wu Youyu nodded.

“After saying that, Zhou Zuolong closed the door and walked out. Just as he got off the elevator, he saw Xie Rongle and Zheng Wanyin walking up.”

“Zhou zuolong said, “Yinyin. “Your Grandpa Wu is here to chat with your grandmother. I’m planning to leave Beijing after settling the matter with Zhou Xiang. You and your aunt shouldn’t go up and disturb them. After we leave Beijing, it’ll be difficult for them to see each other again.””

“At the end of his sentence, Zhou Zuolong sighed.”

“Zheng Wanyin nodded, but she snorted coldly in her heart.”

Other people would sneak around behind their husbands’ backs.

“Zhou Zuolong, on the other hand, personally sent his wife to Wu Youyu’s bed.”

He had never seen such a stupid person!

No wonder he had been deceived by Xie Wanqiu for so many years.

He really deserved to be deceived!

“Zheng Wanyin turned to look at Xie Rongle. “Cousin, shall we go have afternoon tea then?””

“Okay.” Xie rongle nodded.

In the ward.

Wu Youyu had been leaning against the window the whole time.

“Xie wanqiu lowered her voice and said, “Have you left?””

“Not yet.”

Xie wanqiu frowned slightly. “Why is it taking so long?” Isn’t that a little abnormal?

“At this moment, Wu Youyu continued, “I’ve left, I’ve left. Yinyin and RONGLE have left too. This Zhou Zuolong is really too stupid!””

“Hearing that Zhou Zuolong had finally left, Xie wanqiu heaved a sigh of relief.”

Chapter 1416: 304: Retribution for good and Evil! 4

“Wu Youyu returned to the bed and hugged Xie Wanqiu in his arms. “Baby, I missed you so much.” ”

Xie wanqiu sighed.

““What’s wrong, Baby?”Wu Youyu asked. ”

“Didn’t you read the News?”

Wu Youyu shook his head.

“He had been hanging out with Zhang Qingqing these past few days, so how would he have time to read the news? ”

Xie wanqiu then told Wu Youyu about what had happened to Zhou Xiang.

“Hearing that, Wu Youyu frowned. “How could this be?” ”

“Seeing that Zheng Wanyin had already stepped into the CEN family, who would have thought that such a change would happen? ! ”

“Wu youyu continued, “Then what about yinyin?” ”

“Don't worry.” Xie wanqiu patted Wu Youyu's hand. “No matter what, Zhou Zuolong is Zhou Xiang's father. The older the wiser. I believe that he will definitely have a way to deal with Zhou Xiang.” ”

The person that Zhou Zuolong cared about the most was her.

Zhou Xiang dared to hit her in front of Zhou Zuolong. wasn't this like plucking the hair from a Tiger's head?

“After hearing this, Wu Youyu heaved a sigh of relief and said with a smile, “Baby, you're still the best!” ”

Over here.

Zhou Zuolong found a coffee shop and sat down.

“Although the shop assistant had taught him many times how to remotely check the monitor online, Zhou Zuolong still forgot. He opened the APP many times, but he could not see the monitor. ”

“Zhou Zuolong was extremely anxious. Just as he was anxious, the screen on his phone suddenly appeared. ”

“Contrary to Zhou Zuolong's imagination, Wu Youyu and Xie Wanqiu did not make out. One was sitting on the bed and the other was sitting on the sofa. ”

The content of their conversation was also very normal.

Zhou zuolong heaved a sigh of relief. He knew that Xie Wanqiu was not that kind of person.

“As for those photos, Zhou Jinbei must have asked someone to send them over to frame Xie wanqiu. ”

Such a heartless dog!

Did he really think that he was muddle-headed because he was old?

“Zhou Zuolong took a sip of his coffee. Just as Zhou Zuolong was about to turn off the surveillance cameras, Wu Youyu suddenly stood up from the sofa and walked to the bedside.”

“Zhou Zuolong’s finger, which had clicked off, paused.”

“At that moment, Wu Youyu began to take off his clothes.”

“Xie wanqiu said, “Go and close the curtains.” ”

Wu Youyu nodded and walked over to pull the curtains.

“When he saw this scene, Zhou Zuolong’s face turned pale and his eyes widened ”

He watched helplessly as the two of them rolled onto the bed and let out extremely disgusting sounds.

PA —

The Coffee Cup in Zhou Zuolong’s hand fell to the ground and shattered into pieces.

How could this be?

“Xie wanqiu, this slut, why did she lie to him? ”

Zhou Zuolong hugged his head with both hands and whimpered.

Everything in the past seemed to have become a joke.

He was so good to Xie wanqiu.

After the marriage.

“He was extremely loyal to Xie Wanqiu, wholeheartedly loving only her, and even treating Xie Ying as his own.”

“When Xie Ying got married, Zhou Zuolong gave nearly half of the Zhou family’s assets to Xie Ying.”

“When Xie Ying died in childbirth, he cried even more sadly than Xie wanqiu, his biological mother.”

“But now, this was the result.”

“After an unknown amount of time, the disgusting sounds finally stopped.”

“Wu Youyu hugged Xie Wanqiu and sat on the bed. “Baby, have you confessed my identity to yinyin?” ”

Confessed his identity?

“Hearing this, Zhou Zuolong immediately looked up at the screen.”

“Xie wanqiu said, “I said, don’t worry. You’re Yinyin’s biological grandfather. Yinyin is also a sensible and good child. She will definitely be filial to you.” ”

Biological Grandfather?

Wu Youyu was Zheng Wanyin’s biological grandfather?

Then wasn't Xie Ying Wu Youyu's biological daughter?

Oh My God!

What stupid things had he done all these years?

He had ignored his own biological son and daughter and raised someone else's daughter like a Ninja Turtle!

"After raising his daughter, he was raising someone else's granddaughter?"

Zhou Zuolong was on the verge of breaking down!

"How can you be so stupid! How can you be so stupid?" Zhou Zuolong slapped himself twice.

"On the surveillance camera, Wu Youyu continued, "Quickly call Yinyin and tell her to come back now. I want to hear Yinyin Call Me Grandpa." "

"Okay, I'll make the call now." "

"Xie wanqiu took out her phone and called Zheng Wanyin. "Yinyin, where are you now? Come back quickly!" "

"After hanging up, Xie wanqiu looked at Wu Youyu. "Yinyin is nearby. She'll be back soon." "

"Okay." Wu Youyu nodded.

Zhou Zuolong stared at the screen and tried his best to control his emotions.

Zheng Wanyin was a good child. She would definitely not recognize Wu Youyu as her grandpa!

No!

No!

“Xie Ying died in the delivery room. When Xie Wanqiu brought Zheng Wanyin back, Zheng Wanyin was as big as a cat.”

Chapter 1417: 304: Retribution for good and Evil! 5

“It was Zhou Zuolong who had raised Zheng Wanyin by himself, day and night.”

“The kindness of raising her was greater than the heavens. Now that Xie Wanqiu had betrayed him, if Zheng Wanyin knew the truth, she would definitely help him get revenge.”

She definitely would.

Zheng Wanyin was the child he had raised himself. He did not believe that Zheng Wanyin was an ingrate.

Zhou Zuolong clenched his fists tightly.

“Soon, ten minutes passed.”

There was a knock on the door.

Xie wanqiu went to open the door.

It was Zheng Wanyin and Xie Rongle who had returned.

Xie rongle smiled and looked at Wu Youyu. "Uncle."

Uncle?

Zhou Zuolong was stunned again.

Xie rongle actually called Wu Youyu uncle!

"It seemed that everyone in the Xie family knew of Wu Youyu's existence, but he did not. "

How laughable.

It was simply laughable.

He was that idiot who was as dumb as a pig!

"Wu youyu smiled and said, "Where did rongle come from?" "

"Xie rongle said, "He just arrived a few days ago." "

Wu Youyu nodded and walked over to Zheng Wanyin. "Yinyin."

Zheng Wanyin just looked at Wu Youyu and did not say anything.

"Xie wanqiu smiled and said, "This child, why are you standing there like a Fool? Call for help! This is your biological grandfather!" "

“Through the screen, Zhou Zuolong’s gaze was fixed on Zheng Wanyin. ”

Don’t call.

Zheng Wanyin was his granddaughter that he had raised. She would definitely not call others grandfather.

“At this moment, Zheng Wanyin became Zhou Zuolong’s last hope. ”

As long as Zheng Wanyin did not betray him.

“In the future, he would treat Zheng Wanyin like his biological granddaughter. ”

“Grandfather.”

“At this moment, Zheng Wanyin suddenly spoke on the screen. ”

Grandpa.

Hur.

Zheng Wanyin actually called Wu Youyu Grandpa.

Ingrate!

All ingrates!

This whole family was all ingrates.

“Xie wanqiu, that damn B \* Tch! ”

Zheng Wanyin was a little B \* Tch!

Zhou Zuolong picked up his phone and slammed it hard on the ground.

PA —

The phone shattered on the ground.

The loud sound attracted the attention of the coffee shop attendant.

“The attendant immediately trotted over. “Old Sir, may I help you?” ”

“No need...”Zhou Zuolong’s expression was unclear.

“The attendant continued, “If you need help, just let me know.” ”

“Okay.”Zhou Zuolong nodded.

What should he do?

What should he do now?

In just a moment.

“His wife, granddaughter, niece... .. all became someone else’s. ”

Zhou Zuolong touched the fruit knife at his waist.

How about...

Let's perish together!

"After some thought, Zhou Zuolong put down the knife again."

"There were four of them, and he was alone. He was not their match at all."

What was Xie Wanqiu and the others' goal?

Money.

And family assets.

Then he would let Xie Wanqiu and the others get nothing.

Nothing at all!

"He would let the old B \* Tch, the Little B \* TCH, all get their comeuppance!"

Zhou Zuolong picked up the phone on the ground and quickly walked out.

On the other side.

In the hospital ward.

Xie wanqiu received a call.

It was from Zhou Zuolong.

“Hello, Old Man.”

“There was nothing unusual in Zhou Zuolong’s voice on the other end of the phone. “Wanqiu, I’m at the airport now. I may not be able to return to Beijing for another two days.” ”

“Where are you going?” Xie wanqiu frowned.

Why did Zhou Zuolong suddenly go back?

She had not heard him mention this matter before.

Could it be...

That there was something hidden?

“Zhou zuolong continued, “I have something to do when I go back. It’s about that unfilial daughter. Don’t worry. When I come back, I will definitely bring that unfilial daughter and unfilial son to Kowtow to you and apologize!” ”

“Hearing this, Xie wanqiu heaved a sigh of relief. It turned out that Zhou Zuolong went back because of the matter between Zhou Xiang and Zhou Jinbei. ”

“Old Man, go back quickly. Yinyin and I will wait for you at the hospital.”

“Okay.”

“After hanging up the phone, Wu Youyu asked impatiently, “What happened?” ”

“Xie wanqiu smiled and said, “Zhou Zuolong went back.” ”

“Go Back? For what?”Wu Youyu asked.

“Xie wanqiu said, “He went back because of Zhou Xiang and Zhou Jinbei. He also said that when he comes back, he will bring Zhou Jinbei and Zhou Xiang to Kowtow to me and admit his mistakes.” ”

“Hearing that, Xie rongle hurriedly said, “Aunt, then is it possible for me to marry Zhou Jinbei?” ”

“Xie wanqiu nodded. “Don’t worry, Rongle. As long as I’m here, you’ll definitely take the position of the mistress of the Zhou family!” ”

“After all, Zhou Zuolong was the marionette in her hands! ”

“Xie rongle said excitedly, “Really, aunt?” ”

“Of course it’s true!”Xie wanqiu nodded.

“Zhou Zuolong, who was sitting in the airport terminal, saw the scene on the monitor and sneered. ”

Chapter 1418: 304: Retribution for good and Evil! 6

It was his fault.

It was all his fault.

“Xie wanqiu, this venomous woman, had slept with him for so many years, but he had not discovered anything.”

It was also at this time that Zhou Zuolong understood why Xie Wanqiu had married Zheng Wanyin and Xie Rongle to Cen Shaoqing and Zhou Jinbei respectively.

“Because this way, even if he found out about Xie wanqiu and Wu Youyu’s adultery in the future, there was nothing he could do!”

“Because at that time, the Cen and Zhou families had long been controlled by Zheng Wanyin and Xie Rongle!”

They were too vicious!

How could he be blind enough to fall in love with such a poisonous snake?

““Wu Lan, I’m sorry... I’m sorry...””

“For Xie wanqiu, he forced Wu Lan to death.”

Wu Lan was only in her thirties when she died.

“Not only did he let Wu Lan Down, but he also let down Zhou Xiang and Zhou Jinbei, the pair of children.”

“When he thought of the hardships Zhou Xiang and Zhou Jinbei had suffered in the past, Zhou Zuolong felt so bad that he could hardly breathe.”

What had he done in the past?

He had broken the hearts of his children!

“If he had not betrayed Wu Lan back then, if he had not known Xie wanqiu, then how happy would he be now!”

He had many children and grandchildren!

Regret...

Zhou Zuolong was so regretful that his intestines turned green.

“Unfortunately, there was no medicine for regret in this world.”

Zhou Zuolong patted his head hatefully.

“An hour later, Zhou Zuolong boarded a plane to sea city.”

“Four hours later, the plane landed at sea city airport.”

“Sea city was still the same sea city as before, but he was no longer the same person as before.”

“Things have changed, but people have changed.”

“In just a few hours, Zhou zuolong deeply understood the meaning of this idiom.”

“Zhou Zuolong transferred all the assets under his name to Zhou Jinbei overnight, and then transferred the real estate and company shares to Zhou Jinbei’s name.”

“After doing all this, Zhou Zuolong went to Wu Lan’s grave and cried bitterly. “Wu Lan, I’m sorry, I was wrong, I really was wrong! Please forgive me...” ”

“On the Tombstone, Wu Lan’s photo was still the same as when she was young.”

“Looking at the young Wu Lan, Zhou Zuolong’s thoughts seemed to return to the past.”

“Actually, he and Wu Lan had truly loved each other.”

But he did not know when his heart had changed.

“Thinking back to the past, Zhou Zuolong was in great pain.”

On the third day.

Zhou Zuolong returned to the capital.

“When she heard that Zhou Zuolong had returned, Xie Wanqiu was extremely excited.”

He was back. He was finally back.

“Xie wanqiu looked up at Zheng Wanyin and Xie Rongle. “Yinyin, Rongle, you have to put on a good show later. You Can’t let Zhou Xiang and Zhou Jinbei take the two of you away so easily, understand?” ”

“Understood.”Zheng Wanyin and Xie rongle nodded.

“At that moment, there was a knock on the door.”

Zheng Wanyin quickly ran to open the door.

It was Zhou Zuolong.

Zhou Zuolong had two bodyguards behind him.

“Grandpa! You’re finally back. Grandma has been talking about you for the past few days.”

Zhou Zuolong sneered.

Talking about him?

Xie Wanqiu had been having an affair with Wu Youyu for the past few days. Why would she talk about him?

“Seeing Zhou Zuolong like this, Zheng Wanyin suddenly had a bad feeling.”

Could it be...

Zhou Zuolong had discovered something?

It shouldn’t be!

She had specially checked Zhou Zuolong’s schedule. Zhou Zuolong had indeed been in sea city for the past few days.

““Old Man, you’re finally back! Oh right, why didn’t Xiangxiang and Jinbei come back with you?”Xie wanqiu, who was on the bed, raised her head and looked at Zhou Zuolong.”

“Sign this.”Zhou Zuolong threw a document to Xie wanqiu.

“Xie Wanqiu was stunned. When she saw the ‘Divorce Agreement’ on the document, her face turned pale.”

“Old Man, you, you must be joking!” ”

Zheng Wanyin and Xie rongle also looked at this scene in surprise.

“Zhou Zuolong took out a stack of photos and threw them on Xie Wanqiu’s face. “B \* Tch, tell me, what is this?” ”

The photos were full of intimate photos of Xie Wanqiu and Wu Youyu!

How could this be?

Where did Zhou Zuolong get these photos?

Xie Wanqiu’s blood flowed backwards.

Zheng Wanyin was so scared that she took a few steps back and covered her mouth with her hand.

“Old Man, this isn’t real! Someone is trying to harm me! Someone is trying to harm me!”Xie wanqiu was so scared that she rolled down from the bed, she hugged Zhou Zuolong’s thigh tightly, “Zhou Jinbei, it must be Zhou Jinbei. It’s Zhou Jinbei who is trying to harm me! “Old Man, we’ve been married for so many years. Don’t you know who I am? “Nowadays, technology is so advanced that any photo can be synthesized! “These photos are all synthesized! “Old Man, you have to believe me. I will never betray you! “Old Man!” ”

“B \* Tch! B \* Tch!”Zhou Zuolong kicked Xie wanqiu away. “Do you really think I’m Blind?”

“Grandpa, Grandpa! Please don’t do this. This is a misunderstanding.”Zheng Wanyin walked over, she knelt in front of Zhou zuolong. “Grandpa, you and Grandma have been married for so many years. Don’t You Know Who Grandma Is? Someone must be trying to harm grandma. Please don’t do this!” ”

Zheng Wanyin knew very well her position in Zhou Zuolong’s heart.

“She was the child that Zhou Zuolong had raised single-handedly. Zhou Zuolong treated her better than his own granddaughter. As long as she opened her mouth, she would definitely be able to alleviate the anger in Zhou Zuolong’s heart. ”

“Who knew that Zhou Zuolong would kick Zheng Wanyin away. “You Little Bastard, you still have the face to call me grandpa! Thinking about me, Zhou Zuolong, I was really smart and muddle-headed for a lifetime. I actually raised someone else’s wife and child for so many years!” ”

Zhou Zuolong was such a high-spirited person back then.

And Now?

His life had been ruined by Xie Wanqiu!

Got It!

“From Zhou Zuolong’s tone, he should have known everything. ”

“Xie wanqiu’s face was pale. She crawled back to Zhou Zuolong’s side, “Old man, someone must have wanted to harm us. Brother Yu and I are innocent. Nothing happened to us. You have to believe us! “Old Man, I’ve been married to the Zhou family for so many years and brought up a pair of children for you. Don’t you remember all these things?” ”

“Zhou Zuolong pointed at Xie Wanqiu angrily. “How dare you say that! If it weren’t for you, Wu Lan wouldn’t have died! It was you who forced Wu Lan to her death! Are you going to sign the divorce agreement or not? If you don’t sign it, wait for the lawyer’s letter!” ”

“Old Man! Old Man!”Xie Wanqiu was unwilling to accept the divorce.

“Get lost! I’m sick of seeing you now!”Zhou Zuolong shook Xie wanqiu off and turned to leave.

“Xie wanqiu got up from the ground and was about to catch up with Zhou Zuolong, but she was stopped by Zhou Zuolong’s bodyguards.”

“”Grandma, what should we do now?”Zheng Wanyin walked over crying. ”

“Xie wanqiu tried her best to calm herself down. “Let’s go for the discharge surgery first, then we’ll go look for Your Grandpa!” ”

“Okay.”

Zheng Wanyin nodded and went to the first floor to settle the bill.

“”Hello, it’s a total of 50,000 yuan.”The nurse handed the bill to Zheng Wanyin. ”

Zheng Wanyin handed over her bank card. “Use Your Card.”

“The nurse took the card and handed it back a moment later. “I’m sorry, your card has been frozen.” ”

Chapter 1419: 305: I’ll torture you to death! (extra-curricular activities)1

Frozen?

Her card was actually frozen?

Zheng Wanyin reached out to take the card and handed another bank card to the nurse. “Then change it to this one.”

“A moment later, the nurse handed the card back to Zheng Wanyin. “I’m sorry, but this card of yours is also frozen.” ”

Frozen as well? !

Could it be Zhou Zuolong’s handiwork?

Zheng Wanyin was a little flustered.

She was the child that Zhou Zuolong had personally raised. How could Zhou Zuolong be so heartless?

No.

It couldn’t be.

“Although she and Zhou Zuolong were not related by blood, it was better than being related by blood.”

Zhou Zuolong would never treat her this way.

The hospital’s card reader must have broken.

Zheng Wanyin tried her best to calm herself down. “Can I pay with Alipay?”

““Yes.”The nurse continued, “Just scan the payment code.” ”

Zheng Wanyin took out her phone and scanned the payment code.

“There was not much money in her Alipay account, but it was bound to an unlimited black card. Usually, she would use this card to pay for her purchases.”

Di —

The scan was successful.

“Zheng Wanyin entered the amount, 5,000, and then entered the password.”

“But in the next second, Zheng Wanyin’s face turned pale.”

Insufficient balance.

Alipay actually indicated that there was insufficient balance.

“Her card was unlimited, how could there be insufficient balance.”

“Zheng Wanyin closed the web page and scanned it again, but it still showed that there was insufficient balance.”

“This might be due to the system once, but it was not due to the system twice.”

Her card was really frozen by someone.

Zheng Wanyin was delayed by about ten minutes at the payment window. The people in the queue behind her were very anxious.

“The nurse said, “If you don’t have enough money, go and gather it first. When you have enough, come and pay. Don’t waste everyone’s time.” ”

“Zheng wanyin said, “I’ll pay on wechat.” ”

She still had tens of thousands of dollars in cash on wechat.

The nurse pointed to the other side. "Sweep there."

Zheng Wanyin opened her wechat wallet.

"There was still 55,580 yuan left. "

"After paying the hospitalization fee of 50,000 yuan, there was only 5,580 yuan left. "

"After paying the hospitalization fee, Zheng Wanyin went to the ward. "

"Seeing that her face was as pale as a piece of paper, Xie wanqiu asked, "What's wrong, Yinyin?" "

Zheng Wanyin gulped. "M-grandfather froze my card."

"After Zheng Wanyin graduated from university, she went to graduate school. After she finished her graduate school, she went to master's School. After she graduated from Master's School, she stayed in the Zhou family to accompany Xie Wanqiu and did not participate in work. "

"Usually, Zhou Zuolong would give her money to use. "

"After Zhou Zuolong froze her card, it was equivalent to cutting off all sources of income! "

"What?" Xie Wanqiu was also stunned.

Xie wanqiu and Zhou Zuolong had lived their entire lives.

"Zhou Zuolong was stupid and stupid. No matter what happened, she only needed to coax him a little. "

She did not expect him to be so ruthless this time!

“Zheng Wanyin, who had been holding back her tears, finally could not hold it in anymore. She cried out, “Grandma, what should we do?” ”

Everything was like a dream. Zheng Wanyin could not react in time.

It had only been a few hours.

She had gone from a socialite to a penniless wretch.

A person could survive without anything except money.

““Don’t panic, don’t panic.”Xie wanqiu held Zheng Wanyin’s hand. “Yinyin, don’t Cry yet. Grandma is asking you, has the discharge surgery been completed?” ”

“It’s done.”Zheng Wanyin nodded.

““It’s good that it’s done.”Xie wanqiu continued, “Let’s pack up and get out of the hospital immediately.” ”

“Xie rongle stood at the side. “Auntie, what should I do then?” ”

She had originally come to the capital to live a good life and become the mistress of the Zhou family.

Who would have thought that such an accident would happen in the end.

“Instead of becoming the mistress of the Zhou family, she had gotten herself into trouble. ”

“Xie wanqiu said, “You’ll be discharged with us. I’ve lived with Zhou Zuolong all my life. I know him better than anyone else! When we’re discharged, we’ll go and beg him. He’ll definitely be soft-hearted.” ”

“If Zhou Zuolong did not have her in his heart, he would not have driven Wu Lan to her death. ”

“Zhou Zuolong was only angry at the moment, which was why he treated them this way. ”

“When Zhou Zuolong’s anger subsided, he would definitely be fine. ”

“Xie rongle continued, “Then, then can I still marry Zhou Jinbei?” ”

“When she heard this, Zheng Wanyin quickly raised her head and looked at Xie Wanqiu. ”

Xie Rongle was not the only one who was worried. She was also very worried.

Could she still marry into the Cen Family?

“Xie wanqiu said, “Don’t worry. Don’t worry. Even if I have to risk my old life, I will let both of you get what you want.” ”

Chapter 1420: 305: I’ll torture the scum to my heart’s content. I’ll return the favor! (extra-curricular activities)2

“If she didn’t make it, she would force Zhou Zuolong to kill her. ”

Could it be that Zhou Zuolong could only watch her die?

That was absolutely impossible!

“After hearing Xie Wanqiu’s words, Zheng Wanyin and Xie rongle heaved a sigh of relief. ”

Very soon.

The few of them left the hospital.

“Standing on the highway, Zheng Wanyin asked, “Grandma, where are We Going Now?” ”

“Xie wanqiu said, “To the Cen Family!” ”

“Cen Shaoqing was her grandson, and Zhou Xiang was her daughter. ”

“If she didn’t go to the Cen family, where would she go? ”

Zheng Wanyin nodded.

“Xie Rong said happily, “I’ll call a taxi.” ”

“Soon, they stopped a taxi. ”

“After getting in the taxi, Zheng Wanyin gave the address of the Cen family manor. ”

The Cen family manor was a famous wealthy district.

“Hearing this address, the driver in the front seat turned around and looked at Zheng Wanyin curiously.  
”

“Half an hour later, the car stopped at the entrance of the Cen Manor.”

The driver turned around and looked at Zheng Wanyin. “Do you have a pass here? You are not allowed to enter without a pass.”

“Xie wanqiu said, “I’m here at my daughter’s house. What Pass Do I Need?” ”

“As long as she and Zhou Zuolong were not divorced, she would still be Zhou Xiang’s mother.”

“The driver continued, “May I know your daughter’s name?” ”

“Zhou Xiang!”Xie wanqiu said.

“After learning Zhou Xiang’s name, the chauffeur turned around to negotiate with the security personnel.”

“After a while, the chauffeur turned around and continued, “Old Lady, I’m still not allowed to go in.” ”

““What should we do, Grandma!”Zheng Wanyin looked at Xie wanqiu. “Second aunt seems to be really angry this time.” ”

“I’ll go down and take a look.”Xie wanqiu pushed the door open and got out.

“A few security guards stood in front of the car, preventing the driver from driving in.”

“Xie wanqiu put on the airs of a wealthy lady, held her head high and puffed out her chest, and quickly walked over, “I’m Zhou Xiang’s mother. Why Won’t you let me in? Do you know who my daughter is? Cen Wuye’s mother has offended me. You’ll Get What You Deserve!” ”

“Mrs. Cen’s mother?”The security captain looked up at Xie Wanqiu. “Who doesn’t know that Mrs. Cen’s mother has been dead for many years! You’re lying. Why Don’t you take a look at this place!”

“Another security guard at the side said in a low voice, “Captain, do you think she looks like the Xie wanqiu that’s trending on the internet?” ”

“A few days ago, because Zhou Jin went to the north to search for her, Zhou Zuolong and Xie Wanqiu had become ‘popular’ all over the internet. ”

“Especially Xie wanqiu. Not only was she a mistress, but she had also forced her original spouse to death. ”

“At this moment, Xie Wanqiu was even more of a street rat than a street rat. ”

“Hearing this, the captain immediately took out his phone. When he saw her, his expression changed. ”

It was true!

“Xie wanqiu thought that the security guards had recognized her. After all, she had been to the Cen family manor before this, so it was normal for them to suddenly recognize her. ”

““Since you’ve recognized her, hurry up and let us in! Otherwise, I’ll get my daughter to fire all of you!” ”

The security captain looked up at Xie Wanqiu. “So you’re that Mistress?”

Mistress?

Xie Wanqiu was stunned.

““If I were you, I would just find a pillar and kill myself. You actually have the face to come here. What a disgrace!” ”

“Shameless!” A rotten vegetable leaf flew over from somewhere.

“”You killed someone’s mother, and now you have the face to acknowledge your daughter! You’re so capable, why don’t you go to Heaven?” ”

“How could our China have such a shameless person like you!”

PA —

“This time, it was a rotten egg that was thrown at her. ”

“Xie Wanqiu’s face was covered in the mucus of the rotten egg, and she was on the verge of breaking down. “Who threw it? ! Who threw the rotten egg? ! Call the police! I want to call the police!” ”

“”Grandma, get in the car first!” Zheng Wanyin saw that something was not right, so she reached out and pulled Xie wanqiu back into the car. “Master, let’s go back to the city first.” ”

“The driver covered his nose and said, “Don’t get that rotten egg into my car!” ”

“”Don’t worry, it won’t Happen!” Zheng Wanyin took out a tissue to wipe Xie wanqiu’s face. “Grandma, Are You Alright?” ”

Xie Wanqiu was in a daze

“She had a feeling that this time, she might really be kicked out by Zhou Zuolong. ”

No.

No.

“No matter what, she could not let such a thing happen. ”

“Xie wanqiu raised her head and looked at Zheng Wanyin. “Yinyin, go back to the city and find a hotel for us to stay at first. Then, take a look and see if your wechat has been deleted by Zhou Zuolong!” ”

“”Okay.”Zheng Wanyin nodded and took out her phone to take a look. On wechat, Zhou Zuolong was still on her friend list. ”

“Zheng Wanyin sent him a wechat Message: [ Grandpa, Where Are You Now? Can you explain the misunderstanding in person? Grandma’s situation is very bad. ] ”
