“Chapter 1451: 309: all members are expelled, too late to regret! 3”

““There’s no mistake,” Han nan continued, “There’s a report on the base’s official website regarding the specific situation. You can go and see for yourself.””

“After saying that, Han nan directly hung up the phone.”

“Sun Yu stood in the same spot, blood flowing backwards all over her body. Her face was like dead wood and ashes, unable to muster any strength at all.”

How could this be...

How could this be!

Someone at the side heard Han Nan’s words clearly and immediately opened the official website.

“As soon as he opened the official website, a message popped up.”

It was a notice about the strike in their research lab.

All members were removed.

Including professor Yue.

“In other words, professor Yue could have enjoyed the benefits of retirement.”

But now.

“She was directly dismissed. Not only did she not enjoy any benefits, but she was also given a big demerit in her research career!”

“Some people could not bear the blow and directly knelt on the ground, crying bitterly.”

It was not easy to enter the CEN base.

“Out of ten thousand ordinary people, only one person was qualified to enter the CEN base.”

“In order to enter the CEN base, they had gone through five obstacles and killed six generals. It was not easy for them to get to where they were today.”

“Among them, some people entered the CEN base and even became the glory of the entire family.”

But now...

They had actually been expelled from the base.

“Not only had they been expelled, but the notice also stated that these people would never be able to join the CEN company again!”

They had already been blacklisted by master five.

One had to know that almost two-thirds of all the scientific research institutes in China were developed by the CEN family.

“Once they were blacklisted by the Cen family’s base, it meant that they were blacklisted by all the scientific research institutes.”

Regret.

Very much regret.

“In order to threaten master five, they had sacrificed their own future. How could they not regret this?”

These people who regretted things in the past also included Sun Yu.

“Just an hour ago, he was still dreaming of being promoted and getting rich.”

Who would have thought.

“An hour later, things had changed.”

““We were wrong, we really were wrong!” A middle-aged man walked in front of Sun Yu, “Little Sun, you usually have the best connections in the base. Go and help us beg master five. Ask him to forgive us once. We won’t dare to do it again in the future!””

““Old Yang is right. Brother Sun, go and do it. We’ll beg master five!””

How Could Sun Yu meet master five?

“If he could meet master five, he wouldn’t have fallen to such a state!”

“Seeing that Sun Yu did not speak, some people began to blame her. “It’s all your fault! If it weren’t for you fanning the flames and mobilizing all of us to go on strike, we wouldn’t have come to this stage! It’s all your fault! It’s all your fault!””

““Yes, it’s all Sun Yu’s fault!””

Some people even began to kick and punch Sun Yu.

“At first, Sun Yu was still sitting there, not resisting or speaking. But later, she could not hold it in anymore and stood up, she roared, “Could it be my fault alone? You’re all adults, Can’t you think for yourself? Now that there’s a problem, blame it on me!””

“Actually, this matter really couldn’t be entirely blamed on Sun Yu.”

“Although the strike was instigated by Sun Yu, the people in the research lab still valued their position in Zone B too much. They felt that they were irreplaceable, so they could do whatever they wanted. They tried to use this matter to threaten CEN Shaoqing, to achieve a raise in salary and a promotion.”

“In the end, it was still their own problem.”

Sun Yu did not know how she got home.

“When Mother Sun saw her son like this, she said nervously, “Xiao Yu, what happened to you? Did Something Happen to you?” Just Yesterday, Sun Yu was happy to say that she was going to be promoted soon. She did not expect things to turn out like this today.”

Sun Yu hugged her mother and burst into tears.

“Mother sun was extremely anxious, “What’s wrong, Son? Tell me what happened! Did Someone Bully You?””

“After a long while, Sun Yu finally told Mother Sun about the matter.”

“Hearing this, mother sun frowned deeply, then, she said, “You can only go to professor Yue for this matter. After all, you were the one who instigated the strike for her. Go and look for her. She has worked in the CEN base for more than 20 years and has a wide network. She will definitely be able to help you!””

"It's useless." Sun Yu shook her head. "She is like a Clay Buddha crossing the river. She can't even protect herself now. How can she control me?"

Mother Sun Sighed. "Then what should we do?"

"At this moment, mother sun seemed to have thought of something. Her eyes lit up and she continued, "You can look for Linlin! Linlin has been in the CEN base longer than you. Maybe she can think of a way to help you.""

""But I've already broken up with her," Sun Yu said."

""It's okay, son." Mother Sun held Sun Yu's hand, "Didn't you just tell me last night that Linlin looked for you? If she came to look for you, it means that she has you in her heart! Go look for her now and apologize to her. Tell her that you're wrong and she will definitely forgive you!""

"Chapter 1452: 309: all members will be expelled, and it will be too late to regret! 4"

"If Shen Linlin did not love Sun Yu, she would come to look for Sun Yu again and again. Did she want to throw herself at her? "

"Really?" Sun Yu said.

""Of course it's true!" Mother Sun nodded, she said with a firm face, "I'm also a woman, and I know Women Better Than You! Believe me, as long as you apologize to her and put in enough effort on the surface, she will definitely reconcile with you!" Even if Shen Linlin could not help Sun Yuzhong return to the base, sun Yu had a girlfriend who worked at the CEN group base. It was enough for her to brag in front of others. "

"After listening to Mother Sun's words, Sun Yu found some comfort. She perked up and said, "I'll go look for her now!" "

Mother was right. Shen Linlin definitely still had her in her heart.

“If he took the initiative to look for Shen Linlin, Shen Linlin would definitely be very happy.”

“Remember to buy a bunch of flowers to bring with you,” mother Sun said.

“I know.” Sun Yu nodded.

Sun Yu came to the flower shop and bought a bunch of flowers. She stood at the intersection that Shen Linlin had to pass when she got off work and waited for her.

“An hour later, she finally saw Shen Linlin’s figure.”

“Sun Yu immediately trotted over to Shen Linlin. “Linlin, you’re off work. I came specially to pick you up.” ”

Shen Linlin acted as if she did not see Sun Yu and took a detour to walk away.

“Sun Yu panicked and immediately caught up to Shen Linlin, blocking her way, “Linlin! Other than coming to pick you up, I also want to apologize to you. I’m sorry, I was wrong. It was all my fault a few days ago. I shouldn’t have treated you like that! Please forgive me!” ”

“Only then did Shen Linlin speak. “Sun Yu, we’ve already broken up. I’ve thought a lot these few days. We’re really not suitable for each other, be it in terms of character or outlook. From now on, let’s just go our separate ways.” ”

“Linlin, don’t be like this. I really know my mistake!” Sun Yu continued, “Please forgive me!” ”

“Shen Linlin looked at Sun Yu. “You only knew to look for me after being expelled from the base. Sun Yu, do you really think I’m an idiot? It’s too late to say sorry now!” ”

Shen Linlin was not the kind of idiot who was used by others.

“After experiencing this, she had also seen clearly what kind of person Sun Yu was. ”

It was pretty good.

Finding out now was better than finding out after they got married.

““Linlin!”Sun Yu immediately knelt on the ground. “Linlin, please forgive me. If you don’t forgive me, I’ll kneel on the ground and never get up!” ”

““Then you’ll kneel on the ground forever!”After saying that, Shen Linlin turned around and left. ”

“Seeing that Shen Linlin had no intention of turning back, Sun Yu immediately caught up with Shen Linlin. “Linlin, what do you want me to do to make you forgive me? As long as you say it, I can do it!” ”

““Sun Yu, I’ll say it again. We’ve already broken up! From now on, you go your way and I’ll go my way!” ”

“Linlin!”Sun Yu reached out and grabbed Shen Linlin’s wrist.

“Let go of me!”Shen Linlin frowned tightly.

Sun Yu’s strength was too great. She couldn’t break free at all.

““No! If you don’t forgive me, I won’t Let Go!”Sun Yu said as she hugged Shen Linlin. “Linlin, just forgive me! Linlin!” ”

“Shen Linlin was a girl. This girl’s strength was inferior to that of a man. Moreover, Sun Yu was being a scoundrel. ”

“At this moment, Shen Linlin suddenly saw a familiar figure and shouted, “Mr. He! Over Here!” ”

The man immediately turned around and jogged over. “Miss Shen!”

“Shen Linlin continued, “Mr. HE, quickly save me. This person is being a scoundrel!” ”

“When he was tall and strong, nearly 185 centimeters in height. He was more than half a head taller than Sun Yu, who was 172 centimeters tall. He walked over and pulled lightly, separating the two of them. ”

Shen Linlin immediately hid behind when he.

“Sun Yu said, “Who are you? Why do you usually interfere in the matters between me and my girlfriend?” ”

When he turned to look at Shen Linlin.

“Shen Linlin said, “He’s my ex-boyfriend.” ”

Ex-boyfriend?

“When he looked at Sun Yu up and down when he heard this. Finally, he said, “Your taste is really bad.” ”

“When he looked up at Sun Yu after he said this, “Mr. Sun, right? I’m Miss Shen’s blind date. My surname is he.” ”

“When she heard this, Sun Yu was furious. She scolded, “Shen Linlin, you B * TCH. You’ve only broken up with me for a few days and you can’t stand the loneliness and want to find a man. I...” ”

“At this moment, when did she open her mouth again and took out a recording pen, “Mr. Sun Yu, I forgot to introduce myself just now. I’m a lawyer. Please be careful with your words and actions. Otherwise, my future girlfriend has the right to appeal to you.”. Attacking, insulting, and slandering others already constituted a crime. According to Article 246 of the criminal law, if the circumstances are serious, the penalty is up to three years of fixed-term imprisonment, criminal detention, control, or deprivation of political rights!” ”

Chapter 1453: 309: all members will be expelled. It will be too late to regret! 5

“”Ptui, who are you trying to scare! I’m Not Afraid!”Although she said that she was not afraid, Sun Yu still turned around and ran.”

“In less than a few seconds, her figure disappeared in the middle of the crowd.”

When he looked in the direction where he had disappeared. “Coward.”

“A moment later, she turned to look at Shen Linlin. “Miss Shen, according to the way you picked your boyfriend, you might not meet my criteria for choosing a spouse. I’m sorry, excuse me.””

Not Up to his standards? !

Shen Linlin was speechless as she looked at when he had left. She could not react for a long time.

On the other side.

C nation.

On the third floor of Ranito Casino.

Yaleh looked at the information his subordinate had sent over and frowned.

Three months.

A whole three months!

“Looking at how An’s ranking had risen from second to third on the kill order, the bounty had also risen from eight to nine digits.”

“However, there was no news about An at all.”

This person...

It was as if he had disappeared into thin air.

“Trash! They’re all a bunch of trash!”Yaler threw the information in his hands onto the ground.

“For a moment, the surrounding air became oppressive. His subordinates stood in a row, not daring to speak.”

A moment later.

“Yaler continued, “Bring up the surveillance footage from last time. Let me take a look.””

An assistant immediately handed the tablet to Yaler.

“On the screen, a young girl in white clothes and black pants was sitting in front of the gambling table. She was wearing a hat and sunglasses. In addition, the lighting in the casino was not very good, so only a part of her fair chin could be seen.”

“She was sitting upright. Although her movements were casual, her entire body exuded a noble and elegant temperament.”

He was like a born aristocrat.

This was an aura that could not be imitated.

Yala narrowed his eyes and saw that his speed had slowed down by ten times.

“It was still the same as before. Under the speed of ten times, it was still impossible to tell how she had attacked.”

Knock Knock Knock —

“At this moment, there was a knock on the door.”

“Yala put down his tablet and said, “Come in.””

Hibbert walked in from the door. “Minister.”

“Speak.”Yala turned around.

“Hibbert continued, “Minister, I’ve invited Mr. L. He has a way to slow down the surveillance speed by 20 times.””

“Hearing that, Yala looked up. “Where is he?””

L.

He was a famous hacker in the hacker world.

“However, he had retired from the world for many years.”

“Although he had retired from the martial arts world, the myths about him had never stopped.”

“A man with the same C Nation Face walked out from behind Hibbert. “Hello, Minister Yaler. I’m L.””

“Yaler walked forward and reached out to hold L.’s hand. “Hello, nice to meet you.””

“A moment later, the two of them released their hands.”

Yaler handed the tablet to L. “Can you slow down this video to more than 20 times its original speed?”

“L. took the tablet with one hand. Three minutes later, he returned the tablet to Yala. “It’s done.””

Yala took the tablet.

“Sure enough, there was no problem. After slowing down all her movements to 20 times, the little girl on the screen seemed to have been sprayed with a slow agent. Every movement was extremely slow.”

“But even in such a slow situation, Yala still did not see her attack.”

What was going on?

Who could be 20 times slower and still not see any flaws?

“Yala had been in the casino for so many years, but this was the first time he had seen such a thing. Even he couldn’t make any flaws in such a slow shot!”

It was impossible for someone to sit perfectly.

Unless...

No.

Impossible.

Nine out of ten gambles were faked. How could a Chinese person have any real gambling skills?

After all.

Even he couldn't do it.

"At this moment, L seemed to see through Yala's worries and said, "Minister, I've just seen it. An's movements were very smooth throughout the entire process. She didn't cheat.""

Yana scratched her head. "Is there any way to slow down the surveillance?"

"L said, "This is already the limit.""

""But there are no gamblers in this world who don't cheat."Yala frowned, "One leaf blinds the eyes! There is a saying in China called one leaf blinds the eyes. This girl is from China. She must have used a long-lost method! Find her, you must find her!""

"L smiled faintly and said slowly, "If you want to find her, it won't be difficult.""

"You have a way?"Yeller turned to look at L.

L turned the ring on his finger into a small screen. On the screen was a seven-inch photo of a person.
“This person is called Carl.”

Chapter 1454: 310: she stands out like a crane among chickens! 1

Carl?

“Yaler frowned slightly. “Who’s Carl? The person I’m looking for isn’t Carl, I’m Looking for An!” ”

“Yaler had been on the streets for so many years, but he had never met an opponent. ”

This was the first time.

“Moreover, the opponent was a girl. ”

“It was fine if she was a girl, but she was still Chinese. ”

“Although it was hard to see An’s face clearly, from her clothes and tone, one could vaguely tell that she was Chinese. ”

“After all, in the next few hundred years, China would be the most backward country. ”

It wasn’t a good feeling to be defeated by a girl from a backward country.

“Therefore, he had to find her. ”

It would be best if he could make An change his nationality and become her right-hand man to help him in the future.

It would be a waste for such a talent to be born in China.

“Thinking of this, Alar pinched his fingers, and a look of determination flashed across his eyes. ”

“Hearing this, L smiled and continued, “Minister, I know you are looking for An, but you don’t even know who Carl is, so how could you find An?” ”

““Who is Carl?” Alar turned to look at L, his eyes full of doubt. ”

“L continued, “Carl and An are partners.” ”

““Partners?” Alar asked, “An has partners?” ”

“Yes.” L nodded.

Alar narrowed his eyes. “How did you know that Carl and An are partners?”

“L continued, “I just looked at the casino’s surveillance footage. An and Carl came together. Their behavior is intimate, so they must be partners.” ”

He just looked at the casino’s surveillance footage?

“Alar continued, “We looked at the casino’s surveillance footage several times, but we didn’t see An’s partner from the beginning to the end. Are you mistaken?” ”

“L lit a cigarette, and a faint smile appeared in his eyes. “You didn’t see Carl. Someone tampered with the surveillance.” ”

“Hearing that someone tampered with the surveillance, a faint light flashed in Yaler’s eyes. “So, you repaired the surveillance?” ”

“Yes.” L nodded.

“When?” Yaler followed up with a question.

“L said, “When we were adjusting the surveillance speed.” ”

“As he said that, he bent down and restored the computer to the surveillance camera. “Minister, come and take a look over here.” ”

Alar walked over.

The computer screen showed the location of the casino’s entrance.

Carl stood there as if he was waiting for someone.

“A moment later, a figure in white clothes and black pants appeared in his field of vision. ”

“Although there were a lot of people gathered at the casino’s entrance, she had an extraordinary temperament. She stood out like a crane among chickens. It was difficult for people not to notice her. ”

“When Carl saw her, he quickly ran over. ”

“Because the distance was too far, the surveillance camera did not capture the speaker of the two of them. ”

“However, from this surveillance camera, it could be seen that the two of them were very familiar with each other. ”

It was true that Yaler had not seen this surveillance camera before.

“After looking at the surveillance camera, Yaler turned to look at Hibbert. “There’s a mole in the casino.” ”

“Otherwise, this surveillance camera would not have been deleted for no reason. ”

Hibbert was stunned.

“If there really was a mole in the casino, it would be his negligence. ”

It was a mismanagement.

“After all, he had just taken over the management of the casino a few months ago. ”

““It has nothing to do with the Mole,”L said immediately. “I suspect that An had someone hack this footage.” ”

Someone deliberately hacked the footage?

This reminded Yaler of the bounty on An’s head.

Who Was this An?

Who else did she offend?

Yala narrowed his eyes and did not say a word.

“Hearing that it had nothing to do with the mole, Hibbert heaved a sigh of relief, he continued, “Since you can fix the surveillance cameras that An entered, you must be able to fix the surveillance cameras

that An left, right? We've searched for a long time, but we still haven't found the surveillance cameras that An left!" "

"L continued, "This isn't a question of whether we can fix it or not, because An has never left the casino." "

"He didn't leave? How is that possible!"Hibbert said in surprise.

"L said, "All the time is connected seamlessly. After An entered the casino, he really hasn't left the casino, unless space and time are in disorder." "

"After he said that, L paused, as if he had thought of something. Then he continued, "Mr. Hibbert, is there a back door to the casino?" "

"Hibbert thought for a moment and continued, "There is, but the back door has been sealed for ten years!"Not to mention a girl, even if ten strong men came, they would not be able to get out through the back door. "

"Then how did she leave the Casino?"L narrowed his eyes. "Avoid the cameras?"

""Impossible!"Hibbert directly denied it. "There are more than 500 surveillance cameras at the entrance of the casino, unless she can transform." "

Chapter 1455: 310: she stands out like a crane among chickens! 2

L frowned.

Could it be that a living person would disappear into thin air?

“At this moment, Yaler suddenly said, “There is another possibility.” ”

“What possibility?” L asked.

““An changed her clothes,” Yaler said. ”

“Hibbert quickly reacted, “That is to say, from 2 o’clock onwards, anyone who walks out of the casino could be An?” ”

“Yes.” Ale nodded.

This was a bit difficult.

“Ranito was a famous gambling city in the country. There were a total of 10 gates, and the traffic at each gate was very high. ”

It was almost heel-to-heel.

“To find An among these people was as difficult as ascending to heaven, ”

““So,” Hibbert continued, “The most urgent thing is to find Carl.” ”

“Alar turned to look at L. and asked, “This Carl is from China?” ”

“Yes.” L. nodded and transferred the computer to Carl’s profile page. “Carl is 26 years old this year. He’s from China’s biter city.”

Alar nodded and turned to look at Hibbert. “Go and find this Carl right now.”

Finding a well-known Chinese with a height and appearance was much easier than finding a Chinese who didn't know anything.

Hibbert nodded. "I'll make the arrangements right away."

"L said, "I've checked. Carl is not a simple person. He has a connection with the ABA. If you want to find him, you might have to spend some effort." "

Aba?

The League of Nations?

Yaler narrowed his eyes. "Does that mean that An is also related to the ABA?"

"If that was really the case, things would be a little tricky. "

"L shook his head. "An is An, Carl is Carl. Although Carl is related to ABA, it doesn't necessarily mean that An is related to ABA." "

"Hearing this, Yala heaved a sigh of relief. "

...

On the other side.

Carl was standing on the streets of Beijing in China. He looked at the flight ticket information and immediately made a call.

"Soon, the call was connected. "

“Hello.” A clear and shallow female voice came from the other side.

“An?”

“Hearing this address, Ye Zao was stunned for a moment, then he said, “What’s the matter?” ”

“”An, I’m going back to China soon. The flight is at 4 o’clock this afternoon.” ”

“Ye Zao was about to say that he had a safe journey when he suddenly thought that the term “Safe journey” was not suitable for flying. He quickly said, “Have a safe journey.” ”

His tone was a little lazy.

“Carl continued, “An, we’re brothers after all. I’m going back to China. As brothers, you should at least come and send me off, right?” ”

“Although he had met ye Zhuo many times, ye Zhuo kept a tight lid on every time they met. ”

“Until today, Carl had never seen ye Zhuo’s true face. He was quite curious. ”

“Originally, Carl thought that he would be able to see ye Zhuo when he came to Beijing this time. ”

He didn’t expect that his efforts would come to naught.

“”I’m not free.” Recently, Ye Zhuo had a lot of things to do. ZY’s new season, Shunxi Financial Group’s annual Grand Ceremony, LK Group’s design, as well as the Chinese painting and calligraphy world, “But I should make a trip to C nation during this period of time. I’ll See You Then.” ”

“Okay.” Carl’s voice was more or less regretful. “Then I’ll see you in C Nation.”

""Okay, I'll see you in C Nation." "

"Just as Carl was about to say something more, ye Zao hung up. "

"Ye Zao Hung Up the phone, and Cen Shaoqing walked in from the door. "Leader, who called?" "

""A brother,"ye Zhuo said. "

A brother?

Cen Shaoqing was stunned.

Shouldn't they be sisters?

"Had their leader been too busy recently, and his mind was Dizzy? "

"CEN Shaoqing continued, "Uncle just called and asked us to go back for dinner tonight." "

"Ye Zhuo was stunned. Only then did he remember that since the last time, she had not gone back for more than a month. "Okay, then we'll leave early tonight." "

"Okay."Cen Shaoqing nodded slightly.

"At half past five in the afternoon, Ye Zhuo finished all his work and arrived at Cen Shaoqing's office. "

"Cen Shaoqing was sitting in front of his desk, processing documents. "

"Seeing her come over, the secretary was about to speak, but she saw ye Zhuo put his index finger to his lips and made a gesture of 'silence'. "

The secretary immediately understood and did not say anything.

“Ye Zhuo walked lightly behind Cen Shaoqing, reached out to cover his eyes, and said in a different voice, “Guess Who I am?” ”

The Secretary looked at Ye Zhuo with surprise in her eyes. She thought she was hallucinating.

This... This was Cen Yueya’s voice!

The secretary had been by Cen Shaoqing’s side for many years and knew the CEN sisters’ voices very well.

Chapter 1456: 310: she stood out like a crane in a flock of chickens! 3

This was Cen Yueya’s voice!

He did not expect ye Zhuo to have this ability.

Cen Shaoqing was also stunned.

“He even suspected that there was something wrong with his sense of smell. The fragrance that lingered at the tip of his nose was clearly unique to ye Zhuo, but this voice belonged to Cen Yueya. ”

“Cen Shaoqing’s thin lips parted slightly. “Leader, second sister is here too?” ”

Ye Zao released his hand and chuckled. “Yes.”

Cen Shaoqing looked up and saw Cen Yueya's figure.

"What was that voice just now?" Cen Shaoqing asked curiously.

"Take a guess." Ye Zao raised his eyebrows slightly.

"Cen Shaoqing said in surprise, "You imitated it?" "

"Does it look like it?" Ye Zao asked.

""Yes, very much so. I thought second sister was here!" Cen Shaoqing gave ye Zao a thumbs up. "Leader, you're really amazing!" "

""That's true." Ye Zao had a proud look on his face. "Otherwise, how would I lead you?" "

"That makes sense." Cen Shaoqing agreed with Ye Zao's words.

"Seeing this scene, the secretary at the side thought that he was hallucinating. "

Was this still the fifth master cen of the kaolin flower that he knew?

How did he become a bootlicker!

"At this moment, the secretary could only shout loudly, "Miss Ye is awesome!"! "

"Previously, there were many talents in the base who were discussing how Miss Ye managed to woo master five when he was so cold and aloof. "

Now it seemed.

Master five was clearly the one chasing after Miss Ye!

“How much longer do you need to finish your work?”Ye Zhuo continued to ask.

Cen Shaoqing flipped a page of the document in his hand. “About ten minutes or so.”

“Do you need help?”Ye Zhuo asked.

“No need. You can just sit there.”

Ye Zao nodded and sat on the chair. He took out his phone and started playing games.

“In the quiet space, the sound of games could be heard from time to time. ”

One kill!

Three kills!

Five kills!

“When he looked at Cen Shaoqing again, there was no reaction at all. ”

The Secretary felt that Cen Shaoqing had double standards.

“When Cen Shaoqing was single, he ziteng often came to the base office to look for him. Cen Shaoqing was busy, so he ziteng would take out his phone and play games. ”

“Cen Shaoqing would not only call he ziteng a retard, but he would also chase he ziteng out. ”

“Now that it was ye Zhuo, Cen Shaoqing actually did not dare to say a word.”

“Very soon, ten minutes had passed. Cen Shaoqing finished the last document and stood up to look at Ye Zhuo. “Leader, we can leave now.” ”

Ye Zhuo stuffed the phone into CEN Shaoqing’s hands. “This round isn’t over yet. Help me play a bit. I’m going to the washroom.”

Cen Shaoqing took the phone. “Hurry up and go.”

The secretary from before was only slightly stunned. The secretary from now was stunned.

Playing games!

“In his lifetime, he had actually seen Cen Shaoqing playing online games! ”

It seemed that he was playing rather well.

“The secretary rubbed his eyes, afraid that he had seen wrongly. When he opened his eyes again, this scene still did not change.”

The person playing the game was Cen Shaoqing.

“Not long after, Ye Zhuo came out of the bathroom. Cen Shaoqing had just finished one round and handed the phone to Ye Zhuo.”

“That round just now ended?”

“Yes.”Cen Shaoqing nodded slightly and twirled the Buddha beads.

“So Fast?”Ye Zhuo was a little surprised.

“”The other party surrendered,”cen Shaoqing continued, “Maybe I was too powerful and scared them.” ”

“You’re bragging.”Ye Zhuo put his phone into his pocket.

Half an hour later.

A handsome Maybach stopped at the entrance of the Lin family manor.

“The Butler immediately came out to welcome them. “Eldest miss, fifth master.” ”

“Ye Zhuo saw another car parked beside them. “Uncle Xiang, my uncle is back too?” ”

The butler nodded. “Yes.”

“”Apart from my uncle, is there anyone else?”Ye Zhuo continued to ask. ”

“The butler said, “Fourth master and his family of three have also returned.” ”

“OH.”

Cen Shaoqing took out a bunch of gifts from the trunk and followed ye Zhuo’s footsteps.

“Ye Zhuo said in surprise, “When did you prepare these?” ”

Cen Shaoqing lowered his voice. "Come to my father-in-law's house. What does it look like to be empty-handed?"

It was not strange to be courteous.

"Moreover, he was still in his internship period. "

"Ye Zhuo continued, "Is it heavy? Let me help you take some." "

"It's not heavy." Cen Shaoqing's tone was indifferent.

"The Butler rushed over and said, "Fifth Master, let me help you take it." "

"Cen Shaoqing looked back slightly and said, "Sorry to trouble you, uncle. There are still some in the trunk." "

"Okay!" The Butler immediately went to the trunk and took out the rest of the things.

"The hall of the Lin family was very lively. They had not seen each other for a long time, and now they were all gathered together to chat. "

The laughter continued.

"Burning and Shaoqing are back!" Xia Xiaoman stood up and said.

Chapter 1457: 310: she stood out like a crane in a flock of chickens! 4

"Fourth aunt."

“Fourth aunt.”

Ye Zhuo and Cen Shaoqing called out at the same time.

“At this moment, Ye Sen walked over from the side and grabbed Cen Shaoqing’s wrist. “Shaoqing, come over here. We just happen to be one person short of playing mahjong!””

Playing Mahjong?

“Cen Shaoqing touched his nose. “That uncle, I don’t know how to play Mahjong.””

“Before Cen Shaoqing met ye Zao, his biggest hobby in his free time was to recite Buddhist sutras or go to a temple to live.”

As for playing mahjong.

He really didn’t know how to.

“You don’t know how to play Mahjong?”Ye Sen was stunned. “How can a man not know how to play mahjong! Let Me Teach You!”

Ye Shu patted ye Sen on the side. “Don’t spoil the child!”

“In Ye Shu’s eyes, a man who didn’t Gamble and didn’t go whoring was a good man.”

Cen Shaoqing was very suitable for her son-in-law.

“After all, in this world, there really weren’t many men who didn’t even know how to play mahjong.”

""Don't worry, sister, I know what to do!"Ye Sen continued to pull Cen Shaoqing. "Go, go, go, Shaoqing, let's go over there!""

Cen Shaoqing followed ye Sen to the side.

"Sitting at the table were Lin Qingyang's youngest son, Lin Zhong, and Lin Qingyun's third son, Lin Zhao. With Ye Sen, it just so happened that one of the three was missing."

""Seventh cousin, little cousin,"Cen Shaoqing called out politely."

"Lin Zhao and Lin Zhong were already used to being called brother by someone older than them. They smiled and said, "Shaoqing, come! Oh right, where's little twelve?""

"CEN Shaoqing said, "Zao is over there talking to fourth aunt.""

Lin Zhao nodded.

Cen Shaoqing sat down on the chair.

"Ye Sen also sat down immediately. "Shaoqing, I'll tell you about the rules of Mahjong in a while!"After saying that, he looked at Lin Zhao and Lin Zhong. "This is Shaoqing's first time playing mahjong. You two have to be more tolerant!""

"Lin Zhao and Lin Zhong were a little surprised. "Shaoqing, you don't even know how to play Mahjong?""

"I've never played it before."

"Lin Zhong continued, "If you hadn't met our little twelve, wouldn't you have really become a monk?""

"Yes."Cen Shaoqing nodded slightly.

Lin Zhong had previously thought that the rumors were a little unbelievable.

“Who would really give up their wealth to become a monk, especially a person of high status like Cen Shaoqing.”

“Now, they really believed him!”

“Otherwise, would cen Shaoqing not even know how to play mahjong?”

“Ye Sen told Cen Shaoqing about the rules of Mahjong. “Shaoqing, do you understand?””

Cen Shaoqing nodded slightly. “Almost.”

““Since you understand, let’s begin!””

“The few of them took advantage of CEN Shaoqing’s newness and won three rounds in a row. Lin Zhong raised his head to look at Ye Sen, “Uncle, why don’t we start from the bottom? We won’t play with money anymore. We’ll play with turtles and lose one round. Everyone draw a stroke on each other’s faces. After that, we’ll take photos and post them on wechat Moments!””

Drawing turtles on CEN fifth master’s face and posting them on wechat moments made Lin Zhao very excited.

“Hearing this, Lin Zhao immediately nodded. “I agree with Ah Zhong’s words!””

“Ye Sen turned to Cen Shaoqing. “Shaoqing, what about you?””

“Okay.”Cen Shaoqing nodded slightly.

“Then it’s decided.” Ye Sen continued, “I’ll start drawing turtles from the bottom.”

Half an hour later.

“There were two little turtles in the forest. He looked at Ye Sen with a sad face. “Uncle, are you sure that Shaoqing is a newbie?””

How could a newbie play so well?

“At first, they wanted to draw a few little turtles on Cen Shaoqing’s face.”

“Unexpectedly, Cen Shaoqing’s face was still clean, but there were two little turtles on their faces.”

“Ye Sen also lost miserably. He looked up at Cen Shaoqing and asked, “Did you secretly record the cards?””

“Cen Shaoqing raised his eyebrows slightly and asked curiously, “There are only 108 cards in total. Do I need to record them?””

Ye Sen: “...” are you still human?

Why are these two so perverted!

Ye Sen suddenly remembered the first time Ye Zhuo went home and went to the casino with him.

In a flash.

So much time had passed

On the other side.

Ye Zhuo was sitting on the sofa and chatting with Xia Xiaoman.

“Recalling that Xia Xiaoman had asked her about the baby and even prescribed some pregnancy medication, ye Zhuo lowered his voice and said, “Fourth aunt, how are your medications?””

“In fact, if ye Zhuo had not asked, Xia Xiaoman would have taken the initiative to ask. She really wanted to have a child with Lin Qingxuan, but it had been such a long time and she had taken the medication, but her body had not responded. If this continued.., xia Xiaoman was starting to doubt whether she had some hidden illness!”

Chapter 1458: 310: she stood out like a crane among chickens! 5

“”It’s useless.”Xia Xiaoman shook her head and continued, “Zhuzhuo, why don’t you check my pulse again?” ”

“Okay.”

Xia Xiaoman reached out her hand.

“Ye Zhuzhuo reached out his hand and pressed on Xia Xiaoman’s wrist, focusing on listening to her pulse. ”

“A moment later, Ye Zhuzhuo let go of Xia Xiaoman’s hand and continued, “Fourth aunt, are you and fourth uncle taking birth control pills?” ”

“Birth control pills?”Xia Xiaoman shook her head. “Your fourth uncle and I wouldn’t even have time to have a child! How could we take birth control pills?”

Ye Zao frowned slightly. “Can you ask fourth uncle to come over and let me check his pulse?”

“Xia Xiaoman nodded. “Yes, I’ll call him right away.” ”

“Soon, Lin Qingxuan came over and extended her hand to ye Zao. ”

Ye Zao began to check their pulse.

Both of them were very healthy and there were no problems. The only thing they had in common was that both of them had taken birth control pills.

“Ye Zao continued, “Fourth Uncle, fourth aunt, try to recall if you’ve taken birth control pills with stronger effects during this period of time.” ”

“No.” Lin Qingxuan and Xia Xiaoman shook their heads.

“Ye Zhuo continued, “But from my diagnosis, the two of you seem to have taken birth control pills.” ”

“Xia Xiaoman frowned and said, “Zhuo Zhuo, didn’t you say that there were many vegetables with birth control pills on them? “During this period of time, other than eating outside, our family has sent the housekeeper to the countryside to buy organic vegetables in person. There shouldn’t be any random birth control pills.” ”

“Ye Zao said, “Logically speaking, it has been so long. The effects of the pills have long disappeared. They shouldn’t have remained in the body until now.” ”

“After saying that, ye Zao continued, “I’ll prescribe some more pills for you. This time, you and fourth uncle will drink them together.” ”

“Xia Xiaoman nodded. “Alright, then I’ll have to trouble you, Zao Zao.” ”

“It’s alright.” Ye Zao wrote the prescription and handed it to Xia Xiaoman.

Xia Xiaoman kept the prescription.

“After eating, Lin Qingxuan suddenly went to look for ye Zhuo. “Zhuzhuo.” ”

““Fourth uncle.”Seeing Lin Qingxuan, ye Zhuo immediately put away his phone. ”

“Lin Qingxuan continued, “Zhuzhuo, is it convenient to go to the study?” ”

“Yes.”Ye Zhuo nodded.

The uncle and niece came to the study.

“After closing the study door, Lin Qingxuan asked, “Zhuzhuo, tell fourth uncle honestly, is it fourth uncle’s problem?” ”

“Ye Zhuzhuo was stunned for a moment before he reacted. “Fourth uncle, you’re thinking too much. You and fourth aunt are both very healthy. There’s no problem at all.” ”

““Are you sure?”Lin qingxuan continued, “Actually, over the years, fourth uncle has already thought it through. It doesn’t matter if he has a child or not. Anyway, fourth aunt and I already have a daughter, Lizi! “If it’s really my problem, don’t hide it from me, Zhuzhuo. Don’t hide it from your fourth aunt either. It’s unfair to your fourth aunt.” ”

“Ye Zhuzhuo looked at Lin Qingxuan, he said very seriously, “Fourth uncle, don’t worry. You really don’t have any problems. Would I lie to You? “Actually, having a child has something to do with your mood. Sometimes, you can’t rush things. Fourth uncle, don’t feel pressured.” ”

“Okay.”Lin Qingxuan nodded. “I know.”

“After knowing that he didn’t have any problems, Lin Qingxuan heaved a sigh of relief. He was most afraid of letting Xia Xiaoman down. ”

“Perhaps it was because his marriage with Zhao Shuning was too depressing. Ever since he married Xia Xiaoman, Lin Qingxuan finally understood what it meant to be a good husband and wife. ”

On the other side.

“After an eight-hour flight, Carl appeared at the airport in China’s bitter city. ”

“As soon as he walked out of the airport, Carl felt that something was wrong. ”

It felt like someone was following him.

“But when he looked back, he didn’t see anyone! ”

Carl frowned. Could it be an illusion? Carl retracted his gaze and continued walking forward.

“At this moment, a mother carrying her child on her back quietly pulled up her collar and said in a low voice, “All teams, Carl has already discovered us. Remember to keep your distance!” ”

“Roger.”

“After getting into the car, Carl finally let down his guard. ”

Perhaps he had been on the plane for more than eight hours and was too tired to hallucinate?

Carl pinched his temples.

“Half an hour later, the car stopped in front of the apartment that Carl rented. ”

Carl got out of the car and walked to the driver's seat to pay.

"At this moment, Carl did not notice that there was someone standing behind him. "

"Under the dim street light, the man raised the stick in his hand. "

Bang!

"Chapter 1459: 311: Ye Zao Strikes, Aba's youngest executive officer! 1"

It was also at this moment that Carl saw the reflection on the ground.

"Seeing that the wooden stick was about to fall on the back of his head, Carl dodged. "

Bang!

It hit nothing!

"The person who ambushed Carl did not expect that Carl would notice him, nor did he expect that Carl would be so agile. "

"Just as Carl turned to counterattack, the person who ambushed Carl suddenly got into the back seat of the taxi. "

Whoosh —

"The car started the engine, and a cloud of dust rose in the air. The taillights disappeared into the night. "

Carl narrowed his eyes. It seemed like he wasn't hallucinating.

Someone had been watching him since he got off the plane.

Who were these people?

"Over the years, Carl had offended a lot of people on the street. For a moment, he couldn't figure out who these people were. "

Carl walked around downstairs for a few rounds before returning to the apartment. He activated the apartment's security system and heaved a sigh of relief.

On the other side.

China.

Beijing.

"At eight o'clock in the evening, Lin Qingxuan and Xia Xiaoman returned to the villa. "

"The maid, Auntie Sun, welcomed them. "Sir and Madam are back." "

"Auntie Sun."Xia Xiaoman handed the coat in her hand to Auntie Sun.

"Auntie Sun took the coat and said with a smile, "It's snowing outside. I made some ginger soup. Sir and Madam, please drink some ginger soup to drive out the cold." "

""Auntie Sun, you're Too Kind."Xia Xiaoman looked at Auntie Sun. "

“Auntie Sun came to work in the villa last year. Ever since she came to the villa, she worked seriously and didn’t talk much. Everyone in the Villa had a good impression of her.”

“Sister-in-law sun smiled and said, “Madam, you must be joking. This is all part of my job.” ”

“After saying that, sister-in-law sun hung up her coat and continued, “Madam, drink the ginger soup while it’s hot. It Won’t have any effect if it’s cold.” ”

Xia Xiaoman nodded. She reached out to pick up the ginger soup and took a sip.

“When the warm ginger soup entered her mouth, she immediately felt her entire body warm up.”

“After drinking the ginger soup, Xia Xiaoman turned to look at Lin Qingxuan. “You should drink it too.” ”

“Actually, Lin Qingxuan hated ginger a little. Usually, he would pick out the ginger from the stir-fried vegetables.”

It was simply too difficult for him to drink ginger water.

“Lin qingxuan frowned and said, “This thing smells too bad. I Can’t drink it.” ”

“Xia Xiaoman smiled and said, “You’re already so old. Why are you afraid of drinking this?” ”

“Lin Qingxuan repeatedly rejected her. “My body is healthy, so I’m not afraid of any cold air entering my body.” ”

“Auntie sun continued, “Sir, good medicine tastes bitter. Drinking this ginger soup won’t do you any harm.” ”

“”Auntie Sun is right.”Xia Xiaoman nodded. “If you really can’t drink it, then pinch your nose.” ”

“Since Xia Xiaoman had already said so, Lin Qingxuan couldn’t refuse anymore. He pinched his nose and finished the entire bowl of ginger soup.”

“After finishing the ginger soup, Auntie Sun took the bowl to the kitchen to wash it.”

“Looking at Auntie Sun’s back, Xia Xiaoman turned to look at Lin Qingxuan. “How much is Auntie Sun’s salary now?” ”

“Lin Qingxuan said, “It seems to be 8,500 yuan.” ”

“The capital was not like other places. In the circle of aristocrats, the prices were high, and the wages were much higher than other places.”

“Xia Xiaoman thought for a moment and then said, “Auntie Sun is so serious in her work and she’s a good person. Why Don’t we raise her salary to 10,000 yuan?” ”

“Sure.” Lin Qingxuan nodded. “I’ll listen to you. I’ll go talk to the butler in a while.”

“Auntie Sun took the bowls to the kitchen and washed them carefully. Then, she took them to the disinfection cabinet to sterilize them.”

“After doing all this, Auntie Sun was ready to go home from work.”

“The Butler walked over with a smile. “Auntie Sun, are you ready to go home?” ”

“Auntie Sun nodded. “Butler, do you still have something to do?” ”

“The butler continued, “Sir just came to look for me. He said that you have performed well recently and he wants to give you a raise.” ”

“AH? Really?” Auntie Sun said in surprise.

“The butler said, “Of course it’s true. Sir said that your salary will be increased from 8,500 to 10,000.” ”

“”Thank you, sir. Thank you, Butler.” Auntie Sun quickly bowed to express her gratitude. ”

“The butler smiled and said, “You’re welcome. You fought for this yourself.” ”

“Auntie sun said, “If there’s nothing else, I’ll go home first. My husband is still waiting for me to go back and Cook.” ”

“Go.” The housekeeper nodded.

Auntie Sun walked out.

It was snowing heavily outside.

“Half an hour later, Auntie Sun returned home. ”

“”You’re back.” Auntie Sun’s husband, Liu Fuhai, opened the door. He was still wearing an apron. ”

“Auntie sun said, “Have you already cooked?” ”

“Yes.” Sun Fuhai nodded. “Come in quickly. Let’s warm up and wash our hands. Then we can eat.”

Auntie Sun walked into the house and looked around. “Jiayi didn’t come back?”

“Chapter 1460: 311: Ye Zao, Aba’s youngest executive! 2”

“You’re back. You’re in the bedroom!” Sun Fuhai said.

“Auntie Sun continued, “Did you boil the soup?””

“Yes.” Sun Fuhai nodded. “It’s in the pot!”

Auntie Sun hung her bag on the wall. “I’ll go and bring the soup to Jiayi.”

““You should rest first.” Sun Fuhai smiled and said, “I’ll go in a while.””

“I’m not tired.”

Auntie Sun came to the kitchen and scooped out the soup. She carried it to Sun Jiayi’s room.

“Sun Jiayi was playing games. When he saw Auntie Sun come in, he looked up and said, “Mom, you’re off work.””

““Yes, I’m off work.” Auntie Sun nodded. “Are you playing games?””

Sun Jiayi acknowledged.

Auntie Sun handed the soup over. “I’ll play later. Have a sip of the soup first.”

“Put it there.” Sun Jiayi’s face was full of impatience.

“Auntie Sun said, “The soup will be cold later. Drink it while it’s hot.””

“At this moment, the hero that Sun Jiayi controlled was killed by the enemy.”

“Sun Jiayi looked at Auntie Sun and said unhappily, “Mom, it’s all your fault! They’re playing the game! What are you doing here? You’re so annoying!””

“”I’m sorry, I’m sorry. It’s all mom’s fault. Drink the Soup First!””

Sun Jiayi took the bowl and cleaned the soup inside.

“Only then was Auntie Sun satisfied. She smiled and said, “After this round, we’ll come out to eat.””

“Got it.” Sun Jiayi rolled her eyes. “Aren’t you annoying!”

Auntie Sun walked out of Sun Jiayi’s bedroom.

Sun Fuhai had already placed the dishes on the table. “Where’s Jiayi?”

“Inside.”

Sun Fuhai sighed. “This child only knows how to play games all day. What should we do in the future!”

“”What are girls afraid of?” Auntie Sun continued, “As long as she marries into a good family, she can enjoy a good life in the future!””

She was not a boy. She had to earn money to marry a wife and also support her family.

The girl was the one who was supported.

“Sun Fuhai nodded and said, “That’s true.””

"Auntie Sun sat down to eat. "I must find a good family for Jiayi! Let Jiayi become a rich lady."She had already been like this for her entire life, she could not start all over again. She could not let her daughter follow in her footsteps. She could not allow her daughter to be subservient and work for others."

"Thinking of this, Auntie Sun narrowed her eyes."

The next day.

Auntie Sun returned to the villa to work.

The Butler gave Auntie Sun a big bag of Chinese medicine.

"Auntie Sun was stunned for a moment before she continued, "This is Madam's medicine?""

"In order to successfully conceive a child, Xia Xiaoman had been taking medicine to recuperate her body."

"The butler said, "It's the medicine that Mr. and Mrs. Sun took together. From now on, we have to boil it every morning and evening and bring it upstairs.""

"Auntie Sun worked seriously and was very careful. Brewing medicine was not a small matter, so the Butler was not at ease leaving it to others."

"In addition, Xia Xiaoman trusted Auntie Sun More, so it was most suitable for auntie sun to handle this matter."

"Men also take it?" Auntie Sun was stunned when she heard that Lin Qingxuan also wanted to eat it together.

""Yes."The butler continued, "Quickly go and boil the medicine. Mr. and Mrs. will be up in a while.""

Auntie Sun nodded. "I know. I'll go and boil the medicine now."

It was five o'clock in the morning. Xia Xiaoman and Lin Qingxuan usually went out at seven thirty in the morning. Two hours was just enough to boil the medicine.

""Okay."The butler continued, "Remember to be more careful with Mr. and Mrs.'s medicine.""

""Don't worry, housekeeper. I know.""

"An hour and a half later, Auntie Sun brought the medicine to the dining room."

"Lin Qingxuan had already finished eating and was ready to leave. When he saw Auntie Sun bring the medicine over, he turned to look at Xia Xiaoman. "Are you going to start eating today?""

Xia Xiaoman took a bite of the steamed bun. "Eat early to see the effect."

"Lin Qingxuan nodded, picked up the medicine, gritted her teeth, and drank it in one gulp."

"Auntie Sun quickly handed him a candied fruit. "Sir, it won't be bitter if you eat a candied fruit.""

""No need."Lin Qingxuan waved his hand repeatedly. "Xiaoman, I'll be leaving first. I'll pick you up at the company tonight.""

""Okay, take care on the road.""

"Seeing Lin Qingxuan's figure disappear outside the door, Xia Xiaoman sat back in her chair and sighed softly."

"She had taken so much medicine, but there was no movement."

"Auntie Sun saw Xia Xiaoman's sadness and said, "Madam, this child's fate is fated. There are many times when you can't help but worry. Just let nature take its course.""

"Xia Xiaoman nodded and turned to look at Auntie Sun. "Auntie Sun, how many children do you have?"

"At the mention of this, Auntie Sun's eyes dimmed. "There was originally a son and a daughter. When my son was 10 years old, he fell into the lake during his summer vacation and drowned. Now there's only one daughter left.""

"I'm sorry." Accidentally mentioning Auntie Sun's sad story, Xia Xiaoman felt a little guilty."
