Chapter 1471: 313: I admit defeat wholeheartedly! 1

A card!

A card could be shot straight into the wall.

And it was three points into the wood!

Who among ordinary people had such strength?

Yala looked at the card with his eyes wide open. His eyes were filled with disbelief.

Who?

Who was the person who threw the card?

“The next second, footsteps sounded in the air. ”

Yala looked up.

A slender figure walked over. She was wearing a black windbreaker and a pair of black Martin boots.

She had a black hat on her head and the wide brim of the hat covered her eyes.

“Looking up, she could only see a delicate jaw and dark red lips. ”

It was cool.

It was also a little cold.

This scene suddenly reminded him of a movie.

It was seamless.

“However, she felt colder and more real than in the movie. She could make people intuitively feel a sense of fear.”

“When he watched the movie, he only felt that the plot of the movie was too exaggerated.”

“In this world, there was no real kung fu.”

Only now did he know.

The movie originated from life.

“Who are you?” Arle asked at this moment.

Carl’s eyes lit up when he saw who it was.

An!

It was An!

Carl did not expect ye Zao to appear at this moment.

“Just a moment ago, he thought that he would definitely die today.”

“Seeing Carl like this, Arle narrowed his eyes and looked at the person who came. “You are An!” ”

““Yes,” ye Zaoqian said. ”

Yes!

Alar did not expect ye Zao to admit it so easily!

How did she come in alone?

Could it be that she had a mole in Las Vegas?

“An!” Carl called out excitedly.

Ye Zao nodded at him.

“Carl immediately walked towards ye Zao. subconsciously, he wanted to stand behind ye Zao. ”

Only by standing behind ye Zao would Carl Feel Safe.

“Stop!” Yaler put his hand on Carl’s shoulder.

“At the same time, Yaler’s men also quickly reached for the gun at their waist and aimed at Carl. ”

Carl stopped in his tracks. His heart was stuck in his throat.

“The person you are looking for is me. Why do you have to make things difficult for Carl? Let him go. If there is anything, just come at me,” ye Zao said faintly. ”

“Are you really An?” Yaler asked.

“I am.” Although ye Zao’s voice was faint, it was filled with a powerful aura. ”

“Alar raised his head and looked at ye Zao. “If you want me to let Carl Go, I can do it. I have one condition.” ”

“Speak,” ye Zao said concisely. ”

“Alar continued, “Whose person are you? I want you to hand over your secret manual!” Ye Zao was able to win against Hibbert because of her secret manual, it was all because of her secret manual. She had cheated secretly. Yala had never seen any cheater who could escape from the cameras. ”

“Yala was the minister of La Nido Casino. If he mastered this secret manual, he would be invincible in the world! ”

“No sect, no sect.” ”

“No sect, no sect? ”

How could ye Zao let Hibbert lose so miserably?

The corner of Yala’s lips curled up.

How could it be!

“It seems that you don’t want to save Carl anymore.” Yala’s eyes turned cold.

“Since you don’t believe me...”ye Zao said as he took out two cards from his pocket. “Then there’s nothing I can do.”

He finished his last sentence.

Shua!

She threw the cards in her hand out.

“Yala was stunned. The shadows of the cards were reflected in his eyes. Just when the cards were about to fly to his head, he quickly pushed Carl forward. ”

Looking at the biting cold cards.

Carl was so scared that he closed his eyes.

Carl thought that he would die under Yaler’s gun. He did not expect that he would die under a card.

“The next second, a hand grabbed Carl’s shoulder. Then, he was pulled out by a force. ”

“Are you okay?”A cold voice sounded in his ear.

Carl quickly opened his eyes. He saw that he had been pulled back to safety by Ye Zhuo.

“At this moment, Alar chased after him. ”

“Alar was born as a gangster. The previous boxing champion was his teacher. In addition, he had also learned combat and Sanda. He had trained all his muscles and was able to fight 10 people at once. ”

“Among ordinary people, very few people could be his opponent. ”

Unfortunately.

The person standing in front of him today was ye Zao.

“Ye Zao was not afraid, but Carl was so scared that his legs were shaking. ”

“He was from C Nation, so he naturally knew how powerful Carl was. ”

“Although ye Zao was also very good at throwing cards, that was only the skill of his fingers. ”

But yaler had real strength and muscles.

“If they fought in close combat, Ye Zao would definitely be at a disadvantage. ”

“After all, Yaler’s figure was comparable to three ye Zao! ”

“”An, what should we do?”Carl was about to cry. ”

Chapter 1472: 313: I admit defeat wholeheartedly! 2

“Looking at Yala who was pouncing on him, ye Zao calmly pressed down on the hat on his head and said in a faint voice, “Don’t panic. Stand further away.” ”

“Carl took a few steps back. “An, be careful!” ”

Ye Zao acted as if he didn't hear Carl's words and continued to act nonchalantly. "Mind your own business."

It was also at this moment that Carl realized that Yala's men were walking towards him.

"Although Carl's skills were average, he could still barely see. At the very least, it would not be a problem for him to deal with one of Yala's men. "

"On Ye Zao's side, Yala clenched his fists and pounced towards him with a murderous aura. "

It was as if Mount Tai was pressing down on him.

"Ye Zao gently raised his hand and just like that, he clenched Yala's fist. "

It was as if someone had pressed the pause button in the air.

Yala looked at ye Zao with shock in his eyes.

He caught it!

Someone actually caught his fist just like that.

"Before Yala could react, ye Zao raised his left leg and gave a backward kick, followed by a shoulder throw. "

Carl's eyes were wide open.

He watched as ye Zao lifted Yala up and threw him onto the ground.

“The whole process was very intense, and Ya Lei was also beaten badly. However, ye Zao did not even mess up her hair, and her black hat was still firmly pressed on her head. ”

Bang.

It hit ya Lei’s head.

“The head was the most vulnerable part of the human body. Ya Lei only felt a pain as if his skull had exploded. It was as if more than a dozen cars had crushed him, and then he fell heavily to the ground. ”

Puff.

He spat out a mouthful of blood.

It was as if his chest had been burned by fire.

He had been on the streets for more than thirty years. This was the first time in history that Yala had met such a powerful opponent.

“Moreover, he was so young. ”

Yala was not convinced.

“He had been dominating for so many years, but now he was like a dead dog. He was beaten to the ground and was in a sorry state. ”

He wanted to get up.

He did not believe that he would lose to a little girl.

“But just as his hands were propped on the ground, intense pain came from his internal organs.”

He could not get up.

He actually could not get up.

Yala glared at Ye Zao.

“However, the person in question acted as if nothing had happened. He sat in front of his desk, his long legs crossed as he looked at Yala on the ground.”

“Yala’s subordinates wanted to help, but they were also controlled by Carl.”

They couldn’t do anything even if they wanted to.

“After a while, ye Zao took a sip of tea and stood up. “Mr. Yala, that’s all for today! If you dare to make things difficult for my friend again, I’m afraid that La Nido casino will have a new generation! Do you understand?””

“With these words, not only Yala, even Mike, one of Carl’s subordinates, felt a chill on the back of his neck.”

A change of dynasty.

“She meant to change the minister of La Nido Casino, but Yaly was the founder of La Nido. To change the dynasty of La Nido, unless...”

Yaly was dead!

“After following Yaly for so long, this was the first time Mike saw Yaly meet an opponent.”

“Moreover, this person was a little girl.”

“If he didn’t see it with his own eyes, Mike would never believe it.”

“Yala looked at ye Zao’s back and asked, “Are You Chinese?” ”

The only response to Yala was the sound of footsteps.

“Just as Yala thought that ye Zao would not reply, Ye Zao’s footsteps paused, and her clear voice sounded in the air, “Yes.” ”

“She had lived for two lifetimes, and she was Chinese.”

“Yala laughed loudly. “The tricks of a Chinese cheater are indeed amazing! However, I’m not convinced that I lost to a Chinese! I’m not convinced!” ”

“Ye Zao looked back slightly, “There’s an old saying in our country called ‘the heart of a villain measures the stomach of a gentleman’! “Let me tell you, our Chinese people have never disdained to use underhanded tricks. Only what kind of person you are will think of others as what kind of person you are!” ”

“Do you dare to say that you didn’t use any tricks when you beat Hibbert last time?”Yala asked.

Ye Zao smiled faintly. “Do I need to use any tricks to defeat you?”

“Hearing this laughter, Yala held his breath.”

What did ye Zao Mean by this?

Was he mocking him?

It was clearly ye Zao who had cheated.

But she refused to admit it!

“In this world, the winner was king, and the loser was a bandit. Now that he had been defeated by Ye Zao, even if he knew that ye Zao had cheated, what could he do?”

What right did he have to make ye Zao admit it?

But Yaler was still not convinced.

“Just as ye Zao’s figure was about to leave his sight, Yaler suddenly spoke, “An, do you dare to bet with me? Do you dare? You Don’t dare! There is a saying in your country called ‘Guilty Conscience’! You are guilty conscience now!” ”

Chapter 1473: 313: I admit defeat wholeheartedly! 3

“Goading?”Ye Zao curled his lips slightly. “Then I’ll fall into your trap today and make you admit defeat wholeheartedly!”

“Hearing this, Carl’s face turned pale with fear. It was not easy for him to leave this place, but ye Zao had promised to have a bet with him.”

“On the road, Yale was known as the father of gambling!”

“From this, it could be seen how terrifying his strength was.”

But now...

Ye Zao had actually agreed to a bet with him.

Although ye Zao was also very powerful.

But what if he made a mistake?

““An, don’t be so impulsive.” Carl tugged at ye Zao’s sleeve.”

“Don’t worry.” Ye Zao’s tone was indifferent.

“Ye Zao felt that he was much better now. He put his hands on the ground and tried to stand up. Seeing this scene, Mike could not care less about his injuries. He immediately ran to Ye Zao’s side and helped him up, Yale wiped the blood from the corner of his mouth and continued, “Your country has another saying, ‘Jun, jun...’”

“At this point, Yale couldn’t think of what the last sentence was.”

“Ye Zhuo continued, “A man of his word can not be taken back.””

““Yes.” Yale covered his chest and coughed. “That’s it! I hope you won’t go back on your words and keep this in mind at all times.” In fact, Yale had never really dealt with Chinese people, he had only heard of Chinese people from other people’s mouths.”

“Greedy, selfish, and untrustworthy. These words had almost become the exclusive labels of Chinese people.”

“Although ye Zao did not look like the kind of person who would go back on her word, no one knew what kind of person she was! What kind of person was she!”

“Don’t worry, I never go back on my word.””

“Yala nodded. “Alright, I’ll trust you this time.””

“After saying that, Yala whispered a few words to Mike.”

“Mike nodded. “Alright, Minister, I’ll do it right away!””

“Go ahead.”

“Soon, Mike arranged for someone to bring a table in.”

There was a complete set of dice cups on the table.

“Yala continued, “Today, we’ll play a different game. We’ll roll the dice and win two out of three games!””

“Since ye Zao was good at playing shuffleboard, then today, he would play something that he was good at!”

“This time, he would definitely win against ye Zao.”

“Sure.”Ye Zao nodded slightly.

Yaler felt that ye Zao was a little conceited.

Rolling the dice was different from shuffleboard.

“It was not easy to cheat with the dice. It was a test of true ability. Moreover, Ye Zao was not good at this at all. If he were ye Zao, he would definitely not agree to this method of playing.”

“After all, one must act according to one’s ability.”

“Yala continued, “Since it is a competition, there must be some rewards. An, if you lose, I want you to bow down to me!””

“”No problem.”Ye Zao played with the cards in his hand. “If you lose, I want 50% of Ranito’s shares.””

Yala was stunned.

“Why don’t you dare to Bet?”Ye Zao raised his eyebrows slightly.

“Aren’t you a little too confident!”Yala looked at Ye Zao and narrowed his eyes.

“Ye Zao curled his lips slightly. “It’s not that I’m too confident, but you’re definitely going to lose.””

Lose?

Yala clenched his right fist.

No!

He wouldn’t lose!

“”Do you dare to Bet?”Ye Zao flicked the cards in his hand out. “If you don’t dare to bet, then don’t waste your time.””

“”In this world, there’s nothing that I, Yala, don’t dare to do!”Yala raised his head and looked at ye Zao.”

“Okay.”Ye Zao nodded slightly. “You have guts!”

The two of them sat opposite each other at the table.

“Carl stood beside ye Zao. “An, you must work hard! You must not lose!””

“When has dad ever lost?”Ye Zao raised his eyebrows slightly.

“Yes.”Carl nodded. “I believe in You!”

“Alar’s chest still hurt a little, and he could not help but cough.”

“His assistant Jack said with some peace of mind, “Director, I’ll ask Dr. John to come and take a look at you!””

“”No need,”Yala refused directly.”

“He wasn’t a big problem. In short, he couldn’t affect his match with Ye Zao.”

“Ye Zao took out a bottle from his pocket and threw it in Yala’s direction. He opened his red lips slightly and said, “Take it.””

Yala subconsciously reached out to take it. “What’s This?”

“Qi-strengthening pills. It’s a new achievement in the medical world. It will help with your injuries.”Ye Zao’s tone was indifferent. “I don’t want people to say that I won unjustly.”

“Yala opened the bottle cap with one hand and poured out a pill. He was about to swallow it, but Jack stopped him. “Minister! The Chinese have always been cunning! Don’t fall for her trick!” No one knew what kind of medicine Ye Zao gave him.”

““We An are not that kind of people!” Carl looked at Jack and continued, “Just like the Old Chinese saying, a dog bites Lu Dongbin and doesn’t know how to appreciate a good person! If you don’t want to eat it, return the medicine to us! Do you know how precious this medicine is? !””

Chapter 1474: 313: I admit defeat wholeheartedly! 4

Yala did not say anything else. He directly swallowed the pill in his palm.

Ye Zao raised his eyebrows slightly.

This Yala was a straightforward person.

Jack was shocked by Yala. “Minister! Are You Alright?”

Yala raised his hand slightly. “I’m fine.”

“Not only was he fine, Yala also felt that the pain from his internal organs seemed to have disappeared without a trace. He was also full of energy.”

“He thought that this was a very ordinary pill, but he did not expect it to have such a great effect.”

“Ya Lei raised his head in surprise, “What is this pill called?” ”

““Qi strengthening pill.”Ye Zhuo continued, “How do you feel now?” ”

“Very good!” Ya Lei said.

“Ye Zhuo nodded, “In that case, can we start?” ”

““Yes!” Ya Lei made a ‘please’ gesture, “An, the guest is the guest, you start first.” ”

“Then I won’t stand on ceremony.” Ye Zhuo picked up the die Gu and lightly shook it twice before placing it on the table.

The entire weighing process took less than ten seconds.

“Ya Lei was stunned, he was starting to doubt if Ye Zhuo really knew how to play dice. ”

The number of points in the DICE Cup depended on the strength and skill of shaking the die Gu.

But Ye Zhuo only shook it for a few seconds?

“As expected, he was still a child. ”

A faint smile appeared on Ya Lei’s lips.

“Do you want to guess the number of points?” Ye Zhuo asked.

“Actually, the number of points in the dice could be determined from the sound. ”

“But Ye Zhuo shook it for too short a time, Ya Lei did not have time to listen carefully before Ye Zhuo let go. ”

“However, even if ya lei did not listen carefully, he could guess that the number of points in the dice gu was definitely not high.”

Ya lei smiled: “What do you think?”

“I think it’s three fives!”Ye Zhuo’s tone was clear and shallow.

Three Fives?

How was that possible!

“There were three dice in a dice cup, and the maximum number of points in each dice was five.”

Ye Zhuo wanted to get three fives?

He was dreaming!

“Not to mention ye Zhuo, even he would not be able to get three fives in a short period of time.”

Thus.

It was impossible!

““An, are you dreaming?”Ya Lei said.”

“Ye Zhuo smiled faintly, when did he open the die gu, “Mister Ya Lei, who is Dreaming?” ”

“When he saw the points on the table, Ya Lei was stunned.”

“How, how could this be!”

It was really three fives!

Ya Lei picked up the three dice and looked at them carefully.

“At first, when he saw the three fives, he thought that ye Zao must have changed the dice secretly.”

“However, after checking, he found that there was nothing wrong with the dice.”

“He had personally customized this dice in country A, and there was a mark on it.”

How could this be!

Yala swallowed his throat and tried hard to calm himself down.

Calm down.

You must calm down.

“This was definitely an accident, yes, it was definitely an accident.”

Two out of three wins.

There were still two rounds left!

He could not possibly have such good luck in every round.

“Ya Lei composed himself, placing the die into the die Gu and shaking it vigorously.”

“Ye Zhuo squinted, his ears moved as well.”

About a minute later.

PA!

“Ya Lei slammed the die Gu on the table, turning to look at ye Zhuo, “Guess?” ”

“Ye Zhuo said slowly, “Three points, six points, five points.” ”

““I have to admit, you are indeed very confident, but unfortunately, you guessed wrong.”Ya Lei smiled, he knew better than anyone the number of points in the die Gu that he had shaken, and then ya lei opened the die Gu. ”

“Seeing the number of points on the die, Ye Zhuo raised his eyebrows, “Mr. Ya Lei, am I too confident, or are you being conceited?” ”

Ya Lei was stunned.

How could this be!

He was rolling two fives and a six!

Why did one of the Fives become a three?

“Without a doubt, he lost to Ye Zhuo in the first round. ”

But there was no need to worry.

There were two rounds left.

He had to crush ye Zhuo in the next two rounds.

“Under ya Lei’s puzzled gaze, Ye Zhuo picked up the dice gu and casually shook it twice before placing it on the table.”

Less than ten seconds later.

“Ya Lei narrowed his eyes, what time was this?”

Ye Zhuo directly picked up the die Gu.

“When he saw the number of points on the die in the air, Carl exclaimed, “Oh my God! Three Sixes! An, you are amazing! I admire you so much! You are my idol!” ”

This scene also scared ya lei.

Yala did not expect this result.

“In the last round, Ye Zhuo had rolled three sixes. Yala felt that ye Zhuo was extremely lucky.”

Then...

What about this time?

“One could be considered lucky, but what about two times? Was two times still lucky?”

Chapter 1475: 313: I admit defeat wholeheartedly! 5

“Ya Lei gulped, his face was full of disbelief. ”

“After a long while, ya lei finally reacted, he picked up the die GU and shook it vigorously. ”

Three Sixes.

It had to be three sixes.

“A moment later, ya lei placed the die Gu on the table and took the die Gu. ”

“Two sixes, one five. ”

He lost again!

“Two out of three wins, Ye Zhuo had won twice against ya lei, the remaining round was meaningless. ”

But Ya Lei was not convinced.

“Even if he lost, he had to defeat ye Zhuo in this last round! ”

“Again?”Ye Zhuo asked.

“We agreed on three rounds!”Ya Lei said.

“”Alright.”Ye Zhuo nodded slightly, picked up the die Gu and shook it three times rhythmically, then placed it on the table and opened the die Gu. ”

““Oh my God!” Carl screamed: “An, how did you do it?” ”

“The three dice were stacked together, forming a rectangular shape, and the points were all six! ”

“Seeing this scene, Yala’s blood flowed back, and all his strength seemed to be sucked away at this moment. He slumped on the chair like dead wood. ”

Terrifying.

It was too terrifying.

“After so many years, Yala finally experienced the feeling of meeting an opponent. ”

““I, I admit defeat!” Yala said. ”

“Ye Zhuo pressed the brim of his hat, and his tone was still clear and shallow. “Mr. Yala, aren’t you going to check if there’s a problem with the dice?” ”

“No need to check.” Yala waved his hand. “It’s my fault for not being as good as you! It’s my fault for judging you!”

“Carl was a little speechless. “If you had recognized this problem earlier, you wouldn’t have had to go through so much trouble.” ”

Yala smiled bitterly.

He had always thought that there was no true God of gamblers in this world. He never expected to be taught a lesson by a little girl.

“After standing on the high ground for a long time, this was the first time Yala had experienced ‘losing’.”

This feeling was really unbearable!

“Ye Zhuo picked up a tissue and slowly wiped his hands, “I still have something to do, so I’ll leave first. As for the shares, just look for Carl directly.” ”

“After saying that, Ye Zhuo looked at Carl. “Let’s go.” ”

Carl followed ye Zhuo’s footsteps.

“Alar looked at ye Zhuo’s back and said, “An, aren’t you afraid that I’ll go back on my word?”That was 50% of Ranito’s shares! ”

“Ye Zhuo said without turning his head, “I believe you.” ”

I believe you.

“It was clearly a very simple word, but it made alar freeze on the spot. ”

This made him think of his brothers who had gone through thick and thin together when he was young.

“Once, his brothers had also trusted him so much. ”

Unfortunately.

Things had changed a long time ago.

“Carl followed ye Zhuo out of Ranito gambling city. “An, you’re really amazing. Even Yala was defeated by you. By the way, aren’t you afraid that Yala won’t keep his word?”Yala was not a good person, what could he not do? ”

“Ye Zao curled his lips slightly. “Don’t worry, he’s not that kind of person.” ”

“Although Yaler was not a righteous person, he was not the kind of person who would go back on his words. ”

“How do you know?”Carl asked.

“Ye Zao continued, “Because I can see from his eyes that he was once a person with faith and passion.” ”

“You can even see that?”Carl could not believe it.

“Ye Zhuo smiled, “When you have experienced more, you will naturally understand.” ”

Experienced More?

She said it like she was someone who had experienced the vicissitudes of life.

Carl scratched his head. He was clearly a few years older than ye Zhuo.

He was already 28!

Ye Zhuo was only 20 years old!

The two of them had just walked out of Las Vegas when Smith’s elite team of ten men that was assigned to Ye Zhuo ran over. “Miss Ye! Mr. Carl!”

Ye Zhuo nodded slightly. "Carl is fine now. You guys should return to the team as well."

"Yes, Miss Ye!" "

"In fact, these ten people were a little unconvinced of ye Zhuo at first. It was not until ye Zhuo entered ranito alone and brought Carl out unscathed that they changed their opinion of Ye Zhuo. "

This young girl was much more powerful than they appeared to be!

Carl looked at ye Zao curiously. "Who are they?"

"Ye Zao said, "The people that Miss Smith assigned to me." "

"Carl was stunned. "So, Miss Smith already knows about this?" "

"Yes."Ye Zao nodded slightly.

On the other side.

Selead branch.

"When Miss Smith heard that ye Zao had brought Carl out of Ranito casino intact, her face was full of disbelief. "Really?" "

The captain nodded. "We saw Miss ye bring Mr. Carl back with our own eyes."

"Then where are they?"Smith asked immediately.

"The captain continued, "They're on the way. They should be arriving soon!" "

Downstairs.

Polly had been fighting against L.

But L. was too powerful.

“Not only did he not have the ability to fight back, but he had even disabled the entire SELEAD branch’s system!”

“Currently, not a single computer in Selead could be used.”

Polly was very anxious. His forehead was covered with layer upon layer of cold sweat.

“Adar had been consoling him by the side. “Polly, don’t worry. Take your time. Isn’t it just an L. ? You can even restore his surveillance, and you can still defeat him! I believe in You!” ”

“Polly looked up at yardar, “Mr. Yardar, I, I, I may have to disappoint you. L is too powerful. Moreover, the virus is different from the recovery photos...” ”

““It’s okay, it’s okay.”Yardar patted Polly’s shoulder, “You’re already very powerful if you can recover the surveillance photos that L hacked personally! I’ll explain it to the headquarters. At most, we’ll change all the systems!” ”

““Change the systems! Mr. Adar, you make it sound so simple! If we really change the systems, then what about our confidential documents?”The deputy executive came down from upstairs, “The surveillance footage that L hacked was originally recovered by Miss Ye! You insisted on taking credit for Polly! Now what? You’re embarrassing yourself! If you don’t have a diamond in the rough, then don’t take on this porcelain job!” ”

““Mr. Deputy Executive Officer, do you know what you’re saying?”Adar furrowed his brows tightly. “Boli can at least contend against L for so long! If it was that Chinese person, he would have been scared to tears long ago!” ”

The deputy executive officer snorted coldly. "I'm very clear about what I'm saying! There are some people who have never seen their own weight! Shamelessly taking credit for others!"

"Since you think your miss ye is so powerful, then let her come! I think your Miss Ye can't even protect herself now!" "

Yadar already knew that ye Zao went to Ranito Casino with only ten people to find Yadar.

Who Was Yadar?

Someone like ye Zao was just courting death?

"Stop arguing!" Smith came down from upstairs.

"Adar looked at Smith. "Miss Smith, you heard what the Deputy Executive Officer said just now. Please punish him severely!" "

"You shut up too!" Smith looked at the door and smiled. "Miss Ye, you're back!" "

Adar looked at the door.

When he saw that.

He was immediately stunned!

"He saw that not only did ye Zao come back, but he also brought Carl back. "

"Carl, it's great to see that you're okay!" Miss Smith walked to the side of the two people. "

“After saying that, Smith bowed to ye Zao again. “Miss Ye, thank you!” ”

““Carl and I are friends to begin with. Miss Smith, you don’t have to be so polite.” ”

Adar rubbed his eyes and believed that it was not fake.

Ye Zhuo really brought Carl back!

“Smith continued, “Miss Ye, I have one more thing to ask of you!” ”

“Chapter 1476: 314: terrifying, torturing him non-stop! 1”

Ye Zao being able to go alone to ranidou and bring Carl out unharmed was enough to prove her ability!

“If Smith still had doubts about ye Zao in the morning, then now, Smith did not have any doubts at all!”

She believed in ye Zao.

“Although the little girl in front of her was young and slim, the power contained in her body was infinite.”

“Thinking of this, Smith continued, “Please Promise me, Miss Ye.””

““Miss Smith, go ahead.”Ye Zhuo turned to look at Smith.”

“Smith continued, “Because of the surveillance, L hacked all the computers in our SELEAD branch. I hope...””

“Smith found it difficult to say the rest. After all, she did not trust ye Zhuo and thought that Polly had restored the surveillance.”

Smith was very regretful now. He regretted that he did not trust ye Zao back then.

““So, Miss Smith, you hope that our Miss Ye can help you fight against L. Restore the system, right?” Bai Xiaosu said from the side.”

“Yes.” Smith nodded.

“Bai Xiaosu smiled and said, “But isn’t the person who restored the surveillance to Mr. Polly? “Miss Ye doesn’t even have the ability to restore the surveillance. How can she help you fight against L. ? “Miss Smith, you should say this to Mr. Polly. I believe that Mr. Polly will definitely be able to successfully defeat L.””

Ye Zhuo was indifferent to fame and fortune. He could let this matter go.

But Bai Xiaosu could not swallow his anger.

“Ye Zhuo was clearly the one who restored the surveillance, but Smith allowed Adar to forcefully pin the credit on Polly.”

“If L didn’t come looking for him, then wouldn’t the credit belong to Polly?”

This was too unfair to ye Zao.

“Smith looked guilty. “Leader Bai, this is all a misunderstanding. The person who restored the surveillance has always been Miss Ye. It has nothing to do with Polly!””

“Is that so?” Bai Xiaosu put on a fake smile.

“Yes.” Smith nodded.

“Bai Xiaosu continued, “Miss Smith, don’t you think that what you said is too simple? If it wasn’t for the fact that Polly couldn’t handle L. , wouldn’t the misunderstanding continue?””

“Smith was stunned for a moment, then he turned to yadar, “Yadar, hurry up and bring Polly over to apologize to Miss Ye.””

Yadar was very unwilling.

“The surveillance footage was clearly restored by Polly, yet ye Zao shamelessly said that she was the one who restored it and even made him apologize!”

On what basis?

Yardar did not want to apologize.

“Polly walked over to Yardar’s side. “Mr. Yardar, let’s go and apologize to her.””

Yardar snorted coldly. “What right does she have to make me apologize to her?”

“Polly lowered his voice and said, “Mr. Yardar, do you think she can contend with L. ?””

“Just her? She doesn’t even have the right to serve L. Tea and water!”

“It was not that Yardar looked down on ye Zao, but ye Zao really did not have the ability to do so.”

“When Country F had computers, the Chinese still had small braids!”

Ye Zao wanted to defeat L. ?

Dream On!

“Polly smiled and said, “So, let’s go apologize first. There’s a saying that the higher you stand, the worse the fall.””

“Hearing that, Adar narrowed his eyes.”

He felt that Polly was right.

“If they apologized to ye Zao now, Ye Zao would not be able to defeat L. Let’s see how ye Zao would raise his head in front of everyone!”

“”Mr. Adar, let’s go.””

Adar nodded and followed Polly’s footsteps. The two of them walked to ye Zao’s side.

“”Miss Ye, it was all my fault before. You were the one who restored the surveillance cameras. I shouldn’t have taken away the credit that belongs to you. There’s a saying in China that the Prime Minister can hold a boat in his stomach. I hope that you won’t lower yourself to the level of a small fry like me.” Polly bowed deeply to ye Zao.”

“Adar also apologized, “Miss Ye, I’m also at fault in this matter. I hope you won’t hold a grudge against me!””

“Although Polly and Adar were apologizing, ye Zao could see from their eyes that they were looking at a joke.”

“Ye Zao was originally too lazy to intervene in this matter. After all, her purpose in coming to C Nation was to save Carl. Now that Carl was fine, it was time for her to go back.”

Now.

“Since someone was looking for trouble, wouldn’t she be a disappointment if she didn’t make a move?”

“Ye Zao smiled faintly. “As a man, you don’t care about the faults of a villain.””

The smile on Adar’s face froze at the corner of his mouth.

He was just being polite when he said that a man didn’t care about the faults of a villain.

But the meaning behind ye Zao’s words was clearly that he treated him as a villain!

“Chapter 1477: 314: it’s so terrifying, it won’t stop torturing the scum! 2”

“Hearing this, Miss Smith quickly smiled and said, “If that’s the case, then I’ll have to trouble you, Miss Ye!” ”

“Where’s the main computer?”Ye Zao looked at Smith.

“Smith made a ‘please’gesture. “Miss Ye, please follow me this way.” ”

Ye Zao followed Smith’s footsteps.

Everyone came to the main computer.

“Ye Zao leaned over and sat down. On the pitch-black computer screen, there was only a bright red “L”. Ye Zao was about to raise his hand when Bai Xiaosu said, “Miss Ye, Wait.” ”

Ye Zao stopped.

“Bai Xiaosu looked at Smith, then he said, “Miss Smith, you have to look carefully. Before our miss ye made her move, there was nothing on the computer. Don’t make the same mistake again and push the credit of our miss ye onto Polly! “Mr. Polly, if you can defeat L, then come out now!” ”

Polly didn’t say anything.

He felt that Bai Xiaosu was humiliating him!

“He knew that he couldn’t do it, but he still said it on purpose. ”

“But soon, Polly was relieved. ”

Because Bai Xiaosu wouldn’t be able to laugh for long!

Ye Zao could defeat L?

In his dreams!

“By then, ye Zao would only be in a worse state than he was now. ”

“Smith hurriedly said, “Don’t worry, team leader Bai, that’s definitely not the case!” ”

““Miss Smith, remember what you said.” ”

The deputy executive officer walked down from upstairs and saw ye Zao sitting on the main computer. He immediately heaved a sigh of relief. There was hope! There was hope!

Their Selead branch was saved!

“Afraid that his eyes were playing tricks on him, the deputy executive officer wiped his eyes with all his might. After confirming that his eyes were not playing tricks on him, he quickly ran to ye Zao’s side, “That’s great! Miss Ye, you’re finally back! I’ve already said that you have to do it yourself! Miss Ye, do you want some water? I’ll get you some!” ”

“”Thank you, I’m not thirsty.”Ye Zao raised his eyes slightly. ”

“After saying that, ye Zao started to move. His ten fingers quickly jumped on the keyboard. The speed was so fast that only afterimages could be seen. ”

“Before long, the computer that was originally a black screen suddenly changed to a page full of code. ”

“The computer reflected a fluorescent light on her serious face, appearing cold and aloof. ”

Everyone looked at her like this. They couldn’t even bear to blink their eyes.

On the other side.

“L, who was sitting in front of the computer and smoking, suddenly put out the cigarette in his hand. He sat up straight, pressed the mouse with one hand, and pressed the keyboard with the other. He quickly counterattacked. ”

“Although I couldn’t see the scene on the other side of the computer, the constantly changing progress bar told him that there was a new person on the other side. ”

“If he guessed correctly, this person was the one who hacked his firewall and restored the surveillance. ”

He’s Here!

He's finally here!

"When he encountered a real opponent, L didn't dare to relax. He put in 120% of his energy and went all out."

However...

It was obvious that he had underestimated the opponent.

"In less than ten minutes, the source of the virus that he created was mostly eliminated by the opponent."

"Moreover, the opponent could come back at any time."

How could this be?

"Looking at the constantly changing code on the computer, L's eyes were filled with disbelief."

Over here.

Polly had been standing behind ye Zao the whole time.

"Even now, he could not tell if ye Zao knew anything about computers."

"With such third-rate technology, he still wanted to defeat L?"

Dream on.

Polly's eyes were filled with ridicule.

“Five minutes later, Adar pulled Polly to the side and asked curiously, “How is it?” ”

Polly shook his head. “Nothing much! I suspect that Chinese person doesn’t know anything about computers at all. I really can’t see what she’s trying to do!”

“Polly was a top computer expert. Other than L. , there were very few people who were his match. Even Polly could not see what ye Zao was doing. From this, it could be seen that ye Zao really did not have much ability. ”

“Hearing this, Adar heaved a sigh of relief. ”

“Adar did not know anything about computers. Seeing that ye Zao was so fast, he thought that ye Zao really had some amazing hacking skills. ”

Now it seemed that it was just some tricks to fool people.

On L.’s side.

“Although only twenty minutes had passed, only L. knew how difficult these twenty minutes had been for him. ”

“In the beginning, the other party was just cleaning up the virus. ”

“But now, the other party had actually launched an attack on him. ”

“As the code kept changing, the incredulous look in L.’s eyes became more and more intense. ”

“As the number one hacker in the world, he had never known that someone’s hacking skills had reached such a level of perfection. ”

Terrifying.

It was too terrifying!

“Chapter 1478: 314: it’s So Scary, and it won’t Stop! 3”

Who is he?

“L had been out of the hacker world for many years, but he had been keeping an eye on the hacker world all these years.”

“As far as he knew, this year, the only new blood in the hacker World Was Z.”

“So, was this person Z?”

L narrowed his eyes.

“At this moment, the computer that was originally bright suddenly turned black.”

L quickly pressed the shortcut key.

Unfortunately.

He was still a step too late.

A moment later.

Two words slowly appeared on the computer screen —

Brother!

“As a C citizen, L naturally couldn’t recognize the words that had been crossed out. ”

But he subconsciously felt that these two words were somewhat familiar.

“L took out his cell phone, took a picture of the words on the computer screen, and sent it to a friend. ”

Selead branch.

Ye Zao slowly pressed the Enter Key.

The hack was successful!

Ye Zao looked back at the Deputy Executive Officer. “Go and inform everyone that all the computers are ready to use.”

“The deputy executive officer was stunned at first, and then said in disbelief, “Really?” ”

“Yes.”Ye Zao nodded slightly.

“When Adar heard this, his face was full of disbelief. ”

“Even if ye Zao wanted to brag, he wouldn’t do so. ”

How long has it been?

Half an hour!

“Putting aside whether ye Zao had the ability to defeat L. , even if she really had the ability, she wouldn’t be able to defeat L. in half an hour! Restore the system!”

“The deputy executive officer continued, “Then I’ll go and inform everyone now!” ”

“Okay.”Ye Zao nodded slightly.

“Before the deputy executive officer could inform him, Chris ran over breathlessly. “It’s working! It’s working! Our computers are working!” ”

“At this moment, Smith also reacted. “Are you sure?” ”

“Yes!”

“Smith said excitedly, “That’s great!”Then he turned to look at Ye Zhuo. “Miss Ye, thank you!” ”

““You’re welcome.”Ye Zhuo continued, “In addition, I have installed a security defense system on this main computer. If there is any hacking next time, this software will automatically intercept it. I have already recorded the account and password in my notebook.” ”

“Okay.”Smith nodded.

Polly’s face turned pale.

That won’t happen.

How could it be!

How could ye Zao defeat L. !!

That Was L.

“Facing L. , he didn’t even have the ability to fight back. ”

“Moreover, Ye Zao was a Chinese. ”

Coincidence.

It must be a coincidence.

“Otherwise, L decided to stop at the last minute and let ye Zao take advantage of him. ”

“If he could hold on until now, he would not let ye Zao take advantage of him. ”

Polly was feeling very uncomfortable now.

He had mixed feelings.

“Bai Xiaosu smiled and turned around. “Mr. Polly, don’t you think that our Miss Ye has taken advantage of you again?” ”

“Polly was in a difficult situation and could not speak. He only hated himself for not holding on for a few more minutes. He smiled and said, “Team leader Bai, you misunderstood me. I didn’t mean it that way.” ”

“This time, he admitted defeat. ”

“Hearing these words, Adar’s face turned pale. ”

He did not expect this to happen.

“He had originally been waiting to see ye Zao make a fool of himself. Unexpectedly, he had brought disgrace upon himself and let others see their joke.”

...

“After leaving the Selead branch, Ye Zao strolled along the streets of C Nation.”

“At this moment, the sound of footsteps could be heard, followed by an incredulous voice, “Ye Zao?” ”

Ye Zhuo looked back slightly and saw a figure dressed in a black suit.

“His features were handsome, and his temperament was relaxed.”

This was...

Song Shiyu.

“Brother Song.”Ye Zhuo was still very surprised to see song Shiyu on the streets of C Nation.

“Song Shiyu smiled and said, “I didn’t expect to see you here.” ”

“”I didn’t expect it either,”ye Zhuo continued, “Brother song, are you here on Business?” ”

“Yes.”Song Shiyu nodded slightly.

The assistant behind him was stunned.

Why didn't he know that their boss was here on business?

"As soon as he finished speaking, Song Shiyu continued, "Have you eaten? I know a restaurant nearby that requires a card to come to C nation. It's rare for us to meet in C nation, so I'll treat you to a meal." "

"Ye Zhuo smiled and said, "If I remember correctly, I still owe you a meal! No matter what, I have to treat you to this meal." "

"If that's the case, then I won't stand on ceremony." After saying that, Song Shiyu looked at his assistant. "Go and drive the car over." "

"Yes, Boss." The assistant nodded. "

"Soon, the assistant drove the car over. "

Song Shiyu opened the car door for Ye Zhuo in a gentlemanly manner.

Ye Zhuo leaned into the car.

"Soon after, Song Shiyu also sat in the car. "

"The weather in C Nation was very good. The warm sun was shining brightly, and the spring breeze was warm. Ye Zhuo opened the car window, and the breeze poured in from the outside. "

"Chapter 1479: 314: it's so terrifying, and it won't stop torturing the scum! 4"

"Song Shiyu said slowly, "When are you planning to go back?" "

“Ye Zhuo said, “I booked a plane ticket for tomorrow. What About You?” ”

“The project here hasn’t been settled yet. I’m not sure yet.”

Project?

What Project Here!

“When their boss told a lie, his face didn’t turn red and his heart didn’t skip a beat. ”

His assistant had been by song Shiyu’s side for more than half a year.

He had never seen song Shiyu get so close to a girl before.

“Even Chen Siyan, who was behind song Shiyu, found it difficult to get a smile from Song Shiyu. ”

“In the past, he had always thought that song Shiyu was the kind of person who would not be moved. ”

One had to know that Chen Siyan was a great beauty.

He turned a blind eye to Chen Siyan’s likes.

Now it seemed that he just hadn’t met the right person.

“In front of this miss ye, Song Shiyu seemed to have changed into a completely different person. ”

It was just that.

This miss ye was obviously not the same person as Chen Siyan.

“If it was Chen Siyan, song Shiyu would have been so humble that Chen Siyan would have long fainted from joy.”

But this miss ye did not.

“Although he was just a bystander, he could tell that this miss ye did not have any feelings for song Shiyu at all. As for Song Shiyu? He was trying his best to control his emotions.”

He was afraid.

“Thinking of this, the assistant was a little confused.”

“As the song family’s third master, what did he want? When had he ever let himself be wronged?”

“However, song Shiyu seemed to be afraid that this miss ye would see through his intentions.”

Shouldn’t he just say that he liked her?

“Perhaps, he had seen wrongly?”

Song Shiyu’s admiration for this miss ye was only between friends.

“After all, everyone liked to appreciate beautiful things.”

“The assistant pursed his lips. Yes, he must have seen wrongly.”

“If song Shiyu really liked ye Zhuo, there was no need to be like this.”

The restaurant seemed to be a little far from here. Ye Zao took out his phone and turned to look at Song Shiyu. "Do you play games?"

"Pesticide?" Song Shiyu curled his lips slightly.

"Yes." Ye Zao nodded. "Third row, do you want to play?" "

"Sure." Song Shiyu took out his phone.

The assistant in the driver's seat thought he was hearing things.

Playing games.

She did not expect their boss to be so down-to-earth. He even knew about pesticide.

Ye Zhuo logged into the game account. "Let's add each other as friends first."

Song Shiyu reported some of the accounts to her.

Ye Zhuo clicked on the search button. "Old Song 001?"

"Yes." Song Shiyu nodded slightly.

"Ye Zhuo smiled and said, "You're not old either. Why did you come up with such a name!" "

"Song Shiyu's expression did not change. He said gently, "People have to grow old eventually." "

"That's true." Ye Zhuo nodded and continued, "I'll add you. I'm Sitara." "

“Mm.” Song Shiyu nodded slightly.

“Ye Zhuo tapped on the invite button and invited Song Shiyu. “Among our three rows, there’s another friend of mine, Zhao Pingting. You’ve met her before.” ”

“There was a time difference between C Nation and China. It was currently 12:30 pm in C Nation, and it was exactly 12 pm in China. ”

“At 12:00 pm, for a young person like Zhao Pingting, the nightlife had just begun. ”

“Okay.”

“After inviting Song Shiyu, Zhao Pingting went online. ”

Zhao Pingting turned on the voice chat. “Scorching hot! Can You Hear Me?”

Ye Zhuo turned on the voice chat. “I can hear you.”

“Zhao pingting said, “Who’s Old Song? Is He your friend?” ”

“Yeah.” Ye Zao clicked to start.

“Very soon, he matched up with his teammate and entered the hero selection page. ”

“Zhao pingting said, “I want to play Wang Zhaojun! Remember to help me snatch her!” ”

“Sure.”

“Very soon, the hero selection was done on the first floor.”

Ye Zao chose a Yuan Ge and brought a wild sword.

The first floor was for archers.

The second floor was for warriors.

“The third floor was for Zhao Pingting’s mage, Wang Zhaojun.”

The fourth floor was for ye Zao.

Song Shiyu had chosen a support hero.

“Zhao pingting smiled and said, “Great Zao, is that friend of yours Old Song a Noob? We’ll get him to take the order later.” ”

“”He’s pretty good,”ye Zao said.”

“”It’s good that he’s not a pig teammate,”Zhao pingting continued, “Wang Zhaojun is a crispy-skinned person with too little health. Great Zao, remember to save me later. I feel that the Darji opposite me seems to know how to play.” ”

“Okay.”

“Soon, they entered the game page.”

Ye Zhuo first took Papa Red and Papa Blue.

“Then, he came to the Middle Lane and helped Zhao Pingting get a health bar.”

“Holy Sh \* t, Big Scorch. You’re amazing! I love you!” Zhao Pingting was very excited to successfully get a head. ”

“You develop in the Middle Lane, I’ll go to the opposite side to fight,” ye Zhuo said. ”

“Well, you go.” ”

“Although there were two people in the opposite field, Zhao Pingting was not worried about ye Zao at all. ”

“Chapter 1480: 314: terrifying, torturing the SCUM non-stop! 5”

“After all, her rank was brought up by Ye Zao.”

She knew ye Zao’s skills too well!

“As expected, as soon as ye Zao went over, he took Red Daddy, who was opposite him, and also took a second kill.”

“Very soon, the system displayed the news of the other party being wiped out.”

“Zhao pingting said excitedly, “That old song’s skills are really good! Is He a man or a woman?””

“Ye Zao said while pushing the tower, “His name is song Shiyu. You’ve met him before.””

“As soon as he said that, the screen fell silent for a moment. Then, an excited voice was heard, “Ah Ah Ah! I remember now! It’s that handsome guy I met last time in Beijing, right? Oh My God, I didn’t expect such an elite to know how to play games!””

The corner of Song Shiyu’s mouth twitched when he was called handsome by others.

This friend of Ye Zao’s was quite active.

He didn’t look like ye Zao.

“Just as ye Zao was about to say something, Zhao pingting cried out, “Oh my God! Oh My God! Three people! How can I defeat them? ! Great Zao, come and Save My Dog Life!””

“Right away.”Ye Zao controlled his hero to come over.

“When ye Zao arrived, Zhao Pingting was only left with a sliver of HP.”

“Use Your Ultimate Skill!”Ye Zao was as calm as ever.

“Zhao Pingting quickly clicked on her ultimate skill, and ye Zao used a set of reaping skills.”

Triple Kill!

“Just then, Li Yuanfang, who was on the opposite side, passed by, and Ye Zao used a second skill.”

Fourth Kill!

“With another set of attacks, even Sun Wukong, who was on the side, was not spared.”

Fifth Kill!

“F \* ck! F \* ck!” Zhao Pingting cried out in surprise, “Big Zao, your damage value is too high!”

“That’s right.” Ye Zhuo smiled and said, “Otherwise, why would everyone call me Dad?”

“Zhao pingting continued, “Sigh? Where’s Old Song? When did he die? I just said that he wasn’t a rookie, but I didn’t expect him to die so quickly! Looks like he’s still a rookie! I finally met someone who’s similar to me, and my mind is balanced!”

Song Shiyu rubbed his nose and didn’t say anything.

“Ye Zao felt that he should tactfully remind Zhao pingting that song Shiyu was right beside her. Otherwise, this child would say anything that would shock the world.”

“Brother song, do you have any water?” Ye Zao looked back slightly.”

“Yes.” Song Shiyu opened the car refrigerator door with one hand and handed a bottle of water to ye Zao.

Ye Zao opened the bottle cap with one hand and drank a mouthful of water.

“At this moment, a cautious voice came from the other end of the screen. “That Big Zao.””

“Yes.”

“Zhao Pingting gulped. “That... old, oh no, Mr. Song is right beside you?””

“Yes.”

“F \* ck!” On the other end of the screen, Zhao Pingting was very embarrassed. Didn’t song Shiyu hear everything she said before? A moment later, Zhao pingting continued, “Dachaozhuo, are you wearing earphones?”

“At this moment, Zhao Pingting was praying in her heart.”

Wearing earphones.

She had to wear earphones.

“No,” ye Zao continued, “We’re on our way to eat now.”

“Zhao pingting only wanted to slap herself to death. She did not notice that the enemy hero had already circled around from the other side, preparing to ambush her.”

“Ye Zao flashed over and instantly killed Daji. “Pingting, be careful.””

“Got it.” Zhao Pingting reacted at this moment.

“After learning that song Shiyu was here, Zhao Pingting did not speak carelessly. What she said the most was, “Big Zao, come quickly! Big Zao, save me!””

“As long as Ye Zao was here, she could rest assured and hug his thigh.”

“Ye Zao’s mind was completely focused on the game. A cool breeze blew in from outside the window, curling up his jet-black hair and dancing in the air.”

The soft hair brushed past song Shiyu’s chin.

It carried a faint fragrance of grass and trees.

It smelled very good.

It was also slightly itchy.

“After the game ended, Ye Zao looked up at his assistant in the front seat. “How much longer until we reach the restaurant?””

“His assistant replied, “About five minutes.””

“Ye Zhuo nodded and continued, “Pingting, we’ll be at the restaurant soon. We won’t be playing anymore. Go to bed early.””

““Okay.”Zhao pingting continued, “Great Burning, aren’t you in China Right Now?””

““Yes, I’m in C country.””

“Hearing that ye Zhuo was in C country, Zhao pingting continued, “Great Burning, can you help me buy a face cream? My Sister-in-law’s birthday is coming up soon. I want to buy it as a birthday present for her.””

““Sure, just send it to my wechat.””

““Okay, I’ll send it later.””

“After turning off the game, ye Zao realized that her hair was blown to song Shiyu’s side. She immediately tied her hair up with a rubber band. “Sorry!”
