

## **Almighty D 1481**

“Chapter 1481: 314: it’s so terrifying, and it won’t stop torturing the scum! 6”

“It’s alright.” Song Shiyu didn’t take this matter to heart.

“Two minutes later, the car stopped. ”

The assistant went around to the back and opened the door for the two of them.

“This restaurant was recommended by many internet celebrities. Although the address was in C Nation, Chinese people accounted for half of the total number of people who ate there. ”

“Just as the two of them walked in, a waiter welcomed them warmly. “Are you two?” ”

Song Shiyu nodded.

“Follow me.”

The two of them were led to a seat by the window.

The waiter brought over a tablet and handed it to Song Shiyu.

Song Shiyu smiled and looked at Ye Zhuo. “Ladies first. You Can Order.”

“Ye Zhuo said, “We agreed that I would treat you to a meal today. It should be the guests who order first.” ”

“Alright.” Song Shiyu took the menu and ordered two dishes. “You can order the rest.”

Ye Zhuo ordered a few of his favorite dishes.

“An hour later, the two of them finished eating and walked out of the restaurant. ”

“Song Shiyu said, “Ye Zhuo, where are you staying? I’ll get my assistant to send you back first.” ”

Ye Zhuo reported the name of the hotel.

Song Shiyu chuckled. “What a coincidence.”

“Ye Zhuo said in surprise, “You’re staying there too?” ”

“”Yeah.” Song Shiyu continued, “Intercontinental is a property under the song corporation.” ”

Ye Zhuo nodded slightly. “I see.”

“Let’s go.” Song Shiyu reached out and opened the car door.

Ye Zhuo got into the car.

...

“The next day, Ye Zhuo packed his suitcase and prepared to leave C nation. ”

“Just then, the doorbell rang. ”

Ye Zhuo walked over to open the door.

It was Bai Xiaosu.

“Ye Zhuo smiled and said, “Xiaosu, did you come to find me for something?” ”

“Bai Xiaosu nodded. “Miss Ye, there’s something I need to tell you.” ”

Ye Zao brought Bai Xiaosu into the house and poured her a glass of water. “Tell me slowly what it is.”

Bai Xiaosu drank a mouthful of water and then told her the whole story.

“It turned out that C nation had held an international shooting competition on the Nameless Island at the side. Many countries had come to participate in the competition. Bai Xiaosu was one of the contestants. She wanted to invite ye Zao to watch her competition, she wanted to give her some pointers on shooting as well. ”

Ye Zhuo nodded. “Sure.”

“Hearing this, Bai Xiaosu said excitedly, “Really, Miss Ye? You really agreed?” ”

“Yes.”Ye Zhuo nodded slightly.

“Bai Xiaosu continued, “Then you can come with me now! There’s training tonight. The competition will start the afternoon the day after tomorrow.” ”

“With Ye Zhuo’s guidance, Bai Xiaosu felt much more assured. ”

The two of them arrived at the Nameless Island at around six o’clock in the evening.

They took a cruise.

“It was dusk, and the golden sunlight covered the entire sea level. It was a magnificent sight.”

More than fifty countries were participating in this shooting competition.

All fifty contestants were gathered in one training camp.

Bai Xiaosu introduced the competition process to Ye Zhuo.

“Bai Xiaosu had experienced professional training, so he was not afraid of anything else. What he was most worried about was blind shooting.”

“As the name suggested, blind shooting required one to turn around and shoot with their back facing the bull’s eye.”

“Ye Zao picked up his gun. “Actually, as long as you find the right position, blind shooting is no different from normal shooting. First, you must not feel any pressure. You must learn to relax.” ”

“There were other people in the training ground, and some of them understood Chinese. When an Asian player heard ye Zao’s words, he looked at ye Zao with curiosity.”

“This little girl made it sound so simple, as if she knew how to shoot blindly.”

No wonder people said that Chinese people liked to brag.

“”Miss, you made it sound so simple. Why Don’t you shoot US and let us have a look?”The moment she opened her mouth, she spoke the standard words. She was from the same Asian country, her facial features were almost no different from Chinese people.”

“Ye Zao smiled faintly, pulled the trigger, and turned around.”

Bang Bang Bang —

“After three gunshots, all three bullets hit the bull’s-eye.”

“A moment later, ye Zao turned around. “How was it?” ”

The Korean contestant was stunned. She had never seen such a scene before.

“She was the best contestant who had practiced in many countries and could only reach three rings, but this person had actually hit the bull’s-eye with three shots.”

The Korean player was now rejoicing that Ye Zhuo was not a regular player.

“Otherwise, they would all lose!”

This scene was directly seen by a middle-aged woman in gorgeous clothes.

“Go check on her.”

“Okay.”The assistant next to her bent down.

“Soon, the assistant returned and whispered a few words into the middle-aged woman’s ear.”

“Hearing this, the middle-aged woman asked, “Chinese?” ”

“Yes.”The assistant nodded.

“No.”The middle-aged woman’s eyes flashed with shrewdness. “She won’t be Chinese very soon.”

The assistant was stunned.

“The middle-aged woman continued, “Go and arrange it. Tell her that the Princess of Korea wants to see her.” ”

“That’s right. This middle-aged woman was the only Princess of Korea’s empress, Jin Yuyan. ”

“Yes.”The assistant immediately instructed someone to do it.

“Ten minutes later, the assistant returned to Jin Yuyan’s side and said with a somewhat troubled expression, “Princess, Miss Ye said she’s not free.” ”

Not Free?

Wasn’t not being free equivalent to not seeing her? Damn

Jin Yuyan frowned.

“She was the royal family of Korea, the Grand Princess who stood high and mighty. If nothing unexpected happened, she would inherit the throne from her mother and become the next empress. ”

“If it were anyone else, they would probably be extremely happy. ”

But this Chinese girl directly rejected her.

This made Jin Yuyan a little surprised.

This Chinese girl was a little different from what she had imagined.

“Jin Yuyan continued, “Go back and say that I like her very much. As long as she is willing, I will give her the nationality of the entire Korean family, and I will also give them the status of a high-class noble. The prerequisite is that she must win this competition for me in the name of the Korean players and get first place.” ”

“As the eldest princess, Jin Yuyan had seen all kinds of people. ”

She believed that no one in this world could resist the temptation of money and fame.

There were many Chinese immigrants in the Korean country.

Some young girls would even marry local elders in order to become a Korean.

“Therefore, Jin Yuyan believed that ye Zao would definitely agree. ”

Jin Yuyan was a little excited when she thought about how Korea would soon stand out among the fifty countries and win this competition. She wanted to tell her mother the good news immediately.

“After all, a person like ye Zao was not only a shooter, but also a rare talent for them. ”

“Jin Yuyan had a good eye for people. Although they were far apart, when ye Zao designed it, Jin Yuyan could clearly see the viciousness in ye Zao’s body. ”

This viciousness was not found in many men.

“In a moment, the assistant came back. ”

“Jin Yuyan said impatiently, “How is it? Did she agree?” ”

The assistant shook his head.

“Rejected?” Jin Yuyan said in disbelief.

“In this world, how could anyone reject this kind of exorbitant wealth? ”

“Jin Yuyan narrowed her eyes and continued, “Chinese people are cautious by nature. She will definitely think that you are a liar. Take this with you.” ”

“Chapter 1482: 315: burning with power, the father you can’t afford to mess with! 1”

“After saying that, Jin Yuyan handed her assistant a seal.”

This was the exclusive seal of the Royal Princess of Korea.

“As long as ye Zhuo saw this seal, he would know that she was not a liar.”

Normal people would not reject this heaven-splashing wealth.

“Therefore, Ye Zhuo must have thought that she was a liar, which was why he repeatedly rejected her invitation.”

“The assistant reached out and took the seal. “Yes, Princess. I’ll go now.””

Jin Yuyan nodded. “Hurry up and go.”

The assistant came to the training ground again.

Ye Zao was teaching Bai Xiaosu blind fighting techniques.

She was tall and a head taller than Bai Xiaosu. She held Bai Xiaosu's hand from behind. "Are you aiming for the center?"

"Yes." Bai Xiaosu nodded.

"Three, two, one!" Ye Zhuo pulled the trigger.

"Bang!"

The bullet broke out of the gun's barrel and directly shot into the Red Bull's eye.

Jin Yuyan's assistant had just walked over when she saw this scene.

A look of surprise flashed across her eyes.

This miss ye was really too amazing.

"She could hit almost wherever she pointed, hitting every target."

No Wonder Jin Yuyan wanted her to change her nationality at all costs.

"A moment later, the assistant walked to the side and said respectfully, "Miss Ye.""

Ye Zao looked back slightly. "Is there anything else?"

"The assistant looked at ye Zao and continued, "Miss Ye, can I have a word with you?""

“Ye Zao said, “I think I know what you want to say. Go back and tell your princess that I thank her for her love. I was born a Chinese and die a Chinese soul. I will never change my nationality.””

“In fact, ye Zao had encountered such a thing many times in his previous life.”

“If she had agreed to change her nationality, she would not be Chinese now.”

“The assistant was stunned for a moment and then said, “Miss Ye, this is the seal that our princess asked me to show you. Don’t worry, we are definitely not swindlers.””

“As he said that, the assistant took out the seal.”

The golden seal shone under the sunlight.

Ye Zao’s expression remained the same. “I’ve already said what I should have said.”

“”Miss Ye, we’re really not liars!”The assistant thought that ye Zao still thought that they were liars.”

He thought the same as Jin Yuyan. Almost no one could resist such a temptation.

“Therefore, ye Zao must have misunderstood them.”

“”Sir, I think you might have misunderstood. I know that you’re not a liar. I’ll say it again. Please go back and tell your princess.””

“At this point, the assistant couldn’t say anything more. He bowed and turned to leave.”

“After the assistant left, Bai Xiaosu asked curiously, “Miss Ye, is that person the assistant of the Royal Princess of Korea, Jin Yuyan?””

“Yes.” Ye Zhuo nodded slightly.

“Bai Xiaosu continued, “Jin Yuyan wants you to change your nationality and participate in the shooting competition?””

“Yes.”

Bai Xiaosu clicked his tongue. “This Jin Yuyan is quite political-minded. She also has a good eye for people!”

“If ye Zao could be poached by Jin Yuyan, he would definitely make a huge contribution to Korea.”

“Not to mention, ye Zao would definitely take first place in this shooting competition.”

“If it were anyone else, Bai Xiaosu would be a little worried and would not be able to resist the temptation.”

But who was ye Zao?

How could she betray her nationality for the sake of some power and benefits?

“Ye Zao did not seem to take this matter to heart. He picked up his gun and said, “Let’s continue.””

“Okay.” Bai Xiaosu nodded.

The two of them held their guns and continued to practice.

Bai Xiaosu had a good foundation and was smart. Ye Zao was also very skilled in teaching.

On the other side.

“Jin Yuyan waited for a long time. Finally, her assistant came back.”

She thought that she would see her assistant bring ye Zao along.

She didn't expect that the assistant would come back alone.

“Jin Yuyan walked over and said first, “Why didn't miss ye come back with you?””

The assistant looked a little troubled. “Miss ye asked me to give you a message.”

“What message?” Jin Yuyan asked.

“The assistant continued, “Miss Ye said thank you for your love for her. However, she was born in China and died in China.””

“What?” Jin Yuyan was stunned.

“So, Ye Zhuo was still unwilling to change his nationality?”

How could this be?

“As the eldest princess of Korea, Jin Yuyan cherished talented people very much and was desperate for talents. Otherwise, she wouldn't have given such good conditions, such as nationality, surname, and noble status.”

“If it were anyone else, they would not have received such treatment!”

“However, Jin Yuyan did not expect that ye Zhuo would still reject such a generous and superior condition.”

“Chapter 1483: 315: Burning Power, the Father You can’t afford to offend! 2”

Jin Yuyan was born a Princess of Korea and had seen all kinds of people.

But this was the first time she had seen someone like ye Zhuo.

“Did you show her my seal?” Jin Yuyan asked.

“Yes.” The assistant nodded.

“Yes?” Jin Yuyan narrowed her eyes. “How did she react when she saw the seal?”

“The assistant thought back to the scene just now and said, “She didn’t have much of a reaction. Let me pass that sentence on to you.” ”

How could this be?

Jin Yuyan had thought that ye Zhuo had rejected them because he thought they were swindlers.

“But now, it seemed that things were not like that. ”

“Jin Yuyan looked at the assistant and continued, “What kind of person do you think Miss Ye Is?” ”

“The assistant thought seriously for a moment before continuing, “I think she’s very special. She’s different from all the other girls.” ”

Jin Yuyan nodded. "She is quite different."

"The strong all had a desire to conquer, and Jin Yuyan, the eldest princess, was no exception."

"It was not easy for a talent like ye Zhuo, and she really did not want to give up just like that."

"Turning ye Zhuo into a citizen of Korea would not only allow Korea to win this competition, but it would also consolidate her position in Korea, allowing her to inherit the throne more smoothly!"

"Although Jin Yuyan was the eldest princess and was the most qualified person to inherit the throne, the Royal Palace of Korea had been constantly fighting in recent years, and there were many people who showed up."

"If she didn't do something, she might be suppressed by others."

Jin Yuyan narrowed her eyes. It seemed that she had to do it herself.

...

"After training, Bai Xiaosu took ye Zao to a restaurant on the island to eat."

"Because of the recent competition on the island, the people who came to the restaurant for a meal were all people from different countries. Their skin color, clothes, and language were all varied."

"There's another seat over there. Miss Ye, let's sit over there." Bai Xiaosu found that there was an empty seat in the middle of the hall."

"Okay." Ye Zhuo nodded slightly and walked over.

"After sitting at the table, Bai Xiaosu took the tablet and ordered the dishes."

“She had eaten with ye Zao a few times and knew ye Zao’s taste. In the end, she even specially ordered a few desserts before the meal. ”

The desserts were served very quickly.

“When ye Zao saw the desserts, his beautiful eyes lit up. He immediately picked up one and tasted it. ”

“The eating habits of the C nation people were very different from the Chinese people, but the desserts were very delicious. ”

Sweet but not greasy.

“Bai Xiaosu was a person who didn’t like desserts very much. She picked up the cup and drank a mouthful of lemonade. At this moment, she suddenly felt that the restaurant seemed to have quieted down. She looked around and realized that.., the restaurant that was filled with people just a moment ago was now only left with a table of guests! ”

““You’re really in a hurry to come and go,”Bai Xiaosu teased. ”

Deng Deng Deng Deng —

“At this moment, the sound of footsteps suddenly came from the quiet air. ”

It was the sound of exclusive high heels.

Bai Xiaosu put down his glass and turned to look in the direction of the sound. He saw a middle-aged woman wearing a champagne-colored limited-edition luxury brand dress walking over.

Bai Xiaosu knew this luxury brand.

It was ZY.

It was a product from China and also the most high-tech clothing in China. It was called an air-conditioner by the outside world.

Wearing them was like walking on air-conditioning.

It was warm in the winter and cool in the summer.

The dress the middle-aged woman was wearing cost seven figures.

She dared to wear a house. She must be rich.

Bai Xiaosu narrowed his eyes.

“Miss Ye.” Just as Bai Xiaosu was lamenting, the middle-aged woman stopped in front of their table. ”

“To be more precise, she stopped in front of Ye Zhuo. ”

“Bai Xiaosu was stunned and looked up at Ye Zao. “Miss Ye, do you know each other?” ”

Ye Zao put down his silver fork and shook his head slightly. “I don’t.”

Could she be ye Zao’s Fan?

Bai Xiaosu took another sip of lemonade.

“After all, Ye Zao had appeared on variety shows in China and had even been on Weibo’s trending searches previously. ”

“The middle-aged woman just stood there and continued, “Miss Ye, I’m Jin Yuyan from Korea. I’m very happy to meet you here today.” ”

Jin Yuyan!

Jin Yuyan from Korea.

Bai Xiaosu’s eyes widened when he heard this.

“If she remembered correctly, the royal family of Korea was surnamed Jin, and their royal eldest princess was called Jin Yuyan. ”

“She usually saw the eldest princess on TV, but she didn’t expect to finally see her in person. ”

No wonder she felt that Jin Yuyan was familiar when she first saw her.

“”Hello.”Ye Zhuo stood up and shook hands with Jin Yuyan. “If the eldest princess is still here because of that incident, I will still say the same thing. I will never betray my country.” ”

Chapter 1484: 315: the Father You can’t afford to offend! 3

“He wanted her to change her nationality and take part in the shooting competition in the name of Korea, bringing glory to Korea.”

This was absolutely impossible!

“Jin Yuyan smiled and said, “Miss Ye, don’t make it sound so absolute. I came here to call you a friend. Miss Ye, aren’t you going to invite me to sit?””

“Please do as you wish.”

Jin Yuyan sat beside Bai Xiaosu.

“Jin Yuyan was the eldest Princess of Korea, and her aura was not to be underestimated. As soon as she sat down, Bai Xiaosu felt a strong pressure that made him unable to breathe.”

Bai Xiaosu gulped.

“He then looked at Ye Zhuo, who was still as calm as ever, as if nothing had happened. Not only was she not inferior in the slightest, but in terms of aura, she was even better.”

“Jin Yuyan smiled at Bai Xiaosu, “This is Miss Bai, right?””

“I am.” Bai Xiaosu nodded.

“Jin Yuyan continued, “I heard that there are entertainment programs that you young people like on the second floor of this restaurant. Coincidentally, I booked this place and it’s all empty now. Miss Bai, aren’t you going to experience it?””

“Just as Bai Xiaosu was about to refuse, the restaurant owner walked over, “Miss Bai, come with me.””

“Bai Xiaosu had no choice but to stand up and say to ye Zao, “Miss Ye, I’ll be going now.””

“Okay.” Ye Zao nodded slightly.

“Bai Xiaosu followed the restaurant owner’s footsteps. After thinking for a moment, he turned back to look at ye Zao. “Miss Ye, if there’s anything you need, please give me a call.””

“Okay.”

“After Bai Xiaosu left, Jin Yuyan looked up at Ye Zao. “Miss Ye, are you really not considering becoming a national of Korea?””

“Ye Zao smiled and said, “I was born and raised in China. Now is the time to serve my motherland. If I change my nationality at this time and participate in the design competition under the name of a contestant from Korea, my eating style will be too ugly.””

“Jin Yuyan did not say anything more. Instead, she pushed a blank check in front of ye Zao. “Miss Ye, you can fill in the amount.””

“After saying that, Jin Yuyan smiled and said, “Other than these, I will also give you and your family the highest-ranking surname and the most prominent status in Korea!””

“In this world, what was the most realistic thing?”

Money and power.

“Until now, she had never met someone who could resist a blank check.”

“After saying that, Jin Yuyan looked at Ye Zao.”

She felt like she was looking down on him.

She enjoyed the process of conquering him.

“No matter how patriotic and hot-blooded ye Zao was, he would eventually betray China and become a new Korean.”

The reason why ye Zao didn't agree to her was to raise his status and get more benefits.

"Now, not only did she let ye Zao fill in the amount on the check, but she also gave his family the nationality and high-class surname of Korea. At this moment, ye Zao must be very happy."

She just didn't show it.

"She didn't expect that ye Zao didn't look old, but he had a lot of patience."

"If it were anyone else, they would have started cheering on the spot!"

But Ye Zao didn't.

"Not only did she not, her performance was still as light as a chrysanthemum."

"Even if she was pretending, it was still very impressive!"

"After all, her age was obvious."

"The next second, Ye Zao picked up the check."

"Seeing her pick up the check, Jin Yuyan's lips curled up."

As expected.

"Next, it was time for ye Zhuo to sign."

"That was why the Chinese were hypocritical. They had wanted to sign the check since the beginning, yet they still pretended to be very patriotic."

People like them would never appear in Korea!

“Jin Yuyan picked up the cup, drank a mouthful of lemonade, and quietly waited for Ye Zhuo to sign the check.”

She was even waiting for ye Zao to bow down to her.

““When the eldest princess sent people to investigate me, they didn’t find out my worth?”Ye Zao put the check back on the table, then he said, “The dress you’re wearing, the jewelry you’re wearing, and the perfume you’re wearing are all my properties.””

“After he said that, ye Zao stood up from his chair. “I’m sorry, I have something to do. Please excuse me.””

“Before Jin Yuyan could react, ye Zhuo had already walked to the staircase.”

“After a long while, Jin Yuyan looked at her assistant and tried her best to control her emotions. “What did she say just now?””

“As a princess, Jin Yuyan was always sought after no matter where she went. Many people wanted to please her.”

Some people didn’t even have the chance to please her.

But Ye Zao!

Ye Zao actually used such an attitude towards her.

“In Ye Zao’s voice just now, she felt disdain and ridicule.”

Chapter 1485: 315: A Father You can't afford to offend! 4

"That feeling was as if she, the eldest princess of Korea, was not even worth mentioning in front of ye Zao."

Her good upbringing did not allow Jin Yuyan to express her anger.

"The assistant quickly reacted at this moment. "Princess, she, she said, she said..." at this point, the assistant paused and continued, "Princess, that Chinese must be bragging. How Old is she? According to my information, she is only 20 years old. She grew up in a small city..." "

Jin Yuyan held the cup tightly. Her knuckles had turned slightly white because she had used too much strength.

"Upstairs, Bai Xiaosu was stroking the cat. When he saw ye Zao, he immediately put down the cat and ran over, "Miss Ye." "

"Normally, ye Zao would also stroking the cat, but today, it was very obvious that the situation was not right. "Let's go back." "

"Okay." Bai Xiaosu nodded and did not ask any more questions. He followed ye Zao's footsteps.

"When they reached downstairs, Jin Yuyan's people had not left yet. "

Jin Yuyan sat in the restaurant. She looked at ye Zao and Bai Xiaosu's backs and frowned.

Just wait.

She would definitely make ye Zhuo become a citizen of Korea.

Korea must also win this shooting competition.

A luxurious Lincoln Limousine was parked outside the dining room. One look and it was obvious that it was Jin Yuyan's exclusive mount.

"Bai Xiaosu lowered his voice and said, "That princess hasn't left yet?" "

"Probably." Ye Zhuo did not care about Jin Yuyan's departure.

"Bai Xiaosu continued, "Miss Ye, the princess didn't make things difficult for you just now, right?" "

"Before ye Zao could answer, Bai Xiaosu smiled and said, "Why would I ask such a stupid question? Even if the princess wanted to make things difficult for you, I'm afraid she wouldn't be able to find a reason." "

Not to mention one Jin Yuyan.

"Even if there were ten Jin Yuyan, they wouldn't be able to make things difficult for ye Zao. "

"Back at the training camp, Bai Xiaosu continued to train while ye Zao guided him from the side. "

In the blink of an eye.

It was the day of the official competition.

"From the hotel to the real competition zone, it required a two-hour car ride. "

The competition started at 1 pm.

“At 10 am, Ye Zao and Bai Xiaosu got into the car. ”

“The competition was about to start. Bai Xiaosu was a little nervous. “Miss Ye, what if I don’t get first place?” ”

“Don’t worry.”Ye Zhuo patted her hand. “The ranking is secondary. The most important thing is to participate.”

“Ye Zhuo’s voice was very faint, but it seemed to be tinged with magic. Bai Xiaosu immediately stopped being nervous. In his heart, he had secretly decided that he would definitely get first place in a while! ”

“After saying that, ye Zhuo continued, “Xiaosu, Jin Yuyan is very ambitious. She definitely won’t let it go. In the competition later, you have to be careful.” ”

“Bai Xiaosu nodded. “Don’t worry, Miss Ye. I will.” ”

“After living in society for so many years, Bai Xiaosu was not the kind of little white who didn’t know anything. ”

“If he really didn’t know anything, Bai Xiaosu would not have what he had today. ”

“Ye Zao leaned against the back of his chair. His gaze swept past the rearview mirror. He narrowed his eyes and said, “Speed up.” ”

“Hearing this, the driver immediately sped up. ”

“Faster.”Ye Zao said.

“”What’s wrong, Miss Ye?”Bai Xiaosu looked at ye Zao. ”

“There’s someone following us.”Ye Zao said.

“Who?” Bai Xiaosu immediately opened the window and looked behind.

“Although it was not rush hour, there were still many cars on the road. ”

“For a moment, Bai Xiaosu really could not tell which car was following them. ”

“Ye Zhuo continued, “That Black Toyota Camry.” ”

Bai Xiaosu immediately fixed his gaze on the Toyota Camry in the traffic. “Is it the one with the license plate number CR556?”

“Yes.”

Bai Xiaosu then noticed that the car was indeed very abnormal. There were three people in the car. The person sitting in the passenger seat was even holding a pair of binoculars. “It must be Jin Yuyan’s people!”

Today was the day of the competition. Jin Yuyan had suddenly arranged for someone to follow them at such a time. She must have had other intentions!

“”Miss Ye, what should we do now?” Bai Xiaosu turned to look at ye Zao. ”

Ye Zao’s expression remained the same. “Shake them off.”

“At this moment, the driver in the front seat turned around. “The other party’s driving skills are too good. I, I can’t shake them off!” ”

The person sent by Jin Yuyan was a professional racer.

“The driver tried many methods, but the other party still stuck to them like a dog skin plaster. ”

“Pull over.”Ye Zao’s tone was shallow.

“Okay.”The driver immediately slowed down and pulled over.

Toyota Meikarione.

Chapter 1486: 315: the Father You can’t afford to mess with! 5

“”Boss, they stopped the car.”The driver in the driver’s seat looked back at the back seat. ”

“”Slow down,”the man in the back seat said. ”

“Okay.”The driver immediately slowed down.

“At this moment, they saw the white car driver in front open the door and get out of the car. Then, a young girl sat in the back seat. ”

The driver immediately reported the situation to the man in the back seat.

“The man narrowed his eyes and did not say anything. Instead, he said, “Just remember what the princess said.” ”

“Got it.”

Jin Yuyan was a ruthless person.

“If she could not get it, she would destroy it!”

“Ye Zhuo and Bai Xiaosu were in a foreign country. Even if something went wrong, no one would be able to find out anything.”

“Besides, Jin Yuyan had done her research. Under ye Zao’s guidance, Bai Xiaosu’s shooting skills had improved by leaps and bounds. It would not be a problem for her to get first place. If she did not take action, Korea would not even be able to get into the top three!”

Therefore.

Bai Xiaosu and ye Zao had to disappear from this world today.

Over here.

“Ye Zao was already sitting in the driver’s seat. He fastened his seatbelt and started the engine. “Xiaosu, sit tight.” ”

“Bai Xiaosu nodded. “Miss Ye, please take care of your safety.” ”

“Okay.”

“The next second, the car that was originally parked on the spot rushed out quickly.”

It was extremely fast!

It was so fast that it was hard for people to react.

The driver in the Toyota Meikary was stunned.

The car in front.

Was the driver really a little girl?

The Man in the backseat narrowed his eyes. "What are you daydreaming about? Hurry up and follow her!"

"Okay!" The driver quickly reacted and sped up to catch up with the car in front.

Ye Zao looked at the little tail that had caught up in the rearview mirror and curled his lips slightly.

You want to play?

Then I'll play along with you!

"Ye Zao stepped on the accelerator to the bottom and drifted over, leaving the car far behind. Then, he hid in the traffic. "

"Bai Xiaosu leaned on the back window and said excitedly, "We lost them! Miss Ye, we lost them!" "

"It's not that simple."

"Ah?" Before Bai Xiaosu could react, the Black Toyota Meikary caught up again. "

"Moreover, it looked like it was going to crash at any moment. "

The car was destroyed and people were killed!

These four words popped up in Bai Xiaosu's mind.

It had to be like this!

The other party was planning this.

“Thinking of this, the color on Bai Xiaosu’s face immediately disappeared. “Miss Ye, their, their goal is to destroy our car and kill us?” ”

“Yes.”

Ye Zao’s beautiful eyes narrowed.

“In front of them was a viaduct, and under the viaduct was a forest. ”

They were still one kilometer away from the viaduct.

“Ye Zao turned the steering wheel and drove on the far right side of the road, preparing to get on the viaduct. ”

The car behind them followed closely.

“The Man in the back seat opened the window and looked at the road condition, then said, “The viaduct in front is a place where traffic accidents are easy to happen. It’s the most suitable place to do it. Remember to throw it accurately!” ”

“Understood.”The driver whistled.

He was the best at creating traffic accidents.

“Otherwise, Jin Yuyan would not have invited him over. ”

The driver sped up. He held the steering wheel with one hand and picked up the miniature bomb that he had prepared beforehand with the other.

“Miss Ye! They’re chasing us!” Seeing the scene in the rearview mirror, Bai Xiaosu’s face turned pale. He had never felt that death was so close to him. ”

“Don’t panic.”

Ye Zao was still calm. He calmly avoided the car in front of him and then suddenly turned the steering wheel to the left.

He directly passed a huge off-road vehicle!

The car following behind did not expect ye Zao to suddenly make such a move.

“Even more unexpectedly, there was an off-road vehicle in front of ye Zao. The driver’s face was pale. In order to avoid hitting the off-road vehicle, he suddenly stepped on the brakes! ”

Chi!

The wheels scraped against the ground with a loud sound.

Bang!

“Just as the driver was about to heave a sigh of relief, his eyes suddenly widened. There was actually a huge bend in front of him. At this moment, it was too late for him to brake again, he could only watch helplessly as the car fell off the 100-meter-high high education bridge. ”

Boom.

It was deafening.

“The moment the car fell, it exploded and flames shot into the sky.”

“Fortunately, there was a forest below. Otherwise, the consequences would have been unimaginable.”

Bai Xiaosu watched the scene outside from the car window. His heart was racing. They were almost the ones who were almost killed.

“After a long while, Bai Xiaosu finally reacted. He took a deep breath and looked up at Ye Zao.”

Ye Zao was still as calm as ever. It was as if she wasn't the one who had caused the car accident.

“It was a serious car accident, but her hands were still clean.”

On the other side.

Jin Yuyan had been waiting for the news.

“At this moment, the phone rang. Jin Yuyan quickly picked up the call. She didn't know what was said on the other side, but Jin Yuyan frowned. “What? !” ”

Chapter 1487: 316: she shot herself in the foot. I didn't expect her to be so terrifying! 1

“Jin Yuyan thought that she could get rid of the problem once and for all and take the opportunity to get rid of Ye Zao and Bai Xiaosu,”

she didn't expect that she would shoot herself in the foot.

“Ye Zao was fine. On the contrary, the people that she sent over ended up with their cars destroyed and people killed. The three people in the car were directly killed by the explosion! ”

Jin Yuyan frowned tightly. “Investigate! Investigate for me! This matter must have something to do with ye Zao!”

The people that Jin Yuyan sent over were all elites among elites.

“If it was not for ye Zao’s tricks, they definitely would not have ended up with their cars destroyed and people killed! ”

“”Okay.”The other side continued, “Princess, don’t worry. We will definitely investigate this matter thoroughly!” ”

“Even after she hung up the phone, Jin Yuyan’s face was still filled with anger. ”

“She had never suffered such a loss before, nor had she ever made a loss in business. This was the first time. ”

It was obvious that she had still underestimated ye Zhuo.

On the other side.

The 30th floor of the hotel.

“A tall figure stood in front of the window, overlooking the scenery below. The Man’s face was expressionless. In a flash, he peeled a big white rabbit milk candy into his mouth. ”

“Instantly, a sweet and greasy taste spread in his mouth. ”

“A normal person would subconsciously frown when they ate such a sweet thing, ”

“at this moment, there was a knock on the door. ”

“Come in.”

The assistant walked in from the door. “Boss.”

“What’s the matter?”

“The assistant looked at the man’s back and continued, “The hospital called. They said that Miss Zhou is missing!” ”

Miss Zhou.

“Of course, she was referring to Zhou Chenyu. ”

“Ever since Zhou Chenyu’s surname was changed to Zhou, his mental state had become abnormal. In order to prevent her from hurting others, Song Shiyu sent her to the mental hospital. ”

“During this period of time, Zhou Chenyu had been recuperating in the mental hospital. ”

Song Shiyu narrowed his eyes. “Look for her.”

“Yes.”

“Is there anything else?” Song Shiyu continued to ask.

“”No,”the assistant replied. ”

“Then you can go down first.” Song Shiyu waved his hand.

The assistant bent down and turned to walk out of the door.

Chen Siyan was also on a business trip in C Nation.

“Every time she came to C Nation, she would choose to stay at the song family’s hotel. ”

“When she walked to the hotel entrance, she suddenly saw a familiar figure. ”

“It was song Shiyu’s assistant, Liu Kai. ”

Song Shiyu also came to C Nation?

“Chen Siyan’s originally dim eyes suddenly lit up. Before she could say anything, her secretary, Xia Wei, said, “Isn’t that Mr. Song’s assistant, Liu Kai?” ”

“I think so.” Chen Siyan nodded.

“Xia Wei had been following Chen Siyan for more than three years, so she could clearly read Chen Siyan’s mind. She smiled and said, “I’ll go and say hello to Liu Kai.” ”

“Okay.”

“Xia Wei jogged over to Liu Kai’s side. “Liu Kai, why are you here in C Nation Too?” ”

“When he saw Xia Wei, Liu Kai was a little surprised. “You’re here too?” ”

Xia Wei nodded. "I'm here on a business trip with Miss Chen."

Only then did Liu Kai see Chen Siyan standing not too far away.

"So Miss Chen is here too."

"That's right. Why else would I be here alone! What about you? Are you here on a business trip with Mr. Song Too?" Xia Wei continued to ask.

Liu Kai nodded. "Yes."

"Xia Wei continued, "By the way, when did you and Mr. Song arrive in C Nation?" "

"Liu Kai answered, "We arrived on the afternoon of the 28th. What About You?" "

"We arrived on the afternoon of the 27th." Speaking up to this point, Xia Wei suddenly realized that Song Shiyu seemed to have followed Chen Siyan closely. "

Chen Siyan had just arrived when Song Shiyu arrived right after her.

What a coincidence!

"Realizing this problem, Xia Wei's eyes rolled around. "

Could it be that Song Shiyu had followed Chen Siyan here?

Yes.

It had to be.

“Otherwise, how could it be a coincidence.”

“She didn’t expect song Shiyu to say that he didn’t like Chen Siyan on the surface and had no feelings for her, but he cared so much about Chen Siyan on the mainland.”

“If song Shiyu didn’t like Chen Siyan, why would he secretly follow Chen Siyan.”

He didn’t expect song Shiyu to be such a boring old man.

“”Then you guys arrived a day earlier than us.”Liu Kai continued, “I have something to do, so I’ll go over first.” ”

“”Okay.”Xia Wei continued, “By the way, is Mr. Song staying here as well?” ”

“”Yes.”Liu Kai nodded. “This hotel belongs to our boss. If he is not staying here, where is he staying?” ”

“OH.”Xia Wei had a plan in her mind. “Then you can go back to your work!”

“”Yes, send my regards to Miss Chen.” ”

“Okay.”Xia Wei nodded.

“After Liu Kai left, Xia Wei jogged to Chen Siyan’s side.”

“Miss Chen!”

Chapter 1488: 316: she shot herself in the foot. I didn’t expect her to be so terrifying! 2

“What’s Wrong?”Chen Siyan asked.

“Xia Wei continued, “Mr. Song is here. He’s staying in this hotel!” ”

“Really?”Chen Siyan said excitedly.

“Xia Wei nodded and continued, “I didn’t expect Mr. Song to be so sullen behind my back.” ”

“Reserved?”Chen Siyan frowned. “What do you mean?”

“Xia Wei smiled and said, “Miss Chen, I just asked. Mr. Song and Liu Kai arrived in C Nation on the afternoon of the 28th. They even chose the same hotel as us! What does this mean? This means that he is thinking about you, but he just doesn’t show it.” ”

“Hearing this, Chen Siyan’s heart beat a little faster. ”

Was That So?

Did she really make song Shiyu worry about her so much?

“After a moment, Chen Siyan calmed down and continued, “You’ve misunderstood. Shiyu isn’t that kind of person.” ”

“Chen Siyan had known song Shiyu for many years, and she knew song Shiyu’s personality very well. ”

“If song Shiyu really liked her, he wouldn’t have waited until now. ”

Moreover.

Song Shiyu's methods were harsh and forceful. He wouldn't do something like standing behind someone and silently protecting them.

"Therefore, Xia Wei must have misunderstood."

"Xia Wei continued, "Miss Chen, please listen to my analysis." "

"Chen Siyan did not say anything, Xia Wei continued, "If Mr. Song really did not have that intention, he would not have chosen to stay at the same hotel as you! Also, why did Mr. Song suddenly come to C nation at this time? On a business trip? An inspection? I don't think Liu Kai is here on a business trip! Recently, C nation has been so chaotic. There have been shootings everywhere. I think Mr. Song must be here because of you! He's worried about your safety!" "

"Is that so?" Although she wasn't sure if what Xia Wei said was true, Chen Siyan couldn't help but be secretly happy. "

She was quite happy.

She was happy that Song Shiyu cared about her.

"In the business world, Chen Siyan was a swift and decisive woman. Only when she was facing Song Shiyu would she show such a girly expression. Chen Siyan could see all of her expression, she continued, "In fact, from what I see, Miss Chen, you and Mr. Song are a pair from the sky, a pair from the earth! The Chen and Song families were close friends. When Mr. Song was in trouble, it was the great-grandfather who saved him. If it weren't for the great-grandfather, the current Mr. Song wouldn't exist. The ancients valued life-saving favors, so it was normal for Mr. Song to have you in his heart! I just don't know when Mr. Song will be able to face his feelings for you... ."

"In the end, Xia Wei sighed and said, "Mr. Song is almost thirty years old this year. Although you are two years younger than him, you have reached the marriageable age after all. If you continue to delay, it won't work." "

“Hearing this, Chen Siyan’s face also flashed with sadness, but soon, the face of the sadness disappeared completely, and then said: “In fact, as long as I accompany him like this is very happy.” ”

“If he was happy, she would be happy. ”

“Sometimes, love was waiting, not having. ”

“Xia Wei said, “Although that’s what you said, the logic is not so reasonable. You’re still young. “Have you ever thought about what you’ll Do When You’re Old? “Don’t you want to have a crystallization of love with Mr. Song? When you’re old, you can enjoy the joy of family.” ”

““I can’t think that far ahead.”Chen siyan smiled and said, “Let’s go in.” ”

“Who knew which came first, tomorrow or by accident? Chen Siyan only wanted to live a good life in front of her. ”

“Seeing her like this, Xia Wei didn’t say anything more and followed Chen Siyan in. ”

“When they came to the front desk, chen siyan said, “Find out which room your boss is staying in.” ”

“Chen Siyan often stayed in this hotel. The front desk knew that she and song Shiyu were friends, so he respectfully said, “Miss Chen, please wait a moment.” ”

“A moment later, the front desk continued, “Miss Chen, the BOSS is staying in Room C3008.” ”

““Okay, thank you.” ”

“After thanking her, Chen Siyan was about to go back when she seemed to have thought of something. She continued, “Oh right. Please ask someone to send a piece of ginger and some old brown sugar to room A056.” ”

“Okay.”The receptionist nodded.

“Xia Wei asked curiously, “Miss Chen, is your stomach uncomfortable? I don’t have any warm menstrual paste. It’s very comfortable after you put it on. Do you want to try it?” ”

“Chen Siyan said, “You misunderstood. It’s not my stomach that hurts.” ”

“Then why do you want the old brown sugar and Ginger?”Xia Wei asked curiously.

Chapter 1489: 316: I shot myself in the foot. I didn’t expect her to be so terrifying! 3

“Chen Siyan said, “I’m going to visit Shiyu later. He likes the ginger and Ginger Water I cook the most.”It was unknown when Song Shiyu had fallen in love with the combination of ginger and Ginger. ”

“Therefore, no matter when and where, as long as Chen Siyan was around, Chen Siyan would let song Shiyu drink the ginger water with brown sugar that she personally cooked. ”

““OH.”Xia Wei nodded, but she felt very strange in her heart. Why would a grown man like to drink this kind of thing. ”

“Not long after returning to the room, the hotel staff brought the old brown sugar and ginger over. ”

“The hotel suite had a kitchen. After Chen Siyan washed the ginger, she cut it into strips of ginger and then boiled it into brown sugar ginger water. ”

“Soon, the kitchen was filled with a strong smell of brown sugar ginger. ”

“Chen Siyan hated ginger very much. In the past, no matter how much her stomach hurt, she would not drink a mouthful of brown sugar and ginger water. But ever since Song Shiyu fell in love with this taste.., Chen Siyan forced herself to like this taste. ”

“After boiling the brown sugar and ginger water for half an hour, Chen Siyan took out a thermos cup, filled it, and sent it to Song Shiyu’s suite. ”

“Standing at the door of Song Shiyu’s room, Xia Wei’s words rang in her ears, and Chen Siyan’s heart raced. ”

Bang! Bang! Bang!

“Chen Siyan took a deep breath and tried hard to calm herself down. Then, she reached out and pressed the doorbell. ”

“The next second, the door was opened from the inside. ”

It was Song Shiyu who opened the door.

“Seeing Chen Siyan outside, Song Shiyu frowned slightly. “When did you come?” ”

““I arrived on the 27th.” Chen Siyan walked inside. “I saw your assistant, Liu Kai, downstairs. He said that you live here too, so I boiled some brown sugar and ginger water to see you.” ”

“After saying that, Chen Siyan poured out the brown sugar and ginger water from the Thermos Cup and handed it to Song Shiyu. “Try it. It’s still the same taste.” ”

Song Shiyu took the brown sugar ginger water and took a sip.

“Chen Siyan couldn’t wait to ask, “How is it?” ”

“It’s okay.” Song Shiyu nodded.

“It’s good that you like it.” Chen Siyan smiled.

“After drinking the brown sugar ginger water in the bowl, Song Shiyu poured out the entire thermos cup.”

“Seeing that Song Shiyu liked the brown sugar ginger water so much, Chen Siyan’s heart was instantly filled.”

It was very fulfilling and very blissful.

“Seeing that Song Shiyu’s room was a little messy, Chen Siyan began to clean up.”

“Seeing that Chen Siyan had actually cleaned up the room, Song Shiyu placed the empty bowl on the table and continued, “You don’t have to clean up those things. Someone will come over to clean them up.””

““It’s fine. I have nothing to do anyway,” Chen Siyan said.”

“Song Shiyu looked at Chen Siyan with a strange expression in his eyes. Chen Siyan had grown up with him from a young age and was a very kind girl. However, she couldn’t force herself when it came to matters of the heart. “Siyan.””

“Oh?” Chen Siyan raised her head and looked at Song Shiyu. “What’s Wrong?”

“Song Shiyu looked at Chen Siyan just like that, “I’m a person without a heart. I won’t fall in love with anyone in my life. No matter how much you’ve done for me, I won’t be moved. “If it weren’t for Old Master Chen, you wouldn’t even be qualified to serve me tea and water! “Don’t waste a girl’s best years on me. It’s not worth it!””

These words were a little harsh.

“But if they weren’t harsh, Chen Siyan would never wake up.”

Old Master Chen had once done him a favor. Chen Siyan was old master Chen’s only granddaughter. Song Shiyu didn’t want to see Chen Siyan trapped here with him.

“Hearing that, Chen Siyan’s eyes turned red, but she still tried hard to control her tears.”

She could not cry.

She could not cry!

“”It’s my business that I like you. You have no right to interfere with my liking.”Chen siyan continued, “I don’t need you to respond to my liking. I only hope that we can be the same as before! “Shiyu, I’m not the kind of person who pesters you. I’m willing to do all these things now!” ”

She only wanted to talk to Song Shiyu and cook him a bowl of brown sugar ginger water.

Song Shiyu didn’t say anything else. He walked out of the balcony and lit a cigarette. The smoke blurred his face.

“The weather in C Nation was good and it was very suitable for sunbathing. After smoking a cigarette, Song Shiyu sat on the chair, took out his phone, and started to study mobile games.”

“Chen Siyan looked at song Shiyu outside the balcony, and she could not tell what she felt.”

It was only for a moment.

She suddenly felt that they seemed to have returned to the way they used to be.

A bitter smile appeared on the corner of Chen Siyan's mouth.

Chapter 1490: 316: I shot myself in the foot. I didn't expect her to be so terrifying! 4

"Just like that, Xia Wei still felt that song Shiyu had him in his heart."

She should have known better.

"Song Shiyu had cast a shadow on women due to the trauma of his early years. He would never develop a favorable impression of any member of the opposite sex, so how could he do something like silently waiting for her."

"In the end, she was still delusional."

"After tidying up the room, Chen Siyan walked to the balcony and said softly, "Shiyu, I'm going back first.""

Song Shiyu didn't say anything. His attention was on the phone screen.

Chen Siyan looked at it curiously.

"She thought that song Shiyu was dealing with official business, but she didn't expect the screen to show a mobile game."

Mobile game!

Chen Siyan felt that it was a little strange. Since when did song Shiyu start to like mobile games? She quietly wrote down the game's name and turned around to leave.

“Even when she walked out of Song Shiyu’s room, she did not receive any response from him.”

“When she returned to her room, Chen Siyan took out her phone and opened the app to search for the mobile game song Shiyu had just played.”

“Coincidentally, Xia Wei had sent the information over. When she saw that Chen Siyan was playing the game, she smiled and said, “Miss Chen, do you also like to play pesticides?””

“Chen siyan shook her head, “I saw others playing it, so I wanted to try it. Do you play this too?””

“”Yes.” Xia Wei continued, “This game is going to be very popular this summer! If you want to play it, I can take you.””

“Okay.” Chen Siyan nodded.

On the other side.

The competition ground.

“Although they encountered some twists and turns on the road and were almost thrown a bomb by someone, under ye Zao’s strong reversal, the Black Bentley parked in the parking lot of the competition area at 12:30 am on time.”

“After getting out of the car, Bai Xiaosu’s legs were still a little weak. If ye Zhuo had not reached out to hold her, she would have already fallen.”

“Are You Alright?” Ye Zhuo looked back at Bai Xiaosu.

Bai Xiaosu shook her head. “I’m fine.”

Ye Zhuo took out a pill and handed it to Bai Xiaosu. "This is the heart cleansing pill."

Bai Xiaosu took the pill and hesitated.

"Before a shooting competition, there would always be a check-up. If one was found to have taken the pill, they would be disqualified from the competition. For a moment, Bai Xiaosu did not dare to take it."

"Ye Zhuo smiled and said, "Don't worry, this is a medicine to calm one's mind. There are no prohibited items.""

""Okay." Hearing Ye Zhuo's words, Bai Xiaosu only dared to swallow the pill."

"It was not just psychological effects, but also the effect of the pill. As soon as he swallowed the pill, Bai Xiaosu felt much more relaxed. His body was full of strength and his legs were no longer weak."

"For a moment, he was full of energy!"

""Thank you, Miss Ye. I feel much better now." Bai Xiaosu looked at Ye Zao."

""That's good." Ye Zao continued, "When you enter the arena later, remember, no matter how thirsty or hungry you are, don't touch the food and water inside. Jin Yuyan didn't succeed just now. She will definitely try to recruit you again.""

""Okay, I got it." Bai Xiaosu nodded."

"Bai Xiaosu looked at his phone and continued, "Miss Ye, it's about time now. I'll go in first.""

"Remember what I said."

"Got it!"

“After Bai Xiaosu left, Ye Zhuo also came to the spectator stand.”

“Although the competition hadn’t started yet, with the host interacting with the audience on stage, it was still very lively.”

Ye Zhuo found a spectator stand exclusive to China.

“There were a total of 50 countries, and each country allowed 50 people to participate. Adding on some of the audience members present, there was a total of more than 5,000 audience members.”

Ye Zao found a seat on the side and sat down.

“Although he did not say anything, it still caused a small sensation.”

“”D \* mn, that girl is so beautiful. Looking at her side profile, she is absolutely stunning!””

“Side profile kill! This is!”

“She looks like leaf!”

“”Right, right, right. I was just about to say why she looks so familiar! It might be leaf!””

“I didn’t expect leaf to come to C Nation as well!”

Some people wanted to find a photo of ye Zao for comparison.

“However, any videos or pictures of ye Zao showing his face had been erased.”

Even the variety shows that he had participated in had been edited after the broadcast.

“At present, there were no photos of ye Zao on the Internet.”

“After ye Zao put on the wireless headphones, she began to play games. She did not notice that she had become a scenery in the eyes of others.”

On the other side.

Bai Xiaosu came backstage.

The contestants from 50 countries were basically all here.

Everyone was practicing shooting.

The atmosphere was a little tense.

“Bai Xiaosu was not going to practice anymore, but seeing that everyone was so serious, she took out her gun and began to contact them.”
