Chapter 1491: 316: she lifted a rock and smashed her own foot. I didn't expect her to be so terrifying! 5

“After ye Zao’s guidance, her current marksmanship was very good.”

She almost hit every shot.

“It was very hot in the waiting area. Bai Xiaosu was sweating profusely after not practicing for a while. His mouth was dry and his tongue was parched. He glanced at the water on the table beside him. Just as he was about to reach for it, he remembered ye Zao’s words.”

She could not drink the water inside.

“However, she was too thirsty.”

“The water was unopened. She should be fine after a sip, right?”

Could it be that someone could poison the unopened water?

Bai Xiaosu felt that ye Zao was being too cautious.

“After all, it did not feel good to be thirsty.”

“Bai Xiaosu licked his lips. When he saw that the Korean contestant was drinking the water happily, he suddenly felt even more thirsty.”

“He wasn’t afraid of anything. He was just afraid of what might happen. If she drank the water, what if she was found out to be problematic?”

“After struggling for a long time, Bai Xiaosu still didn’t reach out for the water.”

There were still ten minutes before the competition started.

Bai Xiaosu couldn’t help but feel thirsty.

There were so many people drinking water at the venue. She only took a sip. Nothing would happen to her. Bai Xiaosu took a deep breath and walked over to get the water.

“At this moment, a Japanese contestant was one step ahead of Bai Xiaosu. He took the water from the table, opened the bottle cap, and drank it all in one gulp.”

Bai Xiaosu was furious when she saw this scene!

“There was only one bottle of water closest to her. If she wanted to drink more water, she would have to go to Area P to get it. However, it was obvious that it was too late.”

Bai Xiaosu had no choice but to give up on the idea of drinking water and began to line up for testing.

“Soon, a tester took out a device and began to check whether everyone had taken the banned drug.”

The Japanese player was in front of Bai Xiaosu.

“When the Japanese player was detected, Bai Xiaosu was a little curious.”

“If there was a problem with the water, then the Japanese player would lose the qualification to participate in the competition!”

Beep.

“The device swept over the Japanese player, but there was nothing unusual. ”

No problem.

“Seeing this scene, Bai Xiaosu felt a little regretful. If she had known that there was no problem, she would have drank that bottle of water. ”

What if she went on stage with a dry mouth and a dry tongue? What if it affected her performance?

Bai Xiaosu’s intestines turned green with regret!

“Very soon, the test was over. ”

“There were a total of 50 people, but none of them were found to have taken illegal drugs. ”

“Although the test was over, the examiner did not ask everyone to leave. Instead, he asked everyone to continue waiting. ”

“Watching the examiner leave, Bai Xiaosu sighed and said in a low voice, “If I had known earlier, I wouldn’t have listened to Miss Ye!” ”

“At this moment, the examiner, who had already left, returned to the test room and asked loudly, “Who is Itoh Takushi?” ”

“I am!”The Japanese contestant stood out from the crowd.

“The examiner looked at Itoh Takushi and continued, “Itoh Takushi, taking illegal drugs, disqualified from this competition!” ”

“Hearing this, the faces of the contestants changed. ”

Who would have thought that someone would actually secretly take illegal drugs.

“Itoh Takujin was especially agitated. He said, “No! I haven’t taken any drugs! You are mistaken! You must be mistaken!” ”

The inspector looked at the police officers beside him. “Take him away.”

The two police officers immediately carried Itoh takujin away on both sides.

“Itoh Takozhen struggled with all his might, “I’m innocent! I’m Innocent! Let Me Go! I want to participate in the competition! Let Me Go!” ”

Itoh Takozhen was taken away and could only be replaced by temporary substitutes.

“Seeing this scene, the color on Bai Xiaosu’s face instantly disappeared, and her heart was filled with lingering fear. ”

Almost.

Just a little bit more and she would have been the one who was kicked out.

“Fortunately, there was ye Zao. ”

Bai Xiaosu regretted not drinking the water just now and was grateful to ye Zao now.

“If it were not for ye Zao, she would have drunk the bottle of water long ago. ”

“Although Jin Yuyan was sitting in the audience, she knew clearly what happened in the competition zone.”

“Jin Yuyan narrowed her eyes. She thought that there was no mistake this time. Unexpectedly, she still miscalculated!”

“Fortunately, she had gotten rid of one of them.”

One less person meant one less competitor. How could this substitute compare to a professional shooter.

“As far as she knew, the shooting ability of the Japanese competitor was not weak either.”

“Jin Yuyan comforted herself in her heart. Then, she turned her gaze to the viewing area of China.”

Ye Zao was sitting there unscathed.

“When Jin Yuyan saw ye Zao, a dark light flashed in her eyes.”

“This little girl from China, she would definitely make her pay the price.”

“If she didn’t do anything, Ye Zao would think that the royal family of Korea was made of mud.”

Chapter 1492: 316: she shot herself in the foot. I didn’t expect her to be so terrifying! 6

No one can challenge Huang Wei!

“At this moment, Ye Zhuo, who had been looking down at his phone, suddenly raised his head and met Jin Yuyan’s gaze.”

“Her gaze was clear to the bottom, as if she could see through people’s hearts and see through the darkest side of their hearts.”

They looked at each other and Jin Yuyan was stunned. She was a little flustered.

That feeling was as if she had done something wrong and was caught by someone.

Jin Yuyan did not expect ye Zao to have the guts to look at her.

“After a while, Jin Yuyan recovered and looked up at ye Zao again. However, ye Zao had already retracted his gaze and continued to look at his phone.”

It was as if that scene just now had never happened.

“Looking at ye Zao’s figure, Jin Yuyan pinched her fingers. It seemed that this ye Zao had to be eliminated!”

“Soon, the competition began.”

“As if everything had been calculated, the host announced the start of the shooting competition. Ye Zao led his troops to push away the last enemy crystal. Then, he turned off his phone and looked up at the stage.”

“There was some distance between the audience seats and the competition stage, but through the big screen on the stage, Bai Xiaosu’s figure could be clearly seen.”

“Bai Xiaosu was also trying hard to find ye Zao’s figure. Unfortunately, there were too many people in the audience seats and the distance was too far. Why did it look so densely packed? She could only roughly identify ye Zao’s seat based on the clothes ye Zao was wearing.”

“An hour later, the competition ended.”

“As expected, Bai Xiaosu won first place.”

“When the national anthem of China was played on the competition ground, Bai Xiaosu could not hold back his tears.”

Being in a foreign country and hearing the national anthem of their motherland was something that every Chinese people were proud of.

All the Chinese people present also stood up from their seats and cheered for Bai Xiaosu and China!

“After the competition ended, Bai Xiaosu took the gold medal and rushed to ye Zao’s side. He said in a hoarse voice, “Miss Ye, thank you!””

““Silly Girl, you won the competition yourself. Why are you thanking me?”Ye Zao reached out and wiped Bai Xiaosu’s tears.”

“Bai Xiaosu looked at ye Zao, “Miss Ye, if it weren’t for your guidance, I wouldn’t have won this gold medal!””

“Ye Zao smiled, “The gold medal was earned with your hard work and sweat. It has nothing to do with me.””

“The master led the way, and cultivation depended on the individual.”

Bai Xiaosu was able to get the gold medal because of her own hard work.

““It has something to do with me!”Bai Xiaosu continued, “Miss Ye, you may not know, but just now backstage, a Japanese contestant was found to have taken illegal drugs and was disqualified.”

Fortunately, I listened to you and did not touch the water there. Otherwise, the person who was disqualified would have been me!””

“Thinking of you, Bai Xiaosu felt a lingering fear.”

“Hearing this, Ye Zao narrowed his eyes.”

“She only reminded Bai Xiaosu, but she didn’t expect Jin Yuyan to really make a move.”

It seemed that Jin Yuyan was really determined to succeed.

Ye Zao raised his head and looked at Bai Xiaosu. “Be careful these few days. Jin Yuyan failed twice. She will definitely make other moves.”

“Okay.” Bai Xiaosu nodded seriously.

Ye Zhuo returned to the hotel at around six in the evening.

“After resting in the hotel for two hours, Ye Zhuo received a message from Carl. He left the hotel in a car and went to the address that he had arranged with Carl.”

This was the Chinese Street.

“At eight o’clock in the evening, it was a lively time. There were all kinds of food stalls on both sides of the road.”

Carl sat in front of a barbecue shop and waved at ye Zhuo. “An!”

Ye Zao pressed down the hat on his head and jogged over.

“Is it her?” A scar-faced man turned to look at the woman who was sitting in front of him in gorgeous clothes.

The woman nodded.

The scar-faced man picked up the beer bottle in his hand and stood up. “Leave it to me!”

Chapter 1493: 317: You Deserve What You Get! 1

“The woman looked around and saw a man in a police uniform. She said, “Wait.””

Scarface also saw that something was wrong. He put down the beer bottle and sat back on the chair.

“The woman continued, “According to Secretary Zhang, this Ye Zhuo is not an ordinary person. Be careful.””

“The scar-faced man’s face was filled with disdain. She was just a little girl. Even if she wasn’t ordinary, how could she not be ordinary?”

What a joke!

““Don’t worry.” The scar-faced man continued, “This day next year will be her few days.””

The woman looked in the direction of Ye Zhuo.

“From the looks of it, this little girl, other than having an outstanding temperament in the crowd, didn’t seem to be any different.”

Perhaps secretary Zhang was too cautious.

“After thinking for a while, the woman said, “In any case, be careful. Don’t capsize in the Gutter.””

Capsize in the gutter?

The scar-faced man curled the corners of his lips.

“He had been on country C road for more than ten years, and he had met all kinds of people. How could he be in the hands of a little girl?”

“After saying that, the woman continued, “Wait until the police officer has left before making a move.””

The scar-faced man nodded.

Ye Zhuo walked to the opposite side of Carl and sat down.

“The light in the snack street was not bright. In addition, she was wearing a hat, so people could not see her face clearly.”

It was hazy and indistinct.

“Carl said, “The durian halberd here is especially good. Try it.””

Ye Zhuo took a bite.

““It’s not bad, right?” Carl asked.”

“It is indeed not bad.” Ye Zhuo nodded.

“In fact, she had already eaten dinner, but she still couldn’t control herself when faced with such a delicious dessert.”

“Carl then took out a document. “An, take a look at this. If there are no problems, just sign it.””

Ye Zhuo reached out and took the document.

It was about Ranidou’s contract.

“As expected, Yaler was a man of his word.”

“After reading ten lines, Ye Zhuo signed the English name.”

“Seeing that she signed the contract so quickly, Carl couldn’t help but remind her, “An, Yala is a man of many tricks. Look carefully and don’t fall for his tricks.””

“Although Carl had read the contract several times, he was still a little worried.”

““Yes, I know.”Ye Zhuo nodded, put away the document, and continued to eat the Durian Halberd.”

Know?

He could eat so happily even if he knew?

Shouldn’t Ye Zao be reading the contract now?

What if Yaler secretly set a trap for ye Zao?

“An,” Carl continued, “Aren’t you going to continue reading?”

“I’ve read it. Don’t worry, there’s no problem.” Ye Zao’s tone was clear and shallow. “Although Yaler is crafty and has a bad reputation, he still has this little quality.”

“Really?” Carl asked.

“Really.” Ye Zao nodded slightly.

“Seeing ye Zao so sure, Carl was no longer worried.”

Ye Zao continued to eat the Durian Halberd.

Durian and stinky tofu were the same. They smelled stinky and tasted fragrant.

“Other than vegetables like Toona, there were few things that ye Zao did not like to eat.”

“After eating a durian halberd, ye Zao flipped through the menu and found that this shop not only had desserts, but also skewers.”

“The weather in C Nation was good, so it was very suitable for eating kebabs and drinking beer.”

“She was not hungry initially, but after eating a dessert, she felt a little hungry.”

“Especially the taste of kebabs on both sides was straight into the nose, making people unable to stop.”

“Do you want to drink beer?” Ye Zao looked at Carl.

“I can have some, I can hold my liquor very well.” Carl nodded.

He ordered a pint of beer and then some kebabs.

“Soon, the waiter came up with beer and kebabs.”

Ye Zhuo took a sip of the cold beer. He was glad that Cen Shaoqing was not by his side.

“Otherwise, he would not have allowed her to touch the cold beer.”

“Ever since he got together with Cen Shaoqing, Ye Zhuo felt like he had an old father.”

PA —

“While ye Zhuo was eating and chatting with Carl, a fierce-looking man with a scar on his face suddenly appeared in front of the table and slammed the beer bottle in his hand on the table.”

The loud noise made the diners who were eating nearby look over.

“Carl was shocked and looked up at the man with a scar on his face, “Sir, what’s the matter?””

“”This has nothing to do with you. If you don’t want to die, get out of my way!”After saying that, the man with a scar on his face turned to look at ye Zao, he said fiercely, “I’ll give you ten minutes to pay the 50 million that you owe us! Otherwise, don’t blame me for being rude to you!””

50 million?

This young girl actually owed someone 50 million.

“When the surrounding diners who were eating heard this, they all dismissed the idea of calling the police.”

Chapter 1494: 317: You Reap What You Sow! 2

“Even if the police were called, it would be useless for a debt dispute.”

“Hearing this, Carl turned to look at ye Zao with doubt in his eyes.”

That’s impossible!

“Ye Zao had won more than that in ranito casino, so how could he owe someone 50 million!”

“Obviously, this person was here to pick a fight!”

What should he do?

Carl looked at himself and then looked up at Scarface who was covered in fat. It was obvious that he was no match for Scarface.

But there was no need to worry.

“Even Yaler was no match for ye Zao, let alone this Scarface in front of him.”

“Thinking of this, Carl turned to look at Ye Zao.”

“He saw ye Zao slowly put the beer glass on the table, as if he did not hear Scarface’s words, and continued to eat the kebabs.”

He was extremely calm.

“Seeing how calm ye Zao was, Carl was not worried at all. He imitated ye Zao and picked up a kebab, eating it while drinking beer. ”

“Seeing that ye Zao actually ignored his existence, Scarface was so angry that his face turned green. He picked up the dessert that ye Zao had just ordered and threw it on the ground. ”

PA!

“Then, Scarface picked up the beer bottle on the table and smashed it at Ye Zao’s head. ”

“Seeing that the beer bottle was about to hit ye Zao’s head, ye Zao stood up, grabbed Scarface’s hand with one hand, and picked up the beer bottle on the table with the other hand, and smashed it directly on Scarface’s head. ”

“The moment the beer bottle exploded, there was a loud sound. ”

Bang!

“The posture was a little handsome, and Carl was so excited that he wanted to whistle. ”

Scarface only felt a tearing pain on his scalp. The air was filled with the smell of blood and beer.

“The next second, he was kicked in the knee. Scarface was kicked to the ground by this sudden force. He grimaced in pain. ”

““Didn’t your mother teach you to cherish food?”Ye Zhuo looked down at Scarface and said coldly, “Pick it up and eat it!” ”

Ye Zao hated people who wasted food the most in his life.

Perhaps the feeling of being so hungry that one's chest was pressed against one's back could only be understood by those who had experienced it.

"Earth's resources were limited. If humans did not cherish food and protect the environment, sooner or later, they would have to pay the price."

"Scarface knelt on the ground, his face full of disbelief."

He did not expect that an unarmed little girl would be so skilled.

No wonder secretary Zhang kept reminding him to be careful.

Little did he know that Secretary Zhang was also stunned. He could not believe his eyes.

He was knocked down.

Ye Zhuo had actually knocked down Scarface.

What should he do now?

Secretary Zhang quickly picked up the phone on the table and left in a hurry. He could not bring trouble to himself.

"Scarface was a gangster. Since he was in the underworld, he should know the rules of the underworld."
"

Secretary Zhang reported to Jin Yuyan as he walked.

Scarface knelt on the ground and felt better. He reached for the gun at his waist.

“No matter how powerful this little girl was, she had to surrender in front of the gun!”

Scarface took out the gun and Ye Zhuo kicked his wrist. A sharp pain hit him and the gun in his hand was thrown out.

Ye Zao reached out and caught the gun.

“Then, a cold muzzle was pressed against Scarface’s head.”

“Seeing this, Carl immediately stood up and blocked her view. He took out his phone and started the black surveillance.”

“Scarface’s face instantly turned pale, and his back was covered with layers of cold sweat.”

“Ye Zao slowly pulled the trigger and opened his red lips, “I told you to pick up the things and eat them.”

”

““Eat, I’ll eat! I’ll eat right away!” Scarface’s voice was trembling. He had been in the underworld for so many years and had always pointed a gun at someone’s head. This was the first time someone had pointed a gun at his head.”

It was not a good feeling to have your life in someone else’s hands.

Scarface was regretting it now.

He regretted not listening to Secretary Zhang’s words.

“At this moment, a clear and shallow voice sounded in the air again, “Two minutes.” ”

Two Minutes?

Scarface was stunned for a moment and looked up at Ye Zao.

“For a moment, he did not understand what ye Zao meant. ”

“One minute and 58 seconds.”

Only then did Scarface realize that ye Zao meant to let him eat the cake on the ground within two minutes.

“”I’ll eat it now! Please don’t be angry. Anger is not only bad for the liver, it’s also easy for the gun to go off!” Scarface quickly picked up the dessert on the ground. He didn’t care about the dirt and swallowed it in big mouthfuls. ”

Chapter 1495: 317: You Reap What You Sow! 3

“In a short while, he finished the whole dessert. ”

“”I’m done, great-aunt. Look, I didn’t waste anything!” Scarface showed the empty box to ye Zao. ”

“Scarface had dealt with Chinese people before, so he knew what the word ‘great-aunt’ meant in China.
”

“Ye Zao glanced at him and slowly put away his gun. He continued, “Go back and tell Jin Yuyan that a rat hiding in the dark is the most despised. She’s a princess of Korea, so don’t do something disgusting!” ”

“”Yes, yes, yes!” Scarface nodded repeatedly. “I will definitely deliver your words.” ”

“After saying that, Scarface was stunned. ”

How did ye Zao know that the person who sent him here was Jin Yuyan?

“Get lost.”

“I will get lost, I will get lost!” Scarface said while rolling on the ground several times. ”

“Halfway through rolling, Scarface seemed to remember something and stood up ye Zao. “My, My Gun...” ”

Ye Zao lowered his eyes slightly and looked at him.

“Scarface hurriedly said, “I’ll... Give It to you! I’ll get lost again! Get lost again! Please don’t be angry! Don’t be angry!” ”

“Carl was overjoyed. “An, you’re really amazing! If you were a man, I would definitely marry you!” ”

2

What a pity.

Such an outstanding person was actually a girl.

“Ye Zhuo glanced at him. “If I were a man, the person who wants to marry me would be able to hold hands and circle the Earth at least ten times. As for you, you still have to queue up!” ”

“Carl smiled and said, “So, we can only be brothers for the rest of our lives! Right, you just said that the Scarface was sent by Jin Yuyan. When did you offend Jin Yuyan?” ”

Ye Zhuo shrugged helplessly. "I don't know either."

"After saying that, Ye Zhuo rubbed his chin and said thoughtfully, "It's also possible that she's jealous that I'm prettier than her! After all, I'm so good-looking!" "

She had only rejected Jin Yuyan's invitation to change her nationality. She did not expect that Jin Yuyan would not give up.

It was definitely Jin Yuyan who was jealous that she was prettier than her.

Carl:"..."

On the other side.

China.

On the 58th floor of the CITIC Tower.

"The man placed one hand on the railing and the other on the prayer beads. He stood in front of the French window and watched the sun slowly rise from the east. His posture was casual, but it gave off a powerful aura. "

"The golden sunlight shone in from the French window. The Man stood against the light, making his figure look even taller. He looked like an emperor looking down on the world. "

"At this moment, a knock on the door broke the silence in the room. "

"Come in."The man looked back slightly, revealing an exquisitely carved face. "

“Fifth Master.” Special Assistant Li walked in from outside the door.

Cen Shaoqing’s thin lips parted slightly. “Speak.”

“Looking at Cen Shaoqing like this, special assistant Li subconsciously shrunk his neck. ”

Today was the fifth day that ye Zhuo had left the capital.

Cen Shaoqing seemed to have become the CEN Shaoqing from before.

He was serious and serious.

He ate vegetarian food and prayed to Buddha.

“Therefore, based on Cen Shaoqing’s daily reactions, the CEN group’s employees could guess whether ye Zao was in the capital or not. ”

“After taking a moment to recover, special assistant Li continued, “Fifth master, Miss Ye seems to be in trouble in C Nation.” ”

“Hearing this, Cen Shaoqing immediately turned around. “Is She Alright?” ”

“Miss Ye is temporarily fine. You Don’t have to worry.”

Temporarily Fine?

“Hearing this, Cen Shaoqing frowned. “Who is it?” ”

““The eldest princess of Korea, Jin Yuyan,” special assistant Li said. ”

“Jin Yuyan.” Cen Shaoqing narrowed his eyes.

“Special assistant Li continued, “Fifth Master, do you need me to contact Korea?” ”

“No matter how powerful Korea was, it was only an island country. ”

“In Cen Shaoqing’s eyes, it was nothing. ”

“With the power behind Cen Shaoqing, let alone Korea, even if there were two of them, he wouldn’t care. ”

“No need.” Cen Shaoqing’s thin lips parted.

No need?

Special Assistant Li was stunned. Cen Shaoqing had always been the most nervous about ye Zhuo.

“But now, he was actually going to stand by and watch. ”

Could it be...

That something was wrong with their relationship?

“Before special assistant Li could react, CEN Shaoqing continued, “You can go out first.” ”

“Yes.”

Special Assistant Li turned around and left.

“Cen Shaoqing took out his phone and made a call. Very soon, the call was connected.”

“Get Me Jin Xi en.”

His voice was so cold that it could drip ice.

Jin Xi en.

The current Empress of Korea.

Jin Yu Yan was her eldest daughter.

“Special Assistant Li, who had just walked out of the door, suddenly shivered.”

Why did he feel that someone was going to be unlucky?

Chapter 1496: 317: You Reap What You Sow! 4

Illusion?

C nation.

“Jin Yuyan was lying on the chair of a noble lady, applying a facial mask. Beside her were two masseurs massaging her.”

“At this moment, her phone rang in the air.”

“At this moment, Jin Yuyan heard her phone ring. She frowned. “Just hang up!””

“Looking at the caller ID, her assistant looked a little troubled. “Princess, Princess, it’s secretary Zhou Calling.””

Secretary Zhou was Empress Korea’s personal secretary.

“Hearing this, Jin Yuyan immediately took off the mask on her face, stood up, took the phone, and said respectfully, “Secretary Zhou!””

“Secretary Zhou’s voice came from the other end of the phone. “Eldest princess, the Empress has given you until tomorrow to rush back to the country immediately!””

So Urgent?

“Jin Yuyan narrowed her eyes and continued, “Secretary Zhou, did my mother say what it was about?””

““I’m not too sure about the details. Anyway, please come back quickly!””

“After saying that, Secretary Zhou hung up the phone.”

“Looking at the phone that was hung up, Jin Yuyan’s face was full of confusion.”

Why did her mother call her back so urgently?

Could it be that it was because Korea was in the top three in the shooting competition and she wanted to reward her?

“Otherwise, Jin Yuyan really could not find a reason for her mother to ask her to go back quickly.”

Jin Yuyan was unwilling to let Jin Yuyan go back now.

“After all, she still had important things to do.”

“At this moment, her cell phone rang again.”

“Who called?” Jin Yuyan asked.

“The assistant looked at the cell phone and said, “It’s secretary Zhang.””

Secretary Zhang must have called because of Ye Zhuo.

Scarface must have succeeded!

“Thinking of this, Jin Yuyan curled her lips.”

Fighting with her!

It was ridiculous!

“Hello.” Jin Yuyan picked up the phone.

“She did not know what secretary Zhang said, but Jin Yuyan’s expression changed. “How could this be!””

She had failed!

She had actually failed again!

Jin Yuyan wanted to throw her phone away. "Trash!"

"A moment later, Jin Yuyan continued, "The Empress called and asked me to go back first. You should continue to stay here and make sure to get rid of ye Zao! Otherwise, don't come back!""

"After saying that, Jin Yuyan directly hung up the phone."

A bunch of trash!

They couldn't even deal with a little girl.

"Seeing her like this, the assistant who had been following Jin Yuyan all this while walked over. "Eldest princess.""

"Speak."

"The assistant continued, "This ye Zhuo seems to be different from what we've investigated. Why don't we let her off the hook? We don't want to get into trouble!""

"What a joke! Don't Tell Me I'm afraid of a little girl!"

Jin Yuyan had never been afraid of anyone in her life.

The assistant immediately shut up!

"Jin Yuyan continued, "Go and book a plane ticket. Get to Lille Airport before noon tomorrow.""

Lille was the name of the capital city of Korea.

"Yes."The assistant bent down to book a plane ticket.

On the other side.

“At 10:30, Ye Zhuo arrived at the hotel from Chinatown.”

Carl was the one who sent her back.

““What time is the flight tomorrow? I’ll send you back,” Carl said.”

““At 2:00 p.m.,” ye Zhuo answered.”

“Carl continued, “Then I’ll wait for you downstairs at 12:00 p.m.””

“Sure.” Ye Zao nodded slightly. “I’ll go in first.”

“Okay.” Carl nodded and watched ye Zao go in.

Ye Zao had just walked into the hotel lobby when he was stopped by someone. “Miss Ye!”

Ye Zao looked back slightly and saw a gentle-looking young woman.

“After a while, ye Zao finally remembered who this was.”

Chen Siyan.

They had met once at Old Madam Song’s funeral.

““Miss Chen,” ye Zao greeted politely.”

“Chen Siyan walked over with a smile. “Miss Ye, what a coincidence. I didn’t expect to meet you here.””

“C nation was very big. Although there were many Chinese people doing business here, it was still quite difficult to meet an acquaintance.”

““It’s quite a coincidence,”ye Zao said.”

“Chen Siyan continued, “Miss Ye, are you here for a vacation?”Ye Zao was young and a university student. Apart from traveling, he seemed to have nothing else to do.”

“Yes.”Ye Zao nodded slightly. “There are also some other things.”

““OH.”Chen siyan continued, “By the way, I’m staying in Room A056. If Miss Ye is free, you can come and chat with me.””

“Ye Zao smiled and nodded. “Okay, but I have to go back tomorrow.””

“So Soon?”Chen Siyan was a little surprised.

Ye Zao nodded slightly.

“Just then, Xia Wei walked over and called Chen siyan, “Miss!””

Chapter 1497: 317: You Reap What You Sow! 5

“Chen Siyan said a little embarrassedly, “Miss Ye, I still have some matters to attend to. Let’s talk later.””

“Go Do Your Thing!”

Chen Siyan nodded and walked towards Xia Wei.

“Xia Wei’s gaze met Ye Zhuo’s figure, and a look of amazement flashed across her eyes. ”

She was so beautiful!

Chen Siyan walked to Xia Wei’s side. “What happened?”

Only then did Xia Wei react. “CEO Chen called you. He said that it’s about the proposal. He still has some details to discuss with you.”

“Got it.” Chen Siyan nodded and followed Xia Wei to the elevator.

Ye Zao also returned to his room.

“When he booked the hotel, Ye Zao had specially booked a room on the first floor. As soon as he opened the window, he could see the flowers and plants in the garden. ”

“Meow –”

A Persian cat with shiny fur jumped onto the windowsill.

Ye Zao immediately reached out and picked it up. “You’re so cute! You look like a silly cat!”

“Thinking of brother Meow, the look in ye Zao’s eyes dimmed a little. ”

“”Meow.” The Persian cat in his arms moved closer to ye Zao’s face and sniffed it. He felt that the smell was pretty good, so he rubbed his small head on ye Zao’s face, meowing and acting coquettishly. ”

Ye Zao took a few selfies with the cat in his arms and sent them to Cen Shaoqing.

Cen Shaoqing was sitting at his desk and processing documents when he suddenly heard the sound of a wechat message. He immediately opened his phone.

The only person who could send him a message was ye Zao. There was no one else.

“He opened wechat and sure enough, it was ye Zao who sent him a message.”

There were three selfies in total. Cen Shaoqing frowned when he saw the cat in ye Zao’s arms.

This cat was really ugly!

“At this moment, ye Zao sent a message. [is this cat cute?] ”

[cute.] Cen Shaoqing replied.

“After a while, Cen Shaoqing continued typing: [want to kiss.] ”

[don’t you dislike the various parasites and ringworm on the cat?]

“Cen Shaoqing did not like furry creatures. As long as ye Zao stroked the cat, Cen Shaoqing would explain the bacteria and viruses on the cat to her in a serious manner.”

She did not expect Cen Shaoqing to change his personality after a few days of not seeing him.

“Cen Shaoqing curled his lips slightly and typed, “I’m talking about you.” ”

“Inexplicably, Ye Zao’s face turned red and he hugged the cat tighter in his arms.”

“At this moment, Cen Shaoqing sent another message, “When will you be back?” ”

“Ye Zao replied, “Arrive at the Beijing Airport at One o’clock Tomorrow Night.” ”

Cen Shaoqing replied almost instantly: [Okay.]

[I miss you.]

Ye Zhuo looked at the message on the screen with a smile on his face.

“By the time ye Zhuo turned off his phone and was ready to go to bed, it was already past 11 o’clock at night. He did not even know what had happened to the cat.”

On the other side.

The assistant booked Jin Yuyan’s flight ticket overnight.

The flight was at 12 o’clock at night.

It was exactly 11 pm the next day when they arrived at C nation.

“In the blink of an eye, it was the next day.”

Ye Zhuo got up very early in the morning and ran around the back garden of the hotel several times before heading to the restaurant for breakfast.

“At 11:50 pm, Ye Zhuo dragged her luggage and went to the front desk of the hotel to check out. “Hello, A1988.” ”

The front desk took the room card with both hands and checked out.

“Just as ye Zhuo dragged her luggage out of the lobby, she suddenly remembered something. She had not greeted song Shiyu, so she took out her phone and called Song Shiyu. ”

Song Shiyu quickly picked up. “Hello.”

“”Brother song, it’s Ye Zhuo.” ”

“I know.”

“Ye Zhuo continued, “I’m going back to China today.” ”

“”When’s The Flight? I’ll get my assistant to arrange a driver for you,”song Shiyu said. ”

“”No need.”Ye Zhuo pulled his suitcase out as he said, “A friend has already come to pick me up.” ”

“”Okay, I wish you a safe journey.”Song Shiyu continued, “Send me a text message after you successfully return to China.” ”

“”Okay, that’s all for now. I’m hanging up.” ”

“Okay.”

Ye Zao Hung Up the phone.

“Outside the hotel, Carl’s car was already waiting.”

“Seeing ye Zao come out, Carl immediately went forward to take the suitcase from ye Zao’s hands. ”

“Before getting into the car, Ye Zao looked up at the top of the hotel. ”

“To be precise, it was a window on the eighth floor. ”

She had a feeling that someone was looking at her from the window.

“But when she looked up, she saw nothing. ”

“Was it an illusion, or was it Jin Yuyan’s people? ”

Ye Zhuo narrowed his eyes.

Song Shiyu’s heart was racing as he hid by the curtain.

Almost.

Almost.

Ye Zhuo had seen him.

“After a long while, song Shiyu finally calmed himself down. ”

“A moment later, Song Shiyu sent a message to his assistant. ”

“After receiving the message, the assistant immediately called the housekeeping manager. “Tom!” ”

““Hello, Mr. Assistant.” ”

“The assistant immediately said, “A1988 has just checked out. Ask the cleaning department not to clean up for the time being!” ”

“”Okay.” After hanging up, Tom immediately went to the cleaning department. ”

“However, the cleaning department manager said that the cleaning staff had already gone to clean up the room. ”

Tom was so scared that his face turned white. He hurriedly ran to Area A.

“Fortunately, when Tom arrived, the cleaning staff had just opened the door. ”

“Stop!”

“The cleaning staff was shocked by Tom. “Manager, is there a problem?” ”

“”A 1988, wait for the notice to clean. Before I give the notice, no one is allowed to come in and clean!” ”

“Okay.” The cleaning staff nodded.

She didn’t want to clean it properly.

It would just reduce the pressure on her at work.

On the other side.

In Korea.

“After Jin Yuyan got off the plane, she immediately rushed to the palace, not daring to delay for even a moment.”

“Thinking about how she was about to receive her mother’s praise, Jin Yuyan was still very happy.”

“As the eldest princess of Korea, she had done a lot for Korea over the years, but she had not received a single word of praise from her.”

“When she arrived, the office door was closed.”

Secretary Zhou was standing guard outside the door.

“Secretary Zhou, is my mother inside?”

“Her Majesty the Empress is receiving an important overseas call. Please wait for a moment!”

Jin Yuyan nodded.

In the office.

“Jin Xi’en said respectfully to the other end of the phone, “Don’t worry, I will definitely give you a satisfactory result.””

“It was unknown who said that, but Jin xi’en continued, “Yes, yes, yes. I promise you, there will never be a next time!””

“After hanging up the phone, Jin Xi’en picked up the microphone on the table with a face full of anger. “Let her in!””

“Okay.”

“Secretary Zhou hung up the phone and looked up at Jin Yuyan. “Eldest princess, Her Majesty the Empress wants you to enter.” ”

“Okay.” Jin Yuyan nodded and pushed the door open.

“Jin Xi en just stood there. From the looks of it, his expression did not look too good. ”

Jin Yuyan frowned slightly. What happened?

“Mother.”

Jin Yuyan walked to Jin Xi en’s side. “Did those ignorant people make you angry again?”

Slap!

Jin Xi en flipped his hand and slapped her. “B * Stard!”

“Jin Yu Yan was so frightened that she hurriedly knelt down. “Mother! Mother, what did I do wrong?” ”

“Who told you to touch Miss Ye?”

Miss Ye?

Jin Yu Yan was stunned for a moment before a look of disbelief appeared on her face.

“Jin Xi en wasn’t talking about ye Zao, right? ”

Where did ye Zao come from?

Was It Worth Jin Xi en making a move on her?

It was a mistake!

It was definitely a mistake.

Ye Zao was just a small Chinese.

“Jin Yuyan looked up at Jin Xi’en. “Mother, are you... are you talking about ye Zao?” ”

“Bastard!” Jin Xi’en slapped Jin Yuyan’s face again. “Is Miss Ye’s name something you can just say?”

“Secretary Zhou walked into the room and stood beside Jin Yuyan. “Your Majesty, the eldest princess is your biological daughter. If you have anything to say, you can say it properly.” ”

“Jin Xi’en looked at Jin Yuyan and said slowly, “From today onwards, Jin Yuyan will be stripped of her status as the eldest princess and demoted to a commoner. She will be expelled from the Royal Family Forever!” ”

Chapter 1498: 318: people don’t say much. Your grandmother is still your grandmother! 1

“After Jin Xi en finished his sentence, Jin Yuyan was stunned. Her back was drenched in cold sweat and her face was filled with disbelief. She even thought that she had heard wrongly. ”

She was stripped of her status as the eldest princess and demoted to a commoner. She was banished from the royal family forever.

How could this be?

“Secretary Zhou, who was beside Jin Yuyan, was also extremely shocked. He hurriedly knelt down, “Your Majesty, Please Reconsider! The eldest princess is your most beloved daughter! If she does something wrong, you can punish her however you want. You absolutely can not demote the eldest princess to a commoner!” ”

What did Jin Yuyan do wrong to make Jin Xi en so angry!

“Just a week ago, Jin Xi en had mentioned to Secretary Zhou about passing on the throne. He did not expect that in just a few days, Jin Xi en would cripple Jin Yuyan. ”

It was unreal.

Too Unreal!

Secretary Zhou felt that he was dreaming.

“If it was not a dream, why would Jin Xi en suddenly Cripple Jin Yuyan? ”

Secretary Zhou secretly pinched his thigh.

Hiss!

It was very painful.

It was very obvious that this was not a dream.

“Blame it on her for offending someone she shouldn't have offended!” Jin Xi en was very angry.
“Fortunately, Miss Ye is fine! If anything were to happen to miss ye, not to mention demoting her to a commoner, even if she had ten lives, it would not be enough to compensate!” ”

“Jin Xi en had always liked Jin Yuyan, this eldest daughter. ”

“But this time, Jin Yuyan really let her down. ”

“Although Jin Yuyan was a princess of a country, in the end, Korea was only a small country. Jin Yuyan actually relied on her identity as the eldest princess to misbehave outside. It was fine if nothing happened in the past, but now that she had offended a big shot., she could only pay the price of blood!
”

“Jin Yuyan was very regretful now and cried bitterly, “I was wrong! Mother, I was really wrong! Please give me a chance to change! I promise, I promise that I will never do this again!” ”

“”What’s the use of admitting your mistakes now!”Jin Xi en continued, “When you were acting recklessly outside with your identity as the eldest Princess of Korea, why didn’t you think of Now?” ”

“”Mother!”Jin Yuyan hugged Jin Xi’en’s leg, unwilling to let go. “Mother, mother, I beg you!” ”

She was the Grand Princess of Korea and was going to inherit the throne in the future. How could she be demoted to a commoner and expelled from the Imperial Family?

No Way!

“She was born to be superior. If she was demoted to a commoner at this time, how could she live in the future? ”

“Secretary Zhou also pleaded, “Your Majesty, no matter what, the eldest princess is your biological daughter. Please forgive the eldest princess this time for the sake of mother and daughter! I believe that the eldest princess will definitely not do it again in the future!” ”

“”This matter is already a foregone conclusion. No matter how much you say, it’s futile. Go Out!”Jin Xi’en waved her hand tiredly. She only hoped that the person would not vent his anger on her. ”

“Right now, the Jin family’s foundation in the royal family was weak. If there were any more incidents this time, the person in power in Korea would probably be replaced. ”

“If she forcefully protected Jin Yuyan, it would only bring disaster to the Jin family. ”

“Mother!”

“Her Majesty the Empress!”

Jin Xi’en did not speak anymore. He dialed the internal line and let the Chamberlain in.

“Seeing Jin Xi’en’s chamberlain enter, Jin Yuyan knew that she was completely finished this time. ”

“Jin Yuyan raised her head and looked at Jin Xi en, almost hysterically shouting, “Mother! I need a reason to kill someone! Why are you punishing me like this! What is Ye Zao’s identity to make you protect her like this! is my biological daughter inferior to an outsider?” ”

What was ye Zao’s identity!

“Before Jin Yuyan made her move, she had clearly checked. ”

Ye Zao was just a very ordinary Chinese university student.

Could it be that ye Zao was Jin Xi En’s illegitimate daughter?

“Otherwise, why would Jin Xi en protect her so much? ”

“The more Jin Yuyan thought about it, the more she felt that it was possible! ”

“After all, she had offered such a high condition for ye Zao to join Korea, but ye Zao did not agree to it.”

Who would refuse such an exorbitant wealth?

“Then I’ll let you die today!” Jin Xi en looked at Jin Yu Yan and continued, “Miss ye is fifth master’s fiancée! Is this reason enough?”

Boom!

Jin Yu Yan was struck by lightning. Her face immediately turned pale and she collapsed on the ground. Her face was like dead wood and ashes.

Fifth Master.

The person behind ye Zao was actually fifth master.

“How, how could this be!”

No Wonder Jin Xi’en was so angry.

Secretary Zhou’s face was also full of shock.

Fifth Master.

“Fifth Master had the ability to help the Jin family to the top, so he had the ability to bring the Jin family back to its original state.”

“Chapter 1499: 318: People don’t say much, but your grandmother is still your grandmother! 2”

“Take her out.” Jin Xi en waved his hand.

The two attendants nodded and directly carried Jin Yuyan out of the office.

“From the eldest princess to a commoner, it was just a blink of an eye.”

““Eldest princess, oh no, Miss Jin, Her Majesty the Empress has given you five hours to leave the imperial palace.” ”

“Hehe...”the corners of Jin Yuyan’s mouth were full of mockery.

Ridiculous.

Truly ridiculous.

“Jin Yuyan never dreamed that one day, her address would change from eldest princess to Miss Jin.”

What should she do in the future?

Was she really going to live like a commoner?

On the other side.

C nation.

“Secretary Zhang was waiting at the airport with his men. Just as he was about to attack ye Zhuo, he suddenly received a message.”

“When he saw the message, secretary Zhang’s expression changed. He immediately pressed the communicator beside his ear. “The situation has changed. Call off the team immediately!” ”

“Yes.”

“Hearing the response, secretary Zhang heaved a sigh of relief. Fortunately, it did not turn into a big mistake. ”

“If anything happened to Ye Zao, she would be in big trouble. ”

Why would Jin Xi En’s secretary call her out of the blue?

Secretary Zhang called Jin Yuyan’s personal assistant as he walked back.

““Assistant Park, what’s Going On?”Secretary Zhang frowned. “Why did I hear that something happened to the Princess?” ”

Assistant Park was also a little confused.

She had just returned from her lunch break and already heard the news of Jin Yuyan being crippled.

““I’m not too sure about the specific situation,”assistant park continued. “It seems to be related to miss ye. Anyway, Secretary Zhang, come back quickly! The princess, she, she’s no longer the princess of the Royal Family!” ”

“So, Jin Yuyan was really crippled? ”

But Jin Yuyan was Jin Xi en’s biological daughter. Jin Xi en had always thought highly of Jin Yuyan. Why would she cripple Jin Yuyan without saying a word?

Because of Ye Zhuo?

Could it be that ye Zhuo had another identity?

“For a moment, secretary Zhang was puzzled. ”

“After thinking for a moment, secretary Zhang continued, “Assistant Park, is this information accurate?” ”

“”It’s very accurate!” Assistant Park continued, “I’ve already seen the announcement made by the Empress!” ”

It seemed to be true!

“Otherwise, Jin Xi en wouldn’t have made the announcement. ”

“Although Jin Xi en had never publicly announced that Jin Yuyan was the future empress, other than Jin Yuyan, Jin Xi en didn’t have any other children. With Jin Yuyan crippled, who was Jin Xi en planning to help up? ”

Could it be that she was a niece of the founding family?

What exactly happened that made Jin Xi’en cripple his own daughter?

“Secretary Zhang frowned. “Alright, I got it! I’ll be back immediately!” ”

On the other side.

In the hotel.

Song Shiyu walked out of his room and went to the first floor. He pushed open the door to A1988.

There was no cleaning inside. Everything was still the same as when the owner left.

“The door to the balcony was open. A gentle breeze blew, bringing with it a faint fragrance.”

“On the coffee table in front of the sofa, there was half a cup of unfinished tea and a half-finished fashion magazine. Beside it was a dessert box that had already been eaten. The trash can was also filled with empty dessert boxes. Although the room had been occupied before., it was not messy. A faint fragrance lingered in the room. From this, it could be seen that the owner of the room was an elegant and romantic person.”

“Song Shiyu stood in the room for a moment and made a call. “Eliminate Room 1988 from the housekeeping department. From now on, no one can come in except for me!” ”

““Okay, boss. I’ll make the arrangements right away.”The hotel manager’s voice came from the other side.”

“After saying that, the hotel manager continued, “Then do we still need to arrange for the cleaning staff to clean the room regularly?” ”

““No Need,”song Shiyu said.”

““Okay! I got it! Boss, do you have anything else?” ”

“No.”

“The hotel manager said respectfully, “Goodbye, Boss.” ”

Song Shiyu directly hung up the phone.

“Meow!”

“At this moment, a Persian cat with shiny hair jumped in from the window. ”

Song Shiyu turned his eyes slightly and saw this cat.

“Suddenly, he felt that this cat looked familiar. Song Shiyu took out his phone and opened wechat. He saw ye Zao’s moments and clicked on the photo in his moments. The kitten in the photo was tilting its head and looking at her, [the little guy’s tilted head kill is too cute.] ”

The little guy with the tilted head kill was clearly the same as this kitten.

No wonder it was so familiar.

““Little guy, come here.”Song Shiyu half squatted down and waved at the cat. ”

“Chapter 1500: 318: People don’t say much, but your grandma is still your grandma! 3”

“Meow!”The kitten sniffed and walked over as if it understood song Shiyu’s words.

“Song Shiyu patted the Little Guy’s head and picked it up. The Little Guy didn’t struggle, but found a comfortable seat in song Shiyu’s arms.”

“Song Shiyu, who never liked small animals, had a soft look in his eyes when he saw a cat for the first time.”

“After a while, song Shiyu walked to the office with the cat in his arms. “Jack, go and find out whose cat this is.””

Jack turned around and saw his boss holding a cat in his arms.

“A big man holding a cute creature with snow-white fur in his arms. This scene was very out of place, especially for Song Shiyu, who didn’t like small animals very much.”

“Boss, are you talking about the cat you’re holding?” Jack asked.”

“Yes.” Song Shiyu nodded.

“Jack continued, “If it’s this cat, there’s no need to check.””

“What do you mean?” Song Shiyu asked.

“Jack continued, “This cat doesn’t have an owner. It’s usually fed by the staff and the guests who stay in the hotel.””

“Song Shiyu continued, “Go and do the formalities. I’ll be its owner from now on.””

Jack was stunned. “You want to bring it back to China?”

“Yes.”

“Jack was stunned for a moment. “Alright, I’ll do it right away.””

On the other side.

China.

The Cen family manor.

Ye Zhuo's flight was at 1 am.

"At 12 am, Cen Shaoqing tiptoed downstairs, put on his coat and hat, and walked out."

"At this moment, Old Madam Cen suddenly appeared in front of Cen Shaoqing."

"Grandma." Cen Shaoqing pinched the Buddhist beads. "Why are you still up so late?"

"Old Mrs. Cen looked Cen Shaoqing up and down, narrowed her eyes, and said, "I didn't sleep, and you didn't sleep either. Tell Me, why are you sneaking around? Do You Want to Cuckold Big Scorch?""

"Realizing this problem, old Mrs. Cen raised her walking stick, "Get lost! Get the hell back! Get the hell back right now! You son of a bitch, if you dare to do anything to Big Scorch, I'll break your legs! I'll make sure you never leave the house for the rest of your life! Ever since Scorch went to C Nation, I realized that you're really too arrogant!"

"In the past, Cen Shaoqing had never left the house in the middle of the night."

"But now, it was already twelve o'clock, and he was still running outside!"

This was really his biological grandmother!

"CEN Shaoqing continued, "You've misunderstood. I'm going to pick up our leader. She's coming back today and will be at the airport at one o'clock.""

"Really?"

"Yes." Cen Shaoqing nodded slightly.

Old Mrs. Cen took out her phone. "I'll call and ask!"

"Cen Shaoqing twirled the prayer beads and continued, "She's on the plane right now. She's in flight mode. You Won't be able to get through.""

""Alright then."Old Mrs. Cen hung up the phone and continued, "You go ahead. I'll call my granddaughter-in-law when she gets off the plane.""

""Aren't you going to Sleep Yet?"CEN Shaoqing said, "It's getting late. You should go to bed earlier. It's not good for the body of an old person to sleep too late.""

""You're the old person! Your whole family is an old person!"Old Mrs. Cen glared at Cen Shaoqing, "Don't think that I don't know what you're thinking. At one o'clock, I'll call searing flames to verify it. If you dare to lie to me, you can forget about getting this pair of lackeys!""

"Cen Shaoqing did not say anything else. "Grandma, I'll be leaving first.""

"Get lost! I'm so annoyed to see you!"Old Mrs. Cen waved her hand impatiently.

Cen Shaoqing pushed the door open and walked out.

"It was snowing heavily outside. Old Mrs. Cen looked at Cen Shaoqing's back and said, "Drive slowly when you come back! Don't drop my granddaughter-in-law!""

Cen Shaoqing:" ..."he suspected that he was not his biological grandson.

"Seeing Cen Shaoqing's figure disappear at the door, old Mrs. Cen turned around and walked into the door."

"Sister Tang."A white-haired old man walked out from inside.

“This old man was old Mrs. Cen’s cousin, Bai Shu. Bai Shu was two years younger than old Mrs. Cen.”

“Yes.” Old Mrs. Cen raised her head to look at Bai Shu.

“Bai Shu asked curiously, “It’s already so late, why is Shaoqing still going out?””

“Old Mrs. Cen replied, “He went to receive his leader.””

“Leader?” Bai Shu was stunned. “Isn’t Shaoqing the company’s biggest official? Who is his leader?”

“Old Madam Cen smiled and said, “It’s his wife!”! Oh right, you haven’t met my granddaughter-in-law, right! Let me tell you, my granddaughter-in-law is very beautiful. She has a good figure, a good voice, and an outstanding person. She is simply loved by everyone. She is in a daze when she sees a bird! The ancestors of the Cen family must have saved the Milky Way galaxy in their previous life to allow Shaoqing to marry such an outstanding daughter-in-law! I’m not bragging, but if your ah Niu could marry such a good daughter-in-law like my granddaughter-in-law, you would wake up laughing in your dreams!””
