

Almighty D 1501

Chapter 1501: 318: people don't say much. Your grandmother is still your grandmother! 4

"When she mentioned ye Zhuo, Old Mrs. Cen's face was full of smiles. She had a belly full of words to say. "

"Bai Shu had never seen ye Zhuo before. When she heard Old Mrs. Cen's description, she said in disbelief, "Is it that exaggerated?" After so many years, what kind of beauty had she not seen? Moreover, the Bai sisters were not ugly when they were young. Bai Shu really could not imagine how beautiful ye Zhuo was. "

""You'll know when you see him," said old Madam Cen. "

"Bai Shu looked at the heavy snow outside the door. "It's really hard on Shaoqing. It's snowing so heavily and he still has to go to the airport! Can't we just get the chauffeurs to pick him up?" Otherwise, wouldn't the Cen family's chauffeurs be wasted? "

""That's different! As Shaoqing's boyfriend, it's only right and proper for him to pick up his girlfriend!" "

"Bai Shu said, "What's the difference? Who Wouldn't accept a girlfriend? Don't tell me that a flower can bloom?" "

"Old Mrs. Cen turned to look at Bai Shu and continued, "Let me ask you a question." "

""You ask," Bai Shu said. "

"Is the refrigerator refrigerated?"

"Yes." Bai Shu nodded.

“Old Mrs. Cen continued, “Can the air conditioner be refrigerated?” ”

“Bai Shu said, “Of course it can.” ”

“Old Mrs. Cen nodded and continued, “Then the question is, if the refrigerator is always open, can it have the same effect as the air-conditioner?” ”

“Bai Shu was a little speechless and said, “Of course not! The refrigerator is the refrigerator, and the air-conditioner is the air-conditioner. These two types of electrical appliances are different.” ”

““You also know that they are different! “Then can shaoqing and the driver be the same?”Old Mrs. Cen continued, “That’s why I said that you will never have such an outstanding granddaughter-in-law like my granddaughter-in-law. I really feel sad and sad for your Ah Niu. How did he end up with your grandmother who is not even forty or sixty years old!” ”

“At the end of her sentence, old Mrs. Cen said with a proud face, “I am really a little smart-ass!” ”

“Bai Shu stood where she was and scratched her head. She felt that something was wrong, but she couldn’t figure out what it was. After a long while, she sighed, “The descendants of your Cen family are all infatuated!” ”

“If they weren’t infatuated, would cen Shaoqing pick them up in the middle of the night? ”

“Back then, Old Cen was like this, and later Cen Haifeng was like this. Now, Cen Shaoqing couldn’t escape this fate. ”

“Originally, when it came to Cen Shaoqing’s generation, Bai Shu thought that the Cen family would really produce a monk. Who would have thought that she had just not met the right person previously. ”

“Old Mrs. Cen smiled and said, “This is a good gene, it has to be passed down! I hate those people who have no sense of responsibility and are fooling around outside. If I Were you, I would have already broken your third brother’s leg!” ”

Old Mrs. Cen had always been a person who did not say much.

“Bai Shu sighed at the mention of her third brother. “I’m his mother, you can’t really let me break his legs! You’re just being stubborn. If it were you, I’d see if you could do it!” ”

“”Why can’t I do it? Clearly, you’re the one who doesn’t have the courage. Have you seen that disappointing fourth girl in my house? “You can sever your relationship with her at any moment. If you don’t show her some strength, she’ll never know who is the grandmother and who is the grandson!”Speaking of this., old Mrs. Cen was really courageous. If it had been anyone else, it would have been fine if she had endured it. After all, Cen Yuyan was already pregnant. ”

But Old Mrs. Cen didn’t.

“Not only did she not endure it, she even severed her relationship with Cen Yuyan and made her suffer the consequences. ”

“Bai Shu sighed again. “I’m old, I don’t want to care about those things anymore.” ”

“”You’re not old, you’re spoiled!”Old Madam Cen glanced at Bai Shu, “You’re his mother, yet you didn’t teach him how to behave. Sooner or later, someone in society will teach him how to behave! There will be days for you to regret! This year, during the New Year, don’t let that unlucky thing come over to wish me a happy new year. I get annoyed just by looking at it! “I’ll leave you with these words today. You have to take it to heart. Don’t embarrass everyone when the time comes!” ”

Old Mrs. Cen hated men who cheated the most in her life.

Even if they were her own nephew.

“She couldn’t control other people’s affairs, but she could control herself. She could disown that nephew. ”

“Bai Shu knew old Mrs. Cen’s temper and knew that she wasn’t joking. She nodded and said, “I know. Don’t worry! I’ll definitely not let him bother you!” ”

“Old Mrs. Cen continued, “It’s getting late. Let’s go back and rest.” ”

“Bai Shu said, “It’s almost the new year. When I see your granddaughter-in-law, I should go back too.” Old Mrs. Cen said that ye Zao was like a bird in the sky. Bai Shu really wanted to see what ye Zao looked like. ”

“Chapter 1502: 318: People don’t say much, but your grandmother is still your grandmother! 5”

“Aren’t you going to stay here for the New Year?” Old Mrs. Cen asked.

Bai Shu shook her head. “There’s a big family here! What’s wrong with me staying here for the New Year?”

“That’s fine.” Old Mrs. Cen nodded. “I’ll get the housekeeper to book a flight ticket for you.”

On the other side.

At the airport.

“Although it was already midnight, the airport was still brightly lit.”

Cen Shaoqing came to the airport.

There weren’t many people.

Most of them were playing with their phones.

“Cen Shaoqing was the only one holding a buddha bead in his hand and looking forward with a serious face. He stood out among the crowd and exuded a noble and cold aura, which made people feel intimidated.”

One o'clock.

The plane landed on time.

“Because there was a certain distance between the landing point and the exit, they needed to take a 10-minute shuttle bus. Therefore, when ye Zhuo came out of the airport, it was already 1:15.”

“Here!” She saw Cen Shaoqing waving at her as she walked to the entrance.

“Ye Zhuo pulled her suitcase and walked over quickly while answering the phone. “Okay, Grandma Cen. You should sleep early. I saw Cen Shaoqing at the airport.””

“Good night.”

“Grandma called?” Cen Shaoqing asked after she hung up the phone.

“Ye Zhuo nodded slightly. “Yes, by the way, when did you arrive?””

“I just arrived.” Cen Shaoqing took the suitcase from her hand. He held the suitcase with one hand and held her hand with the other. “Did you eat on the plane? Are You Hungry?”

“”A little.” Ye Zhuo continued, “I’ve been in C Nation for a week. I really miss our chafing dish. Shall we go for chafing dish later?””

“Yes.” Cen Shaoqing nodded slightly.

“The two of them talked as they walked. Soon, they reached the door.”

““Wait a minute,” Cen Shaoqing suddenly said.”

“What’s Wrong?” Ye Zhuo looked back slightly.

“It’s snowing outside. It’s very cold. Put on your coat.” Cen Shaoqing took out the down jacket that he had prepared earlier.

“It’s okay. I’m just walking a little. I’m wearing an air-conditioned jacket.” Ye Zhuo said.

““You don’t have to worry about it,” Cen Shaoqing said as he wrapped the down jacket around ye Zao.”

Ye Zao suddenly thought of something.

‘your father thinks you’re cold.’

“Ever since he got together with Cen Shaoqing, ye Zao felt like he had an old father.”

“After putting on the down jacket, Cen Shaoqing tied a scarf around ye Zao and put on a hat. Looking at ye Zao who was wrapped tightly, CEN Shaoqing was satisfied. He held ye Zao’s hand again. “Let’s go.””

“You asked me to wear so much. Why are you only wearing so little?” Ye Zao asked.

“I’m a man. I can resist the cold. You’re a little girl.”

““You’re sexist,” ye Zao said.”

“I’m not,” Cen Shaoqing said.”

“You’re very...”

“Before ye Zao could finish his sentence, his red lips were covered by a thin lip. A strong hand hooked around her waist. The sky was covered with snow. The two of them hugged and kissed. The scene was so romantic that it was like they were filming an idol drama.”

A few minutes later.

Cen Shaoqing moved her lips away and kissed the corner of her mouth. He was a little out of breath.

“What are you doing?”

Cen Shaoqing looked at her with a serious expression. “I read in the book that the best way to stop a woman from crying and talking is to kiss her.”

“What nonsense book.” Ye Zao raised his eyebrows slightly.

“Grandma gave it to me.” Cen Shaoqing continued, “There are 108 ways to chase a wife from the CEO and love your wife like your life romance novels. The ways to chase a wife are similar.” Through these romance novels..., cen Shaoqing could be said to have benefited a lot during this period of time!”

“Ye Zhuo said, “Grandma Cen still reads these kinds of books?””

Cen Shaoqing nodded slightly. “Don’t underestimate her.”

“I didn’t expect Grandma Cen to be so trendy. She even reads romance novels.” Ye Zhuo continued, “You’re not allowed to learn bad things from books.” She also read romance novels. Other than the male protagonist who was devoted to love, there were also many negative teaching materials, some of the male protagonists appeared and read a book of criminal law.”

“I know,” Cen Shaoqing’s thin lips lightly opened. “Mr. Shen, who dug his heart and lungs out, and Mr. Fu, who killed half of the female protagonist’s entire family, and crown prince Li, who killed the female protagonist’s entire family, are all negative teaching materials for me.”

“Tsk,” Ye Zhuo smiled and said, “I didn’t expect you to read so much!”

“MM-HMM.” Cen Shaoqing continued, “Not only did I read a lot, but I also learned a lot of skills.”

“What skills?” Ye Zhuo raised his eyebrows slightly. He was a little curious about the skills that could be learned from romance novels.

“Cen Shaoqing did not know what he had thought of, but it was very rare that his ears were slightly red. “It’s said in the books that between husband and wife, less talking and more doing is the foundation of Family Harmony.”

“Chapter 1503: 318: People don’t say much, but your grandmother is still your grandmother! 6”

“So?” Ye Zhuo said.

“Cen Shaoqing twirled the Buddhist beads. “So, I naturally learned the ability to say less and do more.” ”

“Do what housework?” Ye Zhuo waved his hand. “There’s no need for that. With Xiao Bai around, it’s not your turn to do housework.” ”

“The corners of Cen Shaoqing’s mouth curled slightly, but he didn’t say anything.”

“Not housework? Then what is it?” Ye Zhuo looked at Cen Shaoqing curiously.

“Cen Shaoqing lowered his head and lightly pecked her red lips. Then, he lowered his voice and whispered into her ear, “Miss Ye, since you’re so curious, I don’t mind taking you to experience married life in advance.” ”

“His voice was low and husky, full of magnetism. It drilled straight into her ear, making her flustered. ”

“Ye Zhuo was stunned for a moment, then he pushed Cen Shaoqing away. “Only a ghost would want to experience it in advance!” ”

“Cen Shaoqing looked at the figure in front of him and chuckled. He then chased after her. “Leader, Wait for me!” ”

“Ye Zhuo ran quickly. At the end, he even picked up the snow and threw it at Cen Shaoqing. The two of them were in a mess in the snow. It was not until an hour later that the two of them appeared in the hot pot restaurant. ”

“After eating the hot pot, Cen Shaoqing sent ye Zhuo to the Lin family manor. It was almost four o’clock in the morning. ”

Ye Zhuo gently pushed the door open and used her phone to turn on the lights in the living room.

“When she turned on the lights, she saw Lin Jincheng stand up from the sofa. “Zhuo Zhuo is back!” ”

“Ye Zhuo did not expect Lin Jincheng to wait for her in the living room. “Dad, why are you still awake?” ”

““I couldn’t sleep, and I was fine, so I came to the living room to have a seat.”Lin Jincheng had wanted to pick her up at the airport, but Cen Shaoqing had gone, so he did not go. ”

“Ye Zhuo put his suitcase aside. “If I knew you were waiting for me at home, I wouldn’t have gone to eat hotpot with Cen Shaoqing. I made you wait for so long.” ”

""This child, how can I Not Eat! I'm not waiting for you, I Just Can't sleep. Come out and have a seat! It's getting late, you should wash up and go to bed. I'm going back to my room." "

""Okay."Ye Zao nodded slightly. Looking at Lin Jincheng's back, he felt a little sour. "

Fatherly Love was silent.

"In the past, she never knew that this was how it felt to have a father. "

"When he went upstairs, ye Zao finally remembered and sent a wechat message to Song Shiyu. [brother song, I'm already home.] "

"Song Shiyu had been looking at his phone for a few hours. When he saw the message from ye Zao, he immediately picked up his phone and wanted to reply, but he held back. "

He absolutely could not let ye Zao discover anything.

He did not want to quarrel with ye Zao so much that they could not even be friends.

"About ten minutes later, song Shiyu turned on his phone and sent an 'Ok'emoji over. "

"On the other side, after ye Zao sent song Shiyu a message, he washed up and went to sleep. Because he slept too late, Ye Zao only got up at ten in the morning. "

"Seeing her come down, ye Shu smiled and said, "Zhuo Zhuo, hurry up and eat. After eating, we'll go to your fourth uncle's house." "

""Go to fourth uncle's house?"Ye Zhuo asked curiously, "Is there something?" "

""Today is Lizi's birthday, and it's about to be the new year. Let's get together before the New Year!" "

“Ye Zhuo patted his head. “If you didn’t say it, I would have forgotten that today is Lizi’s birthday! Give me three minutes, I’ll eat right away!” ”

“”No Rush, three minutes isn’t enough!” ”

On the other side.

Lin Qingxuan’s villa.

Today was an Lizi’s birthday.

“Early in the morning, Lin Qingxuan and Xia Xiaoman were busy decorating the villa.”

Sun Jiayi looked at the back view of the couple who were busying themselves for an Lizi and was extremely jealous.

Who was an Lizi?

She was just a stepdaughter!

“A stepdaughter celebrating her birthday, how could she have the right to make such a big fuss? ”

It was a waste of money.

Just wait!

“Sooner or later, she would chase the mother and daughter out of the Lin family.”

""Jiayi, what are you doing!" Auntie Sun walked over from behind and said in a low voice, "There are a lot of people today. You have to be careful. Don't let others see any clues!" "

"Got it." Sun Jiayi suppressed the unwillingness in her heart and nodded.

""Sister-in-law Sun." At this moment, an Lizi's voice came from the air. "

""Miss, why are you looking for me?" Sister-in-law Sun turned around and looked at an Lizi with a smile on her face. "

"An Lizi continued, "Sister-in-law Sun, have you seen my red sweater? It's the one with the crocheted buttons." "

Sister-in-law Sun Thought for a moment. "It seems to be in the drying room. I'll go get it for you."

"Okay." An Lizi nodded. "You go ahead."

Auntie Sun turned around to get the clothes.

"An Lizi turned to look at Sun Jiayi. "Sister Jiayi, I'll have to trouble you to go to the kitchen and ask them to prepare more desserts." "

""Yes, miss." "

"Sun Jiayi carried the clothes with a submissive look, but in her heart, she was extremely unwilling. "

"She was 23 years old this year, while an Lizi was only 20 years old. "

"They were both born ordinary, so what right did an Lizi have to order her around? "

Just because an Lizi had a good stepfather?

Just wait!

“Sooner or later, she would become the mistress of this family. ”

Sun Jiayi walked to the kitchen while cursing an Lizi in his heart.

“When he came to the kitchen, Sun Jiayi smiled again. “Uncle Feng, Uncle Li, you two have worked hard! Miss asked you to prepare more desserts.” ”

““Okay, we understand.”The two desserts nodded. ”

Sun Jiayi turned around and left.

“As soon as she left, the two desserts whispered, “Auntie Sun’s daughter is really sensible. Her mouth is also sweet!” ”

“Master Li nodded in agreement. “Yes! I think this little girl is pretty good. By the way, Old Li, didn’t your son not get married yet? Why Don’t you ask the butler to talk in front of Auntie Sun?” ”

“Master Feng said, “Actually, I think so too!” ”

His son had also graduated from a key university and was now a graduate student. He wasn’t ugly and had a decent job. It shouldn’t be a problem for him to talk about it.

“When she heard this, Sun Jiayi’s face turned green. ”

This Feng Youdao was really interesting!

A pastry chef actually missed her!

“Although she sounded like a dessert master, she was actually working for someone else. She was a completely inferior person.”

“A toad wanting to eat swan meat, whimsical!”

Shameless.

“After she became the mistress of this family, the first thing she would do was to fire these two dessert masters who didn’t know their place.”

“Sun Jiayi came all the way to the lounge. On the way, she happened to see Auntie Sun carrying medicine to the kitchen.”

“Sun Jiayi quickly caught up with Auntie Sun’s back and said in a low voice, “Mom, did you add anything to this?” ”

“No.” Auntie Sun shook her head and looked around.

“Sun Jiayi said, “How can I not add anything! What if that old woman is pregnant?” ”

““There are too many people today. What if someone finds out? I heard that the authentic miss of the Lin family, Ye Zhuo, is a traditional Chinese medicine practitioner! These medicines were prescribed by her.” Auntie Sun was a very cautious person.”

“Sun Jiayi said disdainfully, “She is a traditional Chinese medicine practitioner, not a deity! Can she still smell out what’s in these medicines?” ”

“Chapter 1504: 319: being seen through by the Great Scorch, it’s a slap in the face! 1”

What's wrong with Chinese medicine?

Is Chinese medicine that amazing?

"If ye Zhuo's medical skills were really that good, why didn't he diagnose that Xia Xiaoman had taken birth control pills? "

"If he couldn't even diagnose her, it was just a sniff. What other reason could it be? "

"Sun Jiayi held onto Auntie Sun's arm and said in a low voice, "Mom, it's fine! Don't worry! That authentic Miss Lin definitely won't find anything wrong with the pills." "

"Auntie Sun was still a little worried and continued, "Xia Xiaoman has been taking birth control pills for such a long time. It's only been a day. There shouldn't be any problems, right?"Xia Xiaoman was old and it wasn't easy for her to get pregnant, in addition to taking birth control pills for a long time, how could she get pregnant so easily? "

""Mom, what if she gets pregnant?"Sun Jiayi was very worried. "Don't tell me you want to joke about your daughter's future?" "

"Once Xia Xiaoman was pregnant with Lin Qingxuan's child, she would have no hope at all. "

"Although Xia Xiaoman was already half-old and had no good looks or figure, Lin Qingxuan liked her very much. "

"As the saying goes, a mother's son is precious. "

"If she wanted to kick Xia Xiaoman out of the Lin family completely, she had to be a mother's son. "

“Therefore, she had to be pregnant with Lin Jincheng’s child. She couldn’t let Xia Xiaoman have the slightest chance of getting pregnant. ”

“Auntie Sun frowned. “But if we’re discovered this time, we won’t be able to bear the consequences!” ”

Auntie Sun was a very cautious and careful person.

“Seeing Auntie Sun like this, Sun Jiayi was almost speechless. “Mom, don’t worry! Nothing will happen!” ”

“No.” Auntie Sun shook her head. “I’m still a little worried.”

“Sun Jiayi continued, “Think about how old Ye Zhuo is? You’ve said it yourself, she’s only 20 years old this year! What does a little girl who’s only 20 years old know? I don’t think she knows anything about medicine! If she knew medicine, wouldn’t she be able to diagnose that Xia Xiaoman had taken birth control pills? Think about it, what would I do if Xia Xiaoman was pregnant? Wouldn’t I become a joke then?” ”

“With that said, Auntie Sun felt that what Sun Jiayi said made sense. ”

“Ye Zhuo was still young, what medical skills could he have? ”

“If Xia Xiaoman got pregnant this time, what would happen to the mother and daughter? ”

She still hoped that Sun Jiayi would take the position of Mrs. Lin and glorify the ancestors!

“Therefore, she couldn’t give Xia Xiaoman any chance to get pregnant! ”

“Thinking of this, Auntie Sun narrowed her eyes. “Okay, I know.” ”

“”Then mom, don’t Forget!”Sun Jiayi instructed. ”

“Don’t worry.”

“At this moment, the Butler walked over. Auntie sun smiled and said, “Jiayi, today is Miss’s birthday. There are many honored guests in the villa. You must be careful. Don’t offend the honored guests.” ”

“Sun Jiayi was stunned. He didn’t understand why Auntie Sun suddenly said that. He turned his head and saw the butler coming over. He immediately nodded. “Mom, I understand.” ”

“”Okay, then you should quickly go to work! See if Miss has any instructions!”Auntie Sun said. ”

“”Okay.”Sun Jiayi continued, “Then I’ll go over First!” ”

“Go ahead.”

“Sun Jiayi turned around and walked in the direction of the front hall. Just then, she met the butler. “Hello, Uncle Wang.” ”

“The butler nodded and said with a smile, “Okay.” ”

“From the Butler’s point of view, Sun Jiayi had been taught very well by Auntie Sun. When she saw people, she took the initiative to greet them. She was usually very diligent in her work, unlike some people who just wanted to slack off! ”

“Not only did Sun Jiayi not slack off, but she also took the initiative to help the other servants in the house work together. Therefore, the butler still admired this little girl very much. ”

“Butler.”Auntie Sun also greeted the butler.

“The Butler walked over and said, “Auntie Sun, Jiayi, this child, is really not bad.” ”

"Auntie sun smiled and said, "It's nothing. You're flattering her too much." "

"Are you going to brew medicine for your wife?"The Butler continued to ask.

"Yes." Auntie Sun nodded.

"The butler said, "Coincidentally, I have something to do in the kitchen. Let's go together." "

"Okay." Auntie Sun followed the butler's footsteps.

"The housekeeper continued, "Oh right, Auntie Sun, has Jiayi found a boyfriend at school?" "

"Auntie Sun shook her head. "She didn't tell me. I'm not too sure either! She's already in university now. It's her freedom to find a boyfriend or not. As parents, we don't want to interfere too much." "

""You're right. Children nowadays all have their own opinions."The housekeeper deliberated over the words in his heart and continued, "It's like this. You should know about the dessert chef, master Feng, right?" "

"I know." Auntie Sun nodded.

Chapter 1505: 319: he was seen through by the burning flames with a single glance. 2

"The butler smiled and said, ""He's the one who asked me to ask you!""! Master Feng had a son in his family. He was an only child. He was 25 years old this year, two years older than Jiayi. Not only did he get into graduate school, but he also graduated from a key university. He was now a civil servant. He saw that Jiayi was a good girl with a good character. She was excellent in all aspects, so he wanted to ask me to tell you... . """"

“At this point, Sun knew what the housekeeper meant.”

“It turned out that master Feng took a fancy to Sun Jiayi, want to say Sun Jiayi to his daughter-in-law.”

“But Feng did not look at his own weight, her daughter is going to become a rich wife, Feng’s son is just a small broken civil servant, but also worthy of Xiao Sun Jiayi! He was simply a toad that wanted to eat swan meat! Shameless!”

“Auntie Sun’s stomach was full of anger, but she didn’t show it on her face, she smiled and said, “”As the saying goes, every family needs a daughter. This is a good thing. However, it’s useless for me to agree to such a thing. I have to ask Jiayi. Jiayi has to say yes.”””

“The Butler nodded in agreement, “”Of course!””! In fact, in my opinion, master Feng’s son was really not bad. A civil servant had an iron rice bowl, and his salary was more than 20,000 a month. His welfare was also good! Moreover, master Feng’s family only has one son. His family has a car and a house. When Jia Yi marries over, he doesn’t have to go to work. He just has to stay at home to help his husband and teach his son. If Jia Yi doesn’t want to help her husband and teach her son, she can become a little miracle doctor. Master Feng’s wife works in the hospital. Although the couple’s savings are not much, it is more than enough for them to start a small business! “”Why don’t you give me Jiayi’s wechat and let the two young people get to know each other on wechat first? What do you think?”””

Want Wechat?

Feng wanted Sun Jiayi’s wechat?

No Way!

He simply didn’t have the slightest self-awareness.

“””Butler, I’ll talk to Jiayi later. If she agrees, I’ll give you my wechat.”” Auntie sun continued, “”In fact, someone introduced someone to Jiayi before the New Year. The young man is a big boss. It is said that he is worth tens of millions of yuan. Jiayi did not agree.”””

The Butler was a smart person. He immediately understood the meaning behind Auntie Sun's words.

She was looking down on Master Feng's son!

It was just that she was embarrassed to say it out loud.

"Although Sun Jiayi was sensible and had a decent appearance, it would be a bit of an exaggeration to say that a big boss with a net worth of tens of millions had taken a liking to Sun Jiayi."

"If there really was such a person, Sun Jiayi wouldn't be working part-time in the villa."

"Although master Feng's son didn't have a net worth of tens of millions, this condition was definitely not too bad in the capital."

"Master Feng was a local in the capital. He had been a dessert chef for decades. Previously, he was the head chef of a five-star hotel. After he retired, he was hired by the Lin family. Now, not only did he have a salary, but he also had a pension, his wife was also a surgeon. His family had a car, a house, and a savings account."

"In general, he could be matched with Sun Jiayi."

"However, the meaning behind Auntie Sun's words seemed to be that master Feng's son could not be matched with Sun Jiayi."

"The Butler thought that Auntie Sun and her daughter were kind people, so when master Feng came to look for them, he immediately agreed. He did not expect that there was still a layer of difference in the hearts of people."

"Perhaps, Auntie Sun and the Auntie Sun that he knew were far from the same person."

"At this point, no matter how much the Butler said, it was meaningless. ""Alright, Auntie Sun, you go ahead! I'm Going Out!"""

""Okay."" Auntie Sun nodded."

The Butler turned around and left. Auntie Sun snorted coldly.

Pah.

What the hell!

"If she did not want to leave a good impression in front of the servants, she would not even bother to pretend."

These people were overestimating themselves.

It seemed that she had to quicken her pace and get Sun Jiayi pregnant as soon as possible so that some people would not shamelessly think about Sun Jiayi.

Auntie Sun walked to the kitchen and began to brew the medicine.

"After putting all the medicine into the medicine pot, Auntie Sun looked outside and saw that there was no one around. She quickly took out a small bag of white powder from her pocket and poured the white powder into the medicine pot."

"This white powder was colorless and tasteless. Other than being infertile, it did not have any side effects on the human body. If she did not take it to the laboratory, there would be no problem at all."

On the other side.

In the front hall.

“At 10:30 pm, guests were already arriving in the villa one after another.”

“The first to arrive were Lin Qingyang, the eldest of the Lin family, and Wu Mei and his wife.”

“Xia Xiaoman was downstairs to welcome them. “”Big Brother and sister-in-law, come in quickly. It’s very cold outside, isn’t it?”””

“Wu Mei smiled and said, “”It’s alright. It’s a little colder than the west continent. Why, haven’t the second, third, and fifth arrived yet?”””

Chapter 1506: 319: Scorch saw through her and slapped her in the face! 3

“”Not yet,”Xia Xiaoman said with a smile, “Ah Shu called to say that Scorch didn’t get home until four o’clock this morning, so she came late. Second sister-in-law and third sister-in-law are already on their way.” ”

Wu Mei nodded.

“Xia Xiaoman turned to look at the maid. “Go and call Lizi over! This child, her uncle and aunt are already here, but she doesn’t know how to come out and call for Help!” ”

“”Yes, Madam.”The maid turned around and went to an Lizi’s room to call for help. ”

“As soon as the maid reached the corner, she saw an Lizi coming out of the back room. “Miss, you’re here. It just so happens that Madam asked me to call for you.” ”

“From Afar, an Lizi heard Wu Mei and Xia Xiaoman’s voices. “Are my uncle and aunt here?” ”

“Yes.”The maid nodded.

""Okay, I understand." An Lizi walked quickly to the living room. "

"When she reached the living room, an lizi greeted politely, "Uncle, aunt." "

"Lin Qingyang was talking to Lin Qingxuan. When he heard her, he smiled and nodded at an Lizi. "

"Wu Mei smiled and said, "I haven't seen Lizi for a long time. The little girl is getting more and more beautiful!" "

"An Lizi said, "Aunt, you are getting younger and younger." "

"As a woman, who wouldn't like to be praised for being young. "

The smile on Wu Mei's face grew wider.

""Aiyo, it's too cold in the capital!" Zhang Zhenzhen's voice sounded from outside. "

"Hearing the voice, Xia Xiaoman immediately walked out of the door. "Second sister-in-law is here! Come in and Warm Up!" "

""Second aunt, have a sip of the hot milk tea first." An Lizi promptly handed over a cup of milk tea. "

Zhang Zhenzhen took the cup of milk tea and took a big sip. Only then did she feel alive.

"Zhang Zhenzhen and Lin Qingyun had moved to the south in the early years. The temperature in the south was around 27 degrees all year round. When they suddenly came to the capital, which was more than minus ten degrees Celsius, although they had put on a thick down jacket in advance., it still chilled Zhang Zhenzhen quite a bit. "

"This milk tea is not bad. What brand is it?" Zhang Zhenzhen took another sip and looked up at an Lizi.

"An Lizi said, "It's made by the family's dessert master. If you like it, I'll pour you another Cup." "

"Sure." Zhang Zhenzhen nodded.

An Lizi took the empty cup from Zhang Zhenzhen and poured the milk tea.

"Xia Xiaoman continued, "Second sister-in-law, why don't I see Second Brother?" "

"Zhang Zhenzhen said, "Your second brother is fighting with someone outside! He should be here soon!" Lin Qingyun's biggest hobby was fighting with chickens. For this, he even invested a lot of money.
"

Xia Xiaoman nodded.

Zhang Zhenzhen looked into the room. "Big Brother and sister-in-law have arrived."

"Second brother and sister-in-law have arrived too."

""Sister-in-law, are you cold?" Zhang Zhenzhen asked. "

"Wu Mei continued, "It's okay. It's not very cold. The temperature in the capital city and the West continent are about the same. But you, you just got off the plane. You must not be used to it, right?" "

""Exactly. I'm freezing to death on the way here!" Zhang Zhenzhen continued, "If you ask me, we should all go to the south city during the New Year!" South city is so nice. It's neither cold nor hot. The capital city is really freezing! I really don't know how you guys can stand it." "

"Wu Mei smiled and said, "Everyone has their own good points." "

“Not long after, the third brother, Lin Qingyang, and Yang Wenyin arrived as well. ”

“In the blink of an eye, only Lin Jincheng’s family of four had not arrived yet. ”

“The four sisters-in-law were playing mahjong together. Yang Wenyin smiled and said, “Ah Shu still lives in the capital city! Why did she come so late?” ”

“Xia Xiaoman explained, “Burning was in C Nation before. He only got home at four in the morning. Ah Shu called and said that he would be late.” ”

“Yang Wenyin nodded. “Right, do you know that little twelve is building an aircraft carrier?” ”

“I know that.”Zhang Zhenzhen nodded. “Isn’t it already under construction? I read that burning has signed a betting agreement with several other countries. They said that they will complete the aircraft carrier project within two years.”

“”A betting agreement?”Yang Wenyin said in surprise, “Little Twelve has signed a betting agreement with someone?” ”

“That’s right!”Zhang Zhenzhen took out a second piece of paper. “I read that in the report.”

“Hearing that, Xia Xiaoman’s eyes flashed with worry. “This betting agreement isn’t a joke. Why haven’t I heard about it from burning?” ”

“After signing the bet agreement, if there were any problems with the aircraft carrier project, then ye Zao would be finished! ”

“At that time, the entire Lin family wouldn’t have enough money to pay for it. ”

“Wu Mei smiled and said, “I think little twelve is a child who knows her limits. Since she signed the bet agreement, she definitely has the confidence to complete the aircraft carrier project. You guys, just put

your hearts at ease! “Our Lin family has been doing business for so many years, but who would have thought that in the end, there would be a scientific researcher!” ”

“Chapter 1507: 319: being seen through by da Zao, a slap in the face! 4”

“Wu Mei was not worried at all. Although ye Zao was young, he was steady in doing things and knew his limits much better than her. Sometimes, when Wu Mei stood in front of ye Zao, she even had the illusion that ye Zao was the Elder.”

“Zhang Zhenzhen continued, “Sister-in-law is right. Our little twelve is a promising child. I believe that she will be able to successfully complete the aircraft carrier project! When the time comes, let those countries that look down on China see what a truly big country is!””

“Yang Wenying frowned slightly, “I still feel that little twelve’s bet agreement should not be signed. Who can guarantee that the aircraft carrier project will be successfully completed? What if something goes wrong in the middle and it is postponed?”Yang Wenying’s worry was not unreasonable, the risk of this betting agreement was too great. Ye Zhuo was only 20 years old this year. If he failed, with the betting agreement, how would she be able to climb back up in the future?”

““Don’t be afraid. Little twelve will definitely be fine.”Zhang Zhenzhen said, “In last year’s science and technology competition, little twelve even won first place! If little twelve wasn’t confident, he wouldn’t do such a reckless thing.””

“Yang Wenying said, “That’s true. Since the betting agreement has been signed, it’s useless for us to worry. We might as well choose to trust Little Twelve.””

“Xia Xiaoman said, “Third sister-in-law is right.””

Sun Jiayi stood at the side and listened to their conversation.

“Of course, she knew about Dr. YC’s aircraft carrier plan. She also knew that ye Zao had signed a betting agreement with several countries. However, she didn’t expect ye Zao to be Dr. YC.”

He was also engaged in scientific research and was also a traditional Chinese medicine practitioner. Just how capable was this Ye Zhuo?

Sun Jiayi was very curious.

“In her opinion, ye Zhuo did not know any traditional Chinese medicine at all. He knew traditional Chinese medicine. It was just a method that she used to package herself.”

How could anyone be so powerful? He knew both traditional Chinese medicine and scientific research.

It was good to have money.

Anything could be packaged.

“Thinking of this, Sun Jiayi’s face was full of envy.”

“But soon, she would also become a rich lady. In the future, her son would be the second generation of the rich. From her generation onwards, their family would completely turn the tables and change their fate.”

“After a while, the sound of footsteps could be heard outside the door again.”

“An Lizi stood up from the sofa and said with a face full of joy, “It must be burning!””

She ran outside and saw that it was indeed ye Zao and the others.

“Lin Jincheng, Ye Shu, and Lin Ze walked in front.”

""Uncle, aunt!" An Lizi immediately went over to greet them. "Ah Ze!""

"Lizi."

"An Lizi looked behind the three of them and asked doubtfully, "Eh, burning didn't Come?""

"Ye Shu nodded. "Yes, burning happened to have something on today, so he didn't come today.""

"Hearing that, an Lizi's face was filled with disappointment. "Ah! is that so! Why didn't searing tell me on Wechat?""

""Kenmeng must be too busy," ye Shu said."

"I see." An Lizi lowered her head and said dejectedly.

"Seeing that, Ye Shu smiled and said, "I'm just teasing you. Searing is here. He's behind Shaoqing to get something! It's your birthday, how could searing not come!""

"Really?" An Lizi said with a face full of surprise.

"Yes." Ye Shu nodded.

""It's in the parking lot, right?" An Lizi asked."

"Yes."

"An lizi smiled and said, "Then I'll go over and take a look!""

“After saying that, an Lizi quickly ran in the direction of the parking lot.”

“Ye Zhuo looked at her back and said with a smile, “This child.””

“When they arrived at the parking lot, they saw ye Zao and Cen Shaoqing walking over.”

Cen Shaoqing was carrying a bunch of things in his hands. Ye Zao was walking beside him with Cen Shaoqing’s Buddha beads in his hands.

“Big Zao Zao!” An Lizi said excitedly.

“Lizi.”

The two little girls hugged each other excitedly.

Cen Shaoqing looked at the people hugging each other and silently lowered his head to look at the road.

“An Lizi said, “Zhuozhuo, what are the big and small bags of things you asked brother-in-law to take? I see that uncle, aunt, Ah Ze, and the others have already taken a lot of things. Why did you guys take so many!””

“Ye Zhuozhuo said, “A few uncles and aunties haven’t come for a long time. Besides your birthday present, there are also gifts prepared for them.””

““OH.” An lizi nodded and continued, “Brother-in-law, can you carry so many things? Let Me Help You!””

““No need, I can do it.” Cen Shaoqing said.”

Ye Zao smiled and held an Lizi’s arm. “Let’s go. He’s stupid and strong. Don’t worry about him.”

“Chapter 1508: 319: being seen through by burning in one glance, face-smacking scene! 5”

“Okay.”

The two girls chatted as they walked.

“Cen Shaoqing transformed into a porter and followed behind without complaint. If outsiders saw this scene, who would believe it was real? ”

“Soon, they arrived at the villa. ”

“After greeting a few uncles and aunts, Ye Zhuo distributed the gifts he brought to everyone. ”

“Yang Wenying was an impatient person. She immediately opened the outer packaging, she said in surprise, “This is ZY’s new model that just came out! I’ve wanted to buy it for a long time. I even found a scalper, but this model is really too difficult to buy. Oh My God! Little Twelve, how did you get it?” ”

“Zy had long been popular all over the world. Every time a new model was released, no matter how high the price was, it would be sold out in one go. Even if one looked for a scalper, they would only be able to buy a model that was out of season. Sometimes, it was even difficult to buy a model that was out of season! ”

Who would have thought that the gift given by Ye Zao was actually the latest model.

“Ye Zao smiled and said, “I know people, so it’s more convenient.” ”

“Yang Wenying said, “That’s great. In the future, if third aunt wants to buy Zy, can she look for you?” ”

“Of course.” Ye Zao nodded slightly.

“Zhang Zhenzhen smiled and said, “Little Twelve, you can’t favor one over the other. In the future, second aunt will also have to look for you!” ”

“”No problem. As long as you don’t mind it, you can look for me anytime.” ”

“Then it’s a deal!”

“Sun Jiayi came out with a boiled milk tea. When she raised her head, she saw ye Zao standing there talking. ”

“At this glance, she was immediately stunned. Her eyes were full of amazement. ”

“Sun Jiayi had seen ye Zao in the photo album before. She thought that ye Zao in the photo album was in his best condition. After all, cameras now had their own beauty. She didn’t expect that ye Zao in person was even better looking than in the photo. ”

“It was always the photos that were better looking than people. She didn’t expect that in Ye Zao’s case, people were actually better looking than the photos. ”

How could someone be so beautiful?

“”Jiayi! What are you waiting for?”At this moment, Auntie Sun’s voice came from the air. ”

“Only then did Sun Jiayi react. “Mom, is that ye Zao?” ”

“”Yes!”Auntie Sun said in a low voice, “Haven’t you seen her photos?” ”

“But I feel that she’s even more beautiful than in the photo!”Sun Jiayi said.

"She is pretty!" Auntie Sun nodded.

"After saying that, Sun Jiayi saw the ZY air-conditioning clothes with adjustable temperature and said in surprise, "Isn't that Zy's latest style?" Sun Jiayi was also a loyal ZY fan, but her financial ability was limited, fortunately, ZY also had clothes with affordable prices. She had never bought a limited edition before, and she had never even seen people around her buy them. After all, limited edition clothes were extraordinarily expensive. She didn't expect that.., today, she actually saw ZY's limited edition clothes at the Lin family's house. "

"Auntie Sun did not know what ZY was, so she continued, "I heard that the clothes are high-tech and can adjust the temperature when worn. Miss ye bought one for each of them, saying that it's a new year gift!" "

Everyone bought one!

"Hearing this, Sun Jiayi's heart was so sour that it was about to drip water. "

"If she married Lin Qingxuan, then wouldn't she also have one? "

"Now, it was a waste to let Xia Xiaoman and an Lizi, this disgusting mother and daughter, go free. "

"Xia Xiaoman was also shameless. She couldn't have children, couldn't give Lin Qingxuan a complete family, and still insisted on staying in the Lin family. If she were Xia Xiaoman, she would have long packed up and left. "

She really didn't have the slightest self-awareness.

They still had the nerve to ask for air-conditioned clothes?

"Auntie Sun patted Sun Jiayi's shoulder. "Pay attention. Don't let anything go wrong today." The people who came today were all Lin Qingxuan's brothers. If Sun Jiayi were to marry Lin Qingxuan in the future.., then they would be a family. At such a critical time, Sun Jiayi naturally had to leave a good impression on everyone. "

“Got it.” Sun Jiayi nodded. She carried the milk tea and continued to walk inside. She respectfully placed the milk tea in front of everyone. It was impossible to see her wolf-like ambition.

“”Miss, be careful, it’s hot.” Sun Jiayi passed the milk tea to Ye Zhuo with a fawning expression. ”

“Thank you.” Ye Zhuo reached out to take the milk tea.

“Sun Jiayi continued, “If miss needs anything, just call me directly. I’m Sun Jiayi.” ”

“The moment ye Zhuo made his move, it was a limited edition ZY. Sun Jiayi naturally wanted to build a good relationship with Ye Zhuo. When she became ye Zhuo’s fourth aunt, ye Zhuo would definitely send more good things to her. Looking at Ye Zhuo’s appearance, she knew that.., ye Zhuo was not smart. As long as she casually said a few words, Ye Zhuo would definitely trust her very much! ”

“En.” Ye Zhuo nodded slightly.

“”Little Twelve! Little Twelve, come over here!” In the inner room, Yang Wenying shouted at the top of her voice for ye Zao. ”

“Third aunt.” Ye Zao jogged over.

“Yang Wenying took ye Zao’s hand and continued, “Little Twelve, I heard that you signed a betting agreement with C Nation and a few other big countries because of the space mothership incident, right?” ”

“”I haven’t signed it yet,” ye Zao said. ”

“It turned out that she had not signed it yet. Yang Wenying heaved a sigh of relief and continued, “Then why is there so much commotion on the internet, saying that you signed the betting agreement?” ”

“”That’s their way of goading me,” ye Zao continued, “Maybe they’re afraid that I won’t Sign It!” ”

“Once the betting agreement was signed, if the aircraft carrier project failed, Ye Zao would face a huge amount of compensation! ”

“Those overseas people felt that the aircraft carrier plan would definitely end in failure. These days, they had found quite a number of internet trolls to provoke ye Zao. ”

Ye Zao had not appeared all this while. He was arranging for people to draw up the agreement. Betting Agreement. How could she miss such a good thing?

“Hearing this, Yang Wenying’s eyes widened. “So, you really want to sign it?” ”

“Yes.”Ye Zhuo nodded slightly. “But the content of the agreement hasn’t been drafted yet. It may take a few more days.”

““Little twelve, this kind of thing is not a joke. You have to think carefully! If anything goes wrong, it will be irreversible!”Yang Wenying said. ”

““Don’t worry, third aunt. I know what to do,”ye Zhuo said. ”

“Seeing that ye Zhuo was so confident, Yang Wenying didn’t say anything more. She just said, “Little Twelve, you just have to think it over carefully. Don’t do anything that you’ll regret.” ”

“Okay.”Ye Zao nodded slightly. “I know.”

“Wu Mei stood beside Xia Xiaoman and said in a low voice, “Xiaoman, is there... any movement in your stomach?” ”

“Wu Mei knew that Lin Qingxuan was eager to have a child. The strange thing was that they had been married for so long, but there was no news from Xia Xiaoman at all. ”

“Not yet.”Xia Xiaoman shook her head.

“Wu Mei held her hand and comforted her, “You can’t rush things like this. It’s best to take things step by step.” ”

“”Yes, I know.” ”

“Just then, Sun Jiayi came over with a bowl of medicine. “Madam, it’s time for you to drink the medicine.” ”

“Okay.”Xia Xiaoman nodded.

“Wu Mei said in surprise, “Xiaoman, why are you still drinking the medicine?” ”

“Xia Xiaoman explained, “It’s prescribed by the cautery to recuperate the body!” ”

“OH.”Wu Mei nodded.

“”Madam, you have to drink this medicine while it’s hot. My mother said that it won’t work if it’s cold.”Sun Jiayi urged Xia Xiaoman to drink the medicine. ”

Xia Xiaoman nodded and was about to reach out to take the medicine. “Wait!”

Ye Zao’s voice suddenly came from the air.

Xia Xiaoman looked up at Ye Zao. “What’s wrong with Zhongruo?”

Ye Zao walked over. “Who prescribed this medicine?”

“Xia Xiaoman smiled and said, “Look at your memory, Kid! Didn’t you prescribe this medicine for me?” ”

Ye Zao frowned slightly. He picked up the medicine on the table and sniffed it carefully.

Something was wrong.

Something was very wrong.

“Seeing ye Zao like this, Sun Jiayi’s eyes were filled with disdain. This ye Zao was acting quite well. Did she really think that she was some kind of godly doctor?”

She could tell that the medicine was wrong just by smelling it?

Daydreaming!

“After a moment, ye Zao looked up at Sun Jiayi. His voice was a little cold. “Did you brew this medicine?”

”

Chapter 1509: 320: she deserved it and was sent to prison! 1

“Faced with Ye Zao’s questioning, Sun Jiayi was inexplicably flustered.”

“Her eyes were clear, as if she could dig through layers of truth to find the most fatal answer and see through People’s hearts.”

Sun Jiayi swallowed her throat and raised her head.

An illusion.

It must be an illusion.

“In terms of age, ye Zao was three years younger than her. What would a 20-year-old girl know.”

“Sun Jiayi calmed herself down and said, “Missy, my mother brewed the medicine.” ”

Ye Zhuo turned his eyes slightly and looked at Xia Xiaoman.

“Xia Xiaoman immediately reacted. “Butler, go and call Auntie Sun over.” ”

““Yes, Madam.”The Butler was very puzzled. ”

Could there be a problem with the medicine?

“But Auntie Sun was very serious in her work. Every time she brewed the medicine, she would personally stand by her side. There shouldn’t be any problems. ”

The Butler walked quickly to the side hall where Auntie Sun was cleaning.

“Auntie Sun!”

“Butler!”Auntie Sun raised her head.

What was the Butler doing here?

Could it be because of master Feng?

Didn’t she already explicitly reject the butler?

How could he still have the nerve to come!

An impatient look flashed across Auntie Sun's eyes. This Butler was really bad. He didn't even have the slightest discernment.

"Just as she was thinking of how to reject the butler, the butler continued, "Auntie Sun, Madam is looking for you. Come with me." "

Auntie Sun's refusal stopped at the tip of her tongue.

Xia Xiaoman was looking for her?

Why was Xia Xiaoman looking for her?

"Auntie Sun placed the feather duster on the table and continued, "Butler, did madam say what she was looking for me for?" "

"No," the butler shook his head, "Come with me quickly. Madam seems to be in a hurry." "

Ye Zhuo only asked who brewed the medicine and did not clearly indicate that there was a problem with the medicine. He could not directly tell Auntie Sun that there was a problem with the medicine brewed by her. What If ye Zhuo wanted to praise Auntie Sun for making a good medicine?

"Okay." Auntie Sun wiped her hands on the apron and followed the housekeeper's footsteps.

"When they reached the front hall, they saw Sun Jiayi standing in front of Ye Zhuo and Xia Xiaoman. A bunch of relatives of the Lin family were also gathered in the living room. Some were playing mahjong while others were chatting. "

"On the table in front of Xia Xiaoman, there was a bowl of medicine. "

"Seeing this bowl of medicine, Auntie Sun's heart skipped a beat. "

“Fifteen minutes ago, she had asked Sun Jiayi to bring this medicine over. Normally, Xia Xiaoman would have drank it while it was still hot because she was afraid that the effects of the medicine would wear off. However, today, she had not drank it yet.”

Could it be...

They had discovered something?

Auntie Sun licked her lips nervously.

“The Butler walked to the front and said, “Madam, Auntie Sun is already here.” ”

“Xia Xiaoman nodded and looked at ye Zao. “Zao Zao, this is Auntie Sun. If you have anything to say, just ask her directly.” ”

So it was ye Zao who was looking for her.

Auntie Sun narrowed her eyes.

Ye Zao was only twenty years old. She could really tell that there was something added to the medicine.

“However, the thing that she added was colorless and tasteless. Even if she tasted it personally, she would not be able to tell what it was. Otherwise, Xia Xiaoman had been drinking it for almost half a year and she would not be able to drink anything! ”

“If she could really be discovered so easily, Xia Xiaoman would have already discovered that the medicine was not right. ”

“Therefore, it was definitely not because of the medicine. ”

“Thinking of this, Auntie Sun calmed down and walked in front of Ye Zhuo. “Miss. .” ”

“Ye Zhuo nodded slightly and continued, “Have you always been in charge of brewing my fourth aunt’s medicine?” ”

““Yes,” Auntie Sun said. ”

“Ye Zhuo continued, “During the process of brewing the medicine, have you ever left the kitchen?” ”

“No.” Auntie Sun shook her head.

““Since you haven’t, then how did you get the birth control pill in this medicine?” Ye Zhuo’s voice suddenly turned cold. “Why did you put the birth control pill in my fourth aunt’s medicine?” ”

“Hearing this, Auntie Sun’s face turned pale. She thought she was hearing things. ”

“How, how could this be? ”

How did ye Zao Find Out?

Sun Jiayi was also dumbfounded. His entire body was ice-cold.

“Even the others beside him were shocked by ye Zao’s words, especially Xia Xiaoman. “Zao Zao, what, what did you say? Birth Control Pill?” ”

“Ye Zao nodded, “Yes, there are birth control pills in this pill.”. “Fourth aunt, do you remember when I checked your pulse, I said that you had taken birth control pills before?”? “I thought it was the birth control pills left on the vegetables I usually eat. I didn’t expect that there was a mole in the family!” ”

Ye Zao really didn’t expect that the problem was actually the servants in Xia Xiaoman’s house.

The maid drugged the employer!

It was simply unheard of!

“Auntie Sun almost lost her balance, she hurriedly said, “No! I didn’t! I didn’t put any birth control pills in it! Missy! You Can’t accuse people without reason. Although I’m a maid, I also have human rights and dignity! Without any evidence, what right do you have to say that I put birth control pills in the pills ”

Chapter 1510: 320: I deserve to be sent to prison! 2

“At this point, Auntie Sun grabbed Xia Xiaoman’s hand again. “Madam, in the past year, I’ve done my best for my family. I’ve never done anything to let you down. You must believe me!” ”

“Sun Jiayi also reacted at this time. “Yes, Madam! You can’t conclude that my mother has done such a thing just because of a few words from the eldest miss! My mother isn’t that kind of person. You Can’t let a good person’s heart go cold!” ”

“The Butler walked forward. “Madam, this is not a small matter. We have to investigate thoroughly before we can come to a conclusion. Auntie Sun is usually serious in her work. She is also an amiable person. I also believe in her.” ”

“Seeing that the butler also believed in her, auntie sun heaved a sigh of relief. ”

It seemed that it was not wrong to have a good relationship with the servants at home!

“Xia Xiaoman raised her head to look at Ye Zao. “Zao Zao, are you sure there’s a problem with this medicine?” ”

Ye Zao nodded slightly. “I’m sure.”

“Her five senses were already different from ordinary people, and she was also a traditional Chinese medicine practitioner. Almost as soon as the medicine was brought to her, she realized that the medicine was wrong. Furthermore, she could smell the same contraceptive pill on Auntie Sun’s body as it was in the medicine. ”

“Therefore, this matter was definitely related to Auntie Sun. ”

“Xia Xiaoman took a few steps back and looked at Auntie Sun. “It’s not bad for me to take care of you! Why are you treating me like this!”Xia Xiaoman believed in ye Zao. Since ye Zao was so sure, there must be a contraceptive pill in this medicine! ”

“”No! Madam, I was really wronged!”Auntie Sun directly knelt on the ground, she cried, “Heaven and earth, I really didn’t do anything to let you down! Miss said that I put birth control pills in the medicine. What is the benefit for me? What is my motive for doing this?” ”

“”The motive is very simple.”Ye Zhuo turned to look at Sun Jiayi, “You want your daughter to interfere in the marriage of my fourth uncle and fourth aunt. If my fourth aunt continues to be infertile, your daughter Sun Jiayi can take the opportunity to rise to the position. I don’t know if I’m Right!” ”

“After being exposed by ye Zhuo’s words, Aunt Sun’s face turned from white to pale. ”

How did ye Zhuo see through it?

She was only twenty years old!

Terrifying!

It was really too terrifying!

“Nonsense! You’re insulting my dignity!”Sun Jiayi’s expression was very ugly. “Do you have evidence? What evidence do you have to prove that what you said is right? I’m going to Sue You!”

Ye Zhuo turned to look at the butler. "I'll have to trouble uncle Butler to call the police."

The butler nodded. "Alright."

"Ye Zhuo continued, "As for the evidence, this bowl of medicine is the evidence. I believe that the police will definitely handle this matter fairly and justly." "

Medicine.

"Now that this bowl of medicine had become the most crucial evidence, as long as he took it to be tested, what else could not be tested? "

No.

He could not let the police get hold of this bowl of medicine.

"A vicious glint flashed across Auntie Sun's eyes. She suddenly pounced over, wanting to grab the bowl of medicine and smash it into pieces. "

"As long as the evidence was destroyed, everything would be fine. "

"No one expected Auntie Sun to do this. Just as Auntie Sun was about to grab the medicine and throw it away, Ye Zhuo took a step forward and picked up the bowl of medicine. He dodged Auntie Sun's grab and looked down at Auntie Sun, "Since the medicine is fine, Why Are You So Nervous? Do you want to destroy the evidence?" "

""No! I don't want to destroy the evidence! It has nothing to do with me!" Auntie Sun knelt on the ground. "Madam, please believe me! I really didn't do those things. Miss is framing me!" "

““Since you didn’t do it, why did you snatch the Medicine Just Now?”Xia Xiaoman looked at Auntie Sun, her eyes filled with pain, “Auntie Sun, I’ve always treated you as my family. I didn’t expect you to repay me like this! Do you still have a conscience?” ”

“An Lizi usually lived in school. Although she didn’t get along with Auntie Sun much, she knew that Xia Xiaoman treated Auntie Sun very well. Moreover, Auntie Sun was usually an honest person. She couldn’t tell that she actually had such intentions. ”

It was really too scary!

“Fortunately, Ye Zhuo was here today. ”

“Otherwise, her family would be turned upside down by her in the future! ”

“I think her conscience has been eaten by the dog!”An Lizi pointed at Auntie Sun and scolded angrily.

The Lin family’s sisters-in-law were also very surprised.

None of them had expected that Xia Xiaoman’s infertility was man-made.

“Lin Qingxuan was playing mahjong with his brothers at the back. When he heard that something had happened in the front hall, he immediately ran over. “What happened! ?” ”

“Yang Wenyin said, “Fourth brother, there’s a traitor in your family! I was wondering why fourth brother and sister couldn’t get pregnant. It turns out that someone has dirty thoughts! It’s really disgusting!” This was the first time Yang Wenyin had encountered such a thing. As a servant, she actually dared to drug her boss! She even had the idea of becoming a Phoenix! ”
