Chapter 151: 085: the Clever Lin Ze, the great burning of his debut! 3

Yun Jing, he will definitely go there again.

Taking out the crystal bracelet from the wooden box, a strong sense of guilt appeared in Old Lady Lin's eyes.

Originally, she was still wondering if this child had gone to Yun Jing to look for ye Shu.

Unexpectedly, this child was only going to Yun Jing for a vacation.

Moreover, when he was playing, he did not forget this grandmother of his.

Sigh!

It was her fault.

She shouldn't have doubted her own grandson so much.

Lin Ze put the crystal bead on Old Lady Lin's wrist.

Dark purple crystal bead.

It was Old Lady Lin's favorite color.

The smile on Old Lady Lin's face deepened. "Thank you, Ah Ze. Grandma really likes the crystal bracelet you gave her. Ah Ze has grown up now and knows how to show filial respect to Grandma!"

Lin Ze smiled. "It's good that you like it, Grandma. You raised me so hard since I was young. It's only right for me to show respect to you!"

.....

Hearing that.

Old Mrs. Lin's eyes were filled with relief.

She knew it.

This grandson of hers was a filial and good child.

Seeing that old Mrs. Lin's anger had completely dissipated, Lin ze continued, "Grandma, I'm sorry that I made you worry for so long. It's getting late now. I'll send you back to your room to rest."

"Okay." Old Mrs. Lin nodded.

The grandfather and grandson looked very harmonious, and the atmosphere was very harmonious.

Aunt Zhang looked at the backs of the grandfather and grandson and frowned deeply.

She had thought that the grandfather and grandson would have a big fight!

It would end with the grandfather and grandson falling out.

What was unexpected was that not only did the grandfather and grandson not fall out, but Old Mrs. Lin's love for Lin Ze deepened.

Aunt Zhang returned to her room and gave Feng Qianhua a call.

She did not say much on the phone and only reminded Feng Qianhua that Lin Ze had already returned. Old Mrs. Lin did not fly into a rage.

She hung up the phone.

Feng Qianhua's expression was frighteningly dark. "Are you playing a roundabout tactic with me?"

She had spent a lot of effort to sow discord between the grandfather and grandson. She did not expect that Lin Ze would use a photo and a bracelet to make old Mrs. Lin forget everything.

She would never believe it if she said that Lin Ze did not go to Yun Jing to look for ye Shu!

It seemed that she had underestimated Lin Ze.

However, so what if Lin Ze was smart?

He was just a teenager after all!

Feng Qianhua narrowed her eyes. She must become Lin Jincheng's wife and give birth to a child that belonged to her and Lin Jincheng. She must drive Lin Ze out of the Lin family forever!

The Lin family.

Lin Ze had just arrived at his bedroom when the smile on his face disappeared. He picked up his phone and sent a message to ye Sen. [Uncle Ye, I have arrived in Beijing safely.]

[home?] Although it was already late at night, Ye Sen replied very quickly.

[yes, Uncle Ye, if you have time to visit Beijing, you must tell me. I am the most familiar with the four or nine cities.]

“Okay, my niece has been talking about applying to Beijing University recently. If she gets into Beijing University, I will tell you.”

Lin Ze looked at the words on the screen and smiled faintly.

Being Ye Sen’s niece must be very happy.

He wondered if his mother had any siblings.

If she did.

He should have an uncle too.

Then what does his uncle look like?

Will he be like Ye Sen?

Lin Ze fell into deep thought.

After a while, Lin ze replied, “I’ll wait for you in Beijing.”

“Well, it’s getting late. Go to bed early. Children can’t stay up late.”

“Good night, Uncle Ye.”

After replying to this message, Lin Ze went to the bathroom to take a shower.

...

In the blink of an eye, it was the 15th day of the first lunar month.

The arrival of the 15th day of the first lunar month meant that the new year had come to an end and that Yunjing city had resumed full-scale construction.

The students were going to start school.

The Ye family's private kitchen was also going to open for business.

Ye Shu could not work because her hand was injured, so she recruited two more people. She just had to take turns in the shop.

However, although she could not work, she was not idle either. She was learning English every day. Even the music played during the lunch break in the shop was in English.

Hard work would be rewarded.

Although it was only a short ten days, ye Shu could now have simple meals and communicate with foreigners.

Ye Zhuo carried her schoolbag and went to school to report.

Before going to school, she went to the company on the way.

She rarely came to the company. When the employees saw her directly enter the president's private elevator, they were all very curious.

"Who's that? She's So Pretty! The CEO's Daughter?"

“I heard that our CEO is only 27 years old this year.”

“F * ck! Could she be the CEO’s girlfriend?”

Chapter 152: 085: The Smart Lin Ze, the great burning! 4

“I think she looks like him!”

“The President’s girlfriend is too beautiful!”

These voices came after Ye Zao entered the elevator, so ye Zao naturally did not hear them.

She walked straight to Zhao Yang’s office and knocked on the door.

“Come in.”

Zhao Yang’s voice came from inside.

Ye Zhuo pushed the door open and went in.

Zhao Yang was sitting on the boss’ chair, processing documents. His brows were tightly furrowed, and he thought that it was his secretary who came in to deliver the documents. He said directly, “Xiao Song, you can just put the documents on the table. I’ll look at them later.”

“Brother Zhao Yang, it’s me,” ye Zhuo said faintly.

Hearing this, Zhao Yang raised his head and saw that it was ye Zhuo. Zhao Yang hurriedly stood up from the boss’ chair and said, “Zhuo Zhuo!”

Although ye Zao called him brother, he was younger than him.

However, Zhao Yang never dared to really treat ye Zao as a younger sister.

This was because even though ye Zao was young, he had a sense of authority.

.....

Every time he saw ye Zao.

It was like an elementary school student who hadn't finished his homework seeing a teacher.

He couldn't help but feel a sense of fear.

Ye Zao took out a design draft from his bag and handed it to Zhao Yang. "This is the latest spring dress design. Take a look."

Zhao Yang took the design draft and his eyes were filled with surprise.

There were two English letters at the bottom right of each design draft.

Zy.

Zy was ye Zhuo.

If he hadn't seen it with his own eyes, Zhao Yang would never have believed that a teenage girl would have such talent in design!

Anyone who saw her design draft and finished product.

Only had one word in their heart.

Buy!

Currently, ZY's name had spread throughout the entire design circle.

It wasn't so much spread.

It was more of a shock!

There was a popular saying in the circle now, ZY's debut was the peak!

If people knew that ZY was only 18 years old, it would probably cause a huge uproar.

Most importantly.

Zy wasn't just a designer, she was also the inventor of clothes that could adjust the temperature!

Zhao Yang did not dare to imagine what kind of storm it would cause in the business world once these two pieces of information were spread!

She was only eighteen years old.

A child who had not even participated in the college entrance examination.

Zhao Yang suppressed the shock in his heart, he continued, "Miss Ye, the style that you have designed will definitely become the new favorite of the nation once it goes on sale! "Oh right, there's a popular female celebrity recently who wants to ask you to design a red carpet gown for her. Will you accept this bill?"

“How much?” Ye Zhuo asked calmly.

Zhao Yang gestured with the number seven.

“Seven million?” Ye Zhuo raised his eyebrows slightly.

Zhao Yang shook his head.

Ye Zhuo frowned slightly. “It can’t be seven hundred thousand, right?”

“Yes.”

“I won’t accept it.” Ye Zhuo continued, “Tell the other party that I’ll consider seven million, and then send another message at the same time. Tell them that I only accept three orders a month, and I won’t accept more than three orders.”

The rarer the item, the more valuable it was.

In the business world, this was called hunger marketing.

Zhao Yang nodded. “Alright, I got it.”

Ye Zhuo’s gaze landed on the contract on the office desk.

Zhao Yang hurriedly pulled out the contract. “This is the contract we signed with Song Shi Group. Do you want to take a look?”

“Song Shiyu?”

Zhao Yang nodded.

Ye Zhuo took the contract and took a look at it. After a moment, the corners of her mouth curled up.
“Old Fox.”

“What’s Wrong?” Zhao yang asked, “Is there a problem with this contract?”

He knew song Shiyu’s character, so he had looked at it carefully twice just now and did not find any obvious problems.

Ye Zhuo placed the contract on the table. “Here, and here. But it’s normal that you can’t see it. He just happened to step on a loophole in the terms.”

Zhao Yang didn’t see anything wrong with it at first.

After hearing what ye Zhuo said.

He suddenly understood!

He admired ye Zhuo a little more.

Actually, Ye Zhuo was also a little surprised. He didn’t expect that song Shiyu, who was only 28 this year, would be so shrewd!

Ye Zhuo continued, “Tomorrow, get someone to send a copy of this contract to Song Shiyu. Remember not to say anything.”

“Don’t Say Anything?” Zhao Yang didn’t quite understand ye Zhuo’s thoughts.

If he didn’t say anything, how would song Shiyu know that they had already discovered that there was a problem with this contract?

Ye Zhuo seemed to have seen through Song Shiyu's thoughts, he continued, "If Song Shiyu is worth our cooperation, then he will definitely come personally to apologize. If he doesn't do anything, then it means that we need to change partners."

Song Shiyu was a smart man.

Even if he didn't say anything.

When he saw that Zhao Yang had someone send the contract back, he could understand Zhao Yang's intention.

Chapter 153: 085: The Smart Lin Ze, the Great Burning Scorch who had just debuted! 5

Working with smart people, there was no need to talk too much nonsense.

Zhao Yang was also a person who understood immediately. He immediately understood Ye Zhuo's intentions. "Alright, Miss Ye. I know what to do."

Ye Zhuo nodded. "Then I'll go to school first. If there are any problems, give me a call."

"Okay." Zhao Yang sent Ye Zao Downstairs.

When the employees downstairs saw that Zhao Yang had personally sent Ye Zao Down and that his attitude was so respectful, they started to discuss animatedly.

"What do you guys think is the relationship between that beautiful young lady and our president? "If it's really a boyfriend and girlfriend, shouldn't the respectful person be the girl? "I think our president treats that little girl as if she's a superior leader!"

“Could it be that that little girl is the legendary Chairman of our company?”

“It’s not quite possible to be the chairman, is it? It’s quite possible to be the chairman’s daughter!”

This little girl looked to be at most seventeen or eighteen years old.

How could she be the chairman!

“Then she is the eldest daughter of Zy Group?”

“It’s very possible!”

Seeing Zhao Yang send ye Zao out of the door and turn around, everyone shut their mouths and began to do their own things.

.....

After returning to the company, Zhao Yang got someone to arrange for the contract to be sent to Song Shi Group.

Song Shiyu received the contract and let out a soft laugh.

Just then, a young man pushed open the door and entered. Seeing Song Shiyu’s expression, he asked curiously, “What’s Wrong?”

Song Shiyu was a very eccentric person.

He didn’t smile easily.

If he smiled, something bad would definitely happen.

This young man was called Bai Jiayu. He was the same size as Song Shiyu and was usually close to him.

“Take a look at this.” Song Shiyu threw the contract to Bai Jiayu.

Bai Jiayu took the contract with both hands and said in surprise, “Isn’t this the contract between you and ZY technology company?”

“Yes.” Song Shiyu nodded.

Bai Jiayu flipped through two pages of the contract. “Did they send the contract back?”

“Yes.”

Bai Jiayu rubbed his chin. “Looks like this Zhao Yang isn’t simple! We underestimated him!”

Song Shiyu took out a big white rabbit milk candy from the drawer. “Do you think Zhao Yang can tell? Although Zhao Yang is very shrewd, he’s still a greenhorn and has too little experience.”

“Then what do you mean?” Bai Jiayu frowned.

Song Shiyu threw the peeled big white rabbit milk candy into his mouth. “If I’m not wrong, this person is the behind-the-scenes boss of ZY technology company.”

ZY technology company had been established for so long.

No one in the outside world had ever seen the behind-the-scenes boss.

This mysterious boss had made a name for himself and shocked everyone with a single feat. It really made people very curious.

Song Shiyu stood up and walked out.

“Brother Song, where are you going?”

Song Shiyu chewed on the milk candy as he said, “I’m here to apologize.”

“I’ll go with you.” Bai Jiayu immediately followed.

The two of them walked out of the door, and Bai Jiayu went to drive.

In the car.

Song Shiyu took out a large white rabbit milk candy from his pocket.

Bai Jiayu said curiously, “Brother song, when did you fall in love with eating candy? It’s So Sweet!” He remembered that song Shiyu didn’t have such a hobby in the past!

Song Shiyu looked ahead. “Drive your car.”

Knowing song Shiyu’s personality, Bai Jiayu did not waste any time and drove seriously.

Soon, they arrived at ZY Company.

Song Shiyu felt that it was a pity.

He did not meet the legendary ZY boss this time.

After discussing the matter of cooperation, Zhao Yang personally sent Song Shiyu downstairs. Seeing the black car disappear on the highway, Zhao Yang could not help but sigh. "Miss Ye is really amazing!"

He had thought that with Song Shiyu's personality, he would not come to apologize.

He did not expect.

Not only did Song Shiyu come, but he also came so quickly!

...

On the other side.

Ye Zhuo had just arrived at the school gate when he saw an Lizi and Zhao Pingting waiting for her at the school gate.

A winter vacation had passed.

Zhao Pingting seemed to have changed from a hundred and fifty kilograms to a hundred and eight kilograms!

Her facial features were originally pretty. Now that she had slimmed down, standing next to an Lizi, she looked like two flowers fluttering in the wind.

If one was not particularly familiar with her, one would not even dare to recognize her.

Even Ye Zao was stunned for a moment before he ran over. "Lizi, Pingting."

"Zao Zao!" After not seeing each other for such a long time, the two of them hugged Ye Zao excitedly. "I missed you so much, Big Zao!"

"I missed you too." Ye Sealing also hugged the two of them tightly.

In her previous life, she had never obtained true friendship.

It turned out that it felt so good to have true friends.

Chapter 154: 085: The Smart Lin Ze, the great burning! 6

After a while, the three of them let go of each other.

Ye Zao looked at Zhao Pingting and said, "Pingting, you've lost a lot of weight. You're so beautiful that I can't even recognize you!"

Zhao Pingting felt a little embarrassed after being praised.

"Is it that exaggerated?"

"You're really beautiful," Ye Zao continued, "If you don't believe me, you can ask Lizi."

An Lizi teased, "Zao Zao, let me tell you, a handsome guy just came to ask Pingting for her WeChat account!"

"Really?"

"Really, really!" An Lizi hurriedly nodded.

Zhao Pingting became even more embarrassed. "Stop talking, quickly go in."

“Look at Pingting, she’s embarrassed!”

The few of them chatted and laughed as they walked into the school.

At this moment, Zhao Pingting said, “The school’s honor roll has been posted. Let’s take a look!”

The results of the final exam would be posted on the honor roll on the school’s bulletin board.

.....

In the past, no one from their ordinary class had ever been on the honor roll.

This time, the ordinary class had gotten an A grade. The people from the rocket class would definitely be shocked.

“Who’s in first place this time?” An Lizi asked curiously. “Is it still brother Lei?”

Brother Lei’s full name was Han Lei.

Because he was always the first in the entire school, everyone called him brother Lei.

Zhao Pingting said with a proud expression, “Do you even need to ask? Of course it’s our searing flames!”

An Lizi was stunned for a moment, thinking that she had misheard.

In the past, when she and Ye Zao were deskmates, Ye Zao was still an underachiever, the type who slept in class every day.

Zhao pingting continued, "This time, Zao's total score is 743 points. He should be able to get first place, right?"

"How... how many points did zao get?" An Lizi was stunned.

"743," Zhao Pingting repeated.

"D * MN!" An Lizi turned to look at ye Zao. "Big Zao, you're Too Amazing!"

Ye Zao said humbly, "Just so-so."

They went to the bulletin board.

There were already quite a few students watching.

In the past, the first place had always been taken by Han Lei.

This time, it was suddenly ye Zao, and everyone was discussing animatedly.

"Ye Zao is also unbelievable! She actually got 749 points!"

"I heard that she was previously the last place in the Rocket Class! How did she suddenly become so amazing?"

"Do you guys think that she..."

"F * ck! Searing! You're really number one!" Although this answer was within expectations, Zhao Pingting was still ecstatic. She looked even happier than if she had won first place.

Hearing this, everyone looked at ye searing.

“F * ck! She’s so beautiful!”

“Why do I feel that she’s a little familiar?”

Ye searing accepted everyone’s sizing up of him.

There was not the slightest ripple on his handsome face. He was extremely calm and stood out like a crane among a flock of chickens among this group of slightly immature students.

“Zao Zao, in order to celebrate your first place in the exam, you invite Lizi and I to go skewer tonight!”

Ye Zao nodded. “Sure.”

An Lizi continued, “Let’s go to the Ye family’s private restaurant that has been very popular recently?”

Zhao Pingting hurriedly nodded, “Sure, sure!” “I heard that the food at their restaurant is really delicious. They’re going to open their fourth branch in the east of the city soon. However, today is the first day after the new year, so there will definitely be a lot of people eating there. Why don’t we wait until there are fewer people before we go?”

“It’s fine,” ye Zao smiled and continued, “My mother is the one who opened the Ye’s private restaurant. When the time comes, we can just ask her to use the back door for us.”

“Really?”

Ye Zao nodded.

An Lizi immediately hugged ye Zao’s arm and said, “Zao Zao, I want to eat your family’s limited edition squid braised pork and rabbit head!”

“Make the arrangements.”

Zhao pingting said, “Then can I have a limited edition of your family’s Mama Xue Mei?”

“Make the arrangements.”

“Oh Yeah! Zao Zao, you’re the Best!”The two of them hugged ye Zao’s arms, one on each side, as if they were supporting the empress dowager.

In the office.

Qian Dabao held ye searing’s report card, his face full of disbelief.

The first place should be their class’s god of learning, Han Lei.

How did he become ye searing, this scumbag of learning?

If ye searing suddenly became smart, Qian Dabao would definitely not believe it. He had been guiding ye searing for two years, and she was as dumb as a donkey. How could she suddenly become smart?

There must be something fishy going on here!

Qian Dabao narrowed his eyes.

Coincidentally, the form teacher of class seven, Jiang Wenhui, walked in from outside.

People are always in high spirits when it comes to happy events.

Jiang Wenhui was humming a little tune.

“Teacher Jiang, Congratulations. Congratulations to your class’s Ye Zao for winning first place.”

Jiang Wenhui smiled and said, “Teacher Qian, you’re too polite! Actually, your class’s student Han is also very good! He’s only slightly inferior to our class’s student Ye.”

Chapter 155: 085: The Smart Lin Ze, the great scorching hot who had just debuted! 7

Qian Dabao’s expression changed. “I hope teacher Jiang can still be so proud during the college entrance examination.”

There was a 20% chance of cheating during normal exams.

There was no chance of cheating during the college entrance examination.

The examination venue was very strict. It was so strict that not even a fly could fly in. When the time came, Ye Zhuo would definitely reveal his true form.

Now that he did not have any evidence, he could not say anything as a teacher.

Hearing the hidden meaning behind Qian Dabao’s words, Jiang Wenhui’s expression instantly changed. He immediately took out his specialty and began to speak in reverse, “Yes, yes, yes. In the entire world, your classmate Han Lei is the best! If the others are better than him, then they are plagiarizing! “Yes, our classmate Ye Tong plagiarized. Not only did our classmate Ye Tong plagiarize, but he also plagiarized your classmate Han Lei’s!”

“Whether he plagiarized or not, we will know on the day of the College Entrance Exam!” Qian Dabao continued, “Anyway, let me put it this way. The top scorer in Yunjing City will definitely belong to our class Han Lei!”

There were a total of 256 high schools in Yunjing City. Not only did Han Lei get first place in the whole school every time, but his results also stood out among these 256 high schools.

The final exam questions were so difficult this time.

The total score was 750 points. None of the other schools could get 720 points, but Han Lei got 726 points. This was enough to prove Han Lei's strength!

Jiang Wenhui slapped the table. "Then let me put it this way. The top scorer of this city is definitely our classmate, Ye!"

726 points was nothing!

Ye Zhuo got 743 points.

.....

He was a few streets ahead of Han Lei.

"In Your Dreams!" Qian Dabao scoffed.

Jiang Wenhui did not back down. "You're the one who's in your dreams. Your whole family is in your dreams!"

Qian Dabao could not be bothered to say anything more to Jiang Wenhui.

In any case, it was true or false.

On the day of the college entrance examination, everything would reveal its true form.

...

After school at night.

Ye Zhuo brought Zhao Pingting and an Lizi to the ye family's private restaurant to eat.

It was lunchtime.

The restaurant was packed. There was a long queue outside the three restaurants.

"Damn, your restaurant is doing so well! It's even more exaggerated than what the Internet says!" An Lizi said.

Ye Zhuo held their hands. "Maybe it's because there's a big discount on the internet recently. Come with me."

Zhao Pingting sniffed. "It smells so good! No wonder there are so many people here for a meal."

At this moment.

An Lizi stopped in her tracks. Her eyes were filled with disbelief as she looked ahead.

To be precise, her gaze landed on a middle-aged man and woman who were standing in line.

The man's hand was placed on the woman's waist.

Their posture was intimate.

Although the woman looked old, she was dressed very fashionably. She stood on her tiptoes and kissed the man in front of her.

“Lizi, what are you looking at?”Ye Zhuo looked back in confusion.

Seeing that she did not have any reaction, Zhao pingting stretched out her hand and waved it in front of her eyes. “Lizi?”

Only then did an lizi come to her senses. It was as if she had lost her soul. “N-nothing.”

“Lizi, are you not feeling well?”Ye Zhuo asked.

“No, no.”An Lizi shook her head and smiled. “Let’s go eat quickly.”

“Are you really okay?”Ye Zhuo was a little worried.

“I’m fine.”

Seeing that she was unwilling to say more, ye Zhuo did not ask any more questions. He brought the two of them to the shop and greeted ye Shu.

Ye Shu was naturally very happy to see ye Zao bringing his two classmates to the restaurant for a meal. “Zao Zao, bring your classmates to the second floor. If you want to eat anything, send it to me on wechat.”

“Thank you, Auntie.”Zhao Pingting and an Lizi thanked Ye Shu.

Ye Shu smiled and said, “You’re welcome. You can go up quickly.”

The second floor was a resting area and was not open to the public.

The three of them had just reached the second floor when Zhao pingting said, “Zhuozhuo, Auntie is so pretty!”

Ye Shu was indeed very pretty.

Her figure was also very good.

She looked to be in her early thirties at most. People would believe that she was twenty-seven or twenty-eight years old.

Ye Zhuozhuo said arrogantly, “That’s right. Otherwise, why would I be so Pretty?”

Seeing that an Lizi was in a daze, ye Zhuozhuo continued, “Lizi, are you really alright?”

“I’m fine.” An Lizi shook her head.

Halfway through the meal, an Lizi suddenly put down her chopsticks. “Zao Zao, Pingting, I suddenly remembered that I still have something to do. I’ll go back first, you guys eat.” As she spoke, before ye Zao and Zhao Pingting could react., she grabbed her school bag and ran far away.

Chapter 156: 085: the Clever Lin Ze, the great scorching hot who had just debuted! 8

Zhao Pingting asked with a puzzled look, “What’s wrong with Lizi?”

Ye Zhuo shook his head. “Maybe she really has something on.”

When they came downstairs, an Lizi looked over again. The man and woman were still there.

An Lizi held back the overwhelming emotions in her heart. She took out her phone and took a few photos before turning around to leave.

An Lizi's family operated a small supermarket.

Usually, an Lizi's mother, Xia Xiaoman, operated the supermarket.

The small supermarket had a total of three floors.

The first floor was the vegetable grain and oil area, the second floor was the snacks and furniture daily necessities area, and the third floor was their own living quarters.

As soon as an Lizi entered, she saw her mother exchanging goods with the Tallyman of the supermarket.

"Mom."

An Lizi walked over.

"You're back." Xia Xiaoman turned around with a smile. "Lizi, didn't you say you were having dinner with your classmates? Why are you back so early?"

An Lizi didn't answer Xia Xiaoman directly. Instead, she asked, "Mom, Where's My Dad?"

.....

"He went to stock up," Xia Xiaoman answered.

"When did he go?"

Xia Xiaoman said, "He went in the morning. Why?"

An Lizi opened her mouth but didn't know what to say. "Mom, why didn't You Call My Dad?"

Xia Xiaoman smiled and said, "What's there to rush? Your Dad Isn't a kid anymore. He'll come back when the goods are ready! What's wrong with you today, Kid?"

"Nothing!" An Lizi patted the dust off Xia Xiaoman's body. "Mom, why didn't You Dress Yourself Up?"

Xia Xiaoman was speechless. "Why are you acting so weird today? One minute you're asking where your dad went, and the next minute you're asking me to dress up. What's Wrong?"

"Mom, I'm going upstairs to do my homework."

"Go ahead." Xia Xiaoman nodded.

When she went upstairs, an Lizi was not in the mood to do her homework at all. All she could think about was the image of her father with that woman.

Never in her wildest dreams did she expect that her father, the father she loved the most, the father who was usually honest, would cheat on her!

Such a dramatic thing had actually happened to her.

She did not know what to do!

An Lizi lay on the bed, her mood very heavy. She could not help but take out the photo she had taken

She hoped that she had only seen wrongly at that time.

However, no matter how many times she looked at it, the image in the photo did not change.

That person was her father.

After an unknown period of time, the voices of her parents came from the living room.

“I’ve already eaten at home. Why do you still want to spend money on this?”

It was Xia Xiaoman’s voice.

“This shop has a good business and the taste is not bad. When Old Zhang and I went there, there was a long line. I thought that you and Lizi would like to eat it too.”

It was an Dongliang’s voice.

An Lizi instantly woke up and dragged her slippers outside.

As expected, her good father had returned.

“Lizi, come over quickly. Look What Daddy brought back for You!”

An Lizi walked over to take a look.

It was the food that was brought back from the Ye family’s private house.

If an Lizi had not seen that scene today, she would have been very happy. However, she would not be so happy now.

There was a pile of leftovers.

An Lizi felt disgusted.

It was one thing for an Dongliang to go out to meet his mistress, but now he had brought back the leftovers.

Xia Xiaoman, who did not know what was going on, was still eating happily. "Lizi, the taste of this restaurant is not bad. Try It."

An Lizi tried her best to control her emotions and took the food from Xia Xiaoman's hands. "Mom! Stop eating! Eating too much junk food is not good for your health!"

Xia Xiaoman was stunned. "Lizi! What's wrong with you today?"

An Dongliang also felt that there was something wrong with an Lizi.

This daughter of his had always been obedient and obedient. "Lizi, did you encounter something unhappy? Tell me, I'll help you analyze it."

An Lizi looked at an dongliang like this.

She felt that it was ironic.

The good father in her eyes and the good husband in her mother's eyes were completely different people.

At this moment, an Lizi only wanted to ask loudly, why did he betray his mother!

"It's nothing." An Lizi threw all the leftovers on the table into the trash can. "I just feel that eating too much junk food at night is not good for my health."

After saying this, an Lizi turned around and returned to her room.

“This child, What’s Wrong?” An Dongliang scratched the back of his head with a puzzled look.

Xia Xiaoman frowned and said, “Lizi isn’t usually like this! Did she not do well in the exam?”

An Lizi returned to her room and hugged her pillow as she cried out loud.

She wanted to find someone to talk to and help her make decisions. However, she could not reveal her dirty laundry to the public, not to mention that this person was her father!

She did not know who to look for either. At this moment, she suddenly thought of the kind of relationship specialist that could be paid for online. Hence, she took out her phone and looked for a professional-looking specialist, she anonymously described her encounter and sent it to the specialist.

The specialist quickly replied. It was a woman’s voice that sounded very gentle.

“Hello, my advice to You is that you’d better pretend that you didn’t see anything and don’t interfere in the matters between your parents. You have to believe that your father is still the same father who loves you! He will not reduce his care and love for you because of this. “If you insist on exposing this layer of window paper, then what you will face is the fragmentation of a family. I believe that your mother, who is also a woman, will certainly not be willing to face this fact.”

Chapter 157: 085: Lovely Old Mrs. Cen, my granddaughter-in-law is the most beautiful woman in the world! 1

After listening to the expert’s reply.

An Lizi was stunned.

Should she really not tell her mother about this?

Should she just let her mother be kept in the dark like this?

An Lizi continued to ask another question, [hello, Expert. My mother is a hardworking and kind-hearted woman. She manages everything in and out of the house all by herself. If there is anything good to eat, she will leave it to me and my father. She loves me and my father very much. If I don't say anything and just let her be kept in the dark like this, wouldn't she be too pitiful... ?].

After typing this sentence, an Lizi was already in tears.

On one side was her mother, and on the other side was her father.

As a daughter, she really did not know what to do.

Her mother, Xia Xiaoman, was a typical housewife. Her husband was the god, and her son was the earth.

Xia Xiaoman was born in the countryside.

She and an Dongliang were in free love. After the two of them got married, they came to Yun Jing to fight together. Although they said that they would fight together, in reality, Xia Xiaoman was the one who was in the limelight.

In the beginning, Xia Xiaoman carried the burden and peddled all over the streets. She woke up early and went to bed late every day. As a result, Xia Xiaoman now looked more than ten years older than her peers. With an Dongliang standing beside her, she did not look like a husband and wife, she looked more like a brother and sister.

No one knew that Xia Xiaoman was only 41 years old this year.

.....

From having nothing to owning a small supermarket and becoming a boss, Xia Xiaoman could be considered to have started from scratch.

It could be said that if it was not for Xia Xiaoman, an Dongliang would not have what he had today!

However, an Dongliang had betrayed her now.

If she did not see it with her own eyes, an Lizi would never believe that her father was such a heartless person.

Very soon, the expert replied again.

“Based on your description, I can tell that your mother is a very strong person. However, the stronger a woman is on the outside, the weaker she is on the inside! “If you really tell her about this, she will definitely fall apart. She might even do something drastic that you will regret! “If you are really doing this for your mother’s good, don’t tell her about this. In fact, sometimes, being kept in the Dark is also a happy thing

“As children, we only need to see our parents happy. Your father is very happy now, and your mother is very happy too. Isn’t that good? Why do you have to destroy this happiness with your own hands

“On the road of life, you will encounter many different kinds of things. You have to learn to forget, and also learn to grow up!”

An Lizi quietly listened to the voice message sent by the expert. She did not know what she felt.

In fact, the expert was quite right.

What if she told her mother about this and her mother could not bear the blow and did something extreme?

No!

She couldn’t lose her mother!

She couldn't become an orphan without a mother.

An Lizi didn't know when she fell asleep either.

She had a nightmare,

in the dream.

After her mother found out about this, she couldn't bear the blow and jumped off a building to commit suicide.

Her brain matter and blood spilled all over the floor.

She didn't have a mother anymore...

"Mom!"

An Lizi sat up from the bed with sweat all over her head. The images from the nightmare kept lingering in front of her, making her feel a lingering fear.

"Ding, Ding, Ding!"

Just then, a crisp alarm suddenly sounded in the air, pulling an Lizi's thoughts back to reality.

An Lizi pressed the alarm clock back on.

After changing into her school uniform, she went to the bathroom to wash up.

“Lizi, you’re up.”Xia Xiaoman brought breakfast to the dining room and greeted an Lizi.

An Lizi wiped the foam from the corner of her mouth. “Where’s My Dad?”

“He’s sleeping,”Xia Xiaoman replied.

“Why isn’t he up yet?”An Lizi could not control her emotions and once again spoke up for her mother.

In this house.

Her mother was not only in charge of the house, she was also in charge of their food, clothing, accommodation, and travel.

She was also in charge of the outside world and was busy with the supermarket’s business.

What did an Dongliang do every day?

The thing that he did the most was to go out and buy goods.

In the past, an Lizi thought that her father really went out to buy goods.

Now it seemed like.

Going out to buy goods was just an excuse, right?

He was accompanying that mistress!

Xia Xiaoman was like a nanny, she was in charge of this and that.

What about an Dongliang?

An Dongliang was like a master. Not only did he not know how to be grateful, he even raised someone outside.

The more an Lizi thought about it, the angrier she got.

Seeing an Lizi like this, Xia Xiaoman frowned and said, "Lizi, what's wrong with you? From last night onwards, your nose is not your nose and your eyes are not your eyes! Tell me, What's wrong with you?"

Chapter 158: 085: "Lovely Old Lady Cen, my granddaughter-in-law is the most beautiful woman in the world!"! 2

Could it be that all teenagers are like this?

What they think is what they do?

Xia Xiaoman's brows furrowed tighter and tighter.

"Mom," an Lizi tried her best to calm herself down and smiled at Xia Xiaoman. "I'm fine."

Xia Xiaoman sighed and continued, "Lizi, I know that the children you have now are different from the ones in Mom's era. If there's anything, you must tell mom and dad, Okay?"

An Lizi nodded and her nose turned sour. She reached out and hugged Xia Xiaoman. "Mom..."

"What's Wrong?" Xia Xiaoman was stunned. "Lizi, were you bullied at school? If you were bullied, you must tell mom..."

An Lizi sniffled. "Mom, I'm fine. I just watched a horror movie on the Internet yesterday. I'm a little scared thinking about it now."

Xia Xiaoman smiled and said, "How old are you already? You're still so scared after watching a horror movie! That's all fake..."

At this point, Xia Xiaoman paused, then she said, "Lizi, you're already a senior year student now. Mom doesn't object to watching a horror movie occasionally to relieve your stress. But while watching a horror movie, you can't forget to study, okay? You have to learn to combine work and rest."

"Okay." An Lizi nodded.

"Alright, Go Wash your face and eat." Xia Xiaoman patted an Lizi's shoulder.

An Lizi went to wash her face.

.....

An dongliang only got up after eating half of his breakfast.

Xia Xiaoman immediately squeezed the toothpaste and passed it to an Dongliang. Then, she poured water for him to wash his face.

She served him meticulously.

After washing his face, an Dongliang went to the kitchen. An dongliang glanced at the pot. "What do you want to Eat This Morning?"

"I cooked red bean porridge and bought fried dough sticks." Xia Xiaoman continued, "I've already prepared the porridge for you. It's on the table."

An Dongliang frowned. "Why are you eating fried dough sticks again?" They had been eating fried dough sticks for a month.

Xia Xiaoman took off her apron and smiled. "What do you want to eat then? I'll buy it for you."

An Dongliang thought for a moment. "Buy a scallion pancake and bring two he ji meat buns."

"Alright." Xia Xiaoman nodded. "Wait at home for a while."

If this was any other time, this would be a normal thing.

This was because in an Lizi's impression, her mother had always been very good to her father.

But now, an Lizi was extremely angry!

She even felt that her mother had fed the dog with deep affection.

Ever since she saw an Dongliang with that woman, she could not stand to see her father being so mean to her mother!

Her mother was so good to him!

How could he treat her like this!

How could he do this!

"He can eat whatever he wants. Mom, don't spoil him!" An Lizi reached out to stop Xia Xiaoman.

"What's wrong with you?" Xia Xiaoman was speechless.

An Lizi took a deep breath.

An Dongliang walked out of the kitchen and placed his hands on an Lizi's shoulders, he smiled and said, "What's wrong with my baby girl? Why are you still angry with Daddy? Did Daddy do something wrong recently? Tell Daddy, Daddy can change it immediately!"

An Dongliang was still the same as before. He was a reasonable and amiable father.

However, an Lizi could see the hypocrisy on his face.

There was a thick layer of hypocrisy.

"It's nothing." An Lizi broke free from an Dongliang's hand. "I'm going to school."

"This child." An Dongliang looked at an Lizi's back view and shook his head helplessly.

His daughter had grown up.

She had her own thoughts.

Although an Dongliang felt that this was a little strange, he did not take it to heart.

It was normal for children to have their own little secrets and tempers when they grew up.

As parents, one must not interfere too much with their children's secrets.

An Lizi was absent-minded all the way to the school gate.

Yesterday, she and Zhao Pingting were waiting for ye Zao.

Today, Ye Zao and Zhao Pingting were waiting for her.

“Lizi!” Zhao Pingting waved at her.

“Zao Zao, Pingting.” An Lizi jogged over.

Zhao pingting continued, “Lizi, were you alright last night? You ran away before you finished eating. Later, Mama Zao even gave each of us a big gift bag! Oh right, this is yours.”

Zhao Pingting handed an Lizi a handbag.

An Lizi looked up at ye Zao. “Zao Zao, please thank Auntie for me.”

“You’re welcome.” Ye Zao looked at an Lizi. “By the way, Lizi, did you not sleep well last night?”

An Lizi was in a bad mood and looked listless.

As a traditional Chinese medicine practitioner, ye Zao could tell at a glance that something was wrong with her.

Chapter 159: 085: “Lovely Old Lady Cen, my granddaughter-in-law is the most beautiful woman in the world!”! 3

“Yes.” An Lizi nodded. “I had a nightmare the whole night.”

Ye Zao took out a small black bottle from his backpack and handed it to an Lizi. “This medicine is to help you sleep. It’s all natural and has no side effects. Lizi, you can try it.”

“Thank you, Zao Zao Zao.” An Lizi took the small bottle with both hands.

Ye Zao smiled faintly. “You’re welcome.”

An Lizi was not in a good mood the entire day. When she was queuing up at the cafeteria in the afternoon, she was even more absent-minded. She frowned at times and sighed at other times.

Zhao Pingting and ye Zao looked at each other and reached out to poke ye Zao. “Zao Zao, look at Lizi. What’s wrong with her?”

Ye Zao shook his head and tilted his head to look at an Lizi. He patted her shoulder. “Lizi, are you feeling unwell?”

“I’m fine, Zao Zao, you don’t have to worry.” An Lizi shook her head and reached out to take the plate that the canteen auntie handed over.

However, due to a moment of carelessness, the plate slipped from her hand.

It looked like it was about to fall to the ground.

Ye Zao stretched out his hand and caught it just like that. It was about to fall off the plate.

It was very stable.

Not even a drop of soup spilled.

.....

Zhao Pingting stood at the side, her eyes almost sparkling. “Zhuo Zhuo, you’re so powerful!”

Although she knew that ye Zhuo was very powerful.

But every time ye Zhuo made a move, it was always stunning!

“Otherwise, how could it be your father Zhuo!” After saying that, Ye Zhuo returned the plate to an Lizi.
“Lizi, you must tell us if there’s anything.”

“Okay.” An Lizi nodded.

An Lizi didn’t know how to explain this matter.

After all, that person was her father.

Now, she could only hide it, hide it, and digest it by herself.

An Lizi had been using the words of the relationship expert to comfort herself.

Being kept in the dark was also a kind of happiness.

Since her mother was very happy now, why did she have to destroy this happiness?

Zhao pingting continued, “Lizi, did you break up with someone?”

An Lizi looked up at Zhao Pingting. “It’s just a small family matter. It’s not big or small. In short, it’s quite annoying.”

Zhao Pingting held an Lizi’s hand. “Lizi, you’re still young. You’re already worried about family matters. Let adults worry about adults.”

The three of them sat at the dining table and ate.

An Lizi looked at Zhao Pingting and hesitated for a moment before saying, "Pingting, how are your parents' feelings?"

"Pretty Good!" Zhao pingting nodded. "My dad is very introverted and doesn't know how to socialize. Usually, my mom is in charge of the family. Although we usually quarrel, it's always my mom scolding my dad. My dad just listens."

An Lizi suddenly felt a little envious of Zhao Pingting.

Why were other people's dads all good dads.

Was her dad going to look for a mistress?

After saying this, Zhao Pingting was a little puzzled. "Lizi, why are you asking about this?"

"I'm just curious." An Lizi smiled.

Zhao Pingting smelled something abnormal. "Lizi, did your dad and Your Mom Fight?"

"I don't know how to say it either." An Lizi scratched her head. "It's not really a fight, right..."

After all, this was just an Lizi's family affair, so Zhao Pingting didn't ask any more questions.

After thinking for a while, an lizi continued, "Zha Zha, Pingting, I want to ask you a question."

"You ask."

“If,” an Lizi carefully chose her words in her mind. “I mean if, if you find out that your neighbor’s sister’s father is having an affair, what will you do?”

It was not good to expose the scandal, so an Lizi had no choice but to change her identity to that of the neighbor’s sister.

Zhao Pingting was stunned. She looked at an Lizi with a blank expression. It was obvious that she had never encountered such a problem before.

Ye Zhuo thought about it seriously. “Does your neighbor’s sister know about this?”

An Lizi nodded.

Ye Zhuo frowned slightly and continued, “She didn’t tell her mother about this?”

An Lizi shook her head and voiced out her concerns, “Her mother is a very, very good person. She loves and loves her father very much. If her mother finds out about this, based on her mother’s character, it’s very likely that she will jump off a building. That’s why my neighbor’s sister has never dared to tell her mother.”

Ye Zhuo glanced at an Lizi, “If she doesn’t tell her mother, this is a very unfair thing for her mother! “I suggest you tell your neighbor’s sister and let her tell her mother the truth. I believe that as an adult, she will solve this problem perfectly.”

Ye Zhuo had never been in a relationship or married in his previous life.

Chapter 160: 085: Lovely Old Mrs. Cen, my granddaughter-in-law is the most beautiful woman in the world! 4

However, she was disgusted by men who cheated even after having a family!

It was simply intolerable!

“No! No! Her mother can not know about this.” An lizi continued, “Zhuozhuo, is there a way to not let her mother know, but also to make her father turn back?”

An Lizi didn't want to see her mother suffer any mishaps.

On the other hand, she also wanted to make her father back.

She also wanted to keep this happy family.

Ye Zhuozhuo thought for a moment, “Then let your neighbor's sister go and expose this layer of window paper to her father! Since he's so Shameless, then why is your neighbor's sister still caring about his face? If this man has a sense of responsibility, he will definitely turn back and break off the relationship with that third party outside!”

An Lizi's eyes lit up. Perhaps this method really could work!

Her father loved her so much, and he loved this family so much. He would definitely turn back.

After school, an Lizi rushed home in the evening, intending to have a chat with an dongliang.

However, after searching around the supermarket, she still could not find an dongliang. An Lizi could only look for Xia Xiaoman. “Mom, Where's My Dad?”

Coincidentally, one of the cashiers took a leave of absence today. Xia Xiaoman was at the front desk. “Your dad went to buy some goods.”

Buy some goods!

.....

Buy some goods again!

An Lizi's eyes flashed with a cold smile.

"Why are you looking for your dad?" Xia Xiaoman asked.

"Nothing much." An Lizi carried her school bag and went upstairs.

It was not until 10 pm that an Dongliang returned home.

An Lizi could clearly smell the scent of perfume on an Dongliang's body. "Dad, I have something to tell you. Let's go downstairs."

An Dongliang took off his coat and smiled. "What is it? Why do you have to go downstairs?"

Although he said so, he still followed an lizi downstairs.

It was early spring, and the cold wind was blowing.

An dongliang said, "Lizi, what do you have to say that your mother can't Hear?"

An Lizi raised her head and looked at an Dongliang. She did not beat around the bush and said directly, "It's about you, Dad. Did you meet someone outside?"

An Dongliang's expression changed.

"Don't deny it. I have evidence." An Lizi took out the photo she took last time.

“Lizi, I... I’m sorry...”an Dongliang did not know how to describe his feelings at this moment. No one could understand the feeling of being caught cheating by his own daughter.

No wonder an Lizi was acting so strangely these few days.

It was because of this matter.

An Lizi almost shouted it out, “Don’t apologize to me, you should apologize to Mom! Mom worked so hard every day! She sacrificed so much for this family! She was like a nanny waiting on you! Do you think you can let mom down by doing this? Don’t you want our family anymore?”

An Lizi’s eyes turned red again when she thought of her mother.

An Dongliang panicked when his daughter questioned him like this. He said with red eyes,

“I’m sorry, I’m sorry, Lizi. I’m sorry for you, I’m sorry for your mother, and I’m even more sorry for our family! Please don’t tell your mother about this, okay? I’ll cut off all contact with that woman immediately!”

“Are you serious?”An Lizi raised her head and looked at an Dongliang.

An dongliang immediately stretched out three fingers. “I’m serious, I swear! If I Lie, I’ll be struck by lightning!”

An lizi heaved a sigh of relief. Her father still had her and her mother in his heart. “Then, I’ll give you this chance. I hope you can remember what you said tonight.”

“Thank you, Lizi!”An Dongliang hugged an Lizi. “I’ll make it up to your mother in the future. Your mother is a good woman. I’ve let her down.”

After this day, an Dongliang seemed to have changed. He no longer left early or returned late. He even helped Xia Xiaoman with the housework.

The smile on Xia Xiaoman's face was obviously much bigger than usual.

An Lizi also returned to her usual smiling face.

...

Soon, a week had passed.

Today was Saturday.

The weather was very good. The temperature had changed from minus one degree before the year to eighteen or nineteen degrees.

The weeping willows by the river had also sprouted new buds.

A breeze blew, bringing with it the fragrance of an unknown flower.

Ye Zhuo had made an appointment with Lin Sha yesterday to tutor her today, so she had just finished eating when she set off from home to the Lin family.

There was a distance between Lin Shasha's house and the Ye family's.

However, the weather was good today, so ye Zao didn't want to take a taxi. He was going to walk there and exercise at the same time.

Bathing in the spring sunshine, he felt especially relaxed.

There were many people on Saturday.
