Chapter 1511: 320: she deserved it and was sent to prison! 3

“What’s going on?” Lin Qingxuan didn’t understand what Yang Wenyin was saying.

“Yang Wenyin continued, “Do you know why fourth sister-in-law hasn’t gotten pregnant yet? Just because your maid, Auntie Sun, gave fourth sister-in-law birth control pills, little twelve caught her red-handed! “Just now, she wanted to destroy the evidence! “Fortunately, little twelve was there, so she didn’t get her way!” ”

“Hearing this, Lin Qingxuan was furious! ”

“No wonder ye Zhuo had diagnosed that Xia Xiaoman had taken birth control pills. He didn’t expect it to be the maid’s doing. Thinking of how Xia Xiaoman trusted Auntie Sun so much and even gave Auntie Sun a raise, Lin Qingxuan now had the heart to kill. ”

Damn it!

It was simply too damn.

“Where is she! Where is Auntie Sun Now?”

““She is in the living room,”Yang Wenyin said. ”

Lin Qingxuan walked into the living room full of anger.

“Did you drug her?”

“No, I didn’t! It has nothing to do with me! Mr. Lin, I really didn’t!” Auntie Sun raised her head and looked at Lin Qingxuan. ”

“Mr. Lin, my mother really didn’t do those things. Please believe her!” Sun Jiayi walked over and cried like a pear blossom in the rain. “She really didn’t do it! My mother wouldn’t do that kind of thing!” ”

This was her last chance!

She had to make use of this opportunity to make Lin Qingxuan pity her.

“Mr. Lin, please believe us!” At the end, Sun Jiayi subconsciously wanted to reach out and grab Lin Qingxuan’s arm. ”

“She was younger than Xia Xiaoman, prettier than Xia Xiaoman, and more qualified than Xia Xiaoman. ”

There was no reason why Lin Qingxuan couldn’t see her!

“When she became the mistress of the Lin family, she would be Ye Zao’s fourth aunt. She must teach Ye Zao a good lesson. ”

A junior actually dared to order his elders around.

He had no rules at all!

Lin Qingxuan directly waved away Sun Jiayi’s hand.

“He wasn’t the kind of person who liked young girls. If he was that kind of person, he wouldn’t have chosen Xia Xiaoman when he divorced Zhao Shuning. ”

“With his conditions, it was not difficult to find an unmarried girl. ”

“Sun Jiayi was flung to the ground, and intense pain came from her body. ”

She could not believe it.

“She had thought that Lin Qingxuan would definitely take care of her, but she did not expect Lin Qingxuan to directly throw her away without any mercy. ”

“Seeing Sun Jiayi being flung to the ground, Auntie Sun quickly ran over to help her up. “Jiayi, are you okay?” ”

“Mom!”Sun Jiayi was like a child who had been wronged. She hugged auntie sun and cried incessantly.

“Lin Qingxuan was annoyed by the mother and daughter’s crying. Thinking about what the mother and daughter had done, she was so angry that she raised her hand and was about to slap someone. ”

“Seeing her like this, Xia Xiaoman quickly stopped him. “Qingxuan, calm down. Zhuozhuo has already asked the butler to call the police. We’ll wait for the police to come!” ”

“Auntie Sun and Sun Jiayi were a perfect mother and daughter. If Lin Qingxuan were to hit someone, it would be hard to explain. ”

“For Xia Xiaoman’s sake, Lin Qingxuan didn’t do anything. ”

“The police came very quickly. After understanding the situation, they searched Auntie Sun’s maid’s room and found a bag of white powder in the maid’s drawer. Then, the police retrieved the surveillance camera and took the bowl of medicine with them to collect evidence. ”

Auntie Sun felt that everything was so unreal until she got into the police car.

“Xia Xiaoman had not discovered anything for a year, but ye Zhuo had discovered it at such a critical time. ”

Auntie Sun was very regretful now!

“She regretted not underestimating ye Zhuo, and even more regretting not steadying her thoughts. After all, she did not plan to put anything in the medicine in the first place.”

“This was all Sun Jiayi’s fault. If it were not for Sun Jiayi, things would not have turned out this way.”

“Not to mention that Auntie Sun was regretful, Sun Jiayi was also very regretful. If time could be reversed, she would not have underestimated her enemy.”

“But now, what was the use of saying that she was regretful!”

Auntie Sun and Sun Jiayi were only begging now. The bowl of medicine would not be able to detect anything.

“Once the pill was found, they would be done for!”

The car soon arrived at the police station.

“During the interrogation, Auntie Sun insisted that she didn’t put anything in the pill.”

“It had been a few hours, but there was still no news from the pill. Maybe it couldn’t be found at all.”

“At this moment, there was a knock on the door of the interrogation room.”

The police officer in charge of the interrogation went to open the door.

““Captain Zhou, the test report is out.””

It was the intern Xiao Wu who came outside.

“Captain Zhou asked, “What’s the result?” ”

“Xiao Wu handed the test report to Captain Zhou, “The test report shows that the victim, Xia Xiaoman, did indeed have the ingredients of the contraceptive pill in her medicine. Moreover, not only does this medicine have an infertility effect, if taken for a long time, it will also cause a certain amount of harm to the human body. If taken for a long time, it will even endanger the life of the victim!” ”

Chapter 1512: 320: he deserved it and was sent to prison! 4

“If it was just contraception, the crime might have been a little less serious, but it was not a small problem as it endangered the safety of his life! ”

This was attempted murder!

“Xiao Wu continued, “In addition, the medicine found in the suspect’s servant’s room and on his body were the same medicine as the medicine in the medicine! “Also, I’ve asked the servants of the Lin family. They all said that the person responsible for the victim’s daily meals and drinking the medicine was Ma Guizhi!” ”

Ma Guizhi was Auntie Sun’s full name.

“Hearing this, Ma Guizhi could not remain calm. Her face was extremely pale, “I’m wronged! Officer comrade, I’m really wronged! I didn’t know that this medicine would harm life and health. I thought that this was just an ordinary birth control pill!” Attempted murder was punishable by imprisonment, not only imprisonment, it would also leave a criminal record and affect the three generations of immediate family members! ”

“If the crime was found guilty, it would be difficult for Sun Jiayi to marry into a wealthy family in the future! ”

“When a wealthy family got married, they would investigate the three generations of immediate family members so as not to affect the future career of their descendants. ”

No.

She couldn't go to jail.

Captain Zhou turned to look at Ma Guizhi. “Didn't you just deny that you didn't put anything in the victim's medicine?”

Boom!

Ma Guizhi was struck by lightning. Only then did she realize that she had accidentally confessed!

“One wrong step, one wrong step! ”

“Anyway, they had already come this far, ma guizhi continued, “Officer! I really didn't know that the medicine would harm people! I didn't do it on purpose! Please forgive me just this once, okay? Officer, please give me a Chance!” Ma Guizhi really didn't know. At that time, she only wanted to prevent Xia Xiaoman from getting pregnant. ”

“She didn't expect that the medicine would be so poisonous. No matter how Bold Ma Guizhi was, she didn't dare to harm people. ”

““I say, you're really wicked!”Captain Zhou looked at Ma Guizhi, “Even if there's nothing harmful in the medicine, you can't just add it to Mrs. Lin's food and medicine. Did you really think that your daughter would rise to the top just because Mrs. Lin can't get pregnant? Now, not only did you harm yourself, but you also harmed your daughter! This is the consequence of having bad intentions!” ”

““Officer comrade, I'm sorry. I really know my mistake. I didn't do it on purpose!” ”

""If I'm sorry is useful, then there's no need for US police officers to exist. Since I've done something wrong, I must pay the price for my actions!"In front of the law, everyone was equal! "

"Ma guizhi continued, "Comrade police officer, this matter has nothing to do with my daughter. Please let her go quickly! If you want to lock her up, lock me up alone! "I did all these things alone. My daughter doesn't know anything!"The matter had already developed to this point, she had to protect Sun Jiayi. She couldn't let Sun Jiayi suffer this undeserved disaster again. "

This was her idea all along. It was all her fault from start to finish!

On the other side.

The Lin family.

It was originally an Lizi's birthday and a happy day. She didn't expect such a thing to happen.

"Lin Qingxuan, Xia Xiaoman's family of three, Ye Zhuo, and Cen Shaoqing had gone to the police station to take statements. They hadn't returned yet. A few sisters-in-law sat in the living room, feeling anxious. "

"At that moment, footsteps and voices came from outside the door. "

"Ye Shu immediately stood up. "Fourth brother, fourth sister-in-law, they're back!" "

"Wu Mei, Yang Wenyin, and Zhang Zhenzhen also stood up and looked in the direction of the door. "

"In the next second, a few figures walked in from outside the door. "

"As expected, Lin Qingxuan and the others had returned. "

""Fourth brother, fourth sister-in-law, how is it?" "

Ye Shu went up and asked.

“Xia Xiaoman said, “The police have already detected that there’s something wrong with the medicine. Sister-in-law sun has also confessed. She’s the one who insisted that Sun Jiayi wasn’t involved in this matter! “There’s also no direct evidence to prove that Sun Jiayi was involved. If Sun Jiayi insists on not admitting it, there might be some trouble!” ”

Ye Shu frowned slightly. “How could this be!”

“Wu Mei said, “Don’t worry. I believe that the police will not let a bad person off. They will definitely have a way to make Sun Jiayi confess!” ”

“Ye Zhuo continued, “Aunt is right. Fourth aunt, don’t worry! The law will always be in place. I believe that the police will definitely have a way to make Sun Jiayi confess.” ”

“Xia Xiaoman nodded. She looked at ye Zhuo and said, “Zhuo Zhuo, it’s all thanks to you this time. If it wasn’t for you, your fourth uncle and I would still be in the Dark!”Ye Zhuo had saved Xia Xiaoman twice.
”

The first time was when Anton Liang was having an affair. It was ye Zao’s words that gave her hope.

“Chapter 1513: 320: You Deserve Your Punishment, and you will be sent to prison! 5”

And this time.

“”Fourth aunt, we are a family. You are too polite to say this.”Ye Zhuo smiled and said, “You should take good care of your body. I believe that in the near future, you will be able to have a healthy baby!””

“Really?”Xia Xiaoman asked.

Ye Zao nodded.

“Xia Xiaoman continued, “I have been taking birth control pills for such a long time. Won’t it affect anything?””

“Ye Zao said, “As long as you take good care of yourself, it basically won’t affect anything.””

“Hearing ye Zao’s words, Xia Xiaoman was relieved. “Zao Zao, Thank You!””

“Zhang Zhenzhen stood at the side and said with a smile, “Fourth sister-in-law, this is a blessing in disguise! In my opinion, this little twelve is really our family’s Lucky Star!””

“That’s right!”Yang Wenyin and Wu Mei agreed very much.

“It was not known whether it was a coincidence or not, but ever since ye Zao returned to the Lin family, the company of the Lin brothers had become a lot more popular!”

“Not only was ye Zao Beautiful, but he was also so outstanding. No matter where they went, they felt honored to have a niece like ye Zao.”

“Zhang Zhenzhen continued, “Since things have been settled, let’s get ready to eat! I’m starving to death!”Zhang Zhenzhen touched her belly.”

“Xia Xiaoman said, “Why don’t you guys eat first! Seriously! Then let’s Open Up!””

““You guys aren’t back yet, and the matter hasn’t been settled. How can we have the mood to eat!””

“Xia Xiaoman instructed the butler to arrange for the meal. Although there was a small incident, the atmosphere in the Lin family villa was still very good.”

“The Lin family were eating in the restaurant, and the servants were all discussing it.”

Who would have thought that Auntie Sun would do such a thing?

“You can’t judge a book by its cover!”

“”No Wonder I saw that little sun kept leaning into Sir’s bedroom. At first, I didn’t know why! It turned out that she had ulterior motives!””

“”Actually, I already knew that something was wrong with Auntie Sun!”! She looked honest and smiling at everyone, but behind her back, she had another face! “Just the last time, I saw Auntie Sun Kick Vagabond Away with my own eyes! “If she was really that good, how could she treat a small animal like that?””

“Oh my God! Why is this woman so Vicious!”

“Is that Cat Alright?”

“ ... ”

At the police station.

“Sun Jiayi had grown up and had eaten all kinds of food, but she had never eaten any of the food at the police station.”

A mouthful of rice in her mouth was like chewing wax.

She did not confess.

She could not confess.

“As long as she insisted that she did not know anything about this, the police and the law would not be able to do anything to her.”

Right.

She did not confess.

“In the following interrogation, Sun Jiayi refused to confess.”

The police in charge of the interrogation were on the verge of collapse!

Cen Shaoqing went back from ye Zao.

“Ye Zao sat in the passenger seat and was a little sleepy. Suddenly, she seemed to have thought of something and picked up her phone to send a message.”

Cen Shaoqing had one hand on the steering wheel and the other on the prayer beads. He turned to look at Ye Zhuo. “Leader.”

““Yes,” ye Zhuo replied.”

“My aunt is here. She wants to see you before she goes home.”

“Aunt?” Ye Zhuo turned to look at Cen Shaoqing. “Is she grandma’s sister?”

“Cen Shaoqing nodded slightly. “Yes, she’s Grandma’s cousin! She’s quite kind.””

“Is she at your house now?” Ye Zhuo continued to ask.

“Yes.”

“”Then let’s do it tomorrow! I have nothing to do tomorrow,”ye Zhuo said.”

“”Okay.”CEN Shaoqing continued, “Then I’ll come and pick you up tomorrow morning.””

“”Okay.”Ye Zhuo nodded slightly and continued, “How many sisters does grandma have?””

“CEN Shaoqing said, “Grandma has a biological brother and a biological sister. “She also has a cousin, who is the great-aunt who came this time. Her great-uncle passed away three years ago, and there’s also a little great-aunt who lives in the countryside. In the early years, she had some conflicts with grandma, and the two of them have not spoken for many years. During the holidays, my mother and I would go to visit her. “However, she’s a loner and can’t talk much with others. Every time, my mother and I would go in the morning and come back in the afternoon.””

“Ye Zao nodded slightly. “I see! Right, I’ll go tomorrow. Do you want me to bring some gifts for Auntie?””

“No need. Your arrival is the biggest gift.”Cen Shaoqing opened his thin lips. “Auntie is very curious about what you look like!”

“In the blink of an eye, the next day arrived.”

“Ye Zao woke up at 6:30 AM on time. After running, he went to eat.”

“Lin Ze was already sitting in the dining room eating. When he saw ye Zao Come In, Lin Ze stood up and said, “Zao, what do you want to eat? Porridge or rice noodles? I’ll get it for you.””

The rice noodles were brought over by a relative in his hometown. They were paired with the chef’s secret toppings and tasted especially good.

“Ye Zao sat down. “Only children make choices! I want a bowl of porridge and a bowl of rice noodles. Thank you, Brother.””

Lin Ze was stunned. “There’s so much. Can you finish it?”

“”Don’t worry, I can finish it!”Ye Zao picked up the eggs on the table and crushed them. Then, he started peeling the shells.”

“Lin Ze carried out the porridge and rice noodles. When he saw ye Zao peeling the eggs again, he was a little surprised.”

“Although he knew that his sister had a bigger appetite than ordinary girls, he did not expect that ye Zao could eat so much!”

“After peeling the eggs, ye zhuo separated the egg yolk from the egg white and turned to look at Lin Ze. “Brother, do you eat egg yolks?””

“Lin Ze knew that she did not like egg yolks, so he smiled and said, “Give them to me!””

Ye Zhuo immediately handed the egg yolk to Lin ze.

“It was true that she did not like to eat egg yolks. She always found the taste of the egg yolk unbearable, but she especially liked to eat egg white. If no one really ate the egg yolk, ye zhuo would grit his teeth and eat it.”

“No matter what, she would not waste food!”

“Ye Zao started eating the porridge first. She did not eat slowly, but she was not rude. Instead, it was very pleasing to the eye. Her every move exuded a noble aura.”

“Seeing ye Zao finish a bowl of porridge and a bowl of rice noodles, Lin ze was a little surprised.”

“After all, he was a big boy and could not eat so much.”

“After eating, Ye Zao stood up. “Brother, I have something to do. I’m leaving First!””

“Where are you going?”Lin Ze stood up as well.

“Ye Zao said, “Cen Shaoqing’s aunt is here. I’m going to take a look.””

“”OH.”Lin Ze nodded and followed ye Zao’s footsteps. “That Zao Zao, you’ve been with Cen Shaoqing for so long. Has Cen Shaoqing ever lost his temper at you?”As the saying goes, time reveals the heart of a person, because of his childhood experience, Lin Ze had always been worried that Cen Shaoqing had a violent element in his body.”

“Although ye Zao was quite powerful, she was still a little girl. If they really fought, she would definitely suffer!”

“Ye Zao smiled and said, “Don’t worry, brother. Cen Shaoqing is not the kind of person with no morals!””

“Lin Ze suddenly felt a little melancholic. He was such a good and pretty sister, but he actually wanted to take advantage of Cen Shaoqing.”

“”Zhongrao, if he dares to bully you, just tell me. I’ll help you beat him back!”In order to protect ye Zhongrao, Lin Ze had been studying combat and Sanda recently.”

“”Okay.”Ye Zhongrao nodded slightly. “Brother, I’ll leave first. Call me if there’s anything!””

“It Snowed Last Night. Tell Cen Shaoqing to drive slowly!”Lin Ze instructed.

“Got it.”Ye Zao put on his hat and walked out of the door.

“On the other side, at the CEN residence.”

"After learning that ye Zao had come back today, old Mrs. Cen sat in the living room, looking like she was about to die. Whenever she heard the sound of a car, she would stand up to see if it was ye Zao."

"Bai Shu was also a little anxious, but she was more curious. Old Mrs. Cen had described ye Zao as too unlike a normal human being!"

"Chapter 1514: 320: amazing, a bet! 1"

"However, Bai Shu had been waiting for a long time, but she still couldn't find ye Zhuo. She couldn't help but feel a little anxious. She turned to look at Old Mrs. Cen. "Sister Tang, did you remember wrongly?" "

"Remember what?" Old Mrs. Cen asked.

""Miss Ren didn't come today," Bai Shu said. "

""She won't," old Mrs. Cen said. "I talked to Ye Zi Last Night. She told me that she will definitely come today." "

"Yezi?" Bai Shu frowned. "Who's Yezi?"

""Are you old and confused?" Old Lady Cen looked at Bai Shu and continued, "Yezi is my granddaughter-in-law!" "

Bai Shu narrowed her eyes. "Then who's searing?"

"When she said this, Bai Shu widened her eyes, she said incredulously, "Oh! Your Shaoqing is two-timing! Sister Tang, just like that, you still have the cheek to call our third brother! Isn't your Shaoqing the same! As the saying goes, this man will only be honest if he hangs on the wall!" "

“Old Lady Cen did not like to hear these words. She could say bad things about him, but others could not! ”

““What nonsense are you spouting! What do you mean our Shaoqing is just like your third brother! If Shaoqing was like this, I would have broken his legs long ago!” ”

“Bai Shu snorted, “You’re the one who can’t bear to hit him! If you did, would you still be here? The leaves are burning! I can’t even tell!” ”

Bai Shu had experienced too much in her early years and felt that it was okay for a man to cheat on her.

Men?

Who wouldn’t be unfaithful!

“Some people could control themselves, while others couldn’t control themselves. ”

People were not sages. They all had emotions and desires. This was something that couldn’t be controlled.

“If Cen Shaoqing was two-timing, she would not find it strange. ”

“Cen Shaoqing was young and promising. He had power and influence. As a young man, he was full of anger. It was normal for him to lose control occasionally. ”

““Yezi and Zhuozao are the same person! Didn’t I tell you that my granddaughter-in-law’s name is Ye Zhuozao?”Old Mrs. Cen continued, “I’m not bragging! “If that Brat dares to do even the slightest thing to let yezi down, I will smash his dog head and break his dog legs! “I will make him unable to take care of himself for the rest of his life!” ”

Old Lady Cen was not joking.

“Regardless of whether it was a mental or physical affair, it was unbearable. Otherwise, Old Lady Cen would not have cut ties with her own nephew. ”

“”I see.” Bai Shu sighed. “I told you, the people of Your Cen family have always had deep feelings for each other. How could you be a two-timing person!” ”

“Old Mrs. Cen snorted and said with some pride, “That’s a must! who asked our Cen family to have such good manners!” ”

“Bai Shu:” ...” she suspected that old Mrs. Cen was referring to her, but she had no evidence. ”

“”Sister Tang, is your granddaughter-in-law really that outstanding?” Bai Shu continued to ask. ”

“Old Mrs. Cen was like a proud peacock. “Of course! Let me tell you, if my granddaughter-in-law was second, no one would dare to acknowledge her as the first!” ”

“Bai Shu smiled and said, “I don’t think so. After all, a weasel praises her fragrance and a Hedgehog praises her light! I heard from Xiang Xiang that that girl cured your migraine. is that why you like her so much?” ”

Everyone has their shortcomings. Bai Shu did not believe that ye Zao did not have any.

The reason Old Mrs. Cen praised Ye Zao so much was definitely because she cured her migraine!

“”You’ll know when you see her. I Can’t be bothered to argue with you now,” old Mrs. Cen said as she looked out of the window. ”

“Just then, the sound of a car engine came from outside ”

Old Mrs. Cen stood up from the sofa. “It must be my granddaughter-in-law!”

Bai Shu also stood up.

“In a moment, the sound of footsteps came from outside the door.”

“”Grandma, aunt.”Cen Shaoqing walked in with Ye Zao.”

“You’re here.”Old Madam Cen immediately came over and grabbed ye Zhuo’s hand. “Is it cold outside? Look at this little icy hand!”

“As soon as she finished speaking, Old Madam Cen rolled her eyes at Cen Shaoqing. “You Little Brat, is this how you take care of others?” ”

Cen Shaoqing touched his nose. “It’s my fault.”

“It was your fault to begin with!”

“Ye Zhuo smiled and said, “Grandma, it has nothing to do with him. I was the one who caught the snow outside.” ”

“Although he had been in this world for a long time, ye Zao still liked snow very much. Every time he went out, he would hold a snow ball and play with it.”

“”It has to do with him,”old Mrs. Cen continued, “Your hands are so cold. Doesn’t he know how to warm you up?” ”

“After saying that, old Mrs. Cen pulled ye Zao to Bai Shu and introduced, “Zao Zao, let me introduce you. This is your aunt. Younger sister, this is my granddaughter-in-law, ye Zao!” ”

“Chapter 1515: 320: amazing, a bet! 2”

“Bai Shu looked at ye Zao, her eyes filled with amazement.”

She finally understood why Old Lady Cen was full of praise for ye Zao!

“This little girl had to have a good appearance, figure, and figure, just like the one in the painting. Anyone who looked at her could not help but want to get close to her.”

“”Hello, aunt,”ye Zao greeted politely.”

“Bai Shu nodded repeatedly and said with a smile, “Good, good, good! This child is really handsome!””

“”Handsome, right?”Old Lady Cen was extremely satisfied when she saw Bai Shu like this. “How can my granddaughter-in-law not be handsome?””

She knew that Bai Shu would definitely be amazed by ye Zhuo when she saw him!

As expected!

“Bai Shu held ye Zhuo’s hand. “Child, How Old Are You this year?””

“”Twenty,”ye Zao answered.”

“Is your home also in the capital?”

“Yes.”Ye Zao nodded slightly.

“”Okay, it’s better to be closer.”Bai Shu liked ye Zao very much and continued, “Aunt’s home is in Lincheng. This year’s New Year, you must go and visit aunt with Shaoqing!””

Bai Shu could not wait to introduce ye Zao to her relatives at home!

""Okay, Auntie. I will definitely go with Cen Shaoqing to visit you during the New Year.""

Bai Shu held ye Zao's hand. "Then it's settled. You must not lie to Auntie!"

""Yes, don't worry."Ye Zao nodded."

""Auntie, Zao Zao also prepared a small gift for you."Cen Shaoqing walked forward at the right time."

""Oh Really?"Bai Shu smiled and said, "This child, just come! Why did he bring a gift!""

"Cen Shaoqing took out the gift and said, "Aunt, this is a high-tech pillow that Zao Zao developed himself. It can help you sleep. Didn't you always say that you can't Sleep Well? If you use this, you will definitely sleep until dawn!""

"Bai Shu took the pillow and said happily, "Okay, then I will definitely try it tonight!""

""And this, this is a set of sister clothes that Zao Zao bought for you and Grandma."Cen Shaoqing took out another set of clothes."

"Old Mrs. Cen said in surprise, "Am I part of it?""

"Yes."Cen Shaoqing handed the clothes to the two old ladies.

"Old Mrs. Cen took the clothes. She liked them very much. She looked at Bai Shu and said, "Shall we go and try them on?""

"Sure!"Bai Shu nodded and followed Old Mrs. Cen's footsteps.

The two old ladies walked to the changing room to change their clothes.

“After about ten minutes, the two of them walked out of the changing room.”

“They wore a wine-red coat. The style was simple and elegant, making the two old ladies look a little younger.”

“The beauty was old. Although the two old ladies were already old, it could still be seen that they were elegant when they were young.”

“Bai Shu said strangely, “I don’t think this coat is thick. There’s no cotton and no down in it. Why is it so warm! It’s even warmer than my down coat!””

Could it be an illusion?

Bai Shu touched the fabric of the shirt. She was starting to doubt her life. She even wondered if she was seeing things!

“Old Mrs. Cen smiled and said, “You don’t understand this, do you? This is called an air-conditioned shirt that can automatically adjust the temperature. It’s warm in winter and cool in summer!””

“Air-conditioned shirt?” Bai Shu widened her eyes in surprise. “There’s such a shirt?”

“”Yes!” Old Mrs. Cen nodded. “Yezi gave me a few of them! If you don’t believe me, you can go outside and walk around a bit to see if it’s not cold at all!””

Bai Shu really didn’t believe it.

“After living for so long, she had never seen any air-conditioning clothes. The air-conditioning even relied on electricity for heating and cooling!”

There was nothing on these clothes. What was the basis for the warmth in winter and the coolness in summer?

Bai Shu stood up and walked out of the main door.

"It had snowed last night, and it was a vast expanse of whiteness outside. At this time, the cold wind whistled, and the temperature had already dropped TO-19 degrees Celsius. It was so cold that people were shivering."

"However, after Bai Shu walked out, she did not feel cold at all. Not only was she not cold, she felt a bit of heat instead."

"This winter, other than staying in the house, she had never felt any heat outside."

Could it be an illusion?

"Or could it be that she had just come out of the house, and the temperature on her body had not yet dissipated?"

"Bai Shu tried to take off the wine-red coat on her body. Just as she took it off, she shivered from the cold."

"Bai Shu hurriedly put on her coat. After putting it on, she was instantly enveloped by a warm feeling, as if there was some kind of heat that was constantly being transferred from her clothes."

It was very warm.

"This time, Bai Shu immediately believed it. She ran back and said excitedly, "Sister Tang! Sister Tang, it's really warm!"

"Old Lady Cen smiled and said, "Of course! Can I Lie to You?"

“Chapter 1516: 320: amazing, the bet agreement! 3”

“Bai Shu continued, “I’ve never worn such high-class clothes in my life!” ”

“Old madam CEN said, “If it wasn’t for Yezi giving it to me, it would be my first time wearing it!” ”

Bai Shu grew more and more envious of old Madam Cen.

Old Madam Cen and Ye Zhuo were even better than the grandfather and grandson pair. Why had she never met such a good granddaughter-in-law?

Bai Shu sighed softly.

On the other side.

University town.

Zhang Qingqing was dressed in designer clothing and had a six-figure bag in her hand. She stood at the school gate and waited for an Lizi.

“Not long after, an Lizi ran out from the gate. “Qingqing!” ”

“Coming.”Zhang Qingqing smiled and walked over.

“An Lizi said, “I’m sorry. I made you wait, didn’t I?” ”

""It's Alright,"Zhang Qingqing said. "

"After saying that, Zhang Qingqing continued, "This dress of yours looks pretty good. It's a new ZY brand, right?" "

"I think so."An Lizi had never paid attention to such things.

"Zhang Qingqing was a little speechless as she said, "You don't even know about your own clothes?" "

"An lizi explained, "This dress was given to me by my cousin." "

Only then did Zhang Qingqing remember that an Lizi's stepfather was very rich.

"Thinking of this, Zhang Qingqing felt a little uncomfortable. When she was young, her family background was much better than an Lizi's. "

"Now, an Lizi was already a rich young lady, but she was still like this. "

"Although she was also wearing branded clothes, compared to Zy, who was popular all over the world, she was not just a little inferior! "

"Zhang Qingqing sighed. "Lizi, I really envy you!" "

"What do you envy me for?"An Lizi felt a little baffled.

"Zhang Qingqing said, "I envy your background! Think about it, you're a rich girl now, and I'm still the same ordinary me. In the future, the two of us won't be in the same world! We'll definitely go further and further away!" "

"That won't Happen!"An Lizi held Zhang Qingqing's hand. "The two of US grew up together. We agreed to be friends for life."

“Zhang Qingqing continued, “By the way, is your mother pregnant?” ”

“Not yet.” An Lizi shook her head and didn’t say the reason behind it.

““Not yet!” Zhang Qingqing was a little surprised, then, she said, “But it’s good that you’re not pregnant. If your mother is pregnant, your family’s status will definitely decline. Now, you’re the only daughter in the family! However, if your mother doesn’t get pregnant, it’s not good either. What if your stepfather dislikes your mother and won’t give birth?” ”

An Lizi’s current status was really too awkward.

“Thinking of this, Zhang Qingqing suddenly didn’t envy an Lizi anymore. ”

“An Lizi wasn’t Lin Qingxuan’s biological daughter. If Xia Xiaoman and Lin Qingxuan’s relationship went wrong one day, then an Lizi wouldn’t be some rich young lady anymore! ”

“An lizi smiled and said, “Don’t worry, my dad is not that kind of person.” ”

“Previously, when Xia Xiaoman was drugged with sleeping pills, Lin Qingxuan did not show any signs of disliking Xia Xiaoman! ”

“You can’t tell a person’s heart from their face.” Zhang Qingqing patted an Lizi’s hand.

“An Lizi said, “You don’t know my dad, but I believe in him!” ”

“Zhang Qingqing raised her head and looked at an Lizi. “What about your biological dad? Your biological dad looked so honest, but in the end, he still betrayed your mom! Lizi, after going through so much, why are you still acting like you haven’t grown up?” ”

“An Lizi didn’t say anything, but the look in her eyes was a little lonely. ”

“Zhang Qingqing continued, “Are you guys going back to your hometown for the New Year?” ”

“We’re spending the new year in Beijing.” An Lizi turned to look at Zhang Qingqing. “My mother said that we’ll go to my Grandma’s house on the third day of the New Year.”

“”OH.”Zhang Qingqing nodded. “Oh right, Lizi, you’ve been in the circle of wealthy families for such a long time. Have you met any young talents that you want to introduce to me?” ”

“Zhang Qingqing also wanted to marry into a rich family and live a life of superiority. Unfortunately, besides an Lizi, there were no other rich second-generation heirs by her side.”

She simply did not have the chance to get to know the rich second-generation heirs.

An Lizi was stunned. “Don’t you have a boyfriend?”

“We broke up a long time ago!”Zhang Qingqing’s expression was natural.

“Zhang Qingqing had followed Wu Youyu to Beijing. After Wu Youyu and Xie Wanqiu perished together, she did not look for a second sugar daddy.”

She did not want to look for another benefactor anymore.

She wanted to rely on herself to marry a real rich second generation!

“With her looks, as long as someone was willing to pull strings, she would definitely be able to join a wealthy family!”

She and an Lizi were like sisters. An Lizi would definitely help her with this!

""So, I'll leave my happiness to you. Lizi, you must introduce me to a rich second generation. Let me live the addiction of a rich lady."Saying this, Zhang Qingqing turned to look at an Lizi. "

"Chapter 1517: 320: amazing, a bet agreement! 4"

An Lizi scratched her face. "I don't seem to have any outstanding young men around me who are particularly suitable for you!"

""I'm not picky, as long as my family background is passable!"Zhang Qingqing continued, "Lizi, we grew up together, don't tell me you're not willing to help me with such a small favor?""

"An Lizi said with a troubled expression, "It's not that I'm not willing to help, it's that I really don't have one! If there is one, how can I not introduce it to you? Most of the people I know already have girlfriends! or they're just not suitable for you!""

"How are they not suitable for you?"Zhang Qingqing asked back.

"An Lizi said, "I know one, and he can change four or five girlfriends a week. Can you accept that?""

""Of course!"Zhang Qingqing said, "If you introduce me to him, what if I'm the One? You didn't even introduce me, and you already know that we're not suitable? Lizi, aren't you underestimating me too much?""

"An Lizi said, "Do you know who his last girlfriend was?""

"Who?"Zhang Qingqing asked.

"An lizi continued, "Nancy.""

""Nancy?"Zhang Qingqing covered her mouth and said, "International supermodel Nancy?"""

"DAMN!"Zhang Qingqing was very surprised.

"As an international supermodel, not only was Nancy good-looking, but her figure was also excellent."

"After saying that, Zhang Qingqing continued, "No wonder for a period of time, Nancy's resources were super good, and she even appeared on variety shows! Is it because of your friend?"""

"Yes."An Lizi nodded.

""Awesome!"Zhang Qingqing continued, "Apart from that? Don't you have any other friends?"""

""There's another one,"an lizi continued, "But he has some special hobbies. Previously, he directly sent his girlfriend to the hospital!"""

"Why?"Zhang Qingqing asked curiously.

An Lizi found it difficult to say it out loud. She leaned over to Zhang Qingqing's ear and whispered.

"Hearing this, Zhang Qingqing frowned and said, "Eh, it's disgusting! This won't do either. Is there anything else?"""

An Lizi shook her head. "The others already have girlfriends!"

"Hearing this, Zhang Qingqing was a little disappointed. She continued, "Then help me keep an eye out. If you meet a single person, you must introduce them to me!"""

"Sure."An Lizi nodded.

“As the two of them walked and talked, they passed by a hot pot restaurant. Zhang Qingqing said, “It’s so cold today. Let’s Go Eat Hot Pot!””

“Okay!” An Lizi nodded.

The two of them walked into the hot pot restaurant and chose a seat by the window.

“This was a relatively high-end hot pot restaurant, so there were not many people eating there.”

“After the two of them sat down, another group of people was brought in by the shop assistant.”

“”Brother Ze, that move you just made was amazing!””

“”Brother Ze, when are you going to bring our sister out to eat together?””

“My sister already has a boyfriend.”

“”If she has a boyfriend, then she has a boyfriend! If she has a boyfriend, then she can’t socialize? Her boyfriend is in charge of the world, so how can he make friends with our sister?””

“That’s right! That’s right!” Fat Tiger and dog two hurriedly nodded.

They didn’t have any other intentions. They just wanted to make friends with their sister.

Could it be that having a boyfriend didn’t even give them this little bit of freedom?

Lin Ze raised his head and looked at Li Wen. “My Sister’s boyfriend is Master Five.”

Master Five?

“Li Wen was stunned for a moment before he continued, “Master Five Cen?””

“Yes.” Lin Ze nodded.

“When he said that, the air went silent for a moment.”

“After a moment, Li Wen raised his head and said very seriously, “Brother Ze, I think you’re right. Since our sister already has a boyfriend, it’s better for her not to get involved with us men!””

Dog two nodded in agreement. “I think so too.”

Fat Tiger nodded as well. “I think so too!”

The waiter brought the group of people to a booth and sat down.

“Li Wen, fat tiger, and dog two took out their tablets and ordered dishes.”

““Brother Ze, do you want to eat shrimp slip?””

Lin Ze nodded. “Yes.”

“At this moment, Lin Ze suddenly saw a familiar figure in the shop and said, “You guys order. I saw my cousin, so I went over to say hello.””

“You go ahead!”

Lin Ze picked up his phone and walked over to say hello.

“Sister Lizi.”

“An Lizi was chatting with Zhang Qingqing when she suddenly heard a familiar voice. She looked up and saw a youth wearing a black hoodie. “Ah Ze, you’re eating hotpot here too?””

“Lin Ze nodded. “I came with my friends. Sister Lizi, are you alone?””

““My friend went to the bathroom,” an lize said.”

“Chapter 1518: 320: amazing, a bet! 5”

““OH.” Lin Ze nodded. “Sister Lizi, I’ll be sitting there. If you need anything, you can call me. I’ll go over first.” ”

““Lizi, I’m Back!” Zhang Qingqing returned to her seat at this time. When she looked up, she saw a handsome face without any flaws. The black hoodie made her already fair skin look even whiter, she had a pair of standard Phoenix eyes and did not smile. She looked a little cold and melancholic. ”

She looked like a three-dimensional youth who had walked out of a manga.

He was even more handsome than their school’s best student!

“Stars were about to appear in Zhang Qingqing’s eyes, but she tried her best to suppress her excitement. “Lizi, who is this handsome man? Aren’t you going to introduce him?” ”

“An Lizi said, “This is my cousin, Lin Ze. Ah Ze, this is my friend, Zhang Qingqing.” ”

Lin Ze nodded at Zhang Qingqing. “Hello.”

"After saying that, Lin Ze turned to look at an Lizi. "Sister Lizi, I'll be going now." "

"Okay."

Zhang Qingqing silently retracted her hand that was about to shake Lin Ze's hand.

"After Lin Ze left, Zhang Qingqing looked at an Lizi and asked, "Lizi, is he a relative of your stepfather's side?" "

"Yes." An Lizi nodded.

"He's so handsome!" Zhang Qingqing continued, "Do you have a girlfriend?" "

An Lizi knew what Zhang Qingqing meant.

"However, she felt that Zhang Qingqing and Lin Ze were not compatible. Moreover, Lin Ze did not have any intention of finding a girlfriend. What if Lin Ze got angry if he rashly set them up? "

"I'm not sure either, but Ah Ze is so good-looking. He must have a girlfriend!" An Lizi said. "

"You're his cousin, and you don't even know?" Zhang Qingqing asked. "

An Lizi shook her head. "We rarely talk about these things."

"Zhang Qingqing rolled her eyes, then, she said, "Then help me ask around. If he doesn't have a girlfriend, help me set him up! If he and I are successful, won't we be relatives then? What do you have to call me? Sister-in-law?" Zhang Qing Qing had already fallen into a beautiful fantasy. "

"She and an Lizi were good friends to begin with. If she and Lin Ze succeed, then she and an Lizi would be even closer! "

"An Lizi nodded. "Alright, I'll find an opportunity to help you ask." "

"Don't look for an opportunity. Let's do it now!"Zhang Qing Qing couldn't wait any longer.

"In this society, it was rare to see a handsome boy with a rich family, especially one as handsome as Lin Ze! "

"An Lizi said with some difficulty, "Isn't it a little inappropriate now? He's with his friends!" "

"The Friends of the rich second generation were definitely the rich second generation. Thinking of this, Zhang Qingqing's eyes lit up. She didn't expect to have such a good opportunity today! "

"Then take me to get to know his friends!"Zhang Qingqing stood up and said.

"This... isn't Good?"An Lizi said.

""What's not good about it?"Zhang Qingqing directly pulled an lizi up. "What era is it now, and you're still so conservative? It's not a big deal to get to know him. As the saying goes, more friends lead to more paths!" "

"Helpless, an Lizi had no choice but to stand up and walk over with Zhang Qingqing. "

"Not long after, the two of them walked to the table. "

"Zhang Qingqing counted. There were four boys in total, including Lin Ze. Although the other three were quite handsome, they were still a little lacking compared to Lin Ze! "

"If Lin Ze was not by their side, then they would also be the kind of handsome guys that were hard to come by! "

“Ah Ze!” An Lizi continued to speak.

Lin Ze looked up. “Sister Lizi!”

“The other three people at the table looked at Lin ze curiously. Li Wen asked, “Brother Ze, are these two your cousins?” ”

“Zhang Qingqing quickly followed up, “No, no, I’m Lin Ze’s cousin’s good friend, Zhang Qingqing. Gong Zhangzhang, Qingtian’s Qing! Nice to meet you!” ”

“Hello!” Li Wen nodded. “I’m Li Wen.”

“Lin Ze then introduced, “This is my cousin, an Lizi. Lizi, these three are my good friends. This is Mozzie, this is fat tiger, and this is Buttface!” ”

“The three of them stood up and greeted an Lizi. “Hello, cousin, I’m Mozzie!” ”

“Fat Tiger!”

“Buttface!”

Zhang Qingqing frowned slightly. What kind of names were these?

Nickname?

It was really ugly to hear.

Was a wealthy family so down-to-earth?

“After introducing each other, Zhang Qingqing continued, “Let’s add each other on wechat! We’ll come out to play together another day!” ”

“Chapter 1519: 320: amazing, a bet! 6”

An Lizi really didn’t expect Zhang Qingqing to pull such a trick.

She directly added wechat!

Just how much she wanted to marry into a rich family!

“Dog two smiled and took out his phone. “Sure, pretty girl, do you want to play chicken?” ”

“I do.”Zhang Qingqing nodded.

“Then we can team up together when you’re free.”

“When she heard that dog two had invited her to team up, Zhang Qingqing was very excited. After adding on wechat, dog two looked at an Lizi. “Cousin, what about you?” ”

An Lizi took out her phone and exchanged wechat messages with dog two.

“Zhang Qingqing looked at Lin Ze. “Handsome Lin, aren’t you going to add on wechat?” ”

Lin Ze took out his phone. “What’s Your Wechat number?”

Zhang Qingqing reported a string of numbers.

“Lin Ze continued, “I’ve added it.” ”

“At the same time, Zhang Qingqing received a friend request. ”

Lin Ze’s profile picture was of a youth wearing a black mask. He looked like an internet hacker. His wechat name was Sky City.

“After adding wechat, an Lizi stood there, feeling a little awkward. She tugged at Zhang Qingqing’s sleeve. “Let’s go back!” ”

“”Okay.” After successfully adding wechat, Zhang Qingqing was satisfied. ”

“An lizi continued, “Ah Ze, let’s go back to the table first.” ”

“Okay.” Lin Ze nodded.

“After the two of them left, dog two said, “Brother Ze, how old is your cousin older than you?” ”

“Lin Ze said, “She’s only older than me by two months.” ”

“No Wonder.” Dog two smiled.

“Li Wen, who was at the side, looked at Lin Ze with ill intentions. “Why? Do you want to be brother Ze’s cousin-in-law?” ”

“Don’t talk nonsense.” Dog two waved Li Wen’s hand away.

“”That young man is sentimental. What’s there to be embarrassed about!” Li Wen continued, “If you don’t have any feelings for your cousin, would you take the initiative to ask someone for Wechat?” ”

“Fat Tiger raised his head and said, “But didn’t dog two add Zhang Qingqing’s wechat first?” ”

“Fool! That’s because the drunkard’s intention is not in the wine!”

“Is That So?” Fat Tiger scratched his head.

“Of course it is!” Li Wen continued, “But that Zhang Qingqing isn’t bad-looking either. Unfortunately, she’s not my type.” ”

Fat Tiger Shrugged. “She’s not my type either!”

“Dog Two looked up at Lin Ze. “Brother Ze, does your cousin have a boyfriend?” ”

Lin Ze put down his phone. “Do you really want to be my cousin’s husband?”

“I’m just asking,” dog two said. ”

“Lin Ze said, “I don’t think so.” ”

No boyfriend...

The corners of dog two’s lips curled up.

“Li Wen cheered from the side. “Come on, dog two. As long as you get your cousin, you’ll be brother Ze’s brother-in-law!” ”

Dog Two didn’t say anything.

“After Zhang Qingqing returned to her seat, her heart was beating very fast. ”

“Although she didn’t know what Lin Ze was thinking, she was sure that buttface must be interested in her. ”

“Zhang Qingqing grabbed an Lizi’s hand. “Lizi, when you go back, you must help me ask Lin Ze if he has a girlfriend!” ”

“”Okay.” An Lizi nodded. “Qingqing, are you done eating? Let’s go after eating! There’s still a movie to watch!” ”

“Zhang Qingqing said, “Ask Lin Ze and the others if they want to go to the movie together. It’ll be more lively with more people.” ”

“”They seem to have other things to do!” An Lizi said, “Just the two of us!” ”

“How do you know that they have other things to do?” Zhang Qingqing took out her phone and sent a wechat message to dog two.

“Dog two quickly replied. Zhang Qingqing said excitedly, “Dog two has already agreed. Lizi, quickly go pay. After paying, we’ll go to the movie together!” ”

An lizi frowned slightly and turned around to pay.

“Just as she was about to pay, a good-looking hand reached out. “Use my card.” ”

“Buttface?” An Lizi looked up at Buttface.

“Buttface smiled and said, “Cousin, this meal is on me!” ”

“”No need.” An lizi continued, “Waiter, Please Use Mine!” ”

"Buttface continued, "Please come back again next time." "

"Alright then! Thank you!" An Lizi was a little embarrassed.

""Of course." Buttface said, "Brother Ze's cousin is our cousin!" "

"As they were talking, Lin Ze and a few others walked over. Zhang Qingqing followed behind them, wanting to talk to Lin Ze. Unfortunately, Lin Ze was a man of few words. Other than talking to fat tiger and Li Wen., he did not respond to Zhang Qingqing at all. "

...

On the other side.

C nation.

At the research base.

"Professor Cara! Professor Cara!" A staff member wearing a radiation-proof isolation suit quickly came over.

Professor Cara put down the glass tube in his hand. "What's the matter?"

"He's agreed! YC has agreed to sign the betting agreement!"

Professor Cara's eyes lit up. "Are you sure?"

"In order to get YC to sign the betting agreement, Country C had held a lot of meetings with the five neighboring countries. In the end, they decided to look for people online to provoke YC. They wanted to

use the method that Chinese people were best at to goad YC. They did not expect this move to be so effective, yC was too young and could not withstand the stimulation. They had agreed to it just like that!

Chapter 1520: 321: Who Was Dad Afraid of? 1

Professor Cara was very excited now.

“He had waited for so long and thought that YC had seen through their plan. Otherwise, YC would not have been afraid to sign the betting agreement until now.”

“In the end, he had overestimated YC. If YC was really that powerful, they would not have agreed!”

“Cara turned to look at her assistant and continued, “Did YC say when they will sign the agreement?””

“The assistant said, “She said that she can do it anytime.””

““Okay, okay, okay!”Dr. Carla nodded and said, “Quickly contact Dr. Orvis and Dr. Tina!””

The assistant nodded. “Okay! I’ll contact them right away!”

The assistant quickly went to contact the other doctors.

“On the other side, five doctors from other countries immediately flew over after hearing about this matter and discussed it with Dr. Carla.”

“In the end, the six doctors worked together to draft the gambling agreement and posted it on the Internet.”

“However, ye Zao did not immediately respond after it was posted on the Internet.”

The doctors from country C were a little anxious.

“Tina asked, “Did YC go back on his word?””

“Dr. Cara narrowed her eyes. “If she says something, it’ll be a waste of time. It Won’t be so easy for her to regret it!””

They had chased out the betting agreement overnight. YC wanted to run away?

No Way!

“For a moment, the international netizens were in a heated discussion.”

[I guess YC wouldn’t dare to sign this betting agreement!]

[it would be strange if she dared to sign it.]

“[I read the agreement very carefully. It means that if YC can’t create an aircraft carrier within two years, C, G, P, Japan, L, and the other six countries will follow the agreement and have the authority to manage the entire CEN research base. In addition, all the assets and companies under YC will belong to the above six countries!]”

“[let alone YC, I wouldn’t even dare to sign it!]”

[didn’t YC promise to sign the bet before? Why aren’t you saying anything now? Are You Afraid?]

“[she’s definitely afraid. Otherwise, why didn’t she make a statement for a long time?]”

“[YC doesn’t even know how to store a nuclear reactor. It’s impossible for her to build an aircraft carrier!]! Now, they even need to use the CEN research base. Even if she wanted to sign the BET, the CEN Research Base’s fifth master wouldn’t let her sign it!]”

“The CEN research base was the largest research base in China, and the forces behind the CEN family were enormous.”

“If ye Zao could not build an aircraft carrier within two years, both the CEN research base and the mysterious forces behind CEN Shaoqing would belong to C Nation and the other five countries!”

This was a huge blow to both the CEN Group and the Chinese Research Community!

“Therefore, this was no longer a matter for ye Zao alone.”

This was a matter that concerned the entire CEN base.

“As long as Cen Shaoqing was not stupid, he would not allow a woman to control him.”

Who said that our Father Ye is afraid? Our Father Ye is not afraid

“Father Ye, Father Ye, we will always support you”

“[father, you can do it!]”

“[I believe in YC, father. Your sons will always be your strongest support.]”

Those who supported ye Zao were naturally members of the NIU Hulu family.

“At present, the large group of members of the NIU Hulu family already numbered in the tens of thousands. These people were all well-known in the scientific research world.”

“Although ye Zao’s aircraft carrier plan seemed somewhat unrealistic, after all, hundreds of countries around the world had joined forces to not create an aircraft carrier.”

But Ye Zao’s existence itself was a BUG!

She had created a lot of impossibilities for China’s scientific research!

“As people who had watched ye Zao’s rise from an unknown junior in the scientific and technological world to an irreplaceable dark horse, they firmly believed that this time, ye Zao would definitely be the same as before, bringing them a miracle!”

This group of cute scientific researchers was different from ordinary star chasers.

Fans chased their idols and hobbies.

“But to them, YC was the rise of an era, the symbol of an era, light, and even more so, faith!”

YC was an unsurpassable role model in this era.

“[stop washing the brainless fans of YC. It’s so disgusting, they’re almost turning the scientific research world into a food circle.]”

[I really have to give it to them. Did YC feed them ecstasy? They’re so loyal to YC. It’s like they’re crazy.]

[I don’t think YC should stay in the research industry. She should go to the entertainment industry.]

“[I remember that she once participated in a variety show in China. It was quite popular at that time. But later, for some reason, the program team suddenly cut all of her scenes. I can’t find any news about her on the Internet.]”
