Chapter 1531: 321: a big gamble! 6

The current Zhang Qingqing was in a dilemma.

One step forward was not enough.

One step back was not enough.

“At this moment, a thought flashed through Zhang Qingqing’s mind, and she quickly grabbed it.”

If...

“If this child was Lin Ze, then would she be able to openly enter the Lin Family?”

Wasn’t there a saying that a mother’s value depended on her child?

“She was already pregnant with a descendant of the Lin family, and those people still dared to neglect her?”

“Thinking of this, Zhang Qingqing narrowed her eyes.”

Whether or not she could successfully marry into the Lin family depended on this gamble.

This life was originally a gamble!

“However, if Lin Ze wanted to think that this child was his, he still had to wait for an opportunity.”

...

On the other side.

Dr. Cara and the other five research doctorates as well as the staff of the International Notary Office came to Beijing with the betting agreement.

“Although they had already signed the electronic version of the agreement, the agreement was still in effect. They had to bring the staff of the notary office to sign the paper agreement in person.”

“”Dr. Cara, do you think YC will renege on the agreement?”Orvis was a little nervous. After all, the betting agreement in their hands would do no good to YC!”

“She has already signed the electronic version of the agreement. Is it that easy to go back on your word?”Dr. Cara said.

“Orvis frowned and continued, “But you also know that the Chinese have never kept their word.””

“Although he had never worked with the Chinese before, from his understanding of film and television, he knew that the Chinese loved to go back on their word.”

“YC is in a tough spot this time!”Dr. Cara said.

“If YC was a newcomer, they could still go back on their word. But YC was not. Not only was it not, but she had personally drafted this agreement. Unless she did not want to be in the technology industry anymore, she would not regret it!”

Orvis nodded and did not say anything else.

Cara looked at her assistant. “Where did you meet with YC?”

“Dynasty Hotel,” her assistant replied.”

“Okay.” Cara nodded.

“Soon, they arrived at Dynasty Hotel.”

Cara asked her assistant to go to the front desk and wait by her side.

“Her assistant had never been to China before, so she naturally couldn’t speak Chinese. Just as she was in a dilemma, the front desk staff spoke in fluent English, “Sir, is there anything I can help you with?””

He did not expect a small front desk staff to speak English. The assistant was a little surprised. It seemed that China was not quite what he had imagined. After he told them about his problem.

“The front desk staff said enthusiastically, “You are guests of Dr. YC, right? Please follow me!””

The assistant jogged over and called for Dr. Cara and the others.

The group of seven followed the footsteps of the front desk staff.

The elevator went straight to the top-floor conference room.

“Please Wait a moment, Dr. YC is on his way.””

“Okay.”

“Seeing that a waiter could speak English so well, Cara also raised her head and looked at him.”

It seemed that China was really not the same as before.

“Actually, on the way here, Dr. Cara was quite shocked.”

“About 30 years ago, he had come to China. At that time, China could not be compared to the current China.”

“Dirty, messy, broken!”

“Therefore, his impression of China had remained at 30 years ago. He did not expect that the current China had undergone such a drastic change.”

“If he had not seen it with his own eyes, he would not have believed it.”

“At this moment, there was a knock on the door.”

The assistant walked over to open the door.

“The moment the door was opened, a slender figure walked in from outside.”

“The girl looked young. She wore white clothes and black pants, and her eyes were clear. She did not look old, at most 18 or 19 years old.”

This was YC?

“Although Dr. Cara and the others had seen ye Zao on the video, the video was still a video after all. Now, there was beauty and filtering. Before this, they had all thought that it was the effect of beauty and filtering. Who would have thought that YC’s real age.., was even younger than it looked on the video!”

Chapter 1532: 322: extremely handsome! 1

Young.

Too Young.

Dr. Cara looked at her with a complicated expression.

The most famous Doctor of Science in the world was an Indian named elbu.

“Elbu became famous at the age of 25. At the age of 30, he became the youngest Doctor of Science in the history of scientific research!”

“After that, no one could surpass elbu.”

“After all, the child now had not graduated from a doctor at the age of 30!”

The girl in front of him was so young that Dr. Cara even suspected that there was something wrong with the previous science and technology competition.

The people behind Cara were also a little surprised.

“Firstly, they did not expect ye Zao to be so young. Secondly, they did not expect ye Zao to really dare to come.”

Ye Zao did not appear for a long time. They thought that ye Zao was going to chicken out.

They did not expect ye Zao to come.

“While they were thinking, the girl walked in front of the crowd. She was graceful and elegant. Her movements were elegant and pleasing to the eyes.”

“Hello, Dr. Cara. I am YC.” Ye Zao took the initiative to reach out his hand to Dr. Cara. ”

“Dr. Cara finally reacted and continued, “I am Cara. This is Dr. Tina and Dr. Orvis. These two are the office staff of the International Notary Office.” ”

“Hello.”

The others nodded to ye Zao with a smile.

“Dr. Cara looked at ye Zao and continued, “Dr. YC, you’re late. We thought you were going to chicken out.” ”

“A man of his word is hard to keep. Since it’s already an agreement, why would I chicken out? You’re worrying too much!” Ye Zao smiled faintly and continued, “Besides, we Chinese are the most honest people.” ”

“Although the people standing in front of her were all famous technology bigwigs from various countries, ye Zao did not have the slightest cowardice on his face. Instead, he exuded a sense of confidence from his bones, and his back was very straight. It even gave Kara the illusion that the person in front of her was not a young girl at all, but an elder who had gone through a thousand sails! ”

“Cara had seen many people in her life, but this was the first time she had seen someone like ye Zao. ”

She was too calm and too confident. It was hard to believe that she was just a young lady.

Dr. Cara smiled and nodded. “Dr. YC is right.”

“Ye Zao walked to the conference table, displaying the demeanor of a big country. “Everyone, please take a seat. I believe that everyone has already seen the new agreement. If you feel that there is no problem, you can just sign it.” ”

Dr. Cara and the others looked at each other before sitting down on both sides of the conference table.

““We’ve already signed the agreement.”Dr. Cara handed the agreement to ye Zhuo. “Now, we’re just waiting for your signature.” ”

Ye Zhuo took the agreement.

The gambling agreement was in triplicate.

“She kept one copy. Dr. Cara and the other doctors from five other countries kept one copy. Then, the international notary office kept one copy. ”

“Ye Zhuo read ten lines at a glance. After confirming that there were no problems, he signed all three agreements and handed the agreement to Dr. Cara. ”

“Dr. Cara looked at the signature in black and white, and a faint smile appeared on the corner of his mouth. ”

He could finally put down his heart that had been waiting for so long.

“Next, he just had to wait for the two-year agreement! ”

“Two years later, the management rights of the CEN’s scientific research base in China would belong to them! ”

“Two staff members of the International Notary Office stood up, “Dr. YC, in order to avoid conflicts and disputes in the future, we may need you to cooperate with us to make a video recording. If you have no objections, sign this document.”After saying that, the staff member handed a document to Ye Zhuo. ”

“The cross-border betting agreement was not a small matter. It had to be strict and rigorous. If ye Zhuo were to go back on her word after two years, with this evidence, would she still have any room for regret? Doing so was equivalent to cutting off all of ye Zao’s options of retreat! She had no room for retreat!”

Ye Zao took the document and signed his name on it.

The staff took the camera and started recording.

A total of ten minutes of recording.

“After recording, the entire signing process was completed.”

“Ye Zao kept the agreement and continued, “Dr. Cara, is this your first time in China?” ”

“Professor Cara shook his head and said with a smile, “I came here once thirty years ago. I was only ten years old at that time.”In the blink of an eye, he was already forty years old!”

“Ye Zhuo nodded slightly and maintained a polite smile on his face, then, he said, “Thirty Years is neither short nor long. I don’t know if professor Cara has noticed, but in just thirty years, there has been a qualitative change in China. “How about this? I’ll be the host. I’ll take you around the capital and try some of the local delicacies of China.” ”

Chapter 1533: 322: incomparably handsome! 2

China had always been a country of etiquette since ancient times.

“No matter what purpose Dr. Cara and the others had, they were all guests who had come from afar. She should treat them well and bring them to appreciate the local customs of China.”

“Dr. Cara said, “Will it be too troublesome for Dr. YC?” ”

““It’s no trouble.”Ye Zhuo made a ‘please’ gesture. “Everyone, follow me.” ”

The group of people followed ye Zao’s footsteps.

There was already an extended Lincoln waiting outside the door.

Ye Zao and a few professors sat in the back seat.

The car drove quickly.

“Professor Cara asked curiously, “I wonder where Professor YC is taking us?” ”

“Ye Zao said, “There’s an old saying in China, ‘a man is not a man until he reaches the Great Wall’. I’ll take you to the Great Wall to have a look first. It snowed a few days ago, and the scenery on the Great Wall is very good now.” ”

““Good!”Hearing that, Kara said with some excitement, “Is it the Great Wall, one of the Seven Wonders of the World?” ”

“Yes.”Ye Zao nodded slightly.

“Hearing that, Dr. Tina, who was beside him, immediately said, “I saw the Great Wall on TV! The Great Wall is one of the greatest buildings in the world, magnificent and magnificent!” ”

“Ye Zao continued, “The TV can only show a corner of the Great Wall. Only by standing on the Great Wall in person can one truly experience the wisdom of the Ancients and the majesty of the Great Wall!” ”

“How much longer do we have?” Dr. Tina could not wait any longer.

Ye Zao looked at his phone. “About 15 minutes more.”

Dr. Tina nodded.

“The car was quite fast. After 15 minutes, the car stopped in the parking lot. ”

Ye Zao got out of the car first.

“Led by Dr. Cara, everyone got out of the car. ”

“Is this the Great Wall?” Orvis asked.

“”This is the parking lot, and we still have to walk some distance to the entrance of the Great Wall.” Ye Zao continued, “Everyone, come with me.” ”

The few of them followed ye Zao’s footsteps.

“As Ye Zao walked, he told everyone about the history of China, about the first emperor, and about the allusion to the Great Wall. ”

“After listening to ye Zao’s introduction, Jamila, who had been silent all this time, said, “I know about this first emperor of Qin. He is a famous tyrant in the history of your country!” ”

It was said that Qin Shihuang was a tyrant of a generation.

He had fallen to his death and killed two younger brothers of the same mother but different fathers. He burned books and scammed scholars. He had laboriously built the Great Wall!

“However, Ye Zhuo did not think so. Although she was born in an era with advanced technology, she had seriously understood Qin shihuang. She believed that the descendants had a great misunderstanding of Qin shihuang.”

Almost everyone would think of two words whenever Qin Shihuang was mentioned.

Tyrant!

“Ye Zao said calmly and smiled, “In fact, the real Shi Huang is not a tyrant, but an emperor. Without Shi Huang, our China would not be what it is today.” ”

“Jamila looked at ye Zao with confusion, “Although I don’t know much about the history of your China, I know a little about Shi Huang’s atrocities, such as killing the younger brother of a mother and burying the scholars alive, including the construction of the Great Wall.” ”

“In the ancient times where there was nothing, it was easy to imagine how much it would cost to build a great wall of ten thousand miles! ”

“After saying that, Jamila continued, “I also heard that there were white bones buried under the Great Wall. The actions of the first emperor of Qin had separated many families and destroyed them!” ”

“Ye Zhuo continued, “If the first emperor had not unified the six countries and unified the characters, our country would have been in a state of disunity, just like Europe now! From the fact that the books are the same language, the cars are on the same track, and the paths are the same, it can be seen that this is not the pattern of an ordinary person!” ”

Jamila was stunned for a moment.

“He did not understand anything else, but when it came to the disunity of Europe, he could empathize with it. ”

“In other words, it was because of the absence of a figure like Qin shihuang that Europe had developed into the situation it was in today? ”

“Not only was Jamila stunned, but the others were also stunned.”

“Then how do you explain the death of his younger brother, burning books to burn scholars, and building the Great Wall?” Jamila asked in return.

Ye Zhuo explained, “The death of his younger brother was because the empress dowager at that time, who was also the emperor’s biological mother, Zhao Ji, had an affair with the imperial attendant. She also gave birth to two illegitimate children and attempted to usurp the throne! “From the perspective of modern people, the methods used were indeed very cruel. However, that was ancient times after all. From the perspective of the first emperor, it was reasonable! “As for burning books and scamming scholars, there were other insider information. It was recorded in the historical records that at that time, burning books and scamming scholars had killed less than a hundred people. Moreover, most of these people were charlatans! “The burning of books was also because of the corrupt scholars’ malicious words! “But because of this incident, it was written up by the later scholars and exaggerated the facts. It was spread among the people of the six kingdoms. After all, the first emperor unified the six kingdoms. “He unified the six kingdoms. The people of the six kingdoms felt that they had become slaves of the conquered kingdoms, so they naturally didn’t have a good impression of him.” ”

Chapter 1534: 322: extremely handsome! 3

“At this point, Ye Zhuo paused for a moment, he then continued, “After the first emperor unified the six kingdoms, he created the imperial system, centralized power, county system, unified measurement and balance system, currency, ideology, the same way of doing things, the same way of doing things, building straight roads, the Great Wall, channels, conquering the north, attacking the Xiongnu in the north, and opening up the southwest of the northern border! “Building the Great Wall was also for the safety of the lives and property of the people at the northern border!” ”

“The first emperor did more than that. Most Ancient Emperors liked to bury living people with them, but the mausoleum of the first emperor of Qin replaced them with a large number of terracotta warriors. ”

“If the first emperor was really a tyrant, he would not have made terracotta warriors. He would have just used living people! ”

But the first emperor did not!

Ye Zao spoke fluent English. Every word and sentence was clear and easy to understand.

“Jamila looked at ye Zao, she sighed, “So I’ve misunderstood the first emperor for so many years! “Before this, I always thought that the first emperor was a great tyrant. It turns out that he did so many good things for the country and the people. “Dr. YC, your understanding of Chinese history is too thorough!” ”

Ye Zao smiled faintly. “Because I’m Chinese!”

“Although ye Zao was Chinese, Jamila still felt that ye Zao was amazing. After all, not every Chinese could understand this part of history so thoroughly. ”

“Very soon, they reached the entrance of the Great Wall. ”

“Although it was winter, there were quite a number of tourists on the Great Wall. ”

“Although it was not ye Zao’s first time on the Great Wall, he could not help but sigh every time. ”

The Ancients were really amazing!

“It was winter. Standing on the Great Wall and looking down, there was snow everywhere. The whole world looked like it was covered in snow. It was extremely beautiful! ”

Dr. Cara and the others were even more shocked. They kept taking pictures with their phones.

“Ye Zao walked over and said, “Let me help you take a group photo?” ”

“Sure!” Dr. Cara nodded. “Dr. YC, I’ll have to Trouble You Then!” ”

“No problem.” Ye Zhuo took the phone from Cara and helped them take a photo.

“After taking the photo, they continued to walk forward. ”

“What’s that outfit? It’s so beautiful!” Tina covered her mouth with her hands and said in surprise.

Ye Zhuo looked up and saw a young woman in the Empress uniform of the Qing dynasty walking toward them.

The woman had a dignified temperament. Her eyebrows were mottled and her face was covered with dignified makeup. She looked like a harem queen on TV.

“Ye Zhuo explained, “This is the Empress’s crown dress from the Qing dynasty.” ”

“Is it something that only the empress can wear?” Tina asked.

“In ancient times, only the empress could wear it, but now it’s different!” ”

“Tina quickly asked, “So you can wear it whenever you want now?” ”

“Yes.” Ye Zhuo nodded slightly.

“It’s so beautiful, I like it so much!” ”

“Ye Zao smiled and said, “You can try it if you have the chance.” ”

“Okay.” Tina nodded.

“At this moment, a commotion came from the crowd.”

“Catch the thief! Catch the Thief!”

“Then, a black shadow flashed past ye Zao with a whoosh.”

“Before the crowd could react, the black shadow had already disappeared in front of them.”

“Ye Zao looked ahead and narrowed his eyes. He turned his head to look at Tina. “Dr. Tina, please lend me the book in Your Hand.” ”

“Tina had just bought this book at the foot of the Great Wall. It was about the Great Wall, and because it was an English-chinese translation, it was thicker.”

“Tina handed the book to Ye Zao, but before she could react, ye Zao threw the book in his hand forward.”

Bang!

“It seemed to be a casual movement, but it accurately hit the black shadow in front of him, and the Black Shadow was directly smashed to the ground.”

Ye Zao took a step forward and ran over.

The Black Shadow on the ground also reacted at this time. It quickly got up and ran forward.

“Stop!”

“Ye Zao caught up with the Black Shadow. First, he used a backspin kick, and then he used a grappling hand to catch the Black Shadow.”

“From the back, the posture was indescribably handsome.”

The crowd on the Great Wall turned to look at the Prime Minister.

““Let go of me! Let Go of me!”The black shadow kept struggling, the man who stole seemed to be in his thirties. He was dressed like a dog, but from his looks and clothes, it was impossible to tell that he would do such a thing.”

““Catch the Thief!”At this moment, the young woman who shouted ‘catch the thief’also caught up. She panted and thanked ye Zao, “Thank, thank you! Missy, you are really amazing!” ”

Chapter 1535: 322: extremely handsome! 4

“Then, the young woman kicked the thief’s calf and said fiercely, “Give me back my wallet! Run! Run! Why Don’t You Run!” ”

““I didn’t steal her wallet!”The thief looked at ye Zao, “Let Go of me quickly! Otherwise, I’ll call the Police!” ”

“Ye Zao held the thief’s wrist with one hand and took out his phone with the other. His tone was very calm, “No need to trouble you, I’ll do it myself.” ”

The thief was on the verge of tears.

“He had been in the industry for three to four years and with his swift movements, he had never failed before. He had never expected that he would be caught by a little girl this time.”

Back.

He was really unlucky!

“Don't! Don't! Big Sister, Great Aunt, please spare me this time! The item is in my pocket! It's almost new year. I beg you to be merciful and let me off. Please don't call the Police!”

Ye Zhuo looked at the young woman. “See if the things are in his pocket.”

The young woman nodded and indeed took out a wallet from his pocket. She opened the wallet and heaved a sigh of relief. “It's Alright! The things are all here!”

“At this moment, the surrounding crowd ran over with two policemen. “Officers, this is the person who stole the things!” ”

“When the two police officers heard that someone had caught the thief, they thought that the person was a tall and sturdy boy. They did not expect that the person was actually a little girl. They were a little surprised. ”

“Little comrade, thank you so much!” ”

Ye Zhuo handed the person over to the police officer. “It's my duty to see injustice on the road.”

Ye Zhuo just caught the thief in passing and did not need to go back to make a statement. The young woman was the victim and needed to go to the police station with him.

“Looking at the back view of the thief being taken away by the police, Cara walked to ye Zhuo's side and said with some excitement, “Dr. YC, are those moves of yours the legendary Chinese kungfu?” ”

“In the past, he had often seen Chinese kungfu on television and thought that Chinese kungfu was just a fantasy of Chinese people. He did not expect to see the real Chinese kungfu today! ”

It was simply too shocking.

Ye Zhuo nodded slightly. "Yes. This is Chinese kungfu!"

"Dr. YC, you are really amazing!" Kara gave ye Zhuo a thumbs up. "

The people behind Kara also nodded.

"It should be said that Chinese kungfu is amazing," ye Zhuo said. "

"After touring the Great Wall, ye Zhuo brought everyone to the theater to listen to Beijing Opera. He thought that they would not like the babbling Beijing opera, but they did not expect that they would listen with great interest and were very engrossed in it. "

"After watching the Beijing opera, Ye Zao brought everyone to eat. "

"For foreign friends, what was the most shocking thing to eat? "

"Of course, it had to be the Manchu-han banquet! "

"The restaurant was located in the most prosperous area of the capital. The waiters in the restaurant were all dressed in court attire. The business of this restaurant was very hot, and they needed to make an appointment half a month in advance. However, ye Zao had their platinum members, therefore, there was no need to make an appointment. "

"Ye Zao stood at the table and introduced the origins of the Manchu-han banquet to everyone, "The Manchu-han banquet is a royal feast during the Qing dynasty. It combines the characteristics of the palace dishes and also has the essence of the local flavor. It highlights the special flavor of Manchu and Han dishes. It is also a treasure and the highest realm of the Chinese cuisine!" "

"Because they had informed everyone beforehand, each dish had very little portion, so they were not afraid that they would not be able to finish it. "

“The small bowl in front of everyone is the dish with the most ingredients in the Manchu-han banquet. There are more than a dozen ingredients used. Not only is it rich in nutrients, but it also tastes very good. Everyone, try it.”

“Hearing this, everyone looked at each other and then picked up the spoon and ate a mouthful at the same time.”

“The food in foreign countries was exquisite and light. It was very different from the food in China. Everyone thought that they would not be used to eating Buddha jumps over the wall, but they did not expect that after one mouthful, they would be very surprised.”

The taste and texture were simply superb!

“It’s really delicious!” Jamila exclaimed.

The others nodded as well. “I’ve never eaten such delicious food!”

Ye Zao continued, “This is just the appetizer. The main event is still to come.”

“The guests and hosts enjoyed the meal. Kara and the others originally had many opinions about China and thought that China was a barbarian country, but now, they had no opinions at all!”

“Before leaving, Cara said to Ye Zao, “Dr. YC, you are welcome to visit China anytime. I will definitely do my best to host you.””

“Okay.” Ye Zao nodded slightly. “I wish you all a safe journey.”

“Thank you.”

“Looking at Ye Zao’s back, Dr. Cara sighed, “This YC is a little different from what I imagined.””

Chapter 1536: 322: extremely handsome! 5

“It’s really different.” Muse nodded.

“Tina frowned. “Kara, Muse, don’t tell me you guys don’t want to sign the betting agreement with YC?” ”

“”How can that be!” Dr. Kara chuckled. “One thing is another. I really admire YC, but that’s just admiration. As for the betting agreement, I must do it!” ”

Who did not want to make their country stronger?

“As long as they had the authority to manage the research base in China, the status of country C among the many countries would be more stable! ”

Gamira narrowed her eyes. “The Chinese are good at scheming. I suspect that YC set us up for today’s matter.”

“Set up?” Ovis did not understand what Gamira meant. “What do you mean?”

“Gamira explained, “Let me ask you, do you all have a good impression of YC now, to the point that you don’t even have the heart to fulfill the bet agreement?” ”

“Other than Cara who did not nod, everyone else hurriedly nodded. ”

“”So, this is a trap!” Gamira continued, “YC is too sinister, I advise everyone to stay away from her.” ”

Why did YC sign the bet so readily?

It was because the whole internet was aware of it and they could not step down.

“They could not step down, and they could not bear the responsibility. They could only grit their teeth and sign the agreement. Then, they used a ploy to delude themselves into becoming friends with them. They were trying to turn a big issue into a small one, and a small one into nothing.”

Did she really think that everyone else was a fool?

Little did she know that he had long seen through her little schemes.

“Muse nodded. “Gamira’s analysis is right. In short, we must all work together and stand firm no matter what happens!” ”

““Yes, we know.”The few of them nodded. ”

“On this side, Ye Zhuo had just walked out of the airport hotel when his phone rang. ”

Ye Zhuo picked up the phone. “Hello.”

““Leader, are you done?”A low voice came from the other end of the phone. ”

“I just sent Dr. Cara and the others away.”Ye Zao looked at the surrounding lights.

“Where are they now?”Cen Shaoqing continued to ask.

“Ye Zao continued, “They’re at the airport hotel.” ”

“Give me ten minutes.”

“Before ye Zao could answer, the other end of the phone hung up. ”

Ye Zao couldn't help but laugh.

“At this moment, the driver brought the car over. “Miss.” ”

“Ye Zao looked up slightly. “Uncle Wang, you can go back first.” ”

““What About You?” Uncle Wang said worriedly, “It's already very late!” ”

Ye Zao had brought Professor Cara and the others out for an entire day. It was already eleven o'clock at night.

“It's alright. Cen Shaoqing will come and pick me up soon.”

Uncle Wang opened the door and got out of the car. “Then I'll wait here with you.”

““It's okay, uncle Wang. You should go back quickly!” ”

Uncle Wang was a very responsible person. He was determined to wait for Cen Shaoqing with Ye Zhuo.

“Helpless, Ye Zhuo could only agree to wait with uncle Wang. ”

“At eleven o'clock at night, there were no more cars on the road. ”

Boom Boom Boom —

“The rumbling sound of a bicycle engine could be heard from the roadside. Then, a cool blue sports car appeared in everyone’s sight.”

It was extremely fast.

“After a beautiful tailspin, the sports car stopped beside ye Zao.”

“Cen Shaoqing was a very quiet person. Other than the time when he raced with Ye Zao in Yun Jing, he rarely drove a car like this. He also rarely drove a sports car, even though Cen Shaoqing was still the same as before, dressed in a long robe and holding a Buddhist bead in his hand, ye Zao saw a different person.”

A wild and unruly him.

The car door opened automatically.

“Cen Shaoqing looked back slightly. “Leader, get in the car.” ”

““Okay.”Ye Zhuo leaned into the car and looked at Uncle Wang. “Uncle Wang, you should go back quickly.” ”

““Yes, Miss!”Uncle Wang nodded. ”

“Seeing the sports car disappear at the end of the road, uncle Wang drove back. ”

Buddhist music was playing in the sports car.

“Cen Shaoqing looked back slightly. “Leader, let me change a song for you.” ”

““No need,”ye Zhuo said calmly. “It’s good to purify the soul.” ”

“Cen Shaoqing’s thin lips curved slightly, and the corners of his mouth curved slightly. “By the way, Grandma’s sweet soup is in the incubator.” ”

The Grandma Cen Shaoqing was referring to was naturally ye Langhua.

“You went to my Grandma’s Place?”Ye Zhuo asked.

Cen Shaoqing nodded slightly.

“Ye Zhuo took out the sweet soup and said, “Speaking of which, I haven’t seen my grandmother for a long time.”Ever since he met ye Shu and her mother, ye Langhua and ye Shu stayed together for half a year. In the following days, ye Langhua returned to the small half month and reopened the small half month. He would return about once every two to three weeks. When he was free, he would go to a nearby temple to burn incense. ”

“In the past, ye Langhua never believed in these things. Ever since she found ye Shu, she began to believe in them. ”

“Then let’s Go Tomorrow?”Cen Shaoqing looked at Ye Zao.

“Sure.”Ye Zao nodded slightly.

...

On the other side.

Zhang Qingqing pushed open the hotel door. She didn’t even take off her clothes. She just laid on the bed and let out a long sigh.

What should I do!

What should I do now?

“Although an Lizi had invited Lin ze out today, Lin Ze didn’t even look at her. ”

“Lin Ze didn’t take the water that she handed him. When she talked to him, Lin Ze also chose to ignore her... ”

“In short, in Lin Ze’s eyes, she was like an invisible person, even more invisible than air. ”

“As she counted the days, she couldn’t wait any longer. ”

“If she waited any longer, her stomach would swell. ”

“Ah!”Zhang Qingqing screamed.

“At this moment, Zhang Qingqing suddenly thought of a solution. ”

“Perhaps, she could use this method to take a gamble! ”

Three days later.

Today was Zhang Qingqing’s birthday.

An Lizi naturally wouldn’t miss her birthday.

“From their interactions that day, Zhang Qingqing could tell that the person buttface liked wasn’t her at all, but an Lizi. ”

“Therefore, as long as an Lizi appeared, dog two would definitely be there. ”

“If dog two was there, Lin Ze and the others would definitely appear as well. ”

“Early in the morning, an Lizi came to see Zhang Qingqing with a gift. “Qingqing, Happy Birthday.” ”

“Thank you.”Zhang Qingqing accepted the flowers and gift with both hands.

An Lizi had prepared a scarf.

“It was a semi-luxury item and cost 1,200 yuan. During the discount season, it only cost 950 yuan. ”

“Seeing this gift, Zhang Qingqing was a little angry. ”

Who was an Lizi looking down on.

“The Lin family was so rich, yet she only gave her a small shabby scarf. ”

She had thought that an Lizi would at least give her a six-figure handbag.

It turned out that she was thinking too much.

What was she to an Lizi?

Where was the beggar?

“Although she was very angry, Zhang Qingqing tried her best to hold it in. She smiled and said, “Thank you, Lizi. In this strange city, only you can remember my birthday.” ”

““We grew up together. We’ve been friends for so many years. It’s too polite to say thank you,” an Lizi said. ”

““Thank you.” Zhang Qingqing squeezed out two drops of crocodile tears, then she said, “Lizi, I still have some things to do during the day. Let’s go out tonight and sing. Call some of your friends. It’ll be more lively with more people. As you know, I don’t have many friends in the capital!” ”

““Okay.” An Lizi nodded. “Then I’ll arrange the KTV. When I’m done, I’ll send you the address.” ”

“Okay.”

“After leaving Zhang Qingqing’s side, an Lizi went to arrange the hotel. She was prepared to personally arrange it, so that Zhang Qingqing could feel the warmth of home in this foreign land. ”

“Chapter 1537: 323: activate the masochism, the black-bellied CEN is no match for fifth Master Cen! 1”

“Zhang Qingqing stood upstairs and watched an Lizi’s departing figure, her eyes filled with pride. ”

So what if an Lizi was a young miss of a wealthy family?

She still played an Lizi like a fool!

“A country bumpkin was a country bumpkin. Even if she was plated with a layer of gold, an Lizi would not become a true young miss of a wealthy family. ”

She was the only one who was truly suitable for a wealthy family.

“After tonight, she would be the young mistress of the Lin family, an Lizi’s sister-in-law. ”

“Thinking of this, the corners of Zhang Qingqing’s mouth curled up into a proud smile.”

“Next, she only needed to prepare everything.”

“Thinking of the scene tonight, Zhang Qingqing decided to put on some makeup. After thinking for a while, she felt that putting on makeup would not be good for the child in her stomach. She searched the internet and found that there were people selling cosmetics for pregnant women. She immediately went downstairs to buy cosmetics.”

On the other side.

Ye Zhuo and Cen Shaoqing went to visit ye Langhua for half a month.

“The current ye Langhua looked radiant and energetic. She looked more than ten years younger. It was as if she was a different person. If it was an old friend who had not seen her for a few years, she really would not dare to admit it!”

“Seeing Cen Shaoqing and Ye Zhuo, ye Langhua thought that she had seen wrongly. She quickly stood up and walked to the two of them. Only then did she dare to confirm that she had not seen wrongly, “Zhuozhuo, Shaoqing! Why are you here? I thought I had seen wrongly just now!””

“Grandma.”Cen Shaoqing called out politely.

“Ye Zhuo smiled and said, “Is grandma not welcoming us?””

““This child, how can Grandma Not Welcome You! Come in, come in! It’s too cold outside!””

“Ye Zhuo ridiculed, “I thought Grandma did not welcome us!””

““Grandma can’t wait for you to come every day,”ye Langhua said. “What I mean is that if you had informed me in advance, I would have prepared a lot of food! “Don’t you like jujube cake the most, Zhuo

Zhuo? "Jujube cake needs to be made in advance! "If you had told me earlier, you would have eaten jujube cake now!" "

Ye Zhuo held ye Langhua's arm. "Then I will definitely tell you in advance when I come next time."

""Okay."Ye langhua nodded and continued, "What do you want to eat, Zhuo Zhuo? Grandma will cook it for You Now!" "

"I like to eat whatever Grandma Cooks."

"Hearing this, Ye Langhua was overjoyed. "What about Shaoqing?" "

"Just as Cen Shaoqing was about to say 'me too', Ye Zhuo said with a smile, "Grandma, don't you know him well? Just prepare more grass for him!" "

"Ye Langhua said with a smile, "You child, Shaoqing is no longer a monk, how can he still eat grass!" "

Cen Shaoqing:" ..."he said as if he had really been a monk before.

"After saying that, ye langhua continued to ask, "Shaoqing, what do you want to eat?" "

Cen Shaoqing twirled the Buddhist beads and glanced at ye Zao faintly. "I'll just eat the same as Zao Zao."

""Alright, I'll go prepare the dishes. You two sit in the house for a while." "

"Ye Zhuo followed ye Langhua's footsteps. "Grandma, I'll go help you." "

""No need, no need."Ye Langhua pushed ye Zhuo out. "Little du is here. She can help me. The smell is too strong in there!" "

“Alright then!”Ye Zhuo continued, “If you need help, just let me know.” ”

“Okay.”Ye Langhua nodded and walked inside.

“Ye Langhua went to the kitchen while ye Zhuo walked into the house. Cen Shaoqing followed her footsteps and said, “Leader.” ”

“Okay?”Ye Zhuo looked back slightly.

“I have something to tell you.”Cen Shaoqing walked to her side.

“Speak.”

“Cen Shaoqing was tall and had long legs. He was almost 1.91 meters tall. Ye Zhuo was 1.73 meters tall, which was considered quite tall among the girls. However, in front of Cen Shaoqing, he still felt a huge pressure, why was a man so tall? ”

“Cen Shaoqing bent his body slightly and pressed his thin lips against ye Zao’s ear. He said in a low voice, “I’m not a monk. I eat meat and drink wine.” ”

“The warm breath blew into his ear and itched a little. Even after spending so much time with Cen Shaoqing, ye Zao could not help but feel his heart beat faster. “So be it. Why are you telling me this?” ”

“Cen Shaoqing’s thin lips curved into an extremely faint arc. “Also, my waist is especially good.” ”

“His voice was somewhat hoarse, and his pair of deep phoenix eyes were like ink. ”

An especially good waist?

Was there anything worth showing off?

“Ye Zao raised his eyebrows slightly, and spoke as if her waist was not good. “My waist is also very good!” ”

“Hearing this, Cen Shaoqing sized her up, and his gaze finally fell on her waist. ”

“Today, Ye Zao was wearing a black cheongsam with a burgundy woolen coat over it. Now that the coat had been removed, only a black cheongsam was left. Cheongsam was a very picky type of clothing, the smooth lines outlined the slender waist that could be grasped easily, as if it would snap at any moment. ”

“Chapter 1538: 323: activate the Masochist, the black-bellied fifth master Cen! 2”

““You can’t do it,”Cen Shaoqing continued. ”

“Why?”Ye Zhuo asked.

“Cen Shaoqing looked around and finally said in a low voice, “It’s too thin, it’s easy to break.” ”

Ye Zhuo’s face was full of black question marks.

“She vaguely felt that there was something wrong with this sentence, but she could not figure out what exactly was wrong. ”

“Cen Shaoqing chuckled and raised his hand to Pat ye Zao’s head. “Silly girl, let’s go in.” ”

Ye Zao pinched Cen Shaoqing’s waist discontentedly.

“Hiss...”Cen Shaoqing sucked in a breath of cold air. “Ancestor, be gentle!” ”

“Isn’t your waist good?”Ye Zao smiled and said, “Good and afraid of Pain?” ”

“Even a good waist can’t withstand your torment.”Cen Shaoqing’s tone was light, but his eyes were full of indulgence. “Tell me, how many times do you pinch me in a day?” ”

Ye Zhuo raised his eyebrows slightly. “You make it sound like I have a tendency to be violent.”

“It’s me who has a tendency to be abused,”Cen Shaoqing said. ”

Ye Zhuo laughed softly.

Cen Shaoqing’s EQ was simply TOO HIGH!

Such a man had actually been single for more than thirty years!

“Ye Zhuo continued, “Why did you want to be a monk in the past?” ”

“Cen Shaoqing twirled the Buddhist beads, “Perhaps you feel that life is meaningless. You feel that people should not live for the sake of reproduction. If the ultimate goal of life is to marry and have children, then marry and have children, such a cycle would be too boring!” ”

“I didn’t expect you to be a philosopher!”Ye Zhuo laughed softly and continued, “What About Now?” ”

“Now?”Cen Shaoqing raised his eyebrows and reached out to hold ye Zao’s waist, bringing her to sit on his lap. “Now I want to have a litter of children with you.” ”

“Shameless, who wants to have a litter of children with you!” Ye Zao directly pushed Cen Shaoqing’s face away with his hand. ”

“Then have three?” Cen Shaoqing continued.

“No.” Ye Zao shook his head.

Cen Shaoqing held her waist with one hand and the Buddhist beads with the other. “Then... two?”

“Two?” Ye Zhuo thought for a moment. “Two is quite good. I just happen to have a companion. Otherwise, it would be too lonely to be alone!” ”

The curve of Cen Shaoqing’s lips gradually deepened.

“At this moment, ye Zhuo seemed to have suddenly thought of something and stood up from his lap. “Who wants to give birth to your child! I didn’t agree to it!” ”

“This person was really too black-bellied. If he was a little careless, he would have walked into his trap. ”

“Cen Shaoqing grabbed her hand and pulled her gently. She fell into his arms and said, “You just agreed!” ”

“Cen Shaoqing, you...” ”

“Before ye Zhuo could finish his sentence, a person walked in from outside. Seeing this scene, he froze on the spot. After a few seconds, he immediately reacted and said, “I’m sorry, I’m sorry! I didn’t see anything!” Then, he turned around and left. ”

“This was the little du that ye Langhua had been talking about. Little Du had been in the shop for many years, and he usually got along with ye Langhua as if they were family. ”

Ye Zao blushed and reached out to pinch Cen Shaoqing's face. "Are you embarrassed?"

"Cen Shaoqing hugged her tightly and rested his chin on his shoulder. He took a deep breath and said, "What's there to be embarrassed about hugging your girlfriend?" "

"You're really thick-skinned!"Ye Zao was a little speechless.

"CEN Shaoqing said, "Grandma said that thin-skinned people can't get a wife." "

PA —

"A crisp sound suddenly came from the air, and then the air fell into darkness. "

Ye Zao looked up at the ceiling. "The lights are broken."

Cen Shaoqing also looked up slightly. "Do you know where the toolbox is?"

"Yes."Ye Zhuo turned on the flashlight function of his phone and stood up to get the toolbox.

Cen Shaoqing moved a chair over and placed it on the coffee table. He stood on it and tried it out. His hand was just enough to reach the light.

"At this moment, Ye Zhuo came over with the toolbox. "What do you need?" "

Cen Shaoqing looked at the lampshade. "Give me an electric pen first."

"Okay."Ye Zhuo took out an electric pen from inside, stood on the coffee table, and handed the electric pen to him. "

"Do you need me to help you with the lighting?"Ye Zhuo continued to ask.

“Yes.” Cen Shaoqing nodded slightly.

Ye Zhuo took out his phone to help Cen Shaoqing with the lighting.

“Cen Shaoqing raised his head and started to screw the screws. The light from the flashlight shone on his face, making his cold white skin look even fairer. The black hair on his forehead flitted past his eyebrows and eyes. Although he was fixing the lamp., he exuded an aura of nobility.”

The book was right. A man who was focused on something was the most serious.

“At this moment, a rapid ringtone broke the silence in the room.”

“Chapter 1539: 323: activate the Masochist, the black-bellied CEN Fifth Master! 3”

““Zha Zha Zha, help me answer the phone,” Cen Shaoqing said.”

“Okay.”

“Ye Zha subconsciously searched his waist for a pocket, but after searching for a long time, he still could not find the pocket. His hand could only go down, left, and right. In the end, he actually touched something that he should not have touched. Ye Zha let go of his hand as if he was electrocuted.”

“Why don’t you have a pocket on you!”

Cen Shaoqing’s eyes contained a faint smile. “The phone is on the table.”

Ye Zao was a little embarrassed. “Why didn’t you say so earlier!”

“You didn’t ask.”

“I think you did it on purpose.” Ye Zao picked up the phone. “There’s no phone number. Should I give it to you?”

“Just say that I’m busy.”

“Okay.” Ye Zhuo nodded slightly and slid to answer the call. “Hello.”

“The person on the other end of the phone did not know if he heard ye Zhuo’s voice, so he hurriedly hung up the phone.”

Ye Zhuo frowned slightly.

“CEN Shaoqing continued, “What’s Wrong?””

“”He hung up the phone.” Ye Zhuo asked, “Do you want to call and ask?””

“”No need.” Cen Shaoqing focused on fixing the lamp. “If there’s anything, I’ll call again.””

“Ye Zhuo nodded slightly,”

in the kitchen.

“Seeing that little du had returned so quickly, ye Langhua asked curiously, “Little Du, did you take the Chen Pi that I asked you to take?””

“Little Du’s heart was still beating a little fast. He shook his head and said, “No.””

“Ye Langhua asked with some doubt, “If I didn’t, why did you come back so quickly?””

“Little du continued, “Aunt Lang, why don’t you stop making Chen Pi Tea!””

“Why?”Ye Langhua asked.

“Xiao du looked at the courtyard in front of him. “Well, Miss Ye and master Wu are in front.””

“What does it have to do with you taking Chen Pi?”

“Well... it’s just that...”Xiao du didn’t know how to say it.

“Seeing Xiao du like this, ye Langhua could probably guess what had happened. She turned her head to look at the front room and saw that the lights in the room had all been turned off, she smiled and said, “Then let’s make Chrysanthemum Tea! Drinking mutton soup is easy to cause a fire. It just so happens that drinking chrysanthemum will cause a fire!””

Little du nodded. “Then I’ll go get Chrysanthemum.”

“Go ahead.”

On the other side.

At a luxurious club in Beijing.

“After spending an entire afternoon, an Lizi finally finished setting up the private room.”

“She had really put in a lot of effort. The interior was decorated very warmly. At the same time, she had also called some roommates to celebrate Zhang Qingqing’s birthday. She had originally planned to call ye Zhuo, but ye Zhuo had gone to visit ye Langhua today, therefore, she did not call ye Zao.”

“At 10 o’clock in the evening, Zhang Qingqing was the first to arrive at the clubhouse. Once she entered the private room, she was extremely touched. She covered her mouth and said, “Lizi, thank you!””

“What silly words! This is what I should do.” An Lizi walked to Zhang Qingqing’s side.

Zhang Qingqing hugged an Lizi and wept emotionally.

“Silly, why are you crying!” An Lizi said with a smile.”

“Zhang Qingqing really wanted to say that she was crying because of an Lizi’s stupidity. “Lizi, I’m really touched!””

“An Lizi continued, “Alright, Alright, it’s nothing! Oh right, let me introduce you. These are my roommates. Rong Yin, Hua Xian, and this is Ouyang Qian. Yin Yin, Xian Xian, and Ouyang. This is my childhood friend, Zhang Qingqing, who grew up with me. You can call her Qingqing.””

“Looking at an Lizi’s three roommates, Qingqing Zhang was a little speechless, but she still pretended to be very happy to greet them.”

On purpose.

An Lizi definitely did it on purpose.

“She asked an Lizi to bring some friends to celebrate her birthday, and an Lizi brought three roommates.”

“An Lizi’s meaning was very obvious, she didn’t want to give herself any chance to marry into a rich family.”

Hur.

Did an lizi really think that this would stop her from marrying into a wealthy family?

What a joke!

Just wait and see.

“She would soon become an Lizi’s younger sister-in-law, the young mistress of the Lin family. Thinking of this, Zhang Qingqing narrowed her eyes. A faint light flashed through her eyes and disappeared in a flash. She smiled and said, “Thank you for coming to celebrate my birthday. Thank you!””

“You’re welcome.”Ouyang Qian was the most neurotic of the three roommates. “Lizi’s friends are our friends!”

“Rong Yin said with a smile, “Ouyang is right. You Don’t have to be so polite with us.””

An Lizi treated everyone well and got along very well with her roommates.

“The few of them were chatting when the sound of footsteps came from outside the door again. An Lizi looked up and saw that it was dog two, fat tiger, and the others. She said in surprise, “Dog two, why are you here too!””

“Knowing what Zhang Qingqing was thinking, an Lizi didn’t inform Lin Ze. She didn’t expect dog two and the others to come.”

“Chapter 1540: No. 323: open the masochistic trash, the black-bellied CEN fifth master! No. 4”

“Buttface smiled and asked, “If your eldest miss an can come, why can’t we?” ”

“Hearing this, Zhang Qingqing was a little unhappy.”

She knew what an Lizi meant.

An Lizi just didn't think that she was worthy of Lin Ze.

HMPH.

What a B * TCH.

“She said that she did not look down on her, but in her heart, she never looked her in the eye.”

“As long as an Lizi really looked up to her, she would not treat her like this!”

Just wait and see.

“If she married Lin Ze, she would be the young mistress of the Lin family. If she gave birth to a son for Lin Ze, no one would be able to shake her position. She wanted to see how long an Lizi would be able to laugh!”

Xia Xiaoman and Lin Qingxuan had been married for more than a year and had yet to have any children. There was an 80% chance that Xia Xiaoman was unable to give birth!

“If she could give birth, there was no need to wait until now!”

Just wait.

An old woman and a burden would be chased out by Lin Qingxuan sooner or later.

“Thinking of this, Zhang Qingqing felt much better.”

“An Lizi looked at Buttface and smiled. “I can come! Of course I can come! I’m just a little curious! Oh right, did Ah Ze come too?” ”

““Brother Ze is at the back,” dog two said. ”

Lin Ze really came.

“Originally, Lin Ze wasn’t prepared to come, so he couldn’t withstand dog two’s prayers. ”

“Dog Two really liked an Lizi, so of course he had to perform well. Lin Ze was an Lizi’s cousin. If Lin Ze didn’t come, it would be more or less inappropriate for the three of them to come. ”

An Lizi then introduced her roommates to the four of them.

Zhang Qingqing stood at the side.

“She didn’t notice it just now, but now she did. ”

“Of the three roommates of an Lizi, Hua Xian was the most beautiful. ”

“He had a pair of delicate almond-shaped eyes and a standard oval face. Although he didn’t wear makeup, it was still eye-catching. ”

“However, although Hua Xian was pretty good-looking, his clothes were very ordinary. ”

One look and you could tell that he was one of those cheap taobao goods!

“Inexplicably, Zhang Qingqing disliked Hua Xian very much. Hua Xian was also her only opponent. Girls from poor families like Hua Xian were mostly gold diggers who wanted to climb up the ladder. ”

Who was the biggest ladder tonight?

Of course it was Lin Ze!

What if Hua Xian tried to snatch Lin ze away from her?

“Thinking of this, Zhang Qingqing looked at Hua Xian with eyes full of hostility. ”

Hua Xian seemed to feel Zhang Qingqing’s gaze and raised his eyelids to look at Zhang Qingqing. Zhang Qingqing immediately averted her gaze.

““Everyone, let’s add each other on wechat!”Fat Tiger held his phone and looked at an Lizi. “Sister Lizi, I’ve created a group. You can pull all your roommates in.” ”

“Okay.”An Lizi nodded and went to the group to pull people in.

“After pulling all her roommates in, fat tiger continued, “Don’t disband this group. In the future, we can play games together. We can even chat when there’s nothing to do.” ”

“Okay.”

“Zhang Qingqing took out her phone and opened wechat. She thought that an Lizi had also pulled her into the group, but to her surprise, it didn’t happen at all. ”

“In an Lizi’s heart, what exactly was she? ”

Zhang Qingqing held back the anger in her heart.

“At this time, the staff of the club came in and looked at an Lizi. “Miss an, may I ask if the drinks are ready now?” ”

“Yes.” An Lizi nodded.

“Not long after, the drinks were served. ”

Zhang Qingqing poured herself a glass of beer and raised her glass. “Thank you all for taking the time to celebrate my birthday in your busy schedule. Here’s a toast! Let’s Get Drunk Tonight!”

“With that, she drank the beer in her glass in one gulp. ”

“Before coming to the club, Zhang Qingqing had already checked. As long as she was pregnant and didn’t drink too much for a long time, it wouldn’t be a problem for her to drink a little occasionally. ”

She hoped that the child in her stomach would be a little stronger.

“After all, whether or not she could succeed tonight would all depend on this glass of beer! ”

“Right. Let’s Get Drunk!” Buttface and the others raised their glasses.

“Hua Xian, Rong Yin, and Ouyang Qian weren’t shy either. The three of them quickly got together, singing and chatting in the private room, playing werewolf slayer. They were very high. ”

It was soon 12 o’clock in the morning.

“Looking at the people in the private room, Zhang Qingqing narrowed her eyes. Lin Ze wasn’t on the sofa. He must have gone to the bathroom. ”

Now!

“She couldn’t delay any longer. If she did, it would be dawn soon.”

Zhang Qingqing stood up and walked to the other end of the coffee table. She made herself a cocktail and then put a white pill in Lin Ze’s Cup with lightning speed.
