Chapter 1541: 323: activate the masochistic dregs. The black-bellied CEN is no match for fifth Master Cen! 5

“Speaking of which, it was indeed miraculous. The white pill actually melted in water and soon, there was no trace of it at all!”

“After finishing everything, Zhang Qingqing stood up calmly and returned to her seat with a cocktail in her hand. She smiled and said, “Let’s play the wheel of fortune. Whoever loses will drink!””

“Okay!”The few of them agreed.

Zhang Qingqing picked up an empty bottle. “Whoever faces the bottle will lose!”

“”Okay, no problem!””

“Zhang Qingqing placed the bottle on the table and spun it around. A few seconds later, the bottle was aimed at Li Wen.”

“Seeing that she was about to drink, Li Wen said, “This round doesn’t count. Brother Ze isn’t here yet. Let’s wait for Brother Ze!””

“Fat tiger asked curiously, “Where did brother Ze Go?””

“Dog two added, “I think he went to the bathroom.””

“As they were talking, Lin Ze came over.”

“Fat Tiger stood up and said, “Brother Ze, let’s play the wheel of fortune. If we lose, we have to drink. We’ll punish ourselves with three glasses!””

“Three glasses is too ruthless!”Ouyang Qian said.

“”It’s fine.”Fat tiger continued, “There’s a room here. If you’re really drunk, you can go to the room to rest.””

“Alright!”Ouyang Qian nodded.

“Since they were all on the same side today, Ouyang Qian didn’t have to worry about being taken advantage of.”

“Coincidentally, Lin Ze lost the first round of the wheel of fortune. The bottle was facing him.”

“Li Wen was overjoyed. He smiled and said, “Brother Ze, drink!””

“Lin Ze picked up the cup in front of him and downed it in one gulp. Then, he poured two more cups.”

“Seeing Lin ze finish all the wine in the cup, Zhang Qingqing narrowed her eyes.”

The loser of the second round was Hua Xian.

“After a few rounds, except for Zhang Qingqing, everyone else was drunk.”

“Especially Lin Ze, he felt as if his head was about to explode.”

It was very uncomfortable!

“Lin Ze pinched his temples and tried hard to calm himself down. Then, he walked to the washbasin in the bathroom and washed his face. He thought that he would wake up a little with cold water, but his head was still very dizzy, Lin Ze looked at himself in the mirror and wiped the water off his face. Then, he stumbled out and walked to Dog Two’s side. “I’m going in to rest.””

“Dog Two laughed and said, “No way, brother Ze! That’s all you can drink! You Can’t even hold your liquor?””

“My Head Hurts!” Lin Ze didn’t say anything else and turned to leave.

“Looking at Lin Ze’s back, Zhang Qingqing narrowed her eyes. It seemed that Lin Ze’s drug effect had taken effect.”

“”Qingqing, what are you looking at!” Ouyang Qian put her hand on Zhang Qingqing’s shoulder. “Come, drink!””

“”Okay, drink!” Zhang Qingqing picked up her glass and drank half a glass of wine perfunctorily. Her thoughts had already drifted to Lin Ze.”

She had to think of a way to get all these people drunk!

“Actually, there weren’t many people left.”

“An Lizi and Hua Xian were already extremely dizzy. They supported each other and said, “Let’s go to the room to rest too.””

“Ouyang Qian said drunkenly, “Your alcohol tolerance is too low!””

“After saying that, Ouyang Qian also fainted on the table.”

“An Lizi smiled and said, “You still have the nerve to talk about us! Aren’t you the same?””

“Hua Xian rubbed his head and said, “Don’t bother about her. Let’s go to the room.””

“Okay.” An Lizi nodded.

“In the blink of an eye, only Li Wen and fat tiger were left in the hall, as well as Ouyang Qian, who was sleeping soundly on the table.”

Zhang Qingqing poured herself a glass of orange juice. Her biggest problem now was Li Wen and fat tiger.

These two people seemed to not be able to get drunk.

No.

This couldn’t go on. The sky was about to light up!

She had to think of a way.

“Zhang Qingqing narrowed her eyes and changed to another glass. She poured a full glass and said with a smile, “Li Wen, fat tiger, let me toast to you! This birthday is probably the most special birthday I’ve ever had! Thank you!””

“You’re welcome.” Li Wen and fat tiger raised their glasses.

Zhang Qingqing finished the beer in the glass in one gulp. Li Wen and fat tiger also finished the beer in the glass.

“Zhang Qingqing continued, “I’m a girl and I’m drinking with you. How can you have the nerve to drink beer when I’m drinking beer?””

“What do you drink if you don’t drink beer?” Fat Tiger asked.

""I drink beer, you drink white."Zhang Qingqing took out a bottle of white wine."

"That won't do. It's too unfair. We've long advocated equality between men and women!"Said Fat Tiger.

"Zhang Qingqing smiled and said, "That's true. Then I'll drink white wine too. Now it's just the three of US left. Why don't the three of us play a drinking game? Let's see who gets drunk First!"

"Fat Tiger's interest was immediately piqued. He rolled up his sleeves and said, "Sure! In terms of drinking games, I've never lost!"

"Chapter 1542: 323: activate the masochism, the black-bellied CEN fifth master! 6"

"Li Wen said, "You two go ahead and play. I Won't participate."Although he didn't drink too much, his head was still dizzy. "

"Zhang Qingqing said, "It's too boring to play with two people." "

""That's right, that's right."Fat Tiger patted Li Wen. "Mozzie, this is a rare opportunity. Don't be such a Killjoy!" "

"Helpless, Li Wen had no choice but to agree to play with the Liquor Enforcement Order. "

"Zhang Qingqing did not know anything else, but she was best at the Liquor Enforcement Order. She had previously taken a part-time job at a KTV and met Wu Youyu at a KTV. "

"However, Fat Tiger was also a little powerful. After a few rounds, Zhang Qingqing had also drunk a few glasses of white wine. Fortunately, the container for the white wine was not big, and she had drunk quite a lot of beer before. Not long after, Zhang Qingqing fainted. "

“When Zhang Qingqing woke up again, it was already past five o’clock in the morning.”

The private room was very quiet.

“Li Wen and fat tiger fell asleep on the ground, while dog two was lying on the coffee table.”

Ouyang Qian should have returned to her room.

“Looking at the scene in front of her, Zhang Qingqing was stunned for a moment. Then, she quickly reacted. She was almost delayed by this group of people!”

She immediately stood up and walked to Lin Ze’s room.

The door of the room could not be opened. It must have been locked from the inside.

“Zhang Qingqing narrowed her eyes. Fortunately, she was prepared.”

“In a moment, Zhang Qingqing took out a bunch of keys from her pocket. After she matched the room number, Zhang Qingqing opened the door from the outside and quietly walked in.”

Lin Ze was sleeping on the bed.

His breathing was very shallow.

“There was no snoring, and there was no stench of feet in the room. He was as quiet as a prince.”

“Thinking that she would be this man’s wife in the future, Zhang Qingqing was extremely excited and filled with a sense of superiority.”

“At this moment, Lin Ze turned over on the bed. ”

“Zhang Qingqing was shocked. She held her breath, afraid that Lin Ze would wake up at this time. ”

“Fortunately, he didn’t. ”

It seemed that the effect of this medicine was pretty good.

“Because she was afraid that Lin Ze would hurt the child in her stomach, Zhang Qingqing didn’t give him any random medicine. Instead, she gave him a special medicine. After taking it, he would feel like he was drunk, and his limbs would ache, soon, he fell into a coma without any consciousness. ”

“Zhang Qingqing quietly walked to the side of the bed and lifted a corner of the quilt. Then, she took out a dagger and cut open her arm. Blood dripped onto the bedsheet. ”

A red plum blossom instantly bloomed on the bedsheet.

“Finally, Zhang Qingqing took out a bottle of spray and sprayed it in the air a few times. Soon, a strange smell filled the air. ”

“After doing all this, Zhang Qingqing threw the things into the trash can outside and returned to her room. She sat by the desk and wrote a note. ”

“After writing the note, Zhang Qingqing pressed the note on the bedside table, then closed the door and left. ”

“Before she left, Zhang Qingqing turned her head to look at Lin Ze, who was sleeping on the bed, and the corners of her lips curled up. ”

“The next morning, the strange smell in the room had not dissipated. ”

“When Lin Ze woke up, he felt that something was not right. ”

“But he could not remember what was wrong. Lin Ze pressed his temples, then began to get dressed and get ready to get up. ”

“Lifting the blanket, he looked at the blood on the bed and frowned. ”

Why was there blood on the bed?

“Just then, he saw the note on the bedside table: ”

“Lin Ze, thank you for a wonderful night. ”

“I know you didn’t mean it, it was just a drunken loss of control. ”

“Don’t worry, I won’t Pester You. ”

– Zhang Qingqing.

“Looking at the note, Lin Ze frowned. ”

What does Zhang Qingqing Mean?

Did something happen to them?

But why can’t he remember anything?

“But if nothing happened to them, what’s with the blood on the bed? What’s with the strange smell in the air? ”

Or is this Zhang Qingqing's plan?

Lin Ze scratched his head in distress.

"At this moment, there was a knock on the door."

"Lin Ze put away the note and walked over to open the door. "Brother Ze, you're awake!" "

It was dog two.

Lin Ze nodded.

"Ah Ze, have you seen Qingqing?" An Lizi walked over from behind. Perhaps due to her hangover, her expression was still a little ugly."

Lin Ze glanced at an Lizi and shook his head.

"An lizi asked curiously, "Then where did she go? I haven't seen her since I woke up. Could she have gone back first?" "

"She must have gone back first," dog two added. "She's not a child anymore. Could she have run away?" "

An Lizi nodded. "That's true."

"Lin Ze looked at his watch and continued, "What About Fat Tiger and Mozzie? Are they sober?" "

"Chapter 1543: 323: activate the masochistic scum, the black-bellied CEN fifth master! 7"

"You're awake." Dog two nodded.

"Lin Ze continued, "It's getting late, let's go back first.""

""Okay." dog two continued, "I'll go get them.""

"Not long after, the four of them walked out of the clubhouse."

Lin Ze walked in front.

"Fat Tiger looked at Lin Ze. "Brother Ze, what's wrong with you? You Don't look right!""

"Li Wen nodded. "That's right, brother Ze. Is Something on your mind?""

Lin Ze took out a note from his pocket and handed it to Li Wen. "Take a look at this."

Li Wen took the note and the other two went over to take a look.

""F \* ck! F \* ck!" Li Wen exclaimed in surprise. "Brother Ze, what does Zhang Qingqing mean by this?""

"Fat Tiger looked at Lin ze and said, "Brother Ze, did you really lose your virginity and have sex with her?""

Dog two frowned. "I knew something was wrong with Zhang Qingqing. I didn't expect that she would do such a thing."

Lin Ze's face was expressionless. "What happened after I went to my room last night?"

“Li Wen said, “After you went to my room, Zhang Qingqing came to us to play with us. Then, we fell asleep! I don’t know what happened after that!””

“”My memory is like a mosquito.”Buttface was regretting it now. He regretted that he had drunk too much last night. If he hadn’t drunk too much, things wouldn’t have turned out like this.”

“Fat tiger said in distress, “I was drunk before you guys. If you guys don’t know, then I don’t know either.””

Lin Ze didn’t say anything else.

“Li Wen patted Lin Ze’s shoulder, “Brother Ze, don’t be anxious. What if things aren’t what you think! Besides, didn’t Zhang Qingqing say that she won’t Pester You Anymore? Just pretend that none of this ever happened!””

Fat Tiger nodded. “Mozzie is right!”

“Dog Two felt that things weren’t that simple. If Zhang Qingqing would just let it go, she wouldn’t have taken such a big detour to scheme against Lin Ze! However, he couldn’t say it out loud. In the current situation, saying it out loud would only cause trouble for Lin Ze.”

“There were no surveillance cameras in the private room of the clubhouse, so there was no way to investigate this matter!”

“”Brother Ze, let’s go back first.”Buttface looked at Lin Ze. “We’ll talk when we get back.””

Lin Ze nodded slightly.

“After this birthday party, an Lizi didn’t receive any more calls from Zhang Qingqing.”

“Until a month later, an Lizi received a call from Zhang Qingqing.”

""Hello, Lizi, I'm at the hospital. Can you come over?""

"When she heard that Zhang Qingqing was at the hospital, an lizi immediately said, "Which hospital are you at? I'll come over right away.""

Zhang Qingqing told her the name of the hospital.

An Lizi rushed over.

Zhang Qingqing was holding a report form in her hand. Her eyes were a little red and swollen. She looked a little pitiful as she stood in the crowded hospital corridor.

"An Lizi jogged over. "Qingqing, what's Wrong?""

""I'm... I'm pregnant,"Zhang Qingqing cried."

Pregnant?

An Lizi widened her eyes. "Whose... whose is it?"She had never heard of Zhang Qingqing having a boyfriend.

"Zhang Qingqing cried and said, "Lizi, I didn't want to tell you at first, but I really had no choice. The Doctor said that my constitution is special. If I forcefully abort the child, I won't have another child in the future!"! Lizi, what should I do now?""

""Don't Cry yet!"An Lizi continued, "Tell me, who is the child's father?""

"It's Lin Ze."Zhang Qingqing handed the report to an Lizi.

Lin Ze!

The child's father was actually Lin Ze!

How did things turn out like this?

"An Lizi looked at Zhang Qingqing. "Qingqing, are you mistaken?""

Chapter 1544: 234: green tea still needs Father Ye's treatment. Zhang Qingqing's true colors are revealed! 1

"Zhang Qingqing sniffed. "Lizi, I know I'm not good enough for Lin Ze in your heart. But this child is indeed Lin Ze's. As a mother, can I even be mistaken about who the father of my child is?" "

"Hearing this, an Lizi was stunned. "

She never dreamed that Zhang Qingqing would say that Lin Ze was the father of the child.

"For no reason, Zhang Qingqing could not say such a thing either. "

"What, what was going on? "

"An Lizi took a deep breath and looked up at Zhang Qingqing. "Qingqing, are you really not joking with me?" "

This joke was not funny at all.

""Lizi, do you think I would joke with you about something like this?"Zhang Qingqing looked at an Lizi with a serious expression on her face. "

"An lizi continued, "Then, then when did you two get together?" "

They even had a child!

This was too unbelievable.

"Lin Ze was only 20 years old, and he was going to be a father? "

Zhang Qingqing sighed. "It was my birthday."

"Hearing this, an Lizi was even more surprised. "On Your Birthday?" "

""Yes."Zhang Qingqing nodded. "On my birthday, everyone was drunk. I don't know how I ended up with Lin Ze..."what she said next made it difficult for Zhang Qingqing to say. "

""When I woke up, I was already lying beside Lin Ze. There was also Luo Hong on the bed. If you don't believe me, you can ask Lin Ze." "

What did Luo Hong represent?

Luo Hong represented a woman's chastity.

"She had even gotten pregnant with Lin Ze's child, her most precious first time. Lin Ze would definitely be responsible for her! "

An Lizi frowned.

“If everything was as Zhang Qingqing said, then Lin Ze’s situation would be troublesome.”

What should she do now?

“Based on her understanding of Lin Ze, he wasn’t such a casual person. Why was this time...”

An Lizi was puzzled.

“Zhang Qingqing calmly observed an Lizi’s expression, she continued, “Lizi, you can take a look at my report. I’m currently one month pregnant, and I’m only with Lin Ze... so, if the father of the child isn’t Lin Ze, who else could it be?” ”

“An Lizi looked at the report in her hand. It showed that Zhang Qingqing was already four weeks pregnant! According to the time calculation, Zhang Qingqing’s pregnancy date was indeed the day of her birthday. ”

Could it be that the child in Zhang Qingqing’s stomach was really Lin Ze’s?

“Actually, Zhang Qingqing was already two months pregnant, but her pregnancy didn’t show up in the early stages, so she used some means to bribe the doctor to change her pregnancy date to four weeks.”

““Qingqing, don’t worry,”an lizi continued, “Think about it carefully. What happened between you and Ah Ze that day? Did a misunderstanding happen?” ”

An Lizi found it hard to accept this.

“Not to mention an Lizi, even Lin Jincheng and ye Shu found it hard to accept.”

“Zhang Qingqing was a good friend of an Lizi, and Zhang Qingqing and ye Shu only knew Lin ze through an Lizi.”

“An Lizi felt that she had something to do with this matter, and she felt very uncomfortable.”

“”Lizi, what do you mean by that?”Zhang Qingqing looked at an Lizi, she questioned angrily, “Can I still joke about my chastity and my child? So in your heart, I’m such a despicable and shameless person!” ”

“At the end of her sentence, Zhang Qingqing’s eyes were full of self-mockery. In addition, there were tears in her eyes, and it was very unbearable to look at her.”

“”No! No!”Seeing that Zhang Qingqing had misunderstood her., an lizi quickly explained, “Qingqing, I didn’t mean that. Please don’t think about it! I just feel that everything happened too suddenly. I can’t accept it!” ”

“”Then what do you mean?”Zhang Qingqing looked at an Lizi, then, she continued, “Didn’t you look down on me from the beginning? You thought that I wasn’t worthy of Lin Ze! Yes, I admit that I wasn’t worthy of Lin Ze. But now that things have already happened, what can I do? Could it be that if Lin Ze isn’t willing, I can still force Lin Ze to agree?” ”

It had always been men who forced women. How could a woman force a man?

“Even if the sky was broken, Lin Ze was the one who took advantage of this! ”

“Zhang Qingqing had a feeling that she was pregnant with a son. The rich and powerful families paid the most attention to the issue of children. In the future, her son would be the heir of the Lin family.”

“Thinking of this, Zhang Qingqing’s eyes were filled with pride.”

“Hearing this, an Lizi frowned.”

“It had to be said that what Zhang Qingqing said was indeed reasonable. “Qingqing, calm down first. Don’t be so anxious. I apologize for what I did just now.” ”

Chapter 1545: 234: green tea still needs Father Ye's treatment. Zhang Qingqing's true colors are revealed! 2

Zhang Qingqing bit her lip and didn't say anything.

"An lizi continued, "I think the most important thing now is how to handle this matter!" "

"Zhang Qingqing wiped her tears. "If I knew how to handle this matter, I wouldn't have come looking for you! Lizi, what should I do now?" "

"At this point, Zhang Qingqing hugged an Lizi and burst into tears. "

"An Lizi had never experienced such a thing before. She thought for a moment and continued, "Qingqing, you and Ah Ze are still young. It's definitely too early to be parents. How about..." "

"Zhang Qingqing raised her head to look at an lizi and asked, "Are you saying that you want me to abort the child?" "

""Yes." An Lizi nodded. "Qingqing, your life has just begun and you haven't graduated from college yet. It's not a good thing for you to have a child now..." "

""I don't want to have a child at a time like this!"! "But what can I do! ?"! "Look at the report again. The Doctor said that my constitution is special and I'm not suitable for an abortion. If I abort this child, I won't have another child in the future!" "

An Lizi was stunned. She lowered her head and looked at the report. Her face was slightly pale.

"Zhang Qingqing continued, "If it was really that easy to solve, I wouldn't have looked for you! Lizi... You are my only friend in Beijing. What should I do?" "

An Lizi sighed.

She did not know what to do now!

She was stuck in a dilemma.

She couldn't let Zhang Qingqing lose the right to be a mother at such a young age.

"But if she was born, it would be too unfair to Lin Ze and Zhang Qingqing! "

""I don't want to trouble Lin Ze, but I can't let my child lose his father after he's born!"Zhang Qingqing continued, "Lin Ze is also a child who grew up in a single-parent family. I Can't let my child go through the same experience as him!" "

It was precisely because Lin ze was a child who grew up in a single-parent family that Zhang Qingqing was so certain that Lin Ze would not abandon him.

"As a child who grew up in a single-parent family, Lin Ze knew how difficult it was for a child to stand in an environment without a mother or father. Therefore, Lin Ze definitely could not bear to let their child go through such a thing. "

"An Lizi was stunned. After a moment, she continued, "Then what do you plan to do now?" "

""I don't know."Zhang Qingqing shook her head, her face full of helplessness. "

An Lizi sighed.

What to do?

What else could she do now?

“Zhang Qingqing couldn’t abort the child, and she didn’t want the child to grow up in a single-parent family. So, she could only let Lin Ze take charge. ”

“Does ah ze know about this?” An Lizi continued to ask.

“Not yet.” Zhang Qingqing shook her head. “I didn’t tell him. You’re the first person to know about this.”

An Lizi looked around. “The hospital isn’t a place to talk either. Let’s go back first.”

“Okay.” Zhang Qingqing followed an Lizi’s footsteps.

The two of them arrived at a coffee shop.

“An Lizi was just about to order a cup of coffee for Zhang Qingqing, but when she thought that it would be bad for the child if a pregnant person drank coffee, she ordered a cup of hot milk for her. ”

“Soon, the milk and coffee were served on the table. ”

“Zhang Qingqing took a sip of the milk, then, she said, “Lizi, the child in my belly is your nephew no matter what. You Can’t just leave him to die. I know that Lin Ze doesn’t like me, and I’m not worthy of him. But now that things have already happened, escaping is not the way... “...”. “...” ”

“An Lizi felt that this matter was somewhat unbelievable. She looked at Zhang Qingqing, she asked very seriously, “Qingqing, let me ask you again. Are you sure that Ah Ze is the child’s father? Don’t lie to me! Let me tell you, no one in the Lin family is to be trifled with. If you dare to set them up, you won’t have a good ending!” ”

“Not to mention the others, just ye Zao alone would not have an easy time. ”

“”I’m sure!” Zhang Qingqing continued, “If you don’t believe me, we can confront Lin ze face-to-face! He is the child’s father. He can’t possibly not feel anything about what happened that night!” ”

“Seeing Zhang Qingqing nodding her head with certainty, the doubts in an Lizi’s heart were dispelled a little. ”

“She had known Zhang Qingqing since she was young. Although Zhang Qingqing was a gold digger and wanted to marry into a wealthy family, she wasn’t a bad person. Logically speaking, she shouldn’t be able to do such a thing. Moreover, she even dared to confront Lin Ze. ”

“If Lin Ze really didn’t do anything, Zhang Qingqing shouldn’t be so confident! ”

“”Okay, I believe you!”An lizi nodded and continued, “Ah Ze is a responsible boy. If, I mean if, if this child is really his, then I believe that he won’t be irresponsible.” ”

Chapter 1546: 234: green tea still needs Father Ye’s treatment. Zhang Qingqing’s true colors are revealed! 3

“Zhang Qingqing excitedly grabbed an Lizi’s hand. “Lizi, I’m relieved to hear that from you!””

An Lizi didn’t say anything.

“Zhang Qingqing continued, “Lizi, can you do me a favor?””

“Go ahead.”An Lizi looked at Zhang Qingqing.

Zhang Qingqing drank a mouthful of milk. “Can you help me ask Lin ze out?”

Ask Lin ze out?

“An Lizi subconsciously wanted to refuse, but she felt that it was a little inappropriate. No matter what, Lin Ze had a relationship with this child.”

“”Okay, then can we make it tomorrow?” An Lizi asked.”

“Zhang Qingqing nodded. “Sure, Lizi, thank you!””

An Lizi patted Zhang Qingqing’s hand.

“After leaving the cafe, an Lizi sent Zhang Qingqing back to the hotel and paid for half a month’s hotel fees for her.”

Zhang Qingqing looked at an Lizi’s actions with a sarcastic smile.

“An Lizi was too hypocritical. She had always said that she treated her as a good friend, but she had never taken the initiative to pay for her room. Now that she knew that she was pregnant with Lin Ze’s child, she couldn’t wait to help her pay for her room.”

How disgusting!

Wasn’t an Lizi doing this to curry favor with the Lin family and Lin Ze?

Just wait and see!

“With just the mother and daughter, they would be chased out by the Lin family sooner or later.”

“”Qingqing, you can stay here peacefully. If you need anything, remember to call me!””

“Okay.”Zhang Qingqing nodded.

“After returning, an Lizi made an appointment with Lin Ze on wechat. She said that she had something to talk to him about and asked him to wait for her at the duting cafe tomorrow.”

“Lin Ze was a person who kept his appointment. He was supposed to arrive at 12:30 am, but he arrived at 12:25 am.”

“What Lin Ze didn’t expect was that the person who asked him out was an lizi, but the person who came to attend the appointment was Zhang Qingqing.”

“When he saw Zhang Qingqing, Lin ze frowned slightly.”

“From the beginning to the end, he didn’t have a good impression of Zhang Qingqing.”

Zhang Qingqing sat directly opposite Lin Ze. “Lin Ze.”

“”This seat is taken,” Lin ze said calmly.”

“Zhang Qingqing continued, “I asked Lizi to invite you out.””

“Lin Ze frowned slightly, stood up, and turned to leave.”

“Looking at Lin Ze’s back, Zhang Qingqing continued, “Lin Ze, I’m pregnant.””

Lin Ze’s footsteps did not stop.

“The child is yours.”

Lin Ze stopped in his tracks.

He had no memory of what happened that night. He was alone when he entered the room. Why did Zhang Qingqing suddenly appear in his room?

There was also the blood on the bed.

“Although Lin Ze had never had a girlfriend, he knew what the blood on the bed sheet meant.”

“And now, Zhang Qingqing said that she was pregnant!”

Could it be that they really...

“Zhang Qingqing quickly caught up with Lin Ze. “Lin Ze, I’m pregnant, one month. This is the report form. Take a look.”As she said that, Zhang Qingqing stuffed the report form into Lin Ze’s hands.”

“Looking at the report form in his hands, Lin Ze did not say anything.”

“Zhang Qingqing continued, “The Doctor said that my constitution is special. If I forcefully abort the abortion, it’s very likely that I’ll be infertile for the rest of my life! “I know that you don’t like me, and you don’t welcome this child, but you are the father of this child after all. I want to ask you now, will you accept this child? ! “You have the right to know the existence of this child. Don’t worry, I’m not the kind of person who pesters and pesters. If you don’t accept him, I will immediately leave Beijing and find a place where no one knows me. I will quietly give birth to him. From now on, the child will only have a mother and no father! “We’ll never not appear in front of you in the future!””

“Other people used childhood to heal for a lifetime, but Lin ze used a lifetime to heal his childhood.”

“When he was young, Lin Jincheng lay on a hospital bed. He was brought up by Old Mrs. Lin.”

“At that time, old Mrs. Lin wholeheartedly treated Feng Qianhua as her own daughter. She even asked Lin Ze to call Feng Qianhua mother. If Lin Ze didn’t call her mother, Old Mrs. Lin would give him a hard time.”

That period of time was the darkest moment in Lin Ze's life.

"Every time he thought about the things that happened when he was young, Lin Ze couldn't sleep. It wasn't until later when Lin Jincheng found ye Shu and ye Zao that his life returned to normal."

"Now, Zhang Qingqing's words of 'only mother, no father' deeply stimulated Lin ze. It was as if someone had pinched his heart hard. The pain was heart-wrenching and he almost couldn't breathe."

"If the child in Zhang Qingqing's stomach was really his, he couldn't turn a blind eye to it."

He couldn't let his child experience the darkest moment he had experienced.

"No matter what kind of person Zhang Qingqing was, he couldn't be irresponsible to his child."

Chapter 1547: 234: Green Tea Still Needs Daddy Ye to cure it. Zhang Qingqing's true colors were revealed! 4

The child was innocent.

Zhang Qingqing saw the changes in Lin Ze's expression.

"Sure enough, no matter who it was, there would always be a weakness. "

And Lin Ze's biggest weakness was his growth experience.

Hitting the snake and striking the seven inches was indeed correct.

“Zhang Qingqing curled the corners of her lips and very well concealed the emotions in her eyes, she continued, “I think I already know your answer. Don’t worry, I Won’t disturb you in the future! This child has nothing to do with you! Goodbye!” Zhang Qingqing turned around and left. ”

“As she walked, she counted three in her heart. ”

She didn’t believe that Lin Ze wouldn’t fall for this provocation!

“”Wait!” At this moment, Lin Ze suddenly spoke. ”

“Do you have anything else?”Zhang Qingqing turned to look at him.

Lin Ze took a deep breath. “Whose child is it?”

“”Yours!”Zhang Qingqing continued, “If you don’t believe me, you can do a paternity test after you give birth! Lin Ze, you’re my first man!” ”

A paternity test had a method.

“Moreover, after the child was born, Lin Ze might not even think about doing a paternity test. ”

“”Let’s Get Married,”Lin Ze continued. ”

“He wanted to give the child a complete family. Even if he wasn’t ready to be a father, he would try his best to adapt. ”

“Hearing this, Zhang Qingqing was stunned. She looked at Lin Ze in disbelief. ”

She didn’t expect Lin Ze to get straight to the point so quickly.

Get Married!

She could marry Lin ze!

Zhang Qingqing's eyes reddened as she walked to Lin Ze's side. "Are you serious?"

"Yes." Lin Ze nodded.

"Thank you, thank you for being willing to give your child a complete home!" As she said that, Zhang Qingqing reached out to hug Lin Ze. Lin Ze flashed slightly and avoided Zhang Qingqing's hug. "

"If it was not for the child, he would have felt disgusted just by looking at Zhang Qingqing. "

Proposing marriage was a man's responsibility and a father's responsibility!

"In short, he could not bear to see the child lose his father since he was young. "

That kind of feeling was not good at all!

"Zhang Qingqing was not embarrassed and continued, "I know I can't accept me for a while, but you are the child's father after all. If you continue to be like this, it will be very detrimental to the child's future growth!" "

"After the child is born, I will take care of it myself. You just need to take care of yourself," Lin Ze said. "

Zhang Qingqing was not a good mother to begin with. Letting her take care of the child was truly detrimental to the child's future growth.

"There were some things that could be done slowly. Zhang Qingqing did not want to push Lin ze too hard. It would not be good if she made a fool of herself. Zhang Qingqing continued, "Then when are you going to go to my house to propose the marriage? To tell your parents about us?" "

""I will arrange this as soon as possible,"Lin ze said. "

He did not know how his parents would react after hearing about this.

Lin Ze's heart was in a mess. He felt very uncomfortable.

"Up until now, he still did not understand how things had come to this point! "

""Okay."Zhang Qingqing nodded and asked, "You deleted my wechat?" "

"Lin Ze did not answer her directly. Instead, he said, "Take down my number and call me if you need anything." "

"Okay."Zhang Qingqing took out her phone. "What's your phone number?"

Lin Ze gave her his phone number.

Zhang Qingqing saved his phone number.

"Lin Ze pinched his temples and continued, "Where are you from?" "

Zhang Qingqing hid the pride in her heart. "I'll ask my parents to come to Beijing directly. I'll call you when they arrive."

"Lin Ze nodded and looked at his phone. "I still have something to do, so I'll leave first. I'll talk to you after I've discussed it with my parents." "

"Okay."

“After saying that, Lin Ze left the cafe. ”

“While driving, he was distracted by other things and almost bumped into the car in front of him. ”

Chi —

“Lin Ze stepped on the brakes, his face slightly pale. ”

Lin Ze laid his hands on the steering wheel and thought for a long time before turning around to go home.

“It was Saturday today, and Lin Jincheng and Ye Shu were both at home. ”

“Ye Shu kept a yard full of flowers and plants in the yard. Among them, the lilies were the most abundant. A gentle breeze blew out, bringing with it a faint floral fragrance, which was especially pleasant to smell. ”

“Ah Ze is back.”Ye Shu greeted Lin ze with a watering can.

Lin Ze nodded. “Mom.”

“After saying that, Lin ze continued, “Where’s Dad?” ”

“Ye Shu smiled and said, “Your dad is in the yard! Ah Ze, are you not feeling well? Why do you look so pale?” ”

""No, it's probably too cold!"Lin Ze said. "

""You child, I've already told you to wear more clothes. It's best to put on Long Johns! How can you wear so little when you're walking on the ice! Hurry, Hurry, go back to the house! It's warm in the house!" "

""Okay."Lin Ze nodded and walked into the house. "Mom, come in too. I have something to tell you and Dad." "

"What do you have to say in front of your dad and me?"Ye Shu asked.

""You'll know when you come in."Lin Ze continued, "I just called searing. No one answered searing's phone. Where did she go today?" "

"Ye Shu said, "She went to the base. I heard that something went wrong with the aircraft carrier project! The signal inside is blocked, so she couldn't get a call!" "

"OH."Lin Ze nodded. "Then we'll talk to her when she comes back."

"Ye Shu walked into the house with Lin Ze. "Ah Ze, what's the matter?" "

Lin Ze hadn't said anything and still wanted to gather all the family members. This made ye Shu a little worried and felt that it wasn't a good thing.

""I'll go to the study to call Dad!"Lin Ze turned to look at the maid. "Auntie Lan, please go and invite my grandmother over." "

""Yes, Young Master!"Auntie LAN nodded. "

"Seeing Lin ze like this, Ye Shu became even more anxious. "

What exactly happened!

“Soon, Auntie Lan pushed Old Madam Lin over. Lin Jincheng also came down from the study room and the family gathered in the living room. ”

“Lin Ze looked at the few of them and said word by word, “Dad, mom, Grandma, I, I’m getting married.” ”

Getting Married!

Lin Ze was getting married!

“Ye Shu laughed out loud. “Ze! Are you kidding me? ! You Don’t even have a girlfriend, and you still want to Get Married? Dream On!”! ”

“”That’s right!” Lin Jincheng added, “And even if you have a girlfriend, you can’t get married so early. Do you know her? Do you know her? Ze, how old are you!” ”

“Old Madam Lin did not say anything. Looking at Lin Ze’s face, she felt that things were not that simple. ”

“Lin Ze continued, “She’s pregnant.” ”

Pregnant!

Who was pregnant?

“Lin Jincheng thought that he was hallucinating. “Ah Ze, what did you say? Who’s pregnant?” ”

Lin Ze did not say anything.

Ye Shu was immediately stunned. “Ah Ze! This joke is not funny at all!”

“I’m not joking.” Lin Ze’s face was expressionless. “She’s really pregnant. It’s been four weeks.”

Lin Jincheng was so angry that his face turned pale. He gave Lin ze a backhand slap.

This scene happened too quickly. Ye Shu quickly stood in front of Lin Ze and glared at Lin Jincheng. “Why did you hit the child? !”

Lin Jincheng sighed and blamed himself. “It’s my fault! It’s my fault! It’s my fault! It’s my fault for not teaching ze well...”

“Ye Shu knew that Lin Jincheng was not feeling well, she continued, “Now that things have happened, it’s useless even if you beat Ah Ze to death! When I gave birth to Ah Ze, I was only nineteen years old. Since ah ze proposed to get married, let’s Get Married!” ”

“Since things had already come to this, what else could they do? ”

They couldn’t possibly kill someone!

“After saying that, Ye Shu looked up at Lin Ze. “Ah Ze, does it hurt?” ”

“”No.” Lin Ze continued, “Mom, I really should have hit her!” ”

He shouldn’t have done that after drinking.

This was all his own trouble.

“Now that the situation had developed, Lin Ze didn’t want to find any excuses for his mistakes. ”

A mistake was a mistake. He would pay for his mistakes.

“”Ah Ze, where is she from?”Old Mrs. Lin asked. “How did you two meet?” ”

“Lin Ze looked at Old Mrs. Lin and continued, “She and Lizi are good friends. They grew up together. I only met her through Lizi.” ”

“Hearing this, old Mrs. Lin heaved a sigh of relief. She smiled and said, “If she’s good friends with Lizi, she must be a good child!”She had been a little worried that the other party had some ulterior motive for getting close to Lin Ze, but now it seemed that.., things were not as she had thought. ”

“An Lizi was a girl with a very good character. Lin Ze’s girlfriend was a good friend of an Lizi, so her character was definitely not that bad. ”

“”Since you’re pregnant, then let’s Get Married!”Thinking that she was about to be promoted to great-grandmother, Old Mrs. Lin was still a little happy. As she got older, she was looking forward to having more children in the family. ”

“Have you thought about getting married?”Lin Jincheng raised his head to look at Lin Ze. “Getting married isn’t just a formality! You’re only twenty years old this year!”

The times were different now. Very few young people got married and had children at the age of twenty.

Chapter 1549: 234: green tea still needs Father Ye’s treatment. Zhang Qingqing’s true colors are revealed! 6

“Lin Ze nodded very seriously. “Father, I’ve thought it through. I want to give my child a complete family!””

“When mentioning the word ‘complete family’, Lin Jincheng also felt a little guilty. It was all because of him that he was unable to give Lin ze a complete family back then.”

“Ye Shu immediately asked, “What’s That Girl’s name? Is she the same age as you?””

“”Zhang Qingqing, the same age as me,”Lin ze said.”

“”Then, have you thought about whether you want to live at home or outside after you get married?”Lin Jincheng continued to ask.”

“Old Mrs. Lin continued, “Of course I want to live at home! It’s so lively at home. Ah Shu, you can look after the children when you’re free! You can also look after his wife when she’s in confinement!””

“”Ah Ze, what do you think?”Lin Jincheng raised his head to look at Lin Ze.”

“Lin Ze said, “I think Grandma is right.”He and Zhang Qingqing did not have any feelings to begin with, and they would not have any feelings after marriage. He could not let the child grow up in a cold environment and live in the Lin family, he could let the child feel more love.”

Lin Jincheng nodded. “Alright then. I’ll get someone to renovate the Hibiscus garden and make it your wedding room.”

“Just do as you say.”Lin Ze didn’t have any objections.

“Ye Shu continued, “When are you going to bring that girl back for us to see! or we can go and see her too! Also, her parents are pregnant. No matter what, we have to pay them a visit...”she was already pregnant, these things had to be arranged as soon as possible. If they were to be delayed any longer, it would be bad for both sides’ reputations!”

""Father and mother, I'll leave these matters to you!""

"Lin Jincheng sighed. "You're our son. As parents, it's only right for us to take care of these matters for you! As long as you've thought it through and don't regret it, it's fine!""

"Lin Ze said, "I don't regret it.""

"Since things had come to this point, how could he still have the chance to regret it!"

"By the time ye Zhuo found out about this, it was already the afternoon of the second day. She had just returned from the base when she was pulled over by Ye Shu."

"When he found out that Lin Ze had a girlfriend and that the woman was pregnant for a month, ye Zao frowned slightly. It would be a lie if he said that he was not surprised."

"Although Lin ze was usually quiet and indulged in silence, he was not a casual person."

Ye Zao could not believe that he had gotten a girl pregnant.

"After hearing this, Ye Zao turned around and left."

""Zao Zao, where are you going!"Ye Shu raised her voice and asked."

"To find my brother!"Ye Zao said.

Ye Zao walked all the way to Lin Ze's room.

The door was open.

“Standing at the door, Lin Ze could be seen sitting in front of the computer desk. His back was straight, but his face was full of loneliness.”

“Ye Zao had never seen Lin ze like this before. Perhaps it was because of the twins, but at this moment, her heart was also tightly clenched.”

It was stifling and a little uncomfortable.

It was obvious that Lin Ze did not want to marry Zhang Qingqing of his own accord.

Ye Zao reached out and knocked on the door. “Brother.”

“Lin Ze looked back slightly, and the corners of his mouth curled up into a pale arc. “Zao Zao.””

“Ye Zao walked inside, moved a stool, and sat down beside Lin Ze. “Brother, I’ve heard everything from Mom. Are you sure you weren’t tricked?””

“Lin Ze said, “I don’t think so.””

“Ye Zhuo stood up from the chair and said, “Give Me Zhang Qingqing’s phone number.””

Lin Ze reported a string of numbers.

Ye Zhuo entered his phone number and then walked outside to make a call.

“Two minutes later, Ye Zhuo walked in. “Brother, I’m going out for a while.””

Lin Ze nodded.

Ye Zhuo drove to a high-end restaurant.

“By the time she arrived, Zhang Qingqing had already arrived.”

“It was rare for Zhang Qingqing to remove her exquisite makeup. She had a plain face and was wearing a maternity outfit that protected her from radiation. No matter how she looked at it, she looked like a good girl.”

“Looking at the girl who was walking towards her, Zhang Qingqing was stunned.”

“The girl was wearing a black windbreaker and a pair of Martin boots of the same color. Her jade-like facial features seemed to be covered with a layer of frost. When she walked, her aura was fully unleashed. She looked so cool and cold that it made people shudder.”

“Just as Zhang Qingqing was slightly stunned, an extremely faint voice came from above her head. A powerful pressure was emitted in the air.”

“Zhang Qingqing?”

“Zhang Qingqing looked up and saw the girl standing against the light. She could not see the expression on her face clearly. Although her tone was faint, it was powerful.”

Chapter 1550: 235: the truth is out. Zhang Qingqing used to be someone else's mistress! 1

“Looking at the girl standing in front of her, Zhang Qingqing felt a great sense of oppression. She almost couldn't breathe. It was very depressing.”

“But when she thought about how this person in front of her was about to become her sister, the aunt of the child in her belly, Zhang Qingqing felt much better.”

So what if ye Zao was powerful?

She would still have to call her sister-in-law in the future!

“Zhang Qingqing calmed herself down and smiled appropriately. “I’m Zhang Qingqing. You’re Lin Ze’s sister, right? Please take a seat!” ”

“Ye Zao must have come to look for her out of the blue because he was concerned about her. After all, she was pregnant with Lin Ze’s child. Her child would be the future heir of the Lin Family! ”

How could ye Zao Not Care?

Ye Zao leaned over and sat opposite Zhang Qingqing. There was no expression on his face.

Only then did Zhang Qingqing see ye Zao’s face clearly.

It would be a lie to say that she was not shocked!

“Beautiful. She was really too beautiful. Up Close, there was almost no blemish on ye Zao’s face. ”

“It had to be said that the genes of the Lin family were really too good. Lin Ze was so handsome, and Ye Zao was so beautiful. This brother and sister pair were like dragons and phoenixes among men. ”

“Zhang Qingqing subconsciously touched her belly. In the future, her child would definitely be born like dragons and phoenixes among men! ”

“Thinking of this, the corners of Zhang Qingqing’s lips curled up. Her heart was filled with joy. ”

“Three generations of her family were born as ordinary workers. In her generation, she was finally going to turn things around! ”

“I heard that you’re Pregnant?”Ye Zao raised his eyes slightly.

“Yes.”Zhang Qingqing nodded.

“How long has it been?”Ye Zao continued to ask.

“Ye Zao clearly did not say anything, but Zhang Qingqing was a little nervous. This kind of nervousness came from the depths of her heart, and she almost could not control it. ”

“”One, one month,”Zhang Qingqing replied. ”

“The corners of Ye Zao’s mouth curled slightly, and his eyes deepened. “Are you sure it’s not two months?” ”

Two months?

Zhang Qingqing’s face turned pale.

Could it be that ye Zao had seen through something?

No!

It couldn’t be!

Ye Zao was just a little girl. What did she know?

He was definitely trying to trick her!

Did he really think that she was that easy to trick?

“Zhang Qingqing narrowed her eyes, she smiled and said, “Little sister, look at what you’re saying. Two months ago, your brother and I hadn’t developed to this extent! How could we possibly be pregnant! If you don’t believe me, I have a report here. Just take a look and you’ll know!” ”

“As Zhang Qingqing spoke, she took out the report. ”

“Anyway, she had a report, so what was there to be afraid of! ! ”

“Did you wake up in the morning and look in the Mirror?”Ye Zao picked up his cup and took a sip of coffee. He raised his head to look at Zhang Qingqing and asked.

Did you wake up and look in the mirror?

Zhang Qingqing was stunned for a moment. She didn’t quite understand the meaning behind ye Zao’s words.

“Ye Zao opened his red lips and continued, “If you didn’t look in the mirror, you could still look in the mirror now! With your low-end green tea, do you think you are worthy to be my sister-in-law?” ”

Zhang Qingqing’s heart turned cold. She thought that ye Zao was here to care for her and give her warmth. Who knew that ye Zao was here to insult her!

Don’t you know that pregnant people can’t be angry?

What if it affects the fetus?

“”You! What are you talking about!”Zhang Qingqing stood up from the chair, with red eyes, she said, “I know that you rich people look down on us poor people! But what I am carrying is indeed your brother’s flesh and blood! You Can Insult Me, but you can’t insult my child! The child is innocent!” ”

“”Speak, whose child is it!”Ye Zao couldn’t be bothered to put on an act with Zhang Qingqing. ”

Ye Zao had been a traditional Chinese medicine practitioner for many years and his medical skills were superb. He could almost tell at a glance that Zhang Qingqing's pregnancy cycle was more than one month.

A hospital report was nothing at all.

"As long as she wanted to, she could get a pregnancy report for ten months, let alone one month. "

"Just from the report alone, she wanted to pin this child on Lin Ze. Zhang Qingqing was too naive! "

Zhang Qingqing was panicking. She did not understand why ye Zao would say something like that. She tried her best to calm herself down. "The child is your brother's!"

""Okay."Ye Zao nodded slightly and stood up from the chair. "You're not going to say it, right? I naturally have a way to find out." "

"After saying this, ye Zao turned around and left. "

Find out.

Did Ye Zao really have a way to find out?

Zhang Qingqing gulped and chased after ye Zao's back. "Sister! Sister!"

Ye Zao looked back slightly. "I've said it before. You're not qualified to be my sister-in-law!"

"Zhang Qingqing continued, "Since you don't like it, then I won't call you sister! "Miss Ye, please believe me. The child in my stomach is really your brother's flesh and blood, your future nephew! "If you don't believe me, you can ask Lizi. Lizi can testify for me! "I've said before that you can not let your brother take responsibility. It was your brother who decided to marry me!" "
