

Almighty D 1551

“Chapter 1551: 235: When the truth came out, Zhang Qingqing had been someone else’s mistress! 2”

“Ye Zao glanced at her, “It seems like you haven’t seen the situation clearly. It’s understandable that you want to become a person above others. After all, people go higher and water flows lower. But your green tea method is really disgusting! Lizi has a friend like you. It’s simply an insult to her!” ”

“Zhang Qingqing was also a human. She also had her pride, but now, ye Zao was actually rubbing her pride on the floor! ”

“In Ye Zao’s heart, what exactly was she? ”

“She was ye Zao’s future sister-in-law, the future young mistress of the Lin Family! ”

“Zhang Qingqing was currently unable to vent her anger. Before she married into the Lin family, she could not offend anyone in the Lin family.., “I’ve said it before. You Can Insult Me, but please don’t insult my child! He’s the Lin family’s flesh and blood. I can swear on my dignity! Please believe me!” ”

“Dignity?”Ye Zao chuckled. “Do you have such a Thing?”

“As long as Zhang Qingqing had even the slightest bit of dignity, she wouldn’t do such a thing! ”

Zhang Qingqing was so angry that she was trembling.

“She kept retreating, but ye Zao kept pushing his luck. ”

This was too much! This was too much!

“Looking at Ye Zao’s back, Zhang Qingqing’s eyes seemed to be filled with poison. She wanted nothing more than to curse ye Zao to death.”

It would be best if a large truck could rush over from the road and kill ye Zao without leaving a complete corpse!

“Unfortunately, she was not a prophet. She could not let the large truck kill ye Zao!”

“As Ye Zao walked, he sent a message.”

[help me check on someone.]

“The other side immediately replied, [okay boss! Send it over!]”

Ye Zao sent Zhang Qingqing’s name over.

“When the other side received the message, they opened the sky eye system and searched for this name. They actually found that there were more than two million people with the same name in China.”

“[boss, is it that Zhang Qingqing?]”

Ye Zhuo opened the database and sent Zhang Qingqing’s background information.

“”This Zhang Qingqing, I need her life situation and emotional experience in the past year!” ”

“No problem.”

“Er Mao sat in front of the computer and searched all of Zhang Qingqing’s information. He frowned slightly and said, “Strange, why would boss look up such an ordinary person?” ”

“Logically speaking, the people around the big boss should be the big boss.”

But this Zhang Qingqing was really too ordinary. She was so ordinary that she could not be found even if she fell into the crowd.

Er Mao hummed a little tune as he looked up Zhang Qingqing’s information.

“Ye Zhuo did not go home. Instead, he came to the base.”

“At present, the aircraft carrier project was already at the most crucial step. They needed ye Zhuo to keep an eye on it at all times.”

“After all, they didn’t have much experience before!”

“As soon as ye Zao arrived at the base, Cen Hai came up to him. “Miss Ye!” ”

“What’s Wrong?” Ye Zao raised his eyes slightly.

“Cen Hai continued, “There’s a problem on the flight deck. I was just about to call you!” ”

Ye Zao frowned slightly. “Let’s go and take a look.”

“Okay.” Cen Hai followed ye Zao’s footsteps.

“The two of them arrived at the construction cabin. Old Zhang, who was in charge of the flight deck, saw ye Zao walking over as if he had seen his savior. “Miss Ye!” ”

“Ye Zao nodded. “Worker Zhang, which side is the problem?” ”

“Worker Zhang immediately took out the blueprints and continued, “Miss Ye, look. It’s the problem here. If we turn on the defense system, the flight system here won’t be able to function properly!” ”

“Ye Zhuo looked at the blueprint and said, “This isn’t a problem with the deck, it’s a problem with the defense system. Cen Hai, go and find Cen Jiang.” ”

“Cen Hai nodded. “Alright, I’ll go right away!” ”

Ye Zhuo walked towards the defense cabin.

“Zhang Gong continued, “Miss Ye, can we continue the construction of the deck?” ”

“Yes.”Ye Zhuo nodded slightly.

“”Sure.”Zhang Gong smiled and said, “I’m relieved to hear that from you, Miss Ye!” ”

“Zhang Gong had participated in many scientific research projects in the past, but this was his first time on an aircraft carrier. Therefore, he did not dare to make any rash decisions when he encountered problems. ”

“After all, these processes were all linked together. As long as a problem occurred in one segment, it would cause problems in all subsequent segments! ”

“Most importantly, Ye Zhuo had also signed a gambling agreement with several other countries. ”

The agreed two-year period could not be delayed because of him.

“Once the construction period was delayed, the consequences would be unimaginable! ”

Ye Zhuo came to the defense cabin.

“Not long after, Cen Hai brought Cen Jiang over. ”

“”Miss Ye, you were looking for me!”Cen Jiang said respectfully. ”

Ye Zhuo nodded slightly. “Who is responsible for the quality inspection of the defense module recently?”

“Cen Jiang said, “It’s Yu Gong.” ”

“Chapter 1552: 235: when the truth comes out, Zhang Qingqing has been someone else’s mistress! 3”

“”Keep an eye on him,”ye Zao said.”

Cen Jiangxia frowned. “Is there a problem?”

Yu Gong had worked in the base for more than ten years and was usually very serious. There shouldn’t be any mistakes.

“”Come here,”ye Zao said.”

Cen Jiang walked to ye Zao’s side.

“Ye Zao Pressed Defense No. 1, then pressed attack No. 3.”

“A transparent screen instantly popped up in the air. On the screen, there were four big words:”

Dangerous Operation!

Cen Jiang frowned and didn't say anything.

"Ye Zao pressed the 'cancel' button, then pressed Defense No. 1. This time, no information popped up."

The defense system could be used normally.

"Then, ye Zao pressed attack No. 3, but no information popped up. Attack No. 3 could also be used normally."

"In other words, as long as the two buttons were not used at the same time, the defense system would not have any problems."

"However, the defense cabin designed by Ye Zao was designed to be both defensive and offensive!"

"If it only defended and did not attack, or only attacked and did not defend, it would be no different from a failure."

"Cen Jiang knew ye Zao's design. When he saw this scene, he frowned. "How could this be!""

"There's a mole in our district." Ye Zao hit the nail on the head.

"The Mole is Yu Gong?" Cen Jiang said in disbelief. "But Yu Gong is an old technician in our base. He doesn't need to do this!"

"Ye Zao said while repairing the system, "Don't publicize this matter for now.""

"If there was really a problem with Yu Gong, then there must be someone else behind him."

Cen Jiang nodded. "I know."

"After saying that, CEN Jiang continued, "Miss Ye, if there really is a problem with Yu Gong, how do you plan to deal with him?""

"Ye Zhuo's tone was a little light. "According to the rules of the base, deal with him as you should.""

"I understand."Cen Jiang nodded.

On the other side of the base.

"Ever since ye Zhuo signed the bet agreement with C Nation, word had spread throughout the base!"

"Because of this, a few elders wanted to organize a strike, but with the example of professor Yue, everyone had the heart, but they didn't have the guts."

"Helplessly, the matter of the strike could only be put on hold!"

"These few days, the happiest person was of course Tang Xue."

"Ever since she found out that ye Zhuo had signed a bet agreement with C Nation, her heart was completely at ease."

"Now, she just had to wait for Ye Zhuo's bad luck."

"When that time came, she wanted to see if Cen Shaoqing would still love ye Zhuo as much as he did now!"

"Sister Xue."The assistant stood outside the door and knocked.

Tang Xue came back to her senses. "Come in."

"The assistant walked in. "Sister Xue. I've already tried to persuade Tang Mi, but she seems to have steeled her heart. No matter what I say, she's unwilling to leave the aircraft carrier project team."

"Tang Xue snorted coldly. "As expected, she's a piece of SH * t that can't be helped!"

"The assistant continued, "Sister Xue, I feel that you've already been benevolent enough to Tang Mi! It's fine if she doesn't appreciate it! Anyway, there will be days when she'll regret it!"

"I'm her cousin. She can not appreciate it, but I can't just let it go." Tang Xue continued, "Where is she now?"

That's right.

"Tang Xue and Tang Mi were cousins. However, although they were related by blood, their relationship was not as deep as that of ordinary sisters."

"It was because Tang Mi was not talented and was not as smart as Tang Xue since she was young. Tang Xue entered the base directly and looked at Tang Mi. Not only did she stutter, she had taken the CEN base test three times."

"Although she passed the last test, Tang Xue felt that it was because of her. If she wasn't in the base, Tang Mi wouldn't have been able to enter the Cen's base even if she took the test for her whole life. After all, Tang Mi was her cousin, the chief examiner had to give her some face."

"Not to mention that her father was an elder of the Cen's base. Therefore, Tang Mi was able to enter the base smoothly because of her."

"However, not only did Tang mi not appreciate her kindness, she did not even put her sister in her eyes."

“The assistant continued, “She’s in the Big C area office.””

“Tang Xue nodded and stood up from her office chair. “Alright, I’ll go out for a while.””

“Tang Xue walked all the way to the Big C area, where Tang Mi’s office was.”

Tang Mi was studying the nano-defense inside and did not even notice that Tang Xue had entered.

Tang Xue just looked at Tang Mi with a mocking look in her eyes.

“This cousin of hers didn’t really think that ye Zhuo would lead them to create an aircraft carrier and walk towards the highest peak of scientific research in the world, right?”

“Chapter 1553: 235: When the truth came out, Zhang Qingqing had been someone else’s mistress! 4”

What a joke!

She had gone crazy from looking at Tang Mi!

Dong Dong Dong —

“At this moment, Tang Xue reached out and knocked on the table. ”

“Only then did Tang Xue React. When she saw Tang Xue, she put down the instrument in her hand. “Sis.”
”

“”So you still remember this sister of mine,”Tang Xue said sarcastically. ”

“Tang mi continued, “I’ll get you some water.” ”

“”There’s no need for water.”Tang Xue looked at Tang Mi, then she said, “Uncle and aunt should have already told you, right? While you can still stop now, hurry up and leave ye Zao’s aircraft carrier project team. “You’re not young anymore this year. Why Can’t you think about your uncle and aunt? Let those two old people worry behind you!” ”

“If the aircraft carrier project failed, the members of this project team would be blacklisted by the scientific research community! At that time, they would no longer be able to participate in any scientific research experiments. ”

“Tang Mi was still young this year. If she developed well in the scientific research community, her future would definitely not be too bad. If she followed ye Zhuo, she would only ruin her future ”

“Hearing this, Tang mi frowned and looked up at Tang Xue. “SIS, since I’ve chosen to believe in Miss Ye, then... Then I won’t quit at this time!” ”

“Regardless of whether ye Zao could create an aircraft carrier or not, she had no regrets. ”

“In life, one had to go crazy! ”

“Tang Mi had always been a well-behaved girl. Even during her rebellious adolescence, she had always followed her parents’arrangements step by step. But this time, she did not want to continue like this! ”

“As a researcher, she had to live for the sake of research and live for herself. ”

“”I didn’t realize that you were so loyal!”Tang Xue mocked, “It’s just that your hot-blooded and full of trust isn’t worth mentioning in ye Zao’s eyes. Who knows, he might just be toying with you! If I wasn’t your sister, I wouldn’t have bothered with your stupid matters!” ”

“Miss Ye isn't the kind of person you're talking about!” Hearing Tang Xue Slander ye Zao, Tang Mi was a little angry, “I believe in Miss Ye, and I believe in Big C district even more! The two-year pact hasn't arrived yet. How can you be so sure that Miss Ye's aircraft carrier plan will definitely fail?” ”

“Having followed ye Zao for so long, Tang Mi knew ye Zao's character very well. ”

Ye Zao was very protective of her own shortcomings.

He was very outstanding!

Only by following behind ye Zao could she find her own worth.

“In fact, before entering the aircraft carrier project team, Tang Mi was a very unconfident person. She had always felt that Tang Xue was better than her...”

It was ye Zao who told her that everyone was an independent individual. Everyone had their own strengths and specialties. Ye Zao also told her to insist on being herself.

Only by being herself was she the most outstanding!

“Therefore, in Tang Mi's heart, Ye Zhuo was not just a leader. ”

She was an idol and also a believer!

“Tang Xue snorted coldly, then she said, “I think you're crazy about wanting to be famous! Isn't it good to be down-to-earth at such a young age? Do you have to dream of reaching the sky in one day! I know you want to surpass me and defeat me, but I've earned my position today by relying on my own strength! What About You? Do you have the strength? If it weren't for me, you wouldn't even have the qualifications to enter this base! Tang Mi, I'm telling you, you better wake up!” ”

“Tang mi bit her lip, her eyes slightly red. In a moment, she raised her head to look at Tang Xue, she mustered up her courage and said, “Tang Xue! Don't flatter yourself! If I really relied on you to enter the

base, I wouldn't have to take the test three times! I came in on my own strength! It has nothing to do with you!"When Tang Xue said this in the past., she had never dared to fight back, but it was different now. In order to increase her confidence, ye Zhuo had specially brought Tang Mi to look up the test papers from that year. "

Tang Mi's admission had nothing to do with Tang Xue.

Tang Xue frowned tightly and looked at Tang Mi in disbelief. She couldn't believe that this was true.

"Tang Mi had always been meek in front of her. She said one thing, and Tang Mi never dared to say another. But now... ! ... why did she seem like a different person! "

Was this still the Tang Mi she knew?

""Based on your strength! Tang Mi! You really have the nerve to say this!"Tang Xue was so angry that she laughed. "Based on your talent, not to mention taking the test three times, even if you take the test ten times or a hundred times, you won't be accepted by the base!" "

""You clearly think too highly of yourself! You're so powerful, if you have the ability, get your cousin in as well!" "

"Tang Xue's cousin, Su Yan, had always wanted to enter the CEN group's base, but her aptitude was really too poor. Tang Xue looked for many ways, but she was unable to get Su Yan in. "

"Chapter 1554: 235: when the truth comes out, Zhang Qingqing was someone else's mistress! 5"

"Hearing this, Tang Xue became even angrier! "

SL * T!

Tang Mi was a SL * T!

“If she had known this would happen, she would have informed the head examiner when she first accepted Tang Mi. ”

“Tang Xue was so angry that she laughed, “Good, good, good! Tang Mi! You’ve grown wings, haven’t you! You better remember what happened today. In the future, even if you cry and beg me in front of me, I won’t think of any sisterhood! “Today, I will humiliate myself! “I’m a Slut!” ”

“After saying that, Tang Xue turned around and left. She was so angry that fire was about to burst out of her eyes. ”

She had never expected that Tang Mi would be so ungrateful!

“Since she was heartless, then don’t blame her for being unrighteous! ”

“As soon as Tang Xue Left, Cen he walked over from the side and said in disbelief, “Little Stutterer, I didn’t expect you to be such a shrew!” ”

“CEN he remembered Tang Mi as a shy and obedient girl who blushed easily. Therefore, many people in the base liked to make fun of Tang Mi. Today’s Tang Mi had really impressed Cen he! ”

“He had thought that Tang Mi would definitely suffer a loss, but he didn’t expect Tang Mi to win so much that Tang Xue left in a huff. ”

It felt so good just thinking about it!

Cen he hated Tang Xue very much.

“Ever since the aircraft carrier project team was established, Tang Xue had poached countless technical talents over here and left. ”

“Moreover, she was now suspecting that many bad rumors about ye Zao in the base had come from Tang Xue’s side. Coupled with the incident with Professor Yue, Cen he’s impression of Tang Xue was even worse.”

“I, I don’t stutter anymore!” Tang mi said. ”

“Tang Mi’s stuttering was only when she was nervous. Ever since she took ye Zao’s medicine, she had stopped stuttering. ”

“Cen he smiled and nodded, “Yes! I can hear it now. You really don’t stutter anymore! Not only do you not stutter, your tongue is also very sharp. Even Tang Xue, who has such high combat strength, is no match for you! TSK TSK TSK, Little Stutterer, you really make me look at you in a new light!” ”

“Hearing this, Tang Mi felt a little embarrassed and continued, “Is there something you need from me?” ”

“OH.” Cen he then remembered the important matter. “Miss Ye wants us to go over for a meeting!”

“Got it.” Tang mi nodded. “I’ll pack up and go over right away!”

“” Alright, I’ll wait for you,” Cen he said. ”

...

On the other side.

“After ye Zhuo left, Zhang Qingqing took out her phone and dialed a number. The moment the call connected, she cried out, “Lizi! I don’t want this child anymore! I really can’t take this injustice anymore!” ”

“On the other end of the phone, an Lizi was shocked. “Qingqing, what’s wrong? Calm down and tell me slowly. What’s Wrong?” ”

Zhang Qingqing did not explain and only continued to sob.

“An Lizi was very anxious. After all, Zhang Qingqing was still pregnant. “Qingqing, where are you? Tell me, I’m coming to pick you up!” ”

Zhang Qingqing looked at her surroundings and reported the address to an Lizi.

“An Lizi continued, “Qingqing, don’t run around and don’t think too much. Wait Here! I’ll be right there!” ”

“Okay.”Zhang Qingqing nodded.

An Lizi rushed out of the door.

“Just as she walked out, she saw Ye Shu walking over with his bag. ”

“Auntie.”An Lizi walked over.

“Ye Shu said, “Lizi, are you going out?” ”

““Yes.”An Lizi nodded. “There’s something urgent! Auntie, is there something you need me for?” ”

“Ye Shu continued, “I want to ask you about Ah Ze’s girlfriend, Zhang Qingqing.” ”

Lin Ze only said that Zhang Qingqing was an Lizi’s good friend. He did not say anything else.

“Ye Shu wanted to understand Zhang Qingqing, so he could only look for an Lizi. ”

“An Lizi was stunned. “Auntie, You Already Know About Qingqing?” ”

“Ye Shu nodded. “Yes. Moreover, Ah Ze also said that he wanted to marry her. ”

Marry?

An Lizi was stunned again. She never expected that Lin Ze would actually take the initiative to propose marriage. This was very different from what she had imagined.

““Lizi, I just want to know if this Zhang Qingqing is a good girl! The situation of her family members!”Ye Shu continued to ask. ”

“An Lizi continued, “Since you already know about Qingqing’s matter, then you should come with me!” ”

“Where to?”Ye Shu asked curiously.

An Lizi’s expression was a little unsightly. “To Qingqing’s place. I don’t know what happened to her! She just called and said that she wanted to abort the child!”

Abort the child!

“Hearing this, Ye Shu’s face paled. “Go, go, Go! Then hurry up and Go!” ”

An Lizi nodded.

“The two got into the car, and an Lizi gave the driver the address. ”

Chapter 1555: 235: the truth is out. Zhang Qingqing used to be someone else’s mistress! 6

There were some traffic jams during this period of time. The original 30-minute journey had taken less than 40 minutes.

“In the car, Ye Shu asked an Lizi about Zhang Qingqing’s character, an Lizi said, “Qingqing grew up with me. Auntie, don’t worry. There’s nothing wrong with her character. I remember when she was young, she liked small animals very much. One time, her pet dog died and she cried for two whole days.””

“Ye Shu nodded. Listening to her, she was a very caring girl.”

“What about her family?”Ye Shu was a little annoyed by those unclear relatives.

She was also frightened by Zhou Xiang’s family.

“An lizi continued, “Her family members are very simple. There’s only one brother, and then her parents. The brother seems to have a girlfriend and is talking about marriage.””

“Ye Shu nodded. After some understanding, she was rather satisfied with Zhang Qingqing.”

“A moment later, the car stopped. The driver said, “Miss an, the address you mentioned is here!””

“Are We There Yet?”An Lizi asked.

“Yes.”The driver nodded.

An Lizi opened the window and looked around.

“With a glance, she saw Zhang Qingqing sitting by the roadside in a daze.”

“Ye Shu asked, “Is that the girl?””

“Yes.” An Lizi nodded.

Ye Shu looked over carefully.

“Zhang Qingqing was squatting on the plate, so her face couldn’t be seen clearly. Looking at her, she seemed to be a pretty obedient little girl.”

“Then let’s hurry over!”

An Lizi followed ye Shu’s footsteps.

“The two of them walked to Zhang Qingqing’s side. An lizi asked, “Qingqing, what’s wrong? What Happened?””

“Hearing an Lizi’s voice, Zhang Qingqing stood up and hugged an Lizi. She cried, “Lizi, you’re finally here! SOB SOB SOB...””

““Child, don’t cry. Let’s talk things out.” Seeing Zhang Qingqing cry so sadly, Ye Shu couldn’t bear it.”

“Hearing the unfamiliar voice, Zhang Qingqing was stunned for a moment. She looked up at Ye Shu.”

“The person was about 30 to 40 years old. He was wearing an air-conditioning suit made of ZY technology. He had an air of nobility about him. Needless to say, he was a wealthy lady.”

There was a familiar figure between his brows.

Could This Be Lin Ze’s mother?

“Thinking of this, Zhang Qingqing narrowed her eyes. She had a plan in mind.”

“At this moment, an lizi continued, “Qingqing, let me introduce you. This is my aunt and Ah Ze’s mother.””

It seemed like her guess was right.

This person was indeed Lin Ze’s mother.

“Ye Shu immediately said, “Child, I’m Lin Ze’s mother. Ah Ze has already told me about your matter. If you have any grievances, just tell me.””

“An Lizi said, “Qingqing, don’t worry. My youngest aunt is a very good person.””

“Hearing this, Zhang Qingqing cried even more miserably.”

“”Child, What’s wrong with you?”Ye Shu supported Zhang Qingqing, “This pregnant person can’t be so emotional. Not only is it not good for adults, but it’s also very bad for the child! If you have any grievances, just tell aunt. Aunt will help you vent your anger!””

“No matter what, Zhang Qingqing’s stomach had Lin Ze’s blood in it.”

“Although ye Shu didn’t really like Zhang Qingqing at first glance, now that things had happened, she could only accept it.”

“Moreover, an Lizi also said that Zhang Qingqing was a girl with a good character.”

“As long as her character was good, there would be no problems with Lin Ze. As a mother, she couldn’t do anything to break up the couple.”

“After all, Ye Shu herself was experienced. She didn’t want Lin Ze to experience her experience.”

“Aunty, I know that my birth is not worthy of Lin Ze, but you can't Insult Me! The child in my stomach is Lin Ze's! If it wasn't for his seed, do you think he would have proposed to marry me? 'I'm doing it properly. If you don't believe me, after the child is born, I can bring the child to have an appraisal! 'But let me put it bluntly. Once the appraisal is done, this child will have nothing to do with Lin Ze in the future!’”

“Ye Shu said, “Child, why would you say something like that? Did someone say something in front of you?’”

“Zhang Qingqing cried very sadly. “Auntie, do you believe me?’”

“As long as Ah Ze believes you, I'll believe you!’”

“Hearing this, Zhang Qingqing was moved and hugged ye Shu. “Auntie, thank you!’”

“As long as ye Shu believed in her, it was fine. Ye Zao?”

Who the hell was ye Zao!

Zhang Qingqing curled the corners of her lips.

Just wait.

She would chase ye Zao out of the Lin family sooner or later.

“There's no need to thank Auntie.”Ye Shu pulled Zhang Qingqing up from the ground and continued, “Tell Auntie What's going on.’”

“Zhang Qingqing took a deep breath, “Lin Ze's sister just came to look for me. She... she suspected that the child in my stomach wasn't Lin Ze's. “Actually, I'm not blaming her. I understand her too. If it were me, I wouldn't be able to accept it either! “After all, with my background, I really don't Deserve Lin Ze.

It's normal for her to suspect me! "So, I don't blame her. It's because I don't love myself. I got pregnant at a young age, but I can't help but feel wronged. Auntie, do you know how it feels?"

"Looking at Zhang Qingqing, ye Shu felt as if she had seen herself before."

"At that time, no one believed her either."

But Ye Zao wasn't the kind of person who didn't know what was important and what wasn't.

Unless there was some hidden reason behind this.

"Zhang Qingqing continued, "Auntie, I've already told Lin Ze. If Lin Ze isn't willing to accept us, I'll leave Beijing immediately and take the child out to live by myself! I'll never appear in front of Lin Ze again. It was Lin Ze who proposed to get married!"

* *

At the same time.

At the Cen family base.

Ye Zhuo received a call from ER Mao.

"Boss. I've already found out about the Zhang Qingqing you asked me to investigate!"

"Zhang Qingqing wasn't a big shot. Her identity information hadn't been encrypted. As long as she put in some effort, she would be able to find out about her."

"Speak," ye Zao said concisely."

“Er Mao continued, “This Zhang Qingqing became the mistress of an old man called Wu Youyu in May of the fifth year. She was his mistress for more than a year until Wu Youyu died in an accident in the second half of this year. Only then did the relationship end! “Then, I also found out that Zhang Qingqing was found to be pregnant in the hospital two months ago! But strangely, on the 23rd of this month, the day before yesterday, she went to the hospital again and bribed the Doctor to change the date of pregnancy on the report to one month ago.””

Chapter 1556: 336: Trash! 1

Ye Zao was not surprised to hear er Mao’s words.

“Looks come from the heart. Ye Zao did not like Zhang Qingqing very much at first glance. Moreover, her judgment was never wrong.”

“Although he did not check Zhang Qingqing’s pulse, ye Zao could tell that her stomach was definitely more than a month old from her body shape and complexion”

“Other than checking her pulse, traditional Chinese medicine emphasized on ‘looking, smelling, asking, and cutting.’ ”

“Putting aside asking and cutting, he could tell with just looking and smelling. ”

“Are there any photos and videos of her being a mistress?”Ye Zhuo continued to ask.

“To deal with a person like Zhang Qingqing, he still needed to use real evidence. Otherwise, she would be like a weed, endlessly stirring up new life when the Spring Breeze Blew! ”

One had to use evidence to directly hammer her to death.

“Er Mao said, “There isn’t any for the time being. If you want, I can help you check it out.” ”

“Okay.”Ye Zhuo nodded slightly. “Then I’ll have to trouble you.”

“Of course.”Er Mao continued, “Then I won’t bother you anymore. I’ll call you after I’ve checked everything out.” ”

“Okay.”Ye Zhuo was about to say yes when he seemed to have thought of something. He continued, “There’s one more thing. Help me check it out.” ”

“Go ahead, Boss,”er Mao said. ”

“Ye Zao said, “Help me find out what happened to Zhang Qingqing at the Phoenix Union on the 8th of last month.” ”

It was not enough to just find out that Zhang Qingqing had been kept by someone. He had to give Lin Ze Justice.

Ye Zao had a premonition that Zhang Qingqing must have something else in her hands.

“Now that the public opinion on the internet was so big, if Zhang Qingqing were to bite back, it would be difficult to handle the matter. ”

“Before exposing these things, they had to nip all the possibilities in the bud, leaving Zhang Qingqing helpless. ”

“Alright boss, I will definitely investigate it thoroughly for you.” ”

“Thank you for your hard work.”

“It’s my pleasure.”

Er Mao hung up the phone.

“Just as he hung up the phone, eighty hair came over and asked, “Er Mao, why do you think the boss suddenly wants to investigate an ordinary person?” ”

“At first, he thought that Zhang Qingqing was some hidden big boss with other identities. ”

He didn't expect that Zhang Qingqing was really ordinary and even became the mistress of a person who could be her father.

Er Mao narrowed his eyes. “It might be related to Lin Ze.”

“Who is Lin Ze?” Eighty hair asked curiously.

“Er Mao explained, “Lin Ze is the son of the head of the Lin family in Beijing.” ”

“The Lin Family? Is that the Lin Family?” Eighty hair asked.

““Yes,” twenty hair asked. ”

Eighty hair touched his chin. “Could it be that the big boss has some relationship with the young master of the Lin Family?”

Twenty hair shook his head. “I'm not too sure about that.”

“Eighty Hair's mind was blown. He continued, “I heard that the Lin family has a young miss. Do you think the Big Boss is the young miss of the Lin Family?” ”

Eighty hair and twenty hair were both Internet hackers. They only knew ye Zao's code name and did not know ye Zao's real identity.

“Twenty hair chuckled, “Those young misses are all pampered and pampered. I reckon that they don’t even know how to make Excel forms, let alone hacking skills!” ”

“The young misses of the wealthy families paid more attention to etiquette, music, chess, calligraphy, painting, flower arranging, and other subjects. How many young misses of the wealthy families were proficient in computers? ”

“That’s hard to say. What if it is!”Eighty hair said.

“”Stop Dreaming!”Er Mao patted eighty hair’s head, “I saw the Lin family’s eldest daughter on a variety show before. She was extremely beautiful! Have you heard of what a Useless Beauty Is? “When God opens a door for you, he will close a window for you. In this world, how can there be a perfect person!” ”

Er Mao had never associated z with ye Zao before.

“Ye Zao’s looks could not be found in all of China, let alone in the entertainment industry. ”

“Z’s hacking skills were the same. Her hacking skills could not be compared to hers, let alone China. Even if she was found, no one could compete with her! ”

“In this world, how could there be such a beautiful person with good hacking skills! ”

It was impossible!

“Eighty hair nodded. “You’re right! A smart woman won’t be too beautiful, and a beautiful woman won’t be too smart!” ”

“Er Mao turned on the computer. “So, don’t overthink it!” ”

“Eighty hair was still a little puzzled. “But if the big boss has nothing to do with Miss Ye, then what’s going on with Lin Ze?” ”

“” Maybe he knows Lin Ze!” Twenty hair continued, “This is the big boss’s private life, so let’s not bother about it! Just finish what the Big Boss gave us!” ”

Chapter 1557: 336: Trash! 2

“Okay.” Eighty hair nodded.

...

On the other side.

Ye Shu and an Lizi sent Zhang Qingqing to the hotel.

Ye Shu looked at the environment in the hotel and frowned slightly. “You’re a double-bodied person now. You Can’t stay in the hotel all the time. Why Don’t you stay at my place first? There’s a maid at home who can take care of you!”

Ye Shu had also come out of this period. She knew what it was like for a girl to be pregnant without her relatives by her side.

It was precisely because she had experienced it that she couldn’t bear to let Zhang Qingqing experience the same thing.

“Although Zhang Qingqing wasn’t her daughter, when Zhang Qingqing became her daughter-in-law in the future, she would be no different from a daughter.”

“Hearing this, the corners of Zhang Qingqing’s lips curled up.”

She did not expect ye Shu to invite her to live with the Lin family so soon.

But now was not the time.

She wanted to show ye Shu that she was different from other girls.

She was not the kind of person who would do anything just to marry into a wealthy family.

“If she immediately agreed to Ye Shu’s request, it would be too degrading!”

“Zhang Qingqing continued, “Thank you, Auntie. I appreciate your kindness. However, even though I’m the daughter of a small family, I know the rules. I don’t know Lin Ze very well now. If I were to stay at your house like this, I would inevitably be criticized.””

“Hearing this, Ye Shu nodded. If Zhang Qingqing really thought that way, she would be a reasonable child.”

“”That’s fine. If you need anything, you can tell Auntie, or Tell Lizi to tell me.””

“Okay.”Zhang Qingqing nodded.

“Ye Shu continued, “And your parents, do they know about this now?””

“Zhang Qingqing sighed, “I, I haven’t told them about this yet... my mother has always been strict with me. If she knew about this, she would definitely be angry...””

Zhang Qingqing’s words were telling ye Shu in a disguised way. She wasn’t the kind of person who didn’t have any upbringing. She and Lin Ze were completely in an accident.

“Ye Shu patted Zhang Qingqing’s hand, then, she said, “What should be said must be said. Even if you can hide from the first day of the Lunar New Year, you can’t hide from the fifteenth day of the Lunar New Year. Get your parents to come to Beijing as soon as possible. Let’s meet the parents of both sides first and settle the matter. We can’t drag this on any longer.””

“Okay.”Zhang Qingqing nodded. “I understand.”

“After giving some instructions, ye Shu and an Lizi left the hotel.”

After leaving the hotel.

“Ye Shu looked at an lizi and asked, “Lizi, searing won’t deny a person for no reason. You grew up with Zhang Qingqing and should be the person who knows her best. Are you sure there’s nothing wrong with her character?””

“”Aunty,”an Lizi didn’t know how to say it. Now that Zhang Qingqing was pregnant with Lin Ze’s child, Zhang Qingqing and Ye Shu were going to become mother-in-law and daughter-in-law in the future. She couldn’t sow discord in front of ye Shu., “Girls sometimes have a little temper, but it’s not a big problem. Qingqing isn’t the kind of person with bad character.””

“Although Zhang Qingqing had some small problems with worshipping money, she really didn’t have any big problems!”

“Ye Shu nodded. Since an Lizi said so, there shouldn’t be any problems, but she was still a little worried because through her interactions with Zhang Qingqing, ye Shu always felt that Zhang Qingqing was a little strange... She couldn’t tell what she felt... .. Her Heart was in a mess.”

“An lizi continued, “Auntie, Qingqing actually wanted to have an abortion, but the Doctor said that her constitution was not suitable for an abortion. If this child was aborted, she would never be able to have another child in the future, so she did not choose to have an abortion. Although she had previously asked me to introduce her to a rich second-generation boyfriend, there is nothing wrong with her character. Don’t worry.””

“When she was young, Zhang Qingqing was indeed a good person. Every year, she would get a good student, and she loved stray cats and dogs very much.”

“However, an Lizi overlooked one thing.”

People change.

Zhang Qingqing was no longer the Zhang Qingqing that she knew.

“Things change, but people don’t take things seriously.”

““Yeah,” ye Shu continued, “As long as there’s no big problem with her character, that’s good.””

“She did not look for her daughter-in-law. As long as her character was good, Lin Ze would agree.”

“Now that Zhang Qingqing was pregnant and her character was passable, she could only agree.”

Ye Shu returned to the Lin family home.

Ye Langhua and old Madam Lin were sitting in the living room chatting.

“Hearing footsteps, Ye Langhua hurriedly pushed old madam Lin out of the door. “Ah Shu is back!””

Chapter 1558: 336: Trash! 3

“Mom.”Ye Shu took off her scarf.

“Old Lady Lin asked impatiently, “Ah Shu, how was it? Did you see her?” ”

“I saw her.”Ye Shu nodded.

“How was she?”Old Lady Lin asked impatiently.

“Ye Shu frowned slightly. “I don’t know what to say either. She looks okay, but after all, we haven’t been together before, so I don’t know her background. Also, burning didn’t seem to be satisfied with her.” ”

“”Zhuoluo isn’t satisfied?”Old Lady Lin continued to ask, “What did Zhuoluo Say?” ”

“Ye Shu continued, “From what Zhuoluo said, it seems like she suspects that the child in her stomach isn’t Ah Ze’s. When I went there, she was making a fuss about aborting the child!” ”

“Hearing this, Old Lady Lin frowned, and the joy of having a great-grandson disappeared completely. ”

“Ye Zao would not have any problems seeing the sunlight. If ye Zao was doubting the child’s background, then there must be something wrong with the child. ”

“”Then don’t admit it yet! We can’t let Ah Ze suffer this loss!”Old Lady Lin continued, “Call Zao right now and ask him what’s going on! We Can’t let a bastard ruin the Lin family’s Bloodline!” ”

Old Mrs. Lin’s words were rough but not harsh.

“Ye Shu said, “I’ve just called, but burning’s phone can’t be connected. She should be busy right now! I’ll ask again when she comes back tonight.” ”

“”Yes.”Old Mrs. Lin continued, “There are some young ladies nowadays who don’t think about how to change themselves. They only think about beautiful things and cling to the powerful!” ”

“Ye langhua continued, “Didn’t you say that the young lady, Lizi, also knows her? Ah Shu, have you asked Lizi about the situation?” ”

Ye Shu nodded. “I’ve asked. Lizi said that there’s nothing wrong with her character. She’s still a very caring young lady.”

“Old Lady Lin said, “Let’s wait for searing to come back first.” ”

“Compared to an Lizi, Old Lady Lin still believed in ye searing. ”

“Ye Zao was, after all, her biological granddaughter! ”

“Ever since the incident with Feng Xianxian, old madam Lin only believed in family ties. No matter how good an outsider was, they always had someone else’s blood flowing in them. ”

“Ye langhua nodded and continued, “Why don’t we call Ah Ze over to ask him?” ”

Zhang Qingqing said that Lin Ze was the father of the child.

No one should know more about what was going on than Lin Ze.

“Ye Shu said, “I’ll go get him.” ”

Upstairs.

“In the quiet room, only the clacking of keyboards could be heard. ”

Ye Shu stood outside the door and knocked.

“In a moment, Lin Ze’s voice came from inside. “Come in, the door isn’t locked.” ”

Ye Shu pushed the door open and went in.

“It had only been a night, but when Ye Shu looked at Lin Ze, she felt that Lin Ze had changed quite a bit.”

“It was as if the bright stars had suddenly lost their luster, and it made her heart ache.”

“It seemed that Zhang Qingqing’s pregnancy did not bring joy to Lin Ze, but a burden.”

““Ah Ze, what’s wrong? Are you not feeling well?” As a mother, seeing her child like this, Ye Shu was a little anxious.”

““It’s nothing.” Lin Ze shook his head. “Mom, why are you looking for me?” ”

“Ye Shu continued, “Your grandmother and grandmother have something to ask you.” ”

“Okay.” Lin Ze nodded. He stood up from his chair and followed ye Shu downstairs.

“Soon, the mother and son arrived downstairs.”

“Seeing Lin ze like this, Ye Langhua and old Mrs. Lin frowned slightly.”

““Ah Ze, good boy. Did Your Father Scold You?” Old Mrs. Lin held Lin Ze’s hand.”

“Lin Ze smiled and shook his head. “No. Grandma, I’m Fine.” ”

“Hearing Lin Ze say that she was fine, old Mrs. Lin heaved a sigh of relief, then, she said, “It’s good that you’re fine. Good Child. Tell me and your grandmother what happened between you and that Zhang Qingqing. Are you sure that the child in her belly is yours?” ”

“It’s mine.” Lin Ze nodded.

“”Is she your girlfriend? Are you really in love with her?” Old Mrs. Lin felt that something was wrong with Lin Ze, back then, Lin Jincheng and Ye Shu were also pregnant out of wedlock. However, all she could see on Lin Jincheng’s face was joy. However, there was no joy on Lin Ze’s face. ”

“Lin Ze did not know how to reply to Old Mrs. Lin. He continued, “Grandma, don’t worry. I will definitely be responsible for her.” ”

“Tell Grandma honestly. Was that woman plotting against you?” Old Mrs. Lin asked.

Lin Ze didn’t say anything.

“”Say it! You Child!” Seeing that he didn’t say anything, Old Mrs. Lin was very anxious. ”

“Lin Ze continued, “We were all drunk at that time. When we woke up the next day, everything that should have happened had already happened.” ”

Chapter 1559: 336: Trash! 4

“Hearing this, old Mrs. Lin continued, “Were you both drunk at that time?” ”

“Yes.” Lin Ze nodded.

“Then do you have any other impressions?”

“”No.” Lin Ze continued, “When I saw Zhang Qingqing again, she was already pregnant.” ”

“Scheming against you! She must be scheming against you! Ah Ze, let me tell you, you can’t have such a Woman!” Old Mrs. Lin continued, “Perhaps the child in her belly isn’t yours at all! No wonder searing suspects her!” ”

Lin Ze didn’t know what to say either.

“When he woke up the next morning, there was indeed blood on the bed. ”

“Even though he wasn’t a person, he knew what those blood stains meant. ”

“Old Mrs. Lin said, “Isn’t there that type of amniocentesis now? It can be done for DNA! Let that woman do the DNA test! Our Ah Ze is such an honest child. Even if he was drunk, he wouldn’t do such a thing!” ”

Old Mrs. Lin had raised Lin ze single-handedly. No one knew Lin ze better than her.

“Ye Shu said, “Zhang Qingqing is still four weeks pregnant. She can’t do a saline amniocentesis. The amniocentesis will take 14 to 21 weeks! Moreover, amniocentesis is not good for the fetus.”If she could do an amniocentesis., ye Shu wouldn’t have waited until now. ”

“Then we’ll wait for burning to come back and ask clearly.”Old Mrs. Lin continued, “Let’s ignore that woman for the time being! Who knows what she’s thinking! We can’t let our guard down!” ”

Old Mrs. Cen did not want to see Lin Ze being lied to.

“Ye Langhua continued, “This method isn’t absolute. What if that child really belongs to Ah Ze?” ”

Who could say for sure about this kind of thing!

“Old Mrs. Lin narrowed her eyes. “How about this, let’s keep her cold for now! We’ll wait for Luoluo’s reply. If Luoluo says there’s no problem, then we’ll go look for her!”In any case, old Mrs. Lin absolutely

believed in ye Zao, ye Zao and Lin Ze were biological siblings. Ye Zao would definitely not let Lin Ze be harmed by outsiders! ”

“That’s fine too.”Ye Shu nodded.

“Ye Langhua said, “This is the only way now!” ”

“Ye Shu looked at Lin Ze and continued, “AH ze, don’t put too much pressure on her. Things will work out when the time comes.” ”

“”Okay.”Lin Ze nodded slightly. “Mom, if there’s nothing else, I’ll go back to my room first.” ”

“Go ahead.”

“Looking at Lin Ze’s back, old Mrs. Lin Sighed. “Ah Ze has changed a lot! What a pity!”She was not even married yet. If she were to get married, it would be terrible! Old Mrs. Lin disliked Zhang Qingqing even more. She felt that Zhang Qingqing was up to no good. Look at what she had done to Lin Ze! ”

“If she really married such a girl, it would cause chaos in the family! ”

“After saying that, old Mrs. Lin continued, “I think that girl Lizi is quite smart. How could she know such a friend!” ”

“Old Mrs. Lin originally thought that an Lizi’s friend wouldn’t be too bad, but she didn’t expect that she still misjudged. ”

“Ye Shu looked at Old Mrs. Li and continued, “Maybe Lizi was also deceived! Mom, searing isn’t back yet, so we can’t make a conclusion easily. What if things aren’t what you think!” ”

“I think it’s more or less the case!”Old Madam Lin said.

On the other side.

At the hotel.

Zhang Qingqing's cell phone rang. She picked it up and saw that it was her mother calling.

"Mom." Zhang Qingqing picked up the phone.

"Mother Zhang's voice came from the other end. "Qingqing, have you eaten?" "

"I have. What About You?"

"Mother Zhang said, "Your father and I are preparing to eat." "

"The mother and daughter chatted for a while before mother Zhang sighed and said, "Qingqing, your brother's marriage might be ruined." "

"Why?" Zhang Qingqing was very surprised.

"Her brother, Zhang Lei, and his girlfriend, Qiao Yue, had been talking for three years and were preparing to take care of some matters this year. Why would there be a problem at such a critical moment? ! "

"Mother Zhang continued, "Qiao Yue's family wants us to buy a villa on Linbo Road, and they want us to pay in full. Our family's business has been declining year by year. We only have enough money to buy a three-bedroom villa, how can we afford a villa!" The Zhang family could be considered a wealthy family in the local area, the couple ran the tea business and had three to four million in cash, but a villa cost ten million, how could they afford it! "

"So it's about this! I thought it was a big deal! Mom, don't be anxious, you go and tell Qiao Yue that we'll buy this villa!" Not to mention a villa., right now, even if she bought ten villas, it wouldn't be a problem. A villa cost ten million, and ten villas would only cost one hundred million. "

Chapter 1560: 336: Trash! 5

100 million was nothing to the Lin Family?

“Mother Zhang was stunned, then she smiled and said, “What nonsense are you talking about, child! This is a villa! Do you think it’s cabbage? You can buy it as you wish!””

“”Mom, you are right. In the future, when your daughter buys a villa, it will really be like buying cabbage!”Zhang Qingqing said with a smile.”

“What? ! You won the lottery?” Mother Zhang asked.

“Zhang Qingqing continued, “Mom, I’m pregnant. I’m getting married.””

Pregnant?

Married?

“On the other end, mother Zhang exploded, “Qingqing, what nonsense are you talking about! How did you get pregnant! Do you know how old you are this year!””

“”Mom, aren’t you going to ask who my fiancé is?”Zhang Qingqing asked back.”

“Mother Zhang felt that there was a hidden meaning in Zhang Qingqing’s words. Her daughter had always had her own opinions, so she wouldn’t do something that didn’t know her limits. After a while, mother Zhang asked again, “Who is that man?””

“What do you mean by that man!” Zhang Qingqing said speechlessly, “Your words are too harsh. He is your daughter’s fiancé, and also your future son-in-law!”

“I’m too lazy to waste time with you. Just tell me who he is!” Zhang Qingqing’s mother said.

“Zhang Qingqing continued, “His name is Lin Ze, and he is the young master of the LIN Group in Beijing! Mom, you should know about the LIN Group, right?”

“As soon as she said this, there was a moment of silence on the other end of the phone. Although she could not see what was happening on the other end, Zhang Qingqing could imagine the expressions on her parents’ faces at this moment. They must be both surprised and pleasantly surprised!”

“At this moment, a voice came from the other end of the line again. “Qingqing, are you talking about the LIN Corporation of Simu International?”

“At this moment, father Zhang’s voice came through.”

“Zhang Qingqing snorted lightly and continued, “Simu? Simu is nothing! Dad, listen carefully, it’s the Lin Corporation of Hao Ren!”

Hao Ren.

“Father Zhang was also a businessman, so he naturally knew what Hao Ren represented.”

“In the capital, besides the CEN Group, there was also the LIN Group!”

“Qingqing,” father Zhang was so excited that he couldn’t even speak clearly. “You, are you sure?”

Father Zhang never expected that Zhang Qingqing would become the daughter-in-law of the LIN Group.

“Dad, how could I be wrong about this!” Zhang Qingqing continued, “You and mom should find a time to come to the capital. Mr. Lin and Mrs. Lin want to meet with you and settle things as soon as possible.”

Father Zhang continued, “Qingqing, is dad really not dreaming?”

Zhang Qingqing smiled and said, “How could you have such a good dream?”

On the other side, father Zhang pinched his thigh hard until he felt an intense pain at the base of his thigh. Only then did he dare to believe that all of this was real! All of this was real!

“Qingqing, your mother just told me that you are pregnant now?” Father Zhang continued to ask.

“Yes,” Zhang Qingqing continued, “That’s why I told you to come to Beijing as soon as possible!”

Father Zhang said excitedly, “Good, good, good! Qingqing, take good care of the baby. Don’t let anything happen to it. Your mother and I, we’ll Be There Tomorrow!”

“Okay.”

After hanging up the phone, Father Zhang wanted to cheer out loud.

That was the Lin Family!

The Lin family of Beijing!

A giant in the business world.

In the past, when the Lin family was mentioned, he was always envious. He didn’t expect that he would actually become in-laws with Lin Jincheng this time.

“In the future, let’s see who would dare to look down on the Zhang Family!”

The Qiao Family?

What was the Qiao Family?

It was fine if he didn’t want such a snobbish daughter-in-law.

“As long as he had money, what kind of wife could Zhang Lei not marry?”

“Father Zhang turned to look at mother Zhang and said, “Quick, quickly call lei lei and tell him to come back quickly. The three of us will go to Beijing together!””

“What about Qiao Yue’s side?”Mother Zhang asked.

“Father Zhang smiled and said, “Didn’t they look down on our family? Then we won’t get married. Let them regret it!””

“Mother Zhang nodded. “Yes, you’re right! Let them regret it! I’ll go and contact Lei Lei Now!””

“After Zhang Lei returned, he booked a plane ticket overnight and prepared to fly to Beijing the next day.”

On the other side.

“At 12 pm, Ye Zhuo returned home.”

“It was rare that no one in the family slept. Other than Lin Ze, Lin Jincheng, Ye Shu, Old Madam Lin, and Ye Langhua were all sitting in the living room waiting for her.”

“Zhuozhuo!” Seeing her return, ye Shu stood up from her chair.”

“Ye Zha placed the car keys on the coffee table. “Mom, it’s already 12 o’clock. Why aren’t you guys going to bed?””

“Waiting for you!” Ye Shu continued, “Zha Zha. Did you go to look for Zhang Qingqing yesterday during the day?””
