Chapter 1561: 336: Trash! 6

“So that’s why you guys are here!”

“Old Madam Lin said impatiently, “Zao Zao, tell us, did that Zhang Qingqing use some tricks? The child in her belly isn’t Ah Ze’s, right?” ”

Ye Zao nodded slightly. “You’re right!”

Old Madam Lin spread her hands. “Look! I told you! I told you long ago that there’s definitely something wrong with that woman! She wants our Ah Ze to take over as an honest person. Why is she so wishful thinking!”

“Ye Shu said in disbelief, “Zhonghua, have you investigated everything?” ”

““Yes,”ye Zhonghua continued, “Zhang Qingqing was kept by someone a year ago. By the way, do you know who kept her?” ”

Ye Langhua frowned.

Kept...

This was too disgusting!

“Old Madam Lin asked curiously, “Who is it?” ”

“Wu Youyu,” ye Zhuo answered. “According to the time calculation, the child in her stomach should be Wu Youyu’s.” ”

“Wu Youyu?” Ye Shu said in disbelief, “It’s... It’s Xie Wanqiu’s lover?” ”

“A while ago, the matter of Zhou Xiang’s stepmother had been blown up so much that it even made the news. Of course, Ye Shu knew about it. ”

But she did not expect that Zhang Qingqing was also one of the time protagonists.

“Yes.” Ye Zao nodded slightly.

Ye Shu’s heart was in turmoil. She did not understand why Lin Ze would be entangled with such a woman.

“Zao Zao, you just said that the child in Zhang Qingqing’s stomach was Wu Youyu’s, but wasn’t Wu Youyu already dead for more than two months?” Ye Shu continued to ask. ”

What she was most afraid of now was that the child in Zhang Qingqing’s stomach was really Lin Ze’s.

That was too disgusting!

“Ye Zao continued, “That was because she bribed the doctor to do something and changed her report to one month pregnant. Actually, she’s already two months pregnant.” ”

“Shameless! This is too shameless!” Old Mrs. Lin almost couldn’t control herself, “Zao Zao, it’s fortunate that we have you! Otherwise, our Lin family would be ruined by this snake-hearted woman! And Ah Ze, ever since this incident happened, your brother has become a completely different person! Oh right, we have to quickly tell your brother about this, lest he can’t sleep at night.” ”

Ye Zhuo nodded. “I’ll go tell my brother right now.”

“Go, go, Go!”

“After learning that the child in Zhang Qingqing’s stomach was not Lin Ze’s, the few of them felt much more relieved.”

“After a while, Ye Shu turned to look at Lin Jincheng. “You have to apologize to AH ze properly! I told you, our Ah Ze is not that kind of person! Who would be like you, hitting the child without any reason!”

Lin Jincheng’s slap made ye Shu’s heart ache.

“Yes.” Lin Jincheng nodded. “I know.”

“You have to apologize to the Child Tomorrow!”

“Don’t wait for tomorrow. I’ll go in a while!” Lin Jincheng said.

“That’s more like it,” ye Shu said. ”

Upstairs.

Ye Zhuo told Lin ze everything that had happened.

“Hearing this, Lin Ze’s expression gradually became lively. He turned to look at Ye Zhuo. “Zhuozhuo, are you serious?” ”

“Of course I’m serious. Actually, nothing happened between the two of you that night. I’m already looking for evidence! Don’t worry, brother. That child has nothing to do with you at all!” ”

“Lin Ze was so happy that he cried. He hugged ye Zao and said, “Zao Zao, Thank You!” ”

“Brother, what are you talking about!”Ye Zao said with a smile. ”

“Ye Zao stayed in the room to chat with Lin Ze for a while. Then, Lin Jincheng came up. He came to apologize to Lin Ze. “Ah Ze, I’m sorry. It was dad who wronged you. Dad shouldn’t have hit you without clarifying the matter!” ”

“Dad, I don’t Blame You,”Lin Ze said. ”

“Lin Jincheng looked at Lin Ze and felt that this child had grown up a lot in an instant. He had matured a lot, then, he said, “AH ZE, you must remember that before you can give a girl happiness, you must never do that to her! You’re a man. You can just throw your arms around and leave. But it’s the girl who’s harmed!” ”

“Okay.”Lin Ze nodded.

“It’s good that you know.”Lin Jincheng reached out and patted Lin Ze’s shoulder.

“After saying these words, Lin Jincheng went downstairs. ”

“In the blink of an eye, it was the next day. ”

“The Zhang family’s parents and Zhang Lei came to Beijing, and Zhang Qingqing personally went to the airport to pick them up. ”

“When they saw Zhang Qingqing, the Zhang family’s parents’faces were all smiling like flowers. Now, they saw that Zhang Qingqing was no longer Zhang Qingqing. She was clearly a glittering wealthy lady, the ancestor of the Zhang family. “Qingqing! Qingqing!” ”

“Mom and Dad!”Zhang Qingqing ran over.

“Mother Zhang said nervously, “Be careful! Be careful, you’re carrying a child in your belly!” ”

“Look at how nervous you are!” Zhang Qingqing smiled and said, “It’s fine!” ”

“What if something happens! The child in your belly is very precious!” Mother Zhang held onto Zhang Qingqing’s arm.

“Zhang Lei said, “Qingqing, where’s your boyfriend? Why didn’t he come with you to take advantage of the situation?” ”

“Father Zhang said, “He’s the young master of the Lin Corporation! Can he come out to pick me up?” ”

“Zhang lei snorted, “So what if he’s the young master of the Lin Corporation? He’s still going to marry my sister!” ”

“That’s true!” Father Zhang was in high spirits when it came to happy events. He walked with his head held high. After all, he was about to become the father-in-law of the LIN Corporation’s young master! In the future, who else in the capital would be more noble than him? ”

“Mother Zhang looked at Zhang Qingqing and continued, “Qingqing, your father, your brother, and I have traveled thousands of miles from home. How can our future son-in-law not show up? call him and tell him to come over immediately!” ”

“Zhang Qingqing had the Lin family’s flesh and blood in her belly. Now, it was not they who were begging the Lin family, but the Lin family who was asking them! ”

“Zhang Qingqing nodded and said, “I’ll call him right now!” ”

“As she said that, she took out her phone and made a call. ”

“She thought that Lin Ze would answer the call right away, but a busy voice came from the other end of the phone. ”

Zhang Qingqing frowned. Did Lin Ze blacklist her?

It shouldn't be!

"Zhang Qingqing called again, but the other end of the phone was still busy. "

"Zhang Qingqing frowned and called an Lizi again, but an Lizi was still on the phone. "

"Just when Zhang Qingqing was anxious, an Lizi called. "

"Lizi!"

"Don't talk! Listen to me!" An Lizi sounded very anxious and angry.

"Before Zhang Qingqing could react, an lizi continued, "Zhang Qingqing! You disappoint me. I treat you as my best friend, and you lie to me like this! How can you be so Shameless!" "

"Lizi! When have I ever lied to You?" Zhang Qingqing suddenly had an ominous feeling in her heart.

"When have you ever lied to me?" An lizi sneered, "I know everything! I know everything! The child in your stomach is not ah ZE's at all!" "

"Lizi, I don't know what you're talking about!" "

"You don't know what I'm talking about! Then you should know who Wu Youyu is! Zhang Qingqing, you disgust me!" After saying that, an lizi hung up the phone with a snap. "

"Zhang Qingqing's face instantly turned white, and the strength in her body seemed to be sucked away at that moment. "

Chapter 1562: 237: Retribution is coming! 1

How did this happen?

How did an Lizi Know About Wu Youyu?

Zhang Qingqing looked at the phone that was hung up on and her heart was in a mess.

What should she do?

What should she do now?

“Seeing Zhang Qingqing like this, mother Zhang immediately walked over. “Qingqing, what’s wrong with you? Are you not feeling well? Do you want to go to the hospital to have a look?””

Zhang Qingqing’s stomach was now the hope of the entire Zhang family. There couldn’t be any problems.

“”It’s fine, Mom. You Don’t have to worry.”Zhang Qingqing tried her best to calm herself down and continued, “Let’s go back to the hotel first.””

“”Okay.”Mother Zhang nodded first, then quickly reacted. “Hotel? Qingqing, you’re staying at a hotel now?””

“Yes.”Zhang Qingqing nodded.

“Mother Zhang said unhappily, “You are a healthy person now, how can you stay in a hotel? You should stay in the Lin family and let the servants of the Lin family take care of you!””

“Before coming to the capital, mother Zhang had already checked.”

“The Lin family lived in the most expensive manor in the capital, occupying more than ten acres of land. Now that Zhang Qingqing had the hope of the Lin family’s future, how could the Lin family let Zhang Qingqing stay in a hotel!”

“Hearing that, Father Zhang looked at Mother Zhang. “What does a short-sighted woman like you know? The matter between Qingqing and the young master of the Lin family has not been settled yet. What’s the big deal about rashly staying in the Lin Family? !”It was too degrading! Although the Zhang family was not a wealthy family, father Zhang still understood this point.”

Mother Zhang nodded. “I see.”

“Zhang Lei followed behind and asked, “Then when Will Qing Qing be able to move into the Lin Family?””

“Father Zhang continued, “After we have confirmed our marriage with the Lin family, Qing Qing will be able to officially marry into the Lin family and live in the Lin Family!””

“Zhang Lei said with some disappointment, “How long will that have to wait!””

“Father Zhang looked at Zhang Qing Qing and continued, “Your Sister has a child now. Don’t worry, the Lin family will not drag this out for too long!””

Zhang Qingqing walked away in a daze. She didn’t hear a single word father Zhang and Zhang Lei were saying.

“Soon, they left the airport.”

“Mother Zhang turned to look at Zhang Qingqing. “Qingqing, you just called your son-in-law. What did he say? Did he arrange a car to pick us up?””

“Zhang Qingqing continued, “He might be busy and didn’t pick up the call.””

“Mother Zhang said unhappily, “Mother-in-law didn’t even come to pick us up when she came to Beijing. This is too outrageous!””

“Not to mention mother Zhang, even father Zhang was displeased.”

“Zhang Qingqing hailed a taxi. “Dad, Mom, brother, let’s get in the car first!””

The family of four got in the car.

They soon arrived at the hotel entrance.

Zhang Qingqing used her own money to get a suite.

“After settling in her parents and brother, Zhang Qingqing called Lin Ze again.”

But the result was the same.

“So, Zhang Qingqing called an Lizi again, but an Lizi also blocked her!”

What happened?

Could it be that they already knew everything?

“But Wu Youyu was already dead, and there was no third person who knew about her and Wu Youyu. How on Earth did they know?”

Zhang Qingqing knew an Lizi’s address. She went straight to the Lin family villa to ask an Lizi about it.

The key was that an Lizi was gullible.

“As long as she could get past an Lizi, she would be able to get past the Lin Family!”

Zhang Qingqing waited anxiously at the entrance of the villa.

“After a long while, an Lizi finally walked out of the villa.”

“When she saw an Lizi, Zhang Qingqing immediately went up to her. “Lizi! Lizi!””

“Seeing Zhang Qingqing, an Lizi’s face had long lost its previous warmth.”

She had never thought that Zhang Qingqing would use her!

“Thinking about how she had almost caused Lin ze to suffer, an Lizi felt extremely guilty.”

““Zhang Qingqing, you still have the nerve to come and look for me! If it wasn’t for you, my grandmother wouldn’t have any objections against me! Do you know that you’ve caused me to suffer!””

“It wasn’t easy for Old Lady Lin to accept an Lizi. After this incident, Old Lady Lin was full of complaints about her.”

““No! I didn’t!”Zhang Qingqing continued, “Lizi, believe me, the child is really Lin Ze’s! I’ve never lied to You!””

““At this time, you still want to lie to me!”An lizi continued, “Zhang Qingqing, do you really think that I don’t know anything? “You’ve been kept by Wu Youyu for a long time, and your child is also Wu Youyu’s! “Do you really think that you can secretly bribe the Doctor to change the pregnancy cycle without anyone knowing! “Zhang Qingqing, let me tell you, the heavens are watching! “There is a god three feet above you!””

“Hearing this, Zhang Qingqing almost lost her balance.”

Chapter 1563: 237: Retribution! 2

Got It.

An Lizi really knew everything.

What should she do now?

No.

“She wanted to marry Lin Ze, she wanted to become the young mistress of the Lin Family! ”

““Lizi, I didn’t, I really didn’t! We grew up together, when have I ever lied to you! Someone is framing me!”Zhang Qingqing looked at an Lizi, “Ye Zao! It must be ye Zao! Ye Zao has always looked down on me! She doesn’t want me to marry Lin Ze, this is all ye Zao’s scheme. Lizi, can you trust me? The only person who can help me now is you!” ”

“An Lizi looked at Zhang Qingqing in front of her, the memories of her childhood kept appearing in front of her eyes. ”

This was the Zhang Qingqing that she had known for more than 20 years.

She had changed.

Zhang Qingqing had changed a long time ago.

“Zhang Qingqing, when did you become like this?” An Lizi was a little heartbroken. “You can go! I Won’t have you as a friend in the future!” ”

“Lizi, I’m kneeling down for you. Please believe me this time!” As she said that, Zhang Qingqing knelt down on the ground. ”

“She had thought that an Lizi would definitely be soft-hearted, but an Lizi did not even look at her. She turned around and walked into the house. ”

“Looking at an Lizi’s back, the light in Zhang Qingqing’s eyes gradually faded. ”

“After a long while, she stood up from the ground. ”

“Since the Lin family wasn’t kind to her, then don’t blame her for being unrighteous! ”

“Lin Ze didn’t recognize this child, right? ”

Fine!

She had plenty of ways to make Lin Ze admit it.

Since when was a barefoot person afraid of wearing shoes?

Zhang Qingqing narrowed her eyes and returned to the hotel.

“Zhang Qingqing’s parents waited at the hotel for a long time. Finally, Zhang Qingqing returned. ”

“When mother Zhang saw Zhang Qingqing return alone, she curiously looked behind her. However, she did not see anyone else and asked, “Why are you alone? Where’s the Lin family’s young master?” ”

“Zhang Qingqing cried out and hugged mother Zhang. “Mom! What should we do! Lin Ze wants to break up with me, and the Lin family won’t acknowledge me!” ”

What?

“Mother Zhang widened her eyes in disbelief. “Qingqing, what did you say?” ”

“Hearing that, Father Zhang and Zhang Lei quickly surrounded her. “What happened? Qingqing, did you and the Lin family’s young master get into a fight?” ”

““We didn’t get into a fight,”Zhang Qingqing cried. “He didn’t want me anymore! The Lin family thinks that our family is too low-born and doesn’t deserve the Lin family! Dad, Mom, what should I do?” ”

Why did the Lin family bring up all those old grudges?

It was all because they looked down on others! They looked down on the Zhang Family!

““This is outrageous!”Father Zhang slammed the table angrily. “Who does the Lin family think they are! They can get you pregnant if they want to, and break up if they want to! How can there be such a cheap thing in this world!” ”

“Mother Zhang said, “Qingqing, don’t cry first. Your dad is right. How can there be such a cheap thing in this world! ! You’re still carrying the Lin family’s child in your belly! If it really doesn’t work out, we’ll find the media to expose them! If he dares not take responsibility for you, we’ll sue him for rape!” ”

“Right now, Zhang Qingqing was carrying Lin Ze’s child in her belly! If this matter were to blow up, Lin Ze would be in big trouble! ”

“If rape led to pregnancy, Lin Ze would have to spend a few years in prison no matter what. ”

Was the Lin family willing to let Lin Ze spend a few years in prison?

Father Zhang turned to look at Zhang Qingqing. "Do you have evidence of the two of you being together?"

"Yes!" Zhang Qingqing nodded.

"Before leaving the clubhouse, Zhang Qingqing took a lot of photos. "

"That's Good!" Father Zhang narrowed his eyes, "Don't look at how big the Lin family is. Once a scandal breaks out, tens of thousands of people will boycott it, and the family will fall in an instant. Qingqing, don't worry, we will definitely get justice for you!" "

"With the development of the times, the development of technology, and the development of the Internet, it was no longer an era where power overshadowed the sky! "

"After hearing father Zhang's words, Zhang Qingqing felt a lot more at ease. "

"Zhang Lei said, "I have a friend who works for the newspaper. I will contact him right now." "

"Father Zhang raised his head to look at Zhang Lei, then, he said, "Don't be anxious. Finding the media to expose them is the last step. First, let your sister find the Lin family to negotiate! If the Lin family is still like this, we will find the media to expose them!" "

"Okay." Zhang Lei nodded.

"Father Zhang continued, "Qingqing, contact the Lin Family First and see what their attitude is!" "

"Okay."

"Zhang Qingqing continued to contact Lin Ze, but Lin ze blacklisted her. So, Zhang Qingqing could only contact buttface. "

She still had buttfacet's wechat.

Zhang Qingqing edited a long paragraph of wechat for Buttfacet.

Chapter 1564: 237: Retribution is coming! 3

"[ ... .. I hope that Lin Ze can take on the responsibility of being a father. Escaping is not the way ... I know that I was born low and was just an ordinary girl who could not be found even if I fell into the crowd. I am not worthy of young master Lin, but I am already pregnant with his child ! My Constitution is special. If I forcefully abort the child, I will never be able to have my own child in the future If he keeps running away like this, I can only use my own methods to defend my rights"

"When Buttfacet received this message, he didn't reply immediately. Instead, he sent a screenshot to Lin Ze."

"Brother Ze, Zhang Qingqing is looking for me"

Lin Ze happened to be online. He clicked on the picture and frowned slightly. Ignore her. Just block her

[ Okay. ] Dog two blacklisted Zhang Qingqing.

"Dog Two didn't reply to her, so Zhang Qingqing was a little anxious. She continued to send wechat messages to dog two. As soon as she sent the message, the dialog box showed a prompt that said, "The other party has rejected your message."."

Zhang Qingqing couldn't believe her eyes.

Blacklisted!

Dog Two had blacklisted her too!

Weren't they afraid that she would expose this matter to the public?

"There was so much public opinion on the internet right now. Once this matter was exposed, no matter how powerful the Lin family was, they wouldn't be able to end it!"

"A moment later, Father Zhang came over. "Qingqing, how is it?""

Zhang Qingqing shook her head.

"Father Zhang narrowed his eyes. "Alright! Since that's the case, let's wait for them to beg us! Lei Lei!""

"Zhang Lei jogged in from outside. "What's wrong, Dad?""

"Contact your friend from the news agency and tell him to come over. Tell him that we have big news!" Father Zhang continued.

"Alright!" Zhang Lei nodded and said excitedly, "I'll contact him right away!""

"After saying that, Zhang Lei went to contact his friend from the news agency."

"His friend from the news agency was very excited after hearing Zhang Lei's words. If this matter were to be published, it would definitely be explosive news!"

"The Lin Corporation's crown prince had raped a certain woman and caused her to become pregnant, but he was unwilling to take responsibility!"

“Lei Zi, my results this year are entirely dependent on you!” Liu Pan continued, “Are you sure that what you said is true? ””

“The other party is my sister! Don’t tell me that I would use such a thing to lie to you? Liu Pan, if you don’t want to come, just say it. If worst comes to worst, I’ll go to other newspapers!””

“Hearing this, Liu Pan panicked and quickly said, “Come, come, come! Who says I’m not coming! I’ll be there right away! You must not call another news agency! I want to get the exclusive on this!””

“Okay!” Zhang lei continued, “Then hurry over!””

“Wait for me for ten minutes!”

“After hanging up the phone, Zhang Lei returned to Father Zhang’s side. “Dad, I’ve already called my friend. Are you sure you want to expose this matter?””

“Since the Lin family isn’t sincere and doesn’t want to be responsible for your sister, then I can only make the first move!””

“Zhang Lei said with some worry, “If we do this, what if the Lin family is unhappy? After all, Qingqing is still going to marry into the Lin Family!””

“Silly child! Do you really think that Qingqing can still marry into the Lin Family?” Father Zhang continued, “The Lin family now looks down on US and looks down on Qingqing. After this matter blows up, they will not allow Qingqing to marry into their family!””

“Then why are we looking for reporters?” For a while, Zhang Lei’s mind was a little confused.”

“Father Zhang explained, “Your sister is pregnant with the Lin family’s child. If the Lin family doesn’t compensate us, we will not let it go!” The Lin family was a wealthy family. Regarding the compensation, Father Zhang had already thought about it! He had to compensate 1 billion!”

“Dad.”Zhang Qingqing turned to look at Father Zhang.

“”What’s Wrong?”Zhang Qingqing continued, “I want Lin Ze to marry me! I’m definitely going to be the young mistress of the Lin Family! So, no matter how much money they give you, can you compromise?!”

“The matter had already developed to this point. Even if Zhang Qingqing had to give everything, she had to marry into the Lin family in a glorious manner. She wanted Lin ze to kneel in front of her and beg her!”

Father Zhang frowned. “But...”

“”No buts,”Zhang Qingqing continued, “Getting the Lin family to give me some money is only a temporary benefit. If I can marry into the Lin family, it will be different! One person will attain enlightenment, and the whole family will ascend to heaven! So, father, you have to listen to me!””

So what if the Lin family found out about Wu Youyu’s existence?

Wu Youyu was already dead!

“Dead without a witness, they wouldn’t be able to find anyone to confront him.”

Chapter 1565: 237: Retribution is coming! 4

“It was just a rumor that she was kept by Wu Youyu, but it was true that she was raped by Lin Ze and was pregnant with Lin Ze’s child! ”

It was already very obvious that public opinion would be on that side!

“Therefore, Zhang Qingqing was not afraid at all. ”

“Lin Ze was in a dilemma this time. No matter what, he had to marry her! ”

“Mother Zhang nodded with a smile, “I think Qingqing is right. Old Zhang, just listen to Qingqing! “If Qingqing marries into the Lin family, then we will become in-laws of the Lin Family! “When the time comes, the Lin family’s property will be Qingqing’s, and if it’s Qingqing’s, Won’t It Be Ours?” ”

Father Zhang hesitated for a moment before turning to look at Zhang Qingqing. “Are you sure this is okay?”

“Zhang Qingqing nodded seriously. “Dad, just listen to me!” ”

“Okay!”

“Life was a gamble. If they won, it would be a huge fortune. To them, this deal was not a loss at all! ”

“Soon, Liu Pan arrived. ”

“That night, a newspaper reported an exclusive. In less than an hour, the news had 20 million views and more than 50,000 comments! ”

“At the same time, there were three hot searches on Weibo. ”

Each of them had the logo of ‘explosive’.

# the Crown Prince of the Lin family is suspected of rape #

# the LIN Group #

# the Crown Prince of the Lin family raped and caused the woman to get pregnant #

The comments section was very hostile.

[ rich people can really do whatever they want! My heart aches for this girl. ]

[ I didn't expect this kind of thing to happen in 2002! ]

““Everyone, stand up. Don't bow down to the evil forces and seek justice for Miss Xiao Zhang!” ”

“Oh my God! I originally thought that the LIN Group was the most humane company in the country. I didn't expect the future successor to be like this!”

““This Lin Group's crown prince is too much of a fraud. If it was my son, he would have broken his leg long ago.” ”

[ we must all unite and boycott the LIN Group together. ]

Zhang Qingqing browsed through the comments of the netizens one by one. The corners of her mouth were filled with a proud smile.

The reactions of the netizens were even more intense than she had imagined.

Good.

This was really great.

“Zhang Qingqing narrowed her eyes, took out her phone, and changed her Weibo name to [ victim Xiao Zhang ] . Then, she posted a Weibo post. ”

“Victim Xiao Zhang: [ hello everyone, I am the victim Xiao Zhang. ]. On November 23,2002, my friend booked a floor at the Chao Feng Club to celebrate my birthday. That night, seven or eight people came, and among them, young master Lin of the Lin Group, Lin Ze, was one of them... ”

“After this happened, I was very scared. I didn’t know how to face myself, and I didn’t know how to face my parents. So, I could only pretend that nothing had happened. Before dawn, I left the club. Time passed day by day. Every day, I tried to convince myself to forget this matter. Because I knew that I was just an ordinary family’s daughter. I couldn’t get justice for myself! Time passed quickly. Just as I was about to forget that unbearable night, a report broke the silence. That day, I wasn’t feeling well, so I went to the hospital for a check-up. Unexpectedly, the result was that I was pregnant! ”

“At that moment, I felt like my sky was about to collapse! How could I be pregnant with his child! ! I thought about having an abortion, but the Doctor said that my constitution was special and wasn’t suitable for an abortion. If I aborted this child, I would never have the chance to have a child again! ”

“I had no choice but to keep this child. I could only thicken my skin and look for Lin Ze, but who knew... ! ... Lin Ze actually refused to acknowledge this child. He suspected that the child wasn’t his. Actually, I knew that he didn’t doubt the child’s origin, but he felt that I wasn’t worthy of him! Yes, I admit that my family background was ordinary. I wasn’t worthy of him at all. ! But back then, if he hadn’t drugged me, I wouldn’t have been pregnant with his child! ... Now, I didn’t want to pursue his responsibility. I just wanted him to bear the responsibility of a father! [ picture jpg ][ picture jpg ][ picture jpg ] ”

“At the back of the essay, there were five pictures. The first was Zhang Qingqing’s pregnancy report, the second was the blood on the white sheets, and the third was the picture of Lin Ze lying on the bed. ”

“Zhang Qingqing pushed all the questions onto Lin Ze, and even reversed black and white, accusing Lin ze of drugging her. ”

“Soon, this little essay became a hot search topic. ”

# victim’s voice #

# Little Zhang #

“Zhang Qingqing’s fan count went directly from two digits to three digits, four digits, and finally five digits and six digits.”

Chapter 1566: 237: Retribution is coming! 5

“”Actually, from what Miss Xiao Zhang said, it can be seen that she is a very kind-hearted girl. It’s a pity that she has met non-human beings!” ”

“”This reminds me of a saying. The poor can not win against the rich, and the people can not win against the officials.” ”

“What are you doing mosaic! You should show us what this crown prince of the Lin family looks like!”

“”I suggest Miss Xiao Zhang call the police. In this situation, it will take at least three years!” ”

“I support calling the police!”

“”Actually, to be honest, it is very normal for this kind of thing to happen in the circle of wealthy families like theirs. Through the Internet, we got to know a Miss Xiao Zhang, and after the internet, there are n more Miss Xiao Zhang!”! “It’s just that it hasn’t been exposed. I really hope that the country can come up with a law to severely punish these rich second generations!” ”

“[ Miss Xiao Zhang, please insist on protecting your rights. Don’t back down. We will always be by your side. ] ”

“[ this scumbag is called Lin Ze, right? I found out that he is also the campus belle of Beijing University!@beijing university official Weibo, may I ask if you still haven’t dealt with this kind of social cancer? ] ”

“[ scumbag, go to hell! ] ”

“[@beijing university official Weibo, why isn't there any news from the official account? Don't you usually take advantage of the Heat? ]”

The impact of this matter was too great. There were even many netizens who went to the official Weibo of the LIN Corporation and Beijing University to curse.

The stock of the LIN Corporation was also affected because of this.

Tang Xue also saw the news.

Lin Ze.

“The netizens didn't know, but she knew who Lin Ze was. ”

Lin Ze was ye Zao's older brother.

“A while ago, Ye Zao had been very popular on a variety show. Although the program team had deleted the footage of her, her fans were still there, and her popularity was still there, and.., ye Zao had participated in the bidding as a chess host. Because of that show, ye Zao's Weibo fans had already reached 90 million. ”

“If it was revealed that Ye Zao was Lin Ze's brother at this time, the scene would definitely be very explosive. Tang Xue curled her lips slightly, picked up her phone, and sent a message. ”

“Twenty minutes later, Weibo added a new hot search. ”

# Sitara YC's Ye #

# completely blew away that ye Zao and Lin Ze were biological siblings #

# Jing University's Campus Belle #

[ oh my God! I didn't Expect Ye Zao and Lin Ze to be biological siblings. How could our ye Zao have such a brother! ]

[ I'm really going to throw up! ]

[ the gap between the brother and sister is too big! ]

“[ if there is an elder brother, there will be a younger sister. Who knows what this younger sister will look like in the future! ] ”

[ news from the Du family! I heard that the Lin family was about to accept Miss Xiao Zhang. It was because of this sitara that the Lin family suddenly changed their mind! ]

“[ I told you, this Sitara is definitely not a good person! ] ”

A bunch of people chased after ye Zao's Weibo and scolded him.

“Seeing that the incident was getting more and more heated, some of Ye Zao's true fans couldn't sit still anymore. [ Yezi, come out and clarify! We don't believe that Big Brother is such a person! ] ”

“[ Yezi, we are all waiting for your reply! ] ”

“[ brain-dead fans are really too scary. At this time, they can still say such words. It's simply disgusting! ] ”

“At this moment, Ye Zhuo forwarded Zhang Qingqing's Weibo with a caption: [ hell is empty, the Devil is in the human world. ] ”

“After this Weibo post was posted, the netizens did not pay the bill, and the curses became even more serious.”

[ who is the Devil? ]

“[ it’s really disgusting. At this time, they can still make such shameless remarks! ] ”

“[ well said, well said! I think your whole family should go to hell! ] ”

“[ indeed, the brother upstairs is right. The sister of a scum is also a scum. Now that you have legs and the truth, do you capitalists still want to cover up the truth? ] ”

[ I suggest that the government ban this big V! ]

[ can such a person become a streamer? He is simply influencing the next generation of the Motherland!  
]

“Zhang Qingqing had been holding her phone the entire time. Seeing that ye Zao was also implicated, Zhang Qingqing was extremely happy. ”

“She had thought that ye Zao was very powerful, but it turned out that ye Zao only had so much ability.  
”

What kind of hell was empty and the Devil was in the human world?

“Could it be that ye Zao did not know that at this time, the more pitiful he acted, the more sympathy he would receive? ”

“At this moment, father Zhang walked in from outside. “Qingqing, the heat of the matter is getting higher and higher. Why do you think the Lin family hasn’t sent anyone over yet?” ”

“It had been a few hours since the incident, and it had even implicated the Lin family’s daughter. Logically speaking, the Lin family was already in a state of panic, but the Lin family did not have any reaction at all. This made father Zhang very worried, he felt that there was something wrong with this matter, but he could not figure out what was wrong. ”

Chapter 1567: 237: Retribution is coming! 6

“Father Zhang scratched his head, not saying a word. ”

“Zhang Qingqing placed her phone on the table. “Dad, there’s no use in being impatient. Just wait, the Lin family will send someone over sooner or later. Just remember what I said! The ones who should be anxious now aren’t us, but the Lin Family!” ”

“Just then, a phone rang in the air. ”

Zhang Qingqing picked up her phone and took a look.

So it was an Lizi calling. She had thought that the Lin family had a strong personality... .. So it was just like that.

Why did an Lizi call at this time? She was definitely here to plead for mercy!

But what was an Lizi!

Could an lizi be considered a member of the Lin Family?

She had to make the Lin family come over personally!

Zhang Qingqing immediately cut off an Lizi’s call.

“An Lizi was extremely anxious when Zhang Qingqing did not pick up the call. This was all her fault. If it were not for her, Lin Ze and ye Zao would not have been scolded by so many people!”

An Lizi asked the driver to go to the Lin family manor overnight.

“Unlike what she had imagined, the Lin family manor was peaceful and peaceful. There was not the slightest bit of tension in the atmosphere. Could it be that the Lin family still did not know about the news on the internet?”

“The Butler came out from inside and asked in surprise, “Miss, why are you here at this time?””

“An Lizi could not explain much. “Grandpa Butler, is burning at home?””

“Yes.”The butler nodded. “Please come in quickly!”

An Lizi jogged in.

Xiao Bai was mopping the floor in the living room when he saw an Lizi come in. “Old an! Old An! Why are you running so fast!”

An Lizi did not have time to talk to Whitey and rushed all the way to the elevator.

“Looking at an Lizi’s back, Whitey scratched its head and asked curiously, “What’s wrong with old an! Don’t you like me calling her old an?””

Ye Zao’s room door was left unattended. An Lizi did not even have time to knock on the door and rushed straight in. “Zao Zao! Zao Zao!”

“Ye Zao was sitting in front of the computer desk. When he saw an Lizi come in, he smiled and looked back. “What’s wrong with you? Why are you in such a hurry?””

“Zao Zao, something bad has happened! Have You Seen Weibo? Zhang Qingqing, Zhang Qingqing, she...” ”

Ye Zao nodded slightly. “I know everything.”

“You’re still so calm even though you know?” An lizi continued, “Zao Zao, I’m really sorry. This is all my fault! If it weren’t for me, things wouldn’t have turned out like this!” ”

1

“Ye Zao looked at an Lizi. “It’s not all your fault, but Lizi, you really have to be careful in the future! Not every friend can be trusted.” ”

“Mm.” An lizi nodded and continued, “Zhuo Zhuo, what about the news online? I see that the number of views has already exceeded 50 million!” ”

“Wait a little longer.” Ye Zhuo’s tone was indifferent.

“Wait for what?” An Lizi was very anxious.

Ye Zhuo stood up and gave an Lizi a cup of beauty tea. “Don’t be anxious. Drink a cup of tea to moisten your intestines.”

“At this time, an Lizi was not in the mood to drink tea. “Zao Zao, what do you have in mind?” ”

“At this moment, ye Zao’s computer rang. Ye Zao opened the pop-up window and a faint smile appeared on his face. ”

An Lizi was anxious!

“However, there was nothing she could do even if she was anxious now. She could only patiently wait.”

...

On the other side.

At the hotel.

“Qingqing! Qingqing!” Mother Zhang ran in from outside and said anxiously, “Not good! Not Good!”

“Pregnant women were all lethargic. It was already two in the morning and Zhang Qingqing had been asleep for a while. When she suddenly heard mother Zhang’s voice, Zhang Qingqing shuddered and hurriedly opened her eyes, “What’s wrong, Mom! Did the Lin family send someone over?”

“Mother Zhang continued, “Your phone! Quick, look at your phone!”

“Zhang Qingqing immediately opened her phone and logged into Weibo. When she saw it, her face immediately turned pale.”

“Chapter 1568: 238: After learning the truth, the entire Internet was furious. What happened to Zhang Qingqing! 1”

Zhang Qingqing looked at her phone with disbelief written all over her face.

How could this be?

What on Earth happened!

Zhang Qingqing's comments section was filled with curses.

[ scheming woman is Shameless! ]

[ F \* ck! I'm accompanying the old man and being his lover. ]

[ I still don't know whose child this child is! ]

[ whose child is it? It's already very obvious. It's definitely that old man's! ]

[ Lin Ze is also unlucky! ]

[ he's indeed quite unlucky. He was actually pestered by such a disgusting woman! ]

“[ F \* ck! I was quite sympathetic to her at first. For her sake, I forwarded a lot of Weibo posts. I even went to Yezi's Weibo to scold her for a long time. I didn't expect the situation to turn around like this! ]”

“It's obvious that master Lin has fallen into a trap! He was set up by a scheming woman!”

“This must be the legendary green tea bitch! I've really seen it for myself!”

“This woman has really refreshed my worldview! How can there be such a shameless person in the world?”

“”From the looks of that old man, he should be able to be her father, right?””

“”Not just a father, he can even be a grandfather!””

“Zhang Qingqing flipped through the comments, her fingers trembling.”

“In a moment, she switched her phone to the hot search page and saw a hot search.”

# Little Miss Zhang’s incident has turned around #

“Zhang Qingqing clicked on this hot search and when she saw the content, she fell straight down on the sofa.”

All she saw were photos of her and Wu Youyu together.

“Some were walking hand in hand, some were kissing, and some were unsightly!”

There were also her and Wu Youyu’s chat records.

How did these photos get online?

Wasn’t Wu Youyu already dead?

“Zhang Qing Qing took a deep breath, almost unable to breathe.”

“At this moment, father Zhang rushed in from outside. “What’s going on? You were really... really...””

Father Zhang couldn’t say the remaining two words!

He didn’t believe that Zhang Qingqing would be kept by someone else!

He also didn’t believe that these photos were real.

“Although the Zhang family wasn’t a high-class family, they were still a respectable family. Zhang Qingqing was also raised in his hands. He wouldn’t allow Zhang Qingqing to do such a shameful thing!”

That man looked even older than him!

Wasn’t Zhang Qingqing embarrassing him?

“Vile daughter! Vile daughter! Look at what you’ve Done!” Father Zhang pointed at Zhang Qingqing and scolded angrily, “No wonder the Lin family doesn’t want you! You Shameless Thing!”

“As he said that, Father Zhang was about to raise his hand to hit Zhang Qingqing.”

“Mother Zhang immediately blocked in front of Zhang Qingqing, “Her father! You Can’t hit him! You Can’t hit him! Although Qingqing did something wrong, she’s still a person with a body now!”

“Father Zhang was furious, but when he heard mother Zhang’s words, he still put down his hand and looked at Zhang Qingqing. He continued, “Let me ask you, whose bastard child is in your stomach?”

“Lin Ze’s! It’s Lin Ze’s!” Zhang Qingqing’s eyes were red. “Father, you have to believe me! The child really is Lin Ze’s! The Lin family didn’t want to take responsibility, so they created all this! You have to believe me!”

“Father Zhang was very angry, “What’s the use of me believing! Do you think the Lin family will let someone like you in? How could I have such an embarrassing daughter like you!”

“Dad, I didn’t do it on purpose!” Zhang Qingqing cried, “I was forced! I had no choice! I really was forced!”

“Mother Zhang also cried and pleaded for Zhang Qingqing, “Her dad, at this time, Don’t blame Qingqing! Quickly think of a way for Qingqing!”

“Father Zhang narrowed his eyes. “Since the Lin family won’t let us have it easy, then we’ll go all out!”

“What are you going to do?” Mother Zhang asked.

“Father Zhang continued, “Come out with me!””

Mother Zhang nodded.

Father Zhang turned to look at Zhang Qingqing. “Don’t Cry Anymore! You’re such a disgrace! Can crying solve the problem now?”

Zhang Qingqing stopped crying.

“Thirty minutes later, a new hot search was added to the trending searches.”

# Little Zhang’s parents speak #

“In the video, Zhang Qingqing’s parents appeared in front of the camera with tears streaming down their faces.”

“I’m Little Zhang’s Zhang Qingqing’s father. Beside Me is my lover and Zhang Qingqing’s mother. I’m sorry for taking up everyone’s public resources here.”

“”First of all, as a father, I apologize for my daughter’s behavior. She’s young and insensible. She didn’t even know that she had been deceived. “Our family’s conditions aren’t bad. Her mother and I are both businessmen. Qingqing has been in our hands since she was young. It’s absolutely impossible for my daughter to be kept by someone else!””

“Chapter 1569: 238: After learning the truth, the entire Internet was furious. What happened to Zhang Qingqing! 2”

“A poor adopted child and a rich adopted daughter. The two of US give Qingqing five figures of living expenses every month. Do you think that such a girl will be kept by someone else?”

““Even if my daughter is kept by someone else, will that wash away Lin Ze? My Daughter is currently pregnant with Lin Ze’s Child!” ”

““Wu Youyu is already dead. There’s no evidence to prove his innocence. Even if the living people tried to frame him, he wouldn’t be able to refute them.” ”

“But my daughter’s pregnancy is real! Lin Ze’s atrocities are also real!”

““But now, everyone only saw those photos with unknown origins and ignored Lin Ze’s actions!” ”

“At the end of the video, Father Zhang was already crying his eyes out. ”

“The video lasted for a total of ten minutes. Father Zhang avoided the important points and made light of the important points. He pushed all the blame onto Lin Ze and described Lin Ze as an irresponsible scumbag. Meanwhile, Zhang Qingqing had suddenly become a victim from high-end green tea. ”

“The netizens, who had already seen through Zhang Qingqing’s true colors, switched sides again at this time. ”

“After all, only a few photos of Zhang Qingqing had been circulated. ”

“Who knew if those photos were real or fake? Just like what Father Zhang said, Lin Ze had raped Zhang Qingqing and caused her to get pregnant. ”

““Actually, Father Zhang is quite right. No matter what kind of person Zhang Qingqing is, what Lin Ze did was real!” ”

““Right, right, right! This time, I’m on the side of the Zhang Family!” ”

“[ sigh, I originally thought that Lin Ze was set up. Now, it seems that Lin Ze isn’t innocent at all! ] ”

“[ Lin Ze wasn’t innocent to begin with. The innocent ones are the parents of the Zhang Family! It’s one thing for his daughter to be harmed, but now he’s being blamed for no reason at all! ] ”

“[ actually, Father Zhang and mother Zhang aren’t having an easy time either. It can be seen that they are both people with a good view of the world! ] ”

“[ yes, Father Zhang and mother Zhang are indeed a good pair of parents! ] ”

[ supporting father Zhang and mother Zhang! ]

“[ yes, we all support father Zhang and mother Zhang! ] ”

“Looking at these comments, Zhang Qingqing felt a lot better. ”

“At least, the netizens were now on her side. ”

On the other side.

At the Lin family home.

“An Lizi had been staying in ye Zao’s room the whole time. Seeing the things that had already calmed down and being criticized by the parents of the Zhang family, everyone was once again on Zhang Qingqing’s side. They were extremely anxious. ”

““Zao Zao, what should we do?”An Lizi turned around to look at ye Zao. ”

Ye Zao raised his eyebrows slightly.

There was only one way now.

That was to let Zhang Qingqing give birth to the child and then do a paternity test.

“Although this was the final method, it was not the best method.”

“Even if the result of the paternity test showed that the child in Zhang Qingqing’s stomach was not Lin Ze’s, it would not be good for Lin Ze’s reputation.”

“If Lin Ze had not done anything wrong, would he have gone for a paternity test?”

“But if Lin Ze did not go for a paternity test, people would suspect that he was guilty and did not dare to go for a paternity test.”

“In short, Lin Ze was in a dilemma. He could not take a step forward.”

He could not take a step back.

Then.

What should he do now?

Ye Zhuo took out his phone and called Er Mao.

Er Mao quickly picked up. “Boss!”

“Ye Zhuo went straight to the point. “Er Mao, do you have anything from the surveillance cameras at the clubhouse that night?” ”

“Er Mao said, “No. The Chao Feng clubhouse forbids recording! But...” ”

“But what?”Ye Zhuo continued to ask.

“Er Mao continued, “I traced an ID. The other party runs that kind of website. He installed an invisible pinhole camera in room G1028. There should be something recorded in that camera! But he set the permissions. So far, I haven’t found a loophole. ”

Ye Zhuo’s beautiful eyes narrowed. “Send me the IP address.”

“Hearing this, Er Mao said somewhat excitedly, “Big Brother, are you going to make a move?” ”

“Yes.”Ye Zhuo’s tone was indifferent.

“Er Mao continued, “Then I’ll send it to you right away.” ”

“After hanging up, er Mao immediately sent the IP address to Ye Zhuo. ”

Eighty Mao ran in from outside. “Who did you say was going to make a move? Big Brother Z?”

“Yes.”Er Mao nodded.

“After ye Zhuo received er Mao’s message, he immediately turned on his computer. ”

“After all, the other party was a website owner, and the security measures were very good! ”

“Not to mention ordinary hackers, even top hackers would not be able to find a loophole in a short period of time! ”

Unfortunately.

The person he met was ye Zhuo!

Ye Zhuo's white fingers quickly jumped on the black keyboard.

"For a moment, the room could only hear the sound of typing on the keyboard."

"Chapter 1570: 238: After learning the truth, the entire Internet was furious. What happened to Zhang Qingqing! 3"

An Lizi did not understand computers. She only saw lines of code that kept changing on the computer screen.

She was dazzled.

"The next second, the screen full of code turned into a surveillance screen."

Ye Zao clicked save.

"An Lizi said in surprise, "Isn't this Chao Feng Club?" "

"That's right."Ye Zao nodded slightly.

"An lizi continued, "Is this the surveillance camera in Ah Ze's room?" "

"Yes."

“But isn’t there no surveillance camera in Chao Feng Club?” An Lizi was a little puzzled.

“”This is a pinhole camera placed by other guests,”ye Zhuo continued, “So, when we stay in the hotel, we must check it carefully!” ”

“Oh my God!” An Lizi’s scalp was numb. “I thought this kind of thing only happened in the news! I didn’t expect it to happen in real life!”

On the other side.

“Er Mao looked at the changes on the computer screen, looked at his watch, and said incredulously, “Ten minutes! Big Boss only used ten minutes!” ”

“Eighty hair said, “Big Boss’s speed is too fast. I didn’t even see it clearly!” ”

“He, a professional computer expert, didn’t even see it clearly, let alone an ordinary person! ”

“”If Big Boss isn’t fast, then can he still be called Big Boss?”Er Mao looked at eighty hair. ”

Ba Mao nodded. “That’s true!”

“After all, he was a big shot. ”

There was a reason why he could become a big shot.

“Just as the internet was seeking justice for Little Zhang and praising Father Zhang and mother Zhang for being good people, the official Weibo of the LIN Group posted a Weibo. ”

“Official Weibo of the Lin Group: [ justice may be late, but he will never be absent. ”

“Our department has already sent a lawyer’s letter to Ms. Zhang Qingqing, Mr. Zhang Dadong, and Ms. Liu Yueqin, @wenmanhe lawyer. ]”

“Below the text, there was a surveillance video.”

“When they first saw this weibo, they were furious.”

Send a lawyer’s letter?

What’s wrong with this world!

A rapist actually sent a lawyer’s letter to the victim!

“But when everyone clicked on the video, they were stunned.”

It was another twist.

“At the beginning of the video, there was a young man lying on the bed.”

“In a flash, the door opened.”

“A woman crept in from outside the door. Although she was far away, she could still tell that the woman was Zhang Qingqing.”

“After Zhang Qingqing came in, she first looked at the young man lying on the bed, then lifted the quilt and lay on it for a while. Then, she took out a dagger and directly cut her wrist.”

“The blood dripped on the bedsheet, and instantly, a flower bloomed.”

“After doing all this, Zhang Qingqing took out a small bottle of spray and sprayed it into the air twice...”

“The video was not long, but everyone was filled with anger.”

Who would have thought that this was all a play that Zhang Qingqing had staged herself!

“[ so it was her who cut her wrist! I told you, how could a person who had been kept by an old man have a first time! ]”

[ see you when you live. ]

“[ I thought that Lin Ze must have had sex with her, so nothing that should have happened happened happened! Everything was just a self-directed act by this woman. ]”

“[ how could such a woman still have the face to live in this world? If I were her, I would just bang my head against the Wall and die. ]”

“[ Lin Ze is really unlucky. He just slept for a while. After he woke up, he inexplicably became the baby’s father. ]”

[ I really feel sorry for Lin Ze. ]

[ this woman is really shameless! ]

[ F \* ck! It’s really disgusting. ]

“[ fortunately, there’s a video. Otherwise, young master Lin wouldn’t be able to clear his name even if he jumped into the Yellow River. This kind of person isn’t worthy of sympathy at all. It’s best if he is locked up and not released for the rest of his life! Otherwise, he will cause harm to others! ]”

[ you’re right! This kind of vicious woman with a venomous heart should be locked up for the rest of her life! ]

[ I'm so angry watching her through a screen! ]

[ I'm really embarrassed for her parents. ]

[ didn't the person upstairs watch her parents' Video? How should I put it? The environment is what it is. It's precisely because her parents don't have a good outlook on life that her daughter doesn't have a good outlook on life! ]

"[ damn it, I'm dying of laughter! I'll just ask those who said that the Zhang family's parents have a good outlook on life. Does their face hurt? ]"

"[ yes, it hurts a lot. ]"

"[ stop talking, I want my face. ]"

"[ here, I want to apologize to the LIN Corporation, Beijing University, and finally, Yezi. ]"

"[ I'm sorry, I'm sorry, we shouldn't force ourselves to follow the trend! ]"

"Zhang Qingqing thought that when she opened her phone again, it would be a bunch of private messages to comfort her and make her stronger."

"She did not expect that after opening the private messages, they would all curse her to die!"
