

Almighty D 1581

“Chapter 1581: 239: it’s actually her, making things difficult in public. What can’t She Do? (there’s something else to say.)2”

“Bai Shu smiled and said, “This girl likes to be praised for her beauty the most. Searing, if you praise her now, this girl won’t be able to sleep at night!” ”

“”Grandma!”Yuan Fei was a little embarrassed by Bai Shu’s words. “No matter how beautiful I am, I’m not as beautiful as cousin-in-law!” ”

Zeng Rou was stunned.

What was going on?

How did Bai Shu introduce ye Zao to everyone?

Who Was Ye Zao?

Cen Shaoqing’s girlfriend?

At this moment.

Zeng Rou was about to faint!

“She had never thought of Cen fifth master, Ye Zao, the Ye Zao that she had always trampled under her feet.”

“But this ye Zao, whom she had always looked down on, had suddenly become CEN fifth master’s girlfriend.”

How did ye Zhuo become Cen Wu Ye’s girlfriend?

“She had no family background, no background, and no family background.”

Which part of her body could stand shoulder to shoulder with Cen Wu Ye?

“Other than that face, how else could ye Zhuo stand on the stage?”

“Zeng Rou’s heart was filled with jealousy, and she almost couldn’t breathe!”

“She wasn’t even worthy of Cen Wu Ye, and with Ye Zhuo’s status, how could she?”

“At the very least, she had to be better than ye Zao.”

Calm down.

She had to calm down.

Maybe Cen Wu Ye was just toying with ye Zao?

He wasn’t serious at all.

Thinking of this.

Zeng Rou felt a little better. She even felt a little sympathy for ye Zao.

The current ye Zao definitely felt that he could become madam Cen in the future.

Little did she know that Cen Wu Ye didn't even take a fancy to her. Cen Wu Ye was just playing around with her.

Zeng rou pinched her sleeves.

"At this moment, Bai Shu looked at Zeng Rou. "Zeng Rou, where's your sister?" "

"Zeng Rou turned to look at Bai Shu and continued, "She seems to be at the back." "

""Go and call her over," Bai Shu continued, "There's an important guest at home. Why didn't you come out to welcome her?" "

"Alright." Zeng rou nodded and turned to go to the backyard to call for someone.

Zeng rou came to the backyard.

"Before she entered the house, she heard laughter coming from inside. "

""Jiadong, do you like Boys or Girls?" "

"Zhao Jiadong said without hesitation, "Nonsense! Of course it's Boys!" "

"Hearing this, Zeng Qiuwen was a little unhappy. "Then what if I give birth to a daughter? Do I throw it away?" "

""Look at what you're saying! How can I Throw Away My Daughter? ! I only said that I like boys more!" Zhao Jiadong continued, "Only by giving birth to a son can we divide the family's assets! "Do you want the old lady's assets to be divided by the eldest's Family?" "

“The Zhao family did not divide the family’s assets. Although it appeared peaceful on the surface, there was a fierce fight in the mainland. Everyone was waiting for the old lady to die so that they could divide the family’s assets! ”

“Zhao Jiadong’s elder brother, the Zhao family, had a son and a daughter. Only Zhao Jiadong, who was over 40, still did not have any children. ”

“Zeng Qiuwen sighed and touched her belly. “Actually, I also hope to get a man in one go!”who did not like having sons? ”

“According to the current situation of the Zhao family, the more sons they had, the more assets they would get. ”

“Sis!”

“At this moment, Zeng Rou’s voice sounded from outside the house. ”

Zeng Qiuwen stood up from her chair. “What is Ah Rou doing here at this time?”

“I’ll go take a look.”Zhao Jiadong stood up.

“A moment later, Zhao Jiadong opened the door. “Ah Rou, is there anything you need?” ”

“Zeng rou said, “Brother-in-law, there’s an important guest in the front hall. The old lady asked my sister to go over.” ”

“Who is it?”Zhao Jiadong asked.

“It’s fifth master.”

“When he heard that it was Cen Shaoqing, Zhao Jiadong’s eyes lit up. “Why didn’t you inform me earlier that Shaoqing was here! I’ll go over immediately!” ”

Zeng Rou was a little displeased.

What he said.

She was not a servant of the Zhao family.

She should have informed him earlier!

Zhao Jiadong quickly went back to his room. “Change your clothes and tidy up. Follow me to the Front Hall!”

“”Who’s Here?”Zeng Qiuwen could not be bothered to move. “Is there a need to be so grand? And you want me, a pregnant woman, to fetch her!” ”

“There’s someone from the Cen Family!”Zhao Jiadong said.

“Zeng Qiuwen immediately perked up and continued, “Is fifth master Cen Here?” ”

“Yes.”Zhao Jiadong nodded.

“Zeng qiuwen continued, “Then I’ll go change immediately!” ”

“Hurry Up!”

Zeng Qiuwen went to change.

“In less than a few minutes, she changed into a decent set of clothes and followed Zhao Jiadong out to the main hall. ”

“On the way, Zeng Qiuwen asked, “Is fifth master Cen not married yet?” ”

“Yes.”Zhao Jiadong nodded.

“Hearing this, Zeng Qiuwen’s eyes darted around. ”

“If Zeng Rou could catch fifth master Cen’s Eye, would anyone in the Zhao family dare to give her a look?
”

“At this moment, Zhao Jiadong seemed to have realized something. “Don’t let your imagination run wild. Although your sister is pretty good-looking, who is Shaoqing? Not to mention your sister, even if you have ten sisters, you wouldn’t be able to catch his eye.” ”

“Chapter 1582: 239: it’s actually her, making things difficult in public. What can’t She Do? (there’s something else to talk about.)3”

“Although Zhao Jiadong was a bit of a scumbag, he still knew his own limits. After saying that, he continued, “Don’t do those things that can’t be done in public. You’ll embarrass me!””

Who Was Cen Shaoqing?

“He was only thirty years old, but he was already known as CEN Fifth Master of the capital.”

Zeng Rou did not even have the right to serve him foot-washing water in front of him. Zeng Qiuwen was not dreaming. She was dreaming!

“Zeng Qiuwen rolled her eyes at him. “I know, I know!””

""You can't just know. You have to remember this for me!"Zhao Jiadong continued, "Don't embarrass me!""

Zeng Qiuwen did not say anything else.

"Actually, she also knew that Zeng Rou was not good enough for Cen Shaoqing, but she still could not help but dream."

"Soon, the two of them arrived at the front hall."

"When did Shaoqing get here? Why didn't you call me in advance so that I could arrange for someone to pick you up!"Zhao Jiadong walked to Cen Shaoqing's side with a smile.

"Although Zhao Jiadong was an elder, standing in front of Cen Shaoqing, Zhao Jiadong did not feel like an elder at all."

"Cen Shaoqing's aura was too strong, so strong that Zhao Jiadong almost could not breathe."

""I have a chauffeur, there's no need to trouble little uncle."Cen Shaoqing's tone was indifferent."

""We're all family! How is this troublesome?"Zhao Jiadong's gaze glanced at ye Zhuo who was beside Cen Shaoqing and continued, "This is?"

"Without waiting for Cen Shaoqing to speak, Bai Shu smiled and continued, "This is Shaoqing's girlfriend, Ye Zhuo. Zhuo Zhuo, this is your little uncle, Zhao Jiadong."

"Ye Zao greeted politely, "Hello, little uncle."

""Good, good, good!"Zhao Jiadong looked at ye Zao, his eyes filled with surprise, "Shaoqing! I didn't expect little uncle to see you looking for a girlfriend in your lifetime! This is little uncle's honor! Tonight, you must accompany little uncle for a few drinks!"

“Ye Zao was too beautiful. Zhao Jiadong boasted that he had seen countless women, both at home and abroad, but he had never seen someone like ye Zao.”

Zeng Qiuwen actually had the delusion of marrying Zeng Rou to Cen Shaoqing.

Zeng Rou did not even look at herself in the mirror to see how much she weighed.

Not even half.

Zeng Rou was probably not even one-thousandth of ye Zao.

““You only know how to drink!” Bai Shu continued, “Oh right, Shaoqing, Zao Zao. Let me introduce you again. This is your little cousin, Zeng Qiuwen.””

Zhao Jiadong was already forty-nine and almost fifty years old.

“However, Zeng Qiuwen looked to be at most twenty-five or twenty-six years old. If Bai Shu had not introduced them, Ye Zhuo would have thought that they were father and daughter.”

“Looking at Zeng Qiuwen’s facial features and Zeng Rou’s, there were many similarities...”

Could it be that there was some connection between the two?

“Cen Shaoqing frowned slightly and turned to look at Bai Shu. “Auntie, isn’t my little cousin surnamed Du?””

Zhao Jiadong’s first wife was surnamed Du. She was a very gentle woman.

“Cen Shaoqing had long heard that Zhao Jiadong did not have a good style outside. However, he did not expect that Zhao Jiadong would be able to straighten out the woman outside so quickly.”

Although he was also a man.

“However, he looked down on men who were unfaithful to love the most.”

“If a man was unfaithful to the person next to him, what else could he do?”

“This...” Bai Shu’s eyes flashed with embarrassment.

“Zeng Qiuwen smiled to ease the awkwardness. “Mom, I’m about the same age as master five. You Don’t have to call me by my first name.””

“Bai Shu smiled and said, “Right, right, right. Just call me by my first name.””

“In fact, Bai Shu did not approve of Zhao Jiadong having an affair.”

But it had already happened. What else could she do?

Who asked her to have such a son!

She could not let her beat Zhao Jiadong to death!

“Moreover, Zeng Qiuwen was pregnant with the Zhao family’s child.”

“No matter what, she could not watch the Zhao family’s child wander outside.”

“Seeing this scene, ye Zao understood.”

So Zeng Qiuwen was a mistress.

No Wonder Xuan Xu was so big.

“CEN Shaoqing continued, “Aunt, Zao Zao and I still have to go to little aunt’s place to take a look, so we won’t disturb you anymore!””

“Bai Shu immediately followed Cen Shaoqing’s footsteps, “Shaoqing, then will you come for dinner tomorrow? Aunt is getting old, and I don’t know how many years I can live. In the future, I won’t be able to see her even once!””

“Looking at Bai Shu’s wrinkled face, ye Zhuozhuo couldn’t bear to see her, so he continued, “Aunt, don’t worry. We will definitely come for dinner tomorrow, and we will inform you in advance!””

“”Okay! Okay!” Bai Shu smiled and said, “Zao Zao, then it’s a deal!””

“Okay.” Ye Zao nodded slightly.

“After leaving the Zhao family, Cen Shaoqing asked the driver to go back first. He drove ye Zao to Baizhi’s house.”

Chapter 1583: 239: it’s actually her. What does she not know about making things difficult in public? (there’s something else to talk about.)⁴

She was different from old Mrs. Cen and Bai Shu.

“Bai Zhi did not marry into a rich family. She married an ordinary farmer. Although her children had gone to college and settled abroad, she and her husband still lived in the countryside. ”

“Unlike the spacious asphalt roads in the city, the countryside was two-lane cement roads, and some places were dirt roads. ”

The car was bumpy.

“She thought ye Zao would complain, but he didn’t. Instead, he was very curious. He opened the window and looked outside. “This is my first time on this road. You should have let me drive just now!” ”

“In Ye Zao’s world, because of the development of technology, rural life only existed in history books. ”

“Earth had long been covered by human technology. In some areas, people could only wear gas masks to live. ”

Ye Zao and the people from the laboratory had already begun to study living on Mars.

Cen Shaoqing held the steering wheel with one hand and the Buddha beads with the other. “Why don’t I Park in front and let you drive?”

“”Sure.”Ye Zhuo continued, “But I don’t know the way. Remember to show me the way.” ”

“Okay.”Cen Shaoqing nodded slightly.

The car stopped in front and let ye Zhuo Drive.

“Ye Zhuo drove very slowly. It was not because his skills were not good, but because he wanted to enjoy the scenery along the way. ”

The scenery here was really too good!

"If he had not seen it with his own eyes, Ye Zhuo would not have believed that Earth had ever had such a beautiful time."

There was a stone bridge in front of him.

"Looking from the side, it had been a few years. There was a treasured sword hanging under the ancient bridge. Ye Zao asked curiously, "Why is there a treasured sword hanging under that Stone Bridge?" "

"Cen Shaoqing looked sideways and explained, "The ancient people hung a treasured sword under the bridge to prevent the flood dragon from destroying the bridge when it was crossing the water." "

""Oh, I see."Ye Zhuo continued, "How old is this ancient bridge?" "

""It's said to be 270 years old,"Cen Shaoqing said. "

"Ye Zhuo exclaimed, "Our ancestor's wisdom is too high! The 270-year-old bridge can still be maintained so well!" "

"CEN Shaoqing said, "China is the hometown of the bridge. Since ancient times, there has been a saying that 'the country of the bridge'. The construction art of ancient bridges is a creation of the world's bridges. Our ancestor is indeed amazing!" "

Ye Zhuo drove the car slowly over the ancient bridge.

"The lake surface rippled with blue skies and white clouds. The two banks of the bridge were lined with trees, making people feel good just by looking at them. "

"Occasionally, a few small boats would pass by the Lakeside, and there were three or three children fishing by the shore. "

It was like a poem or a painting.

“Ye Zhuo continued, “When I’m old, I want to find a place like this to live in seclusion.” ”

“Cen Shaoqing smiled. “Okay, I’ll accompany you.” ”

“Ye Zhuo looked forward to that kind of life very much. He continued, “When the time comes, I want to raise a cat and a big dog. Then, I want to plant flowers in front of the door...” ”

“Listening to him, Cen Shaoqing also looked forward to it very much. His thin lips parted slightly. “If you like it, we can live that kind of life now.” ”

““There’s no need for that now,”ye Zhuo continued, “I still have to contribute to the country!” ”

She wanted to build an aircraft carrier.

She wanted to land on the eight planets.

She wanted to make all the countries that looked down on China be convinced!

“I’ll listen to you.”

“After saying that, CEN Shaoqing continued, “Turn left in front. Little Aunt’s home is just a little further in.” ”

“Okay.”

“The small town was not big, but the geography was very good. Birds chirped and flowers were fragrant, like a paradise. ”

“Soon, the car drove into the town. Ye Zhuo looked at Cen Shaoqing and asked, “Which is little aunt’s house?” ”

“Five hundred meters further in,” Cen Shaoqing said. ”

“Okay.” Ye Zhuo nodded slightly.

“Soon, a small courtyard appeared in his field of vision. ”

“Is it this one?” Ye Zhuo asked.

“Yes, stop the car,” Cen Shaoqing said. ”

Ye Zhuo stepped on the brakes.

The car came to a steady stop and the two of them got out of the car.

Cen Shaoqing went forward and knocked on the door.

“Very soon, a dog’s bark could be heard from the courtyard. ”

“Who is it?”

“The next second, the door opened and a very kind old man came into view. ”

“Little uncle-in-law,” Cen Shaoqing said. ”

“Only then did the old man come to his senses. He smiled and said, “So it’s Shaoqing! Shaoqing is here!”
”

“Ye Zhuo also called out, “Little uncle-in-law.” ”

"The old man was stunned. "Shaoqing, is this your girlfriend?" "

""Yes." Cen Shaoqing nodded slightly. "This is my girlfriend, Ye Zhuo." "

"Hearing that Cen Shaoqing finally had a girlfriend, the old man was very happy. "Now your grandmother can finally be at ease!" "

Chapter 1584: 239: it's actually her. What does she not know about making things difficult in public? (there's something else to say.)⁵

"Then, she shouted into the room, "Old Woman, come out quickly! Shaoqing is here with his girlfriend! Old Woman! Come out quickly!"

"A moment later, an old woman with silver hair ran out from the room. "Shaoqing is here with his girlfriend? where is she? where is she?"

"Although Baizhi had quarreled with the Cen Old Lady, she was really good to Cen Shaoqing and the other juniors."

"Hearing that Cen Shaoqing had a girlfriend, besides being happy, Baizhi was more in disbelief."

"After all, when she had met Cen Shaoqing a few years ago, Cen Shaoqing had always been alone."

She had taken great pains to find Cen Shaoqing a girlfriend. What did Cen Shaoqing Say?

He said that he had seen through the secular world and would become a monk in the future.

Baizhi had been scared out of her wits.

“This must be Shaoqing’s girlfriend!” Baizhi jogged over and grabbed ye Zao’s hand. “This little girl is so handsome! Not Bad! Not Bad!”

“Ye Zao greeted her politely, “Hello, aunt.””

“The more baizhi looked at Ye Zao, the more she liked him. It was as if she could not get enough of him. “Hello, Hello. I like this girl the moment I see her! Miss, What’s Your Name?””

“Ye Zhuo said with a smile: “Little aunt, I Call Ye Zhuo. Mouth Wood Leaf, burning its Hua Zhuo.””

“”Peach of the Yao Burning, this name is good!” Baizhi then said: “You see Aunt is old and confused, come in and sit! Come in and sit! Standing outside like what!””

The language falls to see has been barking the big black dog way: “Lai Fu don’t bark! Own people don’t know! You Silly Dog!”

Lai Fu immediately shut his mouth.

“Ye Zhuo smiled and said, “It’s so smart.””

“Baizhi said, “You can’t praise it. This silly dog can’t be praised.””

Lai Fu let out a ‘ow’ to express his dissatisfaction.

On the other side.

“As soon as CEN Shaoqing and the others left, Bai Shu received a call from old Mrs. Cen.”

"Sister Tang." Bai Shu answered the call.

"Old Mrs. Cen asked, "Little Shu, I heard that you allowed your third brother to bring back the one outside?""

"Yes," Bai Shu said."

"Old Mrs. Cen frowned. "Little Shu, Little Shu, what should I say about you? Yingying treats you so well, how can you bear to let her go?"

"Bai Shu sighed, with red eyes, she said, "Sister Tang, I don't want to be like this either. But with a son like this, what do you want me to do? Qiu Wen is already pregnant. I Can't just stand by and watch the blood of the Zhao family run dry."

"Yingying hasn't been pregnant for so many years. How can a mistress be pregnant so easily?" Old Mrs. Cen said bluntly, "Aren't you afraid that she will give your third brother a cuckold?"

Zeng Qiuwen was an unorthodox person to begin with. What could she not do in order to get ahead?

"We've done amniocentesis before. Qiuwen is pregnant with the child of the Zhao family!" Bai Shu said.

Bai Shu was not the kind of person to be muddle-headed. She specially arranged for Zeng Qiuwen to have an amniocentesis. Only then did she let Zeng Qiuwen enter the Zhao family with ease.

"Little Shu, Little Shu. What should I say about you!" Old Mrs. Cen also sighed, "No matter what, Yingying is the first wife of your third brother. Besides, you should know very well why your third brother married Yingying back then!"

"I know, I know," Bai Shu continued, "But I can't force the child. I've beaten and scolded her, but it's useless."

"After saying that, Bai Shu continued, "In fact, I think it's better to give Yingying freedom than to let her be trapped by third brother's side."What's the point of not caring when she's alive?"

Bai Shu also did not want to see Zhao Jiadong and du Yingying divorce.

She really had no choice.

"With the couple having reached this stage, even if they did not divorce, they would still be strangers in the future."

"On the other side, Old Lady Cen did not say anything more. She only said, "Yingying is a good child. No matter what the reason is, cheating is not right. Even if you divorce, you and Yingying should not be too estranged.""

""I know. When she left that day, I told her that although we are no longer mother-in-law and daughter-in-law, we will still be like mother and daughter. "In addition, I tried my best to compensate her for the money.""

"It's good that you know what to do."Old Mrs. Cen chatted with Bai Shu for a while more before hanging up the phone.

"After hanging up the phone, she lamented, "Both Xiao Shu and her husband are pretty good. How did they end up with such a scoundrel of a son! ! What's wrong with learning? Learn from Chen Shimei! Back then, Yingying treated him so well, but he just dumped her like that! If this were my son, he would have broken all my lackeys!""

Chapter 1585: 239: it's actually her. How could she not know how to make things difficult in public? (there's something else to say.)6

"After saying that, old Mrs. Cen still felt that it was not enough to vent her anger, so she raised her leg and kicked the sofa hard. "

On the other side.

South Town.

“Bai Zhi stewed the buckwheat tea that she had made herself and came over. “Sear Sear, Shaoqing, the temperature in the south is high and the humidity is high. This buckwheat tea can reduce fire and dampness. Quick, try it.” ”

“”Thank you, aunt.”Ye Zhuo took the Teacup with both hands. Before he had even drunk it, he could already smell a pungent fragrance. ”

It smelled very good.

“Ye Zhuo took a sip. It was slightly bitter with a burnt fragrance. It was very refreshing. “Aunt, you’re really amazing! This buckwheat tea tastes even better than the ones I bought.” ”

“Bai Zhi smiled and said, “If you like it, you can take some back with you when you go back. There’s still a lot of it at home!” ”

“”Okay, thank you, aunt.” ”

“Bai Zhi was very happy. The children at home didn’t like the buckwheat tea that she had made, and only she and her husband liked it. She didn’t expect a third person to like it today. ”

“”You Child, why are you so polite to your own family!”Bai Zhi put down the teacup and continued, “Shaoqing, stay with Zao Zao. I’ll Cook with your uncle-in-law in the back.” ”

“Ye Zao stood up immediately. “Aunt-in-law, I’ll help you too.”He couldn’t let the two elders cook for them.”

""Sit down, sit down."Baizhi pushed ye Zao back onto the stool, "Leave the work in the kitchen to me and your uncle-in-law. If you stand up, I won't be happy! This child is being so polite to aunt-in-law and aunt-in-law. Aren't you being so unreasonable?" "

"Cen Shaoqing smiled and held ye Zao's shoulder. "Don't add to the mess. With you around, aunt-in-law and aunt-in-law won't be in the mood to cook."Cen Shaoqing knew these two elders too well, cen Shaoqing had previously hired a cook and a servant for the two elders, but he didn't expect to be scolded by the two elders. "

"You're the one adding to the mess!"Ye Zao rolled his eyes at Cen Shaoqing.

Baizhi looked at Cen Shaoqing. "Stay with Cen Shaoqing!"

Cen Shaoqing nodded. "Got it."

Baizhi and her wife went to the kitchen to cook.

"Cen Shaoqing looked at ye Zhuo and said, "Leader, do you want to go out for a walk? The meal will be ready in a while." "

"Sure."Ye Zhuo nodded slightly.

"At this moment, little auntie walked in from outside. "Shaoqing! Shaoqing, come here for a moment!" "

"Cen Shaoqing walked over. "Little Grandaunt, you were looking for me." "

"Little Grandaunt lowered her voice and said, "Shaoqing, your little grandaunt asked me to ask you, what does Zao like to eat? Is there anything that she doesn't like to eat?" "

"CEN Shaoqing said, "Well, there's nothing that she doesn't like to eat. She has a heavy taste and likes to eat spicy food." "

“Other than desserts, ye Zao simply did not like anything spicy. ”

“After thinking for a while, her great-aunt continued, “Can you eat coriander?” ”

“Yes.”Cen Shaoqing nodded.

“”Alright, I got it. You guys go out and play. I’ll call you guys after dinner,”her great-aunt said. ”

Cen Shaoqing nodded slightly. “Then it’ll be hard on you and your great-aunt.”

“”This child, it’s just cooking. What’s there to be hard about?”Her great-aunt waved her hand and walked into the kitchen. ”

Cen Shaoqing came to Ye Zao’s side.

“Ye Zao asked curiously, “What did little auntie say to you?” ”

“She said a lot of bad things about you.”Cen Shaoqing twirled the Buddha beads.

Ye Zao smiled faintly. “I can’t be bothered with you.”

“The two of them walked around the small town hand in hand. Until baizhi called to inform the two of them to go home for dinner, ye Zao still had some unfinished business. ”

The lunch was very sumptuous.

“On the table were spicy chicken, pickled fish, mapo tofu, white meat with garlic paste, spicy hot pot, blood curd, and a tomato and egg soup. ”

“It was obviously a very common dish, but it made people drool. “Little Auntie, Little Auntie, you guys are amazing! In such a short time, you managed to cook a table full of delicious dishes, and they are all my favorites!” ”

“”Then you have to eat more later,”Baizhi said. ”

“Ye Zao smiled and said, “Don’t worry, I Won’t stand on ceremony with you.” ”

“Baizhi’s cooking was very good. Although the dishes on the table were all spicy, they each had their own taste. Ye Zao was full of praise, and Baizhi couldn’t stop smiling. She thought to herself, if only I had a caring little cotton-padded jacket like ye Zao. ”

Unfortunately...

“The children had grown up, and their wings had hardened. They had all flown far away. ”

“After dinner, Baizhi wanted to go to the foot of the mountain to bring some firewood back. The old couple disliked the gas stove’s cooking, so they always cooked with firewood. ”

Ye Zao and Cen Shaoqing also went over.

“Youngest aunt said, “Shaoqing drove here. We can just put the firewood in his car and let him bring it back.” ”

“Baizhi immediately nodded in agreement. “Yes, yes, yes.” ”

“Cen Shaoqing smiled and said, “Then I’ll drive the car over now.” ”

“Okay.”

“In a short while, the car drove over and Cen Shaoqing opened the trunk door. ”

Ye Zhuo helped to put the firewood in the trunk.

The trunk could not fit any more firewood.

“Baizhi said in disgust, “What kind of broken-down car is this? It’s even worse than Old Li’s tractor! It can’t even fit a single piece of firewood!” ”

“Little Auntie followed, “Little Zuo’s van is better than this! It can hold more than 100 kilograms of firewood!” ”

“Ye Zhuo laughed until his stomach hurt. “Yes, yes, yes, yes. Little Auntie, Little Auntie, you’re Right!” ”

“Cen Shaoqing:” ...”this Lamborghini would never dream that one day, it would not even be comparable to a tractor or a van.”

“After staying here for a day, Cen Shaoqing and ye Zao set off for the Zhao family home in the evening of the next day.”

Ye Zao had promised Bai Shu that they would go for dinner.

“Before she left, Baizhi was very reluctant to part with ye Zao. “Zao Zao, remember to visit Little Auntie often in the future.” ”

Ye Zao nodded. “Definitely.”

Little Auntie kept stuffing things into Cen Shaoqing’s trunk. She said that Cen Shaoqing’s trunk was too small and asked Cen Shaoqing to drive a van over in the future.

Cen Shaoqing could only give an awkward but polite smile.

The old couple watched the car leave their sight before they turned around and walked back.

“Baizhi smiled and said, “My sister must be so happy that Shaoqing mentioned such a good girl!” ”

“After saying that, Baizhi’s expression became desolate again, “It was all my fault in the past. I shouldn’t have made things so awkward with my sister! “Old Man, why don’t we go to the capital to visit my sister instead of waiting for her to come over? “I’m her sister and she’s her sister. There’s no reason for her to come over to visit us!” ”

The youngest aunt nodded. “You’re right. Let’s pack up and go the day after tomorrow.”

“Okay.” Baizhi nodded.

It was exactly 7:30 p.m. when Cen Shaoqing and ye Zhuo arrived at the Zhao family’s house. It was the time for dinner.

Bai Shu asked the kitchen to prepare a large table of food.

“When the two of them arrived, they could start eating. ”

“There were many people in the Zhao family. Including relatives, there were more than 20 of them. Fortunately, the round table was big enough. Otherwise, it would not be able to sit down. ”

“Bai Shu sat at the head of the table. She looked at ye Zao and said, “Zao Zao, don’t stand on ceremony when you eat. It’s like you’re at home here.” ”

“”I know, Auntie.” Ye Zao nodded. ”

“After the meal, everyone gathered together to chat. ”

“At this moment, Zhao duoduo came over with an F language book in her arms. She said in distress, “Little Auntie, can you tell me about this problem? It’s too difficult!” ”

“Zhao duoduo was about to go to F country to further her studies. Unfortunately, she had never passed F language.”

“Coincidentally, Zeng Qiuwen had the experience of studying in F country.”

“Zeng Qiuwen was about to say something when Zeng rou smiled and said, “Duoduo, Zhuozhu is a top student at Beijing University! She knows ten languages. Ask her. She definitely knows more than my sister.” ”

Just wait.

Ye Zhuozhu was about to make a fool of himself.

“As Cen Wuye’s girlfriend, she actually did not even know French.”

She wanted to see how ye Zhuozhu would end up.

“Chapter 1586: 239: beat him up, too late to regret! 1”

Zeng Rou and ye Zao had known each other for more than ten years.

Zeng Rou knew exactly what kind of person ye Zao was.

“When ye Zao was still Mu Zao, he was only in the first grade when he was nine years old. After he was in the first grade, he couldn’t even distinguish the 26 pinyin letters. Later on, he was already in high school and couldn’t even recognize the most basic everyday Chinese characters.”

He was simply a joke in the circle of Yun Jing!

Every respectable family would use ye Zao as a teaching material?

“Later on, Mu Zao became ye Zao. It was unknown what methods ye Zao’s birth mother used to actually get ye Zao to enter the top scorer in Yun Jing City and be admitted to the capital university.”

Only ye Zao?

Ye Zao could enter the Capital University! ?

Zeng Rou did not believe it no matter what.

“Until now, Zeng Rou still felt that there must be a problem.”

“Ye Zao was so beautiful, and her birth mother was definitely not ugly. There were many tricks up her sleeve!”

The Darkness in this world was far more than she had imagined.

“In front of everyone, even if ye Zao wanted to cheat, there was nothing he could do.”

“Zeng rou smiled at ye Zao. “Zao Zao, please help duo duo duo. She is going to study in F country soon. How can she not pass F language?””

“Zeng Qiuwen followed, “Duo duo is right. I am only a beginner. Although I have stayed in F country for a few years, what I have learned is just the tip of the iceberg. “How can I compare to Zao Zao’s real talent? Fifth Master is really lucky to have a girlfriend who is both talented and beautiful.””

The two cousins sang along with each other. They seemed to be praising ye Zao.

“In reality, they were praising him to death.”

“As the saying goes, the higher you stand, the worse you fall.”

“French was not an international language. If ye Zao did not know it, wouldn’t he lose face in front of everyone?”

Ye Zao smiled faintly. “I’m not as good as you say.”

““You’re too modest, Zao Zao!” Zeng rou smiled and said, “Who in cloud capital doesn’t know that you’re a talented woman?””

“Bai Shu did not understand what Zeng Rou meant and said in surprise, “Really? Zao Zao is a talented woman in cloud capital!””

““Yes.” Zeng rou nodded. “And it’s the kind that everyone knows. So, French is not difficult for Zao Zao. Zao Zao is much more powerful than we thought!””

“Ye Zao’s expression was indifferent, and there was no change in his expression. He turned to look at Zhao duoduo. “Duoduo, bring the book over for me to read.””

““Okay, cousin.” Zhao duoduo brought the French book to Ye Zao’s side. “Look, this is the question.””

““Yes, let me see.” Ye Zao’s tone was shallow.”

““I’m not in a hurry,” Zhao duoduo said.”

“Ye Zao looked at it for a moment and then said, “Is there anything you don’t understand? I can tell you together!””

“Really?” Zhao duo duo asked in surprise.

Ye Zao nodded slightly. “Of course it’s true.”

Zeng Rou looked over and her eyes were filled with a mocking smile.

Ye Zao obviously didn’t know how to do it.

“Yet, he was still putting on an act.”

It was simply ridiculous.

That Zhao duo duo was also stupid. She couldn’t even tell that ye Zao was acting.

“Zeng Qiuwen looked at Zeng Rou and said in a low voice, “Look at her, she’s really good at acting! She’s so shameless that even I feel embarrassed for her!””

“Zeng rou snorted, “I already said that she was pretending, but you didn’t believe me, Sister.””

“”I believe you now,” Zeng Qiuwen said.”

“At this moment, ye Zao said slowly, “Actually, this question is very common in French. It’s just like our Chinese polysyllabic words...””

Polysyllabic words!

The sarcasm in Zeng Rou’s eyes became more and more obvious.

How could she not have realized that ye Zao was so good at pretending?

“Zeng Qiuwen frowned slightly. She knew French, so she naturally knew that ye Zao was right.”

Could it be that ye Zao really knew French.

“Ye Zao spoke seriously, and so did Zhao duoduo. In the end, a complete sentence in F came out of Ye Zao’s mouth, and Zeng Qiuwen thought she was hearing things.”

“Zeng Rou didn’t know French, so she turned to Zeng Qiuwen. “SIS, what did she say?””

“It’s F language.”Zeng Qiuwen was also in disbelief.

“She thought ye Zao was faking it, but who knew that ye Zao could speak f language so well? Even she, who had stayed in F country for several years, couldn’t compare to him.”

“Hearing this, Zeng Rou widened her eyes. “F language?””

“Yes.”Zeng Qiuwen nodded.

“Zeng Rou gulped. “In that case, ye Zao really knows f language?””

Zeng Qiuwen frowned slightly. “Yes.”

Zeng Rou felt very uncomfortable.

She had originally wanted to make a fool of ye Zao in public and not be able to clean up the mess. Who knew that ye Zao actually knew f language!

Chapter 1587: 239: I’ll Beat You Up! 2

When did ye Zao learn French?

Ye Zao couldn't even recognize Chinese characters.

Ye Zao continued to explain f to Zhao duoduo.

"Her tone was clear, and her pronunciation was pure. Zhao duoduo's face was filled with admiration. "

"Not only Zhao duoduo, but everyone else in the room was shocked. "

Language was an art.

"Although they did not know much about French, listening to ye Zhuo's pronunciation was also an auditory enjoyment. "

It was not an exaggeration to say that it was an auditory feast!

"Ten minutes later, Ye Zhuo explained all the problems that Zhao duoduo had encountered clearly. "

"Zhao duoduo said excitedly, "Cousin-in-law! You are really amazing. Even our F language teacher's words are not as good as yours!" "

"Ye Zao's tone was clear and shallow. "When you've learned it, it'll definitely be better than what I said."
"

“Zhao duoduo smiled and said, “I don’t expect it to be good. As long as I can pass the test, it’ll be fine. Oh right, cousin-in-law, let’s add each other on wechat. If I run into any problems, I’ll ask you on wechat.” ”

“Sure.”Ye Zao took out his phone.

“Yuan Fei walked over. “Cousin-in-law, I want to add you on wechat too.” ”

The three of them exchanged wechat messages.

“Look at what you’ve Done!”Zeng Qiuwen glared at Zeng Rou.

“At first, Zhao duoduo had been polite to her in the Zhao family. After all, she was the only one who had studied in country F in the Zhao family! ”

But now.

“Zeng Rou pushed ye Zhuo out. Ye Zhuo spoke French so well. With Zhu Yu in front of her, what could she be in Zhao duoduo’s eyes in the future? This cousin of hers was simply a failure! ”

Zeng Rou was also very upset. How could she have known that ye Zao could speak f language so well!

“If she had known earlier, she definitely would not have raised a stone to hit her own feet. ”

It was too late to regret now.

“Zeng Rou took a deep breath and continued, “Sister, don’t be anxious. I always have a way to make her give herself away!” ”

Ye Zao had a bad record. How could he have changed so much in such a short time?

“Even if she said it in French, she would definitely have other shortcomings. ”

“”Save it.”Zeng Qiuwen turned to look at Zeng Rou and suppressed the anger in her eyes. “Don’t embarrass yourself! This is the Zhao family, not some small family! It can make you lose face!” ”

“The more Zeng Qiuwen said this, the more uncomfortable Zeng Rou felt. ”

She couldn’t let ye Zao take away all the glory.

Standing beside ye Zao was Cen Wuye.

Who Was Cen Wuye?

Cen Wuye was someone she didn’t dare to dream of.

What did ye Zao have?

Just thinking about it made Zeng Rou’s heart ache. She felt very uncomfortable.

“Even if she knew that Cen Shaoqing was playing with Ye Zao, she couldn’t do it. ”

“Moreover, from Cen Shaoqing’s appearance, he seemed to be in love. ”

Just ye Zao?

What did ye Zao have?

“He had no family background, no background, and was an illegitimate daughter. ”

“Although she didn’t look like ye Zao, she was born better than ye Zao. ”

How could ye Zao Take All the Good Things?

“If it was the same as before, it would be fine if ye Zao was an idiot. ”

“But now, ye Zao did not seem to be an idiot anymore! ”

No.

She had to make ye Zao lose face in public.

“Otherwise, she really could not take this lying down. ”

Zeng rou pinched her fingers.

“Zeng Qiuwen, who was standing at the side, saw Zeng Rou’s expression. ”

“Zeng Qiuwen narrowed her eyes and continued, “I’m warning you, don’t shoot yourself in the foot!” Zeng Qiuwen was a very calm and smart person. Otherwise, she would not have been able to successfully get pregnant with Zhao Jiadong’s child and rise to the top, zeng Rou was still too young! She couldn’t keep her cool! ”

She didn’t even think about it. Since this ye Zao could make Cen Wuye

Zeng Rou curled her lips. “I got it.”

“After saying that, Zeng rou continued, “SIS, do you know where this ye Zao came from?” ”

“What do you mean?” Zeng Qiuwen asked.

“Zeng Rou looked at ye Zao who was sitting beside Cen Shaoqing, she lowered her voice and said, “Ye Zao used to be the fake daughter of the Mu family. You should know about this, right, soldier Mu?”! After this matter was exposed by the Mu family, Ye Zao went back to her biological mother’s side. Do you know what kind of person her biological mother was? She was a mistress... “... “...” ”

“Zeng Rou originally wanted to make a fuss about the ‘mistress’, but unexpectedly, when Zeng Qiuwen heard this, her expression darkened.”

“Zeng Rou cursed inwardly and hurriedly said, “Sister, I didn’t mean that! What I meant was that ye Zao was just an illegitimate daughter! Think about it, a person like Cen Wu Ye...” ”

“Zeng Rou hadn’t seen ye Zao for a long time, so she didn’t know that ye Zao was the daughter of the Lin family.”

“Chapter 1588: 239: beat her up, too late for regrets! 3”

Didn’t this rich family value birth?

“If Cen Shaoqing knew about ye Zao’s background, would he still be together with ye Zao?”

“Are you sure she’s an illegitimate daughter?” Zeng Qiuwen looked at Zeng Rou.

““Yes, I’m sure.” Zeng rou nodded and continued, “I’ve known her since I was young! How could I Be Wrong?””

Zeng Qiuwen snorted coldly. “So what if I’ve known her since I was young? I still underestimated her!”

Zeng Rou was speechless and bit her lip.

No.

She had to turn the tables!

“After saying that, Zeng Qiuwen continued, “Just give it a rest! Don’t mess around with those things! Don’t you know that there’s a saying that goes, ‘If you’re smart, you’ll be fooled by your own cleverness’?”What kind of person was Cen Shaoqing, before he got a girlfriend, how could he not know the woman’s family background clearly?”

Zeng Qiuwen now had some doubts. Was it right or wrong to bring Zeng Rou to the Zhao family!

“She wanted to build herself a helper, not let Zeng Rou pull her crotch.”

Why didn’t she realize that Zeng Rou was so stupid in the past?

“Yes.”Zeng rou nodded reluctantly.

She had to prove to Zeng Qiuwen that she was not smart and was instead fooled by her own cleverness!

Ye Zao was just an unpresentable person.

Ye Zao was just not good enough for Cen Shaoqing!

“Thinking of this, Zeng Rou narrowed her eyes.”

Over here.

“Bai Shu looked at ye Zao and continued, “Zao Zao, go to your little aunt’s place. How is your little aunt’s health?””

“Ye Zao smiled and said, “Don’t worry, little aunt’s health is quite good.””

“What about your uncle-in-law?” Bai Shu asked again.

“Ye Zhuo said, “Little aunt’s uncle-in-law’s health is also very good.””

“”That’s good.” Bai Shu continued, “When I have some free time in a few days, I’ll go and visit them. We’re old, and we’ll see each other less in the future. Between these sisters, there’s only this one life and no afterlife.””

“Speaking up to this point, Bai Shu raised her head and looked at Cen Shaoqing. “Shaoqing, when you go back, you should also advise your grandmother to let bygones be bygones.””

“Cen Shaoqing raised his eyes slightly and continued, “Aunt, don’t worry. My grandmother has already planned to visit little aunt in the next few days. It’s just that there are guests at home recently, so she can’t find the time.””

“Really?” Bai Shu asked in disbelief.

Cen Shaoqing nodded slightly.

“Bai Shu smiled and said, “Then I’m really happy! These two old sisters have finally thought things through!””

“After saying that, Bai Shu continued, “Shaoqing, it’s not easy for you to come here with Zhuozhuo. You have to accompany Zhuozhuo here and have a good time.””

“”Our Flight is at 12 o’clock tomorrow afternoon,” Cen Shaoqing said.”

“Leaving so soon?” Bai Shu was stunned.

Cen Shaoqing nodded slightly. “I still have other things to deal with when I go back.”

“Bai Shu still wanted to keep Cen Shaoqing around. She looked for Ah Niu and said, “Grandma, cousin is busy with his official business. Don’t delay his official business.””

“”That’s true.” Bai Shu nodded and looked up at Cen Shaoqing, then said, “Shaoqing, if you have time, remember to bring Zhonghua over often!””

“Okay.” Cen Shaoqing nodded slightly.

“Seeing this scene, Zeng Rou narrowed her eyes.”

Ye Zhonghua was leaving tomorrow.

She had to make ye Zhonghua embarrassed tonight.

What should she think of?

Zeng rou bit her lip.

Ye Zao knew French.

What else could ye Zao not know?

It just so happened that she was good at it.

Zeng Rou was a little distressed.

“She had indeed learned a lot at home, but this was the Zhao family, and the others might not know less than her...”

It would not be good if she made a fool of herself and made a wedding dress for others.

It seemed that.

She still had to start with ye Zao’s birth.

The Zhao family definitely did not know about ye Zao’s background.

“If they knew that ye Zao was the daughter of a mistress, the scene would definitely be very interesting.”

“Up until now, this method was very safe for Zeng Rou!”

Could Ye Zao still defend himself against this issue of his background?

“A moment later, Zeng Rou looked up at ye Zao and asked, “Zao Zao, I heard that Auntie and your uncle have gone to the capital, right?””

“Yes.”Ye Zao nodded slightly.

“Zeng rou smiled and said, “No wonder I didn’t find you when I went to the basement of Your House last time! So they really went to the capital!””

Basement?

“As soon as she said that, everyone looked at each other and saw doubt in each other’s eyes.”

Why would ye Zao Live in the basement?

“Fan Yiyi, a distant cousin of the Zhao family, smiled and said, “Xiao Rou, are you mistaken? Why would miss ye live in the basement?””

“”I’ve known Zhuozhuo for more than ten years. How could I be mistaken?”Zeng rou continued, “Oh right, zhuozhuo, is Auntie still single? If it were up to me, I’d say that Auntie is already old. It’s not good for her to always be single! “Although there were always people discussing Auntie’s lifestyle and even suspecting that you’re an illegitimate daughter, that was just a rumor after all. Searing, you go back and ask Auntie not to care about those things, people have to move on!””

“Chapter 1589: 239: direct beating, too late to regret! 4”

“”Zeng Rou! Are you crazy! Do you know what my cousin-in-law’s status is? It’s your turn to gossip!”Zhao duoduo slammed the table and stood up, she angrily said, “She’s the daughter of the Lin Corporation! Indeed, she’s something that can’t be put on the table! She can say anything! Little Aunt, is this your good cousin from your own family?” ”

“This disgrace did not only refer to Zeng Rou, but also indirectly slapped Zeng Qiuwen in the face. ”

“After all, Zeng Rou was Zeng Qiuwen’s cousin. ”

It was a matter of life and death.

Zeng Qiuwen’s expression was very ugly. She knew that Zeng Rou would definitely embarrass her.

This useless thing!

Zeng Rou was stunned!

“Just now, Zhao duoduo said who was ye Zhuo? ”

The daughter of the Lin Corporation?

How could ye Zao be the daughter of the Lin Corporation?

No.

It couldn't be.

PA!

“Without saying anything else, Zeng Qiuwen directly slapped Zeng Rou. “Idiot! Hurry up and apologize to Miss Ye!” ”

““SIS, you...”Zeng Rou was about to explain when Zeng Qiuwen slapped Zeng Rou's face again. “I asked you to apologize to Miss Ye. Are You Deaf?” ”

Ask her to apologize to ye Zao?

On what basis?

She was not wrong!

“But at that moment, other than apologizing to ye Zao, Zeng Rou had no other choice. ”

“Zeng Rou walked up to ye Zao and apologized with red eyes. “Zao, Zao Zao, I'm sorry. I didn't mean what I said. Those who don't know are innocent...” ”

“Zeng Qiuwen smiled apologetically. “Miss Ye, my cousin is still young. Please don’t take it to heart.” ”

“Cen Shaoqing looked up slightly. His deep eyes were filled with coldness. He pulled ye Zhuo’s hand and stood up from his seat. “Aunt, we’ll go back first!” ”

“After saying that, he turned around and left. ”

“Shaoqing!” Bai Shu immediately stood up as well.

Cen Shaoqing held ye Zhuo’s hand and left the Zhao family without looking back.

“Looking at Cen Shaoqing’s back, Bai Shu was so angry that her face turned pale. She clutched her chest and said, “Third brother, third brother! How can I Say Good Things to you! You’ll have to tear this family apart sooner or later!” ”

“If Zhao Jiadong had not provoked Zeng Qiuwen to come back, how could such a thing have happened tonight! ! ”

Zhao Jiadong felt a little wronged. The disaster was caused by Zeng Rou. What did it have to do with him? “Mom! Mom! Don’t worry! I’ll send Zeng Rou away immediately!”

“Zeng Qiuwen also quickly pleaded, “Mom, it’s all my fault. If you want to blame someone, blame me! From now on, I don’t have a sister like Zeng Rou anymore. Please Don’t blame Jiadong!” ”

“Not only had Zeng Rou received two slaps, but she was also being chased out by the Zhao family. ”

She had come to the Zhao family to look for the bachelor.

“Now, she had received nothing. ”

“Instead, she was left in a mess. ”

“How could she accept this? She immediately knelt down and tugged at the corner of Zeng Qiuwen’s clothes, saying, “Sister! Sister! You Can’t send me away! Sister! I know I’m wrong. I really know I’m wrong!” ”

A Fool is a fool!

Zeng Qiuwen’s face was full of anger.

Could Zeng Rou not see that Bai Shu was in charge of the Zhao family?

What was the use of begging her?

“Shut up!”Zeng Qiuwen looked at Zeng Rou.

Zeng Rou shut her mouth.

“A mistress is a mistress.”A cold female voice suddenly appeared in the air. “You’re still looking at the pot when you’re eating. This is great. Now You’ve lost everything.”

A mistress?

These were the words Zeng Qiuwen hated to hear the most right now.

She was a person who had accepted higher education.

She knew that it was immoral to interfere in other people’s marriages.

But she never thought that she had done anything immoral.

“After all, she was with Zhao Jiadong for love. ”

Love could not be controlled.

“Besides, Zhao Jiadong’s ex, du Yingying, had been with Zhao Jiadong for so long, but she still could not get pregnant. What right did a woman who could not get pregnant have to continue occupying Zhao Jiadong. ”

Therefore.

The immoral person should be du yingying.

“Du Yingying’s behavior, to put it bluntly, was to occupy the latrine and not take a dump. ”

But she was different.

“She could give birth to a son for Zhao Jiadong and carry on the family line for Zhao Jiadong. Therefore, Zeng Qiuwen never thought of herself as a mistress. Not only was she not a mistress, she should be the savior of the Zhao family and Zhao Jiadong. ”

But what about the people from the Zhao Family?

“It was fine if they did not know how to be grateful. Instead, they looked down on her and mocked her. ”

They simply did not know what was good for them.

“Zeng Qiuwen’s expression was a little ugly, but the person who came was Zhao Jiadong’s sister, Zhao youling. Zeng Qiuwen did not dare to say anything and could only pretend that she did not hear anything. ”

""Sister! What nonsense are you talking about! Who is a mistress?" Zhao Jiadong raised his head and looked at Zhao youling. "Sister, your words are too harsh!" "

"Chapter 1590: 239: directly beating them up, too late for regrets! 5"

"Zhao youling snorted coldly, "Is it me who speaks harshly, or are you the one who does things unsightly?""

"As she finished speaking, Zhao youling sized up Zeng Qiuwen and Zeng Rou, then, she said, "Some people have climbed up a high branch by using unpresentable means, yet they still want to attain enlightenment by themselves. Even if a chicken or a dog rises to heaven, she doesn't even take a look at whether this dog has the qualifications!"

Zhao youling's words almost pointed at Zeng Rou's nose and scolded her.

Zeng Rou's entire body was trembling.

"Zeng Qiuwen was so angry that her face had turned pale. However, she had no choice but to lower her head under the eaves."

"Zhao Jiadong frowned and said, "Sister, Qiuwen is pregnant now! Can't you say less?"

"Then can't she do two things that are not proper?" Zhao youling asked back.

Zhao youling disliked Zeng Qiuwen very much.

"Du Yingying had been married to the Zhao family for twenty years. Other than not giving birth to a child for the Zhao family, she had done a lot of hard work for the Zhao family. Without du Yingying back then, how could the current Zhao family exist?"

“Zhao Jiadong, on the other hand, had gotten together with this vixen in the blink of an eye. They did not even talk about the relationship between husband and wife.”

“”This has nothing to do with Qiuwen! Fine, I won’t tell you anymore!”Zhao Jiadong turned to look at Zeng Rou. “What are you standing there for? Get lost!””

Zeng Rou ran away crying.

“At this moment, Zeng Qiuwen clutched her stomach. “It hurts! It hurts! Jiadong! My stomach isn’t feeling well!””

“”Qiuwen, are you okay?”Zeng Qiuwen was pregnant with his only child. Zhao Jiadong was very nervous. He immediately carried Zeng Qiuwen and hurried to the bedroom. Before he left, he turned to look at Zhao youling, “SIS, if anything happens to the child in Qiuwen’s belly today, I’m not done with you!””

“Zhao youling snorted. “What a vicious dog! Even if such a person gives birth to a son, he is still a Prodigal!””

“On this side, Zeng Rou had just returned to her room when the Zhao family’s butler came over. “Miss Zeng, you have half an hour to pack your things and leave this place!””

Leave?

Zeng Qiuwen actually asked her to leave?

She thought that everything would be fine after she returned to her room!

She did not expect the butler to chase her away.

“”Where’s my sister! I want to see my sister!”Since she had come to this rich and noble place, how could Zeng Rou Bear to leave?”

“Third mistress doesn’t have time to see you! However, she did ask me to pass on a message to you. She Won’t be coming here anymore. She doesn’t have a sister like you.”

Zeng Qiuwen was a person who knew what was going on.

“After this incident, Zeng Rou no longer had a place in the Zhao family. Even if she used the child in her stomach to forcefully keep Zeng Rou here, it would only be a disgrace.”

“Therefore, Zeng Rou had to.”

“Hearing this, Zeng Rou’s face instantly turned from pale to pale.”

No.

She couldn’t leave.

“Seeing her like this, the Butler looked at his watch and continued, “Miss Zeng, you still have 28 minutes left. If you don’t pack your things and leave within 28 minutes, don’t blame us for being rude.”

“You, you dare!”

“The Butler smiled. “Then Miss Zeng, let’s see if we dare.”

Zeng Rou knew that the butler would not dare to do anything to her.

“After all, she was the third wife’s cousin, and the Butler was just a servant. As a servant, how could he dare to be rude to his master?”

Zeng Rou sat on the stool. She wanted to see what the butler could do to her if she did not leave!

Half an hour later.

“The butler spoke again, “Since Miss Zeng is not cooperating, we can only force you to leave. Guards!””

Zeng Rou looked up at the butler with her eyes wide open.

“As soon as the Butler finished speaking, someone walked in from outside, “Butler.””

“Drag this woman out!”

“Yes!”

“”I’ll see who Dares!”Zeng Rou stood up from the stool and said angrily, “I’m the biological cousin of the third mistress of the Zhao family!””

“Unexpectedly, the three bodyguards did not seem to hear Zeng Rou’s words. One on the left and the other on the right, they directly lifted Zeng Rou up.”

“”Let go of me! Sister! Brother-in-law, save me!”Zeng rou shouted desperately, but she did not call Zeng Qiuwen over. Instead, she attracted a bunch of servants who were watching the show.”

“Serves her right!”

“Retribution!”

“”Seeing how arrogant she usually is, I thought she could become one of the masters of this courtyard. I didn’t expect retribution to come so quickly!””

“Although Zeng Rou was not a proper relative of the Zhao family, she usually put on airs to her servants, which was even bigger than a proper owner.”

That was because the servants of the Zhao family did not like her very much.

Soon.

Zeng Rou was thrown outside the Zhao family's villa.
