“Chapter 1591: 239: directly beat him up, too late to regret! 6”

...

“Bai Shu called Old Mrs. Cen overnight, hoping that old Mrs. Cen could help persuade Cen Shaoqing not to be angry.”

“Old Mrs. Cen secretly applauded Cen Shaoqing. That was how one should treat a mistress, “Little Shu, you know Shaoqing’s temper. A few years ago, he became a monk. No matter how hard I tried to persuade him, I couldn’t stop him. Now that your new third daughter-in-law has offended Shaoqing’s daughter-in-law, isn’t that the same as causing trouble for the Lord? You know how protective Shaoqing is of his daughter-in-law. I don’t think Shaoqing will ever step foot in your house again in this lifetime!” ”

Old Lady Cen wasn’t joking.

“Cen Shaoqing didn’t like that kind of man who cheated, and now because of this man who cheated, he made ye Zhuo unhappy. Could This Cen Shaoqing do it? ”

Definitely Not!

He left on the spot and did not make things difficult for Zhao Jiadong.

Bai Shu sighed.

“Old Madam Cen continued, “Little Shu, although the matter has passed, I still have to say it. Yingying is such a good child and a good wife. If your Zhao family did not have her, would you have what you have today? “You let that Vixen enter just because she could not give birth?” ”

Du Yingying was a very strong woman.

“All these years, she had been the only one in charge of the Zhao family. In the early years, some things happened in the Zhao family and they almost couldn’t hold on. If it weren’t for Du Yingying, the Zhao family wouldn’t be where they are today?”

The Zhao family missed out on such a beautiful and intelligent daughter-in-law. Old Mrs. Cen was really heartbroken!

“After saying that, old Mrs. Cen said again, “Little Shu, let’s split up! Don’t tie the children together. If you don’t split up, everyone will be implicated by your third brother sooner or later!” ”

“Okay.” Bai Shu sighed. “I’ve been thinking about this these past few days.”

“”Think about it carefully. I still have something to do. I’ll hang up first,” old Mrs. Cen said. ”

“Okay.”

“After hanging up, Bai Shu pressed her head, feeling very uncomfortable. ”

Useless third brother!

It was all that useless third brother’s fault!

“In the blink of an eye, the next day arrived. ”

Ye Zhuo and Cen Shaoqing returned to the capital.

“Originally, Ye Zhuo was prepared to go home directly, but Old Mrs. Cen sent a text message saying that third aunt was going back today. Therefore, Ye Zhuo followed Cen Shaoqing back and sent third aunt off at the same time. ”

Outside the Cen Manor.

“The car to see third aunt off had already stopped at the door. Old Mrs. Cen held third aunt’s hand and said, “His third aunt, you have to bring Xiaotian to visit us in the future.” ”

““Yes, of course.”Third aunt held old Mrs. Cen’s hand and said, “Haifeng’s mother, thank you for not rejecting me as a poor relative. Thank you!” ”

The third aunt was very touched.

She stayed in the Cen family for four days.

“Through these four days, it could be seen that the CEN old lady really did not disapprove of the two of them.”

“If it were anyone else, they probably would not be able to do what the Cen Old Lady did. ”

““Look at you, Old Lady, what nonsense are you talking about!”The Cen Old Lady held the third aunt’s hand tightly. “We are all family. I welcome you to visit our house frequently.” ”

“Okay.”The third aunt nodded.

“At this moment, the housekeeper walked over and said, “Old Lady, everything is ready. Come over and take a look. Is there anything missing?” ”

Old Lady Cen looked at the housekeeper. “Is everything arranged according to the List I gave you?”

“Yes.”The housekeeper nodded.

“Old Lady Cen continued to instruct, “After you send the third aunt back, send some gifts to every family in their manor. Ask them to help take care of the third aunt. In the future, our Cen family will not mistreat them!” ”

“Okay.”

“The third aunt looked at Old Mrs. Cen, “Haifeng’s mother, You’ve given me things and money, and now you’ve done all this for me. I really don’t know how to thank you! Tianshun, Tianshun! Quickly kowtow to the ancestor and thank your ancestor!” ”

“Currently, the third aunt and the others were ostracized in the village. Old Mrs. Cen sent people over at this time to support the third aunt and the others. She wanted to let the villagers know that the third aunt’s family had a backer in the city, if they treated third aunt well, they would get benefits in the future. ”

“As long as there was profit to be made, those people would definitely not continue to ostracize third aunt and the others. ”

“Although third aunt was old, she still understood this point. ”

“Little Tian Shun immediately knelt down and kowtowed. “Thank you, ancestor.” ”

Old Madam Cen quickly pulled Little Tian shun up. “This silly child really kowtowed!”

The third aunt wiped her tears again.

“At this moment, Cen Shaoqing and ye Zhuo walked in from outside. “Third grandmother, aren’t you going to bring Little Tianshun home to play for a few more days?” ”

““This is?”The third aunt was old and could not remember Cen Shaoqing and ye Zhuo for a moment. It took her a moment to react. “This is Zhuozhuo and Shaoqing, right? They have been disturbing your grandmother here for a few days already. It’s time to go back!” ”

“Ye Zao half-squatted down and looked at Zhou Tianshun. “Little Tianshun, have your snout improved over the past few days?” ”

“”Much better. Thank you, pretty sister,”said Little Tianshun. ”

“The third aunt hurriedly said, “You silly child, you can’t call me sister. According to seniority, you should call me aunt.” ”

“”Thank you, pretty aunt!”Little Tianshun immediately corrected himself. ”

Ye Zhuo smiled slightly. “You’re welcome. Remember to come and play often in the future.”

“Okay.”Little Tian Shun nodded.

Old Mrs. Cen gave the housekeeper some more instructions before getting the chauffeur to send them off.

“”His third aunt, have a safe journey. Housekeeper, don’t forget to give us a call when you arrive.” ”

“”Yes, old madam, I understand.” ”

“Looking at the direction where the car disappeared, old madam Cen sighed. “Your third aunt is a pitiful person.” ”

“Ye Zhuo held old madam Cen’s arm and said with a smile, “Fortunately, she met you, grandmother.” ”

“Old Madam Cen could not open her mouth from ye Zhuo’s coaxing. She continued, “How was your trip to South City? Did you see your aunt?” ”

Ye Zao nodded slightly. “I did. The two elders were very enthusiastic.”

“Okay.” Old Mrs. Cen nodded and turned to look at Cen Shaoqing. “Did you tell your aunt and aunt that I’m going to visit them?”

Cen Shaoqing nodded slightly.

“Old Mrs. Cen continued, “Then how did your Aunt React?” ”

““You’ll know when you go,” Cen Shaoqing said. ”

“Old Mrs. Cen kicked Cen Shaoqing in the leg. “You Stinky Brat, you’re really annoying. Why are you keeping your grandmother in suspense!” ”

“Ye Zhuo held old Mrs. Cen’s arm, “Grandma Cen, after little aunt heard that you were going to visit her, she was very happy. She even prepared a lot of gifts for you, filling up the entire carriage. In the end, she even complained that our car didn’t have as much space as the tractor.” ”

“Old Mrs. Cen chuckled and said, “My granddaughter-in-law is still the best, unlike that stinky brat! He’s so annoying when he sees her! The Sun is an immortal board!” ”

Ye Zhuo didn’t quite understand the last sentence. “The Sun is an immortal board? What does that mean?”

“Old Mrs. Cen recalled Zhou Xiang’s explanation to Cen Yuyan. She smiled and said, “It means that fairies are flying all over the sky!” ”

“OH.” Ye Zhuo nodded slightly.

Cen Shaoqing:” ...” how could he always forget that he was picked up?

“Chapter 1592: 340: returning to her previous life, so this karma was for her! 1”

“Searing.” Cen Shaoqing walked forward. “Don’t listen to Grandma’s nonsense.”

Ye searing looked back slightly. “What nonsense?”

Cen Shaoqing twirled the Buddhist beads and opened his thin lips. “The board of Immortals doesn’t mean that fairies fly all over the sky.”

“As he finished speaking, Cen Shaoqing turned to look at Old Madam Cen. “Grandma, aren’t you afraid that searing will make a fool out of herself?” ”

“What if ye Zao came to praise someone and said, “You’re an immortal board...”. ”

That scene was simply unimaginable!

Old Madam Cen was a little embarrassed and scratched her head. “I really didn’t think of that.”

“Ye Zao asked in puzzlement, “Then what does the immortal board mean?” ”

“CEN Shaoqing said, “Search it on Baidu.” ”

Ye Zao took out his phone and searched for the meaning of the immortal board.

“At this moment, Cen Shaoqing’s phone rang. “Hello.” ”

“It was unknown what was said on the other end, but Cen Shaoqing continued, “Wait for me to come over.” ”

“After hanging up the phone, Cen Shaoqing turned to look at Ye Zhuo. “Zhuozhuo, I have something to do at the office.” ”

“Okay.”Ye Zhuo nodded slightly. “You can go back to your work.”

In the car.

“Little Tian Shun was sitting in his seat. He raised his head to look at the third aunt beside him.  
“Ancestor, why are you crying?” ”

“The third aunt hugged little tian shun and sobbed, “Tian Shun, your zu Zu’s family are all good people. When you grow up, you can’t forget them.” ”

The third aunt had experienced too many joys and sorrows in her life.

“After her grandson and granddaughter-in-law passed away, all her relatives became strangers. Only Old Granny Cen did not dislike them. ”

It was old Mrs. Cen’s acceptance that let her know that there was still warmth in this world.

“During the darkest times, the third aunt even thought of bringing little Tian Shun with her. ”

“Little Tian Shun nodded and looked at the third aunt. With a firm gaze, he said, “Ancestor, don’t worry. When I grow up, I will definitely be filial to you and that ancestor. I will also buy a lot of delicious food for uncle and pretty aunt!” ”

“”Good Boy.”The third aunt patted little Tian Shun’s head. “As human beings, we can have nothing, but we can not lose our conscience!” ”

“Okay.”Little Tian Shun nodded.

“The third aunt continued, “You have to remember that if it weren’t for your ancestor’s family, there wouldn’t be the two of us now.” ”

Old Mrs. Cen stood at the door for a long time until the car completely disappeared in front of them. Only then did she walk into the house with Ye Zhuo.

“The two of them chatted as they walked. “Yezi, did you go to the Zhao family and see that mistress?” ”

Ye Zhuo was stunned. “Which mistress?”

“The mistress of Zhao Jiadong.”

Ye Zhuo nodded slightly. “I saw her.”

“Old Mrs. Cen was a little angry. She continued, “If I had known that your aunt would actually allow that vixen to enter the house, you and Shaoqing shouldn’t have gone over to pay new year’s greetings!” ”

“Old Mrs. Cen originally thought that Zhao Jiadong was just fooling around with that person outside. After all, du Yingying was a benefactor to the Zhao family. ”

She did not expect that Zhao Jiadong would actually bring that person outside back!

This was simply too much.

“Ye Zhuo continued, “The heavens are watching. Don’t be anxious. Zeng Qiuwen will get her retribution sooner or later.” ”

“At this moment, the deputy butler jogged in from outside. “Old Madam, Old Madam!” ”

“What’s Wrong?” Old Lady Cen looked at the deputy housekeeper.

“The deputy housekeeper continued, “Old lady, there’s someone claiming to be your sister outside the door, but I’ve never seen her before.” ”

Sister?

Old Lady Cen was stunned.

“She only had two younger sisters. One was her cousin, Bai Shu, and the other was her biological sister, Bai Zhi. ”

But they all knew Bai Shu. Could it be...

The person who had come was Bai Zhi?

“Thinking of this, Old Mrs. Cen immediately turned to look at the deputy butler. “Did she say what her surname was?” ”

““Her surname is Bai,”the deputy Butler said. ”

Could it be that the person was really Bai Zhi?

Thinking of this.

Old Mrs. Cen was very excited. “Let’s Go! Quick! Follow me to take a look!”

“Because she was too excited, old Mrs. Cen stumbled and almost fell. ”

“Ye Zao quickly held her up. “Grandma Cen, please slow down.” ”

“It’s okay, it’s okay.” Old Mrs. Cen continued, “Yezi, let’s walk faster!” ”

“The two of them walked out of the door, got into the car, and arrived at the entrance of the manor. ”

“Before they got out of the car, old Mrs. Cen saw two figures standing in the distance. ”

“Is it that one? Zao Zao, my eyes aren’t working. Quickly help me take a look. Is it that one? are those two your aunt and your uncle-in-law?” ”

“Yes.” Ye Zao smiled. “Those are your aunt and uncle-in-law.”

“Stupid girl! Why does this stupid girl seem to be so much shorter...” after saying that, old Mrs. Cen urged the driver again. “Xiao Cui, drive faster!” ”

“Chapter 1593: 340: returning to her previous life, so the cause and effect was for her! 2”

“Cui smiled and said, “Okay, old lady.” ”

“Soon, the car arrived outside the manor. ”

“Old Lady Cen opened the car door and looked at Baizhi. She moved her lips as if she wanted to say something, but when faced with Baizhi, she couldn’t say anything. ”

It was a very strange feeling.

“There were obviously thousands of words, but her throat seemed to be blocked by something. Such an obscure feeling could only be understood by those who had experienced it. It was impossible to describe it with boring words. ”

“Seeing Old Mrs. Cen, Baizhi was stunned for a moment. After a while, she slowly said, “Sister...” ”

“This “Sister” was neither light nor light, but it resolved the grudge between the two sisters over the years. ”

Old Mrs. Cen’s mood also collapsed with this “Sister” and she ran over. “Xiaozhi!”

The two sisters hugged each other tightly.

“At this moment, it was as if someone had pressed the pause button in the air and was very moved. ”

““Xiaozhi, I’m sorry, I’m sorry...” Old Mrs. Cen’s voice was close to choking. ”

“Baizhi was also very uncomfortable and almost had tears streaming down her face. “No, sister. I should be the one apologizing to you. It’s my sister who is insensible...” ”

The two sisters apologized to each other. Both of them were apologizing for their actions in the past.

“Because of a misunderstanding, the two sisters had not seen each other for nearly twenty years. Time passed quickly, and the years had taken away their grudges, leaving wrinkles all over their faces. ”

““Stinky Girl, You Stinky Girl.” Old Mrs. Cen smiled with tears in her eyes. “How did you become so old? So old that I don’t even dare to recognize you!” ”

“In her mind, Baizhi was beautiful and moving. It had been twenty years since she last saw her. It was as if a lifetime had passed, and her beauty had also become old. ”

“Seeing Baizhi become like this, old Mrs. Cen felt very sorry for her, and her heart was filled with regret.  
”

“When she was young, she had been too competitive. This was her biological sister.”

How could she bear not to see Baizhi for so many years.

Baizhi broke into a smile through her tears. “You talk as if you’re not old. You’re also so old that you look terrible!”

“Old Mrs. Cen snorted. “Silly girl, we haven’t seen each other for so many years, but your mouth is still so vicious!” ”

“In a trance, the two sisters seemed to have returned to the past.”

“Ye Zhuo looked at the two of them with a faint smile on his face. He continued, “Grandma Cen, aunt, little uncle, it’s cold outside. Let’s talk inside.” ”

“Old Mrs. Cen nodded. “Yes, yes, yes. Let’s talk inside.” ”

“After a while, old Mrs. Cen turned to look at her uncle and said in surprise, “Ah! Liu De, why are you so Old?” ”

Uncle Liu de smiled and didn’t say anything.

“When Liu De was young, he was very reserved. He was embarrassed to talk to girls his age. Even when he was old, he couldn’t get rid of this habit.”

“Baizhi looked at Old Mrs. Cen and said somewhat speechlessly, “We’re both old. If he’s not old, won’t he become an old monster?” ”

“Old Mrs. Cen snorted. “You Stinky Girl, you’re still the same as before. You only know how to Talk Back to me! Don’t you know that elder sister is like a Mother?” ”

“Baizhi held old Mrs. Cen’s arm and tilted her head on old Mrs. Cen’s shoulder with a smile. “Sister, this is really good.” ”

“Silly girl!” Old Mrs. Cen poked Baizhi’s head.

“How Old Am I? How can you still call me that? !”

“Old Mrs. Cen rolled her eyes. “No matter how old you are, you’re still my sister! A Little Brat!” ”

Baizhi was more than ten years younger than old Mrs. Cen.

“In Old Mrs. Cen’s life, a sister was always a sister. Unfortunately, she had not done her duty as an elder sister all these years. ”

“Thinking of this, the expression in old Mrs. Cen’s eyes dimmed a little. ”

“Baizhi seemed to have seen the emotion in Old Mrs. Cen’s eyes and continued, “Elder sister, let bygones be bygones. I was too stubborn in the past...” ”

Old Mrs. Cen patted Baizhi’s hand. Everything was said without saying.

The two of them chatted and laughed as they got into the car.

At the Cen House.

Old Mrs. Cen instructed the servants to pour tea.

“Baizhi asked curiously, “Where’s your daughter-in-law?” ”

“She’s not at home.” Old Mrs. Cen picked up a cup of tea. “She went on a trip abroad with a group of young sisters on the second day of the New Year. She’ll probably be back in a few days.”

“Baizhi asked, “So you’re the only one at home these days?” ”

“Yes.” Old Mrs. Cen nodded.

“Aren’t you bored at home by yourself?” Baizhi asked.

““I’m not bored,” old Mrs. Cen continued, “We have a lot of relatives. We’re so busy with the new year greetings today and the New Year Greetings Tomorrow! We don’t have time to be bored!” ”

“Baizhi nodded with a smile and continued, “Sister, you’ve Changed a lot. Not only have you become older, but your character has also changed!” ”

“Chapter 1594: 340: returning to her previous life, so the cause and effect was for her! 3”

““You wretched girl, why didn’t you mention the word ‘old’?” Old Mrs. Cen patted Baizhi’s head. “She’s just a little girl!””

““What little girl!” Baizhi smiled and said, “I think it’s more like an old monster!””

“As they spoke, the two sisters began to quarrel again, neither giving way to the other.”

“Although they were quarreling, the expression between their eyes was full of happiness.”

On the other side.

Song Shiyu was sitting in the top-floor office.

“What’s wrong, third brother? I was right! This ZY technology company is a dark horse in the industry. We’ve only been working together for two years, and it’s already brought us so much profit!” Bai Jiayu handed Song Shiyu a document.

Song Shiyu reached out and took it. His slender fingers tapped lightly on the document. “Have you found ZY’s behind-the-scenes founder yet?”

“No.” Bai Jiayu shook his head, “ZY is getting bigger and bigger. As the saying goes, a tall tree attracts the wind. There are many people in the industry who are investigating ZY’s behind-the-scenes boss, but they haven’t come up with any results. But it makes sense. ZY’s founder can develop ZY so well, so he must not be a small fry. If it’s so easy for others to find out, he won’t be ZY’s founder anymore!”

“Song Shiyu didn’t say anything. He narrowed his eyes, peeled a piece of candy, and put it into his mouth.”

“Bai Jiayu felt sick of it. “Third brother, are you sure you don’t like Candy?” Song Shiyu wasn’t someone who liked candy in the past.”

“Low blood sugar, don’t you understand?” Song Shiyu glanced at him.”

“Bai Jiayu said, “Even if it’s low blood sugar, you don’t have to have one every now and then!” At this point, Bai Jiayu put his hands on the desk and looked at Song Shiyu with a wicked smile, “Third brother, tell me honestly. Does the girl you have a crush on like eating candy?””

“Can’t you think of anything else other than these messy things?”

“Bai Jiayu continued, “There’s a party tonight. Boss Yuan has invited many girls over. I heard they are all innocent college students who have never been in a relationship before. Third Brother, do you want to come?””

“Not interested.” Song Shiyu picked up a document and read it slowly. “You don’t have to tell me about such things in the future.”

“Bai Jiayu sized up Song Shiyu from head to toe and asked, “Third brother, is there something wrong with you?””

“He was almost 30 years old, but Song Shiyu had never even touched a woman...”

How did he do it?

“Song Shiyu raised his eyes slightly and said, “Get lost.””

“Even though it was just one word, it made Bai Jiayu shudder.”

“Bai Jiayu immediately shut up. “I’ll Scram, I’ll scam, I’ll scam right now!””

He knew Song Shiyu too well.

“If he didn’t scam, Song Shiyu would fall out with him faster than flipping through a book.”

“However, Bai Jiayu’s biggest concern now was whether there was a problem with him.”

If there was no problem with Song Shiyu.

Who was he keeping his virginity for?

“Song Shiyu wouldn’t want to die alone like this, right?”

“Thinking of this, Bai Jiayu scratched his head.”

“Just as Bai Jiayu left, his assistant rushed to Song Shiyu’s office.”

“Boss, something happened!”

“Take your time.” Song Shiyu picked up his cup and took a sip of tea.

It was a very fragrant green tea.

No wonder she liked it so much.

“The assistant continued, “Mu Yourong has escaped from prison!””

“What?” Song Shiyu narrowed his eyes.

“The assistant said, “The Yun Jing police called and said that Mu Yourong might have already arrived in the capital.””

“The ink in Song Shiyu’s eyes surged, and he immediately picked up the microphone on the table.”

...

Mu Yourong had indeed escaped.

“She had just been reborn with great difficulty, so how could she compromise so easily.”

“She had the memories of her previous life. As long as she planned ahead, it was actually very easy to escape from prison.”

“Even if she died, she had to drag ye Zao along.”

“Mu Yourong pulled her mask, avoiding the checkpoint and walking forward quickly.”

“Up until now, Mu Yourong still could not understand how she, who had been reborn, had become like this.”

“Right now, she was living a life worse than a dog!”

“And that trash who had died tragically at her hands in her previous life, in this life, it was as if he had been cheated. He had flourished all the way, not only becoming a big streamer, but also becoming the famous professor YC.”

Mu Yourong had thought a lot during these two years in prison.

The only explanation was that ye Zao definitely had an extremely powerful system.

Ye Zao’s achievements today were all given by the system!

“Otherwise, ye Zao would not have become the center of attention.”

“After all, other than the variable ye Zao, everything else was the same as what she had experienced in her previous life.”

“Chapter 1595: 340: returning to her previous life, so the cause and effect was for her! 4”

“When she thought of ye Zao, Mu Yourong’s eyes were filled with hatred.”

Hers.

They were all hers.

Everything that ye Zao had now was hers!

“If ye Zao had not used the system to snatch her things, she would not have fallen to this state.”

“When Mu Yourong’s system was still around, it had taught her how to snatch away the methods of others who had the system.”

Just wait.

“Not only did she want ye Zao to die, she also wanted to take away ye Zao’s system and rebuild a prosperous life!”

“This time, she would not let anyone plot against her!”

Mu Yourong narrowed her eyes.

““Sister Rong, come with me!” ”

“At this moment, a person suddenly rushed out from the side, grabbed Mu Yourong’s hand and pulled her inside.”

“Mu Yourong looked around, and after confirming that there were no problems, she immediately followed in.”

“Although this was just an inconspicuous alley, there was a different world inside.”

“After opening the door to the alley, there was a large courtyard. ”

There was an underground trading hall hidden in the courtyard.

Mu Yourong followed them into the office.

“That person took off his sunglasses and turned to look at Mu Yourong. “Sister Rong, you weren’t discovered along the way, right?” ”

“Mu Yourong shook her head. “Don’t worry, I wasn’t discovered.” ”

“That’s good. You must have been hungry along the way. I’ll go get something for you to eat.”

“”I’m not hungry.”Mu Yourong sat down. “Little Wang, what did you do with the things I asked you to do?” ”

“Little Wang also sat down and continued, “Sister Rong, the person you asked me to investigate is now the eldest daughter of the Lin family. If you want to get close to her, there’s only one way.” ”

Xiaowang and Mu Yourong had been cellmates.

“Mu Yourong could tell that Xiaowang was not some simple criminal, so she used methods to gain Xiaowang’s trust. ”

“Sure enough, after escaping from prison, Xiaowang became her right-hand man! ”

“What did you say?”Mu Yourong’s eyes were filled with disbelief. “Whose eldest daughter is she?”

“”The Lin family,”Xiaowang said. “Her father is Lin Jincheng.” ”

Lin Jincheng.

Mu Yourong naturally knew who Lin Jincheng was.

How could this be.

How could ye Zhuo possibly be Lin Jincheng's child.

How did she do it?

The system.

Ye Zhuo had the system.

"Ye Zhuo used the system to find out his background, so he resolutely left the Mu family and climbed up another branch."

No!

The position of the Lin family's eldest daughter should be hers.

"After all, she was the child that ye Shu raised single-handedly."

What was ye Zao?

Ye Zao was just a slut who only knew how to occupy the magpie's nest.

"Mu Yourong was very regretful now, regretting that she shouldn't have left ye Shu, shouldn't have left the ye family."

“If she hadn’t left the ye family, then the position of the eldest daughter of the Lin family would have been hers! ”

“At this moment, Mu Yourong suddenly came to a realization. ”

She finally understood why ye Zao had left the Mu family at that time!

It turned out that ye Zao had long known that she was a child of the Lin family.

No wonder!

No wonder!

Only she was foolishly kept in the dark and did not know that her identity had been stolen.

“Compared to the Lin family, what was the Mu Family? ”

The Mu family could not even compare to the Lin family’s Pinky!

Ye Zao was truly scheming!

Truly Shameless!

How could there be such a shameless person like ye Zao in this world?

Mu Yourong was so angry that her entire body was trembling. She wanted nothing more than to directly tear ye Zao into pieces.

Just wait.

She had to take back both the Lin family's eldest daughter and fifth Cen's fiancée.

She had to let ye Zao know that he had to pay a price for snatching other people's things!

"Seeing that Mu Yourong did not speak for a long time and still looked so pale, little wang asked worriedly, "Sister Rong, Are You Alright?" "

"I'm fine." Mu Yourong collected her thoughts and continued, "What method did you tell me to get close to ye Zao?" "

"Little Wang took out a recruitment notice. "The Lin family is currently lacking three maids to clean up. Sister Rong, if you don't have any problems, I can arrange for you to enter the Lin family." "

Maid?

Let Her Be Ye Zhuo's maid?

On what basis?

"But now, other than being a maid, there seemed to be no other choice. "

"If she couldn't bear it, she would mess up the big plan. "

"In order to take back everything that belonged to her, she could bear it! "

"After a moment, Mu yourong nodded and said, "Alright, that's what we'll do. Xiao Wang, I'll have to trouble you!" "

“Xiao Wang smiled and said, “Miss Mu, look at what you’re saying. You took care of me inside. If it wasn’t for you, my legs would have been crippled. I should be the one thanking you properly!” ”

“”No matter what, I still have to thank you.” Mu Yourong held Xiao Wang’s hand. “Xiao Wang, don’t worry. If anything happens, I will absolutely not implicate you!” ”

“Chapter 1596: 340: returning to my previous life, so all this karma was for her! 5”

“”Sister Rong, you’re being too polite! Since I’ve decided to help you, I’m not afraid of being implicated!” After all, doing anything was risky.”

“”Xiao Wang, thank you.””

“”I should be the one thanking you, Sister Rong.” Xiao Wang was very grateful to Mu Yourong. If it wasn’t for Mu Yourong, she would already be a cripple.”

“After saying this, Xiao Wang continued, “Sister Rong, then I’ll arrange for you to enter the Lin family home now.””

“Yes.” Mu Yourong nodded.

On the other side.

In an office building.

“An assistant dressed in black stood in front of Song Shiyu and said respectfully, “Boss, Thunderstorm Pavilion has already found traces of Mu Yourong!””

Song Shiyu frowned slightly and tapped his fingers on the table. “Where is she now?”

“Just as you thought, she was just about to make a move on Miss Ye.”

PA —

A crisp sound suddenly rang out in the air.

The assistant raised his head and saw Song Shiyu directly break the pen in his hand.

“Bring it here,” Song Shiyu continued.

“Bring it to Wutong Garden?” The assistant asked.

“What do you think?” Song Shiyu raised his eyes slightly.

“The assistant suddenly shivered. “Okay boss, I got it!””

Song Shiyu narrowed his eyes.

“The next day, Mu Yourong took her fake ID card and went to the Lin family with little Wang.”

“Little Wang walked in front. “Sister Rong, when we reach the MU family, don’t say anything. I’ll tell you.””

“Okay.” Mu Yourong nodded.

The two of them talked as they walked. Little did they know that they had long been targeted.

“Mu Yourong sensed that something was wrong, but when she turned around, there was nothing behind her.”

Could it be an illusion?

“Mu Yourong turned around. Just then, she felt an intense pain on the left side of her neck, and then she blacked out.”

The person who had knocked Mu Yourong out gave a look to his companion beside him. His companion immediately understood and immediately helped his companion get Mu Yourong into the car beside them.

“The driver got the three of them into the car, immediately stepped on the accelerator, and left.”

“Little Wang did not notice that someone was missing. “Sister Rong, after you go to the MU family, you have to be careful. If you encounter any difficulties, just give me a call.””

“And...”

Little Wang turned around and realized that Mu Yourong was nowhere to be seen!

Where was Mu Yourong?

“Sister Rong! Sister Rong!” Little Wang shouted loudly.

But he did not receive a single reply from Mu Yourong.

How could mu Yourong suddenly disappear?

Could it be that something came up?

“Xiao Wang was very anxious. He immediately took out his phone and dialed Mu Yourong’s number. However, the other party’s phone had already been switched off.”

Could it be...

That something bad had happened to Mu Yourong?

“If something had happened to Mu Yourong, it was impossible for her phone to be switched off!”

“Xiao Wang took out his phone and wanted to call the police. Just as he pressed the three numbers 110, he immediately put his phone back into his pocket.”

No.

She couldn’t call the police.

“Mu Yourong was a fugitive to begin with. If she called the police, not only would it not be beneficial to Mu Yourong, it would even harm her.”

“At the moment, Xiao Wang could only use the connections she had at her side to try her best to find Mu Yourong!”

Western Suburbs.

Wutong Park.

“Despite the elegant name of Wutong Park and its artistic style, this was actually a madhouse.”

Song Shiyu was led into a sealed room by his assistant.

“Boss, she’s inside.”

Song Shiyu pushed the door open.

Mu Yourong was tied to the sofa. Her mouth was sealed with tape and she was in a coma.

“Wake her up.” Song Shiyu subconsciously lit a cigarette. The next second, as if he had thought of something, he extinguished the cigarette in his hand.”

“Yes.”

The assistant immediately got someone to get some ice water and splashed it on Mu Yourong’s face.

Whoosh —

“Although the heater was turned on in the room, it was winter after all. With this bucket of ice water, it was bone-chilling. Mu Yourong was immediately woken up. When she opened her eyes and saw the scene in front of her, she thought that she was hallucinating!”

Song Shiyu!

The person standing in front of her was actually Song Shiyu!

How did Song Shiyu appear here?

And where was this place?

No.

She could not be captured by a demon like song Shiyu.

“As soon as she saw song Shiyu’s face, Mu Yourong could not breathe. An overwhelming sense of fear pounced on her. That feeling was truly too uncomfortable!”

“Mu Yourong struggled with all her might, but the rope was too tight. She could not struggle at all.”

“Mu Yourong wanted to cry for help, but the tape on her face was so tight that she could not make a sound.”

What should she do?

What should she do now?

“Chapter 1597: 340: returning to her previous life, so this karma was for her! 6”

Mu Yourong’s eyes widened as she looked at the terrifying man in front of her. Her heart was in a state of panic.

“In the next second, the man bent down slightly and removed the tape on Mu Yourong’s mouth. ”

“Looking at the handsome face that was magnified several times before her eyes, Mu Yourong’s eyes were filled with fear. She leaned back on the back of the chair, her body constantly leaning back, “What do you want to Do? Song Shiyu, what do you want to Do? Why Won’t You Let Me Go!” ”

“Shh.”

“Song Shiyu put his index finger to his lips, making a gesture of silence. ”

“Mu Yourong immediately shut up, not daring to say another word.”

She did not know what this terrifying man would do next.

“Fear, panic... .. that feeling, it was as if she would die at any moment under this devil’s palm.”

“Because she had the experience of her previous life, ever since she was reborn, she had always been far away from this devil.”

But it just so happened that Song Shiyu’s ghost did not disperse.

The air was very quiet.

Song Shiyu just stared at Mu Yourong like this.

It was as if the grim reaper was staring at a person who was about to die.

“Mu Yourong was covered in cold sweat, and it was difficult for her to breathe.”

The next second.

Song Shiyu was high-fived.

“The assistant immediately walked in from outside, carrying a syringe.”

“Seeing the syringe, the fear in Mu Yourong’s eyes was magnified. “No! No! Please let me go!” ”

“Song Shiyu unhurriedly put on a pair of rubber gloves, and then took the syringe from the assistant. He squeezed out the air inside, and a faint smile appeared on his lips.”

“When he smiled, he looked very beautiful.”

Like a spring breeze.

“In her previous life, Mu Yourong had been deceived by this song Shiyu, which was why she had chosen to marry him. In the end, she ended up dying a miserable death.”

“When she saw the same smile again in this life, Mu Yourong could only feel endless fear.”

Why?

Why did song Shiyu want to pester her so much.

Why couldn't song Shiyu let her go.

What did she do wrong?

“Seeing song Shiyu approaching her step by step, Mu Yourong screamed hysterically, close to despair.”

““I told you to shut up!” Song Shiyu’s expression suddenly became ferocious. Seeing song Shiyu like this, Mu Yourong panicked even more. Using both hands and feet, she was full of ugliness. She didn’t want this.., in her previous life, she had died under song Shiyu’s hands. She understood song Shiyu’s methods, but at that moment, she simply could not control herself.”

Song Shiyu grabbed Mu Yourong’s hair. “This Daddy wants you to shut up!”

“With that, he directly stabbed the needle into Mu Yourong’s flesh.”

“Mu Yourong’s pupils suddenly dilated, and then she fainted just like that.”

“Seeing that Mu Yourong had fainted, Song Shiyu finally released her and slowly took off the rubber gloves in his hands. However, in the blink of an eye, he returned to his gentle and handsome appearance.”

It was as if that devil-like man just now was not him at all.

“After a moment, Song Shiyu turned to look at his assistant and slowly said, “Let’s starve for three days first. I’ll come back in three days.””

“Okay.”The assistant nodded.

Mu Yourong had a dream.

“In the dream, she had returned to her previous life.”

“At this time, she had already been tortured by Song Shiyu until she did not look like a human being.”

She was emaciated.

“She did not understand why Song Shiyu, who loved her so much, would treat her like this.”

Could it be that Song Shiyu had married her just to torture her?

There was no reason.

“If Song Shiyu did not love her, he would not have funded and helped the MU Corporation when it was in crisis.”

“If song Shiyu did not love her, why had he married her?”

“Mu Yourong was tied to a chair, and her gaze had already lost its usual vigor.”

At this moment.

The scene changed.

“In song Shiyu’s bedroom, song Shiyu stood in front of the French window, his hand holding a polished peach pit. “Don’t worry, I will definitely make Mu Yourong’s life worse than death!” ”

Peach Pit?

Whose Peach Pit was this?

Could it be that song Shiyu had tortured her so much to avenge someone?

But just who had she offended to have song Shiyu treat her like this!

“Just then, Mu Yourong’s gaze caught a glimpse of a photograph.”

“In that instant, Mu Yourong’s pupils suddenly dilated.”

It was her!

How could it be her!

Chapter 1598: 341: Every Minute and second is torture. Who does she think she is! 1

It's her.

How could it be her...

"Mu Yourong looked at the photo on the table. Her eyes were filled with disbelief, and her entire body was trembling."

She saw that the person in the photo was none other than ye Zao.

It was ye Zao.

How could it be ye Zao?

She had seen wrongly.

She must have seen wrongly.

"Mu Yourong tried her best to calm herself down. Step by step, she walked towards the desk."

She was already in front of the desk.

But the scene before her eyes had not changed.

It was ye Zao.

The person in the photo was ye Zao.

Why would ye Zao's photo appear in song Shiyu's study?

What was the relationship between the two of them?

Could it be that.

She had died in her previous life because of ye Zao?

"Because she had killed ye Zao, so song Shiyu wanted to avenge ye Zao?"

But what was song Shiyu's relationship with ye Zao?

Why did song Shiyu want to take revenge for ye Zao?

What was the reason for all of this?

"For a moment, Mu Yourong's mind was filled with question marks."

At this moment.

Mu Yourong suddenly recalled the scene when she first met song Shiyu.

"It could be seen that at the beginning, song Shiyu definitely had her in his heart."

"Otherwise, song Shiyu would not have spent so much money to support the MU family."

"He remembered that on the night of their wedding, after song Shiyu saw her arm, his attitude had completely changed."

Right.

Could it be that there was something wrong with her arm?

“Just as Mu Yourong was still unable to react, her assistant walked in from outside the door.”

“Boss.”

“”Speak.”The man who had been standing in front of the French window turned around, revealing a face as beautiful as jade.”

“No one would have thought that there was a perverted, twisted, and dark heart hidden under this gentle, jade-like skin.”

“Although the assistant had been by Song Shiyu’s side for a long time, the assistant was still a little nervous. He continued, “Boss, we have found Miss Mu Zhuo’s grave.””

“Send me the address.”Song Shiyu’s face was expressionless.

“He had thought of many scenarios in which they would recognize each other, but he had never imagined that they would be separated forever.”

The little girl from back then had left.

The last ray of light in his heart had also disappeared.

“Alright.”The assistant nodded and sent the address to Song Shiyu.

“After receiving the address, Song Shiyu immediately walked out of the office.”

“Seeing this scene, the disbelief in Mu Yourong’s eyes gradually turned into shock and anger!”

It really was ye Zao.

It really was ye Zao!

Mu Yourong’s gaze instantly became ferocious. She wanted to pick up the photo on the table and smash it into pieces.

But she had forgotten.

She was in a dream.

Mu Yourong’s hand directly passed through the photo frame.

“Looking at song Shiyu’s back, Mu Yourong burst into tears. “It’s not fair! Song Shiyu! This is not fair to me!””

It was a pity.

The song Shiyu in her dream could not hear her voice.

Mu Yourong had never imagined that she had died because of ye Zao in her previous life.

Song Shiyu had married her only to torture her and avenge ye Zao.

Ridiculous.

Simply Ridiculous!

Mu Yourong was about to burst into tears from laughing.

“In her previous life, up until the moment of her death, she had never thought that she had died because of ye Zao.”

Stupid.

She was simply the Dumbest Idiot in the world.

“At this moment, Mu Yourong’s emotions were about to collapse.”

Her face was deathly pale.

...

“When Mu Yourong woke up again, her body was soft and she could not muster the slightest strength.”

Where was she?

“Mu Yourong wanted to open her mouth to speak, but after opening her mouth, she could not make a single sound.”

Mu Yourong’s expression instantly became flustered.

What was wrong with her?

Why was she unable to speak.

“Mu Yourong tried to call for help, but she could not utter a single word.”

It was as if she had lost her vocal cords.

It was somewhat terrifying.

It was also at this moment that Mu Yourong remembered that she had been captured by song Shiyu.

And that terrifying dream.

“Mu Yourong was someone who had been reborn, so she naturally knew that everything she had experienced in that dream was real.”

Ye Zao.

It was all because of ye Zao.

The reason why she had experienced all of this was all because of ye Zao.

“Why didn’t that Slut Ye Zao Die! In her previous life, he wouldn’t let her off, but in this life, he actually wouldn’t let her off!”

Mu Yourong’s eyes were filled with monstrous hatred.

Two lives.

What should she do?

What should she do now?

“If she fell into the hands of Song Shiyu, this demon of the human world, would she have to wait for death?”

“Mu Yourong wanted to do something, but unfortunately, she could not do anything.”

Time passed by minute by minute.

No one knew how torturous her life was now.

On the other side.

The Zeng family in Yunjing.

Zeng Rou had been chased out of the Zhao family.

Zeng’s parents were so angry that they wanted to send Zeng Rou to the Zhao family

Chapter 1599: 341: Every Minute and second is torture. Who does she think she is! 2

“Unexpectedly, Zeng Rou was chased out. ”

“Especially father Zeng. He pointed at Zeng Rou and said angrily, “You bastard! What have you done! ? You were chased out by your cousin? You’ve completely disgraced me!” ”

“Everyone in the circle knew that he had sent his daughter to the Zhao family. In the future, she would definitely marry into the circle of the southern city. ”

Who knew that Zeng Rou would actually be chased out!

“In the circle of the wealthy, there were also the capital circle, the Southern Circle, the Sea Circle, and the Cloud Circle.”

Just as the name implied.

“The capital circle was the circle of the wealthy in the capital. The southern circle was the circle of the wealthy in the southern city, and so on. Among them, the capital circle was the most prestigious. It was the top of the four circles of the wealthy, followed by the Southern Circle.”

Father Zeng originally thought that Zeng Rou would definitely become a phoenix in one leap this time and smoothly bring the Zeng family along to upgrade.

He didn't expect Zeng Rou to make such a joke in the end.

How could he go out and meet people in the future?

“Dad, I didn't do anything!” Zeng rou felt wronged. “I just said a few words. The old lady of the Zhao family hasn't said anything yet! Zeng Qiuwen slapped me and tried to kick me out!”

“It was Zeng Qiuwen's fault in the first place. If Zeng Qiuwen had helped her, things wouldn't have ended up like this!”

But what about Zeng Qiuwen?

“Not only did she not help her, she even added fuel to the fire.”

Zeng Qiuwen did not treat her as a sister at all!

“Rou’er, what did you say? ! Qiuwen even hit you?”Hearing this, mother Zeng immediately stood up. ”

“Her heart ached for her daughter. Usually, she could not bear to hit Zeng Rou. ”

What right did Zeng Qiuwen have?

“Yes.”Zeng rou nodded, with red eyes, she said, “Mom, Zeng Qiuwen doesn’t want to help me at all! She is pregnant now, and her words carry a lot of weight in the Zhao family. But what about her? Not only did she not help me, but she also let the people of the Zhao family bully me! Mom, Look, my face was hit by Zeng Qiuwen!” ”

“Let mom see, let Mom See.”Looking at Zeng Rou’s slightly red and swollen face, Zeng’s mother’s heart almost ached to death, “I knew it, da Fang and the others didn’t have any good intentions! How are they helping us? They are clearly trying to humiliate us! Rou’er, does it still hurt now?” ”

“Yes!”

“Seeing Zeng Rou like this, Zeng’s mother felt even more heartbroken. She turned to look at Zeng’s father, “Go! Go find da Fang’s family and get justice for Rou’er!” ”

Zeng’s father frowned slightly and did not say anything.

“Mother Zeng continued, “Zeng Qiuwen, this little B \* TCH, does she really think that being a mistress is that big of a deal? A mistress is a mistress, a thing that can’t be put on the table!” ”

“Shut up!”Hearing this, Father Zeng said angrily. ”

“Zeng Qiuwen bullied our Rou’er so much, and I can’t even say a word about her?”Mother Zeng continued, “Besides, she was a mistress to begin with, so why can’t I say anything about her?” ”

“She had given Zeng Qiuwen so many good things, and she had thought that Zeng Qiuwen would help Zeng Rou. ”

“Zeng Qiuwen, on the other hand, treated Zeng Rou like this! ”

It was disgusting!

Mother Zeng was so angry that she couldn't stand it anymore.

“I told you to shut up!” Father Zeng was furious. “She and Rou'er are sisters from the same family! If she is a mistress, who is Rou'er? The sister of a mistress? Do you think it will be nice to hear about it?” ”

“Although the Zeng family could not be considered as a genuine wealthy family, they were still a wealthy family among the common people! ”

The most important thing for a wealthy family was their reputation!

They would rise and fall together!

“Although Zeng Qiuwen's way of getting to the top did not look good, at least no outsiders knew about it. If outsiders knew about it, they would also lose face. ”

“Hearing this, mother Zeng immediately shut up. ”

“She could ignore Zeng Qiuwen's reputation, but she had to care about Zeng Rou's. ”

She could not let this affect Zeng Rou's future.

But Mother Zeng was still unwilling. “Is our Rou'er being bullied by the little B \* Tch for Nothing?”

“Do you have to do something to be happy?” Father Zeng looked at Mother Zeng.

“Great-mother pursed her lips, “Didn’t I do it for our Rou’er? “Besides, Rou’er isn’t my only daughter. She has suffered so much, and you, as her father, don’t feel bad at all? “Are you still Rou’er’s biological father? “Your own daughter has suffered outside, and you, as her father, don’t even dare to say a word!” ”

““Zeng Qiuwen is now the daughter-in-law of the Zhao family. How Do You Expect Me to seek justice for Rou’er?”Great-father continued, “Then do you want me to stab her with a knife and perish together with her?” ”

Great-mother was stunned.

Chapter 1600: 341: Every Minute and second is torture. Who does she think she is? ! 3

She only cared about Zeng Rou’s grievance and forgot about her status as a big family member. She followed the rising tide.

“In the past, if Zeng Rou had suffered any grievance from Zeng Qiuwen’s side, Father Zeng could still say a few words. But now, there was no room for Father Zeng to say anything! ”

“After saying that, Father Zeng turned to look at Zeng Rou and continued, “We are both sisters. You should also reflect on why Zeng Qiuwen was able to marry into the Zhao family, but you can only look at Zeng Qiuwen’s eyes!” ”

Zeng Rou lowered her head and did not say anything.

Wait.

She must take revenge.

“Ye Zhuo had Cen Shaoqing’s support now. She could not touch him, but she could touch Zeng Qiuwen.”

“During these days in the Zhao family, Zeng Rou had a clear understanding of Zhao Jiadong’s character.”

“If she could not, she would start with Zhao Jiadong.”

“She was younger and prettier than Zeng Qiuwen, but she could not. Zhao Jiadong could withstand the temptation.”

Zeng Rou narrowed her eyes. She would definitely let Zeng Qiuwen have a taste of being chased out of the house!

“Thinking of this, Zeng Rou’s eyes were filled with determination.”

“Father Zeng continued, “You can’t stay in Yunjing any longer. Pack up. You still have to go to south city! You two are sisters after all. As long as you beg her properly, she will never ignore you!” ”

“No matter what, he could not let outsiders see his joke. He could not let others know that Zeng Rou had been chased out by the Zhao family.”

Zeng rou nodded obediently.

“He had to go to south city, otherwise how could he take revenge?”

On the other side.

The Cen family.

“On the second day after Baizhi came, Zhou Xiang came back from his trip.”

“Although the Cen Old Lady and Zhou Xiang had not seen each other for more than twenty years, Zhou Xiang still went to visit Baizhi every year. After all, the conflict between the Cen Old Lady and Baizhi was between her and Baizhi, and they were juniors, they still had to show respect.”

“Seeing Baizhi in the living room of the Cen family, Zhou Xiang’s face was full of disbelief. He said in surprise, “Aunt! It’s really you!” ”

““Xiangxiang, come back.”Baizhi smiled and looked up.”

Zhou Xiang put down his bag and walked over. “I was thinking of coming back to visit you! I didn’t expect you to come here in person!”

“Baizhi said, “I haven’t been to the capital for so many years, so I came to see you. How have you been playing outside these days?” ”

““Pretty good.”Zhou Xiang continued, “I’ll take you and my mom out to play next year!” ”

“That’s a pretty good idea!”Old Mrs. Cen turned to look at Baizhi. “We’ve never been anywhere to play in our lives. Why don’t we go out together?”

“Baizhi nodded. “Sure, I’ll do as you say.” ”

Zhou Xiang’s gaze moved back and forth between the two old men. He was quite surprised.

The two of them had not seen each other for twenty years.

Why did they suddenly...

“Zhou Xiang continued, “Aunty, did Wen Bin and Wen Yue come back to visit you during the New Year?” ”

“Baizhi shook her head. “Wen Bin said that he was too busy with work and didn’t come back. Wen Yue’s mother-in-law fell down from the building last year and hasn’t woken up yet. She Can’t leave anyone by her side, so she didn’t come back.” ”

“How is it? Is It Serious?”Zhou Xiang asked with concern.

“Baizhi said, “The Doctor said that she might be in a vegetative state.” ”

“It’s that serious?”Zhou Xiang asked in surprise.

“Baizhi nodded. “I’ve discussed it with your uncle-in-law. When we return from the capital city, we’ll go over to see them.” ”

“After chatting with Baizhi for a while, Zhou Xiang came to the restaurant to eat. While eating, he lowered his voice and asked Cen Shaoqing, who was reading beside him, “Shaoqing, when did your grandmother and your aunt-in-law reconcile?” ”

Cen Shaoqing opened his thin lips slightly. “After the third aunt left.”

“Third aunt?”Zhou Xiang frowned. “Which third aunt? Do We have this relative? Why don’t I Know About It?”

“Cen Shaoqing turned a page of the book and said concisely, “A distant relative.” ”

“”OH.”Zhou Xiang was a little curious. “Then, between your grandmother and your aunt, who bowed their heads and admitted their mistakes first?” ”

“According to Old Mrs. Cen’s personality, if she felt that she was not wrong, she would definitely not admit her mistakes first. It was the same for Baizhi. It was precisely because the two of them did not give in to each other that they had been in a stalemate for so many years. ”

Zhou Xiang was really curious about who was the first to admit their mistakes between these two equally strong-willed people.

“Mom.” Cen Shaoqing raised his eyes slightly.

“Okay.”

Cen Shaoqing’s thin lips moved slightly. “You’re too nosy.”

“Zhou Xiang was stunned for a moment before saying, “Who are you calling nosy! I’m just curious! Can’t I just be curious? which one of them admitted their mistakes first?” ”

Cen Shaoqing did not say anything.
