Chapter 161: 085: Lovely Old Lady Cen, my granddaughter-in-law is the most beautiful woman in the world! 5

Plus, Yunjing was a tourist city, so there were even more people. Ye Zao looked up at the Sun and suddenly regretted not taking a taxi.

At this moment, a man in black quickly ran past ye Zao.

He was very fast.

He was like a gust of wind!

Ye Zao frowned slightly. Before she could react, a middle-aged woman dressed in a light blue qipao and a pair of high heels came from behind. She was dressed exquisitely. "Catch the thief! Catch the Thief!"

Ye Zao immediately understood what was going on. He looked at the middle-aged woman and said, "Auntie, wait here for a moment."

As soon as he said that, ye Zao immediately chased after her.

She was also very fast.

In a short while, she had forced the black-shirted man into a dead end.

The black-shirted man was so tired that his face was pale. His forehead was covered with layers of hot sweat. He sat on the ground and looked up at Ye Zao. "Hero! Heroine! I surrender..."

"Take out your things." Ye Zao stretched out his hand towards him. His eyes were very indifferent.

"Alright, wait a moment." The black-clothed man lowered his head and rummaged through his pockets. "Let me look, let me look."

Little did he know that his lowered eyes were suffused with a cold and gloomy light.

.....

He had debuted for so many years, but he had never suffered a setback.

Today, he would similarly not fall into the hands of a little girl!

Just now, he had intentionally run into this dead end.

Because this dead end was a blind spot for surveillance, and it was also his territory.

This little girl was so beautiful, so she definitely had a better taste!

Thinking of this, a wretched expression appeared on the black-clothed man's face.

Since she liked to meddle in other people's business.

Then don't blame him!

At this moment, the black-clothed man suddenly took out a dagger that flashed with a cold light from his pocket. He stood up from the ground and walked step by step towards ye Zao. At the same time, three to four men wearing black clothes also appeared behind ye Zao, they quietly appeared behind ye Zao and blocked her way back.

The current ye Zao was like a turtle in a jar.

It was difficult to escape from a Super Wing.

Ye Zao crossed her arms in front of her chest.

She just looked at the man in black who was walking towards her.

There was no fear on his face. Instead, there was a faint smile on the corner of his mouth.

The man in black frowned slightly.

Why didn't she run?

Under normal circumstances, wouldn't a girl immediately turn around and run when she saw this situation?

Why didn't Ye Zao Move?

Could it be that he was scared silly?

It should be.

The black-clothed man walked in front of ye Zao just like that. "Little girl, if you know what's good for you, spend some time with your brothers today. Your brothers will make you happy. Otherwise... hehehe..."

The people behind him also started to laugh with malicious intentions.

Their eyes were filled with a wretched light.

Ye Zao curled his lips slightly. "Or else what?"

“Is that so?” After saying that, Ye Zao reached out and grabbed the man in black by the neck, lifting him up bit by bit. “It’s still the same? HMM?”

The atmosphere in the air froze at that moment, and the few hooligans behind ye Zao were so scared that their legs went soft.

She, she actually lifted him up!

This was too terrifying!

The black-clothed man’s feet rose into the air, and his face was choked to the color of a pig’s liver.

At this moment, he felt that death was right beside him and could take him away at any time.

“Why aren’t you speaking? Weren’t you able to speak just now?” Ye Zao increased the strength of his hands.

The black-clothed man looked at Ye Zao, his face full of pain and fear. He blurted out a few words, “No, no, I don’t dare...”

He really didn’t dare.

He originally thought that he would meet a little beauty, but he didn’t expect to meet a little raksha.

Ye Zao slowly turned behind him, “What about you guys?”

The few hooligans were scared out of their wits and knelt on the ground, “I don’t dare, I don’t dare. Heroine, please spare my life! Please spare my life!”

Only then did ye Zao slowly let go of the man in black.

“Bang!”

The man fell heavily to the ground, raising a cloud of dust.

“Thank you, Great Aunt! Thank you, Great Aunt!”

“Take out the things.”

The man immediately took out an exquisite handbag from his bosom.

Ye Zhuo took the handbag. “If I find that one thing is missing, do you believe that I have a hundred ways to kill you?”

“Don’t worry, I didn’t take any of the things here.” Did he want to die? How dare he tamper with the little devil?

Ye Zhuo took the handbag and ran all the way to the place just now.

The middle-aged woman in the Cheongsam was still waiting there.

Chapter 162: 085: Lovely Old Lady Cen, my granddaughter-in-law is the most beautiful woman in the world! 6

“Auntie, do you think this is your bag?”

The middle-aged woman did not think that ye Zhuo would be able to snatch the bag back.

She looked at Ye Zhuo in surprise. “Yes, yes, yes! This is my bag!”

Ye Zhuo did not return the bag to her immediately. Instead, he said, "I'm sorry, Auntie. Before I confirm that you are the owner of this bag, I can't give it to you. Oh right, do you have a cell phone in this bag?"

Ye Zhuo knew this bag.

Because she also had one.

It was a gift from elder Yang.

The official website sold it for seven digits.

The middle-aged woman smiled and said, "Little sister, I know what you mean. Don't worry. This bag is mine. My cell phone is inside. The cell phone lock is unlocked with my face. Take out your cell phone and Pat it on my face. It will be unlocked."

Ye Zao nodded. He unzipped the bag and took out his phone. "That's offensive."

The phone camera was aimed at the middle-aged woman's face.

The lock was automatically unlocked.

After confirming that the bag and phone belonged to the middle-aged woman, Ye Zao returned the things to the middle-aged woman.

.....

The middle-aged woman smiled and looked at Ye Zao. "Little sister, you are very responsible! By the way, how did you catch that Thief?"

One wouldn't know if one didn't look.

When she saw it, she was shocked.

This little girl was too beautiful.

She had always thought that she was very good-looking. Standing next to her son, she was like a brother and sister.

But this little girl was simply too good!

Her lips were red and her teeth were white.

It was as if she was drawn from a painting.

Even for a woman like her, her heart was racing when she saw it, let alone a man.

Ye Zhuo said, "I'm the school's long-distance running champion. That thief felt that he couldn't outrun me, so he returned my bag to me."

"Thank you so much!" The middle-aged woman grabbed ye Zhuo's hand. "Little girl, What's Your Name? How Old Are you this year?"

"Auntie, My Name Is Ye Zhuo. I'm eighteen this year."

"Aiya! Don't Call Me Auntie! You've already called me old. Just Call Me Big Sister!" The middle-aged woman continued, "My name is Zhou Xiang. You can call me big sister Xiang. Oh right, there's a dessert shop over there. Let me treat you to dessert."

With such a young girl calling her sister, Zhou Xiang felt that she could be younger by more than ten years.

Moreover, not only was this girl young, she was also so beautiful.

Even song Chenyu, who was known as the number one beauty in five thousand years, felt embarrassed when she stood beside her.

She was really too beautiful!

Dessert was ye Zhuo's life.

If this was any other day, she would definitely agree without hesitation.

But today was not the day. She still had to go review for Lin Sha.

"Thank you for your kindness, but I still have something to do."

Zhou Xiang held ye Zao's hand. "I'll Call You Zao! Zao, you helped me get my bag back. I must thank you properly. Oh right, how much is your wechat? Let's add it on wechat?"

Zhou Xiang was too enthusiastic. Ye Zao could not take it anymore and had to take out his phone. "Let me scan you."

"I've already said that you can just call me sister Zhou Xiang. Zao Zao, you're too polite! Come, let me scan you! Bring out the QR code."

Ye Zao brought out the QR code.

The two of them added each other on wechat.

Ye Zao added [sister Zhou Xiang] .

Zhou Xiang added [Beauty Zao] to Ye Zao.

After adding wechat, Zhou Xiang continued, "Zao Zao, where are you going? My chauffeur will be here soon. I'll get him to send you."

"Thank you, Sister Zhou Xiang. The place I'm going to is nearby. I can walk there. It Won't take more than a few minutes."

Zhou xiang continued, "I happen to have nothing to do. I'll send you there."

"That would be too much trouble."

Zhou Xiang waved her hand. "It's no trouble, no trouble at all." Zhou Xiang was a complete beauty lover. She could not walk when she saw a pretty girl. Previously, she did not like female celebrities in the entertainment industry, ever since she got to know song Chenyu, she had smelled so good!

Moreover, Ye Zao was even more beautiful than song Chenyu.

Unfortunately.

Her son was not interested in women.

Otherwise, she would have wanted to trick ye Zao into becoming her daughter-in-law.

With such a beautiful daughter-in-law, she would wake up from her dream with a smile.

Ye Zao could not decline her kind offer, so he had to ask Zhou Xiang to send her to the residential area where Lin Shasha lived.

“Sister Zhou Xiang, I’m here.”

“You’re here already?” Zhou Xiang looked reluctant.

Ye Zao nodded.

Zhou Xiang continued, “Then go in quickly! Don’t make your friend wait so anxiously. I’m going back too.”

“Goodbye, Sister Zhou Xiang.”

“Goodbye.”

If she had known that Ye Zao Would Come Back Today, Lin Shasha had specially bought Ye Zao’s favorite dessert in advance.

Chapter 163: 085: Lovely Old Mrs. Cen, my granddaughter-in-law is the most beautiful woman in the world! 7

As soon as the Doorbell Rang, Lin Shasha rushed over to open the door.

“Burning!”

“Sister Shasha.”

“Come in, I bought your favorite macarons, souffles, doughnuts, and Tiramisu!” Lin Shasha pulled Ye Zao’s hand and walked in.

Ye Zao hugged Lin Shasha excitedly, “Sister Shasha, you’re So Nice!”

“I knew you liked these. But you eat so many desserts, aren’t you afraid of gaining weight?”

Ye Zao said fearlessly, “If you gain weight, then lose weight!” Moreover, this body seemed to be the same as her in her previous life. It was not easy to gain weight. No matter how much she ate, her body was still hot!

After finishing the desserts, ye Zao began to review Lin Sha’s homework.

Lin Sha’s liberal arts was okay.

Her science results were not too good.

She only got 210 points in math, physics, and chemistry.

However, ye Zao firmly believed that there were no students who could not teach, only teachers who did not work hard.

She had her own teaching method.

.....

Although she usually laughed and laughed with her friends, when it came to serious matters, she could be as serious as she wanted to be.

For example, now.

Lin Sha did not even dare to breathe heavily as she listened to ye Zao’s lecture seriously. The strange thing was that the content that she could not understand from other tutoring teachers became extremely smooth in front of ye Zao.

It was like a gurgling stream.

Before she knew it, it was already afternoon.

The first thing Zhou Xiang did when she went shopping and came home was to tell old Mrs. Cen about her encounter today. "Mom! Let me tell you! I met an extremely beautiful girl today! She is even more beautiful than a sinking fish!"

It was rare to hear her praise others from Zhou Xiang's mouth, but it was quite rare today.

One had to know that in Zhou Xiang's eyes, song Chenyu was usually the most beautiful person in the world!

Old Mrs. Cen was stunned. "More beautiful than that fish? is that more beautiful than my granddaughter-in-law's leaf?"?

Zhou Xiang said excitedly, "Although I haven't seen the leaf you mentioned, I can guarantee that it's definitely more beautiful than the leaf!"

"Nonsense!" Old Mrs. Cen frowned, "No matter how good looking she is, she can't be better looking than the leaf! My leaf is the most beautiful in the world! The most beautiful in the universe! Everyone loves it, it's devastatingly beautiful!"

In old Mrs. Cen's eyes, Ye Zao was the most beautiful existence in the universe.

If anyone dared to say that ye Zao was not beautiful, she would be angry with them!

Even her own daughter-in-law couldn't do it!

"Mom, you are too unreasonable! Zao Zao is so beautiful, how can she not be compared to a leaf?" Zhou Xiang really could not think of what a person who was more beautiful than ye Zao would look like.

The old lady was too good at bragging.

“How can you talk like that? Who are you calling a leaf?” Old Mrs. Cen put her hands on her hips.

Zhou Xiang did not show any weakness. “Then you always say that the sunken fish is a fish! Why, only the state officials are allowed to set fire, and not the people are allowed to light the lamps?”

Old Mrs. Cen choked. She was so angry that her cheeks were puffed up. She pointed at Zhou Xiang and said, “You are the leaf! Your whole family is the leaf!”

Zhou Xiang raised his eyebrows slightly. “Hehe, you say that as if you and I are not a family.”

Old Mrs. Cen: “...” thinking of her illustrious reputation, she had never lost a quarrel before. This time, she was actually involved in it!

How embarrassing!

She was so angry!

“I don’t care! Leaves are the most beautiful! The most beautiful in the universe. That Zhuo Zhuo of yours can’t even compare to one of my leaves’ little fingers!” As she said that, old Mrs. Cen climbed onto the coffee table and looked at Zhou Xiang.

Although she was a little short.

She couldn’t lose to her imposing manner!

The coffee table couldn’t do it, but she still had the ceiling to climb on!

Zhou Xiang also placed her hands on her hips and imitated old Mrs. Cen. “A leaf, and you still want to compete with my burning? She can’t even compare to a single strand of burning hair!”

“You’re creating something out of nothing, making things up in secret, imagining things out of thin air, making things up out of thin air, being speechless, and incurable! There’s something wrong with your brain, and there’s no end to it!” Old Mrs. Cen was so angry that her face was red, she said a long string of words without even taking a breath, “My Yezi is the most beautiful woman in the world! That bullsh * T Zhuo Zhuo of yours, she, she can’t even compare to Yezi’s fingernails!”

Zhou Xiang raised her eyebrows and suddenly had a plan in her heart. “Mom, why don’t we call her over to our house and have a face-to-face comparison? Who’s Prettier?” Old Mrs. Cen had talked about Yezi for such a long time, but Zhou Xiang had not seen it once, his heart was really filled with curiosity.

Old Mrs. Cen nodded. “Sure! Let’s let five — no! Let Shaoqing be the referee.”

“Sure.” Zhou xiang continued, “When do we make the appointment?”

Chapter 164: 085: Lovely Old Mrs. Cen, my granddaughter-in-law is the most beautiful woman in the world! 8

Old Mrs. Cen Thought for a moment. “Yezi doesn’t have time this week. I’ll ask her out next week.”

At this moment, Cen Shaoqing walked in from outside the house. He took off his black coat and handed it to the servant beside him. “Mom, Grandma, what are you guys talking about? Why is there such a strong smell of gunpowder?”

“We’re talking about your wife again!” Old Mrs. Cen said angrily, “Your mom insists that your wife is not as beautiful as that table! We plan to invite her home next week and let you be the Judge!”

Just as Cen Shaoqing was about to refuse, old Mrs. Cen turned around and looked at him. “If you dare to refuse, do you believe that I’ll slap you to Death?”

“Grandma, I’ve already told you that I have no intention of starting a family. You’d better not make fun of the lady’s reputation in the future,” Cen Shaoqing said sternly.

Old Mrs. Cen looked at Cen Shaoqing and a malicious smile crept up the corner of her mouth.

Not getting married, right?

Fine!

She had to let this sand sculpture grandson of hers experience the feeling of being arrogant for a moment and chasing after his wife at the crematorium!

Otherwise, she wouldn't even be his grandmother!

Being stared at by Old Lady Cen until his hair stood on end, Cen Shaoqing stood up from the sofa and said, "I'm going back to my room."

Not long after, the sound of music playing 'The Curse of Great Sorrow' came from upstairs.

...

.....

The next day was Sunday. Ye Zhuo, an Lizi, and Zhao Pingting had made an appointment to watch a movie in the afternoon.

The three of them met at the agreed place.

Ye Zao said, "I've already bought the movie tickets. Let's just get the tickets directly."

An Lizi said, "Then I'll go buy popcorn. By the way, what else do you guys want to eat?"

"I want an iced coke," Zhao Pingting said.

Ye Zao Thought for a moment. "I want another set of potato chips, and then I want an iced coke too."

An Lizi nodded and went to buy some snacks.

When she reached the bar counter, she saw a familiar figure.

It was her father, Anton Liang.

It seemed like Anton Liang was waiting for someone.

An Lizi waited at the same spot. Not long after, she saw the familiar middle-aged woman.

It was that three.

Didn't they agree to sever ties with her?

The scene in front of her pierced an Lizi's heart deeply.

Ever since an Dongliang had changed, she did not dare to think about this matter anymore. She tried her best to imagine that an Dongliang was a good father and a good husband. They were still a happy family of three.

However, reality had dealt a heavy blow to her.

For so many years, she had never seen an Dongliang bring Xia Xiaoman to a movie, nor did she see an Dongliang give Xia Xiaoman a gift.

Xia Xiaoman had been silently giving.

She did not ask for anything in return.

But in the end, what did she get in return?

What she got in return was an Dongliang's betrayal again!

"Dad!" An Lizi said directly.

When he heard a familiar voice in the movie theater, an Dongliang turned around and saw an Lizi's disappointed face.

The middle-aged woman beside an Dongliang gave an Lizi a friendly smile.

An Lizi clenched her fists tightly and resisted the urge to hit her.

"Wait for me here." An Dongliang whispered to the middle-aged woman and ran towards an Lizi.

"Lizi, why are you here?"

"The important thing is not that I'm here, but why are you with that B * Tch! Didn't you say that you wanted to break off your relationship with her? If you do this, where did you put my mother?!"

An Dongliang's expression turned cold. "What B * Tch! You've read all these years of books into a dog's stomach!" After saying this, an Dongliang's expression softened, "Lizi, you don't understand the matters between us adults. That's your Aunt Liang. She's a very nice and kind woman. She doesn't mind not having any status and just follows her father like this."

"Hehe." An Lizi sneered. "Very nice and kind? So she came to snatch other people's husbands and destroy other people's families?"

An Dongliang continued, "Lizi, since ancient times, which man hasn't been affectionate? Dad only made a mistake that all men in the world would make! Think about it in ancient times, there was still the system of polygamy! Regardless of whether I have a woman or not, your mother is my only wife. She loves me very much, and I love her too! However, this kind of love has long passed its expiration date. It has now turned into family love! My true love is with your Aunt Liang. Lizi, I hope you can fulfill Dad's Wish!"

If she had not heard it with her own ears, an Lizi would never have believed that such shameless words came from an Dongliang's mouth.

"What if I don't agree to it?"

"Do you want me to Divorce Your Mother? Lizi, you are a good child. I believe that you will not allow me to divorce your mother, right?" Ever since an Lizi came to look for him last time., an Dongliang knew that an Lizi had a father in her heart. She did not want her family to fall apart, so she did not dare to tell Xia Xiaoman this secret.

The reason why an Dongliang dared to say this was precisely because of this.

After saying this, an Dongliang patted an Lizi on the shoulder. "Alright, the movie is about to start. Daddy is going to watch the movie with Auntie Liang."

After saying this, an Dongliang left.

An Lizi watched the two of them leave. She squatted on the ground and burst into tears.

Ye Zhuo and Zhao Pingting came over after getting their tickets. They were shocked to see an Lizi squatting on the ground and crying. "Lizi, what happened to you?"

An Lizi only cried.

The two of them decided not to watch the movie anymore. They helped an Lizi to a chair in the resting area and sat down.

“Lizi, what happened? Crying won’t solve the problem. Tell me. Pingting and I will help you think of a solution.”

Zhao pingting nodded. “Yes, although I’m not very smart, Zha Zha Zha is smart. She will definitely have a solution!”

An Lizi then looked up at the two of them. She cried as she said, “Zha Zha, Pingting, my dad, my dad doesn’t want me anymore...”

Zhao Pingting was busy wiping away an Lizi’s tears.

Ye Zha patted an Lizi on the shoulder. “Lizi, take your time.”

An Lizi couldn’t care less anymore. She told them everything that happened, “Actually, the thing I told you about my neighbor’s sister and Dad Last Time was my dad! My father had an affair! He said that he wanted to break off his relationship with that woman, but today, he was with that woman again! “He lied to me! “He lied to my mother!”

“Zhuoluo, Pingting, what should I do now?”

Ye Zhuoluo looked at an lizi and calmly said, “You must tell your mother about this! Then get a divorce and let the person who had an affair leave with nothing!”

Chapter 165: 087: tearing the mistress apart, divorce! 1

Cheating was not worthy of being forgiven!

Moreover, an Dongliang had done it again and again.

It was already good for him to leave everything behind.

After all, an Lizi's mother had sacrificed nearly 20 years of her youth.

Hearing this, an Lizi looked up at Ye Zhuo.

She was stunned.

Divorce?

From the moment her father had cheated on her, she had never thought that her parents would want a divorce.

She still wanted to get back at her father...

"Zha Zha..."

Ye Zha continued, "Lizi, can you tell us about Auntie?"

An Lizi nodded and started to talk about Xia Xiaoman with tears in her eyes.

No one knew Xia Xiaoman better than her daughter, an Lizi.

.....

As she spoke, an Lizi cried even more sadly.

Xia Xiaoman had sacrificed the best years of her youth for an Dongliang, and now that she was old and frail, an Dongliang had betrayed her.

In this world, there was nothing more pathetic than this.

“Your father is too much!” Zhao Pingting was so angry that she slammed the table and stood up. “He’s a piece of trash! Such a piece of trash doesn’t deserve to be your father! He’s even more unworthy of your mother!”

Zhao Pingting was really angry.

What was the difference between an Dongliang and Chen Shimei?

Unfortunately, Xia Xiaoman was still foolishly kept in the dark.

Zhao Pingting realized that her words might have gone a little overboard. After all, an Dongliang was still an Lizi’s father. She continued, “Lizi, I’m not doing this to anyone! Don’t Worry!”

Ye Zhuo bought three cups of milk tea from the side and passed them to an Lizi and Zhao Pingting respectively, “Lizi, your mother is a very strong and kind woman. She has sacrificed too much for your family. If you keep this a secret, it’s not for your mother’s good, but to harm her! “As a wife and a mother, she has the right to know about this

“What if my mother can’t bear the blow when she finds out about this? “I’ve consulted an expert before, and that expert told me that as a child, it’s best not to interfere in the matters between parents, so I’ve kept it a secret... ”... ”...”

Ye Zhuo frowned slightly. “Are you sure the person you consulted is an expert?”

An Lizi nodded.

Zhao pingting retorted, “What bullshit expert! I think she’s just misleading people’s children! Don’t tell me you’re keeping this a secret. I hope that her husband will have an affair in the future, and her daughter will meet an expert just like her!”

Ye Zhuo continued, "There's something wrong with this expert's thinking. To put it bluntly, she doesn't have a correct view of the world. A normal person wouldn't protect a mistress and an unfaithful man! "You have to understand how much your mother has sacrificed for this family all these years!"

After saying that, Ye Zao asked again, "Lizi, are you afraid that your mother will jump off the building or something else will happen?"

An Lizi sighed and nodded.

Ye Zao said, "Lizi, your mother is an adult now. It's said that women are originally weak, but a mother is strong. Her ability to resist pressure is far beyond your imagination!"

"Do you mean that my mother will not let go?" An Lizi was like a drowning person, grasping at a life-saving straw.

"No! You have to believe in your mother. She is a very strong person. She will definitely not seek death just because of a man!" Since Xia Xiaoman was able to start from scratch in Yunjing alone., this meant that she was not a weak woman. She would definitely not do something stupid.

Ye Zhuo continued, "In the end, you can't hide the truth. If you keep covering up for your father and keeping it from your mother, one day, when your mother finds out the truth, she will really be upset!"

"Lizi, you have to know that your mother carried you for ten months and gave birth to you after much hard work. In this family, you are your mother's only family! "You have to learn to protect your mother. When she encounters setbacks and betrayals, you should stand on the same side as her, and not think of ways to protect your father! "You will make your mother feel that you and your father are one family, and she is an outsider from the beginning to the end! "Once you reach that stage, you might really lose her forever!"

Ye Zhuo was not being alarmist.

Xia Xiaoman was the victim now!

She had sacrificed so much for this family. If one day, she found out that her husband and daughter had betrayed her at the same time, the consequences would be unimaginable.

A woman's twenty years of hard work had come to naught in the end.

Even a bystander felt sorrowful hearing this.

Anlizi panicked and shook her head desperately. "No! It's not like that! I didn't want to treat my mother as an outsider, no..."

Chapter 166: 087: tearing a mistress apart and getting a divorce! 2

She wanted to protect her mother and didn't want to see her mother get hurt in any way.

"But you're doing this." Ye Zhuo looked at an Lizi with a serious expression. "You're treating your mother as an outsider! Think about it from another perspective. If you were your mother and you knew the truth of the matter, wouldn't you be very disappointed?"

"Lizi, don't be silly! At a time like this, do you still want to protect your father? Do you want to Kill Your Mother?" Zhao Pingting stood up and said, "Ask your mother to divorce your father immediately! Such a scum should be kicked out of the house!"

Zhao Pingting was so angry that she was dumbfounded.

Perhaps she wasn't the party involved, so she couldn't empathize with an Lizi.

In any case, if she were an Lizi, she would definitely not hide it from Xia Xiaoman.

“Pingting is right, you don’t have to be unfaithful a hundred times! Your mother can only obtain true happiness if she divorces your father.”Ye Zhuo continued, “Don’t worry that your mother won’t be able to live on without your father! In this world, women don’t have to rely on men to obtain happiness!”

“Really, really?”An Lizi sniffled.

Ye Zao nodded and continued, “Lizi, what’s your impression of my mother?”

“Very good!”In an Lizi’s impression, ye Shu was a beautiful and generous woman.

“Then you should know that my mother is a single mother, right?”Ye Zao continued to ask.

An Lizi was stunned for a moment and then nodded.

To be honest, if ye Zhuo had not mentioned it, an Lizi would have almost forgotten about it. This was because she could not see the sadness of a single mother in Ye Shu.

.....

Ye Zhuo patted an Lizi on the shoulder. “Lizi, I can tell that your mother is even stronger than my mother. After leaving your father, she will definitely have a better life than my mother!”

“Get a divorce immediately! This kind of SCUM is disgusting to look at!”Zhao Pingting said angrily.

Ye Zhuo continued, “Instead of letting your mother find out on her own, why don’t you tell her now and face it together with her! Let me ask you, do you want to choose a father who cheats, or do you want to win back a mother who loves you?”

“I choose my mother!”An Lizi answered without hesitation.

Ye Zhuo nodded, "Very good. According to Chinese law, one has to leave the house with nothing. Now, as long as we have enough evidence to prove that your father cheats, we can make him leave the house with nothing!" Lizi, from now on, you have to learn to protect your mother. Don't let her down!"

Hearing this, an Lizi was suddenly enlightened.

Ye Zao was right!

Compared to a mother who loved her, what was a father who cheated on her?

An Dongliang had already disappointed Xia Xiaoman!

Then, as her daughter, she could not disappoint her mother again!

She had to be strong!

She had to face this problem with her mother.

"I have a photo! A photo of them together!" An Lizi immediately took out her phone and showed the photo she took at the Ye family's private restaurant.

"This woman doesn't look good either! How did your father fall for her?" Zhao Pingting was speechless. "Her taste is really bad! If your mother was any younger, she would have been a dozen streets ahead of her!"

She originally thought that the mistress who seduced an Lizi's father would definitely look like a vixen.

She did not expect that.

This person looked very ordinary.

Other than dressing fashionably, his facial features were not as good-looking as an Lizi's mother's.

If it was not for the fact that it was right in front of them, no one would believe that this was a mistress!

Ye Zhuo raised his eyebrows slightly. "It's not enough just to have a photo. We still need to have proof of their cohabitation. Oh right, has your father ever spent money on her?"

An Lizi nodded. "Of course he has! My father has over 20,000 dollars in expenses every month. He probably spent it all on this woman!"

Ye Zhuo narrowed his eyes. "Then get his bill out!"

"How do I do that?" An Lizi frowned. "I don't have my dad's account password."

Ye Zhuo raised his eyebrows slightly. "Then do you know your dad's account?"

"Yes." An Lizi nodded.

Ye Zhuo picked up the milk tea. "It's not convenient here. Let's go to my house."

"Why would I go to your house?" An Lizi was stunned.

Ye Zao said, "Bring out your father's bill."

"Zao Zao, do you have a solution?" An Lizi was a little surprised.

"Yes." Ye Zao nodded.

Zhao Pingting put her arm around an Lizi's shoulder. "Lizi, thank God you've been sitting at the same table as Zao Zao for so long. Don't you know that Zao Zao is very powerful?"

The three of them came to the Ye family together.

Chapter 167: 087: tear the mistress apart, divorce! 3

Ye Zhuo effortlessly received an Dongliang's bill.

The bill showed.

An Dongliang had rented a house in an upscale neighborhood.

Needless to say, this house was used to support the mistress.

Moreover, an Dongliang also transferred money to a woman named Liang Xinyi every month.

The highest transfer was 30,000 yuan.

Other times, it was 12,000 yuan.

An Lizi was trembling with anger as she held the bill. "My father mentioned that the woman's surname is Liang. This woman named Liang Xinyi is that mistress! It's been five years! So he's been with this woman for five years!"

"Zhonghua, can you help me look up Liang Xinyi?" An Lizi asked.

Ye Zhuo nodded.

Not long after, he found out all the information about Liang Xinyi.

Liang Xinyi.

Female.

.....

45 years old.

Her husband had been paralyzed in bed for many years and had a son who was studying abroad.

Zhao pingting frowned and said, "D * MN! This woman is six years older than your father! No wonder she doesn't look young anymore! Your father really has a strong taste!"

An Lizi felt disgusted!

Ye Zao raised his eyebrows slightly. "He does have a strong taste."

An Lizi took a deep breath. "Zao Zao, thank you for today. I know what to do."

"What do you plan to do?" Zhao Pingting asked.

An Lizi said, "Let my father leave with nothing!"

She had already thought it through. This marriage must be divorced!

Even if her mother wanted to keep this marriage, she would still persuade them to get a divorce!

“Lizi, it’s good that you’ve thought it through.”Zhao pingting reached out and hugged an Lizi. “Do your best. The sun always shines after the storm. Burning and I will always be behind you. If you need any help, feel free to call us.”

Ye Zao nodded slightly. “Pingting is right. If you encounter any problems, you can look for us anytime.”

“Okay.”An Lizi smiled.

It turned out that it felt so good to have two friends behind her when she was in trouble.

For the first time in her life, she truly understood the importance of a close friend.

...

When she returned home.

Xia Xiaoman was still busy in the supermarket.

An Lizi looked at Xia Xiaoman’s figure and felt a sense of sadness.

She worked hard to earn money to support her family, yet an Dongliang used the hard-earned money she earned to raise a woman outside.

How ridiculous.

“Mom.”An Lizi composed herself and walked to Xia Xiaoman’s side.

“Lizi is back.”Xia Xiaoman said as she tidied up the shelves.

An lizi continued, “Mom, Where’s My Dad?”

Xia Xiaoman frowned slightly. She felt that something was wrong with an Lizi. "You Child, why do you keep asking where your dad went these few days? He went to stock up."

He went to stock up again.

"Mom, why does he always go to stock up? is our family in such a dire shortage?" An Lizi asked.

Xia Xiaoman smiled and said, "Business has been busy recently. The imported candy sold very well last time. It's a pity that your father went there a few times but did not get the goods. Hence, he went there again today!"

As they had known each other since they were young, Xia Xiaoman had absolute trust in an Dongliang.

She had never suspected anything.

"Mom, do you trust my dad that much?" An Lizi asked.

Xia Xiaoman stretched out her hand and patted an Lizi's head. "He is my daughter's father and my husband. If I don't trust him, who would I trust? Lizi, tell me honestly, what happened to you recently?"

An Lizi felt extremely sad.

Her mother trusted an Dongliang so much.

However, he had betrayed her.

An lizi continued, "Mother, have you ever thought that my father didn't go to stock up at all?"

"If he didn't go to stock up, where else could he have gone?" Xia Xiaoman asked.

An Lizi took a deep breath. "Mother, Let's go upstairs and talk."

"I'm still busy!" Xia Xiaoman said.

She was really busy.

There were two floors of the supermarket, a total of 1,200 square meters, and she only hired 10 employees.

She had to handle many things herself.

An Lizi grabbed Xia Xiaoman's arm and suddenly couldn't control her emotions. "Mom, I really have something to tell you!"

Seeing an Lizi like this, Xia Xiaoman was shocked and hurriedly jumped down from the service ladder. "Lizi, what's wrong with you? Good Girl, don't Cry! Mom will go upstairs with you!"

The mother and daughter went upstairs.

Xia Xiaoman quickly found a tissue to wipe an Lizi's face. "Lizi, what's wrong? Did Someone Bully You? Tell Mom!"

"Mom!" An Lizi hugged Xia Xiaoman and cried loudly.

"What's wrong? Child, What's Wrong?" Xia Xiaoman was very anxious.

Chapter 168: 087: tearing the mistress apart and getting a divorce! 4

After a long while, an Lizi's emotions gradually calmed down. She sobbed, "Mom, Dad didn't go to stock up at all."

Xia Xiaoman was stunned. "Didn't we want to talk about you? Why is your dad involved?"

An Lizi held Xia Xiaoman's hand. "Mom, Listen to me."

"Go ahead."

An Lizi took a deep breath and tried to choose her words carefully. She thought that she would be able to tell Xia Xiaoman about this matter easily. However, when she really faced Xia Xiaoman, she realized.., how difficult it was to tell Xia Xiaoman the whole story.

"My dad, my dad... My Dad..."

Seeing her like this, Xia Xiaoman's face turned pale. "What happened to your dad? Did something happen to him on the road? Lizi, don't Scare Me!"

An Dongliang drove a large truck to get some goods.

Could it be that he had an accident?

At the thought of this, Xia Xiaoman's eyes instantly turned red.

"It's fine, Mom! He's fine!" An Lizi cried. "Not only is he fine, there's someone else out there!"

After saying these words in one breath, an Lizi felt that the huge rock in her heart had finally disappeared.

"What?" Xia Xiaoman could not digest the meaning of these words.

.....

An lizi continued, "My Father Betrayed You! He has a mistress outside! Do you know how he spent his 30,000 yuan a month? He went to raise a mistress!"

Xia Xiaoman was stunned on the spot.

She did not have any expression on her face.

After a long while, she finally reacted, "Li-lizi, stop joking! Your father is not that kind of person!"

She was from the same village as an Dongliang.

The two of them grew up together. They were childhood sweethearts.

An Dongliang was an honest and honest person. How could he do something that would let her down?

Impossible!

It was impossible!

An lize knelt in front of Xia Xiaoman. "It's true... It's true..."

Xia Xiaoman turned her head. "No, it can't be! Lize, you must have misunderstood your father!"

"I didn't misunderstand him!" An Lizi took out a few photos from her bag, as well as a printed list at Ye Zao's house. "Mom, this is the evidence! Moreover, he admitted it in front of me!"

Xia Xiaoman picked up the photos with trembling hands, and tears rolled down uncontrollably from her eyes.

How could this be?

Her husband, whom she had loved deeply for more than twenty years, actually betrayed her...

How could this be!

“Mom, get a divorce! You still have me in the future!” An Lizi continued, “You can’t give him a single cent of the family’s money! You worked hard to earn all these things, so you can’t let that mistress have it easy!”

Xia Xiaoman took out a tissue and quickly wiped the tears off her face, pretending that nothing had happened, and smiled at an Lizi, “Lizi, this is between US adults. You Don’t have to worry about it! Your task now is to study hard!”

“Mom?”

Xia Xiaoman patted an Lizi’s shoulder. “Don’t worry, Mom knows what to do. The college entrance exam is coming soon. At this time, don’t let your imagination run wild!”

It was she who had let the child down. She didn’t notice her husband’s abnormality earlier and let the child’s imagination run wild for so long.

This should not have been something that a child like an Lizi should have been worried about.

She should not have allowed the matters between adults to affect the child.

If this matter had any impact on an Lizi, she would regret it for the rest of her life.

Xia Xiaoman put away the receipt and the photos. "Mom is busy downstairs. Lizi, go back to your room and rest! At half past six, Mom will go upstairs to cook."

Xia Xiaoman's reaction was too calm, which made an lizi very uneasy. "Mom."

"Lizi, I'm really fine."

With that, Xia Xiaoman went downstairs.

She really acted as if nothing had happened and continued to chat and laugh with the employees.

An Lizi returned to the bedroom and lay on the bed. She had mixed feelings and felt very uncomfortable.

At 6:30, Xia Xiaoman came upstairs on time to cook dinner.

An dongliang came back as soon as the food was ready.

"It smells so good! Xiaoman, what shall we have for dinner tonight?"

Xia Xiaoman was walking out of the kitchen with the dishes in her hands. She looked at her husband in front of her. At that moment, she felt that this man was very unfamiliar to her.

"You're back. Wash your hands first. I have something to tell you after washing your hands. We'll eat after that."

Although Xia Xiaoman's tone was very calm, an Dongliang felt that there was something wrong with Xia Xiaoman today

However, when he looked at her again, Xia Xiaoman seemed to be no different from usual. She went to the bathroom to wash her hands and came out. She smiled and said, "What do you have to say before eating?"

Chapter 169: 087: tearing a mistress apart, divorce! 5

Xia Xiaoman glanced at an dongliang. "If I don't explain this clearly, I'm afraid I'll be so disgusted that I won't be able to eat it."

Hearing this.

An Dongliang's eyebrows twitched.

Could it be that Xia Xiaoman already knew about it?

It shouldn't be possible, right?

Everyone said that their daughter was their father's lover. An Lizi shouldn't have betrayed him.

An dongliang smiled and said, "What's the matter? Why are you making it sound so serious?"

Xia Xiaoman walked over and sat on the sofa. She looked at an dongliang and said calmly, "An dongliang, do you still want to live this life?"

An Dongliang's heart skipped a beat.

An Lizi had really betrayed him!

"Xiaoman, what are you talking about! I don't understand!" An dongliang tried to muddle through.

Xia Xiaoman took out the few photos from the sofa cushion and threw them on the table. "How do you explain this?"

An Dongliang's face turned pale and decided not to explain. "Since you've already discovered it, I have nothing to say! Xiaoman, I've let you down, but you also know that love is something that can not be controlled!"

.....

"I only have one question for you. Who Do You Choose, me, Lizi, this family and this B * Tch?"

From her mother's point of view, Xia Xiaoman still wanted to take back this family.

Even if an Dongliang had already betrayed her.

As long as an Dongliang was willing to repent, she was still willing to give him a chance.

An Lizi was already so old. She could not let her child not have a father!

Moreover, an Lizi was already in her third year of high school this year. The third year of high school was the most important year in her life. She did not want an Lizi to lose her father and a very happy family in such an important year.

"I choose you!" An Dongliang said without hesitation.

"Okay!" Xia Xiaoman said, "Then, I'll give you a Chance!"

An dongliang reached out and hugged Xia Xiaoman. "Xiaoman, thank you! You're a good woman. I swear that I won't let you down again!"

Xia Xiaoman sighed. "A prodigal son can never be changed. I hope that you really repent!"

“It’s true, I swear!”

When an Lizi came out for dinner, she was stunned to see that her parents were still the same as before. Disbelief was written all over her face.

She did not understand why her mother would forgive her father.

After dinner, while he was out for a walk, an Dongliang went to Liang Xinyi’s place.

Seeing him come over, liang xinyi asked curiously, “Didn’t you go back to accompany your wife and child? Why Are You Back Again?”

An Dongliang pinched his temples. “Don’t mention it! She found out about us. I may not be able to visit you in the next few days.”

Liang Xinyi rolled her eyes. “Was it your daughter who snitched?”

An Dongliang was stunned. “How did you know?”

Liang xinyi continued, “When I saw your daughter at the cinema yesterday, I knew that your daughter was not someone to be trifled with! She doesn’t have a father like you in her heart either!”

After saying this, Liang Xinyi hugged an dongliang. “Dongliang, you’re not going to break up with me, are you? I love you, I can’t Live Without You!”

An Dongliang kissed her. “Of course not! Don’t worry, I Won’t break up with you. It’s just that we can’t see each other for the time being.”

“What about your wife?”Liang Xinyi asked tentatively. “Aren’t you afraid that your wife Will Divorce You?”

An Dongliang said, "Don't worry! She Won't divorce me!"

Liang Xinyi hugged an Dongliang. "Dongliang, I've been following you for five years without a name or status. Don't you want to give me an explanation?"

It had been five years.

Liang Xinyi felt that she should get an answer as well.

The current liquidity of the An family was more than three million yuan. With the addition of the supermarket, it was at least 20 million yuan!

If an Dongliang and Xia Xiaoman divorced, they would get 10 million yuan!

With this 10 million yuan, she would be a rich lady in the future!

If it was not for an Dongliang's money, she, a university student, would not have taken a fancy to a married man.

An Dongliang looked at Liang Xinyi. "I, I thought you didn't care about this..."

Liang Xinyi had never mentioned this question in all these years.

Liang Xinyi narrowed her eyes, "Dongliang, there's no woman who doesn't care about status. However, if you're in a difficult position, then forget it. I'm willing to wait for you. Even if you don't give me status in your life, I don't care."

An Dongliang suddenly felt that Liang Xinyi was a thousand times more kind-hearted than Xia Xiaoman.

Xia Xiaoman was a jealous woman!

Didn't he just raise a woman outside?

Chapter 170: 087: Divorce! 6

Which man was not a romantic?

An Dongliang hugged Liang Xinyi tightly. "Xinyi, thank you for understanding me."

Afraid that Xia Xiaoman would suspect him, an dongliang only stayed at Liang Xinyi's place for about ten minutes before he went back.

An Lizi followed an Dongliang to Liang Xinyi's place and called Ye Zhuo.

She was very worried now!

She was worried that if Xia Xiaoman did not divorce an Dongliang, Xia Xiaoman would be the one to be stripped of all her assets.

"Zao Zao! What should we do! My mom forgives my dad, my dad came to look for that Mistress Again!" An Lizi's voice was close to tears.

Ye Zao's voice came from the other end of the phone, "Lizi, don't worry, listen to me..."

Ye Zao's words were like magic, able to calm people down instantly.

After the call with Ye Zao, an Lizi had a plan in her mind. She went home to tidy up some things.

The next day, an Lizi went to Liang Xinyi's office.

Qinghai company.

This was a foreign company. Liang Xinyi had worked in it for many years and could be considered half a small leader.

.....

When her colleagues saw her, they would call her sister Liang.

“Hello, I’m looking for Liang Xinyi.” An Lizi came to the front desk.

The front desk lady said, “Young Lady, why are you looking for Sister Liang?”

An lizi smiled and said, “I’m a relative of her family. Can I trouble sister to call her out?”

The front desk lady saw that an Lizi was so good-looking and knew how to be polite, so she said, “Sister Liang is eating in the canteen. I’ll bring you there.”

“Okay, thank you.”

The cafeteria was very big, and there were more than 100 employees eating there.

An Lizi saw Liang Xinyi at a glance and strode to her side. Before Liang Xinyi could react, she gave Liang xinyi a hard slap!

Slap!

Liang Xinyi was stunned by the slap and didn’t recognize an Lizi. She frowned and said, “Who are you? What right do you have to hit people?”

“Mistress! Shameless! Destroying other people’s families!” An Lizi slapped Liang Xinyi again and said angrily, “I hit you! B * Tch! Who told you to seduce my father!”

As soon as she said this, those who were eating looked over with curiosity.

In this era, everything was lacking except for the masses.

“What nonsense are you spouting! I’m not a mistress! You’re slandering me!” Liang Xinyi immediately stood up and said with a flustered expression, “Where are the security guards! Call the security guards over quickly!”

The receptionist was stunned.

She originally thought that an Lizi was really Liang Xinyi’s relative, but she didn’t expect...

This melon came a little unexpectedly.

One had to know that Liang Xinyi was usually a very serious person. She would never say anything to those male employees because of personal matters.

In everyone’s eyes, she was just a kind big sister.

An Lizi took out a thick stack of photos that she had prepared beforehand from her bag. She tossed them all into the air and then took out the loudspeaker, “Everyone, Look! Liang Xinyi is Shameless! She seduced my father! She seduced a married woman and destroyed a happy family! How could your unit recruit such a shameless employee! “Now the evidence is clear. The person in the photo is my father, and Liang Xinyi is the third party!”

Because the loudspeaker was turned on, an Lizi’s voice filled every corner of the cafeteria.

At this moment, everyone gathered around to snatch the photo that had fallen to the ground.

Things happened too quickly. Liang Xinyi wanted to stop it, but it was too late. She could only shout helplessly, "Don't pick it up! Don't pick it up! Don't do this!"

An Lizi was still shouting over and over again with the megaphone.

The crowd held the photo in their hands and pointed at Liang Xinyi.

Liang Xinyi felt as if she had been stripped naked.

She was an extremely shameless person. She didn't expect to be humiliated like this in public today!

This was worse than killing her.

"F * ck! Can't you see how serious she usually is? She's actually this kind of person in private!"

"Bah! How Shameless!"

"The mistress will die a horrible death! She deserves to go to hell!"

These words were like knives, cutting Liang Xinyi's body one by one. Liang Xinyi wished she could find a hole to hide in.

Not long after, the company leader came with the security guards. Everyone immediately made way for him.

"What's Going On!"

The company leader was a very young man.

An Lizi was not afraid of him and took a step forward, "Hello, leader. My name is an Lizi. I would like to ask you, what is your company's recruitment criteria? Is this kind of immoral person who seduces other people's husbands and destroys other people's families worthy of entering your company?"
