Chapter 1681: 350: How could she be Dr. YC! 5

“The assistant was also very aggrieved. “President Ye, I told you, you were the one who said that you didn’t see any guests without an appointment!” ”

Only then did ye Sen remember that the assistant did come to look for him in the morning.

“But at that time, he was busy with the documents, and ye Shu called to urge him to get married, so he didn’t take this matter to heart. ”

“After all, there were quite a lot of people who came to see him every day! ”

But he didn’t expect that the person who came in the afternoon was gu deling!

“If he had known that this person was gu deling, even if he was busy, he would have gone down to have a cup of coffee with someone! ”

“But now, not only did he not treat anyone to coffee, he even put on the airs of a boss in front of people. ”

“Ye Sen regretted it too much. He put his things aside, picked up the car keys, and walked out of the office. ”

The assistant looked at Ye Sen in confusion.

Could it be that miss gu was special to Ye Sen?

“Soon, the car arrived at the hospital. ”

“Before entering the inpatient department, Ye Sen specially tidied up his clothes. After making sure that there were no problems, he walked to the entrance of the inpatient department. ”

Gu Dexin was staying in the single-room VIP ward.

“Standing in front of the ward door, Ye Sen was a little nervous. ”

He didn’t know if the incident in the morning had left a bad impression on gu dening.

“In a moment, the door opened. ”

The person who opened the door was gu dening.

“Seeing Ye Sen, he said in surprise, “Brother Ye.” ”

“Ye Sen organized his words in his mind, “Dening, thank you for the cold medicine. I was really too busy in the morning, so I didn’t go down to see you. I’m really sorry!” ”

““It’s okay. Work is more important.”Gu De Ning smiled and said, “Come in quickly.” ”

““Xiao Ye is here!”Gu de Xin, who was sitting on the bed, immediately put down her phone when she saw ye Sen. ”

““Sister De Xin, are you feeling better now?” ”

“Much better.”Gu de Xin nodded.

Gu De Ning went to make tea for ye Sen.

“After staying in the ward for a while, Ye Sen suggested to leave.”

Gu dening sent him downstairs.

The two chatted as they walked.

“Ye Sen looked at Gu dening out of the corner of his eye as he spoke, his heart beating a little fast.”

“He felt that he definitely liked gu dening, but he was afraid that he would be rude to her.”

“If Gu dening didn’t like him, then they wouldn’t even be friends anymore?”

“At this moment, Ye Sen thought of a joke on the internet. He looked up at the sky and said, “Dening.” ”

“Okay.”Gu dening looked up at him.

“Ye Sen continued, “Look at the beautiful moonlight tonight.” ”

Gu dening adjusted her glasses and looked at the sky seriously. “Is there a moon tonight?”

It was cloudy in the capital today. The Sky was dark. There was no moon.

The so-called beautiful moonlight tonight was actually a confession.

It meant that I like you.

But Gu dening was busy with all kinds of medical experiments. How could she know the meaning of this sentence!

“Hearing this, Ye Sen’s heart turned cold. ”

Was Gu dening giving him a way out?

Or did gu dening not know the meaning of this sentence at all?

“Ye Sen was very nervous, but he did not show it on his face. He smiled and said, “I was joking with you!” ”

“GU dening said, “This joke is so cold.” ”

“Ye Sen continued, “Don’t worry, I have other jokes. There was a man whose surname was tie. He did not grow hair since he was young. May I ask what disease he has?” ”

“What disease?”Gu dening asked curiously.

“Ye Sen said, “You really don’t Know?” ”

“I don’t know!”Gu dening shook her head.

“Ye Sen smiled and said, “Of course, there’s nothing wrong with old tie!” ”

“PFFT!”Gu dening laughed out loud.

On the other side.

Cen’s base.

Professor Feng was doing an analysis in front of the laboratory table when his phone suddenly vibrated.

“Professor Feng took out his phone and took a look. In a split second, he deleted the message and walked out of the laboratory. ”

“At the same time, director Ma also walked over from the opposite side. ”

“Professor Feng.”Director ma greeted Professor Feng with a smile.

“Professor Feng nodded. “Director Ma, are you busy?” ”

“Yes.”

“Although the two of them didn’t talk much, they understood everything from each other’s eyes. ”

Professor Feng came to Tang Mi’s office and knocked on the door. “Tang Mi.”

Tang mi put down the test tube in her hand and walked over to open the door. “Professor Feng.”

“Professor Feng nodded. “Tang Mi, I have a problem here and I need to find Miss Ye. Did Miss ye say when she would be back?” ”

“I don’t know either.”Tang mi scratched her head. “Miss ye seems to have accompanied her friend to participate in the college entrance examination. She might be back after the college entrance examination.”

The college entrance examination ended on the 8th.

Chapter 1682: 350: How could she be Dr. YC! 6

“In other words, Ye Zhuo would be back on the 9th at the earliest. ”

Professor Feng narrowed his eyes.

“Tang mi continued, “Professor Feng, why are you looking for Miss Ye? Do you need my help?” ”

“”Are you free now?”Professor Feng continued, “If you are free, come and help me take a look. Miss Ye isn’t here, so I can’t find anyone else.” ”

“”Okay, it just so happens that I’m not very busy right now,”Tang Mi said. ”

“Professor Feng smiled and said, “Then come with me!” ”

“Okay.”Tang Mi followed Professor Feng’s footsteps.

“Professor Feng took out his phone and looked at it. He quickly put it back into his pocket. As he walked, he chatted with Tang Mi. “Tang Mi, have you found a boyfriend?” ”

“Not yet.”Tang mi shook her head.

“Professor Feng smiled and said, “Then I’ll introduce you to one another another day.” ”

“”Thank you, Professor Feng.” ”

“Professor Feng said, “We’re all on the same side. You’re welcome.” ”

“After Tang Mi left for a short while, director Ma came to Tang Mi’s office. ”

“Is Tang Mi not here?”

“The assistant said, “Team leader Tang went to Professor Feng’s lab. Director Ma, why are you looking for her? I’ll help you look for her.” ”

“Director ma said, “It’s not a big deal. I just left a document with her. You specially went to look for her. She must be busy right now! I’ll look for her myself.” ”

“Seeing that director Ma was not an outsider, the assistant nodded. “Okay, thank you for your hard work.” ”

““It’s nothing.”Director ma waved his hand and continued, “You go and do your work too!” ”

The assistant walked out.

“As soon as the assistant left, director Ma put away the smile on his face and quickly rummaged through Tang Mi’s desk. ”

“Five minutes later, director Ma walked out of Tang Mi’s office with a document in his hand. ”

“The assistant was working outside the office. When he saw director Ma walk out, he immediately stood up from his chair. “Director Ma, have you found it?” ”

Director ma smiled and nodded. “Yes.”

...

Zou family.

“The college entrance exam was the day after tomorrow, so the Zou family’s parents were very nervous.”

“Zou’s mother said, “Feifei, you must work hard and get the top scorer in the market. Let everyone’s eyes light up!” ”

“Before this, Zou Feifei was also full of confidence. She felt that she would definitely get the top scorer in the market. ”

But now...

“Ever since she found out about Lin Sha’s results in the mock exam, she had been feeling uneasy and a little uncomfortable. ”

The top scorer in the college entrance exam was originally in her pocket. How could she not feel uncomfortable when it was suddenly snatched away by someone else?

“Feeling that Zou Feifei’s expression was a little strange, Zou’s mother continued to ask, “Feifei, are you not feeling well?” ”

““No,”Zou feifei shook her head, “I’m Fine, Mom. You Don’t have to worry.” ”

“Zou’s mother said, “The college entrance exam is coming up soon. How can I not worry at a time like this! Feifei, if you feel uncomfortable, you have to say it immediately. Don’t hide it! It’s not good to delay the college entrance exam!” ”

““Yes, I know.”Zou Feifei said. ”

“Zou’s mother continued, “I remember that your admission ticket has been issued, right?” ”

“Yes.”Zou feifei nodded.

“Mother Zou stretched out her hand towards Zou feifei, “Hurry up and hand over the admission ticket to me for safekeeping! If you lose the admission ticket, you won’t be able to enter the examination venue!” Every year, there would be news reports that examinees would miss the college entrance examination because they lost the admission ticket! ”

“Zou Feifei was going to be the champion of the college entrance examination, so she couldn’t miss the college entrance examination! ”

“The speaker didn’t mean it, but the listener did. Hearing this, Zou Feifei’s eyes lit up. ”

“If Lin Sha lost her admission ticket, she wouldn’t be able to take the college entrance examination? ”

Yes.

That was it.

“”Kid, I’m talking to you! What are you laughing at!”Zou’s mother patted Zou Feifei in dissatisfaction. ”

“Zou Feifei finally reacted and said, “Mom, don’t worry. I Won’t lose my admission ticket.” ”

“”Quickly bring it over and I’ll keep it. I Won’t be at ease leaving it with you,”Zou’s mother said. ”

“Okay.”Zou Feifei stood up from the chair. “I’ll go get it for you.”

“After a while, Zou Feifei came over with the admission ticket. Zou’s mother carefully put away the admission ticket and then felt relieved. “By the way, Will Your Aunt Come Back Tonight?” ”

“”I don’t know either,”zou feifei continued, “Mom, I’ll go back to my room to study first.” ”

“Hearing that Zou Feifei was going to study, Zou’s mother didn’t say anything more.”

Zou Feifei went to the bedroom and took out his phone to send a message to Ning Lan.

He quickly figured out Lin Sha’s examination room.

“Coincidentally, Lin Sha was in the same examination room as him.”

“Tomorrow, the examinees would go to the examination room in advance. At that time, Lin Sha would definitely be there.”

“With an idea in his mind, Zou Feifei felt much more relaxed.”

“At this moment, Zou Feifei seemed to think of something and frowned ”

“In the blink of an eye, it was the next day.”

Zou Feifei agreed to go to the examination hall with Ning Lan.

“The examination hall was in the suburbs, an hour away from the city.”

“At around ten in the morning, the two arrived at the examination hall.”

“At this moment, Ning Lan suddenly grabbed zou feifei’s arm, “Feifei, look at Lin Sha!” ”

Zou Feifei looked back.

“Ning LAN continued, “Look at the girl next to Lin Sha. Isn’t she very beautiful? She has a unique temperament and looks like Dr. YC! I don’t know which school she is from!” ”

“Zou feifei snorted, “Isn’t she just a little more beautiful? Can Beauty be a meal? Dr. YC! I think she can’t even compare to Dr. YC’s pinky finger. What’s the use of looking like her? Even if she looks like him, she can only be an imposter!” ”

“Zou Feifei had been a proud daughter of heaven since she was young. She couldn’t stand to see others being better than her. First, Lin Sha’s mock exam results were higher than hers. Now, there was a beautiful beauty. Zou Feifei couldn’t accept it. ”

“However, when he thought about how that girl was only an imposter even though she was beautiful, Zou Feifei felt a lot better! ”

What was there to be proud of about an imposter?

“Zou feifei turned to look at Ning Lan and asked, “Did you bring your admission ticket?” ”

“I did.”Ning Lan nodded.

“Zou feifei said, “Then you have to take care of it. If you lose it, you won’t be able to take the college entrance exam.” ”

““It’s okay.”Ning LAN said indifferently, “It’s different from before. You can download the admission ticket and print it online. If you really lose it, just print another one.” ”

What?

The admission ticket could be reprinted?

Zou Feifei’s face turned pale. “When did this happen?”

“Didn’t your teacher tell you?”Ning Lan asked.

Zou feifei shook her head.

“Ning Lan took out her phone and explained to Zou Feifei where to download the admission ticket.
“Well, download it here and then go to the printing shop to print it.” ”

Zou Feifei’s heart turned cold. She had thought that she could steal Lin Sha’s admission ticket and prevent her from taking the college entrance examination. Who knew that the admission ticket could be printed at any time now!

Then what was the use of stealing the admission ticket?

It seemed that she had to think of other ways.

“Zou feifei narrowed his eyes and turned to look at Ning Lan. “Come, let’s go and say hello to Lin Sha.” ”

Ning Lan was stunned. “Are you familiar with her?”

“”I’ve met her twice.”Zou Feifei’s father was in the financial industry, and Lin Sha’s parents had borrowed a loan from the Zou family. ”

The two walked to Lin Sha’s side.

“Zou Feifei greeted her with a smile, “Sha Sha! Are you also in this exam room?” ”

“Chapter 1683: 351: There’s no way to advance, no way to retreat, and we’ll slaughter everyone! 1”

Lin Sha was stunned when she saw Zou Feifei.

“Zou feifei smiled and said, “Sha Sha, you don’t know me! I’m Zou Feifei. We met at Uncle and aunty’s shop before. My father’s name is Zou Dabiao.” ”

“Lin Sha had an impression of him when he said that. She smiled and said, “So it’s Miss Zou. Hello.” ”

“Zou Dabiao was a financial magnate in Yunjing City. When Lin Jinshui was unable to make money, he had once borrowed a loan from Zou Dabiao. Zou Feifei was Zou Dabiao’s only daughter, and Zou Dabiao regarded her as the apple of his eye, before this, Zou Feifei also had the look of an arrogant and pampered daughter. She looked down on those who borrowed money from her family. Unexpectedly, after not seeing her for a while, Zou Feifei seemed to have changed into a different person.”

“Zou feifei said, “I’m just an ordinary person. Shasha, you can just call me by my name. By the way, who is this?” ”

“Lin Shasha introduced, “This is my good friend Ye Zhuo. Zhuo Zhuo, this is Zou Feifei.” ”

Ye Zhuo nodded slightly to Zou Feifei. “Hello.”

“”Hello.”Zou feifei continued, “By the way, let me introduce you two. This is my good friend, Ning Lan.” ”

“After the four of them got to know each other, Zou Feifei continued, “Shasha, are you and your friend taking the college entrance exam here too?” ”

“Lin Sha said, “My friend is here to accompany me on the college entrance exam.” ”

“She’s not taking the exam?”Zou Feifei was a little surprised.

“Judging from ye Zhuo’s appearance, he was only seventeen or eighteen years old. Could it be that she did not go to school at such a young age and entered society? ”

“But thinking about it, it was normal. ”

“Lin Sha was already twenty-two years old this year before taking the college entrance exam. Before that, she was just a factory girl. ”

No one knew what was wrong with her. She suddenly did not want to work in the factory and came over to take the college entrance exam to snatch resources from young girls like them.

Birds of a feather flock together.

“Lin Sha smiled and said, “My friend is already a third-year student.” ”

Third-year student?

“Ning Lan said in surprise, “I really couldn’t tell. I thought you were like us, a third-year student! Then how old are you this year?” ”

Ye Zhuo smiled faintly. “Eighteen years old.”

“A hint of disdain flashed in Zou Feifei’s eyes. He then said, “Let’s go to the exam room first, shall we? Sha Sha, which exam room are you in?” ”

“Lin Sha said, “Exam room 036. What About You?” ”

“Zou feifei said in surprise, “What a coincidence! I’m in Room 035!” ”

“Then let’s go together.”

“Okay.”Zou feifei nodded.

The four of them walked towards the exam room together.

Exam Room 035 was next to exam room 036.

“Zou feifei stopped and said, “Shasha, then we’ll go in first.” ”

“”Okay.” Lin Shasha nodded and turned to look at Ye Zhuo. “Zhuozhuo, let’s go over there.” ”

Ye Zao and Lin Sha walked towards exam room 036 together.

“At this moment, there were already some people gathered in the exam room. ”

“Seeing Lin Sha and ye Zao come over, everyone looked at them curiously, and then they were amazed.
”

“Teenage boys and girls always yearned for and were curious about beautiful things, especially beauties!
”

Ye Zao was too outstanding.

“A boy mustered up his courage and went forward to add him on wechat. “Student, can you add me on wechat?” ”

“Ye Zao looked back slightly. “I’m sorry, I don’t have wechat.” ”

“The boy also knew that she was tactfully rejecting him, so he smiled and said, “It’s okay.” ”

“After watching the exam hall, the two of them saw Zou Feifei and ning Lan waiting under the camphor tree not far away from them. ”

“Ye Zao whispered, “Sister Shasha.” ”

“”Yes, What’s Wrong?”Lin Shasha tilted her head and looked at ye Zao. ”

“Ye Zao continued, “This Zou Feifei must have a motive for suddenly approaching you. Be careful.” ”

“”Ah?”Lin Shasha asked in surprise, “Really?” ”

“Ye Zao nodded slightly, “Now is the crucial time of the college entrance exam. It’s not a bad thing for you to be careful.” ”

“Okay.”

“After ye Zao and the others left, the exam room was full of discussion. ”

“Which school did that girl go to?”

“She’s so pretty! I’ve never heard of her before!”

“”I think she looks familiar, but I can’t remember where I’ve seen her before!” ”

“...”

Over here.

“Zou Feifei saw ye Zao and Lin Sha walking over and immediately came up to them. “Sasha, it’s still early. Let’s go have dinner together.” ”

“Lin Shasha had always trusted ye Zhuo. Ye Zhuo had said that Zou feifei was up to no good, so she smiled and declined. “I’m sorry, Feifei. We have something to do later, so we might not be able to have dinner together.” ”

Zou feifei frowned. “It’s okay. Let’s have dinner together again sometime.”

“Chapter 1684: 351: No Way to advance, no way to retreat, killing everyone! 2”

“Then we’ll leave first.”

“Okay.”

“Looking at the backs of Ye Zhuo and Lin Shasha, Zou Feifei narrowed his eyes. ”

“Ning LAN asked curiously, “Feifei, why did you invite them to dinner just now?”According to her understanding of Zou Feifei, Zou Feifei was not such a warm person. ”

“Let’s make friends. What else can there be?”Zou Feifei said.

“Ning Lan nodded. “If they don’t want to eat, let’s go. I know a Japanese restaurant that is especially good.” ”

“Zou Feifei was a little annoyed now. How could she be in the mood to eat? But since Ning Lan had said so, she could not refuse. “Let’s go.” ”

The Japanese restaurant that Ning Lan chose was indeed not bad.

It was just that the per capita consumption was a little high.

The cars parked in front of the shop were all luxury cars.

“Ning Lan said in surprise, “D * mn! A limited edition Lamborghini! What kind of immortal or big shot has come to our city!” ”

“Zou feifei usually didn’t know much about cars, but she also knew about Lamborghinis. Zou Dabiao’s beloved car was of this brand, she snorted lightly and said, “Isn’t it just a Lamborghini? What’s so great about it!”Who couldn’t afford a Lamborghini? ”

“Ning LAN said, “Feifei, this is a limited edition luxury car launched by Lamborghini. It sells for more than 30 million US dollars! There are only 10 of them in the world! You have to be rich and powerful to be able to buy it. You Can’t buy it with money alone!” ”

“When she said that, Zou Feifei was also shocked. ”

“After all, Zou Dabiao’s Lamborghini was only around 6 million US dollars. This Lamborghini was sold for more than 30 million US dollars. If converted into RMB, it would be more than 200 million US dollars! ”

“200 million yuan was not a lot, but to buy a car with 200 million yuan was not to be underestimated! ”

“One had to know that the Zou family had 500 million yuan in liquid funds, but they did not dare to buy such a car! ”

“There were many rich people in Yun Jing, but the number of people who drove such a car could be counted on one’s fingers! ”

“Zou feifei continued, “Are you sure this kind of car is so expensive?” ”

““Yes.”Ning lan nodded, “My brother even dreamed of buying this car!”Unfortunately, the Ning family was also limited in their ability. They could take out 200 million yuan, but they did not have the power to get the source of the car. ”

“Zou feifei frowned slightly. “Is there a new force in Yunjing?” Although Yunjing was a small city, it was full of outstanding people and hidden talents. Big families often came to live in seclusion. ”

“” Aiya, don’t care so much! Let’s go in first.” Ning Lan held Zou Feifei’s arm. ”

The two walked into the restaurant.

“As soon as they walked in, Ning Lan saw two familiar figures near the window. She frowned slightly. “Feifei, look who it is!” ”

Zou feifei also turned around and frowned when he saw them.

They were none other than Lin Sha and Ye Zhuo.

This Lin Sha was really two-faced. She said that she had something to do in front of her and didn’t have time to have dinner with her!

What did Lin Sha mean by this?

Looking down on her?

“As the daughter of a rich family and her father was a famous figure in the financial world of cloud capital, she was always looked up to no matter where she went. ”

But today.

“She took the initiative to express her goodwill to Lin Sha, and Lin Sha actually rejected her. ”

This made Zou Feifei very uncomfortable.

Especially in front of Ning Lan.

“Lin Sha was born in a small family, how could she reject her! ”

What the hell!

“Ning LAN continued, “Feifei, this Lin Sha doesn’t know what’s good for her! You invited her to dinner, and she said she had something to do, but now she’s eating here with Ye Zhuo! What does she mean by this? Is she deliberately giving you a hard time?” ”

Zou Feifei narrowed his eyes. “Let’s Go!”

“Ning Lan followed Zou Feifei’s footsteps. “Feifei, where are we going?” ”

“Aren’t there VIP rooms here?”Zou Feifei asked.

““Yes,”ning LAN continued, “But there’s a fifty percent service charge for the VIP rooms.” ”

“Let’s go to the VIP rooms.”She would never sit in the same hall with a lowlife like Lin Shasha.

“Okay.”Ning Lan nodded.

It was a coincidence.

Zou Feifei walked out of the restaurant with Ning Lan after dinner and bumped into Lin Sha again.

“Lin Sha smiled and greeted him, “Feifei, are you and Ning Lan coming over for dinner too?” ”

“Seeing that Lin Sha didn’t look embarrassed at all, Zou feifei smiled and said, “Yeah, I didn’t expect to bump into you guys here!” ”

“At this moment, a Bentley stopped at the door. ”

“Zou feifei continued, “Our driver is here to pick me up. Sha Sha, why don’t you take our car back with your friend?” ”

“Although the Bentley wasn’t expensive, it still cost more than three million! This kind of car wasn’t something Lin Sha’s family could afford! ”

“Chapter 1685: 351: There’s no way to advance, no way to retreat, and they’re going to massacre everyone! 3”

Zou Feifei had seen too many young girls taking selfies around their Bentley.

“Especially those who were somewhat beautiful like ye Zao, they were even more vain! ”

“Lin Sha shook her head. “No need, my friend drove here.” ”

Drove?

What kind of car could a young girl like Ye Zao Drive?

Not the shared car next to him!

He was not afraid of losing face.

“Zou feifei smiled and said, “In that case, we’ll go back first.” ”

“Goodbye.” Lin Sha held ye Zao’s arm and walked to the parking spot.

“The next second, the smile on Zou Feifei’s face froze. ”

“Ye Zao actually took out the car keys, opened the door of the Lamborghini, and then sat in the driver’s seat. ”

Lin Sha also sat in the passenger seat.

How could this be?

This Lamborghini worth 200 million RMB was actually ye Zao’s?

What was Ye Zao’s identity?

How could she drive such a luxury car?

“Ning Lan, who was at the side, was also a little stunned. ”

“They were still guessing who this luxury car belonged to a second ago, but in the next second, Ye Zao and Lin Sha got into the car. ”

“After a long while, Ning Lan turned to Zou Feifei. “Feifei, who do you think that Ye Zao is? She can’t really be Dr. YC, right?” ”

“”Absolutely not!” Zou feifei continued, “This car might be rented by ye Zao to show off!” ”

“Didn’t those socialites who risked their lives like renting luxury cars, renting luxury watches, and taking photos to show off? ”

“Therefore, Ye Zao’s car must have been rented as well! ”

She wanted to use this method to seduce a rich man.

How Shameless!

“Zou Feifei originally thought that the name of a fake socialite existed on the Internet, but she did not expect to meet such a fake socialite in real life. ”

It was quite disgusting.

Ning Lan gulped. “But this kind of luxury car can’t be rented at all.”

“After the big shots bought the limited edition luxury car, they would put it in their collection. How many of them would be willing to put it in the car rental company and let others drive it? ”

“Do you want to say that this car is ye Zhuo’s own?”Zou feifei turned to look at Ning Lan.

Ning Lan nodded. “It’s possible!”

“”What a joke!”! “Ye Zhuo is a third-year girl. How could she afford such a luxury car!”Zou feifei said, “Even if she didn’t rent it, it must be from a shady background! “She’s so beautiful. There should be many men who are willing to rush to give her things!” ”

Beauty was the most advantageous weapon.

Ye Zhuo’s face could definitely be said to be exquisite.

“Ning Lan nodded. “That’s true! She’s so beautiful. As long as she speaks, someone will be able to satisfy her.” ”

“At the end of her sentence, Ning Lan sighed. “It’s great to be beautiful! I would be satisfied if I could be as beautiful as her.” ”

“Ning Lan was born into a wealthy family. Her academic results were not bad, but her looks were too ordinary. ”

“She also wanted to get a scalpel, but she was afraid of pain. Moreover, there were so many cases of plastic surgery failures. If she lost her life, it would not be worth it. ”

“”What’s so good about it? It’s just flesh and blood.”Zou feifei was very disdainful of such things. He continued, “When she gets old, there will be a few men who will be willing to talk to her.” ”

“Ning Lan felt that what Zou Feifei said made sense. She continued, “I don’t Know How Lin Shasha became such a good friend!” ”

“Zou feifei said, “Birds of a feather flock together. Lin Shasha, that old woman, is already so old, yet she still came to participate in the college entrance exam. She wants to give herself a layer of gold so that she can marry into a wealthy family in the future!” ”

“”Why do you have to participate in the college entrance exam just because you marry into a wealthy family?”Ning Lan asked, puzzled. ”

“Zou feifei continued, “Which Rich family would accept a girl who didn’t even graduate from middle school?” ”

“After all, Lin Sha was just a little gangster before this. ”

“After that, Zou Feifei continued, “And I heard from my mom that Lin Sha found a boyfriend and got pregnant. She even talked about getting married. In the end, she felt that the man was too poor and couldn’t afford the betrothal gifts, so she aborted the child and broke off the engagement!” ”

“Really?” Ning Lan asked in surprise.

“Of course! I’ve seen that man before! His name is Zhang Qiang. Just like Lin Shasha, he is also an illiterate who didn’t even graduate from middle school!” ”

“Ning Lan was surprised, “I didn’t expect Lin Shasha to be this kind of person. I think she is quite good-looking, and she speaks gently. I thought she was quite good! I didn’t expect people to be so secretive!” ”

“That’s why you can’t judge a book by its cover.”

“Ning Lan nodded and continued, “Fei Fei, what are you going to do about the college entrance exam tomorrow?” ”

“Chapter 1686: 351: no way to advance, no way to retreat, killing everyone! 4”

“What do you mean, what should we do?” Zou Feifei asked. ”

“Ning Lan said, “Your grades were so high in the previous mock exams. Everyone thought that you would definitely get the top scorer. Now that there is such a thing as Lin Sha, what do you plan to do?” ”

Zou Feifei was also worried!

“After saying that, Ning Lan continued, “But it doesn’t matter. Even if Lin Sha really gets the top scorer, you can still be a scout!” ”

Detective?

“Although detective was only one place away from the top scorer, it was far from the top scorer.”

“Which TV station have you seen interviewing the second place?” Zou Feifei asked back.

“Every year, the TV stations competed to interview the first place.”

“As for the second place, she didn’t even have a chance to talk, let alone show up!”

What Zou Feifei wanted to do was to get first place and let the major TV stations in Yunjing City interview her!

She wanted to appear in front of the TV as the top scholar of the city. She wanted to prove her ability to all her relatives and friends

“Ning lan sighed and continued, “It would be great if something unexpected happened to Lin Sha!” ”

Something Unexpected?

What kind of accident?

“She wanted to get someone to steal Lin Sha’s admission ticket, but now the admission ticket could be printed freely!”

Zou Feifei narrowed his eyes.

“At this moment, Zou Feifei seemed to have thought of something. He looked up at the driver and said, “Old Li, drive a little faster. Send Ning Lan home first.” ”

“Ning Lan was stunned. “Feifei, aren’t we going to watch a movie?” ”

“”I can’t bear to watch a movie. I have other things to do,”Zou Feifei said. ”

“Okay then!”Ning Lan nodded.

“The driver sped up. Ten minutes later, the car stopped in front of the Ning family’s villa. ”

Ning Lan pushed the door open and got out of the car. She said goodbye to Zou Feifei.

...

On the other side.

Beijing.

Professor Feng and director Ma came to the coffee shop one after the other.

Jamila was already sitting in the reserved seats waiting for them.

“Dr. Jamila.”

“”Professor Feng, director Ma, the two of you are here. Please take a seat.”Jamila stood up and greeted the two of them. ”

Professor Feng and director Ma sat on the chairs.

“Jamila smiled and said, “The two of you are here on time. You must have finished your work.” ”

Director Ma nodded and took out a document from his bag. "This is the document you asked us to look for in Tang Mi's office."

Jamila took the document and flipped through a few pages. His eyes were full of satisfaction.

"You two have worked hard!" After a while, Jamila put the document away and continued, "I have another thing to trouble you two with."

"Director Ma smiled obsequiously and said, "If there's anything, feel free to ask."

"Jamila looked up at Director Ma and said, "I heard that YC found volcanic crystals on Mars."

"Volcanic crystals were an important resource that controlled the entire Martian climate and environment. With volcanic crystals, they could also be used to develop power materials!"

Professor Feng frowned slightly. "You want volcanic crystals?"

"Yes." Jamila nodded without hiding it.

"Professor Feng felt that Jamila was pushing her luck. They had clearly agreed that she only wanted some secrets about achieving the speed of light, but now, Jamila had actually set her sights on the volcanic crystals."

"The volcanic crystals were brought back from Mars by Ye Zhuo. If she really took out the volcanic crystals and gave them to Jamila, it would really be no different from treason!"

No.

This could not be done.

“Professor Feng said, “The volcanic crystal is a very important thing. It is personally safeguarded by Miss Ye. Normally, we would not be able to come into contact with it at all.” ”

““Solutions are all thought up by people.”The corners of Jamila’s mouth curled into a smile. She continued, “I believe that as long as you want it, you will definitely be able to get the volcanic crystal and complete the mission perfectly!” ”

“Director Ma followed, “Dr. Jamila, Professor Feng Is Right. Don’t look at Ye Zhuoxiao, she actually has a lot of ideas. She is very clever. How could she let us see something as important as the volcano crystal so casually? Don’t you think that you are forcing us to do this?” ”

“Jamila took a sip of coffee and continued, “Director Ma, I believe in your ability! You and professor Feng can even obtain such an important confidential document. It’s just a volcano crystal. You will definitely be able to obtain it too.” ”

Director Ma’s face was full of embarrassment.

He was really in a difficult position!

“The volcanic crystal was the most important thing in the entire base. It could not be duplicated. If Ye Zhuo found out that they were the ones who tampered with it, with reference to Tang Xue’s price, they would probably spend the rest of their lives in prison! ”

This was too risky!

“Looking at the expressions on Director Ma and Professor Feng’s faces, Jamila continued, “Don’t be so nervous, and don’t be so sensitive. Just treat this as a normal mission! We don’t need all the volcanic crystals, as long as you can secretly take some out and use it for research! YC brought back so many volcanic crystals from Mars. It’s just a small amount. YC will definitely not notice.” ”

“Chapter 1687: 351: no way to advance, no way to retreat, massacre everyone! 5”

“Professor Feng furrowed his brows tightly, “Miss ye must have brought back 56 milliliters of volcanic crystals. Three milliliters were used for the experiment, and now there are still 53 milliliters left. Not only are there people watching, but they also check it three or four times a day! It’s a little less than that. Even if it’s half a millilitre less, it will be immediately discovered by others!” ”

“Professor Feng continued, “If Professor Gamira wants us to be exposed so quickly, then we will do it immediately!” ”

Gamira frowned slightly.

“He had spent a lot of effort to place two high-level spies in the Cen family base. He could provide information at any time, but he didn’t want Professor Feng and director Ma to be exposed so quickly! ”

“”Professor Feng, you misunderstood. I didn’t mean that!”GAMIRA paused and continued, “How about this, you two think of a way to bring out the analysis report on the volcanic crystal from the base.” ”

Bringing out a report was much easier than bringing out a volcanic crystal.

“Although there were no volcanic crystals, having an analysis report was better than not having one. ”

“As the saying goes, knowing one’s enemy and knowing one’s enemy is a sure win! ”

The most important thing for them now was to quickly grasp the secret of the Cen family base.

“Upon hearing this, director Ma immediately nodded. “That’s not a problem. Just leave it to us!” ”

“Jamila smiled and said, “Then I’ll leave it to the two of you. Let’s contact each other on Instagram. I’ll be leaving First!” ”

“I’ll send you off!”Director Ma stood up to send Jamila off.

Professor Feng sat in his original position.

“A few minutes later, director Ma returned after sending Jamila off. ”

“Professor Feng said with a very ugly expression, “Why did you agree to it?” ”

Director Ma was a little confused. “Agree to what?”

“Professor Feng continued, “I promised to bring him the analysis report of the volcanic crystal!”! “When we signed the contract, it was clearly agreed that Professor Cara was only cooperating with us to study the speed of light. Why did he agree to help them get the volcanic crystal now?”? “Director Ma, you should know what the volcanic crystal means to the base, right?” ”

“”So that’s what you’re talking about!”Director ma smiled and said, “Professor Feng, since we’ve already signed an agreement with Jamila, what’s the point of worrying so much? Anyway, we’re going to become C Nation people sooner or later!” ”

“Betraying once was betraying, betraying twice was also betraying, so it was better to simply betray them completely! ”

“When they decided to take this step back then, there was no turning back! ”

Professor Feng frowned.

“Director ma continued, “Professor Feng, don’t think too much! Leave the volcanic crystal report to me. We will do it the same as last time. Just cooperate with me!” ”

“”I don’t agree!”Professor Feng continued, “How can Jamila get her hands on such a confidential thing like the volcanic crystal!” ”

The most important thing was that this was not something that should be done in the agreement!

“Professor Feng dreamed of proving herself to ye Zhuo and proving Europa, but she had never thought of completely becoming enemies with the base. ”

This was not the result she wanted!

““It’s not like you want us to get the volcanic crystal! It’s just a report! Professor Feng, you’re making a big fuss over nothing!”Director ma said. ”

Professor Feng did not say anything.

“Director ma continued, “Professor Feng, don’t tell me you’re going to quit Midway?” ”

““I don’t want to quit. I just think that Jamila doesn’t have the spirit of a contract!”Professor Feng continued, “He asked us to get the volcanic crystal report today. It’s just the beginning. I don’t know what he wants us to Get Tomorrow!” ”

““Then do as he says.”Director Ma took a sip of coffee. “Professor Feng, there’s one thing I hope you understand.” ”

“What is it?”Professor Feng raised his head to look at director Ma.

““At this point, we have no way out.”Director ma continued, “We can only do as Jamila instructed.” ”

“If Jamila leaked this matter, would cen Shaoqing still forgive them and pretend that nothing had happened? ”

It was impossible!

They were now equivalent to Jamila’s marionettes. They had no choice but to listen to Jamila’s arrangements.

“Director Ma’s words woke them up from their dreams, and their faces suddenly turned a little pale.”

“Director ma continued, “But don’t worry. Jamila is still counting on us to research the speed of light technology together. He won’t let us take the risk.” ”

“Since things had come to this point, what else could professor Feng Do? ”

She could only continue to follow this plan!

“How are you going to get the analysis report of the volcanic crystal?”Professor Feng looked at director Ma. “Do the same thing again?”

Director ma narrowed his eyes. “Let’s return to the base first. You just have to cooperate with me.”

“Chapter 1688: 351: No Way to advance, no way to retreat, killing everyone! 6”

“Professor Feng nodded, stood up, and followed director Ma’s footsteps.”

...

On the other side.

Yunjing.

“After ye Zhuo sent Lin Sha back, he drove to the residential area he had rented before.”

“At that time, the rent was paid for four years. Seeing that the rent was about to expire, ye Zhuo planned to ask the landlady out and negotiate with her to see if he could buy the house directly. ”

“This was ye Zao’s first home after coming to this world. It carried too many beautiful memories, and ye Zao wanted to keep these beautiful memories forever. ”

“He arranged to meet the landlady in the chess room downstairs of the residential area. When ye Zao arrived, the old lady was sitting at the table playing chess with someone. ”

“On the chessboard, the black and red stones stood facing each other. The red stones were clearly in a state of treading on thin ice. ”

It was either surrender or be killed by the other party.

There was no way to advance or retreat.

“Sitting in front of the old lady was an old man with a long beard. He looked energetic and said with a smile, “I think you’d better admit defeat! I’m not bragging, but no one here can break my game!” ”

“”Humph! I’m not admitting defeat!”The old lady looked up at her old friend. “Old Zhang, help me see how to move.” ”

“Old Zhang shook his head. “You’d better admit defeat! This is already a dead end, why waste time here!” ”

“”Landlady Grandma.”At this moment, ye Zhuo walked to the old lady’s side. ”

“”Xiao Ye, you’re here.”The landlady turned to look at Ye Zhuo, “You might have to wait a little longer, I haven’t finished my game yet! Old Man Li, just you wait, I’ll go and find someone right now. I’ll definitely let someone break your game today!” ”

“Old Li sat there and said with some pride, “Go ahead, go ahead. Even if you call a hundred people over, they won’t be able to break my game!” ”

“Ye Zhuo lowered his eyes slightly and saw the situation on the chessboard clearly. He said with a smile, “Landlady Grandma, is this game very difficult to break?” ”

“The landlady looked at Ye Zhuo and said in surprise, “Xiao Ye, you can break it?” ”

Ye Zao nodded slightly.

“Old Li raised his head to look at ye Zao and said with a smile, “Young Lady, you are not young, yet you talk big.” ”

“Old Li had painstakingly studied chess for dozens of years before he was able to develop such a chess game. Even his granddaughter, who worked in the chess club, had solved it for a few days. How could a little girl have such ability.”

“Ye Zhuo smiled faintly and reached out his hand to slowly jump off the horse. “If you take the lead, no one will be able to open the chessboard.” ”

“The situation on the chessboard, where victory and defeat were already clear, instantly collapsed! ”

Just one move had easily changed the current situation.

Old Li frowned. He did not dare to belittle ye Zhuo anymore and immediately went out to meet the battle!

“Ye Zhuo then moved the cannon away and said in a clear and shallow tone, “General.” ”

Old Li could not care less about the situation in front of him and immediately moved the soldiers to protect the general!

“Ye Zao got out of the car again and said in a clear and shallow tone, “General. This grandfather, you have lost.” ”

“On the chessboard, Hei Zi had already reached the point of no return. ”

The onlookers thought that they had seen wrongly and all of them stared at him with their eyes wide open.

“If they had not seen it with their own eyes, who would have believed that a little girl would actually win against Old Li! ”

One had to know that old Li’s family had quite a few chess experts!

“”Xiao Ye, you’re too amazing!”The landlady immediately cheered. ”

“Old Li stood rooted to the ground, his face full of shock. He had never thought that one day, his chess game would be broken by a little girl. ”

“”Old Li, you’ve lost! hahahaha! Didn’t you say that no one could break your game? Losing to a little girl, how does it feel?”The landlady could not close her mouth from laughing. ”

“Old Li looked at ye Zhuo and continued, “Little girl, What’s Your Name?” ”

“My Name Is Ye Zhuo.”

“Old Li nodded. “As expected, heroes come from the youth! I, Old Li, have never admired anyone. Little Girl, you’re the First!” ”

“”Thank you.”Ye Zhuo smiled and said, “I just happen to have studied chess, you don’t have to take it to heart.” ”

“After saying that, Ye Zhuo turned to look at the landlady. “Landlady, can we go now?” ”

““Yes, yes!”The landlady nodded. ”

Ye Zhuo followed her footsteps.

Old Li looked at ye Zhuo’s back and couldn’t react for a long time.

The two of them came to a restaurant and were about to talk while eating.

“The landlady said, “Xiao Ye, are you really going to buy my shabby house?”Her house was demolished and divided. The environment in the neighborhood was not that good, and the house price was not cheap, a normal person would not choose this kind of pre-arranged house to buy a house. ”

“Chapter 1689: 351: no way to advance, no way to retreat, killing everyone! 7”

“Ye zhuo nodded slightly, “According to the market price, your house is worth about 3.2 million. If you think it’s okay, we will go to the agency to go through the procedures.” ”

““Okay, Xiao Ye, if you have no problem, I have no problem,”the landlady said with a smile. ”

The old man and the young man went to the agency together to go through the procedures to buy a house.

...

“In the blink of an eye, it was the day of the college entrance exam. ”

“Early in the morning, Ye Zhuo drove to pick up Lin Sha.”

“Zhou Yuelian was supposed to go with them. After all, the college entrance exam was a big event in life, but Lin Sha didn’t want her to go with them.”

“Firstly, her family was busy with business, and secondly, if Zhou Yuelian went with them, she would be under a lot of pressure.”

The first exam in the morning was Chinese.

“Lin Sha had a good foundation in Chinese, so she didn’t have much pressure.”

Zou Feifei looked at Lin Sha’s back as she walked in front. He narrowed his eyes and ran up to her with a smile. “Sha Sha.”

“Feifei.” Lin Sha greeted her with a smile. “Why don’t I see Ning Lan?”

“Ning Lan and I are not in the same exam room,” Zou Feifei said.

Lin Sha nodded. “I see.”

“Well,” Zou Feifei continued, “By the way, which hotel are you staying in?”

“The exam venue was in the suburbs, which was more than an hour’s drive away from the city. It was not convenient to go back, so most of the candidates chose to stay in a hotel nearby.”

“Lin Sha said, “It’s at the nearby soaring hotel. What About You?”

“What a coincidence, me too,” Zou Feifei continued, “Ninglan is not here either. I’m bored by myself. Are you here with your friends? Why Don’t I Come With You for lunch?”

“Doesn’t anyone from your family come with you?” Lin Sha asked.

“Zou feifei shook his head. He looked a little lonely. “My parents are busy, so I’m alone.” ”

“Okay then. Let’s go together.”

“”Thank you, Sha Sha.”Zou Feifei held Lin Sha’s arm in a very friendly manner. ”

“”You’re welcome.”Although ye Zhuo said that Zou Feifei had some bad intentions, Lin Sha felt that this girl was quite pitiful. She didn’t have anyone to accompany her when she took the college entrance exam. ”

The two of them had just walked out of the school gate when they saw ye Zao.

It was the middle of summer. She was leaning against a camphor tree. She was wearing white clothes and black pants. There was a white wireless earpiece stuffed into her ear. She really had her head lowered. No one knew what she was looking at.

Her expression was serious.

The mottled sunlight seeped down from the leaves and shone on her face. It seemed to give her a shallow layer of light.

“At this moment, a colorful butterfly flew over from the nearby greenery and landed on her forehead. ”

A person and a butterfly. It was quiet and beautiful.

It was like a painting.

This scene fell into the eyes of the tall figure in the distance.

The man was wearing a black suit and looked over there. The ice in his eyes melted.

“He was clearly separated from the bustling crowd, but at this moment, there was only her in his eyes.”

“”Third brother, what are you looking at?” Bai Jiayu followed his gaze and looked over curiously.”

“Perhaps because Bai Jiayu was slightly shorter than Song Shiyu, he didn’t see anything special.”

“Mu Tong is here.” Song Shiyu turned his gaze slightly.

Bai Jiayu’s gaze was instantly attracted away. “Little sister Xiao Tong!”

“”Brother Jiayu!” Mu Tong ran over quickly. When she met Song Shiyu’s gaze, Mu Tong felt a little apprehensive.”

“She didn’t know what had happened to her third brother today. He had never cared about her normally, but today, he actually personally sent her to the examination venue. What was even more unexpected was that Song Shiyu was actually waiting outside for her to finish the exam.”

It was somewhat unbelievable!

“Bai Jiayu took the pencil case from Mu Tong’s hand and asked, “How did the exam go?” ”

“”It was alright! It doesn’t matter! Anyway, I’m not going to rely on studying to earn a living!” Mu Tong skipped over to Bai Jiayu’s side, then, she said, “Brother Jiayu, let me tell you, a beautiful girl came to our exam hall yesterday! She’s even prettier than that Internet celebrity, Qingcheng!” ”

“Qingcheng was a female internet celebrity. She lived up to her name and was very good-looking. As a result, she attracted millions of fans overnight! ”

She was an existence that killed both men and women.

“Really?” Bai Jiayu was still very curious about beautiful women. “She’s even prettier than Qingcheng?”

“Of course!” Mu Tong continued, “Some people in our exam hall said that she looks like Dr. YC! You know Dr. YC, right? She is the mother of the aircraft carrier, the Dr. YC who will lead us to Mars in the future!” ”

“Hearing this, Song Shiyu slightly curved his lips, then peeled a milk candy and put it into his mouth. ”

Over here.

Lin Sha brought Zou Feifei to Ye Zao’s side. “Zao Zao!”

“Hearing Lin Sha’s voice, Ye Zao immediately reacted and took off his headphones. “Are you done with the exam?” ”

“Yes.” Lin Sha nodded and continued, “Zao Zao, no one from Feifei’s family is accompanying her today. She will eat with us later.” ”

“Ye Zao nodded slightly. “Yes, I have already booked the restaurant.” ”

The restaurant was not far from the exam venue. It would only take a few minutes to walk there.

“Because of the college entrance exam, the restaurant’s business was booming. ”

“However, because Ye Zao had booked the seats in advance, there was no need to wait in line. ”

“Among the three of them, Ye Zao ordered five dishes, one soup, and dessert. ”

“Halfway through the meal, Ye Zao suddenly received a phone call. ”

“After hanging up, ye Zao turned to look at Lin Shasha. “Sister Shasha, I have something to do. I’ll go out for a while. I’ll meet you at the hotel later.” ”

Lin Shasha nodded. “You go ahead!”

Ye Zhuo took his phone and left.

“Zou Feifei looked at ye Zhuo’s back and smiled. “Shasha, your friend is quite busy.” ”

“Lin Shasha nodded. “Yeah, she’s different from us.” ”

“Just then, Lin Shasha received a text message. ”

It was from ye Zhuo.

[hurry back to the hotel after eating. Don’t interact with Zou Feifei.]

[Okay.]

“Although the reply was good, Lin Sha did not take it to heart. After interacting with Zou Feifei for a while, she felt that Zou Feifei was quite interesting. He should not have any intentions towards her. ”

“After replying to Ye Zao’s message, Lin Sha looked at Zou Feifei. “Feifei, I need to go to the washroom.” ”

“”Okay.”Zou feifei nodded, a light flashing in his eyes. ”

She knew that her chance had come.

“At first, she was still worried about how to deal with Lin Shasha.”

“Watching Lin Shasha’s back disappear into the air, Zou Feifei took out a white pill from his pocket and put it into Lin Shasha’s Drink Cup.”

“A few minutes later, Lin Shasha came out of the bathroom. The two of them sat there and chatted for a while before they were ready to leave.”

“Before they left, Zou feifei smiled and said, “Wait, I haven’t finished my drink yet. I’ll leave after I finish it. It’s so hot outside.” ”

“Seeing Zou Feifei drinking his drink, Lin Sha realized that she hadn’t finished her drink either. She immediately picked up her cup and finished her drink in one gulp. “Let’s Go!” ”

The two of them chatted and laughed as they returned to the hotel.

“After returning to his room, Zou Feifei immediately contacted his contact on wechat. [can you hack the surveillance camera of the restaurant on the road from 11:50 to 12:00? 1w.] ”

The other party replied with an ‘ok’.

“Looking at the other party’s reply, Zou Feifei heaved a sigh of relief and immediately transferred the money over.”

On the other side.

It was three o’clock in the afternoon when Lin Sha took a math test. She took a nap.

“When she woke up, it was already two o’clock. Ye Zhuo was still not back yet.”

“Just when Lin Sha was about to call ye Zhuo, she suddenly felt a sharp pain in her abdomen. Her face turned pale instantly. ”

It was so painful that she could hardly stand up straight.

The pain reminded her of that bad experience.

It was the same pain when she had a miscarriage!

“Beads of sweat rolled down her forehead. She grabbed her phone and tried to call the emergency number, but in the next second, she fainted! ”

“Chapter 1690: 352: high energy ahead, Big Brother Ye is on-line abusing trash! 1”

This kind of pain directly made Lin Sha lose consciousness and fall into a coma.

The phone also fell to the ground.

“At this time, the ringtone of the phone came from the air. ”

“It rang for a long time, but Lin Sha did not pick up. ”

Over here.

“Zou Feifei looked at the phone that had not been picked up, and the corner of his mouth slowly curved up. ”

“According to the drug’s effects, it should be acting up now. ”

“Ye Zao had not returned yet, so Lin Sha was definitely going to miss the math exam. ”

“She had a perfect score of 150 in math. If Lin Sha missed the math exam, how could she become the top scorer in the college entrance exam? ”

“Even if ye Zao came back now and sent Lin Sha to the hospital in time, Lin Sha would still miss the exam! ”

“After all, there was only half an hour left before the exam. ”

“If she went to the hospital now, it would take at least two hours for her to regain consciousness. ”

Unless there was a godly doctor who could immediately make her better.

But would there be a godly doctor in this world?

Zou feifei smiled.

“After a moment, Zou Feifei put down his phone and decided to look for her. ”

“After all, she had lunch with Lin Shasha in the afternoon. If she went to the exam room alone in the afternoon, it would definitely arouse suspicion. ”

Zou Feifei came to the door of Lin Shasha’s room and rang the doorbell.

“After ringing for a long time, Lin Shasha did not open the door. ”

Zou Feifei’s face showed an anxious expression. He hurried to the front desk. “Hello!”

""Hello, How can I Help You?" "

"Zou feifei continued, "I have a classmate staying in Room 1603. Ten minutes ago, I called her but she didn't pick up. Just now, I went to ring the doorbell but she didn't answer. I'm worried that something might have happened to her. Can you send someone over to check?" "

"Then can you check the passenger information with me? What's her name?"

"Zou feifei said, "Her name is Lin Sha Sha, shuangmulin. She's Sha Sha with the initials 'grass'. Then her phone number is 138 * * * * 6123." "

"Let's check your information again. Which Room are you staying in? Please provide your ID card."

Zou Feifei gave the room number and then handed the ID card to the front desk.

"After the front desk checked the id information without any problems, he continued, "Okay, then you can go and have a look with our housekeeping manager." "

"After all, this was not a small matter. "

"Previously, there were many passengers who suddenly fainted in the bathroom due to their physical condition, resulting in sudden death. There were also some passengers who committed suicide by burning charcoal in their rooms due to depression. "

"No matter what kind of accident it was, it was not a good thing for the hotel! "

Zou feifei nodded. "Okay."

The receptionist started to contact the manager of the Customer Service Department.

“Very soon, the manager of the housekeeping department arrived. “Hello, Miss Lin, right? My surname is Zhu, and I’m the manager of the Housekeeping Department.” ”

“Zou feifei said anxiously, “Manager Zhu, let’s hurry over and take a look! I’m taking the college entrance exam at three in the afternoon, and I’m running out of time.” ”

“Okay.”The housekeeping manager nodded.

“Just as the two of them walked to the elevator, they saw a familiar figure. ”

It was ye Zhuo.

“Zou feifei narrowed her eyes. There was a glimmer in her eyes. Then, she quickly walked over. “Miss Ye, you’re back!” ”

“Okay.”Ye Zhuo nodded slightly.

“Zou feifei continued, “I’m going to look for Sha Sha with this manager Zhu. Since you’re back, I Won’t go with you. It’s getting late. I have to prepare to go to the exam venue.” ”

“Did something happen?”Ye Zhuo asked.

“Zou feifei said, “It’s like this. Just now, I contacted Sha Sha, but she didn’t pick up the phone. I went to her room to look for her, but she didn’t open the door! “I was worried that something might have happened to her, so I went to the front desk of the hotel to take a look!” ”

Ye Zhuo frowned without leaving a trace.

“The room manager opened his mouth at the right time, “Hello, my surname is Zhu. You’re the guest who lives with Miss Lin. Miss Ye, is it?” ”

“Yes.”Ye Zhuo nodded.

“At this moment, the elevator door opened. ”

“Zou feifei said, “Miss Ye, I’ll leave First! If You Find Shasha, send me a message.” ”

“Okay.”Ye Zhuo and the housekeeping manager walked into the elevator.

“Soon, the elevator reached the 16th floor. ”

Ye Zhuo took out the room card and opened the door.

The first step was the living room.

“”Sister Shasha,”ye Zhuo called out, but no one answered. ”

“Ye Zhuo felt that something was wrong. Sure enough, after taking a few steps inside, he saw that Lin Shasha was unconscious on the ground. ”

“Oh my God!”The housekeeping manager was shocked.

“Ye Zhuo walked over and took Lin Shasha’s pulse, frowning. ”
