“Chapter 1691: 352: high energy ahead, Big Brother Ye is on-line abusing dregs! 2”

Lin Sha was in a coma due to sudden food poisoning.

“After the room manager called 120, he said, “Miss Lin, 120 said they will send a car over as soon as possible!””

Ye Zhuo frowned slightly. “I can’t wait for 120 to come over! Do you have a first-aid medical kit in Your Hotel?”

“Yes!”The manager nodded.

“Get Someone to bring it over immediately.”

“Okay.”

“The next second, Ye Zao picked Lin Sha up from the ground and put her on the bed.”

The manager was a little surprised to see her like this.

Lin Sha was at least 90 to 100 pounds. How could this little girl pick her up so easily.

The next scene surprised the manager even more.

Ye Zhuo took out the acupuncture bag and directly stabbed a silver needle into Lin Shasha’s forehead. His white fingertips twirled the silver needle and slowly rotated it.

“The manager said in surprise, “Miss Ye, what are you doing!””

““Acupuncture,”ye Zhuo said calmly.”

Acupuncture!

Ye Zhuo looked like he was only seventeen or eighteen years old. Did she know acupuncture?

“The manager quickly took out his phone to take a video. “Then let’s make it clear in advance. Your personal acupuncture has nothing to do with our hotel. If anything happens to Miss Lin, you and your family can not blame our hotel!””

““Don’t worry.”Ye Zhuo took out the second silver needle and said faintly, “If anything happens, I will bear the responsibility alone.””

“The manager continued, “I can take out my phone to take video evidence now. You Can’t go back on your words.””

“Okay.”

“In the blink of an eye, a few silver needles had been inserted into Lin Sha’s acupuncture points.”

“At the same time, the hotel staff brought the first-aid kit over.”

“Ye Zao continued, “Pass me the disinfectant alcohol.””

The manager passed the phone to the staff. “Continue recording.”

“Okay.”

The manager took out the disinfectant alcohol from the box and passed it to Ye Zhuo.

“Then, Ye Zhuo took out a black pill and was about to feed it to Lin Sha.”

“The manager was a little worried, “Is this a product without product? What if something goes wrong with it?””

““I told you, if something goes wrong with it, I will take care of all the problems.”Ye Zhuo pinched Lin Sha’s mouth and fed the pill.”

The pill was made by Ye Zao. It could cure all kinds of poisons and melt in the mouth.

“A few seconds later, Lin Sha frowned. The next second, she opened her eyes.”

“The manager said in surprise, “You’re awake! Miss Lin is awake!””

“... Zao?”Lin Sha only felt a headache and her throat was burning.

““Sister Sha Sha, don’t talk. Drink some water first.”Ye Zao helped Lin Sha sit up from the bed.”

The manager passed a glass of water to ye Zao.

Ye Zao passed the Glass of water to Lin Shasha’s mouth.

“As the water entered her throat, the burning sensation in her throat immediately lessened, as if it had been a long drought.”

“After a while, Lin Shasha said slowly, “Zao Zao, what happened to me?””

“Food poisoning,” ye Zao said, “Think about it. Did you eat anything else besides lunch in the restaurant?”

“No.” Lin Sha shook her head, “After lunch, I went to sleep. When I woke up, I was like this.”

“After saying that, Lin Sha seemed to have thought of something and said with a pale face, “Exam! Is it time for the exam? Did I miss the exam?””

“Lin Sha had missed the exam last year because of her appendix. If she missed the exam again this year, she would have no hope at all!”

“There’s still half an hour before the exam. You should rest for ten minutes first. I’ll send you to the exam room later,” ye Zhuo said.”

“Hearing that she had not missed the exam, Lin Sha was relieved. “It’s good that you didn’t miss the exam!””

“Ye Zhuo continued, “Sister Sha Sha, think carefully now. After I left, did you and Zou Feifei really not eat anything else?””

“No.” Lin Shasha shook her head. “By the way, where’s Zou Feifei? Is she okay?””

“She’s fine. I couldn’t get through to you on the phone just now. She even planned to come in with the housekeeping manager to see how you were doing.”

“Lin Shasha asked curiously, “You said that I had food poisoning, but we ate the same thing. Why are you fine and Zou Feifei is fine too?””

“If that’s what I’m curious about,” ye Zao said.”

“At that moment, an ambulance arrived.”

“The doctor examined Lin Sha. “So far, nothing seems to be wrong, but I still suggest that you all be admitted for observation.””

“”I still have the college entrance exam in the afternoon,”Lin Sha said”

“Chapter 1692: 352: high energy ahead, Big Ye is abusing trash online! 3”

“”Then let’s go to the hospital for a check-up after the exam.”The doctor continued, “Food poisoning doesn’t disappear. Although you seem to be fine now, many of the toxins are late-stage outbreaks.” ”

“Okay.”Lin Sha nodded.

“Then sign this document first.”The doctor took out a disclaimer.

Lin Sha lowered her head and signed.

“After the ambulance left, Ye Zhuo drove Lin Sha to the examination room. ”

“Five minutes later, the car stopped at the entrance of the examination room. ”

“Ye Zhuo handed Lin Sha a small bottle. “Here are some heart-cleansing pills. If you feel unwell later, take one of these.” ”

“Okay.”Lin Sha took the bottle. “I’ll go in first.”

“”Okay.”Ye Zhuo nodded. “By the way, what time did you guys leave the restaurant?” ”

Lin Sha Thought for a moment. “Around 12:05.”

“Got it.”

“After Lin Sha left, Ye Zhuo took out his computer from the car and started to check the surveillance cameras.”

“When he checked the surveillance cameras of the restaurant, Ye Zhuo was surprised to find that the surveillance cameras of the restaurant had been deleted between 11:50 and 12:00.”

Ye Zao had a hunch that the cause of Lin Sha’s poisoning must be within this period of time.

“As long as the surveillance was restored, he would be able to find the cause.”

Ye Zao hacked into the surveillance system and tried to recover the ten minutes that had disappeared. He found that the person who hacked the surveillance was also an expert.

The other party’s IP was displayed overseas.

“However, after breaking through the firewall, ye Zao unexpectedly found that the other party’s IP address was in a middle school.”

In other words... This person was either a teacher or a student!

“If it had been anyone else, this deleted surveillance footage might never have been recovered.”

But his opponent was ye Zao after all.

“Unfortunately, when ye Zao was halfway through recovering, his laptop ran out of battery and the rest could only be restored after he returned to the hotel.”

Five o'clock in the afternoon.

The Math exam was over.

Lin Sha walked out of the exam room.

"At the same time, Zou Feifei also walked out of the exam room."

"Seeing Lin Sha's back, Zou Feifei thought he was hallucinating."

Lin Sha?

"Didn't something happen to Lin Sha? At this time, Lin Sha should be lying in the hospital! Why was she in the exam room?"

She had seen Lin Sha Drink the drink with her own eyes.

How could there be no problem with Lin Sha?

What was going on?

"Zou Feifei's heart skipped a beat and he immediately chased after her, "Sha Sha!" "

"Lin Sha turned around and smiled, "Feifei." "

It was Lin Sha Sha.

It really was Lin Sha.

She was not mistaken.

“Zou Feifei tried his best to calm himself down and smiled, “Sha Sha, you’re fine! When I called you back then, you didn’t pick up. When I knocked on the door, you didn’t respond. I thought something happened to you!” ”

“Lin Sha said, “Something did happen, but it should be fine now.” ”

“What happened to you back then?”Zou Feifei asked.

“Lin Sha said, “120 came over and said that I had food poisoning. By the way, Feifei, you ate with us at noon. Did you have any adverse reactions?” ”

“No.”Zou feifei shook his head.

“That’s strange.”

“Zou feifei continued, “Did you call the police?” ”

Lin Sha nodded. “My Friend has already filed a report at the Police Station!”

“”OH.”Zou Feifei narrowed his eyes. He looked calm on the surface, but he was a little flustered inside. After all, she was the one who had drugged him. ”

“If they found out, what would she do? ”

It was fine.

She had already asked the hacker to delete the surveillance cameras. There were no surveillance cameras and no witnesses. who could prove that she had drugged him.

“Thinking of this, Zou Feifei felt much better.”

The two of them walked out of the door and indeed saw ye Zao standing outside. There were two police officers with ye Zao.

“Zao Zao!” Lin Sha jogged over. “Hello, police officer.” ”

“Lin Sha?”

“Yes.” Lin Sha nodded. “This is Zou Feifei, who had lunch with us at noon. He is also this year’s examinee.” ”

“The police officer continued, “Please follow us to the police station to make a statement.” ”

Zou feifei creased his brows.

Let Her go too?

“Lin Sha turned to look at Zou Feifei. “Feifei, is it convenient for you?” ”

“Yes.” Zou feifei nodded.

“If she said that it was inconvenient at this time, wouldn’t she have a guilty conscience?” ”

“Then let’s go.”

The three of them got into the police car together.

“At this moment, right at the end of the examination, there were many examinees and parents gathered at the school gate. When they saw the three of them get into the police car, everyone was somewhat curious.”

“Chapter 1693: 352: High Energy Ahead, Big Brother Ye beating the crap online! 4”

“Song Shiyu’s gaze swept past the police car without a trace, and he frowned slightly.”

“Then, he took out his phone and sent a message.”

“Bai Jiayu stood beside Song Shiyu and said curiously, “Third brother, there’s something wrong with you.””

“What’s Wrong?” Song Shiyu’s tone was low.

““There’s nothing wrong.” Bai Jiayu continued, “First of all, why are you suddenly concerned about Tong Tong? Second, who were you texting just now?””

“Song Shiyu was a cold-blooded person. Even when Old Madam Song was still alive, she rarely received his concern.”

Not to mention this cousin who only had a quarter of her blood relationship with him.

“Besides, Song Shiyu had never been one to lower his head.”

“But today, he kept looking down at his phone.”

“What do I need to explain to you?” Song Shiyu’s tone was low.

“There’s no need to explain. I just feel that you’re quite strange,” Bai Jiayu continued, “Third brother, sometimes I feel that you’re not the same person as before. But sometimes I feel that you’ve never changed.” ”

This feeling was very strange.

Especially in the recent period.

“The last time he returned from C Nation, Song Shiyu suddenly brought back a cat. ”

And he was especially good to that cat.

“He gave the cat a nanny, a villa, and even a special car. ”

One had to know that the Song Shiyu of the past was not someone who liked cats.

“When Song Shiyu carried the cat, Bai Jiayu felt that he was no longer the bloodthirsty Song Shiyu. ”

One could even describe him as gentle and elegant.

“But when he was treating Mu Yourong, Song Shiyu had returned to his previous appearance. ”

“His methods were vicious and incomparably sinister, like a demon that had crawled out of Hell. ”

“Third brother,” Bai Jiayu continued, “You suddenly became like this, is it because of that girl who made you keep your virginity like Jade? Who is she?” ”

Song Shiyu didn’t say anything and just looked into the distance.

“Brother Jiayu!”

“At this moment, Mu Tong ran toward Bai Jiayu. ”

“Tong Tong!” Bai Jiayu’s expression immediately changed when he saw Mu Tong.

“”Brother Jiayu, did you and third brother wait here for another two hours?” Mu Tong asked. ”

“Bai Jiayu nodded and continued, “What do you want to Eat Tonight? Brother Jiayu will take you there.”  
”

“”I want to eat Kanto Cook...”after saying that, he turned to look at song Shiyu and asked hesitantly,  
“Can I?” ”

“No.” Song Shiyu directly refused.

“OH.” Mu Tong nodded.

“Bai Jiayu looked at song Shiyu. “Tong Tong just wants to eat Kanto Cook. Why Can’t you? Third brother, you’re too inhumane!” ”

“Unhygienic.” Song Shiyu had a serious mysophobia and rejected all roadside stalls.

“Bai Jiayu wanted to say more, but Mu Tong pulled his hand and said, “Brother Jiayu, forget it.” ”

“”Jiayu, Tong Tong.” A pleasant voice suddenly appeared in the air. ”

Bai Jiayu and Mu Tong looked up and saw that it was Chen Siyan.

“Sister Siyan.” Bai Jiayu and Mu Tong called for her.

“Chen siyan smiled and said, “You haven’t eaten yet, right?” ”

“Bai Jiayu said, “Yes, we are discussing where to eat! Tong wants to eat Guan Dong’s cooking, but third brother won’t let her.” ”

“Chen Siyan glanced at song Shiyu and continued, “Guan Dong’s cooking isn’t hygienic. Why Don’t you go to my place? I’ll Cook Myself.” ”

“Sure!” Bai Jiayu and Mu Tong said at the same time.

“Song Shiyu looked at his watch and said, “You two go ahead. I have other things to do.” ”

“Hearing that, the light in Chen Siyan’s eyes gradually disappeared. ”

2

“Bai Jiayu said, “Third brother, what do you have to do? You can go after eating!” ”

“”No, you guys go ahead.”After saying that, song Shiyu walked to the car. ”

“Watching song Shiyu leave, Bai Jiayu continued, “Third brother must have something important to do. Sister Siyan, don’t think too much about it.” ”

“Chen siyan smiled and said, “I know. Let’s go too.” ”

Bai Jiayu and mu tong followed Chen Siyan’s footsteps.

On the other side.

At the police station.

“A few police officers took notes for Ye Zhuo, Lin Sha, and Zou Feifei. ”

Ye Zhuo came out of his office after taking notes.

“When she came to the hall, Lin Sha and Zou Feifei were already waiting for her. ”

“Lin Sha stood up and asked, “Zhuo Zhuo, did they tell you anything?” ”

“Ye Zhuo shook his head slightly, “It’s just some routine questions. “But I heard a police officer say that the surveillance camera of the restaurant where we ate at noon was hacked for ten minutes. As long as we get back the surveillance video of those ten minutes, we’ll know how you got poisoned.” ”

“Chapter 1694: 352: high energy at the front, Big Brother Ye is online abusing trash! 5”

Find it back?

“These three words sounded easy, but how was he going to find it back?”

Zou Feifei’s lowered eyes were full of sarcasm.

“If the hacked surveillance cameras could be found again, then there would be no hackers!”

“Zou feifei pretended to be surprised and said, “How could this be? That restaurant was too unscrupulous! Even the surveillance cameras could be hacked! Could it be that the merchants had stolen their own surveillance cameras? There was a problem with the food in their restaurant, so they made it up and said that the surveillance cameras had been hacked!””

“Lin Sha felt that what Zou Feifei said made sense. She looked up at ye Zao and said, “Zao Zao, don’t You Think So?””

“Ye Zao smiled faintly and said, “This kind of thing can only be concluded after the police restore the surveillance cameras.””

“That’s true.”Lin Sha nodded.

The three of them talked while walking.

“After returning to the hotel, Zou Feifei was worried. He sent a wechat message to ask the other party if the hacked surveillance cameras would be restored.”

“After a while, the other party replied, [ don’t worry, they won’t. ]”

“Seeing this reply, Zou feifei heaved a sigh of relief.”

It was good that it didn’t happen.

She was really afraid that the police would really restore the surveillance cameras.

“After chatting, Zou Feifei deleted the chat records on wechat.”

On the other side.

Lin Sha came out of the bathroom after taking a shower.

“Ye Zhuo asked, “Sister Sha Sha, how are you feeling now? Are you feeling unwell?””

“No, I’m fine.” Lin Shasha smiled and said, “With a great doctor like you around, how could I be feeling unwell?”

“That’s good,” Ye Zhuo said.

“Lin Shasha continued, “Zhuo Zhuo, are you suspecting Zou Feifei?”

“Yes.” Ye Zhuo nodded slightly.

“It can’t be her, right?” Lin Shasha continued, “I think she’s a good person. Besides, she doesn’t have to do this! I don’t have any enmity with her.”

Lin Sha couldn’t figure out Zou Feifei’s motive for doing this.

“You can’t judge a book by its cover,” Ye Zhuo said while tapping on the keyboard, “She must have a reason for doing this.”

Lin Sha frowned.

“The next second, the progress bar on the computer screen, which was originally only 30% , suddenly became 100% !”

The restoration was complete.

Ye Zhuo clicked on the video play button.

“Seeing the scene of Lin Sha going to the bathroom, he pressed the pause button. “Sister Sha Sha, come here.”

“What’s Wrong?” Lin Sha walked over curiously.

Ye Zhuo pressed the play button. "Look here."

"What's wrong here?" Lin Sha asked curiously.

"Look down." Ye Zhuo's red lips opened slightly.

Lin Sha nodded.

The scene continued to play.

"After Lin Sha walked into the bathroom, Zou Feifei quickly took out a pill from his pocket and put it into Lin Sha's Drink Cup. He also quickly picked up the cup and shook it."

The white pill quickly melted into the water.

"Seeing this scene, Lin Sha's eyes widened in disbelief. She never dreamed that Zou Feifei would put something in her drink."

Scary!

Too scary!

"At this moment, Lin Sha suddenly remembered something and continued, "No wonder when we left, she said that she didn't finish her drink! I saw that she was drinking, so I drank mine too!"

"But she didn't think much of it. Now that she thought about it, Zou Feifei was simply too scheming!"

Ye Zao was right. Zou Feifei had been approaching her with a purpose from the beginning.

But why did Zou Feifei do that!

What was her motive?

“Lin Sha continued, “Zao, let’s hurry and give these things to the police!””

““If you want to get a conviction, these things are useless.”What if Lin Sha said that the particles thrown in were sugar pills?”

“What else do you want?”Lin Sha asked.

Ye Zao clicked the mouse. “Wait a little longer.”

“Five minutes later, ye Zao successfully hacked into the other party’s IP, hacked into wechat, and successfully found the wechat chat history between him and Zou Feifei.”

“I found it.”

“What did you find?”Lin Sha asked.

“Ye Zao said, “I sent a screenshot to your wechat.””

“Lin Sha opened wechat and saw the screenshot. She was so angry that her face turned pale. “This Zou Feifei, I trusted her so much! How could she treat me like this! Let’s Go! Zao Zao, let’s go to the police station now.””

““I have already sent the evidence to the police station,”ye Zhonghua said.”

““Zhonghua, thank you. If it weren’t for you, I would have missed the exam today!”Lin Sha looked at ye Zhonghua.”

“Sister Sha Sha, what are you talking about!”Ye Zhonghua smiled and said, “We are friends.””

“Chapter 1695: 352: High Energy Ahead, Big Ye is on-line abusing trash! 6”

Lin Sha was the first friend Ye Zao had met when he came to this world.

She valued this friendship very much!

Lin Sha Hugged ye Zao.

She was really grateful to ye Zao.

“If it wasn’t for ye Zao, she would be a housewife now. ”

Over here.

Zou Feifei was reviewing his English when he suddenly heard a knock on the door.

Who would come at a time like this?

Could It Be Lin Sha?

Zou Feifei put down his English revision materials and walked over to open the door.

“It wasn’t Lin Sha who came, but a few uniformed police officers! ”

Police!

Why would the police come!

Why would the police appear here?

“Zou Feifei was a little flustered, but he had no choice but to calm himself down. He smiled and said, “Excuse me, police uncle, who are you looking for?” ”

“The leading police officer said, “Zou Feifei, right?” ”

“It’s me.”Zou feifei nodded.

“We found out that you were involved in the poisoning of classmate Lin Shasha. Please come with me immediately.”

Boom —

Zou Feifei’s face immediately turned pale.

How could this be?

The surveillance cameras had already been deleted. How did the police find out?

“Zou feifei said, “Police officer, you must have made a mistake! Lin Shasha is my good friend. How could I possibly poison her! Moreover, I ate lunch with her!” ”

““Don’t worry, we won’t arrest people without evidence. Come with us.” ”

“No, I can't go with you! I have an exam tomorrow! You Can't arrest people without evidence!”Zou Feifei wanted to close the door, but the police found out his intention. They put their hands on the door, then controlled Zou Feifei and dragged her out. ”

“Lin Sha was standing at the entrance of the hotel, waiting for Zou Feifei. ”

“When he saw Lin Sha, zou feifei shouted, “Sha Sha! I really didn't do anything to you! You have to believe me!” ”

“Lin Sha smiled, “Didn't do anything? I saw everything! You put drugs in the drink I drank, and then you even contacted the hacker to delete the video of the restaurant! Zou Feifei, do you really think that deleting the video will be okay? God is watching! I just want to ask you one thing, why are you doing this to me! I don't think I've ever offended you!” ”

Zou Feifei panicked!

She really panicked!

“Putting drugs in the drink and asking the hacker to delete the video, How Did Lin Shasha know all this?  
”

Could the surveillance footage really be restored?

No!

It couldn't be!

“I didn't, Shasha! I really didn't! You have to believe me!”Zou Feifei was taken to the police car before he could finish his sentence. ”

“When they arrived at the police station, Zou Feifei refused to admit that he had poisoned her. ”

Until the police officer in charge of the interrogation brought the surveillance footage.

“Looking at himself in the video, Zou Feifei’s face turned pale. He swallowed his throat and said, “No, that’s not poison, that’s VC effervescent tablets!” ”

“The drink had already been drunk by Lin Sha, and there was no sample left. As long as she insisted that it was VC effervescent tablets, they wouldn’t be able to do anything to her! ”

Could there be anyone who could prove that it wasn’t VC effervescent tablets?

“Zou feifei continued, “Police uncle, I’m really innocent! I have no enmity with you, Lin Sha. Why would I poison her? What’s My Motive? It’s Lin Sha who wants to harm me! Her father borrowed over a million yuan from my father’s company. I think she’s jealous that my family is richer than hers. That’s why she wants to frame me!” ”

““Since it’s a blockbuster, why did you get someone to delete the restaurant’s surveillance footage?” ”

““No, I didn’t!” ”

Officer Zhao showed Zou feifei a screenshot of the printed chat history. “Then what’s This?”

Screenshot!

Where did these groups come from?

Zou Feifei took a deep breath. “I want to see my parents! I want to see my parents!”

The police had already informed Zou Feifei’s parents about such a big incident.

“Three hours later, Zou Feifei met her mother. ”

“Feifei! What happened! Why did they say that you poisoned Lin Sha?” Zou Feifei had been very obedient since she was young. Her mother did not believe that her daughter would do such a thing.

“Seeing her mother, Zou Feifei’s heart calmed down a lot.”

She was the only daughter in the family. She was the apple of her parents’ eyes. Her parents would definitely not watch her go to jail!

“No, I didn’t!” Zou Feifei held Zou’s mother’s hand tightly. “Mom, I was framed by Lin Shasha and ye Zao! Lin Shasha is jealous that I was born better than her!”

“Why would she frame you?” Zou’s mother asked.

“Zou Feifei continued, “Because she was born better than me! Mom, Lin Shasha is Lin Jinshui’s daughter, the one who took out a loan of more than one million yuan from our family!”

“Chapter 1696: 352: high energy at the front, Big Brother Ye is abusing trash online! 7”

“Hearing this, mother Zou frowned.”

There was indeed a person called Lin Jinshui who borrowed money from their family. The reason why mother Zou remembered it clearly was because Lin Jinshui was quite a business-minded person.

“Mother Zou continued, “Feifei, don’t worry. Mother will definitely get justice for you!”

The Zou family had been in business for so many years and had accumulated a lot of power. It was simply a waste of water if they wanted to settle this matter!

“Regardless of whether Zou Feifei had done this or not, the Zou family could easily get her out!”

“If they dared to let her daughter suffer this kind of injustice, she saw that the two young girls didn’t want to live anymore.”

“”Mom! You must not let those two B \* tches, Ye Zhuo and Lin Shasha off!” ”

“Zou nodded and stood up, holding Zou Feifei’s hand. “Let’s go. You Go home with Mom First!” ”

Zou Feifei was overjoyed when she heard that Zou wanted to take her home.

“At this moment, a policeman came out and stopped Zou. “Stop! You can leave! The suspect can’t Leave!” ”

“Suspect? Who are you calling a suspect!”Zou scolded loudly.

“Zou Feifei is a suspect!”

“Mother Zou said angrily, “You said my daughter is a suspect! Do you know who I am? What is my relationship with your superior, director Wu?” ”

“”No matter what the relationship is, you can’t take Zou Feifei away today!” ”

Mother Zou was angry. “Wait! You just wait!”

“After saying that, mother Zou turned back to look at Zou feifei and said gently, “Feifei, let’s make do here for the night. Mom will come and pick you up tomorrow.” ”

“Zou Feifei said with red eyes, “Mom, then you have to come and pick me up!” ”

“Don’t worry.”

“After saying that, mother Zou turned around and walked out. Before she left, she even glared at the police officer who stopped her. ”

You Blind Dog!

Just you wait!

“Tomorrow, I’ll make him regret it. ”

...

The next day.

Mother Zou swaggered into the police station with a smug look on her face.

“The director on the side nodded and bowed. “Mrs. Zou, I’m really sorry. It’s our fault. Your daughter has been wronged.” ”

“How could he have thought that not only did he catch the wrong person, but he also brought back a lot of trouble. ”

“Mother Zou snorted. “Where’s My Daughter? If we delay her college entrance exam today, I’ll make you pay!” ”

“”Mom!” At this moment, Zou Feifei ran out and hugged mother Zou. “You’re finally here!” ”

“Seeing zou feifei like this, Zou’s mother’s heart ached. “Feifei, are you okay?” ”

“Mom, you must avenge me!” Zou Feifei cried. ”

“Don’t worry.” Zou’s mother patted Zou Feifei’s back, “Lin Sha and Ye Zhuo, those two wild girls, slandered and slandered you. Mom will definitely not let them go! Mom has already told your godfather. Your Godfather will definitely help you vent your anger.” ”

“Slandering others and causing them to be hurt was not a small matter. With Wu’s methods, he would definitely let Ye Zao and Lin Shasha stay in prison for a few years. ”

“At this moment, a police car stopped outside the door. ”

Three people got out of the police car.

“A slender figure walked in front, and the other two were police officers in uniform. ”

“Seeing ye Zao being escorted in by the police officers, Zou Feifei curled her lips. ”

“Mom, wait a minute, I’ll go talk to her.” ”

“Go ahead.” Zou’s mother nodded.

“Zou Feifei walked to ye Zao’s side and sneered, “Do you think you’re qualified to fight with me? Do you know who my godfather is?” ”

Ye Zao’s expression was indifferent. “Who is it?”

“Zou Feifei leaned close to ye Zao’s ear and whispered, “Wu Jia Guo.” ”

Ye Zao slightly raised his lips. “The name is not bad.”

“What do you mean?” Zou feifei slightly frowned.

“The literal meaning.”

“Zou Feifei coldly snorted. “Ye Zao, you’re already at the end of your life, so why are you still pretending! Be careful or I’ll make sure you never come out!” ”

“After saying this, Zou feifei arrogantly left. ”

Ye Zao was brought into the interrogation room.

“What’s Your Name?”

“056189.” Ye Zao reported a string of numbers.

““I asked you what your name is?” Tao Lin, who was in charge of the interrogation, was a little impatient. ”

““Input the string of numbers that I just reported,” ye Zao said. ”

Chapter 1697: 352: s 3 terrifying level identity! I’m a piece of trash

Number Input?

“Tao Lin raised his head to look at Ye Zao, his eyes already showing some impatience. “Could it be that your name is a string of numbers?” ”

“Input it.” Ye Zao’s eyes were clear.

“It was a very light voice, but Tao Lin’s entire body trembled when he heard it. It was a very strange feeling, making people subconsciously not dare to refute her words. Tao Lin continued, “056189, right?”

“Yes.”

Tao Lin entered the number into the computer and then clicked search.

The computer screen quickly turned to another screen.

“Looking at the information displayed, Tao Lin was immediately stunned.”

S 3?

“On the day that Tao Lin entered the job, he had received formal training, so he naturally knew what S 3 represented.”

“But he had been on duty for so many years, but he had never seen anyone with an S 3 identity in real life!”

Tao Lin raised his head and looked at Ye Zhuo.

“The little girl looked about eighteen or nineteen years old. She was not old, but her entire body exuded a powerful aura.”

This was something that girls her age did not have.

“There was no way to imitate it, and there was no way to copy it.”

Could it be that she was really an S 3?

No.

No Way?

Could it be that the system made a mistake?

“Tao Lin closed the web page and entered the search system again, but the results were still the same.”

S 3!

It really was S 3.

“At this moment, Tao Lin’s legs were shaking, and he almost couldn’t stand properly. He gulped and walked straight to the director’s office.”

“If this little girl in front of him was really s 3, then their institute would be finished!”

“When he reached the door, Tao Lin Glanced back at ye Zao.”

The little girl was dressed very simply.

She wore white clothes and black pants. She had bright eyes and white teeth. Her temperament was outstanding.

“If she was really an S3, then it would be too terrifying!”

In the office.

“Zou’s mother crossed her arms and stood there. She pointed at the director and said, “Then what do you plan to do with ye Zao?” ”

“She paused at this point and continued, “And that Lin Shasha? Why Didn’t You Capture Lin Shasha?” ”

“The director nodded repeatedly, his forehead covered in cold sweat, “Yes, yes, yes. Mrs. Zou, don’t worry. We will definitely follow the rules. We will definitely not let your daughter suffer in vain. As for Lin Shasha, I have already sent people to investigate. Don’t Worry, trust me! I will definitely handle this matter beautifully.” ”

This Mrs. Zou was born into a merchant. She was not someone to be trifled with.

“Moreover, Zou Feifei was their only daughter! ”

“In addition, they had the support of the Wu family, so this matter was even more troublesome. ”

The same went for the two young ladies. They had no choice but to provoke Zou Feifei!

How could zou feifei be so easily trifled with?

This was great!

They had dragged him down with them.

“At this moment, there was a knock on the door. ”

“Knock, Knock, knock — ”

“Hearing the knock on the door, the superintendent heaved a sigh of relief. He cleared his throat and said, “Come in.” ”

Tao Lin pushed the door open and walked in. “Superintendent.”

“Seeing Tao Lin, the superintendent said in surprise, “Tao Lin, why are you here?” ”

Wasn’t he in charge of interrogating ye Zhuo?

He had interrogated him so quickly?

“Tao Lin looked at mother Zou and said, “I have something to report to you.” ”

“Seeing this, mother Zou stood up and looked at director Qian. “Little Qian, then I won’t say anything more to you. You can handle this matter yourself! If you can’t handle it well, I’ll Get Wu Jia Guo to personally send people down to handle it!” ”

“Director Qian’s face turned pale when he heard the last sentence. He immediately smiled and said, “Don’t worry. I definitely won’t trouble director Wu with such a small matter.” ”

“It’s best that way.” Mother Zou glanced at Tao Lin and turned to leave.

“Director Qian heaved a sigh of relief when he saw mother Zou leave. He turned to look at Tao Lin and said, “Do you have anything to report?” ”

“Tao Lin looked at Wu Jianguo and continued, “That ye Zhuo doesn’t seem to be an ordinary person.” ”

Tao Lin didn’t know whether that was s3 or not.

“Director Qian frowned slightly. “Who is she if not an ordinary person?” No matter who it was, offending Zou Feifei wouldn’t bring them any good results! ”

“After saying that, Qian youlong continued, “Moreover, Zou Feifei isn’t an ordinary person. We must give the Zou family an explanation for this matter!” ”

“But...”

“Before Tao Lin could finish his sentence, Qian Youlong continued, “What do you mean by ‘but’! Even if she is the king of heaven, this matter must be handled according to Mrs. Zou’s instructions!” ”

“”I saw the S-3 logo on her identity,”Tao Lin continued. ”

“”What’s wrong with S-3? Can S-3 be superior to others?”Qian Youlong said disdainfully, “You do as I say.” ”

Tao Lin looked at Qian Youlong in surprise.

Chapter 1698: 352: s 3 terrifying level identity! He’s a piece of trash 2

“Why are you looking at me! Didn’t you hear what I Said?”Qian you long stared at Tao Lin.

“Tao Lin touched his nose. “Are you, are you sure? That’s s 3.” ”

“”Go, go, Go!”Qian you long waved his hand. ”

“Since Qian You Long had spoken, Tao Lin had no choice but to walk out. ”

He was a little curious. Could This Qian you long have a bigger backer?

He was not even afraid of S3!

“Qian You Long was very annoyed and did not know how to deal with the Zou family. He looked at Tao Lin’s back and said, “S3? S3 is nothing! Even if S4 comes, I’m not afraid...” Qian you long seemed to have suddenly thought of something and his face turned pale. ”

S3?

Oh My God!

Was it the S3 that he knew of?

“Thinking of this, Qian you long hurriedly called out to Tao Lin. “Come back! Come back! Little Tao, come back!” ”

Tao Lin jogged back. “Director.”

Qian you long scratched his head. “What did you say just now? You saw the S3 logo on Ye Zhuo’s information?”

“Yes.”Tao Lin nodded.

Director Qian was stunned.

How could someone with the S3 logo appear in a small place like Yun Jing?

Was he mistaken?

“An S 3 was a big shot. If he really came to Yun Jing, it was impossible for there to be no news at all. ”

“In other words, if Ye Zhuo really was an S3, then he would be finished.”

“If offending Zou Feifei was like poking a hornet’s nest, then it was like stirring the soil on the head of the supreme ruler!”

“Qian Youlong tried his best to calm himself down. He looked at Tao Lin and said, “Could it be that you saw wrongly?””

“I don’t know if I’ve seen wrongly either.” Tao Lin’s expression was very complicated. After all, this was the first time he had seen someone with the S3 logo. Moreover, the other party was such a young lady.., “That’s why I came to look for you.””

“How old is Ye Zhuo this year?” Qian Youlong continued to ask.

“The identity information of the S3 was all encrypted. Others simply did not have the authority to look at it. Tao Lin shook his head. “I don’t know either. But from the looks of it, he’s at most eighteen or nineteen years old.””

18 or 19 years old.

“When he heard this, Qian you long heaved a sigh of relief.”

“Although he had never met a big shot of the S3 level, he knew that it was not easy to have such a level.”

A young girl who was only 18 or 19 years old did not have such ability.

He must have seen it wrongly.

Qian You Long opened the webpage on his computer. “Enter her number and I’ll take a look.”

Tao Lin entered the number that ye Zao had reported in the search bar and clicked on the search button.

The internet speed was very fast.

“The next second, Qian You Long was also stunned. His face was covered in cold sweat as he fell straight onto his chair. ”

It was s 3.

It was really s 3!

“Seeing Qian You Long’s reaction, Tao Lin also knew that things were not looking good. “Sa-chief, what do we do now?” ”

“What do we do? What do you think we should do? Of course we should offer her up! where is her person? where is she now?”Qian you long asked.

“”He’s, he’s in the interrogation room!”Tao Lin said. ”

“It’s over, it’s over. ”

“Not only did they capture him, they even locked him up in the interrogation room. ”

“This time, his official fortune had come to an end! ”

“Director Qian immediately felt a headache coming on, and he immediately walked in the direction of the interrogation room. ”

The most important thing now was to stop the losses in time. He could not make mistakes again and again!

Tao Lin followed director Qian's footsteps.

The two of them came to the interrogation room one after the other.

"Ye Zao was sitting there, leaning against the back of the chair. Her long legs were crossed and her posture was casual. However, her entire body exuded an aura that could not be underestimated."

"She was clearly eighteen or nineteen years old, but it gave people a feeling that she had been washed clean."

"Miss, Miss Ye," Qian Youlong smiled apologetically and walked carefully to ye Zao's side."

Ye Zao looked back calmly.

"Qian Youlong was so scared that he started to talk incoherently, "Miss Ye, my name is Qian Youlong! I'm really sorry, I was blind. Your Prime Minister is able to push a boat, don't lower yourself to my level! I didn't know that your identity had offended you, so I'm here to apologize to you!" "

"After saying that, Qian Youlong added, "Don't worry, I'll definitely return justice to your friend in this matter and let the person who poisoned him receive the punishment he deserves!" "

"If he had known that ye Zhuo had such a powerful background, he would not have dared to provoke this great Buddha even if he had a hundred guts."

What should he do now?

Qian you long could only pray in his heart that Lord ye Zhuo was magnanimous and would not lower himself to his level.

Ye Zhuo's tone was indifferent. "Ask Wu Jia Guo to come and see me."

“Sure, sure!” Qian You Long nodded repeatedly. “I will contact team leader Wu immediately. Please follow me to the office first! This is not the place to talk.”

Chapter 1699: 352: S 3 terror level identity! What a piece of trash 3

“This place is pretty good.” Ye Zao’s brows and eyes were still the same. No expression could be seen on his calm face.

“Upon hearing this, Qian You Long’s face broke out in cold sweat. “Then, then please wait a moment. I’ll go and contact team leader Wu Now.”

“Go.”

“Alright, I’ll go right away.” Qian You Long continued, “Oh right, Miss Ye, this is Xiao Tao. If you have any needs, just tell him directly.”

“After saying that, Qian Youlong walked out of the door and asked someone to pour tea for ye Zao.”

“The person in charge of pouring tea was called Fan Lian. She had been in the Institute for a while, but this was the first time she had seen Qian Youlong like this. It was also the first time she had sent tea to the interrogation room.”

She didn’t know who this Miss Ye was.

Fan Lian was a little curious.

On the other side.

At the Zou family home.

Zou Feifei was still very angry all the way home.

“Mom, what did my godfather say? Ye Zhuo and Lin Sha made me miss the college entrance exam. He told my godfather not to let them off so easily!”

“Zou’s mother smiled and said, “Don’t worry, I’ve already told them everything!”

“Really?” Zou Feifei asked.

“Zou’s mother continued, “Silly daughter, when have I ever lied to You?”

Zou Feifei was extremely excited at the thought of Ye Zhuo and Lin Shasha going to jail soon.

“At last, the bad guys got their comeuppance!”

Especially ye Zhuo.

“What was the use of being so beautiful? In the end, she was still a trash who was going to jail.”

“At the thought of this, Zou Feifei’s lips curled up.”

Just wait.

“Once he went to jail, Ye Zhuo would never be able to stand out again in his life!”

And then there was Lin Sha.

Wasn't she arrogant before?

She wanted to see how Lin Sha would be arrogant in the future!

"Zou looked at Zou feifei and reproached him, "You too! Why did you provoke those people for no reason? You almost got yourself involved in the college entrance exam!" "

""How could I have known that things would turn out like this! And it wasn't my fault at all! "Lin Sha didn't die, she wasn't injured, and she didn't delay the college entrance exam. What right do they have to cause trouble for me?"Zou Feifei's original intention was to stop Lin Sha from participating in the second half of the college entrance exam, who would have thought that Lin Sha would actually turn the situation around! After taking the medicine, not only was she completely fine, she even participated in the college entrance exam! What made Zou Feifei most angry was that Lin Sha even said that she did well in the exam. "

"After all, this year's math exam was very difficult. Even Zou Feifei dared to say that he did well in the exam. Who knew how jealous Zou Feifei was when Lin Shasha said those words in front of Zou Feifei! "

The top scorer was hers!

"What right did that Old Woman, Lin Shasha, have to compete with her? "

"Zou's mother continued, "Fortunately, your godfather is here this time. Otherwise, you would really be finished!" "

""I know."Zou Feifei hugged Zou's mother's waist and smiled, "Don't worry, I will definitely thank Godfather." "

Zou's mother nodded.

"Zou feifei continued, "By the way, when you left the police station, did they capture Lin Sha as well?" "

“Not yet,” Zou’s mother continued, “But Qian Youlong promised me that he will make Lin Sha pay the price. Don’t worry, those two little girls will definitely pay the price for this!” ”

“That’s good.”

“Zou feifei continued, “But I’m still a little worried. You can call godfather and ask him about it. After all, godfather is a noble and forgetful person.” ”

“Okay.” Zou’s mother nodded and took out her phone to make a call.

The call was quickly connected.

“Wu Jianguo smiled and said, “Mingzhi, don’t worry. Feifei is my goddaughter. I will definitely take this matter to heart and deal with it until Feifei is satisfied.” ”

“Hearing that, Zou Feifei snatched the phone away and said in disbelief, “Godfather, is it true?” ”

“Of course it’s true,” Wu Jianguo said. ”

“Then thank you, Godfather!” Zou Feifei did not forget to add, “Godfather, don’t forget about Lin Sha! She is also one of the Masterminds!” ”

“Okay, okay, I will remember everything.” ”

Zou feifei hung up the phone in satisfaction.

“Mother Zou continued, “Hurry up and prepare for the exam! There’s still time.” ”

“Okay.” Zou feifei was very confident. This time, she would definitely be the top scorer in the college entrance exam! ”

“Mother Zou continued, “If you can get the top scorer, you won’t have to go through all the trouble of being the Princess Consort’s godfather.” ”

“Zou feifei smiled and nodded. “Mom, don’t worry. I’ll definitely be the top scorer this year!” ”

Zou Feifei arrived at the examination venue at the right time.

“After hanging up on Zou Feifei, Wu Jianguo dialed the secretary’s internal line. “Ask Qian Youlong. Have you done what he asked him to do this morning?” ”

Chapter 1700: 352: s 3 terrorist level identity! What a piece of trash

“It just so happens that director Qian is looking for you. Let me help you take the call.”

“Okay.”Wu Jia Guo nodded.

On the other side.

“Qian you long called Wu Jia Guo, but Wu Jia Guo’s secretary said that Wu Jia Guo was busy and didn’t have time to pick up the phone. ”

“Wu Jia Guo didn’t pick up the phone, so Qian you long anxiously paced back and forth. ”

“At that moment, the phone on the desk rang. ”

Qian Youlong immediately picked up the phone. “Hello.”

“This is the Wu family.”

“Hearing the voice of the Wu family, Qian Youlong immediately breathed a sigh of relief. He then said, “Team leader Wu, I finally got in touch with you...” ”

“”We’ll talk about your matter later.”The Wu family continued, “Let me ask you, have ye Zhuo and Lin Sha been arrested?” ”

“Qian youlong said, “That’s what I wanted to talk to you about! Team leader Wu, we’ve really messed up! Come over to my side quickly!” ”

“What’s going on?”Wu Jiaguo frowned.

“Qian youlong continued, “Ye Zhuo’s information has the S-3 logo on it. Then she asked for you by name.” ”

Wu Jiaguo was stunned.

S-3?

“What did you say? Who is S3?”

“Qian youlong continued, “The one who offended Miss Zou.” ”

What?

Ye Zao was s3?

Weren’t they just two very ordinary high school seniors?

How could this be?

“If they were really S3, then it would be troublesome.”

“Wu Jiaguo took a deep breath and continued, “Are you sure it’s S3? Are you sure?” ”

““Yes, I’m sure,” Qian Youlong continued, “I sent the number to your email. If you don’t believe me, you can check it.” ”

“Don’t hang up yet.”

Wu Jiaguo held the microphone in one hand and opened the email in the other. He copied the number and then opened the internal inquiry system to click on the query.

“Although it was only a few seconds, Wu Jiaguo’s heart was beating very fast. ”

No.

It definitely wasn’t an S 3.

“The next second, the results of the search were displayed on the computer screen. ”

Wu Jiaguo looked at the low-key S 3 on the logo and was instantly struck by lightning.

Sweat poured down like rain.

Blood flowed backwards all over his body.

Oh My God!

What stupid thing did he do.

“Where-where is Miss ye Now?” At this moment, Wu Jianguo’s voice was so funny. ”

Wu Jianguo had never been so flustered in his long career.

Very flustered.

His mind was full of what to do now.

“Qian Youlong was not much better than Wu Jianguo. He continued, “She’s still with me now. You, you should come over quickly!” ”

“Okay, I’ll come over right away.” After hanging up the phone, Wu Jianguo rushed over. ”

“Half an hour later, Wu Jianguo reached his destination. ”

“At this moment, Wu Jianguo did not look like a leader at all. In fact, he looked a little flustered. ”

“Qian Youlong stood at the door waiting for him. When he saw him coming over, he immediately went up to him. “Team leader Wu, you’re finally here! Miss ye is already waiting for you!” ”

Wu Jianguo wiped his forehead with his sleeve and followed Qian Youlong’s footsteps.

“Ye Zhuo was still sitting on the chair in front of the interrogation table, with a cup of steaming tea beside him. ”

Wu Jianguo took a deep breath and walked to ye Zhuo’s side. “Miss Ye.”

“Ye Zhuo raised his eyes indifferently. “Wu Jiaguo, right?” ”

““Yes, I am.”Wu Jiaguo nodded repeatedly. ”

“Ye Zhuo’s voice was very faint, but every word was like a huge rock weighing a thousand pounds, pressing heavily on Wu Jiaguo’s body, making it difficult for him to breathe. ”

“At this moment, Wu Jiaguo had already greeted Zou Feifei and her mother a thousand times in his heart. ”

“If it weren’t for Zou Feifei, he wouldn’t be in such a dire situation. ”

““Miss Ye, you, you, you misunderstood. I, I...”Wu Jiaguo was so nervous that he couldn’t even say a word. ”

“Ye Zhuo looked up slightly. “What are you stuttering about! When you were supporting the Zou mother and daughter, you didn’t think of this now?” ”

Wu Jiaguo almost lost his balance.

Qian Youlong was the same.

“However, his situation was slightly better than Wu Jiaguo’s. After all, he was only following Wu Jiaguo’s orders. ”

Everything else had nothing to do with him!

“Please give me another chance. I promise there won’t be a next time! Miss Ye!”

There was no expression in ye Zhuo’s eyes.

She was not some saint who was overflowing with sympathy.

Wu Jianguo had brought this on himself.

There was no chance!

“Miss Ye!” At this moment, a tall man in uniform walked over from outside the door. ”

Ye Zhuo stood up slightly. “I’m here.”

“The man smiled and said, “I came as soon as I received your call. I’m really sorry to have made you suffer.” ”
