Chapter 1701: 352: S 3 terror level identity! He was a piece of trash

“It’s fine.” As soon as he finished speaking, Ye Zhuo’s gaze swept past Wu Jianguo and continued, “Deal with it.” ”

“Alright, leave everything to me.” ”

“Ye Zhuo nodded slightly, stood up, and walked out. ”

“The tall man gave Qian Youlong a look. Qian Youlong immediately understood and immediately said, “Miss Ye, I’ll send you off.” ”

“No need.” Ye Zhuo’s tone was cold.

Qian Youlong had no choice but to stop and walk back.

Ye Zhuo was not there.

The Interrogation Room was dead silent.

“Wu Jianguo lay limply on the ground, his face devoid of any color. ”

He was extremely uncomfortable.

How could he have known that such a small matter would involve such great trouble.

But what was the use of regretting now?

On the other side.

Ye Zhuo drove to the entrance of the examination hall.

It was getting late.

“Not long after she arrived, it was time for the examination to end.”

The examinees walked out from inside.

“On their youthful and beautiful faces, some were smiling, some were crying, and from their expressions, one could tell the difficulty of this year’s examination papers.”

Ye Zhuo’s indifferent chair was beside the car.

Lin Sha jogged out of the car. “Zao Zao!”

“Sister Sha Sha.”

“Lin Sha asked with concern, “How is it? Are you okay? Did they make things difficult for you?” ”

““Don’t worry, they didn’t,”ye Zao said. ”

“That’s good.”

Zou Feifei had just walked out of the school when he saw this scene.

That... that was ye Zao and Lin Sha?

How could that be?

Wu Jiaguo had clearly promised her that he would deal with the two of them.

Could it be that Wu Jiaguo had forgotten?

“Zou feifei frowned and took out her phone to call Zou’s mother, “Mom, what’s going on with my Godfather? Didn’t he promise me that he would deal with Ye Zhuo and Lin Sha? Why are the two of them still standing at the entrance of the Examination Hall? What on Earth is going on?” ”

“Zou’s mother was also very surprised. “Feifei, don’t worry. I’ll call him to ask.” ”

“After hanging up, Zou’s mother immediately called Wu Jiaguo. ”

“The call was quickly connected, but Wu Jiaguo did not pick up. ”

Something did not seem right!

“Usually, when she called Wu Jiaguo, Wu Jiaguo would pick up immediately. ”

What happened today?

Mother Zou dialed again.

He still didn’t pick up.

Could he have gone to a meeting?

“After hanging up, mother Zou called Wu Jianguo’s office again. ”

The call went through very quickly.

“Hello, I’m looking for team leader Wu.” ”

“Team leader Wu?”The other side was stunned for a moment and then said, “I’m sorry, Madam, you have the wrong number. We don’t have team leader Wu here.” ”

No team leader Wu?

Wrong Number?

Zou’s mother frowned slightly and looked down at her phone.

That’s right.

She didn’t dial the wrong number.

It was this phone number.

“I’m not mistaken,”Zou’s mother continued, “You’re new here, right? You Don’t Even Know Your Team Leader’s surname?” ”

“I’m sorry, our team leader’s surname is Yin!” ”

Surname Yin?

How was that possible!

Zou's mother vaguely felt that something was wrong.

“Your team leader's name is Wu Jiaguo! Quickly get me team leader Wu, or I'll make him fire you!” Mother Zou said. ”

“I'm sorry, Ma'am, our team leader's surname is Yin.” After saying that, the other side hung up. ”

Mother Zou was very confused and immediately logged onto the official website to check.

“But when she saw the name on the official website, she was immediately stunned. ”

Yin Shaojie?

Who Was Yin Shaojie?

“If Yin Shaojie became the new team leader, then where did Wu Jiaguo go? ”

Did he disappear into thin air?

What on Earth happened!

They had clearly spoken on the phone a minute ago!

“Mother Zou did not believe it and continued to call Wu Jiaguo, but no one picked up. ”

“At this moment, footsteps came from outside the door. ”

“Mother Zou looked back and saw that it was Zou Feifei’s father, Zou minglang.”

“”Minglang, you’re back!”Mother Zou seemed to have found her backbone and continued, “I don’t know what happened to Feifei’s godfather...” ”

PA —

“Before mother Zou could finish her sentence, Zou minglang slapped her. ”

“With great strength, half of mother Zou’s face instantly swelled up. ”

“Zou’s mother covered her face and was close to shouting hysterically, “Zou minglang! Are you crazy or are you raising a woman outside! Why did you hit me?” ”

“Zou minglang’s expression was extremely ugly. He threw the document in his hand on the ground, “Look! Look! Look at what you mother and daughter have done! I have already told you that a tall tree attracts the wind. You must keep a low profile! When have you ever listened to My Words?” ”

“Mother Zou covered her face with one hand and picked up the documents on the ground with the other. When she saw the words on the documents clearly, she was stunned. ”

Mother Zou’s face turned pale. “What’s going on?”

“What’s going on! You still have the face to ask me what’s Going On!”Zou minglang raised his hand and slapped again. “Do you know who you have offended? Miss Ye!”

“At this moment, mother Zou couldn’t care less about the pain. ”

Miss Ye?

Who Was Miss Ye?

When did they offend Miss Ye?

“At this moment, mother Zou suddenly thought of a name. ”

Ye Zhuo!

Could It Be... Ye Zhuo?

“Thinking of this, mother Zou’s red and swollen face was filled with shock. She continued, “Then what about Fei Fei’s godfather?” ”

Could it be that Wu Jiaguo’s name suddenly disappeared from the official website because of Ye Zhuo?

That shouldn’t be the case!

What was going on?

“You still have the nerve to mention brother Wu! Brother Wu was also ruined by the two of you! Can’t you see that Yin Shaojie is now taking over brother Wu’s position?”

In that case.

Wu Jiaguo was...

Boom!

“When she realized this problem, mother Zou was struck by lightning. She collapsed to the ground, unable to muster any strength. ”

“”Mom, Dad, you’re home!”Zou feifei walked in from outside, she said with some annoyance, “Godfather, What’s going on? You clearly promised me. Why did you go back on your word? Mom, did you call Godfather?” ”

No one responded to Zou Feifei’s words in the air.

“Zou Feifei took a step forward and saw mother Zou kneeling on the ground, she frowned and said, “Mom, what happened to you? Did you quarrel with my dad? I don’t care what happened between you two! Hurry up and solve my problem! That Little B * Tch, Ye Zhuo, is really too hateful! “This time, I must let her know how powerful I am!” ”

“”Mom, did you hear me?” ”

“At this moment, Zou minglang walked over and slapped Zou Feifei’s face. “Shut up! It’s all your fault! The family is unlucky! The family is unlucky! How could I give birth to a daughter like you!” ”

“Zou Feifei was stunned by the slap. She looked at Zou minglang and said, “Dad, you hit me! You actually hit me!” ”

“Zou’s mother rushed over and hugged Zou feifei. She cried, “Feifei, it’s over, we’re finished!” ”

“Seeing Zou’s mother like this, Zou Feifei was also a little flustered. “Mom! Mom, what happened? What happened to your face? It was also my dad who hit you? What exactly happened? Quickly tell me!” ”

Zou’s mother cried as she told her the whole story.

Zou Feifei’s face was full of disbelief.

Miss Ye?

Ye Zhuo?

Zou Feifei never expected that ye Zhuo's background was actually so powerful! Even Wu Jiaguo could do something to her!

What should she do now?

""Divorce! We'll get a divorce right now!" Just when Zou Feifei hadn't reacted., zou minglang took out the divorce agreement and threw it in front of Zou's mother. "Sign the divorce agreement! From now on, this evil daughter belongs to you! It has nothing to do with me!" "

"Chapter 1702: 353: chasing his wife Crematorium, regret until his intestines turned green! (second watch)1"

Wu Jiaguo fell because of this.

"At this time, distancing himself from this mother and daughter was the best choice."

Although Zou Feifei was Zou Minglang's biological flesh and blood.

"But, in the business world, there was no father and son."

"This kind of daughter, would only become a hindrance to the existence!"

Forget it!

"Without Zou Feifei as a daughter, he would have an even more outstanding daughter in the future."

"If Zou Feifei didn't cause trouble outside, how could the Zou group's money laundering matter be found out."

All of this was because of Zou Feifei!

“For the current Zou minglang, there was no father-daughter relationship between him and Zou Feifei!”

“In the face of interests, family and father-daughter relationship were not worth mentioning at all.”

“Hearing this, Zou’s mother’s face was full of disbelief. “What? What did you say? You Want to divorce me? No, I don’t agree!””

She didn’t agree to a divorce.

“If she got a divorce, how would she be able to live alone in the future.”

A lean camel was bigger than a horse. Even if Zou Minglang’s financial company was closed down. He also had other businesses under his name. They could still live a comfortable life.

Therefore.

They could not get a divorce!

They definitely could not get a divorce!

“”Minglang! Feifei is your biological daughter. You Can’t be so heartless!”Zou’s mother continued, “Feifei is still young. Minglang, please forgive her this time! As long as you teach her diligently, she will definitely get better in the future! Minglang, I beg you not to be so heartless!””

“Zou minglang pointed at Zou feifei and said, “She has become like this because you spoiled her! A loving mother is a waste of a child!””

“But she is your biological daughter!” Zou’s mother’s voice was close to hoarse.

How could someone ignore their own biological daughter.

No.

No.

Zou minglang was definitely scaring them.

““If you don’t agree, I can only go to the court and Sue.””

“After saying that, Zou minglang stood up from the ground and walked to the third floor.”

He had to pack his things and move out of this house as soon as possible.

Zou’s mother looked at Zou’s father’s back and her eyes were filled with sadness.

She suddenly understood a sentence.

“The husband and wife were originally birds in the same forest. When disaster struck, they would fly separately.”

“After being married to Zou minglang for so many years, Zou’s mother knew that he must have someone outside.”

It was her fault.

It was her fault for being stupid and not realizing it.

“Dad!” Zou Feifei called out.

But Zou Minglang didn't even turn his head and went upstairs.

“After Zou Minglang packed his things, he left the villa in a hurry. He didn't even look at the mother and son.”

“Zou Feifei hugged mother Zou and cried uncontrollably. “Mom, Mom, what should we do now?””

“Before Zou Feifei could finish crying, a group of people in uniform walked over. “Zou Feifei, right? We're from the Linan Road police station. Please come with us.””

“Zou Feifei subconsciously sat behind Zou's mother. “Mom, save me!””

“But at this time, how could Zou's mother still have the ability to save Zou Feifei?”

She could only follow them out and watch Zou Feifei get into the police car.

In just a few hours.

The Zou family had undergone a drastic change.

“Zou's mother leaned against the door frame, almost unable to believe that it was true.”

Regret!

She was very regretful now.

“She should not have protected Zou feifei at that time, and she should not have asked Wu Jiaguo for help.”

“Now, not only did she implicate Wu Jiaguo, so that the Zou family’s situation became like this.”

“Originally, this was just a small matter.”

Wu Jiaguo was also regretful.

He was even more regretful than Zou’s mother.

“He and Zou’s mother were childhood sweethearts who grew up together. Later on, the two of them gradually grew up, and because of some reasons, they separated. When they met again, the former childhood sweetheart was already a mother, and he was already a father!”

The things that were hidden deep in the bottom of his heart also gradually surfaced on the day he met Zou’s mother.

“However, love had already turned into familial love.”

“Coincidentally, Zou Feifei was the same age as Wu Jiaguo’s daughter who died prematurely. When he saw Zou Feifei, Wu Jiaguo felt like he saw his own daughter.”

“Therefore, Wu Jiaguo acknowledged Zou Feifei as his goddaughter and doted on her.”

He never thought that this goddaughter would one day cause him to lose everything!

“If time could be repeated, he would never acknowledge Zou Feifei as his goddaughter!”

“Unfortunately, there were no ifs in this world.”

Wu Jianguo squatted on the ground and sobbed softly.

“At this moment, the sound of footsteps came from the air. A gentle female voice sounded in the air.
“During this period of time, you should stay at home and calm down. I’ll bring little treasure back to my mother’s house to stay for a period of time.””

“”Okay.”Wu Jianguo suppressed the emotions in his body and continued, “Take care on the road.””

“Chapter 1703: 353: chasing his wife to the crematorium, so regretful that his intestines turned green!
(second watch)2”

“”Goodbye, Daddy.”The three-year-old child did not understand why his father was sitting on the ground. He smiled and waved goodbye to his father. ”

“When the woman walked to the door, she glanced back at Wu Jianguo. After a moment, she sighed softly and left with the child. ”

After the woman left.

Wu Jianguo burst into tears in the empty room.

He was wrong!

He was really wrong!

He should not have disobeyed his wife’s advice and got entangled with Zou Feifei and her daughter.

“But now, it was too late!”

...

On the other side.

At the Lin family home.

Zhou Yuelian cooked a table full of delicious food to celebrate the successful conclusion of Lin Sha’s college entrance examination.

“Lin Jinshui stood up with a cup in her hand. “Zhongruo, this cup. Uncle Toasts You. Uncle doesn’t know how to speak, so all the words are in the wine.” ”

“With that, Lin Jinshui finished the wine in the cup. ”

“Ye Zhonghuo also finished the orange juice in the cup in one gulp. “Uncle, you’re too kind. I didn’t do anything.” ”

“She had wanted to drink, but Zhou Yuelian and Lin Jinshui did not allow her to touch the wine, so she did not drink. ”

““Zhonghuo, let me toast to you too.”Lin Shasha stood up from the chair with the cup in her hand. ”

“Ye Zao smiled and pulled Lin Sha to sit down. “Sister Sha Sha, there’s no need to stand between us.” ”

“Then we’ll both sit.”Lin Sha sat down.

“Lin Weiwei raised his glass. “Zao Zao, I’ll drink to you too! Thank you for helping my sister change her fate.” ”

Lin Sha's revision was very effective. There would definitely be no problem with a key book.

And all of this was thanks to ye Zao.

It was ye Zao who had persuaded Lin Sha to stop her actions and stop her losses.

"That was why Zhou Yuelian and Lin Jinshui kept saying that ye Zao was the Lin family's little lucky star. Ever since Lin Sha met ye Zao, the Lin family's life had become more and more prosperous."

"Brother Weiwei, you sit down too."

"Lin Weiwei sat down and clinked his wine glass with ye Zao. Then, he drank the wine in his glass."

"Lin Sha smiled and said, "Zao Zao, my brother still doesn't have a girlfriend. My mother is worried sick. Do you have a suitable girl by your side? Can you introduce her to my brother?""

Lin Weiwei was twenty-four this year.

"Although he was not old, all the boys his age already had girlfriends. He was the only one who did not have one. Furthermore, there were more boys than girls now, so his parents were very anxious."

"Hearing that, Lin Weiwei was a little embarrassed. "Shasha, what are you talking about?""

"Zhou Yuelian smiled and said, "Shasha is right! It's time for me to introduce you to a girlfriend. Zhuozhu, do you have a suitable one by your side?""

"Ye Zhuozhu glanced at Lin Weiwei and then said, "If brother Weiwei is willing, maybe there really is one!""

“Really?” Zhou Yuelian’s eyes lit up when she heard that. “Where is the little girl from?”

“Ye Zhuo said, “She’s my classmate from university. She kept asking me to introduce her to a boyfriend.” ”

Lin Weiwei’s appearance was in line with Li Yueyue’s aesthetic standards.

Li Yueyue liked those fresh young men very much.

“That’s Great!” Zhou Yuelian continued, “I’ll send Weiwei’s photo to you in a while. You can send it to your classmates to see. If your classmates like Weiwei, you can arrange for them to meet. What do you think?” ”

“Okay.” Ye Zhuo nodded slightly.

“Zhou Yuelian smiled and said, “Then it’s settled!” ”

“Okay.”

The whole meal was enjoyed by the guests and the host.

“After the meal, Ye Zhuo sat on the sofa and started chatting with Lin Shasha. ”

“Let’s do it five times.” Lin Shasha continued, “I will go and get people.” ”

“Okay.” Ye Zhuo clicked on the go-live button. At this time, Cen Shaoqing sent him a message. [leader, I have returned to China.] ”

Ye Zao was a little surprised. [so soon?]

“Cen Shaoqing replied almost instantly. [yeah. I’m done here, so I came back. Where are you now?] ”

Ye Zao: [at Sister Shasha’s house. I’m preparing to go dark. Do you want to come?]

“Cen Shaoqing: [Okay, I’ll go online immediately.] ”

“Before this, Cen Shaoqing knew nothing about games. Ever since he got to know ye Zao, he had become a little king expert! ”

“After seeing Cen Shaoqing Online, ye Zhuo sent an invitation over. ”

“Seeing an unfamiliar profile picture joining, Lin Sha asked curiously, “Your family member?” ”

“Yes.”

“Lin Sha had seen Cen Shaoqing before and said in surprise, “So your family member also knows how to play games? I thought he was just one of those overbearing ceos who sits in the office all day and doesn’t smile!” ”

“Ye Zhuo smiled and said, “You’ve read too many romance novels.” ”

“Lin Shasha said, “It’s not that I’ve read too many romance novels. It’s that your man is simply a tyrant.” ”

Chapter 1704: 353: wife-chasing crematorium. I regret so much! (second watch)3

It was getting late after playing a few games.

Ye Zhuo said goodbye to Cen Shaoqing and logged off. He said goodbye to Zhou Yuelian and Lin Jinshui.

Lin Jinshui picked up the car keys. "It's getting late. Sha Sha and I will send you back."

"Yes." Lin Sha stood up as well.

"Ye Zao smiled and said, "No need, uncle. Sister Sha Sha, I drove here." "

"It's already past eleven. You're a girl. What if something happens to you?" Zhou Yuelian walked out of the kitchen, "Let your uncle and Sha Sha send you back. Zao, didn't you see the news that many young girls are being abused? If we don't send you back safely, your uncle and I will be worried." "

"Seeing Zhou Yuelian like this, ye Zhonghua had no choice but to let Lin Jinshui and Lin Shasha send her back. "

The three of them walked out of the building and saw a car parked downstairs.

"Although the light at night was not very good, ye Zhonghua still felt that this car was somewhat familiar. "

Why did it look like Cen Shaoqing's car?

Or was she hallucinating?

"Just then, the car door was opened and a slender figure walked out. "Leader." "

"It's really you?" Ye Zao was a little surprised. "When did you come?"

"I arrived when I was playing games with you." As soon as he finished speaking, Cen Shaoqing greeted Lin Jinshui again. "Uncle." "

“Perhaps it was because he had been in a high position for many years, Lin Jinshui was still a little stunned when she saw Cen Shaoqing. She did not dare to call herself an elder and nodded. “Mr. Cen.” ”

“After saying that, Lin Jinshui turned to look at ye Zao. “Zao Zao. Since Mr. Cen is here, Sha Sha and I won’t send you back.” ”

“Okay.”Ye Zao nodded slightly.

“Lin Sha instructed, “The light is not good at night. Drive safely on the road.” ”

“After watching the Maybach disappear into the air, the father and daughter walked into the house. ”

“There weren’t many people on the road at night, so the car was very fast. ”

Ye Zhuo sat in the passenger seat. “Why didn’t you tell me you were coming to Yun Jing?”

“I wanted to give you a surprise.”Cen Shaoqing’s thin lips opened slightly.

Ye Zhuo chuckled. Cen Shaoqing reminded her of the CEN Shaoqing she had first met.

“At that time, Cen Shaoqing was still an unmarried man. ”

The CEN Shaoqing now was at two extremes compared to the past.

“What are you laughing at?”Cen Shaoqing asked.

“”Nothing,”ye Zao denied. ”

“I saw everything.”

“Why are you looking at me?” Ye Zao asked.

“You look good.”

“Ye Zao turned his eyes slightly and his gaze fell on his hand that was holding the steering wheel. In fact, ye Zao controlled his hand a little. Every time he saw Cen Shaoqing’s hand, he could not help but want to touch it. “Watch the road.” ”

Cen Shaoqing immediately sat up straight and looked straight ahead.

““Lend me your Buddha beads to have a look,” ye Zao continued. ”

Cen Shaoqing’s Buddha beads were usually not very precious. Old Lady Cen could not even touch them even if she wanted to.

But Ye Zao had special privileges with Cen Shaoqing.

“Not to mention a bunch of Buddha beads, even if it was the moon in the sky, as long as ye Zao opened his mouth, Cen Shaoqing would do everything he could to satisfy her. ”

“The next second, the Buddhist beads were handed to ye Zao. ”

“The Buddhist beads were made of rosewood, and they still carried his body temperature. Perhaps it was because they had been worn for a long time, but the surface of the beads was polished smooth and shiny. ”

Cen Shaoqing glanced sideways.

“Ye Zao’s skin was very white, and the wine-red tassels twirled around her hands. It was so white that it was dazzling. Cen Shaoqing’s sexy Adam’s apple could not help but roll. ”

“Has this Buddha Pearl of yours been around for more than ten years?”Ye Zao asked.

“Yes.”Cen Shaoqing nodded slightly. “Sixteen years.”

“The next second, Cen Shaoqing took out a can of iced coke from the car refrigerator and pulled the ring open with one hand. ”

The cold liquid entered his throat and very well resolved the Heat in his body.

The speed of the car was very fast.

“Ten minutes later, the car stopped at the entrance of the residential unit. ”

Cen Shaoqing and ye Zao got off the car one on the left and the other on the right.

“Ye Zao said, “It’s getting late tonight. Why Don’t you just sleep at my house instead of going back to 9 pm?” ”

“”Sure.”Cen Shaoqing held ye Zao’s hand and the two of them walked into the house together. “Then, does this count as me getting into the real world?” ”

Ye Zao raised his eyebrows slightly. “Don’t forget that you’re still in the internship period.”

“”I’m still in the internship period?”Cen Shaoqing looked at Ye Zao, his deep eyes filled with surprise. ”

Ye Zao nodded slightly. “When did I announce that your internship period is over?”

Cen Shaoqing:” ...”

“The door was facial recognition. The moment ye Zao walked to the side, the door opened.”

Chapter 1705: 353: the crematorium of chasing his wife. He was so regretful that his intestines were turning green! (second watch)⁴

“The two of them walked into the house together. Cen Shaoqing directly pushed ye Zhuo behind the door and trapped her between the door and him. “Leader, when can I end my internship?” ”

“Ye Zhuo smiled and said, “Look at me...” ”

“The remaining two words, ‘mood’, were stuffed in Cen Shaoqing’s mouth and swallowed in his stomach.”

“The kiss lasted for about five minutes. Cen Shaoqing only let go of her when he could no longer hold it in. He turned around and said, “I’ll make the bed.” ”

Ye Zhuo looked at his back and teased him on purpose. “Why do you want to make the bed? Why Don’t you sleep in the same room as me tonight?”

Cen Shaoqing stopped in his tracks and quickly walked to the second bedroom.

“This second bedroom was where ye Sen had stayed before. Cen Shaoqing had stayed here once before, so he was quite familiar with this place.”

“Ye Zhuo stood outside the door. “Mr. Cen, are you sure you don’t want to consider it?” ”

“Cen Shaoqing took a deep breath, his eyes darkening.”

“However, Ye Zhuo continued to tease him outside. “Mr. Cen, there won’t be such a shop after this village.” ”

Ye Zhuo understood Cen Shaoqing very well.

He was a rare gentleman.

“Although they would usually kiss and hug each other, CEN Shaoqing never did anything out of line with her. ”

“Even if he couldn’t help it anymore, he still maintained his gentlemanly demeanor. ”

Like now.

It was precisely because he knew Cen Shaoqing’s personality that ye Zhuo dared to tease him like this.

“Right at this moment, the door that was originally closed suddenly opened. ”

Ye Zhuo raised his brows slightly. “Have you thought it through?”

Cen Shaoqing looked at Ye Zhuo like this. “A gentleman hides his weapon in his body and waits for the right moment to make a move. I’ll remember this debt today.”

“After saying that, Cen Shaoqing slammed the door again. ”

Ye Zhuo was stunned.

A gentleman hides his weapon in his body and waits for the right moment to make a move?

Did this sentence mean what she had understood at the beginning?

“When ye Zhuo completely understood this sentence, it was after the wedding night. ”

“From then on, she could no longer look directly at this sentence. ”

Of course.

This was also a matter for the future.

...

The next morning.

“Ye Zao woke up early to prepare breakfast. When he woke up, he found that Cen Shaoqing was already busy in the kitchen. ”

“The man was wearing a plain long gown. He was clearly dressed in a very retro style, but there was a hint of unruly arrogance on his body. He placed the Buddha beads on the stove at the side. ”

“Ye Zao leaned against the door frame of the kitchen and smiled. “Mr. Cen, you’re really becoming more virtuous.” ”

“Cen Shaoqing looked back slightly and said in a low voice, “So Miss Ye, from now on, you just have to be responsible for being as beautiful as a flower. Leave the rest to me.” ”

“After saying that, Cen Shaoqing turned around and asked, “What do you want to eat in the morning?” ”

“Ye Zhuo asked, “What did you make?” ”

“CEN Shaoqing said, “I made porridge, and then I saw some buns in the refrigerator. I steamed two buns, and then I boiled milk.”There weren’t many people living here, and Ye Zhuo had bought the buns from the supermarket. ”

“Then let’s eat what you made.”Ye Zao walked over and helped him bring the porridge and the buns to the dining table.

Breakfast was very simple.

“After bringing everything to the table, ye Zao seemed to remember something, and then he said, “Oh, right, there’s still some pickled vegetables. I can have porridge, I’ll go get them.” ”

“Where is it? I’ll go.”Cen Shaoqing stood up.

“”It’s on the second floor of the hanging cabinet,”ye Zao said. ”

Cen Shaoqing nodded slightly and walked into the kitchen.

“Ye Zao had soaked the pickles with the leftover white radishes the night before last. They were sour, spicy, delicious, crisp, and very appetizing. They were just right for the porridge. ”

The two of them sat opposite each other and ate breakfast slowly. It was a beautiful and quiet morning.

Cen Shaoqing slightly raised his eyes to look at her. The corners of his mouth curled up slightly. His deep eyes seemed to be filled with the whole world.

“At the same time, in Beijing. ”

At the hospital.

“Gu Dexin lay on the bed and looked at Gu Dening, who was arranging flowers by the window. “Dening, why don’t you go and meet someone later?” ”

“I don’t want to go.” Gu Dening’s face was full of unwillingness.

“”Why not?” GU dexin continued, “How Old Are You? Don’t you know? Ye Sen is the same. He clearly has a crush on you, yet he kept it to himself! You are the same. If he doesn’t want to say it, then just say it! He’s already 28 years old. Why Are You So Shy?” ”

“Who said I like him?” Gu dening retorted.

“”If you don’t like him, then go on the blind date obediently!” Gu Dexin said. ”

“Actually, Gu Dexin had her own reasons for letting gu dening go on the blind date. ”

“Firstly, Gu dening was indeed old enough. ”

“Secondly, she wanted to give ye Sen a sense of crisis. ”

“She didn’t know what was going on with ye Sen. He was obviously interested in gu dening, but he didn’t say anything. ”

Chapter 1706: 353: the crematorium of chasing his wife. He was so regretful that his intestines were turning green! (second watch)5

Gu dening didn’t say anything.

“Gu dexin smiled and said, “”See, see! I knew you had Ye Sen in your heart.”” ”

“””I’ll Go!”” Gu dening threw the flowers on the table in a fit of pique. “”What time is it in the morning?”” ”

“If she didn’t go, wouldn’t she indirectly admit that she had Ye Sen in her heart? ”

“Gu Dexin said, “”10:30 in the morning. 657 Hai Bin Road, Sweet and Sour Cafe.”” ”

“””Got it,”” Gu dening said. ”

“Gu Dexin instructed, “”Tomorrow, the men will go with the introducers from Beijing. Their seats are booked at 267. “”Remember to dress well. I heard that the boy is very outstanding. He’s the same age as you and is 28 years old. He graduated from Beijing University and is a local...”” . . .”” ”

The Lin Manor.

Ye Shu got up early and hummed a little tune to go out.

“Ye Sen this period of time stay in the Lin family, see Ye Shu so happy, curious way: “”Elder sister, so happy ah?”” ”

“””OK,”” Yeshe went on. “”By the way, let me tell you something. Didn’t Salsa’s mom set you up with someone? You say you don’t, Sha Sha mother introduced that girl to Chujie again. “”Let me take Chu Jie to Sweet Noel Cafe to meet the girl later.”” ”

“””Sweet Noel Cafe? What a coincidence!”” Ye Sen said in surprise. ”

“””You’re going too?”” Ye Shu asked. ”

“Ye Sen nodded. “”I have an appointment with a client over there to discuss a collaboration.”” ”

""What Time Are You There?""Ye Shu asked. "

"Ye Sen said, ""9:30."" "

"Ye Shu nodded. ""Okay, I Won't talk to you. I'm going to Chu Jie's first. It's my first time meeting the girl, so I have to buy a bouquet of flowers."" "

In the Sweet Cafe.

"At 10:25 am, Gu Dening arrived at the cafe. "

Ye Shu had already brought Chu Jie to his seat.

"Chu Jie's father was an old friend of Lin Jincheng, and Chu Jie was 28 years old and alone. His parents were very anxious, so they asked ye Shu to find a girlfriend for Chu Jie. "

"Ye Shu looked at Chu Jie with a smile. ""I heard that the woman is very outstanding. She's a doctor and is very good-looking. Chu Jie, if you think she's good, you can take the initiative to ask for wechat later."" "

""Okay.""Chu Jie nodded. "

"Not long after, a figure in a blue dress appeared in her line of sight. "

"Ye Shu said, ""She's wearing a blue dress and holding a black backpack in her hand. It should be that girl."" "

Chu Jie adjusted his glasses and looked up.

"As the figure got closer and closer, ye Shu felt that this person was more and more familiar. In the next second, Ye Shu stood up from the chair. ""De Ning!"" "

“”Mrs. Lin.””Seeing ye Shu, Gu De Ning was a little surprised.”

“Ye Shu continued, “De Ning! You’re not the girl that Sha Sha introduced, are you?””

“Gu De Ning also reacted at this time. “Chu Jie?””

“Chu Jie, who was standing at the side, stood up and nodded politely. “I’m Chu Jie.””

“Ye Shu continued, “Since we know each other, then it’s Easy! De Ning, take a seat! Oh right, Chu Jie, this is Gu De Ning. I’ve known her before too.””

“After saying that, Ye Shu turned to look at Gu De Ning. “De Ning, this is Chu Jie. You should know about Chu Jie’s situation.””

Gu De Ning nodded.

“Chu Jie handed the menu to Gu De Ning. “What would miss gu like to drink?””

“”I’d like a glass of lemonade,””gu de Ning said.”

“Chu Jie called the waiter over. “A glass of lemonade.””

“”Yes, sir. Please wait a moment.””

Ye Sen and the client came out of the private room and saw ye Shu and Chu Jie sitting by the window.

“Then, he saw a familiar profile.”

“Gu, Gu De Ning?”

What was going on?

Was he hallucinating?

“Seeing ye Sen like this, the client said, ““CEO Ye, what are you looking at?”” ”

“Ye Sen continued, ““I’m sorry, CEO Tang. I saw an acquaintance, so I went over to greet him.”” ”

“Chief Tang said, ““Then you should go over quickly!”” ”

“Ye Sen walked over. ““Sis.”” ”

““Ye Sen.”” ye Shu turned around and smiled. ““Ye Sen, isn’t this a coincidence? So the girl that Sha Sha introduced to Chu Jie is De Ning.”” ”

Gu De Ning!

Ye Sen was stunned.

The blind date that Zhou Yuelian introduced to him was actually gu de Ning!

“If he knew that this person was Gu de Ning, then ye Sen would definitely not reject it. ”

Regret.

Very much regret.

Ye Sen's heart instantly felt like a million grass mud horses galloping past him. He wished he could travel back in time to a few days ago and beat that stupid self to death.

"If he had not rejected the blind date, then the person sitting opposite Gu Deling would be him now."

"However, Ye Sen's face could not show even the slightest bit of it. He tried his best to smile. ""That's too much of a coincidence!"" "

"Chapter 1707: 355: the black-bellied master of the Chu family, Chu Jin! 1"

"Ye Shu smiled and said, "This also proves that De Ning and Chu Jie are fated to be together. Coincidences don't make a book."" "

It wasn't like a family didn't enter the same house. Ye Shu felt that the two of them might really succeed!

"Chu Jie echoed, "Aunty Shu is right."" "

"Hearing this, Ye Shu roughly understood what Chu Jie meant. "

Chu Jie had a good impression of Gu De Ning.

Now it was up to Gu De Ning.

"Ye Sen felt like he could hardly breathe. Why did he reject the blind date? Was he stupid? If he had not rejected it, the person fated to be with Gu De Ning would be him now! "

And Ye Shu.

Ye Shu was still his sister!

How could he turn his back on others.

He saw that Chu Jie and Gu Dening did not match at all.

“Unfortunately, Ye Sen was in a difficult situation right now. ”

“Ye Shu continued, “Have you discussed the cooperation with the client?” ”

“Yes.”Ye Sen nodded.

“Then aren’t you busy right now?”Ye Shu continued to ask.

“”Not very busy.”Ye Sen sat down. “Dening, Chu Jie, do you guys mind if I Sit Down and have a cup of coffee too?” ”

“Ye Shu looked at Ye Sen speechlessly. The two of them were on a blind date, so why was Ye Sen following them?”

“Gu De Ning smiled and said, “I don’t mind.” ”

“Chu Jie asked, “What does uncle ye want to drink?” ”

“Blue Mountain Coffee.”

“Seeing that Ye Sen was really going to sit down, ye Shu lowered his voice and said, “Ye Sen, what are you doing? The young man is on a blind date, and you’re acting as a third wheel here?” ”

“I’m drinking coffee,” ye Sen said matter-of-factly. ”

“Is it time for you to drink coffee now?”Ye Shu asked back.

“Ye Sen said, “Sister, they’re not a match at all. Don’t just randomly pick a couple! Hurry up and let the two go back to their respective homes to find their own mothers!” ”

““You’re still a single dog, what do you know about being a match!”Ye Shu said, “I think these two are a match made in heaven. Also, I think Chu Jie has a good impression of De Ning. If De Ning also has a good impression of Chu Jie, wouldn’t this matter be settled?” ”

Ye Sen felt like he couldn’t breathe.

““SIS, I...” ”

““What do you mean you! Shut Up!”Ye Shu frowned. “De Ning is such a good girl. You Don’t like her! You Don’t like her, there are people who don’t like her!” ”

Ye Shu liked gu de Ning very much.

“The little girl was good-looking, had a good personality, had a high education, and was a doctor. She really liked her no matter how she looked at her. ”

“Unfortunately, he was not fated to be with Ye Sen. ”

If Only Ye Sen was sitting here on a blind date with Gu dening today.

““When, when did I not like her? ! Sister, don’t talk nonsense!”Ye Sen was so anxious that his face turned white. ”

“Ye Shu was too lazy to talk to him. “Okay, okay, you should go back now.” ”

“I’m not leaving.”Ye Sen sat up straight.

“Just then, the waiter came over with some good coffee. “Sir, Here’s Your Blue Mountain.” ”

“Thank you.”Ye Sen took the coffee with a smile.

“While drinking the coffee, he saw gu dening sitting opposite him whispering to Chu Jie. ”

What were the two talking about?

“Unfortunately, their voices were too low for ye Sen to hear. ”

But it seemed that they were chatting happily.

Because gu dening still had a faint smile on her lips.

“Ye Sen took a sip of the coffee and suppressed the sour feeling in his heart. He looked up at Chu Jie and said with a smile, “How is Little Chu doing recently? Are you busy?” ”

Chu Jie looked up slightly. “Not busy.”

“Ye Sen nodded and continued, “I remember that you found a girlfriend before. Why did you break up so quickly?” ”

“Asking such a question in front of a blind date, Ye Sen was obviously causing trouble! ”

“However, Chu Jie was not nervous and continued, “That was two years ago. Uncle Ye, you have a good memory.” ”

“It’s been two years already?”Ye Sen scratched his head. “I thought it was only recently!”

“At this moment, ye Shu kicked ye Sen. “Ye Sen, I remember that you still have something to do in a while, right? Then go do your work!” ”

“”It’s nothing! Sister, you must have remembered wrongly, right?”Ye Sen said. ”

“Ye Shu rolled her eyes at him and continued, “De Ning, then you should have a good chat with Chu Jie. I’ll leave with Ye Sen first.” ”

“After saying that, Ye Shu pulled ye Sen’s hand and stood up. “Let’s Go First!” ”

“Before ye Sen could react, he was pulled out of the cafe by Ye Shu. ”

“”Sister, what are you doing?”Ye Sen said with some dissatisfaction, “I haven’t even finished my coffee!” ”

“”What am I doing? I wanted to ask you what are you doing!”Ye Shu frowned, “They are going on a blind date, and you are sitting here. Are you trying to stir up trouble? What if they fall apart under your influence? It’s better to destroy a temple than destroy a marriage!” ”

“Chapter 1708: 355: black-bellied, master of the Chu family, Chu Jin! 2”

“”I’m just having a cup of coffee!”Ye Sen continued, “Sis, do you have to make such a fuss?” ”

“Just come with me!”Ye Shu grabbed ye Sen’s arm.

“Ye Sen turned around and looked at the coffee shop, feeling very uncomfortable. ”

What if Gu Dening and Chu Jie really succeeded? What would he do then?

No!

Such a thing must never happen!

“SIS, I don’t think Chu Jie and Dening are suitable for each other,” Ye Sen continued, “Dening can’t handle the Chu family!” ”

“The Chu family had a complicated background in Beijing, and it was a bit mysterious! ”

Especially since Chu Jie was a direct descendant of the Chu family.

The head of the Chu family was called Chu Jin.

“Not only was he the founder of the King company, but he was also the eldest daughter-in-law of the Mo family. ”

“Even though the Chu family had kept a low profile all these years, the legend that belonged to the Chu family was still there. ”

“You’re not De Ning. How do you know that she can’t handle the Chu Family?” Ye Shu continued, “It’s fine if you’re not willing to go on a blind date! But now you’re still causing trouble here! Ye Sen, let me ask you, what do you mean?” ”

Ye Sen glanced at Ye Shu but did not say anything.

His heart was stifled.

“Ye Shu narrowed her eyes and continued, “Oh! I know. Are you interested in De Ning?” ”

“Hearing this, ye Sen quickly denied, “I’m not! I’m Not! Don’t talk nonsense!” ”

“Ye Shu sized up ye Sen and continued, “If that’s really the case, then you deserve it! You were the one who sat with De Ning on the blind date today! You were the one who personally pushed De Ning out!” ”

Ye Sen sighed in his heart.

He was also regretting it!

“Ye Shu continued, “Alright, Hurry to the company!” ”

“”Sister, What About You?”Ye Sen turned to look at Ye Shu. ”

“Ye Shu continued, “I’ll find a place to sit for a while. When they come out, I’ll ask about the situation.” ”

“”Anyway, I’m not busy today. I’ll sit with you!”Ye Sen held ye Shu’s arm. “Sister, didn’t you say that you want to buy a dog? I know a pet shop nearby. Do you want to go take a look now?” ”

“Okay.”Ye Shu nodded. “Then I’ll send a message to De Ning.”

The two of them came to the pet shop.

Ye Sen was not interested in cats and dogs. He stood by the door and watched the situation in the coffee shop across from him.

What were the two of them talking about inside?

Why didn’t they come out?

Ye Sen was a little anxious.

“Ye Shu picked up a chubby husky. “Ye Sen, what do you think of this one?” ”

“Ye Sen gave it a perfunctory look. “Not bad, not bad.” ”

“The shop owner smiled and recommended, “Madam, your taste is really good. This dog is called a Husky. It’s a Siberian sled dog. Because it has one-tenth of the blood of a wolf, an adult husky is very similar to a wolf...” ”

“Hearing this, Ye Shu frowned slightly. “Is it aggressive?” ”

““No, don’t worry,”the owner continued, “Purebred Huskies are mild-mannered. Other than being a little naughty, it’s not aggressive. Young people nowadays especially like to raise it. It’s definitely not wrong for you to choose it.” ”

Ye Shu hugged the chubby little guy. “Why do I feel that its eyes look a little silly?”

Silly?

“The shop owner smiled and said, “This is called silly! Look at it, it’s so chubby and cute!” ”

““Cute is pretty cute.”Ye Shu nodded and continued, “How much is it?” ”

“1500. You can just take it back after you pay. We dogs have been vaccinated.”

“It’s not expensive.”Ye Shu turned to look at ye Sen. “How about I buy this one?”

“Ye Sen’s mind was completely focused on the coffee shop across the street. He only heard the word ‘buy’ and immediately took out his phone. “Boss, pay with Alipay!” ”

Ye Shu:” ...” she asked Lonesome.

“The shop owner smiled and went forward. “Sir, pay here.” ”

Ye Sen went over to pay.

“Ye Shu continued, “Pay later and pick some dog food. Boss, I’ve never had a dog before. Can you recommend some dog food?” ”

“The shop owner saw that Ye Shu wasn’t poor, so he recommended all the expensive dog food. ”

“In the end, Ye Shu bought some dog food and dog snacks. With some toys and kennels, it was more than four thousand yuan. ”

Ye Sen was responsible for paying.

“Watching Ye Sen and Ye Shu leave, the shop owner smiled and said, “I finally sold that Husky!” ”

“After all, Huskies had other titles besides huskies, such as “Let go”, “Demolition director”, “Demolition Maniac” ... ”

“If she couldn’t sell them, she might not even be able to keep her pet shop. ”

“Chapter 1709: 355: black-bellied, master of the Chu family, Chu Jin! 3”

Ye Shu had just left the pet shop with the dog when she received a message from Gu Dening.

“Ye Sen, wait for me here.”

“What’s Wrong?” Ye Sen turned to look at Ye Shu.

“Ye Shu continued, “Dening sent me a message saying that they have come out of the coffee shop. I’ll go ask Dening about the situation.”

“After saying that, Ye Shu handed the dog to Ye Sen.”

Ye Sen stood there and waited for Ye Shu.

He was a little anxious.

Ye Shu came to the entrance of the coffee shop.

Gu De Ning and Chu Jie were standing at the entrance and chatting.

“De Ning.” Ye Shu jogged over.

“Mrs. Lin.”

“Ye Shu held Gu de Ning’s arm and asked in a low voice, “How do you feel?”

“Chu Jie’s image was impeccable. Gu de Ning continued, “Chu Jie is quite outstanding, but...”

“Ye Shu smiled and said, “It’s good that he’s outstanding. Then, you guys can add each other on wechat first. Relationships are slowly cultivated. If it’s really not suitable, it’s okay. Just treat it as making friends.

“These things are consensual. Deciding, you don’t have to feel pressured.”

“Okay.” Gu Dening nodded.

“Ye Shu continued, “Then that’s all for now. You guys can talk when you get back.” ”

““Okay, Mrs. Lin. I’ll go back first.” ”

Ye Shu turned to look at Chu Jie again.

“Chu Jie immediately understood. “Miss Gu, let me drive you.” ”

“Gu Dening smiled and said, “I drove here.” ”

““Okay then.” Chu Jie continued, “Let’s watch a movie together when we have time!” ”

“Okay.”

“Looking at Gu Dening’s back, Ye Shu smiled and looked at Chu Jie. “How is it?” ”

““Miss Gu is a very good girl.” Chu Jie paused and continued, “I just don’t know if she’ll like me.” ”

“Ye Shu patted Chu Jie’s shoulder. “You work hard and it shouldn’t be a problem. If it really doesn’t work, Auntie will introduce you to other girls.” ”

““Thank you, Auntie.” ”

““You’re welcome.” Ye Shu continued, “Your Uncle Ye is still waiting for me over there, I’ll go over first.” ”

“You go ahead.”

Ye Shu walked towards the direction of the pet shop.

“Ye Sen was still waiting there. When he saw ye Shu coming over, he couldn’t wait to run over, “Sis! How was it?” ”

“How was what?”Ye Shu asked.

“How did they look?”Ye Sen asked.

“”Oh, you mean this!”Ye Shu took the dog from Ye Sen’s arms and continued, “They looked pretty good!” ”

Pretty Good?

How could that be? !

“Ye Sen continued, “Sister, are you kidding me? They don’t look compatible at all. How could they look pretty good?” ”

“Ye Shu looked up at Ye Sen and narrowed her eyes. “Tell me, are you interested in De Ning?” ”

“”No,”ye Sen denied. ”

“Ye Shu continued, “Since you’re not interested, why do you care so much about the couple?” ”

Couple?

So soon?

“Sis! Don’t make fun of me on purpose!”Ye Sen was very anxious.

“Ye Shu smiled and said, “Didn’t you say that you’re not interested in De Ning? Since you’re not interested, why do you care what I say!” ”

Ye Sen choked in his heart and didn’t know how to refute.

“Ye Shu continued, “Ye Sen, stop pretending! I’ve watched you grow up. How can I not understand you? Is it that hard to admit that you like De Ning?” ”

“Ye Sen took off all his pretense. “Sis, I’m convinced by you! I’m really convinced!” ”

““Since you like her, why didn’t you say it earlier? Why did you have to wait for De Ning to go on a blind date with someone else!”Ye Shu said a little angrily, “This is all your own doing!” ”

““Sister, please help me think of a way! What should we do now?” ”

““How would I know what to do?”Ye Shu continued, “I just introduced De Ning to Chu Jie. What would it look like if you interfered at this time?” ”

It was neither good nor bad!

“Moreover, the Lin family and the Chu family were old friends! ”

Ye Sen frowned. “Then what if De Ning really becomes Chu Jie?”

““Then you can only blame yourself for not being fated!”Ye Shu was so angry that she poked ye Sen’s head with her finger. “I asked you to go on a blind date a long time ago, but you didn’t want to! If you had agreed to go on a blind date, would things have turned out like this?” ”

Ye Sen sighed.

“Let’s wait another week.” Ye Shu looked at Ye Sen, “Wait a week, then I’ll ask De Ning about the situation. “If De Ning and Chujie don’t succeed, you should work hard yourself. Happiness is earned by yourself. If you don’t do anything, are you going to wait for the girl to come and confess to You?” ”

“Chapter 1710: 355: black-bellied, the head of the Chu family, Chu Jin! 4”

“If it was a girl with a more cheerful personality, it would be fine. Some girls were especially shy. If the boy did not speak, she would not take the initiative to speak.”

“Got it.” Ye Sen nodded.

“Ye Shu shook her head helplessly. “Me! One day, I will be angered to death by you!” ”

Ye Sen:” ...”

* *

On the other side.

At the base.

Professor Feng was once again urged by Jamila to send a text message.

“C country was waiting for the analysis report of the volcanic crystal to do an experiment, but Professor Feng and director Ma did not make any movements.”

Looking at the text message from Jamila.

“Professor Feng frowned slightly, not knowing what to do.”

“She had been looking for the analysis report of the volcanic crystal these days, but there was no trace of it.”

“Just as Professor Feng was at a loss, someone knocked on the office door.”

““Come in,” professor Feng said after adjusting his expression.”

“The next second, the door was pushed open, and director Ma walked in from outside.”

“Professor Feng.”

“Seeing director Ma, Professor Feng stood up from his chair.”

“Director ma closed the door. “You also received the message from Jamila, right?” ”

“Yes.” Professor Feng nodded. “What do we do now?”

“Director ma continued, “I just spoke to Jamila. He said that as long as we take out the volcanic crystal report, he will immediately help us with the immigration procedures.” ”

“As long as they completed the immigration procedures, they could go to the C country experimental base.”

Director ma only wanted to study the aircraft carrier as soon as possible and board Europa. How could he still have the mood to stay here?

“Hearing this, professor Feng’s face showed a troubled expression. “But we don’t even know where the volcanic crystal analysis report is!” ”

“”There will be a way to find out,” director ma continued, “After taking the analysis report, we can go to country C to study the aircraft carrier and carry out the plan to board Europa. Therefore, professor Feng, we must cooperate well in this matter.” ”

“”I can cooperate with you. The problem now is that we don’t have any clues at all! We can’t continue to search aimlessly!” At this point, professor Feng paused and continued, “Do you think Miss Ye put away the analysis report personally?” ”

She had been searching for three days!

“Other than ye Zhuo’s office, she had searched everywhere else, but she could not find the analysis report!”

Ye Zao’s office was not that easy to get into.

“Director ma said, “It shouldn’t be. Miss ye recently went to Yun Jing to accompany her classmates for the college entrance exam. She can not keep the volcanic crystal report on her all the time.” ”

“After that, director ma continued, “Moreover, at this stage, we still need the volcanic crystal report to connect with Yu Zifei and the others. Therefore, the Mars report must still be in the base, and it must be in the hands of someone.” ”

“Then where do you think Miss Ye will put the analysis report?” Professor Feng asked in return.

Director ma narrowed his eyes. “Among the few people that miss ye trusts the most.”

There were only a few people that ye Zhuo trusted the most.

“Jianghe, Huhai, the four brothers, as well as Tang Mi, Yu Zifei, and Xu Gong. ”

“Xu Gong and the others had gone to the C country base. Now, the remaining people were still Tang Mi, Yu Zifei, and the four brothers, Jianghe, Huhai. ”

But who had the volcano Crystal Report?

“Could it be Cen Jiang?” Professor Feng looked at director Ma.

“Director ma frowned. “It’s possible. After all, Cen Jiang is the one with the most leadership among the four brothers, river, Lake, and sea! If it’s really Cen Jiang, things will be a little troublesome.” ”

Cen Jiang was a rare smart person. It was not easy to be careless with Cen Jiang.

“Why don’t we do this?” Director ma seemed to have thought of something and whispered something into Professor Feng’s ear.

“Professor Feng nodded. “Okay, then we’ll do as you say.” ”

“Director ma continued, “Remember, don’t give yourself away!” ”

““Okay, I know what to do.” ”

Professor Feng had been in the base for a long time and was respected by everyone. It should not be a problem for him to do this.

““Then that’s all for now.” Director Ma stood up. “I’m going back to my office. If there’s anything, I’ll contact you on my phone.” ”

“Okay.”

“Two hours later, professor Feng arrived at Cen Jiang’s office with a test report. ”

“Professor Feng.”

“Professor Feng smiled and said, “Team leader Cen, are you busy?” ”

“”It’s alright.”Cen Jiang continued, “Is there anything that you need me for, Professor Feng?” ”

Professor Feng nodded. “It’s indeed a small matter.”

“Go ahead.”

Professor Feng handed the test report to Cen Jiang. “Look at this.”
