

## **Almighty D 171**

Chapter 171: 087: tearing a mistress apart, divorce! 7

The company leader frowned and looked at Liang Xinyi. "What's going on?"

Liang Xinyi said with reddened eyes, "Manager, this is a misunderstanding..."

"I have evidence here." An Lizi handed a photo to the leader, "The man in the photo is my father. I don't need to say more about this woman. You should know her, right? My father is divorcing my mother because of her! She has caused our family to turn upside down. I'm in my third year of high school this year, the most important year of my life. But now, I've been ruined by her! Ruined by this woman!"

Hearing this, the crowd sighed.

"This little girl is too pitiful!"

"A dog and a woman! She's simply Inhuman!"

"How can our company have such a shameless woman!"

After saying that, an Lizi bowed deeply to the leader, "I came to your company today to disturb your employees. I'm here to apologize to you and everyone! My mother is magnanimous and doesn't want to argue with a mistress! But as my daughter, I can't bear to see my mother suffer! I really have no other way! I believe that justice is in the hearts of the people. Your Company will definitely handle this matter well."

After saying that, an Lizi turned around and left.

The surrounding employees said, "Manager Zhou! A person like Liang Xinyi doesn't deserve to stay in our company at all!"

"Right! She doesn't deserve to!"

“Fire her!”

Manager Zhou looked at Liang Xinyi and said, “Go to the finance department and settle this month’s salary. You Don’t have to come next month.”

.....

Hearing that, Liang Xinyi felt like the sky was falling.

She had worked here for almost 20 years and had always been conscientious and had never made any mistakes. She was about to retire and receive her retirement salary and pension, but now, the company actually wanted to fire her!

“No Way, manager! You Can’t Fire Me!”

The person who was fired would not have a pension or pension.

Moreover, she was already so old. What could she do after being fired?

Could she find another job?

Even if she did find another job, it would definitely be a dirty and tiring job!

It could not be compared to her current job!

“It’s impossible for our company to hire an employee with bad morals!” After saying this, manager Zhou looked at the security guard beside him. “Send her out!”

Rather than saying that she was sent out.

It was more appropriate to say that she was dragged out.

Liang Xinyi was dragged out.

After being dragged out of the house, Liang Xinyi was both angry and angry. She picked up her phone and called an Dongliang.

An Dongliang rushed over. When he saw Liang Xinyi like this, his heart ached terribly. "Xinyi, don't worry. I'll definitely teach that girl a lesson when I Get Back!"

"I've lost my job and my reputation. Dongliang, just let me die! I Don't want to live anymore!"

"If you lose your job, so be it! From now on, I'll give you 30,000 a month! I'll support you!"

Hearing this, Liang Xinyi's eyes lit up.

That's right.

So what if she lost her job?

In any case, an Dongliang had plenty of money!

However, Liang Xinyi was still crying. The more she cried, the more an Dongliang would hate the mother and daughter.

Liang Xinyi had suffered.

An Dongliang would definitely seek justice for her.

When he returned home, he threw a tantrum!

“Lizi is becoming more and more unruly!” An Dongliang pointed at Xia Xiaoman and said, “How did your mother teach her?”

Xia Xiaoman frowned slightly. “What happened to Lizi?”

An Dongliang said angrily, “She went to Xinyi’s company and caused a ruckus, causing her to lose her job! I’ve already said it, I’ve already broken up with her! Why do you have to go against her!”

“I think that Lizi didn’t do anything wrong.” Xia Xiaoman’s voice was a little cold.

If it wasn’t for the sake of an Dongliang’s face, Xia Xiaoman would have done it long ago.

An Dongliang pointed at Xia Xiaoman and said, “Were you the one who instructed Lizi to do this? I told you, Lizi is just a child, how could she be so calculative! Xia Xiaoman! You’ve really disappointed me!”

Xia Xiaoman looked at an Dongliang and said, “Do you not want to break up with that mistress?”

“I have nothing to do with her now! It’s you two who have disappointed me!”

“Nothing to do with her now, right? Alright then!” Xia Xiaoman nodded. “Call her out now. The three of us stand together and explain this matter clearly!”

“What do you want to Do?” An Dongliang asked cautiously.

“Nothing.” Xia Xiaoman continued, “I just want to let her know that there is a price to pay for being a mistress!”

“No!” An Dongliang frowned.

Chapter 172: 087: tearing the mistress apart, divorce! 8

Xia Xiaoman suddenly laughed, "An dongliang, you didn't even think about breaking up with her, right?"

An dongliang quickly said, "Xiaoman, I'm sorry! I apologize to you! But this matter has nothing to do with Xinyi. I'm the one who pursued her. I beg you, please don't make things difficult for her, okay? I beg you!"

"Do you want to break up with her or not?"

"Break! Break it right now!" An Dongliang immediately nodded.

Xia Xiaoman continued, "Since it's about to be broken, what's the point of worrying so much? We're going to fall out sooner or later anyway! An Dongliang, if you don't ask her out today, this matter won't be over!"

"Xiaoman! I'm kneeling down for You! I really know my mistake! Don't go and make things difficult for xinyi, okay!" As he said this, an Dongliang knelt down and reached out to hug Xia Xiaoman's leg.

"For the sake of that B \* tch, you actually knelt down for me! An Dongliang! You're a man! There's gold under a man's knees!" Xia Xiaoman's tears began to flow. "Is that B \* Tch worth it for you to do this?"

They had been married for twenty years.

An Dongliang had not even washed her clothes. He said that a man should be upright and upright. What was the point of washing clothes for a woman?

That was because Xia Xiaoman felt that the man she had her eyes on was different. He had the manliness of a man!

But now, he had actually knelt down for another woman!

How ironic!

How ironic!

.....

“Xinyi is not a B \* tch! She is the kindest and most innocent woman I have ever seen!” An Dongliang suddenly stood up from the ground. “She only killed with her head on the ground! I have knelt down before, what more do you want from me!”

An Dongliang used to think that his wife was a kind and understanding woman.

Now, it seemed that he had misjudged her after so many years!

Compared to Liang Xinyi who was well-read, Xia Xiaoman was a shrew.

A country bumpkin was a country bumpkin!

No matter how many years she had lived in the city, she could not become a city bumpkin!

If he could return to the past, he would never marry a shrew like Xia Xiaoman!

“I want you to break up with that B \* Tch! It’s going to happen soon!” Xia Xiaoman could hardly control her emotions.

“I told you! Xinyi is not a B \* tch! She is not!” Said an Dongliang with bloodshot eyes

An Dongliang could not stand Xia Xiaoman pointing at Liang Xinyi as a B \* TCH.

Liang Xinyi was the woman he loved deeply!

He would never allow anyone to insult Liang Xinyi.

“She is! She is!” Xia Xiaoman shouted angrily, “She is a slut who sleeps with thousands of people! A slut! Seducing someone else’s husband, she will not have a good ending! She will go to hell! She will only be a B \* Tch for the rest of her life! In the future, her children will be like her, men will steal and women will be prostitutes!”

“Slut! Shut Up!” An Dongliang could not take it anymore. He gave Xia Xiaoman a slap and kicked her to the ground.

He was still angry. He grabbed Xia Xiaoman by her hair and slammed her against the floor.

She was like a mad animal!

Soon, Xia Xiaoman’s head was bleeding.

“Mom!” An Lizi heard that something was wrong in the room. She ran out to take a look and was scared to tears. “Let go of my mom! B \* Stard!”

“Lizi, go back to the house!”

Xia Xiaoman did not want her daughter to see this scene. She was afraid that it would leave a shadow in an Lizi’s heart.

“Let go of my mom!” An Lizi pushed an Dongliang hard. “Let go of my mom!”

“You’re not a good person either! Just like your mom! Both of you are not good people!” An Dongliang pushed an Lizi away. “You’re not my daughter! I don’t have a daughter like you!”

If it was not for an Lizi coming to find trouble with Liang Xinyi today, things would not have developed to this stage?

Everything was fine last night!

They were father and daughter, but an Lizi was trying to change the situation!

An Lizi was stunned. She hit her head on the floor and felt a tearing pain.

“Lizi!”

Xia Xiaoman ignored the injury on her head and got up to hug an Lizi. “An Dongliang, you’re not human! Lizi is your biological daughter!”

An Dongliang pointed at Xia Xiaoman and said, “Xia Xiaoman! Let me tell you! I’ve had enough of you shrew! If you want a divorce, then divorce!”

The reason why he dared to say that he wanted a divorce was because Xia Xiaoman loved him.

He knew that Xia Xiaoman did not dare to divorce him at all.

Back then, in order to marry him, Xia Xiaoman not only did not take a single cent of the dowry, she even gave him a few hundred yuan.

If Xia Xiaoman dared to divorce him, she would not be in this state!

After saying this, an Dongliang turned around and left.

Liang xinyi was still feeling wronged and waiting for him to comfort her.

Since he had already fallen out with her, there was no need for him to continue pretending.

Xia Xiaoman looked at the man's heartless back view with disappointment in her eyes.

It had been 20 years.

In the end, she still made the wrong payment.

"Mom, let's get a divorce!" An Lizi looked at Xia Xiaoman.

Xia Xiaoman nodded. "Okay."

Xia Xiaoman was originally prepared to forgive an Dongliang for an Lizi's sake.

Now it seemed like.

There was no need for that.

A man would even hit his wife and child for the sake of a mistress. What else could he not do?

This marriage!

Must be divorced!

"That's great! You've finally figured it out!" An Lizi hugged Xia Xiaoman. "Mom, I believe that we'll have a better life in the future!"

Chapter 173: 086: Prison for murder! A big shot in the business world! 1

After saying this, an lizi continued, “We have to let him leave with nothing! Also, we can’t keep this supermarket open any longer. Let’s convert it into cash!”

This was what ye Zao had specifically instructed an Lizi.

Once Xia Xiaoman agreed to the divorce, they had to immediately transfer out the supermarket that their family was currently opening.

If the supermarket was still there, an Dongliang would definitely pester Xia Xiaoman all the time.

Such people were the type of people one feared the most when doing business.

Xia Xiaoman was stunned. She did not understand what an Lizi said.

An Lizi explained the reason to Xia Xiaoman. Xia Xiaoman nodded in agreement when she heard this. “Lizi, what your classmate said makes sense!”

She was worried that Xia Xiaoman would let her imagination run wild, an lizi continued, “Mom, don’t worry. Even if we get divorced, with your abilities, we can still live very well! That classmate of mine doesn’t have a father either. I think her mother takes care of herself very young! So, Mom, don’t be sad and don’t be sad. This is a good thing for us!”

Since her daughter was so strong, she naturally couldn’t be too weak.

Xia Xiaoman nodded. “Okay.”

As she said this, an Lizi thought of what ye Zhuo had said. “Mom, if we want him to leave the supermarket empty-handed, we have to bear with it for the time being. At least until the supermarket is successfully transferred out!”

This ‘he’ was naturally referring to an dongliang.

Xia Xiaoman naturally understood the meaning behind an Lizi's words. "Don't worry, Lizi. There's no need to bear with it. As long as I want, the supermarket can be transferred out tomorrow."

.....

Xia Xiaoman had been in business for so many years and knew many of her bosses.

There were many people who wanted to take over the supermarket.

"Really?" An Lizi's eyes lit up.

Xia Xiaoman nodded.

An lizi continued, "Mom, let's go to the hospital now."

The house was equipped with surveillance cameras. With the surveillance footage, the injury assessment, and the evidence of an Dongliang's infidelity, it would be much easier to go to the court to sue for divorce!

The mother and daughter arrived at the hospital.

The wound on Xia Xiaoman's head did not seem to be very serious, but she had received a few stitches.

An Lizi was in so much pain that she regretted not bringing a beer bottle to the back of an Dongliang's head!

Xia Xiaoman held an Lizi's hand. "Lizi, mom is fine, you don't have to worry."

Although Xia Xiaoman had received a few stitches to her head, she did not choose to stay in the hospital. She prescribed some medicine and received the injury assessment report before bringing an Lizi home.

Xia Xiaoman was a very strong person. The next day, she contacted the person who wanted to take over the supermarket and discussed the transfer.

The other party was called Wang Daqiang, 42 years old this year. He was very strong and had known Xia Xiaoman for many years

“Xiaoman, you’ve been running this supermarket for 12 years. Are you really willing to transfer it to me?”

Xia Xiaoman smiled and said, “Do you think I’m joking with you? It’s been 12 years. I’m too tired. I want to have a good rest.”

Wang Daqiang and Xia Xiaoman had known each other for so many years. Naturally, he knew that Xia Xiaoman was a smart and capable woman. He said enviously, “Your husband is really lucky to have married you!”

Xia Xiaoman smiled and didn’t reply.

“By the way, can the transfer fee really be any lower?” Wang Daqiang continued to ask.

Xia Xiaoman continued to say, “I have more than two million worth of goods here. Adding this three-story house, you won’t lose out on 35 million! If it wasn’t for the urgent transfer, I really wouldn’t be willing to sell it for 35 million.”

Xia Xiaoman bought this house herself.

Twelve years ago, the house price in Yun Jing wasn’t as scary as it was now. She only spent 100,000 yuan to buy this house.

After living for so many years, she had developed feelings for him.

If it wasn't for this incident, Xia Xiaoman wouldn't have been willing to sell it.

"Alright!" Wang Daqiang thought about it in his heart. "35 million then! When are we going to go through the transfer procedures?"

Wang Daqiang was not a fool.

He knew that the value of this supermarket was far more than 35 million!

Just this house alone had been sold for 16 million. Moreover, the supermarket's business was so good that he really did not lose out on 35 million.

"Let's Go Now," Xia Xiaoman said.

Wang Daqiang was a little surprised that Xia Xiaoman was so anxious, but he did not ask further. "Okay, let's go then."

After completing the transfer procedures, the next day, Xia Xiaoman brought an Lizi and left the house that they had lived in for more than ten years.

They moved into the small villa that they had just bought.

The small Villa's environment was elegant, and it was especially close to North Bridge High School.

On the third day after they moved in, an Lizi invited Ye Zhuo and Zhao Pingting over as guests.

Ye Zhuo and Zhao Pingting arrived as promised.

An Lizi introduced the two to Xia Xiaoman. "Mom, this is Ye Zhuo. You can call her Zhuo Zhuo. This is Zhao Pingting. You can call her Pingting."

Chapter 174: 086: Prison for murder! A big shot in the business world! 2

Xia Xiaoman smiled and said, "Hello, Zhuozha Pingting. I'm an Lizi's mother."

"Hello, Aunty."The two of them greeted politely.

Xia Xiaoman knew that their family's matter this time was all thanks to ye Zhuoshi, so she sized up ye Zhuoshi a few more times.

Her eyes were filled with astonishment.

This little girl was not only good-looking, but also very calm. She did not have the impetuous temperament of her peers at all.

No wonder she handled things so well.

Even an adult like her would feel ashamed to stand in front of her.

Xia Xiaoman continued, "Blazing Pingting, don't be restrained at Auntie's place. It's just like being at home. I still have something to do. Lizi, remember to take good care of blazing and Pingting."

Xia Xiaoman knew that young people nowadays were different from their era. If she was at home, the children would definitely not be able to relax.

An Lizi nodded. "I understand."

After Xia Xiaoman left, Zhao pingting asked curiously, "Lizi, has your father and your mother already completed the divorce procedures?"

An Lizi said, "My mother went out today to ask a lawyer to handle this matter."

"Then where is your father?"

.....

An Lizi said, "He should be with that mistress of his. Ever since he fell out with my mother last time, he hasn't returned! My mother plans to send the court summons directly to Liang Xinyi."

Zhao pingting continued, "If he cries and repents, don't be soft-hearted! As far as I know, even scumbags can act."

"Don't worry, he won't." An Lizi's eyes were very firm.

However, from the moment an Dongliang hit her and her mother, an Lizi no longer had this father in her life.

An Dongliang did not go back for a few days. He wanted to give Xia Xiaoman a lesson.

He wanted Xia Xiaoman to feel a sense of crisis.

Xia Xiaoman loved him so much, she would definitely kneel down and beg him to go back!

However, what an Dongliang did not expect was that not only did he not get Xia Xiaoman, he even got a summons from the court.

Case: divorce dispute.

An Dongliang's mind buzzed as he looked at the summons in his hand in disbelief.

Xia Xiaoman loved him so much, why would she divorce him!

However, this subpoena was not fake.

Most importantly, not only did Xia Xiaoman want to divorce him, she also wanted him to leave the house with nothing.

B \* Tch!

She was too daring!

Everything in the An family belonged to him. He was the head of the family. Xia Xiaoman should be the one leaving the house with nothing!

An Dongliang immediately picked up his phone and called Xia Xiaoman.

He thought Xia Xiaoman would not pick up the call.

He did not expect Xia Xiaoman to pick up. "Hello."

"Xia Xiaoman! You want to divorce me?" An Dongliang said angrily.

"Yes." Xia Xiaoman's voice was very calm.

"B \* Tch! I will not divorce you! I will not go to the court either!"

"It's up to you." Xia Xiaoman continued, "However, if you don't go, the court will automatically dissolve our marriage."

After saying this, Xia Xiaoman hung up the phone.

Liang Xinyi walked over from the side. "Dongliang, your wife wants to divorce you?"

An Dongliang nodded.

Liang Xinyi's eyes flashed. After waiting for so many years, she had finally waited until today.

In the future, she would be a rich lady.

"Then divorce her! Anyway, you have no feelings for her anymore!" Liang Xinyi hugged an Dongliang. "I will always be by your side in the future, forever and ever."

With Liang Xinyi's words, an Dongliang felt much better. "Stay at home first, I'll go back for a while."

"What are you going back for?"

An Dongliang said, "I'm going to chase Xia Xiaoman out! The supermarket belongs to our family, that B \* Tch Xia Xiaoman doesn't deserve to stay in the supermarket anymore!"

"Then, I'll go with you!" Liang Xinyi thought of something.

"I'll go alone. It's not appropriate for you to appear at a time like this. You can go to the supermarket after I divorce that B \* Tch." An Dongliang picked up his suit and walked out of the door.

He arrived at the An family supermarket.

An Dongliang realized that an unfamiliar man was sitting in the living room on the third floor.

“Who are you? Why are you sitting in our living room? Where’s Xia Xiaoman?”

This strange man was Wang Daqiang. “Xia Xiaoman has already transferred the supermarket to me.”

Transferred?

An Dongliang was furious and started to flip the table. “I’m the owner of this supermarket! I didn’t say transfer, who dares to transfer! I’m the real owner of this supermarket! Get lost! This is my home!”

Wang Daqiang did not fight with him and called the police directly. “Hello, 110? There’s someone breaking into a private house here!”

Chapter 175: 086: Murder in prison! A big shot in the business world! 3

The police arrived very quickly.

An Dongliang was taken away by the police.

Ten days later, Xia Xiaoman and an Dongliang’s divorce case officially began.

Because an Dongliang was abusive and cheating, the court directly sentenced him to leave the house with nothing.

This time, an Dongliang really panicked! He knelt in front of Xia Xiaoman and cried bitterly, saying that he would immediately sever all ties with Liang Xinyi.

He would treat Xia Xiaoman and an Lizi well in the future.

Unfortunately, Xia Xiaoman was no longer the Xia Xiaoman of the past. “An Dongliang, we can’t go back! I wish you and Liang Xinyi a long and lasting life!”

The poor and lowly husband and wife were always sad.

Now that an Dongliang had nothing left, could he really stay with Liang Xinyi for a long time?

Hearing this, an Dongliang’s eyes lit up and he immediately found a place to rest.

That’s right!

He still had Liang Xinyi!

With Liang Xinyi by his side, even if he had nothing, he could still make a comeback!

.....

An Dongliang got up from the ground. “Xia Xiaoman! Remember what you said today. Don’t regret it in the future!”

Xia Xiaoman smiled. “Don’t worry, I will never regret it.”

After saying this, Xia Xiaoman turned around and left.

An Dongliang also returned to Liang Xinyi’s residence.

In order to celebrate an Dongliang’s successful divorce, Liang Xinyi prepared a sumptuous candlelit dinner.

Looking at the candlelit dinner that Liang Xinyi had prepared meticulously, an Dongliang was very happy.

He knew that Liang Xinyi truly loved him. No matter what he became, Liang Xinyi would never abandon him.

However, after learning that an Dongliang had been stripped clean of his assets, Liang Xinyi's gentle expression instantly changed. "Dong, Dongliang, stop joking!" The An family had such a large amount of assets, and an Dongliang was the head of the family, how could he be stripped of his assets!

An Dongliang sighed. "It's true! Xia Xiaoman, that B \* Tch, tricked me! I don't even have a chance to appeal! Xinyi, I don't have anything now, I only have you."

"Where's the court's verdict? Let me take a look!" Liang Xinyi said.

An Dongliang passed the verdict to Liang Xinyi.

Liang Xinyi initially thought that an Dongliang was testing her.

After reading the verdict, Liang Xinyi's heart turned cold!

She did not expect that an Dongliang was actually left with nothing!

He did not even get a single cent!

"So, you're a penniless pauper now?" Liang Xinyi looked at an dongliang.

Back then, she only hooked up with an Dongliang because he was rich.

Now, an Dongliang was already a pauper.

Then, there was no need for her to continue pretending.

She did not want to waste time on a pauper!

“Xinyi?” An Dongliang looked at Liang Xinyi in disbelief. He thought that he was hallucinating.

“An Dongliang, since things have come to this point, let me be frank with you! I never loved you. I was with you because of your money!”

An Dongliang looked at Liang Xinyi in disbelief.

In her eyes, Liang Xinyi had always been a kind and good woman.

How did she become like this?

“Xinyi, you’re joking with me, right?”

Liang xinyi said, “I’m not joking with you! Why Don’t you take a look at yourself! Do you think you’re worthy of me? If you have any self-awareness, pack your things and get lost!”

Hearing these cold and ruthless words, an Dongliang’s face was filled with anger. He raised his hand and slapped Liang Xinyi. “B \* Tch! You B \* Tch! I’m separated from my family because of you! I’m penniless! How dare you lie to me!”

For so many years, an Dongliang had never thought that Liang Xinyi was with him for money.

Liang Xinyi was stunned. She did not expect an Dongliang to hit her. She screamed, “Ah, you dare to hit me! You’re a poor man! A toad wants to eat swan meat! Shameless!”

These words made an dongliang lose control. He pressed Liang Xinyi to the ground and used whatever he could to hit Liang Xinyi.

“B \* Tch! B \* Tch, you’ve made me suffer so much! I’ll kill you today!”

Liang Xinyi struggled as she said, “Help! I’ve killed someone!”

“Scream! I’ll Let You Scream!” An Dongliang’s expression became fiercer and fiercer.

Very soon, Liang Xinyi stopped moving.

An Dongliang sat on the ground with a numb expression.

It took a while for an dongliang to react. He looked at Liang Xinyi, who was completely disfigured on the ground, and said with a smile, “Well done! B \* Tch! You deserve to die!”

Just as an Dongliang packed his clothes and prepared to escape overnight, the door was kicked open by the police.

Chapter 176: 086: Prison for murder! A big shot in the business world! 4

So it was because the neighbors downstairs heard something wrong and called the police.

“Bang!”

The luggage in an Dongliang’s hand fell to the ground, and a pair of cold handcuffs handcuffed him.

Xia Xiaoman was not very surprised when she heard that an Dongliang was in prison for murder.

Because from the beginning, she knew that an Dongliang would not end up well.

An Lizi went to see an dongliang.

No matter what, an Dongliang was still his father. Now, an Dongliang's life was on the line.

Logically speaking, she should come and see him.

Through a glass window.

An Lizi saw an Dongliang's Haggard face. In just a few days, an Dongliang seemed to have changed.

"Dad."

"Lizi." An Dongliang tried his best to smile at an Lizi. "Thank you for coming to visit dad."

When the prison guard said that his family members had come to visit him, an Dongliang thought that he had made a mistake.

.....

He did not expect an Lizi to really come.

"Are you alright in There?" An Lizi asked.

The people who lived with an dongliang were all death row prisoners.

These people were capable of doing anything.

An ordinary person would not be able to imagine what kind of torture this was.

If he could do it all over again, an Dongliang would never betray Xia Xiaoman. He would take good care of his wife and daughter.

Unfortunately.

He could not go back.

An Dongliang nodded and said in a relaxed tone, "I'm fine, don't worry. Lizi, you and your mother should focus on your studies and get into a good university. Don't let your mother worry."

"Your mother is a good woman. I'm obsessed with her. I've let her down and I've let you down. I'm not a good husband and I'm not a good father."

"..."

"Lizi, if you get married in the future, you have to keep your eyes open. Don't ever meet someone like me! Listen to your mother. She's your mother and she's older than you. She's more experienced in society and she has a better eye for people than you... .."

"Lizi, you must be good to your mother!"

When a person was dying, his words were kind. Unknowingly, an Lizi's face was already covered in tears.

Once upon a time, she also had a happy family and a father who loved her...

Ten minutes of visiting time quickly passed.

Walking out of the prison gate, an Lizi looked up at the sun above her head and tried her best to hold back her tears.

All the dark clouds had passed. In the days to come, she would prepare for the college entrance exam wholeheartedly and try to get into the same university as ye Zao.

...

These days, Ye Shu had been studying English. Even when he was eating, he did not forget to read an English dictionary.

When Ye Sen returned home from a business trip, he was stunned!

The person in front of him who was speaking with ye Zao in English, was it really ye Shu?

After learning English for a while, Ye Sen was not a layman. He could tell that ye Shu's pronunciation was very standard!

"Sister, you must be cheating! It's only been a few days? You speak English so well? !"

Ye Shu smiled and looked up. "Do you think everyone is you? How can you learn English well?"

In fact, in the first few days, Ye Sen was still very serious.

After a few days, he could no longer persist.

Ye Sen was only interested in what he was interested in.

English was too boring.

After being exposed by Ye Shu, Ye Sen scratched his head in embarrassment. "Who said that? I'm also very hard-working, okay?"

Ye Zao calmly continued, "Uncle, teacher Tom, who is in charge of teaching you, sent me a message yesterday. He told me that you haven't gone to his live broadcast room for three days."

Ye Sen: "...holy shit! Heartless! So Cruel!

After saying that, ye Zao continued, "Uncle, you can't do this. Learning English won't do you any harm! Soon, my mother will be several streets ahead of you, and you are still standing there!"

Ye Sen nodded and said with a determined look, "From today on, I will study English well!"

"This is for you." Ye Zao Handed Ye Sen a book.

"What is this?" Ye Sen looked puzzled.

Ye Zao continued, "This is the method of learning English that I recorded. A good memory is not as good as a bad pen. If you have time, you can memorize it. My mother will check it in a week."

Ye Shu nodded in cooperation.

Sometimes, Ye Sen was like a child. Someone had to supervise him.

Otherwise, he would never be able to learn English well.

And the person ye Sen was most afraid of was ye Shu.

Ye Sen held the notebook and smiled. "Isn't it just memorizing something? It's a piece of cake!"

After lunch, Ye Shu and Ye Sen went to work.

Ye Zao was the only one left in the house.

Ye Zao sat in front of the desk and drew something with her head down. Her expression was focused. The sunlight shone in through the window and coated her eyes with a faint halo.

At this moment, the doorbell rang in the air.

Ye Zao picked up a book and pressed the drawing on it. Then, she walked out to open the door.

The door was opened, but there was no one outside.

Ye Zao frowned slightly.

Could it be that her drawing had made her brain go crazy?

Was she hearing things?

“Who is it? Is anyone there?”

Ye Zao asked, but no one answered.

Just as ye Zao was about to close the door, a figure jumped out from the corner. “Surprise!”

Ye Zao looked at the person in surprise. “Grandma Cen?”

.....

“Yezi!” Old Mrs. Cen jogged over, wanting to give ye Zao a warm hug.

However, just as she was about to reach ye Zao, she accidentally slipped and was about to fall to the ground. Ye Zao quickly held her up. “Be careful!”

“Yezi, you’re really good!” Old Mrs. Cen took the opportunity to hug ye Zao.

As expected of the granddaughter-in-law that she valued so much!

Ye Zao touched his nose out of habit. “Usually, the third place in the world.”

“What third place in the world!” Old Mrs. Cen said seriously, “It’s obviously the first place in the world! No. 1!”

Ye Zao was a little embarrassed by old Mrs. Cen’s praise, so he pulled old Mrs. Cen into the living room.

“Grandma Cen, Are You Cold? Do you want to make a cup of milk tea for You?” Although it was early spring, it had been cold for the past few days, so it was still a little cold outside.

“Yezi, you know how to make milk tea?” Old Mrs. Cen asked in surprise.

Ye Zhuo nodded.

“Yezi, you are really amazing!”

With such a powerful Yezi, her great-grandson would definitely be a little genius in the future!

He was good-looking and smart!

Her great-grandson would definitely love her to death.

The more old Mrs. Cen thought about it, the happier she became. It was as if she had already seen her lovely great-grandson.

Ye Zhuo came to the kitchen to make milk tea for Old Mrs. Cen.

Old Mrs. Cen followed him to the kitchen.

The two of them chatted and laughed. The atmosphere in the kitchen was very warm. Although there was a big difference in age between the old and the young, there were no obstacles in communicating.

After a while, the kitchen was filled with the fragrance of milk tea.

Ye Zhuo scooped out a cup of the prepared milk tea and handed it to old Mrs. Cen. "Please drink it slowly. Be careful not to burn it."

Old Lady Cen blew on it and carefully took a sip. A strong aroma of black tea instantly filled her entire mouth. There was also a faint milk fragrance and caramel smell.

It was really delicious!

Old Lady Cen was born into a noble family. In all these years, what kind of beverage had she not drunk? However, this was the first time she had drunk a purely handmade milk tea.

The taste was secondary.

The thought was the most important.

Such a beautiful and nimble leaf was really letting that sand sculpture of her grandson off!

After drinking the milk tea.

Old Madam Cen continued, "Leaf, are you free tomorrow?"

Tomorrow was Sunday, so ye Zhuo did not have anything important to do. He nodded slightly and said, "I'm free."

Old Madam Cen grabbed ye Zhuo's hand and said, "Leaf, then you can come to my house as a guest tomorrow! You cured my head disease the last time, so my daughter-in-law and my eldest grandson want to personally thank you!"

It had been so long, and old Mrs. Cen had always wanted to invite ye Zao to visit her house.

Unfortunately, Ye Zao had never been free.

Ye Zao smiled and said, "Grandma Cen, you have already thanked me many times. Last time, you even brought so many gifts over. You really don't need to thank me anymore."

Old Mrs. Cen frowned and said, "Yezi, do you dislike me?"

"Why would I dislike you?"

Old Mrs. Cen continued, "Since you don't dislike me, why don't you come over to my house tomorrow to play? I didn't just want to thank you. Look, I've already familiarized myself with your house, but you haven't even been to my house once!" "Yezi, are we still friends?"

Of course, she didn't just want to thank Ye Zhuo.

She also wanted Cen Shaoqing to meet ye Zao.

Ye Zao was so beautiful that old Madam Cen did not believe that he would not be moved!

Since old Madam Cen had already said so, ye Zao could not refuse. "Since that's the case, then I will respectfully comply! Where is your house? I will go there tomorrow morning."

Hearing this, Old Madam Cen's eyes lit up. She was really too excited!

The plan to finally lure her granddaughter-in-law back home had finally taken a step forward.

She had finally taken a step forward.

She was simply the number one invincible good grandmother in the universe!

"Zao Zao! Then we have an agreement. When the time comes, you are not allowed to stand me up!"

Chapter 178: 086: Murder in prison! A big shot in the business world! 6

"Don't worry, since I promised you, I Won't go back on my word."

Old Lady Cen smiled and said, "My family lives in No. 2 of Jinxiu Manor. Yezi, remember to come over early tomorrow! Remember to call me when you're almost there! Forget it, I'll call you!"

Ye Zhuo knew about Jinxiu Manor.

It was a famous wealthy district in Yunjing.

It was appropriate to describe the houses there as being worth every inch of land.

Living in such a place, Old Mrs. Cen was indeed worthy of being someone with a mine in her family!

After staying in the Ye family for an afternoon and repeatedly confirming that ye Zhuo would come tomorrow as promised, old Mrs. Cen reluctantly left the Ye family.

Ye Zhuo sent old Mrs. Cen to the entrance of the community.

The Cen family's car was already waiting by the roadside.

The driver was still Xiao Wang.

After the Cen Old Lady got into the car, the smile on her face did not diminish. She leaned against the back of the chair and said, "Xiao Wang, have you been tired from driving recently?"

Xiao Wang was stunned, and a strange sense of familiarity arose.

The Cen Old Lady had taken the initiative to talk to him twice.

.....

The first time was to show off that she had a beautiful granddaughter-in-law.

The second time was to show off that she was a good grandmother in China.

It was unknown what she was trying to show off this time.

It was really too difficult for him!

"Thank you for your concern, Old Mrs. Cen. I'm not tired."

Old Mrs. Cen continued, "Have you found a girlfriend now?"

"No." Little Wang shook his head.

Old Mrs. Cen frowned. "Last year, you were a single dog. A year has already passed. Why are you still a single dog?"

Xiao Wang: "...it really pricked his heart!

After a long while, Xiao Wang finally managed to squeeze out a sentence. "Old Mrs. Cen, you're so fashionable that you even know about being a single dog!"

Old Mrs. Cen was almost 90 years old this year.

It was not easy for a 90-year-old old man to be able to say such a popular internet phrase like being a single dog.

Xiao Wang recalled the last time when he told his grandmother that he was still a single dog, and his grandmother had slapped him without saying a word...

Old Mrs. Cen said with a proud face, "That's right, I don't only know about single dogs, I also know About Singles' Day! Every year, on November 11th, it's a festival for Single Dogs Like You! "Originally, my eldest grandson also wanted to celebrate this festival, but now, with the help of a good grandmother like me from China, he no longer needs to celebrate this festival! "He had no choice, who asked him to have such a good life! "To have met such a good grandmother like me! "If it weren't for me, he would probably be like you, a single dog until now."

Little Wang: "...so it turned out that old Mrs. Cen was here to torture the dog today.

Old Mrs. Cen continued, "Little Wang, what do you think of my taste?"

Finally, I don't torture the dog anymore!

Little Wang heaved a sigh of relief and nodded. "It's pretty good." Although Old Mrs. Cen was very old, there was really nothing to say about her outfit. Even a young man like little Wang couldn't compare to her.

Old Mrs. Cen said proudly, "That's right! If I didn't have good taste, would I be able to lie to such a beautiful wife for my eldest grandson?"

Little Wang: "... "after taking such a long detour, in the end, he still could not escape the fate of being abused.

At the same time.

CEN Corporation.

In the top-floor office.

The man was dressed in a plain-colored long robe with a prayer bead in one hand and was reading documents with the other.

It was obviously a very simple action, but with every movement, he exuded a natural domineering aura that made it difficult to ignore.

"Knock, Knock, Knock." Suddenly, there was a knock on the door.

The man raised his head slightly, revealing a pair of dark eyes. "Come in."

The person who came was none other than Li Qiandong.

Li Qiandong was holding a stack of documents in his hand.

“Fifth brother, I need you to sign these.”

“Put them here.”

Li Qiandong continued, “By the way, fifth brother, do you know ZY Technology?”

“No.” Cen Shaoqing twirled the Buddha beads with an indifferent expression.

Li Qiandong said with a face full of surprise, “Holy shit! Fifth Brother, you actually don’t know ZY! Let me tell you, this company is absolutely heaven-defying! They actually produced air-conditioned clothes! Do you know what an air-conditioned clothes is? It’s the kind of clothes that can adjust the temperature! ZY company has only been registered for a few months, and they’re already preparing to go public! Even the European and American markets are afraid of them!”

ZY technology company was an emerging industry, but its momentum was unexpectedly fierce! Every time a new product came out, no matter how high the unit price was, it would be snapped up.

Among them, the appointment of the gold-medal designer z was even arranged until after the new year.

With the current situation, it would not be long before ZY company would become a giant in the business world!

Chapter 179: 086: murder goes to jail! A giant in the business world! 7

ZY Company’s rise in the European and American markets had also given China technology a huge boost.

After all, even country P, a big technological country, could not produce an air-conditioner that could adjust the temperature.

“Who is the founder of ZY Company?” When he said that, Cen Shaoqing was also interested.

To be able to invent a human chip that could adjust the temperature, it was enough to show how terrifying this person's strength was!

Li Qiandong continued, "ZY's top executive officer is Zhao Yang, but Zhao Yang doesn't have any shares. He's just a hired professional CEO. Up until now, ZY's real founder has never been seen in public! No one knows who he is or what his name is!"

Cen Shaoqing narrowed his eyes and continued, "Isn't our company's product for the next quarter focused on environmental protection? We can replace the one-time heating pack with a reusable heating chip."

Li Qiandong's eyes lit up. "Fifth brother, do you mean to cooperate with ZY technology company?"

Cen Shaoqing nodded slightly.

Li Qiandong said excitedly, "That's great, fifth brother! I'll talk to the R & D Department about this tomorrow!" Once he cooperated with ZY company, he might be able to meet the legendary founder!

At that time, he would definitely want to see what the legendary founder looked like!

Cen Shaoqing was expressionless and his expression was indifferent. No one knew what he was thinking.

On the other side.

When Old Mrs. Cen returned home, the first thing she told Zhou Xiang was that ye Zhuo was coming over as a guest.

.....

"Xiang Xiang, my granddaughter-in-law is coming over to play tomorrow. Remember to be more enthusiastic!"

Hearing that, Zhou Xiang said excitedly, "Really? The legendary leaf is finally coming?" Zhou Xiang couldn't wait to see what kind of fairy-like appearance that leaf had!

With medical skills and good looks, Zhou Xiang couldn't imagine what kind of person would be so perfect.

"You are the leaf!" Old Lady Cen rolled her eyes at Zhou Xiang and continued, "Tomorrow, my granddaughter-in-law is coming. You are not allowed to call her leaf! If you scare my granddaughter-in-law away, I won't let you off!"

"Don't worry, Mom. I know what I'm doing! No matter what, she's Your Old Savior. I'll treat her well just based on this! Besides, do I look like a mean person to you?"

Old Mrs. Cen continued, "But don't be too enthusiastic. If you scare my granddaughter-in-law away, you'll lose more than you gain."

Zhou Xiang quickly picked up her phone. "I also want to invite Zhuo Zhuo to come over tomorrow."

She wanted to see who was more attractive when the two of them stood together!

Could it be that there was someone more attractive than ye Zhuo in this world?

Ye Zhuo quickly replied, "I'm sorry, Sister Zhou Xiang. I have an appointment tomorrow."

An appointment?

Zhou Xiang's face was full of disappointment. She frowned and said, "Why would I have an appointment?"

Old Mrs. Cen smiled and looked at Zhou Xiang. "I think it's that Zhuo Zhuo who doesn't dare to come, right? She must have been scared by my granddaughter-in-law! My granddaughter-in-law is so beautiful. It's normal that she doesn't dare to come!"

"Who said that! Zhuozhuo is very beautiful, okay!" Zhou xiang continued, "She really has a date!"

"Who knows if she really has a date!" Old Mrs. Cen snorted lightly. "Could it be that you are a worm in her stomach?"

In terms of eloquence, Zhou Xiang could never compare to old Mrs. Cen. She could only say, "Words don't mean anything. When you see her next time, you'll know how beautiful she is!"

Old Mrs. Cen snorted and continued, "Just you wait. Tomorrow, I'll definitely make Shaoqing fall in love with Yezi! The kind that she won't marry!"

Zhou xiang smiled and said, "Mom, let alone fall in love, it's not even certain whether Shaoqing will stay at home obediently tomorrow."

Old Mrs. Cen smiled and said, "Don't worry, he will definitely not run around tomorrow!"

"Do you have a way?"

Old Mrs. Cen nodded.

Zhou xiang asked curiously, "Can you tell me about it?"

Old Mrs. Cen said mysteriously, "There's no rush. You'll know Tomorrow Morning."

The next morning, the family of three sat at the dining table to eat.

Looking at the green vegetable leaves in Cen Shaoqing's bowl and a few dry bread slices, old Mrs. Cen could not help but ask, "Shaoqing, do you really plan to be a vegetarian for the rest of Your Life?"

"Yes." Cen Shaoqing nodded slightly.

"Don't you want to eat meat?" Old Mrs. Cen picked up a piece of meat and waved it in front of Cen Shaoqing. "The meat is very fragrant! Do you want to eat it? If you want to eat it, I'll give it to you!"

Chapter 180: 086: Murder in prison! A big shot in the business world! 8

Cen Shaoqing was unmoved. He even wanted to laugh. "You're too childish."

Old Children, old children. This sentence was absolutely correct when applied to old Mrs. Cen.

Old Mrs. Cen: "...she really wanted to scold him. You're the One Who's childish, your whole family is childish! But when she thought about it, Cen Shaoqing's family included her! So, Old Mrs. Cen forcibly held back.

Putting away her chopsticks, old Mrs. Cen continued, "The miracle doctor who cured grandma today will come to our house as a guest."

Old Mrs. Cen knew Cen Shaoqing's character.

If she had directly said that your future wife would come to our house, Cen Shaoqing would definitely not obediently cooperate.

But it was different to say it in another way.

Moreover, she was not lying. Ye Zhuo was a godly doctor to begin with!

“Are you coming today?” Cen Shaoqing raised his eyes slightly.

Cen Shaoqing had always been very grateful to that godly doctor whom he had never met before.

If it were not for him, old Mrs. Cen would not have been able to recover at all.

For the past twenty years, Old Mrs. Cen had been suffering from illness. It was also during this period of time that old Mrs. Cen truly smiled.

Other than gratitude, Cen Shaoqing was also very curious about the miracle doctor who cured old Mrs. Cen.

.....

After all, Old Mrs. Cen’s head disease had not been cured after so many years of treatment.

In the hands of this miracle doctor, a prescription was enough to solve it.

Old Mrs. Cen nodded. “Why don’t you not go out today? Stay at home and properly entertain the guests. No matter what, she is grandmother’s Savior.”

“Of course.” Cen Shaoqing nodded slightly. “He cured your head disease. I will definitely thank him personally.”

Old Mrs. Cen nodded with satisfaction. Although her eldest grandson was sometimes quite annoying and stubborn, his character was absolutely fine!

“When will he come?” Cen Shaoqing continued to ask.

Old Mrs. Cen looked back at the clock hanging on the wall. “He said he will come in the morning. He should be leaving now.”

Cen Shaoqing nodded slightly. "Then I'll go upstairs first to explain to the secretary about today's work. I'll also hold a video conference. When the godly doctor arrives, you can ask someone to go upstairs and call me."

"Okay." Old Mrs. Cen nodded.

Looking at Cen Shaoqing's back view as he went upstairs, Zhou Xiang gave old Mrs. Cen a thumbs up. "Mom, you're the Best!"

Old Mrs. Cen said proudly, "That's true. Otherwise, how can you say that old ginger is still spicier!"

Ye family.

Ye Zao came back from running and went to the bathroom to take a shower.

Ten minutes later.

Ye Zao walked out of the bathroom wrapped in a towel and went to the wardrobe to pick out clothes.

Like all girls, ye Zao always lacked a piece of clothing in his wardrobe.

After choosing for a long time, Ye Zao chose a plain white dress with a waist. He put on a long coat over it and paired it with a pair of Martin boots. It was an extremely cool outfit!

After changing his clothes, ye Zao whistled at the mirror, "How can I look so good!"

It was already past nine o'clock in the morning when they left the ye residence. When they got on the Internet to book a ride, the driver in the front seat could not help but sneak a few glances at the rearview mirror.

After being an online car-hailing driver for so long, this was the first time he had received an order to go to Mian Xiu Manor!

Who in Yunjing didn't know about Mian Xiu Manor?

This little girl was definitely a rich second generation!

Half an hour later, the car stopped at the main entrance of Mian Xiu Manor.

Ye Zhuo got out of the car and walked straight inside.

Mian Xiu Manor had entrance guards. Under normal circumstances, ordinary people wouldn't be able to enter, but ye Zhuo could tell at a glance that she wasn't an ordinary person. Dressed in a wine-red coat, she walked with an aura that made her open up the entire place! She was exceptionally domineering!

She was unbearably cold.

No one dared to stop her.

The people living in Jin Xiu manor were all nobles. If she accidentally offended a noble, then she wouldn't be able to bear the consequences.

These security personnel were all very perceptive!

Jin Xiu manor was indeed worthy of being a wealthy district. Along the way, it was either a small bridge, flowing water, or all sorts of rare animals.

Black Swans, Alpacas, Peacocks...

As well as all kinds of expensive luxury cars parked by the roadside.

Ye Zhuo came all the way to the Cen family's manor and rang the doorbell.

Soon, a servant came to open the door. "Hello, May I ask who you are?"

"My surname is Ye." Ye Zhuo's tone was indifferent.

The servant quickly opened the door and said respectfully, "Please come in quickly!" Then, he said to the people beside him, "Quickly inform the old lady and Madam that Miracle Doctor Ye Is Here!"
