“Chapter 1751: 360: Great Burning, sent straight to jail! 7”

“After chatting about some other things, Feng Ying’s eyes rolled around and landed on the old lady’s wrist, she smiled and said, “Grandma, the Jade bracelet on your hand is really beautiful! The color is also not bad. Nowadays, it’s rare to see such good jade abroad.” ”

“The old lady reached out and took the bracelet off. “If you like it, I’ll give it to you. I’m old, I don’t need to wear these things anymore.” ”

“”Grandma, I remember this is your favorite bracelet. I Can’t take away someone’s love! By the way, I heard that you have a piece of plain jade, right?” ”

The plain jade was a family heirloom of the Feng family. It had been passed down from the hands of the Feng family’s old master for more than a thousand years.

“The old lady rarely mentioned the plain jade to others, but Feng Ying was not an outsider. ”

“Your mother told you about it?”

“”Yes.” Feng Ying nodded. “My mother said that the plain jade is quite magical, so I’m a little curious.” ”

“The old lady continued, “I do have this plain jade that was passed down from your great-grandfather, but I don’t know if it’s magical or not.” ”

So there really was one!

“Then can you let me see it?” Feng Ying continued to ask.

“Yes.”The old lady stood up from the chair and walked into the room.

Feng Ying Tiptoed as she looked at the old lady’s back. Her eyes were full of scheming light.

It was too easy!

She did not expect the old lady to be so gullible!

“In a moment, the old lady walked out of the room with a box in her hand. ”

“”Grandma, is Suyu Inside?” ”

“Yes.”The old lady nodded and reached out to open the box.

“As soon as she opened a crack, a bright light leaked out from inside, which was unusually dazzling. ”

“After the lid was opened, a piece of jade that was completely green could be seen lying inside the box. It was rectangular and not big, about the length of an index finger. ”

“”This is the plain jade,”the old lady said. ”

“Feng Ying’s eyes were full of surprise. She wanted to reach out to pick up the plain jade, but was stopped by the old lady. “This plain jade is different from ordinary jade. Don’t touch it with your hand.” ”

“”OH.”Feng Ying withdrew her hand and continued, “Grandma, I like the Jade too much. Can you give it to me?” ”

“”You’re my only granddaughter. Who else can I give it to if not you?”The old lady smiled and said, “But now is not the time. I still have to examine you for a while.” ”

“Feng Ying hugged the old lady’s arm and began to act coquettishly. “Grandma, don’t worry. I promise I won’t let you down.” ”

“”Okay.” After all, she was the granddaughter that she had raised by herself, so the old lady was still very assured of Feng Ying. ”

Time passed very quickly.

“In the blink of an eye, more than half a month had passed. ”

“During this half a month, the old and the Young had a period of happiness. In the past half a month, Feng Ying did not mention the jade again, which made the old lady let down her guard, she was going to give Su Yu to Feng Ying in the next few days. ”

“She was old and could close her eyes at any time. Su Yu was such an important thing, so she could not lose it. It was better to give it to Feng Ying earlier. ”

“The old lady was watering the flowers while thinking about something, with a faint smile on her face. ”

“At this moment, Feng Ying’s phone suddenly rang. ”

“Looking at the back of the old lady watering the flowers in front, Feng Ying walked to the corner and picked up the phone. “Hello, Miss Tina.” ”

“”Miss Feng, we can’t wait any longer.” ”

“Feng Ying frowned slightly. “Miss Tina, I know you’re very anxious, but you can’t be in such a hurry. My grandmother has promised to leave Suyu to me. Don’t worry, I’ll bring Suyu back to China as soon as possible.” ”

The old lady was about to go back to the house to discuss the matter of Suyu with Feng Ying when she heard Feng Ying’s voice on the phone.

There seemed to be something wrong with her voice.

The old lady held her breath and listened to their conversation.

“”Miss Tina, my grandmother is a very trustworthy person. Besides, I’m her only granddaughter. Who else can she give her jade to besides me? “I can’t guarantee the exact time, but I can guarantee that as soon as I get the Jade, I’ll send it to you immediately.” ”

“After hearing this, the old lady was stunned and her face turned pale. ”

She did not expect that Feng Ying had been acting with her for the past few days.

She also did not expect that Feng Ying had been in contact with C Nation.

“Now, it seemed that Gamila had come for the jade. ”

It seemed that there must be other secrets hidden in the jade.

“Otherwise, the people of C Nation would not try so hard to get the jade. ”

No!

She could not let the jade fall into the hands of these pirates.

“Thinking of this, the old lady took a deep breath and tried her best to calm herself down. She walked upstairs and took out the jade from her bedroom. ”

“After taking out the jade, the old lady went downstairs. ”

“Feng Ying had just finished her phone call. Seeing that the old lady looked like she was going out, she asked, “Grandmother, are you going out? I’ll accompany you.” ”

“”No need.”The old lady smiled and said, “I’m just going out for a walk. You Don’t have to follow me.” ”

“Feng Ying just happened to have her own little plan, so she said, “Okay, then you be careful on the road. If there’s anything, call me.” ”

“Okay.”The old lady nodded.

“After the old lady left, Feng Ying went to the old lady’s bedroom and rummaged through the cabinets to find something. ”

Tina could not wait any longer!

“Therefore, she had to steal the jade. ”

“On this side, the old lady came to the entrance of the CEN family’s experimental base. Just as she was about to enter, she was stopped by the security team. “Please Show me your identification.” ”

“The old lady raised her head to look at the security team. “My surname is Feng, and I’m Feng Qi’s mother. I want to see your Miss Ye. Please tell her that I have an important matter to look for her.” ”

“Hearing that it was professor Feng’s mother, the head of the guards did not dare to be careless. “Okay, please wait a moment. I’ll go and inform her right away.” ”

“Chapter 1752: 361: unexpected reversal, Feng Ying’s death! 1”

“At this moment, ye Zao was wearing an isolation suit as he worked in the laboratory. ”

“By now, the space-time shuttle had been half-researched and was stuck at the most crucial step. There was still one chip left. ”

“As long as he found a suitable chip, he could activate the shuttle. ”

“Miss Ye.”Cen Hu jogged over.

“Okay.”Ye Zhuo put down the controller and looked up at Cen Hu.

“Cen Hu continued, “Miss Ye, Feng Qi’s mother wants to see you.” ”

Feng Qi’s mother?

Ye Zhuo was stunned. “Who’s Feng Qi?”

““It’s Professor Feng.”Cen Hu explained, “She said she has something important to ask you.” ”

Professor Feng’s mother wants to see her?

“Ye Zhuo frowned slightly and asked, “Where is she now?” ”

“She’s at the door.”Cen Hu looked up at Ye Zao. “Do you want to see her now?”

““Yes.”Ye Zao nodded slightly. Although Professor Feng had betrayed the base, it was Feng Qi’s mother standing outside the door. ”

Feng Qi was Feng Qi. These were two different things.

“The old lady said that she had something important to see her, so there must be something.”

“As Ye Zao spoke, he walked into the preparation room. “Go out and tell the old lady that I’ll be out in five minutes.” ”

“Okay.”Cen Hu nodded. “Then I’ll take her to the waiting room first.”

“Okay.”Ye Zhuo nodded slightly.

“On this side, Cen Hu came outside and saw an old man with a head full of silver hair standing there.”

“The old man looked to be in his eighties or nineties. He was leaning on a cane. Perhaps it was because of the death of his daughter in his old age, but the old man had a hunched back. Looking at him like this, it made people feel a little moved.”

“”Hello, Old Man.”Cen Hu walked in front of the old lady.”

“”You, Hello.”The old lady raised her head to look at Cen Hu.”

“Cen Hu was about 1.8 meters tall. He was tall and strong. Standing in front of the old lady, the old lady had to raise her head to look at him.”

“Cen Hu said politely, “Old man, I’m Miss Ye’s assistant, Cen Hu. Miss ye is a little busy right now. Please follow me in and wait for her.” ”

“”Alright, thank you.”The old lady followed Cen Hu’s footsteps.”

“The waiting room was inside the base, so it was still some distance to walk over. In order to take care of the old lady, Cen Hu deliberately slowed down his footsteps.”

“The old lady walked and watched along the way. When she remembered that Feng Qi had once worked here, her eyes welled up with tears. ”

“Things are not as they should be. If one wanted to say something, tears would flow first. ”

“If Feng Qi did not do it, he would be like Cen Hu, a member of the Cen family’s base... ”

Unfortunately.

There were no ifs in this world.

Feng Qi had already become a traitor and was forever nailed to the pillar of shame.

“Thinking of this, the old lady sighed. ”

“Feeling the change in the old lady’s mood, Cen Hu slowed down and lowered his head to ask, “Old Lady, are you okay?” ”

“”I’m fine, I’m fine, I’m fine.”The old lady wiped her tears and tried her best to squeeze out a smile. ”

“Cen Hu did not know what to say. He had always been a person who did not know how to comfort others, so he could only pretend that he did not see the old lady wiping her tears. ”

“A few minutes later, Cen Hu brought the old lady to the waiting room. ”

Ye Zhuo was still inside changing into his isolation suit and had not come out yet.

“Cen Hu asked someone to pour a cup of tea for the old lady. “Have some tea first. Be careful, it’s hot.” ”

“”Thank you, young man.”The old lady smiled and thanked him. ”

““You’re welcome.”Cen Hu continued, “Miss Ye’s side might have to wait a few more minutes before coming over. It’s been hard on you to wait.” ”

The old lady looked at Cen Hu. “It’s not hard on you. It’s fine for me to wait. I have nothing to do anyway.”

“Soon, footsteps could be heard in the air. ”

A slender figure walked in from outside.

“The crystal lights pulled her figure a little too long. She was not there yet, but her aura was already there, making it hard for others to catch up to her. ”

The old lady narrowed her eyes.

Cen Hu immediately looked up. “Miss Ye!”

“At this moment, the figure outside the door appeared in the air and nodded slightly at Cen Hu. “Yes.” ”

“Then, Ye Zhuo walked in front of the old lady and said, “Hello, Old Lady. I’m Ye Zhuo. I heard that you have something to talk to me about.” ”

“Hearing this, the old lady looked up. ”

“Although she was old, her eyes were not blurry.”

The little girl standing in front of her was about eighteen or nineteen years old. She had a pretty face and delicate facial features.

“The Old Lady was born into a prestigious family. In her life, she had seen many famous beauties. ”

But no one had ever made her so stunning!

Was this the Miss Ye who built the aircraft carrier?

The old lady was stunned.

She had to admit that ye Zhuo was very different from what she had imagined.

“She had thought that Miss Ye was in her twenties or thirties, but she had not expected her to be so young. ”

“Chapter 1753: 361: unexpected reversal, Feng Ying’s death! 2”

“Most importantly, although the little girl was young, she exuded a calmness that was not found in people of the same age. ”

She was like a person who had gone through thousands of trials and tribulations.

“If one had to describe her in four words, it would be — ”

Unparalleled in the world.

And it was not an exaggeration at all!

“”Miss Ye.”The old lady looked at Ye Zhuo and immediately said, “I am Feng Shu jing, also Feng Qi’s mother. Thank you for taking time out of your busy schedule to meet an old woman like me.” ”

““You’re too kind, old lady.”Ye Zao looked at the old lady and smiled. “Please have a seat.” ”

“In this world, ye Zao had no resistance to two things. ”

One was a kind-looking old man.

The other was a delicious dessert.

“Ye Zao was an orphan in his previous life. When he was seven years old, he almost froze to death in the snow. ”

“An old lady picked her up and fed her with warm sugar water, bit by bit. ”

“The sweetness was not just in her taste buds, but in her heart. ”

She would never forget it for the rest of her life.

“From then on, Ye Zao ate the sweetness like his life depended on it. ”

What made ye Zao Regret was that his grandmother passed away too early. She could not let his grandmother live a happy old age.

“Ever since his grandmother passed away, ye Zao focused on studying traditional Chinese medicine. Later on, Ye Zao began to develop the time travel device, hoping to use the time travel device to make up for his regret. ”

“Unfortunately, in his previous life, an accident happened halfway through the experiment. ”

Feng Qi’s mother was different from Feng Qi.

“The old lady had a kind face, and it was obvious that she was a kind-hearted person.”

“Unfortunately, she could not give birth to a good daughter.”

“Otherwise, the old lady would definitely be able to live a happy old age.”

“The old lady looked at Ye Zao, and for some reason, her eyes suddenly felt a little sore, she sobbed and said, “Miss Ye, I’m sorry. It’s my fault for not teaching my daughter well and causing you and the base to be humiliated. I apologize to you, and I don’t expect you to forgive me. I just want a peace of mind...” ”

“At the end of her sentence, the old lady bowed to the old lady.”

““Old Lady, please don’t do this! Feng Qi Is Feng Qi, and you are you. This has nothing to do with you.”Ye Zao helped the old lady up and continued, “The dead are dead, and the living are like this. Don’t mention this matter again.” ”

“The old lady looked at Ye Zao, her eyes red.”

“She thought that ye Zao would be unusually angry at the mention of Feng Qi again and give her a hard time. After all, Feng Qi had betrayed the base.”

And Cen Shaoqing was kind to Feng Qi.

What Feng Qi did was no different from returning kindness with enmity.

“When the old lady came, she was even prepared for ye Zao to give her a hard time.”

“However, ye Zao did not give her a hard time, nor did he take the opportunity to criticize her.”

Ye Zao was still smiling. It was Feng Qi's fortune to have a leader like ye Zao.

"Most importantly, although ye Zao was young, he had a strong aura. One could tell that she was not someone who was easy to deal with."

The aircraft carrier was just the beginning.

"In the future, she would have even greater achievements."

Feng Qi betraying ye Zao was her loss!

"Seeing the old lady's face full of tears, ye Zao immediately took out a tissue to wipe her face. "Old Lady, don't be sad. If you have any difficulties in your life in the future, you can come and find me anytime." "

The old lady was immediately stunned.

She felt even more guilty.

"Although Feng Qi was Feng Qi, she was, after all, Feng Qi's mother."

It was all because she had failed to teach her daughter well that Feng Qi had done such a thing.

She had let everyone down.

"Miss Ye, thank you. You're a good person and a good leader."The old lady held ye Zao's hand tightly. "It's Feng Qi who doesn't know how blessed he is."

"It's everyone's responsibility to care for the elderly."Ye Zao smiled and said, "Oh right, I heard from Cen Hu that you have something important to look for me."

""Yes."The old lady nodded and looked at ye Zao, then, she said, "I'm not afraid that you'll laugh at me. Feng Qi's daughter, my granddaughter, has also embarked on the same path as her mother. My life has been wasted. My daughter is not like my daughter, and my granddaughter is not like my granddaughter..." "

"At the end of her sentence, the old lady let out a long sigh. "

She had never thought that she would end up like this in her later years.

"If she had known this would happen, she would not have had to guard Feng Qi all those years ago. "

"In the end, she became a joke. "

"Seeing the old lady like this, Ye Zao felt a little sorry for her. The old lady was making her grandson happy, but the old lady was crying all day long. "

"However, ye Zao was not surprised to hear that Feng Ying had also betrayed the base. After Feng Qi betrayed the base, Ye Zao had investigated Feng Qi and her daughter Feng Ying. "

"Chapter 1754: 361: unexpected reversal, Feng Ying's death! 3"

"Feng Ying lived abroad all year round and was a fashion designer. After Feng Qi defected, Feng Ying entered the International Fashion Department! "

A discerning person could tell at a glance what was going on inside.

"If it weren't for Feng Qi, with Feng Ying's qualifications, she definitely wouldn't have been able to enter the international fashion department. "

“”I won’t say anything else...”after saying that, the old lady sighed and took out the wooden box from the bag. “Miss Ye, I came here today to give this to you.” ”

“What is this?”Ye Zhuo asked curiously.

“The old lady opened the lid of the wooden box. Just as she opened the lid, a dazzling light poured out from it. “This is the family heirloom of our Feng family.” ”

Family Heirloom?

“Since it was a family heirloom, the old lady should leave it to her descendants. ”

Leave it to her for what?

Ye Zhuo suddenly did not understand the old lady’s intentions.

“After saying this, the old lady continued, “This piece of jade has been passed down in our Feng family for nearly a hundred years. I’m already old and might leave one day. So, Miss Ye, I’ll hand it over to you now.” ”

This was the purpose of the old lady’s visit.

“Ye Zhuo stood up. “Old Lady, I can’t accept such a valuable thing.” ”

A family heirloom represented the inheritance of a family. How could she accept such an item.

“”Miss Ye, don’t be in a hurry to reject it. Listen to Me First.”The old lady looked at Ye Zhuo and spoke slowly, as if she was chatting with her family. As they chatted, tears almost burst out of her eyes, “Half a month ago, my granddaughter, Feng Ying, returned. Feng Ying was a child that I raised by myself. Her mother was busy working all day at that time. She was only four months old, and she was already handed over to me to take care of. A child of four months old, and she was still so young. Every night, I had to get up and feed her milk powder... “...” “...” ”

""When she was young, Feng Ying was really cute and very smart. The three-star student awards were plastered all over the wall. "When I was young, she was very close to me. For six years in primary school and three years in junior high school, I personally sent her to and from school. "When I was in high school, Feng Qi said that he wanted to train the child's autonomy, so he sent her to a boarding school. "After she went to boarding school, Feng Ying's entire personality changed. After she graduated from university, she went abroad to study. Once she went abroad, it was a full ten years. During these ten years, other than voice, video, and phone calls, I had almost no contact with her "

""God knows, half a month ago, when I saw Feng Ying coming back from outside the door, I was so happy. I thought, this child has a grandmother in her heart. She is different from her mother." "

"At this point, the old lady took out a tissue to wipe her tears, then, she said, "Until this morning, I heard her talking on the phone with someone else, only then did I know her real purpose of coming back to China this time! "She didn't come here to show her filial piety and reunite with me. She came here for Suyu! "I heard her calling Tina on the other end of the phone. Before Feng Qi defected, she also talked to Tina on the phone "

""It was Tina who asked her to go back to China and take away suyuu! "Rather than asking Feng Ying to give the Suyu to C nation, it would be better to let the Suyu play its true role! "Tina is from the research base of C Nation. She must have wanted the Suyu because it contained an unspeakable secret. "Therefore, I want to hand the jade over to you. Take it as my last contribution to China before I Die! "No matter what, I can not stand by and watch her give the thing that belongs to US Chinese to a bunch of pirates!" "

"The old lady stood up and picked up the jade with both hands. She handed it to ye zhuo, "So, Miss Ye, please do not reject me!" "

"Although the old lady was old, her patriotic heart was still young and active! "

"No matter what, she would never betray her country. "

"She wanted to atone for her sins in the twilight of her life, for Feng Qi and her daughter's sins! "

“The old lady’s words were moving from the bottom of her heart. Her patriotic fervor was even more admirable. Ye Zhuo stood up and took the wooden box from the old lady with both hands, “Don’t worry, Old Lady. We will definitely find out the value of the plain jade. We will not let you down.” ”

“Thank you.”The old lady wiped her tears.

“”I should be the one thanking you. Thank you for your deep sense of justice.”Ye Zhuo continued, “Your patriotism is worth learning from every Chinese.” ”

“The old lady looked at Ye Zhuo, her eyes full of emotion. ”

“The little girl in front of her was a few years younger than Feng Ying, but her words and actions were a few streets ahead of Feng Ying. ”

“If Feng Ying could be half as good as ye Zao, she would not be like this. ”

“Chapter 1755: 361: unexpected reversal, Feng Ying’s death! 4”

“”Miss Ye, I won’t bother you anymore. I’ll go back first,”the old lady continued. ”

“”I’ll get someone to send you back,”ye Zao said. ”

“”No need,”the old lady refused with a smile. “There’s a driver waiting for me outside.” ”

“”That’s fine.”Ye Zao nodded slightly. “By the way, I’ll leave a number for you. If you encounter any difficulties in the future, or if you’re bored at home and want to find someone to chat with, you can call me anytime.” ”

“As Ye Zhuo spoke, he picked up his notebook and pen from the table and wrote down his phone number to the old lady.”

“The old lady took the notebook with both hands. “Thank you, Miss Ye.” ”

“You’re too polite.”

Ye Zhuo sent the old lady out of the base and watched the car disappear into the air before walking into the base.

“Ceng Hu followed behind ye Zhuo, he couldn’t help but sigh. “Feng Qi’s mother is completely different from Feng Qi. I really don’t know why the old lady has a daughter like that! It’s fine if the daughter is like that, but the granddaughter is also like that!” Other people had saved the Milky Way in their previous lives, ceng Hu now suspected whether the old lady had destroyed the Milky Way in her previous life! ”

Ye Zhuo thought seriously for a moment. “Maybe there’s something wrong with Feng Qi’s paternal genes. But it has something to do with the acquired effects.”

Cen Hu nodded.

On the other side.

The Feng family.

“Feng Ying almost turned the old lady’s room upside down, but she couldn’t find Suyu. ”

Where was Suyu?

Feng Ying was a little anxious.

“If she couldn’t find Suyu, how was she going to explain to Tina? ”

“Where did grandma hide the Thing!” Feng Ying frowned.

“At this moment, the sound of a car engine came from downstairs. ”

Is the old lady back?

Feng Ying’s eyebrows jumped and she immediately went to the balcony.

“Sure enough, the old lady was back! ”

“Seeing the old lady, Feng Ying immediately ran back to her room and tidied up the things inside. ”

“Ten minutes later, Feng Ying pretended that nothing had happened and came downstairs. “Grandma, you’re back.” ”

“Yes.”The old lady nodded.

“Feng Ying continued, “Grandma, what do you want to Eat Tonight? I’ll make it for you.” ”

“The old lady smiled and said, “I’ll eat anything.” ”

“Then I’ll make my best dishes.”

“Okay.”The old lady nodded.

“In order to please the old lady, Feng Ying cooked a big table of good dishes that night. She also wanted to ask about the situation of the vegetable jade, but she swallowed the words at the tip of her tongue, not knowing how to say it. ”

Feng Ying grew up by the old lady's side. She knew that the old lady was not easy to fool.

But now time was so tight.

""Grandma, your teeth are not good. Eat more tofu soup. This tofu soup is very delicious."Feng Ying scooped some tofu soup for the old lady. "

"The tofu soup was sour and spicy, very appetizing. It was very suitable for the elderly with bad teeth. "

"Okay."The old lady nodded and took a bite of the tofu soup.

"How is it? Do you think it's Delicious?"Feng Ying asked impatiently.

""It's Delicious."The old lady nodded. "Xiao Ying, as long as it's made by you, I like to eat it." "

"Then try this again."Feng Ying picked up some pork stewed noodles for the old lady.

The noodles and pork were stewed until they were soft and rotten. They melted in the mouth and were very suitable for the elderly.

And the pork stewed noodles were the dishes of the old lady's hometown.

"Feng Ying put food into the old lady's Bowl and said, "Grandma, do you still remember what day it is Tomorrow?" " "

"Yes."The old lady nodded. "Tomorrow is your birthday."

"Feng Ying said in surprise, "I didn't expect you to remember! I thought you had forgotten!" " "

"The old lady smiled and said, "How could I forget your birthday!" " "

"Then what are you going to give me for my birthday?" Feng Ying continued to ask.

"The old lady asked, "What do you want?" "

Feng Ying's eyes rolled around. "Are you going to give me whatever I want?"

""Yes."The old lady nodded. "You are my only granddaughter. If I don't give it to you, who else can I give it to? Can I leave it to an outsider?" "

""Thank you, Grandma!"Feng Ying hugged the old lady's neck intimately and asked tentatively, "Grandma, are you really going to give me anything I Want?" "

"Of course!"The old lady patted Feng Ying's hand. "When have I ever lied to You?"

""Then..."Feng Ying hesitated for a moment and then said, "I, I want the plain jade, is that okay?" "

""Yes!"The old lady smiled and said, "That plain jade was meant to be kept for you. It doesn't matter if I give it to you sooner or later. I will give it to you tomorrow on your birthday." "

"Chapter 1756: 361: unexpected reversal, Feng Ying's death! 5"

"Really?"Feng Ying was overjoyed.

She never thought that the old lady would agree to her conditions so easily.

That's great!

That's really great!

She wanted to tell Tina the good news immediately.

The old lady nodded very seriously. "Of course it's true!"

""Grandma, thank you." Feng Ying hugged the old lady. "

"After getting the jade, she immediately left China. "

"After leaving C nation for so long, she had wanted to go back a long time ago! "

"Silly child." The old lady patted Feng Ying's back. "There's no need to thank Grandma."

"Feng Ying quickly let go of the old lady and said, "Grandma, I have other things to do. I'll go out for a while. I'll come back to accompany you later." "

""Okay." The old lady smiled, but Feng Ying did not notice it. "

"When Feng Ying's figure completely disappeared outside the door, the old lady let out a long sigh. Her family was unfortunate! "

Feng Ying came to Tina's residential area and told Tina the good news.

"Hearing this, Tina was also very excited. "Did your grandmother really say that?" "

""Of course." Feng Ying nodded. "I am my grandmother's only granddaughter. If my grandmother didn't leave anything to me, who else could she have left it to?" "

She had long known that she would definitely not return empty-handed this time!

“After all, she was the only bloodline that the old lady left in this world!”

“”Miss Feng, when we go back this time, Dr. Cara will definitely reward you well!” ”

“Feng Ying smiled and said, “It doesn’t matter whether you reward me or not. I just hope that Dr. Cara will not forget what she promised me in the beginning.” ”

Dr. Cara promised her the position of deputy director of the International Fashion Department.

“”Don’t worry about that.”Tina smiled and said, “Dr. Cara has always kept her word. She will never go back on her words. Since she has promised you, she will definitely do it.” ”

“”That’s good.”Feng Ying continued, “I will come to meet you immediately after I get the Jade Tomorrow.” ”

“Okay.”Tina nodded.

“After Feng Ying left, Tina reported this matter to Dr. Cara. ”

Dr. Cara was also very excited.

He had a feeling that the jade would definitely bring him an unexpected surprise to C Nation’s science and Technology Industry!

“In the blink of an eye, the next day arrived. ”

“To celebrate Feng Ying’s birthday, the old lady had people buy a lot of props to decorate the living room. ”

“When Feng Ying arrived home at night, she saw the words “Happy Birthday” on the wall of the living room and the balloons floating on the roof.”

“The old lady sat on the sofa and said with a smile, “Happy Birthday, Xiao Ying.” ”

“”Grandma, thank you.”Feng Ying walked over and hugged the old lady.”

“The old lady sighed and said, “Time flies! I remember when your mother gave you to me, you were just a little old. In the blink of an eye, you are already a big girl!” ”

“Feng ying sobbed and said, “Grandma, thank you. Thank you for raising me since I was young. Don’t worry, I will definitely take good care of you in the future.” ”

“”Okay.”The old lady nodded. “I believe in you. Okay, let’s go eat first. Today, I asked Auntie Wu to prepare all the dishes that you loved to eat when you were young.” ”

“Okay.”

The grandfather and grandson walked to the dining room.

The dishes were still on the thermostat in the kitchen.

“Feng Ying raised her voice and said, “Auntie Wu, quickly bring the dishes out. We’re ready to eat.” ”

“”Auntie Wu isn’t here. I’ll go and bring the dishes out,”the old lady said lightly.”

Feng Ying was stunned. “Where did Auntie Wu Go?”

“The old lady continued, “It’s your birthday today. There are only the two of us at home. I told Auntie Wu to leave work early. Let’s have a good talk. With an outsider here, what’s going on?” ”

“I see.” Feng Ying smiled and said, “Then I’ll go serve the dishes! You can rest for a while.” ”

“No need, I’ll go with you,” the old lady said. ”

The grandfather and grandson came to the kitchen to serve the dishes.

“Soon, the dining table was filled with dishes. ”

They were all Feng Ying’s favorites.

“And this.” The old lady brought a bowl of cooked noodles from the kitchen and opened the lid. “Eat the longevity noodles first.”

“Although it was called longevity noodles, it was actually a bowl of instant noodles. ”

In the middle was a poached egg and a ham sausage.

This scene made Feng Ying Cry.

“She remembered that when she was young, she was greedy and wanted to eat instant noodles when she saw other children eating it. However, Feng Qi disliked the fact that instant noodles were junk food and refused to let her eat it. Therefore, the old lady would cook a bowl of instant noodles, i’ll make a bowl of instant noodles. ”

“Therefore, Feng Ying also most look forward to the birthday time. ”

Ten years!

Ten years!

“Even she herself had forgotten her original hobby, but the old lady remembered it. ”

“Chapter 1757: 361: unexpected reversal, Feng Ying’s death! 6”

Feng Ying suddenly felt very sorry for the old lady.

“The old lady loved her dearly, but after she got the Jade, she was going to leave the old lady. ”

“The old lady was already eighty-nine years old this year. If she left, how would the old lady live in the future? ”

Was she going to give up the chance to go to C Nation

No!

No!

Joining the International Fashion Department and becoming a manager was Feng Ying’s lifelong dream.

She could not abandon her dream because of an old lady.

The old lady was already old. How many years could an eighty-nine-year-old old man live?

But she was different!

She was only in her early thirties this year. She could not ruin her bright future just because of an old man who was about to die.

There was nowhere to hide from the rain if she missed the temple gate.

“If she missed this opportunity to join the International Fashion Department and become a manager, she might not have this opportunity again in the future.”

“Therefore, she was determined to get the plain jade! ”

She could not be blamed for this.

The only one to blame was the old lady herself.

It was not that she did not want to bring the old lady to enjoy life in C country. It was the old lady herself who did not want to go.

“If a cow did not drink water, how could she force her head down? ”

“Since the old lady had her own choice, then whether the old lady lived or died in the future would have nothing to do with her! ”

“Thinking of this, Feng Ying heaved a sigh of relief, and the burden on her heart lightened quite a bit. ”

“At this moment, the old lady’s voice sounded in the air. “Xiao Ying, what are you still standing there for? Hurry up and eat the longevity noodles!”! ”

“Okay!”Feng Ying picked up her chopsticks and took a bite of the instant noodles.

It was still the same as she remembered.

It was very delicious.

“After eating two bites of instant noodles, Feng Ying picked up some food for the old lady. ”

“The grandfather and grandson chatted as they ate. The meal was about to be finished, but the old lady still did not take out the plain jade. She did not even mention anything about the plain jade. ”

What was going on?

Did the old lady regret it?

“It was clearly a deal, how could she go back on her words! ”

Feng Ying frowned slightly.

“Grandma...”Feng Ying turned to look at the old lady.

“What is it?”The old lady looked at Feng Ying.

“Feng Ying hesitated for a moment and then said, “Grandma, didn’t You Promise Me a gift yesterday?” ”

“The old lady smiled and said, “So that’s what you’re talking about! Wait! Grandma will go get it for you now!” ”

“Feng Ying’s eyes lit up when she heard that. She immediately stood up from the chair and said, “Grandma, I’ll go with you.” ”

“”No, no.”The old lady waved her hand and said, “Just sit here and wait for me. I’ll go downstairs right away.” ”

“Okay.” Feng Ying nodded and looked at the old lady’s back view as she went upstairs. She was very excited.

This was great!

“Soon, she would have the plain jade. ”

“Under Feng Ying’s expectant gaze, the old lady finally came to the dining room with a box. ”

Yes.

It was that box.

Feng Ying stared at the wooden box in the old lady’s hand.

“The old lady walked to the dining table and sat down. Feng Ying stood up and reached out to take the wooden box. “Thank you, grandmother, for your birthday present.” ”

The old lady reached out to press the wooden box. “Wait a minute.”

““What’s wrong, grandmother?” Feng Ying looked at the old lady in confusion. ”

“The old lady continued, “Let’s have a toast first. Suyu is right here, and she can’t run away! Why are you in such a hurry?” ”

“Okay!” Feng Ying nodded.

“She was about to leave China, and it was normal for her to stay here alone with the old lady. Before she left, it was normal for her to have a drink with the old lady. ”

“Feng Ying was a little sad when she thought about how the old lady would be alone from now on, but when she thought about how the old lady did it herself, she was not sad anymore! ”

“If the old lady really could not bear to part with her granddaughter, she could have followed her to C nation. ”

But the old lady did not.

This meant that the old lady did not think much of her granddaughter.

“The old lady picked up the wine that she had prepared earlier and poured two cups. She handed Feng Ying a cup and said, “Xiao Ying, this is for you.” ”

“Under the Bright Crystal Light, the pink liquid sparkled in the transparent goblet. It looked exceptionally beautiful. ”

““Thank you, Grandma.”Feng Ying took the wine cup and asked curiously, “Grandma, what kind of wine is this? The color is really good!” ”

““It’s plum wine. I brewed it myself,”the old lady said. ”

“It must be delicious!”Feng Ying said with a smile.

“The old lady nodded. “The taste is really good. If you like it, you can drink more. Come, let’s toast. Xiao Ying, Happy Birthday to you.” ”

“Feng Ying immediately clinked the glass with the old lady. “Thank you, Grandma.” ”

The old lady downed the plum wine in one gulp.

“Chapter 1758: 361: unexpected reversal, Feng Ying’s death! 7”

Feng Ying also drank it all in one gulp!

“Plum wine was a fruit wine. The alcohol content was not high. It was sweet and carried the fragrance of exclusive plum. The taste was very good. Although one cup looked like a lot, it was not choking after drinking it all. ”

“How does it taste?”The old lady looked up at Feng Ying.

“Feng Ying nodded and said with a smile, “It tastes very good. By the way, Grandma, Can You Give Me the Plain Jade Now?” ”

“”Take it,”the old lady said lightly. ”

“Feng Ying leaned over and picked up the wooden box by the table. Her heart was beating fast. Soon, she would be able to board the plane to C Nation! ”

“From now on, she would be the head of the international fashion department! ”

“Thinking of the scene of her being the head of the department, Feng Ying was extremely excited. ”

“Feng Ying carried the box and walked out. “Grandma, I still have something to do. I’m going out for a while. You Don’t have to wait for me to go home tonight.” ”

“Once she left, she might never come back. ”

It was just a pity that she couldn’t say goodbye to the old lady properly!

"Aren't you going to open the box to take a look?"The old lady's voice suddenly sounded in the air.

"Feng Ying stopped in her tracks and opened the lid. When she saw it, she frowned. "

The box was empty. There was no jade in it!

"Where's the Jade?"Feng Ying immediately turned to look at the old lady.

"The old lady smiled and looked at Feng Ying. "Xiao Ying, you came back for the Jade, right?" "

""Grandma, what are you talking about? I came back for you. What does it have to do with Suyu?"Feng Ying pretended very well. "Grandma, I came back to take care of you. You take care of me when I'm young, and I'll take care of you when you're old." "

"Really?"The old lady asked.

""Of course!"Feng Ying continued, "Grandma, tell me, where is Suyu? Don't joke with me!" "

""It's already so late, and you still care about where Su Yu is. Don't you care about yourself at all?"The old lady asked. "

""Me? What do I care about myself?"Feng Ying walked over. "Grandma, you promised to give me Su Yu. Are you going to go back on your word?" "

"At this moment, the old lady suddenly vomited a mouthful of blood. "

"Seeing the old lady vomit blood, Feng Ying's face turned pale. "Grandma! What's wrong with you?" "

"I don't have a granddaughter like you who betrayed the country and her people!" The old lady pushed Feng Ying's hand away and became a stranger. "Bastard! You Don't deserve to be called Feng! You've lost the face of the Feng Family!"

Feng Ying looked at the old lady in disbelief.

How did she know?

"Grandma, you misunderstood?" Feng Ying immediately explained, "It's not what you think. I didn't do anything to betray anyone!" "

"The old lady vomited another mouthful of blood and endured the intense pain in her body, "Do you really think I don't know anything? Bastard, let me tell you, I heard everything. You want the plain jade? No Way! Even if I die, I won't give the plain jade to someone like you!" "

"Feng Ying was a little angry. She had been so good to the old lady, but the old lady had treated her like this! "

She really did not know what was good for her!

"Let me ask you! where is the plain jade!" Feng Ying's expression became extremely vicious in an instant.

The old lady only smiled.

"What are you laughing at!"

"The next second, Feng Ying suddenly felt a pain in her abdomen. Then, a sweet smell came from her throat, and she could not help but spit out a mouthful of blood. "

"Feng Ying wiped her mouth with her hand. When she saw that her hands were covered in blood, she suddenly understood something! "

It was poisonous!

The wine was poisonous!

“Did you poison me?” Feng Ying questioned the old lady.

“”Yes, I did poison you!” The old lady nodded. ”

“Not only did she poison her, but it was also an incurable poison! ”

“As a grandmother, the old lady couldn’t watch Feng Ying betray her country. ”

“Why?” Feng Ying was close to shouting hysterically. “I am your biological granddaughter! Do you still have humanity?”

“Chapter 1759: 362: trending on the Internet, Dr. face-smacking Karla 1”

Feng Ying never thought that her own grandmother would poison her.

Her own grandmother!

This was her own grandmother!

“A tiger would never eat its own son, let alone a human. ”

Did she even have a shred of humanity?

No!

She wouldn't!

"The old lady was her own grandmother, she wouldn't do that. "

Feng Ying tried hard to calm herself down.

"The old lady just looked at Feng Ying, "It's exactly because you are my biological granddaughter that I have to help you! I Can't just watch you walk down the same path as Feng Qi! You were born in China, grew up in China, and now you have to die in China!"Even if she had to die., the old lady could not let Feng Ying betray her country and make people laugh at her. "

The old lady would never allow two traitors to appear in the Feng family!

Die in China?

"Hearing these words, Feng Ying was completely flustered! "

Could it be that the old lady had really made up her mind to kill her?

No.

She wouldn't.

The old lady was joking with her.

""Grandma!"Feng Ying clutched her chest and endured the pain in her abdomen as she walked to the old lady's side, she cried, "Grandma, you're joking with me, right? I'm your only granddaughter in this world. You Can't Bear for me to die, right?" "

""I'm not joking with you. Not only is it poisonous, it's also extremely poisonous."The old lady's face gradually turned pale. "Feng Ying, this is your fate. Accept it." "

Everything was fate. It was not up to anyone. The old lady did not want this to happen.

"After saying this, the old lady looked at Feng Ying and continued, "Even if I spare your life now, you won't have a good ending in the future! Instead of being despised by others in the future, why don't You Leave Now?" "

"Since ancient times, how many good endings did traitors have? "

"Feng Ying immediately broke down. The pain in her abdomen became more and more obvious. She almost fainted from the pain and shouted hysterically, "Feng Shujing! You're not human! You're not human! Where's the antidote? Quickly give me the antidote!" "

The old lady did not say anything. She just looked at Feng Ying without any expression in her eyes.

She never thought that her old age would end like this.

"Fortunately, it was about to end. "

Everything was about to end! Damn it

""Quick, give me the antidote."Feng Ying knelt on the ground, crying and begging the old lady, "Grandma, Grandma! I beg you, please spare me. I don't want the Pure Jade anymore, and I Won't return to C Nation anymore! I swear, if I break my oath, I will be struck by lightning! "Grandma, I will always be with you in the future!" "

""It's too late."The old lady shook her head. "Feng Ying, if you knew this would happen, why did you do it in the first place?" "

There were some things that could be done. There was no use regretting it.

“As the more intense abdominal cramps came, Feng Ying was close to despair.”

She was only thirty-two years old.

Her life had just begun.

Was she really going to die like this?

She couldn't die!

She couldn't die!

She couldn't die.

“She wanted to live, and she wanted to become the vice-minister of the International Fashion Department.”

She wanted to make a name for herself in the international fashion department!

She wanted to make all those who had looked down on her regret.

“Just then, Feng Ying suddenly saw a cell phone on the coffee table.”

Feng Ying's eyes lit up.

The hospital.

She had to go to the hospital immediately.

The only thing that could save her now was the hospital.

“Feng Ying endured the pain in her abdomen, walked to the coffee table, picked up the cell phone, and called 120 emergency.”

“The old lady looked at her actions and smiled. “It’s useless. There’s no cure for this poison. In ten minutes at most...”in ten minutes, they would meet on the road to the netherworld.”

“Feng Ying broke down completely when she heard this, but she still steadied herself. Her voice was trembling, “Hello, 120 Emergency Center? My Name Is Feng Ying. I’m poisoned now. My stomach hurts and I keep vomiting blood. Quickly send an ambulance over.” ”

““Yes, Ma’am. What’s Your Address?” ”

““Affordable villa, A16.” ”

““We’ll arrange for an ambulance to come here immediately. Ma’am, please keep your phone open.”Then, the customer service representative gave Feng Ying some first-aid measures for poisoning.”

““Okay.”Feng Ying nodded. “Okay, I got it.” ”

“After hanging up the phone, Feng Ying picked up the first-aid kit on the first floor and began to operate according to the customer service representative’s instructions.”

“Halfway through the first-aid measures, Feng Ying suddenly felt that the abdominal pain symptoms had lessened quite a bit, and she no longer vomited blood.”

It worked.

It really worked!

It seemed that she didn't have to die.

"Thinking of this, Feng Ying was ecstatic. "

"Chapter 1760: 362: trending on the Internet, Dr. face-smacking Karla 2"

"On the other side, Feng Ying was poisoned. The Emergency Center did not dare to delay and immediately sent the nearest ambulance to the affordable villa area. "

"However, it was the evening rush hour and there were many cars in the capital. The ambulance had just left the house when it was stuck in traffic. "

"After completing a series of first aid measures, Feng Ying was not bad. She was somewhat looking forward to the arrival of the ambulance. "

"The old lady was still sitting on the sofa in the living room. When she saw Feng Ying walk out, her expression was unclear. "

She was the one who raised Feng Ying.

"Now, she had personally poisoned Feng Ying and watched Feng Ying Walk Step by step from a living person to death. Didn't her heart hurt? "

Of course it hurt!

But so what if it hurt?

“Since Feng Ying had already chosen this path, she should be responsible for her actions! ”

She was an adult now.

“As the grandmother who raised Feng Ying, she should be even more responsible for Feng Ying. ”

“Feng Ying walked over and glared at the old lady. She said viciously, “Feng Jingshu, let me tell you, I’m saved! Just wait for your death! You were the one who did this first. Don’t blame me for being unrighteous!” ”

“As a grandmother, Feng Shujing could easily give up her granddaughter’s life. So, there was no need for her to save Feng Shujing anymore! ”

“Do you think you can still be saved?”The old lady asked.

“Feng Shujing felt a little anxious as the old lady looked at her like that. But, when she thought about how she no longer felt uncomfortable, she felt a lot better. ”

She would be fine!

She would definitely be fine.

“But at this moment, Feng Ying felt a sharp pain in her stomach! ”

It was worse than the previous times!

It was painful.

It was so painful that Feng Ying immediately knelt on the ground. Her face was covered in cold sweat and she felt as if she had collapsed. It was as if she had just died.

“Feng Ying rolled to the old lady’s feet and reached out to pull on her pants. She used all her strength to open her mouth, “Grandma, please forgive me... I was wrong, I really know I was wrong! Grandma, I don’t want to die. Did you raise me since I was young just to poison me? Grandma, my mother has already left, I beg you to forgive me...” ”

Feng Ying really did not want to die.

“If she had known that the old lady would poison her and treat her so cruelly, she would not have left the old lady any face. ”

She should have snatched the plain jade on the first day she returned to the country.

“At that time, the old lady had not been on guard against her. She had even personally opened the lid of the plain jade wooden box in front of her. ”

“The old lady was already eighty-nine years old. If she had snatched it away directly, would the old lady have been able to resist? ”

“But at that time, she did not want to do that. ”

“After all, the old lady was her grandmother. ”

She was the only granddaughter of the old lady.

“She had not come back for ten years, and when she came back, she stole things. Wasn’t that heartbreaking? ”

“Other than these, she also wanted to leave the old lady a happy memory of her old age. ”

She thought of the old lady as her grandmother and put herself in the old lady's shoes.

But what about the old lady?

What did the old lady do?

"Not only did she hide Suyu, she even poisoned her and killed her! "

Her own grandmother killed her own granddaughter.

Ridiculous.

Simply Ridiculous.

Feng Ying was very regretful now!

"If she had known this would happen, she would never have cared about the relationship between her and the old lady. "

"In order to let the old lady live a happy life, she sacrificed her own life. "

It was not worth it.

It was not worth it!

"Thinking of this, Feng Ying's expression was close to despair. She held tightly onto the old lady's Pant leg. "Grandma, I don't want to die. I really don't want to die..." "

“The pain the old lady was in was definitely not less than Feng Ying’s. Other than the blood at the corner of her mouth, she did not show it. She just looked at Feng Ying and slowly smiled. She spoke with some difficulty, “Xiao Ying... Don’t be afraid. I will accompany you on your journey to the Netherworld!” ”

I will pick you up when you come.

I will accompany you when you go.

“After saying this, the old lady slowly closed her eyes. The image of Feng Ying when she was born slowly appeared in front of her eyes, and the curve of her lips became more obvious. ”

This world was indeed very good.

“However, she would never come again in her next life. ”

Never again...

“Ten seconds later, the old lady’s hand drooped weakly. ”

Her pulse also stopped beating.

“Grandma!” Feng Ying cried out in pain.

She was not sad because of the old lady’s loss.

She was worried for herself.

“The old lady had already left, did that mean... ”

She was also finished?

No.

The old lady was definitely not dead.

Feng Ying held her breath and got up from the ground. She pressed the back of the sofa behind the old lady with one hand and slowly reached out to the old lady's nose with the other.
