Chapter 1761: 362: Dr. Face-smacking Karla

“The next second, Feng Ying’s face turned pale. ”

Because the old lady had no breath in her nose.

She was dead.

The old lady was really dead.

Feng Ying lost her balance and fell to the ground again.

“Just then, the sound of an ambulance came from outside the door. ”

It was sharp and urgent.

“It’s here, it’s finally here! ”

She’s saved!

Feng Ying’s eyes lit up.

“But at this moment, a large amount of blood gushed out from her throat. Her heart seemed to be blocked by something. She couldn’t breathe or speak. ”

This feeling was very uncomfortable!

“However, Feng Ying’s consciousness was still very clear. was she really going to die? ”

“Feng Ying’s pupils gradually dilated, and her entire body seemed to be on fire. ”

“In the next second, Feng Ying’s vision began to slowly turn black, until she could not see the scene in front of her at all... ”

Bang.

“In the next second, the door of the villa was broken into from the outside. ”

The noise of footsteps could be heard.

120!

It was 120.

120 doctors came to save her.

“At this moment, Feng Ying still had her hearing and consciousness, but she could not open her eyes. She did not even have the strength to move her fingers. ”

The doctors in white coats walked to Feng Ying and the old lady respectively. “Ms. Feng! May I ask if you’re here?”

“Ms. Feng!”

“The patient did not respond. Her pupils began to dilate and her heartbeat disappeared. Prepare for defibrillation!”

“Yes.”

A nurse immediately assisted in defibrillation.

“After a series of emergency measures, Feng Ying and the old lady still did not respond. Helplessly, the doctor had no choice but to declare her dead. ”

“There was no one else in the villa other than Feng Ying and the old lady, so 120 called the police. ”

“After all, when Feng Ying dialed 120, she clearly informed the operator that she had been poisoned and that this matter had to be passed through the police. ”

“Soon, the police arrived and set up a cordon around the villa. ”

The police initially concluded that it was the grandmother who had poisoned Feng Ying.

This matter immediately became a hot topic in all the major news sections.

Grandmother had poisoned her own granddaughter?

How much hatred was this?

“For a moment, curses were everywhere at night, all for Feng Ying’s injustice. ”

“However, there were also some relatively calm netizens. ”

“[ everyone, be reasonable. The old lady is already 89 years old. I believe that she must have had her own reasons for doing this. ] ”

[ a tiger does not eat its own son. How much hatred and hatred does she have to make her poison her own granddaughter? ]

[ I've checked. The deceased's name is Feng Ying. Her English name is Katherine. She's a fashion designer. She just joined the International Fashion Department! ]! [ she thinks she's a talented woman! ]! [ I don't know what kind of grudge there is between the grandfather and grandson that made the old man do this to her. But I know that people who can join the international fashion department are definitely not the kind of people with bad conduct. ]

It was not that easy to enter the international fashion department.

Ability and character were all within the scope of the review!

"Therefore, there should be no problem with Feng Ying's character. If there was a problem with her character, she would not be qualified to join the international fashion department. "I think it should be like this. The old man found out that he had a terminal illness and knew that he would die soon. He was afraid of death, so he reached out to his own granddaughter!" "

""If that's really the case, then it's too scary!" "

"I think the analysis above is very reasonable. There are too many cases like this. Selfish people don't care about blood and family."

[ hell is empty. The Devil is in the human world! It's a pity that Feng Ying is 32 years old. She's at the peak of her career. ]

[ having such a vicious wolf grandmother is a tragedy in life! ]

[ everything is fine in heaven. ]

Poor Old Lady Feng Shujing. People were still speculating about her.

“As a traitor, Feng Ying was remembered and mourned by the people.”

“After many netizens learned about this, they went to the Feng family’s villa to offer flowers and offerings.”

Some even invited a master from the temple to help Feng Ying cross over.

“There was also a wooden board with the old lady’s name written on it. It was graffiti, rotten eggs, and rotten vegetable leaves.”

It was a stark contrast to Feng Ying on the side.

...

“On the other side, at the CEN Group’s base.”

Cen Hu held his phone and strode towards the laboratory.

“Miss Ye! Miss Ye!”

“What happened?” Ye Zhuo looked back slightly and looked at Cen Hu.

“Cen Hu was running out of breath. “Miss Ye, something... Something Happened!” ”

““What happened? Speak Slowly.” Ye Zhuo handed the information in his hand to his assistant and said, “Go and get a glass of water for team leader Cen.” ”

“Chapter 1762: 362: trending on the Internet, Dr. face-smacking Cara 4”

“Yes, Miss Ye.”The assistant nodded. ”

“Soon, the assistant came over with a glass of water. “Team leader Cen, have some water.” ”

Cen Hu took the glass with both hands. “Thank you.”

“After drinking some water, Cen Hu’s condition improved a lot. He continued, “Miss Ye, the old lady of the Feng family has passed away!” ”

“Ye Zhuo frowned slightly. When she saw the old lady the day before yesterday, the old lady was still in good spirits. Why did she suddenly pass away? ”

Or did she hear wrongly?

“You mean Feng Qi’s mother?”Ye Zhuo asked.

“Yes.”Cen Hu nodded. “It’s her! The Internet has turned upside down. Don’t you know?”

Ye Zhuo was studying the secrets hidden in the plain jade and did not pay attention to the matters on the internet.

“I don’t know.”Ye Zhuo continued, “What exactly is going on?” ”

“Cen Hu continued, “The police said that the old man poisoned Feng Ying and then poisoned himself!” ”

Poisoned himself.

“Hearing these words, Ye Zhuo was a little shocked. ”

She never thought that the old man would do such a thing.

The old man was so righteous and loyal to the country. How could he have such a daughter and granddaughter?

“If a person had not walked into a dead end, he would never have brought the people closest to him to commit suicide by taking poison.”

The old lady’s behavior shocked Ye Zhuo.

“In front of the nation’s righteousness and her only family member, the old lady resolutely chose to defend her country. This behavior was truly admirable!”

“The old lady could have chosen to go to country C with Feng Ying to enjoy her old age, but she did not do so. This kind of spirit was worthy of everyone to learn from.”

“If it was anyone else, it would be difficult for them to do what the old lady did.”

“Ye Zhuo sighed softly and turned to look at Cen Hu. He then said, “I’ll go out for a while. You’ll be in charge of the experiment for the time being.””

““Alright, Miss Ye. Don’t worry, leave it to me.””

Ye Zhuo nodded slightly and went to the isolation room. He changed out of his isolation suit and left in a hurry.

“Twenty minutes later, a handsome Maybach stopped at the entrance of the police station.”

“Ten minutes later, ye Zao walked out of the police station and drove to the hospital.”

The old lady’s body was still kept in the morgue.

“The staff brought ye Zao to the third underground floor and pulled out a large drawer. “Miss Ye, this is the old man who was sent here a few days ago, Feng Shujing.” ”

“The moment the drawer was pulled open, the old man could be seen lying quietly in the freezer. His face was peaceful. Although it had been refrigerated in low temperature, ye Zao could immediately tell that she had consumed a lethal poison called the heart of a femme fatale! ”

“Once this poison invaded the human body, it would quickly spread, leaving only ten minutes for the person. ”

“In other words, the person had to consume the antidote within ten minutes. Otherwise, even if a god descended to the mortal world, he would not be able to reverse the situation! ”

“What about Feng Ying’s?”Ye Zao continued to ask.

“The manager looked at Ye Zao and was a little surprised. He had worked here for more than twenty years, and rarely had there been a young girl who dared to come to see a corpse alone. Moreover, no young girl could be so calm when facing a corpse! ”

Many girls were already scared out of their wits before they even stepped into the morgue.

“Not to mention girls, even a man would be shocked when faced with a corpse in the freezer. ”

“After all, the bodies that could be placed in the hospital morgue did not die of natural causes. Bodies that did not die of natural causes were more or less terrifying! ”

“Take this old lady for example. Although she looked quite peaceful, there was a sense of strangeness in the peaceful room that made people panic. ”

“The administrators had been working in the hospital mortuary for nearly 10 years, but when they saw the old lady’s body, they were also a little afraid. ”

“The younger girl was taken to the funeral parlor after the volunteers finished the procedures!” Because the old lady was labeled as a wolf grandmother and a ruthless person, the people despised her endlessly, they wished that the old lady would be sealed in the hospital mortuary forever! ”

“A few days earlier, there were even people who rushed to the hospital’s mortuary to scold the old lady!  
”

The administrator looked pitiful and lied that the old lady was not in the hospital.

The administrator was in his fifties this year. He was someone who had become someone else’s grandfather. He knew that there would not be a grandmother in this world who would poison her granddaughter for no reason!

There must be a story hidden in this.

Unfortunately.

The netizens were too impulsive!

“Then, the old lady had no other relatives in the world, and no one was willing to take care of her funeral, so her body could only be frozen in the hospital morgue. ”

“Chapter 1763: 362: trending on the Internet, Dr. face-smacking Kara 5”

Ye Zao nodded slightly.

“After leaving the morgue, ye Zao went to the hospital, went through the relevant procedures, and transferred the old lady’s body to the funeral home. ”

The old lady was well aware of the righteousness and had paid a lot for the righteousness of the nation. She could not let the good people suffer so many false charges for nothing.

On the other side.

“When he learned that Feng Ying had been poisoned to death by the old lady, Dr. Cara was very angry!”

“However, while he was angry, he was also a little shocked.”

He really did not expect that an old lady from China could actually do such a thing!

“He had thought that Chinese people were naturally rebellious. They were all like professor Feng and director Ma. He did not expect that in the end, he would still underestimate the Chinese people.”

“Tina was also very surprised. She had already planned to bring Suyu back to China. Who would have thought that at the most crucial step, such a mistake would occur.”

““Dr. Cara, I’m sorry. It’s all my fault! Please Punish Me!” ”

“Dr. Cara flicked the ashes on his cigar and continued, “This has nothing to do with you.” ”

“Although Dr. Cara had already said that it had nothing to do with her, Tina was still very guilty. At this moment, Tina seemed to have suddenly thought of something, then, she said, “Oh right, Dr. Cara, someone from the hospital said that YC transferred Feng Shu’s body away.” ”

“YC?”Dr. Cara narrowed his eyes. “Are you sure it’s YC?”

“Tina nodded. “Yes, I’m sure!” ”

“Dr. Cara was very confused. Feng Qi had betrayed the CEN base, and the old lady was Feng Qi’s mother. At this time, how could YC take over the old lady’s Affairs? ”

No!

This matter was strange.

What was Ye Zao’s motive?

Dr. Cara pressed his temples.

“After a while, Dr. Cara asked, “Have you found Suyu?” ”

“”No.”Tina shook her head. “After the Feng family’s accident, our people searched the villa several times, but we couldn’t find Suyu!” ”

“Suyu was dead. If it was alive, it might have gone to another place to hide! ”

But how could dead things escape?

“As long as Suyu was still in the Feng family’s villa, they would definitely find it after a thorough search. ”

“But now, Tina could not find Su Yu. ”

This could only mean one thing.

Su Yu was no longer at the Feng family’s Villa!

“Dr. Cara suddenly looked at the screen and continued, “Go and check if Feng Shujing saw anyone a few days before the accident! Once you have the results, contact me immediately!” ”

““Okay.”Tina nodded. After hanging up the phone, she immediately sent someone to check. ”

“The old lady did not have any special identity and her itinerary was not hidden. Very quickly, Tina found out that the day before the accident, the old lady went to the CEN base. ”

“However, Tina could not find out who exactly she saw. ”

Tina immediately reported the situation to Dr. Kara.

“Hearing this, Dr. Kara narrowed her eyes. “YC! The last person that Feng Shujing saw was definitely YC!” ”

“If the last person that Feng Shujing met was not ye Zao, Ye Zao would not have gone to deal with Feng Shujing’s funeral for no reason. ”

“You mean YC has taken away the jade!”Tina also reacted quickly.

“Yes.”Dr. Cara nodded. “The jade must be in YC’s hands.”

“Tina said angrily, “YC is too shameless! We wanted to take a fancy to the jade, but she came and interfered!” ”

How could Chinese people be shameless like ye Zao?

“After saying that, Tina continued, “Then, the deaths of Feng Shujing and Feng Ying are definitely related to YC. Dr. Cara, what should we do now?” ”

We can’t just take this lying down!

“Dr. Cara took a puff of his cigar and said, “I’ll handle this matter. You Don’t have to worry about it!” ”

Tina was stunned.

“Dr. Cara continued, “Don’t worry. I have a way to get YC to hand over the plain jade.” ”

“Okay.”

“After hanging up the video call, Dr. Cara immediately went to create public opinion ”

“The internet could make a person, but it could also destroy a person. ”

So what if ye Zao was the mother of the world’s aircraft carriers? There were two lives in front of her!

And they were both poisoned!

“Dr. YC had poisoned two generations of his grandfather and grandson because of the jade passed down from generation to generation. He had even framed an old man. If this news were to spread, it would be enough to ruin ye Zao’s reputation. ”

“Moreover, if he was accused of murder, he would have to pay with his life, not to mention two lives! ”

“Feng Shujing and Feng Qi had both died because of ye Zao. If this matter was exposed by the Internet, would ye Zao Still Be Alive? ”

“Chapter 1764: 362: trending on the Internet, Dr. face-smacking Karla 6”

It’s impossible!

“Thinking of this, Dr. Karla was extremely excited.”

A few hours later.

The major news sections broke even bigger news.

The matter of Grandma or granddaughter was a conspiracy!

There was an even bigger mastermind behind this.

“And this person was the famous aircraft carrier manufacturer, Dr. YC! ”

“When this news came out, the entire Internet was shocked.”

“No way! Our Dr. YC is not that kind of person! I don’t Believe It!”

“Spreading rumors is against the law.”

“”Is there something wrong with the informant? Why did Dr. YC poison two ordinary people? Could it be for money? I said Dr. YC is as rich as a country, none of you would object!” ”

“In other words, Ye Zao had no motive at all. ”

Could it be that she would poison two people because of money?

“[ Dr. YC is indeed great and has contributed a lot to mankind. But if this is true, I hope that Dr. YC will be punished by the law. Life for life. After all, life does not differentiate between nobility and inferiority. The lives of ordinary people are also life! Just because she was a doctor and had made contributions to mankind, she could not let it go and let it go! Let the Dead Rest in peace ”

“Two lives! The authorities are really bad. Why didn’t they suppress such news? Now that the matter has become so big, even if the authorities wanted to protect YC, they would not be able to do so ”

“So, it’s better now. If it were in the past, these grandparents and grandchildren would have died in vain ”

“[ so, why did Dr. YC poison them? ] ”

“At this moment, the informant released a video of Feng Shujing going to the CEN family base to look for ye Zhuo before she passed away. ”

Dr. Cara spent a lot of money to buy this video.

“In addition, someone also revealed the matter of Feng Shujing’s daughter, Feng Qi. Feng Qi used to be a member of the Cen family base, but he later betrayed them! ”

“However, after Feng Shu passed away, the person who helped Feng Shu deal with her funeral was actually ye Zao. ”

“Feng Qi betrayed ye Zao and the Cen family base, but in the end, the person who helped Feng Qi’s mother deal with her funeral turned out to be ye Zao. This was too unbelievable! ”

A normal person wouldn’t do such a thing!

“Afterwards, the informant revealed news about the jade. ”

“It was said that the Feng family had a piece of jade that was passed down from generation to generation and was of great value for scientific research. Ever since the Feng family’s grandfather and grandson were poisoned to death, the Jade had disappeared! ”

It was obvious that the Jade was stolen by someone.

“With all the evidence from the informant, the person who stole the jade and poisoned the grandfather and grandson was obviously ye Zhuo. ”

Ye Zhuo was trying to destroy the evidence and create the illusion that the old lady had poisoned her granddaughter.

“For a moment, the entire internet was in an uproar. ”

Even foreign netizens climbed over the wall to chase after ye Zao and Curse!

“That was two lives, and Ye Zao’s methods were so cruel. After that, he even blamed all the crimes on the old lady, making the old lady bear this injustice for nothing. ”

[ YC’s actions have really broadened my horizons! ]

[ those were two lives. are the Chinese police really not going to do anything? ]

““I’m sorry, I apologize to Grandma. I wronged Grandma earlier. The real murderer is still standing in the sunlight and smiling!” ”

““The Chinese police are really disappointing!”The comments below were a mess of people, which made the matter even more heated. ”

The internet trolls deliberately stirred up the emotions of the people. They led everyone and started to attack the Chinese police. Tens of thousands of people wrote blood letters requesting the arrest of Ye Zhuo. There were even people who held high the protest flag in front of the Supreme People’s court.

Ye Zao flipped through the news calmly. She looked indifferent as if she was just a bystander.

“From the moment this matter came out, she knew who was behind it. ”

“She originally wanted to spare Carla’s dog life, but unfortunately, the other party did not understand the value of life at all. ”

In the office on the other side.

“Cen Shaoqing sat in front of his desk and gently tapped the table with his hand that was holding the Buddha bead. After a moment, he looked up at his assistant. “Carla, right?” ”

““Yes, Master Five.” ”

“Yes.”Cen Shaoqing’s thin lips parted slightly.

Yes?

“The assistant was stunned. Ever since Cen Shaoqing met ye Zao, he rarely said these two words, causing Cen Shaoqing to say these two words again. The assistant’s face was filled with shock. ”

“You don’t understand what I’m saying?”Cen Shaoqing raised his eyes slightly.

“Only then did the assistant react. His heart trembled and he immediately said, “Master Five, I’m sorry. I’ll immediately arrange for someone to handle it.” ”

Cen Shaoqing waved his hand and the assistant left the office.

“After thinking for a while, Cen Shaoqing was still a little worried. He twirled the Buddha beads, stood up from his chair, and walked towards Ye Zhuo’s office. ”

“Chapter 1765: 362: trending on the Internet, Dr. face-smacking Kara 7”

The distance between their offices was not very far. They arrived in less than two steps.

“Through a transparent screen, they could see that ye Zao was looking down at his phone.”

Cen Shaoqing bent his fingers and knocked on the door.

“Come in.”Ye Zao’s voice came from inside.

Cen Shaoqing’s slender fingers held the doorknob and pushed the door open. “Leader.”

“Yes.”Ye Zhuo looked back slightly.

“Are you okay?”Cen Shaoqing walked over.

“I’m fine.”Ye Zhuo shook his head slightly.

It was good that he was fine!

“Although Cen Shaoqing knew that ye Zhuo would not be affected by the comments online, he still could not help but worry. “I’ll get someone to bring my computer over.” ”

“Bring my computer over for what?”Ye Zhuo was a little puzzled.

“”I’ll work with you.”CEN Shaoqing continued, “Leave the rest to me. You Don’t have to worry about it.” ”

Ye Zao chuckled and nodded slightly. “Okay.”

“In a flash, the assistant brought Cen Shaoqing’s computer over. ”

The two of them were working in the same office. The air was filled with the sound of typing.

Cen Shaoqing looked up at Ye Zao from time to time. It was quiet and beautiful.

“At this moment, Cen Shaoqing received a pop-up message. ”

[ master five! I found everything! [ video ][ video ][ video ][ video ]

Cen Shaoqing opened the videos one by one and sent a message to the other party: [ do you know what to do? ]

“[ master five, don’t Worry! ] ”

“Just as the internet trolls were leading the masses who did not know the truth, the police released a video. ”

This was the last video that Feng Shujing recorded before she died.

“The old man stood in front of the camera, dressed neatly, “My Name Is Feng Shujing. I was born in 1932. Feng Qi is my daughter, and Feng Ying is my granddaughter. In the past, I also had a filial daughter and a cute granddaughter. But at some point, everything changed. “My daughter became unlike my daughter, and my granddaughter became unlike my granddaughter. “I was a failure as a mother and a grandmother.” ”

“...”

“”But when I found out that Feng Qi had defected, I was completely dumbfounded. I felt as if the sky had collapsed. It was because I hadn’t taught my daughter well that she had embarked on a path of no return. It was Feng Qi’s retribution to die on an alien planet. However, at that time, I didn’t know that

Feng Qi's betrayal was only the beginning. Because later on, my granddaughter, who was also Feng Qi's daughter, also embarked on this path... .. Feng Ying had been abroad for many years. Before that, I hadn't seen her for several decades ... half a month ago, she suddenly returned to China and promised me that she would never leave China and would never leave me "At that time, I was really happy. I was old, and I wanted someone to be by my side the most. Feng Ying was the granddaughter that I raised with my own hands. Although we haven't seen each other for decades, the love between us is still there "

""After Feng Ying returned, I did have a happy time. Now that I think about it, I really miss her. "All the good things ended on October 9th. "This morning, as usual, I was watering the flowers in the garden. When I returned home, I happened to hear Feng Ying talking to someone named Tina. The recording of their conversation is as follows." "

The old lady faced the camera and played the recording she recorded that day.

"After the recording was played, the old lady faced the camera again. She opened the lid of the wooden box and took out a piece of jade. "

""This piece of jade is the plain jade that they were talking about. The plain jade is the inheritance jade of our Feng family. It has been passed down from my great-grandfather for more than a hundred years. Tina is a member of the scientific research community in C Nation. She asked Feng Ying to come back and steal the plain jade from me. There must be an unspeakable secret! So, I decided to hand over the plain jade to Miss Ye, Dr. YC, for safekeeping. As for Feng Ying, she is my granddaughter. I have an inescapable responsibility for not teaching my daughter and granddaughter well! Please rest assured, I will definitely give Miss Ye and the people an explanation." "

Chapter 1766: 383: Is She Ye Zhuo? She's nothing to be afraid of! 1

"By the time she finished her sentence, the old lady was already in tears, and her eyes were extremely red and swollen. "

Her life was neither long nor short.

“If she had known that Feng Qi would go down the wrong path in the end, she might as well have strangled her to death when she was young so that she would not embarrass herself now. ”

“”My life has been a failure from the beginning to the end. Here, I apologize to everyone. I have let down everyone, the Cen family base, and Miss Ye. Please rest assured, I will never tolerate a granddaughter who betrayed her country.” ”

“At the end of her speech, the old lady stood up and bowed deeply to the screen. ”

“At this moment, the netizens who were watching the video were also in tears. ”

“The old lady was already 89 years old. She should be enjoying her retirement, but she had experienced two joys and sorrows. ”

“Her daughter had betrayed her country and died on an alien planet. In the end, not even a complete corpse was left behind. ”

Her only granddaughter had also gone down the same path.

“If it had been anyone else, they might not have been able to bear to do such a thing to their only granddaughter. ”

But the old lady had done it.

She was the hero of the people!

“[ after watching it, she really couldn't help but cry. The old lady is already so old, yet she still has to endure such pain... ]. ... more importantly, the old lady's Outlook on life is very good. Many young people are not even half as good as her ! She is the role model for the young people of our generation. ] ”

“[ I also cried. The old lady has had a good journey. There is no pain in heaven. Also, Feng Ying deserves to die. Traitors should die! ] ”

“[ old lady, from now on, we will all be your grandchildren. ] ”

“”If it wasn’t for the old lady’s video, we would have misunderstood Dr. YC.” ”

“I knew Dr. YC wouldn’t betray us.”

“”Guys, I have already found the IP address of the informant!”! “He is from C Nation!”! “And Tina is from C Nation’s scientific research community. I think everyone already knows who is messing around and making US misunderstand Dr. YC!” ”

[ that Dr. Cara is too shameless. ]

“[ we owe Dr. YC an apology, and we also owe the old lady an apology. ] ”

No one had expected that this matter would be so complicated.

On the other side.

C country.

“When Dr. Cara saw this video, he was in a bad mood. He immediately dialed Tina’s number. ”

“Dr. Cara.”

“Tina! Look at what you’ve Done!”

Dr. Tina was stunned. “What’s Wrong?”

“Go and watch the news yourself.” Dr. Cara resisted the urge to kill.

“Tina held her phone in one hand and turned on her computer with the other, opening the news APP.”

“As soon as she opened the APP, a video popped up, with more than 100 million views!”

“The comments below also exceeded 500,000.”

Tina’s face turned pale.

Why is this video so familiar?

Didn’t she destroy the video already?

Why is this video still on the internet?

“At this moment, Tina’s hands were shaking.”

“Just Yesterday, Tina found a video in the Feng family Villa.”

“In the video, the old lady clearly recorded the whole project.”

“After discovering the video from the video recorder, Tina immediately reported the situation to Dr. Cara.”

“Then, she destroyed the video.”

“But now, how did the video suddenly appear on the internet?”

“Dr. Cara said angrily, “Tina, how did you do it?” ”

“Now, Dr. Cara even suspected that Tina was a spy who deliberately sent the video to the outside world.”

“Otherwise, why would the video that had already been deleted appear on the internet?”

“YC had already become the existence of the Internet trolls, but in the blink of an eye, she had become the glorious YC again.”

How could Dr. Kali be satisfied with this!

““Dr. Kali, I don’t know what’s going on either, but I can assure you that I really deleted the video!” ”

There was no response from the other side of the phone.

“Tina was stunned for a moment, then she continued, “Dr. Cara?” ”

The response to Tina was still silence.

Could it be that the signal was cut off?

Tina frowned.

“On the other side, a sharp knife was pressed against Dr. Cara’s neck.”

“The sharp blade pierced through the skin, and bright red blood instantly gushed out from the skin.”

“Dr. Cara didn’t even dare to make a sound. He raised his hands and looked at the tall man who was controlling him from the corner of his eyes. “Guns and knives have no eyes. Brother, calm down. I’ll give you anything you want.” ”

“People were afraid of being famous, but pigs were afraid of being strong. ”

“Dr. Cara stood too high, and there were many people who were jealous of him. However, these people were all here for money. ”

“As long as they gave money, they could get rid of the disaster. ”

Chapter 1767: 383: Is She ye Zao? She’s nothing to be afraid of! 2

“Dr. Cara had been kidnapped before. Although he was a little worried, he was not that nervous. However, there was one thing that made Dr. Cara very curious. ”

“He was accompanied by dozens of bodyguards, and there were three or four assistants sitting outside the door. The research room was heavily guarded. How did this person get in? ”

He didn’t even hear the sound of the door opening

“Dr. Cara continued, “Don’t worry. As long as you can keep me safe, I’ll pay you whatever you want.” ”

“The Man didn’t say anything, but the corners of his mouth curled up slightly. ”

“The next second, he increased the strength in his hand, and the sharp tip of the knife directly pierced Dr. Cara’s throat. ”

Dr. Cara’s eyes were wide open.

He had never thought that the other party would directly kill him!

“After taking care of Dr. Cara, the man cleaned up the blood on the ground and injected a needle into Dr. Cara’s body.”

“Finally, he moved Dr. Cara’s body to a chair and sat down in the position where he was looking at the computer. After that injection, Dr. Cara’s body quickly became stiff, like a marionette, it could be placed in any position.”

“So, it seemed that Dr. Cara was no different from usual.”

“After doing this, the man climbed up the wall and crawled away through the air-conditioning vent.”

“When Tina called Dr. Cara again, there was no one there to answer.”

“No one answered Dr. Cara’s call, which made Tina feel relieved.”

“She was very afraid of Dr. Cara. If she said the wrong thing at such a critical time and made Dr. Cara unhappy, it would be over!”

On the other side.

“After Feng Shujing’s old lady’s video was exposed on the Internet, the people all went to the cemetery to pay their respects to the old lady.”

“When the old lady was buried, only ye Zhuo was handling the funeral arrangements, and there were only two people, including Cen Shaoqing.”

It was very lonely and lonely.

“Now, a group of people were sending the old lady off. The snow-white chrysanthemums extended from the old lady’s tombstone to the roadside, causing the old man guarding the cemetery to sigh with emotion.”

“After her death, there were still so many people who came to send her off. The old lady’s life had not been in vain!”

“In addition, the netizens also spontaneously uploaded videos to the American sound platform to apologize to Ye Zhuo.”

“”Hello, everyone. I’m Netizen 123, a blockhead. I’m here to apologize to Dr. YC, and also to apologize for my words and actions.””

“”Hello, everyone, I’m...””

“For a moment, the American sound short video was full of apology videos.”

The American sound short video immediately launched a hashtag # International Apology Day.

“The netizens were all at the bottom of the video, pointing to the initiator of this incident, Dr. Cara.”

Dr. Cara’s side did not respond.

“Looking at the comments on the Internet, Dr. Cara’s assistant was very anxious.”

“Now that all the blame was pointed at Dr. Cara, if Dr. Cara did not come out and make a statement, it would be difficult to appease the public’s anger.”

“The assistant wanted to go to Dr. Cara, but he didn’t dare.”

“At such a critical time, if he went to Dr. Cara, wouldn’t he be shooting himself in the foot?”

“But if he didn’t go and look for Dr. Cara, the situation would get worse, and Dr. Cara would hold him responsible. ”

What should he do now?

“If he stuck out his head, it would be a knife, and if he retracted his head, it would be a knife. ”

“After hesitating for a long time, the assistant finally decided to knock on the door of Dr. Cara’s office. ”

“Knock, Knock, Knock ”

There was no response from inside.

“The assistant mustered up his courage and knocked again, but there was still no response. ”

What was going on?

Could it be that Dr. Cara was not inside?

“The assistant frowned slightly, but he did not see Dr. Cara go out either. ”

The assistant did not dare to force his way in either. He turned around and went to the secretary’s office.

“Eva.”

“The secretary, Eva, walked over. “What’s the matter?” ”

“The assistant continued, “Did Dr. Cara go out?” ”

“No.”Eva shook her head. “He’s been in the office the whole time.”

“He’s been in the office the whole time? Then why didn’t he respond when I knocked on the door?”The assistant asked.

“Eva continued, “He should be resting. Is there anything you need from the Doctor?” ”

The assistant nodded.

“”Then I’ll go with you to take a look,”Eva said. ”

“”Sorry to trouble you, Eva.” ”

“Eva smiled and said, “It’s my pleasure.” ”

“The two of them walked to the door of the office. Eva reached out and knocked on the door. “Dr. Cara, are you inside?” ”

The result was the same as before. There was still no answer from inside.

Eva frowned slightly.

Where did he go?

Could he have fallen asleep?

There seemed to be something wrong.

“The assistant looked at Eva and continued, “Do you think we should take the key to open the door and have a look?” ”

“Eva said, “Wait a minute, I’ll see.” ”

“Okay.”The assistant nodded.

“Eva then knocked on the door. “Dr. Cara, are you asleep?” ”

“After knocking for a long time, there was still no answer. ”

Eva took out her phone and dialed Dr. Cara’s private number.

“However, Dr. Cara’s phone was also in a state of no answer. ”

Did something really happen?

“This time, Eva could not stay calm. She turned to her assistant and asked, “Do you know where the key to Dr. Cara’s office is?” ”

“Yes.”The assistant nodded.

“Go and get the key!”Eva said.

“Okay, I’ll go now.”The assistant immediately ran to get the key. ”

“The key was in the office outside, and the assistant came back very quickly. “Here.” ”

“Eva took the key and opened the door. The key had just been inserted in, but the lock could not be turned at all. ”

The door had been locked from the inside!

Eva frowned.

“The assistant asked anxiously, “What’s Going On?” ”

“The door seems to have been locked from the inside!”Eva said.

“Then what do we do now?”

Eva thought for a moment. “Go and call a few people over. We’ll break the door open!”

Break down the door?

The assistant looked at Eva in surprise.

“Eva saw that the assistant was not moving and said, “What are you still standing there for! Go and get someone!” ”

“Oh,”the assistant finally reacted. “Okay!” ”

“Soon, the assistant called two strong bodyguards over. ”

“For safety reasons, Dr. Cara’s door was made of a special material. It could not be opened so easily!”

“The two bodyguards bumped into each other again and again, but the door remained the same and did not even tremble.”

“Seeing this, Eva could only look for a professional lock-picking expert.”

The expert studied it for a while before opening the door.

“After opening the door, Eva and her assistant immediately ran inside. “Dr. Cara!” ”

“After entering the house, she turned a corner and saw Dr. Cara sitting in front of the computer, the computer screen covering his face.”

“Seeing Dr. Cara sitting in front of the computer in perfect condition, Eva heaved a sigh of relief. “Dr. Cara, are you okay?” ”

Dr. Cara did not respond immediately after saying that.

“The assistant felt that it was a little strange and called out again, “Dr. Cara?” ”

But Dr. Cara was still sitting there without saying a word.

The assistant and Eva looked at each other and saw the confusion in each other’s eyes.

What was going on?

Eva narrowed her eyes and took a few steps forward. Only then did she see that Dr. Cara was holding his head with one hand as if he was sleeping.

“Eva thought that Dr. Cara was sleeping, so she would not disturb him. However, she was a little worried. She leaned over slightly and called, “Dr. Cara.” ”

Dr. Cara was still the same as before.

This was very wrong!

“Eva had followed Dr. Cara for so many years, but she had never seen Dr. Cara sleep so soundly. ”

Eva reached out and pushed Dr. Cara. “Doctor?”

“It was just a light push, but in the next second, Dr. Cara was pushed to the ground. ”

Bang!

Eva was so scared that her face turned pale. “Dr. Cara!”

The assistant beside her was also very scared.

What happened to Dr. Cara?

The assistant immediately ran over to help Dr. Cara. Only then did he realize that Dr. Cara’s body was already stiff. He was still lying on the ground and was still sitting at his desk.

“Ah!”The assistant was so scared that he screamed.

Eva immediately contacted the emergency phone and the police.

“Soon, the police and the ambulance arrived. ”

“After the Doctor’s examination, it was confirmed that Dr. Cara had been dead for three hours. He had been injected with a special drug while he was conscious, which caused his body to remain in a stiff state. ”

Dr. Cara occupied an important position in the scientific research community of C Nation. The police immediately locked down the entire experimental base and investigated it one by one.

But the real murderer had already run away. What else could they find out?

...

Cen’s base.

Cen Shaoqing was flipping through the Buddhist scriptures when he suddenly received a message on his phone.

“Cen Shaoqing put down the Buddhist scriptures and picked up his phone. After reading the message clearly, the corners of his mouth slowly curled up into a faint smile. ”

“Very soon, the news of Dr. Cara’s death exploded on the entire internet. ”

“For a time, many people clapped their hands in joy. ”

“[ the heavenly axiom has a cycle of reincarnation, retribution is not pleasant! ] ”

“[ although scientific research does not differentiate between national boundaries, professor Cara is really too disgusting. This time, it is really satisfying! ] ”

“[ this is retribution for evil, right? ] ”

[ hurry up and eat. ]

“When ye Zao saw this news, he was stunned. ”

“She had not even had the time to make a move, how did cara disappear? ”

Was it an accident?

“Ye Zao felt that things were not that simple. He put his phone back into his pocket, closed his computer, and walked out of the door. ”

Chapter 1769: 383: She’s Ye Zao? She’s nothing to be afraid of! 4

“Soon, they arrived at the door of Cen Shaoqing’s office. ”

Special Assistant Zuo was standing at the door and talking to a young woman.

“Seeing ye Zao Come Over, special assistant zuo immediately said, “Miss Ye.” ”

Ye Zao nodded slightly and pushed the door open to enter.

“Seeing this, the young woman asked curiously, “Why can she enter but I can’t? They’re both women, and you still want to be special?” ”

“”Do you know who that is? Miss Ye!”Special assistant zuo continued, “Can you compare to miss ye?” ”

“The young woman said in surprise, “Is She Dr. YC?” ”

“Yes.”Special Assistant Zuo nodded.

“The young woman let out a long sigh. “That really can’t be compared! Here, take the document!” ”

Special Assistant Zuo took the document.

The young woman turned around and left.

Cen Shaoqing’s office was very quiet. A single song was playing in the air.

“At this moment, Cen Shaoqing was making tea. ”

“He sat in front of the tea table and stared intently at the tea set. The curling smoke of the tea made his face faintly discernible, and the noble room was shrouded in coldness. ”

“As the sound of footsteps approached, Cen Shaoqing frowned slightly. ”

“He hated it the most when his assistant or secretary came in and out of his office casually. Just as he was about to scold him, he raised his head and saw Ye Zhuo. He immediately stood up from his chair. “Leader, you’re here.” ”

Ye Zhuo nodded slightly and walked over to sit opposite Cen Shaoqing. “I came to ask you something.”

“What is it?”Cen Shaoqing asked.

Ye Zhuo took out his phone and pointed at the news content on it. “Is this your doing?”

““Yes.” Cen Shaoqing nodded slightly and poured a cup of tea for Ye Zhuo. “Leader, drink some tea to moisten your throat.” ”

Ye Zhuo took the Teacup. “I knew it was you.”

“I plan to help Dansen get to the top. What do you think?” Cen Shaoqing continued to ask.

“Kala was the pillar of C Nation’s scientific research world. Now that this pillar had fallen, they definitely needed to find someone to replace it. ”

Dansen was a very good candidate.

“Who is Dansen?” Ye Zao asked.

Cen Shaoqing handed a document to ye Zao. “Take a look.”

Ye Zhuo took the document and flipped through two pages.

“Dansen had been an orphan since he was young. He was also a spy carefully groomed by Cen Shaoqing. All these years, he had been sending information to the base. ”

“After reading through Dansen’s information, Ye Zhuo said, “This person is indeed not bad. I just don’t know if he can pass the election.” ”

The position of Dr. Cara was not so easy to take.

He had to go through many tests.

Cen Shaoqing curled his lips slightly. “You don’t have to worry about that.”

“Ye Zao took a sip of tea and continued, “Right, who did you send over? Will the International Department find out?” ”

“Find out?” Cen Shaoqing chuckled. “Just based on that bunch of trash from the International Department?”

He looked a little arrogant.

“However, he did not look out of place at all. ”

It was as if he was supposed to

“Seeing him like this, ye Zao felt relieved and continued, “Is there any food in the fridge?” ”

“Yes.” Cen Shaoqing stood up. “What do you want to eat? I’ll go get it for you.”

Ye Zao didn’t stand on ceremony with her. “Doughnut chocolate.”

“Okay.” Cen Shaoqing nodded slightly.

“Ever since he had confirmed his relationship with ye Zao, Cen Shaoqing’s refrigerator in every office had all kinds of desserts in it. ”

“Soon, CEN Shaoqing came over with donuts and chocolate. ”

Ye Zhuo liked to eat chocolate while drinking tea.

“There was a hint of sweetness in the bitterness of chocolate, and a hint of fragrance in the bitterness of tea. The two flavors blended together and made people feel comfortable. ”

“After drinking the tea and eating the chocolate, it was already two o’clock in the afternoon. Ye Zhuo received a wechat message from ye Shu. “My mom sent me a wechat message. She said that there will be a family gathering tonight. Do you want to go back with me?” ”

“Sure.”Cen Shaoqing nodded slightly.

He couldn’t miss anything. He couldn’t miss such a big family gathering.

“After work that night, Cen Shaoqing went to ye Zhuo’s office to wait for her. ”

“After ye Zhuo was done with his work, he walked to Cen Shaoqing’s side and handed him the wine-red coat. “Hold it for me.” ”

“Cen Shaoqing took the coat, and Ye Zhuo handed him the backpack. “And this.” ”

“After saying that, ye Zhuo continued, “Wait for me outside. I’ll go into the lab and come out right away.” ”

“Okay.”Cen Shaoqing took ye Zhuo’s things and walked out of the door.

“Along the way, everyone looked curiously at Cen Shaoqing. ”

“Although everyone had long been used to Cen Shaoqing and ye Zhuo being boyfriend and girlfriend, they were still very surprised to see Cen Shaoqing holding ye Zhuo’s clothes and bag like a porter. ”

Chapter 1770: 383: she is Ye Zhuo? Nothing to be afraid of! 5

How does this person look like the high and Mighty Cen Fifth Master?

Cen Shaoqing came to the base and waited for Ye Zhuo in front of the car door.

“Unlike the others, he stood there and did not immediately lower his head to play with his phone. Instead, he looked into the distance with a Buddhist bead in his hand.”

“Soon, Ye Zhuo walked out from inside.”

“When he saw ye Zhuo, Cen Shaoqing immediately went up to him and handed his coat to her.”

“It was already winter in the capital, so it was a little cold.”

“Let’s go.”Ye Zhuo put on his coat and looked at Cen Shaoqing.

“Okay.”Cen Shaoqing nodded slightly.

The two of them turned around and got into the car.

“The car was very fast. In less than half an hour, they arrived at the Lin family manor.”

Ye Zhuo opened the door and got out of the car.

“CEN Shaoqing said, “Wait a moment.” ”

“What else do you want?”Ye Zhuo looked back slightly.

“CEN Shaoqing said, “There’s still something I haven’t taken.” ”

Ye Zhuo opened the trunk and only then did he see that there was a pile of gifts in the trunk.

“When did you buy this?”Ye Zhuo was a little surprised.

“I had my assistant prepare it in advance.”

“Ye Zhuo said, “If I had known, I wouldn’t have told you in advance. In a while, my mother will blame you for spending money recklessly.” ”

“It’s a token of my appreciation.”Cen Shaoqing’s thin lips parted slightly.

“As the Lin family’s son-in-law-to-be, Cen Shaoqing would not come to their house empty-handed every time. ”

“Furthermore, the gifts were generous. ”

“According to Old Lady Lin, Cen Shaoqing was already so old. It was not easy for him to find a wife. He must not ruin this marriage. Hence, Cen Shaoqing would bring a generous gift every time he came over, he was also very respectful to his relatives in the Lin family. ”

“Today was a big family gathering, so almost all the relatives of the Lin family were present. ”

“Seeing ye Zhuo and Cen Shaoqing come in, an Lizi immediately ran over. “Great Burning!” ”

“Lizi!”Ye Zhuo turned to look at an Lizi.

“Fifth Master.”An Lizi greeted Cen Shaoqing again.

“Although she only needed to call Cen Shaoqing brother-in-law, Cen Shaoqing’s aura was too strong. After calling him brother-in-law a few times, she could not say it anymore. ”

The pressure was immense.

It was still easier to call him fifth master.

Cen Shaoqing nodded slightly.

““Oh right, where’s fourth aunt?”Ye Zao looked at an Lizi. ”

“An Lizi said, “My mother is talking to youngest aunt inside.” ”

“OH.”Ye Zao nodded slightly.

“Little twelve is back!”

“Aunt!”

“The three of them walked inside. A group of children ran out from inside and hugged ye Zao, unwilling to let go. ”

“Uncle has the latest version of the transformation robots. Do you want to play with them?”Cen Shaoqing leaned over slightly.

“If he had known that the five little guys would definitely be there, he would have pestered ye Zao. Therefore, Cen Shaoqing specially asked his assistant to prepare five custom-made robots. ”

Such high-end robots could not be bought on the market.

“Hearing this, the five little guys were extremely excited, jumping and shouting. ”

““Yes, yes, yes!” ”

“Great Job, uncle!”

Cen Shaoqing took the five little guys to play with the transformation robots.

“Looking at Cen Shaoqing’s back, Wu Mei said with a smile, “Shaoqing will definitely dote on his children in the future. Every time he comes, he will bring new toys for the little guys.”

“Yang Wenyin nodded and echoed, “Exactly. Every Time Our Duan Duan comes home, he will talk about his uncle for a long time.”

“Zhang Zhenzhen turned to look at ye Zao. “Zao Zao, when are you and Shaoqing planning to hold the wedding? Take advantage of your youth and quickly have a child. It’s not easy to recover when you’re old.”

“I haven’t thought about it yet,” ye Zao said. “Let’s talk about it after I graduate.”

“Yang Wenyin smiled and teased, “Then you guys have to be careful during normal times. Don’t let the gun go off.”

Go Off?

Ye Zao was stunned. He didn’t understand what Yang Wenyin meant.

“Wu Mei looked at Yang Wenyin and said, “What nonsense are you talking about? Zao Zao is still a child. He doesn’t know what to say.”

Ye Zao’s old face turned red. He realized that Yang Wenyin had already brought him to the car.

“Yang Wenyin smiled and said, “I was just joking! Besides, they’re young and passionate. It’s normal for something to happen. It’s not the old society anymore. If something really happens, just get married!”

“At this moment, Xia Xiaoman and ye Shu came out from inside. ”

“Xia Xiaoman was already close to her due date and her belly looked very big. Perhaps it was because she was pregnant, but she looked more than a circle fatter. Her body emitted a strong maternal glow. ”

Ye Zhuo walked over. “Auntie.”

“”Zhuo Zhuo is back.”Xia Xiaoman continued, “Where’s Shaoqing?” ”

Ye Zhuo said: “In the end with them to play.”
