Chapter 1771: 383: She's Ye Zhuo? She's nothing to be afraid of! 6

"Xia Xiaoman nodded. Not far away, Cen Shaoqing was playing happily with the little guy. She smiled and said, "Shaoqing really likes children." "

"Regarding this point, ye Zhuo also felt that it was a little strange. He had never seen Cen Shaoqing like children so much. Faced with the Cen family's few older sisters and children, Cen Shaoqing also had a serious look on his face. Yet, when faced with these five little guys.., cen Shaoqing seemed to have changed. "

"Yang Wenyin raised her head and looked at Xia Xiaoman. "Xiaoman, what's your due date?" "

""Three days,"Xia Xiaoman said. "

""That's soon!"Yang Wenyin turned back to look at Wu Mei. "Sister-in-law, do you think Xiaoman is pregnant with a boy or a girl?" "

Wu Mei shook her head. "Who can tell from her belly?"

"Yang Wenyin continued, "I heard that the one with the pointy belly is a boy, and the one with the round belly is a girl. I think Xiaoman's belly is round, a little like a daughter!" "

"Xia Xiaoman smiled and said, "Is that really true? Qingxuan has always wanted to give Lizi a sister so that she can have a partner in the future. If she really is a daughter, he will be very happy." "

"Zhang Zhenzhen continued, "Xiaoman, don't even think about having a daughter! Our Lin family doesn't have this gene!"She had tried several times but still couldn't get a daughter as she wished. "

Only Ye Shu was lucky enough to have both children in one child.

“Isn’t Zhonghua a doctor?” Zhang Zhenzhen smiled and said, “Zhonghua, show your aunt whether she is a younger brother or a younger sister.” ”

“Ye Zhuo smiled slightly, “Second aunt, do you really think that my eyes are X-rays? !”! “It’s impossible to tell from the shape of my stomach. I have to go through a machine check.”. “Fourth uncle and fourth aunt, if you really want to know the gender, you can go to the hospital for a check-up.” ”

“Lin Qingxuan walked over from the side. “There’s no need for a check-up. I like both men and women.”After all, he had waited half his life for this child. He had never even dreamed that.., he would have a child of his own in this life. ”

“Xia Xiaoman smiled very happily. Just like Lin Qingxuan, she had never thought that she would be able to find her own happiness after the divorce. She had never thought that a good man like Lin Qingxuan would exist in this world. ”

“In her previous life, Xia Xiaoman had been circling around an dongliang. It was only now that Xia Xiaoman felt that she had lived her true self. ”

“When two people who had been injured were reunited, they would definitely be able to overcome all their shortcomings and appreciate each other. ”

“Have you decided on the name of Your Child?”Wu Mei asked.

“Not yet.”Xia Xiaoman shook her head.

“Wu Mei continued, “You’re only three days away from your due date. You have to hurry up and decide on the name.” ”

“Okay.”

The dinner party ended at 9:30 pm.

“At the dining table, Cen Shaoqing was persuaded to drink some wine. He was a little tipsy at the moment. ”

“Ye Zhuo looked at Cen Shaoqing and said somewhat speechlessly, “If you can’t drink, then don’t try to be brave. Isn’t it uncomfortable to be drunk?” ”

Cen Shaoqing grabbed ye Zhuo’s hand. “I didn’t drink too much.”

Cen Shaoqing’s alcohol tolerance was quite good. It was just that he didn’t drink often. He suddenly drank so much wine and was a little tipsy.

“Besides, apart from a few children, even Lin Ze was his brother. He naturally couldn’t lose to others when it came to drinking. ”

“Ye Shu brought over a cup of sobering tea. “Shaoqing, are you alright?” ”

“”Auntie, I’m fine.”Cen Shaoqing immediately stood up from his chair. ”

“I heard that you drank quite a lot tonight.”Ye Shu handed him the cup. “Drink the sobering tea quickly.”

“”Thank you, Auntie.”Cen Shaoqing took the cup with both hands. ”

“How Many Cups did Shaoqing Drink Tonight?”Ye Shu looked at Ye Zao.

“I don’t know.”Ye Zao shook his head slightly.

“Cen Shaoqing drank the hangover tea and suddenly felt that his vision had become much clearer. “Auntie, I really didn’t drink much. Don’t worry.” ”

Ye Shu nodded. "Then let Zao take you home later."

"No need. I'll get the driver to come over," Cen Shaoqing said. "

"Ye Shu smiled and said, "We're all family. There's no need to be so polite." "

"Thank you, Auntie." "

"Ye Shu knew that Cen Shaoqing would definitely feel uncomfortable with her around, so she went to the chess and card room on the third floor to play mahjong with a few sisters-in-law. "

Cen Shaoqing only sat down after watching ye Shu's back disappear at the corner of the stairs.

"Seeing him like this, Ye Zhuo raised his eyebrows slightly. "Are you so afraid of My Mother?" "

Cen Shaoqing touched his nose. "How can I not be afraid of my future mother-in-law?"

"Cen Shaoqing had never been so timid in his entire life. Yet, he had broken all the rules at Ye Zhuo's place. "

"Seeing him like this, Ye Zhuo chuckled. "

"CEN Shaoqing continued, "By the way, why isn't Uncle Here Today?" "

"Ye Zao said, "Uncle had something to do at the last minute." "

"Ye Sen had developed Shengdong Express very well, and his business had long since expanded overseas. He was usually very busy, and ye Zao had not seen him for a long time. "

“After accompanying Cen Shaoqing to sober up for a while, ye Zao picked up the car keys on the table. “It’s getting late. Let me send you home.” ”

Cen Shaoqing grabbed ye Zao’s hand and stood up.

...

At the same time.

On the other side.

Mars.

“At present, the OASIS project was beginning to take effect. As far as the eye could see, the experimental field was green. ”

“Currently, the resources on Mars were enough for humans to survive on it. ”

“Fu Kang, a professor from the University of Agriculture, stood on the ridge of the field and looked into the distance. He smiled at the professor beside him and said, “Old Tian, Miss ye is really amazing! According to her method, the current germination rate of rice is already around 88% !” ”

“Old Tian was also a little surprised. He thought that ye Zao was just saying it casually. After all, Ye Zao did not come from the countryside and had never come into contact with agricultural knowledge. As a big shot in science and technology, how could she know agricultural knowledge, he did not expect that ye Zao was right! ”

“Heroes come from the youth. Miss ye let me understand the true meaning of this sentence.”

How Old Was Ye Zhuo?

She was only in her early twenties!

“When she was nineteen years old, she had already achieved a lot. This sentence was the most suitable to describe her.”

No one noticed that a flying machine with a green light flashed past the horizon and finally disappeared in the northernmost direction.

Fu Kang took off his glasses and wiped them. He turned to look at Old Tian. “Did you notice that something seemed to fly past quickly?”

“Old Tian looked up at the sky and said, “No! Did you see it wrong?” ”

See It Wrong?

“Fu Kang put on his glasses again and said, “Maybe.” He was very short-sighted, so it was normal for him to see it wrong.”

On the other side.

“In a high-tech room, a young woman in uniform stood in front of her desk, she looked at the middle-aged man sitting there and said, “Sir, I’ve found out that the person who brought those low-level humans to Mars to carry out the oasis project is called Ye Zhuo.” ”

“After saying that, the young woman activated the hidden button in the air, and a transparent screen immediately appeared in the air. “This is all of ye Zhuo’s information.” ”

The middle-aged man looked at the information on the screen and narrowed his eyes. “It’s her?”

Chapter 1772: 364: Miss Ye Dominates Changyue! 1

“The young woman was stunned for a moment before continuing, “Sir, do you know her?” ”

The middle-aged man had an indescribable expression on his face.

Similar.

It was too similar!

“At this moment, he thought that he was hallucinating. ”

But she was already dead!

He had personally watched her turn into ashes. How could she appear on earth?

““Go and call the young miss over,”the middle-aged man said. ”

“Okay.”The young woman nodded.

“After leaving the house, she flew into the air in a simple aircraft. ”

“Soon, the aircraft stopped in front of a circular building. ”

The young woman walked down from the aircraft.

“Just as she reached the door, she was stopped by the man guarding the door. ”

“The man was wearing a high-class uniform. His facial features were handsome. Standing at the door, he looked like a statue. ”

“Stop!”

“The young woman took off her glasses. “Hello, Captain Wu. I’m Yuan Yi. I’m here to see Miss under the orders of Officer Qiu.” ”

The man did not even look at Yuan Yi. “Identification.”

Identification?

“She had already announced her family name, but she did not expect Wu Han to still ask her for identification.”

“She had been by Qiu Chang Town’s side for decades and had frequently appeared at various occasions. In Chang Yue, there was no one who did not recognize her. ”

Her face was the best pass.

She did not expect to be stopped today by someone who wanted to see her ID.

Yuan Yi was a little speechless.

“She had long heard that Wu Han, who was by Qiu Di’s side, was unapproachable and impartial. Other than Qiu Di, he treated everyone coldly. ”

“Previously, Yuan Yi did not believe him. Now that she saw him in person, Yuan Yi finally believed him. ”

“”Okay, wait a moment, I’ll Find Your ID.” ”

“Yuan Yi lowered her head to look for the id, but she found that she didn’t bring it at all.”

“”Sorry, Captain Wu, I forgot to bring my ID. Can you scan the chip?”In changyue, everyone had a chip, and scanning the chip could get the identity information.”

“”No,”Wu Han said expressionlessly.”

“Yuan Yi sighed, “Captain Wu, can’t you just be flexible? I really have something urgent to see Miss! Besides, I have a chip, not a chip!” ”

“”Identification Card,”Wu Han said.”

“”I already said that I didn’t bring my identification card,”Yuan Yi continued, “I’ve been by Officer Qiu’s side for 10 years! Can I still harm miss?” ”

“Wu Han repeated, “Identification Card.” ”

1

This Wu Han was really an iron wall. He didn’t show any mercy at all.

“”Okay, okay, okay. I’ll go back and get the identification card.”Yuan Yi put on her glasses again. Her mother had no choice but to return to the aircraft to get the identification card.”

“Fortunately, Yuan Yi’s residence was not far from here. It only took about 15 minutes.”

“”Captain Wu, let me show you the Identification Card.”Yuan Yi waved the identification card in front of Wu Han. “Can I go in now?” ”

“Wu Han took the id and scanned it according to the process. After the system finished scanning, Wu Han said, “Go in.” ”

“Yuan Yi walked inside. After a few steps, he turned back and looked at Wu Han. “Captain Wu, do you know how to Smile?” ”

Wu Han looked ahead expressionlessly as if he didn’t hear Yuan Yi.

“Seeing Wu Han like this, Yuan Yi shook his head helplessly and continued to walk inside. ”

“Soon, Yuan Yi arrived at the door of Qiu Di’s office and knocked on the door. ”

The door was pushed open from inside.

“Yuan Yi looked at the person who opened the door and said, “Secretary Zhou, I want to see miss. .” ”

“Secretary Zhou said, “Miss. . is having a meeting inside. Please wait a moment.” ”

“Okay.”Yuan Yi nodded. “How long will it be before it ends?”

“”About 15 minutes,”the secretary replied. ”

“Okay.”Yuan Yi immediately activated the communicator and told Qiu Changzhen the news.

Qiu Changzhen had been reading ye Zao’s information and frowned slightly.

It looked like him.

It was too similar!

The Girl in the information was at least 70% similar to that person.

Was it her?

“Thinking of this, Qiu Changzhen felt a sense of crisis. ”

“15 minutes passed quickly. After the meeting, Qiu Di walked out of the meeting room. ”

“As the only daughter of Qiu Chang Town, Qiu Di had been exceptionally outstanding since she was young. Her aura was very strong. ”

“She was only 25 years old, but she was already able to take charge of her own affairs. Her ability was even above Qiu Chang Town. ”

““Yuan Yi, why are you here?”Seeing Yuan Yi, Qiu di frowned slightly. ”

“Yuan Yi stood up straight and saluted Qiu Di. “Eldest miss, the commander has something to ask of you. Please come with me.” ”

“Father? Why is Father Looking for me?”Qiu Di asked.

“Yuan Yi said, “I’m not too sure about the details. You’ll know when you arrive.” ”

“Qiu Di glanced at Yuan Yi, “Wait a moment.” ”

Chapter 1773: 364: Miss Ye Dominates Changyue! 2

""Yes, miss. ."Yuan Yi nodded and stood in place, waiting for Qiu Di. "

Qiu Di came to the changing room in the office and changed his clothes before walking out.

"Miss. ."Yuan Yi immediately stood up when she saw Qiu di come out.

"Let's go."Qiu di glanced at Yuan Yi.

Yuan Yi immediately followed Qiu Di's footsteps.

"Seeing autumn flute come out, Wu Han took a step forward. "Eldest miss." "

"Autumn flute said, "Let's go to my father's place." "

""Okay."Wu Han immediately activated the aircraft. "Eldest miss, please." "

"In front of autumn flute, Wu Han did not have a specific position. His origin was mysterious. A few months ago, he suddenly came to autumn flute's side. After that, if autumn flute lacked a pilot, Wu Han would be the pilot. "

"If autumn flute lacked a bodyguard, Wu Han would be the bodyguard. If autumn flute lacked a tactician, Wu Han would be the tactician. "

"In front of autumn flute, Wu Han was omnipotent. "

"And Wu Han was even more loyal to autumn flute. Other than autumn flute, no one else could order Wu Han. "

Even autumn town could not order Wu Han.

Autumn flute entered the aircraft.

“Soon, the two aircraft disappeared into the air. ”

“Ten minutes later, the aircraft stopped at the entrance of the headquarters. ”

Wu Han got off the aircraft in advance and walked down with Qiu Di.

“Qiu di said, “Wait outside. I’ll go in alone to find father.” ”

“Yes.”Wu Han nodded.

Qiu Di walked into the headquarters.

The office door of autumn town was not closed. Qiu Di reached out and knocked on the door. “Father!”

“Come in.”Qiu Chang Zhen turned around.

“Qiu Di walked into the office. “Father, is there something you need me for?” ”

Qiu Chang Zhen pressed the button. “Look at who this person looks like.”

Qiu Di raised his head.

A transparent screen appeared in the air. On the screen was a person’s information.

Ye Zhuo.

Female.

From... Earth?

“Qiu di frowned slightly and looked at Qiu Chang Zhen. “Father, why are you showing me the information of a low-level human?” ”

The people of Earth were low-level humans.

“Planet E-TY889 was located outside the Milky Way. The technology here was advanced, and the space civilization had already reached level 5. ”

As for Earth?

“Earth was still at level 2, what could a level 2 civilization do? ”

“Facing a level 5 civilization, they only needed to move their little finger to crush the entire earth. ”

Most importantly...

“The natives of Earth were all eliminated. Compared to them, the difference was not small. ”

“10,000 years ago, there was a higher level civilization on Earth. As the level of civilization increased, the resources on Earth could no longer satisfy the natives. Therefore, the natives decided to move to a higher level planet than Earth. However, there were too many people on Earth., they could not move the entire human race, so a system of survival of the fittest had broken out on earth, eliminating a group of people with low qualifications. ”

The descendants of these people with low qualifications would be trapped in the resource-exhausted earth for generations until they were completely wiped out!

“Therefore, at present, all life on Earth was the lowest level existence! ”

“At this moment, Qiu Changzhen asked Qiu Di to look at the information of a low-level human, which only made Qiu di feel disgusted. ”

It was very disgusting.

This behavior was no different from insulting her eyes.

Qiu Di resisted the urge to vomit.

“Qiu Changzhen continued, “Don’t you think this low-level human looks like a person?” ”

Like a person?

Like Who?

“Qiu Di narrowed her eyes, resisted the disgust in her heart, and looked at the low-level human in the information again. ”

It had to be said.

This low-level human did indeed have some color.

It was a pity.

A low-level human was a low-level human.

“Even if he was good-looking, he could only be a low-level human.”

“At this moment, Qiu di suddenly thought of a person. ”

Ye Zhuo.

“Yes, it was ye Zhuo. ”

“The more he looked, the more it looked like. ”

It was also at this moment that Qiu di suddenly realized that these two people’s names were the same.

They were both called ye Zao.

Was this a coincidence?

But Ye Zao was clearly already dead!

She had personally witnessed ye Zao’s body being sent to the nitrogen chamber of the research bureau to be preserved.

No.

This was not ye Zao.

Ye Zao had died a long time ago.

This was just a low-level human.

“Thinking of this, Qiu di slowly calmed down, she continued, “Father, the unrestrained reproduction on Earth has resulted in an excessive population. Isn’t it normal for there to occasionally be someone who

looks 70-80% similar?"There were a total of 7 billion people on Earth, it was normal for there to be a few people who looked similar, let alone the occasional one! "

"Therefore, this lowly person was definitely not ye Zao. "

He just happened to have the same name as ye Zao and looked a little like ye Zao.

Chapter 1774: 364: Miss Ye Dominating Changyue! 3

"Although the probability was a little low, there was still a word called miracle. "

"Although Qiu di said so, Qiu Chang Zhen was still a little worried. "Why don't you go to Earth?" "

This low-level human always gave Qiu Chang Zhen a sense of crisis.

This sense of crisis was very strange and made people shudder.

"It was clearly just a photo, but it made Qiu Chang Zhen feel guilty. "

He had a feeling that ye Zhuo was not dead.

This lowly human

Let Her Go to earth?

That Lowly Planet?

How was that possible!

“With her status on Earth, what was the difference between going to Earth and lowering her status? ”

“Qiu Di raised her head to look at Qiu Chang Zhen. “Father, I feel that you are making a mountain out of a Molehill.” A mere lowly human was not enough to make Qiu Chang Zhen so afraid. ”

“”Xiao Di, but I still feel a little worried.” Qiu Changzhen continued, “The election will be held in a few days. If something happens at this critical moment, then it will be all for nothing!” ”

“The more critical the moment, the more likely it was to make a mistake. ”

Qiu Di had waited so long. He must not be influenced by anyone at this time

“”Father, you are worrying too much.” The corner of Qiu Di’s mouth curled up. “Earth’s resources are limited and its ability is exhausted. It is two million light years away from our home planet. Do you think ye Zao can go to Earth alone under such circumstances?” ”

“In other words, even if ye Zao was really ye Zao, so what? ”

“Earth was a low-level planet that could not be considered low-level. Ye Zao was on a low-level planet. She could have anything she wanted. It would take two years to build a light-speed aircraft carrier. With this ability, could she jump out of earth? ”

“Even if she could jump out of earth, she could not jump out of the Solar System! ”

What right did a low-level human have to compete with her?

It was ridiculous.

Who Was She?

“She was the daughter of the chief of the Chang Yue country. In the future, she would become the ruler of the Chang Yue country.”

What was this low-level human?

Could she be compared to her little finger?

“Thinking of this, Qiu Di’s eyes were full of pride.”

“Hearing this, Qiu Changzhen narrowed his eyes. What Qiu di said was not completely unreasonable. However, there was another saying, “Don’t be afraid of ten thousand things, just be afraid of the unexpected.”.

If something went wrong...

Their Qiu family’s Hope would be lost.

“Qiu Di had the ability, but she was still too young.”

““Xiao Di, what do you mean?”Qiu Changzhen turned to look at Qiu Di.”

““Don’t worry about her,”Qiu di said.”

“Qiu Changzhen Thought for a moment and then said, “Xiao Di, is this really okay?”He was still a little worried.”

Ye Zao was their mortal enemy.

“Previously, when ye Zao was around, Qiu Di would never be able to stand out.”

“Ever since ye Zao left, Qiu Di had risen step by step. Now, it was time for the election! ”

“But now, another ye Zao had appeared on Earth. ”

How could autumn town not be worried?

““Father, you don’t have to worry.” Autumn flute glanced at autumn town, the corners of her mouth curling into a smile, “So what if this lowly person and ye Zao are the same person? Those lowly people on Earth used 10,000 years, but they still couldn’t leave the Solar System. Do You Think Ye Zao Can?” ”

Leaving the Solar System wasn’t enough to just have the ability. They still needed resources and energy.

“Hearing this, Qiu Changzhen heaved a sigh of relief and continued, “Have you prepared everything for the general election?” ”

““You don’t have to worry about the general election. Just wait for me to become the Crown.”With Wu Han’s loyalty and protection, how could she be afraid that those old guys wouldn’t choose her? ”

“Besides, who else in Changyue had the right to sit on that throne besides her? ”

““Wu Han shouldn’t remember anything in a short period of time, right?”Qiu Chang Zhen asked. ”

“Wu Han was previously ye Zao’s most loyal subordinate. After witnessing ye Zao’s ashes, he felt very guilty and couldn’t recover from the setback. He lost his memory and went crazy. He was picked up by Qiu Di, controlled with drugs, and tampered with Wu Han’s memories, in Wu Han’s memories, ye Zao’s appearance had long disappeared. ”

“And Qiu di had become Wu Han’s savior, the savior of Chang Yue. ”

“Therefore, Wu Han was only loyal to Qiu Di! ”

“Other than Qiu Di, he ignored everyone’s orders. The current Wu Han was no different from a walking corpse. He was just a puppet in Qiu Di’s hands. ”

“”Don’t worry, I won’t.”Qiu Di’s face was full of confidence. Her medical skills were second to none in Chang Yue, so no one dared to claim to be first! ”

“Even if the great state doctor saw Wu Han, he wouldn’t be able to see anything wrong. ”

Unless ye Zao could be resurrected!

Chapter 1775: 364: Miss Ye Dominates Changyue! 4

But Can the dead be resurrected?

Or can that lowly human do it?

“Thinking of that lowly human, Qiu Di’s eyes were filled with mockery. ”

Qiu Chang Zhen was old and muddle-headed. He actually thought that a lowly human would affect her!

“Qiu Di turned to look at Qiu Chang Zhen. “Father, don’t worry about this and that. Just Wait for me to ascend to the throne.”At that time, their Qiu clan would be the number one family in changyue! ”

As for those people in the Ye clan’s team?

“Without ye Zhuo’s leadership and the Ye clan’s team, they were nothing to be afraid of. ”

“Seeing that his only daughter was so outstanding, Qiu Chang Zhen was extremely gratified. His eyes were filled with satisfaction as he looked at Qiu Di. ”

“”Little Di, as long as you know what you’re doing.”Qiu Chang Zhen continued, “In short, don’t let anyone obstruct your path.” ”

“Okay.”Qiu Di nodded.

“Currently, in Chang Yue, who else could surpass her? ”

She was the existence of the strongest King!

“”Oh right, there’s one more thing I forgot to tell you,”Qiu Changzhen said. ”

“What is it?”Qiu Di asked.

“Qiu Changzhen said, “That low-level human is currently trying to change Mars.” ”

Change Mars?

Qiu Di laughed out loud.

“”Father, do you think it’s necessary to tell me about this?” ”

What kind of place was Mars?

Mars was the same as Earth in the past. There was a higher-tech civilization on Mars. The current Mars had no value at all. It was just an abandoned planet.

“If that low-level human was really that powerful, he would not have wasted his time and effort to change Mars.”

Ye Zhuo was dead!

The rest were just low-level replicas.

There was nothing to be afraid of.

““Father, there’s no need for you to waste your time on such meaningless things.”From Qiu Di’s point of view, Qiu Changzhen was just worrying over nothing.”

“After saying that, Qiu di continued, “If there’s nothing else, I’ll be leaving first.” ”

“Qiu Changzhen nodded. “Okay, you go ahead and do your work.” ”

Autumn flute turned around and left.

“Wu Han was still standing at the door waiting for her. When he saw autumn flute coming over, Wu Han immediately followed her footsteps. “Eldest miss.” ”

“Okay.” Autumn flute nodded slightly. “How are the preparations for the general election coming along?”

““Everything has been prepared. You Don’t have to worry,”Wu Han said.”

““Very good.” Autumn flute nodded in satisfaction. “When I ascend to the throne, what rewards do you want?” ”

“Wu Han looked at Qiu di and said, “Wu Han doesn’t want any reward. He only wants to keep eldest miss safe and sound for a hundred years.” ”

“Hearing this, Yuan Yi had a complicated expression on her face. ”

What kind of freak was this Wu Han?

“It was one thing if his origin was unknown, but now he actually said such a thing! ”

“As a person, who didn’t have the ambition to achieve fame? ”

But what about Wu Han?

“Wu Han said that he didn’t want anything, only wanted to keep the autumn flute for a hundred years without worry... ..”

“If he hadn’t heard it with his own ears, Yuan Yi would never believe that someone could say such words. ”

Could it be that Wu Han was an admirer of the autumn flute?

The autumn flute had the title of the second most beautiful woman in the country of Chang Yue.

“Ever since that person left, the autumn flute had gone from the second most beautiful woman to the first. It was currently in the limelight. In the next general election, if nothing unexpected happened, the autumn flute would definitely be crowned as the king, no less than that person from before. ”

Autumn flute was also very satisfied with Wu Han’s answer.

Ye Zao probably wouldn’t know until he died that Wu Han would become her most loyal supporter!

“Let’s go back.” Autumn flute turned her head.

“Yes.” Wu Han said respectfully.

The two of them walked into the aircraft.

“Autumn flute sat in the sterile room, her eyes slightly squinting.”

“Actually, autumn town’s worries weren’t completely unreasonable.”

“At this time, there could not be the slightest mistake.”

“Qiu Di pressed the influence button on the seat and continued, “Wu Han.” ”

““Young miss, I’m here.” Wu Han’s voice came from the communicator.”

“Qiu di continued, “Go to the research institute.” ”

“Yes.”

She had to personally go to the research institute to take a look.

Only by seeing it with her own eyes could she be at ease.

What if that low-level human on Earth was really ye Zhuo?

Ye Zhuo was a cheap bastard!

“As long as she was left with a sliver of hope, she would be able to survive.”

Wu Han immediately changed the flight path of the aircraft.

“The aircraft’s speed was very fast, and it would arrive at the research institute in an hour. ”

The director of the Research Institute was ye Zhuo.

Now That Ye Zhuo wasn’t around.

The person in charge of the research institute had already become Ye Ling.

“When she heard that Qiu Di had come over, Ye Ling had already been waiting at the entrance of the research institute. ”

“When she saw Qiu di alighting from the aircraft, Ye Ling immediately went up to greet her. “Miss Qiu.” ”

Qiu Di nodded. “Is everything ready?”

Chapter 1776: 364: Miss Ye Dominates Changyue! 5

““I’m ready,”Ye Ling said respectfully. ”

““Let’s go,”Qiu di said. ”

Ye Ling immediately followed Qiu Di’s footsteps.

The three of them walked towards the nitrogen room inside.

The nitrogen room was at the innermost part of the research institute.

It would take about five minutes to walk there.

“Qiu Di suddenly asked to see ye Zhuo’s corpse, which made ye Ling somewhat puzzled. She then asked, “Miss Qiu, Did Something Happen?” ”

“Qiu di said, “Let’s go in first.” ”

“Okay.”Ye Ling nodded and followed Qiu Di’s footsteps.

“Soon, they arrived at the door of the liquid nitrogen room.”

Qiu Di turned to look at Wu Han. “Wait at the door.”

“”Okay, Miss,”Wu Han said. ”

Qiu Di and Ye Ling walked into the liquid nitrogen room.

“As soon as they stepped into the liquid nitrogen room, the clothes on their bodies changed according to the temperature in the air. ”

This was called the constant temperature suit.

The inventor.

Ye Zao.

“Because the Earth’s energy was limited, the air-conditioning suit that ye Zao invented on earth did not reach the same level as the constant temperature suit. ”

“The constant temperature suit of the state of Changyue could be safe and sound even if it was in a high temperature of 1,000 degrees Celsius. ”

Qiu Di glanced at Ye Ling. “Has anyone come to the liquid nitrogen room recently?”

“”No.”Ye Ling shook her head. “According to your instructions, I’ve arranged for all the people who came to see her to go to the second annex.” ”

“Very good.”Qiu Di nodded.

The two of them continued walking inside.

“Very soon, they saw a transparent crystal coffin. ”

“When they entered, they saw a young woman lying inside the crystal coffin. ”

Her facial features were like a painting and could topple kingdoms and cities.

She lay there quietly like a Sleeping Beauty.

“Although the other party was only a corpse, when she saw her again, Qiu di could not help but be jealous. ”

And very jealous.

She was the same age as ye Zao.

But she was born better than ye Zao.

“Ye Zao was an orphan with no one to rely on. Ever since he was young, he lived in the open air. Qiu Di still remembered the scene when she first saw ye Zao.”

At that time.

Ye Zao was 12 years old.

“Because he had been living in the open all year round, Ye Zao’s face was sallow and thin. A 12-year-old child weighed only 40 pounds! ”

“At that time, Qiu Di was a high and mighty young lady of the Qiu family. ”

Looking at ye Zao like this was like looking at a pitiful worm.

“At that time, Qiu Changzhen offered to let ye Zao stay and serve Qiu Di. ”

Qiu Di’s original words at that time were: “This kind of little girl is also qualified to be my servant? Is she worthy?”

Her daughter did not agree.

“Qiu Chang Town could not be forced, so ye Zhuo was adopted by the orphanage. ”

“When she saw ye Zhuo again, it was four years later. ”

Ye Zhuo was sixteen years old.

“At this time, Ye Zhuo was no longer the little girl from back then. ”

“She was confident and beautiful. Not only was she a renowned miracle doctor, but she was also the founder of the Ye Research Institute! ”

Not to mention that Qiu di had no presence in front of her.

“Even Qiu Chang Zhen, Qiu Di’s father, had to respectfully address her as “Miss Ye.” ”

How Could Qiu di accept this?

“After all, Ye Zao had almost become her servant! ”

“Before ye Zao appeared, Qiu Di was the number one beauty of Chang Yue and the candidate for the chief of Chang Yue. ”

“After ye Zao appeared, Qiu Di went from number one beauty to number two beauty. The candidate for Chief of Chang Yue also became ye Zao. Ye Zao did not even participate in the assessment and directly took the position of Chief. ”

Later on.

“Ye Zao’s reputation grew bigger and bigger, and everyone knew that there was Miss Ye. ”

As for Miss Qiu... ... She had long been forgotten by people.

Qiu Di still remembered attending a certain cocktail party.

“When the big shots were talking about ye Zao, a person who adored Qiu di casually mentioned Miss Qiu. ”

“In the end, everyone’s reaction was very consistent. ”

Who Was Miss Qiu?

They had never heard of her.

“With Miss Ye in front of them, no matter how good Miss Qiu did, she would not attract any attention. ”

Qiu Di knew very clearly that only when ye Zao died would she be able to turn over a new leaf.

“Fortunately, there were eyes in the sky. ”

Ye Zao died in an accident.

“When she heard the news, Qiu di cried out in excitement. ”

“Everyone thought that she was sad and sad, but little did they know that she was crying out of joy. ”

Dead.

“Ye Zao, that B * Tch, was finally dead! ”

“Autumn flute looked at ye Zao lying in the crystal coffin in front of her. The corners of her mouth curled up, and she heaved a sigh of relief. ”

The fact that the corpse was still there meant that that low-level human was nothing to be afraid of.

She had gone crazy!

She actually thought that ye Zao had the ability to cross the Earth from Planet E-TY889.

...

On the other side.

“Today was Xia Xiaoman’s due date. Although it was her due date, Xia Xiaoman’s stomach still did not move.”

“In the afternoon, Lin Qingxuan could not wait any longer. She packed her things and accompanied Xia Xiaoman to the hospital for delivery.”

Chapter 1777: 364: Miss Ye Dominates Changyue! 6

“After arranging the ward, Lin Qingxuan brought Xia Xiaoman to the obstetrics department for a check-up.”

“It was Lin Qingxuan’s first time being a father. Seeing that Xia Xiaoman had not made any movements until the due date, she was very worried. “Doctor, is my wife Alright? Today is the due date, but why hasn’t she made any movements?” ”

“The Doctor was a middle-aged woman who looked very kind. “Mr. Lin, this is a normal phenomenon. You Don’t have to worry. Have you got the checkup sheet? Let me take a look.” ”

““Yes, I have it.”Lin Qingxuan immediately handed the checkup sheet to the doctor.”

“The Doctor took the checkup sheet and looked at it. Then, he said, “Mrs. Lin’s fetal position...” ”

“When Lin Qingxuan heard this, she was extremely anxious. She immediately said, “What’s wrong with the fetal position? Doctor, don’t scare me.” ”

““Oh, it’s fine, it’s fine.”The Doctor adjusted his glasses, then, he said, “Mr. Lin, you don’t have to be nervous. It’s just that Mrs. Lin is an old woman after all. In addition, the fetal position is somewhat abnormal, so I suggest that you have a caesarean section.” ”

““Caesarean Section?”Lin Qingxuan asked, “Is a caesarean section safe?” ”

““Mr. Lin, don’t worry. A caesarean section is the safest surgery.”He paused, the doctor continued, “But you also have to know that there is no surgery in this world that is absolutely safe. Although a caesarean section is safe, it is also dangerous.”No one knew what kind of accident would happen on the operating table. ”

“When he heard this, Lin Qingxuan became even more anxious! ”

The sweat on his forehead almost immediately appeared.

“Seeing how he was, Xia Xiaoman smiled and said, “Qingxuan, I am pregnant. I am not afraid. What are you afraid of?” ”

“Lin Qingxuan held Xia Xiaoman’s hand tightly and turned to look at the doctor. “Doctor, you must let my wife and child be safe and sound! As long as they are safe and sound, I am willing to give them any amount of money!” ”

“The doctor smiled and said, “Mr. Lin, don’t worry. I will do my best.” ”

“Please!”Lin Qingxuan stood up and bowed to the doctor.

“The doctor immediately stood up. “Mr. Lin, you are too polite! This is the responsibility of our doctors! Oh right, quickly go and go through the Caesarean section procedures. According to Mrs. Lin’s current situation, she will be able to perform the Caesarean section tomorrow afternoon.” The doctor then

instructed, "Oh right, Mr. Lin, you can't eat before the Caesarean section procedures. Mrs. Lin, don't eat anything after 9 pm." "

Xia Xiaoman nodded. "Okay."

"Hearing that Xia Xiaoman was not allowed to eat, Lin Qingxuan said nervously, "What if she's hungry? She's two people now, not one person!" "

""She can't eat even if she's hungry,"the doctor said seriously, "This concerns the life and safety of the pregnant woman and child." "

"Hearing this, Lin Qingxuan immediately said, "Don't worry, I won't let her have anything." "

The doctor nodded. "Then you guys go and go through the procedures."

"Lin Qingxuan nodded and turned to look at Xia Xiaoman. "I'll send you to the ward to rest first, and then go through the procedures." "

""There's no need to rest. I'll walk with you,"Xia Xiaoman continued. "I suspect that I listened to you. I was too lazy during the entire pregnancy, which is why the fetus wasn't in the right position." "

"Ever since Xia Xiaoman got pregnant, Lin Qingxuan was extremely nervous. He wished that he could even go to the toilet for Xia Xiaoman. "

""Then let's take the stairs,"Lin Qingxuan continued, "The air in the elevator isn't circulating." "

"Okay."Xia Xiaoman nodded.

"Soon, it was the second day. "

"After learning that Xia Xiaoman had a c-section today, Ye Shu and ye Langhua came. "

Old Mrs. Lin was too ashamed to see Xia Xiaoman. She knelt in the temple and prayed for Xia Xiaoman and her unborn child.

Lin Qingxuan stood outside the operating theater and paced back and forth anxiously.

“Ye Shu smiled and said, “Fourth brother, don’t worry. Fourth sister-in-law and the child will be out soon.” ”

“Lin Qingxuan said, “It’s already been two hours.” ”

“At this moment, a loud cry suddenly came from the operating theater. ”

““WA, WA, wa –” ”

This was the VIP delivery room. Xia Xiaoman was the only one who gave birth today.

“Hearing the cry, Lin Qingxuan was overjoyed. He was about to cry. He immediately ran to the door of the delivery room and peered through the crack of the door. ”

“Ye Shu smiled and said, “I told you that fourth sister-in-law and the child will be out soon.” ”

“How is it? Has My mother given birth yet? Is it a younger brother or a younger sister?”An Lizi was out of breath as she ran over from outside.

““Yes, it’s born.”Ye Shu smiled and said, “But it hasn’t come out yet. It should be soon.” ”

“Is it a younger brother or a younger sister?”An Lizi was very excited when she heard that Xia Xiaoman had finally given birth.

“Ye Shu said, “I don’t know for the time being. We’ll only know when the Doctor comes out. After the child is born, there should be other things to do.” ”

“OH.” An Lizi nodded.

“Lin Qingxuan was also very anxious. He turned to look at Ye Shu. “Sister-in-law, why isn’t Xiaoman and the baby out yet?” He wished that he could see Xiaoman and the baby right now. ”

“”Wait a little longer. They should be out soon.” Ye Shu smiled and said, “Fourth brother, don’t be anxious.” ”

“”Yes, don’t be anxious.” Although he said that he wasn’t anxious, Lin Qingxuan still walked around on the spot. ”

“About five minutes later, under Lin Qingxuan’s expectant gaze, the door to the delivery room finally opened. The nurse carried the child out. “Mr. Lin, Congratulations. Mother and son are safe.” ”

Lin Qingxuan took the child from the nurse’s hands. He was so excited that he could not control himself.

The child.

This was the child that belonged to him and Xiaoman.

He had been looking forward to this child for decades.

“An Lizi said, “Is it a little brother?” ”

The nurse nodded. “Yes.”

Ye Shu and ye Langhua also walked over to look at the child.

“”Mom, don’t you think this child looks a little like Lizi?” ”

“Ye Langhua looked at the baby with a smile. “His nose is like your fourth brother’s, and his eyes are like big sister Lizi’s. His ears are exactly the same as your fourth brother’s.” ”

Ye Shu looked at the baby very carefully and smiled. “It really is! Look at how cute his little eyes and nose are!”

“When Ye Zhuo and Cen Shaoqing arrived at the hospital, it was already afternoon. ”

Xia Xiaoman was lying on the hospital bed. She was already awake and the baby was sleeping next to her.

“Ye Zhuo said, “Lizi, brother or sister?” ”

“An Lizi said, “Brother! Big Zhuozhuo, you’re finally here. My parents have been waiting for you for a long time!” ”

“Waiting for me for what?”Ye Zhuo asked.

“Waiting for you to give my brother a name.”

“Me?”Ye Zhuo was stunned.

Give him a name?

This ye Zhuo really didn’t have much experience.

“However, it was as if she had experienced all of this somewhere before. ”

It was as if she had once given someone else a name.

Was her memory messed up?

“At this moment, Lin Qingxuan walked over. “Yes. Zhuozhuo, if it weren’t for you, your fourth aunt and I wouldn’t have had this child. Hence, your fourth aunt and I have unanimously decided that the child’s name will be given to you.” ”

Chapter 1778: 365: teach the scum a lesson! 1

“To Xia Xiaoman and Lin Qingxuan, Ye Zao was their benefactor in this world.”

“If it weren’t for ye Zao, they wouldn’t have had this child at all.”

“Giving the child’s name to Ye Zao was a form of respect and gratitude. They wanted the child to always remember that he came to this world because of his cousin, ye Zao.”

“When drinking water, don’t forget to dig a well.”

“Ye Zao looked at Lin Qingxuan and said, “Fourth uncle, I’ve never given anyone a name before. Are You sure you want me to give it to you?””

“Lin qingxuan smiled and said, “Of course I’m sure. Is this something that can be joked about?””

“”Sure.”Ye Zao Thought for a while and then said, “A refined and refined person. How about little brother’s name is Lin Zhi?””

""Okay! That's a good name."Xia Xiaoman nodded on the bed. "Zao Zao, we'll use the name you gave us.""

""Qingxuan, what do you think?"Xia Xiaoman turned to look at Lin Qingxuan."

"Lin qingxuan smiled and said, "Okay. I also think that Zao Zao is a very good name.""

There was a special feature in the names of the Lin family members.

"In the generation of Ye Zao and Lin Ze, they all had single names, and they all started with Z letters."

"For example, Lin Ze, Lin Zhuan, Lin Zhu... .. and a few other cousins. Although ye Zhuo did not grow up in the Lin family, her name was still the same as her cousins in the Lin family."

It also had a letter that began with Z.

Perhaps this was the ancient saying of not being in the same family and not entering the same house.

Lin Zhi.

"Not only did it begin with Z, but it also had the meaning of elegance and elegance."

This was simply the best of both worlds.

"Hearing this, Xia Xiaoman looked at the sleeping baby beside her and said with a smile, "Lin Zhi, Xiao Lin Zhi, Baby, do you know your name?"

"At this moment, the sleeping baby seemed to have heard Xia Xiaoman's words. It suddenly opened its eyes and looked at Xia Xiaoman. It even opened its mouth and subconsciously let out an 'ah'sound."

“Xia Xiaoman said in surprise, “I understand! He really seems to understand! Qingxuan, look at him quickly.””

“Lin Qingxuan smiled and looked at the baby in the swaddling clothes. He said with a smile, “It seems that the baby really likes the name Sister Searing Scorch gave him. Baby, don’t you think so?””

“AH...”the little guy replied again.

“If the first time was a coincidence, was this time still a coincidence?”

This was too much of a coincidence!

“Seeing this, an Lizi came over and said in surprise, “Oh my God! My Little Brother isn’t a prodigy, is he?””

““It’s all because of the name burning.”Xia Xiaoman said, “Little brother likes this name, that’s why he’s so happy.””

““Your mother is right.”Lin Qingxuan smiled and picked up the little guy who had already woken up. “Ah Zhi, ah Zhi! Elegant and pure.”The more he heard this name, the more profound it was.”

““Oh right, Lizi, searing gave her a big name. You can give her a nickname.””

““Okay!”An lizi nodded and continued, “How about the baby’s nickname is Doudou?””

“There was a custom in yunjing. A cheap name was easy to raise, especially for an old man like Lin Zhi. If he was careless, he would be taken away by the King of Hell. Only by using a common cheap name could he avoid premature death.”

“Doudou was usually the name of a pet dog. It was catchy, elegant, and popular. It was the most suitable nickname to use.”

""Then it's decided. From now on, our nickname will be Doudou.""

"Throughout the entire process, CEN Shaoqing sat at the side and silently twirled the Buddha beads as if everything around him had nothing to do with him. It was obvious that he had entered a state of selflessness."

Ye Zhuo gently pushed him.

Cen Shaoqing looked up at her. "What's Wrong?"

"Aren't you going to see your little brother?" Ye Zhuo asked.

Little Brother?

"Hearing this, Cen Shaoqing's expression was subtle."

"He was already in his thirties and had only four older sisters in his life. Ever since he had gotten to know ye Zhuo, not only had he gained eleven older cousins, he had also gained a younger brother who was not yet a full moon."

The worst part was that Cen Shaoqing suddenly thought of how he and Ye Zhuo's child would have to call him little cousin in the future. Cen Shaoqing's expression became even more subtle!

It was actually his turn to be on equal footing with a newborn child.

Could his seniority be any lower?

"Seeing him like this, ye Zhuo continued, "What are you thinking about?""

Cen Shaoqing stood up from his chair. "I'll go and take a look now." He still could not say the word 'little brother' in the end.

“Cen Shaoqing came to the side of the bed. Lin qingxuan smiled and said, “Doudou, quickly take a look. who came to see you? Quickly call your future brother-in-law.””

“It had only been a day since the child was born. His eyesight had not even developed well, so how could he call him brother-in-law?”

“However, Lin Qingxuan felt that the child would. Perhaps the feeling of having a child at an old age was something that only those who had experienced it would understand.”

Chapter 1779: 365: teach him a lesson! 2

“Lin Qingxuan had been waiting for this child for many years. At this moment, she was afraid that it would melt in her mouth, and she was afraid that she would fall if she held it in her hands.”

““Our Doudou should be called future brother-in-law, okay?” Lin qingxuan smiled and said, “Oh, our Doudou can’t speak yet, right?” ”

““Fourth uncle,” Cen Shaoqing took out a red packet, “This is a red packet for Doudou.” ”

“Lin Qingxuan immediately rejected, “Shaoqing, look at you, why are you taking a red packet the moment you come! We can’t accept this.” ”

“Cen Shaoqing stuffed the thick red packet into Lin Qingxuan’s hand, “Fourth uncle, Grandma specially asked me to bring this over, saying that it’s a red packet for DOU DOU to add blessings and longevity. You Can’t reject it.” ”

“Cen Lin’s old lady was already over ninety years old this year. In the capital, as long as she reached ninety years old, she would be the existence of a longevity star and a lucky star. Giving a red packet to a longevity star was equivalent to sharing one’s blessings with a child, this kind of red packet could not be rejected.”

“Once rejected, it was equivalent to rejecting the fortune and longevity that came with it. ”

The meaning was not good.

“In addition, this was also the old lady’s goodwill. ”

“Hearing this, Lin Qingxuan did not reject anymore and smiled. “Alright, I’ll accept it. Shaoqing, go back and thank the old lady for me.” ”

“Cen Shaoqing put away the Buddhist beads. “We’re all on the same side. Fourth Uncle, you’re too polite.” ”

Ye Zhuo looked at Cen Shaoqing and teased him. “Aren’t you going to hug Doudou?”

Hug?

Cen Shaoqing was stunned.

Why would he hug such a small child.

Cen Shaoqing took a step back. “Doesn’t he know how to recognize strangers?”

“Lin qingxuan smiled and said, “How can such a small child know how to recognize strangers? It will take at least four months for him to recognize strangers.” Although Lin Qingxuan had never raised a child before, he had never raised a child before, however, he had often been to the orphanage before, so he knew more about children. ”

Ye Zhuo took Doudou from Lin Qingxuan’s hand and looked at Cen Shaoqing. “Try it. He won’t recognize strangers.”

Cen Shaoqing took Doudou with both his stiff hands.

“He had carried cousin Ye Zhuo’s child before, but that child was already on the verge of walking. This was the first time he was carrying a newborn.”

“The newborn child was very light, weighing less than six pounds. It looked small and Cen Shaoqing didn’t dare to use too much strength. He was afraid that he would hurt the child if he used too much strength, so he was very careful. Therefore, his actions were quite comical.”

“Seeing him like this, ye Zao laughed softly. “Mr. Cen, is there a need to be so exaggerated?” ”

“”He’s too young.”CEN Shaoqing continued, “Leader, quickly come and carry him. I Can’t hold him anymore!”Especially when the child was moving around suspiciously, that feeling was as if the child was about to fall.”

“”It’s fine. You’ll get used to it.”Ye Zao said, “Actually, children are very easy to hug. Don’t be so nervous. If you’re nervous, Doudou will be nervous too. Look at his wrinkled face.” ”

Cen Shaoqing:” ...”he really didn’t know how to hug a child.

“At this moment, ye Shu walked over and took Doudou from Cen Shaoqing’s hands. She glanced at ye Zao and said, “Zao Zao, why are you teasing Shaoqing!” ”

“Cen Shaoqing looked at ye Shu gratefully. “Thank you, Aunty.” ”

“”You’re welcome.”Ye Shu continued, “Shaoqing, let me teach you. In the future, when you hug a child like this, the posture you used just now is not right.” ”

Cen Shaoqing nodded and walked to ye Zao’s side. His palms were covered in a layer of sweat.

So there were so many tricks to hugging a child!

“Seeing Cen Shaoqing like this, ye Zao teased, “Don’t you usually look pretty good? Why Don’t you even know how to hug a child?” ”

“”He’s too young.”Cen Shaoqing touched his nose. “I keep feeling like it’s going to leak out. If I hug him too tightly, I’m afraid I’ll hurt him.” ”

“Cen Shaoqing was about 1.9 meters tall, and Doudou was less than six pounds. When he carried Doudou, the scene was especially humorous. ”

Ye Zhuo could not help but laugh a few times.

“Cen Shaoqing lowered his head to look at ye Zhuo and continued, “Leader, do you like children?” ”

“I do.”

“CEN Shaoqing said, “Then let’s have a daughter from now on.”Having a daughter that looked like ye Zhuo, just thinking about it was a beautiful scene. ”

Cen Shaoqing felt that his previous thoughts were a little ridiculous.

He actually wanted to have five or six children with Ye Zhuo!

“Having a daughter, he could practice more and help to take care of the children. If he gave birth to five or six children, just thinking about it made him feel a headache. ”

It was really too difficult to take care of a child!

“Is it getting dark?”Ye Zhuo asked.

“”No,”Cen Shaoqing answered. ”

Ye Zhuo raised his eyebrows slightly. "Then why are you daydreaming!"

""Leader, if you don't want to have a child, we can also become a Dink family."CEN Shaoqing continued, "After all, we can't control the matter of giving birth. Who knows if the child will be a daughter." "

Chapter 1780: 365: teach the scum a lesson! 3

Ye Zao stretched out his hand and pinched his waist. "May I ask a certain someone if your internship has ended? is that all you can think about?"

Cen Shaoqing twirled the Buddhist beads. "Then can we discuss this issue after my internship ends?"

"Ye Zao said, "We'll talk about it after your internship." "

""Zao Zao, what are the two of you whispering about?"Lin Ze walked over from outside. "

"Seeing Lin Ze, CEN Shaoqing immediately let go of the hand around ye Zao's waist. "Brother." "

"As long as he saw Lin Ze, CEN Shaoqing would repent once. "

He shouldn't have treated his younger brother-in-law that way back then.

His younger brother-in-law's memory was also top-notch. He could actually remember things until he was three years old!

"Lin Ze glanced at CEN Shaoqing. His eyes clearly said, "Don't bully my sister." . "

“At this moment, an Lizi came over with a bowl of soup. “Mom, did you ask the Doctor If You Can Eat Now?” ”

“”Not yet.” A c-section was different from a natural birth. A natural birth could be done while eating. However, one could not eat for more than ten hours before a c-section. Most importantly, one could not eat immediately after the surgery, one had to wait until the woman was well-ventilated. ”

“Before the woman was well-ventilated, she could not eat anything and could only drink a little water. ”

“Hearing this, Lin Qingxuan frowned and said, “You haven’t eaten since nine o’clock last night. It’s already past four o’clock in the afternoon! Why Don’t you eat a little first? How Can You Be Hungry? It shouldn’t be a problem to just eat a little, right?” ”

“Ye Zhuo turned to look at Xia Xiaoman and asked, “Fourth aunt, have you not breathed yet?” ”

“Not yet.” Xia Xiaoman shook her head.

“Ye Zhuo thought for a moment and took out a small bottle of pills from his pocket. “Then you should take one of these pills first. You can eat after you finish it.” The body of a parturient woman was already quite weak, so it was not good for her to be hungry all the time, it would ruin her body. ”

“Can you breathe after you finish this?” Xia Xiaoman asked.

“”Yes, I can breathe after I finish this.” Ye Zhuo nodded slightly. ”

Xia Xiaoman trusted Ye Zhuo’s medical skills very much and immediately swallowed the pill.

The fragrant taste with a slight astringency was not that difficult to swallow. It was a little different from ordinary pills.

“It was not known whether it was because of the psychological effect or because of the medicinal effect. As soon as she swallowed the pill, she felt a lot better in her stomach. ”

The pain on the edge of the knife also gradually lessened.

“Everything was like an illusion. It was so unreal, but the changes in her body were real. ”

“Xia Xiaoman looked at ye Zao in surprise. “Zao Zao, what kind of medicine is this? The effect is too good!” ”

“”This is a multi-functional medicine.”It was already ranked in the top three on the pharmaceutical ranking list. Because the manufacturing process was quite complicated, Ye Zao was too lazy to do it, therefore, it was now a priceless existence on the list of medicines. ”

“If other people knew that ye Zao used MC pills to vent the air of the parturient woman, they would probably die of anger! ”

One had to know that this kind of MC multi-functional medicine could be used for life-saving purposes at critical moments. This was also why many rich people spent a lot of money to buy one.

“”I see.”Xia Xiaoman nodded. “Zha Zha, you’re really amazing. You know everything.”In Xia Xiaoman’s opinion, there was nothing in this world that Ye Zha didn’t know, ye Zha was almost an all-rounded existence. ”

“Just so-so.”Ye Zha gestured with his hand. “I only know a little bit.”

“Hearing this, an Lizi looked at ye Zao in surprise. ”

A Little Bit?

Are you sure it’s not a hundred million?

“If ye Zao is a little bit, then what is she? ”

Dog Shit?

Trash?

This damn Versailles literature.

“Lin Qingxuan looked at ye Zao. “Zao Zao, is your fourth aunt able to eat now?” ”

“Yes.”Ye Zao nodded slightly.

“Are you sure?”Lin Qingxuan was a little worried about Xia Xiaoman. “Should we get a doctor to take a look?”

“”No Need,”Xia Xiaoman said, “Just listen to burning. I’m hungry and want to drink some chicken soup first.” ”

Lin Qingxuan immediately picked up the chicken soup and fed it to Xia Xiaoman.

...

“After leaving the hospital, Cen Shaoqing took ye Zhuo to the pedestrian street. ”

She had an appointment with Lin Sha to go shopping together.

“Ye Zhuo went shopping with Lin Sha, but Cen Shaoqing couldn’t follow her. “I’ll go back to the company first. You can call me in advance when you’re done.” ”

“Okay.”Ye Zhuo nodded slightly.

“Cen Shaoqing drove away. At the same time, Lin Shasha walked over from the other side. “Zhuo Zhuo.”
”
