Chapter 1781: 365: teach the scum a lesson! 4

“Sister Sha Sha.”

“Lin Sha smiled and said, “Where’s your husband? Didn’t he come with you?” ”

“Ye Zao said, “He went back.” ”

“Lin Sha let out a sigh of relief and held ye Zao’s arm. “To be honest, your husband’s aura is too strong! I always get flustered.” ”

“Ye Zao said, “Don’t worry, he doesn’t hit people.” ”

“Lin Shasha smiled and said, “I know he doesn’t hit people, but that kind of feeling is very strange. You Can’t control it, do you understand? “Just like the first time I saw you. At that time, I and the beautiful woman who thought she was cold and aloof didn’t dare to talk to you.” ”

Cen Shaoqing was different from ye Zao.

Ye Zao was happy to make friends. Cen Shaoqing could stay with people he wasn’t familiar with for a whole day without saying a word.

“Ye Zao smiled and turned his eyes, “Am I not a cold and beautiful woman now?” ”

““Yes, yes, yes, of course!”Lin Sha continued, “In my heart, you are the flower of the highest mountains!” ”

“That is a must!” Ye Zao raised his head proudly.

“Lin Sha continued, “Oh Right, Zao, you said that your aunt man was going to give birth, and now she has?” ”

“”She gave birth today,” ye Zao said, “It’s a little boy that weighs more than five pounds.” ”

“So Fast!” Lin Sha asked in surprise.

Ye Zao nodded slightly. “It’s pretty fast.” It was as if it had been yesterday since Xia Xiaoman got pregnant.

“The two of them talked as they walked inside. Soon, they arrived at a snack bar that they often patronized. ”

“The snack bar was very busy. Even though it was time to eat, it was still crowded. ”

Ye Zhuo and Lin Sha waited for about ten minutes before they got a seat.

“After ordering, two girls with light makeup came to the table. ”

“”Please move aside,” one of the long-haired girls looked at the two of them and said arrogantly. ”

Ye Zao looked down at his phone and was talking to Yu Zifei about the sudden situation on Mars.

“At the moment, the plants on Mars were dying in large numbers. ”

Ye Zao frowned slightly. He subconsciously felt that there must be an alien civilization involved in this matter.

She had lived on Mars for half a month.

“The climate on Mars was gradually changing. The command was getting better and better, not worse.”

“”I’m sorry, we were the first ones here.”Lin Sha looked up. ”

The long-haired girl took out a stack of RMB from her wallet and threw it on the table. “This should be enough.”

“Only poor people would eat in such a place. Even if they ordered everything in the shop, it would be less than 800 Yuan, and the money she threw on the table was one thousand yuan.”

“The girl standing next to the long-haired girl was even more arrogant. From the beginning to the end, she looked at her with disdain.”

“If it was not for the fact that the person she liked liked to eat here, she would not have come to such a disgusting place.”

“She did not know why a dignified university student, who was also the future successor of the LIN Corporation, would like such a place.”

“People like them from a high-class society should enter and leave high-class places, champagne and steak.”

“She had planned to sit here for a while, wait for the food to arrive, and then leave. She didn’t expect the business of this shop to be so good!”

“If she hadn’t come to this snack street, she wouldn’t have known that there were so many people in China who hadn’t escaped poverty.”

How Pitiful!

“Lin Sha didn’t expect the other party to directly throw money at her. She frowned slightly and said, “I’m sorry, it’s not about the money. No matter how much you give, we won’t give up this position.” ”

The long-haired girl did not expect Lin Sha to dislike money.

This was a bit shameless.

Could it be that they still wanted two thousand?

“”Hey, how much is a bowl of noodles here? One Thousand Yuan is not a small amount! Don’t try to be nice when you get a bargain!” ”

“There was some impatience in Lin Sha’s voice, “I said this is not a matter of money!” ”

What else could it be if it wasn’t about money?

“The long-haired girl hated this kind of person the most. He was obviously a greedy person who wanted more money, but he still pretended to not care about money. ”

It was really funny.

“The long-haired girl looked at the girl next to her and said in a low voice, “Xiaoxiao, why don’t we change seats? Don’t lower yourself to the level of these two poor people! I think they are crazy poor!” ”

“”No, Senior Colonel Lin always takes this seat every time he comes over.” Xu Xiao continued, “Isn’t it just money? Just give it to them!” In Xu Xiao’s opinion, things that could be solved with money were nothing. ”

Chapter 1782: 365: teach the scum a lesson! 5

“Although the long-haired girl was a little unwilling, she could only do as Xu Xiao said. She took out a few RMB notes from her bag and said, “That’s it, I really can’t give you any more! I advise you to quit while you’re ahead! Don’t be so Shameless!” ”

“If it weren’t for Xu Xiao’s position, she wouldn’t have taken out so much money! ”

“”I said, don’t you understand human language? I told you, it’s not about the money!”Lin Sha was completely impatient. She just wanted to quietly eat noodles with ye Zhuoan. ”

The long-haired girl stared at Lin Sha in disbelief. “What do you mean? Why Don’t you have any manners at all! Who are you calling human?”

“Ye Zao raised his eyebrows slightly, put down his phone, and looked up. “Didn’t you already know who you are?” ”

“The long-haired girl was so angry that her face turned green. She reached out her hand and slapped ye Zao’s face. “How dare you say that to me!”With Xu Xiao’s family, the long-haired girl usually bullied a lot of her classmates in school, so almost no one dared to provoke her. ”

She didn’t expect to be ridiculed and ridiculed by a poor guy today!

“Xu Xiao only watched this scene as if she was watching a good show. Li Qiang was just a chess piece in her hands. Li Qiang’s reputation in c university was very bad. He pretended to be bossy and bullied new students, and she was still the flawless young miss of the Xu family. ”

The mud could bring out the brightness of the moonlight.

Her bright moonlight needed Li Qiang’s contrast very much.

Li Qiang had practiced karate before. The girl today would probably be disfigured.

It was good that she was disfigured.

She was so beautiful. One look and you could tell that she was not from a decent family.

Li Qiang could be considered to have eliminated evil for the people.

“Unexpectedly, the next second, Xu Xiao was directly stunned. ”

“Li Qiang, who had practiced karate, was directly pressed onto the table by Ye Zao. He was like a lamb waiting to be slaughtered, unable to move. ”

Oh My God!

This was too scary.

““Didn’t your parents teach you how to Behave?”Ye Zao pressed Li Qiang’s hand. It looked like he was only pressing lightly, but only Li Qiang knew how much strength he had used. ”

It looked like it was always Li Qiang who bullied others. When did it become someone else’s turn to bully Li Qiang.

This kind of feeling was really not pleasant at all.

“At this moment, a waiter came over with a prepared cold face. “The two of you, here’s Your Lemonade.” ”

“Seeing this scene, the waiter was stunned for a moment, but he still placed the iced lemonade on the table.”

“The next second, Ye Zhuo directly picked up the iced lemonade and placed it on Li Qiang’s head.”

""Since your parents didn't teach you how to behave, then I'll do it for you today. How about it? Are You Awake Now?" "

"There were more than half of the ice cubes in the ice lemon water. At this moment, the ice cubes were rolling along the top of Li Qiang's head and onto his chest clothes. Li Qiang only felt that he was about to die, he begged for mercy, "I'm awake, I'm awake! Please let me go!" "

Only then did ye Zhuo unhurriedly release Li Qiang.

Li Qiang was drenched like a drowned rat. He was in a sorry state. How could he have the face to stay here any longer? He lowered his head and ran far away.

Only Xu Xiao was still standing there.

Ye Zao picked up the cup and curled his lips. "Why? Do you want to taste the Iced Lemonade?"

Xu Xiao gulped and immediately walked out.

"After the two of them left, Lin Sha looked at ye Zao and said, "Big Zao, you were so cool just now!" "

"Ye Zao smiled and said, "Just so-so. Third in the world." "

"After saying that, Lin Shasha asked worriedly, "What if they go to the police?" "

"After all, Ye Zao had just attacked her. "

"Ye Zao did not care at all, as if the person just now was not her at all. "It's okay, I was just defending myself." "

“Lin Shasha thought about it and agreed. After All, it was Lin Shasha and the others who attacked first. ”

“The next day, ye Zao went to the hospital with Cen Shaoqing to visit Xia Xiaoman as usual. ”

“Not long after the two arrived, there was another knock on the door. ”

“An Lizi walked over to open the door and said in surprise, “Uncle Jinshui, Aunt Lian! Why are you here?” ”

““We just came to the capital to discuss business. We heard that your mother is going into labor, so we came over to take a look.”Zhou Yuelian smiled and said, “Has your mother given birth yet?” ”

““Yes, yes.”An Lizi nodded repeatedly. “It’s a younger brother.” ”

“Zhou Yuelian said, “Then congratulations to your parents! Where are they?” ”

“They’re inside. Come with me.”

“This was the Super VIP ward that Lin Qingxuan had specially arranged for Xia Xiaoman. When they entered, they first entered the luxurious living room and then entered the ward. ”

“When the few of them came inside and saw Zhou Yuelian and Lin Jinshui, Ye Shu was also very surprised. ”

Chapter 1783: 365: teach the scum a lesson! 6

“Zhou Yuelian and the rest had something to do later, so they stayed in the ward for a while before saying goodbye. ”

“Ye Shu said, “It’s not easy to hail a taxi in Beijing. Let Zhuozhuo send you guys off. Zhuozhuo’s driving skills are very good.” ”

“Ye Zhuo picked up the car keys on the table. “Auntie Lian, Uncle Lin, I’ll send you guys over.” ”

“Zhou Yuelian did not pretend to be polite to ye Zhuozhuo. She smiled and said, “Alright, then I’ll have to trouble you, Zhuozhuo.” ”

“”Auntie, what are you talking about?” ”

“Cen Shaoqing quietly picked up his coat from the chair and followed ye Zao’s footsteps. He stood beside her and said in a low voice, “Leader, I’ll go with you.” ”

“Okay.”Ye Zao nodded slightly.

“Cen Shaoqing said that he would accompany ye Zao, but in fact, Cen Shaoqing was acting as the driver.”

Ye Zao sat in the back seat and chatted with Zhou Yuelian.

“”Aunt Lian, did you and uncle go to visit sister Sha Sha on this trip?” ”

“Zhou Yuelian shook her head. “Not yet. I plan to visit her tomorrow. Oh right, Zao Zao, I asked you to help introduce Weiwei to a girlfriend last time. How are things going between the two of them now?” ”

Zhou Yuelian was anxious to be a grandmother and was very concerned about Lin Weiwei’s marriage.

Ye Zhuo had been a little busy recently and had forgotten to ask how things were going between Li Yueyue and Lin Weiwei!

"I didn't ask. Did you ask Brother Weiwei?" Ye Zhuo asked.

"Zhou Yuelian said a little angrily, "Every time I ask this question, he won't reply to me! I wonder what this child is thinking! Did he even have a chat with that little girl? ! "Your uncle and I have also made some money from our business during this period of time. What we're saying now is, if the two of them can succeed, ask the little girl where she wants to develop in the future. I'll buy an apartment for Wei Wei in advance." "

"The most important conditions for a girl to get married nowadays were three: an apartment, a car, and a betrothal gift. "

"In the past, when Zhou Yuelian thought about these things, her scalp would go numb. This was because their salary was too low and they could barely maintain a basic life. It was nothing like now. Ever since she listened to ye Zhuo's suggestion to start a business., Zhou Yuelian's family's days were getting more and more prosperous. Now, there were no problems with the car, house, betrothal gifts, and so on. They even had the possibility of merging into a wealthy family. "

"Ye Zao smiled at Zhou Yuelian and continued, "It just so happens that I'm going back to school. I'll help you ask around. I'll call you again when the time comes." "

""Okay, okay, okay. Help me ask around." Zhou Yuelian patted ye Zao's hand and continued, "Zao Zao, I'll leave this matter to you." "

""Aunt Lian, this is what I should do. You're too polite." "

"Soon, the car arrived at the address. "

"Zhou Yuelian smiled and said, "Zao Zao, I've troubled you to make a trip with Shaoqing! Hurry up and go back!" "

"Ye Zao said, "Aunt Lian, you're too polite. We're all on the same side. What trouble are you talking about! ? Then we'll take our leave first." "

“Drive slowly on the road,” Zhou Yuelian instructed. ”

“Don’t worry.”

“Seeing the Maybach disappear in front of them.., Zhou Yuelian sighed, “Zao is such a good kid. He has good taste in finding boyfriends!”! If Shasha could find such a boyfriend, not to mention half of Shaoqing’s, even if it was one-tenth of Shaoqing’s, I would still be able to laugh in my dreams.” ”

“Lin Shasha was good at everything, but her taste in picking boyfriends was too bad. She had been deceived so miserably by Zhang Qiang! ”

Zhou Yuelian really hoped that Lin Shasha would learn from her mistakes.

““Our children and grandchildren will have their own blessings. It’s useless for us to be anxious about this,” Lin Jinshui continued, “The time that we promised President Xu and the others is almost up. Let’s go quickly.” ”

Chapter 1784: 366: We Must Get It! 1

They had agreed to meet President Xu at 2:00 pm. It was already 1:40 pm.

““Okay.” Zhou Yuelian nodded. Lin Jinshui was right. Children and grandchildren had their own blessings. As elders, it was useless to be anxious. In a moment, she caught up with Lin Jinshui’s footsteps. ”

The two of them walked in together.

The agreed-upon meeting place was a high-end coffee shop.

“After the two of them entered, a waiter immediately came out to welcome them. “Hello, how many of you are there?” ”

“Zhou Yuelian said, “My surname is Zhou. I have an appointment.” ”

“The waiter immediately reacted. “It’s Ms. Zhou and Mr. Lin, right? This way, please.” ”

“Okay.”

The waiter brought the two of them to a beautiful booth.

“After waiting for about ten minutes, a beautiful middle-aged woman walked over. ”

“Her hair was tied up high, and she looked smart and capable. ”

“When they saw who it was, Zhou Yuelian and Lin Jinshui immediately stood up. “Chief Xu.” ”

Xu Chaonan nodded. “Sit.”

“Zhou Yuelian handed the menu to Xu Chaonan. “Chief Xu, what would you like to drink?” ”

Xu Chaonan immediately raised his hand to reject. “A glass of lemonade will do.”

Zhou Yuelian nodded and instructed the waiter to serve a glass of lemonade.

Xu Chaonan went straight to the point. “Have the two of you brought the proposal?”

““Yes, we have.” Zhou Yuelian immediately handed the proposal to Xu Chaonan. ”

“Xu Chaonan took the proposal, and a satisfied look appeared in his eyes. “Next Tuesday, our group will hold a tender. Don’t be late.” ”

“Xu Chaonan took the initiative to mention bidding, so this matter was more or less settled.”

“”Okay.”Zhou Yuelian smiled and said, “Don’t worry, President Xu. When the time comes, we’ll definitely be there on time.” ”

“Okay.”

“”Auntie.”At this moment, a female voice appeared in the air.”

Zhou Yuelian looked up and saw a young girl walking over. She looked very much like Xu Chaonan.

Xu Chaonan nodded. “Xiaoxiao.”

“”Aunt, why are you here?”Xu Xiaoxiao asked.”

“Xu Chaonan said, “We need to talk about something. This is Mr. Lin and this is Mrs. Lin.” ”

“After he said that, Xu Chaonan turned to look at Lin Jinshui and Zhou Yuelian. “This is my niece, Xu Xiaoxiao.” ”

“Xu Xiao said politely, “Mr. Lin and Mrs. Lin.” ”

“Zhou Yuelian smiled and said, “Miss Xu, you really look like President Xu.” ”

“Hearing this, the corners of Xu Xiao’s mouth curled up. It could be seen that she valued this niece of hers very much.”

“Xu Xiao continued, “Aunt, how much longer do you have? I’ll go out for a walk first.” ”

“”We’ve already discussed it.”Xu Chaonan picked up the bag on the table and continued, “The two of you will arrive at 10 o’clock on Tuesday morning. Remember to be punctual.” ”

“”Alright, don’t worry, President Xu. We’ll definitely be there on time.”Zhou Yuelian and Lin Jinshui stood up to send Xu Chaonan and Xu Xiao off. ”

“Xu Xiao hugged Xu Chaonan’s arm and asked in a low voice, “Auntie, where are those two people from?” ”

“”They’re from Yun Jing,”Xu Chaonan replied. ”

Xu Xiao scoffed. “No Wonder.”

“What’s Wrong?”Xu Chaonan asked.

“Xu Xiao continued, “Judging from their attire, they don’t look like people from the upper class.”In a small place like Yun Jing, what kind of big shot could they be? ”

“Hearing this, Xu Chaonan frowned slightly. “Xiao Xiao, what did I tell you usually? You Can’t look down on anyone at any time!”A person’s potential was limitless. ”

“Even though Lin Jinshui and Zhou Yuelian were only small entrepreneurs, who knew when they would rise to the top! ”

Xu Chaonan would never look down on anyone because of their current living conditions. She only looked down on those who did not have any ambition.

Those who did not have any ambition were the scariest.

“Xu Xiao stuck out her tongue. “Auntie, I got it.” ”

“”You!”Xu Chaonan continued, “No class today?” ”

“”No class.”Xu Xiao said, “My mom said that you haven’t rested for almost a month and asked me to accompany you! Coincidentally, I bumped into you at the coffee shop!” ”

“After saying that, Xu Xiao continued, “Auntie, let’s go for a full-body spa. Let’s relax a little.” ”

“Xu Chaonan looked at the schedule on his phone and was about to refuse when he was stopped by Xu Xiao. “Auntie, you can’t earn all the money! Health is the most important thing. Let’s go for a SPA first!” ”

“Alright.”

The two of them walked towards the beauty shop.

“Just as they walked into the shop, they were greeted by a noblewoman. “Ah! Isn’t this President Xu?” ”

Xu Chaonan nodded. “Mrs. Zhao.”

Chapter 1785: 366: I Must Get It! 2

“Unlike Xu Chaonan, Mrs. Zhao was dressed like a little girl, “I really didn’t expect a busy person like you to come to a beauty salon!”! “Xu Chaonan is a workaholic. He doesn’t dress well and doesn’t pay attention to his clothes. It’s like he’s married to work. It’s really surprising to see Xu Chaonan in a beauty salon.”. ”

""Mrs. Zhao is joking."Xu Chaonan continued, "People always need to relax. The body is the capital of a revolution." "

""President Xu is right."After saying that, Mrs. Zhao looked at Xu Xiao who was beside Xu Chaonan and said curiously, "Oh right, this is your daughter, right? She really looks like you!" "

"Xu Chaonan said, "This is my niece, Xu Xiao. Xiao Xiao, this is Mrs. Zhao." "

"Xu Xiao was a discerning person. She could naturally tell that Mrs. Zhao's identity was not simple. Compared to the couple just now, they were like heaven and earth, she immediately said, "Hello, Auntie Zhao. My name is Xu Xiao. You can just call me Xiao Xiao." "

""Niece?"Mrs. Zhao said in surprise, "Seeing how close you two are, I thought you two were mother and daughter!" "

Xu Xiao's tone was sweet. "My Aunt Treats me better than my mother. Many people mistakenly think that my aunt and I are mother and daughter."

"Mrs. Zhao looked at Xu Chaonan. "President Xu, this niece of yours is not in vain." "

""Thank you,"Xu Chaonan said with a smile. "

"She also liked Xu Xiao very much. Although Xu Xiao was not born from her womb, she treated her as her own. "

"When he chaonan heard Mrs. Zhao ask if they were mother and daughter, he Chaonan was very happy. Although she and Xu Xiao were not mother and daughter, the relationship between them was better than many biological mother and daughter. Furthermore., xu Xiao looked especially like Xu Chaonan. "

"Mrs. Zhao was stunned. Usually, when she looked at Xu Chaonan with a straight face, she thought that Xu Chaonan would not smile. She did not expect Xu Chaonan to just not want to smile. "

"Mrs. Zhao continued, "President Xu, I have to go back first. Let's have tea together when we have time." "

"Okay, Mrs. Zhao." "

"Xu Xiao said, "Goodbye, Auntie Zhao." "

"Goodbye."

On the other side.

"After seeing Xu Chaonan, Zhou Yuelian and Lin Jinshui bought a bunch of food and went to the school to look for Lin Shasha. "

"Knowing that her parents were coming, Lin Shasha waited at the school gate in advance. "

"Mom and Dad!"

Lin Shasha jogged over.

"Shasha."

"Lin Shasha took the food from her parents' hands and continued, "I can buy anything at school. Why did you bring so much food?" "

"Zhou Yuelian said, "I gave you money, but you didn't want it! What do you think, you child? Our family is not in the past! Can't you even afford your living expenses and school fees?" "

"Ever since Lin Shasha reported, she had not spent a single cent of the family's money. Her living expenses and school fees were all earned by working part-time! She rarely had free time to rest. "

“The Lin family’s parents loved their daughter, but they gave money to Lin Shasha, but she did not want it. So they had to buy a bunch of food to visit Lin Shasha, afraid that Lin Shasha could not keep up with her nutrition.”

“Lin Shasha smiled and said, “There are many people working part-time and studying part-time! I’m not the only one! Many students in our class are like this!” ”

““You seem to have lost a lot of weight!”Zhou Yuelian held Lin Shasha’s hand. “By the way, your father and I went to see your Auntie.” ”

““Really?”Lin Shasha asked, “Is Auntie’s baby cute?” ”

““Yes,”Zhou Yuelian continued, “I heard that burning gave it a name.” ”

“What’s it called?”Lin Shasha asked.

“Zhou Yuelian thought for a moment, “I really forgot what it’s called! I think it’s called Lin Zi, right?” ”

““Lin Zi?”Lin Shasha frowned slightly, “What does this name mean?” ”

It sounded a little strange.

““It’s the elegance of a refined person,”Lin Jinshui answered.”

“Although Lin Jinshui was only a primary school graduate, he was really cultured.”

“He was familiar with history and the spring and Autumn period. His favorite thing was to talk about history with others, and he often imagined that he was Xiang Yu.”

"Lin Zhi?" Lin Shasha asked.

"Yes." Lin Jinshui nodded.

"As expected of burning. That's a good name!"

"Zhou Yuelian smiled and said, "When you have children in the future, let burning name them too." "

"Lin Shasha said, "Mom, you're really thinking far ahead! By the way, didn't you ask burning to introduce Weiwei to someone? It's more like asking burning to name Weiwei's children." "

"Right now, Lin Sha only wanted to study hard and find a better future for herself. "

"As for marriage, she hadn't thought about it yet! "

Chapter 1786: 366: she was determined to get it! 3

She was even prepared to be single for the rest of her life.

"If she met another irresponsible scumbag like Zhang Qiang, she might as well be single for the rest of her life!"

""I get annoyed whenever I talk about this." Zhou Yuelian said angrily, "I don't know what's going on with your brother either!""

""Weiwei is a slow-tempered person. Don't worry," said Lin Sha."

"I don't want to talk about him!"

“Lin Sha continued, “By the way, Mom, when do you and dad plan to go back?””

““We have a flight at 10 o’clock Tonight, and we’ll come back on Tuesday,” said Zhou Yuelian.”

““So Urgent?” Lin Sha and weiwei frowned, “It’s already Friday, why don’t you guys not go back?””

““We can’t not go back, we can’t lack people at the company! Besides, we’ve wasted enough time on this trip!””

“Okay!” Lin Sha nodded. “Let’s go out and have a meal while I deliver the things to the dormitory.”

“Okay.”

“After sending the things to the dormitory, Lin Sha went shopping with her parents.”

Zhou Yuelian also bought some gifts for Lin Sha’s grandmother.

“After shopping, Lin Sha took her parents to eat.”

““Mom and dad, I used to work part-time in this shop. The sanitary conditions here are very good, and the taste is also very good.””

“Zhou Yuelian grabbed Lin Shasha’s hand, “Shasha, you don’t have to work so hard when you’re studying.”. “Mom, to be honest, the TV said that four years of university is the best four years of your life. Mom hopes that you can enjoy the best four years of your life. When you graduate in the future, you’ll have the opportunity to earn money. “If you miss these four years, you won’t have another chance.””

“Zhou Yuelian had never been to college, so she hoped that Lin Shasha would cherish this campus life.”

“Lin Shasha smiled and said, “Mom, it’s okay. I’m not tired at all.” Her starting point was far behind her peers, if she didn’t work hard to adapt, she would only become a burden to her peers in the future.”

“Zhou Yuelian continued, “You’re just like your brother, stubborn as hell!””

“After saying that, Zhou Yuelian turned to look at Lin Jinshui. “Don’t you have anything to say to Sha Sha?””

“Lin Jinshui was stunned. “AH? Say What?” Lin Jinshui basically did not care about anything. He would do whatever Zhou Yuelian asked him to do! Whether it was family matters or company matters, Zhou Yuelian would be in charge of everything.”

““Forget it, forget it. You should just live well!” Zhou Yuelian was very helpless.”

Lin Jinshui did not speak anymore.

At the beauty salon.

“After a few hours of body maintenance, Xu Xiao turned to look at Xu Chaonan. “Auntie, let’s go out for a meal later?””

“Sure.” Xu Chaonan nodded.

“Hence, after walking out of the beauty salon, the two of them went to eat. Xu Xiao said, “Auntie, let’s go for a steak?””

“Just as Xu Chaonan was about to say yes, his cell phone rang.”

“Xu Chaonan picked up the phone and did not know what was said on the other end. Xu Chaonan’s expression changed. “Alright, I’ll be right there.””

“After hanging up the phone, Xu Chaonan turned to look at Xu Xiao. “Xiao Xiao, go eat by yourself. I still have something to do at the company, I’ll be leaving First!””

“”En.” Xu Xiao nodded. “Then Auntie, drive slowly on the road.””

“”I will.” At this moment, Xu Chaonan seemed to have thought of something and continued, “Oh right, Xiao Xiao, don’t dye your hair in the future. Expensive hair dyes are harmful to the body. It’s best if you can control it and dye it once a year.””

“Although young people nowadays liked to dye their hair, Xu Xiao dyed her hair too frequently. She remembered that the last time Xu Chaonan saw Xu Xiao, her hair was still yellow. Today, it had turned wine-red.”

“”I understand, aunt.””

“Looking at Xu Chaonan’s departing figure, Xu Xiao heaved a sigh of relief.”

“Every minute she was with Xu Chaonan, her nerves were tensed up, afraid that she would accidentally offend Xu Chaonan.”

“At this moment, Xu Xiao’s gaze was attracted by a distance not far away.”

That girl seemed to be a little familiar.

It was...

Lin Sha Sha!

“Seeing Lin Sha Sha, Xu Xiao narrowed his eyes.”

“Lin Sha Sha, this B \* tch, caused her to lose so much face today!”

The person standing next to Lin Sha Sha was Lin Sha's parents?

She thought that Lin Sha had a powerful backer!

It turned out that she only came from a small place.

Wait!

She would definitely make Lin sha regret her actions today.

"To dare to offend her, she really didn't want to live anymore!"

A glimmer flashed through Xu Xiao's eyes.

At the Xu Residence.

""Did you visit your aunt today?" A beautiful woman was sitting on the sofa, and the manicurist beside her was doing her nails."

Chapter 1787: 366: I Must Get It! 4

"I'm Going!" Xu Xiao threw her backpack on the sofa. "I'm so tired!"

"If it weren't for the special circumstances, she really didn't want to stay with Xu Chaonan. "

"Xu Chaonan didn't say anything to her, and he didn't allow her to do anything. "

He really treated her like her daughter!

“Her parents didn’t care much about her, and Xu Chaonan was just a dog who meddled in other people’s business.”

Who the hell was Xu Chaonan?

“If Xu Chaonan was not rich, she would not have bothered with him.”

“How’s Your Aunt Doing?” Xu Xiao’s mother looked at Xu Xiao.

Xu Xiao looked at the manicurist beside her.

“Xu Xiao’s mother said nonchalantly, “It’s fine. She’s one of us.” ”

“After hearing what Xu Xiao’s mother said, Xu Xiao said, “She’s still as busy as before. She hasn’t found a boyfriend at all. Don’t worry about it.” Xu Chaonan was thirty-nine years old this year. He had been hurt by love, he had been alone all these years.”

“Really?” Mother Xu frowned slightly. “Did you ask her?”

Xu Xiao nodded.

“Mother Xu said, “How did you ask?” ”

“Xu Xiao said impatiently, “I asked her to find an uncle for me. She said that she doesn’t want to find an uncle for the time being. Let’s wait for fate to come first.” ”

Wait for Fate to come first?

“Hearing this, mother Xu frowned even more.”

“”Then what she means is that if she doesn’t look for him now, she will look for him in the future!”Mother Xu suddenly sat up straight and pulled her hand away from the manicurist. “That won’t do!” ”

The manicurist was shocked. Mother Xu extended her hand to her again. “You continue.”

“The manicurist nodded, lowered his head, and applied nail polish on mother Xu again. ”

“Xu Xiao said, “The sky is going to rain, and mother is going to get married. Is this something that can’t be done just because you say so?” ”

“”You Child! You actually have the mood to make sarcastic remarks!”Mother Xu was in a very bad mood, “What we eat, wear, and use now, which of them are not your aunt’s? If your aunt gets married, the whole family of three will go to Hell!” ”

The reason why the Xu family could afford to live in a luxurious mansion and hire servants was all because of Xu Chaonan.

“Xu Chaonan was a strong woman who lived up to her name. Her assets were over 100 million. Once she married into a family, she would belong to another family! ”

What about the three of them?

“Therefore, Xu Chaonan absolutely could not get married! ”

It would be best if she could be a lady in the Xu family for the rest of her life.

“In this way, Xu Xiao could still inherit Xu Chaonan’s inheritance in the future. If Xu Chaonan got married, the Xu family’s assets would definitely be left to her children in the future. Xu Xiao could not even dream of having a single strand of hair. ”

This was not possible!

The Xu family’s property should belong to the Xu family. How could it be divided among outsiders?

“As long as she thought that someone would compete with Xu Xiao for the property in the future, mother Xu felt extremely uncomfortable. ”

She was already prepared for Xu Chaonan not to get married. Who would have thought that Xu Chaonan actually wanted to get married.

Why would a 39-year-old old lady still want to Get Married? Wasn’t it embarrassing?

“Hearing this, Xu Xiao frowned slightly. She had not thought of this. ”

“It was all Xu Changgui’s fault. They were clearly siblings of the same mother, but Xu Changgui only knew how to eat, drink, whine, and gamble. Not to mention half, even Xu Chaonan’s little finger could not compare to him. ”

“As long as Xu Changgui had some ability to manage the company, the Xu family would not have no days left after leaving Xu Chaonan! ”

“”Then what should we do?”Xu Xiao sighed. “Aunt is already so old. We can stop her for a while, but we can’t stop her for a lifetime.” ”

“Mother Xu Thought for a moment and then said, “Why don’t you give your step-in to your aunt?” ”

“Me?”Xu Xiao pointed at herself.

“Yes.” Mother Xu nodded. “Your aunt likes you so much. She will definitely be very happy to give your step-in to her.”

“”Then can my father agree?” After all, she was the only daughter in the family. ”

“Give you to your aunt. You are still a member of the Xu family. is he stupid? Does he not agree?”

“If Xu Xiao could successfully become Xu Chaonan’s daughter, Xu Chaonan would definitely not consider getting married! In that case, he would not have to worry about the family property. ”

“Xu Xiao shrugged. “I don’t care. As long as father doesn’t have any problems, it’s fine.” ”

“”When your dad comes back tonight, I’ll discuss it with him.” Mother Xu continued, “By the way, did you tell your aunt to come back tomorrow night for dinner?” ”

“I did.” Xu Xiao nodded.

“Mother Xu continued, “Then I’ll quickly contact your aunt Wang and Aunt Xu.” ”

“Why should I contact them?” Xu Xiao asked with some confusion.

“To invite them over as guests.”

“Of course, being a guest was not the most important issue. ”

The most important thing was that Wang Qiong and Xu Zhizhi were both divorced people.

Chapter 1788: 366: I Must Get It! 5

“Why would a woman want a divorce? Of course, it was because her family life was not happy. ”

“As long as Wang Qiong and Xu Zhizhi talked more about the disadvantages of marriage in front of Xu Chaonan and combined with Xu Chaonan’s previous relationship experience, she would definitely not think about marriage anymore. ”

“Thinking of this, the corners of mother Xu’s lips curled up. ”

“Xu Xiao continued, “Mom, if you have nothing else to do, I’ll go up First!” ”

“You go ahead.”Mother Xu nodded.

“When she walked up the spiral staircase, Xu Xiao looked back at her mother. She always felt that the manicurist was a little strange, but she could not tell what was strange. “Mom, let me know when your nails are done.” ”

“What do you want to Do?”asked Xu Xiao’s mother.

“”I want to do my nails too,”said Xu Xiao. ”

“”It’s better not to! Your Aunt hates little girls doing their nails the most.”Xu Chaonan might have been a leader for a long time. Sometimes, even his sister-in-law lectured him without mercy. ”

Xu Xiao pursed her lips and was a little dissatisfied.

It was so annoying!

“A 20-year-old girl was at the age where she loved to look beautiful, but Xu Chaonan did not allow it. It was as if he had reached menopause. ”

...

On the other side.

Beijing University.

Ye Zao came to the dormitory.

Li Yueyue was putting on makeup in front of the mirror.

“Ye Zao smiled and said, “Yueyue, when did you learn how to put on makeup?” Before this, Li Yueyue had only put on water cream. She did not even have a lipstick. ”

“Now, on the makeup table, there was foundation fluid, powder, blush, eye shadow, false eyelashes, and everything else. ”

““I learned it from the beauty makeup blogger!” Li Yueyue said, “I didn’t expect makeup to be so fun! Zao Zao, sit over here. I’ll rub off your makeup too.” ”

“Okay.” Ye Zao sat over.

“Ye Zao’s skin was very white. If one looked closer, one couldn’t even see his pores. ”

It was as white as jade.

“In the past, when Li Yueyue did not learn how to do makeup, she did not think much of it. Now, when she looked at ye Zao’s face, she only felt that it was amazing. ”

“With such a good foundation, it would be very easy for her to put on makeup. ”

She did not have to worry about the problem of the powder or the powder. It was simply the favorite of makeup artists!

“Li Yueyue sighed, “When my skin can be half as good as yours, I will be satisfied!” ”

“Ye Zao said, “Your skin is also pretty good.” Li Yueyue’s facial features were exquisite, and her eyes were big. It was different from the rough and wild grassland style in her impression. She was the kind of sweet and cute wind. ”

““What’s so good about it!” Li Yueyue frowned and said, “Not only are my pores big, they’re also dry. The makeup card powder was stuck! I apply a mask almost every day, but it’s still the same!” ”

“Ye Zao said, “You can’t apply a hydrating face mask every day. It’s best to apply it twice a week.” ”

“Is that so?” Li Yueyue asked.

““Of course.” Ye Zao nodded slightly. “When things reach their extreme, they will reverse.” ”

“I see.” Li Yueyue picked up the sunscreen and smeared it on Ye Zao’s face. “Then I will apply a face mask twice a week from now on.”

“Okay.”

Ye Zao’s foundation was very good. There was no need to apply isolation. He only needed to apply a layer of sunscreen and isolation.

“Li Yueyue habitually picked up the fake eyelashes and wanted to stick them on Ye Zao. However, when she saw Ye Zao’s eyelashes, she was completely dumbfounded! ”

“Ye Zao’s eyelashes were like a small, thick fan. Under the thick eyelashes, there was a pair of eyes as clear as lake water. They were sparkling and could inadvertently seduce one’s soul. ”

“Although Li Yueyue’s eyelashes were not short, she still needed to wear fake eyelashes. Ye Zao was simply an eyelash essence! ”

His eyelashes were so long that it made people jealous!

It was really infuriating to compare people.

How could someone be so beautiful?

“Li Yueyue put down her eyelashes, picked up her lipstick, and bent down to apply it on Ye Zao. ”

“Ye Zao’s lips were crimson red, so Li Yueyue chose a vintage red one. ”

“Vintage Red was the kind of red color. The color of the skin was slightly darker and could not be suppressed at all. However, when it was applied on ye Zao’s lips, the red color seemed to pale in comparison. ”

“Ye Zhuo looked at himself in the mirror for a while and then said, “By the way, yueyue, how did your conversation with Brother Wei Go? Is there any possibility for it to develop?” ”

““To be honest, it didn’t go well!”Li Yueyue shook her head. ”

“Why do you say that?”Ye Zhuo asked.

““I feel that his personality is a little incompatible.”Li Yueyue continued, “He would send me three messages every day. He would ask me if I woke up in the morning, ask me if I had lunch, ask me when I went to bed at night, and even tell me that it’s not good for a girl to stay up late, and that it will cause wrinkles! “I invited him to play King, and he said that he wanted to write a thesis! “He also told me that I can’t be addicted to online games, and that this will affect the IQ of future children! “I said that my stomach hurts, and he told me to drink more hot water... “... “...” ”

“At the end of her sentence, Li Yueyue was speechless. This was the first time she had met a straight man who only existed in the online world.”

“Hearing this, Ye Zao chuckled. She really didn’t expect that Lin Weiwei, who usually didn’t talk much, was actually a straight man.”

“Li Yueyue continued, “I chatted with him for a week and didn’t continue chatting! Then, there’s someone chasing me now, and I’m still hesitating whether to accept him.” ”

“Who is it?”Ye Zhuo was a little curious.

“Li Yueyue said, “A senior in the fourth year. To be honest, he’s really not bad looking. He’s just a little worse than Lin Weiwei, but his character is quite good.” ”

“Ye Zhuo said, “You can test the other party’s character first. If you think it’s good, you can try dating him. But you have to know your limits.” ”

“No matter what, girls had to learn how to protect themselves and love themselves.”

“Although men and women were said to be equal, they were also not equal.”

“After a man had sex with a woman, he could just pull up his pants and leave. However, if the woman got pregnant accidentally, it would be terrible. At that time, the injured one would still be a girl.”

“”Okay.”Li Yueyue nodded. “Don’t worry, I know.” ”

“At this moment, there was a knock on the door.”

""Zha Zha, I'll go open the door first. You Go to the bathroom and change your clothes. We'll go out for dinner later." "

Ye Zha nodded slightly. "Okay."

Li Yueyue ran over to open the door.

"As soon as she opened the door, she saw a girl holding a bouquet of roses standing at the door. "May I know if Li Yueyue is in this dormitory?" "

"I'm Li Yueyue."

""Hello."The girl smiled and said, "This is the flower that senior brother Ouyang asked me to give you." "

This was the first time that Li Yueyue had received a flower from the opposite sex in her entire life. She felt extremely surprised and took the flower with both hands. "Thank you."

"You're welcome."

Li Yueyue carried the flower back to her room with an unconcealable smile on her face.

"Ye Zao changed his clothes and walked out of the bathroom. When he saw Li Yueyue holding a bouquet of flowers, he raised his eyebrows slightly and asked, "The person who is chasing you sent this?" "

""Yes." Li Yueyue nodded. "Zao Zao, what if I'm a little tempted?" "

"How could a young girl in her early twenties, when she was officially yearning for a beautiful love, withstand such an attack. "

"Ye Zao smiled slightly. "Keep calm and test your character. If you really think it's not bad, you can try dating." "

“Li Yueyue sniffed the roses and continued, “Zao Zao. Will your boyfriend Give You Flowers?” ”

“Yes.”Ye Zhonghua nodded slightly.

“Although the flowers did not have any practical use, CEN Shaoqing had never lacked the sense of ritual.”

Downstairs.

Ouyang Nai stood under the Camphor Tree and waited for the girl to send flowers.

“Seeing the girl come down, she immediately jogged over. “How was it? How did Li Yueyue React?” ”

“The girl said, “I was a little happy and a little surprised. If you work harder, there shouldn’t be any problems.” ”

Ouyang Nai nodded. “Thank you.”

“You’re welcome.”

Ouyang Nai raised her head and looked in the direction of the dormitory building. Her eyes were full of determination.

He must catch up to Li Yueyue!

“After chatting with Li Yueyue, Ye Zhuo briefly explained the situation to Zhou Yuelian on wechat. ”

Zhou Yuelian was so angry that she immediately called Lin Weiwei and scolded him.

“Lin Weiwei was so unromantic, it would be strange if he could find a girlfriend in the future. ”

What kind of girl would find such a straight man? !

Lin Weiwei was scolded so badly that he didn't know what he did wrong!

Could it be that he was wrong to make Li Yueyue not indulge in online games?

“According to research, children of parents who indulged in online games had an IQ 5% higher than that of normal parents! ”

It was good to stay up late at night. They would go bald and also affect their health.

As for the stomach pain and drinking hot water.

“If the stomach pain didn't drink hot water, should they drink ice water? ”

Wouldn't drinking ice water aggravate the illness?

Women were really too strange!

Lin Weiwei scratched his hair.

No wonder Li Yueyue suddenly didn't reply to his wechat. So it was because of this.

...

“Xu Xiao would go to the rice noodle shop to open it every day, hoping to bump into Lin Ze. ”

“But strangely, Lin Ze suddenly stopped coming to eat during this period of time.”

Xu Xiao was a little discouraged.

“Excuse me, can I Sit Here?” At this moment, a pleasant male voice appeared in the air.”

“Xu Xiao looked up and saw that the person was wearing a tailored suit. He was handsome, and Xu Xiao’s gaze shifted to his wrist.”

MK’s latest watch.

It was sold on the official website for eight figures and was a limited edition.

“At this moment, three words appeared in Xu Xiao’s mind.”

He ziteng.

“Yes, it was he ziteng.”

“Xu Xiao was more familiar with the wealthy families in the capital, and he ziteng had also understood them.”

The future successor of the He group was a good friend of CEN fifth master.

She did not expect that he ziteng would come to such a place to eat.

This was really an unexpected gain!

“Xu Xiao smiled and said, “There’s no one here. You can take a seat.” ”

“Thank you.” He ziteng leaned over and sat opposite Xu Xiao.

“He had also graduated from C University. When he was a student, he often came to this restaurant to eat. Therefore, whenever he reminisced about his university life, he would come to this restaurant to sit.”

“However, there were too many people in this restaurant. He did not want to wait any longer, so he could only share a table with others.”

“You’re welcome.”

“After recognizing that this person was he ziteng, Xu Xiao paid special attention to him. When the rice noodles were served, she wasn’t taking pictures, but rather, she endured the nausea in her body and ate the rice noodles.”

“During this process, she even added he ziteng on wechat.”

He ziteng was much easier to flirt with than Lin Ze.

“Most importantly, he ziteng’s family background wasn’t much worse than the Lin family’s. Moreover, he ziteng and Cen Wu Ye were good friends.”

Xu Xiao looked at he ziteng’s back and narrowed her eyes slightly.

He ziteng...

She had to hold this man tightly in her hands.

“If she could become he ziteng’s girlfriend, what kind of Glory would that be?”

“After eating the rice noodles, he ziteng went to the base and prepared for work. As soon as he opened the laboratory door, he saw ye Zhuo standing there observing the data. ”

“He ziteng greeted ye Zhuo and said, “Fifth sister-in-law, I had a romantic encounter today!” ”

“Huh?”Ye Zhuo raised his eyes slightly. “What do you mean?”

“”That girl is very beautiful. Most importantly, she has the same taste as me. They both like spicy rice noodles! She also likes to eat double the Chili!”He ziteng liked to eat chili, therefore, he had a very good impression of girls who could eat chili, especially Xu Xiao, who was quite good-looking. ”

“Ye Zhuo smiled and said, “Then congratulations.” ”

“He ziteng said, “Thank you, fifth sister-in-law. I’ve decided to make another trip tomorrow. If I can see her again tomorrow, it means that she and I are really fated!” ”

“At this moment, there was a knock on the door outside the laboratory. ”

“Come in!”He ziteng said.

“The next second, the door was pushed open. The assistant said anxiously, “Not good, Miss Ye. Something has happened on Mars!” ”

Chapter 1790: 368: A Miracle. Miss Ye is a miracle! 1

“What happened? Tell me slowly.”Ye Zhuo looked back slightly.

“The assistant continued, “Team leader Yu has gone missing.” ”

“Yu Zifei?” He ziteng asked.

““Yes, president he,” the assistant replied. ”

“Mars was, after all, outer space. Under normal circumstances, there were only two possibilities for Yu Zifei to go missing on Mars. ”

The first possibility was that he had been hijacked by an alien creature.

The second possibility was that the spacecraft had failed.

“Regardless of the above possibilities, it was very dangerous for Yu Zifei. He had to get in touch with Yu Zifei immediately. ”

Ye Zhuo frowned slightly. “Get Ready. We’ll set off for Mars immediately.”

“Okay.” The assistant nodded.

“He ziteng said, “Fifth sister-in-law, I’ll go with you.” ”

“Okay.”

“I’ll go change into my spacesuit first.” He ziteng walked to the lounge to change his clothes.

The assistant went to start the aircraft.

“Ten minutes later, Ye Zhuo and he ziteng arrived on the aircraft. ”

“Although this aircraft was only one percent the size of an aircraft carrier, its speed was not inferior to that of an aircraft carrier. It could seat 100 people.”

“About 40 minutes later, the aircraft arrived on Mars.”

“CEN he immediately greeted, “Miss Ye.” ”

Ye Zhuo nodded slightly. “What happened?”

“CEN he said, “At 8:30 in the morning, Old Yu said that he was going to the west to investigate. After 10 o’clock, we couldn’t contact him! I went to the west to look for him twice, but I still couldn’t find him! Currently, Cen Hu is still in the west.” ”

“He ziteng said, “Was Yu Zifei the only one who went there?” ”

“”His assistant was with him,” cen he said. ”

“Is there no response from the Locator?”Ye Zhuo turned to look at CEN he.

“”No.”This was also what Cen he was most worried about. At the moment, he could no longer find the location of Yu Zifei on Mars. ”

It was as if Yu Zifei and his assistant did not exist at all.

“Have you notified their families?”Ye Zhuo asked.

“Not yet.”Cen he shook his head.

“Ye Zhuo said as he walked towards the Mars base, “Don’t notify them for now, in case their families get anxious.” ”

““Yes, Miss Ye.”Cen he had been extremely anxious ever since Yu Zifei disappeared. Seeing ye Zhuo now, Cen he felt as if he had been reassured.”

“The few of them came to the base. In the tracking room, a few experts who were good at positioning were already studying the possibility that Yu Zifei’s aircraft would stop there.”

“How’s the investigation going?”Ye Zhuo walked over.

“One of the experts shook his head. “The last place that team leader Yu passed by was here. There’s a crater a hundred meters deep here, but our people have searched around several times, but haven’t found any remains of the aircraft.” ”

Ye Zhuo took the controller from his hand and kept changing the computer screen.

“Although the screen changed very quickly, she didn’t even frown. After a while, she pointed to a location and said, “Have you looked here?” ”

“The expert said, “This place is not in the same direction as the crater. Team leader Yu’s aircraft probably won’t pass through here.” ”

...

On the other side.

Yu Zifei dragged his heavy steps and walked in a barren desert area on Mars.

“The wind was raging, and the ground was covered in dust. The visibility was less than two meters, and the weather was unimaginably bad.”

“When he was inspecting the western region, the aircraft was suddenly attacked by an unknown object, and then the aircraft exploded. If he hadn’t jumped quickly, he probably wouldn’t have been able to find the remaining human tissue. ”

“After he jumped off the aircraft, he lost consciousness. When he woke up again, he was already here. ”

“What made Yu Zifei feel the most despair was that this place was a hemisphere away from the base. He did not have a communication device, and the only locator was broken. If he did not contact the base within three hours., he would die on Mars! ”

He was not afraid of death.

“The only thing he was worried about was his elderly parents. He was the only son in the family. If something happened to him, how would his parents survive? ”

“Thinking of his parents, Yu Zifei sighed. ”

Survive.

He had to survive.

“As Yu Zifei walked forward, he called the little assistant’s name, “Li Xiang! Li Xiang!” ”

“At that time, he and the little assistant had jumped into the flying machine together. ”

“He had fallen here, so the little assistant should not be far from here. ”

“Unfortunately, Yu Zifei had called for a long time, but he still could not call for the little assistant. ”

“There was no water on him, nor was there any relief supplies. Yu Zifei clearly knew that he had to maintain his strength and not shout loudly. ”

“Thus, he could only walk while using his gaze to look for the little assistant’s figure.”

Time passed minute by minute.
