

Almighty D 1791

“Chapter 1791: 368: surviving a desperate situation, Miss Ye is a miracle! 2”

“Soon, the night of Mars arrived. ”

The cold wind whistled.

“Unlike Earth, the night of Mars was brighter. ”

“After walking for a day, he still did not walk out of the desert, nor did he drink a drop of water. Yu Zifei sat on the ground, exhausted. ”

“At this moment, he suddenly saw a person lying on the ground in front of him. ”

Who was that?

The Little Assistant?

“Thinking of this, Yu Zifei immediately stood up from the ground and quickly ran ahead. ”

“Li Xiang! Li Xiang!”

“When the person lying on the ground heard Yu Zifei’s voice, he moved. Then, he raised his head and looked over. His eyes instantly became moist! He almost thought that he was hallucinating! ”

““Yu, team leader Yu!” ”

“After Li Xiang jumped down from Fei Xiang, he fell here. At this moment, when he saw that Yu Zifei was also here, he was extremely excited.”

““Li Xiang! It’s really you!”Yu Zifei ran over and pulled the assistant up from the ground. “Come, Get Up!” ”

“The assistant stood up and cried, “Team leader Yu, it’s really you! That’s great! I thought I would never see you again!” ”

“Don’t Cry Like a man!”Yu Zifei wiped away the assistant’s tears. “Don’t be afraid! We will all survive!”

““But my communicator is broken. Team leader Yu, is your communicator good?”The assistant continued to ask. ”

Yu Zifei shook her head.

“Hearing this, the light in the assistant’s eyes instantly disappeared without a trace. ”

“This was the southern hemisphere of Mars. If they couldn’t contact the base, the only thing waiting for them was death. ”

“Yu Zifei saw through the assistant’s thoughts and patted her on the shoulder. “Don’t be so pessimistic. We have to believe in the base, and we have to believe in Miss Ye!” ”

“Yes.”The little assistant nodded.

“Yu Zifei continued, “Are you hurt anywhere?” ”

““I think I twisted my foot,”the little assistant said. ”

“Yu Zifei said, “Which foot?” ”

“My right foot,” the little assistant answered. ”

“Yu Zifei continued, “Sit down and take off your shoes.” ”

The little assistant was stunned.

Yu Zifei repeated what he had just said.

The assistant did as he was told.

“Yu Zifei half-squatted down and lifted the assistant’s right foot. He then said, “It might hurt a little. Bear with it.” ”

“OH.” The assistant nodded and continued, “Team leader Yu, do you know how to set bones?” ”

“I’ve studied martial arts before, so I know a little.” When they practiced martial arts, sprains often occurred, so the coach taught them this first aid method. ”

Yu Zifei looked at the little assistant’s foot.

“The little assistant said nervously, “Team leader Yu, I’m afraid of Pain. Please be gentle.” ”

“Okay.” Yu Zifei nodded slightly.

“The next second, Yu Zifei seemed to have seen something. He pointed to the horizon and said in surprise, “Li Xiang, look over there. What is that?” ”

“Where?” Li Xiang wanted to turn back to look.

It was now.

PA!

Yu Zifei exerted force and directly reconnected the little assistant's dislocated joints.

"Ah!"The little assistant instantly lost his voice and screamed.

"Stop screaming. Stand up and walk,"Yu Zifei said. "

"The little assistant glanced at Yu Zifei, stood up, and tried to walk two steps. Then he said in surprise, "It doesn't hurt anymore, it really doesn't hurt anymore! Team leader Yu, you're really amazing!" "

Yu Zifei smiled.

"Oh right, team leader Yu, you must not have eaten anything yet, right? I still have some biscuits here. Eat them first to fill your stomach."The little assistant took out two biscuits from her pocket and handed them to Yu Zifei. "

"Yu Zifei had indeed not eaten anything for a long time. When he saw the little assistant take out food, his eyes lit up. "Where did you get them?" "

"I brought it with me. I just ate some and there are only two left. You can use it as a cushion."Although there were not many biscuits, it was better than nothing. "

It was better than nothing.

Yu Zifei handed one to the little assistant. "I'll just eat one."

"The little assistant said, "I really ate it just now. You should eat these two quickly!" "

“The little assistant did not eat it, so Yu Zi had no choice but to eat one and put the other one in her pocket. ”

“She did not know when she would be able to walk out. Although it was only a biscuit, it could save her life at the critical moment. ”

“After eating a compressed biscuit, her physical strength recovered a little. ”

“The little assistant continued, “Team leader Yu, which direction should we go next?” ”

““The northwest direction,”Yu Zifei said. ”

“Okay.”

The two of them walked in the northwest direction. Their footsteps were heavy and they were exhausted.

“On this side, Ye Zhuo had been using the satellite to find the two of them. ”

“Chapter 1792: 368: coming back from the dead, Miss Ye is a miracle! 3”

“But the strange thing was that Yu Zifei and the little assistant seemed to be covered by something, unable to find any trace. ”

“In the blink of an eye, it was the next morning. ”

“After a night of walking, at this time, the little assistant and Yu Zifei were both severely dehydrated and hungry.”

The little assistant looked at the endless desert and felt even more uncomfortable.

When will they be able to walk out of the desert?

“Yu Zifei took out the only biscuit left in his pocket, broke it open, and gave half of it to the little assistant. “Eat the biscuit first.” ”

“The little assistant looked at Yu Zifei and said, “Team leader Yu, Can Miss Ye and the others really find us?” ”

What if they couldn't find us?

“They will.” Yu Zifei nodded.

“Then when will they find us?” The assistant immediately asked.

““Very soon.” Yu Zifei took a bite of his biscuit and said, “Li Xiang, don't worry. We will definitely return to Earth alive.” ”

“Seeing Yu Zifei so calm, the assistant's mood immediately improved. He nodded and said, “Team leader Yu, I believe in you.” ”

“Yu Zifei smiled and said, “What's the first thing you want to do when we get back?” ”

““Have a good meal and then call my parents to tell them that we're safe.” At this point.., the little assistant continued, “I don't know if the base has notified my parents! I hope that they won't be notified for the time being. How Old are my parents? They won't be able to withstand such a blow.” ”

“After all, this was Mars.”

“Yu Zifei nodded. “What you said makes sense, but I don’t think miss ye has informed them.” ”

“”I hope so.”The assistant nodded and then said, “I really hope that they can find us earlier.” ”

“In the blink of an eye, another day passed.”

“Yesterday, the two of them had at least eaten half a biscuit, but today, they had not eaten a drop of water.”

“In order to conserve their energy, the two of them sat on the spot and rested.”

The little assistant leaned against the volcanic rock and looked at the horizon with anticipation.

Yu Zifei closed his eyes to rest.

“The Little Assistant’s voice was already a little hoarse. “Team leader Yu, do you think that Miss Ye has already given up looking for us?” ”

“It had been three days and three nights since the incident, but there had been no movement from ye Zhuo’s side. The price of searching for people on Mars was not small.”

“The little assistant was very worried now. If ye Zao could not find them, he did not want to look for them anymore and planned to compensate them.”

“After all, he only needed to compensate them once.”

“And if he kept looking, the cost would not stop.”

““Miss Ye is not that kind of person,”Yu Zifei said. ”

“The little assistant sniffed. “I know that Miss Ye is not that kind of person, but the problem now is that Miss Ye has not found us. Will she think that something has happened to us and give up looking for us!”

““That won’t happen,”Yu Zi refuted. ”

““Then when will miss ye be able to find us?”The little assistant was on the verge of tears. She continued, “I’m worried that by the time Miss Ye finds us, we’ll already be...” ”

“After all, humans could only live for four to five days at most when they were dehydrated. If they didn’t eat, they could live for around ten days. Now that they had no water and no food, how many more days could they live? ”

“One day, or two days? ”

“As long as ye Zhuo could not find them, they would be in danger. ”

“Moreover, the feeling of hunger was too unbearable. There were several times when the little assistant wanted to end her life, but she was afraid of pain. ”

“If she did not die, there might be a chance of being saved. If she died just like that, there would be no hope at all! ”

““That won’t happen,”Yu Zifei said with determination in his eyes. “We’ll definitely be able to hold on until Miss Ye comes over.” ”

““Team leader Yu, you’re too optimistic...” ”

“Yu Zifei leaned against the volcanic rock and continued, “Li Xiang, hold on a little longer.” ”

“I can’t hold on any longer,” the little assistant cried. “Team leader Yu, I really can’t hold on any longer. This place is a hemisphere away from the base. We don’t have any communication devices or locators on us. How could miss ye possibly find us?” ”

This was the first time the assistant had cried in three days.

“Team leader Yu, I’m an only child. My parents are still counting on me to take care of them! I really can’t Die!” ”

“Yu Zifei turned to look at the assistant and continued, “I’m also an only child.” ”

The assistant was stunned.

“You, you too?” ”

Yu Zifei nodded.

“The assistant felt a little better and continued, “Then how old are your parents?” ”

“Yu said, “My father is fifty-three and my mother is fifty-two. What about your family?” ”

“Chapter 1793: 368: coming back from the dead, Miss Ye is a miracle! 4”

“The little assistant continued, “My parents are civil servants. They gave birth to me relatively late. They’re already over 60 now.” ”

“Speaking up to this point, the little assistant’s emotions suddenly broke down. “I’m not a good daughter! I actually don’t even know how old they are...” ”

“Usually, she was always busy with work. When she was resting, she was busy watching movies and shopping with her friends... .. She didn’t spend much time with her parents. ”

“At the thought of this, the little assistant felt terrible. ”

““You’ll know when you ask them later. It’s not too late to make amends.”Yu Zifei continued, “Remember to be filial to your parents in the future.” ”

““But can we still go back?”She was afraid that when she saw her parents again, it would be at her memorial service. ”

Would she still have a chance to be filial to her parents?

“If God was willing to give her another chance, she would definitely find time to accompany her parents and be filial to them. No matter when or where, she could not let the regret of being filial to her parents be left behind. ”

““We can go back.”Yu Zifei nodded and continued, “Trust me.” ”

“Seeing the determination in Yu Zifei’s eyes, the little assistant also nodded. She hoped that she could really go back. ”

Another Day.

“Although time passed very quickly, it was very difficult for Yu Zifei and the little assistant. ”

“Without water or food, the two of them were almost exhausted. They could only lie on the ground and look at the sky. ”

“The Little Assistant’s eyes were desperate and desolate, and her voice was weak.”... today is the fourth day. Miss Ye and the others should have already stopped searching.” ”

“Perhaps on Earth, the research base was already holding a memorial service for them.”

““They won’t,” Yu Zifei said. ”

“The assistant smiled and continued, “Team leader Yu, shall we discuss something?” ”

“Go ahead.”

“The assistant continued, “If I die before you, I’ll stand by the side and wait for you for a while. If you die before me, you stand here and wait for me for a while.” ”

““ ... Alright?” At this point, the little assistant turned to look at Yu Zifei. ”

“Yu Zifei did not directly answer the little assistant. Instead, he said, “Miss Ye will definitely come and save us.” ”

Definitely!

“The little assistant quickly continued, “I’m afraid of the dark and also afraid of ghosts. Team leader Yu, you must wait for me.” ”

“As she was nearing death, the little assistant was no longer afraid. In fact, she was even looking forward to it. After all, once she died, she would no longer have to endure the pain. All she had left now was regret. ”

In her next life.

“If there was a next life, she would definitely be filial to her parents. ”

““Li Xiang, be strong.”Yu Zifei turned around and looked at Li Xiang. “We have to believe in Miss Ye and the base!” ”

““Team leader Yu, I’ve already been strong for five days.”She did not even know how she had passed these five days. ”

Time passed like years.

““Team leader Yu,”Li Xiang continued, “I feel that I’m already very strong and amazing. I can understand why Miss Ye gave up on the search and rescue. I Don’t blame her, really...” ”

Mars was not like Earth.

“After disappearing from Earth for five days, they could still find some streams and wild vegetables in the wild to satisfy their hunger, but this was Mars! ”

The sand on the red planet was like a rock.

“Today was already the fifth day. Even if ye Zao did not open up and give up on the search and rescue, the other people in the base would not agree. After searching for five days, they still did not find anything. If they continued to search, it would only be a waste of time. ”

““Believe me, Miss Ye will not easily give up on anyone. Just hold on a little longer, Miss Ye will come and save us soon!” ”

“The little assistant smiled at Yu Zifei. “Team leader Yu,”she said ”

“Meanwhile, at the Mars base in the Western Hemisphere. ”

“In order to find Yu Zifei and the little assistant, Ye Zhuo had not slept for five days and five nights. At this time, he looked a little tired. ”

The air was filled with the sound of typing.

“She used the instrument to scan the entire Mars, but she could not find Yu Zifei and the little assistant.”

Could it be...

That they were blocked by something?

Ye Zhuo frowned slightly.

“At this moment, CEN he walked in with some food. “Miss Ye, please have some food and rest for a while.” ”

Ye Zhuo retracted his mouse and extended one hand towards CEN he. “Just give me a bottle of nutrient solution.”

Eating was a waste of time.

CEN he felt a little helpless.

“Tang Mi followed him in and said, “Miss Ye, this is the dessert I specially brought for you. Why don’t you have some dessert first?” ”

“Put it there.”Ye Zhuo took a sip of the nutrient solution.

“Tang Mi’s eyes were filled with worry. “Miss Ye, you haven’t slept for five days and nights. Just Rest for a while. Leave the task of finding old Yu to me.” ”

“Chapter 1794: 368: surviving a desperate situation, Miss Ye is a miracle! 5”

“I brought them to Mars, so I’m responsible for bringing them back safely,” ye Zao said. ”

“Miss Ye,” director Zhou hesitated for a moment before speaking. It had already been five days and five nights, and Mars was short of resources. Perhaps team leader Yu and the others had already... ..” ”

The last sentence is self-evident.

“The words fall, zhou continued, “Miss Ye, each of us is heartbroken that something like this happened to team leader Yu and assistant Li, but it has already happened. We, as people, must learn to accept reality. So far, I’ve notified their parents, and I’ve done my best to appease them. Miss Yip, instead of wasting manpower and resources like this, why not... ..” ”

“At this moment, there was a knock on the door. ”

Tang Mi ran over to open the door.

“After opening the door, Tang mi said in surprise, “Auntie, why are you here?” ”

“It was none other than Yu Zifei’s mother, Tian Zhifang. ”

Tian Zhifang’s eyes were already red and swollen. “I’m here to see Miss Ye.”

“Please come in.”Tang mi politely invited her in.

Tian Zhifang nodded and went inside.

“Miss Ye.”

“Hearing Tian Zhifang’s voice, Ye Zhuo put down the mouse in his hand and looked back. “Auntie Tian, don’t worry. No matter what, I’ll give you and uncle Yu an explanation.” ”

“”No, no, no.”Tian Zhifang shook her head. “Miss Ye, you’ve misunderstood. I’m here to tell you that old Yu and I are going to give up on finding Zi Fei!” ”

“What did you say?”

“Tian Zhifang repeated, “Yes, Miss Ye. You didn’t Mishear. We’ve decided to give up on looking for Zifei. It’s been five days, and there’s still no news. He might, might have already...” ”

Tian Zhifang couldn’t say the rest.

“Then.., tian Zhifang continued, “Being able to go to Mars is the happiest thing in Zifei’s life. We respect the child’s opinion. Don’t worry. I’ll blame anyone for Zifei’s death. “Perhaps the child’s fate with our mother and son, father and son, has already ended.” ”

“Ye Zhuo stood there and looked at Tian Zhifang. “Auntie, don’t worry. No matter what, I will not give up on the search and rescue. I want to see her alive, and I want to see her dead.” ”

“Tian Zhifang held back her tears. “Miss Ye, I know you’ve done your best. Forget it!” ”

Beep! Beep!

“At this moment, an alarm suddenly sounded in the air. ”

Ye Zhuo immediately trotted over and saw red dots flashing on the huge screen.

Ye Zhuo narrowed his eyes and quickly analyzed the current location.

“Tian Zhifang continued, “Miss Ye, I heard that you haven’t slept for five days and five nights. Please rest well. I’m going back.” ”

“”Tang Mi, send Auntie Tian off for me.” ”

“Okay.”Tang mi immediately walked over to send Tian Zhifang off.

“After ye Zhuo locked onto his position, he took Cen he, Cen Hu, and Tang Mi on an aircraft and set off. ”

“After boarding the aircraft, Tang mi asked excitedly, “Did you find team leader Yu and assistant Xiao Li?” ”

“I think so.”Ye Zhuo nodded slightly.

“Hearing this, the sadness on Tang Mi’s face disappeared in an instant, and she continued, “Really, Miss Ye! Then I’ll immediately tell uncle and Auntie about this good news!” ”

“”Keep it a secret for the time being,”ye Zhuo said. ”

“Why?”Tang Mi was stunned.

“”Little stutterer, are you stupid!”Cen Hu knocked on Tang Mi’s head, “If you don’t find out that it’s old Yu when you arrive at the place, won’t your efforts be in vain soon? How can uncle and Auntie bear this great sorrow and Joy?” ”

“”I see.”Tang mi nodded and continued, “Team leader Yu and assistant Xiao Li are very lucky. They’ll definitely be fine.” ”

“Okay.”

On the other side.

The assistant felt that she was going to die soon.

“She looked at the horizon, her pupils gradually dilating. “Team, team leader Yu...” ”

“Okay.”

“I already said that miss ye must have given up on us. You still don’t believe me...”the assistant’s voice sounded ethereal and helpless. “How is it now? I’m going to die...”

“She’ll come.”Miss Ye would definitely come.

““You, are you miss ye’s brain-dead Fan?”The little assistant asked speechlessly. ”

“At this time, Yu Zifei actually still believed that ye Zhuo would come. ”

““Team leader Yu, I might have to leave first.” ”

“Don’t talk nonsense. Save your energy. Trust Miss Ye.”

The little assistant curled up a pale smile.

Mars base.

“The sudden disappearance of ye Zao made the parents of the little assistant, Li Xiang, very unhappy. ”

“Their daughter’s life and death were still unknown, but ye Zao had disappeared! ”

“Chapter 1795: 368: coming back from the dead, Miss Ye is a miracle! 6”

Those who cared took the opportunity to add fuel to the fire. “I don’t think they even thought about finding her!”

“”I think so too! Second sister-in-law, think about what a good child she is! It’s a pity, a pity that she’s gone just like that!” ”

“Mother Li could not contain her anger. She found director Zhou’s office and took out her phone to take a video, “Director Zhou, let me ask you, where did Miss Ye Go?”? “My daughter has been missing for so long, and we haven’t seen her at all. Now, she’s Gone!”! “If you don’t give us an explanation today, I’ll find the television station to expose you!” ”

“”Mrs. Li, please calm down.”Director Zhou walked out and said, “We are also very surprised and saddened by the matter of team leader Zhou and assistant Xiao Li. Because of this, Miss Ye hasn’t slept for several nights. Please understand.” ”

“Mother Li directly cursed, “So the one who died was my daughter, not your daughter! “What right do you have to say ‘Be Considerate’ in front of me! “Things didn’t happen to you. You simply don’t understand the feelings of fathers like us! “I just want to think about such a precious daughter. If anything happens to her, I’ll die in front of you. I Don’t want to live anymore!” ”

“At the end of her sentence, mother Li sat down on the ground. ”

“Tian Zhifang walked over and helped mother Li Up. “Big sister, don’t be like this. It’s already happened. It’s useless no matter how sad you are...” ”

“The one who died wasn’t your daughter! Of course you’re Not Sad!”Mother Li said angrily.

These people didn’t understand her pain at all. Who Wouldn’t say pretty words?

“Tian Zhifang sighed and continued, “Yu Zifei is my son.” ”

Yu Zifei?

“It was Li Xiang’s superior, Yu Zifei?”

“Mother Li was stunned for a moment before continuing, “Think about it, she’s my only child!” ”

“Tian Zhifang said, “Zifei is also my only child.” ”

“Mother Li Glanced at Tian Zhifang and continued, “I don’t care! I want my daughter Anyway!” ”

““Big Sis, everything is fate. It’s not up to anyone at all!”Tian Zhifang wiped away her tears and continued, “Miss Ye has already tried her best. As family members, we should just do our best and leave everything to fate.” ”

“As a mother, how could she watch her son die? Even if there was a glimmer of hope, she would not give up.”

“But now, what could she do if she did not give up?”

““If you want to listen to the will of Heaven, you should listen. Don’t drag me along!”Mother Li flung Tian Zhifang’s hand away, “I must make them give me an explanation today! My Daughter’s life and death are still unknown, but Miss Ye has directly disappeared! My daughter has yet to be found, so what right does she have to disappear? How can there be such an irresponsible leader in the world?” ”

“Mother Li Cried, threw a tantrum, and hung herself.”

“Mother Li insisted on this, so Tian Zhifang couldn’t say anything more. She turned around and walked toward the lounge.”

“The base staff could understand her behavior. After all, it was mother Li’s only daughter who was in trouble.”

On the other side.

In the northern hemisphere of Mars.

The little assistant was ready to die. She slowly closed her eyes and reached out to hold Yu Zifei's hand.

“Team leader Yu, don't misunderstand. I'm just too scared by myself. I heard that the road to the netherworld can be dark.” If possible, she hoped that she could avoid drinking Meng Po's soup. That way, she would remember her parents... ”

Yu Zifei couldn't express his feelings. He really wanted to comfort the little assistant.

“But these past few days, he had said everything that he could comfort her with. ”

“At this moment, he had nothing else to say. ”

“Yu Zifei raised his head to look at the sky. At this moment, his eyes suddenly widened. “Li Xiang! Li Xiang! Quickly open your eyes!” ”

“What's Wrong?” Li Xiang no longer had the strength to open his eyes.

“As the flying machine in the sky became more and more obvious, Yu Zifei's pupils also became larger. “It's Miss Ye! Miss Ye has come to save us!” ”

“Team leader Yu, you're hallucinating again, right?” ”

“Yu Zifei had already hallucinated three times today. This time, it was definitely still an illusion. ”

“Hearing this, Yu Zifei was stunned. The light in his eyes disappeared completely. ”

Yes.

He had already hallucinated several times today.

“The base was a hemisphere away from them, and this was Mars where information was blocked. It was really too difficult for them to find them!”

“Thinking of this, Yu Zifei slowly closed his eyes and waited for death to come.”

SWISH SWISH SWISH —

“At this moment, the familiar sound of an aircraft landing echoed in the air.”

Then came Cen Hu’s surprised voice. “It’s old Yu and the others! Miss Ye! We’ve found Old Yu and assistant Xiao Li!”

Yu Zifei frowned. This illusion was too real!

“Li Xiang, who was standing by the side, thought, “It’s over, team leader Yu. I’m just like you now. I’m also hallucinating.” ”

“You heard it too?” Yu Zifei asked.

““Yeah, maybe we’re going to die soon.” ”

““You guys won’t die.” At this moment, a clear and shallow voice appeared in the air.”

Why was this voice somewhat familiar?

Yes!

Miss Ye!

“Thinking of this, Yu Zifei and Li Xiang were about to open their eyes when the voice sounded again. “Don’t open your eyes yet.” ”

“Then, Yu Zifei felt an extremely thin needle being pushed into his skin. ”

“”Bring the nutrient solution over,”ye Zhuo continued. ”

Tang Mi and Cen Hu immediately brought the nutrient solution and fed it to Yu Zifei and Li Xiang.

“After drinking a bottle of nutrient solution, the two of them immediately felt much better. ”

Their physical strength was also slowly recovering.

“Yu Zifei asked, “Is it Miss Ye?” ”

“”Yes.”Ye Zhuo continued, “How are you feeling now?” ”

“”I’m very well.”Yu Zifei continued, “Miss Ye, thank you.” ”

“”Maintain your physical strength first. We’ll talk about it when we return to the base,”ye Zhuo said. ”

“”Okay,”Yu Zifei said. ”

“The little assistant cried out, “Miss Ye, thank you! I thought you were going to abandon me and team leader Yu. Thank you for not giving up on the search.”She thought that she would definitely die, she did not expect that she would be able to leave Mars alive. ”

“I will never give up on my companions.”

This ‘companions’ made the little assistant’s emotions burst again.

“After a while, the little assistant continued, “I, I’m Not Dreaming, right?” ”

“Tang mi smiled and said, “Don’t worry, you’re Not Dreaming. We’re about to board the aircraft. You should rest well first. When you wake up again, you’ll be at the base.” ”

“”Okay.”The little assistant nodded. Then, she felt sleepy and fell asleep. ”

“Yu Zifei, who was beside her, had also fallen asleep. ”

“On the aircraft, ye Zao checked the bodies of the two of them again. After confirming that there were no problems, he went to the rest cabin to rest. ”

“Soon, the aircraft stopped at the entrance of the base. ”

Ye Zao also woke up at this time and walked out of the aircraft with everyone.

“Mother Li stood up at this time and pointed at ye Zao, “Give Back My Daughter’s life! You Murderer.” ”

“”Mother!”At this time, the little assistant came out and stood in front of Ye Zhuo. ”

Chapter 1796: 370: Cen the fifth master who was forced to become a monk! 1

“When she saw Li Xiang walk out of the aircraft in one piece and stand in front of her, mother Li was stunned!”

This was her daughter!

It was nothing!

Li Xiang was fine.

Li Xiang had come back alive!

Was she hallucinating?

Mother Li stood there in a daze. She had lost consciousness and her eyes were filled with disbelief.

Was the person standing there really her daughter?

Li Xiang ran over and hugged mother Li. “Mom! I’m back.”

Only after being hugged by Li Xiang did mother Li React.

It wasn’t an illusion.

It wasn’t an illusion.

She was back.

Her daughter was back!

“Think! Think!” Mother Li cried out in excitement.

She thought that she would never see Li Xiang again.

She did not expect...

“She did not expect that just when she was close to despair, the heavens would let her see hope again.”

“Mother Li never dreamed that in her lifetime, the two of them would be able to meet again.”

“Li Xiang patted mother Li’s back gently and comforted her, “Mom, Don’t cry. I’m fine now, right?” ”

“Although Li Xiang said that she was fine,.”

Mother Li still could not control herself.

Five days.

“For five whole days, there was nothing on Mars. How did Li Xiang spend these five days? ”

““Let me think, you’ve suffered!” ”

“Li Xiang smiled and said, “Mom, I’m really fine. Just treat it as if I went on a trip for these five days.” ”

“At this moment, Li Xiang’s father walked out from inside.”

“When he saw that mother and daughter wanted to use it together, father Li stood rooted to the ground.”

PA —

The phone in his hand dropped to the ground.

“Dad.” Hearing the noise, Li Xiang looked up. ”

“Li Xiang’s father pursed his lips. He wanted to respond to Li Xiang, but he couldn’t say anything. ”

It was like a fishbone stuck in his throat. It was especially uncomfortable.

“After a long while, Li Xiang’s father finally reacted. He walked to Li Xiang’s side and patted Li Xiang’s shoulder. “It’s good that you’re back. It’s good that you’re back.” ”

The scene of the family reunion was very touching.

“Seeing this scene, Tian Zhifang, who had walked out from the side, was stunned. She turned to look at her assistant and said, “That... that’s their daughter, Li Xiang?” ”

The assistant beside her was also stunned. He stared at this scene with his mouth agape. “It... It’s Li Xiang!”

It really was Li Xiang!

“Tian Zhifang couldn’t react in time. She then turned to look at her assistant and said hopefully, “Li Xiang is already back. That zifei must have returned safely as well. Little Wu, don’t you agree?” ”

He would.

He definitely would.

“After all, Li Xiang and Yu Zifei were on the same aircraft. ”

“So, Yu Zifei must be fine. ”

“The assistant was stared at by Tian Zhifang. For a moment, he didn’t know how to answer. If he was right, what if something happened to Yu Zifei? ”

“After all, the only person standing in front of everyone was Li Xiang. ”

“But if she said anything wrong, Tian Zhifang would definitely be heartbroken. ”

“Therefore, she couldn’t say anything now. The assistant turned his gaze to Li Xiang and shouted, “Li Xiang.” ”

Li Xiang looked up and smiled. “Qin Keru!”

The two of them were both assistants and graduates of the same school. They usually had a very good relationship.

Qin Keru was really happy that Li Xiang could return safely.

“When she heard Li Xiang’s voice again, Qin Keru’s eyes turned red and she jogged over. “Li Xiang, you’re finally back!” ”

Li Xiang wiped away Qin Keru’s tears. “Why are you crying? I’m Fine Again!”

Qin keru sized up Li Xiang.

“Although it had only been five days, the changes on Li Xiang’s body were not small at all. The color of his skin was very bad, and he had lost a lot of weight. ”

“Mother Li kept on nagging, “I’ve lost weight, I’ve lost weight!”She wanted to go back and give Li Xiang a good tonic. ”

“Li Xiang smiled and said, “There’s no need for a tonic. It’s just right. It saves me from losing weight.” ”

“Usually, if one wanted to lose weight, they would not be able to achieve such an effect! ”

This could be considered a blessing in disguise.

““You Child, at what time are you still joking!”Li Xiang had lost so much weight. As a mother, it was too late for her to feel sorry for her, but Li Xiang could still smile. ”

How heartless.

““Mom, I’m serious.”Li Xiang continued, “I think my body is just right now.” ”

“Seeing this scene, Tian Zhifang was trembling. ”

Li Xiang was back. Where was Yu Zifei? Where was her son?

Where did Yu Zifei go?

Could it be...

Yu Zifei was the only one who died?

No!

No!

Yu Zifei would be fine.

“Although she comforted herself in her heart that Yu Zifei would be fine, Tian Zhifang still couldn’t control herself and almost burst into tears.”

Chapter 1797: 370: Cen the Fifth Master who was forced to become a monk! 2

“After all, Li Xiang was now standing in front of everyone unharmed, and her son’s whereabouts were still unknown.”

“As a mother, how could Tian Zhifang withstand such a blow?”

“Zifei...”Tian Zhifang squatted on the ground and sobbed softly.

“”Mom.”At this moment, a tall figure walked down from the aircraft.”

Mom?

Tian Zhifang was stunned.

Was she hearing things?

“Otherwise, why did she hear Yu Zifei calling her mom?”

“Hearing this voice, Tian Zhifang couldn’t control herself anymore.”

“Zifei, zifei, come back quickly!” ”

“Mom, I’m back.”Yu Zifei walked up to Tian Zhifang. ”

Tian Zhifang was stunned.

It was Yu Zifei’s voice!

This was Yu Zifei’s voice!

“She didn’t Mishear, and she definitely didn’t Mishear! ”

Tian Zhifang looked up and saw Yu Zifei standing in front of her in perfect condition.

“Although her clothes were all torn, as a mother, Tian Zhifang still recognized her son at a glance. ”

“Mom,”Yu Zifei looked at Manchester United’s mother with tears in her eyes and felt very guilty.

“Mom, I’m sorry to have made you worry!” ”

“Although it had only been five days, Tian Zhifang’s hair had become more than half white, and she had become a lot older. ”

“Zifei, it’s really you!”Tian Zhifang’s tears gushed out at this moment. She held Yu Zifei’s hands tightly and hugged him. ”

“Although she hugged Yu Zifei tightly, Tian Zhifang still felt that it was not real. ”

She couldn’t believe that Yu Zifei had returned.

“After all, before this, she had already prepared for the worst. ”

“At this moment, Tian Zhifang’s voice was trembling. “Zifei! Is It really you?” ”

“”Mom, it’s me.”Yu Zifei’s voice was close to choking. “It’s really me.” ”

“Zifei!”Tian Zhifang lost control of her emotions. She hugged Yu Zifei and cried out loud. She cried louder than ever before.

It was the kind of unbridled crying.

“In the past, if she wanted to cry, she had to hide from father Yu. She had suppressed her feelings so much that it was hard for her to bear. ”

No one could understand this kind of feeling of recovering from a loss.

She was back!

Her son was back.

“From now on, she didn’t have to be an old man who had lost his love. ”

“Thinking of this, Tian Zhifang was ecstatic. She even wanted to scream. ”

“When she looked up, she saw ye Zao standing there. Tian Zhifang walked over. “Miss Ye, thank you! Thank you for not giving up on Zifei.” ”

“After all, as a mother, Tian Zhifang almost gave up on Yu Zifei. ”

“If not for ye Zao’s persistence, would Yu Zifei still be there? ”

“Therefore, Tian Zhifang was very grateful to ye Zao.”

“Ye Zao smiled at Tian Zhifang. “Auntie, you’re welcome. This is what I should do.” ”

“After saying that, Ye Zhuo turned to look at Yu Zifei. “Team leader Yu, are you still feeling unwell?” ”

““I’m not feeling unwell. Everything is fine,”Yu Zifei replied. ”

“In the five days that they had been missing, apart from the lack of food and water, they did not have any other problems. ”

“As for the problem caused by the lack of food and water, Ye Zhuo had already completely solved it. Currently, Yu Zifei’s body did not feel any discomfort. ”

““Let’s go for another full-body check-up,”ye Zhuo said. ”

“Okay.”Yu Zifei nodded.

“Ye Zhuo continued, “Xiao Gu! Arrange for team leader Yu and assistant Xiao Li to go for a full-body check-up.”Although the two of them did not seem to have any problems now., however, this was Mars after all, and many things were unknown. They still needed to have a check-up before they could be at ease. ”

““Yes, Miss Ye.”Gu Si jogged over. ”

““Team leader Yu, assistant Xiao Li, come with me.” ”

Yu Zifei and Li Xiang wanted to follow Gu Si’s footsteps.

“Tian Zhifang and Li Xiang’s parents were standing at the entrance of the physical examination room, waiting for them.”

“Mother Li said, “God is really blessed to let both of them be safe! Think about it, she’s my only daughter. If anything happens to her, then I won’t be able to live anymore!” ”

Mother Li wasn’t joking with this last sentence.

“If something happened to Li Xiang, she really wouldn’t be able to live anymore.”

“She remembered that year when she gave birth to Li Xiang, she gave birth for three days and three nights. She was in so much pain that she wanted to die, but in the end, she persevered.”

“Perhaps it was because she knew how hard it was for her mother to give birth, so after she was born, Li Xiang was obedient and sensible. She didn’t cause any trouble during her confinement.”

“Her cousin, who was born with her, tormented her parents at night. However, Xiao Li Xiang did not even make a sound.”

“After Li Xiang was born, her mother did not give birth to a second child. She focused on nurturing Li Xiang into a capable person. The fact that Li Xiang was able to work in the Cen family base had always been her mother’s greatest pride.”

Chapter 1798: 370: Cen the fifth master who was forced to become a monk! 3

“If something were to happen to Li, could she still live?”

“Naturally, she couldn’t!”

“Tian Zhifang nodded repeatedly. “Yes! Fortunately, these two children are fine, otherwise...”at the end, Tian Zhifang let out a long sigh. ”

“In this short five days, Tian Zhifang could be considered to have thoroughly experienced the pain of losing her only family! ”

She didn't want to experience this feeling again!

The two mothers chatted as they looked into the examination room.

“But after an hour and a half, there was no movement in the examination room. ”

“Mother Li was a little anxious. She stood on her tiptoes and looked inside. “Big Sister, why isn't this person out yet? Is there something wrong with the examination?” ”

Li Xiang and Yu Zifei had stayed in the northern hemisphere for five days. were they infected with the virus?

What if there was no cure!

Li Xiang's mother was getting more and more worried.

““It won't be! There's definitely no problem!”Tian Zhifang said, “After all, it's a full body examination. A full body examination won't be that fast. Don't let your imagination run wild.” ”

“Actually, Tian Zhifang was also a little anxious, but she couldn't show it. After all, Li Xiang's mother was already so anxious. If she was also anxious, wouldn't Li Xiang's mother be worried to death? ”

““You're a Jinx!”Father Li looked at mother Li. “If you don't know how to speak, then speak less! Do you wish for your daughter to have some problems?” ”

“Mother Li immediately spat a few times and then said, “It’s fine! Let’s think about it. It’s definitely fine.” ”

“After saying that, mother Li turned to look at Tian Zhifang and continued, “Big sister, don’t worry. Your team leader Yu is also fine! Speaking of which, this team leader Yu still needs to think about leadership! Right, how old is your team leader Yu this year?” ”

“Tian Zhifang smiled and said, “Our family’s son is not 29 this year. What About Your Li?” ”

“”25.”Mother Li smiled and said, “She just graduated from graduate school.” ”

“”Then she’s very powerful,”Tian Zhifang said. ”

“Mother Li said, “Your team leader Yu is still very powerful! Although he’s young, his courage is outstanding! I’ve read all the news reports about your team leader Yu! At that time, not many people were willing to believe in Miss Ye.” ”

“Yu Zifei was also thankful that he followed behind ye Zao. Otherwise, he would not have been able to stand out until now. ”

“”It was Miss Ye who made him who he is,”Tian Zhifang said. ”

It was another small matter. The door of the physical examination room finally opened.

Yu Zifei and Li Xiang walked out from inside.

The Li family’s parents and Tian Zhifang immediately went up to welcome them.

“Think about it. Are You Alright?”

“Is Zifei Alright?”

“Yu Zifei and Li Xiang said in unison, “He’s fine.” ”

“Hearing this, the Li family’s parents and Tian Zhifang both heaved a sigh of relief. ”

It was good that he was fine!

“If he was really infected with some virus on Mars, it would be troublesome! ”

“At this moment, Yu Zifei seemed to have thought of something and continued, “Mom, Where’s My Dad?” ”

“Tian Zhifang said, “Your dad fainted and is still in the waiting room.” ”

““Fainted?”Yu Zifei was stunned. He continued, “Is he okay?” ”

““He’s fine. He just hasn’t woken up yet,”Tian Zhifang said. ”

“Father Yu was too worried about Yu Zifei, so he fainted out of anxiety. After checking, he said that he was fine, but he still hadn’t woken up. ”

“Hearing this, father li smiled and said, “Old brother Yu is too weak! He can’t take the blow. Look at me. I’m still fine.” ”

“Mother li sneered, “I don’t know who it is, but he hid in his room in the middle of the night and cried, saying that he didn’t want to live anymore.” ”

He hid in his room in the middle of the night and cried.

“Hearing this, father Li’s face turned red. “It’s not true! You’re talking nonsense!” After saying that, he raised his foot and walked forward.”

“Li Xiang smiled and said, “My father is quite cute.” ”

“After Yu Zifei greeted mother Li and Li Xiang, he went to the lounge to see Father Yu.”

“Father Yu lay on the bed, his face pale and his left hand clenched into a fist.”

“Seeing his father like this, Yu Zifei felt very uncomfortable. In his impression, his father’s health had always been good. He had almost never been sick, and he hadn’t even caught a cold once.”

“But now, his father, who was even stronger than an ox, had actually fainted on the bed because of him.”

Yu Zifei couldn’t imagine what would happen to his father if he didn’t come back.

““Dad.” Yu Zifei held father Yu’s hand and half-squatted in front of the bed. “Dad, please wake up. I’m back.” ”

“Tian Zhifang’s eyes were a little red. “His dad, Zifei is back. Our Zifei is back.” ”

“As if he had heard the voices of the two mothers, the unconscious father Yu moved his fingers.”

“Feeling the movement of his father’s fingers, Yu Zifei quickly said, “Dad, I’m back. Please open your eyes and look at me.” ”

Chapter 1799: 370: Cen the fifth master who was forced to become a monk! 4

“The next second, Father Yu opened his eyes. ”

“Looking at Yu Zifei in front of him, Father Yu was stunned for a moment. ”

Yu Zifei!

It was Yu Zifei who had returned.

““Zi, Zifei?” Father Yu said in a hoarse voice. ”

“Dad!”

“Zifei!”

“Seeing that Yu Zifei was fine, Father Yu’s tears instantly rolled down. ”

“During the time he was unconscious, Father Yu had many dreams. ”

“He dreamed that Yu Zifei had disappeared, and then Tian Zhifang went crazy! ”

And he searched day and night for Yu Zifei.

“Year after year, but he still couldn’t find Yu Zifei. ”

“How desperate he was in the dream, how excited he was now. ”

Very excited!

This kind of excitement couldn't be described with words.

"Yu Zifei could return safely. This was a happy occasion. Father Yu didn't want to cry, but he couldn't help it."

"Beside him, Tian Zhifang's eyes were also a little red. She continued, "Okay, okay, you two father and son, Don't Cry! Especially you, Old Yu! Didn't you always say that a man shouldn't cry easily? Are you embarrassed?" "

"I still have something to say," father Yu said. "

"What is it?" Tian Zhifang asked.

"It's just that it hasn't reached the point of sadness." A man shouldn't cry easily, but it hadn't reached the point of sadness. "

"Tian Zhifang smiled and said, "Isn't our Zifei Fine Now?" "

Father Yu wiped his eyes.

"Tian Zhifang continued, "Are you still not feeling well? If you're not feeling well, I'll get doctor Zhang to come over and take a look at you." "

"No, no! I'm Fine Now!" Father Yu said with a smile. "

"As long as he saw that Yu Zifei was fine, Father Yu would be fine from head to toe. "

"Dad, are you really fine?" Yu Zifei asked. "

"I'm really fine! I Can Jump Now!" As he said this, father Yu even stood up and gave Yu Zifei a jump. "

“Seeing that Father Yu was fine, Yu Zifei heaved a sigh of relief and continued, “Dad, Mom, I’ll go to Miss Ye’s place first.” ”

“”Okay, you go ahead.”Tian Zhifang nodded. ”

Yu Zifei left the lounge and went to Ye Zao’s office with the report.

“Ye Zao had not slept for five days and five nights. Although there was a hint of tiredness on her face, it did not affect the beauty of her facial features. ”

“This tiredness not only did not slow her down, but it also added to her charm. ”

She was checking the landmarks on Mars.

“At this moment, the doorbell rang in the air. ”

Ye Zhuo pressed the button to open the door.

Yu Zifei walked in from outside the door. “Miss Ye.”

Ye Zhuo put down the work in his hands and looked back. “You’re here.”

“Yes.”Yu Zifei nodded.

“Ye Zhuo continued, “Have you brought the inspection report?” ”

“I have.”Yu Zifei handed the report to Ye Zhuo.

“Ye Zao took the report and looked at it. After a while, his red lips parted slightly. “I don’t see any major problems at the moment. You should rest well when you go back.” ”

“Okay.”

“Ye Zao put down the report and continued, “Team leader Yu, did you feel anything strange before you jumped?” ”

“Yu Zifei nodded. “There seemed to be a creature attacking my aircraft, but the smoke was too big, so I didn’t see it clearly.” ”

“What kind of smoke?”Ye Zhuo asked.

“Yu Zifei continued, “I’m not sure exactly what kind of smoke it is. In short, the density is very high, and the visibility is less than one meter. The strangest thing is that the smoke came very suddenly, as if it appeared suddenly.” ”

“Hearing this, Ye Zhuo frowned slightly. ”

How could this be?

Could it be...

There really were aliens on Mars?

“But in her memory, there were no aliens on Mars at all! ”

What was going on?

Could it be that she remembered wrongly?

“At this moment, ye Zao felt a fierce pain in her head.”

It was very painful.

It was as if someone had taken an axe and ruthlessly cut her head.

Ye Zao pressed on her temple.

“Seeing ye Zao like this, Yu Zifei was shocked and immediately asked, “Miss Ye, Are You Alright?” ”

““I’m fine.”Ye Zao raised his hand slightly and continued, “I’ll definitely investigate this matter! In addition, I’ll give you a two-month vacation from assistant Xiao Li. During this period of time, you should rest well at home and accompany your parents.” ”

“Yu Zifei smiled and said, “Thank you, Miss Ye.”Ever since she started working, Yu Zifei rarely rested. Even when it was a statutory holiday, she worked overtime. ”

Taking two months off at once made Yu Zifei especially excited.

““It’s my pleasure,”ye Zhuo said. ”

“After leaving ye Zhuo’s office, Yu Zifei went to Li Xiang’s place and told him about the holiday. ”

“Hearing this, Li Xiang said excitedly, “Really?” ”

Chapter 1800: 370: Cen Wuye who was forced to become a monk! 5

“Yes.” Yu Zifei nodded. “Of course it’s true.”

“That’s great! That way, I’ll have time to spend with my parents.”

Yu Zifei nodded.

“Li Xiang continued, “By the way, team leader Yu, what is the meaning of returning to Earth?”

“We’ll be back soon!”

“Alright.”

Over here.

Ye Zhuo called for an emergency meeting.

“She sat at the head seat and said, “Everyone, it’s very likely that an alien life form has appeared on Mars. For the sake of everyone’s safety, do not leave the area of the unauthorized base for the time being.”

“When she said this, the audience broke into a flurry of discussions.”

Aliens!

“Very quickly, everyone thought that Yu Zifei’s matter was definitely related to aliens.”

“In other words, Mars was no longer safe.”

“As they discussed this issue, everyone’s voices grew louder.”

“After all, other than life and death, there was no big deal. ”

“No matter when, the safety of life was the most important. ”

“”Miss Ye, is the base absolutely safe?” ”

“”Yes.”Ye Zao nodded slightly and opened his red lips. “Before this meeting, I’ve already activated the top-tier defense system. As long as you don’t step out of the base’s range, there won’t be any problems!” ”

“In fact, Ye Zao had encountered alien life forms before, but it was not Mars. ”

Ye Zao had nothing to be nervous about when dealing with alien life forms with higher levels of civilization.

“”Miss Ye, what if something happens?” ”

“Ye Zao flipped a page of the document and continued, “In an hour, there will be a spaceship that can take you back to Earth. If anyone is afraid, they can follow the spaceship and leave this place.” ”

“Hearing this, everyone hesitated. ”

“The Oasis project was an international project. If it was successful, just like the last time they built an aircraft carrier, their status would rise along with it. ”

“If they left, there would be nothing left. ”

No.

They could not leave.

“But if they did not leave, what if they were attacked by aliens?”

“On one side was fame and fortune, and on the other side was the safety of their lives. This made everyone very conflicted.”

“Three minutes later, elder Sun stood up and said, “Miss Ye, can you give us some time to think about it?””

“Ye Zhuo nodded slightly. “Then before five o’clock tomorrow afternoon, before five o’clock tomorrow afternoon, I’ll go back and arrange for the spaceship to fly back to Earth once more. At that time, everyone must think carefully. This opportunity can not be missed again.””

“Okay.” Everyone nodded.

“Ye Zhuo looked at everyone. After a while, he stood up from his chair and said, “That’s all for now. Meeting adjourned.””

“After saying that, Ye Zhuo left the meeting room.”

“She had stayed on Mars for almost a week. Now that she had found Yu Zifei and Li Xiang and upgraded her defense system, it was time for her to go back.”

It would only take about an hour to return by spaceship.

“An hour later, the spaceship landed at the Cen family base.”

“As soon as ye Zhuo got off the spaceship, Cen Shaoqing went up to greet him. “Leader.””

“Yes.” Ye Zhuo nodded slightly.

Cen Shaoqing frowned slightly when he saw the tired look in ye Zhuo's eyes. "Didn't you say that there was nothing serious on Mars? Why Are You So Tired?"

"He was afraid that Cen Shaoqing would be worried, so ye Zhuo did not tell Cen Shaoqing the truth."

"I'm not tired, I'm just a little hungry." Ye Zhuo had drunk the nutrient solution for five days in a row. Now, he only wanted to have a normal meal."

"Everything is ready. Come with me." Cen Shaoqing held ye Zhuo's hand tightly.

The two of them walked into the restaurant.

"The table was full of dishes that ye Zhuo loved to eat, as well as sweet and delicious desserts. Seeing this, the weariness in ye Zhuo's eyes instantly disappeared by more than half. He sat down and ate heartily."

"She did not eat slowly, but her every movement gave off an elegant aristocratic temperament, which made people think of a noble princess."

"Moreover, this temperament could not be imitated."

"Seeing her eat so well, it actually brought Cen Shaoqing's appetite back."

"Forty minutes later, the plates on the table were almost empty."

"Cen Shaoqing walked over and continued, "Do you still want to eat?" "

"I'm full." Ye Zao wiped his mouth.

“Cen Shaoqing sat next to Ye Zao and held her hand. He asked in a low voice, “What happened on Mars?” ”

“Ye Zao looked at Cen Shaoqing. “Let me hug you for a while.”With that, ye Zao put his arm around Cen Shaoqing’s waist and buried his face in his chest. ”

“Through a thin layer of expectation, he could clearly hear his strong and powerful heartbeat. ”

“Bang, Bang, Bang. ”

One beat after another.

His nose was filled with the faint scent of sandalwood. Ye Zao took a sniff and felt extremely at ease. He immediately forgot all the tiredness and trouble and slowly closed his eyes.
