

## **Almighty D 1801**

Chapter 1801: 370: CEN Fifth Master who was forced to become a monk! 6

“She rarely mentioned such a request, and she rarely hugged her like this. Most of the time, he was the one who took the initiative. ”

“Cen Shaoqing was slightly stunned, and his body instantly stiffened. ”

“After a moment, CEN Shaoqing slowly said, “Leader?” ”

There was no response in the air.

“Leader?”Cen Shaoqing called out again.

There was still no response in the air.

Cen Shaoqing looked down and saw ye Zhuo’s thick fan-like eyelashes. His breathing was even.

Asleep?

Cen Shaoqing was stunned.

How tired was this person? How could he fall asleep like this?

Cen Shaoqing looked at her like this. His deep eyes were full of affection.

“Fifth brother.” At this moment, footsteps sounded in the air. It was he ziteng’s voice. ”

Cen Shaoqing turned his eyes slightly. He put his index finger to his lips and made a silent gesture. “Shh.”

“He ziteng did not dare to speak. When he saw ye Zao in Cen Shaoqing’s arms, he immediately walked out and instructed the others not to come in and disturb the two of them. ”

Ye Zao had slept for a very long time and it was very fragrant. It had been a long time since she had slept so soundly.

This sleep was so comfortable!

“Ye Zao slowly opened his eyes. When he saw the scene in front of him, he was stunned. ”

“What greeted his eyes was a fair and beautiful chin. Looking down from the chin, he could see a sexy Adam’s apple, a moon-white button-down gown, and the top button was unbuttoned, there was a hint of coldness in the abstinence. ”

The scent of sandalwood that belonged exclusively to him permeated into his nose.

It smelled very good.

It was also at this moment that ye Zao remembered that she had fallen asleep while hugging Cen Shaoqing while eating.

So what time was it now?

Ye Zao looked up at the wall and saw that it was already past six o’clock the next morning.

“In other words, she had slept for more than ten hours. ”

Ye Zao was a little surprised.

“At this moment, the arm that was holding ye Zao’s back tightened, and a deep voice came from above.  
“You’re awake.” ”

“Yes.”

“How did you sleep last night?”Cen Shaoqing asked.

“Very well. How about you?”Ye Zao still maintained the posture of leaning on his body.

“”I’m also... very well.”In fact, last night had really tormented him. ”

He was a very normal man. How could he not be flustered with such a gentle and soft woman in his arms?

“However, ye Zao had fallen asleep on his body. He could not move randomly, so he could only ask someone to send over ice water. ”

“In the end, he did not know how he fell asleep. ”

“When will you graduate?”Cen Shaoqing asked.

“”Another year,”ye Zao said. ”

One year.

There was actually another year!

This meant that he had to be a monk for another year!

“Thinking of this, Cen Shaoqing’s expression was a little subtle. ”

“After saying this, ye Zao continued, “Why didn’t You Wake Me Up Last Night?”She had slept on Cen Shaoqing’s body for more than ten hours. She was comfortable, but Cen Shaoqing was definitely very tired. ”

“”Because I fell asleep too,”Cen Shaoqing said. ”

“It was morning, and it was the time of excitement in a man’s body. He could not let ye Zhuo notice his strange behavior. Cen Shaoqing cleared his throat, then he said, “It’s already half past six. I’ll send you back. You can have breakfast on the way.” ”

“Okay.”Ye Zhuo let go of Cen Shaoqing’s waist. “I want to eat breakfast at tenderroad.”

“”Okay.”Cen Shaoqing nodded slightly and continued, “Then I’ll go wash up first.” ”

“I’ll go too.”

...

On the other side.

At the rice noodle shop.

“During this period of time, Xu Xiao had been coming to the rice noodle shop almost every day to check in. However, what made Xu Xiao depressed was that she had not seen he ziteng or Lin Ze for the past few days. ”

“Although she had added he ziteng on wechat, she could not go directly to he ziteng either. ”

Wouldn't that be no different from throwing herself at him?

"Just as Xu Xiao was listless, a pleasant male voice suddenly appeared in the air. "Miss Xu." "

This voice.

It was so familiar!

"It must be he ziteng, who had disappeared for many days. "

"Xu Xiao was very surprised, but her face did not show it. She raised her head and said, "Mr. HE, are you here for breakfast too?" "

Chapter 1802: 371: The Hidden Truth! 1

He ziteng nodded with a smile.

"I didn't expect to meet Miss Xu here again."

"Xu Xiao smiled. "I didn't expect to see Mr. he again either." Xu Xiao was a very gentle girl, and her voice was also gentle and gentle. She was the type that he ziteng liked. Otherwise., he ziteng wouldn't have set foot in the rice noodle shop again. "

"He thought he might not see Xu Xiao anymore, but he didn't expect that not only did he see Xu Xiao, but he also saw her in her original position. "

"After he said that, he ziteng continued, "By the way, is there anyone across from Miss Xu?" "

""No,"Xu Xiao said. "

"He ziteng said, "Then Miss Xu won't mind if I Sit Down, right?" "

""I don't mind. Please take a seat, Mr. He,"Xu Xiao said. "

He ziteng sat opposite Xu Xiao.

"At this moment, the shop owner came over with steaming hot rice noodles. "Here's your chicken soup and rice noodles." "

""Thank you,"Xu Xiao thanked him politely. "

He ziteng looked up at the shop owner. "Please give me a bowl of spicy rice noodles."

"Xu Xiao said unhurriedly, "Mr. HE, it's not good for your stomach to eat too much spicy food on an empty stomach in the morning. I suggest you eat something lighter. This chicken soup and rice noodles is very good." "

"After saying that, Xu Xiao smiled and said, "Actually, I also like to eat spicy rice noodles. I also like to put double the Chili, but I'll try my best to restrain myself in the morning." "

"Xu Xiao did not know that he ziteng, who had disappeared for many days, would suddenly appear here this morning. "

He ziteng liked to eat spicy rice noodles.

And the chicken soup and rice noodles were Lin Ze's favorite.

“Luckily, she was quick-witted.”

Xu Xiao smiled.

He ziteng nodded. “Miss Xu is right.”

“Then, he turned to the store owner. “Then, I’ll have a serving of chicken and rice noodles.” ”

““Okay, please wait a moment,”the store owner said.”

“Seeing he ziteng like this, Xu Xiao heaved a sigh of relief.”

“It seemed that he ziteng was not as wise as the rumors said. Compared to Lin Ze, he ziteng was too easy to deal with.”

“She had been punching in at the rice noodle shop for almost a month, but she had not received a single visit from Lin Ze. It had only been a few days? She was already eating at the same table as he ziteng!”

“If this continued, she would be able to sleep with he ziteng in no time.”

“If this continued smoothly, she might even be able to meet Cen Wu Ye!”

1

“The more Xu Xiao thought about it, the more excited she became. Her eyes were almost sparkling, but she still pretended as if nothing had happened. She picked up her chopsticks and elegantly ate the rice noodles.”

“The chicken soup and rice noodles were very delicious. They were smooth and refreshing. With the spicy and sour side dishes, they had a different flavor.”

“However, Xu Xiao could not swallow it. ”

“After all, she ate top-grade ingredients that were sent over by air every morning. Such rice noodles were eaten by lower-class people. ”

“Usually, she was just here for a show. ”

“But today was different. He Ziteng was sitting opposite her. Even if she didn’t want to eat it, she could only endure it. ”

“Soon, he ziteng’s rice noodles were served. ”

“Xu Xiao smiled and looked up. “Mr. HE, this should be your first time eating chicken rice noodles, right?” ”

He ziteng was stunned. “How do you know?”

“Xu Xiao said, “Because your expression now is the same as when I first ate chicken rice noodles.”When she said this, Xu Xiao paused, then she continued, “Once you get used to eating spicy rice noodles, your taste will become monotonous. It feels like you can only accept the spicy taste. In fact, the taste of the chicken soup is also very good! If you don’t believe me, you can try it.” ”

“Xu Xiao had studied psychology before. Through the subtle changes in he ziteng’s expression, she could see the changes in his heart. ”

“Hearing this, he ziteng tasted the rice noodles in his bowl. ”

“The crisp rice noodles blended well with the freshness of the chicken soup. With one bite, it was full of the richness of the chicken soup, and the taste was superb! ”

“Before this, he ziteng had always thought that the rice noodles were only the most delicious with the spicy taste.”

He did not expect that the chicken soup-flavored rice noodles were also so delicious and unique.

“How is the taste?” Xu Xiao asked.

He ziteng nodded. “It’s very good!”

“Not bad, right?” Xu Xiao took a sip of the rice noodles. “I often eat like this.”

“He ziteng said, “I also like the rice noodles in this restaurant. I used to clock in almost every day when I was in school. Unfortunately, I don’t have that much time now, so I can only come here occasionally to eat.”

“To He ziteng, this restaurant not only ate the taste, but also the feelings.”

Because it carried a lot of memories from his university days.

“Xu Xiao smiled and said, “Then I have to cherish the time now so that I won’t regret it later.”

Chapter 1803: 371: The Hidden Truth! 2

He ziteng nodded. “How old is Miss Xu Now?”

“Third year,” Xu Xiao replied.

“He ziteng said, “Then we really have to treasure it.”

“The two of them ate and talked. Unknowingly, more than half an hour had passed.”

“After eating, Xu Xiao stood up and said, “Mr. He, I’m done eating. I’ll be leaving first.” ”

“He ziteng nodded. Looking at Xu Xiao’s back, he felt that Xu Xiao was very different from other girls.”

“As a noble, no matter where he went, he ziteng had no lack of suitors by his side.”

“However, Xu Xiao’s behavior was polite and restrained.”

He ziteng appreciated her very much.

“For a moment, he felt that he had met the right woman!”

“After sitting in the shop for a while, he ziteng turned around and left.”

“When he returned to the He family’s house, he found that old madam he was chatting with old Madam Cen.”

The two old ladies were talking about something and were laughing very happily.

“He ziteng walked up to greet her. “Grandma Cen, you’re here.” ”

Old Madam Cen nodded. “Ziteng.”

“Old Madam he smiled and said, “Ziteng, your grandma CEN is here to help you matchmake. Why aren’t you thanking your Grandma Cen?” ”

Matchmaking?

Matchmaking!

“When he ziteng heard this, he was in a bad mood. He immediately said, “Thank you, Grandma Cen, but I...” ”

“”But you what? Don’t tell me that you already have a girlfriend! I just asked your grandma, and she said that you’re still a dog.” ”

“A dog?”He ziteng turned to look at Old Mrs. He.

“Old Mrs. he said, “Isn’t a single dog just a dog? Could it be two dogs?” ”

Old Mrs. Cen laughed out loud. “Two dogs are still called single dogs?”

He ziteng:” ...”he could no longer keep up with the fashion of his grannies.

“After saying that, old Mrs. Cen continued, “Ziteng, don’t worry. I have never been matchmaker to anyone in my entire life. This is the first and last time. The girl that Grandma Cen thinks highly of will definitely not be too bad!” ”

“I...”

“”I what?”Old Mrs. Cen said, “Look at how good the wife I found for your fifth brother is!” ”

He ziteng immediately shut up.

“Although Old Mrs. Cen was old, her aura was very strong. ”

“That’s right, that’s right!” Old Mrs. he echoed, “With your Grandma Cen as your matchmaker, you can secretly be happy! Stop making excuses! Elder sister, where were we just now? Whose family did that little girl come from? What did she look like? It doesn’t matter if she comes from a family background. The most important thing is that she has a good character! She also has to be able to control ziteng!” ”

“Old Mrs. Cen said, “She’s that little girl from the Ouyang family. Her name is Ouyang Chen. She just graduated from university this year. Before Chen Chen went to school, she was studying abroad. Didn’t she just return to China? It was also fate. When Xiao Chen had just returned to China, she met Ziteng and fell in love with Ziteng at first sight... ..”

“Ouyang Chen had been educated in the west since she was young. Her thoughts were free and unrestrained, and she did whatever she wanted without hesitation.”

“Old Madam Cen had a deep relationship with the Ouyang family’s old Madam, so old Madam Ouyang asked her to talk about this matter.”

“When she heard this, old madam he’s eyes lit up, and she continued, “Do you have a photo of the little girl? Let Me See!” ”

“Yes!” Old Madam Cen took out her phone.

“Old Madam he took the phone and enlarged the picture. “Nice! Nice! This little girl is indeed beautiful! Ziteng, you’re really lucky this time! To be able to get such a beautiful little girl to like you!” ”

“The Girl in the picture was standing on the beach with the blue sea and sky. She was wearing a light yellow halter dress. She was beautiful and elegant, and her temperament was outstanding! ”

“Seeing the photo, he ziteng frowned slightly. “So it’s her!” ”

“You still remember her?” Old Mrs. Cen turned to look at he ziteng.

“He ziteng said, “Grandma Cen, I thank you for your kindness, but it’s impossible for me to be with her. Please don’t waste your time! Please go back and tell her that I, he ziteng, am not worthy of her.” ”

“Not long ago, he ziteng did meet Ouyang Chen. ”

“In He Ziteng’s eyes, Ouyang Chen was just a spoiled brat! ”

Ouyang Chen was not her type either.

“Old Mrs. Cen said, “Who said you’re not good enough? Let me tell you, Xiao Chen really likes you! Most importantly, Xiao Chen is a very filial child. You’ll definitely regret missing her!” ”

Old Mrs. He looked at He ziteng. “Ziteng! You Don’t even like such a handsome little girl. What are you trying to do? Are you trying to rebel?”

““It’s not a question of whether she’s handsome or not. It’s just that we’re not suitable for each other at all,”he ziteng said. ”

“Old Lady Cen sized he ziteng up and down. She narrowed her eyes slightly and said, “You... you’re not gay, are you?” ”

Chapter 1804: 371: The Hidden Truth! 3

“Old Mrs. Cen might be old, but her thoughts were at the forefront of the fashion industry! ”

She read all kinds of beautiful novels one after another.

“After saying that, an excited look appeared in old Mrs. Cen’s eyes. “I have never seen gay people in real life!” ”

“Old Mrs. Cen had always been very interested in this group. Unfortunately, there had never been such people around her, so she did not know much about them.”

“Hearing this, he ziteng was very speechless and said, “Grandma Cen, what are you talking about! I’m very normal! I’m not gay!” ”

“Old Mrs. Cen continued, “Ziteng, don’t worry. Your Grandma Cen is definitely not that kind of feudal person. If you are really gay, grandma CEN will definitely not discriminate against you! On the contrary, Grandma Cen will even bless you!” ”

“I really am not!” He ziteng said.

“Really not?” Old Mrs. Cen asked.

“Really not!” He ziteng was very serious.

“Seeing him like this, the excited expression on old Mrs. Cen’s face instantly disappeared. She continued, “Since you’re not, isn’t Xiao Chen pretty good? Why Don’t you agree?” ”

“She’s not my type.”

“Old Mrs. he said with a confused look, “What are you guys talking about? What gay and straight? Why Can’t I understand a single word?” She was different from old Mrs. Cen, old Mrs. He’s life was relatively simple. Apart from walking the dog every day, she played mahjong. She was not very interested in Wang Nuo.”

“Old Mrs. Cen smiled and said, “Saying something that can change your worldview! The most important thing now is Xiao Chen. Ziteng, are you really unwilling to meet Xiao Chen?” ”

“Not every old lady was like her, closely following the fashion trends. Old Mrs. He was a traditional old lady. If she knew that there was still a same-sex marriage, she would probably be shocked to death! ”

"I'm not meeting her!" He ziteng directly refused. "There's no need for me to meet her."

"Hearing this, old Mrs. he frowned and said, "Isn't That Lady from the Ouyang family quite good? It's your fortune that she likes you, and you even picked up Qiao!" "

""Grandma, don't Worry About Me!" "

"Old lady he said, "I'm your grandma, who would worry if I'm not worried!"The He family's parents were especially busy. They flew all over the world every day and did not care about he ziteng. He ziteng himself was not in a hurry, old Lady he was extremely anxious now! She was already so old, what if she could not carry a great-grandson? "

""I'll tell you the truth! I already have someone I like,"he ziteng continued, "If things go well, I should be able to bring her back to see you in half a year." "

"Really?"Old Mrs. He's eyes lit up.

"He ziteng nodded, "Of course it's true. Why would I lie to you with this?" "

"Old Mrs. Cen asked curiously, "Which family's girl? Is Xiao Chen Outstanding? Xiao Chen is a good girl that's one in a thousand." "

"He ziteng smiled and said, "As for which family's lady, I'll keep it a secret first! In short, my taste isn't too bad, don't worry." "

"Old Mrs. Cen said, "Whether she's a good lady or not, we'll only know after we get along with her! Don't be like the Mu Family!"After experiencing the MU family's incident, Old Mrs. Cen no longer trusted people easily! "

"Back then, their relationship with the Mu family was so good. When the MU family found out about the fake news of the Cen family's bankruptcy, they immediately cut off their relationship with the Cen family! It could be seen how sinister people were! "

“Hearing this, old lady he nodded. “Your Grandma Cen is right. Since you’ve decided to get along with them, you must get a clear understanding of their character! You Can’t bring those indecent people back!” ”

“”Grandma, Grandma Cen, do I look like an idiot to you?”He ziteng looked at the two elders and asked. ”

Old Mrs. Cen shook her head. “No.”

He ziteng smiled.

“Old Mrs. Cen continued, “You look very much like the silly son of a landlord.” ”

He ziteng’s smile immediately froze.

“”So, ziteng, you must be careful.”Old Mrs. Cen patted he ziteng’s shoulder. “Don’t be fooled by those people! Although there are many good people in this world, there are also bad people!” ”

He ziteng nodded.

“Old Mrs. Cen continued, “You’d better tell me and your grandmother the name of that little girl. That way, your grandmother and I can help you to test her character.” ”

“He ziteng frowned slightly and continued, “Grandmother Cen, I think this kind of behavior is wrong, and it’s an insult to people! I believe her.” ”

It could be seen from her face that Xu Xiao was a good girl.

Chapter 1805: 371: the truth that has been hidden! 4

He really could not do anything to probe Xu Xiao.

This was because love was all about mutual respect and trust.

“Old Granny Cen rolled her eyes at him. “If you don’t listen to the old man, you’ll suffer a loss in front of your eyes! People like you deserve to be cheated!” ”

“”Your Granny Cen is right, Ziteng. You’ve never been in a relationship before. What if you’re Cheated?”Old Granny he said. ”

“He ziteng sighed helplessly. “Grandma, Grandma Cen, do you think I’ve been eating rice for nothing all these years? Do you think I can’t even tell the difference between good and bad?” ”

He ziteng felt that old Mrs. Cen was a little hesitant.

“After saying that, he ziteng continued, “Grandma Cen, you can’t deny all good girls just because you’ve been cheated by the Mu family before.” ”

“Since he ziteng had said that, what else could grandma Cen Say? ”

Forget it! Forget it!

She still didn’t want to do such an annoying thing.

“Grandma CEN continued, “You’re already an adult. You should think it through. It’s fine as long as you don’t regret it in the future.” ”

“”Don’t worry, Grandma Cen!”He ziteng said. ”

“Grandma Cen looked at He ziteng. “Then, should I push Xiao Chen for you?” ”

He ziteng nodded. “Push it. I’m not suitable for her!”

“That’s fine.”

Old Mrs. Cen stood up from her chair. “Then I’ll take my leave First!”

“Aren’t you going to sit for a while?” Old Mrs. He stood up and asked.

“”No,” old Mrs. Cen continued, “She’s still waiting for my reply!” ”

“”Okay, take care, elder sister.” Old Mrs. He followed behind to see Old Mrs. Cen off. ”

“When they reached the door, old Mrs. Cen suddenly turned to look at Old Mrs. He and asked with a smile, “Do you think my clothes look good today?” ”

“”Yes!” Old Mrs. he said, “It’s LK’s Gao Ding, right?” ”

“Old Mrs. Cen was wearing an improved version of the Cheongsam today. The hem of the dress was embroidered with faint patterns, and it was cut to fit her perfectly. It skillfully brought out old Mrs. Cen’s elegant temperament. ”

“Old Mrs. Cen raised her head and puffed out her chest. With a proud face, she said, “My granddaughter-in-law gave it to me! Look at the patterns, the pattern, and the buttons. They were all designed by my granddaughter-in-law herself!” ”

“Old Mrs. He, who had been shown off, was speechless. She suspected that old Mrs. Cen had come to show off today, but she had no evidence. ”

“Seeing Old Mrs. Cen get into the car, old Mrs. He turned to look at he ziteng. “Let me ask you, is the girl you like as good as your grandmother’s granddaughter-in-law?” ”

“Hearing that, he ziteng said speechlessly, “Grandma, what are you thinking about?” ”

“In this world, who could compare to ye Zao? ”

Old Mrs. He was probably not joking!

“After saying that, he ziteng continued, “Do you know how powerful my goddess is?” ”

Old Mrs. He touched her chin. “Just... Just that powerful?”She had only heard of ye Zao from Old Mrs. Cen. She was not very clear about what ye Zao was like in person.

““Of course she’s powerful!”He ziteng continued, “My goddess is not only the number one person on the aircraft carrier, she’s also a well-known hacker, Miracle Doctor Ye Who Cures Cancer, the founder of ZY technology...” ”

“Among all these identities of ye Zao, which one of them was not an existence that could make the capital tremble with just a stomp of his feet? ”

“In front of ye Zao, Xu Xiao was a very ordinary girl. ”

Old Madam he was shocked!

No Wonder Old Madam Cen had mentioned her granddaughter-in-law so many times in front of her. It turned out that ye Zao was so powerful!

“After a long while, old madam he sighed, “The CEN family is really blessed in their past life to be able to meet such an outstanding granddaughter-in-law!” ”

“He ziteng smiled and said, “Grandma, don’t worry. Although my future girlfriend is not as powerful as my goddess, she is still a very good girl! I guarantee that you will like her a hundred times after seeing her!” ”

“”En!”Old Lady he nodded. “Actually, I also think that the little girl from the Ouyang family is very good! Why do you just look down on her?” ”

“”We are not from the same world,”he ziteng said. ”

“Old Lady he shook her head helplessly. “Forget it, forget it. I Can’t control you. Your marriage will be decided by nature. Just think about it yourself.” ”

“He ziteng smiled and said, “In any case, I won’t let you down.” ”

“As a grandmother, old lady he trusted he ziteng’s gaze. Since he ziteng did not like Ouyang Chen, it meant that the two of them were really not suitable for each other, this was not the old society where arranged marriages were arranged. She had to respect the child’s opinion.” ”

“On the other side, the old woman went to Ouyang’s house. ”

Chapter 1806: 371: the truth that has been hidden! 5

“After hearing the news, Old Madam Ouyang was a little angry. Her precious granddaughter was the dream lover of countless people, but the he family was blind! ”

“After hearing the news, not only was Ouyang Chen not angry, he was even smiling. “Grandma Cen, sorry to Trouble You!” ”

“Old Mrs. Cen patted Ouyang Chen’s hand. “He Ziteng’s unwillingness is his loss! Xiao Chen, I believe Grandma Cen, you will definitely find a boyfriend who is a hundred times better than him in the future!” ”

“Ouyang Chen had always been an outstanding girl since she was young. Although she was influenced by Western culture and her thoughts were more unrestrained, this was the first time she had taken the initiative to confess her love. ”

What a pity!

She would die before she could succeed!

“However, Ouyang Chen was not discouraged. Love at first sight was really too difficult. He ziteng did not like her now, but it did not mean that he would not like her in the future! ”

It was said that there was a veil between a woman and a man. She still had a chance!

“Ouyang Chen smiled and said, “Grandma Cen, thank you for your encouragement, but it is not the end yet. I don’t believe that he ziteng can still be made of iron! It is so difficult to guide him!” ”

“”Oh right, Grandma Cen, does he have a girlfriend now?”Ouyang Chen followed up with a question. ”

“If he ziteng had a girlfriend, then forget it. She wouldn’t do something like poaching someone else. ”

“Old Mrs. Cen said, “He doesn’t have a girlfriend yet, but he said that he already has someone he likes. I don’t know if it’s true or not!” ”

As long as he doesn’t have a girlfriend!

“As for the person he likes, he must have made it up to reject her. ”

“Hearing this, Ouyang Chen heaved a sigh of relief. He smiled and said, “Okay, I got it. Thank you, Grandma Cen.” ”

""You're welcome." Old Mrs. Cen continued, "Then I'll go back first." "

"I'll have to trouble you to make a Trip!" Old Mrs. Ouyang sent old Mrs. Cen out.

"After sending Old Lady Cen out, old lady ouyang said, "Xiao Chen, what did you mean just now?" "

""Grandma, I like he ziteng. I want to marry him!" Ouyang Chen hugged Old Lady Ouyang's arm tightly. "

Old Lady Ouyang frowned tightly.

"At this time, Ouyang Chen still said that he wanted to marry he ziteng! "

"Xiao Chen! It's not like we can't get married. Why do you keep staring at that kid from the He family!"

"Ouyang Chen smiled and said, "Grandma, I Just Want to marry Ouyang Chen!" This kind of feeling was very strange, and Ouyang Chen couldn't put his finger on it. "

Old Lady Ouyang was a little unhappy. She felt that Ouyang Chen was a girl. It was really inappropriate for her to do this!

"After all, he ziteng had already explicitly rejected her. "

""Xiaochen, you..." "

"Ouyang Chen smiled and said, "Grandma, I know what you want to say, but what I want to say is that I don't care about anything. Some things are like fish drinking water. I know my own feelings! "I just want to be happy. As for other things, my mouth is on someone else's body. I can say whatever I want. It has nothing to do with me!" "

"Seeing Ouyang Chen Like This, Old Lady Ouyang sighed helplessly. "

“Children and grandchildren have their own blessings. All of this was Ouyang Chen’s own choice. As a grandma, it was not appropriate for her to interfere too much. ”

On the other side.

The Cen family base.

In the office.

“Cen Shaoqing sat in front of his desk, holding a buddha bead in his hand. He looked up at his assistant and asked, “What exactly happened?” ”

“The assistant was a little nervous, he continued, “According to the news from Mars, Miss Ye’s people were attacked by an unidentified flying object, causing two people to go missing. In order to find them, Miss Ye has not slept for nearly five days and nights.” ”

“Hearing this, Cen Shaoqing frowned slightly. ”

“He knew that something must have happened on Mars. Otherwise, ye Zhuo would not be in such a fatigued state. ”

“However, what Cen Shaoqing did not expect was that an alien life form had appeared on Mars. ”

“I understand.”Cen Shaoqing twirled the Buddha bead. “You can leave first.”

“Hearing this, the assistant felt relieved and immediately turned to walk out of the door. ”

Cen Shaoqing also stood up slightly and walked towards the spaceship room.

He had to go to Mars immediately to investigate the matter clearly.

\* \*

On the other side.

“Outer Space, changyue country. ”

“Qiu Di looked at Qiu Changzhen. “Father, can you be at Ease Now?” ”

Qiu Changzhen nodded.

“Previously, he had always been worried about that low-level human. Now, he was finally at ease. ”

Because that was not ye Zao at all!

“If she really was ye Zao, she would have discovered them this time. ”

But that low-level human did not.

“Qiu Di curled her lips slightly. “Father, I’ve already said that no matter how strong ye Zao is, he’s just a human.” ”

1

Chapter 1807: 371: the truth that has been hidden! 6

""My son is right. This time, I have indeed thought too much."However, this was also because ye Zhuo's ability was too terrifying. "

"Over the years, Ye Zhuo had practically dominated changyue. From a little orphan girl who had nothing, she had become the commanding officer Ye. It had only taken her a few years. "

It was enough to make people's expressions change!

"This time, when she suddenly saw someone who looked similar to ye Zhuo and had the same name as ye Zhuo, she had no choice but to make autumn town raise their guard. "

"Qiu Di glanced at Qiu Changzhen and said, "Father, I'll be going back first." "

"Okay."Qiu Changzhen nodded.

"Qiu Di had just walked to the door when Wu Han, who was guarding outside, followed her footsteps. "

"Has there been any news about the eastern fence young master?"Qiu Di asked.

""Not yet,"Wu Han said. "

"Hearing this, Qiu di frowned slightly. "Continue to keep an eye on him. Once there is any news, remember to inform me immediately." "

"Okay."Wu Han nodded.

"Qiu Di looked at Wu Han, who was even more loyal than a dog, and a glimmer of light flashed across her eyes. "

"She really wanted to personally show ye Zao What kind of face Wu Han, who had once been loyal to her, had now. "

It was a pity.

Ye Zao would not be able to see it.

As for Wu Han...

He could only be her dog for the rest of her life.

“Thinking of this, Qiu Di’s heart burned with an unprecedented sense of superiority.”

“Ye Zhuo had trampled on her for so many years. This time, she had finally trampled on ye Zhuo under her feet.”

“Soon, the two of them arrived at the intelligence department.”

Qiu Di walked inside while Wu Han waited outside.

“Wu Han was merely Qiu Di’s dog. He was not qualified to enter and leave together with Qiu Di. Therefore, no matter where Qiu Di went, Wu Han was only qualified to stand outside and wait for her.”

No matter if it was sunny or rainy.

“For example, right now, there was corrosive acid rain in the sky, but Wu Han could only wait outside the door. He was not even qualified to hold an umbrella.”

1

The passers-by frowned slightly. They were all guessing the relationship between Wu Han and Qiu Di!

“After all, Wu Han’s ability was not low. If he were to leave Qiu Di, he would definitely be able to create his own business. However, Wu Han did not. No matter how Qiu di treated Wu Han, Wu Han was still loyal and devoted, he never said the word ‘no’.”

“Look at how Pitiful Wu Han is.”

“Look at how Miss Qiu is usually quite kind. Why is she so harsh towards Wu Han?”

“”Actually, it can’t be considered pitiful. After all, the two of them are willing to fight each other.” ”

“”It’s also because Wu Han is amazing. I have to sleep at home for a few days in this acid rain. Look at Wu Han, he’s fine!” ”

“...”

“Actually, it wasn’t that Wu Han was fine. It was just that he endured it and didn’t show it. Autumn flute was his benefactor. He couldn’t let autumn flute down.”

“Autumn flute had been in there for two whole hours. During these two hours, Wu Han just stood outside the door, his posture straight.”

Autumn flute narrowed his eyes.

A dog was a dog.

“Without the owner’s order, he didn’t dare to move.”

“Let’s go.”Qiu Di walked over.

“Yes.”Wu Han followed Qiu Di’s footsteps.

Cen Shaoqing came to Mars.

“Ever since Yu Zifei and Li Xiang’s accident, the base had activated the most advanced defense system. The security was tight, and there were no more abnormalities. ”

Cen Shaoqing came all the way to the laboratory. “Where’s the black box on the aircraft?”

“Cen Hu said, “The black box has already been corroded. What’s left at the scene is a pile of solidified liquid.” ”

“”Bring it over,”Cen Shaoqing said. ”

“Okay.”Cen Hu jogged over to get the liquid from the black box.

...

Lin family manor.

“After ye Zhuo returned, he had a strange dream. ”

“In the dream, she seemed to have returned to her past life, but the scene in the dream was very unfamiliar. ”

She stood in front of the hospital bed.

On the pure white hospital bed lay a little boy.

“He was clearly standing very close, but ye Zao could not see his face clearly. ”

“Forget the past, you will be ye Han from now on.” ”

Ye Han.

Who Was Ye Han?

“When this name came out of Ye Zao’s mouth, Ye Zao’s head suddenly hurt as if it had exploded, and layers and layers of cold sweat appeared on his forehead. ”

Ye Han...

“Ye Han!”Ye Zao cried out in shock. He sat up from the bed and realized that he had been dreaming.

“Great Zao Zao, Are You Alright?”Xiao Bai put down rolling and slid to the side of the bed. ”

Ye Zao pressed his temples. “How long have I slept?”

“Five hours,”Xiao Bai said. ”

Five hours...

“Ye Zao turned his eyes to look out of the window and continued, “Go and pour me a cup of black tea.” ”

“Seeing that ye Zhuo didn’t look too well, Xiaobai didn’t dare to joke with her and went to get the black tea. ”

“Ye Zhuo sat on the bed, deep in thought. ”

She suspected that she had forgotten some memories.

Ye Han was definitely not just a character in her dream.

But who was ye Han?

What was the memory that she was missing?

Why couldn't she remember anything?

""Big Burning, the black tea you asked for." Just then, little white glided over with the black tea. "

Chapter 1808: 372: see through her true colors! 1

Ye Zhuo took the black tea.

The warm black tea entered her throat. She felt much better and her thoughts became clearer.

"Seeing that she seemed to be in a much better state, little white continued, "Big Burning, Are You Alright?" "

"I'm fine." Ye Zhuo handed the empty Teacup to little white.

"Little White continued, "But I see that your condition isn't quite right." "

"Xiao Bai tilted his head and said, "Do you need to see a Doctor?" "

"Ye Zhuo chuckled, "Have you forgotten that I'm a Doctor?" "

“But didn’t you earthlings say that doctors don’t treat themselves?”Xiao Bai asked.

“”Don’t worry, I’m Fine,”ye Zhuo said. ”

“Are you really fine?”Xiao Bai was very worried.

“I’m really fine.”

“Little White said worriedly, “Then what if you die?” ”

Ye Zao:”...”he was most afraid of the child’s sudden filial piety.

“”I won’t die,”ye Zao said. ”

“Really?”Little White asked.

“Yes.”Ye Zao nodded slightly.

But Little White was still a little worried.

“Because since it knew ye Zao, it had never seen ye Zao like this. ”

This feeling was very strange.

“If it was before, the first thing ye Zao would do when he woke up in the morning was to look in the mirror. ”

“The second thing he would do was to say, “Why am I so beautiful!” ”

But today...

Something was definitely wrong.

“Da Zao Zao, why don't I get the Doctor to come over and take a look at you?” Xiao Bai said. ”

“No need.” Ye Zao pressed his temples. “You can go down and play. I need to change.”

“Okay.” Xiao Bai nodded. She glided towards the door and soon arrived at the elevator.

Ye Zao lifted the Duvet and walked towards the changing room.

Her changing room was very large. It was 30 square meters in size and was filled with beautiful clothes.

Ye Zao stood in front of the clothes rack and chose a light purple coat.

“Purple was a color that matched her skin. Her skin was already very white. At this moment, it was as white as jade and soft and delicate. ”

“After changing, ye Zao walked out of the changing room. ”

“At this moment, there was a knock on the door. ”

“Zao Zao, are you inside?” Ye Shu and Lin Jincheng's voices came from outside. ”

“Yes, Mom and dad, you can come in,” ye Zao replied. ”

“Soon, the door was pushed open from outside. ”

Lin Jincheng and ye Shu walked in from outside.

“As soon as ye Shu walked in, she reached out and touched ye Zao’s forehead. ”

Lin Jincheng looked at ye Zao nervously.

“Seeing this, ye Zao asked curiously, “Dad, Mom, What’s Wrong?” ”

“Ye Shu said, “I heard from Little White that you’re not feeling well! Zao Zao, are you okay?” ”

“Lin Jincheng immediately said, “What’s wrong with you? Do you have a headache or a stomachache? Or what’s the matter?” ”

Ye Zao had always been a very independent and self-reliant girl.

“After being acquainted with her mother and daughter for so long, Ye Shu had never seen ye Zao feel uncomfortable. ”

“Ye Zao had always been an optimist. Even if something really happened, she did not want to trouble others. Hearing Xiao Bai say that ye Zao was uncomfortable, Ye Shu and Lin Jincheng were extremely anxious. They immediately put down their work and came upstairs to see her. ”

“Ye Zao smiled and said, “Dad, Mom, you don’t have to be nervous. I’m fine. I’m fine everywhere. Don’t listen to Xiao Bai’s scaremongering!” ”

“Ye Shu said, “Zao Zao, it’s said that doctors don’t treat themselves. If you’re not feeling well, hurry up and go to the hospital! You Can’t be delayed!” ”

“Lin Jincheng echoed, “Your mom is right. If you’re not feeling well, don’t force yourself. You have to go to the hospital when you need to go!” ”

“Ye Zao nodded slightly, “Dad, Mom, don’t worry! I know my own body well! “Besides, do I look like I’m not feeling well? “A doctor doesn’t treat himself, which means that the doctor knows his own condition and doesn’t dare to take the risk to give him heavy medicine. That’s why he doesn’t treat himself. “My body is fine, how can there be a saying that I don’t treat myself?” ”

“Hearing her say that, the couple heaved a sigh of relief. “Zao Zao, are you really alright?” ”

“Ye Zao stretched out her hand and spun around on the spot. “Mom, do I look like I’m Alright Now?” ”

“Looking at it like that, it didn’t seem like it. ”

“Ye Zhuo continued, “Right, what should we eat for breakfast? I’m Hungry!” ”

“Hearing Ye Zhuo say that he was hungry, Lin Jincheng said, “The kitchen has cooked congee with sugar water, crystal shrimp dumplings, and buns. It depends on what you like to Eat!” ”

“Then I’ll go downstairs to eat immediately! You and mom go downstairs first. I’m going to wash up.”

“Lin Jincheng nodded. “OK, then we’ll go down first.” ”

Chapter 1809: 372: See Through the truth! 2

The couple turned around and walked downstairs.

Ye Zao also went to the bathroom to wash up.

“Looking at himself in the mirror in front of the sink, ye Zao narrowed his eyes. ”

That name appeared in his mind again.

Ye Han.

Who exactly was ye Han?

Why did she have that strange dream?

Was the little boy in the dream her actual memory?

“If so, why did she lose her memory? ”

“As she thought about it, ye Zao suddenly felt a sharp pain in his temple. ”

“It was as if he had exploded, and his face slowly turned pale. ”

“Ye Zao slightly bent down, turned on the tap, poured water on his face, and washed his face with cold water. ”

“The cold water rolled off his face. Ye Zao picked up a towel at the side and slowly wiped his face. Then, he took out his toothbrush and brushed his teeth. ”

“Twenty minutes later, ye Zao came to the dining room. ”

Ye Shu and Lin Jincheng were already sitting at the dining table waiting for ye Zao to eat.

“Zao Zao is here. Come and eat.”Ye Shu turned around and looked at ye Zao.

Ye Zao walked over with a smile. "Where's My Brother?"

"Your brother went out with his high school classmate," ye Shu said. "

"OH." Ye Zao nodded slightly.

"Lin Jincheng picked up the bowl. "Zao Zao, let me serve you a bowl of sugar water porridge first." "

"This sugar water porridge was made with lotus seeds, bird's nest, handmade rock candy, and snow clams. It was sweet but not greasy. It also had the effect of beautifying one's appearance and was also ye Zao's favorite. "

"Thank you, Dad." Ye Zao stood up and took the bowl from Lin Jincheng with both hands. "

"After the family of three finished breakfast, ye Langhua came. "

"Shu! Are You At Home?"

"Mom, I'm at Home!" Ye Shu went out. "Have you eaten?" "

"I've eaten." Ye Langhua put the things in his hands on the table. "I brought some wild eels and old turtles for you."

"Hearing this, Ye Shu said in surprise, "Where did you get them?" Now, it was really difficult to buy pure wild old turtles and eels! "

"I asked Xiao Ge's parents to buy it in the countryside." Xiao Ge was an employee of ye Langhua's shop. He was honest and honest. He had just been promoted to store manager a few days ago, so his parents came to visit him and play in the capital. "

""OH."Ye Shu nodded and said with a smile, "Then I'll have the kitchen burn it down tonight. You can stay here for a few days before you go back." "

""No, no."Ye Langhua refused repeatedly, "I have to go to B city in the afternoon." "

""What are you going to B city for?"The distance between Beijing and B city was more than a thousand kilometers, and it took more than three hours by plane. "

""I'm going to visit an old friend,"ye Langhua said. "

"Then I'll go with you."Ye Langhua was old. Ye Shu was a little worried about her going alone.

"If something happened, it would be too late to regret! "

"Ye langhua smiled and said, "No need. I'm just going to see an old friend. Besides, I'm not too old to walk. I don't need you to accompany me." "

"I'm not busy recently. I'll accompany you for a walk. I'll treat it as accompanying you on a trip!"Ye Shu said.

""That works too."Ye Langhua continued, "If you're going, then we'll leave Tomorrow Morning." "

"Okay."Ye Shu nodded.

"Ye Langhua sat down on the sofa and continued, "Aren't the two children at Home?" "

"Ye Shu said, "Ah Ze went out with his classmate. Burning just left the house!" "

"OH."Ye Langhua nodded.

On the other side.

Beijing University.

“After Ouyang Nai’s month-long strategy, she finally managed to woo Li Yueyue. ”

“At this time, the two of them were sitting in the coffee shop on a date. ”

“Li Yueyue was a very clear-headed person. During their relationship, she would never spend a single cent of her boyfriend’s money. For example, Ouyang Nai would treat her to coffee today, and she would treat Ouyang Nai to dinner tomorrow. ”

“Ouyang Nai gave her a bouquet of flowers, and Li Yueyue gave him a game skin. ”

““Yueyue, it’s going to be a holiday soon. Are you staying in Beijing for the New Year or going back to your hometown?”Ouyang Nai asked. ”

“Of course I’m going back home!”Li Yueyue said.

Ouyang Nai nodded. “Have you bought the plane ticket?”

““No.”Li Yueyue shook her head and continued, “I’m going back by train.” ”

By Train?

Ouyang Nai looked at her in surprise.

“Li Yueyue’s home was in the prairie, 3,000 kilometers away from the capital. It would take three days and three nights by train! ”

Didn't they say that Li Yueyue was a rich second generation?

Why would she take the train?

Or did Li Yueyue want to experience life?

"Ouyang Nai swallowed his throat and continued, "By the way, Yueyue, are uncle and aunt busy recently?" "

""It's snowing over there now, so we're not very busy. The real busy times are spring and summer," Li Yueyue replied. "

Chapter 1810: 372: I've seen through their true colors! 3

Is there a season for being busy?

"Besides, aren't some large listed companies usually busier in the second half of the year?" "

Why isn't Li Yueyue's family busy right now?

"Ouyang Nai tried her best to calm herself down and continued, "What does uncle and Auntie Do? My parents have been busy to death recently!" "

""Herding sheep!" Li Yueyue said, "The cows and sheep have already been sold in this season. Of course they're not busy." "

Herding sheep?

Li Yueyue's parents were actually herding sheep!

Ouyang Nai felt that he was being teased!

He had wooed Li Yueyue because he heard that she was the second generation of a rich family and that her family was especially rich.

He did not expect...

He did not expect that Li Yueyue's family was actually herding sheep.

Ouyang Nai's parents were both senior executives!

Senior executives and herders?

Wasn't this a big joke?

No wonder Li Yueyue had not given him a single luxury gift after being together with her for so long!

"If Li Yueyue was really a rich second generation, would she not even give him a decent gift? "

So Li Yueyue was the daughter of a sheep herder!

"Thinking that Li Yueyue was not only born ordinary, but also the daughter of a sheep herder, Ouyang Nai felt suffocated. "

He felt that he had been deceived by Li Yueyue.

"But on second thought, maybe Li Yueyue was testing him. "

He couldn't miss out on a rich second-generation girlfriend just because of one test.

"After thinking for a while, ouyang NAI continued, "Yueyue, you must be joking with me. What era is this..." "

"Li Yueyue smiled and said, "What era is it that people raise sheep? If we don't raise sheep, what do you people in the City Eat? Synthetic meat?" "

"Ouyang Nai maintained her smile and said, "I haven't seen a sheep yet! I must go to your house to take a look when I have time!" "

""Okay!"Li Yueyue nodded as if she remembered something and continued, "Oh right, I want to show you something!" "

"What is it?"Ouyang Nai asked.

"This."Li Yueyue took out her phone and showed a picture to Ouyang Nai. "Look."

The picture was of Li Yueyue and a little fat sheep.

The little fat sheep was super cute while Li Yueyue was smiling very happily.

"Li Yueyue continued, "This little sheep was just born when its mother died. I raised it with my own hands, so it's very close to me! "No matter when, as soon as I call its name. "It will immediately run to my side! "Guess what its name is?" "

"Looking at the photo of Li Yueyue and the little fat sheep, Ouyang Nai frowned without looking for any traces. "

"This Li Yueyue's family couldn't really be raising sheep, right?" "

“I, I can’t guess.” Actually, at this moment, Ouyang NAI’s expression could already see some clues, but Li Yueyue’s nerves were thicker, so she couldn’t see it. ”

“Li Yueyue continued, “It’s called Fatty, look at how cute fatty is!” Li Yueyue loved the little sheep that she raised with her own hands very much, and specifically reminded her parents that after she came to the capital city to attend school, she must take good care of her little sheep, and must not sell them.., she could not kill it either. ”

“Therefore, chubby became the happiest lamb in the entire grassland. ”

“Li Yueyue continued, “You can come to my house to play during winter vacation! Chubby is at my house right now. My parents even said that chubby will be my dowry!” ”

Dowry?

A Lamb?

What kind of international joke was this?

“Nowadays, when girls in Beijing got married, which one of them did not have several houses and cars as dowry? ”

Li Yueyue’s dowry was actually a sheep!

“Ouyang Nai picked up the cup and took a sip of coffee, then said, “That Yueyue.” ”

“What’s Wrong?” Li Yueyue raised her head and looked at Ouyang Nai.

“Ouyang nai continued, “That, I suddenly remembered that I still have something to do! I Won’t talk to You Anymore!” ”

““Yes, yes!” Li Yueyue quickly nodded, “If you have something to do, you can go and do it.” ”

Ouyang Nai picked up the phone on the table and ran away.

“Looking at Ouyang Nai’s back, Li Yueyue didn’t think too much. She just thought that Ouyang Nai was too busy! ”

“After all, Ouyang Nai was already a senior this year! ”

Being a senior wasn’t easy to begin with.

“After returning to school, Ouyang Nai asked her junior sister from the same department to find Li Yueyue’s new roommate and ask about the situation. ”

“The junior sister came back very quickly. She looked at Ouyang Nai and said, “Senior brother, I have found out everything you asked me to find out.” ”

“What do you mean?” Ouyang Nai asked.

“The junior sister said, “Well, Li Yueyue’s family does raise sheep. “I heard that every time during the holidays, she would bring a lot of beef jerky, mutton jerky, and cheese products for everyone. Besides, everyone in her dorm knows her family raises sheep.” ”
