

Almighty D 1821

Chapter 1821: 274: there is a type of genius called 'accumulating strength for a long time'

"At this point, old Mrs. Cen paused and continued, "Oh right, Yezi, is it a boy or a girl?"

"Ye Zhuo was about to say that he didn't know, but Cen Shaoqing's thin lips parted slightly. "It's a boy."

"Then let's call it 'Big Beauty'! What do you think, searing?" Old Mrs. Cen looked at Ye Zhuo.

Name a boy great beauty?

Ordinary people really couldn't keep up with old Mrs. Cen's Way of thinking.

"Ye Zha smiled and said, "It's pretty good."

"Then my great-grandson will be called great beauty from now on!" Old Mrs. Cen continued.

"Yes." Ye Zha nodded slightly.

"Great beauty seemed to be very satisfied with the name old Mrs. Cen gave it. She barked at the crystal lamp, "Woof!"

Old Mrs. Cen happily hugged big beauty. "Grandma's Great Great-grandson is really great!"

"After saying that, old Mrs. Cen seemed to have thought of something. "Yezi, has our big beauty applied for an identity card?"

"No." Ye Zhuo frowned slightly.

"Hearing that, Old Mrs. Cen hurriedly got someone to call for the butler."

"The Butler immediately came over. "Old Mrs. Cen, what are your orders?""

"Old Madam Cen looked at the housekeeper and said, "Take Big Beauty to get a vaccination and get an identity card while you're at it. Get a beauty treatment and make my great-grandson look beautiful. I'll take him on a blind date tomorrow.""

Big Beauty?

Great-grandson?

The housekeeper was stunned. When did old madam Cen have a great-grandson?

Was he hallucinating?

Could it be that Ye Zhuo had a child with Cen Shaoqing?

Why didn't he know?

"What are you still standing there for?" Old Mrs. Cen said, "Hurry up and take Big Beauty With You!"

"Where is the little, Little Young Master?" The Butler asked.

"Yes, isn't he?" Old Mrs. Cen patted Big Beautiful's head.

"Woof!"

The Butler was stunned. How could he have thought that the great great grandson that old Mrs. Cen mentioned was actually a dog...

""Okay, I'll go now."The housekeeper finally reacted and took the dog leash from old Mrs. Cen."

"Old Mrs. Cen instructed, "Oh right, remember to buy some snacks and toys for my great-great-grandson at the pet shop. Everything will be done according to the highest standards. His great-grandmother lacks everything except money. "This child's self-confidence must be nurtured from a young age. I can't let other dogs look down on my great-great-grandson.""

""Okay, Old Lady."The butler nodded and left with big beauty."

"Seeing that it was getting late, Old Lady Cen stood up from the sofa. "Yezi, what do you want to eat for lunch? Grandma will show you something!"

Old Lady Cen had been paying attention to the health channel recently. The experts on the channel said that an old lady cooking more would be beneficial to prolonging her life.

"Old Lady Cen was originally a very Buddhist person. Life and death were determined by fate, and wealth and honor were determined by heaven. She felt that the words of the health care experts were nonsense!"

So what if she died!

"In this world, who could escape this hurdle?"

"But it was different now. Cen Shaoqing had just found a girlfriend, so she couldn't leave so early. She had to personally see Cen Shaoqing and ye Zhuo enter the marriage hall."

She also had to personally witness her great-grandson!

“So, she absolutely couldn’t die early!”

“I’ll go with you.” Ye Zhuo stood up from the sofa.

Cen Shaoqing rolled up his sleeves. “Both of you don’t have to go. Let me do it.”

“One was his grandmother, and the other was his leader. No matter which one it was, he could not afford to offend them.”

“Ye Zhuo smiled and said, “Grandmother Cen, why don’t you not go into the kitchen? Let Cen Shaoqing and I do it.””

“”No, I want to Go! Yezi, you haven’t eaten my cooking, right?” Old Mrs. Cen continued, “I have Xiao Zhang and Xiao Li to help me in the kitchen. The two of you don’t have to cause any trouble for me!””

“Since old Mrs. Cen had said so, the two of them didn’t follow her to the kitchen.”

“Soon, a fragrant smell came from the kitchen.”

“Ten minutes later, Old Mrs. Cen came over with a piece of potato chip. “Shaoqing, quickly help me taste this piece of potato chip. Is it wet, salty, or Bland?””

“Cen Shaoqing took the potato chip, tasted it, and then said, “It’s not bad. Grandma, please take a piece and give it to searing.””

“”Give it another ten minutes,” said old Mrs. Cen.”

“Why?” Cen Shaoqing was a little confused.

“Old Mrs. Cen continued, “There are only two sprouted potatoes left in the house. I read that sprouted potatoes are poisonous and can not be eaten, so you should first try to see if they will be poisoned to death. If you are fine, you can give them to searing.””

Cen Shaoqing:” ...” even a non-biological grandmother would not do such a thing.

“Ye Zhuo, who was beside him, laughed lightly.”

Cen Shaoqing subconsciously wanted to throw up the potatoes.

“”Don’t throw up, don’t throw up.”Old Mrs. Cen immediately stopped Cen Shaoqing, then she said, “Not every potato that sprouts is poisonous. What if yours isn’t! “There’s only one potato in the house. It’s too late to buy it now! “Moreover, if it’s really poisonous, there’s nothing to be afraid of. With a burning flame by your side, can it still poison you to death?””

Chapter 1822: 274: There is a kind of genius called ‘accumulate and accumulate.’

“Other than desserts, ye Zao loved spicy and sour potato chips the most. ”

Cen Shaoqing:” ...” old Mrs. Cen sounded so reasonable that he was speechless.

“After a while, old Mrs. Cen turned around and walked into the kitchen. ”

“Cen Shaoqing looked at ye Zao and said with a bitter gaze, “I suspect that you are Grandma’s biological granddaughter.” ”

“Ye Zao smiled and said, “Did you just realize that you picked it up?” ”

“After saying that, ye Zao continued, “How was the taste of the potato chips just now?” ”

“Do you want to try it?” Cen Shaoqing raised his eyebrows slightly.

“Ah?” Ye Zao’s red lips opened slightly, and he was stunned. ”

Cen Shaoqing immediately leaned over and kissed her red lips.

“The taste of the exclusive spicy and sour potato chips, together with the faint scent of sandalwood and mint, penetrated into ye Zao’s mouth. ”

“Old Mrs. Cen walked out of the kitchen and stepped into the living room. Just as she was about to say something, she saw this scene and immediately raised her hand to cover her eyes. “Ah! It’s not suitable for children. It’s really not suitable for children!” ”

“As she said this, Old Mrs. Cen grabbed the ragdoll cat at the side and covered the ragdoll cat’s eyes. “You’re not allowed to look either. Come and cook with me.” ”

“Meow.” The ragdoll cat meowed in grievance. It just wanted to sleep.

“An hour later, Old Lady Cen finished making five dishes and a soup. ”

They were all ye Zao’s favorites.

“Ye Zao was a carnivore, so other than a plate of spicy and sour potato chips, there was no vegetable dish on the table. ”

“Of course, she did not prepare Cen Shaoqing’s favorite vegetable salad. ”

Cen Shaoqing silently put the Buddha beads back into his pocket.

Ye Zhuo looked at Cen Shaoqing. "Aren't you going to eat grass today?"

Cen Shaoqing's expression didn't change. "It's good to have a change of taste occasionally."

"After saying that, Cen Shaoqing looked at Ye Zhuo. His deep gaze couldn't even see the bottom. His tone was low as he said, "Besides, I like to eat meat." "

"It was clearly a very simple sentence, but ye Zhuo felt that something wasn't quite right, especially Cen Shaoqing's gaze. It was somewhat profound and also somewhat meaningful. "

Was she thinking too much?

"Ye Zhuo picked up a piece of Dongpo meat. The fat but not greasy texture immediately made her forget all her worries. After eating a piece of Dongpo meat, Ye Zhuo turned to look at Old Mrs. Cen. "Grandma Cen, your cooking is simply superb!" "

"Is it very delicious?" Old Mrs. Cen asked.

"It's delicious! Very Delicious!" Ye Zhuo gave her a thumbs up.

Old Mrs. Cen picked up a piece of meat and put it into ye Zao's Bowl. "Then try this piece of deer tendon."

"Ye Zao lowered his head and ate the deer tendon. "It's delicious! This deer tendon is also very delicious! Grandma Cen, you're really amazing!" "

Old Mrs. Cen was praised so much that she almost lost her mind. She wished that she could put all the dishes on the plate into ye Zao's bowl.

"Then, she looked at Cen Shaoqing. She wanted to pick up a piece of potato chip, but it was snatched away by Old Mrs. Cen! "

Pitiful.

Cen Shaoqing once again suspected that he was not his biological son.

The last piece of potato chip was picked up by Old Lady Cen and given to Ye Zhuo. Cen Shaoqing could only eat deer tendons and other meat.

“Seeing this, a satisfied light appeared in Old Lady Cen’s eyes. ”

“It was said in the book that if men often ate vegetarian food, it would affect their fertility. She was still waiting to have a great-grandchild! ”

“Although ye Zhuo and Cen Shaoqing were not married yet, they had to make more plans. It would be too late to adjust their diet after they got married! ”

On the other side.

“When Li Yueyue woke up, she found herself in an unfamiliar room. ”

Where was this?

Li Yueyue swallowed her throat.

She remembered that she went to drink with Ye Zao. Then what happened?

“Then, two men, one fat and one thin, came to pick a fight in the bar. ”

“She, she wouldn’t do it now... ”

“Thinking of this, Li Yueyue hurriedly lifted the blanket. When she saw that her clothes were well-dressed, Li Yueyue heaved a sigh of relief. ”

Fortunately!

“Fortunately, nothing happened. ”

“After resting for a while, Li Yueyue took out her phone and was about to call ye Zao to ask about ye Zao’s status. However, she realized that ye Zao had sent her a lot of wechat messages. ”

“Seeing that it was Cen Shaoqing who asked his assistant to bring her to the hotel, Li Yueyue felt relieved and replied to Ye Zao’s wechat Message: [Big Zao Zao, I’m already awake. Don’t worry about me.] ”

“Ye Zao also replied instantly: [Okay, call me if there’s anything.] ”

“Li Yueyue: [totally ojbk, I’m about to leave the hotel now.] ”

“After replying to the text message, Li Yueyue turned around and walked out of the hotel room. ”

“Soon, she arrived at the lobby on the first floor. ”

“Li Yueyue went to check out. After checking out, Li Yueyue left the hotel. ”

“Just out of the hotel door, behind a pleasant male voice, “Ma’am, please wait.” ”

Chapter 1823: 274: there is a type of genius called ‘accumulating strength and accumulating strength’

Li Yueyue's footsteps paused slightly. She turned around and saw an exquisite-looking young man in a suit with handsome features. He was a handsome man!

"Most importantly, Li Yueyue actually felt that she had seen this handsome man somewhere before. "

"However, she could not remember where she had seen him before. "

Perhaps she had remembered wrongly!

"After a while, Li Yueyue smiled and said, "Are you talking to me?" "

"Yes." The young man nodded slightly and continued, "You dropped your bank card." "

"After saying that, the young man handed Li Yueyue a bank card. "

"Seeing the familiar bank card, Li Yueyue immediately reached out to take it and thanked him. "Thank you!" "

"You're welcome."

"After saying that, the young man walked to the other side. "

"Looking at his back, Li Yueyue's gaze deepened. She suddenly felt that Ouyang Nai wasn't that handsome anymore! "

The young man walked straight to an Audi parked by the side of the road.

"Seeing someone get in the car, the man sitting in the front passenger seat turned around and said, "Brother Wei, where did you go? Did you have a romantic encounter?" "

““I ran into a small matter.” Lin Weiwei looked down at his watch, his expression unchanged. “Has party B arrived yet?” ”

““Not yet,” the man replied. ”

“Lin Weiwei turned on his laptop and said, “Have you prepared the information?” ”

““Brother Wei, are you still worried about me?” ”

“Lin Weiwei didn’t say anything. After a moment, he raised his head and said, “We can set off now.” ”

“As soon as he said that, the driver started the engine and drove away. ”

Li Yueyue also got on the bus and headed in the direction of the school.

“Thirty minutes later, the bus stopped at the East Campus of Beijing University. ”

“As soon as she got off the bus, Li Yueyue saw a familiar figure. ”

It was Ouyang Nai.

“When she saw Ouyang Nai again, Li Yueyue was only left with a strong sense of disgust. ”

“Li Yueyue was a person who did not easily accept a relationship. Since she had accepted Ouyang Nai, she had already made plans to continue the conversation. ”

She had even planned the future of the two of them.

Who knew that reality would actually give her a hard slap.

“Li Yueyue moved her gaze away and wanted to go around Ouyang Nai. However, on second thought, she did not do anything shameful. Why did she want to avoid Ouyang Nai? If she wanted to avoid him, Ouyang Nai would have to avoid her. ”

“Thinking of this, Li Yueyue straightened her back and felt much more confident in her heart. ”

Ouyang Nai turned around and saw Li Yueyue following behind him.

This Li Yueyue was also disgusting!

“He had already said that they had broken up, but Li Yueyue still stubbornly followed him. ”

“A girl, how could she be so Shameless? ”

“Ouyang Nai’s eyes were filled with disgust as she stopped in her tracks, she pointed at Li Yueyue and said, “Li Yueyue! Are You F * cking crazy? Didn’t I tell you clearly on wechat? Break Up! You Can’t understand human language! Or do you think this is especially interesting?” ”

Li Yueyue was dumbfounded.

She didn’t expect Ouyang Nai to suddenly stop in her tracks. She didn’t expect Ouyang Nai to point at her nose and scold her.

““Ouyang Nai, are you crazy? Did I provoke you?”Li Yueyue asked. ”

““Who is the one who is crazy?”Ouyang nai continued, “Li Yueyue, I will tell you for the last time, we have broken up! I will not like a country bumpkin like you, please give up! Don’t follow me anymore! If you are not disgusting, I am disgusted!” ”

“It was very disgusting, Ouyang Nai felt like she was about to vomit. ”

""Who followed you? Ouyang Nai, do you think you are some Prince Charming? I, Li Yueyue, have to have you?" Li Yueyue was about to be angered to death by Ouyang Nai! "

It had to be said that Ouyang Nai had really hidden it too well before. She did not notice that Ouyang Nai was actually such a person.

"Ouyang Nai looked at Li Yueyue. That gaze was like looking at a clown again, "Li Yueyue, stop pretending! I know what you are thinking! But you have to know that you and I are not from the same world. How many toads have you seen that can eat the meat of a Swan?" "

"Crazy!" Li Yueyue was so angry that she spat and turned around to leave.

Ouyang Nai looked at Li Yueyue's back and narrowed his eyes.

Li Yueyue was really good-looking and her figure was also well-proportioned.

"Unfortunately, her family background was a little inferior. "

She was never the same as him.

"Li Yueyue was about to cry from the Shameless Ouyang Nai. At this moment, her phone rang. Li Yueyue picked up the phone and a deep male voice came from the other side, "Yuebao!" "

""Dad." Hearing her father's voice, Li Yueyue couldn't help but cry. "

"Hearing this, father Li said nervously, "What's wrong with Yuebao? Did Someone Bully You? Tell Dad, Dad will fly over immediately to avenge you! Yuebao, don't be afraid, Dad Is Here!" "

Chapter 1824: 274: there is a type of genius called 'accumulating strength and accumulating strength.'

“No.” Li Yueyue sniffed. “I just miss you and mom too much.”

“Hearing that, father Li heaved a sigh of relief, but he was still a little worried. “Yuebao, are you really okay?” ”

“”I’m really okay,” Li Yueyue said. ”

“”If someone bullies you, you must tell Dad!” Father Li continued. ”

“”Yes, I know.” ”

“After saying that, father Li continued, “Yuebao, I heard that you found a boyfriend, right?” ”

“”We broke up,” Li Yueyue said. ”

Broke up?

“Father Li immediately sensed that something was wrong from these words, then he said, “Yuebao, did that Stinky Man Bully You? Tell Daddy, What’s His name! Although Daddy doesn’t know many people in the capital, there are still people who help you vent your anger!” ”

“”No, he didn’t bully me. We broke up because I saw his character clearly.” Li Yueyue tried hard to calm herself down, he continued, “Daddy, I’m really fine. You Don’t have to worry about me. By the way, are you and mom okay at home? Where’s My Brother? Is He back yet?” ”

“”He’s not back yet.” Father Li continued, “Yuebao, I heard that you’re coming back by train during winter vacation, right?” ”

“Yes.” Li Yueyue nodded.

""It's too slow to come back by train! Dad will fly over to pick you up! By the way, is there a place to park your plane in your school?" "

1

""No, no, no!" Li Yueyue immediately stopped him, "Dad, please don't do this. I haven't taken a train at my age! Please let me take a train!" "

"It was said that the route from the capital to the prairie was very beautiful, especially in winter. One could sit in the train and enjoy the scenery along the way. "

"Because the journey was far away, one could even enjoy the spring, summer, autumn, and winter. "

"Li Yueyue had wanted to experience it for a long time, but unfortunately, she never had the chance. "

"Because father Li felt that the old-fashioned train was slow, the seats were hard, and it was uncomfortable to sit on, so every time school started, father Li would charter a plane to come over. "

"As a result, father Li had recently obtained a flight permit and went to buy a plane. He wanted to fly the plane over to pick up Li Yueyue. "

"Father Li continued, "Yuebao, listen to your father. Will Father Hurt You? I promise you, as long as you board the train, you will definitely regret it!" "

""Father, I just want to board the train, please..." "

"Father Li's heart ached for his daughter. He did not want Li Yueyue to board the train, but he could not persuade Li Yueyue, so he could only let Li Yueyue experience the feeling of flying. "

""Alright, Alright. Since you want to take the train so much, let's take it once." After saying that, father Li continued, "If you regret it halfway, get off the train quickly. Daddy will fly a plane to pick you up." "

""Okay, thank you, Daddy." Seeing that Father Li finally agreed, Li Yueyue was especially excited. "

""Oh right, Yuebao, I just asked your mother to transfer some money to you. Don't treat yourself unfairly in life. Buy More delicious food. If you don't have enough money, call your mother and tell her not to save money for me and your mother, okay? "Isn't that what your parents earn money for? "Otherwise, what's the point of US earning money?" "

"Li Yueyue said, "Dad, you just transferred money to me last month. I have enough money to spend. You Don't have to transfer money to me anymore!" Ever since she came to Beijing to study, father Li was always worried that she wouldn't be able to eat well and sleep well outside, he would transfer money to her every once in a while. "

"And every time, it wasn't a small amount that Li Yueyue wouldn't be able to spend in a year. "

"At this time, when she heard that her father was going to transfer money to her again, Li Yueyue couldn't help but hold her forehead. "

"Li Yueyue continued, "Dad, my money is really enough to spend. I don't have any expenses at school, so I really don't need that much money." "

""This child, is there anyone who dislikes having too much money?" Father Li continued, "Yuebao, girls must not mistreat themselves. Besides, you are already so old. You should learn to teach yourself a lesson! "You see, other little girls like to buy some bags and skin care products, but you don't buy anything! "This year, when you go home for the New Year, you must buy five bags! "And buy a watch. That Dan something is not bad! "If you don't buy it, I will ask your mother to mail it to you after she buys it!" "

"The Li family was a nouveau riche. That year, father Li accidentally bought a lottery ticket, but he did not expect to win five million! "

"In that era, five million was not a small amount. After obtaining this fortune, father Li did not lose his sense of direction, but did a good accounting. "

How long could the family spend this five million?

“In the end, the husband and wife made a major decision, using the five million to invest in the breeding industry. ”

“Just like that, the final five million became ten million, ten million became fifty million, sixty million... ... this cycle continued for more than ten years. At the moment, even father Li did not know how much money he actually had. ”

“Hearing her father say this, Li Yueyue hurriedly said, “Okay Dad, I got it. Don’t worry, I will definitely bring five bags home this year. Please don’t let my mother buy them!” ”

Mother Li was born in her 60s and had a unique vision. She especially liked the bright red and green colors.

“”Yuebao, girls must learn to take good care of themselves. How many times have I told you this? Why Can’t You Learn?” ”

“”I understand, dad,”Li Yueyue said. ”

Father Li hung up after giving some instructions.

On the other side.

He ziteng had officially embarked on the path of pursuing Xu Xiao.

“When she received he ziteng’s confession, Xu Xiao was stunned. Her heart was racing and her face was red. ”

“Never in her wildest dreams did she expect that one day, he ziteng would really confess to her. ”

This was he ziteng!

It was very unreal.

“Xu Xiao suppressed the excitement in her heart and continued, “Mr. HE, the time we have spent together is too short. If we were to say love now, it would be too fake. How about this, can you let me go back and think about it?” ”

“If she were to directly agree, then she would be no different from an ordinary girl. ”

“Therefore, he had to fish he ziteng for a while. ”

He ziteng did not expect Xu Xiao to reject him.

It seemed that Xu Xiao was indeed not quite what he had imagined.

“He ziteng looked at Xu Xiao and continued, “Sure. Then let’s meet here at this time tomorrow. What do you think?” ”

“Okay.”Xu Xiao nodded.

“”Then it’s settled.”He ziteng continued, “Xu Xiao, I’m not a good talker. I hope you can seriously consider it.” ”

Xu Xiao nodded.

He ziteng looked at his watch. “Then that’s all for now. I have a meeting in the afternoon.”

“Xu Xiao smiled and said, “Mr. He, you can go back to your work first.” ”

“He ziteng said, “I hope that after we meet tomorrow, you can address me differently.” ”

Xu Xiao smiled and did not say anything.

“After he ziteng left, Xu Xiao also returned to the Xu family. ”

The first thing she did when she returned to the Xu family was to tell her parents about this matter.

“When she found out that Xu Xiao had actually rejected he ziteng, mother Xu immediately stood up from her chair and said, “Xiaoxiao! Are you crazy! That’s the He family! If you reject he ziteng, where are you going to find such a rich husband!” ”

“”Long hair, short knowledge!”Father Xu looked at mother Xu, then he said, “This is called wanting to get an old friend! For a person like he ziteng, what kind of girlfriend do you have to find first? If our Xiao Xiao doesn’t act special, do you think you can capture he ziteng’s heart?” ”

“Chapter 1825: 375: apart from Miss Ye, no one else has the qualifications! 1”

“Although father Xu did not have much business sense, he was more clever than anyone else. ”

He ziteng was originally a rich husband that everyone had their eyes on. Who knew how many socialite daughters in the capital wanted to work for him!

“If Xu Xiao did not act special, it would be impossible for her to capture he ziteng’s heart! ”

“If she wanted he ziteng to marry Xu Xiao, Xu Xiao would have to have exceptional qualities. ”

“Mother Xu immediately understood what she meant and smiled, “What you said makes sense.” ”

"After she said that, mother Xu turned to look at Xu Xiao and continued, "Xiao Xiao, did you hear what your father said? You have to seize this opportunity to firmly capture he ziteng's heart!" "

"As long as she could marry he ziteng, Xu Xiao would have nothing to say to him. "

"Xu Xiao smiled and said, "I don't need you to say that." "

""If your daughter doesn't have the ability, can he ziteng take the initiative to confess to me?" "

"He ziteng's family background was good, and his looks were very good. There were more than ten women who took the initiative to confess to him, but there was really no woman who could make he ziteng take the initiative to confess to her! "

Xu Xiao was the first!

"Mother Xu looked at Xu Xiao, and her eyes were full of superiority. "My Daughter is amazing!" "

""What are you talking about?" At this moment, Xu Chaonan's voice suddenly came from the air. "

"Xu Xiao immediately went up and said with a smile, "Aunt." "

Xu Chaonan nodded. "What were you guys talking about just now?"

"Xu Xiao did not say anything, but mother Xu said with a smile, "We were talking about Xiaoxiao! Chaonan, let me tell you, your eldest niece is doing well!" "

"What do you mean?" Asked Xu Chaonan.

"Mother Xu said, "Do you know who is chasing after our Xiaoxiao?" "

""Who?"Hearing that someone was chasing after Xu Xiaoxiao, Xu Chaonan subconsciously frowned. In her opinion, Xu Xiaoxiao was still young and not suitable for a relationship. "

"The most important thing in a girl's life was not to get married and have children, but to live her own life. "

To make her life more exciting.

How Old was Xu Xiao?

She was only 21 years old and had not even graduated from university.

"Mother Xu said, "It's he ziteng!" "

"He Ziteng?"Xu Chaonan asked.

""Yes."Mother Xu continued, "What your brother and I mean is to let Xiao Xiao take good advantage of he ziteng, this rich son-in-law." "

""Xiao Xiao is only 21 years old this year. There's no hurry about getting married. We'll talk about it after she finishes her studies,"Xu Chaonan said. "

"When the mountain topples, everyone runs. "

"The He family was not bad, but it was not Xu Xiaoxiao's own property. "

What if he ziteng got tired of Xu Xiaoxiao one day? Where would Xu Xiaoxiao go?

"Hearing this, mother Xu frowned slightly. "Why? Aren't you happy that your niece has found a good home?" "

""Sister-in-law, that's not what I meant." Xu Chaonan turned to look at mother Xu, "I just feel that Xiao Xiao's current age is not suitable for finding a boyfriend. Of course, if Xiao Xiao insists on her own choice, I will also give her my blessings." "

"Mother Xu was originally quite happy, but after hearing Xu Chaonan's words, she felt a knot in her heart. "

"From Xu Chaonan's words, it was clear that he did not approve of Xu Xiao finding a boyfriend! "

"She was an old lady who could not get married, and now she had to stop her niece from getting married! "

How could there be such an aunt in the world!

"If it were not for the fact that Xu Chaonan held the financial power in the Xu family, mother Xu would not even want to look at Xu Chaonan. "

Mother Xu hid the dissatisfaction in her eyes.

""Big Brother and sister-in-law, I still have something to do. I'll go back to the study first." "

Mother Xu nodded. "Go and do your work. I'll get the kitchen to make bird's nest. I'll get Aunt Zhang to send it to you later."

""Okay," Xu Chaonan replied. He then looked at Father Xu. "Big Brother, Xiaoxiao is going to get married and have children soon. You're still the same!" "

"Father Xu smiled at Xu Chaonan. "Don't worry, Chaonan. I rarely go to gate three these days. If you don't believe me, you can ask your sister-in-law." "

Gate three was a famous gambling mecca in the capital.

Father Xu would contribute 10 to 20 million to gate three every year.

“Hearing this, mother Xu immediately nodded. “Superman, I can testify for your brother. He has indeed rarely gone to gate three recently!” ”

“Xu Chaonan sighed. “Sister-in-law, just protect him!” ”

Mother Xu smiled apologetically.

“If it wasn’t for the fact that she was forced by life, as her sister-in-law, who would be willing to be so humble in front of her sister-in-law? ”

Xu Chaonan didn’t say anything more. He turned around and walked upstairs.

“When Xu Chaonan’s figure completely disappeared into the air, mother xu snorted coldly, “Bah! Who are you putting on airs for!” ”

““Dad, my aunt doesn’t seem to approve of me finding a boyfriend.”Xu Xiao looked at Father Xu. ”

““Who does she think she is? I don’t care about her,”father Xu said. ”

“Chapter 1826: 375: other than Miss Ye, no one else has the right! 2”

“Xu Chaonan was merely Xu Xiao’s aunt. She said that if she did not let Xu Xiao find a boyfriend, Xu Xiao would not find a boyfriend? ”

How was that possible!

“Mother Xu looked upstairs, then, she said, “Our Xiao Xiao did not crawl out of her stomach in the end! There is a difference between this niece and her biological daughter! If Xiao Xiao was her biological daughter, she would definitely be giving suggestions now!” ”

It was precisely because Xu Xiao was not Xu Chaonan’s biological daughter that Xu Chaonan looked indifferent. He even suggested that Xu Xiao not fall in love for the time being.

“If a girl did not fall in love, she should find a good family to marry off to. What else did she want to do?” ”

Was she the same as Xu Chaonan?

To stay at home and be an old lady?

“It was fine if Xu Chaonan could not marry off himself, but now he wanted Xu Xiao to not be able to marry off as well! How could there be such an aunt in the world?” ”

“”Xiaoxiao, I can see that your aunt does not treat you as a niece at all. She wants nothing more than to make you a second her!” ”

Father Xu looked at mother Xu. “Would it kill you to say less?”

“Hearing that, mother Xu immediately flew into a rage. She pointed at father Xu and said, “Your sister has treated you and your daughter so well, yet you still defend her. This biological brother and sister are indeed different! In the end, only the two of us are outsiders!” ”

“As she said that., mother Xu continued, “I’ve really had eight lifetimes of bad luck. I actually married a person like you. I don’t have anything I want. I don’t even have a decent house and I still need my sister to take care of me! Why is my life so miserable!” ”

“As she said that, mother Xu was about to cry.”

“”Mother, what are you doing?”Xu Xiao was a little speechless as she said, “My father didn’t say anything. Can you not be so sensitive? Does it sound good when aunt hears it?” ”

“Mother Xu was still very obedient to Xu Xiao. When she heard this, she immediately stopped talking and only said, “Don’t listen to your aunt. Hold he ziteng well!” ”

“Okay.”Xu Xiao nodded.

“Even if mother Xu didn’t say it, she would hold he ziteng well. ”

...

On the other side.

He ziteng was very nervous now.

He was worried that Xu Xiao would not accept him.

“After all, Xu Xiao was the second girl he had confessed to. ”

The first girl he had confessed to was an Lizi.

“However, it could be that he had done it in the wrong way, causing an Lizi to take a detour when she saw him now.”

What he ziteng still could not figure out was how he had offended an Lizi.

One had to know that he had put in a lot of effort when chasing an Lizi.

“He ziteng was thinking about something, so his experiments kept making mistakes.”

“Seeing this, Ye Zhuo raised his eyebrows slightly. “What’s wrong? What are you thinking about?” ”

“He ziteng finally reacted. “I’m sorry, I’m Sorry! Fifth sister-in-law, I didn’t do it on purpose!” ”

“”It’s okay. It’s almost over.”Ye Zhuo finished the finishing work and continued, “Are you okay?” ”

“He ziteng said somewhat embarrassedly, “To tell you the truth, fifth sister-in-law, I confessed my love yesterday.” ”

“Really?”Ye Zao said with some surprise.

“Of course it’s true.”He ziteng nodded. “But the other party hasn’t agreed yet.”

“Ye Zao smiled and said, “It seems that you’ve Met Your True Love?” ”

“”Of course!”He ziteng continued, “She’s different from any girl I’ve met. After I win her over, I’ll treat you and fifth brother to a meal.” ”

“Okay.”Ye Zhuo nodded slightly.

“After the experiment, he ziteng left the base.”

“As soon as he left the base, he ran into Ouyang Chen.”

“Mr. He.”Ouyang Chen took the initiative to greet him.

“He ziteng greeted her politely, “Miss Ouyang.” ”

“Ouyang Chen looked at he ziteng and said, “Mr. He, I’m really sorry about what happened last time.” ”

““It’s okay. Let bygones be bygones.”Ever since Old Lady Cen came to the He family and mentioned the matter between him and Ouyang Chen, he ziteng had no good impression of Ouyang Chen. ”

“Firstly, Ouyang Chen was not his type. ”

“Secondly, Ouyang Chen had left a deep shadow on him. ”

“Ouyang Chen smiled and said, “Mr. HE, in order to express my apology to you, why don’t we find a place to eat? I’ll personally accompany you to drink and apologize.” ”

“No need.”He ziteng directly refused.

“Although he ziteng had already clearly refused, Ouyang Chen still didn’t want to give up. ”

“After all, he ziteng was the first boy who made her so moved. ”

She didn’t want to miss he ziteng!

““Then where are you going now, Mr. He? I’ll go with you.”As she spoke, Ouyang Chen followed he ziteng’s footsteps. ”

“Chapter 1827: 375: other than Miss Ye, no one else has the right! 3”

“Looking at Ouyang Chen who was catching up, he ziteng frowned slightly. However, since she was a girl, he couldn’t just throw a tantrum.”

He hated it when girls cried the most!

Especially when it came to a delicate young lady like Ouyang Chen.

“He ziteng came to the front of the car, opened the door of the driver’s seat, and closed it with a bang. He thought that Ouyang Chen wouldn’t follow, but when he turned his head, he saw Ouyang Chen sitting in the front passenger seat.”

“He ziteng was speechless and continued, “I’m sorry, Miss Ouyang. I want to leave the passenger seat to my future girlfriend.” ”

“Ouyang Chen smiled and looked at He ziteng. “It’s okay. I believe that one day, I will become your girlfriend.” ”

Become his girlfriend?

He did not know where Ouyang Chen’s confidence came from.

He Ziteng was so angry that he was about to laugh!

““I won’t,”he ziteng continued, “You’re not my type. Besides, I’ve already confessed to the person I like. If nothing goes wrong, we’ll be together soon.” ”

“But aren’t you two not together yet?”Ouyang Chen tilted her head and looked at He ziteng.

““But I’ve already confessed,”he ziteng continued, “Even if she doesn’t accept me, I won’t be with you because you’re not my type at all!” ”

“Then I can work hard.”Ouyang Chen looked at he ziteng very seriously. “What kind of girl do you like? I can change myself.”

He Ziteng felt that Ouyang Chen’s skin was a little thick.

“He had already said so, but Ouyang Chen was still pestering him. If it were any other girl, she would probably be ashamed of herself! ”

“In order to make Ouyang Chen give up and stop pestering him, he ziteng looked at Ouyang Chen and continued, “I like everything except for people like you.” ”

“He really did not like Ouyang Chen, and he did not know where Ouyang Chen had the confidence to think that he would like her. ”

“Ouyang Chen smiled and said, “Brother, your words are a little sad!” ”

“He ziteng pinched his temple helplessly. “You can go down! I will not like you! Moreover, I have already confessed to the person I like. You will make her misunderstand.” ”

“Ouyang Chen said, “Don’t worry. If the girl you like accepts you, I’ll definitely not cause you any trouble! But now you’re still single. Since you’re single, that means I still have a chance.” ”

Ouyang Chen wasn’t the kind of person who didn’t have principles.

He ziteng frowned. “I still have a meeting to attend. You can get off first.”

“Ouyang Chen pushed the door open and got out of the car. “Then, Mr. He, I’ll See You Tomorrow.” ”

“He ziteng couldn’t be bothered with Ouyang Chen. He stepped on the accelerator, causing dust to fly everywhere.”

Ouyang Chen looked at the back of the car as it left. Her eyes were filled with infatuation.

She didn't know what was wrong with her.

Why did she like he ziteng so much?

Could This be the legendary fate?

"No one had ever envied Ouyang Chen in his entire life. At this moment, he was very much like the girl whose mother he ziteng had confessed to. "

That girl must be very beautiful.

"Otherwise, why would he ziteng be so obsessed with her. "

He ziteng drove to the place he had made an appointment with Xu Xiao.

"When he arrived, Xu Xiao had not arrived yet. "

"About half an hour later, Xu Xiao arrived late. "

"In fact, Xu Xiao had arrived a long time ago, but she had been hiding in the dark, quietly observing he ziteng. She wanted to see what he ziteng would do when she was not around. "

"In the end, as she wished, he ziteng did nothing but wait for her. "

And it could be seen that he ziteng really loved her very much.

"Before she arrived, he ziteng had been looking forward to it. "

“When he saw her appear at the door, his gaze instantly changed! ”

That look was even more..

“”I’m sorry to have kept you waiting, Mr. He,” Xu Xiao said apologetically. ”

“”It’s alright.” He ziteng looked at Xu Xiao and said somewhat impatiently, “How is it? Xu Xiao, have you thought about it?” ”

“Xu Xiao nodded. “Mr. He, you’re really a very outstanding person, but I’ve thought about it for a long time when I went back. I feel that when I find an age, I should focus on my studies and career, so I don’t want to think about the major matters of my life for the time being.” ”

“”Shakespeare once said that all relationships that don’t aim at marriage are hooliganism. Since I don’t have any intention of starting a family and getting married now, I can’t waste your precious time.” ”

“Chapter 1828: 375: apart from Miss Ye, no one else is qualified! 4”

The subtext of this sentence was that she would either not fall in love or fall in love with the goal of getting married.

“If he ziteng wanted to fall in love with her, he had to make plans to get married. ”

“These words not only showed that she was a girl responsible for love, but also showed that she was different from the coquettish bitches outside. ”

He ziteng was indeed shocked by Xu Xiao’s words.

No girl had ever said such words to him.

And no one had given him such a shock!

“Xu Xiao was indeed a good girl. In order not to delay him, she had rejected his confession. ”

“In this society, there were really too few good girls like Xu Xiao! ”

He ziteng was speechless for a long time.

“Looking at he ziteng like this, Xu Xiao was very nervous. ”

What did he ziteng mean? Why didn't he say anything?

Did He Ziteng See Something?

“If he knew, she wouldn't have said this! ”

Wasn't she a little too hasty?

What should she do now?

Could she say anything to make up for it?

“Just as Xu Xiao was about to say something to make up for it, he ziteng continued, “Xu Xiao, when are you going to date? I can wait for you.” ”

“Hearing these words, Xu Xiao was ecstatic. ”

Wait for her!

He ziteng actually wanted to wait for her!

“Xu Xiao suppressed the excitement in her heart and said without changing her expression, “Mr. he, actually, I’m really not worth letting you do this.” ”

““You are worth it.”He ziteng looked at Xu Xiao and continued, “Xu Xiao, you are very worth it! There has never been a girl who let me do this!” ”

Xu Xiao was the first.

“Xu Xiao continued, “Mr. HE, there are plenty of women in the world. Actually, you don’t have to do this. There are many girls who are more outstanding than me in this world. I really am not worth you wasting your youth.” ”

No one knew how excited Xu Xiao was.

“He originally thought that he ziteng had seen through her tricks. He did not expect that he ziteng actually did not see through anything. Not only did he not see through it, he had even fallen into her trap! ”

“As long as he ziteng fell into her trap, she would make he ziteng tighter and tighter, so that he ziteng had nowhere to hide. ”

“Thinking of this, Xu Xiao’s lips curled up without a trace. ”

““Xu Xiao, don’t reject me. Since I have already made up my mind to wait for you, I will definitely wait for you.”He ziteng continued, “Whether it’s one year, ten years, or twenty years, I will wait for you! When you want to fall in love, I will definitely be by your side.” ”

He ziteng felt that Xu Xiao was a very kind girl. Xu Xiao was worthy of him being like this!

“He believed that one day, Xu Xiao would be moved by him and she would accept him.”

“Xu Xiao pretended to sigh. “Mr. He, do you have to be like this?” ”

“He ziteng nodded very seriously. “Xu Xiao, I have already said what I need to say. Don’t worry, I have never easily made a promise. Since I have made a promise, I will persist until the end!” ”

“Xu Xiao continued, “Since you want to wait, then you can wait. However, I can’t make a promise to you now.” ”

““I don’t need your promise.”He ziteng said, “I’m willing to do all of this for you.” ”

Yes.

Willing.

There had never been a girl who could make he ziteng like this. Xu Xiao was the first and also the last.

Today’s Xu Xiao made he ziteng think of the future.

“As long as Xu Xiao nodded, he could even enter the marriage hall with Xu Xiao.”

What a pity.

“Xu Xiao was different from the other girls he knew. If it were other girls, they would have nodded their heads and agreed.”

“Xu Xiao looked at he ziteng and said, “Mr. HE, thank you for Your Love.” ”

“He ziteng smiled and said, “Although we can’t be a couple now, we can start as friends. There’s no need to be so distant between friends. I’ll call you Xu Xiao, and you can just call me by my name.” ”

“Okay.” Xu Xiao nodded. “Then I’ll Call You Ziteng from now on?”

“”Okay.” He ziteng looked at his watch. “It’s also time to eat. If you haven’t eaten, let’s go out for a meal together?” ”

“Sure.” Xu Xiao followed he ziteng’s footsteps.

The two of them arrived at a restaurant that he ziteng frequented.

“After eating, he ziteng sent Xu Xiao back. ”

“When the Xu parents saw that it was he ziteng who personally sent Xu Xiao back, they were especially excited. It seemed that Xu Xiao’s position as the Xu family’s Madam was secure! ”

“Mother Xu held Xu Xiao’s hand and said, “Xiaoxiao, how was it? What did he ziteng say?” ”

“Chapter 1829: 375: other than Miss Ye, no one else has the right! 5”

“Xu Xiao smiled and said, “He said he wants to wait for me.” ”

“”See! Am I right? I knew he ziteng would definitely wait for you!” Mother Xu continued, “But Xiaoxiao, don’t let he ziteng wait too long. Men aren’t very patient.” ”

“Waiting for a day or two, a month or two months, was enough to whet he ziteng’s appetite, but if he had to wait for a year or so, he would probably be beaten to a pulp. ”

“Xu Xiao said, “Mom, he said that he will wait for me for ten years, twenty years. As long as I turn back, he will always be there. If I agree to him so quickly, wouldn’t that be too cheap!” ”

““Ten years or twenty years?” Mother Xu said in surprise, “He ziteng really said that?” ”

“Of course!” Xu Xiao nodded very seriously. “Can I Lie to You?”

““My Daughter is really amazing!” Having such a powerful daughter, mother Xu was also honored and proud, “Then how long do you plan to make him wait?” ”

““I can’t wait too long,” father xu said, “This kind of thing pays attention to moderation and must not backfire. Xiaoxiao, you have to have a limit yourself.” ”

“Xu Xiao nodded, “Dad, I know.” ”

““Little Miss, the eldest miss is looking for you.” At this moment, the Butler came down from upstairs. ”

“In this house, Xu Xiao could only be called little miss, and the eldest miss was Xu Chaonan. ”

“Okay.” Xu Xiao nodded and turned to walk upstairs to the study.

Xu Chaonan stood in front of the French window in the study and waited for Xu Xiao.

Xu Xiao reached out and knocked on the door. “Auntie.”

“Come in.”

“Xu Xiao lifted her foot and walked in. “Auntie, is there something you need me for?” ”

“Xu Chaonan turned to look at Xu Xiao and walked over to the chair beside him to sit down. “Xiao Xiao, I’ve already heard about you and he ziteng.” ”

“”Among the rich and powerful, he ziteng is indeed a rather outstanding existence. However, he hates lying the most. If one day he finds out about what you did to him, will he still love you as much as he does now?” ”

“Although Xu Chaonan did not say anything, it did not mean that she did not know anything. ”

Xu Xiao had used a lot of tricks in order to attract he ziteng’s attention.

“Xu Xiao was her biological niece. As an aunt, she could not watch as Xu Xiao fell into the abyss step by step.”

The love that was cheated could not last long.

“This was not responsible for herself, but also for he ziteng. ”

“Hearing this, Xu Xiao did not say anything. ”

She felt a little uncomfortable.

“No matter what, Xu Chaonan was still her aunt, but Xu Chaonan did not care about the feelings of his aunt and nephew. ”

“Other People’s aunts encouraged their nieces, but Xu Chaonan added insult to injury. ”

“Xu Xiao said, “Aunt, I know that you’re doing this for my own good, but I really like he ziteng. I want to use my own way to keep him. Moreover, I don’t think there’s anything shameful about this method.” ”

To be able to use such methods to make he ziteng completely devoted to her was also a kind of ability.

“Xu Chaonan looked at Xu Xiao. “Xiaoxiao, aunt doesn’t have any children. In the future, aunt will have to leave everything to you. Therefore, aunt has high hopes for you.” ”

“Speaking up to this point, Xu Chaonan’s gaze changed. ”

“”Aunt hopes that you can become a towering tree, and not a dodder flower that lives on a big tree.” ”

“The He family’s name was indeed well-known in the capital, but those were fought over by the older generation and had nothing to do with Xu Xiao. ”

“Once he ziteng and Xu Xiao abandoned Xu Xiao, Xu Xiao would have nothing left, just like a dodder flower that lost a big tree. ”

Dodder flower?

Xu Xiao felt that Xu Chaonan was somewhat laughable.

“It turned out that in Xu Chaonan’s eyes, she was a dodder flower. ”

“”Aunt, I know what you are worried about.”Xu Xiao tried her best to suppress the anger in her heart and continued, “But please rest assured, I will definitely not let you down.”He ziteng loved her so much, so how could he abandon her? Fine ”

“Xu Chaonan’s expression did not change, he continued, “Since you already have a choice in your heart, then Auntie will respect your choice. However, Auntie will still say that unorthodox methods are not acceptable. If you want to conquer he ziteng, you have to use your own personality and charm.” ”

“”I know, Auntie.”Xu Xiao nodded. “Do you have anything else?” ”

“”No,”Xu Chaonan said. ”

“Xu Xiao continued, “If you don’t have anything else, then I’ll go downstairs first.” ”

“You go.”

“Xu Xiao turned around and left. Looking at Xu Xiao’s back, Xu Chaonan’s eyes were filled with worry. ”

She was afraid that Xu Xiao would be at a disadvantage.

But Xu Xiao’s current appearance was clearly that she would not turn back until she hit the wall.

“Chapter 1830: 375: apart from Miss Ye, no one else has the right! 6”

“Mother Xu was standing downstairs. When she saw Xu Xiao coming down, she immediately went up to her and asked, “How was it? What did your Aunt Say?” ”

“”Nothing much,” Xu Xiao replied. ”

“Seeing that Xu Xiao’s face was even longer than a donkey’s face, mother Xu could guess the content of their conversation. ”

“Xu Chaonan was very pessimistic about the matter between Xu Xiao and he ziteng. Previously, he had also looked for the couple. Seeing that they were unable to persuade Xu Xiao, he had no choice but to personally make a move. ”

“”Xiao Xiao, ignore her. I think she just can’t stand seeing US mother and daughter Get Along!” Mother Xu continued, “To put it bluntly, she is jealous of you! Jealous that you are younger than her, jealous that you married better than her!” ”

“”Mom, I know. Don’t worry. I will never give up on he ziteng.”It was not easy for her to hook up with he ziteng, so how could she give up just because of a few words from Xu Chaonan. ”

“Seeing Xu Xiao like this, mother Xu heaved a sigh of relief. ”

...

“After Xu Chaonan left the Xu family home, he went to a restaurant. ”

She was having dinner with her best friend from school.

“Unlike Xu Chaonan, the child of her best friend, Zhou Ying, was already 16 years old this year and was about to enter university. ”

Xu Chaonan told Zhou Ying about Xu Xiao.

“Hearing this, Zhou ying frowned and continued, “Back then, if only you could have had a child of your own! This niece is still different from her own child.” ”

“Xu Chaonan picked up his glass and took a sip of wine. “Actually, Xiao Xiao is quite obedient. It’s just that it’s easy to fall for her sometimes.” ”

“Zhou Ying did not want to comment more on Xu Xiao and continued, “Aren’t you going to find someone? Actually, at your age, finding someone and having a child is completely within your means.” ”

Xu Chaonan shook his head.

She was very busy and did not have the time to think about such nonsense.

“Moreover, Xu Chaonan was a little afraid of marriage. ”

“What was so good about marriage? If she met someone like Xu Xiao’s father who did not know how to earn his own money, it would be fine. But if she had to earn money to support him, then it would be meaningless. It would be better to be alone.”

“Zhou Ying said, “Actually, I sometimes envy you, but sometimes I don’t Envy You.” ”

“Xu Chaonan smiled and continued, “I should be the one who is envious of you. A husband and wife love each other and have two children. Zhou Ying, you are simply a winner in life.” ”

“Zhou Ying was a little speechless and said, “I think you are just here to mock me. I’m already an old woman, what’s there to envy?” ”

“I’m serious.” Xu Chaonan raised his cup again. “I really envy you.”

“Many times, Xu Chaonan thought that it would be great if she could have a child of her own.”

What a pity.

Things did not go as planned.

On the other side.

At the Qiu family home.

“Qiu Di sat in the laboratory and looked at the information sent over by the eight great families. She frowned slightly and said, “Wang Yue, come over here for a moment.” ”

“The assistant took a step forward. “Miss, do you have any orders?” ”

Qiu di knocked on the table. "Do you need me to ask? What's with this information? What I want to see is about the LS star transference case. What did you give me?"

"After saying this, Qiu di continued, "Immediately go and bring me the information on the star transference case!" "

"Hearing this, the assistant looked a little troubled. He continued, "Miss, this..." "

"What's wrong? Is it difficult for me to get you information?" Qiu Di raised her head and asked.

"The assistant continued, "Young Miss, you don't know. The last time I went to get information, the person-in-charge of the eight great families said, said..." "

"Said what?" Qiu Di Glared at the assistant.

"The assistant looked at Qiu di and said, "He said that apart from Miss Ye, no one else has the right to look through the information on the interstellar case." "
