

Almighty D 1841

“Chapter 1841: 376: average, 36th in the world”

““Witch Doctor.”The chief suddenly thought of the witch doctor, “Perhaps, this matter is related to the Witch Doctor.” ”

“In the Chang Yue country, the only person who could be compared to ye Zao in terms of medical skills was the Great Witch Doctor. ”

“But the Great Witch Doctor disappeared three years ago.”The three chiefs said.

“Three years ago, after the Great Witch Doctor was defeated by Ye Zao, he disappeared without a trace. After that, he never appeared in public again. ”

“In recent years, there were even rumors that the great witch doctor had died. ”

“The great patriarch continued, “All the rumors were spread by the Great Witch Doctor himself. It’s easy for him to disappear. Similarly, it’s easy for him to return. Ever since he lost to Miss Ye, the Great Witch Doctor has been unwilling. That’s why he teamed up with Qiu Di to create an accident.” ”

“The strong stood at the very top, so naturally, there were people who were envious and coveting. ”

The Great Witch Doctor and autumn flute were among them.

The three clan leaders nodded. “What the great clan leader said makes sense.”

On the other side.

Autumn Flute's office.

"After learning that autumn flute had successfully obtained the star-crossing case, autumn flute was very excited and immediately rushed over from her office. "

"After checking it, autumn flute said, "Ye Zao has set the permissions on the information. Other than ye Zao, no one else can open it." "

"Hearing this, autumn flute frowned. "

"If no one else could open it, then what was the difference between the information of the star-crossing case and a piece of white paper to her? "

"Father, is there no other way?" "

"Autumn town hesitated for a moment, then nodded and said, "Yes." "

"What Way?" Autumn flute immediately asked.

"To find the person with the Phoenix Life!" Autumn Town said.

The person with the Phoenix's life?

"Autumn flute curled the corners of her lips. "Father, do you think that other than me, who else could be a person with the Phoenix's life?" "

She was the high and Mighty Phoenix!

A Phoenix reborn from the flames!

Ye Zhuo was just a sparrow.

“Autumn town looked at autumn flute and continued, “Then drop a drop of blood on this.” ”

Autumn flute bit her fingertip and dropped a drop of blood on it.

The bright red blood was quickly absorbed by the data.

“Seeing this, Qiu Changzhen was very excited. ”

Because this was the sign of a Phoenix’s life.

Good!

This was really too good!

“He did not expect that after so many years, the Qiu family had finally produced a Golden Phoenix! ”

“But in the next second, Qiu Changzhen was stunned. ”

Because the blood that had already been absorbed appeared at this moment.

Qiu Changzhen’s pupils gradually dilated.

“Qiu Di also felt that something was wrong. He raised his head and asked, “Father, what’s going on?” ”

““You, you, you might not be a phoenix life,”Qiu Changzhen said. ”

“Although he was very unwilling to say this, Qiu Changzhen had no choice but to open his mouth. Damn ”

“Hearing this, Qiu Di’s face was filled with disbelief. “No, it can’t be! How can I not be a Phoenix Life! I am a Phoenix Life! I am a Phoenix Life!” ”

“Seeing Qiu di like this, Qiu Changzhen immediately said, “Di’er, don’t be so agitated. It’s possible that I’ve made a mistake!” ”

“Then what do we do now?”Qiu Di asked.

“Qiu Changzhen continued, “Then there’s only one method left.” ”

“What method?”

“Qiu Changzhen said, “Go to the base.” ”

““Go to the base?”Qiu Di also reacted at this time. “Father, you want to see Ye Zhuo’s body?” ”

Autumn town nodded. “Yes.”

“After all, only ye Zhuo could open the cross-star file. ”

““Okay, then let’s go now.”Autumn flute stood up and said. ”

“Okay.”

The two turned around and walked out.

“The Fierce Wind roared outside, and the drizzling rain suddenly turned into heavy rain. ”

“Seeing ye Han standing in the rain with only an umbrella, autumn town frowned slightly and said, “Di-er, that’s Ye Han after all.” ”

““Father,” Qiu di slowly turned his head and looked at Qiu Changzhen, correcting him, “He is Wu Han.” ”

“Qiu Changzhen said, “Aren’t you afraid that he will turn against you by treating Wu Han like this?” ”

““He won’t.” Qiu di continued, “Father, don’t worry about these things that won’t happen.” ”

““But acid rain is corrosive.” Qiu Changzhen continued, “At this rate, how many more years Can Wu Han Last?” ”

“Qiu di snorted coldly, “Why do you care about a dog?” ”

“Soon, it would be the day of the general election. ”

“As long as she sat on that throne as she wished, Ye Han would be of no use to her. ”

She wanted to slowly torture ye Han to death.

“Qiu changzhen frowned, “Di’er...” ”

““Alright, you don’t have to say anymore.” Qiu di said impatiently, “I know what to do.” ”

“Hearing that, autumn town no longer said anything more. ”

“Chapter 1842: 376: average, number three and seven in the world”

“Soon, the aircraft stopped beside the base.”

Qiu Di and Qiu Changzhen entered the liquid nitrogen room.

“Ye Zao lay in the ice coffin with a natural expression, as if... .. He was asleep.”

“Although ye Zao was already lying in the ice coffin, Qiu Changzhen was still a little scared. His legs were so weak that he could barely stand.”

“Is... is she really dead?” Qiu Changzhen looked at Qiu Di.

“Although Qiu Di was also a little scared, seeing Qiu Changzhen like this, Qiu Di was a little speechless.
“What do you think? Do you think that she can still sit up?” ”

Sit Up?

How could that be possible!

“After saying this, Qiu Changzhen relaxed and continued, “Di’er, take out the information on the star-crossing case.” ”

“Okay.” Qiu Di nodded and took out the information.

Qiu Changzhen took out the information on the inter-star case and waved it in front of ye Zao.

There was no reaction from the inter-star case.

“Seeing this, Qiu di frowned slightly and asked, “Do you need fingerprints?” ”

“Can the ice coffin be opened?” Qiu Changzhen asked.

“I don’t think so,” Qiu di replied. ”

“Although ye Zao was no longer around, her status in Chang Yue was still there. ”

Her ice coffin could not be easily opened by just anyone.

Even Qiu di could only look at her through the ice coffin.

“After learning that the ice coffin could not be opened, Qiu Chang Zhen frowned and said, “Can you think of a way?” ”

Qiu Di shook her head.

Qiu Chang Zhen’s frown deepened. “Then we can only think of another way.”

Qiu Di narrowed her eyes and did not say anything.

It would be a lie to say that she was not unwilling at all.

Why was she not a person of the Phoenix Life?

Why did she have to look at the information on the trans-star case and have to look at the expression of a dead person?

Why?

“When Ye Zhuo was still alive, it was fine if she wanted to look at ye Zhuo’s expression. ”

“But now, Ye Zhuo had already died. ”

Why did she still have to Suffer Like This?

“Qiu di bit her lips tightly. The more she thought about it, the angrier she got. ”

“Qiu Changzhen could feel Qiu Di’s anger. He comforted her in a low voice, “If you can’t bear it, you’ll mess up the big plan.” ”

Ye Zhuo was already dead.

Could it be that a dead person could still affect Qiu di’s position.

“After saying this, Qiu Changzhen continued, “Di’er, perhaps there’s something wrong with the way we opened the information. Don’t be anxious.” ”

“En.”Qiu Di nodded.

“At this moment, Qiu Changzhen seemed to have thought of something and continued, “Has there been any news from Young Master Dongli?” ”

““Not yet,”Qiu di said. ”

“Hearing this, Qiu Changzhen frowned slightly. ”

...

On the other side.

Ye Zhuo had a very long dream.

In the dream.

She actually had a younger brother named Ye Han.

“Most importantly, this dream was very real. It was as if she really had a younger brother.”

In the dream.

She had gone through life and death with Ye Han and had experienced many hardships together.

“Woof!”

“At this moment, a dog bark suddenly came from the room.”

“Ye Zhuo also woke up at this moment. When he opened his eyes, he saw that Little White was fighting with Rollie.”

“After more than five months, Rollie had transformed from a little husky into a husky that was about to reach adulthood. Coupled with its unrestrained eating, it looked much bigger than an ordinary husky!”

It was very fat!

“Of course, its ability to demolish homes was also top-notch.”

“Like all girls, Ye Zao had no resistance against furry creatures, even if the other party was a demolition husky.”

“Rollie, come over quickly. Let Me Touch it.”Ye Zao narrowed his eyes. ”

Rollie put down the pillow that was half-bitten and wagged its tail as it walked to the bedside.

“Ye Zao stretched out his hand and patted its head, then touched it again. Finally, he stood up and carried Rollie. ”

Ye Zhuo carried a dog that weighed nearly 80 pounds effortlessly.

Rollie widened its eyes and looked at ye Zhuo with disbelief on its face.

Even ye Shu couldn't carry it.

But Ye Zhuo easily carried it.

“After a while, Ye Zhuo put down Rollie and looked at little white. “Take it out first. I need to change my clothes.” ”

“Okay, got it!”Whitey immediately glided over. “Rollie, we're leaving!” ”

Rollie seemed to understand ye Zao's words and immediately followed Whitey.

A robot and a dog left ye Zao's bedroom in harmony.

Ye Zao sat on the bed and massaged his temples.

What happened to the Dream Just Now?

She had dreamed about ye Han more than once.

“Did Ye Han only exist in the dream, or was he a real person. ”

What did she forget?

Ye Zhuo scratched her hair in annoyance.

What had happened before her rebirth.

Ye Zhuo even suspected whether her memories before her rebirth were real or fake.

“If ye Han really existed, then the memories of the past in her mind were fake. ”

“The person behind her had erased her memories, so there must be some conspiracy. ”

“In front of a higher-level civilization, changing memories was a very simple thing. ”

“Fifteen minutes later, ye Zhuo washed up and dressed neatly. She appeared in front of the huge floor-to-ceiling mirror. Looking at the beautiful woman with bright eyes and white teeth in the mirror, she whistled. “Why do I Look So Good?” ”

“When she arrived downstairs, Cen Shaoqing was already sitting at the dining table. ”

“How did you get here so quickly?”Ye Zhuo asked in surprise.

“I also came over to eat breakfast.”Cen Shaoqing put the newspaper back to its original position.

“Ye Zhuo looked around and then said, “Where are my parents?” ”

“They went to fourth uncle and fourth God’s aunt’s house.” Cen Shaoqing’s thin lips opened slightly.
“Now there are only the two of us at home.”

“At this moment, the sound of a third person’s footsteps could be heard from the stairs. ”

“Ye Zhuo looked back slightly and said with a smile, “Brother, you’re home too.” ”

“Yes.” Lin Ze nodded slightly. “I just got home last night.”

Cen Shaoqing greeted him as well. “Ah Ze.”

“Lin Ze glanced at CEN Shaoqing and acknowledged. Although it had been a long time, Lin Ze still did not let down his guard against Cen Shaoqing. From time to time, he would ask ye Zhuo if Cen Shaoqing had shown any violent tendencies. ”

“After Lin Ze appeared, CEN Shaoqing became much more reserved. ”

“After all, one only needed to do the wrong thing once. ”

“Fortunately, after eating, Lin Ze returned to his room. ”

Ye Zhuo handed the bag to Cen Shaoqing. “Let’s go to the base too.”

“Okay.” Cen Shaoqing nodded slightly.

They got into the car.

“CEN Shaoqing asked, “What’s with the dream you mentioned?” ”

“Ye Zhuo leaned against the back of the chair, his eyes half-closed. “I suspect that the memories of my past life are not completely real.” ”

Cen Shaoqing frowned slightly. “Not completely real? How So?”

Ye Zhuo briefly told Cen Shaoqing about his dream.

“At first, Cen Shaoqing was still a little uncomfortable. When he heard ye Zhuo Call Ye Han his little brother, he immediately heaved a sigh of relief and continued, “When did you start having such a Dream?” ”

““About two weeks ago,”ye Zhuo replied. ”

Two weeks ago?

Cen Shaoqing’s phoenix-like eyes narrowed slightly.

Two weeks ago was probably when ye Zhuo had not slept for five days and five nights in order to look for Yu Zifei.

“Have you been too tired recently?”Cen Shaoqing said as he leaned over and massaged ye Zhuo’s shoulder.

“When people were extremely tired, it was easy to dream. ”

“Cen Shaoqing’s technique was very good. Ye Zao squinted his eyes comfortably. “Not bad. Over there. Yes, a little harder! Cen Shaoqing, I didn’t realize that your massage technique was so good.” ”

“It’s average. The third best in the world.”Cen Shaoqing imitated ye Zao’s usual manner of speaking.

“Ye Zao gave him a slap and continued, “I plan to invite a hypnotist to take a look.” ”

“Hire me.” Cen Shaoqing opened her thin lips. “I’m the Best Hypnotist.”

“You’re bluffing.”

Chapter 1843: 377: Someone is carrying a heavy load for you! 1

“I’m not bragging.” Cen Shaoqing held the steering wheel with one hand. There was a bit of coldness between his clear eyebrows and the small red mole at the bottom of his eyes added a bit of flirtatious feeling.

Ye Zhuo couldn’t be bothered with him. He turned on his mobile phone and logged into the PL website.

PL was the world’s largest ranking website for hypnotists.

“At present, the number one hypnotist was Jiuzhou.”

Jiuzhou is the most mysterious hypnotist on the website.

It’s a three-without-staff.

“The normal three-without-staff refers to having no house, car, or money.”

“But Jiuzhou’s three-without-staff refers to having no gender, age, or nationality.”

“In the entire PL website, no one has ever seen Jiuzhou.”

“Seeing this, Ye Zhuo raised his eyebrows slightly. ”

This Jiuzhou is a little interesting.

“In fact, Ye Zhuo was also somewhat interested in hypnosis, but unfortunately, she couldn’t hypnotize herself. ”

“Otherwise, she wouldn’t need to trouble others. ”

“Do you know nine provinces?”Ye Zhuo turned to look at Cen Shaoqing.

“”I know.”Cen Shaoqing looked ahead and slowly said, “I am.” ”

“”Be serious, I am serious.”Ye Zhuo continued, “I want to use hypnosis to awaken my sealed memories. From the hypnotist rankings, nine provinces is the most suitable for my requirements.” ”

“Hypnosis originated from ancient Greece and had a history of 170 years. Hypnosis used psychological suggestion to put the hypnotized person into a half-asleep state, thus awakening the memories in their subconscious. ”

“I’m also very serious.”Cen Shaoqing looked back slightly and looked at Ye Zhuo. “I’m really nine provinces.”

“Ye Zhuo ignored him and clicked on the information page of nine provinces, trying to find something. ”

“However, the information on the nine provinces was blank. Even ye Zhuo couldn’t find anything. ”

Cen Shaoqing looked at her with a faint smile in his eyes.

On the other side.

The Yu family.

“Yu Zifei had been resting at home for more than half a month. During this half a month, he spent most of his time at home recuperating.”

“Tian Zhifang saw that Yu Zifei’s spirit was getting better day by day. She was very happy, but when she thought about what happened to Yu Zifei on Mars, she became afraid.”

“Yu Zifei was her only son. No matter what, she couldn’t go through that kind of thing again.”

That feeling was too terrible!

Tian Zhifang carried the supplements to Yu Zifei’s room.

“Yu Zifei was sitting in front of the computer, looking at the documents sent by his assistant.”

“Hearing footsteps, Yu Zifei turned around. “Mom.” ”

“Tian Zhifang said, “I made some supplements. Drink it while it’s hot.” ”

“Yu Zifei took the nutrients with both hands and said with a smile, “I’ve been drinking the nutrients you’ve stewed every day for the past few days. If this continues, my nose will bleed.” ”

“Tian Zhifang knocked on the door several times a day. Every time he knocked on the door, it was to bring him food.”

“Bird’s nest, fish glue, ginseng... .. He wished he could bring all the most nutritious things in the world to him.”

“It’s not that exaggerated,” Tian Zhifang said. “I’ve been drinking these things every day, but I haven’t seen you gain any weight.” ”

Yu Zifei was of the lean body type. He had been drinking tonics for more than half a month. But he still hadn’t gained half a pound.

“I wasn’t born with a fat body.” Yu Zifei smiled, picked up the bowl, and drank all the tonics. ”

“Seeing Yu Zifei drink all the tonics, Tian Zhifang was satisfied. She thought about the words in her heart and continued, “Zifei.” ”

“Huh?” Yu Zifei looked up at Tian Zhifang.

“Tian Zhifang continued, “Mom wants to discuss something with you.” ”

“Go ahead.” Yu Zifei put down the bowl.

“Tian Zhifang looked at Yu Zifei and said, “Zifei, you can withdraw from the OASIS project.” ”

Withdraw from the Oasis Project?

How could that be possible!

“Since Yu Zifei had chosen to join the OASIS project team, he would not give up so easily. ”

“If he chose to quit at this time, then what was the difference between him and a traitor? ”

“Yu Zifei frowned slightly and continued, “Mom, didn’t you say that you would support me?” ”

“Tian Zhifang sighed. “Mars is so dangerous. Mom is afraid of You...”she was afraid that one day, after Yu Zifei went to Mars, he would never come back. ”

“At this point, Tian Zhifang’s eyes were a little red, she said in a hoarse voice, “Zifei, mom would rather you be ordinary and ordinary than to let you take that risk again. Do you know how mom survived those five days when you disappeared on Mars?” ”

“Although the matter had passed, the fear and helplessness left behind were still there. ”

Tian Zhifang still dreamed of that scene many times in her dreams.

“In the dream, Yu Zifei never came back when he was on the second mission. ”

Chapter 1844: 377: Someone is carrying a heavy load for you! 2

“Outside the dream, Tian Zhifang’s tears wet the pillow towel. ”

“Every time she woke up, Tian Zhifang was terrified and couldn’t wait for Yu Zifei to withdraw from the OASIS project. ”

“As long as Yu Zifei didn’t withdraw from the Oasis Project, Tian Zhifang wouldn’t have peace. ”

“”Mom,”Yu Zifei also felt a little uncomfortable. “I understand your feelings. I can promise you that there will never be such an accident next time.” ”

“”Can you promise that?”Tian Zhifang looked at Yu Zifei, “Zifei, I’m already over 50 years old this year. If anything happens to you, do you think your father and I can still survive? If you don’t think about yourself, you have to think about your father and me.” ”

“Yu Zifei sighed and continued, “Mom, you should know that leaving Earth and going into outer space has always been my dream. I hope that you and dad can support me and understand me.” ”

“Yu Zifei had a dream of going into space since he was young. He had always been glad that when he grew up, he could still hold on to his childhood dream. ”

“Yu Zifei was very grateful to ye Zhuo for being able to participate in the aircraft carrier project, land on Mars, and become the project leader of the OASIS project. ”

“If it weren’t for Ye Zhuo, he wouldn’t have been able to walk so smoothly! ”

“Although he had encountered danger on Mars, he had never blamed anyone. All of this was just a necessary path in life. ”

No one’s path in life was smooth sailing.

“At this moment, Tian Zhifang asked him to withdraw from the oasis project. How could this be possible! ”

Yu Zifei was also very unwilling.

“Hearing this, Tian Zhifang stood up and said with an excited expression, “Dream? is dream more important than your life, more important than your father and I?” ”

“”Mom, you’re thinking too extreme.”Yu Zifei looked at Tian Zhifang and said, “Not every mission will encounter danger. This is just an accident. You Can’t deny it just because of this accident...” ”

“”Stop talking,”Tian Zhifang interrupted Yu Zifei’s unfinished sentence. “Yu Zifei, listen carefully. If you don’t withdraw from the Oasis Project, don’t Call Me Your Mother Anymore!” ”

“As a mother, she couldn’t watch her son step into the abyss. ”

She had to stop Yu Zifei!

“Mother!” Yu Zifei did not expect his mother to suddenly make things difficult for him. He also did not expect his mother to force him to withdraw from the oasis project.

“Call Miss ye right now and clarify the matter. If you don’t want to say it, I can speak for you,” Tian Zhifang said. ”

Yu Zifei frowned slightly. “Do you have to do this?”

“Yes!” Tian Zhifang said, “As your mother, I have to be responsible for you! I Can’t Watch You Die!” ”

“In Tian Zhifang’s opinion, this was no different from dying. ”

“Most importantly, that place was still Mars. ”

“If Yu Zifei had any problems with that place, he wouldn’t even be able to preserve a complete corpse. ”

“Mom, that’s not suicide!” Yu Zifei continued, “According to what you said, could it be that the people participating in the OASIS project are all going to die?” ”

“I don’t care about other people’s affairs. But you’re my son, so I have to care about your affairs!” Tian Zhifang made up her mind and continued, “Call Miss ye right now!” ”

“Yu Zifei had already had an accident on Mars. Ye Zhuo was reasonable, so she definitely wouldn’t make things difficult for Yu Zifei. ”

“Mom, don’t force me. I really don’t want to leave the Oasis Project.” Yu Zifei looked sorrowful. ”

“On one side was her mother, and on the other side was the job she loved. Yu Zifei had no choice at all, and it was difficult for her to choose. ”

“Do you not want me as your mother?” Tian Zhifang looked at Yu Zifei and asked.

“Yu Zifei took a deep breath and didn’t say anything, ”

bang.

“Just then, the door was pushed open from outside. ”

Yu Zifei looked up and saw father Yu walking in from outside.

“When he saw Father Yu, Yu Zifei’s expression became even worse. He said, “Dad.” ”

“Father Yu nodded and asked, “What happened?” ”

What happened?

It was obvious that Father Yu would definitely stand by Tian Zhifang’s side.

Father Yu would definitely force him to leave the oasis project together with Tian Zhifang.

“Even a mother like Yu Zifei would find it difficult to deal with, let alone a father! ”

What should they do now?

Yu Zifei didn’t know what to say.

“When Tian Zhifang saw father Yu come in, she felt even more confident. “His father, it’s good that you’re here. Ask him if he’ll choose his life-threatening dream or us!” ”

Chapter 1845: 377: Someone is carrying a heavy load for you! 3

“Hearing this, father Yu frowned. “What nonsense is this? Why Can’t I Understand?” ”

“It’s like this...”Tian Zhifang told Father Yu the whole story.

“After listening to the whole story, Father Yu’s face became even gloomier. ”

“Yu Zifei sighed and said with some difficulty, “Dad, I...” ”

“”Don’t say anymore.”Father Yu raised his hand and stopped Yu Zifei from continuing. He continued, “I know what you want to say.” ”

“Tian Zhifang said, “Zifei, now that your dad is here, tell us, do you want your dad and me or your dream? I’m telling you, today’s matter must be put to an end!” ”

“Father Yu continued, “Zifei, Dad understands you and knows that you’ve had an aerospace dream since you were young. Dad understands you and supports you.” ”

“Hearing this, Yu Zifei thought that he was hearing things. ”

What did his father say?

Support Him?

Understand Him?

Did he really not mishear?

Tian Zhifang looked at Father Yu in surprise!

“Dad?” Yu Zifei looked at Father Yu in surprise. “You, are you serious?” ”

“Father Yu nodded and smiled. “Zifei, don’t worry about chasing your dream! Your mother and I are the strongest supporters. We will never hold you back!” ”

“Old Yu! What are you talking about! Are you crazy?” Tian Zhifang said angrily, “Do you know how dangerous Mars is! Zifei is our only son!” ”

“If it weren’t for Yu Zifei’s luck this time, he would have died on Mars!” ”

What about the next time?

“If it weren’t for his luck, they wouldn’t have met Yu Zifei this time, but Yu Zifei’s remains. ”

Mars was a place where people were eaten. There might not even be any regrets.

“No matter what, Tian Zhifang could not let such a thing happen again!” ”

“Father Yu looked at Tian Zhifang very calmly, “Dangerous? What in the world is not dangerous? Aren’t firefighters dangerous? Aren’t the People’s police who protect the safety of the people dangerous? Aren’t the soldiers stationed at the borders of the Motherland Dangerous? Are the scientists who contribute to science dangerous? Which one of them isn’t their parents’only child? Which one of them isn’t their parents’treasure? But have they retreated because of this? If our country didn’t have these people’s existence, would there be peace today? It’s not that there are no dangers in this world, but there are people who are carrying the weight for you!” ”

Father Yu’s words were sonorous and powerful.

“Hearing this, Tian Zhifang was immediately stunned. Hot tears rolled down her cheeks. She choked and couldn’t say a single word.”

“Father Yu looked at Tian Zhifang, he continued, “Zhifang, we can’t be so selfish. The children of the motherland are protecting us. Our sons should also carry a heavy burden and move forward to open up a brand new home for them. “If everyone has the same thoughts as you and decides to quit because they feel that their job is in danger, wouldn’t the world be in Chaos?” ”

“Although Yu Zifei wasn’t a policeman, a firefighter, or a soldier who defended the border, he was a researcher. ”

The mission of a researcher was to benefit mankind and create a beautiful home for mankind!

“Therefore, father Yu supported Yu Zifei! ”

“Seeing that Tian Zhifang did not speak for a long time., father Yu continued, “Zhifang, the people working at the CEN family base are not only our son, but also other people, including Cen Fifth Master and Miss Ye. None of them are much safer than Zifei! But have they backed down?” ”

No!

“Not only did they not back down, but they also faced the difficulties head-on. The more they faced difficulties, the braver they became! ”

“Yu Zifei looked at his father, his eyes filled with shock. ”

He really did not expect that someone who was usually so calculative about a single cent would say something like this.

He also never knew that his father’s situation was so big!

“This man, who only had a junior high school education, was the first person Yu Zifei admired. ”

“Sometimes, the situation was not determined by one’s education.”

People with higher degrees might not have the same ideological awareness as Father Yu.

“On the contrary, people with lower degrees could sometimes sacrifice themselves to protect the interests of the people.”

Tian Zhifang looked at father Yu and trembled.

“What father Yu said made sense. From Hongguang’s point of view, she was indeed too selfish, but from a mother’s point of view, she just loved her son.”

She didn’t want to lose her son.

Was she being selfish?

A Mother’s greatest pain was losing her son.

“Compared to the pain of losing her son, what was being selfish?”

Chapter 1846: 377: Someone is carrying a heavy load for you! 4

She wasn’t being selfish. This was a normal reaction of a mother.

“Father Yu walked over and reached out his hands to hug Tian Zhifang. “Zhifang, Respect Zifei’s choice. In this world, there will always be someone who will carry a heavy load for the people.” ”

Tian Zhifang choked out her sobs. She was extremely sorrowful.

Father Yu patted Tian Zhifang's back and looked up at Yu Zifei. He gave Yu Zifei a reassuring look.

"The father and son looked at each other. Everything was said without words. At this moment, silence was better than words."

"Tian Zhifang's emotions were appeased by Father Yu. She walked up to Yu Zifei and said in a hoarse voice, "Zifei, if you want to chase your dream, I Won't Stop You. But you have to promise me one thing."
"

"Yu Zifei looked at Tian Zhifang and said, "Please speak." "

"Tian Zhifang looked at Yu Zifei and said, "No matter when or what happens, you have to think of your father and me! Your father and I will always be at home waiting for you to come back." "

"Okay." Yu Zifei nodded. "Don't worry, I will." "

Tian Zhifang took a deep breath and picked up the empty bowl beside her. "You have a good rest. I'm leaving first."

"When she turned around, father Yu patted Yu Zifei on the shoulder. "

"Looking at his parents leaving, Yu Zifei didn't know how to feel. "

An hour later.

Father Yu came to Yu Zifei's room alone.

"Zifei."

“Father.” Yu Zifei immediately stood up from his chair.

“Father Yu smiled and said, “I’ve already pacified your mother. You Don’t have to worry.” ”

““Father, thank you.” At this moment, other than saying thank you, Yu Zifei could not find any other suitable words. ”

““Why are we father and son talking about this?” Father Yu took a few steps forward, then he said, “Zifei, work hard with Miss Ye. No matter what the end result is, father will not regret his decision today. Father also hopes that you will not leave any regrets in your life.” ”

Father Yu’s greatest regret was that he did not become a soldier.

“That year, Yu Zifei’s grandmother forced him to not participate with her death. ”

“Later on, seeing his good friend become a major military officer, Father Yu could only be envious. ”

“Other than envy, there was more regret. ”

“If he had been braver and more decisive, or if someone had stood up and said something on his behalf, he might have been able to turn things around. ”

Unfortunately.

No.

“After missing the conscription, father Yu regretted it every day. ”

“There was everything in this world, but there was no medicine for regret. ”

“Now, he could not let his son follow his old path. ”

“En, don't worry, I will definitely not leave any regrets for myself,” Yu Zifei said. ”

“Father Yu nodded and stood up. “Alright, that's it then! You Go Ahead, I'm leaving!” ”

Yu Zifei sent Father Yu out.

“He took a few steps forward and seemed to have thought of something. Father Yu turned back again and said, “Zifei.” ”

“What's Wrong?” Yu Zifei asked.

“Father Yu continued, “It's been a while since you broke up with Zhang Pandi. Your Mother asked me to ask you, you...” ”

“Yu Zifei smiled and said, “Does my mother want to ask if I have a new girlfriend now?” ”

“Yes.” Father Yu nodded.

“Yu Zifei said, “Not yet.” He was too busy with work, and there were not many women in the department, so he had not made any progress. ”

“The most important thing was that he had broken up with Zhang Pandi less than a year ago, so he could not quickly enter the next relationship. ”

“Father Yu continued, “Your mother said that she wants her former colleague's daughter to introduce to you. The woman has just returned from studying abroad. All aspects are very good. Do you want to consider it?” ”

“Okay.” Yu Zifei nodded.

“He had just rejected Tian Zhifang’s withdrawal from the OASIS project. If he refused to go on a blind date again, Tian Zhifang would definitely be very angry!”

“At this time, even if Yu Zifei did not want to go on a blind date, he could only nod his head and agree.”

“Seeing him nod his head, father Yu smiled and said, “That’s right! You should have mentioned a partner earlier and given birth to a child for your mother to take care of. Your mother wouldn’t have to worry about you all day long!” ”

“En.” Yu Zifei continued to nod.

“Father Yu sighed, then he said, “If you want to blame someone, you can only blame Zhang Pandi for not being fated with you. This time, Miss Ye gave you a three-month leave. If you and Zhang Pandi didn’t break up, you can take advantage of this time to hold the wedding!” ”

A normal marriage leave was only half a month.

Three months could do a lot of things!

“Unfortunately, Zhang Pantu was too small-minded and short-sighted.”

“Yu Zifei said, “Let’s not talk about the past anymore! When are we going to arrange the blind date? I’ll free up my time in advance.” ”

Chapter 1847: 377: Someone is carrying a heavy load for you! 5

“Although it was the break time, Yu Zifei still had to deal with documents every day and had a video call with his assistant.”

“I’ll go ask your mother,” father Yu said. ”

“Okay.”

Father Yu returned to the room and told Tian Zhifang the good news.

“Hearing this, Tian Zhifang said in surprise, “Really? Zifei really agreed?” One had to know that Tian Zhifang had also mentioned this matter to Yu Zifei before, but Yu Zifei had rejected it! ”

“Of course it’s true,” father Yu said. “Zifei just asked when the blind date will be arranged. He needs to make some preparations.” ”

“Tomorrow! Tomorrow morning at 10:00 a.m. , we’ll meet at Peninsula Coffee on Lin Chang Road.” ”

“Okay.” Father Yu was also very concerned about this matter. He continued, “I’ll go and inform Zifei now.” ”

On the other side.

Cen’s base.

“After some research, Ye Zhuo finally contacted the assistant of nine provinces.”

“However, the assistant didn’t immediately reply to Ye Zao.”

He ziteng trotted to Cen Shaoqing’s office.

“Fifth brother, you’re looking for me.” ”

“Hearing he ziteng’s voice, Cen Shaoqing placed the Buddha bead on the table. “Has there been any movement on nine provinces’ account recently?” ”

“What movement are you referring to?”He ziteng asked.

Nine provinces was the number one account on the PL rankings. Who knew how many messages they would receive every day!

“Cen Shaoqing said, “Log into the account and I’ll take a look.” ”

He ziteng was a little speechless.

Could it be that Cen Shaoqing had called him all the way here just to let him log into nine provinces account?

“Fifth brother, why didn’t you log in yourself?”He ziteng asked. ”

“He ziteng twirled the Buddhist beads and continued, “I forgot the password.” ”

“If he had remembered the password, Cen Shaoqing wouldn’t have called he ziteng all the way here. ”

Forget the password?

He ziteng’s eyes were filled with disbelief.

That was nine provinces account!

Why would cen Shaoqing make it sound so natural to forget the password?

“Fifth brother, you’re not joking with me, right?” ”

Cen Shaoqing frowned slightly. “Why would I joke with You?”

“After saying that, CEN Shaoqing turned the computer screen to he ziteng. “Hurry up and log in to the account.” ”

He ziteng walked over and entered the password.

“Soon, the account was logged in. ”

“Cen Shaoqing recognized ye Zhuo’s account at a glance and continued, “Tell her to meet you at the Imperial Court cafe at 11:30 Tomorrow Morning.” ”

He ziteng was stunned again.

Meet!

Cen Shaoqing actually wanted to meet the person who asked for help.

What was going on?

Did the sun rise from the West?

“One had to know that before this, Cen Shaoqing did not care about these people who were asking for help at all. ”

But today...

This was too abnormal!

“Fifth brother, are you sure you want to meet?” He Ziteng asked. ”

“Yes.” Cen Shaoqing nodded.

“He Ziteng said with some curiosity, “Fifth brother, do you know this person? Is it a man or a woman? Does fifth sister-in-law know?” ”

“This has nothing to do with you.” Cen Shaoqing twirled the prayer beads.

He Ziteng didn't ask further.

He knew Cen Shaoqing's temper.

But he Ziteng was still a little curious.

Who was this person?

He was actually worthy of Cen Shaoqing meeting him personally.

Over here.

Ye Zhuo finished his last experiment.

“At this moment, his phone rang. ”

Ye Zhuo took out his phone. It was a reply from nine provinces.

“The other party replied: [tomorrow at 11:30 am, see you at the Imperial Court Cafe.] ”

Ye Zhuo also immediately replied: [Okay.]

He would return at night.

“Sitting in the car, Ye Zhuo turned to look at Cen Shaoqing. “I have an appointment with nine provinces.” ”

“Okay.”Cen Shaoqing nodded slightly. “I know.”

“Seeing his calm expression, ye Zhuo was a little speechless. “You’re not going to say that you’re nine provinces again, are you?” ”

““If you know me, then you’re my wife.”Cen Shaoqing’s thin lips parted slightly, and his tone was low. ”

Ye Zhuo chuckled. “Who’s your wife? Don’t be so narcissistic!”

““You’re going to become my wife sooner or later anyway,”Cen Shaoqing said. ”

Ye Zhuo raised his eyebrows slightly. “What if you become someone else’s?”

“Who would dare?”Cen Shaoqing glanced at her.

“Ye Zhuo chuckled and then turned on his phone. He looked at the nearby food street and said, “There seems to be a new online tofu shop here. It eats freshly ground tofu. Let’s go and take a look.” ”

“Ye Zao liked to eat bean products, such as dried beans, tofu, and tofu skins. ”

“Seeing that there were people eating freshly ground tofu nearby, she naturally couldn’t miss it! ”

“Okay.” Cen Shaoqing nodded slightly. “Where is the address?”

“221 Siyuan Road,” Ye Zao said. ”

Cen Shaoqing slowly turned around and drove toward Siyuan Road.

“No matter what kind of food it was, as long as the word ‘online celebrity’ was mentioned, it would become overcrowded. ”

Chapter 1848: 377: Someone is carrying a heavy load for you! 6

“Although the current tofu shop was located in a remote area, there were quite a number of people who came because of its reputation! ”

“Before they reached the restaurant, there was already a long queue outside. ”

Ye Zhuo walked over to get the tickets. “May I ask how many tables are in front of us?”

“Table 20,” the waiter replied. “If we get the tickets now, it will take about two hours.” ”

Two hours!

Ye Zhuo frowned slightly. “That long?”

“The waiter smiled and said, “You can go over there and have a seat. You can also eat something and play with your phone. Two hours is actually very fast.” ”

“Ye Zhuo didn’t want to queue up at first, but when he smelled the tofu fragrance coming from inside, he couldn’t help but say, “Get me a number.” ”

“”Okay, please wait a moment.”The waiter nodded slightly and reached out to get a number before handing it to Ye Zhuo. ”

Ye Zao took it. “Thank you.”

“You’re welcome.”

“Ye Zao took the ticket and went back. He looked at CEN Shaoqing and said, “You’ll have to queue for two hours.” ”

“Two hours?”Cen Shaoqing frowned slightly. He picked up his phone and made a call.

“Ye Zao said, “What are you doing?” ”

“I’m making a call to clear the area.”Cen Shaoqing’s thin lips opened slightly.

Clear the area!

Ye Zao immediately cut off his call. “It’s just a meal. Is there a need to make such a big fuss?”

“”I’m afraid you’ll be anxious,”Cen Shaoqing said. ”

A whole two hours was enough to do a lot of things.

“”There’s no rush.”Ye Zao smiled and said, “If we really cleared the area, it would be meaningless.” ”

“It was said that if it was too easy to get, one would not know how to cherish it. ”

“In fact, it was the same for eating. The food that one could eat after waiting in line for two hours was better mentally and in terms of taste than the food that was too easy to eat. ”

“After saying that, ye Zao continued, “If you have something to do, go and do it first. I’ll wait in line alone.” ”

“I’m not busy.”

He just hated waiting in line.

“But with Ye Zao by his side, he could still persevere. ”

“The service in the restaurant was very good. While waiting in line, the waiter came out with snacks for the guests to eat. ”

“Cen Shaoqing and ye Zao sat at the side, chatting while waiting in line. ”

“An hour later, ye Zao handed the phone to Cen Shaoqing. “Wait here for a while. I’m going to the washroom.” ”

“Okay.”Cen Shaoqing nodded slightly.

Ye Zao turned around and walked towards the washroom.

Ye Zao had just left when he ziteng walked over with a young woman.

“Fifth brother.”

Cen Shaoqing looked up slightly.

“He ziteng continued, “Fifth brother, what are you doing here?” ”

Cen Shaoqing twirled the Buddhist beads and opened his thin lips. “Don’t you have eyes?”

He ziteng was stunned.

““Queue up,”Cen Shaoqing said slowly. ”

Queue up?

He ziteng stared at Cen Shaoqing with his eyes wide open!

Are you kidding me? The dignified CEN fifth master was actually queuing up!

And he was even with so many people!

“He ziteng immediately took out his phone. “Fifth brother, please wait a moment. I will immediately arrange for the person in charge of the shopping mall to clear the area.” ”

““There’s no need to clear the area,”Cen Shaoqing said in a low voice. ”

“He ziteng looked at Cen Shaoqing and said in surprise, “Fifth brother, this doesn’t seem like your style!” ”

CEN Shaoqing hated wasting time the most.

“Other than not wanting to waste time, he also didn’t like places with many people. ”

Most people who paid their respects to Buddha liked peace and quiet.

“Therefore, no matter which shopping mall Cen Shaoqing went to, he habitually cleared the area ahead of time.”

“At this time, he ziteng was very shocked when he heard Cen Shaoqing say that he did not need to clear the area.”

“”Fifth brother, are you sure you don’t need to clear the area?” ”

“Cen Shaoqing nodded slightly and continued, “Your fifth sister-in-law doesn’t like it.” ”

So it was ye Zhuo who did not like it.

No wonder.

He was wondering how Cen Shaoqing could change so much in one night.

“He ziteng continued, “Where is my fifth sister-in-law?” ”

“”She went to the bathroom,”Cen Shaoqing said. ”

“He ziteng nodded and continued, “By the way, fifth brother, let me introduce you. This is my friend Xu Xiao. Xu Xiao, this is Cen fifth master.” ”

“Although she knew that he ziteng and Cen Shaoqing had been good friends for many years, Xu Xiao still did not expect to meet CEN Shaoqing here. ”

She also did not expect that the legendary CEN fifth master was so handsome.

“He was dressed in a plain white long robe with knotted sleeves. His facial features were exquisite like a knife carving. His fair-skinned face had a hint of coldness. A powerful aura erupted from his body, making him seem out of place with everything around him.”

It was hard to ignore him even if one wanted to!

“Xu Xiao suppressed the excitement in her heart and continued, “CEN fifth master, I am Xu Xiao. The two of us, Xu, are handsome and carefree.” ”

“After saying that, Xu Xiao extended his right hand towards Cen Shaoqing.”

Cen Shaoqing only nodded slightly and did not extend his hand to shake Xu Xiao’s hand.

Chapter 1849: 377: Someone is carrying a heavy load for you! 7

“For a moment, Xu Xiao felt a little awkward.”

“He ziteng immediately said, “That fifth brother is a germaphobe.” ”

“After knowing ye Zhuo, Cen Shaoqing’s personality had changed quite a lot.”

“One had to know that before this, if Xu Xiao had greeted Cen Shaoqing, Cen Shaoqing probably would not have even nodded his head.”

“Now, at least he was willing to nod his head at Xu Xiao.”

“Hearing this, Xu Xiao withdrew her hand somewhat awkwardly.”

“He ziteng continued, “Fifth brother, then we won’t disturb you. When fifth sister-in-law arrives, you will greet her on our behalf.” ”

“En.”Cen Shaoqing twirled the Buddhist beads and snorted lightly.

“After saying this, he ziteng brought Xu Xiao away. ”

“Walking out of the queuing area, Xu Xiao asked curiously, “So CEN fifth master really has a girlfriend! is his girlfriend the eldest daughter of the Lin Family?” ”

“Yes.”He ziteng nodded.

“Is the eldest daughter of the Lin family good-looking?”Xu Xiao asked curiously.

“He ziteng said, “Very good-looking.” ”

“Compared to me?”Xu Xiao looked at he ziteng expectantly.

She was the irreplaceable goddess in he ziteng’s heart.

“Therefore, in He ziteng’s heart, she must be the most beautiful. ”

“As for the eldest daughter of the Lin family, she had to stand aside in front of her. ”

“He ziteng turned his head slightly and looked at Xu Xiao. “The two of you are not from the same world, so you can not be compared.” ”

“Hearing this, Xu Xiao was a little unhappy! ”

What did he ziteng mean?

What did he mean by saying that she and the young miss of the Lin family were not from the same world?

Xu Xiao even suspected that she was not the goddess in he ziteng's heart.

“What made Xu Xiao the most dissatisfied was that although he ziteng had been by her side for the past few days, he ziteng did not mention anything about being his girlfriend.”

He ziteng had clearly said that he would wait for her.

“But now, he did not say anything. He could not let a girl like her speak first, right?”

“The more Xu Xiao thought about it, the more annoyed she became.”

“At this moment, Xu Xiao's eyes lit up, as if she had thought of something.”

Right.

This should be the way!

Another hour passed.

Ye Zhuo finally sat in the shop as she wished and ate the steaming freshly ground tofu.

“Freshly ground tofu was very different from the finished tofu she bought, regardless of whether it was the texture or the taste.”

“Ye Zhuo ate one mouthful after another, feeling very satisfied.”

“Seeing her like this, Cen Shaoqing suddenly felt that the two-hour wait was worth it! ”

“”Why aren’t you eating!”Ye Zhuo raised his eyes slightly. “Quick, try it. The taste of this tofu is really good.” ”

“As he finished speaking, Ye Zhuo picked up a piece of tofu and placed it into CEN Shaoqing’s bowl. ”

Cen Shaoqing took a bite.

“Ye Zhuo asked, “How is it?” ”

Cen Shaoqing nodded slightly. “It’s really not bad.”

Cen Shaoqing did not send ye Zhuo home until nine o’clock in the evening.

The next day was a rest day.

“Although it was a rest day, ye Zao did not sleep in. He got up at seven in the morning to run. ”

“After running, he ate breakfast. ”

“After breakfast, he went to the study. ”

“When ye Zao walked out of the study again, it was already half past ten in the morning. ”

Ye Zao changed her clothes and was ready to go to the appointment.

“Today, she wore very simple clothes. ”

“She wore a white shirt and black jeans. Her long black hair was tied up high and tied into a bun, revealing her fair and long neck. Her entire body exuded a youthful aura.”

“At 11:29 am, Ye Zhuo arrived at the entrance of the imperial court coffee shop on time.”

“The moment she entered, a waiter welcomed her in. “Is that Miss Ye?” ”

“Yes.”Ye Zhuo nodded slightly.

“The attendant continued, “Miss Ye, come with me.” ”

Ye Zhuo followed the attendant’s footsteps.

Only when they reached the door of the private room on the third floor did the attendant stop. “Mr. Jiuzhou will wait for you inside.”

“Okay.”Ye Zhuo nodded slightly.

The attendant turned around and left.

Ye Zhuo reached out and knocked on the door.

“Very soon, the door came from inside. ”

“The person who opened the door was a very young man. “Miss Ye, please come in.” ”

Ye Zhuo nodded slightly and raised his feet to enter.

“As soon as he entered the room, he saw a man sitting in front of the French window with his back facing her. ”

“Although it was only a back view, it gave off a sense of oppression that was beyond one’s reach, making one unable to breathe. ”

“At the same time, there was also a sense of familiarity that came with it. ”

Very familiar.

Who was this person?

Did she know him?

Ye Zhuo narrowed his eyes and opened his red lips slightly. “Mr. Nine Provinces.”

“Hearing this, the man who was sitting in front of the French window turned around slightly. ”

He revealed a face that could topple all living beings.

“His features were exquisite and his face was like a crown of jade. The sunlight shone through the window and sprinkled evenly on his face, making him appear even more abstinent. ”

This was... Cen Shaoqing!

“Surprise appeared on Ye Zhuo’s face. “Cen Shaoqing, why are you here? Where’s Jiuzhou?” ”

Cen Shaoqing curled his lips. “Didn’t I tell you that I’m nine provinces?”

Yes.

“Cen Shaoqing had said that he was nine provinces, but ye Zhuo did not take it to heart.”

Who would have thought that Cen Shaoqing was really nine provinces!

“Are you really nine provinces?”Ye Zhuo asked.

“It’s true!”Cen Shaoqing raised his eyebrows.

“Ye Zhuo smiled and said, “I thought you were bragging.” ”

“Cen Shaoqing smiled and said, “Come here.” ”

Ye Zhuo walked over.

Cen Shaoqing reached out and grabbed her hand. He pulled her to his lap and sat her down.

“I’m here to talk business with you.”Ye Zhuo was about to stand up.

“Cen Shaoqing held her waist tightly and placed his chin on her shoulder. He said in a low voice, “Speak, I’ll listen.” ”

““I have to find the memory that I lost before,”ye Zao said. ”

Cen Shaoqing nodded slightly. “I know. But now is not the time.”

“Why?”Ye Zao frowned.

“Your current state is not suitable for hypnosis.”Hypnosis was a very physically exhausting thing.

“Ye Zao had not slept for five days and five nights to find Yu Zifei and the others not long ago. He was almost mentally and physically exhausted. If he forcefully hypnotized her at this time, it would definitely backfire!”

“Then when can we do it?” Ye Zao asked.

“We’ll wait for another two days.”

“”Okay.” Ye Zao nodded slightly and continued, “Can you take out your phone?” ”

Phone?

“Cen Shaoqing was stunned at first, but he quickly reacted. He stood up and said, “I need to go to the bathroom.” ”

“Looking at Cen Shaoqing’s back, ye Zao frowned slightly. ”

Do I need to go to the washroom to get my phone?

“In the blink of an eye, another two days passed. ”

Ye Zao drove to the Cen family manor.

She had promised Cen Shaoqing that she would do a hypnosis today.

“When she arrived, Cen Shaoqing was about to leave the house. When he saw ye Zao coming over, Cen Shaoqing said, “Didn’t we agree that I would pick you up?” ”

“No need. I just wanted to get my hands dirty.”

“At this moment, a white samoyed rushed out of the House quickly. Its legs stepped on ye Zao’s body and gave him a warm hug.”

“Ye Zao had some skills. If it were anyone else, they would have been knocked to the ground by the powerful impact.”

“Great Great Grandson!” Old Mrs. Cen chased after him from the house. “Slow down! Even great grandma can’t catch up!”

“Seeing ye Zao appear outside, Old Mrs. Cen’s eyes instantly lit up. She threw away the dog leash in her hand. “Yezi! You’re here!” ”

“Great-grandmother CEN.” Ye Zao jogged over and hugged Old Mrs. Cen.

The two of them chatted for a while. Old Mrs. Cen went to walk the dog while ye Zao followed Cen Shaoqing upstairs.

The hypnosis location was chosen to be in the sunlight room on the third floor.

“Cen Shaoqing took out the hypnotic crystal. “Zhuo Zhuo, look at it. Don’t have any distracting thoughts in your mind. Slowly close your eyes.” ”

“Chapter 1850: 378: Face slapping, scumbag he regrets! 1”

The pendant’s chain is made of silver.

The pendant is a piece of jade in the shape of a water drop.

“Under the light of the Crystal Lamp, the transparent jade sparkles with a rainbow-colored light.”

It is especially beautiful.

“For ordinary people, this may be just an ordinary pendant, but for hypnotists, this is an indispensable tool in the hypnosis process.”

This item was called the spirit pendulum.

The spirit pendulum originated in the ancient west and had a long history.

“It was a divination tool that could be compared to a tarot card. It was later used to search for missing persons, energy, water sources, and detect the aura of the human body and the health of animals and plants.”

“Usually, the spirit pendulum used by a hypnotist was mainly made of crystals because the crystals carried a special magnetic field that could awaken the subconscious in the human body.”

“However, Cen Shaoqing used jade.”

Jade was different from crystals.

“In terms of Feng Shui, Jade was Yin. Although it could communicate with spirits, it was extremely difficult to control. The slightest carelessness would cause the jade to bite back.”

Cen Shaoqing was the first hypnotist who used Jade to make a spiritual pendants. He was also the first hypnotist who could control jade.

“Whether it was in the country or abroad, there was no precedent of using jade to make a spiritual pendants.”

Ye Zhuo raised his eyebrows slightly and recognized the jade on the spirit pendulum at a glance.

“Are you using Black Jade?”

“Yes.” Cen Shaoqing nodded slightly.

“Let me take a look.”

Cen Shaoqing put away the spirit pendulum and handed it to Ye Zhuo.

“Ye Zhuo took the spirit pendulum and held it in his hand to examine it for a while. Then he said, “This spirit pendulum has some history, right?” ”

“Yes.” Cen Shaoqing nodded slightly. “It has been passed down to me for nearly five hundred years.”

“Five hundred years?”

“Yes.”

“Who is your master?” Ye Zhuo asked curiously.

Cen Shaoqing’s thin lips parted slightly. “An old man with a strange temper.”

Cen Shaoqing was twelve years old when he first came into contact with the spirit pendulum.

“The old man had taught him for three years. Later, he disappeared for no reason.”

“Up until now, Cen Shaoqing had never seen him again.”

Even the famous domestic and foreign detectives could not find any trace of the old man.

Ye Zhuo nodded slightly and leaned against the back of the chair. "I'm ready. Let's begin."

Cen Shaoqing held the top of the spirit pendulum and let the pendant at the bottom of the spirit pendulum swing freely.

Once.

Twice.

Only the swaying spirit pendulum was left in ye Zhuo's eyes.

"When he was tired, ye Zhuo slowly closed his eyes. He was in a daze. At this moment, ye Zhuo's surroundings were in a state of chaos. He could not see or hear anything. "

"Miss Ye! Miss Ye!"

"At this moment, a gentle female voice came from the air. "

"Ye Zao frowned slightly. When he opened his eyes, he saw a familiar yet unfamiliar face. In the next second, a name appeared in ye Zao's mind. "

Zhong Li.

"Zhong Li, 28 years old. "

He had followed ye Zao since he had just graduated. It had been six years since then.

"Little Zhong."Ye Zhuo almost blurted out.

“Zhong li smiled and said, “It’s cold outside. Miss Ye, you can go inside and rest.” ”

“Okay.”Ye Zhuo stood up and walked into the office.

“When he walked into the office, zhong li said, “Miss Ye, you can rest first. I’ll call you at 10:30.” ”

“Okay.”Ye Zhuo nodded slightly and looked down at the schedule on the table. She found that her schedule was very full during this period of time.

There was almost no free time.

At this moment.

Ye Zao found three words on the calendar.

Changyue Country!

Where was changyue country?

“In Ye Zao’s memory, even if humans moved away from Earth later, their nationality was still China.”

“However, on the schedule, it was written.”

“CHANGYUE country, year 3108, November 21st.”

In a flash.

Ye Zao found another problem.

“Currently, the planet she was on was actually planet E-TY889, which was outside the Milky Way.”

Outside the Milky Way?

Ye Zhuo frowned slightly.

“In her previous life’s memories, although human civilization had developed rapidly, it had not developed beyond the Milky Way.”

What was going on?

What she was seeing now was too different from what she remembered.

They were completely different memories.

And she had no impression of planet E-TY889 at all.

“At this moment, there was a knock on the door.”

Ye Zao pressed her temples and opened her red lips. “Come in.”

“Sis.” A tall man walked in.

“He was very tall, almost 1.8 meters. He had exquisite eyebrows, was sunny and handsome, and had a smile on his face.”

Who was this person?

“Ye Zhuo was stunned. Unlike the situation when she met Zhong Li, she did not immediately remember this person’s name.”

Sister.

He called her sister.

Could it be that she once had a younger brother?

“Ye Han, you’re here.”Ye Zhuo almost blurted out. ”
