

Almighty D 1851

“Chapter 1851: 378: Face slapping, scumbag, he regrets it! 2”

“Hearing his own voice, Ye Zhuo was slightly stunned.”

Ye Han.

So this was ye Han.

“Ye Han smiled and took out a beautiful box from his pocket. “SIS, look at what this is.” ”

Ye Zhuo opened the box and saw a top-grade pigeon blood gem lying inside.

“It was said to be a gem, but it did not have the heaven and earth spiritual energy from the GEM.”

“Right at this moment, ye Han continued, “Sis, this is a treasure only found in a level three armored beast’s body. I worked hard for half a month to get this one. I wish you a Happy Birthday!” ”

A level three armored beast?

“Only then did ye Zhuo remember that planet E-TY889 wasn’t like Earth. Humans and beasts lived together here, and humans would often receive attacks from armored beasts.”

And Ye Han was an excellent beastmaster.

This pigeon-blood gem was called Bluestone.

Bluestone had a total of three grades.

“Beginner, intermediate, and top grade.”

“Beginner was light red, intermediate was dark red, and top grade was this pigeon red.”

“Not only could bluestone be used as an ornament, it could also be used as an organic fuel.”

Pigeon-red bluestone could be used as fuel for light-speed spaceships for up to ten years.

There was no market for it.

That was because a level 3 armored beast was even rarer than the giant pandas on Earth.

Ye Han was able to encounter a level 3 armored beast and obtain a top grade green stone. This was even more difficult than the Big Bang.

“Thank you.” Ye Zhuo looked at Ye Han. “I like it very much.”

“It’s good that you like it.” Ye Han continued, “Sister, let’s have dinner together tonight.”

“Okay.” Ye Zhuo nodded slightly.

“Although she had been hypnotized, Ye Zhuo’s consciousness was very clear. She was in a hypnotized state. After ye Han left, she searched for traces of the past in the office.”

Outside.

Ye Han had just walked out of the office when he was stopped by autumn flute.

Autumn flute was full of smiles as she walked in front of Ye Han. "Team leader Ye."

"In front of others, ye Han's face remained the same. "What's the matter?" "

"Qiu di continued, "Team Leader Ye, I heard that today is Miss Ye's birthday, so I specially prepared a small gift. I hope that team leader Ye can help pass it on to Miss Ye." "

"I'm sorry, my sister never accepts gifts on her birthday," ye Han said. "

"The smile on Qiu Di's face did not change as she continued, "Then I wonder if team leader ye can honor us and have dinner together?" "

Ye Han was ye Zao's confidant.

"As long as she could rope in ye Han, half of her plan would succeed. "

But autumn flute still thought too simply.

"Ye Han directly rejected, "I'm not free." "

"It was a very simple word, but it made autumn flute's expression immediately change. "

"One was green, the other was white. "

Ye Han was the same as ye Zao.

They were both cheap bones!

They were given face but did not want it.

“The two of them came from humble backgrounds and had no background. To be able to get to where they were today, it was all due to luck!”

“If they didn’t have this kind of luck, these two people would both be the lowest of the low.”

What right did this kind of low-class people have to give her face!

Who Was She.

The eldest daughter of the Qiu family who was born superior.

Why did she have to look at Ye Zao’s face.

Why did she have to spend so much effort to please ye Zao.

A scene from more than ten years ago appeared in Qiu Di’s mind.

“At that time, Ye Zao was still a poor wretch that no one wanted. At that time, she should have spent some money to buy ye Zao back as a servant.”

Why?

Why didn’t she do that at that time?

“Qiu di bit her lips tightly. Because she was too strong, very soon, her mouth was filled with a strong smell of blood.”

Wait.

“She must make ye Zhuo and ye Han, these two B * tches, pay the price. ”

Ye Zhuo opened the office door and saw this scene.

Not far away.

A woman stood there with a sinister look in her eyes.

Who Was This?

How come she had never seen this person before?

“When she saw ye Han and Zhong Li, although ye Zhuo could not name them for a moment, he did not feel anything when he saw this woman. ”

“But subconsciously, ye Zao felt that everything that she had encountered was related to this young woman in front of him. ”

Ye Zao left the window and walked to the computer. He opened the computer’s search engine and used his senses to find the population database of the Chang Yue country.

“Soon, he locked onto that young woman. ”

Qiu Di.

Female.

20 years old.

Daughter of the Qiu family's Qiu Chang Town.

Qiu Family?

"Ye Zao narrowed her eyes. At this moment, a beam of white light suddenly appeared before her eyes. When she opened her eyes again, everything before her eyes changed again."

Where was this place?

Ye Zao was stunned for a moment.

""Zao Zao." At this moment, Cen Shaoqing's voice that was exclusive to her appeared in the air. It was deep and magnetic. "How do you feel?" "

Ye Zao nodded slightly. "Can you do it again?"

"Not today." Cen Shaoqing handed her a glass of water. "Your sudden awakening indicates that your body has reached its upper limit."

"Chapter 1852: 378: Face slapping, scumbag man regrets! 3"

Ye Zhuo took the cup of water he handed over and drank a mouthful of water. The clear water entered his throat and eased the thirst in his throat.

"After a while, Cen Shaoqing's thin lips opened slightly. "Did you get anything today?" "

""Yes." Ye Zhuo looked at Cen Shaoqing and continued, "Now I can basically confirm that my memory has been messed up. Actually, I'm not from the future world, but from another world." "

The time dimension of her world was the same as Earth's.

The only difference was that the civilization of Chang Yue was much higher than Earth's.

"Based on the initial analysis, it could be concluded that the current space civilization of Chang Yue was Level 5. "

Earth was a level 1 civilization.

"Ye Zhuo took another sip of water and continued, "The world I used to live in was planet E-TY889 outside the Milky Way." "

"E-TY889?" Cen Shaoqing asked.

"Yes." Ye Zao nodded slightly.

"Are there any other clues?" Cen Shaoqing continued to ask.

"Ye Zao said, "There are no other clues for the time being, but this time, I saw ye Han's face clearly." "

"Your younger brother?"

"Yes." Ye Zao nodded slightly and continued, "Can I continue to hypnotize tomorrow?" "

"At this rate, ye Zao would soon be able to recover all of his memories. "

"No." Cen Shaoqing shook his head slightly.

“Ye Zao asked, “Why?” ”

“Cen Shaoqing explained, “Hypnosis requires a lot of effort. After today, you will have to wait at least half a month before you can do it again.” ”

Ye Zao looked at Cen Shaoqing. “Aren’t you going to consider using a backdoor for me?”

Cen Shaoqing smiled slightly. The corners of his mouth curled up beautifully. He lowered his head and lightly pecked her red lips.

“What are you doing?”Ye Zhuo raised his eyes slightly.

“Cen Shaoqing said seriously, “Using a backdoor.” ”

Ye Zhuo:“? ? ?”

“CEN Shaoqing continued, “Other people who come to me to hypnotize me don’t receive this kind of treatment.” ”

“”I’m serious with you,”ye Zhuo said. ”

“”I’m serious too,”Cen Shaoqing continued, “Haste makes waste.” ”

Ye Zao raised his eyebrows slightly. “You really can’t do it?”

“CEN Shaoqing said, “No.” ”

“If he continued to hypnotize him, even a strong body would not be able to withstand it, not to mention that ye Zao was still a girl. ”

“Seeing that he did not show any mercy, ye Zao stood on Tiptoe and took the initiative to hook his neck. He offered his red lips to him and slowly sucked on them like a child who was greedy for ice cream. He was obviously inexperienced, but it made people’s blood boil and it was difficult for them to control themselves.”

Only Liu Xiahui would be indifferent when a beauty was in her arms.

“Cen Shaoqing wrapped his arms around her waist from behind and moved her lips away. His breath was a little out of breath. “Leader, this is not good.” ”

“What about this?”Ye Zao’s Red Lips moved down and finally stuck to his Adam’s apple.

“According to romance novels, Adam’s apple was the most sensitive position for a man.”

“Therefore, ye Zao wanted to give it a try.”

“Thinking of this, Ye Zao did the same. He opened his mouth and took a bite.”

“It was neither light nor heavy, just right on the spot.”

“Cen Shaoqing was stunned. He sucked in a breath of cold air. He could still hold himself back, but at this moment, it was like a flood that had been opened to release a flood. How could he still have the slightest bit of his usual calm and self-control?”

“If it were any other time, Cen Shaoqing would have finished reciting the heart cleansing mantra several times in his heart.”

“However, today, even if he recited the heart cleansing mantra ten times or a hundred times, it would be useless, let alone one.”

“Cen Shaoqing hugged the troublemaker in front of him and placed her on the desk. Then, he cupped her face with both hands and kissed her fiercely. His voice was low and hoarse, and his deep eyes were as dark as ink. He could not see the end of it, “Ancestor, you are trying to kill me.” ”

“Cen Shaoqing was a little unfamiliar with this kind of person. He was like a ferocious beast that was hunting, as if he could give a fatal blow at any time. ”

Ye Zao was a little stunned.

“The romance novels only taught her how to light a fire, but they did not teach her how to extinguish it. ”

It seemed that Cen Shaoqing was quite angry.

“It’s over, it’s over. ”

What should I do now?

Ye Zao bit his lips.

“It was just a very casual action, but in Cen Shaoqing’s eyes, it became a fatal temptation. Cen Shaoqing swallowed his throat, and his sexy Adam’s apple moved along with it. ”

“Ye Zao thought that it was not good. In the next second, he pushed Cen Shaoqing away, jumped off the desk, and jogged out of the study room. ”

“Cen Shaoqing looked back slightly and looked at ye Zao’s back, his eyes filled with helplessness. ”

This little heartless man.

“He ran all the way to the door, but ye Zao’s heart was still beating wildly. ”

“Thump, thump.”

He almost couldn't control himself.

“After a few seconds of silence, ye Zao walked downstairs.”

Chapter 1853: 378: face smacking. He regretted being a jerk! 4

“Old Mrs. Cen happened to be walking her dog back. When she saw ye Zao come down, she smiled and said, “Ye, are you done?” ”

““Yes.”Ye Zao nodded slightly and walked over, stroking the beautiful dog's head.”

“Old Mrs. Cen looked upstairs and continued, “Where's Shaoqing? Why didn't he come down with us?” ”

“At the mention of Cen Shaoqing, Ye Zao's ears were a little red. Fortunately, it was not very obvious. She continued, “He should still be busy.” ”

““OH.”Old Mrs. Cen did not ask further. She picked up her phone and found a photo. “Zao Zao, look, this is the girlfriend I found for Big Beauty. What do you think?” ”

“In the photo, there was also a snow-white samoyed, but slightly thinner than big beauty. It was wearing a pink princess dress and a small crown. If it was a human, it would be a little princess.”

“It's pretty good.”Ye Zhuo nodded slightly.

“Old Mrs. Cen smiled and said, “I think it’s pretty good too. “Now, I will take big beauty for a walk every morning and evening so that the two children can develop a relationship. I have already told the mother that no matter how many big beauty’s girlfriend carries in the future, she will give one to me.” ”

“After saying that, old Mrs. Cen looked at Big Beauty who was sitting on the ground and said, “Then we will go for sterilization.” ”

Sterilization?

Ye Zhuo did not expect that old Mrs. Cen would suddenly say such a thing.

“Old Mrs. Cen continued, “Before sterilization, give da Liang a child and be a real dog. It Won’t be a waste of da Liang’s dog life!” ”

Da Liang: the dog life was arranged clearly!

“Old Mrs. Cen could not help but exclaim, “I’m really the best grandmother in the universe, the best great grandmother in the Universe!” ”

“A moment later, Cen Shaoqing came down from upstairs. ”

“He was wearing a long, plain, moon-white robe. The retro-styled panties were meticulously tied to the top, revealing a sense of coolness amid his abstinence. ”

“Although it was still the same dress, Ye Zao still recognized that he had changed. ”

“Because of the previous dress, she had spilled some coffee on the cuffs. ”

There were still faint traces of coffee left.

But this dress had nothing.

Why did she change clothes in broad daylight?

The answer was very obvious!

“Subconsciously, ye Zao did not dare to look him in the eye.”

“Cen Shaoqing was very calm. He walked in front of ye Zao and asked, “What do you want to eat for lunch?” ”

““Anything,” ye Zao said. ”

““Grandma, What About You?” Cen Shaoqing turned to look at Old Mrs. Cen. ”

“Old Mrs. Cen said, “I’m not a picky eater. I’ll eat whatever you guys eat.” ”

““Okay.” Cen Shaoqing nodded slightly and continued, “By the way, do you still have the Chrysanthemum tea that you often drink?” ”

“Chrysanthemum tea not only had the effect of clearing away heat and removing fire, but it also had the effect of detoxifying poison. Therefore, Grandma Cen often drank chrysanthemum tea. ”

“However, Cen Shaoqing did not really like the taste of Chrysanthemum tea. ”

“Upon hearing this, Old Mrs. Cen asked curiously, “What do you want Chrysanthemum Tea For?” ”

“To drink.” Cen Shaoqing said concisely.

“Don’t you hate the taste of Chrysanthemum Tea?” Old Mrs. Cen asked.

“Good medicine tastes bitter. In order to lower the fire, you have to endure even if it tastes terrible.” At this point, Cen Shaoqing turned to look at ye Zhuo and continued, “Leader, do you think I’m Right?” ”

“Ye Zao picked up the cup on the side and used the action of drinking water to hide the awkwardness on his face. “Yes, very right.” ”

“Old Mrs. Cen glanced at the two of them and said in puzzlement, “What’s wrong with the two of you? Why are you talking about riddles? It’s Strange!” ”

“I’ll go to the kitchen first.” Cen Shaoqing turned to go to the kitchen.

“The Cen family had a fixed menu every day, but since ye Zao was here today, he had to instruct the kitchen to make some of ye Zao’s favorite dishes. ”

“Although ye Zao said it was easy, Cen Shaoqing and ye Zao had been together for a long time, so he had already grasped ye Zao’s taste clearly. ”

“Sour, sweet, bitter, and spicy. These four tastes, other than ‘bitter’, ye Zao liked to eat everything. ”

“Among them, he liked desserts the most. ”

“As for the cuisine, she was more partial to Xiang cuisine. ”

“Cen Shaoqing came to the kitchen and asked the chef to make some of the dishes that ye Zao liked. Then, he went to the dessert room and asked the dessert chef to make more desserts. ”

Old Mrs. Cen and ye Zao sat in the living room in front of them and chatted.

“At this moment, a servant came in and said, “Old Mrs. Cen.” ”

“What’s Wrong?” Old Mrs. Cen looked up at the servant.

“Old Mrs. Zuo and Mrs. Zuo are here to see you,” the servant said. ”

“Please come in,” old Mrs. Cen said with a smile. ”

The servant turned around and went outside.

“Old Mrs. Cen looked at Ye Zao, “Yezi, you don’t have to be too restrained in a while. “They are not outsiders. When Old Mrs. Zuo was young, she and I were close sisters. Later, they went abroad and only returned recently. In a while, you can just follow behind me and call for help.” ”

Chapter 1854: 378: Face slapping. He regretted being a jerk! 5

“Okay.” Ye Zhuo nodded slightly.

“After saying that, old Mrs. Cen looked at the servant next to her and continued, “Go to the kitchen and tell the head chef to add more dishes. There will be guests coming in a while.” ”

“Okay, old Mrs. Cen.” ”

“Soon, the servant brought Old Mrs. Zuo and Mrs. Zuo in.”

“The Zuo family’s old lady looked about the same age as the Cen family’s old lady, while Madam Zuo was relatively much younger.”

Beside the two of them stood a very cute child in a suit.

“Elder sister, we haven’t seen each other for many years.” Old Lady Zuo walked over quickly and held Old Lady Cen’s hand with both hands, her eyes slightly red. ”

“Seeing her old friend again, Old Lady Cen was very excited. “I thought you would never come back in this lifetime! It’s like a Dream!” ”

“The capital is where I was born and raised. How could I not come back!” Although she had lived abroad for many years, old Mrs. Zuo’s family were all Chinese nationals. ”

“Old Mrs. Cen held old Mrs. Zuo’s hand tightly and said in a raspy voice, “It’s good that you’re back. It’s good that you’re back.” ”

“The two sisters talked for a while before Mrs. Zuo greeted her from behind. “Aunt Tang, long time no see.” ”

“Madam Zuo was Old Madam Zuo’s daughter-in-law, and her name was Sun Fanghua. ”

“Old Madam Cen looked at Sun Chuanghua and smiled. “Fanghua has changed! If I met her on the street, how would I be able to recognize her!” Although she was already 45 years old, Sun Fanghua took good care of herself and did not notice her actual age at all. ”

“Sun Fanghua looked at old madam Cen and said, “You have also changed.” ”

“Old Mrs. Cen nodded. “Yes, I have changed. I have become old.” ”

“No, you are not old at all.” Sun fanghua smiled and said, “You are getting younger and younger as you live!” ”

“This wasn’t any flattery. Although Old Mrs. Cen was old, she was still very energetic. ”

Her hair was white and her face was young.

“Old Mrs. Cen said, “She is almost 90 years old. If she isn’t old, she will become a demon. By the way, let me introduce you. This is my future granddaughter-in-law, Ye Zao.” ”

“After saying that, old Mrs. Cen looked at ye Zao and said, “Come, Ye. This is your Grandma Zuo, and this is Auntie Sun.” ”

“Ye Zao greeted politely, “Grandma Zuo, Auntie Sun.” ”

“Looking at Ye Zao, Old Mrs. Zuo and Sun Fanghua’s eyes were filled with shock. ”

“Before this, Old Mrs. Cen had once sent a photo of ye Zao to Old Mrs. Zuo. ”

The Ye Zao in the photo was already very beautiful. It was so beautiful that it could topple countries and cities. It was so beautiful that it did not seem like it was from this world.

“At that time, Mrs. Zuo had even joked that beauty techniques were too powerful now. Old Lady Cen was also someone who cared about her face. She always wanted to be first in everything and wanted to surpass Zuo Feng. ”

Zuo Feng was the only grandson of Old Lady Zuo and also the son of Mrs. Zuo.

“Therefore, this was definitely photoshopped. Who would be so beautiful. ”

Who would have thought...

“Who would have thought that after seeing her in person, she would actually be more beautiful than her photos. ”

“It was always the photos that were more beautiful than people, but when it came to Ye Zuo, it was actually people who were more outstanding than the photos! ”

This was too unbelievable!

“This, this is Shaoqing’s girlfriend?” After a long while, Old Lady Zuo finally reacted and asked. ”

“Yes.” Old Lady Cen said, “How is it? My future granddaughter-in-law is not bad, right?” ”

Old Lady Zuo nodded repeatedly. “Beautiful. She’s really too beautiful!”

“Hearing this, Old Lady Cen’s face was full of arrogance. If she had a tail, it would definitely be up in the sky by now. “That’s right! I personally chose my granddaughter-in-law. How can she not be beautiful?” ”

“Old Mrs. Zuo did not want to lose to old Mrs. Cen like this. She pulled up the child beside her and said, “Quick, call her great-grandmother.” ”

Great-grandmother?

Old Mrs. Cen was stunned.

“Old Mrs. Zuo smiled and said, “Elder sister, I forgot to tell you. This is Xiao Feng’s child, which is also my great-grandson.” ”

Great-grandson!

Old Mrs. Cen was stunned.

“Her great-grandson was still a dog, but her good sister already had a great-grandson who knew how to play along! ”

Comparing real people was infuriating.

“The child was about three or four years old. He looked at Old Lady Zuo with a confused expression and said, “Aren’t you my only great-grandmother?” ”

“Old Lady Zuo said, “Great-grandmother and this great-grandmother are the best sisters, so she is also your great-grandmother.” ”

“Old Lady Cen gulped and continued, “That’s not right! When did your Xiao Feng have a son? Why didn’t I know?” ”

“Old Lady Zuo smiled and said, “Isn’t this to give you a surprise?” ”

What a big surprise!

“Chapter 1855: 378: face-smacking, Scumbag, he regrets it! 6”

“All these years, old Mrs. Cen had never lost to Old Mrs. Zuo. The only one who lost to Old Mrs. Zuo was her great-grandson. She was a little unhappy, but this did not stop her from liking the children on the ground, she squatted down and asked, “Baby, What’s Your Name?” ”

“The little guy said obediently, “My name is Zuo Zihan. I’m three years old this year!” ”

“Looking at the cute and cute little friend, Old Mrs. Cen couldn’t wait to take him home immediately. ”

What a pity!

This wasn’t her great-grandson.

“”Good, that’s great!” Old Mrs. Cen continued, “Do you know what your great-grandmother’s name is?” ”

The little guy nodded. "Her name is Li Cuihua!"

Li Cuihua!

This little guy really dared to say that.

"One had to know that in the past, Old Mrs. Zuo cared the most about people calling her by her name."

"The people who were with her, this one was called poetic sentiment, that one was called Hua Yi, and she was called Cui Hua!"

"PFFT!" Old Lady Cen laughed out loud.

The smile on Old Lady Zuo's face could not be maintained. How could she have thought that old lady cen would ask such a strange question.

Western education was somewhat different from Chinese education.

"In China, it was extremely disrespectful for a junior to address an elder by his or her name."

"However, in the west, this was a very common thing. Hence, the little guy held the entire family's name."

"If the little guy did not suddenly mention it, Old Lady Zuo would have forgotten that she had such a country bumpkin name!"

"Seeing Old Lady Zuo's face turn green and white, Old Lady Cen felt a little better. She smiled and said, "Good boy, well said. Great-grandmother will reward you with a Lollipop." "

“After saying that, the servant came over with the Lollipop.”

“The Little Guy took the lollipop from the servant and said politely, “Thank you, great-grandmother.” ”

““You’re welcome,” Old Lady Cen said with a smile. ”

“The little guy skillfully peeled off the lollipop and walked to Ye Zao. He smiled and said, “Sister, you’re so beautiful. I like you.” ”

Children liked ye Zao without any disguise. He really liked ye Zao.

“It was not only because ye Zao was beautiful, but also because of the amiable temperament on her body, which made people unconsciously want to get close to her. ”

“Ye Zao slightly bent down, picked up the little guy and sat on his lap. He corrected him, “Do you know you have to call me Auntie?” ”

““But you are clearly sister,” the little guy said. ”

“His mother had already taught him to call her auntie when he was older. The young and beautiful ones had to call her sister, and the gray-haired ones had to call her grandma. ”

“Ye Zao smiled and said, “Sure, as long as you are happy.” ”

Being called sister was also a joyful thing.

“Very soon, CEN Shaoqing came out. ”

“Old Lady Zuo looked at Cen Shaoqing and ye Zao, and the more she looked at them, the more she felt that the two of them were a perfect match. ”

“At the same time, she also felt a little emotional.”

“She did not expect Cen Shaoqing to also find a girlfriend and start a family. Moreover, he did not want to make a name for himself, but he was able to make a name for himself.”

He had found such a beautiful girlfriend!

““Shaoqing, when are you going to hold the wedding with Zhonghua?” Old Mrs. Zuo asked.”

“CEN Shaoqing said, “There’s no rush.” ”

““There’s no rush!” Old Mrs. Zuo said, “You’re already in your thirties, right? Our Xiao Feng is three years younger than you. Zihan is already three years old!” ”

Cen Shaoqing’s thin lips parted slightly. “Zhonghua hasn’t graduated yet. We’ll talk about it after she graduates.”

““Oh, is that so!” Old Mrs. Zuo nodded.”

She had thought that Cen Shaoqing did not want to be responsible for ye Zhonghua!

It turned out that ye Zhonghua had not graduated yet!

It seemed that Cen Shaoqing was more involved with ye Zhonghua than she had imagined.

This child had suffered a huge setback this time!

Old Mrs. Cen was still secretly counting with her fingers when ye Zhonghua would graduate.

Ye Zao was now in his third year of college.

There was still a year left.

Old Mrs. Cen was extremely excited at the thought that she would soon be able to hold her great-grandchild.

She had to take good care of her body and smoothly see the birth of her great-grandchild.

“Ye Zao and Cen Shaoqing’s genes were both so good. Her great-grandchild must be both smart and cute, just like the Carp doll in the New Year Picture.”

“The more old Mrs. Cen thought about it, the happier she became. Her eyes almost narrowed into slits.”

“Soon, it was time to eat.”

The chef cooked a big table of dishes.

“When they were eating, Sun Fanghua was even more surprised.”

Because Cen Shaoqing had been serving ye Zhuo the entire time.

“Peeling prawns for her, splitting crab roe...”

“At the same time, Sun Fanghua was also somewhat envious of Ye Zhuo.”

“As a woman, Ye Zhuo was really too blessed!”

She had never eaten a single prawn that Zuo Lu peeled for her.

“After eating, at around four o’clock in the afternoon, old Mrs. Zuo and Mrs. Zuo proposed to leave.”

“Old Mrs. Cen held old Mrs. Zuo’s hand, somewhat reluctant to let her leave.”

Chapter 1856: 378: Face slapping. The Scumbag is regretting it! 7

The two of them were like happy enemies.

“When they couldn’t see each other, they would miss each other. When they could see each other, they would start to make fun of each other. No matter what, they had to fight to see who was better!”

“Old Lady Zuo said, “In the future, I won’t go to country C anymore. I’ll settle down in the capital. You can come and find me anytime. However, at our age in life, seeing each other is one less thing! Don’t think that my words are unlucky. I don’t know when I’ll die!” ”

“Hearing this, Old Lady Cen Sighed.”

Wasn’t life just a matter of opening and closing your eyes? Damn

“Hearing the word ‘Die’, the little guy immediately raised his head to look at Old Lady Zuo. “Great-grandmother, don’t worry. You Won’t Die!” ”

“Old Lady Zuo chuckled when she heard this. “Silly child, how can anyone not die?” ”

Who in this world didn’t die?

“Even Qin shi Huang, who wanted to live forever, couldn’t escape death in the end.”

“I’m serious. You really won’t Die!”The little guy said very seriously.

Old Lady Zuo patted the Little Guy’s head.

Old Lady Cen smiled and bent down. “Then will I Die?”

The little guy looked at Old Lady Cen and nodded. “You will.”

“Old Lady Cen continued, “Then why won’t your great-grandmother die? Zihan, you are too biased!” ”

The little guy was quite good at watching people cook.

““It’s not biased,”the little guy continued, “Because teacher KT often said that my great-grandmother is old and won’t die! So, Grandma will definitely be old and won’t Die!” ”

“This old woman, wasn’t she an old woman? ”

“The child’s thinking was very simple. He did not feel that this was a bad thing at all. Instead, he felt that it was a good thing, ”

“when she heard this, Old Mrs. Cen could not help but laugh out loud. ”

Old Woman!

Hahaha!

How could she have thought that this little guy would say such a golden sentence.

“When she heard this, Old Mrs. Zuo’s expression was a little ugly. ”

“Old Mrs. Cen continued, “Who is teacher Kt? isn’t this misleading people’s Children?” ”

“Mrs. Zuo also felt a little awkward and continued, “It’s a Chinese teacher, but he no longer teaches children.” ”

“The little guy looked up at Mrs. Zuo and said, “Grandma, could it be that teacher KT is wrong? Will Grandma Die of old age? Then why did teacher KT say that Grandma will not die of old age?” ”

“In the child’s impression, everything the teacher said was right. That was why he remembered this sentence so deeply. ”

“Chinese culture was extensive and profound. A sentence had many layers of meaning. For a moment, Mrs. Zuo did not know how to explain it to the little guy. She could only say, “I’ll tell you when I go back. Quickly say goodbye to Great Grandma and sister.” ”

“Fortunately, the little guy did not ask any more questions and continued, “Goodbye, Great-grandma. Goodbye, beautiful sister.” ”

“Goodbye.”

“After sending her off to the car, old Mrs. Cen laughed out loud. “This child, I’m dying of Laughter!” Ever since she found out that Zuo Feng actually had a child, old Mrs. Cen had always felt that she was being suppressed by Old Mrs. Zuo, this time, she was finally able to hold her head up high! ”

How delightful!

“Ye Zao stretched out his hand to support old Mrs. Cen. “Slow down, don’t fall.” ”

““Don’t worry, you won’t fall.” Old Mrs. Cen continued, “Zao Zao, did you see your Grandma Zuo’s expression just now?” ”

Ye Zao nodded slightly.

The two of them had just entered when Cen Shaoqing walked out with Ye Zao's bag.

"Old Mrs. Cen asked, "Where are you going?" "

"To send Zao to school."

"As summer vacation approached, the school was getting busier and busier. Ye Zao promised the Counselor to do an experiment at five in the afternoon. If Cen Shaoqing had not mentioned it, ye Zao would have forgotten about it! "

"Hearing this, Old Mrs. Cen said with disappointment, "You still want to go to school now?" "

She had originally wanted ye Zao to accompany her for dinner!

"With Ye Zhuo accompanying her, she could eat more for dinner. "

Ye Zhuo nodded slightly. "I promised the counselor that I would definitely go."

"Alright then." Old Mrs. Cen continued, "Remember to come home more often when you're free and accompany Grandma for dinner." "

"Yes, don't worry, I will." "

"Let's go." Cen Shaoqing looked at Ye Zhuo.

Ye Zhuo turned around and followed Cen Shaoqing's footsteps.

They sat in the passenger seat.

“The two of them did not say anything, and the atmosphere was a little strange.”

Cen Shaoqing started the engine and left.

“Ye Zao secretly looked at his profile and then said, “Can we really not discuss hypnosis anymore?” ”

“”No,” Cen Shaoqing said concisely. ”

“Why are you like this?” Ye Zao said.

Cen Shaoqing’s thin lips opened slightly. “Hypnosis is too exhausting for the body. We’ll talk about it after a week.”

“Chapter 1857: 378: Face slapping. Scumbag, he regrets it! 8”

“”Don’t worry, my body is very strong.” She could not wait to solve all the puzzles. How could she wait for a week? ”

Cen Shaoqing looked ahead and focused on driving. He did not say anything.

“Ye Zhuo continued, “If you hypnotize me, I will end your internship early. How about that?” ”

“Hearing that, Cen Shaoqing remained silent. ”

“Ye Zhuo continued, “I know you’re worried about me, but don’t worry, my body is really good! I promise you, nothing will happen to me! I’m a doctor, do you think I can still perform stewing myself in an iron pot?” ”

“Cen Shaoqing was right. Hypnosis was indeed bad for her body, but it was within the range that she could withstand. ”

“Be Good.”Cen Shaoqing held the steering wheel with one hand and patted ye Zao’s head with the other.

“Soon, the car stopped at the entrance of Beijing University. ”

Ye Zao got out of the car. “I’ll be leaving first.”

Cen Shaoqing stood in front of the car and nodded slightly. “Go. I’ll pick you up at night.”

““You can come the day after tomorrow.”Ye Zao continued, “We have exams tomorrow. I’ll stay in the dormitory tonight.” ”

“Speaking of which, Ye Zhuo had not stayed in the dormitory for a long time. ”

“Okay.”Cen Shaoqing nodded slightly.

“Watching ye Zhuo’s figure disappear in front of him, Cen Shaoqing turned around and got into the car.
”

Ye Zhuo came all the way to the laboratory. The professor was already waiting inside.

Two days later.

Winter vacation officially began.

“Originally, Li Yueyue was going to take the green train home.”

“But father Li was worried and insisted on flying over to pick up Li Yueyue. Helpless, Li Yueyue could only follow her father to the airport.”

The father and daughter chatted as they walked.

“This scene was coincidentally seen by Ouyang Nai, who was walking in front.”

Ouyang nai frowned slightly. Li Yueyue?

What did Li Yueyue want?

She chased him all the way to the airport!

A poor student like Li Yueyue definitely wasn't here to take a plane.

Was She Rich?

“At this moment, Ouyang Yuan stopped in his tracks. “Xiao Nai, wait a moment. I'll go and summon boss Li.” ”

“Ouyang Yuan was Ouyang Nai's father. Due to his work, he had met many bosses.”

“Okay.”Ouyang Nai nodded.

“Ouyang Yuan jogged over. Ouyang Nai took out her phone to take a look. When he looked up again, he saw his father standing beside Li Yueyue and the middle-aged man.”

Could it be that the boss Li that his father was talking about was the middle-aged man beside Li Yueyue?

What was the relationship between Li Yueyue and him?

Could she be a mistress?

“Thinking of this, Ouyang Nai had goosebumps all over her body.”

She didn’t expect that Li Yueyue was such a woman!

“Soon, Ouyang Yuan came back. Ouyang nai asked curiously, “Dad, was that boss Li just now?” ”

“Ouyang Yuan nodded and said, “The one next to him is his daughter, Li Yueyue. She’s also from Beijing University.” ”

Boom.

Something exploded in Ouyang Yuan’s mind.

Who Was Li Yueyue?

Boss Li’s Daughter?

How could that be!

Li Yueyue’s family was just a cattle breeder. How could she be boss Li’s Daughter?

No!

This was impossible!

Ouyang Nai took a deep breath.

“Ouyang Yuan asked curiously, “Little Nai, what’s wrong? Are you not feeling well?” ”

Ouyang Nai shook her head. “No.”

“After saying that, ouyang nai continued, “Dad, Wait for me here. I’ll be back soon.” ”

Ouyang Nai jogged all the way to Li Yueyue’s side.

“Li Yueyue.”

“What’s Wrong?”Li Yueyue looked at Ouyang Nai.

“Ouyang nai continued, “Didn’t you say that your family raised cattle? You Lied to me!” ”

“Li Yueyue looked up at Ouyang Nai. “Our family not only raises cattle, but all the cattle and sheep in the grassland belong to our family.” ”

Chapter 1858: 379: I was stunned! 1

The entire grassland belongs to Li Yueyue’s family?

“Hearing this, Ouyang Nai was stunned. ”

She couldn't tell what expression she had on her face.

“Currently, the beef was 50 yuan per catty, and each consumption cow was worth about 45,000 yuan. If Li Yueyue's family raised 1,000 consumption cows, it would be worth 40 million!”

“But in the entire grassland, how many more than 1,000 consumption cows?”

“Raising 10,000 was more than enough.”

“Most importantly, not only did Li Yueyue's family raise cattle, but they also raised sheep in the entire grassland. In this way, the Li family's assets were at least over a billion!”

This was too terrifying!

Ouyang Nai only had two words in her heart.

She was lying.

Li Yueyue was definitely lying.

“Previously, Ouyang Nai had seen Li Yueyue's parents in the video. Their clothes were shabby and their faces were sallow and thin. How did they look like a billionaire?”

“Today, this boss Li was tall and strong. His face was shiny. One look and one could tell that he was a nouveau riche!”

No.

That was not right.

Boss Li could not be Li Yueyue's father.

"In just a few seconds, Ouyang Nai's thoughts had already turned a thousand times."

"Then why did you lie to me before?" Ouyang Nai asked.

"What did I lie to you about?" Li Yueyue continued, "I've always said that my family raised cattle."

"From the beginning to the end, Li Yueyue had never hidden her family background."

This included meeting her parents through a video call.

It was just that she had met Li Yueyue's godparents at that time.

"Godparents did not like to dress up, so they let godparents leave the country to test Ouyang Nai at the same time."

She did not expect that this test would make Ouyang Nai reveal her fox tail.

"Now, when Li Yueyue saw Ouyang Nai again, all that was left was disgust."

It was very disgusting.

"After hearing this, Ouyang Nai was stunned."

Yes.

Li Yueyue was right. She had always said that her family raised cattle...

“However, what Ouyang Nai did not expect was that Li Yueyue’s family actually raised an entire grassland of cattle and sheep.”

“I...” Ouyang Nai stammered.

Li Yueyue glanced at Ouyang Nai and did not say anything more. She turned around and left.

“Ouyang Nai looked at Li Yueyue’s back and wanted to say something, but in the end, she couldn’t say anything.”

“”Xiaonai! What are you doing!” Ouyang Yuan trotted over. “That was boss Li’s daughter just now, right? Do you know her?” ”

“Ouyang nai gulped and continued, “Then, is that really boss Li’s Daughter?” ”

“”Nonsense! How could it be fake?” Ouyang Yuan continued, “Don’t you realize that boss Li’s daughter looks very similar to boss Li?” ”

So...

Li Yueyue was really boss Li’s Daughter?

Their family had an entire grassland of cattle and sheep?

Their family was a billionaire!

How could this be?

“At this moment, Ouyang Yuan seemed to have thought of something, he continued, “Oh right, you seem to be an alumnus of Boss Li’s daughter, right? “Let me tell you, Xiao Nai, in the future, when you

look for friends, look for them according to the standards of Boss Li's daughter. Boss Li has said that whoever marries his daughter will use half of the grassland's cattle and sheep as a dowry!" "

That was half of the grassland's cattle and sheep!

It was worth over ten million!

Whoever marries Li Yueyue home would be equivalent to marrying a gold mine.

There was no need to work hard in the future. He could just sit at home and count the money.

"Hearing this, Ouyang Nai's heart was even more uncomfortable. "

"It was his mistake to treat the pearl as a fish's eye. He had missed out on Li Yueyue, who was a fair, rich, and beautiful woman! "

What should he do now?

Ouyang Nai was very regretful now. He was so regretful that the ground turned green!

He should not have broken up with Li Yueyue.

He should not have looked down on Li Yueyue.

"If he had not broken up with Li Yueyue, then half of the grassland would have been his! "

"Seeing Ouyang na like this, Ouyang Yuan frowned and said, "What's wrong? Are you not feeling well?" "

"No, no," Ouyang na continued, "Dad, actually, Li Yueyue is my girlfriend." "

“Hearing this, Ouyang Yuan’s eyes lit up. He even thought that he was hearing things. ”

Li Yueyue was actually Ouyang Nai’s girlfriend!

Oh My God!

“Really?”Ouyang Yuan asked.

Ouyang Nai nodded.

Of course it was true!

“Ouyang Yuan immediately said, “Then let’s hurry over now and say Hello Again! Boss Li is in the VIP lounge over there. They are flying a private plane over. If we are late, it will be too late!” ”

“Wait a minute.”Ouyang Nai held Ouyang Yuan’s hand.

“What’s Wrong?”Ouyang Yuan turned around.

“Ouyang NAI’s expression was a little bitter. “We, we have already broken up.” ”

“Thinking of the breakup, Ouyang Nai wanted to beat that stupid herself to death. ”

Chapter 1859: 379: she was stunned! 2

“What? We broke up!”The surprise in Ouyang Yuan’s eyes turned into disbelief.

“Yeah.” Ouyang Nai nodded. “We broke up.”

“Are you stupid? !” Ouyang Yuan was almost angered to death by Ouyang Nai. “This is a marriage that others can not get even if they begged for it. But you! You just broke up!”

Ouyang Nai was also about to cry. This feeling of missing out on a billionaire was too unbearable. “I thought her family was just an ordinary sheep farmer!”

“Idiot!” Ouyang Yuan cursed angrily. “You are an idiot! As stupid as your mother!”

Ouyang Nai lowered her head and did not say anything.

It was too late to say anything now.

“Ouyang Yuan continued, “Which one of you went after the other first?” ”

““I went after her,” Ouyang Nai replied. ”

“Ouyang Yuan said, “Since she accepted you, it means that she definitely has you in her heart. How about this, you can go after her again.” ”

Didn’t the books say that?

“It only took a minute to like someone, but it took a lifetime to forget someone. ”

“Ouyang Nai was very handsome. She was simply a young male idol. Now that all the young girls were infatuated with her, Li Yueyue would definitely not forget Ouyang Nai so quickly. ”

“Is this okay?” Ouyang Nai asked.

“Ouyang Yuan’s face was stern. “Whether it’s okay or not, we have to try. We can’t just let a little fat sheep escape.” ”

There was nothing to lose by trying.

What if it succeeded?

Ouyang Nai nodded. She took out her phone and added Li Yueyue’s various social media accounts.

“Back then, in order to stop Li Yueyue from pestering her, Ouyang Nai blocked all of Li Yueyue’s social media accounts! ”

“After clicking on the add, Li Yueyue did not immediately agree. ”

Ouyang Nai comforted himself in his heart.

“Li Yueyue was on the plane now. The signal was bad on the plane, so it was normal that she could not see. When Li Yueyue got off the plane, she would definitely agree! ”

“After all, Li Yueyue loved him so much! ”

“Thinking of this, Li Yueyue felt a lot better. ”

At the same time.

On the other side.

Changyue country.

“At present, it had been a week since Qiu di had obtained the information on the star-crossing case.”

But Qiu di still hadn't found a way to open the information on the star-crossing case.

Qiu Di was a little anxious.

She couldn't wait like this anymore!

“After all, the day of the general election was approaching. If she was still unable to check the information on the star-crossing case, at that time, she would definitely be taken out to make a fuss.”

“Thus, autumn flute brought ye Han to the headquarters of the eight great families.”

“Before coming back, she had already prepared a foolproof plan.”

“Therefore, on this trip, she would definitely be able to gain the trust of the eight great families and smoothly ascend to the throne.”

She walked out of the aircraft.

Autumn flute looked at Ye Han. “You wait here. I'll go in first.”

““Yes, eldest miss.”Ye Han nodded.”

Qiu Di turned around and walked inside.

““Stop.”Just as she reached the door, Qiu Di was stopped by a guard.”

“I'm Qiu Di. I want to see the Chief.”Qiu Di said.

“Do you have an appointment?”The guard asked.

Qiu Di looked at the guard and frowned. “I want to make an appointment to see your chief?”

Did she know who she was?

She was someone who looked down on others!

“The guards looked at Qiu di and said, “No matter who you are, you have to make an appointment when you see our Chief.” ”

“Qiu di frowned slightly and opened the communication device. “Wu Han, come over here for a moment.” ”

““Okay,”ye Han said. ”

“In less than three minutes, ye Han came over. ”

“When they saw ye Han, the guards still refused to let him pass. ”

Ye Han directly took out a red sandalwood token.

“The wooden token looked very ordinary, with the word ‘Ye’carved on the side. When the guards saw this wooden token, they immediately bent over 90 degrees. “Miss Ye!” ”

This was ye Zhuo’s wooden token.

“With this wooden token, one could freely enter and exit any place in changyue! ”

Qiu Di narrowed her eyes and stretched out her hand towards ye Han. "Give it to me."

"If she had known that ye Han had a wooden token, she wouldn't have gone through so much trouble!"

"Hearing this, Ye Han immediately handed it over with both hands."

Qiu Di took the wooden token and swaggered inside. She turned to look at Ye Han. "Wait outside."

Ye Han stayed where he was and waited for orders.

"Because of ye Zhuo's wooden token, Qiu di smoothly arrived at the great clan leader's study."

"Standing in front of the great chief's study, Qiu Di narrowed his eyes. In the next moment, his expression changed and he knocked on the door."

"Soon, the great chief's voice came from inside."

"Come in."

Qiu Di pushed the door open and entered.

"Chief Shangguan," Qiu di said."

"Hearing Qiu Di's voice, the great chief frowned. He turned around and saw Qiu di, "Why are you here?"

"

Chapter 1860: 379: immediately stunned! 3

Who let autumn flute in?

“In the Chang Yue country, besides Ye Zhuo, no matter who came to the headquarters of the eight great clans, they had to make an appointment in advance.”

“Last Time, Ye Han was an accident.”

“After all, Ye Han was ye Zhuo’s only younger brother, and also his only confidant.”

“He originally thought that when he saw ye Han, he would have news of ye Zhuo. Who would have thought that ye Han actually forgot everything and betrayed Ye Zhuo.”

“Autumn flute was someone who knew how to read People’s expressions. When he saw that the first chief’s expression was not right., he immediately said, “Chief Shangguan, I know that you have to make an appointment to see me. This is not anyone’s fault. Please don’t misunderstand the guards at the door. I came in through this.” ”

“As he finished speaking, autumn flute took out the wooden tablet.”

“When he saw the wooden tablet, the first chief was stunned.”

Where did Qiu di get the wooden token?

Stole it?

What could a person like Qiu di not do?

“Qiu di continued, “Great Patriarch, I know that you have a misunderstanding about me. You think that I’m inferior to Miss Ye in every way. And I’m indeed inferior to Miss Ye. However, please rest assured. Although I’m not an outstanding great figure, I’m definitely not someone as unbearable as you imagine... ..”

“Previously, it was autumn flute who thought things were too simple. She had always thought that as long as she could subdue ye Han, she would be able to win the general election. Now, it seemed that if she wanted to pass the general election, she had to pass through the eight great clans.”

“When facing the eight great clans, she couldn’t forcefully take them, she could only take them by intelligence.”

Autumn flute hadn’t finished her sentence when she was directly interrupted by the great clan leader. “What do you mean by coming here today?”

“”Head chief, Listen to me.” Qiu Di was not angry at being interrupted by the head chief. On the contrary, he was smiling, he continued, “Actually, before Miss Ye met me, she said that she and I are fated. If anything happens to her in this experiment, she hopes that I can replace her and complete her unfinished mission.” ”

The head patriarch looked at Qiu Di. The mockery in his eyes could be clearly seen. “Miss Ye met you?”

How was that possible!

“If ye Zao really had some sort of friendship with Qiu Di, it was impossible for the eight great clans not to know anything about it.”

It was clearly Qiu di speaking nonsense!

“This kind of person was really too terrifying. In order to achieve his goal, he would say anything.”

“”Yes.” Qiu Di nodded slightly, then, she said, “Actually, I met Miss Ye once 16 years ago. Miss ye is a grateful person. Back then, I merely saved Miss Ye’s life, and she remembers it to this day. “It’s not your fault for being loyal to her. Miss ye is indeed worthy of everyone’s loyalty!” ”

“In any case, Ye Zao was already dead. There was no evidence to prove his death, and she had indeed met ye Zao once 16 years ago.”

“Unless ye Zao could come back from the dead, otherwise, no one would ever be able to expose her lies.”

But she was already dead. Could she come back to life?

“Naturally, she couldn’t.”

“Hearing this, the great clan leader was stunned.”

Qiu Di had actually saved ye Zao!

How was this possible?

“Ye Zao was a grateful person. If Qiu Di had really saved her, she wouldn’t have been so cold towards Qiu Di.”

“Qiu Di observed the changes in the DA clan leader’s expression and spoke softly, “Great clan leader, I know that you may not believe everything I’ve said, but what I’ve said is true. “Actually, I didn’t want to say all of this, but when I thought of what Miss Ye had told me before she died, I couldn’t let her down. “So, after thinking for a long time, I decided to say all of it.” ”

““Miss Ye was an orphan. That year, when I met her, she was only six years old. “My father originally wanted to keep her as a servant for me, but I saw that she was the same age as me and still had injuries on her body. She was really pitiful, so he asked the doctor to come over and treat her injuries. He also gave her a sum of money. “After this, I never met her again. When I met her again, she had already gone from that homeless child back then to Miss Ye, who was the focus of everyone in changyue.” ”

““I originally thought that Miss ye no longer remembered me. Who would have thought that not only did miss ye remember me, but she also remembered that incident back then.” ”

“Hearing this, the chief frowned slightly, as if questioning the authenticity of Qiu Di’s words.”

“In Changyue, very few people knew that Ye Zao was an orphan.”

“But Qiu Di knew everything. He even knew that sixteen years ago, Ye Zao was almost sold.”

Could it be... ? ... that Qiu Di was really Ye Zhuo's Savior?

“For a moment, the chief was also stunned.”

“After a moment, the chief raised his head to look at Qiu Di and continued, “Just based on your words, why should I believe you?”
