Chapter 1861: 379: immediately stunned! 4

“Qiu Di looked at the head chief and continued, “Wu Han is the best proof.” ”

Wu Han?

But Wu Han was clearly ye Han!

“”Head chief, I think you should know that Wu Han used to be called Ye Han. Do you know why he suddenly changed his name to Wu Han?” ”

The head chief narrowed his eyes and did not say a word.

What was this autumn flute up to?

“Autumn flute continued, “It’s because of Miss Ye. Actually, to tell you the truth, Ye Han can no longer remember anything from the past, including Miss Ye. Do you know why he suddenly became like this?” ”

“”It’s also because of Miss Ye. Miss ye knew that this experiment was doomed, so she arranged everything in advance. “She changed ye Han’s memories so that ye Han would forget about him. In order to prevent anything from happening to her, Ye Han was filled with grief and indignation, so she transferred all of Ye Han’s memories of her to me. “That’s why ye Han was so loyal to me.” ”

“At this point, Autumn Flute’s eyes reddened, she continued, “Miss Ye is a good person, and even more so, a good sister. “I knew that my qualifications weren’t enough and that it would be difficult to wait for the grand hall, but Miss Ye had decided on me. “She asked me to take good care of Ye Han, and since there was no one else by Miss Ye’s side that I could rely on, I could only agree to her.” ”

Everything that Qiu di said seemed to be within reason.

But the head patriarch felt that something was wrong.

Was it really because of this that ye Han lost his memory?

“Also, since ye Zhuo already knew in advance that this experiment was doomed, why didn’t he reveal anything in front of the eight great clans?”

“Qiu Di couldn’t control her tears. As she cried, she said, “After Miss Ye left, I was also very sad. You might not believe me if I told you, but it took me two whole months to completely accept reality.””

“Speaking up to this point, Qiu di seemed to have thought of something and continued, “Oh right, this is the information of the star-crossing case. I’ll return it to its original owner now.””

“Looking at the information on the star-crossing case., the head patriarch continued, “Since you keep saying that you and miss ye are good friends and that you once saved Miss Ye’s life, then why didn’t miss ye tell you what the password for the information on the star-crossing case is?””

“If ye Zhuo really regarded Qiu di as his successor, it was impossible for him not to tell her about this matter!”

“Qiu di sniffed and continued, “Miss Ye told me everything. It was I who was unwilling to take it. Because I didn’t believe that anything would happen to Miss Ye!””

“”Head chief, I really didn’t lie to you. Even if you didn’t believe me, I should believe Miss Ye.”Saying this, Qiu di passed a string of pink beads to the head chief. “Oh right, this is the keepsake that Miss Ye gave me.””

“Seeing this string of beads, the head chief’s pupils constricted.”

This string of beads was not some rare treasure.

“One star dollar could buy five or six of those kinds, but to ye Zhuo, they were even more precious than rare treasures.”

This was the only keepsake that ye Zhuo’s birth mother had left for ye Zhuo.

He had not expected that ye Zhuo would actually give such an important thing to the autumn flute!

“Qiu Di quickly put the beads back into his pocket and continued, “Head chief, I think you should know the origins of this string of beads! This is the only thing that Miss Ye’s mother left behind for Miss Ye.” ”

The head chief narrowed his eyes.

“Qiu di said, “And this wooden token that allows you to enter and exit Chang Yue country at will was also left behind by Miss Ye. If I wasn’t the person that miss ye trusted the most, do you think she would have left all these things to me?” ”

“For a moment, the chief was a little confused.”

What was going on?

Could it be that everything that Qiu di said was true?

Should he believe Qiu di or not?

What should he do now?

“If what Qiu di said was true, then wouldn’t he be letting down ye Zao?”

“Saying this, Qiu di stood up, he continued, “You are clear about Miss Ye’s ability, and you are also clear about ye Han’s ability. If it wasn’t because Miss Ye volunteered, who do you think could force Miss Ye, and who else would have the ability to change ye Han’s memories?” ”

“As he finished speaking, Qiu di placed the information on the star-crossing table on the table and bowed slightly at the head chief, “Head chief, I’ve already said what I wanted to say. Miss Ye’s meaning has already been conveyed. If you don’t believe me, it’s fine. At least, I won’t feel like I owe miss ye anything.” ”

“After saying what he wanted to say, Qiu di turned around and left without the slightest hesitation. ”

“Looking at the back of Qiu Di, the chief frowned deeply. ”

Chapter 1862: 379: he was immediately stunned! 5

Was what Qiu Di said true?

Qiu Di walked all the way to the door.

Ye Han was still standing outside.

“Seeing that Qiu di seemed to have cried, ye Han frowned slightly. “Miss, did Shangguan Zhi Bully You?” ”

“”No.”Qiu di said, “Don’t be rude to the Shangguan clan leader in the future.” ”

“With Qiu Di’s words, even if ye Han was angry, he didn’t dare to act rashly. He could only nod and say, “Yes.” ”

“After Qiu di left, the head chief immediately gathered everyone and held a meeting. ”

“After learning of Qiu Di’s words and actions today, everyone discussed animatedly. ”

“What if what Qiu di said is true?”

““What Qiu di said is indeed very reasonable. Miss ye is so powerful. Other than her own willingness, who else can force her?” ”

““In that case, Miss ye personally changed ye Han’s memories?” ”

“At this moment, the fifth clan leader stood out and said, “Other than Miss Ye, there’s another person who can also alter ye Han’s memories.” ”

“Who?”The first clan leader asked.

The other five clan leaders were also very curious.

““The Witch Doctor,”the fifth clan leader said. ”

““Witch Doctor?”Hearing this, the second clan leader frowned slightly and continued, “But the witch doctor disappeared three years ago.” ”

“Three years ago, after the Witch Doctor lost to Ye Zao, he disappeared without a trace. There was even a rumor that the witch doctor could not face someone who was one round younger than him, so he swallowed medicine and committed suicide! ”

“However, this rumor was not confirmed. ”

“The third patriarch said, “Not to mention that the witch doctor is already dead, even if the Witch Doctor is still alive, he is still not a match for Miss Ye! Otherwise, he would not have lost to miss ye three years ago!” ”

“Hearing this, the other elders nodded their heads in agreement. ”

“The head clan leader continued, “Then how much credibility do you think Qiu Di’s words have?” ”

“The six clan leaders were the first to speak, “I think it’s 70% .” ”

Because Qiu di’s words were reasonable and had evidence.

“Furthermore, ye Zao had given the only pearl on his body to Qiu Di! ”

One had to know that ye Zao viewed that string of pearls as more precious than his own life.

“Since ye Zao was able to give such a precious thing to the autumn flute, it meant that she truly acknowledged the autumn flute! ”

“In the past, they didn’t think that the autumn flute could take the lead and preside over the overall situation. But now, when they heard that the autumn flute was personally entrusted by ye Zao, they felt that the autumn flute could be erected. ”

“After all, Ye Zao’s judgment of people wouldn’t be wrong! ”

The seven clan leaders and eight clan leaders all agreed with the words of the six clan leaders.

The Five clan leaders and the four clan leaders did not speak.

“The second clan leader said, “I feel that you are all a little too anxious. Anyone can tell lies. What if all of this is just a figment of the autumn flute’s imagination?” ”

“The third clan leader followed, “Everyone, do you still remember the prophecy of the fall of the Qiu Clan?” ”

“For thousands of years, there had not been a single ruler with the surname Qiu among the rulers of Changyue. ”

“Hearing this, the crowd fell silent for a moment. ”

“The great clan leader continued to speak, “The Prophecy is just a prophecy after all. Who can guarantee that the prophecy will be 100% successful? Ever since the establishment of changyue, there has been no precedent of women ascending the throne, but doesn’t miss ye still manage Changyue in an orderly manner?” ”

Yes.

“Before ye Zhuo, the rulers of the Chang Yue country throughout the generations were all men. ”

The Chang Yue country did not have a view of true equality between men and women. It was ye Zhuo’s appearance that broke this situation and allowed true equality between men and women to be achieved.

“”But what if the prophecy is fulfilled?”The three clan leaders continued, “The insect race has always been eyeing us with covetous eyes. At present, they still don’t know that something has happened to Miss Ye. If they were to know, a great battle would inevitably occur. Can Qiu di take Miss Ye’s place to fight?” ”

“”You can’t say that,”the eight clan leaders said, “Even if autumn flute doesn’t take the throne, someone must take it. “Could it be that in the entire Chang Yue country, there’s still someone who can replace Miss Ye and start a war with the insect race? “Since autumn flute was personally chosen by Miss Ye, it means that autumn flute definitely has something extraordinary.” ”

These people were absolutely loyal to ye Zhuo.

“Now that they heard that ye Zao personally chose the autumn flute, then no matter how unbearable the autumn flute was, they would all accept it! ”

“For a time, the eight of them argued endlessly.”

“In the end, the few of them watched the surveillance footage together.”

“On the surveillance footage, autumn flute’s expression was natural. It really couldn’t be seen that she had any traces of disguise.”

“Finally, the second patriarch stood out and said, “Didn’t autumn flute say that 16 years ago, she once saved Miss Ye? Then let’s go check now to see if there’s such a thing!” ”

“The first clan leader nodded, and the others nodded in agreement.”

“Now, there was only one way to go!”

“With the state of Changyue’s advanced technology, it was not difficult to find out what happened sixteen years ago.”

“Very quickly, the assistant brought the things that had been investigated and brought them to the first clan leader.”

“The information showed that sixteen years ago, Ye Zao had indeed stayed at the Qiu family for a whole week, and Qiu Chang Town had indeed thought of keeping ye Zao as a servant for Qiu Di.”

“But later, for some unknown reason, this idea did not come true.”

“Could it be that, just as Qiu di had said, she could not bear to see ye Zao, who was the same age as her, become her servant? After ye Zao’s injuries were healed, she let ye Zao Leave?”

“For a moment, the several clan leaders looked at each other and saw the confusion in each other’s eyes.”

On the other side.

“Ever since autumn flute left, autumn town had been feeling very uneasy. They were afraid that autumn flute would encounter a problem with Shangguan Jue!”

“At this moment, they heard the sound of an aircraft outside. Autumn town immediately ran to the door. “Di’er.” ”

Autumn flute came down from the aircraft. “Father.”

“How is it?” Autumn town asked impatiently.

“Qiu di said, “Let’s talk inside.” ”

“Okay.” Qiu Changzhen nodded and followed Qiu di inside.

“After walking inside and closing the door, Qiu Changzhen hurriedly asked, “Di’er, how is it? How did that Old Fox, Shangguan Jue, React?” ”

Qiu Di’s expression was calm. “There shouldn’t be any problem.”

“After all, there were no loopholes in her story and there were traces to follow! ”

The only loophole was ye Zao.

But Ye Zao was already dead!

“Ye Zao’s corpse was still in the liquid nitrogen room. Even if ye Zao wanted to use his corpse to resurrect himself, he didn’t have the conditions! ”

“Seeing Qiu di like this, Qiu Changzhen heaved a sigh of relief. He nodded and said, “Is there really no problem?” ”

“”Yes.”Qiu di continued, “Shangguan Jue and the others are so loyal to ye Zao. I’m also ye Zao’s Savior. They know what to do.” ”

“In fact, Qiu di could be considered half of ye Zao’s Savior! ”

“If she had kept ye Zao as a servant back then, there wouldn’t have been ye Zao, who would be the center of attention later on? ”

“”What about the information on the star-crossing case?”Qiu Changzhen continued, “Did they tell you the password?” ”

“Not yet.”Qiu Di shook her head.

“Not Yet?”Qiu Changzhen frowned.

“It seemed that the eight families still did not trust autumn flute. Otherwise, they would not not have told autumn flute the password to the information on the star-crossing case! ”

“Without the password to the information on the star-crossing case, how could autumn flute conquer everyone in the general election? ”

“Autumn flute turned to look at autumn town and continued, “Father, we can’t rush things like this. We have to take things step by step.” ”

“Although the great patriarch did not tell her the password to the information on the star-crossing case, the Great Patriarch’s performance today told her that the great patriarch was slowly accepting her. ”

“After saying that, Qiu di continued, “Three days. I only want three days! I promise that Shangguan Jue will send all the information and the password to me within three days.” ”

“Really?” Qiu Changzhen expressed his doubt.

“You’ll know when you see it.” Qiu Di smiled.

“Seeing Qiu di’s confidence, Qiu Changzhen narrowed his eyes. ”

“His daughter had never let him down since she was young. This time, she would definitely not let him down! ”

* *

At the CEN residence.

Ye Zhuo came to find Cen Shaoqing as promised to hypnotize him.

“When she arrived at the CEN residence, it was 9:30 in the morning. ”

“When she suddenly saw ye Zhuo, old madam Cen said in surprise, “Ye, why are you here! Shaoqing even said that he would pick you up at 10:30!” ”

“Chapter 1863: 271: love your wife as if it were your life, fifth CEN”

“Cen Shaoqing and ye Zao had agreed to Hypnotize Ye Zao at 11 o’clock. He went to pick ye Zao up at 10:30, but ye Zao suddenly had the urge to drive, so he drove himself here in advance. ”

They drove madly and arrived at the Cen Manor in less than 15 minutes.

“I wanted to drive, so I came here by myself.” Ye Zao smiled and said, “Grandma Cen, have you eaten?”

”

“I have.” Old Mrs. Cen nodded and said with a smile, “If I knew you would come so early, I would have waited for you to eat with me.”

“I brought some cake for you.” Ye Zhuo handed the bag in his hand to old Mrs. Cen.

“Your mother made it herself, right?” Old Mrs. Cen asked.

“Yes, she did.” Ye Zhuo nodded slightly.

“Old Mrs. Cen smiled and said, “I love eating the cake your mother made personally!”

“Not only was ye Shu a good cook, but her glutinous rice cake cooking skills were also unprecedented.”

“Every time, old Mrs. Cen could eat a lot.”

“Ye Zao smiled and said, “And this, this is the healthy dog food that my mother made for Da Liang.”

“Because she had a dog at home, ye Shu often made dog food herself.”

“When she learned that ye Zao had drunk and brought back a samoyed, she made more.”

“Really? Your mother even made dog food for Da Liang?” Old Mrs. Cen asked in surprise.

“Yes.” Ye Zhuo nodded slightly. “That’s it.”

“Hearing this, Da Liang seemed to understand. She ran over from not far away and rubbed her dog head against ye Zhuo’s leg. She began to act coquettishly. ”

Ye Zhuo stroked her dog head. “Da Liang.”

“Woof!” Big Beauty barked at Ye Zao.

“”Zao Zao, let me tell you. Big Beauty is very smart!” Old Mrs. Cen held ye Zao’s hand and said somewhat excitedly. ”

“What do you mean?” Ye Zao asked.

“Old Mrs. Cen immediately demonstrated to Ye Zao. “Big Beauty, sit.” ”

Big Beauty immediately sat on the ground and stared at Old Mrs. Cen with a pair of cute big eyes.

“Old Lady Cen said again, “Lie.” ”

“After receiving instructions, big beauty immediately lied down on the ground. ”

“Shake hands.” Old Lady Cen placed her hand in front of big beauty and put her dog paw on Old Lady Cen’s hand.

“My Great great-grandson is awesome!” Old Lady Cen rewarded Big Beauty with a freeze-drying.

“After receiving the freeze-drying, big beauty left in satisfaction. ”

“Old Mrs. Cen turned to look at Ye Zhuo again. “What do you think, Yezi? Da Liang is pretty and smart, right?” ”

“Yes.”Ye Zhuo nodded slightly. “Smart!”

“At this moment, Old Mrs. Cen received a message and looked up at Ye Zhuo. “Yezi, Old Mrs. Zhou sent me a wechat message. I’m going to take da Liang on a blind date. Go upstairs and look for Shaoqing. He’s at the gym now.” ”

“”Okay, you go ahead.”Ye Zhuo nodded slightly. ”

Old Mrs. Cen found pretty and left with her.

Ye Zhuo sent old Mrs. Cen out.

“After sending Old Mrs. Cen out, Ye Zhuo walked upstairs. ”

The Cen family’s Gym was on the third floor. Ye Zhuo had just walked to the corridor when he saw Cen Shaoqing lifting a barbell through the glass.

He was half-naked and could clearly see eight strong abdominal muscles and the perfect mermaid line.

“Tiny beads of sweat crawled out from his pores, adding a sense of charm. ”

This scene was very striking. Even a cold person like ye Zhuo was a little stunned when he saw this scene.

“At this moment, Cen Shaoqing looked back slightly and met ye Zhuo’s gaze. The corners of his mouth curled slightly. ”

“Immediately, he put down the barbell in his hand, picked up the white towel on the side, wiped his sweat and walked out of the door. ”

“How is it?” Cen Shaoqing walked to ye Zao and opened his thin lips.

“How is what?” Ye Zao was stunned.

“Cen Shaoqing leaned forward slightly and said in a low voice, “Are you satisfied with my figure, Madam?” ”

The two of them were very close to each other. The warm breath sprayed on ye Zao’s ears like a weak electric current.

“At this moment, ye Zao’s heartbeat accelerated and he almost couldn’t control himself. “I can barely see.” ”

“You can only barely see?” Cen Shaoqing raised his eyebrows slightly.

Ye Zao looked up calmly. “What else can I do?”

“Cen Shaoqing reached out and covered her hand. Then, he brought her hand to his abdominal muscles. “Then, Madam, try to feel how it feels.” ”

It was a little hard.

The texture was clear.

“Ye Zao pressed hard, but he found that he couldn’t move it at all. ”

Are all men’s muscles this hard?

“How is it?” Cen Shaoqing’s tone was low.

"It's okay." Ye Zao's ears were slightly red as he seemed to have thought of something.

"Cen Shaoqing stopped teasing her and continued, "Didn't we agree that I would pick you up? Why are you here by yourself?" "

Chapter 1864: 271: love your wife as if she were your life

"At this point, Cen Shaoqing paused and continued, "Checking up on me?" "

"Yes." Ye Zhuo nodded slightly. "Let me see if you have a mistress."

"Yes." Cen Shaoqing nodded slightly.

"Who?" Ye Zhuo raised his eyebrows slightly.

Cen Shaoqing chuckled and reached out to hold her waist. "You."

"Is this how you use a golden house to hide a mistress?" Ye Zhuo asked.

"If she remembered correctly, a golden house to hide a mistress was used to describe a third party. "

"Ye Zhuo glanced at Cen Shaoqing and said in a shallow voice, "It's scary to be uneducated!" "

""Why not?" Cen Shaoqing's thin lips parted slightly, "The story of a golden house to hide a mistress originated from the story of Hanwu. Princess Guan Tao asked Hanwu emperor Liu Che if he was willing to marry his eldest daughter, Ah Jiao. When Hanwu emperor Liu Che heard this, he said happily, "If I can marry Ah Jiao as my wife, I will build a golden house for her to live in.". Princess Guan Tao was very happy when she heard this. She immediately agreed to the marriage, and Hanwu emperor Liu Che also built a golden house. Chen Ah Jiao also became the mother of a country." "

“Therefore, the term “Hidden concubine in the Golden House” was not used to describe a third party. However, people in the later generations said the same thing, and people in the later generations misunderstood.”

“Hearing this, Ye Zhuo raised his eyebrows slightly and said with a smile, “Cultured people are indeed different. What about the Golden House you built for me?” ”

“You Like It?” Cen Shaoqing asked.

“Who doesn’t like gold?” Ye Zhuo asked back.

“Cen Shaoqing opened his thin lips slightly and said, “As long as madam likes it, I will immediately get someone to arrange it.” ”

“Ye Zhuo smiled without saying anything and continued, “Are you ready?” ”

““Wait for me to take a shower,” Cen Shaoqing said. ”

“Okay.” Ye Zhuo nodded slightly.

“There was a bathroom in the gym. After Cen Shaoqing entered, the sound of water splashing could be heard from inside. ”

Ye Zhuo sat outside and played with his phone.

The sunlight shone in through the French window and coated her body with a faint layer of golden light.

The years were peaceful and the world was peaceful.

“About fifteen minutes later, Cen Shaoqing walked out of the bathroom.”

“Cen Shaoqing, who had changed into a plain robe, looked like a handsome young man who had walked out of an oil painting from the Republic of China. He was completely different from Cen Shaoqing, who had just exercised.”

One was refined.

The other was black-bellied.

“Looking at Cen Shaoqing like this, Ye Zhuo suddenly remembered that she had never seen Cen Shaoqing in a formal suit.”

“Ever since she met Cen Shaoqing, Cen Shaoqing had been dressed in plain clothes.”

“If this person was wearing a suit, what would he look like?”

“Thinking of this, Ye Zao’s eyes lit up.”

Cen Shaoqing walked over and reached out to Pat ye Zao on the head. “What are you thinking about?”

“Huh?” Ye Zao reacted. “Are you done?”

“Yes.” Cen Shaoqing turned around and walked forward. “Let’s go in first.”

“Okay.” Ye Zao followed Cen Shaoqing’s footsteps.

The two of them went into the study.

Cen Shaoqing brought two plates of desserts. “Eat something first.”

Ye Zao had never had any resistance towards desserts.

“Soon, the two plates of desserts reached the bottom. ”

Cen Shaoqing took out the spirit pendulum and began to hypnotize.

“As the jade pendant swayed, ye Zao slowly fell asleep. ”

Cen Shaoqing picked up his phone and sent a message: [is there a gold mine under my name?]

Using a gold mine to build a gold house shouldn't be a problem.

On the other side.

The Xu family.

“Mother Xu looked at Xu Yao and said, “Yaoyao, how are you and he ziteng doing recently?” ”

Mother Xu was very concerned about this matter.

“After all, this concerned the Xu family's future. ”

“Once Xu Yao became the he family's matriarch, the Xu family's status in the capital would also rise. ”

“Mother Xu also had many nieces from her family. After Xu Yao married he ziteng, she could introduce her cousins to families of equal status with the He family. ”

“At that time, the Xu family would control the connections of the entire wealthy family. ”

“In this era, it was easy to get things done with people.”

“If the cycle continued, then the entire capital would become the XU family’s world.”

“Xu Yao said, “It’s still the same.” ”

Still the same?

“Hearing this, mother Xu frowned slightly.”

“”Why is it still the same?”Mother Xu continued, “What Kind of girl can’t he ziteng Find? Some things are too much. Yaoyao, you have to make preparations earlier...” ”

The rest was self-evident.

Liking also had a shelf life.

What if he ziteng lost interest in Xu Yao because Xu Yao was hanging on to He ziteng?

“Hearing this, Xu Yao was also a little worried.”

“After spending time with he ziteng, Xu Yao found many girls who were more beautiful and had a better family background than her.”

Chapter 1865: 271: doting on his wife as if she was his fifth master

“If he ziteng really fell in love with someone else, wouldn’t it be all for naught? ”

No.

No.

She couldn’t let such a thing happen.

Xu Yao narrowed her eyes.

“After thinking for a while, Xu Yao continued, “But, isn’t it strange that I suddenly accepted he ziteng’s Words?” ”

It had only been a month since he ziteng confessed to her.

“She had just said that she didn’t want to fall in love for the time being, but she had turned around and accepted he ziteng. What did he ziteng think of this? ”

“Hearing this, mother Xu narrowed her eyes and said, “Then let’s have a home run. Mother, you have to make he ziteng feel guilty about you.” ”

“What do you mean?” Xu Yao turned to look at Mother Xu.

“Although Xu Yao was having fun, she was only having fun with her boyfriends. There was no real development. ”

“After a while, she found it hard to understand what mother Xu meant. ”

Mother Xu walked up to Xu Yao and whispered a few words in her ear.

“After hearing what mother Xu said, Xu Yao frowned. “Isn’t this a little embarrassing?” ”

Xu Yao was someone who had received higher education and higher etiquette.

Her upbringing made it hard for her to accept such a thing!

“Moreover, she was not the kind of person who needed to use a child to get to the top. ”

“Although she did not know if he ziteng would change his heart in the future, at least he ziteng now truly loved her. ”

“At this moment, Xu Yao was somewhat disdainful of such underhanded methods. ”

“Mother Xu was a little speechless as she said, “How is it unrepresentable? How many cases of unmarried pregnancy are there now? The daughter-in-law of the Wang family is also pregnant before getting married!” ”

“Is that true?”Xu Yao asked.

“Mother Xu continued, “Yin Jie is just a bumpkin from the countryside. Other than her high education, she is completely useless. Do you think the Wang family will take a fancy to her?” ”

“Yin Jie was the eldest daughter-in-law of the Wang family. Her birth was ordinary. Because Mrs. Wang and mother Xu were poker friends, it was often heard that Mrs. Wang despised her daughter-in-law. ”

“Although the Wang family was not a top-tier wealthy family, it was not something that any ordinary family could enlighten. ”

“Yin Jie’s family had been poor for three generations. They had no background at all. If it was not because they had the blood of the Wang family, the Wang family would never have agreed to this marriage. ”

“Hearing this, Xu Yao frowned slightly and continued, “You have already said that about Yin Jie. What if others say the same thing about me after I get together with He Ziteng?” ”

“People were always like this. They could only see the flaws of others, but they ignored their own flaws.”

“”As long as I can gain a firm foothold in the He family, what can I do even if others say a few words about me?” Mother Xu continued, “Besides, you’re different from Yin Jie! You’re the eldest daughter of the Xu family, so what’s Yin Jie to you? How can she compare to you? She can’t even compare to one of your little fingers.” ”

“When it came to Yin Jie, mother Xu’s eyes were filled with disdain, as if even mentioning it would make her feel disgusted.”

“Xu Yao bit her lip and continued, “I, I’ll think about it again.” ”

“”Yaoyao, what else is there to think about?”When she saw Xu Yao like this, mother Xu’s eyes were filled with disappointment. She wished that she could directly take Xu Yao’s place in this matter, “By doing this, not only will you stabilize your position in the He family, but you can also make he ziteng feel guilty towards you. What’s wrong with that? Let me tell you, some things have to be done early. If you’re late, it’ll be too late!” ”

Xu Yao was still very hesitant.

She had never thought that she would use such a method to tie he ziteng down.

“Yaoyao!”

“At this moment, the sound of footsteps came from the living room.”

“Following that was Xu Chaonan’s voice. “Sister-in-law, what are you saying to Yaoyao?” ”

“Xu Yao turned around and smiled. “Aunt, you’re back.” ”

“Mm.” Xu Yao nodded.

“Mother Xu said, “Nothing much.” ”

What kind of person was Xu Chaonan?

She wished that Xu Yao was like her and would never be able to get married.

“If Xu Chaonan knew about this, she would definitely interfere! ”

“Xu Chaonan placed the document bag on the table and continued, “I think I heard he ziteng just now. Sister-in-law, marriage is fated by nature. There are some things you can’t force. Besides, I don’t think that the he family is suitable for Yaoyao.” ”

Xu Chaonan was a down-to-earth person.

She never thought of taking shortcuts.

The Xu family was able to get to where they were today because of her hard work.

Xu Yao was quick-witted and liked to be competitive. A family like the he family needed a calm and composed daughter-in-law to take control of the overall situation.

Marriage was a matter for two people. The husband and wife needed to learn from each other’s strengths and make up for each other’s weaknesses.

Chapter 1866: 271: Love Your Wife Like Your Life Cen Fifth Master 4

“If Xu Yao marries he ziteng for the sake of marrying he ziteng, such a marriage would be meaningless and there would definitely be cracks in the future.”

Moreover.

Xu Chaonan also did not think that his niece would be willing to give herself to he ziteng.

“Xu Yao had a business mind. As long as she was nurtured a little, she would definitely be able to become a famous female entrepreneur in the future.”

Unfortunately.

The current Xu Yao was too impetuous.

She still needed to settle down.

Not Suitable?

What was Xu Chaonan saying?

She actually said that Xu Yao was not suitable for the he family.

Mother Xu snorted in her heart. She knew that Xu Chaonan did not have good intentions.

She was jealous of Xu Yao.

“It was fine if she could not get married, but she actually wanted to stop Xu Yao from getting married.”

How could there be such an aunt in the world!

It was so disgusting!

“Although he had already scolded Xu Chaonan a hundred times in his heart, mother Xu did not show it on her face at all, she continued, “Chaonan, we are old, how can we keep up with the footsteps of the young people? As long as the two young people can look at each other, it will be fine.” ”

This sentence was saying that Xu Chaonan was being too nosy.

“Xu Chaonan was not a fool, so he naturally understood the meaning behind this sentence, he continued, “Sister-in-law, Yaoyao is my niece. I hope that she can lead a good life and marry well more than anyone else. However, the He family is really not suitable for Yaoyao! Ask Yaoyao, does she really like he ziteng?” ”

Xu Yao had only taken a liking to the he family’s family background from the start.

Like?

How much could a liking be worth?

“In high school, Xu Yao had once rebelled and secretly returned to her hometown with the school Belle at that time. ”

The school bully was a poor student in the school.

“At that time, Xu Yao still couldn’t understand the meaning of poor students. ”

“Until, she went to the school bully’s hometown. ”

The toilet was open-air.

“In the summer, the family of four only had two rooms.”

“The family had a dog, but only let the dog eat excrement.”

“At that time, after seeing that scene, Xu Yao directly vomited.”

It was very disgusting!

“From then on, Xu Yao understood one sentence.”

A poor husband and wife were always sad.

How could a person who couldn't feed the dog feed her enough feed her?

“If she really married the school bully, how would she live in the future? Continue to feed the dog excrement?”

“Xu Yao looked at Xu Chaonan, then she said, “Auntie, I don't think that liking can be a reason to marry a person! Life is based on basic necessities. If you can't even guarantee these things, then what is liking?”

“Xu Chaonan was stunned, “But without a loving marriage, what's the point of living a life where you hate each other? “If you want to have a better quality of life, you might as well become stronger. At the very least, you can control the finances and don't have to look at others' faces.” ”

“Hearing this, Xu Yao also felt that it made sense.”

“Compared to looking down on others, she naturally wanted to control the finances.”

“The more Xu Chao Nan listened, the more she could not take it anymore.”

“According to Xu Chao Nan’s thoughts, sooner or later, he would lead Xu Yao Astray!”

“Xu Chao Nan’s mother smiled and said, “Chao Nan, you say that as if you have more experience.””

“Xu Chao Nan was a person who had never been married, so what right did he have to talk about this?”

The smile on Xu Chaonan’s face froze for a moment.

Although she was still unmarried.

But she yearned for love more than anyone else.

Unfortunately.

The people she met were not good people.

That was why it had been delayed until now.

“After saying that, mother Xu continued, “Chaonan, you’re not young anymore. Your Brother has been worrying about you all day. Because of you, his hair has turned much whiter. I say, don’t be picky...””

“Xu Chaonan said, “Sister-in-law, tell my brother not to be anxious. This kind of thing can not be rushed. I’ll try to bring a boyfriend back next year.””

Bring a boyfriend back?

“Upon hearing this, mother Xu’s heart skipped a beat. ”

What was Xu Chaonan Thinking?

She already had a boyfriend?

“If Xu Chaonan were to get married, what would they do? ”

No.

No.

Xu Chaonan could not get married.

Xu Chaonan had to stay in the Xu family forever.

“Really?” Mother Xu turned the shock into a pleasant surprise.

Xu Chaonan nodded.

“Mother Xu continued, “So you have a target, Chaonan?” ”

“”Sort of,” said Xu Chaonan. ”

“Mother Xu frowned and said, “Where is the man from? There are so many bad people nowadays. Chaonan, don’t be deceived! Tell me about the man’s situation. I’ll get your brother to investigate.” ”

“”There’s no need.” Xu Chaonan looked at Xu Yao. “Yaoyao, think about your own matters. You’re an adult now. You know what to do and what not to do.” ”

“Chapter 1867: 271: Doting on your wife as if it were your life, Fifth Master Cen”

“After saying this, Xu Chaonan turned around and walked upstairs. ”

“If Xu Yao was a smart child, she would definitely make the right choice. ”

“Mother Xu looked at Xu Chaonan’s back and narrowed her eyes. After a moment, she turned to look at Xu Yao and said worriedly, “Does your aunt really have a boyfriend?” ”

Xu Yao shook her head. “I don’t know.”

“Mother Xu frowned. “No, no, I have to call your father!” ”

“Very soon, the call was answered. ”

“Father Xu was at the gambling table. When he heard what mother Xu said, he said nonchalantly, “Wait for me to come back first.” ”

“In the current situation, nothing was more important than gambling. ”

“Mother Xu was almost angered to death by Father Xu. She cursed loudly, “We’ll talk about it when you come back! We’ll talk about everything when you come back. If we really wait for you to come back, it’ll be too late! Looking at your sister’s appearance today, it seems like she still cares about that man! If she really marries someone, I’ll see what you’ll use to gamble in the future! Don’t forget, the person who holds the financial power in our family is your sister!” ”

“Father Xu said impatiently, “Isn’t it just finding a boyfriend? It’s not like she hasn’t found a boyfriend in the past. What’s The Big Deal?” ”

“In the past, Xu Chaonan had found at least ten boyfriends.”

But every one of them was gone.

“All of this, of course, had to be attributed to these two.”

Because the Xu family couldn't do without Xu Chaonan.

The Xu family's assets were all theirs!

“Other than them, no one else could dream of snatching the assets from them!”

“Hearing this, mother Xu heaved a sigh of relief and continued, “Then when will you be back?””

““We'll see.” After saying that, father Xu directly hung up the phone.”

“Immediately, a gambler beside him asked, “Who called?””

“An insensible Old Woman! Don't bother about her!” Father Xu picked up the dice.

On the other side.

“After mother Xu hung up the phone, she looked up at Xu Yao and continued, “Yaoyao, don't Let Your Aunt Lead You Astray! Do as mother says.””

“What if someone finds out?” Xu Yao asked.

“This matter is known by the heavens and the earth. Who else would know?” Mother Xu continued, “Can I betray you? Calculate the ovulation period and quickly decide on this matter!” ”

The ovulation period was relatively easier to conceive.

“How do you calculate the ovulation period?” Xu Yao asked.

“Mother Xu said, “From about 14 days before the next menstrual period.” ”

Xu Yao frowned slightly. “Is this accurate?”

“It should be about right.” Mother Xu held Xu Yao’s hand, “Yaoyao, you must not miss he ziteng. He ziteng is already 29 this year. I heard that the he family’s parents have long been eager to have a grandchild. If you can have a child, you will definitely become the treasure of the He family.” ”

“Xu Yao nodded. “Mom, I already know what you said. Please let me think about it again.” ”

“Although what mother Xu said was very reasonable, Xu Yao still couldn’t get over the hurdle in her heart. ”

“She, Xu Yao, was a famous person after all. How could she be reduced to using such underhanded methods? ”

“Moreover, what Xu Chaonan said was also reasonable. ”

“If she married into the he family for the sake of material life, she might as well think of ways to become stronger. ”

Nothing could compare to relying on herself.

“Xu Yao was born from her. Mother Xu knew clearly what Xu Yao was thinking, then, she said, “Do you think the he family’s current status can be achieved overnight? Stop Dreaming! No matter how hard you work, you can’t reach the He family’s status! Your aunt said it so nicely and thought that she was a strong woman. Then why can’t she bring our Xu family to squeeze into one of the top ten wealthy families?” ”

“At this point, mother Xu snorted coldly and continued, “She can’t even be compared to the top ten aristocratic families, yet she still thinks that she can be compared to the he family. Do you think she’s Dreaming?” ”

“When these words came out, Xu Yao was immediately stunned! ”

She had to admit that what her mother said was very reasonable.

“Xu Chaonan’s words were filled with passion, but he did not know how difficult it was to reach the height of the He family! ”

“If everyone could easily succeed, then fame and fortune would not be fame and fortune. ”

“Seeing the change in Xu Yao’s expression, he continued, “I think your aunt is jealous of you and doesn’t want you to marry into a rich family! Look at her, she’s already so old and still can’t get married! Seeing that you’re about to marry into the he family, doesn’t she feel bad? Yaoyao, don’t fall for her trick! Although she looks like she dotes on you on the surface, you didn’t crawl out of her stomach after all! She would never treat you with sincerity! In this world, the only people who can treat you with sincerity are your father and me!” ”

“Xu Yao nodded. “Yes, I understand, mother. Don’t worry, I know what to do.” ”

“Seeing Xu Yao like this, mother Xu heaved a sigh of relief. ”

She was really afraid that Xu Yao would be led astray by Xu Chaonan and give up on a high-quality man like he ziteng.

“If she really gave up on he ziteng, Xu Yao would regret it for the rest of her life. ”

...

At the CEN residence.

Ye Zhuo woke up again. It was already past three in the afternoon.

Cen Shaoqing handed her a glass of water. “What did you see this time?”

Ye Zhuo shook her head slightly. “I didn’t see anything.”

“You didn’t see anything?”Cen Shaoqing frowned.

“Yeah.”Even ye Zhuo was stunned.

“She thought that she would definitely remember something this time, but she didn’t remember anything. ”

“Cen Shaoqing put away the spirit pendulum and continued, “Lie down first.” ”

Chapter 1868: 376: the whole face turned green

Ye Zao nodded slightly and lay back on the chair.

Cen Shaoqing leaned slightly and gently pressed on her temple a few times. Ye Zao lost consciousness and fell into sleep.

“In a moment, CEN Shaoqing took out a box of something similar to sandalwood from the drawer on the table and lit it in the exquisite incense burner. ”

Green smoke curled up.

“In an instant, a faint fragrance lingered in the air, making people feel relaxed and especially pleasant. ”

“Ten minutes later, ye Zao woke up again. Cen Shaoqing was sitting next to her, his thin lips slightly opened. “You still didn’t see anything this time?” ”

“Yes.”Ye Zao nodded slightly.

“Cen Shaoqing frowned. Logically speaking, with the effect of the incense, ye Zao shouldn’t still have not seen anything. ”

What was going on?

“CEN Shaoqing continued, “Give me your hand.” ”

Ye Zao stretched out his hand.

Cen Shaoqing stretched out his hand and placed it on ye Zao’s pulse. He was slightly focused.

“Seeing how he looked like, Ye Zao smiled and said, “You know how to take my pulse?” ”

“”I know a little about it.”Cen Shaoqing did not know Chinese medicine, but he knew hypnosis. The success or failure of hypnosis was also inextricably linked to the pulse. ”

“About three minutes later, Cen Shaoqing let go of Ye Zao’s hand. ”

“What happened?” Ye Zao asked.

“CEN Shaoqing continued, “You’ve been too tired recently. You need to rest well. Sometimes, if you focus too much, it will affect the results of hypnosis.” ”

Ye Zao narrowed his eyes. “Then what should we do now?”

““Wait a little longer.” Cen Shaoqing looked at ye Zao and said, “Don’t keep thinking about this during this period of time. Let nature take its course.” ”

Ye Zao was naturally anxious because he had not been able to recover his chaotic memories.

“However, being anxious now was not a solution. ”

He could only divert his attention to other places.

“CEN Shaoqing continued, “Haven’t you always wanted to go to the prairie to play? Make some time and let’s go to the prairie.” ”

“Ever since he met Li Yueyue, ye Zao had said that he wanted to go to the prairie to play with Cen Shaoqing. ”

“Unfortunately, he didn’t have much time, so this plan had been put on hold until now. ”

“Hearing this, Ye Zuo’s eyes lit up. “Are you free now?” ”

““I’m not a big deal,” Cen Shaoqing said. “What About You?” ”

What was more important than spending time with his wife?

“As long as ye Zhuo wanted to go, he could accompany him at any time.”

“Ye Zhuo thought for a moment and then said, “Then I’ll make the arrangements. Wait for my notice. It should be in the next few days.” ”

The Great Prairie in winter was more romantic than in summer.

“Okay.”Cen Shaoqing nodded slightly. “I’ll listen to your arrangements.”

The two of them talked as they left the house.

“When they came downstairs, old Mrs. Cen said, “Yezi, Shaoqing, aren’t you guys having lunch at home? I’ve already asked the kitchen to cook.” ”

“”No thanks, Grandma Cen. There are still some things to deal with in the base.”Ye Zhuo turned to look at Old Mrs. Cen. ”

“Old Mrs. Cen said, “Since you have things to do, I won’t keep you.” ”

“Ye Zhuo smiled and said, “We’ll come back to have dinner with you tonight.” ”

“Hearing this, Old Mrs. Cen said in surprise, “Really?” ”

“Yes.”Ye Zhuo nodded.

“”Then it’s settled then, Yezi. I’ll wait for you guys to come back for dinner tonight.” ”

Zhou Xiang had not been home during this period of time.

“Old Mrs. Cen was too bored to eat alone. When she heard that ye Zhuo had come back to eat with her, the old lady was very happy. She repeatedly reminded them, “You guys must come back tonight!” ”

““Yes, I’ll definitely come back to eat with you,”ye Zhuo said. ”

...

On the other side.

He ziteng had been quite busy recently.

He had not contacted Xu Yao for a week.

Xu Yao could not sit still.

She suspected that he ziteng had a new lover.

“Before this, he ziteng would send her messages almost every day. ”

“Good morning, good afternoon, good night. ”

He even arranged for the chef to send her food. It was very thoughtful.

“It caused Xu Yao’s close friends to be endlessly envious, and they all sighed with admiration at Xu Yao’s good fortune. ”

That was he ziteng.

There really wasn’t a girl that caused he ziteng to be so worried.

Xu Yao was the first.

“But now, he ziteng suddenly disappeared, and it caused Xu Yao to be slightly flustered.”

Those close friends by her side were already unable to restrain themselves from wanting to watch the show.

What should she do now?

Should she take the initiative to contact he ziteng?

“If she were to contact he ziteng, how would he ziteng view her?”

No!

This was not possible.

“Just as Xu Yao was in a daze, Yang Zixuan walked over and said, “Yaoyao, why haven’t I seen the he family’s eldest young master come to pick you up recently?””

“Xu Yao smiled and said, “I haven’t considered whether I should accept him or not.””

Chapter 1869: 376: her entire face turned green

What she said.

How much hatred!

“The others were trying their best to attract he ziteng’s attention, but Xu Yao was different! ”

“Even if he ziteng pursued her, Xu Yao still did not want to accept him. ”

“Yang Zixuan glanced at Xu Yao and said enviously, “Yaoyao, if I were you, I wouldn’t have waited until now! The eldest young master of the He family has everything he wants. If you hesitate any longer, you will be snatched away by others!” ”

“Xu Yao enjoyed the envious gazes of others and continued, “Zixuan, what’s there to be envious about? One day, you will also find your own Prince Charming.” ”

What kind of Prince Charming could be compared to he ziteng?

The He family was the head of the ten great clans.

“He ziteng was also the only heir of the He family. Once Xu Yao married into the He family, she would be the mistress of the He family. ”

“Yang Zixuan smiled and said, “I hope so! Yaoyao, I’m serious. Don’t hesitate anymore. If you miss this village, you won’t have this shop anymore.” ”

Xu Yao smiled and did not continue speaking.

“Yang Zixuan continued, “Yaoyao, I’ll go over there and take a look.” ”

“You go ahead.”Xu Yao nodded.

“Yang Zixuan walked to a young woman of the same age and held her arm. “Xiaoxue, Xu Yao’s life is really too good!” ”

“What’s Wrong?”Zhang Xue looked at Yang Zixuan.

“Yang Zixuan continued, “Have you heard? He ziteng is chasing after her.” ”

He ziteng was a famous and influential person in the circle. Who Didn’t want to be a member of the He Family?

Unfortunately.

He ziteng’s standards were too high. He didn’t take a liking to them at all.

He didn’t expect that he ziteng would take the initiative to pursue Xu Yao in the end.

What did Xu Yao have?

“She looked average, her figure was average, and her family background was average. ”

“Before this, when Xu Yao was in the socialite circle, she was the one who had her photo taken with everyone photoshopped. ”

Unexpectedly...

“In the blink of an eye, Xu Yao stood at the most eye-catching C spot. ”

“Zhang Xue’s eyes were filled with disdain. “Who knows if it’s true! With her looks, is she worthy of he ziteng pursuing her?” ”

Someone had once tried to set Zhang Xue up with He ziteng.

“In the end, he ziteng did not even look at he ziteng.”

“Now that Xu Yao had taken advantage of him, Zhang Xue naturally felt uncomfortable.”

“Other than feeling uncomfortable, she did not want to admit that it was true.”

“Yang Zixuan said, “From the looks of it, she should not be lying. Moreover, my brother also said that he ziteng is indeed interested in her.”Yang Zixuan’s brother worked at the He Corporation. In the past few days, the matter of he ziteng pursuing Xu Yao had been made known to everyone, it was already known to everyone.”

“Hearing that, Zhang Xue was upset. She continued, “But why did I hear that he ziteng hasn’t spoken to her for a week?” ”

Yang Zixuan was very surprised. “Is that true?”

“Of course it’s true!”Zhang Xue said, “I think he ziteng is just toying with her! But she really thinks she’s something! Disgusting!” ”

“Yang Zixuan nodded. “Little Xue, you’re right. He Ziteng is definitely just fooling around with her.” ”

“Very soon, these words spread throughout the entire hall.”

The socialites looked at Xu Yao and discussed animatedly.

Xu Yao’s expression changed and she sat on pins and needles.

“At the most critical moment, Xu Yao’s phone suddenly rang.”

She took out her phone to take a look.

It was he ziteng.

“After deliberately pausing for a few seconds, Xu Yao swiped the phone and answered, “Hello, ziteng.” ”

““Yaoyao, where are you right now?” ”

“Xu Yao narrowed her eyes. Didn’t those people at the party look down on her? Just you wait, I’ll be able to slap her in the face soon! Especially that Zhang Xue! ”

“With her background in the Zhang family, she was able to make a name for herself in the socialite circle. She really felt that she was someone important! ”

Especially since Zhang Xue had once overestimated herself and wanted to marry he ziteng.

Zhang Xue did not even look in the mirror to see what she was like!

How could she be a match for he ziteng?

How Shameless!

“Xu Yao continued, “I’m attending a good friend’s birthday party at Jin de Lu.” ”

“Birthday Party? Then have you been drinking?”He ziteng asked.

Xu Yao picked up her glass and took a sip of champagne. “A little.”

“Hearing that Xu Yao had been drinking, he ziteng said nervously, “Are you alright now? I’ll drive over to pick you up right away.” ”

“Will it be too much trouble for You?” Xu Yao asked.

“Hearing this, he ziteng thought he was hearing things.”

“After all, if it were in the past, Xu Yao would have rejected him directly.”

“But today, Xu Yao didn’t reject him!”

Did this mean that he had a chance?

“Thinking of this, he ziteng was very excited. He immediately said, “It’s no trouble. It’s no trouble at all. I’ll come over right away.”

Chapter 1870: 376: her whole face turned green

“Okay.” Xu Yao hung up the phone.

He ziteng came very quickly.

“When Zhang Xue saw he ziteng come to pick Xu Yao up, her whole face turned green!”

“No one expected that not only did he ziteng not abandon Xu Yao, but he also came to pick Xu Yao up personally.”

Xu Yao looked at Zhang Xue and the corners of her mouth curled up.

There was a hint of sarcasm in it.

Zhang Xue wanted to fight with her?

Not even close!

“Sitting in the co-pilot seat of He ziteng, Xu Yao’s mind was full of thoughts. She recalled the scene that night, as well as the words of her mother. ”

“He ziteng had only not contacted her for a week, and those people were already mocking her. If one day, he ziteng really fell in love with someone else, what would she do? ”

It seemed that her mother was right.

“No matter what, she had to hold onto he ziteng tightly and not let him escape. ”

And the best way to catch a man was to use a child to tie him up.

“As long as she had a child, he ziteng would be in her hands. ”

“Thinking of this, Xu Yao narrowed her eyes. ”

“Seeing that she was leaning against the back of the chair, he ziteng handed her a glass of water.
“Yaoyao, how much did you drink? Are you feeling unwell now?” ”

“”I only drank a small glass of champagne.”Xu Yao massaged her temples. “It’s probably because I don’t drink often, so my head hurts a little.” ”

“Then you should drink some water first.”

Xu Yao took the water. “Thank you.”

“Why are you being so polite with me?” He ziteng continued, “I heard that yogurt is used to cure alcohol. There’s a 711 in front. Let’s go in and have a seat.” ”

“Okay.” Xu Yao nodded.

“Soon, the car stopped at the parking spot in front of 711. ”

He ziteng helped Xu Yao out of the car.

“Xu Yao’s face was red, and her body was limp as if she had no bones. She lay on he ziteng’s body. ”

He ziteng’s face was also a little red.

“Compared to the other young masters in the rich and powerful families, he ziteng was still relatively clean. He rarely interacted with women. Suddenly being so close to Xu Yao made he ziteng feel a little uncomfortable, and his heart beat faster, especially when Xu Yao kept accidentally touching his abdominal muscles. ”

“Actually, Xu Yao was not drunk at all. Everything she did was just an act. ”

“He Ziteng’s emotional changes were all within her control. It could be seen that he ziteng really loved her. Otherwise, his heart would not be beating so fast. ”

Xu Yao curved her lips without a trace. Her eyes were full of pride.

“Very soon, they were inside 711. ”

“He Ziteng helped Xu Yao sit down in front of the table. “Take a seat first, I’ll go buy some yogurt.” ”

“Okay.” Xu Yao leaned on the table and answered.

He ziteng bought two boxes of yogurt.

“Yaoyao, there are strawberry and mango flavors. Which one do you want?” He ziteng asked. ”

“Strawberry,” Xu Yao answered. ”

“Okay.”

“He ziteng tore off the wrapper on the yogurt, picked up the spoon, and fed Xu Yao the yogurt. ”

“After a few mouthfuls, Xu Yao pushed the spoon to he ziteng’s mouth and said, “Why do you keep feeding me? Have a bite too.” ”

He had a bite too?

With the spoon that Xu Yao had eaten?

Wasn’t that equivalent to an indirect kiss?

He ziteng was stunned.

What did Xu Yao mean by this?

“Eat it! Why are you taking so long?” Xu Yao directly pushed the spoon into he ziteng’s mouth.

The sweet and sour taste quickly spread in his mouth.

He ziteng’s heart was beating a little fast.

He blurted out the truth after drinking.

“Although Xu Yao usually maintained a sense of distance from him, it was obvious that Xu Yao now treated him as one of his own.”

This meant that Xu Yao also liked him.

He was not a one-sided lover at all.

“Thinking of this, he ziteng was ecstatic.”

“Xu Yao asked with her drunken eyes, “Ziteng, is it good?””

“Yes.” He ziteng nodded.

“Xu Yao asked again, “Is it sweet?””

“Yes.”

“Xu Yao looked at he ziteng and continued, “There’s still a little left on your mouth. It’s going to be wasted.””

“Before he ziteng could react, Xu Yao stood up and kissed he ziteng on the lips. She swallowed all the yogurt that he ziteng had stained on the corner of his mouth.”

He ziteng was stunned.

“He did not expect happiness to come so suddenly, and he did not expect Xu Yao to suddenly kiss him.”

“Although this was not considered a kiss and Xu Yao was also unconscious, he ziteng was still very excited.”

“Little did he know that from an angle that he could not see, Xu Yao’s eyes were full of calculating light.”

“If this continued to develop, she would soon be pregnant with he ziteng’s child!”

“The two of them came out from 711 again, and it was already half an hour later.”
