Chapter 1871: 376: his entire face turned green

“Although it was only a short half an hour, he ziteng felt that it was as long as half a century. ”

“After all, he had gained a lot in half an hour. ”

Xu Yao was still drunk as she sat in the passenger seat. “Where are we going now?”

““To send you home,”he ziteng said. ”

“OH.”

“Because Xu Yao was drunk, he ziteng drove very slowly. It was not until an hour later that the car stopped at the He family’s villa. ”

He ziteng supported Xu Yao with one hand and pressed the doorbell with the other.

“Soon, the door opened. ”

The person who opened the door was none other than mother Xu.

“Seeing mother Xu, he ziteng said politely, “Hello, Auntie. I’m he ziteng. Yaoyao was drunk at her friend’s birthday party. I’ll send her back.” ”

He ziteng!

This was he ziteng!

Mother Xu was very excited.

He ziteng actually personally sent Xu Yao back.

“But mother Xu still did not show her excitement. She frowned slightly and said, “Why is this child still drunk!” ”

“After saying that, she looked at he ziteng and continued, “Thank you for sending her back, young man.” ”

“Hearing that, he ziteng immediately reacted. The person in front of him was definitely Xu Yao’s mother. “Auntie, you’re too polite. We’re all friends. It’s only right to help each other.” ”

“Mother Xu took Xu Yao from he ziteng’s hands and continued, “Young Man, come in and have a seat!” ”

“It was already late at night, and he Ziteng didn’t bring any gifts. How could he have the face to come in and have a seat? “Thank you, Aunty. It’s too late today. Another day, another day, I’ll definitely visit you and uncle. I’ll be leaving first.” ”

“Mother Xu smiled and said, “It’s dark at night. Young man, drive carefully.” ”

““I know, Aunty,”he ziteng said. ”

“Seeing he ziteng get into the car, mother Xu finally freed her hand to close the courtyard door. ”

“Not long after, the sound of a car engine came from outside. ”

“Seeing that Xu Yao was still drunk, mother xu said, “She left.” ”

“Hearing this, Xu Yao immediately woke up. She looked at the large iron gate of the courtyard and said, “She left?” ”

“”Yes.” Mother Xu nodded and asked, “How was it?” ”

“”It was alright.” Xu Yao continued, “Mom, with how infatuated he ziteng is with me right now, even if I’m not pregnant, he won’t change his mind.” ”

“”You don’t understand,” mother Xu said. “Men are hot for three minutes. Don’t think that he’s treating you well now! After this novelty, he won’t be so good anymore! When that time comes, you won’t even have a place to cry.” ”

“When Xu Chaonan drove back, he happened to bump into he ziteng’s car. ”

“Seeing this, Xu Chaonan frowned slightly. ”

“After returning home, Xu Chaonan came to Xu Yao’s room. “Yaoyao.” ”

“”Auntie.” Seeing Xu Chaonan enter, Xu Yao immediately stood up from her chair. ”

“Xu Chaonan continued, “I saw the he family’s car just now. was he ziteng the one who sent you back?” ”

“Yes.” Xu Yao nodded.

“Xu Chaonan looked at Xu Yao and continued, “Yaoyao, you and he ziteng are really not the same person. Even if you can get past he ziteng, you won’t be able to get past the he family’s parents!” ”

“As an aunt, Xu Chaonan really could not watch as Xu Yao walked into the Abyss step by step. ”

“The He family’s parents were very astute people. With just Xu Yao’s little tricks, the He family’s parents could tell at a glance! When the time came, Xu Yao would be the one suffering.”

Xu Yao snorted coldly in her heart.

Her mother was right. Xu Chaonan was jealous of her. Xu Chaonan did not want her to marry better at all!

A person like Xu Chaonan was too scary!

She could not get married and now she had to stop her niece from getting married.

It was simply disgusting.

“Xu Yao did not show it on her face at all, she continued, “Aunt, I know that you’re doing this for my own good, but relationships are always like fish drinking water. You know your own feelings. I like he ziteng, and he ziteng can’t do it without me. Why Can’t We Be Together?” ”

Xu Chaonan frowned slightly. “Do you really like he ziteng?”

“”Absolutely,”Xu Yao said. ”

“Seeing Xu Yao like this, Xu Chaonan didn’t say anything more. He continued, “Yaoyao, I’ll say it again. Aunt will always respect your choice. The prerequisite is that you don’t regret it.” ”

Regret?

Being able to marry into the he family was a blessing that she had cultivated for countless lifetimes. Why would she regret it?

She looked at Xu Chaonan on purpose.

He was just scaring her!

“Xu Yao smiled at Xu Chaonan and said very seriously, “Aunt, don’t worry. I will never regret it.” ”

Chapter 1872: 376: his entire face turned green

“Xu Chaonan nodded and said, “It’s getting late. You should rest early.” ”

““You too,”Xu Yao said. ”

On the other side.

At the He family home.

“The moment he ziteng reached home, he saw his parents sitting on the sofa in the living room, as if they were waiting for him to come back. ”

““Dad, Mom, why aren’t you sleeping at night?” ”

“Father he didn’t say anything. Mother he smiled and looked up. “Ziteng, I heard that you’ve been chasing after a young lady recently, is that right?” ”

“That’s right.”He ziteng nodded.

“Mother he continued, “Which family’s young lady is she from? Tell your father and me about it.” ”

“He ziteng glanced at mother he and continued, “You already know about this matter, but you still don’t know which family’s young lady she is from?” ”

“The Xu Family?” Mother he asked.

“That’s right.” He ziteng nodded.

“Mother he picked up the cup and took a sip of water. “Ziteng, your father and I don’t agree to this matter, so you’d better not waste your time on her.” ”

Don’t agree?

Why?

Weren’t his parents always the most anxious about his personal matters?

“”Mother, why don’t you agree?” He ziteng asked. ”

“Mother he continued, “Your father and I have investigated. Xu Yao is quite a complicated young lady. She’s not suitable for you.” ”

Especially Xu Yao’s family.

Xu Yao’s father was a glutton and a lazybones. The reason why the Xu family could live the life they had now was all because of Xu Chaonan.

“If the Xu family did not have Xu Chaonan, they would be a pile of loose sand. ”

“When Xu Yao was in high school, she once had a passionate relationship. However, after she went back to her hometown with the man, they broke up! ”

The man's family was in a difficult situation. He was famous for being poor in the local area. It was obvious why Xu Yao broke up with him.

The He family did not need a daughter-in-law who despised the poor and loved the rich.

"The He family's parents did not place much importance on the woman's family background, but the woman's character must be good!"

"After all, there was a saying that whether one was poor or not depended on their children and grandchildren. Whether one was rich or not depended on their daughter-in-law."

Choosing a good daughter-in-law was a crucial matter.

"Father he nodded. "Your mother is right. Marriage is not just a matter of two people, it is also a matter of two families. Take advantage of the fact that you do not have any feelings for her yet, and quickly stop." "

He ziteng frowned. "Father and mother! What are you talking about! I like Xu Yao. I just want to be with her. None of you can stop me!"

"Hearing that, mother he frowned. "Then do you know her? Do you know what kind of person she is?" "

"He ziteng said, "I only know that I like her. Father and mother, do you dislike Xu Yao's birth?" "

Was birth really that important?

"In he ziteng's opinion, liking her was enough. "

"Moreover, he trusted Xu Yao. "

Xu Yao was definitely not that kind of material girl.

“Mother he looked at He ziteng, then she said, “Ziteng, be reasonable. Your father and I are not against you dating. Nor are we overly demanding of a girl’s family background! We only hope that the woman has a good character, is kind, and is well-educated.” ”

““Since it’s not that you dislike Xu Yao’s family background, then what does Xu Yao have that makes you unhappy?”He ziteng continued, “Mom, don’t you believe in your Son’s judgment?” ”

“Xu Yao was very kind and sensible. Putting aside the issue of family background, she was the most perfect daughter-in-law. ”

“In He Ziteng’s view, his parents obviously disliked Xu Yao’s birth, but they said it was another issue! ”

It was simply hypocritical!

““Ziteng, you don’t understand Xu Yao at all. Everything that Xu Yao has shown in front of you now is just an act. That’s not the real her at all!”Mother he continued, “In short, your father and I don’t agree with this matter. Think about it carefully!” ”

“After saying that, mother he stood up and left. ”

Father he also stood up.

“Looking at the backs of his parents, he ziteng was very helpless. ”

“This was the first time he had treated a girl so seriously, but his parents objected. ”

No.

No.

He could not give up on Xu Yao so easily.

“True Love was meant to go through trials and tribulations. He believed that one day, his parents would accept him and Xu Yao together.”

“Thinking of this, he ziteng was full of confidence in the future.”

“At around seven o’clock in the evening, Ye Zhuo and Cen Shaoqing returned to the Cen family manor.”

“Seeing the two of them return, Old Mrs. Cen was especially happy. “Yezi is back! I thought you weren’t coming!” ”

“Ye Zhuo smiled and said, “Since I promised you, how could I not come?” ”

“Chapter 1873: 380: Hidden Beauty, Fifth Master Cen”

Old Mrs. Cen was as happy as a child.

““Ye, come in quickly. I asked the dessert master to make your favorite Lotus Pastry. It just came out of the oven and is at its best.” ”

“Lotus pastry was a traditional delicacy in su city. Knowing that ye Zhuo liked it, old Mrs. Cen specially hired a dessert master from Su City with a high salary.”

““It’s great to have Lotus crisps. Grandma Cen, I Love You.”Ye Zao hugged the old lady and followed her into the house.”

“Looking at the loving grandfather and grandson, Cen Shaoqing felt that he was a little redundant.”

“Not only were there Lotus crisps on the table in the house, there were also all kinds of desserts that ye zao liked.”

Cen Shaoqing walked to the side to read the message.

It was from his assistant.

“”Fifth master, there are five gold mines under your name.” ”

Cen Shaoqing replied: “Send me the information of these five gold mines.”

“Soon, the assistant sent the information over.”

“After reading the message, CEN Shaoqing picked up his phone and made a call.”

“Soon, the call was answered.”

Cen Shaoqing walked out while talking.

“When Cen Shaoqing’s grandmother turned around, she saw Cen Shaoqing walking out. She nudged ye Zao with her elbow and said in a low voice, “Zao Zao.” ”

“”What’s wrong, grandmother Cen?”Ye Zao looked back at Cen Shaoqing’s grandmother.”

“Cen Shaoqing’s grandmother pointed at Cen Shaoqing’s back and said, “Let’s see what he’s doing sneaking around.” ”

“Ye Zao looked over and said, “He’s probably going to answer the phone.” ”

“What phone call is he going to answer behind your back?” Old Mrs. Cen narrowed her eyes.

“It should be about work,” Ye Zhuo said nonchalantly. ”

“You silly child. Aren’t you afraid that he’ll make you a cuckold?” Old Mrs. Cen had been obsessed with cuckoldry recently. No matter what she saw, she could always associate it with cuckoldry. ”

“Especially when Cen Shaoqing answered the phone and went outside to answer it, she felt that something was wrong. ”

“How would he dare!” Ye Zhuo picked up a piece of dessert and handed it to old Mrs. Cen. “Grandma Cen, please try this. This tastes especially good!” ”

Old Mrs. Cen looked at Ye Zhuo as if she was looking at a fool.

“Cen Shaoqing had already secretly gone out to answer the phone, but Ye Zhuo was still thinking about dessert. ”

What a thoughtless person!

“I’ll go out and take a look.” Old Mrs. Cen stood up and walked out.

“Ye Zao smiled and said, “There’s really no need. You Can Trust Me.” ”

“I won’t be at ease if I don’t take a look.” Old Mrs. Cen continued, “Ye, don’t worry. If that Brat dares to do anything to you, I’ll break his legs and crush his head!” ”

“Although Cen Shaoqing was old Mrs. Cen’s biological grandson,. ”

Old Mrs. Cen did not understand him at all.

It was because CEN Shaoqing was different from other children.

In her impression.

“From the age of three, Cen Shaoqing refused to be embraced by adults. He even refused to let the nanny and family members bathe and dress him.”

“He was like a young adult, very capable of using his hands.”

“When he was a little older, Cen Shaoqing spoke less and less. In the end, he could not say a word for three days.”

“At that time, old Mrs. Cen was still wondering if Cen Shaoqing would be better when he reached puberty. After all, after a boy goes through puberty, his mind will gradually mature and he will meet someone he likes.”

“Who knew that after puberty, Cen Shaoqing would directly see through the secular world and start to eat vegetarian and pray, even more so than a monk!”

“Cen Shaoqing had seen through the secular world at the age of 16, but he had never broken the precepts until he met Ye Zhuo.”

“Old Mrs. Cen quietly walked to the door. Because she was afraid of being discovered by Cen Shaoqing, she held her breath and listened carefully to the sounds.”

She could only vaguely hear a few words.

Gold Mine... Gold House or something.

Gold House?

Old Mrs. Cen immediately thought of four words.

A gold house with a mistress.

This was incredible!

Cen Shaoqing's courage had grown. He actually wanted to hide a mistress in a gold house.

She had to tell ye Zao.

Old Mrs. Cen walked angrily into the house.

"It just so happened that Cen Shaoqing had finished his call at this time. Seeing Old Mrs. Cen like this, Cen Shaoqing asked curiously, "Grandma, what happened to you? who made you angry?" "

"Who else could it be other than you!" Old Mrs. Cen glared at Cen Shaoqing.

"What About Me?" Cen Shaoqing asked.

Old Mrs. Cen snorted coldly. "Stop pretending. I heard everything just now."

"What did you hear?" Cen Shaoqing's thin lips opened slightly.

"A golden house!" If Old Mrs. Cen was tall enough, she would have pinched Cen Shaoqing's ears by now. Unfortunately, Cen Shaoqing was much taller than her. There was no small stool here, so she could only put her hands on her hips, "You want to build a golden house! Tell me, who is that little vixen outside! She actually asked you to build a golden house! What a big deal, how come I didn't see you building a Golden House for your grandmother! Wait, you wait, I'll Go Tell Scorch to dump you immediately! You Dare to cuckold leaf, I think you're too arrogant!" "

“Chapter 1874: 380: Cen Fifth Master, Hidden Beauty in the Golden House 2”

Cen Shaoqing:” ...”

“If it were someone else’s grandmother, when something like this happened, she would definitely think of a way to protect her grandson. ”

“But when it came to Old Lady Cen, things changed! ”

“Not only did she not want to protect him, she even wanted to ‘expose’him in front of ye Zhuo! ”

Was he really not picked up by Old Lady Cen?

Cen Shaoqing looked up at the sky and pinched his temples.

“”See, there’s nothing to say, right? Don’t deny it! You’re feeling guilty now!”Seeing Cen Shaoqing like this., old Mrs. Cen said with great heartache, “I was really blind back then, that’s why I introduced Ye Zi to you! If I had known this would happen, I would have taken Ye Zi as my godgranddaughter!” ”

Cen Shaoqing’s expression was as usual as he looked at Old Mrs. Cen.

“Seeing that he remained silent, old Mrs. Cen was even angrier. She raised her foot and kicked him. “Why didn’t you explain yourself? Are You Mute?” ”

“Cen Shaoqing then said gently, “There’s nothing to explain. Grandma, You’ve misunderstood.” ”

“Misunderstood? What did I misunderstand? I heard it with my own ears! Didn’t you have someone build a golden house?” Old Mrs. Cen asked back.

“Cen Shaoqing’s thin lips opened slightly, “The ‘Jiao’ in the Golden House refers to Empress Chen Ajiao, not some random person.” ”

“So?” Old Mrs. Cen asked.

“”So, you misunderstand. Things are not what you think,” Cen Shaoqing said. ”

“Old Mrs. Cen narrowed her eyes and finally understood the meaning of Cen Shaoqing’s words. She continued, “You mean, you want to build a golden house and hide the leaves inside?” ”

“Of course.” Cen Shaoqing nodded slightly.

“Upon hearing this, old Mrs. Cen’s eyes lit up and she continued, “This idea is not bad! You Little Brat, you’ve finally understood!” You even know how to build a golden house to make girls happy! ”

“After saying this, old MRS. CEN said again, “Do you have enough gold mines there? If not, I still have more!” ”

“Enough.”

“Old Mrs. Cen said, “If it’s not enough, remember to tell Grandma.” ”

“Okay.” Cen Shaoqing nodded slightly.

The housekeeper at the side:” ...”

“Judging from the serious looks of the old and young, they were not really going to build a gold house, right? ”

The two of them walked into the house. Ye Zhuo had almost finished the dessert on the table.

Old Mrs. Cen ordered the kitchen to serve the dishes that had been prepared.

“After eating, ye Zao said, “Oh Right, Grandma Cen, three days later, I’m going on a trip to the grassland with Cen Shaoqing. You should come along too.” ”

“Hearing that, old Mrs. Cen shook her head without thinking. “No! I’m not going! I’m Old and can’t be bothered to run around! You should go with Shaoqing! You two have fun!” ”

“The two of them were very busy. It was not easy for them to go on a trip together, so why was she following them?” ”

Was she a high voltage?

She did not want to!

Ye Zhuo held old Mrs. Cen’s arm. “It’s a rare opportunity. You can go with us. We’ll be back before the New Year’s Eve!”

“”I’m not going.”Old Mrs. Cen continued, “I plan to go to your aunt’s place in a few days. The grassland is too cold. Your Aunt’s place is better. It’s neither cold nor hot. “And I haven’t been to your aunt’s place for a long time.” ”

“Okay.”Ye Zhuo nodded slightly.

On the other side.

At the Xu Residence.

“After Xu Yao washed up and dressed, she went downstairs.”

She wore a light black long dress and a beige coat. She looked very ladylike.

He ziteng was waiting at the entrance of the Xu Residence’s villa.

Mother Xu stood on the balcony on the third floor and looked at he ziteng carefully. Her face was full of satisfaction.

“He ziteng’s family background, looks, and looks were simply the best choice for a son-in-law.”

“Mother Xu took out her phone and took a photo, sending it to the wechat group of Mahjong players.”

This group was filled with the wives of the circle of wives.

“Usually, apart from playing mahjong together, they also liked to compare themselves.”

“For example, whose son married the daughter of which family, whose son studied abroad...”

“In the past, mother Xu did not have much of a presence in the circle of wives. After all, the Xu family was not considered outstanding among the wealthy families. Moreover, the person in charge of the Xu family was Xu Chaonan.”

But it was different now!

He ziteng was now her future son-in-law!

What made mother Xu most proud was that it was he ziteng who took the initiative to pursue Xu Yao.

“Among the group’s wives’ daughters, who had been pursued by he ziteng?”

“Not being pursued by He ziteng was one thing, but there were quite a number of people who took the initiative to pursue he ziteng. ”

“Therefore, mother Xu was very popular in the group these days. ”

Chapter 1875: 380: Hidden Concubine Cen Wu Ye 3

“As soon as this photo was posted, the group started discussing it. ”

Everyone was extremely envious of Mother Xu.

Mother Xu looked at the replies in the group and her eyes were filled with smiles. Her vanity was instantly satisfied.

“At this moment, the sound of footsteps could be heard in the air. ”

It was Xu Yao going downstairs!

“Thinking of this, mother Xu immediately put away her phone and turned around to walk out of the door. ”

“Just as she walked out of the door, she saw Xu Yao, who was dressed neatly and walking down. ”

“Yaoyao.”

“Mom.” Xu Yao walked over.

“Mother Xu pulled Xu Yao’s hands and looked them up and down before saying, “My daughter is really beautiful!” ”

“Xu Yao was 165 centimeters tall and had a curvy front and back. Her facial features were very good and her eyes were round and big. Although her eyelids had been cut, because of her good recovery and the cover of her makeup, nothing could be seen.”

“Xu Yao smiled and said, “Thank God mom gave birth to me well.” ”

““By the way, have you thought about that?”Mother Xu asked ”

“What?”Xu Yao was stunned.

Mother Xu whispered into Xu Yao’s ear.

“Xu Yao blushed and said, “It depends.” ”

““This is not a matter that depends on the situation,”mother xu said very seriously, “You have to seize the opportunity!” ”

It was now or never.

“Okay.”Xu Yao nodded.

““Okay, go quickly.”Mother Xu patted Xu Yao’s hand. “Don’t make he ziteng wait so anxiously.” ”

““Then I’ll leave first, Mom.” ”

““Go.”Mother Xu watched Xu Yao walk downstairs, then to the balcony. ”

Xu Yao jogged all the way to the door. "I'm sorry to have kept you waiting for so long."

"It's okay." He Ziteng put away his phone. "Isn't it normal for men to wait for women? By the way, Happy Birthday!" "

"After saying that, he ziteng opened the door of the passenger seat and took out a bunch of bright red roses and handed them to Xu Yao. "

There were a total of 51 roses.

The implication: I only have you in my heart.

Xu Yao's lips curled up without a trace. She took the red roses from he ziteng with both hands. "Thank you."

"Seeing Xu Yao accept his flowers, he ziteng was a little excited. "

He thought Xu Yao would reject him!

"It's my honor to be able to accept these flowers," he ziteng said. "

Xu Yao lowered her head and sniffed the flowers. "It's also my honor to be able to receive the flowers you sent."

He ziteng suppressed the excitement in his heart and opened the car door. "Get in first."

"Okay." Xu Yao carried the red rose and got into the car.

"He ziteng was quite excited along the way, and his heart was beating fast. "

“About half an hour later, the car stopped at the entrance of a high-end Western restaurant.”

The waiter walked forward and opened the car door.

The two of them got out of the car and walked into the restaurant.

Xu Yao had been to this restaurant a few times before.

“In her memory, every time she came, there would be a full house, but today, she didn’t see a single guest.”

This was a little unusual.

Could it be...

That he ziteng booked this place?

Yes.

That must be the case.

It seemed that he ziteng was preparing to confess his love today.

Xu Yao narrowed her eyes. Her eyes were full of pride.

The two of them went to the best seat on the top floor.

He ziteng handed the menu to Xu Yao.

Xu Yao ordered two dishes and returned the menu to he ziteng.

“The environment of the Western restaurant was very good. Sitting by the window on the top floor, not only could they enjoy the most beautiful scenery in the entire capital, but they could also listen to beautiful music.”

“Although Xu Yao had been to this western restaurant to eat, she had never been to the top floor, and she had never ordered a top-tier set meal.”

“He ziteng opened a bottle of 82 Lafite and poured a glass for Xu Yao personally. “Yaoyao, Happy Birthday.” ”

“Thank you.” Xu Yao raised her glass.

“Halfway through the meal, he ziteng suddenly put down his knife and fork and said, “Yaoyao, I’m going to the bathroom.” ”

“Okay.” Xu Yao nodded.

He ziteng stood up and walked in the direction of the bathroom.

“Xu Yao looked at He Ziteng’s back and smiled. Then, she took out her phone and took a picture of the dining table in front of her. Then, she took a picture of the scenery outside the window and sent it to her moments.”

“Almost as soon as she sent it, she received a lot of comments and likes.”

Xu Yao replied to the comments one by one.

“Not long after, he ziteng came back. Xu Yao put down her phone and said hello to he ziteng. Then, she turned her head to enjoy the scenery outside the window.”

“He ziteng asked, “Aren’t you going to eat?” ”

Xu Yao shook her head. “I’m full.”

“You have such a small appetite?” He ziteng asked.

“Xu Yao smiled and said, “To be honest, I prefer spicy rice noodles to red wine and steak.” ”

Chapter 1876: 380: Hidden Concubine Cen Fifth Master 4

Xu Yao’s words finally hit he ziteng’s heart.

Other than ye Zhuo.

It was the first time he had met such a straightforward girl.

“”Actually, I also prefer spicy rice noodles,”he ziteng said. ”

“Really?”Xu Yao said.

“”Of course,”he ziteng continued, “Didn’t I tell you before? I like that family’s rice noodles the most.” ”

“Xu Yao continued, “Then let’s eat this before we go eat the rice noodles?” ”

“He ziteng put down his fork. “Sure, but before we go to the rice noodles shop again, I have something to say.” ”

“Go ahead,” Xu Yao said. ”

“He ziteng said, “Close your eyes first. Open them when I tell you to.” ”

“Okay.” Xu Yao nodded and slowly closed her eyes.

He ziteng looked at the manager at the side.

The manager immediately understood.

“After about ten seconds, he ziteng looked at Xu Yao and said, “Yaoyao, you can open your eyes now.” ”

“Xu Yao slowly opened her eyes. When she saw the scene in front of her, she was immediately stunned.  
”

She saw two waiters pushing a small cart over.

The cart was filled with flowers and flashing colorful lights. In the middle of the flowers was a very beautiful birthday cake.

It was a pure white swan.

It was so lifelike.

“Although the size was not big, only enough for two people to share, the price was not low, and it was a limited edition.”

This birthday cake was basically used by rich and noble young masters to propose or confess.

“In the past, Xu Yao had only seen pictures on her moments. She did not expect to finally have the chance to see the real thing today!”

“If she wasn’t afraid that he ziteng would notice something, Xu Yao would have taken out her phone and taken a photo.”

Beside the cake was a jewelry box.

“He ziteng picked up the jewelry box and opened the lid. “Yaoyao, I confessed to you once before, but you rejected me that time. Now, can you accept me? I really like you. I really, really like you.” ”

It was the first time in his life that he ziteng was so determined to like someone.

“Xu Yao looked at the necklace that was handed to her and was stunned for a moment. Then, she said, “I, I...” ”

She knew that she could not reject he ziteng anymore.

“If she rejected he ziteng again this time, he would not have the chance. ”

“However, she could not agree to it immediately. ”

“After all, she would not cherish it even if it was too easy to get. ”

She had to let he ziteng see how reserved she was.

“Let me think about it again.”

“He ziteng said, “Yaoyao, you are the first girl that I have taken the initiative to confess to. You are also the first girl that I want to be responsible for. Don’t worry, I will definitely not let you down.” ”

He knew Xu Yao's views on love.

"Since he had confessed to her again, he was prepared to enter the marriage hall with Xu Yao."

Meeting the right person at the right time was a very blissful thing.

"Xu Yao's eyes reddened slightly. After a moment, she took the jewelry box from he ziteng's hands with both hands. "Did you mean what you said just now? You will never let me down?" "

"Yes! I will never let you down!" He ziteng nodded excitedly.

"Xu Yao said, "Okay, then I promise you." "

She promised!

Xu Yao promised!

"He ziteng was very excited. He picked Xu Yao up and spun around on the spot. "Yaoyao, thank you." "

"Xu Yao said, "You have to remember what you said today." "

"Don't worry, I will remember it for the rest of my life." "

"After a while, he ziteng put Xu Yao down. "Yaoyao, let me put the necklace on you." "

"Okay." Xu Yao nodded.

He ziteng put the necklace on Xu Yao.

“After leaving the Western restaurant, he ziteng drove Xu Yao to eat rice noodles. ”

“Although Xu Yao hated rice noodles, she still pretended to eat happily so that he ziteng wouldn’t see anything. ”

“Halfway through the drink, Xu Yao looked up at He ziteng. “Do you want to drink?” ”

“Yes.”He ziteng nodded. “You want to drink too?”

““Yes. It’s rare for me to be happy today, but I can only drink a little fruit wine,”Xu Yao said. ”

“He ziteng smiled and said, “Okay. I also saved some wine from the boss earlier.”Although the rice noodle shop was not big, he ziteng was a regular customer and had long become friends with the boss. Therefore, he had saved a lot of famous wine here. ”

“Soon, the boss came over with the wine. ”

“He ziteng was happy today. Under Xu Yao’s guidance, he drank one cup after another. After a while, he was a little dazed and felt like he was stepping on cotton. ”

“Seeing that he was almost done drinking, Xu Yao stood up and said, “Ziteng, it’s late now. Let me send you back.” ”

““Drink, I still want to drink! I’m Happy Today!” ”

Chapter 1877: 380: Hidden Concubine Cen Wu Ye 5

“Let’s go back first. Where do you live?” Xu Yao asked.

He ziteng was so drunk that he didn’t even remember where he lived.

“Xu Yao took out her phone from his pocket and unlocked it with her fingerprint. Then, she opened the receiving address on his shopping app and chose a common address.”

“After doing all this, Xu Yao took he ziteng out of the rice noodle shop and hailed a taxi.”

“The taxi was very fast. After about 15 minutes, they arrived at he ziteng’s apartment.”

The apartment was not big.

The defense system was very good. It was all facial recognition. Xu Yao supported he ziteng and walked straight into the house.

“He ziteng’s face was red. He hugged Xu Yao tightly. “Yaoyao, I really like you. I want to be with you...” ”

“Xu Yao narrowed her eyes and continued, “Ziteng, you drank too much. Have a seat first. I’ll go get you some yogurt.” ”

““Not much. I didn’t drink too much at all.” He ziteng hugged Xu Yao and was unwilling to let go. “Yaoyao, am I Dreaming?” ”

He ziteng felt that he was dreaming.

Because only in a dream could he hug Xu Yao so realistically.

“Although Xu Yao did not have any real relationships with her past boyfriends, it was just that she did not reach the final step. She had done everything else that she needed to do! ”

She knew the secrets of men.

“A seemingly simple action could make one unable to stop, just like he ziteng now. ”

“A man who was drunk was in high spirits, especially when he was facing the person he liked. ”

“Xu Yao supported he ziteng. “Ziteng, let me take you to wash your face first, then go back to your room to rest, okay?” ”

“After saying that, Xu Yao let he ziteng sit on the sofa to rest, while she went to find the bathroom. ”

“Ten minutes later, Xu Yao helped he ziteng wash his face, then brought he ziteng to the bedroom to rest. ”

“He ziteng was still in a daze, and Xu Yao used a lot of effort to bring him to the bedroom. ”

Xu Yao looked around without leaving a trace.

There were no cameras.

Xu Yao placed he ziteng on the bed and started to undress him.

“Soon, he ziteng’s coat was taken off. ”

“In his daze, he ziteng seemed to see Xu Yao standing in front of him. He smiled and said, “Ziteng, I like you. I’m willing to be your girlfriend. Let’s be together.” ”

“Looking at the face that was gradually magnified in front of him, he ziteng suddenly felt his throat become dry. He licked his lips and finally reached out to grab her hand and kissed it fiercely. ”

Dream.

It must be a dream.

“If it wasn’t a dream, how could he kiss Xu Yao so easily.”

“Thinking that he was really dreaming, he ziteng became even more unscrupulous.”

Rip.

Following that was the sound of clothes being torn.

“Looking at the man on top of her, Xu Yao curled the corners of her lips, her eyes filled with pride.”

She had won this game.

...

“When he ziteng woke up again, it was already the next morning.”

“He ziteng pinched his temples, feeling a little headache.”

Last Night’s events were like a movie playing in front of his eyes.

Was It a dream?

He ziteng turned to look at the other side of the bed.

It was empty. Xu Yao was not there.

Xu Yao was not there.

It must be a dream!

“At that moment, he ziteng lifted the quilt.”

He saw a bright red mark on the Bright Red Quilt.

It was blood.

Why was there blood on the bed!

What was going on?

Could it be...

Everything that happened last night was real?

Oh My God!

What did he do?

He actually forced Xu Yao.

He ziteng scratched his head?

What should he do now?

Would Xu Yao still forgive him?

“Also, where was Xu Yao Now?”

“He Ziteng got out of bed and casually put on a pair of pajamas from the closet. Then, he went to the living room to look for someone. “Yaoyao! Xu Yao!” ”

No one answered in the apartment.

He ziteng picked up his phone again and called Xu Yao.

“It rang for a long time. Just when he ziteng thought Xu Yao wouldn’t answer, the phone was picked up. “Hello.” ”

““Yaoyao!”Hearing Xu Yao’s voice, he ziteng was very excited. “Yaoyao, I’m sorry. Are You... Are You Okay Now?” ”

““I’m fine.”Xu Yao’s voice sounded a little tired. “Ziteng, I know you didn’t do it on purpose last night. Let bygones be bygones.” ”

“Although Xu Yao said she was fine, he ziteng was still worried. “Yaoyao, are you really fine?” ”

““I’m really fine.”Xu Yao continued, “You don’t have to worry about me.” ”

Chapter 1878: 381: Why is she here? 1

“He ziteng pressed his temples and continued, “Yaoyao, where are you now? Let Me Look for you.” ”

Xu Yao was different from other girls.

This was her first time.

This was the time when she needed someone to comfort her the most.

“I want to be alone,” Xu Yao said. ”

Want to be alone?

“Hearing her say this, he ziteng became even more nervous and continued, “Yaoyao...” ”

“Xu Yao interrupted him and continued, “Ziteng, this kind of thing is consensual. Although you drank last night, I don’t blame you. You should rest well too. I’m hanging up now.” ”

“Xu Yao’s words were very artistic. Although some things could only be done by mutual consent, he ziteng was still drunk last night. ”

“She was a girl, how could her strength compare to he ziteng, a man? ”

She pushed all the questions to he ziteng.

“However, he ziteng did not find anything wrong. ”

“After saying that, Xu Yao directly hung up the phone. ”

“Looking at the phone being hung up, he ziteng frowned slightly and became even more worried. ”

“Judging from Xu Yao’s attitude, she should be very angry.”

What should they do now?

Over here.

“As soon as Xu Yao hung up, mother Xu immediately came over. “How was it? It was he ziteng who called, right?” ”

““Yes.” Xu Yao nodded, ”

“What did he say?” Mother Xu asked.

“Xu Yao said, “He said that he wanted to look for me.” ”

“Then what did you say?” Mother Xu asked.

“I said that I wanted to be alone.”

“Hearing that, mother xu smiled and said, “Yes, yes, yes! That’s what you should say! No matter what, girls have to be reserved.” ”

Men were a little hypocritical.

“Although on the surface they said that they liked girls who were more open, in fact, they preferred girls who were more subdued and pure. ”

“Xu Yao nodded. “Mom, I know.” ”

“Mother Kan looked around and lowered her voice. “It’s your first time with He ziteng, isn’t it?” ”

“Although she knew that Xu Yao wasn’t that kind of person, mother Xu was still a little worried.”

“If it wasn’t Xu Yao’s first time, then her chances of winning would be much lower.”

“After all, many men had a virgin plot.”

“Xu Yao’s face was a little red. She nodded and said, “Okay.” ”

Mother Xu nodded in satisfaction.

Good.

Very good.

“Mother Xu asked again, “Was your ovulation period yesterday?” ”

““Looking at the date, it should be,” Xu Yao said. ”

“Hearing this, mother Xu looked at Xu Yao’s stomach, and her eyes were filled with a satisfied smile. ”

The future glory of the Xu family would depend entirely on Xu Yao’s stomach!

“Once Xu Yao gave birth to the he family’s eldest grandson, then Xu Yao would truly be the best! ”

Would she still need to look at Xu Chaonan’s face in the future?

Xu Chaonan was nothing!

“Seeing mother Xu like this, Xu Yao said somewhat worriedly, “What if we can’t get pregnant?” ”

How could anyone get pregnant on the first try?

“Mother Xu was not worried about this problem at all. “There will always be a second time after the first time. This man, once he starts having sex, he won’t be able to stop! Especially someone as old as he ziteng.” ”

He ziteng was 28 years old and almost 30 years old!

Could a man who was almost 30 years old control himself if he suddenly ate meat?

Of course not!

“As long as this kind of thing happened a few more times, there was no need to worry about not getting pregnant?” ”

Xu Yao nodded and felt that what her mother said made sense.

“At this moment, he ziteng’s call came in again. ”

“Hearing the phone ring, mother Xu looked at Xu Yao and continued, “It’s he ziteng, right?” ”

“Yes.” Xu Yao nodded.

““You answer it first,” mother Xu said. “But this time, you have to reassure him.” ”

Men could not always be hung up on.

“If they kept hanging on, it would backfire. ”

“Okay.” Xu Yao nodded and answered the phone.

“Soon, an anxious male voice came from the other end of the phone. “Yaoyao, are you really okay?” ”

““I’m really okay. I’m just a little tired,” Xu Yao said. ”

Tired?

“Hearing this, he ziteng could not help but smile slightly. ”

It must be because he was too powerful that Xu Yao felt tired.

““If you’re tired, you should rest more.” He ziteng continued, “Yaoyao, I’m your first man. Don’t worry, I’ll definitely be responsible for you.” ”

“Xu Yao said, “Yes, I believe in You.” ”

““Then are you free tomorrow?” He ziteng asked tentatively. “If you’re free tomorrow, let’s go to the movies together in the afternoon.” ”

“If Xu Yao agreed to him, it meant that Xu Yao was not angry. ”

“If Xu Yao did not agree, then she would definitely be angry. ”

Chapter 1879: 381: What is she doing here? 2

“After asking one question for a long time, he ziteng was very nervous.”

What if Xu Yao had a problem with him?

It was not easy for him to catch up with Xu Yao.

He ziteng held his breath and listened to the other side’s answer.

One second.

Two seconds.

Time passed little by little.

“It was clearly only a few seconds, but he ziteng felt that every second was like a year.”

“After a long while, he finally received an answer. “Sure.” ”

“Really?” He ziteng was ecstatic. He thought he was hearing things.

“Xu Yao smiled and said, “Of course it’s true. Isn’t it just going to watch a movie? How can I Lie to You?” ”

“”Okay, then it’s settled.” He ziteng continued, “I’ll contact you tomorrow.” ”

“Okay.”

On the other side.

He ziteng's apartment.

"After hanging up Xu Yao's call, he ziteng was a little excited."

"He was originally regretting why he drank last night. If he didn't drink, he wouldn't have had sex after drinking."

"Now, he didn't regret it at all!"

He was even secretly happy.

He was actually Xu Yao's first man.

"After all, girls nowadays were more open-minded. It was really not easy to find a girl who was still pure."  
"

"When he thought of the blood stains on the white sheets, he ziteng could not help but smile."

He could not help but want to share this matter with others.

He ziteng took out his phone and made a call.

"When his good friend heard this, he teased with a smile, "Brother, are you sure it was not made up the day after tomorrow?" "

"Nowadays, technology was so advanced. There was nothing that could not be done if one could not think of it."

"Hearing this, he ziteng said speechlessly, "Liu Zetian, what nonsense are you talking about! I think you're just jealous of me!" "

“Jealous my ass,” Liu Zetian continued, “But, brother, be careful. Conservative girls like this are especially hard to get rid of. When the time comes, you can’t even get rid of them even if you want to! They’re like dog skin plaster!” ”

Girls like this valued their first time more. They believed that the boy who took away their first time had to be responsible for themselves.

Liu Zetian was more open in the circle. He was usually not willing to touch more conservative girls.

Unless it was the kind that clearly marked the price.

“Hearing this, he ziteng said very excitedly, “What are you talking about! Am I that kind of irresponsible man? Since I want her innocence, I will definitely be responsible for her!” ”

“Liu Zetian was a little speechless and said, “Brother, you are too excited. I am just giving you a suggestion. Since you are so serious, then I wish you two have a child soon.” ”

“Speaking up to this point, Liu Zetian paused and continued, “But, are you really sure about that woman?” ”

“Yes.” He ziteng said very firmly, “I am sure! It is her. Other than her, I don’t want anyone else.” ”

“He had reached his age, and he really liked Xu Yao. ”

Xu Yao was very good in all aspects.

What was he not satisfied with?

“Hearing this, Liu Zetian was very shocked. ”

He could not believe that a steel-like straight man like he ziteng would one day fall in love and be unable to extricate himself.

“Are you serious?”Liu Zetian asked.

“”Yes, very serious.”He ziteng continued, “So don’t joke about her. I don’t like it.” ”

“Liu Zetian smiled and said, “It’s not easy, brother! What do you mean by bringing her out for everyone to see?” ”

“”Soon, soon.”He ziteng continued, “Wait for me to discuss with her, then bring her out to see everyone.” ”

“Hearing that he ziteng did not seem to be joking, Liu Zetian continued, “Brother, when did you meet that woman? Don’t be fooled by her.” ”

Liu Zetian had been in the circle all year round and had seen all kinds of tricks.

“He ziteng was one of his good brothers, and he didn’t want to see he ziteng fall for her tricks. ”

“”Don’t worry, she’s not that kind of person,”he ziteng said. ”

“Liu Zetian frowned slightly. “You’ve only known that woman for a few days! How can you trust her so much?”Perhaps because he had seen it many times, Liu Zetian was a person who didn’t believe in love. ”

The so-called love relied on one thing to protect it.

That was money.

“Without Money, forget about love, even the most basic kinship could not be protected. ”

“What do you mean by that woman, that woman! She has a name! Her name is Xu Yao.” He ziteng continued, “If you continue like this, I’ll be angry!” ”

“Xu Yao?” Liu Zetian raised his eyebrows. “Her aunt is Xu Chaonan?”

“I think so... do you know her?” He ziteng asked.

“Liu Zetian continued, “I don’t know her, but I heard my dad talking about Xu Chaonan! If Xu Yao is really Xu Chaonan’s niece, then she is not an ordinary person.” ”

Chapter 1880: 381: What is she doing here? 3

Xu Chaonan was swift and decisive in his business. He was a true self-made man.

Many men were very impressed by her!

“After saying that, Liu Zetian continued, “In any case, you have to be careful. Just don’t be deceived by others.” ”

“Okay, got it,” he ziteng said. ”

“Okay, that’s it then. I’ll hang up first.” ”

“After hanging up, he ziteng sent a message to ye Zao. ”

“[ goddess, I found a girlfriend! ] ”

“Ye Zao did not reply immediately. After ten minutes, he sent a message. [ Congratulations. ]”

[ thank you! ]

Time passed quickly.

“In the blink of an eye, two days had passed.”

Today was the day that ye Zao and Cen Shaoqing went to the grassland for a vacation.

“At eight o’clock in the morning, the two of them pulled their suitcases and arrived at the CEN family’s private airport.”

The Cen family’s airport was very large.

There were a total of three planes parked there.

“One was old Mrs. Cen, one was Cen Shaoqing, and the other was used to transport fresh seasonal vegetables.”

The other one was driven away by Zhou Xiang.

““Fifth master, Miss Ye.””

“The two of them had just entered the parking lot when the captain, deputy captain, and three or four flight attendants came out to welcome them.”

Cen Shaoqing nodded slightly. “Is everything ready?”

“The airport said respectfully, “Don’t worry, everything is ready. It will take a total of five hours and 30 minutes to fly to the grassland of Hu City.” ”

“Okay.”Cen Shaoqing then nodded.

“Ye Zhuo looked at the huge plane, deep in thought. ”

“It was a pity that the light-speed aircraft had limited energy and could only fly to the major planets. Otherwise, it would only take a blink of an eye to go to the grassland of Hu City. ”

The two of them walked into the cabin.

Ye Zao picked a seat by the window. “Let’s sit here.”

“Okay.”Cen Shaoqing didn’t have any objections.

“The private plane was very spacious. Not only could they sit, but they could also lie down. ”

“The cabin was even equipped with a bar, a restaurant, and a billiard room. ”

Cen Shaoqing twirled the Buddha beads and sat opposite ye Zao.

The stewardess walked over and poured water for the two of them.

Cen Shaoqing looked up slightly. “Two cups of black tea and one set of cookies.”

““Okay, please wait a moment.” ”

Ye Zao put down his phone and looked at Cen Shaoqing. “What are cookies? Are they delicious?”

“She had eaten a lot of desserts, but this was the first time she had heard of cookies.”

“It sounded very simple, but it did not make one have an appetite.”

“The taste is not bad. It’s a specialty of Jianzhou. You can try it later,” Cen Shaoqing said.

“Okay.” Ye Zhuo nodded slightly.

“Soon, the stewardess came over with the cookies and black tea.”

“Not only did the cookies have an ordinary name, but their appearance was also very ordinary.”

They were beige in color with a faint burnt yellow at the edges.

“Ye Zhuo said, “This is the cookie?””

“CEN shaoqing nodded slightly, “Yes.””

“It doesn’t look very delicious,” ye Zao said as he picked up the cookie and stuffed it into his mouth. Soon, the expression in his eyes changed from indifference to surprise!”

“He didn’t expect that the cookie, which looked ordinary, would taste so good.”

“The taste was very sweet, but it was not greasy at all. It was the kind that got more fragrant the more one chewed it. There was also a faint fragrance in the taste.”

“It was like an osmanthus, but also like a rose. It spread from the mouth to the nasal cavity and did not disappear for a long time.”

“After eating a mouthful of the cookies, he drank a mouthful of rich black tea. The feeling was simply too good!”

Ye Zao sighed softly. “The cookies are really delicious. The black tea is also very fragrant.”

“After eating two pieces in a row, just as ye Zao was about to take the third piece, Cen Shaoqing reached out and held her hand. “You can only eat two pieces today.” ”

“Why?”Ye Zao asked.

“CEN Shaoqing continued, “Because you ate all of today’s amount yesterday.” ”

Sweets were too high in sugar. Eating too much was not good for the body. The average sugar intake of the Chinese people was about 50 grams per day.

Cen Shaoqing then made a custom plan for ye Zao.

He could not eat more than 120 grams of sugar per day.

Ye Zao especially liked to eat sweets. He could not move around when he saw delicious sweets. He had eaten so many sweets in one go yesterday. He had long exceeded the limit!

“Ye Zao was so hungry that he stretched out a finger. “One, I’ll eat the last one.” ”

“No.”Cen Shaoqing shook his head and turned to look at the air stewardess beside him. “Take this away.”

“”Okay, please wait a moment.”The air stewardess walked over and took away the remaining desserts. ”

“Looking at the desserts that were taken away, ye Zao felt a little uncomfortable. “Cen Shaoqing, you’re too heartless!” Seeing delicious desserts that could not be eaten, he could only watch as they were taken away by others. This feeling was too uncomfortable!”

“Cen Shaoqing asked someone to bring a plate of desserts and smiled. “I am responsible for you. Come, Try This.” ”
